Shivers' Majority 928 In Run-Off Election

There were 3,008 votes polled in Runnels county in the gubernatorial race Saturday. Unofficial tabulations for the second primary gave Allan Shivers 1,986 and Ralph Yarborough 1,040 votes.

In the only other opposed race, for associate justice of the supreme court, place 1, Few Brewster received 2,060 and Alfred M. Scott 465 votes.

Both high men in this county received majorities in the state tabulations and are the Democratic nominees for their offices in the general election to be held in November.

In the governor's race the following are the returns by boxes:

Club Women to Attend Recreation School Here

A district recreational meeting for home demonstration club women will be held in Ballinger October 7 and 8. The two-day meeting will be held in the American Legion hall, Bruce Field. Miss Lucile Moore, recreational specialist of the extension service, will be in charge.

Other officials who will attend include Mrs. Barfield, of Killebrew, district vice-president of the Texas Home Demonstration Association; Miss Thelma Casey, district home demonstration agent, San Angelo; and Mrs. Maynard Gaines, of Coleman, district recreational chairman.

The group to attend the meeting here will include three club members from each of the 16 counties in the district. They will bring cots and bedding and will spend one night at the Legion hall and also have their meals there.

This is the first school of this type to be conducted by the extension service. The program was recommended in a resolution at the state convention of the THDA two months ago. It is being put into practice and all delegates attending the school here will return to their counties and teach the work to all the women's clubs.

Commissioners' Court Allots Aid to Four Fire Departments

The Runnels county commissioners' court will hold an important meeting Monday, September 13. The court will give final approval to the budget and set the tax rate at this meeting.

A new item in the budget this year will be \$2,500 to go to the four fire departments of the county and after consideration by the commissioners the above amount was set.

According to the plan, 35 per cent will go to the Ballinger department, 35 per cent to the Winters department and 30 per cent will be divided between the Miles and Rowena departments.

The commissioners will work out a contract with the city governments for payment of specific amounts to the various departments, which in turn will be on call to help with any rural fire. In most instances the regular fire fighting equipment will be used. The Ballinger department has equipped a rural truck with a large water tank, pumps, and hose and this will be used when a rural call is received.

The truck has been in service several months and has been driven on a number of rural fires.

Firemen are handicapped in fighting rural fires. By the time a call is received and the truck makes a run to the scene, the fire usually has a big start. The limited supply of water is another handicap but fire fighters have been able to save adjoining buildings and in some instances to control the blaze. The rural truck with a large water storage will make it possible to make fire fighting more effective.

Mr. and Mrs. L. L. Williams returned Friday from the Davis Mountains and the Big Bend Park, where they spent a short vacation. Mr. Williams said it was cool in all areas visited and plenty of rain fell.

Miss Nell Phelps, secretary of the Runnels County Farm Bureau, returned the past weekend after a short vacation with relatives and friends at Austin.

Meeting of Two Farm Loan Units Here September 9

The annual meeting of stockholders of the Ballinger and Miles National Farm Loan associations will be held at the American Legion hall, Bruce Field, Thursday, September 9. The program will start at 8:00 p. m. with the serving of a barbecue dinner.

Entertainment numbers are being arranged and a separate business session will be held by each unit. At each business period a new director will be named to succeed those who have served three years on the board.

Willie Stephens is the outgoing director of the Ballinger association and M. M. Wright is completing his term as a director for the Miles group.

At the first regular meeting following the annual meeting next Thursday each board of directors will be organized for the next twelve months.

Arrangements have been made here for large attendance at the joint meeting. Invitations have been mailed out with requests enclosed for the committee to be advised how many will attend.

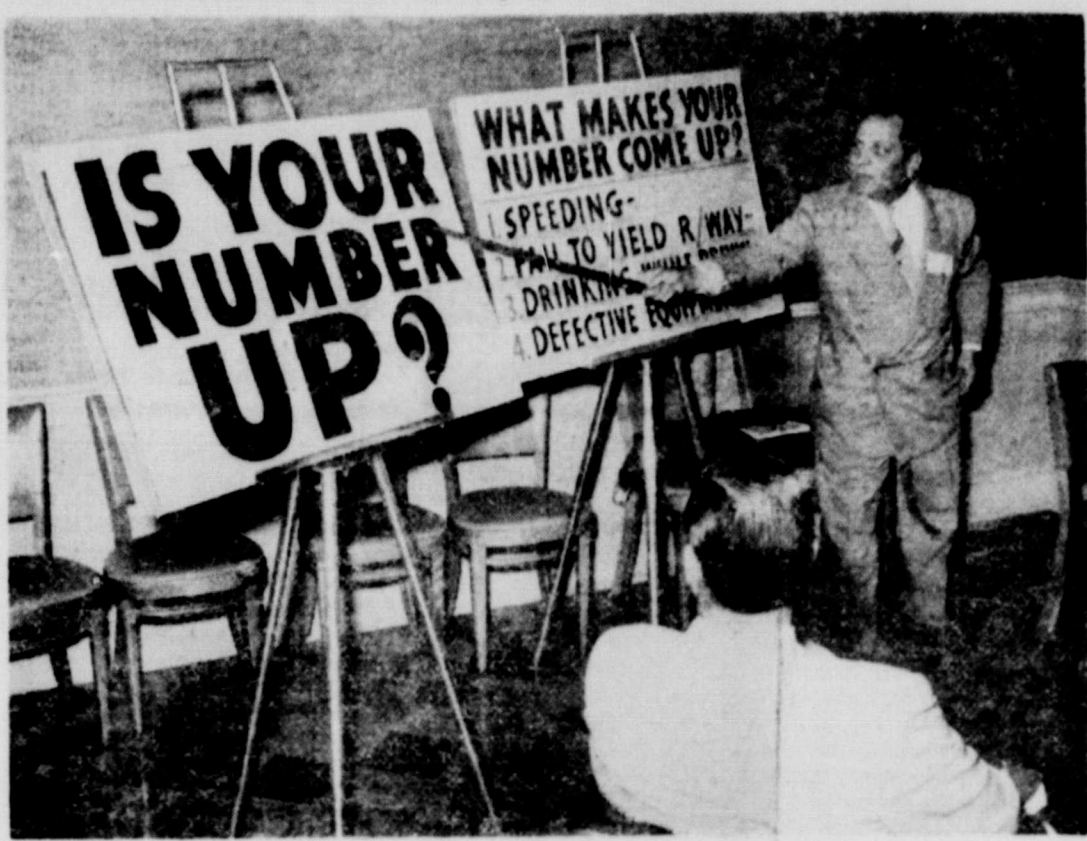

CHEVROLET CORVETTE OFFERED "MISS WOOL"

The Chevrolet motor car division cooperating with the Ray Fuqua Chevrolet Co. of Ballinger is offering the "Miss Wool" of 1954 the use of a corvette as long as she will need it in making trips for the Texas Sheep & Goat Raisers' Association.

The district sales manager was in Ballinger Tuesday and went on to San Angelo to make the offer to officers of the association who are in charge of the contest.

The car would be placed at the young woman's disposal as long as she needed it but would be returned to the company at the end of official trips.

Safety Speaker Here Monday Night

W. F. Leonard, Jr., of Dallas, is pictured above speaking to the Houston Jaycees on traffic safety. Mr. Leonard will be in Ballinger Monday night to address the Ballinger Jaycees and a number of special guests and will display posters to bring out the top five causes of accidents.

Barbara Greger Named 4-H Gold Star Girl for County

Barbara Greger, 16-year-old daughter of Mr. and Mrs. Frank Greger, of Norton, has been chosen gold star 4-H club girl for Runnels county.

Barbara has been a 4-H club girl seven years. Before she moved to Norton in 1951 she lived in Falls county and was a member of the Chilton 4-H club. During the past three years she has held the following offices in the Norton club: reporter, secretary, treasurer and president. She serves as junior leader for the Norton group.

Barbara Greger

She and her two younger sisters, Frances and Patty, have served as food and home improvement demonstrators for the Norton 4-H club the past two years. Each year since Barbara has been in Runnels county she has completed at least 90% of the goals set up in the 4-H program each year.

Choosing and making her clothes has been one of Barbara's favorite projects. She first learned to select her materials and patterns. Next she learned to place the pattern and cut and find the garment. Her sewing includes making seven skirts, one corduroy suit, two aprons, nine dresses, two petticoats, four blouses and one beach jacket for herself. She has made seven skirts for her smaller sisters, 10 sport shirts for her brother and three pairs of pajamas. Other sewing included three pairs of pillow cases, embroidering of seven dish towels, tooling eight leather belts, two bill-folds and making two pictures of glass painting. She made two dresser scarfs, using shadow embroidery which the agent taught her how to do. She also made pillow protectors for her pillows. She has made 4 pairs of sequin and bead scarves, a pair of bedroom slippers and embroidered three lunch cloths. She has modeled in two county dress revues.

In her food projects the past three years, Barbara helped plan, prepare and serve at least one meal a day. She has helped dress and prepare 170 fryers for the freezer and has prepared and wrapped 100 pounds of beef for the freezer. She also helps make the sausage which her family eats in a year. This year she canned twelve quarts of strawberries. During a cereal and dairy program which her

Jaycees to Have Special Traffic Safety Program

Traffic safety will be the theme for the program Monday night at the meeting of the Ballinger Jaycees. Charles Walker will present the program and W. F. Leonard, Jr., of Dallas, will be the speaker.

Mr. Leonard will speak on the subject, "Is Your Number Up?" The talk will be accompanied by a chart presentation of facts on national, state and local traffic. It will include Ballinger's most dangerous intersections and the top five causes of traffic accidents will be detailed.

Mr. Leonard, with the Oak Farms Dairies of Texas, is affiliated with the National Safety Council and has been active in the safety movement several years.

Members of the local school faculty, police, state highway patrolmen, local law enforcement officers and a number of other guests have been invited to this meeting.

Mr. Leonard is in demand for safety talks and spends much of his time visiting clubs all over Texas.

The local Jaycees are pushing the safety program, "Slow Down and Live," and Cub Scouts under their sponsorship will begin selling bumper stickers here this week-end.

At the meeting Monday night the chamber will make three special awards which were voted several months ago. A certificate will be presented to Don Atkins as the outstanding law enforcement officer of this section. A similar award will be presented to Charles Webb as the outstanding volunteer fireman, and another will go to Joe McCaskey for his work as secretary of the organization.

Jaycees are cooperating with the Lions and Rotary clubs in providing rides for football players each afternoon.

Enforcers Report Number of Cases; 2 Fines Assessed

Local law enforcement officers conducted a number of investigations and made several arrests this week. The first part of the week the sheriff's staff assisted the grand jury while it was in session.

Pauline Newberry, of Buffalo Gap, was arrested Wednesday and charged with forgery. She was accused of passing worthless checks in Runnels and Concho counties.

Charlie Lawrence was charged with theft and paid a fine of \$23.50 and was lodged in jail five days.

William H. Brown, charged with driving while intoxicated, was fined \$72.80 and ordered to jail for 3 days.

J. P. Yoes, of Tuscola, was charged with forgery and a warrant was issued for his arrest.

Wester Appointed Community Head For Oil Industry

James Wester, Ballinger oil man, has been named community chairman of the Texas Oil Industry information committee.

District manager of the Western Co. oil well servicing firm, Wester will guide the American Petroleum Institute's public relations and service program in Ballinger the next two years.

Texas O.I.I.C. Chairman George B. Bryant, Texas Co., Houston, announced Wester's appointment.

In carrying out the objectives of O.I.I.C., Wester will strive to make clear how well the people of Ballinger and this section are served by the oil industry and to gain support for conditions under which they can continue to privately manage, fully competitive and financially sound. He will join the ranks of some 300 volunteer oil men in Texas to tell oil's story.

Oil Progress Week this year is scheduled October 10 through 16 and much effort will be put forth during this period to bring the full story to the public.

Lutherans Gather Carload of Maize For World Relief

Monday, September 5, will bring to a climax two months of intensive effort in this area to collect a box carload of maize to be sent overseas for relief.

The work has been carried on under the organization of the All Lutheran Food Appeal, sponsored by the Lutheran World Relief of the National Lutheran Council. It is a program in which people are asked to contribute to help feed famished people in hunger areas of the world.

This area was organized under the co-chairmanship of Rev. H. Muffley, of Miles; and Rev. H. Flathmann, of Winters. The churches of the area include two at San Angelo, one each at Ballinger, Miles, Eola, Eden, Brady, Menard and Winters. They have solicited sufficient pledges to send over 60,000 pounds of maize overseas to be distributed to those who need it most regardless of faith, race or political affiliation.

In Winters Leland Hoppe was named chairman and he named ten teams of men to contact 125 families and received pledges of 32,000 pounds. Starting Monday, the maize will be trucked to Miles to be put in a car and shipped with that from the other eight churches of this section. It will be processed into cereal or flour and shipped overseas.

Lutheran World Relief has sent more than \$35 millions worth of relief to 26 countries since the end of World War II.

Jim Erwin, son of Mr. and Mrs. B. H. Erwin, will return to Texas Technological College, Lubbock, for his senior year. He has been attending summer school there. Jim is majoring in education.

Palo Pinto to be Probed in Well On Currie Place

The Rhodes Drilling Co. started a new well this week which will be its No. 1-Mrs. J. F. Currie. The prospector is a northwest offset to Rhodes No. 1-Hamp Byler, producer in the Palo Pinto, which was drilled in several weeks ago. Both are near production in the Ballinger (Palo Pinto) field. Exact contract depth was not known Wednesday. The equipment was moved in the past week-end and operations were started Monday. The location is about four miles northwest of Ballinger.

Gulf Oil Corp. has filed an application to change the location of its No. 1-Inez Smith. The project is in the newly discovered and designated Seltz (Fry sand) field. Depth called for in the permit application is 2,600 feet.

The fourth pay in the South Crews field was found last week with production in the Dog Creek Bend line. Cree Oil & Exploration Co. No. 3-C E. McMillan was finalized for a daily pumping potential of 10-44 barrels of 44 gravity oil. Top of pay was encountered at 3,391 feet. The South Crews field produces from the Fry, upper Garner and Jennings.

S. C. Herring Drilling Co. has filed an application for a permit to drill its No. 1-H H. Williams, 3 miles northeast of Winters, in the Will-Whar field. Protection is to 4,500 feet.

District Meeting Of Farm Bureau Set at Brownwood

The next meeting of the Runnels County Farm Bureau will be held here on September 16. At that time a delegation will be selected to attend the district convention at Brownwood on September 21.

The Brownwood meeting will have delegations from 19 West Texas counties and an interesting program will be presented. A number of important resolutions will be presented and if passed, proposed at the state meeting.

A discussion of proposed constitutional amendments to be voted on in the general election will be heard.

The highlight of the program will be the queen's contest in which county queens will be presented in a contest to choose a district representative who will enter the state finals as part of the state convention program. The winner in the district will receive a wrist watch and a one week stay at the Crazy Hotel, Mineral Wells, with an escort.

Miss Virginia Zedlitz will represent Runnels county at the district contest, having won in the county contest held here.

Two of the main features on the program at Brownwood will be talks by noted speakers. "Current Agricultural Issues" will be the subject for C. H. DeVaney, vice-president of the state organization. "The Techniques of Policy Development in Community, County, State and National Farm Bureaus" will be the subject for O. R. Long, field representative of the southern region of the American Farm Bureau Federation.

TWO APPOINTED LABOR AGENTS FOR COUNTY

L. L. Williams, of Ballinger; and Edmund Holly, of Winters, have been named to direct labor in Runnels county during the harvest period. They will start work Monday, meeting all crews arriving and directing them to farm jobs as long as there is demand.

Farmers who will need cotton pickers are asked to tell the agents how many they will need and give the approximate date.

Some Mexicans have been arriving here and have been sent to the labor camp until they could find employment. The Ballinger Chamber of Commerce received a number of calls this week asking if cotton pickers were needed here. It is believed plenty of pickers can be secured when it is known how many will be required.

Buster Berryhill, son of Mr. and Mrs. Raymond Berryhill, will enter Sul Ross State College, Alpine, this fall for his junior year. He is majoring in business administration.

1,251 Students Enroll In 4 Ballinger Schools

All Ballinger teachers were present Monday afternoon when the first faculty meeting of the year was held. Supt. Ernest Caskey gave general instructions for beginning the term at this meeting. Afterwards teachers met with their respective principals and classwork was planned.

Students assembled Tuesday morning for stepped-up session which closed at noon. All students, other than those in the high school, were registered and assigned and then dismissed to secure supplies.

Classes began the regular full-day schedule Wednesday morning. Buses were run on regular routes and the first meal for students was served at the two cafeterias. At the faculty meeting Monday, class sponsors were assigned and within a few days all classes will be organized and officers named. Other school organizations will be formed soon and activities launched.

The Future Farmers of America chapter elected officers at the end of the 1953-54 term last May and will begin projects at once. Band members will put in extra hours to be ready for the beginning of the football season September 10 when the Sonora eleven comes to Bearcat Field.

A check-up Tuesday afternoon gave a total enrollment of 1,251 for all the schools. This is 46 less than started on the first day of the 1953-54 term. A loss of 55 was registered at the west ward school, fourth through eighth grades; and 16 in the negro school. Small increases were recorded in the senior high and central elementary schools.

Enrollment by schools with a comparison for the first day last year follows:

High school 344, last year 320	West ward 474, last year 525
Central elementary 373, last year 363	George W. Carver school 66, last year 76

County ASC Committee Reelected for Next Year

The county ASC convention was held in Ballinger Monday morning, all members of the county committee being re-elected for another year. The county committee is composed of M. W. McShan, chairman; John Guken, vice-chairman; Earl Black, regular member; Clarence Matejovsky, first alternate; Frederick Poe, second alternate.

The chairman for each community group attended the meeting.

In elections last week to name members of the community committees, the following were elected:

Community A—Miles, Rowena and Maverick

Freddie Gallus, chairman; Hugo A. Braden, vice-chairman; George Jansa, member; Victor Sladek, first alternate; Paul Swanson, second alternate.

Community B—Oifen, Hatchel, Bethel and Ballinger

Clyde Simons, chairman; V. L. McShan, vice-chairman; Wesley Wood, member; Vernon Webb, first alternate; Roman A. Muller, second alternate.

Community C—Norton, Wingate and Pumphrey

Pat Fritchard, chairman; Marel H. Wilson, Jr., vice-chairman; Robert C. Simpson, member; Jon K. McNeill, first alternate; Wayne Bryan, second alternate.

Community D—Winters, Victory and Crews

B. T. Gardner, chairman; Charles Adams, vice-chairman; Weldon H. Mills, member; Wilma C. Gerhart, first alternate; Jake Presley, second alternate.

Grand Jury Brings Sixteen True Bills In One Day's Work

The Runnels county grand jury was in session Monday and at the end of one day's deliberations returned 16 indictments. The jury was recalled because a number of cases had accumulated for consideration.

The following true bills were returned:

Howard L. Walker, theft of over \$50 (Walker, now in the penitentiary, will be brought back here for trial later).

Erwin E. Ross, theft of over \$50.

Carl J. Williams, burglary and passing worthless checks. Williams is charged with entering the Miles Co-op Gin and stealing checks. One was passed in Ballinger on which the indictment is based.

Anna Lee Norman, forgery (in jail at Phoenix, Arizona, she will be brought here soon for trial).

Charles Hushner, forgery and passing worthless checks.

W. J. O'Leary, passing worthless checks.

Isiah Strambler, assault with intent to murder.

J. M. Rogers, Jr., worthless checking.

Samuel Edgar Mask, driving while intoxicated, second offense.

Bill Daniels, assault with intent to rape.

Rusty Nelson, rape.

Epp Waites, assault with intent to rape.

Randolph Rosch, rape.

Red Hughes, assault with intent to rape.

Dan Ratliff, assault with intent to rape.

\$1,363 Contributed To Date in Polio Emergency Drive

Fair response has been reported on letters mailed out asking for contributions in the emergency polio drive. The local chapter had received \$1,363 Wednesday morning and is hoping to secure \$2,000 before the end of the campaign.

The nation-wide campaign is seeking to raise an additional \$20,000,000 to take care of the general program of the foundation, provide patient care and continue vaccinations.

About 2,000 letters were mailed out in Runnels county and to date only about one out of ten has responded. Others who have received the letters are urged to send in contributions of any size and help the county chapter reach its quota.

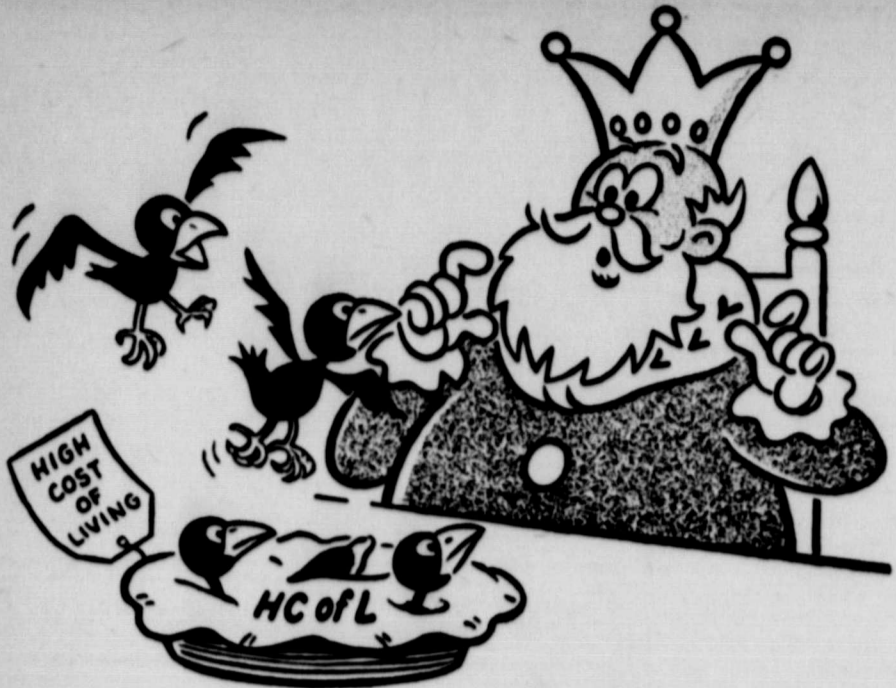

The Runnels county chapter has not curtailed its service in any way to date. It has seven patients who are still receiving treatment, most of them getting check-ups and equipment changes at Gonzales. Two patients from this county were there last week for examinations and changes in braces.

Ballinger schools will again provide insurance for high school athletes and employees. The insurance may be had by the student by payment of \$1 premium.

Insured athletic squad members of member schools of the University of Texas interscholastic league, to whom a master policy is issued, are insured against loss caused solely by bodily injuries sustained while the policy is in force.

The policy will take care of injuries sustained while the student is engaged in organized interscholastic athletics, sponsored by the school and approved by the association, under the supervision of a regularly employed coach or directors, in scheduled contests or in practice sessions.

It will also cover injuries by accidental means during transportation as a team member to and from scheduled athletic contests in vehicles furnished by and under direct supervision of the school and driven by an adult.

3-Day Booking for 'Carnival Story,' 5 Days For 'Apache' at Hillcrest Drive-In Theatre

The drama of a girl who is hungry for love and experiences three love affairs when she seeks refuge with an American carnival company in Germany is told with earthy realism in "Carnival Story," being presented at the Hillcrest Drive-In Theatre in a three-day engagement which ends tomorrow, September 3. Produced in Technicolor, the stars are Anne Baxter, Steve Cochran, George Nader and Lyle Bettger. Filmed entirely in Munich, Germany, and vicinity, the production gains in impact through its picturesque backgrounds.

and the primitive, passionate love of an Indian girl for her warrior beloved, shine forth in the Technicolor production of "Apache" with the glint of authentic history.

To be presented at the Hillcrest for five days, Saturday through Wednesday, September 4, 5, 6, 7, 8, "Apache" brings the long-forgotten saga of Massai, last of the Apaches and as fierce and savage as the wild western mountains which begot him. With catlike grace and flame-like fury Burt Lancaster reincarnates the brave who single-handed kept a whole United States army at bay. It is one of the most fantastic screen

portrayals ever presented. Lancaster as Massai almost never leaves the wide screen. Riding, crawling, fighting, screaming, loving—Lancaster faces strenuous, superhuman demands for depth of acting and physical agility. Twice captured and chained, he escapes on both occasions and takes to the mountains, his only ally being the pretty, devoted Indian maid, Nalinie, portrayed by Jean Peters. In the first-rate supporting roster are John McIntire, Monte Blue, Morris Ankrum, Charles Buchinsky, Paul Guilfoyle, John Dehner and Walter Sande.

Dana Andrews, Jean Crain Head Thrilling Safari in 'Duel in Jungle'

An adventure-safari into the African Transvaal is the background for the Technicolor production "Duel in the Jungle," scheduled at the Texas Theatre Sunday and Monday, September 6. Co-starring are Dana Andrews and Jeanne Crain. The story concerns an attempt to find a "dead" man in Africa and bring him back alive to justice. Andrews portrays the role of an adventurous investigator drawn into the mysterious affair by his love, Miss Crain. Farrar is cast as the man who decides to "die" in the jungles that he might live again with a fortune in diamonds and Miss Crain as his aide.

When Farrar is mysteriously reported killed in a strange accident at sea off the African coast, Andrews is sent to make a complete investigation which begins when he encounters the lovely Miss Crain, the "dead" man's fiancée. Her trail leads Dana to Africa's wild Transvaal where he finds Farrar, alive and plotting other devious schemes. A dramatic and violent climax is promised against a backdrop of famed Victoria Falls as the two principals match their strength and cunning against each other and against Africa's turbulent forces.

The Warner Bros. release was filmed on safari in Africa during a three-month journey.

An adventure spectacle, set in the heart of Africa, "The Scarlet Spear," to be shown on the double-bill at the Texas tomorrow and Saturday, is replete with thrills. But they are not packed into the picture without rhyme or reason. The plot is an authentic one based on an old ritual of the Masai tribe demanding that the son of a dead chief fulfill certain tasks before being permitted to rule over his father's domain. "The Scarlet Spear," filmed in Technicolor and released by United Artists, concerns the tracking of the native by the district commissioner, who must bide his time until the native tries to fulfill the last deed. The production introduces the English actor, John Bentley, who plays the commissioner, and Morani, the native bent on performing the deadly ritual. Lovely Martha Hyer is cast as the commissioner's wife.

"Return from the Sea" is the other feature on this program. The story of a girl who has to struggle through Europe's

Miss Ann Midgley conducted the business for the regular meeting of the Wesleyan Service Guild of the First Methodist Church, which was held in the church parlors Monday night.

Mrs. John Barton played the accompaniment for the Guild luncheon which was directed by Mrs. C. P. Shepherd. At the business period the president announced that the program committee would meet with the chairman, Miss Ollie Chenoweth, to compile the year's program. Miss Midgley and Mrs. A. Smith were elected delegate and alternate to attend the Glen Lake Conference Week-End at Glen Rose on September 11 and 12.

Miss Chenoweth was leader for the program on "Because Jesus Cared." She was assisted in a panel discussion by Mrs. L. M. Bowden, Mrs. Cordelia Forgy, Mrs. Ruel Boswell, and Mrs. A. Smith. Mrs. O. R. O'Neill brought the devotional.

Following the business session, Mrs. Lynn Burkes gave the devotional. Mrs. D. B. Crockett gave the program on "Stewardship of Family Life."

Refreshments were served to Mrs. Crockett, Burkes, Clifton,

Social hour hostesses, Mrs. Walter Middleton and Mrs. Herman Rountree, served a sandwich plate with cold drinks. Others were: Misses M. T. Camp, W. O. Irby, L. C. Daugherty, M. B. Webb, Ona Penn and Gertrude Woods.

Miss Key, Edward E. Compton to Wed Tomorrow

Mrs. Ida Guion and Miss Zadie Royalty left Tuesday morning for McCamey, where they will attend the wedding of Miss Ann Key and Edward E. Compton tomorrow (Friday), September 3.

Miss Key is the granddaughter of Mrs. Guion and the niece of Miss Royalty. Mrs. Guion will be the organist for the nuptial ceremony.

Mr. Compton is the son of Mr. and Mrs. E. J. Compton, of Texon.

Christian Women's Fellowship Meets

The Christian Women's Fellowship Guild of the First Christian Church met Tuesday evening in the home of Mrs. H. B. Edmondson on Third Street.

Mrs. Charles Clifton, secretary, reported the project of furnishing the church with silverware would be completed this month. Cookies and socks will be sent to the Juliette Fowler Home for Children this week.

Following the business session, Mrs. Lynn Burkes gave the devotional. Mrs. D. B. Crockett gave the program on "Stewardship of Family Life."

Refreshments were served to Mrs. Crockett, Burkes, Clifton,

M. A. Foy, W. O. Wallace, C. B. Orahood, R. E. George, Marvin Clark, Miss Lula McElroy, and Miss Lois Orahood, a visitor.

ST. JOSEPH'S CLUB BOYS HAVE SUMPTUOUS DINNER

The St. Joseph's boys' 4-H club of Rowena held a barbecue last Thursday at the Wilburn Bailey place on the Concho River. The barbecue was cooked by Bernhard Moeller. David Lange and Marcel Kalina and was served to Rt. Rev. W. F. Eosen, Dr. J. J. Shiller, eleven Rowena merchants, 35 boys and 3 adult leaders.

The menu consisted of beef, beans, potato chips, onions, pickles, bread, iced tea and sausage, the latter donated by Edwin Moeller and son. The boys were disappointed that John A. Barton, county agent, and Sterling Lindsey, assistant county agent, could not attend because of other business.

The boys wish to thank the following contributors for helping to make their supper a success: Mat Kalina, \$2; Fred's Garage, \$2; Lange's Cleaners, \$1; A. A. Fischer & Son, \$5; Schulmann's Hardware Co., \$2; First National Bank, \$5; Hi-Way Station, \$5; Shiller's Pharmacy, \$2; Rowena Produce, \$2; H & H Grocery, \$3; Magnolia Petroleum Co., \$3; Burton-Lingo Co., \$2.50; Middleton Chevrolet Co., \$5; F & M Garage, \$1; Wilde Gin Co., \$2.

They also thank Alfred Lisso for cooking the beans, Walter Middleton for the wood, Ludwig Schwertner and Norbert Moeller for their barbecue pits, B. J. Wilde and O. M. Droll for water containers, A. C. Wilde for an ice box, Mrs. Ed Moeller for making the tea and furnishing all containers and utensils, and Wilburn Bailey for the picnic grounds.

The boys reported a good time and are looking forward to the next one.

SPORTS

The Ballinger Bears journeyed to Abilene Friday afternoon where they scrimmaged with the Haskell high school team. The two teams met on the McMurry College field and knocked heads for more than an hour.

The Bears had only been in training five days and their timing was not too good, but as a whole the team showed up pretty strong. Most encouraging were the exhibitions of several newcomers.

The first squad will go back to Abilene tomorrow (Friday) afternoon where they will scrimmage with the Rotan team. These two seasons are all the practice the Bears will get before their first game of the season on September 10 at Bearcat Field with the Sonora eleven.

9 Busses Operated To Haul Students In School District

Operation of nine school busses started here Tuesday and daily trips will be made throughout the 1954-55 term. These busses are driven into the rural areas in every direction to bring students to the local schools. The busses arrive in time for the beginning of classes at 8:30 a. m. and leave soon after the end of high school sessions in the afternoon.

Most of the busses are run on fair rural roads and there is little trouble in any kind of weather. Snow is about the only weather hazard which can prevent operation of the busses on schedule.

The following drivers have been employed for the year and their routes designated:

Floyd Wimberly, Hatchel route.
M. E. Sweeney, Blanton route.
Mrs. Clyde Flanagan, Benoit route.
L. R. Bowen, Millar route.
J. H. Shelburne, East Bethel route.
Clyde Simmons, West Bethel route.
Frank Dorotik, Groenwald route.
Eugene F. Green, Kristoff route.
Brooks Gibson, Hagen route.

Football players who ride the busses to school are being provided rides home in the late afternoon in private cars furnished by fans through the civic clubs.

Mr. and Mrs. George Mader returned home last Monday after spending ten days at Glen Rose.

The achievements that adorn human progress are not the rewards of those who did not plan.

DEATHS

William B. May

William B. May, 57, died in an Abilene hospital Friday morning after illness of eight weeks. He underwent surgery at Fort Worth several weeks ago and was taken to Abilene for treatment. His condition did not improve after surgery and friends had known for some time that he could not regain his health.

Since 1952, Mr. May had been manager of the McCamey district of the West-Texas Utilities Co. He had been with the company 31 years, serving as local manager at Mason and Junction and as assistant district manager in Ballinger from 1935 to 1952. At the time of his death he was president of the McCamey Chamber of Commerce.

Decedent was active in civic affairs in Ballinger and served as president of the chamber of commerce and as chairman of the Rannels county Red Cross chapter. He assisted in bond drives during World War II and was a member of the draft board two years. He was a veteran of World War I and an officer at one time in the Ballinger American Legion post. He was born at Clyde on July 16,

1897, and was married to Miss Lillian Blanton on August 4, 1919, at Abilene.

Funeral services were held at the First Methodist Church at 4:00 p. m. Saturday. Rev. Homer Vanderpool, of Dayton, Ohio, a former pastor here, and Rev. Wayne Reynolds, pastor, officiated at the rites. Burial followed in Evergreen Cemetery.

Survivors besides the wife include a son, Capt. Billy Jack May, with the U. S. army; seven sisters and a grandchild.

Rev. Patrick J. Ward

The Rev. Patrick J. Ward, O.M.I., 57, pastor of St. Mary's Catholic Church, died Friday morning in the Santa Rosa Hospital, San Antonio, after illness of several months.

Rev. Ward suffered a heart attack here early last spring and was in St. John's Hospital, San Angelo, for some time in a critical condition. Later he was taken to San Antonio for treatment and was released but later suffered another attack in New Orleans three weeks ago.

Decedent was born in Knoxville, Tennessee, June 27, 1897, and came to Texas in 1919, settling at Beaumont. He attended St. Anthony's School at San Antonio and was ordained at the De Mazened Scholasticate on June 10, 1928. He came to Ballinger in 1952 and served until his illness last spring. The Rev. Ward celebrated his

silver jubilee of ordination here June 10, 1953.

Requiem high mass was said at 9:00 a. m. Monday in De Mazened Scholasticate of the Oblate Fathers, San Antonio. Burial was at the scholasticate. The Rev. F. X. Gagnor, O.M.I., acting pastor of St. Mary's Church here; and the Rev. Vretteau, O.M.I., pastor of St. Joseph's Church here, attended the funeral and assisted in the services.

40-MAN ALL-WESTERN ARMY PLATOON BEING RECRUITED

Capt. Don L. Stewart, commanding officer of the army recruiting office at Abilene, was in Ballinger Thursday last week and stated that he had received authority to enlist 40 men in September as an all-West Texas platoon. The unit will be enlisted on September 27 and sent as a unit to Fort Bliss by chartered bus.

This platoon will remain together for the entire training period except in cases of prolonged illness. Eligibility for the West Texas platoon is male, 17 to 35 years of age, without dependents, and mentally and physically acceptable for military service.

Those interested are asked to get in touch with the recruiting office at Abilene. Sfc. Lowe will be at the Ballinger post office each Thursday to interview applicants for the unit.

Bradshaw Winner Of Little League Playoff Contests

Playoffs in the Little Baseball League came to a close last week, the Bradshaw Body Shop team winning the championship. In the playoffs this team defeated Heidenheimer's by the score of 11 to 2 and Carlton Stowers was the winning pitcher. In the finals the Bradshaw nine defeated the Ray Fuqua nine by the score of 20 to 8 and Stowers again did the mound work for the champions.

In the regular season the Heidenheimer team led all the way with only one loss. In the playoffs the Bradshaw boys showed their hitting power as well as a good defense.

Sponsors, parents and boys were delighted with the short season played this summer and are looking forward to starting on the regular Little League date next year and operating under better conditions.

The Bradshaw team and its individual batting averages for the year were:
Billy Cathey, lf, .750
Carlton Stowers, p, .569
David Erevard, 3b, .529
Ronnie Bradshaw, c, .500
Dwayne Dobbs, rf, .500
Francis Behnke, ss, .411

Church Council Hears Speakers On Mentally Ill

The regular August meeting of the Ballinger Council of Church Women was held Monday afternoon at the First Church of the Nazarene.

The program brought information on the State Mental Hospital Association of Texas and what is being done for the mentally ill by this practically new organization.

Mrs. Leland Croft, of Odessa, gave general facts about the mentally ill patients in state hospitals and the needs of these institutions.

Chancey Croft, 17-year-old student at Odessa, told of what the teenagers can do and pointed out that the hospitals have many teen age patients. He told of some of the things that have been done by student groups at Odessa. Referring to tours of hospitals he said that housing and treatment were inadequate and there were not enough activities.

Mrs. Guy B. Neas, also of Odessa, talked on personal experiences from tours of various hospitals and state institutions and emphasized especially the crowded conditions. She said that doors are now open to visitors because of the interest of Texas laymen. She also pointed out that Texas ranks 40th in mental institutions.

The local council will accept members for the state organization and those interested are asked to give their dues to Mrs. Horace Murphy. Since the state group was formed much has been done to acquaint the public with the conditions and needs of the state hospitals. Dues in the association are \$3 a year.

All the speakers urged visits for informative purposes and said the institutions need more books and more equipment of any kind.

The council meeting was attended by more than sixty women. Mrs. Bill B. Stultz presided. Mrs. Wayne Reynolds was at the piano. Mrs. Jack Nixon, Jr., was song leader and Mrs. Troy Simpson presented the program. An offering was taken at the conclusion of the meeting and given to the Odessa workers to be used where needed.

McCauley Leaves For Mineola Post

Joe McCauley, manager of the Ballinger Chamber of Commerce the past two years, left Monday for Mineola, where he will make home. He loaded his household goods Monday and plans to be at Mineola and ready to go to work on September 1.

Mrs. Kermit Parish will be in the local office full time and will be able to look after any of the chamber of commerce business. R. E. Rubie, president of the board, stated that for the time being, extra activities would be looked after by officers and committees.

A screening committee will be named at the next meeting, on September 13, to give consideration to each applicant for the manager's position. Special committees will start soon on the Christmas program and will plan a parade and other features for the first part of December.

The chamber is giving close cooperation to the Mercer Shoe Co. in getting the moccasin factory opened here. Last week assistance was given in getting workers lined up to take instruction in special jobs at the plant.

SHOCKLEY RESIGNS POST OF COUNTRY CLUB KEEPER
R. C. Shockley has resigned as keeper of the Ballinger Country Club and left last week for Fort Worth, where he had accepted a position.

H. G. Agnew is supervising the work for the club and everything will be looked after and all activities continued. A number of applications for the position have been received by the directors.

Women golfers are showing considerable interest. The club meets each Friday morning, but women members play at numerous other times during the week.

Parties wishing to make a reservation for use of the club house should call Allen Davis.

DOVE SEASON OPENS IN ZONE WEDNESDAY
Ballinger hunters took to the rural sections Wednesday to get their share of doves. The season opened at noon Septem-

ber 1 and will continue until October 10.

The rules are the same as for last year. Hunting will begin at noon and stop at sundown. The bag limit is ten birds for each hunter and not more than ten in possession at one time.

Doves are fairly plentiful this year and with the drought most birds are watering at stock tanks which will make late afternoon wing shooting good. Hunters are warned not to enter private places without securing permission of the owners. Shooting along a public road is also against the law.

CITY SWIMMING POOL TO BE OPEN WEEK-END

The Ballinger swimming pool will be open Saturday, Sunday and Monday and will then be closed for the season. City officials last week made arrangements to keep the pool open for swimmers during the Labor Day week-end as Monday will be a holiday.

Last year the pool was kept open after the school term began for two weeks but attendance was small and difficulty was experienced in getting help, especially qualified life guards.

After Monday the pool will be drained, equipment stored and the place locked until next spring.

C. C. DIRECTORS TO MEET NEXT MONDAY EVENING

Directors of the Ballinger Chamber of Commerce will hold their regular monthly business meeting Monday night. All board members are urged to attend and join in the discussions.

President R. E. Rubie stated that more committee work would be necessary as the chamber will be without the services of a manager for some time. Joe McCauley left the past week-end for Mineola, to take the position of manager of the chamber of commerce.

The chamber has a number of important projects coming up this fall which will be climaxed by the big Christmas program early in December.

A complete report on the locating of the Mercer moccasin plant here will be made at the meeting Monday.

David Allbright will return to Texas Technological College, Lubbock, where he will be a junior this year.

Mr. and Mrs. Ray Fuqua and son left Sunday for Galveston on a short vacation.

**WEST TEXAS
NOTES**

Three tax offices here are preparing to start collections on October 1. City and school district tax rates are already set, receipts figured, made out and bound, and officials will be ready to take the money commencing October 1 and continuing until January 31. The county tax rate cannot be set officially until the next meeting of the commissioners' court but indications are that the levy will be the same as heretofore and tax sheets will only be filled in with the amounts. As customary the county and state will offer a 3 per cent discount in October, 2 per cent in November and 1 per cent in December. Those who pay in January will get no discount. Payments here are always heavy in October, when many of the large accounts are settled. Every property owner who pays his taxes in October, or any other time, is reminded to get a poll tax receipt. Next year is an off-election year but several special issues probably will be submitted. Be prepared for special elections with a poll tax receipt.

The state highway patrol is doing an excellent job but the limited force makes it impossible for all highways to be patrolled all the time. There are 480 patrolmen making up 320 units. These units are on the go all the time but must spend much of their time investigating wrecks, chasing speeders and making arrests. During July patrol units drove 1,116,519 miles and worked a total of 101,859 man hours which included 41,982 hours at night. They spent 3,553 hours on investigations and many others in safety promotion and court duty. They made 12,153 arrests during the month. In addition they issued 7,915 warnings for speeding, 1,520 warnings for improper passing, 1,259 warnings for driving on the wrong side, 1,543 warnings for stop sign violations and 7,052 for defective lights. Other work is aiding other officers in counties and cities and assisting with parking at big celebrations. At this time special attention is being paid to safe

The Miles city council has turned down the request of the General Telephone Co. for a rate increase. Several weeks ago a request was made for the rate increase and the council asked for time to present the matter to patrons and to study the schedule. In a special meeting last week the request was refused and the company notified of the action. Council members stated the citizens did not favor any rate raise at this time and asserted the increase asked was too much.

Coleman Jaycees are working for reactivation of the organization. Good interest has been shown in the reorganization plans and a committee will strive to enlist all young men of the city in a live chamber. At a meeting last week a number of Ballinger Jaycees and Rocky Ford, of Midland, state president, were present. Dr. Thomas H. Taylor, presi-

Ballinger schools got off to a good start this week as hundreds of students and more than sixty teachers settled down to classwork. Good organization accounted for most of the preliminaries before the first day of the term and little time was lost in beginning study. All teachers were present and had received complete routine instructions before Tuesday morning, when students reported.

It will be the beginning of his 25th year as president of the institution and his 50th year since he became a member of the faculty. During the years he has been with Howard Payne Dr. Taylor has been a leader in religious, political and civic affairs not only at Brownwood but all over West Texas. His reputation as a speaker has kept him in demand for public appearances.

W. O. Middleton, Chevrolet dealer at Rowena, has won a trip to Bermuda from the General Motors Corp. in the "best sellers" campaign conducted in May and June. Five dealers in the Dallas zone won trips, 52 competing for the prizes. Middleton stated the past week-end that he had just completed his vacation and would not accept the trip but would take other awards of the same value. The campaign was on selling new cars and trucks and used cars.

The Menard Parent-Teacher Association held its annual reception for faculty members Tuesday of this week in the high school gymnasium. The Menard schools were opened Monday and all teachers were present for the first day's session. At the reception Tuesday night, Rev. Robert Nauert, pastor of the First Methodist Church, gave the invocation and Mrs. Troy Vaughn, P-TA president, extended the welcome. Supt. C. R. Brace introduced the teachers and school employees. Refreshments were served at the conclusion of the program.

Mrs. Eula Harkey, homemaking teacher at Melvin, returned last week after spending the summer at Texas State College for Women, Denton. She did work towards a master's degree and took courses in clothing construction. As soon as she returned to Melvin she began checking students' summer work and making arrangements for a downtown exhibit of projects accomplished by the girls.

Ray Hastings, Brown county assistant farm agent the past seven months, has been assigned to Comanche as agent by the extension service. Hastings started his new work on Sep-

tember 1. Wayde Frey, who served Comanche county for a number of years, resigned to accept the position of manager of the West Texas Dairy Association with headquarters at Abilene. Hastings came to Brown county from Martin county, where he served as county agent several years. He graduated from A. & M. College in 1930.

The Central Texas telephone co-op will put three more exchanges into operation this week. The new exchanges are at Doodle, Star and southeast Goldthwaite. This makes a total of five exchanges in operation. Lohn and Melvin exchanges beginning service last week. The five exchanges will serve about 300 patrons. Exchanges at Mercury, Voca and Rochelle will be in operation by October 1 and others will be added later.

A large number of Winters citizens worked side by side last week on the first phase of construction of the new livestock feeding and show barns. F. F. A. and 4-H boys and their dads were on the job, teachers did their bit and many business men reported for work. Foundations were completed and the walls were started this week. The barns will be used the year round for feeding projects and will house the annual livestock show.

The Colorado City city coun-

cil has ordered a new fire pumper, to be delivered about January 1. The 12-cylinder heavy duty machine will cost \$16,137. It will handle 750 gallons of water a minute and has other features for modern fire fighting. The fire department had asked for the equipment and officers were present when the bids were opened and the types of trucks discussed. Firemen stated that the truck purchased would render better service over a long period.

The Upton county commissioners' court, recently in session at Rankin, authorized architects to proceed with plans for a negro swimming pool. The go-ahead signal was given after a public hearing. Local civic groups and negro delegations had endorsed the move. The pool will be constructed at an estimated cost of \$36,000, the money to come from an account in the water improvement fund.

Repairs on the Mountain Creek dam near Robert Lee have been completed and approval is recommended by Engineer S. C. Cooper. Approval must come from officials of the upper Colorado River authority. The repairs, which cost \$16,490, were made by Fern Havins and Cecil Gilbert. Work was done on the spillway and a concrete apron, 500 feet in length at the lower end of the spillway, to prevent washing.

The Bronte city council held

a called meeting last week and approved the budget for next year. The proposed expenditures making up the budget total \$32,629 and will be raised from a \$1.00 tax on the \$100 valuation. The largest expense item is in the water department where \$23,794 will be required to carry on maintenance and operations. Other expenses for the general fund aggregate \$8,835. The council has signed a contract with Clyde Boose, Sweetwater attorney, to collect delinquent taxes.

The Talpa schools were opened

Monday and Supt. Glynn Mitchell stated that the addition to the high school would soon be completed. The addition will provide dressing rooms for both boys and girls and a lobby at the entrance to the gymnasium. The lunch room interior has been completely remodeled and will provide better service for students who take their noon meals there. The new teacherage is still under construction but will be completed in two or three weeks.

1882---Labor Day---1954

Since the first Labor Day parade in New York city—72 years ago—the men and women who make the many things we eat, wear and use have enjoyed an ever higher standard of living. In no other land do so many have so much.

This progress is partly due to the skill and high productivity of those in our mines, mills and factories. It is also due to our system of free enterprise which makes it possible to create more jobs at higher wages.

For the future it is important for labor to be ever vigilant in helping to preserve the fundamental freedoms which have made America great—and which, if lost, can never be regained.

**4 Important Reasons why
you should buy a PONTIAC
RIGHT NOW!**

1 Pontiac is One of the Greatest Cars Ever Built!

Match today's Pontiac with America's finest cars and you'll get a dramatic picture of Pontiac value. First of all, Pontiac is big—bigger, in fact, than many cars costing hundreds of dollars more. Pontiac is beautiful—with its distinctive Silver Streak styling. Inside, you'll find genuine fine-car luxury and appointments—along with the roominess and comfort that come only with a long wheelbase. But the big surprise comes when you test Pontiac's performance. See how alert it is to every demand in traffic, how it handles and corners almost without effort, how it takes to the open road with plenty of power to spare and saves money every mile.

2 Pontiac has the Best Resale Value in its Price Class!

Along with all its fine-car size, luxury and performance, Pontiac has a very special attribute no car at any price can beat—its unsurpassed reputation for year-in, year-out dependability. Pontiac's carefree, economical long life and its proved record of amazingly low maintenance expense are so widely known and acknowledged that it commands the highest resale value in its price class. Because Pontiac is America's most desirable used car, your original investment comes back in greater measure when you trade, making ownership cost even lower.

3 Pontiac is Priced Just Above the Lowest!

After you've convinced yourself of Pontiac's value, after you've considered all the good things you've heard about its dependability—see and compare it dollar-wise. Despite the fact it's a fine car in every sense of the term, it's priced so near the lowest that if you can afford any new car you can afford a Pontiac.

4 We'll Make You a Deal You Can't Afford to Miss!

Right now we're making such liberal trade-in allowances that you just can't afford to pass up the greatest opportunity you ever had to become a fine-car owner. Come in and get the facts.

**DOLLAR FOR DOLLAR YOU
CAN'T BEAT A PONTIAC!**

SOCIETY

Long-Away Party Compliments

Kien Williams
Kien Williams, who is moving with her parents, Mr. and Mrs. M. Williams, to Lubbock, and will be a freshman at Texas Technological College in fall, was complimented at a party in the home of Mr. and Mrs. C. S. Miller on Fifth Street Sunday afternoon.

Loise Miller was hostess at the affair and was assisted by another, Mrs. Miller. The table was lace laid and arrangement of yellow mums around the centerpiece. A sandwich plate was served with tarts and cold drinks.

Annual Back-to-School Party

Held at Cherry Home
Mr. and Mrs. Chester Cherry were hosts at their annual back-to-school party honoring the honoree. Others were: Len- nie Sue Tyler, Nancy Davis, Delphine and Betty Berryhill, Bobbie Sue Stultz, Dorothy Thomas, Carol Ann Bailey, Joyce Wiginton, Diane Wilson, Sally Bailey, Mary Jo Forman, Barbara Stuart, Tookie Wade, Patricia Davis, Katherine Richards, Shirley Jones, Pat Zappe, Dele Tisdale, Nita Duke; and Sally Trail, of Dallas.

Annual Back-to-School Party

Held at Cherry Home
Mr. and Mrs. Chester Cherry were hosts at their annual back-to-school party honoring

all the children in the neighborhood. Although the Cherrys have no children, they are ready to entertain the group on every occasion.

The affair was held in the backyard garden. Mr. and Mrs. Bill Clark assisted in preparing the hot-dog supper at the barbecue pit, topped off with ice cream and cookies.

Games were played throughout the evening.

Guests were: Lucia and Bill Clark, Carolyn Cook, Jo Ann and Charlotte Webb, Sally McDonald, Linda Burgeis, David Talbot, Kay and Jan Ayers, Ann and Joe Davidson, Pat Burgeis, Mike Black, Charlie Chandler, and Terry Isbell, of Big Spring.

Mrs. Croft Honored at Luncheon

in Simpson Home
Mrs. Leland Croft, of Odessa, who was in Ballinger Monday to be the guest speaker at the regular meeting of the Ballinger Council of Church Women, was named honor guest at a no-host luncheon given in the home of Mrs. Troy Simpson in Wilke Terrace. Members of the executive- and program committees were included.

The lace-laid dining table was centered with an arrangement of multi-colored zinnias, and foursome tables were centered with persian carpet blossoms where the two-course menu was served.

An appreciation gift was presented Mrs. Croft from the local council. Mr. and Mrs. Vernon Webb assisted in entertaining. Others present were: Mmes.

Bill B. Stultz, W. H. Beard, Horace Murphy, Luther Bonham, C. F. Bailey, A. B. Stoubaugh, Alex McGregor, Felix Keys, Rufus Allen, E. S. Malone, Joe Forman, Estes Lynn, J. W. Longnette, and Miss Lilly Clayton.

HOPEWELL

We are very thankful for the fine progress that has been made on our new church building. The cooperation of help has been fine and we feel like the church will be completed in another month. We are having worship services in the Crews gymnasium and attendance has been fine. There were 83 in Sunday school and 15 visitors Sunday morning.

The G.S.s and W. M. U. met in the home of Mrs. Sam Faubion Friday to hear Loveta Morrison tell about her work with the Indians the past summer. A box of clothing was packed and sent to them.

The young people of our church met in the home of Patsy Fisher Sunday night for the youth fellowship program. Mr. and Mrs. Tom Underwood and family were week-end guests in the Sam Faubion home.

Mr. and Mrs. Clyde Brevard visited their son-in-law and daughter, Mr. and Mrs. Marion Davis, of San Angelo, Sunday.

Mr. and Mrs. Jack Nixon, Jr., spent the past week-end at San Antonio, attending a Lions cabinet meeting for this district.

CREWS
Mr. and Mrs. J. E. Hale, of Dallas, visited relatives and friends in this community the past week-end. They were en route to San Angelo on a business trip.

Mr. and Mrs. A. S. Alcorn attended a birthday party Saturday night in the home of Mr. and Mrs. Arnold Alcorn, which was to honor Arnold.

Mr. and Mrs. Orville Pearce and Bonnie visited in the Joe Buchanan home, at Bradshaw, Sunday.

Mr. and Mrs. E. W. Bridwell, Mr. and Mrs. P. R. Dietz and Mrs. W. E. Mayhew and Tommy visited relatives at Killeen last Sunday.

Mr. and Mrs. Clarence Hambright went to Kerrville Saturday to get their daughter, Jerry Sue, who has been attending a camp the past two weeks. They were accompanied by Eunice Polk, Cheryl Bragg and Shirley Hambright.

WANT MANAGER OF GAS CO.'S PIPELINE DIVISION
J. C. Wiant, a Lone Star Gas Co. employee for the past 20 years, has been named manager of the Lone Star Gas Co. pipeline department in Ballinger. He succeeds G. M. Hargus, who has been transferred to Ranger.

The new manager comes to this department from Palestine. Mr. and Mrs. Wiant are parents of a nine-year-old daughter.

Mr. and Mrs. Hargus left Ballinger Wednesday for Ranger. Mr. Hargus will be manager of the same department at Ranger. He also has 20 years service with the company. Mr. and Mrs. Hargus have been active workers in the First Methodist Church and the Eastern Star chapter here.

WATER SAFETY SCHOOL AT LOCAL POOL CLOSES
The Runnels county Red Cross water safety school, under the supervision of Miss Charlene Evans, was closed Saturday night. As part of the concluding program 50 boys and girls obtained certificates for completing their courses.

Miss Evans had students give a demonstration on what they have learned the past summer in an hour demonstration. The swimming, diving and safety performance was staged at the municipal pool. Parents were particularly complimentary of the school and what their children had accomplished.

Jerry Hampton and E. E. King were sponsors of the school for the Red Cross.

Miss Evans will leave Monday for Austin, where she will continue her studies at the University of Texas.

Correction
Betty Johnson is now with the Mikeska Beauty Shop as an operator. An ad last week announced Betty Davis as the operator instead of Miss Johnson.

Mr. and Mrs. J. M. Pyburn have returned from Washington, D. C., where they visited Mr. and Mrs. R. L. Craig.

Watershed Control Approved Practice on Number of Farms

Small watersheds are being protected by cooperators in the Runnels county conservation district to prevent erosion and to store moisture in fields and pastures by applying conservation practices.

These watersheds include the land from the top of the hills or ridges to the branch or creek below. Several farmers may contribute to one watershed which calls for neighbors to work together.

Coordinated conservation plans start at the top and work down the slope. Technical assistance on these plans can be obtained from the district office. The district supervisors are Herman Giesecke, Jr., Ballinger; W. J. Halfmann, Offen;

Kirby Robinson, Norton; Bill Minzenmayer, Winters, and Jake Presley, Crews.

Dr. John Barron, of Winters, has protected one watershed and the heads of five others. He built 35 miles of level, closed-end terraces on 900 acres of cultivated land. He farms on the water level and leaves lots of stubble on the surface. The stubble reduces surface crusting so water can soak in faster.

George Jansa, Erwin Eggenmeyer and Richard Book, of Miles are neighbors who have protected a watershed. Jansa turned the pasture water to a creek, then he built a system of level, closed-end terraces on his field. This made it easy for

Eggenmeyer to install a complete system of terraces on his field. Book then terraced his field down to the creek.

Claude Thompson and H. J. Zappe, of Ballinger, have terraced their part of the watershed that heads on the Thompson place northwest of Ballinger. Mr. Zappe wants to use blue panic grass to help his soil take up moisture and to provide grazing.

Inez Smith, of Winters, has terraced the tops of five watersheds. Flat land at the top needs less terracing to keep rainfall spread out than does steeper land. This means less cost per acre for terracing flat land. The land may not appear to be hurt but a look at the gulleys across the fence will tell of the water that has been lost.

Clifford Lehman, of Winters, and John J. Urbanek, of Rowena, have also terraced the heads of small watersheds.

Walter Adams, of Winters, keeps water from collecting in his lake. He built a complete system of level, closed-end terraces on the surrounding watershed.

Milton Heinze, of Miles, plans to terrace a flat field near the top of a watershed and ration outside water into the level, closed-end terraces.

Glen Eager, of Winters, is pitting and managing grazing on his rangeland watershed. He is getting most of the rainfall into the ground. He doesn't have much winter feed bill for his livestock because of this plan. Mr. Eager also reports that his fences do not wash out any more.

PRESBYTERIAN MINISTER SPEAKS TO LIONS CLUB

Rev. Felix W. Keys, Jr., pastor of the First Presbyterian Church, U. S., was guest speaker for the Ballinger Lions Club Friday noon.

Rev. Keys brought a message based on daily living, according to the rules set out in the scriptures. He gave the divine guidance for operating business, daily living and man's activities to his friends, church and community. He urged more reading of the Bible and the acceptance through faith of the teachings of the scriptures. Managers of the Lions baseball team in the Pony League were present and invited members to see the play-off games.

'Duel' Run Continues at Horseshoe: 'Secret of Incas' Sunday, Monday

David O. Selznick's "Duel in the Sun," presented yesterday at the Horseshoe Drive-In Theatre in the first screening of a four-day engagement which is to be concluded Saturday, September 4, will be linked Saturday with the Bob Burns comedy, "Hill Billy Deacon."

Selznick has earned more than an average share of the awards and citations bestowed on Hollywood's outstanding motion picture makers, and "Duel in the Sun" claims a spectacular honor roll of past academy award stars. Selznick's current offering was adapted from the Niven Busch novel of the same title. It is now being shown on the Horseshoe's wide-screen.

Co-starred in "Duel in the Sun" are such high-level players as Jennifer Jones, who won the "oscar" in 1943 for her sensitive portrayal of the French

peasant girl in "The Song of Bernadette," Gregory Peck, Joseph Cotten, Lillian Gish, Walter Huston and Herbert Marshall.

Bob Burns, the fun-loving man with the bazooka and the relatives, is back in all his glory in "Hill Billy Deacon," to be shown at the Horseshoe Saturday only in conjunction with "Duel in the Sun."

The title role in "Hill Billy Deacon" was made to order for Burns, and he takes full advantage of his opportunities. Mischa Auer also has a comedy role as the town's volatile barber, while Dennis O'Keefe and Peggy Moran supply the romantic interest. Others in top parts are Guinn "Big Boy" Williams, Ed Brophy, Spencer Charters, Jack Carson, Bennie Bartlett, Thurston Hall, Virginia Brissac and George Moran.

Daring adventure, set against the exotic and dangerous background of Peru sparks Paramount's "Secret of the Incas," to be shown at the Horseshoe Sunday and Monday, September 5, 6, in conjunction with a feature comedy, "Scared Stiff." Also on Monday the Horseshoe will present its giant Labor Day fireworks display.

"Secret of the Incas," in Technicolor, has a top-drawer cast headed by Charlton Heston, Robert Young, Nicole Maurey and Thomas Mitchell and presents the Peruvian singing sensation Yma Sumac. Just as electrifying as the excitement produced in "Secret of the Incas" is the startling beauty of the Peruvian settings. Brilliantly photographed in colors, these scenes of the Andes reportedly include some of the finest footage ever.

Columbia's brass-knuckled "The Big Heat" will be shown at the Horseshoe Tuesday only, September 7, in addition to a feature drama, "Bend of the River." Glenn Ford, Gloria

Graham and Jocelyn Brando are starred in "The Big Heat," based on a Saturday Evening post serial that shocked millions of readers. It is the story of a tough cop who, quitting the force to work outside the law, smashes the mob responsible for corrupting the city, and for the brutal murders of a number of women. In featured support are Alexander Scourby, Lee Marvin and Jeanette Nolan.

Paramount's package of celluloid merriment, "The Girls of Pleasure Island," is the No. 1 offering on the twin-bill at the Horseshoe Wednesday and Thursday, September 8, 9. It tells the hilarious tale of what happens when 1,500 marines land on a remote South Pacific atoll inhabited by three beautiful girls who have never seen

a man of their own age. In the top roles are Leo Genn, Don Taylor, Gene Barry and Elsa Lanchester, while the three girls are enacted by Dorothy Bromley, Audrey Dalton and Joan, making their screen debut.

A story of the Ute Indian uprising in Colorado territory, Universal's "Drums Across the River," in Technicolor, is the other feature on the above dates. Audie Murphy, Lisa Gaye, Lyle Bettger and Walter Brennan are the stars, and supporting players are Mara Corday, Hugh O'Brian, Jay Silverheels, Regis Toomey, Morris Ankrum.

SOCIETY

Mrs. Routh Honors Presbyterian Departments

Mrs. Oscar Routh hosted a party at City Park last Thursday afternoon, as a compliment to members of the Primary, Kindergarten and Nursery departments of the First Presbyterian Church, U.S.A.

Mrs. Doyle Riley, Mrs. Mart Gorman, Mrs. John E. Gorn, Jr. and Mrs. C. J. Jennings assisted in entertaining the group of young people.

After games were played and pictures made of department members with the hostess and her mother, Mrs. F. C. Miller, lime punch was served with cookies.

The refreshment table was

Mothers were also included. Children present were: Patricia and Shirley Coleman, Deanna and Cathy Riley, Mike Gorman, Jan, John and Peggy Green, James Bishop of Winters, Carlo Sheffy of San Angelo, Ronny, Gale and Kirk Havorak, Kent, Kathy, Gary and Karen Fianagath, Dawn Marie and Thomas Moreland, Chris and Phil Curry, Dickie and Kay Redman, Willie Dean, Marlene Watkins, Eddie, Roy, Linda and Susan Brown, Frankie Corder, Jolene Kilpatrick, Gary Lynn Matthews, Deborah Gale and Lita Carlene Coleman. Mrs. J. W. Longnette and sons, Shad and Lowell, were guests.

KIRKLAND FAMILY HOLDS REUNION IN LOCAL PARK

Descendants of the late Mr. and Mrs. W. M. Kirkland met here for a family reunion on Saturday and Sunday. The affair was held in city park.

Some of the family spent the night in the park after supper was served there Saturday night. Breakfast was served Sunday morning, and a chicken barbecue dinner with all the

county encampment since coming to Runnels county and also attended the district encampment at Buffalo Gap this year. After attending the district encampment she helped to plan the county encampment and assisted in games and handicraft. She has assisted her club in planning and giving programs for the Norton home demonstration club. Barbara has received awards for clothing, beef cattle, food and home improvement projects.

Living on the farm means much hard work for Barbara, especially since the shortage of crops and the high cost of hired help. Her farm chores include driving a tractor, picking cotton and helping harvest all crops. In the house she helps with the washing, ironing, sewing, cooking and house cleaning.

Barbara's mother and father have given her much encouragement and help in her 4-H projects. They are never too busy to help in any way that will benefit her.

In the months to follow, Barbara plans to help the Norton 4-H club girls in their projects and will also assist the family with the general management of the farm.

REYNOLDS DELIVERS ADDRESS AT MEMURRY
Rev. Wayne Reynolds, pastor of the First Methodist Church of Ballinger, delivered the commencement address to the graduating class at McMurry College, Abilene, last Thursday.

Richard Richey and Joe Burk, of Ballinger, received master's degrees. Richey is a member of the local faculty this year and Burk recently resigned to accept a position with McMurry.

Mr. and Mrs. R. D. Midgley and Mrs. W. E. Midgley will leave tomorrow for Wichita Falls, where they will visit their son and daughter-in-law, Mr. and Mrs. Walter Midgley, and grandchildren of Mrs. W. E. Midgley.

The Walter Middleys will accompany the Ballingerites to Oklahoma City for a visit, and R. D. Midgley and mother will also visit Mrs. Willie O'Dell at Pawnee, Oklahoma. Mrs. Midgley and Mrs. O'Dell are sisters. On their return trip home the group will visit Mrs. R. W. Earnshaw and son, Johnny, at Dallas.

REV. VANDERPOOL SPEAKS AT METHODIST CHURCH

Rev. Homer Vanderpool, of Dayton, Ohio, was the speaker at the First Methodist Church at the morning service Sunday. Rev. Vanderpool was pastor of the Ballinger church 18 years ago and was here to conduct the funeral service for W. D. May Saturday, remaining for a visit with friends.

He spoke to a capacity congregation at the church Sunday morning and left Sunday afternoon for Dallas, where he will visit relatives before returning to his work in Ohio. Accompanying him to Ballinger were Mrs. Vanderpool, a son, and a daughter.
