BALLINGER, TEXAS, THURSDAY, OCTOBER 28, 1954

NO. 1

Clary Murder Case Again to Grand Jury

Judge C. E. Patterson, of 83rd district court, Alpine, quashed the murder indictment against Clifton Clary Monday morning after the case was called for trial. Asking that the indictment be quashed, defense counsel asserted that it was vague and did not allege the manner of means by which the defendant is alleged to have committed the crime. Immediately following the court's action, the defendant was recommitted to Runnels county authorities and bond was set at \$5,000 for his transfer here.

Sheriff Don Atkins filed a charge of murder with malice against Clary Tuesday morning

and B. G. Sharp, justice of the peace, set bond at \$5,000. District Attorney E. C. Grindstaff stated that the evidence would again be submitted to a Runnels county grand jury, which is expected to be impaneled the latter part of November or the first of December.

Clary was tried in Runnels county in 1949 and received a 99-year sentence. This trial was reversed and remanded by the court of criminal appeals and Clary was assessed a life sentence in the remanded trial at Colorado City. Last December, following another reversal, an attempt was made for the third trial at Eastland, which resulted in a mistrial.

Boys Will Exhibit Swine for County And Area Awards

Eight Runnels county boys will have gilts at the county and area contests of the Sears swine improvement program to be held at the San Angelo show grounds Saturday, Runnels, Coke and Menard counties will be represented in the contest.

For each county a contest will be held and the county winners will compete in the area competition. About \$30 in prize money in the county contests will be at stake while in the area showings there will be \$75 for three winners.

The Runnels county entrants are: Nathan Wright and James Eggenmeyer, Miles; John Jackson, Marcene Pritchard and Ronnie Heathcott, Winkate; Clyde Halfmann and Daniel Halfmann, Rowena; Franklyn O'Dell, Winters.

The swine improvement program is cooperatively sponsored by the Sears foundation and the Texas agricultural extension service. The foundation provides the capital to establish the program and the extension service supervises and keeps it in operation.

Within the various counties the boys and girls are awarded the registered pigs on an achievement basis. They must have a suitable place to keep a hog, must assure the county agent they will care for it, and they must write a short essay on why they would like to produce hogs as a source of income on the farm. After receiving the gilt or boar they have certain obligations to meet. The animals are groomed and shown in the fall. In the early spring a litter of pigs will be farrowed. The pigs are weaned at eight weeks of age and one registered pig is returned to the program. The sow and remaining pigs in the litter belong to the boy or girl. Should the boy or girl have no suitable gilt to return, they must furnish \$15 to replace the pig.

In addition the boys and girls are eligible to enter their first and second litters in the spring and fall heavy litter contests. The prize money they win in these contests must be used to further their pig program.

Business Meeting Of C. C. Directors Set Monday Night

The board of directors of the Ballinger Chamber of Commerce will meet Monday night to transact a large amount of business.

Final plans for the Christmas program, set for November 27, will be submitted to the directors. C. E. Maedgen, general chairman, heads a group of committees working for the big feature. Some of the assignments have already been made and some of the work has been started.

The raising of the special Christmas fund, securing local sponsors for floats and arrangements for Santa Claus to visit here and hand out candy will be involved in special committee assignments Monday night. A discussion will be held nominating directors to be elected in December and installed at the annual banquet in January. A change in the manner of electing directors has been suggested and will be disposed of at the board meeting.

President R. E. Rubie will

Special Training Program for Club Members Slated

Miss Ollie Chenoweth, county home demonstration agent, has announced a special training demonstration for club members, to be held in the club house of the Winters home demonstration club on November 16. W. G. Allen, extension service engineer, will construct a trash burner for the demonstration.

Representatives of each club in the county will attend the special demonstration and will carry back the information to their clubs. The trash burner to be built will be donated to the Winters club and the Boy Scout troop.

The next county council meeting is scheduled on November 12. At this meeting the council will make plans for its Christmas luncheon which will honor all retiring and incoming officers. The council will designate the place, the group to serve and the program committee.

Preliminary plans for publishing a cook book are being pushed and an effort will be made to have the book ready for sale during the Christmas holidays. Most of the recipes have been turned in to the committee and the copy is being made up.

7th Street Baptists Will Have Revival Beginning Sunday

The Seventh Street Baptist Church will have a special stewardship revival beginning next Sunday, October 31, and continuing through November 7.

Rev. Ted Cotten

All Sunday school teachers will teach their classes each evening from 7:00 to 7:45 p. m. They will use the book, "Evangelism and Stewardship Go Together," for the entire series.

After the class meetings the membership will assemble in the church auditorium for song services. Special music is to be featured each evening. Rev. Ted Cotten, pastor of the First Baptist Church of Lake View, will be the guest speaker for the revival and the public is invited to hear him.

Firemen Appoint Ross No. 1 Driver; To Elect Officers

Ballinger firemen have announced the appointment of Jack Ross as No. 1 driver and he will be back with the department early in November. Ross was formerly a driver for other employment but a year ago. He will take the place made vacant by the resignation of Tom McEntire.

The firemen will hold their annual business meeting tonight at the station. Officers will be elected and committees appointed for the ensuing year. The members will also set the date for their annual program and pot luck supper, about the first part of November.

55 PER CENT OF COUNTY TAX ROLLS COLLECTED

Dalton Crockett, county tax assessor-collector, said yesterday that current tax collections through Tuesday totaled \$218,359 or 55 per cent of the rolls.

Payments in October have been heavy, mainly because a 3 per cent discount is offered this month.

Only 408 poll tax receipts had been issued through Tuesday.

Rev. and Mrs. A. O. Rue and Mrs. Mart Gorman went to San Angelo last Thursday. Mrs. Rue and Mrs. Gorman to attend the Presbyterian school held in the First Presbyterian Church, U. S. A., Mrs. Olson, of Waco, syndical president, discussed the new revised handbook on parliamentary rules and the duties of officers in the women's organization. The program theme and objectives for Presbyterian Women for 1955 were previewed.

Officers Elected By Cancer Society

Mrs. Elizabeth Beaver, field representative of the American Cancer Society, Texas division, met with local executive committee last Thursday in the office of County Judge W. H. Rummy at the court house.

Weyman B. Mason, chairman, was in charge of the business. George M. Beard was elected chairman of the county community committee. Miss Ollie Chenoweth and Frankie Berryman were named to serve with Mr. Beard. Another chairman, for the women's organization, will be appointed at a later date.

SEAL SALE, X-RAY PROGRAM GROUP MEETING SUBJECTS

Plans for kicking off the 1954 Christmas seal campaign, to start the latter part of November, will be outlined at the meeting of the Runnels County Tuberculosis Association next Monday night at 7:30 o'clock.

The meeting will be held in the office of county Judge W. H. Rummy at the court house. Rev. A. O. Rue, president, will announce the plans and appoint committee members for the drive. A report on the association's chest X-ray program will be given.

Two Well Locations Staked in Ballinger Vicinity This Week

Two important oil well locations were made in the vicinity of Ballinger this week, tours to start at once.

A. W. Cherry, of Lubbock, has filed an application for a permit to drill his No. 1-Hamp Byler, four miles northwest of Ballinger. A spudder was moved to the location the past week-end to set surface casing and drill a water well nearby. Water from the well will be used for rotary drilling which is projected for 5,000 feet. The drilling site is one location southwest of Rhodes Drilling Co. No. 1-Byler, a producer in the Palo Pinto.

Humble Oil & Refining Co. No. 1-Maud Vancil, nine miles northwest of Ballinger, will go to 5,900 feet. Drilling on this 740-acre lease will commence as soon as the permit is okayed. The location is just northwest of Hatchel in an area which has not been explored. It is three miles south of production in the Winters multi-pay field and 2 1/2 miles northwest of the Elm Creek field, which producer from the McMillan and the Serratt.

Thomas D. Humphrey & Sons No. 4-Bryan Clayton, four miles south of Crews, has been completed in the King sand. It is finished for a daily flowing potential of 107.88 barrels of 43.7 gravity oil. Top of pay was encountered at 2,166 feet. The South Crews field produces from the Fry, upper Gardner and Jennings sands. The nearest King sand well is three miles northwest of Crews.

Ethel Mae Murray and John Boies will attempt to open the Cambrian pay in the Winters field. They have filed an application for a permit to deepen to 6,900 feet their No. 2-Pfeiffer, eastern offset to No. 1-Pfeiffer, third Goen producer in the field.

The Service (Cross Cut) field gained its third producer with completion of Loria Oil & Gas Co. No. 10-J. P. McCord, six miles north of Talpa. The daily flowing potential was gauged at 153.04 barrels of 42 gravity oil. Top of pay was found at 3,310 feet.

Kemp Purchases Local Feed Store

A deal was closed the first of this week in which Elliott Kemp purchased the Purina feed store and hatchery from Price and Prater on Hutchings Avenue. Mr. Kemp took over operation of the store Tuesday and will continue in the present location.

A contest for a name is being conducted with \$20 in merchandise offered the winner. The suggested names are to be submitted to the Purina store by mail and the winner will be announced as soon as selection is made.

Mr. Kemp stated that a complete line of Purina feeds will be stocked at all times and that the hatchery will be operated in season. He is planning a better feed service for this area and will strive to fill every need.

NORTON P. T. HOLDS PROGRAM AT SCHOOL

The Norton Parent-Teacher Association met last week and heard Supt. M. J. Coleman and Frank Greger speak on "A More Perfect Union Between Home and School."

Mrs. R. T. Cope's room, fifth and sixth grade, presented a program. This room was also awarded the \$5.00 for having 10 per cent of P. T. A. memberships.

The association will sponsor the annual Halloween carnival tomorrow (Friday) night, October 29. The public is invited.

Mrs. E. A. Trail, Mrs. Ross Murchison and Miss Winnie Trail visited in the homes of Mr. and Mrs. R. T. Trail and Mr. and Mrs. Norman S. Jawler, of Brady, Wednesday. While at Brady Mrs. Jawler entertained at a birthday dinner at which she named her grandmother, Mrs. E. A. Trail, honor guest.

Decorated Floats Listed For Christmas Parade

Leaders for Ballinger's Christmas program have the assurance of one of the biggest opening features in the history of the city. Ten decorated floats have been assured, local firms sponsoring the decoration costs. The floats will be decorated by school organizations, which will put the floats in the parade and compete for cash prizes.

Extra effort will be devoted to preparation of these floats because of the increase in prizes and also because all entries will receive cash awards. The first prize is \$50 and others scale down to the last few, all winning as much as \$10.

Firms signed up to sponsor a float are: Price-Prater Hatchery First National Bank Floral & Music Mart Higginbotham Bros. & Co. West Texas Utilities Co. Morgan Motor Co. Farmers & Merchants State Bank

Curry-Hambrick Jewelers, and Home Furniture Co. Ben Franklin Store and Bell's Grocery & Market Perry Brothers and Piggy-Wiggly.

School organizations that will prepare and enter floats are: Future Homemakers of America Future Farmers of America Ballinger Bearcat Band Girls Athletic Association Science Club Freshman class Sophomore class Junior class

National Thespians Sheriff Don Atkins states that local enforcement officers and state highway patrolmen will again enter a safety section in the parade. This entry will head the parade, in front of the Christmas floats, and there are expected to be ten or twelve vehicles in this section.

Santa Claus will be entered by the Ballinger Chamber of Commerce and will ride through the streets in an appropriate conveyance. Immediately following the parade, Santa will go to the lower hall of the court house where he will greet all the children and have a sack of candy for each one.

Several bands will be entered in the parade, the Bearcat band to lead the marchers. A number of other features will be added to the parade this year and any individual or firm that would like an entry is asked to contact C. E. Maedgen, general chairman, and make arrangements.

The parade last year was declared the best to that time. It was done in a rush because of the late football season last year and students expect to make the 1954 showing far better.

The date is Saturday, November 27, the procession to start at 2:00 p. m. This will permit every school child in Runnels county to attend with his parents and a record crowd is expected.

In General Election Tuesday 11 Amendments Get Interest

All voting boxes in Runnels county will be open Tuesday for balloting in the general election. Supplies have been distributed to the election managers by County Judge W. H. Rummy and voting will start at 8:00 a. m. and continue to 7:00 p. m.

Officials are expecting a small vote in this county. Little interest has been shown in the general election, but there is more attention for 11 proposed amendments to the state constitution which also will be

voted on Tuesday. The election ballot has five columns, Democratic, Republican, Constitution, Independent and one column for write-ins. In the Democratic column are all the names of the nominees in the primaries. In the Republican column is a candidate for governor, U. S. senator, congressman-at-large and commissioner of agriculture. In the constitution column are two candidates, one for U. S. senator and one for commissioner of agriculture.

Completed Conservation Plans Reported for Runnels District

Cooperators of the Runnels county soil conservation district continuing their work and a number finished projects the past week.

Charlie Chapman, of Winters, has completed two miles of level, closed-end terraces. After these have settled, he plans to have the soil conservation service stake some ditches to ration water from a draw into the new system. These will work automatically and will handle the water when he is away from home.

Thad Taylor, of Crews, has completed half a mile of new terraces which connect with old terraces in another field. He will build up the old terraces and put in some ditches to keep water from running into the new ones.

John Z. Byers has completed a stock tank that will help him get better grazing distribution. Uniform grazing is essential to good management.

Francis D. Gardner, of Wilmeth, has completed 2.3 miles of level, closed-end terraces on the Dr. T. V. Jennings place. This almost completes the work on fields of this place.

Mrs. Effie Dietz has requested assistance on plans to control erosion and save water on her place, four miles southwest of Crews. Her pasture is cross-fenced and has stock water on each side. She plans to pit the pasture to aid in catching and soaking up rainfall. This will lessen the amount that runs off the fields. She will build a diversion terrace to protect a field. She will also check the terraces on another field and do what is necessary to make it safe to close them. Diversion terraces empty into a ditch between the two fields and this will be widened, shaped and established as a perennial grass.

Officers Report Quiet Week-End

Local law enforcement officers had a very quiet week-end, only a few investigations demanding their time.

Florentino H. Romero was arrested and charged with driving while intoxicated. He was fined \$72.80 and given a three-day jail sentence Monday.

Remedios Luera was beaten and left on the roadside by two unidentified youths last Thursday night. He was robbed but only a 25-cent piece and a pocket knife were stolen. Officers are still working on this case and have interviewed a number of suspects but no arrests have been made.

A theft was reported at the Floral and Music Mart but no arrests have been made in this case.

Senior Carnival Big Attraction For Hallowe'en

One of the most important school programs of the year is to be staged Saturday night at the library building when the senior class presents its annual carnival. Preparations began more than a week ago with the selling of various tickets, rehearsals for the fun shows, arrangements for prizes, cakes and other items.

The contest to select a high school queen has been underway the past week, votes selling at one cent each. Each high school class has named a candidate and escort and the one having the largest number of votes when the contest is concluded Saturday night will be crowned in the ceremony that will climax the program.

The carnival will get underway at 7:00 p. m. Saturday and all citizens of this section are invited to attend. The seniors have arranged a program which will be interesting to all ages and a number of valuable prizes will be given away during the evening.

Each year the senior class sponsors the carnival to raise money for the expenses of its trip in May. In the past the class has banked enough from this one effort to take care of the three-day jaunt to Corpus Christi.

Any merchant who would like to enter a vehicle in the Hallowe'en parade Saturday afternoon will be welcome.

YOUNG CAMPBELL RATED BEST SHOWMAN AT FAIR

Hugh Campbell, III, was the only member of the Ballinger FFA chapter so show in the junior livestock show at the State Fair, Dallas.

His Hereford steer took second place in the junior show and in addition Campbell won the Dean memorial award for the best showmanship in the junior division and received \$100 in cash for that honor.

COTTON GINNING IN COUNTY GOES PAST 14,000-BALE MARK

Cotton ginned in Runnels county to Tuesday noon totalled 14,379 bales. Ginners said this was about 80 per cent of the crop.

L. L. Williams, labor agent, stated that pickers are plentiful and any farmer who needs help can contact him.

Mr. and Mrs. A. H. Dallinger and daughter spent the past week-end at Plainview, visiting relatives and friends.

Bearcats Cool Blizzards By 27 to 7 Tabulation

The Ballinger Bearcats played their first game Friday night since the beginning of the season with all hands on the well list. They defeated their old rivals, the Winters Blizzards, by the score of 27 to 7 in a thriller from start to finish.

The Bearcats lost a scoring try in the first few minutes of play when they recovered a fumble and drove to the Winters four-yard line only to lose the ball in downs. The Blizzards punted to their 31 and Grady Curry and Wayne Johnson started a drive which carried to the one-yard line, Maurice Carder sneaking over for the first score. Gary Ferguson's kick for the extra point was no good.

The Blizzards stormed back to go ahead of the Bearcats with two completed passes. Doyle Buchanan passed to Weldon Andrew for 31 yards and on the first play of the second quarter, Buchanan threw another pass to Lynn Faubion, who was standing in the end zone. Buchanan kicked the extra point to put the Blizzards in front 7 to 6.

In the third period the Bearcats took over after covering a fumble on the Winters 14. Line power was used to drive to the one-yard stripe and Johnson crashed over the center of the line for the score. Ferguson kicking the extra point. This ended the scoring in the first half with the Bearcats out in front 13 to 7.

The Bearcats opened the second half strong and with Curry and Johnson doing most of the work, carried deep into Winters territory, Curry hitting pay dirt from four yards out in the closing seconds of the third session. Ferguson kicked a perfect goal for the extra point.

The final score of the evening came in the final period when Maedgen intercepted a Winters pass. Curry turned in the first long run of the game when he broke into the secondary and streaked 43 yards to the end zone. Ferguson kicked and this ended the conflict.

The Blizzards completed the first two passes they threw, the second going for a touchdown.

The Bearcats held a big lead in the statistics. In the running department the Ballinger-Hes gained 271 yards on the ground as compared to 48 for Winters. In first downs it was a three to one advantage—18 for the Bearcats and 6 for the Blizzards.

The Bearcats passed eleven times, completing three for 22 yards. The Blizzards passed 18 times, completing three for 31 yards and had 5 intercepted. Each club lost two fumbles. Winters drew penalties for 10 yards and Ballinger took eight set-backs for 90 yards.

A large crowd watched the game, the stands being practically full.

SPORTS

The Brady Bulldogs will come to town tomorrow (Friday) night to furnish the opposition for the Bearcats. This game will attract one of the biggest crowds of the season here as each team has defeated the Winters Blizzards and appear to be fairly equal in strength.

The Bearcats, after a long series of injuries, had all men back in action last Friday night at Winters. Wayne Johnson returned to the line-up and

and played most of the game without suffering damage to his knee.

The Comanche Indians kept their record perfect last Friday night by defeating the DeLeon team in close contest by the score of 13 to 6. The Indians still have three conference games to play, with the Brady Winters and Lake View teams,

but are the heavy favorites to take all three and the district honors without a loss.

The Coleman and DeLeon elevens now appear to be the strong contenders for second place honors. The Coleman team is second in the district in scoring and chalked up four touchdowns against the Lake View Chiefs last Friday in winning

their first game of the season. DeLeon has a good offense and the best defense in the district. Holding the Indians to two touchdowns was a surprise for all district members.

Ballinger and Lake View juniors put on a circus for local fans last Thursday night at Bearcat Field when they played three games. In the first game, which started at 5:30 p. m., the Lake View eleven defeated the Ballinger crew by the score of 14 to 0.

The junior high B team won over the Lake View lads by the count of 27 to 0.

The Ballinger junior high boys went on a scoring spree in the final game of the evening to measure the Lake View tribe by the tab of 47 to 14. Jerry Candler, Delbert Wiley and Hugh Campbell were standouts on the offense for the Ballinger juniors and all players on the bench got to enter the fray.

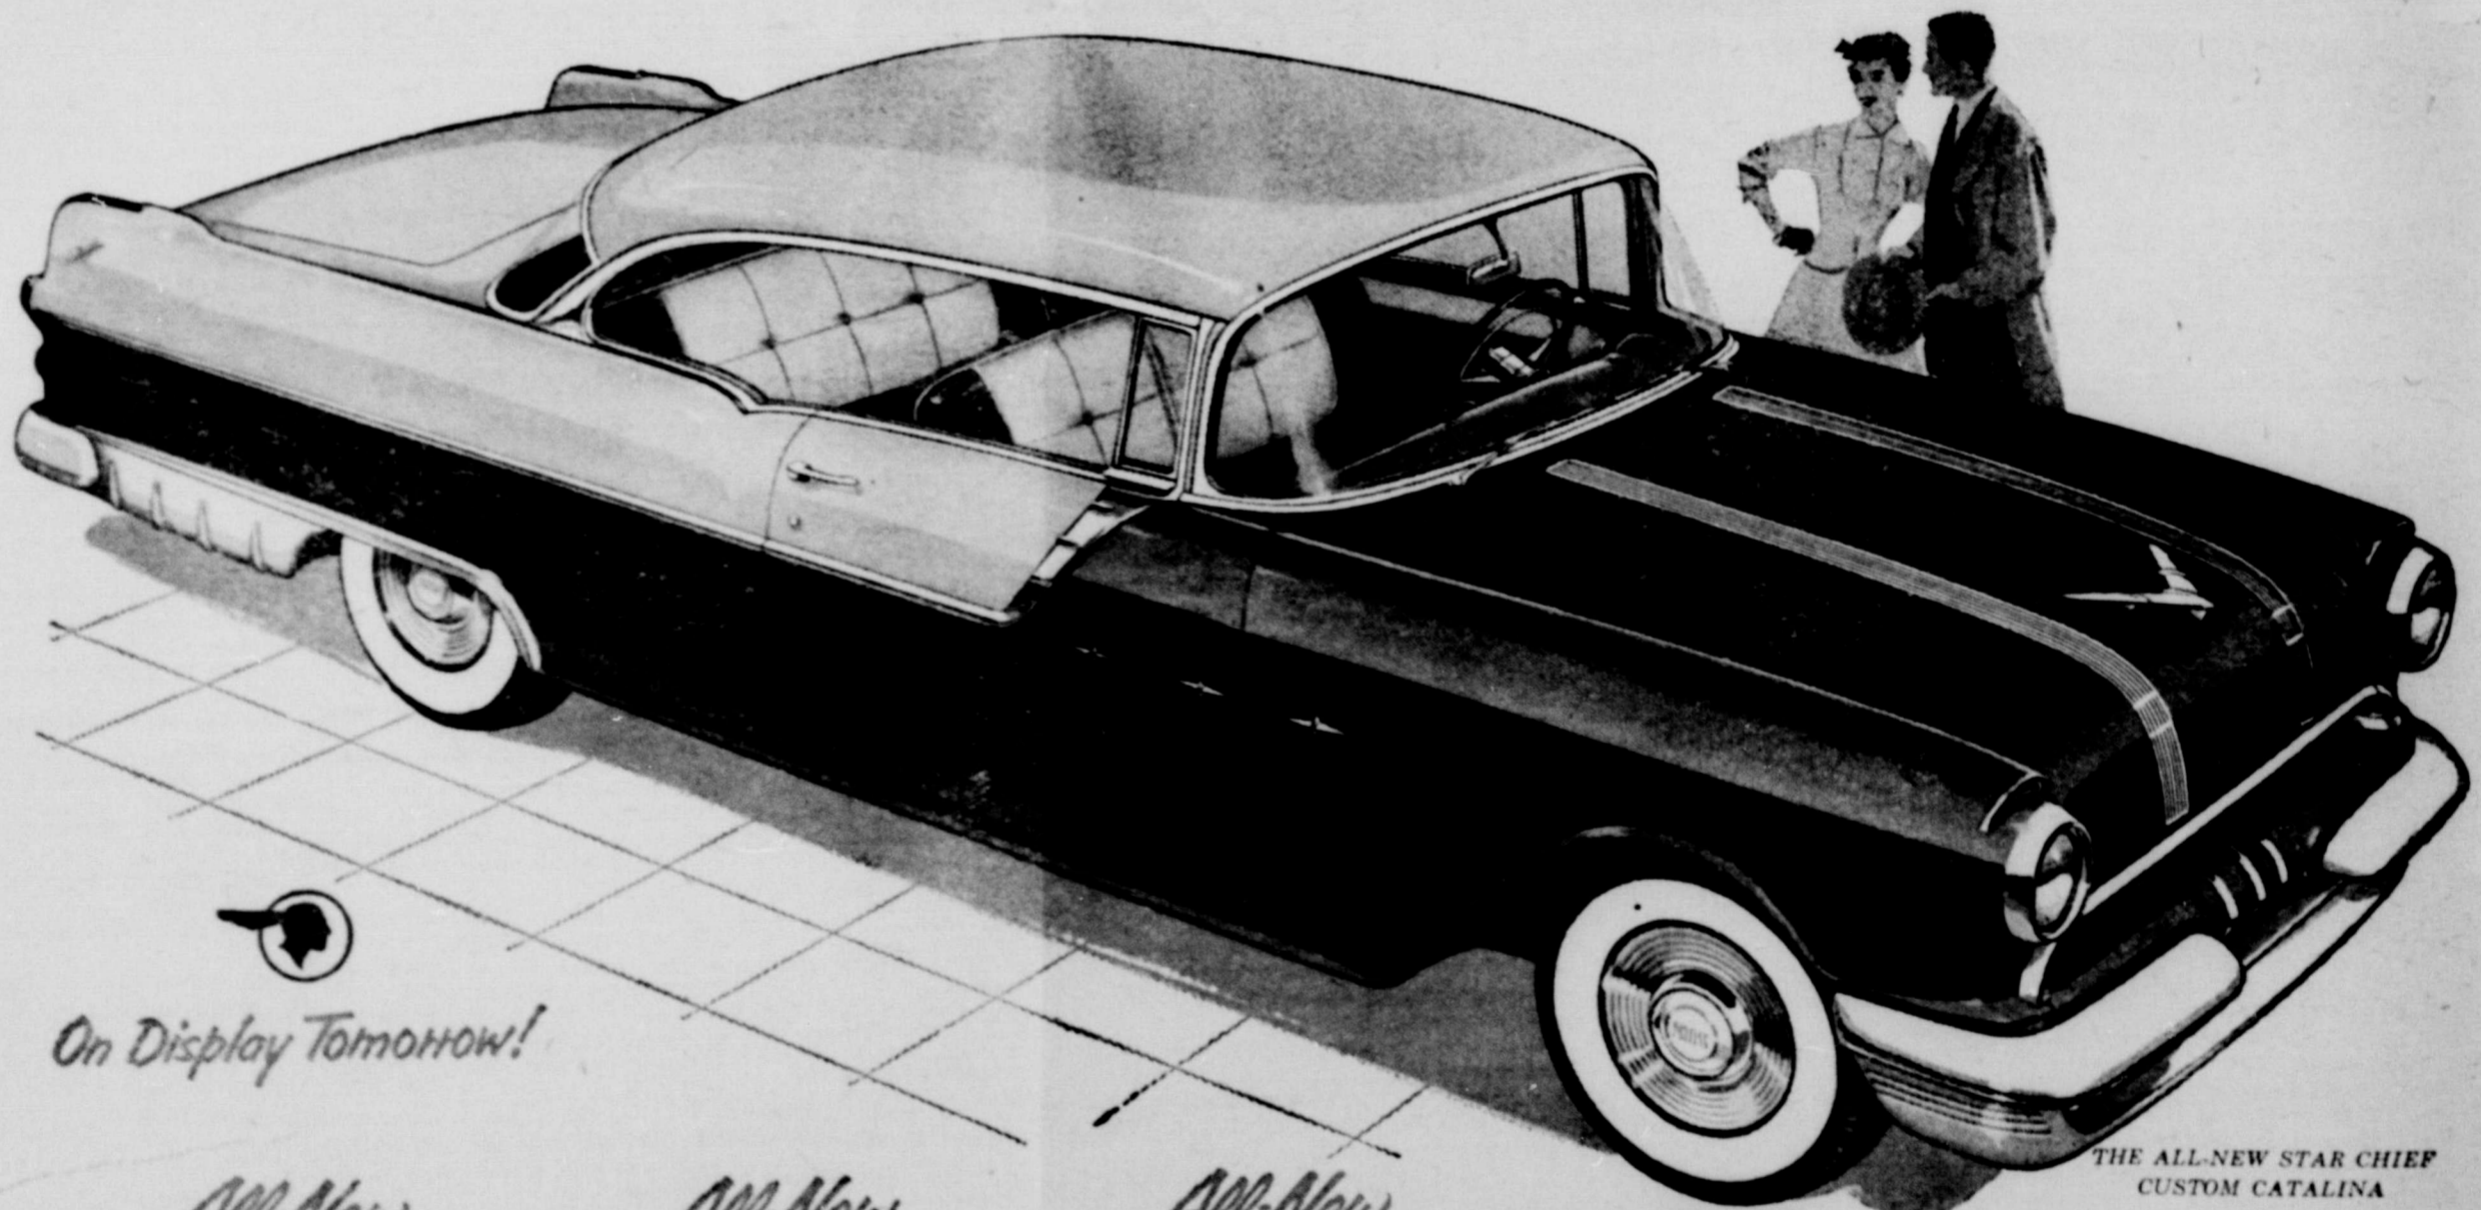

The junior teams will go to Coleman tonight to play teams there and Saturday night the Bearcat B team will engage the Coleman B team here.

One more out-of-town game remains on the Bearcat schedule this season. This will be with the Coleman Bluecats on Veterans' Day, November 11, and will be an afternoon tilt.

The DeLeon Bearcats will come to Ballinger for the final game of the year on November 19.

The Egyptian, 1st-Run, CinemaScope, to be Presented at Horseshoe 5 Days

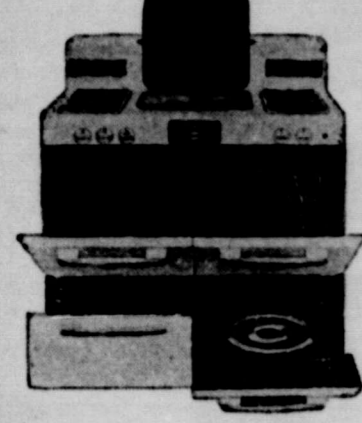

Darryl F. Zanuck's heralded multi-million dollar CinemaScope production, "The Egyptian," will have a first-run, five-day showing at the Horseshoe Drive-In Theatre starting today and continuing through Monday, November 1. The 20th Century-Fox picture, which brings to the screen for the first time the turbulent story of an Egyptian era 14 centuries before Christ and has no precedent in the annals of Hollywood film making, has a star-studded cast headed by Jean Simmons, Victor Mature, Gene Tierney, Bella Darvi, Michael Wilding, Peter Ustinov and Edmund Purdom, the new star discovery of "The Student Prince," as the central character.

"The Egyptian," a picturization of Mika Waltari's world-famous best-selling novel, called more than two years of

preparation before Zanuck was ready to undertake the colossal task of putting the story on film. Since no picture had ever before been made of the era,

the documentation for the creation of the settings and 5,000,000 objects had to be researched from scratch for the 42 studio departments involved in bringing this spectacular story to the screen. Literally thousands of household utensils used by the Egyptians 33 centuries ago had to be made, costumes were designed for every one of the more than 5,000 members of the cast and jewelry and special money were created to give an authentic picture of the life of Pharaoh Akhnaton's era in Egypt. Camera crews were sent to Egypt to film backgrounds in the lands of the Nile, and 67 different sets were built before a camera turned. Among the elaborate sets were those of the fabulous throne room of the pharaoh of the 18th dynasty, the temple of Aton, the Valley of the Kings, the Thebes waterfront and the luxurious quarters of Nefertiti, the Babylonian temptress.

In bringing "The Egyptian" to the screen Director Michael Curtiz used seven stars, twenty-four featured players including

Shakespeare Club Program "Texas Styles"

"Portraits of Fall" were framed at the Ballinger Shakespeare Club's style show last Thursday afternoon in the library. Models first walked down the aisle of the entertaining room, then posed fashionably in a large picture frame decorated with tinted autumn leaves. Trees decorated with birds in brown, red, gray and blue, and arrangements of autumn leaves completed the setting.

Mrs. Loyd Herring, president, gave greetings, and Mrs. Howard Bramley was commentator. Hostesses were Mrs. Joel Bates, Mrs. F. L. Wells and Mrs. J. O. Satterwhite.

Styles so dear to the heart of women now that the West Texas air is suggestive of fall were furnished by George's Ready-to-Wear. They were modeled by Mmes. J. B. Dankworth, Jack Moore, L. Hampton, Max McCrary, Jr., Grafton Brookshier and Orland Middleton. High school and co-ed fashions were modeled by Susan Herring, Margo Brunson and Sarah Chandler.

The trend of brighter colors in fabrics was prominent on woollens with a tweedy surface.

Red, gold, beige and russet are among colors used to accent darks. Browns and grays rank equally with the black.

Two-piece suits had matching top coats in the three-foot length, the new look this fall. The costume suit featured a light weight wool dress with a swagger type jacket. Flannel-type knit dresses with knitted jackets were assertedly the dress perfect for the college girl. Made of finest sheer wool in a window pane check were some of the costumes worn with velour hats and French berets harmonizing with ensembles. Large leather bags, suede bags and costume jewelry along with gloves complete the costumes.

For square dances and outdoor parties models wore artistically designed and brightly colored squaw dresses with strands of beads and bracelets of many colors.

Ballerina and waltz-length gowns of tulle, net and Chantilly lace are still in particular favor, but there's still a place in every wardrobe for a romantic floor-length gown. With these gowns in beautiful pastel tones, the models wore sparkling rhinestone and pearl chokers, drop earrings and

dangle bracelets. Whirling layers of nylon petticoats were worn with the waltz and ballerina-length gowns.

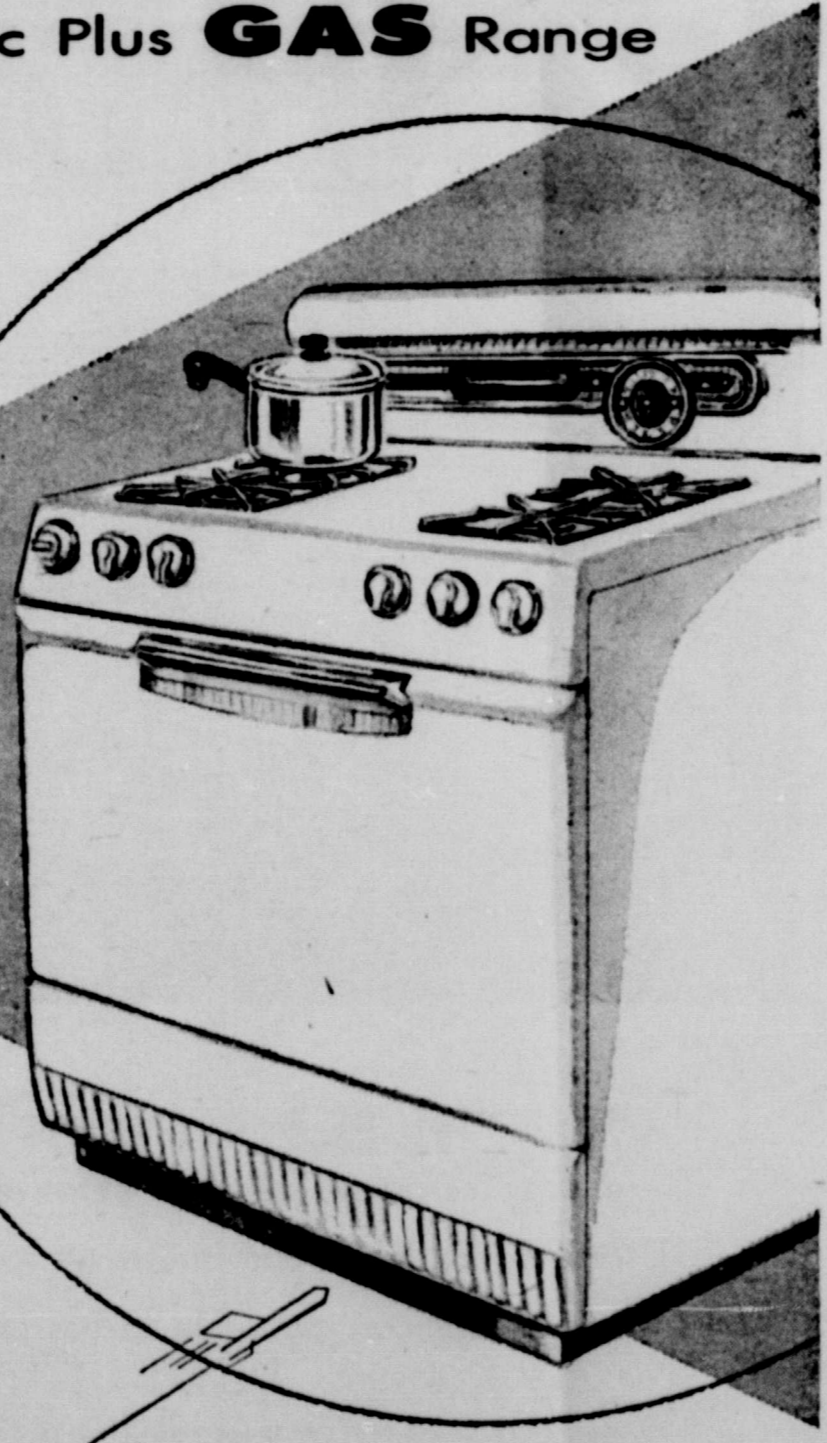

Bronze chrysanthemums, fall fruits and autumn leaves centered the lace-laid tea table where the social committee served punch and cookies.

Costumes were by: Ted Stein, Eisenberg, Arthur Weis, Fred A. Block, Rothmoor, Kornhande, Moordale, Crane Abrams, Carlye, Marion McCoy and Margorie Montgomery. Formals and cocktail dresses were by Emma Domb, Addie Master, Robert Jayson and Will Steinman. Clutch fur capes, muskrat stoles and squirrel neckpieces also were worn by models.

Good Records Needed

Recent changes in social security laws now make it necessary for many to have better and more complete financial records. More than 10 million individuals—of which farmers are the largest group—have been added to the rolls.

Sound financial management starts with good records. A Checking Account supplies facts and figures you will need when you compute your social security tax, income tax and other taxes. When you write a check to pay an obligation you also make a record, and thus accomplish two purposes at the same time.

Don't be handicapped and suffer loss because of the lack of good records. Our facilities have been greatly increased for satisfactory service in our new building.

DEATHS

Gerald D. Sloan
Gerald Dean Sloan, 24, died at the Ballinger Clinic-Hospital at midnight Saturday as the result of injuries received in a traffic accident Friday night. He had been in critical condition since he was taken to the hospital, and never revived.

Decedent was born at Nix, near Lampasas, on June 18, 1930, and moved to Ballinger with his parents in 1943. He graduated from the Ballinger school in 1948 and for some time had operated a milk truck in Ballinger for Gandy's Creamery.

Friday night he went to Winters to attend the football game and was returning to Ballinger when he failed to make the sharp curve on the highway at Hatchel. He was thrown from the car and his body caught on a guard post, inflicting internal injuries, two broken legs and concussion.

He was married to Marrene Ford in 1953 and had been a member of the Church of Christ since childhood.

Funeral services were held at 3:00 p. m. Monday at the First Baptist Church, W. J. Leach, minister of the Ninth Street Church of Christ, officiating. Burial followed in Evergreen Cemetery.

Survivors besides the wife include a two-months old daughter, Rene Arlene; his parents, C. W. Sloan, Amarillo; and Mrs. Nell Sloan, San Angelo; two brothers, Harold Sloan, Winters; James Sloan, Escondido, California; a sister, Mrs. Jo Helen Ferrell, Rogers; and the paternal grandparents, Mr. and Mrs. W. W. Sloan, Rogers.

WILLIAM DEAN SWIFT DIES AT HOME NEAR SAN ANGELO
William Dean Swift, 74, died at his home near San Angelo Saturday morning following brief illness. He had been residing in Tom Green county the past eight years.

Decedent was a member of a pioneer Runnels county family,

living at Runnels before the county site was moved to Ballinger. He spent practically all his life in ranching operations, working on the Thomson Brothers ranch near Eldorado 25 years and later operating a ranch near Crane.

Funeral services were held at 2:00 p. m. Monday at the Robert Massee Funeral Home chapel, Rev. Grady Peters, pastor of Trinity Methodist Church of San Angelo, officiating. Burial was in Lawnhaven Memorial Gardens, San Angelo.

Survivors besides the wife include a son, C. C. Swift, Crane; a daughter, Mrs. J. W. Copeland, Midland; three brothers, Seth Swift, Los Angeles; Ira Swift, Rising Star; C. H. Swift, San Angelo; four sisters, Mrs. R. A. Dickinson, Ballinger; Mrs. F. E. Thomas, Mrs. Ivan Sargent, Fort Worth; and Miss Ruby Swift, Arlington; 5 grandchildren and 4 great-grandchildren.

BILL FUNERAL HELD AT WINTERS SUNDAY
L. C. Hill, 77, retired farmer,

died at his home five miles north of Winters at 8:25 p. m. Friday. He had been in ill health fifteen years and seriously ill two weeks.

Born in Alabama, decedent came to West Texas in 1908 and for a number of years resided in Ballinger. He moved to his home north of Winters and operated a farm there until his health failed.

Funeral services were held at 2:30 p. m. Sunday at the First Methodist Church of Winters, Rev. W. Cecil Taylor officiating. Burial was in Northview Cemetery, Winters.

Survivors include two sons, Durward Hill, Pomona, California; Layton Hill, Winters; a daughter, Mrs. A. L. Douglas, Miles; a brother, Robert Hill, Merced, California; and four grandchildren.

FUNERAL FOR MILES MAN HELD SATURDAY
Funeral services for Carl E. Kincaid, 68, were held at 3:00 p. m. Saturday at the Miles Church of Christ, Bill Bryant officiating. Interment followed in the Miles cemetery.

A resident of the Miles community the past 32 years, decedent expired at 6:10 p. m. last Thursday from a gunshot wound in his left temple. A verdict of suicide was returned Friday.

Survivors besides the wife include two sons, Leon Kincaid, Robert Lee; Clebert Kincaid, Beaumont; a daughter, Mrs. John McCleery, Snyder; a sister and three brothers.

Scheduled air mail service was first established in the U. S. in 1918.

BALLINGER PRESBYTERIANS ATTEND FELLOWSHIP RALLY
Rev. and Mrs. A. O. Rue and a group of young people of the First Presbyterian Church, U. S. A., attended the Westminster fellowship rally at Santa Anna Saturday. The one-day program was concluded in the afternoon and Winters was selected as the next meeting place.

Rev. and Mrs. Rue returned to Santa Anna Monday to attend the funeral service for Rev. M. L. Womack, minister of the church there for a number of years before his retirement.

BALLINGER B TEAM'S GAME MOVED UP TO THIS EVENING
The Ballinger high school B team will play the Coleman B team tonight at 7:30 at the

Deer Creek Field. This game was originally scheduled Saturday night and is announced elsewhere in this paper for that time.

A change was made by the two schools' authorities Tuesday, the game being moved up two days to avoid a conflict.

LIGHT SHOWERS FALL IN RUNNELS COUNTY
Light showers fell the past several days in Runnels county as a cold front moved into the region. The precipitation was heavier in some places but the official gauge here registered only 32 of an inch for the three-day period.

Newspapers, in the form of daily gazettes, were known to the ancient Romans.

Motor Trend magazine shows Mercury is

LOWEST COST CAR IN ITS CLASS TO OWN

13-car test by leading automotive magazine covers all costs of owning and operating a car—shows Mercury has lowest cost per mile in its class!

What does it really cost to own and operate various 1954 cars? Motor Trend magazine decided to find out—in probably the most detailed study of true car cost ever made.

All the costs that go into car ownership were covered, including depreciation. Thirteen cars in all price classes were compared on a 10,000-mile test. As indicated—as Motor Trend points out—a car owner in the first year of ownership. The results as reported in the magazine are:

Mercury beat all cars tested in the lowest cost per mile—beat all cars in the class in the so-called "low-price" group.

And, remember, for all the advantages of the 161-hp overhead valve V-8 engine, the handling advantages of the over-engineered chassis in its field. And you get a "resale value" for resale value.

Best of all, you could get a "resale value" for resale value. We are now offering special financing plans that have ever made. Come see us today.

CUB SCOUT DEN MEETING HELD IN SHERMAN HOME

Members of den 6, Cub Scout troop, met in the Dause Sherman home on Ninth Street last Tuesday afternoon. Games were played before the meeting.

Ronnie Bradshaw, den chief, and Ronnie Johnson, assistant, drilled the boys in the salute, pledge and promise. "America" was sung and a salute was given to the flag. The boys then carved figures from soap. They were drilled on their parts for the pack meeting at the park.

Chess Wayne Neff was assisted by his mother, Mrs. S. J. Neff, in serving cold drinks and donuts to the following members: Jimmy Ray Biltrey, James Ross Campbell, Danny Gard, Johnny Hunter, Barry Jones, Curtis Patton, Dennis Sherman, Ronny Smith and Grant Lee. Assistant den mothers present were Mrs. Dan Gard and Mrs. John Bradshaw.

Ross Marchison, Jr., returned to Midland this week after a visit with his parents, Mr. and Mrs. A. R. Marchison, and other relatives. Mr. Marchison is employed in the Permian Basin oil laboratory at Midland.

Mrs. B. C. Kirk attended the Baylor University, Waco, homecoming activities the past week-end.

Ballinger F. H. A. Chapter Has Varied Activities

The Ballinger High School F. H. A. Chapter presented an installation service to the student body and visitors at assembly Wednesday morning

in the high school auditorium. The welcome was given by Jerry Prusser, which was followed by a talk, "It's Fun to Live, but What a Responsibility."

A table laid in white and decorated with red roses encircled with greenery, and eight white burning candles which represented the eight purposes of the club were used for the setting when the following officers were installed: Linda Darby, president; Jerry Prusser, first vice-president; Mary Ruth Watkins, second vice-president; Laverne Calvert, recording secretary; Marlene Witt, corresponding secretary; Darlene Herral, treasurer; Barbara Bradshaw, reporter; Betty Nix and Maudie Parker, historians; Mary Ann Buchanan, parliamentarian; Pat New, sergeant-at-arms; and Twila Foreman, song leader.

Other F. H. A. activities include: the following attended the Area 4, District 3, meeting at Comanche last Saturday; Roy Ann Lee, Linda Darby, Ruth Montgomery, Jerry Prusser and the voting delegate, Barbara Bradshaw. Sponsors accompanying the group were Mrs. Billy F. Brown, Mrs. Edwin Tickle and Mrs. H. J. Zappe.

Jerry Prusser was elected historian at the Area meeting.

Hallmark Family Has Dinner in Baker Home

Mr. and Mrs. I. N. Hallmark and daughter, Mildred, of Fort Worth, and Daniel Hallmark, who will leave soon for an Air Force assignment, were honored at a family dinner last Sunday in the home of Mr. and Mrs. S. E. Baker on the Paint Rock highway.

Daniel Hallmark, a graduate of the Ballinger High School and a star player on the Ballinger Bearcat football team, received his degree in Physical Education at Texas Christian University last June.

Other members of the Hallmark family attending the get-together were: Mr. and Mrs. Dudley Atwood, of Paint Rock; Mr. and Mrs. Clarence Hallmark and family, Mr. and Mrs. Herman Hallmark and family, Mr. and Mrs. Curtis Patton and daughter, and Miss Billie Hallmark, all of Ballinger.

Know Your Neighbors Meeting Held in Brevard Home

Mrs. Ray Butler was included as a guest when Mrs. Play Brevard entertained the Know Your Neighbors Club Wednesday afternoon.

The Brevard home on Seventh Street was decorated with fall pot plants where members did individual sewing. A salad plate was served with coffee. Those present were: Mmes. Herman Rountree, Bill Clark, A. H. Dallinger, Lee Roy McAulay, John Barton, Joe Flynt,

'Gone With the Wind,' at Hillcrest Solid Week, Elixir to Film Industry

David O. Selznick's production of "Gone With the Wind," one of the greatest motion pictures of all time, which will be presented at the Hillcrest Drive-In Theatre for one solid week commencing Saturday, October 30 and closing November 5, has gone down in history as the film which started a whole new trend in motion pictures.

Now a wide-screen production in Technicolor, its magnitude has never been equalled in artistry, brilliant performance or sheer bulk. In 1940 it won most of the academy awards. Directed by the late-Victor Fleming, the picture is an all-time boxoffice hit.

As to the bulk of statistics totalled up during its production, the magnitude exceeds even such present-day spectacles as "Knights of the Round Table," "Ivanhoe" or "Quo Vadis." For example, 3,000 sketches had to be approved before the art, wardrobe and costume heads could start to work, and once the cameras started shooting, approximately 449,512 feet of film were used before the picture ended. Seven Technicolor cameras were used just to film the first scenes in Atlanta, during Sherman's historic march to the sea. Finally, more than 100,000,000 people have seen the picture since its premiere at Atlanta on December 13, 1939.

'Gog,' Terror Picture, Halloween Special At Texas Theatre Saturday at Midnight

"Gog" is a science-fiction film, but with a difference. Its many wonders are not projected with a view to becoming actuality in some distant millennium, but within five, or, at most, ten years from today.

Filmed in Eastman color, this thriller is to be shown at the Texas Theatre Saturday midnight, October 30, only through United Artists release. Richard Egan, Constance Dowling and Herbert Marshall are co-starred, and supporting players include John Wengraf, Phillip Van Zandt, Valerie Vernon, Steve Roberts, Michael Fox, Marian Richman and Beverly Joher.

The central theme revolves around the attempts of a band of enemy agents to sabotage a U. S. government plan for the launching of the first platform in space, by murdering the top scientists engaged in bringing the project to reality. In the course of the unfolding of the plot, the point is strongly made that the first nation to establish a station in space will unquestionably be unchallenged from a military point of view. The sun's rays, directed from such a station by means of a giant mirror, could destroy a city like New York in a matter of minutes, and in fact, could reduce the entire earth to ashes in a matter of a single day.

Supporting players include Sean McClory, Marian Carr and John Bromfield.

A suspenseful, thrill-a-minute science-fiction drama involving foreign spies and an amazing mechanical giant is booked at the Texas today through Saturday in "Tobor the Great," No. 1 offering on the twin-bill. In top roles are Charles Drake, Karin Booth, Billy Chapin, Taylor Holmes, Steven Gera, Hal Baylor, Henry Kulky and Franz Roehn. Featured is Tobor, whose name spelled backwards is robot. This mechanical man is capable of reacting to human emotions, a fact which results in a novel and absorbing drama.

"Apache" in Technicolor, also to be shown at the Texas today through Saturday, tells the story of Massai, last of the great Apache warriors, who waged a fierce, unrelenting single-handed war against the whole U. S. army. Massai, an actual historical figure, is played by Burt Lancaster. Co-starred in the United Artists release is Jean Peters.

Marilyn Monroe, Betty Grable and Lauren Bacall head the all-star cast that 29th Century-Fox assembled for its hilarious hit in CinemaScope, "How to Succeed in Business Without Really Trying," to be shown at the Texas Tuesday and Wednesday, November 2, 3. David Wayne, Rory Calhoun, William Powell and Cameron Mitchell share starring honors with the three Hollywood lovelies. For the story background is New York's famous skyline, its fabulous harbor, the canyons of Wall Street and fashionable Sutton Place. These scenes capture the awe-inspiring spectacle of the big city as it has never before been shown on a motion picture screen.

'Ring of Fear' in CinemaScope, Color, Stars Clyde Beatty O'Brien, Spillane

"Ring of Fear," starring Clyde Beatty, Pat O'Brien and Mickey Spillane, opens at the Texas Theatre Saturday night at 7:00 and continues Sunday and Monday, October 31, November 1. In CinemaScope and WarnerColor, life under the big top is the background for the dramatic story of a fanatical killer who joins the Clyde Beatty Circus as ringmaster.

En tour a series of mysterious disasters befall the circus. The personable manner of the new ringmaster and a seemingly perfect alibi divert suspicion from him. It isn't until his desire for revenge against a former sweetheart brings him to the attention of Spillane he is trapped in what is reportedly a suspenseful and exciting climax.

Supporting players include Sean McClory, Marian Carr and John Bromfield.

WEST TEXAS NOTES

The "spooks" will be out Saturday night and youngsters will be ringing door bells for "trick or treat." In recent years not as much vandalism has been observed here as formerly. Part of the decrease in Halloween activities has been due to the senior carnival which keeps many of the boys and girls occupied until a late hour. It is usually the time of year when store windows get a good washing to remove soap put there by the masked crowds that visit the business district. The police are taking no chances and will have all available men on duty to try to prevent property damage or the moving of articles which would cause much inconvenience. To be on the safe side, garages should be locked and yard furniture stored for the night.

It is just about a month until Ballinger's Christmas program will officially open the shopping period here. A number of committees are working on special parade features and other details. This program is for the good of all local firms and for this reason the committeemen expect full cooperation of business men. Required is a special fund to take care of expenses. In the past approximately \$400 has been spent on the parade and for treating the kiddies to a visit to Santa Claus and a bag of candy. Then there are cash prizes for the best home and yard decorations and a number of programs to be presented in December require some outlay. The chamber of commerce is sponsoring these programs and asks the full assistance of all citizens.

The information and statistics division of the state highway department recently issued a booklet that reveals some of the vandalism and careless destruction on our highways. The department maintains about 250,000 signs for the guidance and information of tourists. Each year vandalism and thoughtless damage to these totals about \$200,000. Hunters seem to delight in trying their aim at these boards while others develop their "artistic" talents by changing and defacing signs. Many other signs are completely removed from the highways. It requires about \$11 to replace a highway sign and the loss from this one item would build many miles of farm-to-market roads. Vandalism and carelessness also extends to roadside parks where tons of trash must be removed by crews. The department is begging that all citizens help in taking care of our highways and the markings that are put there for the safety of travelers.

Jack Locklear, manager and starter of the Brady race track, reveals that about 40 horses are already entered in the races to be held there on November 11. These include quarter horses and thoroughbreds and a full program of interesting events will be arranged. A Cuero firm will make the photo finish pictures and all concession stands will be open. Other features are being added to the program which is expected to attract capacity attendance from West Texas.

The Stephenville Centennial and Fair program began Wednesday and will continue five days. Plans are being made to entertain 35,000 to 50,000 visitors at the five programs in which the main events of the past, present and future will be pictured. More than \$5,000 in cash prizes will be awarded. Committees have been working on this program about a year and many top-notch attractions have been booked. A parade, to be held daily, will officially open each program.

The Melvin Parent-Teacher Association will sponsor its annual Halloween carnival Saturday night. The affair will open with a dinner at the school lunch room after which the games, shows and concessions will be open to patrons. All school facilities have been turned over to the association for the big event. The gymnasium will house a number of shows and concession stands. The carnival will be climaxed with the crowning of the queen.

The Bronco city council has purchased a fire siren to replace one that has failed to work the last several times it was needed. It was stated that a short blast would be sounded on the new siren each day at noon. In this manner, citizens will be advised when it is noon and the siren will get a daily test to see that it is in working order. Petitions are being circulated which will request a bond issue election, the money to be used for paving.

Conecho county home demonstration club members toured the county on October 14, visiting a number of special demonstrations which had been completed.

The group met on the square at Eden and in ten cars, decorated in club colors, left for a number of visits which required a full day. Several home improvement demonstrations were inspected by the caravan along with two special landscaping projects. Miss Laura Tharp, county home demonstration agent, headed the group and every club in the county was represented.

The Coleman city council is studying a proposal to extend the corporate limits to the east, west and south. Field notes were being prepared by the county surveyor and a called session of the council will be held this week to consider the action. The growth of the town in three directions has created the need for the extension and serving the new divisions with utilities. The light plant, water and sewer systems are owned by the city.

The Menard Parent-Teacher Association has completed a membership drive, 287 members being signed up for the year. Mrs. Edwin Schuchard's room won the prize for securing the most members for this term.

Tuberculosis patch tests will be given all children under 15 years of age and X-ray pictures will be taken of all students 15 and over. The big money raising event of the year will be the parade and auction, to be held again on November 11.

All citizens of the Winters section are being urged to join the Winters Livestock Association.

This association recently sponsored the construction of a new feeding and show barn to be used by the 4-H clubs of the immediate area and the Winters F.F.A. chapter. Dues in the association are \$5 a year and much of this money will be used in presenting the area show in January. A campaign has been conducted but the membership offer is being extended to any others who want to join and help in this project.

Citizens of Novice attended an Open house Sunday afternoon at the new teacherage. Visitors were escorted through the building from 2:00 to 5:00 p. m. Supt. H. G. Adams and family have moved into the house, which is constructed of tile to match the high school. The teacherage vacated by the superintendent will be occupied by the high school principal and family.

Brownwood merchants will hold their first annual Halloween jubilee on Saturday, October 30. Cash prizes totalling \$490 have been provided and all children and young people of the vicinity are eligible to enter the events. A costume contest for various age groups will be one of the main features. Numerous awards will be made and the program will be concluded with street dancing for all ages. In addition to furnishing entertainment for all ages, the program is expected to curb vandalism and pranks in all parts of the city.

The Comanche county commissioners' court has given approval to two more proposed farm-to-market roads which are due to be constructed in 1955. One road will start at Comanche and extend 12 miles to the northwest into a thickly settled rural community. The other, when completed, will provide a hard surfaced road from Energy to Proctor, a distance of six and

Council of Church Women Slates Special Meeting Monday
A special meeting of the Ballinger Council of Church Women will be held at the First Christian Church Monday, November 1, at 3:00 p. m.

The council is sponsoring a project of assisting in forming a State Mental Hospital Association of Texas to aid and support this great group of the ill who are least able to help themselves. In assisting to make this crusade successful, the local council has solicited annual membership dues of \$3.00 per person.

As a culmination of the solicitation of members, the local council will hold a dedication service at which Mrs. A. B. Stobaugh will be in charge of the program and give the dedication.

Mrs. Leland Croft, of Odessa, a former resident of Ballinger,

represents the State Mental Hospital Development Association which originated from the committee to aid the mentally ill. This group was formerly sponsored by the Boosters Class of the First Christian Church of Odessa, of which Mrs. Croft is the teacher.

All women of the city are invited to attend this program.

Presbyterian Women to Hold Bake Sale
The Women of the First Presbyterian Church, U.S.A., will hold a bake sale and sell gift items next Saturday, October 30. The sale will be held at Bell's Grocery and Market, beginning at 9:00 a. m. All kinds of sweets will be for sale. The public is invited to attend.

Cub Pack Meeting Starts New Year

Ballinger Cub pack No. 30 met Tuesday night at city park for a watermelon feast, a business session and a program in which a number of members received awards for work accomplished. This program launches the new year in cubing with a good organization and a large number of boys in the various dens.

Cubbing in Ballinger is sponsored by the Ballinger Jaycees with Jack Fry as cubmaster and Mart Gorman as assistant. They have the full cooperation of O. K. Reynolds, Boy Scout executive, and a number of other workers.

Most important are the den mothers who direct the boys at their weekly meetings and in special training. In this group are Mmes. O. H. Chandler, Jack Nixon, Jr., Johnny Wright, John King, Mart Gorman, H. B. Edmondson, Bill Clark, D. Sherman and M. C. Broussard.

Committee chairman named to serve this year are: Roy Jacob, district training director; Clyde Simmons, training chairman; John King, program; Don Atkins, finance; Carl Fouts, publicity.

O. K. Reynolds detailed the general theme for training for the ensuing year.

Awards were made to the following boys: Den 9, Larry Ross, Tommy Sharp, Paul Hollis, Bill Clark, Butch Gunyon, Ronny Crockett; den 2, Mack Reynolds, Jackie Fry, Chauncey Mansell; den 1, Michael Fouts, Bobby Jennings, Hugh Edmondson, Glenn Dale, Mack Hartgrove, Shad Longnette.

The leaders stated that more den mothers are needed and anyone who will serve in this capacity is asked to contact the cubmaster and she will be assigned a den.

EAST SIDE HOME DEMONSTRATION CLUB

An all-day meeting of the East Side home demonstration club was held in the home of Mrs. Clarence Routh Tuesday.

Quitting was the diversion for the day, and after the quilt was completed a business session was held in the afternoon. Mrs. Harold Routh conducted the business routine and Mrs. Everett Witter gave the council report.

A covered dish luncheon was served at noon and pecan pie and coffee were late afternoon refreshments.

Boy Scout Troop 30 Winner in First Aid Contest for District

Boy Scout troop 30, sponsored by the Ballinger Rotary Club, took first honors in the annual first aid contest held by the Colorado River district at the American Legion hall Monday evening. The win gives this troop the right to represent the district in the Concho Valley council meet. The council contest will begin at 2:00 p. m. on November 6 at the First Presbyterian Church, U. S. A., San Angelo.

The district meet was directed by John Purifoy aided by Winifred Lee as chief judge and M. L. Forgy, B. B. Unsell and Bob Bartlett as team judges. Rev. Felix Keys served as the doctor, Cal Adair as timekeeper, Dick Ayers as scorekeeper and O. K. Reynolds as technical advisor.

In the contest were troop 30,

represented by Sim Ledford and H. M. Desser; troop 113, led by Oscar Whitfield and James Washington; troop 52, Bronte, led by O. L. Dorsey, Joe Rose and W. J. Hatchcock. Troop 52 was second and troop 113 was third.

In 1935 first aid plans call for competition in the early part of the year, the council meet being slated at Sonora in February.

CITY TAX PAYMENTS 20 PER CENT TO DATE

City officials report good tax payments for the first part of October, a check-up Tuesday revealing about 20 per cent of the total paid so far this month. Early payments have been about equal to those in previous years, according to Fred Underwood, city secretary.

One building permit was sought from the city commission this week. Cameron Roofing Co. asked for a \$5,850 permit to construct a residence on First Avenue between Eleventh and Twelfth streets.

Banks to Have Holiday Tuesday General Election Day

Ballinger banks will not be open for business next Tuesday, November 2, general election day. Patrons are asked to take

notice of this holiday and make necessary banking arrangements before closing time Monday.

LOCAL GIRL SCOUT HOUSE IMPROVEMENTS ABOUT MADE

The Ballinger Girl Scout club house is being improved and modernized and the work will be completed next week. A call for funds for this purpose was

made recently and enough money was received to partially make the improvements planned by the directors.

Improvements include a ceiling for the entire building, a new work center in the kitchen

area and lockers for the members. The club house will be more suitable for the general training program.

It is about 232 miles shorter from Chicago to New York by air than by automobile.
