

THE BALLINGER LEDGER

BALLINGER, TEXAS, THURSDAY, JULY 15, 1954

VOL. 68

NO. 38

Jennings Trial Re-Set; 125-Man Venire Called

Judge O. L. Parish has re-set the trial of Clyde Allen Jennings, charged with the murder of Wallace Windsor O'Neal, for Monday, August 2. At the same time a special venire of 125 men was drawn and will be notified to be on hand for jury service.

Several weeks ago the court appointed E. B. Underwood and Paul Petty to represent the defendant and at that time the trial was docketed for July 13.

A motion was filed for a continuance because of other cases

being handled by the attorneys and this was granted by the judge and the new date set.

In the meantime, Jennings is being held in the Runnels county jail, awaiting trial. A list of witnesses in the cases has been filed and will be summoned to be present on August 2.

E. C. Grindstaff, district attorney, will direct the prosecution and will be assisted by Jack Moore, county attorney, who aided in the investigation after Jennings was arrested.

Paving Project Finished And More is Considered

A paving contract covering 7 1/2 blocks was completed here the past week-end. A crew employed by Jimmy Strain, San Angelo contractor, spread the asphalt topping last week to finish the job and provide a number of connecting streets and avenues.

The project was started several months ago when property owners had curbing run. The city street department did the base work and had everything ready for the surfacing when the contracting crew arrived last week.

Included were 6 blocks on Fifth Street, 3 blocks on Sar-

gent Avenue, 3 blocks on Pou Avenue, 1 1/2 blocks on Eubank Avenue, 1 block on Sixth Street, all in the Wilke Terrace area.

In addition one block on Tenth Street and one on Sar-

gent Avenue between Tenth and Ninth Streets were surfaced.

Supt. R. E. Harris stated that property owners have made application and put up money for several other blocks. These and perhaps several other being worked up at this time, will be included in a project later in the year.

A measurement of the new pavement was being made Monday for a settlement with the contractor.

Wheat Referendum To be Held July 23

The ASC office has scheduled the wheat referendum for Runnels county on July 23. M. W. McShan, of the county office, states that as the date nears more and more wheat growers are asking questions about the marketing quotas.

In the interest of these growers, Mr. McShan gives answers to the questions he is most often asked.

The result of the referendum will determine whether or not marketing quotas, with penalties for overplanting a acreage allotment, will be in effect on the 1955 crop. It also will determine the level of price support. These and other basic factors are being studied carefully by wheat growers.

Entitled to vote in the referendum are farmers who will be subject to the quotas. Farms will be given quotas if the wheat to be harvested for grain in 1955 is more than 15 acres.

If quotas are in effect the penalty for failure to comply with acreage allotments on excess wheat will be at the rate of 45 per cent on May 1, 1955, parity price.

Another question often asked is, how does the referendum

affect 1955 price supports? If two-thirds of the farmers who vote favor quotas, the full level of price support which is authorized for the 1955 crop, approximately 90 to 75 per cent of parity, will be available for those who comply with their wheat and other acreage allotments. If less than two-thirds favor quotas, price support will be at 50 per cent of parity for those who comply with their acreage allotments. No price support is given for those who fail to comply with acreage allotments, with or without marketing quotas.

Mr. McShan states briefly how the farm allotment is determined. First the national acreage allotment is apportioned among the states, then among the counties, according to the acres seeded to wheat during the latest ten-year period, adjusted for weather trends and other factors. This year the national acreage allotment is 55 million acres, the level specified by law under present supply conditions. Allotments are determined for farms according to past wheat acreage, tillable acres on each farm, crop rotation practices, type of soil and other conditions.

New Manager Presented At Meeting of Co-op Gin

The annual membership meeting of the Ballinger Cooperative Gin Co. was held at the court house Thursday of last week. M. B. Wardlaw, president, called the meeting to order and presided.

One of the first business items was the presenting of the new manager, Jack Fry, to the membership. Mr. Fry recently became active in the organization and is on the job full time. He stated he was anxious to meet all members and discuss problems they may have at this time.

J. T. Moreland and Henry Fowler were reelected directors. A report was made on small grain handled by the elevator this year and it was explained that this was limited because of lack of storage space.

Henry Todd, of Abilene, talked on the operation of a co-operative and called upon Clyde Grice, manager of the co-op oil mill, for a report.

At the close of the meeting, dividend checks were passed out and soft drinks were served. It was announced that credits earned in 1949 would be paid of this year.

It was announced that new

machinery was being added to the gin and that repairs and improvements were being made to put the plant in excellent condition for the fall run.

B. M. Batts, secretary, read the minutes of the last meeting.

BYLERS GIVE OIL RIG WORKERS BARBECUE

Mr. and Mrs. Hamp Byler were hosts Wednesday night to all the oil rig workers and their families and a few friends at a barbecue supper served at city park. The occasion was in honor of the men who drilled in the Palo Pinto producer on his place, three miles northwest of Ballinger, the past week-end.

A group of 110 persons attended the supper which included barbecue with all the trimmings and topped off with homemade cakes and ice cream.

A3-C HOLIDAY UNDERGOES SURGERY AT AFB HOSPITAL

Airman 3-C Fred Holliday underwent major surgery at the Wichita Falls AFB hospital this morning. His parents, Mr. and Mrs. Fred Holliday, of Eden, left Wednesday to be at his bedside.

Emergency Finance Campaign for Polio Victims Explained

E. E. English, field representative of the National Foundation for Infantile Paralysis, met with local chapter officials Tuesday to push plans for the emergency fund campaign to be conducted in August.

Mr. English gave reasons why an additional \$20,000,000 is needed this year and urged the local chapter to raise its quota of about \$2,000. He stressed that if patients are cared for in hospitals and new cases are received as usual, it is necessary to obtain more money.

In January the national quota was set at \$75,000,000 but only \$55,000,000 was raised in the March of Dimes. This left less money to carry on the various programs of the foundation.

The increase in polio incidence in some parts of the United States this year has incurred heavy expense. This particular section has been fortunate but most chapters have a number of carry-over cases which are still receiving hospitalization.

The local chapter expects to announce next week a plan for the emergency campaign.

Various Charges Filed by Officers Past Week-End

Enforcement officers were kept busy the past week-end with arrests and investigations. Six drivers were arrested for speeding and charges were filed against each.

Charges were also filed against five for driving without licenses.

Local officers went to Edinburg Monday to bring Troy Hughes here to face charges of worthless checking and removing mortgaged property.

Edward Fuelberg was fined on for driving while intoxicated and paid a fine of \$72.80.

Eldon Merck was granted \$1,000 bond on a charge of indecent exposure.

Melvin James was charged with carrying a prohibited weapon and was fined a total of \$122.80.

Dan Daute was returned here from San Angelo and charged with wife and child desertion. He was released on \$1,000 bond.

David Tennyson was arrested by local officers for the Brown county sheriff's department on a charge of disturbing the peace.

Dave Lewis, negro, was fined on for concealing mortgaged property.

James Lee Miles paid a fine of \$122.80 on a charge of transporting beer for the purpose of sale.

Court Considers Aid for Firemen; Okays Land Sale

The Runnels county commissioners' court was in session Monday to attend to routine matters, approve other business and hear reports.

The court gave approval to the sale of slightly more than 8 acres of land in this county. The county acquired the land in 1924 when it was cut off from a farm by a road. The approved sale was to Charles Waller for \$50 per acre. Mr. Waller was the high bidder at an auction held last week in which the county retains half of the royalty interests.

The commissioners discussed the proposal to assist financially the fire departments of Runnels county in fighting fires outside city limits. The court has found out that such payments are legal on a contract basis and a contract probably will be made when all departments are satisfied.

At the next meeting on August 9, the court will meet property owners who are not satisfied with their assessed valuations for the year. At the first meeting in September the county tax rate will be set by the court.

Miss Samantha McElroy returned home Tuesday from a 10-day vacation trip to Estes Park and other points of interest in Colorado. She was accompanied by Mr. and Mrs. Stanley Gray, of Snyder.

Gabbert Made Commander Ballinger Guard Company

First Lieutenant Thomas I. Gabbert has been appointed commander of company I, 142nd Infantry. Ballinger's national guard unit. This action was taken following the discharge of Capt. Henry B. Edmondson who leaves the post because of physical disabilities.

Capt. Edmondson has commanded the local company the past five years, during which time the unit has set many fine records. Sgt. Bill Scogins, acting as spokesman for the enlisted men of the company, presented the retiring commander with a gift of appreciation. This presentation was made at the regular drill period Monday night at the armory. This was Capt. Edmondson's last drill with the company.

Capt. Edmondson presented awards won by members of the unit during the past training year. A total of 38 men received awards for perfect drill attendance during the past twelve months. Certificates of merit were presented to First Sgt. Woodrow Alder and Mess Sgt. Dow L. Hancock for outstanding performances of duty during the 1954 field training encampment.

Lt. Gabbert has been a member of Company I ever since 1949 and is well acquainted with the duties of company commander. He is a veteran of 10 years service and is a graduate of the associate basic officers' course at the infantry school, Fort Benning, Georgia. He is a native of Runnels county, having lived here since birth. He is a graduate of the Ballinger high school and attended Texas A. & M. College. He is married and has three children. At the present time he is associated with his father in the wholesale meat business here.

City Water Plant Kept Busy Supplying Full Consumption

Daily water consumption in Ballinger began climbing the latter part of June and since July 1 has been running well over one million gallons a day.

A. D. Smith, city pumpmaster, stated Tuesday that the heaviest single day so far this year was on July 8 when 1,800,000 gallons went through the city mains. The average since July 1 has been about 1,400,000 gallons daily.

The heavy consumption is keeping the city plant operation fairly steady around the clock. Mr. Smith said the plant was capable of supplying about two million gallons by operating 24 hours a day. It might be possible to get a little more through the plant but this is enough for all local demands at present.

The Elm Creek plant is being used part time to provide water for the municipal swimming pool. The water there has been in excellent condition this year and is very clear.

Since the heat wave and dry period began many citizens are irrigating yards most of the day and into the night. There are more air conditioners in service than ever before in the history of Ballinger and this one item requires considerable water.

Routh Builds Terrace System To Ration Surplus Moisture

S. C. Routh, who lives one mile east of Ballinger, is a cooperator of the Runnels county soil conservation district. He is protecting his field from erosion and using extra water by helping the field and the pasture above to soak up more rainfall and by rationing the surplus water into large level closed in terraces.

Mr. Routh is working out a coordinated conservation plan with the technical service offered by the district. His object is to use each acre within its capabilities and treat each acre in accordance with its needs for long time production, protection and improvement on a practical basis.

His pasture absorbs water better now after pitting and some rest. A one-inch rain following the pitting operation soaked two feet deep under the pits. It wet only a few inches where the crust remained. An old one-way plow with changes was used for the pitting.

Deep moisture and resting have let some ground cover grow to help soften beating rains, baking sun and blowing winds.

Mr. Routh built a level diversion terrace above the field. This will control runoff water after big rains. Pipes through the diversion will meter water into extra large level closed terraces. This discharge from the diversion terrace will be carried down the side of the field in a waterway. Rationing ditches will be cut across the waterway into more large terraces. These ditches are being placed so that they will bleed only enough water from the waterway to fill the terraces.

To keep the water from standing too long, Mr. Routh has started using a deep-rooted summer legume in his crop rotation. He has approximately 20 acres of guar growing now. This is to open up the soil and improve its physical condition for water penetration. It also adds nitrogen to the soil from the air. He will mulch it into the surface this fall while it is still green.

Mr. Routh will receive ACP payments on the pitting, the diversion terraces and the new field terraces to be added to his system.

George P. Holman sailed from Montreal, Canada, Friday for a tour of South American countries. He made the trip from here to Montreal by train.

Projects Planned By Local Jaycees At July Meeting

Ballinger Jaycees held their regular July business meeting Monday night and planned a number of projects for the near future.

The program was presented by Jimmy Western, of the Western Co., who explained what is done after oil production is found to make a well produce better. Various services rendered the oil industry by the company were detailed.

Gilbert Hernandez, chairman of the international relations committee, has collected a considerable amount of food and clothing to be sent to flood victims in Mexico. Four members of the chamber will take a truck load of articles to Laredo, where it will be turned over to the Jaycees of that city or distribution.

Nine Jaycees worked at the experimental farm on the western side of the airport Tuesday morning. This project is under the supervision of E. J. Loika. Cotton was chopped and weeds cut to clean the fields of three varieties of cotton. Besides the cotton demonstration the Jaycees have several acres devoted to castor beans.

Buddy Gray represented the Ballinger organization at a bi-regional convention at Mexia the past week-end. Mr. Gray is agriculture chairman for the state organization.

District Court Jury Venire Summoned For Service July 19

A petit jury venire has been called for 119th district court here on July 19. The veniremen have been sent cards instructing them to be present in the district court room at 9:00 a. m.

Civil cases have been docketed for the week and jurors will be required. On the July venire are:

Ben Glass, Rowena D. W. Turner, Ballinger; J. W. Jackson, Miles; Herman Miller, Miles; Jim Weatherly, Miles; Woodrow Wilson, Ballinger; N. H. Stoeker, Winters; C. B. Touquet, Miles; S. K. Shelburne, Norton; Lawrence Green, Ballinger; Clyde Simmons, Ballinger; Paul Piper, Rowena; H. E. White, Winters; Claude Tatum, Winters; Frank Lange, Rowena; Earl Baker, Ballinger; Wade White, Winters; Raymond Loyd, Winters; W. J. Halfmann, Rowena; Horace Atkipp, Ballinger; Oliver Wood, Winters; Henry Teplick, Rowena; G. A. Gully, Rowena; A. C. Wendland, Miles; W. T. Schneider, Miles; Altus Stokes, Ballinger; Floyd Sims, Winters; H. W. Ketchum, Ballinger; Ralph Gerngross, Rowena; Ben J. Frich, Rowena; A. T. Halfmann, Ballinger; C. E. Macdren, Ballinger; Bayne Wilde, Ballinger; B. N. Mansell, Ballinger; A. W. Brunson, Ballinger; H. P. Largent, Ballinger; Freddie Gallias, Rowena; J. E. Curry, Ballinger; J. H. Albright, Ballinger; H. D. Smith, Winters.

PREBYTERIANS TO HOLD SPECIAL MEMORIAL RITES

A special memorial service will be held at the First Presbyterian Church, U. S. A., Sunday at 11:00 o'clock. This service will honor T. S. Lankford and Mrs. Mary Sreen and the communion table and the octagonal pulpit will be dedicated.

An appropriate sermon will be delivered by Rev. A. O. Rue, pastor, on the memorials and their meanings and special music will be rendered.

A large number of relatives of the two families will be present and all friends are invited to attend.

LANHAM FLYNT BUYS INTEREST IN FORD CO.

Frank Flynt announced this week that he has sold an interest in the Ford dealership and garage to his son, Lanham Flynt. The business will be known in the future as the Frank & Lanham Flynt Motors, Co.

Young Flynt was with his father for five years before he entered business for himself in the Mercury dealership. He operated this agency for two years before selling.

He will be active in the business with his father and will devote full time to the selling of Ford cars and trucks.

Four Important Wells Finalled Near Ballinger

Oil development in the vicinity of Ballinger was the best the past week for several months.

Hill & Werblow, trustees, have completed their No. 1-Huddleston for a daily pumping potential of 60 barrels. No. 2-Huddleston was drilled in the first of the week and casing has been set. Production will be gauged this week-end and operators believe it will be a better producer than the No. 1. The rig has been skidded over and No. 1-Huddleston started. Production in both Nos. 1 and 2 is from the Serratt sand.

Rhodes Drilling Co. No. 1-Hamp Byler, 3 miles northwest of town, was finalled Saturday and on a six-hour gauge indicated a flowing potential of about 400 barrels a day from the Palo Pinto. Storage tanks were erected on the location Tuesday and production began Wednesday afternoon.

Miami Operating Co. No. 2A-H. F. Lindemann has been completed for about 200 barrels a day in the Jennings sand at 1,658 to 3,680 feet. Production from the Jennings is new for this area.

Howsley & Jacobs No. 1-Harry Jonas, Goen lime discovery in the Winters, North, multi-pay field, has been finally completed. From the Gardner the project was finalled for a daily flowing potential of 311.12

barrels of 45 gravity oil. The Goen lime pay was brought in in May, 1954, for a daily potential of 323 barrels.

The South Crews (Gardner) field has been extended one location west with completion of Vincent & Welch No. 3-Myrtle Taylor for a flowing potential of 196 barrels of 44 gravity oil. Top of pay is at 3,835 feet.

George W. Strake No. 2B-Charity C. Pace, in the Suesse field, has been completed for a daily flowing potential of 126.74 barrels of 39.2 gravity oil. Top of pay was encountered at 4,369 feet.

Southern California Petroleum Corp. No. 1B-Irvin, in the Cress-Sykes field, has been completed for a daily flowing potential of 30.44 barrels of oil. Top of pay was found at 3,875 feet.

Texas Pacific Coal & Oil Co. No. 3-A. Lafon is a new completion in the Hull-Dobbs field for a daily flowing potential of 396.51 barrels of 40 gravity oil. Top of pay is at 3,968 feet.

Hickok & Reynolds have filed an application for a permit to drill No. 1-Chara Ashton, eight miles northwest of Ballinger. Production is for 4,500 feet.

Heep Oil Co. and Herman P. Heep No. 3-J. J. Hood was completed the first of the week for a daily pumping potential of 76 barrels of 40 gravity oil. The new well is in the Bays (Fry sand) field. Pay was topped at 4,449 feet.

Meeting Here Friday On Labor Situation

All farmers in Runnels and adjoining counties are invited to attend a meeting at the court house in Ballinger at 8:00 p. m. tomorrow (Friday). The meeting is for the purpose of securing complete information on hiring Mexican labor during the cotton harvest.

The meeting is called by the Runnels County Farm Bureau but is for all farmers, whether members of the organization or not, and for those in adjoining counties who desire information on the subject.

James H. Jones, president of the Texas Harvesting Association, will give information on how to secure laborers, costs

and other data. He will also answer questions on the delivery of laborers, how to make application for them, and queries dealing with housing, etc.

Leaders point out that while it is too early to know what will be needed in Runnels county in the fall, it is necessary to make plans at this time if farmers are to have any assurance of pickers in case a good crop is made. Some counties have set up associations to receive and distribute laborers and this will be discussed thoroughly tomorrow night.

Every cotton grower in this section is invited to attend and participate in this meeting.

Air Show Arranged By JCs for August 1

Ballinger Jaycees are perfecting plans for the "Old Fashioned Air Show," to be held here on Sunday, August 1. Leaders state that all the show would be presented at hour that would not interfere with church services.

J. W. Longenette is in charge of the air section of the show and has invited a large number of Flying Farmers. This group will give free rides to P.F.A. and 4-H club boys during the day.

New design planes will be seen in action. "Ham" radio operators will be on the ground with equipment in cars to assist in guiding planes to a landing on the field. Bob Dickinson will have charge of the operators and expects to have about 100 for the program.

Bill Cordill will direct the model airplane contests which will be staged between Abilene, San Angelo and Midland. Ray Fuqua has secured members of the state highway patrol to direct automobile traffic.

An event of the day will be a barbecue dinner at the noon hour. This dinner will be served at the field by the Jaycees at \$1 per plate and the public is invited to get tickets.

The program will continue most of the afternoon and citizens of this area are invited to witness the various contests and demonstrations. More publicity will be given before the date set to list the additional attractions.

Dr. and Mrs. R. Alec Brown and son, Byron, of Houston; and Mrs. Oscar Brown and daughter, Serita, of Wharton, spent Sunday with their aunt, Mrs. A. M. King, and Mr. King.

All farmers in Runnels and adjoining counties are invited to attend a meeting at the court house in Ballinger at 8:00 p. m. tomorrow (Friday). The meeting is for the purpose of securing complete information on hiring Mexican labor during the cotton harvest.

SOCIETY

Presbyterian Conquest Class Meets in Malone Home

Mrs. E. S. Malone and Mrs. Lillian Jennings were hosts to members of the Conquest Class of the First Presbyterian Church, U.S.A. last Friday evening, entertaining in the Malone home on Sixth Street, which was decorated with bouquets of zinnias.

Mrs. Malone conducted the business. Mrs. Harper McFarland gave the devotional, and Miss Lillian McMillan was in charge of the program. Others participating in the program were: Miss Mickey Vorbeck, Mrs. H. F. Demmer, Mrs. Rufus Allen and Mrs. John Reese.

Hostesses served fruited punch and cookies at the social hour.

Fancy Doors Leave for Outing at Camp Cisco

Mrs. O. L. Hart, Mrs. Raymond Berryhill and Mrs. Cal Adair accompanied Fancy Doors Club members to Camp Cisco Monday morning for several days of swimming, fishing and other outdoor activities.

Making the trip were: Nancy Davis, Louise Miller, Delphine and Betty Berryhill, Dorothy Thomas, Katherine Richards, Glen Williams, LaNeil Holbrook, Lynnie Sue Tyler, Linda Crockett, Sharon Tuckey, Pat Zappe, Fannie Stokes, Jane Wade and Margo Brunson.

Dance at County Club Feels Visitor from San Antonio

Mr. and Mrs. Price Middleton, and daughter, Suzanne, hosted a Buck and Squaw dance com-

plimenting Sally Steier, of San Antonio, at the Ballinger Country Club Friday night.

Sally, a niece of the Middletons and Mr. and Mrs. George Newby, is a house guest in their homes.

The Indian theme was featured in club rooms which included Trading Post, Posters, Indian dolls before a large Mexican plate were on the mantel of the large fireplace with a colorful cloth and centerpiece along with Indian dolls and red roses in low blue pottery bowls were also used at the party. Punch and refreshments were served for refreshment.

Adult guests assisting in entertaining were Mr. and Mrs. O. L. Huddleston, Mrs. George Sowers, Mr. and Mrs. Mack Sampson, Mrs. Fred McClanahan, of Shreveport, and Mr. and Mrs. Alton Robert, of Winters.

Out-of-town guests were John Campers, of Abilene; Freddie and Betty McClanahan, of Shreveport; Dan Roberts, of Davis; Brevard, Johnny Parks, Rebecca Bowers, Dwayne Deobon, Mike Thadde, Grace Ann Parrish, Mary Lou and John Middleton, Georgia and Ginger Newby, Phil Turner, Susie Witter, Buff Hearn, Carol Huddleston, Glen and Jerry Brun-

son, Fred Lynn Williamson, Joan Tallinger, Neida Kay Stanley, Steven Brown, Judith and Jane Hampton, Ellen Herring, Gordon Hays, Tipton Lee, Johnny Bigby, Mary Marvel Hebert, Kay Mansell and Joy Lee Herring.

Mrs. Purifoy hostess at Gift Shower.

Mrs. Al Purifoy was named

Back BEN RAMSEY For LIEUTENANT GOVERNOR

DEN RAMSEY is a man who has fought the battle of water and soil conservation, knows the state's conservation challenges, and has a coordinated program for integrating flood control, soil conservation, game and recreation. Ramsey work is necessary to the state's welfare and economy.

son, Fred Lynn Williamson, Joan Tallinger, Neida Kay Stanley, Steven Brown, Judith and Jane Hampton, Ellen Herring, Gordon Hays, Tipton Lee, Johnny Bigby, Mary Marvel Hebert, Kay Mansell and Joy Lee Herring.

Mrs. Purifoy hostess at Gift Shower.

Mrs. Al Purifoy was named

THE BALLINGER LEDGER

PROMOTE JUDGE ALAN HALEY
(Wichita County)
To
THE COURT OF CRIMINAL APPEALS OF TEXAS

honoree at a surprise gift shower given by Mrs. Lanham Flynt, Mrs. Mack Young and Mrs. Orland Middleton Wednesday afternoon, entertaining in the Flynt home on Pou Avenue.

Pink roses in a crystal bowl flanked by crystal holders with white candies formed the centerpiece for the dining table, and a miniature glass baby carriage with pink and blue flowers was on the coffee table. At the dessert luncheon, peach ice cream was served with angel cake. Favors were baby articles filled with nuts.

In games of contract, Mrs. W. N. Selby won high score award, and Mrs. James Williamson received the bingo award. Individual gifts were presented Mrs. Purifoy.

Other guests were: Mmes. Gene Keel, T. L. Epting, W. B. Yoder, Hilton Morgan, Ed Curry, O. L. Parish, Jr., John Purifoy, Bill Hays, Gene Heidenheimer, Edgar Payne, of Abilene, and Miss Sally Bailey.

Triple-Four Club entertained in McGregor Home.

Mrs. Alex McGregor included a few added guests when she entertained the Triple-Four Bridge Club in her Eleventh Street home last Thursday afternoon.

Garden flowers in pastel tones were used to decorate party rooms where Mrs. J. R. Lusk

left Sunday for Mexico, D. F. on a vacation trip. Leaving their car at Corpus Christi, they flew to Mexico City. They were accompanied by Mr. and Mrs. Jimmy Hays, of Wichita Falls.

Mary St. John took a place to Clovis, New Mexico, the first Mrs. Elmo Courtney Mack St. John went to Andrews Sunday for a visit with P. E. Morrison.

Paper clips at Ledger office

Surplus...Certified Surplus ...Mandatory Transfers

Each state bank shall maintain an account to be known as "surplus," any part of which account may, from time to time, be certified, which portion of the surplus shall be known as "certified surplus." Before declaring any dividend, each state bank shall transfer to "certified surplus" an amount not less than 10% of the net profits of such bank earned since the last dividend was declared.

If it is good business for financial institutions to maintain a surplus account it may, by the same token, be advisable for individuals to create and maintain such an account. Only banks are required by law to build large surplus accounts but a trial may prove the worth of such a fund for you. The facilities of this bank are complete—you are invited to freely use the safe-guards we have provided.

Governor Shivers Loyal to People, Not Disloyal to Party

Opponents of Governor Allan Shivers' bid for re-election are making a lot of noise, but when their charges are studied in the proper perspective they lack logic and substance. For example, much is made of the fact that Governor Shivers supported President Eisenhower in 1952. But Texans will remember what the situation was then.

Governor Shivers flew to Illinois to talk to the Democratic nominee, Adlai Stevenson. What, asked Governor Shivers of Mr. Stevenson, are you going to do about the federal attempt to grab the tidelands, which have traditionally belonged to the states and which in our children's future will help the education of our children? I'll help the federal government take the tidelands, Mr. Stevenson replied in effect. His views, and the Democratic platform, reflected only a continuation of the New Deal philosophy to which Texans had repeatedly shown aversion.

Governor Shivers didn't have to ask Mr. Eisenhower his stand on the tidelands. Mr. Eisenhower already had made it clear he believed in restoration of state ownership of the tidelands. Mr. Shivers was not elected as the governor of a faction of the Democratic party. He was elected as the governor of the people of Texas. Throughout his tenure in public office, Mr.

Shivers has tried to follow the will of the majority of the people he has served. He did so in 1952 when he supported President Eisenhower. Texas voters proved he was correct in his appraisal of their sentiment, when they cast 1,102,878 votes for Mr. Eisenhower and 969,322 votes for Mr. Stevenson.

So, the issue boils down to whether a public official owes his first allegiance to the party on whose ticket he was elected or to the people he serves. Governor Shivers chose the people.

Governor Shivers' political views were well known prior to the first primary election in 1952. Being a forthright person, he made no attempt to conceal them or to evade taking a clear-cut stand. Knowing his views, Texas voters in the first primary in 1952 returned him to office by an overwhelming majority over the same man with Mr. Shivers getting 833,861 votes to 488,345 for Ralph Yarborough.

These factors should be remembered when in the heat of the present political campaign, cleverly worded charges are made against Governor Shivers. The governor cannot be disloyal to his party, rather he has been loyal in fulfilling his obligation to the people of Texas.

**Citation by Publication
THE STATE OF TEXAS**
To any Sheriff or any Constable within the State of Texas—GREETING:
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Run-

nells County, Texas, the accompanying citation, of which the herein below following is a true copy.
**Citation by Publication
THE STATE OF TEXAS**
TO Lenzie A. Power, Defendant, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Runnels County at the Court-

house thereof, in Ballinger, Texas, by filing a written answer at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 9th day of August, A. D. 1954, to Plaintiff's Petition filed in said court, on the 26th day of May, A. D. 1954, in this cause, numbered 6490 on the docket of said court and styled Vera Power, Plaintiff, vs. Lenzie A. Power, Defendant.
A brief statement of the nature of this suit is as follows, to-wit: Suit by plaintiff, Vera Power, against defendant, Lenzie A. Power, in which said plaintiff seeks judgment against defendant for divorce and dissolving the bonds of matrimony existing between them, and for the restoration of her maiden name, which was Vera Payne, and for all costs of Court, and for general relief; as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Ballinger, Texas, this the 22nd day of June, A. D. 1954.

District Court Runnels County, Texas 24-41

'Kettle' Comedy, Railroad Thriller, Mystery-Shocker on Horseshoe Fare

The hilarious Kettle family returns to the battered old homestead in "Ma and Pa Kettle at Home," one of the features on the double-bill at the Horseshoe Drive-In Theatre tomorrow and Saturday, July 16, 17. Marjorie Main and Percy Kilbride are starred.
The latest Kettle escapades begin when son Elwin's essay wins consideration for the Kettle home as a model farm and leads Ma and Pa and their brood to their ill-fated attempts to make the place live up to Elwin's description.
Cast in important parts are Alice Kelley, Brett Halsey, Alan Mowbray and Irving Bacon.
Allan "Rocky" Lane again is a rugged, fighting U. S. marshal and really puts the outlaws through their paces in "Marshal of Cedar Rock," No. 2 feature at the orsheshoe tomorrow and Saturday. Ably supporting Lane in the exciting Republic western are beauteous Phyllis Coates, comic Eddy Waller, top perennial villain Roy Barcroft and popular Bill Henry.
"Rails into Laramie," Universal adventure in Technicolor based on the brawling boomtown days of western railroad building, is the No. 1 feature at the Horseshoe Sunday and Monday, July 18, 19. John Payne, Mari Blanchard and Dan Dur-yea have the starring roles. The story is built around the critical last rail-link between the east and west coasts and the interruption of construction at Laramie, engineered by those who would profit by delays in completion.
On the same program is "Man Betrayed."
"A Girl in Every Port," starring Groucho Marx, Marie Wilson and William Bendix, and "Phantom of the Rue Morgue" comprise the double-feature program at the Horseshoe Tuesday and Wednesday, July 20, 21.
Warner Bros. "Phantom of the Rue Morgue" is reportedly made to shock, thrill and scare. Representing the most variegated ingredients possible to blend into a single dramatic structure, the WarnerColor film has among other spine-tingling factors the following:

**WE WON'T BE UNDERPRICED!

SAFETY AWARD GIVEN TO CITY FOR RECORD

The city of Ballinger has been awarded a plaque from the American Automobile Association for its excellent pedestrian record in 1953. The award was signed by Ralph Thomas, president of the AAA, and by William C. Coffey, state president of the organization.
During 1953 two pedestrians were injured in Ballinger but there were no deaths. If the perfect record can be maintained for the remainder of 1954, a much larger plaque will be tendered the city at the end of the year.
The framed award was received from the Texas Safety Association the past week-end by J. L. Moreland, police chief.

**Council Names Delegates
To Attend State Meeting**

Delegates to the meeting of the Texas Home Demonstration Association were elected at the July meeting of the Runnels county council here Friday. Mrs. Tom Egan, Rowena; Mrs. J. L. Ohlhausen, South Ballinger; and Miss Geneva Eggenmeyer, Olfen, will be at Dallas on August 11, 12 and 13 to represent this county.

EARL COPE
Will Appreciate Your Vote
for
JUSTICE OF PEACE
(Political Adv.) 15-21

Alternate delegates are Miss Peggy Schwartz, Drasco; Mrs. J. C. Jerrell, Winters; and Mrs. Ed McMillan, Crews.

Mrs. Tom Egan, marketing chairman, distributed linens through the marketing pool to each club president.

Plans are completed for Rally Day on July 29. Each club will give a skit, a cancer film will be shown and the county chorus will sing several numbers.

Mrs. Frank Greger reported on the county 4-H club encamp-

ment held at the American Legion hall recently. Mrs. Egan reported on the district 4-H encampment held at Buffalo Gap.

Mrs. A. B. Spill told of her trip to the Abilene State Hospital to deliver cookies from the Winters and Drasco clubs for the Fourth of July celebration. Mrs. Spill said Mr. Lawler and the children expressed appreciation for the work the clubs are doing.

Mrs. Ohlhausen and Mrs. Callton Smith gave instruction on making copper planters to 30 women at San Saba. A total of 24 planters were completed at the meeting.

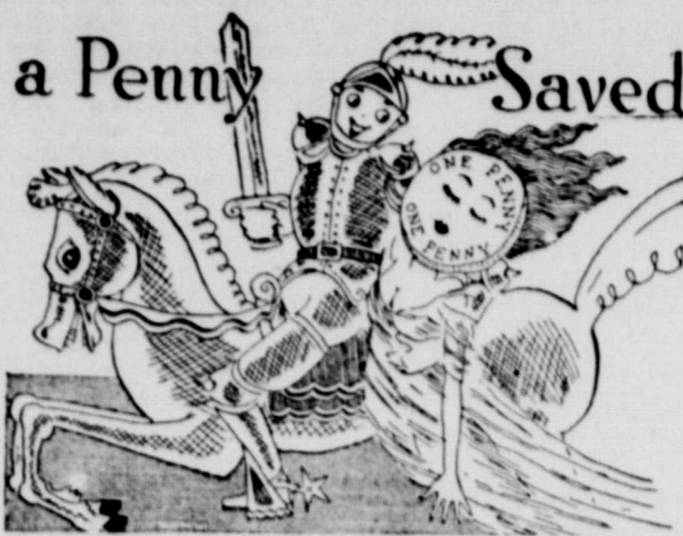

Miss Ollie Chenoweth, county home demonstration agent, has given programs in cleaning upholstery, proper care of bedroom furniture and making dresser scarfs. Other programs have been given to clubs on civic defense, cancer and naturalization laws.

Demonstrations given in the past are still being followed by club women of the county. Home and yard improvement, upholstery and home sewing are being carried out and many women are still canning vegetables and freezing garden produce, chickens and meat.

It seems to us that the average person of today isn't quite so average as he used to be.

A. J. Bishop, Jr.

State Representative A. J. Bishop, Jr., makes this statement to the voters of Runnels county.

"In asking a second term in this office, I do so on the basis of having served you in one regular legislative session and one special session in my first term.

"In these sessions I have tried sincerely to work for legislation that would benefit Runnels county and this district, and to carry out all the duties of this office competently and fairly. I am asking your support on the way in which I have served you.

"I was reared on a Runnels county farm and am still farming actively. In 1950 I graduated from Texas Technological College, Lubbock, with a degree in agriculture. This first-hand knowledge has been valuable to me, I feel, in understanding the district's needs. In World War II I was an infantryman in Europe with the 42nd Division.

"I am grateful for the good support you gave me in 1952, and will appreciate your good consideration and support in the election on July 24."

TWO TEACHERS RETURN FROM VACATION TOUR

Mrs. Ruth Williamson and Mrs. Dixie Louder are at home after attending the National Education Association convention at New York and making a 6,000-mile trip through twelve states. They are teacher in the Ballinger and Miles schools.

After the convention they visited many places of interest in New York State and made a steamer trip up the Hudson River. They also made stops at Philadelphia and Washington, D. C., and took a boat trip to Mount Vernon on the Potomac River.

While in New York they visited Mr. and Mrs. Roy Hamby and Mrs. Norene High, formerly of Miles.

Third, Leroy Hodges, 26

SOCIETY

Miss Wright, Lt. Wilemon Wed at Merkel

On Saturday evening, July 10, at twilight, nuptial yows were repeated by Miss Ramona Joyce Wright, of Abilene, and Lt. Cash Caraway Wilemon, of Lackland AFB, San Antonio.

The double-ring ceremony was performed by the Rev. Dallas D. Denison, pastor of the Abilene First Methodist Church, in the home of the bride's sister, Mrs. Paul Honeycutt, at Merkel.

Tall white tapers and an archway of white gladioli and carnations with jade ferns were the decorations which emphasized the fireplace and large wall mirror, where the bride and bridegroom exchanged vows.

The traditional wedding music was "Clare de Lune," "Because" and "Ave Maria." Mrs. Honeycutt sang "A Mile from Heaven," a composition of the bride's brother, W. H. Wright, Jr., of Fort Worth, who accompanied her.

Another sister, Mrs. Willard Kelton, of Fort Worth, was the bride's matron of honor. Cash Wilemon, of Lubbock, father of

the bridegroom, was best man.

The bride was given in marriage by her father, Hamilton Wright, of Abilene. She wore an original imported white shadow lace waltz length dress over ice blue taffeta. The bodice was a sheath design with a full circular skirt. The bodice back was an inset of ice blue tulle with small tucks, tapering to a point at the waistline, with a streamer sash of white velvet. Her mitts, made of white tulle came to a point over the fingers with rhinestones and tiny white bows at the ruffled wrist.

Her veil of white illusion silk tulle fell from an imported white lace tiara hat trimmed with white velvet ribbon. The bridal bouquet was of white orchids and feathered carnations with streamers of white ribbons tied in love knots.

A reception was given, the bride's cake being served from a lace-covered table centered with a miniature standing bride dressed in white satin. Lighted tapers and an arrangement of white roses and lilies of the valley completed the table decorations.

The bride is the daughter of Mr. and Mrs. Hamilton Wright, of Abilene. She is a graduate

DEATHS

Thomas Koger Hamner, 76, died at 5 a. m. Monday in a San Angelo hospital after illness of several months.
Decedent was born in Alabama on October 25, 1878, and came to Runnels county in 1909. He lived here until 1925 when he moved to Stanton and remained there until 1951, when he went to San Angelo to make home. He was married to Miss Annie Smith at Itasca in December, 1907.
Survivors besides the wife include a daughter, Mrs. LeRoy Wallace, Midland; three sons, Bill Hamner, Ballinger; Stanley Hamner, Colorado City; Rex Hamner, San Angelo; five sis-

ters; Mrs. A. M. Stanley, Midland; Mrs. E. O. Keeton and Miss Jewell Smith, Abilene; Mrs. O. K. Paschal, Winters; Mrs. J. T. Casey, Shep; 8 grandchildren and one great-grandchild.
Funeral services were held at 3:00 p. m. Tuesday at the Newby-Davis chapel, Rev. Cecil of Paint Rock, officiating. Burial followed in Evergreen Cemetery.

Mrs. Mary E. Clark

Mrs. Mary Elizabeth Clark, 78, died following a heart attack at 6:00 p. m. Monday at her home on Ninth Street. A few minutes before her death she apparently was feeling as usual.

Decedent was born January 18, 1876, in Arkansas, moving to Texas when a small child. In 1900 she moved to this county from Bell county and had lived

here ever since.
Funeral services were held at 4:00 p. m. Wednesday at the First Baptist Church, Rev. R. H. Cagle officiating. Newby-Davis Funeral Home was in charge of burial in the Crews cemetery.
Survivors include three sons, Gifford Campbell, Westwego, Louisiana; Grady and Burley Campbell, Ballinger; two daughters, Miss Bonnie Clark, Ballinger; Mrs. Jewel Warren, Lamesa; three brothers, Porter Perry, Wichita Falls; Walter Perry, Seagraves and Jim Perry, Eloy, Arizona; two sisters, Mrs. Alice Suggs, Abilene; Mrs. Henry Snodgrass, Coleman; 18 grandchildren and 24 great-grandchildren.

Mrs. LaDena Ann Wheeler

Mrs. LaDena Ann Wheeler, 83, died at Shannon Memorial Hospital, San Angelo, Saturday

night after brief illness. She had been ill several days but did not enter the hospital until Friday of last week.
Decedent had been a resident of Ballinger the past 28 years.
Funeral services were held at 4:00 p. m. Sunday at the Newby-Davis chapel, Rev. Mark Hendricks officiating. Burial followed in the Runnels cemetery.
Survivors are four sons, Jim Lewis, San Angelo; Joe Lewis, Ballinger; Walter Lewis, Wichita Falls; T. C. Wheeler, Ballinger; 17 grandchildren, 18 great-grandchildren and one great-great-grandchild.

Henry L. Norred

Henry L. Norred, 78, died at 11:00 a. m. Wednesday in the Home for Aged Masons at Arlington. A pioneer resident of Ballinger, he went to the Arlington institution about seven months ago.
Decedent was active in the Masonic Lodge for many years and was a past master of the local lodge. He also was a lifelong member of the Methodist Church. Prior to his retirement he worked for the Santa Fe Railroad here and did some carpentry.

Funeral services will be held at 5:30 p. m. today at the First Methodist Church, Rev. G. G. Cecil, of Paint Rock, to officiate. Interment will follow in Evergreen Cemetery with Masonic rites.
There are no near relatives.

PARKER CHOSEN TO PLAY IN 2 ALL-STAR GRID TILTS

Tommye Parker, 1953 Bearcat tackle, has been invited to play in the Oil Bowl game at Wichita Falls on August 20. The Texas squad will be composed of 24 boys selected from high school teams, who will compete with Oklahoma high school all-stars.
Parker will play in the all-star game for the Texas coaching school at Dallas on August 14 and will go to Wichita Falls the next day to start working out.

SERVING UNCLE SAM

Werner Hallmann, son of Mr. and Mrs. Theo Hallmann, of Olfen, is now stationed at Fort Ord, California. He recently was advanced to the rank of sergeant.

A letter was received this week from Sgt. Joseph L. McClelland in which he stated he was due a discharge from the marines in August and planned to return to Ballinger at that time. Sgt. McClelland has been away from here the past four years, visiting relatives and friends a few times, and wants now to get back home and in civilian life again.

BLANTON BAPTIST REVIVAL WILL BEGIN TOMORROW

A revival for the Blanton Baptist Church will start tomorrow (Friday) night, Rev. Scott W. Hickey, of Abilene to be the evangelist. The pastor, Rev. W. E. Nowell, stated that services would be held twice daily, at 11:00 a. m. and 7:30 p. m.
The evangelist, now pastor of Memorial Baptist Church, Abilene, was formerly pastor at Miles and Norton. Since coming to West Texas in 1920 he has conducted 23 revivals and has preached at practically all churches in Runnels county.

MRS. HOLLIDAY CELEBRATES 92ND BIRTHDAY ANNIVERSARY

Mrs. Mattie Holliday celebrated her 92nd birthday anniversary Wednesday, July 14, with a birthday dinner in her Ninth Street home. She is a pioneer of Runnels county and for many years lived on a farm near Hatchel before moving to Ballinger to make her home. She came to Runnels county on March 1, 1883, and has resided in this immediate section ever since.
Attending the dinner Wednesday were: Robert Holliday, Houston; Mrs. Henry McDonald, Winters; Mr. and Mrs. David Holliday and daughter and son-in-law, Mr. and Mrs. S. Emerson, San Angelo; Mrs. Hilliard Watson, Houston; Mrs. E. V. Grantland, Colorado City; Mrs. Dee Holliday, Ballinger; Mrs. Nannie Uecker, Ballinger.

Mrs. Howard Williams and children, of Waco, have returned home after a week's visit with her parents Mr. and Mrs. R. R. Allamon. Barbara Williams is remaining here for a longer visit.

Pvt. and Mrs. Marvin Haechten, of Killeen, are parents of a son, born July 13 at the Fort Hood Hospital. The baby weighed 8 pounds 10 ounces upon arrival. Grandparents are Mr. and Mrs. J. T. Haechten and Mrs. Marie Beach, of Rowena.

James Gilliam, of Goldthwaite, is visiting in the homes of his sisters, Mrs. Josephine Stallings and Mrs. Loyd Herring.

Mr. and Mrs. Gordon Gressett, of Monrovia, California; Mrs. Agnes Gressett, of Altadena, California; Mr. and Mrs. Jimmy Gressett and girls, of San Antonio; and Mr. and Mrs. Harold Carson, of Malakoff, were week-end guests in the home of Mr. and Mrs. E. F. Vogelsang. Mrs. Agnes Gressett is remaining for a longer visit.

Mrs. John Byler, of Brownwood, was here Sunday for a visit with relatives and friends.

2 Baseball Loops For Boys Formed; Soon to Start Play

A large crowd of adults and boys assembled Tuesday night at the city hall auditorium to organize baseball pony and little leagues for the remainder of the summer.
It was voted to proceed at once with the two leagues and more than 75 boys have already signed up to play. Others will be added in an effort to get four teams in each league. The age for the Little League is 8 through 12 and for the Pony League 13 through 15.
Directors elected at the meeting are H. B. Edmondson, G. A. Morrish, J. D. Reneau, K. C. Whiteley and Paul Kirk. Managers will be named for each team and the boys divided into teams and given assignments.
All boys present Tuesday night were signed up and given the opportunity to specify their positions.
All boys and managers will meet at Cat Park at 5:00 p. m. Friday for cleaning up the grounds, doing work on the stands and getting the diamond reduced to the correct size. Practice will start next week and games are to be scheduled in the near future. Directors point out that every boy who wants to try out for a team should turn in his name at the Ballinger Chamber of Commerce office at once.

MADER'S RELATIVES VICTIMS OF FIRE AT WEATHERFORD
Mr. and Mrs. George Mader were called to Weatherford Tuesday afternoon after the former's brother-in-law was burned to death and his sister critically burned and given a 50-50 chance to survive.
Mr. and Mrs. John Ray, the fire victims, lived on the outskirts of Weatherford and the fire occurred shortly after noon Tuesday. An oil stove exploded and within a few minutes the entire house was afire. Mr. Ray, 80, went back into the house and was trapped there. His wife sustained burns trying to keep him from reentering the burning building. A son, about 25 years old, also was burned but not critically.
Funeral services for Mr. Ray will be held at Weatherford this afternoon.
Schemes rarely take the place of good, hard work in the lives of those who succeed.

WEST TEXAS NOTES

Inspectors who made a survey of Ballinger the past week-end stated that much had been accomplished in the current clean-up campaign. They said many weeds had been cut in back yards, alleys and vacant lots. Truck crews began collecting trash yesterday and will continue this service through tomorrow. As soon as this is done another survey will be made and any place that still needs attention will be reported to the city fire marshal and the chairman of the clean-up committee. Leaders have done everything possible to make the campaign a success. They have arranged for free hauling for all and have furnished trucks, pickups and workers for the hauling. The rest is left up to the property owners or tenants of houses and apartments. The entire effort is in the interests of better health and especially to prevent polio incidence in this area. The campaign will not stop with the final set date, July 16, but will be continued in an effort to eliminate every health and fire hazard in the city.

Also in the interests of better health is the emergency polio fund drive scheduled in August. District representatives were in Ballinger this week to confer with officials of the county chapter and make plans for raising additional money. In the 1954 March of Dimes the national goal was failed by about \$20,000,000. This lack of funds has crippled the work of the national foundation to such an extent that many patients will be denied hospital care unless the emergency drive is successful. The shortage comes at a time when great strides are being made towards conquering the disease. The Runnels county chapter will devise a plan for raising about \$2,000 and if possible will make the drive without resorting to the spectacular March of Dimes methods. Chapter officials think citizens of this county want to have the fine work continued and will provide their share to erase the deficit. The county chapter is taking care of seven patients, spending over \$1,500 for hospitalization since Janu-

O. K. Wolfenbarger, of San Angelo, has been elected superintendent of the Bronte public schools, to succeed J. L. Carroll, resigned. Wolfenbarger has been in the profession the past 33 years, 12 of which he has served as superintendent 17 as principal. He assumed his new position this week and for a while will drive from San Angelo to Bronte. He and his family will move to Bronte before the beginning of the term in September.

A new pastor, Rev. Marion Condit, of Fort Worth, was installed for the Winters Presbyterian Church, U. S. A., Friday night. The Brownwood presbytery had charge of the service. Rev. A. O. Rue, of Ballinger, assisting. The pastor's father, M. U. Condit, was the principal speaker for the special rites. A reception was held in

the church parlors at the conclusion of the installation program.

The 1954 Coleman rodeo got underway yesterday and night performances are scheduled the remainder of this week. All last week committees were busy decorating the town, citizens donned western attire, booster trips were made and last minute details were covered. A parade is to be held each day. New parking and ticket selling arrangements at the grounds are calculated to eliminate traffic hazards. Association officers are predicting the biggest crowds in the history of the rodeo.

The head of the nation's castor bean program inspected crops in Mitchell county this week. M. L. Anderson, of the U. S. Department of agriculture, Washington, D. C., will spend most of the week in the area to study the condition of the crop. He was accompanied by R. H. Nelson, of College Station, and Joe Smith, of California. Herry Carder, castor bean expert for a California company, joined the officials for the tour. A study of needs for the harvest was one of the main reasons for the survey.

Members of home demonstration clubs in Brown, Comanche and Eastland counties gathered at the Baptist encampment grounds on Lake Brownwood last week. The club women were in session for two full days and a full program of activities had been planned to keep everyone busy. A number of specialists directed several demonstrations. Skits by clubs of the three counties furnished entertainment.

The Comanche schools will be opened this year on September 7. Registration of students is scheduled before opening day and a number of activities including football practice will start before the term begins. All holidays are to be observed during the nine months and unless some delay is encountered students will be dismissed on May 23, 1955.

F. A. Rogge, of Rowena, was one of the honorees at a banquet in San Angelo last week. The affair, sponsored by the General Telephone Co., was held at the Ranch House. Mr. Rogge was presented with a 35-

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly.

Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.

The best plan for all concerned is to send the change of address in advance.

ary 1. Even if no other cases develop there will not be enough money to care for the patients still requiring treatment.

Politicians are coming down the final stretch with just this week-end and one more full week before the first Democratic primary. In many races the first primary will decide, as there are only two candidates for a number of offices. Candidates have been active several weeks, seeing as many voters as possible and making contacts in other ways to ask for votes and support. Interest is sufficient to anticipate heavy balloting on July 24.

Front End Alignment \$2.50 to \$4.75

year service pin with two diamonds for his long period of service. He began work for the Miles and Rowena exchanges of the San Angelo Telephone Co. in 1911 and retired last Thursday.

The Miles Lions Club has called upon all citizens of the community to help in putting over a number of projects for the young people. As a starter in raising money, a barbecue dinner is being served by the club tonight and this will be followed by a calf roping. All

money made on the programs will go into a recreation fund and it is hoped that a swimming pool and other facilities can eventually be secured.

The Melvin Future Farmers of America are starting their annual lamb feeding program. Southdown lambs were purchased last week from breeders at Kerrville and San Saba and additional animals will be purchased as soon as they are located. Talmage Wood, vocational instructor at Melvin, is assisting the boys in making

selections and is looking for other suitable animals for the summer and fall projects.

Midland Baptists dedicated their new \$1,250,000 church building Sunday. Former pastors were present to assist in the day's program and the pastor, Dr. L. L. Morriss, had charge at the morning dedicatory rites and the tours of inspection in the afternoon. Construction was started in March, 1952, with ground-breaking ceremonies.

Menard Police reported two cases of theft and four arrests

made last week. Someone broke into a home and took clothing and jewelry valued at several hundred dollars. On the same night entry was forced at a drive-in theatre where \$20 in cash, cigarettes and other merchandise were missed. Two girls and a boy from Walton's Camp, Kimble county, admitted breaking into the home and a Menard youngster also was involved. The four youngsters and their parents were haled into court but no decision was rendered in the case.

The Brady city council has authorized the mayor and city secretary to sign a contract with John Treadgill to erect a community television tower. The contract was signed which gives Treadgill the right to string his cables on city light poles, the city to receive a yearly rental of \$1.50 per pole. The tower will afford direct connection to local TV set owners and is expected to improve reception from distant stations. The service will be made available in the fall.

New, bigger load space! New, lower loading height!

New Chevrolet Trucks...

do more work per day . . . more work per dollar!

You save on operating costs. High-compression power in every model saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 255," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver increased horsepower and operating economy, both.

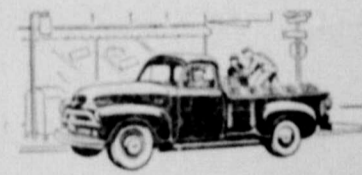

You save extra trips. That's because of the extra load space you get. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to the ground to make loading and unloading faster and easier.

You save time on deliveries. With new truck Hydra-Matic transmission, you save valuable time at every delivery stop. And you can forget about clutching and shifting! This proved automatic transmission is optional at extra cost on 3/4-, 1- and 1-ton models.

You save with lower upkeep, too. New chassis strength saves you money on maintenance. For example, there are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds. Increased acceleration and hill-climbing ability let you save time where it counts!

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!
Chevrolet Advance-Design Trucks

Now's the time to buy! Get our BIG DEAL! Save with a New Chevrolet!

Miss Kleypas Becomes Bride of Victor Matschek

Miss Anabel Eva Kleypas, daughter of Mr. and Mrs. Erwin B. Kleypas, of Rowena, and Victor Matschek, son of Mr. and Mrs. Ben Matschek, also of Rowena, were married Saturday morning at 8:00 o'clock in St. Joseph's Catholic Church at Rowena.

The Rev. Richard McClellan, assistant pastor, read the double-ring vows and officiated at the nuptial mass before an altar decorated with white gladioli and lighted tapers in branched candelabra.

The church choir sang "Mass of the Virgin Mary" and "Ave Maria." The organist, Miss Joyce Ocker, played the accompaniments and the wedding marches by Rossini.

The bride was given in marriage by her father. She was gowned in white Chantilly lace and tulle over bridal satin. The moulded bodice of lace featured a sweetheart neckline and tiny lace-covered buttons outlined the back. The full bouffant skirt which swept to a cathedral train was designed with a peplum of lace finished in graceful scallops. Her veil of

imported silk illusion extended in tiers to waist-length from a Juliet cap of lace sprinkled with seed pearls. Satin streamers fell from the heart-shaped bouquet of white split carnations centered by an orchid. Her only ornaments were a necklace and matching earscrews, gifts from the bridegroom.

Miss Lorine Kohutek, of Winters, cousin of the bridegroom, was maid of honor. Bridesmaids were Miss Lorine Kellermeier, of

HARE-RAISING EXPERIENCE — "Kirre," the rabbit, is no dumb bunny. Clover, grass and garden vegetables aren't for him. At left, he begs for milk from owner Isidor Soderqvist, of Stockholm, Sweden, and at right Kirre reaches for an apple—his favorite fruit. Soderqvist acquired his pet after Kirre's mother was killed during the hunting season.

Miles. Miss Georgia Ann Kohutek, cousin of the bridegroom, and Carol Kasberg, cousin of the bride. The attendants wore identically styled gowns of aqua net over matching taffeta. The ballerina length gowns featured rows of net ruffles. The fitted bodices came to points at the waistlines, and their head-dresses were bandeaus of net encrusted with daisies and they carried bouquets of yellow split carnations.

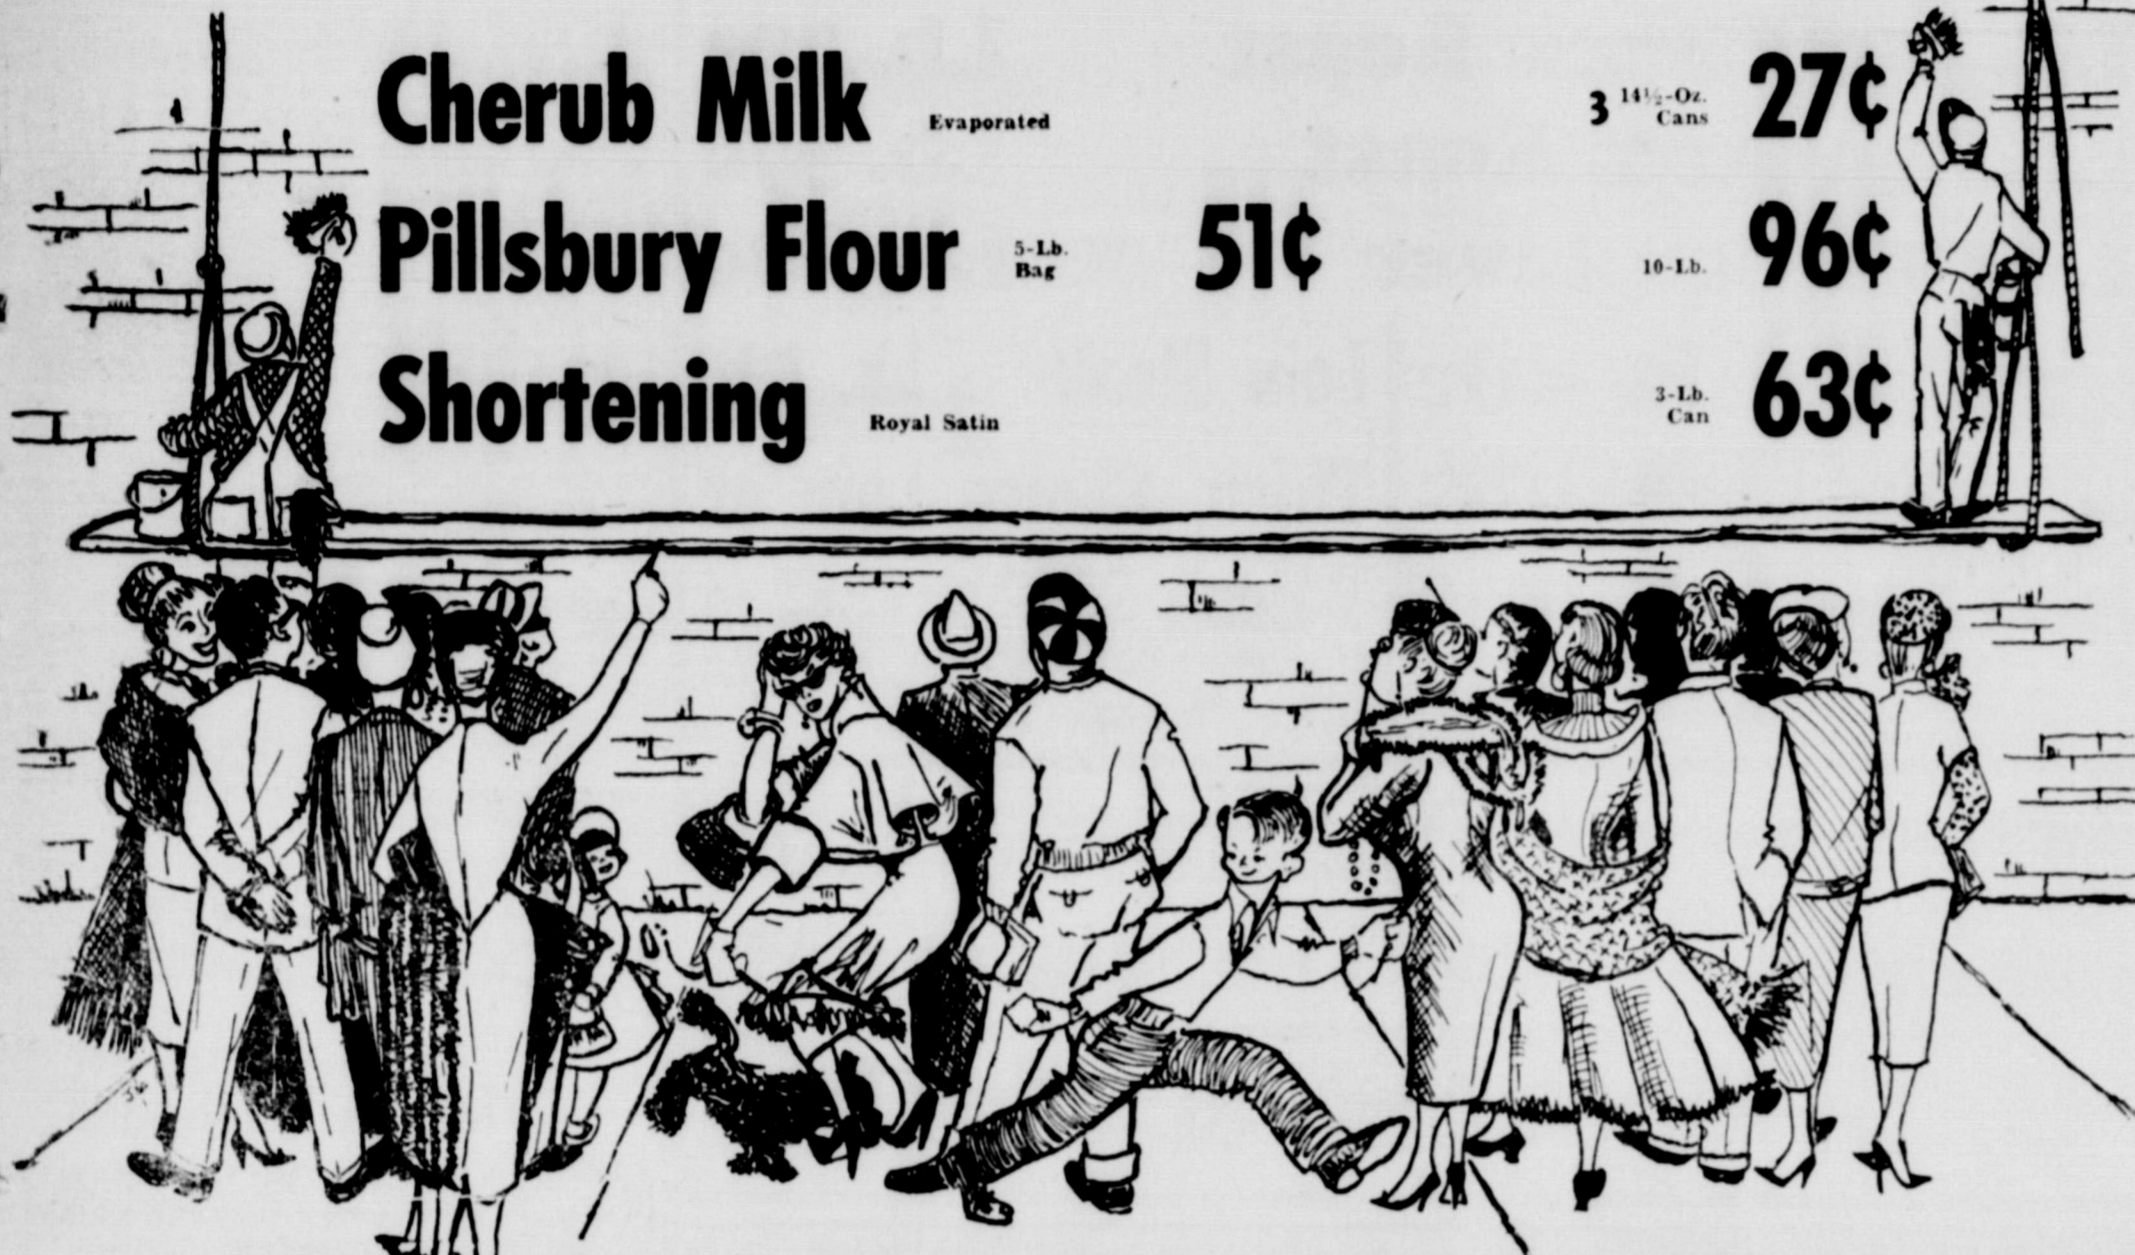

Erwin Kleypas, Jr., brother of the bride, was best man. Ushers were James Kohutek, Earl Kleypas and Bobby Kohutek.

Following the mass a statue of the Blessed Virgin was presented to the bride by Misses Mary Dee Hoelscher and Dolores Glass, from the Children of Mary Sodality, of which the bride was a member.

A reception was held at the parish hall. Guests were registered by Miss Alice Kohutek and Miss Hoelscher. Mrs. Victor Sladek and Mrs. Earl Crockett presided at the coffee service, and Mrs. Ben Kasberg and Mrs. Herbert Lange laded punch. Mrs. Henry J. Schniers, Mrs. Vernon Glass and Mrs. Ralph Smetanna served the wedding cake. A dance at O.D.H.S. hall in the evening honored the bridal couple.

After a wedding trip to points in New Mexico, the couple will reside at 402 East Avenue in Ballinger. Mr. Matschek is manager of the furniture department of Higginbotham Bros. & Co.

Mr. and Mrs. Matschek are both graduates of St. Joseph's School at Rowena. Mrs. Matschek has been employed by Keel Drug Store.

Phone 4080 for Free Delivery **C. O. D. Grocery & Market**

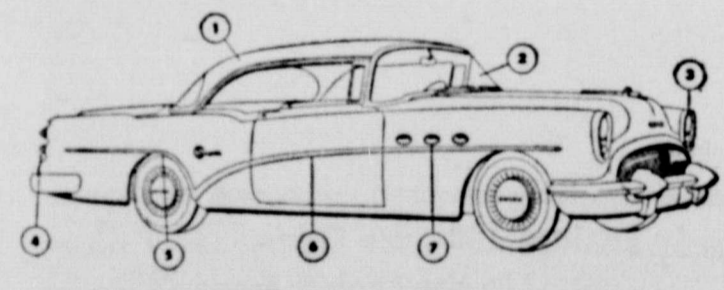

Mrs. W. B. Oliver returned to her home at Atlanta, Georgia, Friday, after spending a month with her son-in-law and daughter, Mr. and Mrs. Orland Mid-dieton. Wedding announcements, wedding invitations, Ballinger Printing Co., Phone 6522. It is rumored that cheerfulness is largely a matter of one's income being above one's outgo. Miss Lillian Knowles and Mrs. Naomi Keithley, former teachers in the Ballinger high school, now teaching at Angelo, were visitors in Ballinger the past week-end.

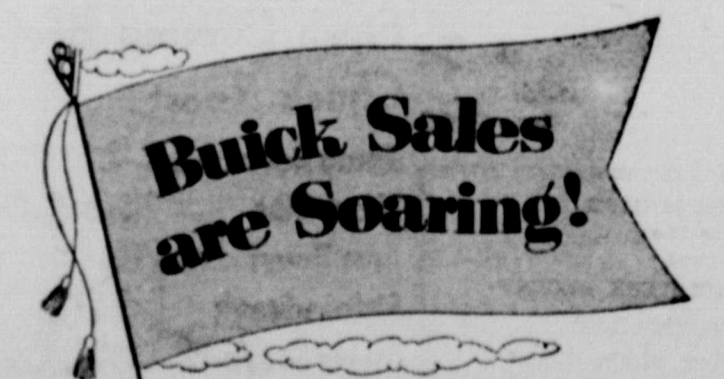

"You can expect the most raiding in the best melon patch"

You can bet your bottom dollar on it. Come next year, or the year after that, you'll be seeing on other cars some of the styling features you see in Buick today. We expect it. It has happened before. And there is good reason for it—popular appeal. Take, for example, the car model shown here. We call it a Riviera. Most people call it a "hardtop." When Buick introduced this body type in 1949, it was a completely new thing. And it was an instant hit. Today, Buick "hardtops" outsell all other models in the line. It's the styling America has taken to its heart. So today you find that every major car maker has his own version of this Buick original. (And we can't blame them a bit. They know a good thing when they see it.) Maybe you've noticed other such borrowings from Buick.

The diagrammatic sketch shown here lists some of the Buick advances that are now reflected in styling of other cars—or will be soon. For you can be sure that the great panoramic windshield first shown by Buick this year will be copied. It's too good to pass up. And you can be sure that the full rear-wheel cutout now on every 1954 Buick Riviera and Convertible will show up elsewhere in the future. It's a sports-car touch that hits a really popular note. We're sure of such things. We're sure because the tomorrow-styled Buick of today seems to be just what people want. Because Buick sales are soaring. Because Buick now outsells every other car in America except two of the so-called "low-price three." So to you we say—why wait another day to see and drive a new Buick? It's the beauty of the year. It's the buy of the times. And it's a wonderful way to head up the parade. Drop in this week for a demonstration, won't you?

KEY TO SOME STYLING "FIRSTS" BY BUICK
 1 Riviera "hardtop" body type 2 Panoramic windshield 3 Virored headlamp grouping 4 Hooded tail light assembly on Skylark 5 Full rear-wheel cutout 6 Fender sweep-spear 7 Ventiports (Remember Buick's first ventiports on front fenders! Some folks even bought copies of those chrome rings to put on jalopies!)

Duplicate Bridge Club Meets
 The Ballinger Duplicate Bridge Club met Tuesday evening at the Acapulco Cafe with thirty-two players present. Mr. and Mrs. Claude Stone won high score; Mrs. E. W. Stasney and Bud Hayes, second; Mr. and Mrs. Frank Merrell, of Winters, third; Mr. and Mrs. W. N. Selby, fourth.

Out-of-town players were: Mrs. Fred McClanahan of Shreveport; Mrs. E. T. Patterson, Mrs. M. E. Mitchell, Mr. and Mrs. John Gardner, Mr. and Mrs. E. B. Morgan, and Mr. Mrs. Gene Probst and Mr. Mrs. Merrell, all of Winters.

St. Mary's Altar Society Meets
 Mrs. Frank Greger conducted the regular meeting of St. Mary's Altar Society Tuesday night at the parish hall. Rev. F. X. Gagnon, O.M.I., gave the opening and closing prayers, and spoke to the group concerning church activities.

Mrs. Lucy Rollwitz reported on the care of the altar linens and vestments. Mrs. H. J. Zappe gave the treasurer's report. Mrs. R. C. Smith was appointed to care for the altar the remainder of this month. For all of August Mrs. Woodrow Hoffman and Mrs. Edmund Englert will be in charge.

A nominating committee, Mrs. Sim Cottle, Mrs. H. J. Zappe and Mrs. Ivan Slaughter, was named. Mrs. James Mueller was welcomed as a new member.

At the social hour Mrs. W. D. Stites, Mrs. Zappe and Mrs. R. C. Smith served refreshments. Others were: Meses. Ernest Schott, Lewis Sturm, Reinhold Hoelscher, Charles Olsak and Harold Mueller.

FOR ATHLETE'S FOOT USE A KERATOLYTIC BECAUSE
 It sloughs off the tainted outer skin to expose buried fungi and kills it on contact. Get this STRONG, keratolytic fungicide, T-4-L, at any drug store. If not pleased in ONE HOUR, your 40c back. Now at Pearce-Bailey Drug.

Doris Day in CinemaScope Musical: 'The Robe' Continues at the Texas

Doris Day in a CinemaScope musical, "Lucky Me," is to be presented at the Texas Theatre Sunday and Monday, July 18, 19, and Tuesday, July 20, 21, 22. Robert Cummings and Phil Silvers also star in the Warner-Color frolic with Eddie Foy, Jr. and Nancy Walker heading the all-star supporting roster.

The effervescent Miss Day, often named film musical star, has the role of a superstitious show-girl whose life takes a hectic turn when she meets handsome, successful Cummings and mercurial, unsuccessful Silvers. Cummings plays the part of a song writer and Silvers is a

Two First-Run Productions Highlight Current Week's Features at Hillcrest Drive-In Theatre

Wild Bill Elliott goes on a lone and relentless search for the killer of his brother in "Bitter Creek," his latest drama of the early West, to be shown as a first-run attraction at the Hillcrest Drive-In Theatre Saturday only, July 17. The trail leads Elliott into a veritable maze of dangerous adventure, and into warm contact with a lovely girl who aids him in the final clash with the killers. The role of the girl is played by Beverly Garland, who can ride and shoot. Other players are Carleton Young, Claude Akins, John Pickard and Mike Ragan. William Tracy is starred in "Here Comes Trouble," second feature on the twin-bill at the Hillcrest Saturday.

"The Long Wait," second of the Mickey Spillane bucket-of-blood, barrel-of-sex thrillers to be filmed, will be shown at the Hillcrest Sunday, Monday and Tuesday, July 18, 19, 20, through

United Artists release. The first-run thriller stars Gene Evans, Anthony Quinn, Peggie Castle and Charles Coburn. A trio of high sex-quotient girls named Mary Ellen Kay, Shawn Smith and Dolores Donlon is featured. Quinn is cast as a very tough hombree named Johnny McBride, out to clear himself of a murder rap.

CODY FAMILY GATHERING HELD IN BALLINGER PARK
The descendants of W. C. Cody, of Fort Worth, and the late Mrs. Cody held a reunion at City Park here Sunday.

Arriving last Wednesday for visits in the home of Mr. and Mrs. John W. Cody, of Ballinger, and Mr. and Mrs. Ellis Chapman, of Winters, were W. C. Cody, of Fort Worth; Miss Mary Doherty, of Arlington, Massachusetts; Miss Jean Flynn, of Milbury, Massachusetts; and Miss Nina Mae Cody, of Medford, Massachusetts; and Sgt.

FOREMOST DAIRIES

corny comedian who doesn't lack talent, just material. The three complement each other's talents and make their show business life a happy whirl, but their romantic problems are far from solved as each guy falls hard for the Day doll. She's got a mind of her own and the solution to the love problem reportedly will gladden the hearts of the most romantic screen fans.

The CinemaScope production features ten top tunes from Sammy Fain and Paul Francis Webster.

Having eclipsed all previous box-office marks and attendance figures, "The Robe," first motion picture in the new CinemaScope process which is revolutionizing the film industry, continues to make local screen history by entering the fifth day of its seven-day run at the Texas. The Lloyd C. Douglas masterpiece was filmed by 20th Century-Fox in Technicolor and starred are Richard Burton, Jean Simmons, Victor Mature and Michael Rennie.

The new medium is declared the beginning of a golden age

of movies. With CinemaScope the horizons are widened and deepened. The new dimension holds no bounds, for with it the eye is as free in the theatre as in real life.

'Make Haste to Live' Has McGuire, McNally

An absorbing melodrama that quickly builds up taut suspense against the colorful background of a small New Mexico town is Republic's "Make Haste to Live," one of the two features billed at the Texas Theatre Tuesday and Wednesday, July 20, 21. Dorothy McGuire and Stephen McNally have the top roles, and heading the featured players in this electrifying story of a woman betrayed are Mary Murphy, Edgar Buchanan, John Howard, Ron Hagerthy, Carolyn Jones, Pepe Hern and Eddy Waller.

The No. 2 feature on this program is "Dangerous Mission," starring Victor Mature and Piper Laurie.

A little authority affects some men more than strong drink.

Cadillac

No Compromise This Time!

It was over twenty years ago that he took title to his first motor car—and, since that time, he has owned and driven almost a dozen different automobiles.

And yet, every time he accepted the keys to a new car, he knew in his heart that it was a compromise.

For—like so many millions of his fellow men—he had his heart set on a Cadillac!

Well, there's no compromise this time! The magic moment has arrived. The papers are all in order... the keys are in his hand... and the car of his dreams is waiting for him to take the wheel. It's his!

And, if you could but ride with him on that first journey, you'd understand what it means to have a motoring dream come true.

You'd see excitement in his eyes as he rolls majestically through the city's traffic—and puts his Cadillac through its thrilling paces on the open road.

You'd see honest pride in his face as he sits, calmly and serenely in the driver's seat, and catches the admiring glances of his fellow motorists.

And you'd sense the joy in his heart as he turns down that familiar street and heads for the happiest homecoming of the year!

In short, you'd witness a motorist in his finest hour—living out an experience that has no counterpart in the world of transportation. It is a thrill and an inspiration and an education—all rolled into one.

A friend of ours put it this way: "There are two kinds of automobiles," he told us. "There are Cadillacs—and there are all the others."

Whether or not you've driven "all the others," we can't say. But of one thing we are certain: Until you've spent an hour in the driver's seat of a 1954 Cadillac, your motoring education is not complete.

Why not come in soon and do so?

TEACHER'S LITTLE HELPER—Teacher, at blackboard, won't have to interrupt his work to check arithmetic answers for Eric Newhall, third grader at Agassiz School in Cambridge, Mass. The eight-year-old is using a mechanical "teacher" developed by psychologists at Harvard University, which shows the problem to be solved in a window in top of box. Unless Eric moves the right combination of levers to produce the correct answer, he can't turn to his next assignment.

**NORTON POLITICAL RALLY
DRAWS VOTERS, CANDIDATES**

A crowd estimated at 300 to 400 people attended a political rally and cake, pie and ice cream sale at Norton Tuesday night. The gathering was sponsored by the Norton Lions Club to raise money for air conditioning the school cafeteria. The exact amount of money netted has not been learned but the club did a rushing business all evening.

Frankie Berryman acted as master of ceremonies and presented all candidates present. Most of those seeking a county or precinct office made statements to the voters.

At the conclusion of the

**CORTEZ-MARTINEZ WEDDING
PERFORMED HERE SUNDAY**

St. Joseph's Catholic Church of Ballinger was the scene Sunday morning at 8:15 o'clock for the marriage ceremony and nuptial mass for Miss Juanita Martinez, daughter of Mr. and

Mrs. Teodoro Martinez, of Ballinger; and Juan Cortez, son of Mrs. Juan Cortez, of Winters.

Rev. Robert Vretteau, O.M.I., officiated at the double ring service and at the mass. Altar decorations included arrangements of white gladioli and lighted candles in branched candelabra. The church choir sang "Mass of the Angels." Organist was Miss Pat Zappe.

ASSISTANT AGENT BEGINS WORK IN COUNTY MONDAY

Sterling Lindsey started his work here Monday as assistant county farm agent and will take over the duties formerly directed by Jimmy Cusenbary. Mr. Lindsey has been assistant agent for Coleman county until

recently when he was assigned here to the vacancy caused by the transfer of Cusenbary to McCulloch county as agent.

Mr. Lindsey will be busy for the next few weeks getting acquainted with the work and meeting the 4-H club boys of the county. Before entering

extension service, he taught vocational agriculture for a short time and was in the armed forces.

FIRE DAMAGES HOUSE ON SOUTH TWELFTH

Ballinger firemen were called to the Gene Seals home on

South Twelfth Street Friday afternoon to bring a blaze under control. A short time after the fire was extinguished, the firemen were called back to take care of part of the building which had flared up again.

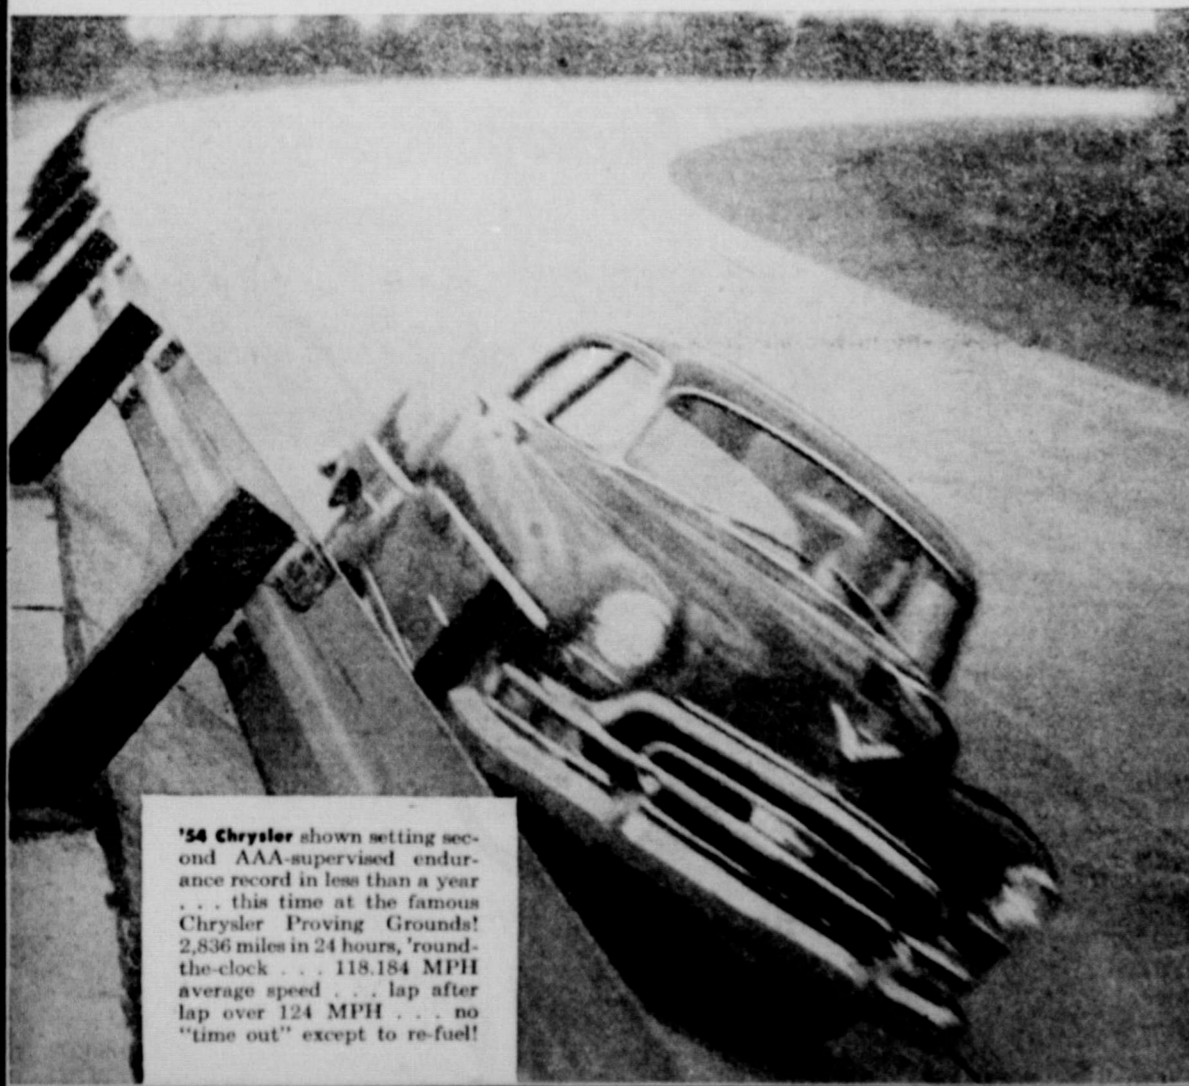

Damage to the house has not been determined by the fire

marshal.

Mrs. E. M. Lynn is at Bent, New Mexico, with her daughter, Mrs. Vance Black, Mr. Black and baby.

Man has now conquered almost everything dangerous in nature, except human nature.

CHRYSLER WORLD RECORD IN 24-HOUR RUN IS YEAR'S TOP VALUE NEWS TO BUYERS!

'54 Chrysler shown setting second AAA-supervised endurance record in less than a year . . . this time at the famous Chrysler Proving Grounds! 2,836 miles in 24 hours, "round-the-clock" . . . 118.184 MPH average speed . . . lap after lap over 124 MPH . . . no "time out" except to re-fuel!

Now's the best time for you to buy and drive a '54 Chrysler . . . identical with the one that averaged over 118 miles per hour for 24 hours' continuous run! Same engine. Same transmission. Same tremendous performance qualities!

This is a Strategic Time to Buy . . . right now when we're making it so unusually easy to do so! We can also promise you that once you drive this beautiful record-breaking performer, you'll know you've made the right buy!

No Other "Stock" Car in the world lets you drive with today's highest-rated V-8 engine: 235 HP FirePower. Plus the most automatic no-clutch transmission ever put in a car . . . PowerFite. Plus the only authentic Full-time Power Steering and Safety Power Brakes!

Step in and see how it feels to be "Number One" on the road . . . in America's greatest performer. Come learn why today's Chrysler is today's finest buy!

The power and look
is yours in a beautiful
CHRYSLER

PRICE MOTOR CO.—Hutchings Avenue

FLYING TIGER—No wonder Umpire Nestor Shylak is confused. He's used to ducking high flies, but not "flying tigers," and in this case, it's Detroit Tigers' 2nd Baseman Frank Bolling who's floating through the air with the greatest of ease. Bolling took off after a wild throw from the plate and this aerial play resulted, during a game with the White Sox at Comiskey Park in Chicago, which the Tigers snagged "on the fly," 3-2.

Later they gave a demonstration on the highway which was witnessed by a large crowd.

Margaret Jane Miller, daughter of Col. and Mrs. Q. V. Miller, Jr., of Travis AFB, California, is here for a visit with her grandparents, Mr. and Mrs. Q. V. Miller.

Betty and Sandra Trimmer, of Burbank, California, are here to visit their grandparents, Mr. and Mrs. Paul Trimmer.

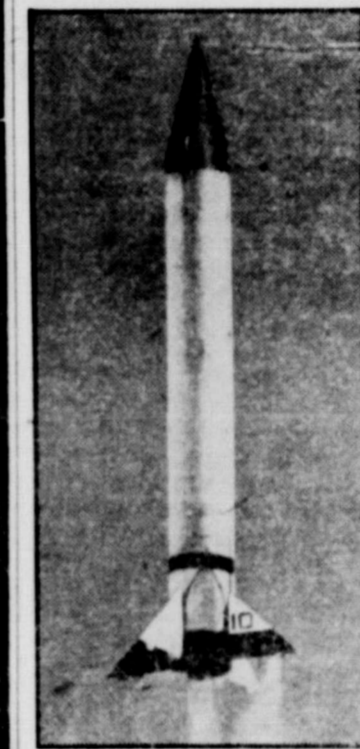

In the good old days the man who saved money was a miser. Now he's a wizard.

RADAR CONTRIVANCE USED TO CLOCK SPEEDERS SHOWN

Special radar equipment such as used by the state highway patrol in picking up speeders was shown here and at Winters Tuesday.

Bob Brookshire, highway patrol safety manager, and Sgt. Jowers, of San Angelo, brought the equipment here. They set up west of Ballinger on highway 67 and the equipment was activated to clock the speed of approaching cars.

A beam is focused on the highway and when a car enters the beam its speed is recorded. The patrolmen attended a meeting of the Winters Lions Club and presented a program.

JUST LOAFIN' ALONG—But not for long. According to the Navy, this Viking 10 rocket has traveled nearly 4000 miles per hour, and reached a height of 136 miles. Largest of American-built single-stage rockets, it is undergoing tests at White Sands, New Mexico.

HAIRDO?—Her don't. This lovely model wouldn't think of wearing her hair this way. She's showing a little straw cap named "The Ondine," after a Broadway play. It's made of shredded leghorn straw, and is offered in a rainbow selection of colors.

BACK IN FASHION—This is not a picture resurrected from the "dapper" era of the 20's—it's one of the latest creations among the fall fashions. Of black Jersey, fashioned by Sportswirl, it features no waistline, a loose blade belt and a wide sailor collar. Even the beads are reminiscent of the flapper era.

THE FACE IS FAMILIAR—But you've recalled the wrong name if you think that Vice President Richard M. Nixon, right, is chatting with Harry S. Truman during cornerstone-laying ceremonies for the Robert A. Taft High School at Cincinnati, Ohio. The man who bears such a striking resemblance to the former President is Claude V. Courter, Cincinnati's superintendent of schools.

MORE MONEY for SCHOOLS

During Governor Allan Shivers' administration more money has been spent for schools than ever before.

The result?—better schools, more and higher paid teachers, and better guidance for your children.

Since Allan Shivers became your governor, school funds have increased from 145 million to 211 million dollars per year. Teachers get \$1,000 a year more. Your child receives individual attention from 15,000 more teachers.

This educational climb is your child's guarantee of a profitable and happy future. For you it means assurance about his growing-up years. It means a better Texas for everyone.

IN RUNNELS COUNTY

\$529,842.13 was spent for your child's education during the last fiscal year. He got better teachers with higher salaries and an administration that had more money to spend for its needs. Texas veterans received more educational aid.

The money went for other—but mighty important—things too, like school buses and cafeterias with hot noontime lunches. It meant more vocational help for your child. It went for many things, all necessary for a better education for him.

PRIMARY ABSENTEE VOTING DEADLINE NEXT TUESDAY

Absentee voting started here July 4 and through last week 27 had cast ballots. The final date for casting an absentee ballot is next Tuesday, July 20, and after that all these ballots will be put in a box and turned over to election managers the day of the first Democratic primary.

Any person who will be out of the county on July 24 is entitled to cast an absentee ballot. A ticket and the other papers can be secured at the office of Frankie Berryman, county clerk.

Nature sure pulled a boner when she made prunes more healthful than strawberries.

GUARDIAN OF THE PRESS—"Tequila," pet Chihuahua of Editor Andres Eiger, 11, guards the editorial office at the Kenwood (Chicago) Press chief types out the latest edition of her 10-sheet mimeographed paper. Editor Eiger, who has a staff of 8- to 11-year-old reporters, maintains that "news is something interesting that people would be interested in."

Johnny Flynn and Adopted Children Visit Relatives Here

Johnny Flynn and her two adopted children, Leilani, 3½ years old, and Joseph (Jo-Jo), 2½ years old, are here for a visit with Miss Flynn's uncle and aunt, Mr. and Mrs. Ben Flynn, of Hatchel.

Miss Flynn, 33, owns a 2½ acre chicken farm near the village of Talafofo, Guam. The home is situated on a cliff overlooking the Pacific Ocean. She started with 17 baby chicks a little more than two years ago and now has more than 500 chickens which she sells for handsome prices.

When asked what she feeds the chickens, she stated that when she first started in the business she would grate coconut from her trees and feed to the chickens, but now since the

business has grown she buys her feed from the States in large quantities.

Miss Flynn was born in Oklahoma, but she was reared at Breckenridge and Wink. Her parents are both dead, and she was reared by Mr. and Mrs. Flynn. She studied psychotherapy at Battle Creek Institute and during World War II worked in San Francisco with the army. She began the study of psychotherapy in England in 1941. In 1946 she was sent to the Philippines.

She has learned to love the natives and the tropical climate. Most of all she loves the children, and since the families are so large, the adoption of children is more simple than in the States. It makes no difference to Miss Flynn if her children are of another race, she says they all look alike to her and she looks the same to the people of Guam. Leilani is three-fourths Guamanian and one-fourth American, and little Jo-Jo is half Guamanian and half Filipino. When she returns to Guam she will go to Hong Kong and adopt two Chinese children.

Miss Flynn's home is made from a barrack bought from the navy. She put in the partitions and windows and did all the renovating herself.

When asked what she did when the typhoons blow up, she said there was a cave near by they went in. And she stated that she was not as frightened over a typhoon as she has been over some of our funnel-shaped storm clouds.

The movie slides Miss Flynn showed to her friends proved that the island is well-wooded, has fertile soil and grows rice, corn, sweet potatoes along with the coconuts, bananas and papayas.

When she returns home she will stop at San Francisco for a visit with friends and take a

"Pyorrhea" May Follow Neglect

Did you ever see an attractive person with irritated "GUMS"? Druggists refund money if first bottle of "LETO'S" fails to help. Pearce-Bailey Drug

LITTLE SUCKER—Maryanne Perry of Rochester, N. Y., is a big girl at the age of seven and a half months. Maryanne disregards the bottle and nipple and drinks liquids through a straw, an unusual feat for a child her age.

RIDE THAT "MULE"—More tractable than its hay-burning ancestor, the new Army mechanical "Mule" goes through its paces at Aberdeen Proving Grounds, Md., with its driver "up." It "eats" a gallon of gas every 18 miles, has a top speed of 25 miles per hour, and is designed to carry supplies right along with the foot soldier in the field.

course in sewing. She stated that if her "family" continues to grow she must learn how to make their clothes. She will return home by plane, with a

stop at Honolulu and another on Wake Island. This was the first visit Miss Flynn had made to her relatives in 10 years.

Biggest Buy!

The Least You'll Ever Pay for Big Car Performance and Luxury!

Drive it AND YOU'LL WANT IT! Price it AND YOU'LL BUY IT!

Now that motorists are taking a closer look at value, there's a strong, new surge to Pontiac. These facts tell you why:

Pontiac is the biggest car in its field—the only one with the solid feel and quality appearance of genuine fine-car length and weight. Its luxury is just as impressive—truly regal as befits this beautiful, king-sized Silver Streak. And performance is in a wonderful class of its own—smooth and quiet from take-off to top range... eager and spirited as a fine car ought to be... and reliable and economical in the world-famed Pontiac way.

That's a fast look at what you get. What you pay is the smallest price ever placed on a big, luxurious car—within a few dollars of the lowest! Come in, and find out how our liberal deal and Pontiac's high resale worth whittle even that low figure down to everybody's size!
