

# THE BALLINGER LEDGER

BALLINGER, TEXAS, THURSDAY, MAY 21, 1959

NO. 2

## Chamber of Commerce OKs Stock Sale Here

The Ballinger Chamber of Commerce directors voted Tuesday morning to back the bill to move and consolidate and expand the Mercer Shoe Company.

At a meeting in the CO office, the directors decided to push the company's effort to sell 120,000 shares of common stock at \$1 a share.

Present company plans are to move all machinery from San Angelo and Bruce Field at Ballinger into the city of Ballinger where the moccasin shoe will be continued. The first \$15,000 raised in the share-selling project goes toward the production of a "penny-loafer" shoe. The machinery comes out of a Terrell plant.

The company has been in operation on a seasonal basis since 1953, and gross sales for 1958 have ranged near \$250,000 with about \$68,000 paid out in salaries.

Ballinger citizens purchased \$15,000 in notes to get the company to locate here in 1953. The note-holders may convert their notes to stock, or may get their money back on, or before the due date, an official said.

A "considerable" amount of funds, "running up into the thousands," were pledged at the meeting Tuesday on a volunteer basis. The chamber of commerce also accepted the industrial committee's suggestion that it be given the job of selling the \$15,000 in stock.

On the committee are Guy White, chairman, E. Y. Bailey, Gene Keel, Charles Hambrick, Dick Ayers, John Purifoy, and J. G. Tuckey.

The committee expects to make a quick report at the end of this week with enough sold shares to take advantage of a special purchase of equipment at Terrell.

Plans are being made to use the Sam Behringer Building at Hutchings and Ninth Street.

Comparative payrolls in the expanded company's operation would be about \$4,000 weekly, or \$200,000 annually. In 1954, the company's payroll was \$66,000, and in 1955 it was \$68,000. It hopes to employ at least 160 workers the year-round, while the past two years, the company operated on a seasonal basis and employed 183 people at one time or another during the year.

## Rotarians Told Ballinger Payroll About \$12 Million

Runnels County's non-agricultural payroll in 1955 was about \$12,000,000. L. W. Kellers of San Angelo told the Ballinger Rotary Club Tuesday.

Kellers, principal luncheon speaker, is manager of the Texas Employment Commission district office.

The \$12,000,000 figure does not include farm employees, or the value of farm products.

One of the county's largest industries is oil exploration and production, with an estimated \$225,000 annual payroll. Kellers said. The average monthly salary of oil industry workmen is \$380.

Kellers predicted that the next ten years will bring a 20 per cent increase in salaries, and "whether we like it or not, a 36-hour work week."

Atomic power will be developed as a source of energy for lights and factories in the not too distant future, he said. Soon, fresh water can be distilled from sea water, too. These advancements in science and industry will bring higher production, he forecast.

Kellers discounted what he said are some popular misconceptions about unemployment insurance which is administered by the TEC. It is not true, he said, that some people would rather draw unemployment insurance than work, because the maximum that can be drawn is \$28 per week, and that won't pay bills, Kellers declared.

Another misconception is that the insurance is easy to get, and still another is that it helps only those who draw it. Kellers said it also helps the economy of a community.

"Unemployment insurance can't prevent a depression, but it can avert a sudden collapse," he explained.

Kellers was introduced by E. E. King, program chairman. R. E. Ruble, Rotary president, presided.

### Story of Rescue By Wingate Boy Related By AF

Warrant Officer Burnie B. McRea, Wingate, a helicopter pilot at Thule Air Base, Greenland, was recently awarded the "Winged S" Air Rescue Emblem by the Sikorsky Corporation.

The award was made for a life-saving mission on November 8, 1955, with a Sikorsky Helicopter.

The beginning of the mission started November 7, when an SH-19 helicopter of the 55th Air Rescue Squadron crashed while returning to Thule Air Base from a training mission to the Coast Guard LORAN Station on nearby Cape Atholl.

The pilot escaped from the aircraft immediately after the crash but returned to pull the co-pilot from the wreckage when it began to burn. The crew chief was killed in the crash. Attempts to pull him out were useless. The survivors remained with the aircraft and waited for rescue operations, having been unable to radio the base.

Rescue operations began about 6:30 p. m. after determination was made that the aircraft had not remained at Cape Atholl. Attempts to reach the area by rescue aircraft were frustrated by darkness, high winds and blowing snow. Search parties in weasels were also sent out.

Next morning, nine miles west of Thule, the wreckage was sighted in twilight at 9:40 a. m. by a 55th Air Rescue Squadron SA-16 Albatross. The wreckage was on a small shelf where the mountains drop sharply into the sea.

The SH-19 helicopter of the Transportation Arctic group was alerted by the SA-16. The helicopter, piloted by Captain S. J. St. Aubin and co-piloted by W. O. Burnie B. McRea, picked up the two survivors; returned them to the base, and transferred them to the Base Hospital.

## Jaycees Appoint Committee Heads For Ensuing Year

The Ballinger Jaycees met Monday night at the Acapulco Cafe for the first regular meeting since the installation of new officers.

A discussion was held in regard to buying and bringing to Ballinger a number of kiddy rides which included a train, and other rides. After the discussion it was decided to take no action on the project at the time due to the need of money in the club funds. Members stated that the matter might be considered at a later date.

President Bob Dickinson named standing committee chairmen to work for the next twelve months. These included: Youth activities—Tom Epting; Agriculture—Clarence Wiedenfend.

Sports—Gene Keel; Publicity—Carl Fouts; Religious and Christmas activities—Felix Keys and W. H. Ringhardt.

Aviation and disaster preparedness—Toby Paylor; Safety—Marion Goetcher and Don Stevens.

International relations—Gilbert Armendariz; Americanism—Ebb Grindstaff; Awards—Bob McGarvey; Trade promotion—Dale Privitt.

Public relations—Lanham Flynn; Membership—Buddy Gray; Profit making—Dale Privitt; Civic Improvement—David Batts.

Fire Prevention—Frank Jackson; Programs—Clayton Jay.

**LYNN WILL ATTEND GENERAL ASSEMBLY**  
Estes M. Lynn left Tuesday to attend the General Assembly of the Presbyterian Church, U. S. at Montreat, North Carolina. He will attend as a commissioner from this presbytery. Mr. Lynn will meet relatives at Montreat for a visit during the session and later will visit points in Tennessee enroute home.

## Court Hears Second Road Petition Today

The County Commissioner's Court will meet this morning on the second of two petitions calling for a \$400,000 road election for Road District No. 3 in Runnels County.

The court rejected the first petition Tuesday on the grounds that a 3 per cent limit on interest rates would hinder—and perhaps destroy—opportunities to sell the bonds should they be approved by landowners in the district. Several residents in the district were present at the public hearing.

Petition No. 2 will be brought before the court at 10 a. m. in the county courthouse. If the crowd demands it, the hearing will be moved from the commissioner's courtroom to the district courtroom.

The new petition sets an interest rate limit of 4 per cent. Otherwise, it is the same as the first petition. Both were drawn in such a manner that voters could reject one or both of two issues. The first calls for bonds totaling \$300,000 for the purchase of right-of-way on U. S. Highway 67 from the Coleman-Runnels County line to the Tom Green-Runnels County line, and for a bridge across the Colorado River at Ballinger. The second requests \$100,000 in bonds for the purchase of right-of-way for Highway 83 from Ballinger to Hatchel, and the 66 acre needed for a traffic circle in north Ballinger.

The bond issue is holding up over \$3 1/2 million in Texas Highway Department construction on Runnels County roads. Five major projects are involved.

## 8 Ballinger Lions Attend State Meet

Lions Club President Price Middleton Friday appointed eight members of the Ballinger club as delegates to the annual Lions Club Convention.

The convention this year will be held in Brownsville May 31, June 1, and June 2. The Ballinger delegation left Wednesday and is not expected back until Sunday night.

Ballinger's delegation will attend the convention as an un-instructed delegation, but are bound by the unit rule. Several district office and a 1957 convention site are on the agenda.

Appointed delegates are Middleton, Roy Jacob, W. H. Rampy, Jack Moore, Don Atkins, John Purifoy, Carl Adair, and R. D. Travis. Alternates are Guy White, George Newby, T. A. (Buster) Parrish, and Frank Partridge. County Judge Rampy announced he could not attend the convention. Guy White will take his place.

## Barbecue Date Set by Bureau

The Runnels County Farm Bureau has set the day for its annual barbecue at the directors' meeting May 17.

Besides the free barbecue, the bureau will elect its queen. Marion Hays, president, was in charge of the meeting in which A. T. Halfmann was selected chairman of the barbecue committee.

The barbecue is set for the Ballinger City Park Thursday evening, August 17.

President Hays said the district meeting would be held in Brownwood May 23. Several local leaders will attend. Immediately afterwards, the bureau directors voted to pay 7 cents a mile and \$1 per meal to bureau members attending out-of-town meetings.

Directors present were Halfmann, Hays, I. W. Conway, Arnold Fuchs, Floyd Frelch, M. R. Smith, Alfonso Jansa, and C. J. Robinson. Guests were C. T. Parker, Jr., county agent; J. F. Droll, service agent, and Neil Phelps, secretary; Mrs. Halfmann and Mrs. Conway.

## Business Good At Sheriff's Office

The Runnels County Sheriff's office handled several cases during the week involving hot-checking, aggravated assault, transporting of beer in a dry territory, and driving while intoxicated.

Clem Campbell, 34, Coleman, was given a two-year suspended sentence after being tried on a grand jury indictment of DWI, second offense.

A Coleman Negro, Tommy Nickoies, is being held on a \$500 bond on a charge of transporting beer in Concho County.

Five Winters juveniles were probated to their parents by County Judge Rampy following their arrests last week on a charge of theft. The youths took five gallons of gasoline and several quarts of oil from a Winters filling station.

Isiah Dabney, Ballinger, was fined \$25 and court costs, a total of \$52.80, after a trial on a charge of aggravated assault. Homer B. Pont, Jr., Brownwood, was given three days in the Runnels County jail and a total fine and court costs of \$77.50 on a charge of driving while intoxicated.

An official of the sheriff's office was to go to Big Lake Tuesday to return George Lancaster, formerly of Ballinger who now lives in Big Lake, to the county where he is charged with checking and the removal of mortgaged property. He was arrested on a Runnels County warrant.

## City Pool Closed For Repair Work

The City Swimming Pool had a successful, but short, opening Saturday.

The pool will be closed for some time while workmen repair damages caused by two heavy floods in April and May. When the pool was filled Friday night, it was found it leaked about two feet of water over a 12 hour period. Further investigations proved a vast wash-out under the pool.

Workers were busy Wednesday breaking away concrete walks around the east side in preparation of filling the gap with concrete. The city has purchased about 200 bags of concrete for the work. It hopes to employ an oil-field concrete pressure truck to force the liquid concrete into the gap.

Cost of the operation has been estimated by Mayor Bill Moore at \$1,000, which includes labor, cement, and cost of the oil field service truck.

The truck is to shoot the cement early Thursday morning. Mayor Moore said the pool would be ready to go again when it came time to open Saturday.

The pool has suffered extremes. Two years ago and again in May, the pool was flooded. Three feet of water over its normal capacity caused the pool floor to sink some. Then the loss of a sandy base permitted the floor to fall further. Drought in between floods didn't help, he added.

Mayor Moore said that the source of the washout is being sought, so that corrective measures can be made to prevent further damage.

Dick Richey, manager of the pool this summer, said the pool had a full house Saturday. Opening day ceremonies were handled by the Ballinger Lions Club with Mayor Bill Moore officially opening the doors.

Swimmers dived for \$25 in change thrown into the pool by Lions Club members.

**NO PENALTY WHEAT FOUND IN COUNTY**  
There is no known penalty wheat in Runnels County, according to the ASC office which has completed wheat acreage measurements. Measurements were completed this week.

## Diplomas to 67 Local Seniors Monday Night

A total of sixty-seven seniors of the Ballinger High School received diplomas and special awards at graduation exercises held Monday night at the high school auditorium. This was the final program for high school students for the year.

J. C. Chapman was at the piano for the procession and special musical numbers were furnished by the high school chorus.

John Duke, valedictorian, presented that address and George McAulay gave the salutatory.

Supt. Ernest Caskey presided over the program and presented Dr. R. M. Cavness, president of San Angelo College, who brought the commencement address.

Patricia Davis, daughter of Mr. and Mrs. Allen Davis, was the high ranking girl of the 1956 class. High students in the junior class were Denny Hill, high boy and Martha Northington, high girl. Sophomore class, Eddie Howell, high boy and La-Nell Holbrook, high girl. Freshman class, Leslie Whiteley, high boy and Louise Jones, high girl.

Duke was presented a cup by Supt. Caskey for outstanding achievement during his school years. Patricia Davis was awarded a scholarship which can be used in any state school in Texas. This award was made by the Council of Churches. Seven students on the honor roll for each six-weeks of the school year were presented pins by the student council. They were Duke, Joe Petty, Hill, Martha Northington, Jimmy Stubbsfield, La-Nell Holbrook and Howell.

Special "B" awards were presented to Duke and Petty, presidents of the National Honor Society, Della Tisdale, editor of *Paw Prints*; Patricia Davis, editor of *Cat Tracks*; Jimmy Hamner, state tennis finalist; Ronnie Maedgen, Charles Holroy, Wesley Stokes and Rodney Flanagan, state finalists in track.

Barbara Reynolds was presented a "best citizen" award by the Daughters of the American Republic.

Jimmy Hamner received the Rotary award as an outstanding senior.

The Danforth Foundation awards went to Jimmy Hamner and Patricia Davis.

Seniors averaging 90 or above for the entire school year were: John Duke, George McAulay, Joe Petty, Patricia Davis, Barton Underwood, Grider Hays, Glenda Beddo, Mary Ann Buchanan, Jimmy Harris, Mary Ruth Watkins, Jimmy Hamner, Linda Darby, Sharon Hampton, Gwen Laxton, Juanita Winchester, Ruby Rose, John McClelland, Myrtle Workman, Jo Ann Conway, Mary Mauldin, and Wayne Irbly.

In the selection of the student to receive the Rotary Club award, 6 boys and 6 girls were selected on a secret ballot by the students and one was selected from the group by the faculty on a secret ballot to receive the award. R. E. Ruble, president of the Rotary Club, made the \$25 cash award to Hamner.

**BACCALAUREATE**  
The First Methodist Church was filled to overflowing Sunday night when the 1956 senior class of the Ballinger High School held their first program of commencement.

Extra seats were placed in the church, the foyer was seated and loud speakers were used to take care of those who could not get into the sanctuary.

Mrs. Bob Bartlett was at the organ for the prelude, postlude and accompaniments. J. C. Chapman, high school music teacher, directed the high school choir and led the congregational songs. Special music was rendered by the high school girls' sextet.

Supt. Ernest Caskey was in charge of the service and made announcements regarding other programs for commencement. A group of 68 seniors took part in the first program and the exact number to receive diplomas was not determined until Monday afternoon.

Rev. Wayne Reynolds, pastor of the First Methodist Church, brought the sermon on the subject "The Great Questions." The speaker divided this into three sections, Action, Thought and Character. He listed men in the past who excelled in each division and then reminded his audience that only one had been represented in each group.

## Three Completions Heads Oil Reports

Runnels County had three completions, two new locations sited, and two wells were plugged this week.

A fifth pay, the Home Creek, has been opened in the Norton, North multipay field, with the completion of the Karl Hoblitzelle & R. R. Perkins of Dallas No. 1-A E. F. Bryan, in 599 W. H. Smith Survey, 4 1/2 miles northeast of Norton.

A daily flowing potential of 49.24 barrels of 46.8 gravity oil, plus 20 per cent water, was gauged. Production was through a 1/2-inch choke with perforations between 3,454-58 feet on a total depth of 4,510 feet. Top of pay was picked at 3,449 feet on elevation of 1,868 feet.

Other field pays are the Gardner lime, Palo Pinto, Jennings lime, and Fry sand.

The Humble Oil and Refining Co. No. 2 W. H. Dierschke, a mile northeast of Rowena, has been gauged at 459.69 barrels of 45.9 gravity oil, flowing through a 1/4-inch choke. Perforations were at 3,710-20 feet, and the total depth was 4,000 feet.

The Dierschke well is the Rowena (Capps Lime) field, Peter Zebel Survey 131.

The Fennell field has gained a west extension with dual completion of W. W. West No. 5 L. B. Fennell, 4 1/2 miles west

## Probable Tornado Shelters Explained

That was the Lord, Jesus Christ. His text was "What Think Ye of the Christ, Whose Son is He?" He pictured Jesus in action, thought and character and what He has done for the world and mankind.

At the close of the service all those attending were served refreshments in the fellowship hall of the church.

**CITY TAX BOARD MEETS JUNE 11-13**  
A three-man committee, appointed by the Ballinger City Commission, will sit as a board of tax equalization June 11-13 to examine renditions on new and improved properties in the city.

The committee is composed of E. B. Clampett, R. E. Bruce, and Guy Taylor.

The board will meet in the city hall each of the three days at 9 a. m.

Owners of new or improved city properties do not have to appear at the hearing. Each will receive notice of the tax appraisal. They will also have an opportunity to appeal the appraisal at a later date.

Foy Farmer, city secretary, said property owners—other than those with new or improved property this year—will be notified of a hearing in about two weeks when they may file complaints. This is in case their opinion differs from that of the person who made the rendition.

**2 BALLINGER DELEGATES ATTEND CONVENTION**  
Mr. and Mrs. R. E. Ruble and Mr. and Mrs. E. E. King will attend the annual Rotary International convention at Philadelphia, Pennsylvania next week.

Ruble is president of the Ballinger Rotary Club.

The convention will be held June 3-7.

Mr. and Mrs. King left Wednesday by automobile for Philadelphia. They will return about June 15.

Mr. and Mrs. Ruble will leave Friday to board a Rotary special train at Dallas.

After the convention, they will join other Rotarians on a cruise to Bermuda aboard the Queen of Bermuda. They will sail June 9 and return to New York June 15.

From there the Kings will go to Chicago to attend the furniture market shows opening June 18. They expect to return home about June 21 or 22.

Mr. and Mrs. E. B. Jacob and their son, Kenneth, from San Antonio, are visiting this week end in the home of their parents, Mr. and Mrs. O. K. Jacob. They will also visit with other friends and relatives here.

Mr. Jacob works for the Borden Co. in San Antonio.

## Three Completions Heads Oil Reports

Winters. Completion was for a daily flowing potential of 57.15 barrels of 41.2 gravity oil, no water. Production was through a 12-64-inch choke and perforations between 2,682-700 feet with casing set at a total depth of 4,806 feet.

This well was completed earlier as a Goen discovery through perforations between 4,065-4,414.5 feet.

A stepout and a wildcat was filed. The stepout is to the No. 1 J. W. Lindsey two miles northeast of Wingate. The Guit Oil Corp. has filed application to drill the location southeast of production in the Sanford field (Fry). It will be drilled to 4,000 feet with rotary. Ada Oil Co., Abilene, has filed application to drill a 4,700-foot rotary wildcat four miles east of Winters as the No. 1 Lena Spill. The prospector is 1/2 mile west of Sojourner No. 1 Harris, a 4,560-foot wildcat failure, plugged in 1952.

Two wildcats were plugged this week. One is the No. 1 W. L. Burton wildcat six miles north of Ballinger. Driller was J. C. Dozier of Wichita, Kansas. The second was the No. 1 Alfred H. Herring, 4 1/2 miles north of Talpa. Driller was Haynes B. Ownby Drilling Co. et al, of Dallas. The well was abandoned at 3,965 feet.

Where would you go in case of a tornado warning in Runnels County?

Since this occurred in a neighboring county very close to home, the assumption that a tornado could reach here is not unlikely. Just where would you go to take shelter.

Price Middleton, disaster chairman of the American Red Cross, lists the places in order as: (1) a cellar, if you or your neighbor has one, (2) a school, courthouse, postoffice, fire station, or any brick or stone building if caught nearby, (3) just stay in your house if none of the first two are available, (4) or, if caught in the open, find a depression or low place which will place you even with or below the surface of the ground.

"The fewer people we have on the streets the better it is," he said. "The best thing to do is stay calm and use your head," Middleton emphasized.

Some people panic and get in their cars and just drive, hoping to drive away from the storm. This is an error. For all they know, they could be driving to meet the storm, and a car is very vulnerable.

If caught in your home, can you do to protect yourself? Middleton pointed out the all windows and doors should be opened to let the air through. It is a mistake, he said, to close a house in preparation for tornado winds. The vacuum caused by the closed windows and doors and the wind pressure will crush the building.

"A church, school, courthouse or postoffice is a fairly safe place from the type tornadoes we have in this country," he said.

He warns people away from the railway drainage ditch on the north side of town. Middleton explained that rain either precedes or follows a tornado; and, in case of rain, the ditch will fill up quickly.

Postmaster K. V. Northington said the basement of the postoffice would shelter approximately 300 people. They would be welcomed in the building in case of tornado, he said. Both the custodian and the postmaster have keys to the building basement, and will open it at night when the official signal to take cover is sounded.

And, speaking of signals, Ballinger has none. Middleton said citizens would have to keep their radio and TV sets on and keep in touch with storm warnings.

"The county is on the edge of the Red Cross' danger area for tornadoes. The center is on the Texas-Oklahoma line. May and June are the months in which the majority of tornadoes occur."

Mr. and Mrs. Bill B. Shultz and children are spending the week visiting in Dallas and Garland.

Think of this  
next time you're in heavy traffic -  
**No other transmission is so smooth as Dynaflo\***

You know how it is. Anyone who drives a car must sometimes drive in crawling, slow-moving traffic where it's stop-and-go or spurt-and-slow. And if you're used to a car that handles such traffic with a continuous series of upshifts and downshifts—even automatically—then maybe you think that's the best you can have. But it isn't. You can have Dynaflo smoothness in a new Buick—and you won't believe the difference until you try stop-and-go traffic. For here you have absolute smoothness when you accelerate. Here you have absolute smoothness when you decelerate.

Here you have absolute smoothness under every road condition and traffic pace—with no lags or bumps to mark upshifts and downshifts—because no gears ever shift in Dynaflo. It's the only transmission on the American scene today where flowing oil does the work of gears every step of the way—and where smoothness is constant, absolute and infinite. So maybe you ought to sample a new Buick with Variable Pitch Dynaflo—and try the new thrills that go with this smoothness—The flash-fast new getaway response—and new stepped-up gas mileage—when you press the pedal barely an inch—The instant new full-power acceleration

when you floor the pedal and switch the pitch for a needed safety-surge— The walloping new might of the big new 322-cubic-inch V8 engine that puts the ginger to it all— And the new ride, the new handling ease, the new interiors, the new bold look of racy sweep-ahead styling. Drop in on us this week—today if you can—and see for yourself what straightforward truth we tell you here—and what great-buy prices are keeping Buick more firmly than ever in the top 3 of America's best sellers.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

### Warren Flippin In Revival Here

Plainview, May 31, Warren Henry Flippin, Eden, received

the B. A. degree from Wayland College May 21.

On the surface that is not unusual; but when one knows this was accomplished in 39 months by a man who had completed only two years of high school work, then it is unusual.

Add to those facts his final semester's record carried all "A's", his accomplishment is more noteworthy. Flippin entered Wayland College in January, 1953, after he surrendered to the Baptist ministry in his home church in Eden. He

brought his wife and two children, as well as his mother, Mrs. M. E. Flippin, with him. During these years he has been employed by the Plainview Hospital, as has Mrs. Flippin. Since last fall he has driven one of the Plainview Public School's buses, and two months ago he became pastor of Seventh Street Baptist Mission in Ballinger, going there on week-ends.

As a Wayland College student, Flippin has served as president of the Ministerial Alliance and as a member of the Baptist Student Union Council. He is a member of Circle K, men's service club sponsored by the local Kiwanis Club, and of the Science Club. For his student leadership, Flippin was chosen one of 10 "Spinning Wheels" and is featured in the personally section of the college year-book. He has rated the Dean's Honor List in previous semesters.

The Flippins are moving to Ballinger at the end of May.

### Rev. G. K. Rogers New Pastor Here For Local Church

Rev. and Mrs. G. K. Rogers have moved to Ballinger and he will be the new pastor for the First Presbyterian Church, U. S. A. Rev. Rogers preached at the local church last Sunday and will begin his regular work on June 1. They are moving into the manse on Eighth Street this week and will have regular services morning and evening next Sunday.

For the past 14 years Rev. Rogers has been pastor of the church at Plainview. For 17 years before that he was pastor of a church at Houston.

He attended the University of Arkansas for two years and graduated from the College of the Ozarks at Clarksville, Arkansas. He did graduate work at the Erskine Seminary at Due West, South Carolina and also at Lane Seminary in Cincinnati, Ohio.

Mr. and Mrs. Rogers have one son, Dr. John S. Rogers, head of the Hybrid Corn division at A&M College. They make their home at College Station.

The Ballinger church has been without a pastor for several months since Rev. A. O. Rue

### SECOND ANNUAL YOUTH MEET SET

New officers for the Central Texas Methodist Youth Fellowship will be named when that organization holds its second annual meeting in connection with the Central Texas Annual Conference June 6-10 in Fort Worth.

Youth activities will be featured on Saturday, June 9.

RESIGNS TO CAMPAIGN—Supreme Court Justice Will Wilson, 44, has resigned his post effective June 1 to make the race for Attorney General of Texas. He was assistant attorney general twice before being elected by a heavy majority as supreme court justice in 1950.

Business sessions for the youth will be held at Polytechnic Methodist church with registration beginning at 8:30 a. m. Johnny Taylor of Winters conference youth and second vice president, will lead the opening "sing-song" and will present the Methodist Youth Fund.

Foy Watson was in Abilene recently where he began training with the National Life and Accident Insurance Co. He succeeds G. L. Richards as representative here. Mr. Richards has been named superintendent and moved to Temple.

**Mr. and Mrs. Estes M. Lynn Have New Granddaughters**

Mrs. Estes M. Lynn of Ballinger is in Long Beach, California, where she is a guest of her son and daughter-in-law, Dr. and Mrs. Jack Lynn, and children, Robert Harvey, and Deborah Ann.

Deborah Ann arrived May 12 at Long Beach.

Mr. Lynn received word Monday that another granddaughter arrived Monday morning at 2:30 o'clock. The baby is the daughter of Mr. and Mrs. Bill Sykes of Fort Sumner, New Mexico. The baby, named Allison, weighed 6 pounds 10 ounces. Her paternal grandmother is Mrs. O. C. Sykes of Ballinger.

Mrs. Sykes is visiting her son and daughter-in-law. Mrs. Lynn will leave Long Beach Sunday, and stop off in Fort Sumner for a visit with Mr. and Mrs. Sykes and their children, Tom, Ted and Allison.

**Virginia Douglass Class Host To Group**

Following the baccalaureate service held in the First Methodist Church Sunday evening, members of Virginia Douglass class were hosts to the entire group of seniors, their parents, and their relatives and friends who attended the service.

The courtesy was shown in the Fellowship Hall. The refreshment table was laid with lace and centered with daisies. Mmes. Wayne Reynolds, Herman Rountree, Guy White and W. O. Irby presided at the punch service. Others assisting were Mmes. George Newby, Tom Agnew, Price Middleton, and Miss Ann Midgley. More than 350 friends attended the after service affair.

**Open Installation of O. E. S. Officers Saturday**

An open installation for new officers of Ballinger Chapter No. 286, Order of Eastern Star, will be held next Saturday, June 2, at 8:00 p. m. in the Masonic Hall.

Mr. and Mrs. Henry Moody will be installed worthy patron and worthy matron; Mrs. Ruby Russell, associate matron; Charles M. Franklin, associate patron; Mrs. Faye Clark, secretary; Miss Anna Belle Hash, treasurer; Mrs. Clada Broussard, conductress; Mrs. Faye Wilson, associate conductress.

**Mrs. Selby Gives Book Review For Fireman's Auxiliary**

Mrs. W. N. Selby reviewed the book, "Wrap It as a Gift," at the regular meeting of the Ballinger Firemen's Auxiliary which was held last Thursday night at the City Hall.

Mrs. Morris Stokes, president, was in charge of the business. Members discussed installing some kitchen equipment, including a kitchen cabinet for storing china and other necessities, in the fireman's truck department at the City Hall. Members will complete scrapbooks which are in the making, and these will be given to veteran hospitals when completed at the June meeting. Announcement of the State Firemen's convention was made, and a number of firemen and auxiliary members will attend it. The following auxiliary mem-

bers served refreshments to the Ballinger firemen who were also holding their regular meeting: Mmes. Lynn Candler, Chester Cherry, Curtis Dixon, L. F. Jackson, Tom McEntire, D. G. Posey, Jack Ross, Selby, Stokes, B. B. Unsell, and a new member, Mrs. Felix Keys.

**Birth Party For Charles Simpson**

Mr. and Mrs. Chester Simpson honored their son, Charles, with a wiener roast Monday night at the City Park, on his eighth birthday. Those present were members of the Heidenheimer's little league baseball team, Mrs. Vera Simpson and Mr. and Mrs. Dude Smith and Patti.

**Birth Party For Gary Jacob**

Mrs. Herbert Jacob, of Midland, honored her son, Gary, on his 5th birthday with a party in the Ballinger City Park. After playing on the park equipment, kodaking, swimming and opening gifts, the group was served refreshments of birthday cake which was baked in the shape of a tractor, ice cream, cookies and punch.

Those attending were: Shirley Marie Gottschalk, Warren and Barbara Michalewicz, Karon, Walter, Jimmy, Alton and Daniel Wilde; Deana, Joe, Mike and Jenell Koselsky; Sharon, Brenda, Beverly and Carol Jacob; Darryl Weishunn, Kay and Lynn Halfmann; Mary Beth Jacob.

Adults attending were: Mr. and Mrs. Andrew Michalewicz, Mrs. Ida Jacob, Mr. and Mrs. F. A. Wilde, Mrs. Bernice Michalewicz, Mrs. Verno Hoelscher, Mrs. Cecil Halfmann, Mr. and Mrs. Arden Weishunn, Mr. and Mrs. Otter Gottschalk, Mr. and Mrs. Joe Koselsky, Deloris Michalewicz, Pauline Wanoreck, Mr. and Mrs. Walter Jacob and the honoree's parents.

**Mrs. Guy White and Daughter Honor Six Graduates**

Mrs. Guy White and daughter, Charlene, were hosts at a Kidnap Breakfast last Saturday morning in their Broadway home, honoring six graduates of Ballinger High School. The affair was "Come As You Are," when guests were kidnaped from their morning slumber.

Honorees were: Barbara Reynolds, Glenda Beddo, Patricia Davis, Delle Tisdale, June Harris, and Betty Berryhill.

Class colors, green and silver, were used to decorate entertaining rooms. Following the serving of the fruit juice in the living room, guests were invited into the dining room. The two course breakfast was served from the white linen laid table centered with a World Globe encircled with daisies, where silver and green streamers extended to miniature diploma place cards for the honorees, depicting the theme that they were graduates "On Top of the World," while other guests who were junior, found their places by cards inscribed "We Are Walking Behind You." Napkins were inscribed "Seniors '56," in green lettering.

Junior guests were: Martha Northington, Nydah Eilet, June Hash, Dorothy Bishop, Susan Herring, and Modene McGuire.

**Miss Eason, Airman 1/C Harvey Wed in Church Rites**

The marriage of Miss Gemey Eason, daughter of Mr. and Mrs. R. P. Eason of Brookshire, and Airman 1/C Lawrence Harvey, son of Mr. and Mrs. L. M. Harvey of Dallas, was solemnized Saturday, May 26, at 6 p. m. in the chapel of the First Baptist Church. The Rev. J. W. Hawes, retired Baptist minister, officiated at the double ring ceremony.

The setting for the nuptials included arrangements of greenery, and an arrangement of daisies on the piano.

Mrs. Howard Bramley, pianist, played wedding selections prior to the wedding and also the traditional wedding marches.

The bride wore a street-length dress of navy nylon taffeta with white polka dots. The high neckline was accented with a white Peter Pan collar, and white cuffs were on the sleeves. She wore a white satin hat, and other accessories were navy. She carried a Bible covered with quilted satin and topped with a gardenia encircled with white spilt carnations.

The couple was attended by Mr. and Mrs. Bobby Bryan. Mrs. Bryan wore a champagne linen dress with a navy linen duster. Her hat was champagne straw, and other accessories were navy. She carried a bouquet similar to that of the bride's, only smaller.

Mrs. Harvey is a student at Southwest Texas State Teachers College at San Marcos. She graduated from Katy High

School. Mr. Harvey has been an instructor at Edward Gary APB, San Marcos, but has been assigned for duty at the Atomic and Hydrogen Testing Station on the Eniwetok Island. He will leave for overseas duty from Oakland, California, on June 11. He is a graduate of Pleasant Grove High School in Dallas, and attended Hardin-Simmons University, Abilene. On his return from overseas duty, Mr. and Mrs. Harvey both plan to continue their studies at Hardin-Simmons. He will major as a laboratory technician and she is majoring in Home Economics.

**Conway, Switzer Vows Read in Home Rites**

Double ring vows united in marriage Miss JoAnn Conway and Jack Conway of Odessa last Sunday at 2 p. m. in the home of the bride's parents, Mr. and Mrs. I. W. Conway, 1406 Eighth Street.

The bridegroom's parents are Mr. and Mrs. Fred Switzer of Kerrville.

W. J. Leach, minister of the Ninth Street Church of Christ, read the double ring service in the living room in front of an improvised altar before double windows decorated with baskets of white gladioli on each side of candelabra forming an arch and entwined with greenery.

Given in marriage by her father, the bride wore an afternoon dress of white broadened nylon over taffeta designed with a square neckline outlined with a tuckled cuff, a fitted bodice and a full skirt.

She wore a sky blue hat of nylon lace and matching pumps.

She carried a bouquet of white carnations on a white Bible which she had received as a graduation gift.

Miss Joyce Davis of Winters was maid of honor and Vernon Lanter of Big Spring was best man. Miss Davis wore a pink nylon dress made similar to that of the bride's. She wore a white hat and blue pumps, and carried a bouquet of white carnations.

Ring bearer was Barbara Ann Conway of Ingram, niece of the

bride. She wore a pale blue nylon dress. Darrell Wayne Conway of Ingram, nephew of the bride, lighted the candles.

Reception was held in the home. The bride's table was lace and centered with the bridal bouquet. At one end of the table was the crystal punch bowl and at the other, the three-tiered wedding cake decorated with blue florals. Mrs. C. E. Conway served the cake, and Mrs. B. W. Conway of Ingram, presided at the punch

service, both are sisters-in-law of the bride. Miss Virginia Switzer of Kerrville, sister of the bridegroom, registered the guests.

The bride is a 1956 graduate of Ballinger High School. The bridegroom attended Tivy High School and is now employed by a Seismograph Co. in Odessa. The couple will be at home in Odessa following a short wedding trip.

Out-of-town wedding guests were Mr. and Mrs. Fred Switzer

of Kerrville, parents of the bridegroom; Miss Virginia Switzer, Raymond, Alvis and Charles Switzer, all of Kerrville; Mr. and Mrs. B. W. Conway and family of Ingram.

Mr. and Mrs. T. J. Garner of Newcastle, were visitors this week end in the home of Mrs. J. E. Gentry of Ballinger. Mrs. Garner is Mrs. Gentry's sister. They also visited a brother, Guy Gannaway in Winters.

**Farmers Get Rules On Gas Tax Refund**

Farmers can now obtain forms necessary to getting refunds of federal excise tax on farm-use gasoline. County Agent C. T. Parker, announced the tax-refund forms are available in his office, can be found at most post offices, internal revenue offices,

**July 1 to June 30, Federal Tax Only**

Refunds are limited to the federal tax on gasoline used for farming purposes, in carrying on a trade or business on a farm. The farmer can also get credit for gasoline used by a custom operator, or a neighbor, in connection with cultivating, raising, or harvesting any agricultural commodity.

The law, approved by President Eisenhower April 2, also includes livestock owners, poultry raisers, or horticulturists.

**Refundable Uses**

The law provides that gasoline shall be treated as "used for farming purposes" if it is used:

(a) in connection with cultivating the soil, or raising or harvesting any agricultural or horticultural commodity, including raising of livestock and poultry on the farmer's farm.

(b) in the operation, management, conservation, improvement, or maintenance of his farm or his tools or equipment.

(c) in handling, drying, packing, grading or storing any agricultural or horticultural commodity in its unmanufactured state, but only if the farmer produced more than one-half of the commodity which he so treated during the period for which that claim is filed.

(d) in connection with the planting, cultivating, caring for, or cutting of trees, or the preparation of trees for market, but only if the planting is incidental to his farming operations.

No refunds of tax are allowed on gasoline used off the farm—such as that used on public roads in transporting family members or workmen, equipment, livestock, crops, feeds.

**Special Fuels Included**

Farmers are also given special relief from the federal excise tax on diesel fuel and special motor fuels used on a farm for farming purposes. Farmers, who expect to file claims, should keep sufficient records to enable the revenue service to verify the accuracy of the claim.

**EAST SIDE HOME DEMONSTRATION CLUB**

Mrs. Harold Routh, president, was in charge of the business for the regular meeting of the East Side home demonstration club, held in the home of Mrs. Everett Witter Tuesday afternoon May 22. Mrs. Tom Moreland was secretary, pro-tem.

"Grooming Tips" were given for roll call. Mrs. Harold Routh was elected club candidate for delegate to the state THDA which meets in San Antonio next fall. Mrs. Witter presented the program on "Small Kitchen Equipment," and Mrs. Clarence Routh and Mrs. Tom Moreland gave a demonstration on "Buffet Meals and Ideas."

A sandwich plate with cookies and punch was served to those previously mentioned and to: Miss Edna Routh, Mmes. Lynn Stokes, Joe Jones, and Jack McAden.

Most pulpwood is harvested from non-company owned lands.

and many banks after June 1, October 1 Deadline

The farmer will have from June 30 until October 1 to file the form with the U. S. District Director of Internal Revenue.

According to Parker, the present federal tax is 2 cents per gallon. A refund on this amount will be made after June 30 on gasoline purchased and used during the first six months of 1956. After that, refunds will be made on a yearly basis, from

**One Polio Shot Won't Do Trick**

(The Texas State Department of Health has received many inquiries concerning Salk polio vaccine.

The following material is submitted in answer to these inquiries.)

One injection is of some value but should be followed in four weeks with the second shot and the third seven months to a year later.

Dr. Henry A. Holle, Commissioner of Health, says the second shot is important and definitely increases the immunity. Even though the second shot cannot be given for several months, the delay does not lessen the value of the first. Maximum immunity does not develop until after the third shot.

It is advisable to immunize children who have had poliomyelitis because an attack confers immunity only against the one virus type involved and gives no protection against the other two types.

The Salk vaccine is of no value in treating the disease. It should not be used for prophylaxis in family contacts of diagnosed cases, the reason for this being that the remaining members of the family usually are infected with the virus by the time the original case develops symptoms of the disease. The vaccine should not be given to individuals during a major illness or to those with symptoms that may represent early polio, such as fever, sore throat, or stomach upset.

Dr. Holle says that immunization should be given before the peak of the season if possible but can be given throughout the summer. Second injections can be given even when the incidence is rising with very little risk. The risk, if any, is less than the risk of acquiring the disease in unvaccinated children.

Columbia Pictures' "Rock Around the Clock" is the most to say the least. This great rock 'n' roll flicker is showing at the Horseshoe Drive In Theatre Friday and Saturday with Bill Haley and His Comets as the stars, plus Alan Freed and a real crazy crew to keep things jumpin'.

"Fury at Gunsight Pass," Columbia Pictures' gun-raging story of a frontier town held hostage by bandits hunting stolen gold, opens Friday and Saturday at the Horseshoe Drive In Theatre. The film stars David Brian, Neville Brand and Richard Long. David Lang penned the story and screen play. Fred F. Sears directed and Wallace MacDonald produced the outdoor drama.

Jane Russell, as a tempestuous tumbourine queen who has never been a bridesmaid, always a "bride," stars with Cornel Wilde, as a footloose gypsy dancer, in Columbia Pictures' comedy-drama, "Hot Blood," which opens at the Horseshoe Drive In Theatre Sunday, Monday and Tuesday in Cinemascope and color by Technicolor. It co-stars Luther Adler and Joseph Calleia.

In "Hot Blood," Jane gaily plays the luscious bait in a lucrative marriage racket. In

each new city, her money-hungry father "sells" Jane to a gypsy bridegroom for a fat fee. Then father and daughter hit the Roman road before the ceremony takes place, leaving the groom, and his wallet, flat at the altar.

Columbia Pictures' "Uranium Boom," drama of the atom-age boomtowns where men battle for the most fabulous jackpot in history, stars Dennis Morgan and Patricia Medina and co-stars William Talman, opens at the Horseshoe Drive In Theatre Sunday, Monday and Tuesday.

It's a quick change of pace for pert Pat Crowley, who is featured with Barbara Stanwyck, Fred MacMurray and Joan Bennett in Universal-International's poignant drama, "There's Always Tomorrow," showing at the Horseshoe Drive In Theatre Wednesday and Thursday.

The whole astounding story of how the big mob muscled in on the fabulous billion-dollar Texas oil industry, hi-jacking the flowing black gold from the Houston storage tanks and pipelines, is reportedly told with blistering realism in Columbia Pictures' "The Houston Story," which has its opening at the Horseshoe Drive In Theatre Wednesday and Thursday. The stars are Gene Barry, Barbara Hale and Edward Arnold.

**At the Texas . . .**

Filled in spanning new Super-scope, "Oklahoma Woman," showing Friday and Saturday at the Texas Theatre, is a trigger-action Western, produced and directed by Roger Corman and relating the blistering story of a whip-wielding she devil. The ruthless queen of the outlaws is played by Peggy Castle who shoots and whips her way to wealth and power stopping at nothing to gain her ends.

"Female Jungle," to show at the Texas Theatre Friday and Saturday, is a thrill-packed Burt Kaiser production distributed by American Releasing Corp and brings to the screen Broadway's current rage a voluptuous blonde bombshell dubbed by Time Magazine as "sex on the rocks." Her name is Jayne Mansfield. Her measurements are 40", 21", 35"; good indications that she will become the object of America's biggest wolf whistle in the coming year. Currently the lead in the New York stage success, "Will Success Spoil Rock Hunter," she is co-starring in the motion "Female Jungle" with Kathleen Crowley, Lawrence Tierney and John Carradine.

With the premiere next Sunday and Monday at the Texas Theatre of Warner Bros' epic production of "Helen of Troy," a project of gigantic proportions will be unveiled to the movie-going public. Reported to set a new high standard in drama, spectacle and romance, "Helen of Troy" is said to be destined for milestone importance in the history of motion pictures.

The private life of a Hollywood star provides the background for "The Big Knife," opening on Tuesday only at the Texas Theatre.

An adaptation of Clifford Odets' controversial Broadway stage success, "The Big Knife" co-stars Jack Palance, Ida Lupino, Jean Hagen, Shelley Winters, Wendell Corey and Rod Steiger.

With her role in Twentieth Century-Fox's new Cinemascope comedy, "The Lieutenant Wore Skirts," opening Wednesday, and Thursday, May 30 and 31 at the Texas Theatre, curvaceous Rita Moreno gets her first co-star billing with Tom Ewell and Sheree North. Her new status as a star was achieved in an entirely new type of role for her.

**Farm Prospects Good For County**

In general, agricultural prospects in Runnels County "look very good," according to County Agent C. T. Parker, Jr.

With the addition of new moisture Thursday, the county is sitting in one of the best positions as a successful crop year in the past six years.

"We do have some dry areas right now," Parker said. "They are not hurting at the moment, but will start to hurt soon," he added. Parker had reference to the Wingate-Winters area, missed by the major portion of last week's showers.

Around Crews and Ballinger, however, the prospects are excellent, Parker commented.

Most of the county has cotton planted, and all in the Miles-Rowena area has a good stand. This area did not get as much early moisture as other parts of the county. No reports of excessive weed or insect infestation has been reported.

Grain sorghums were also looking good, Parker continued.

"With just a little help later on, we will make some feed," he said.

Wheat will probably make the owner some money this year, plus his winter grazing. Some of the farmers will make 10 bushels to the acre, despite the lateness of the rainfall.

Some oats will make from 20 to 30 bushels to the acre.

"Most all the planting is done and the crops are coming up in a good stand. I have never seen prospects so good," he said.

**Methodist Annual New Recruiter Conference Starts Tuesday, Ft. Worth Assigned Here**

Rev. Wayne Reynolds will leave Tuesday for Fort Worth to attend the annual Central Texas Conference for Methodist Churches of the area. He will attend a board meeting Tuesday and be on hand for the opening of the conference program Wednesday morning.

Rev. Reynolds will take an outstanding report to the conference this year. During the year the church here has added 72 members and has baptized 10 babies. For the same period approximately \$75,000 has been raised for all purposes in church work and he will report all obligations paid in full for the year.

Highlights of the year was the dedication of the new church on June 26, 1955 and the acquiring of a new parsonage during the year. The congregation now has some \$600,000 in property plus the old church on Tenth Street. All property has been paid for and there are no debts outstanding at the close of the conference year.

Rev. Reynolds has been serving the church for the past three years and stated this week that so far as he knew, he expected to return to Ballinger for his fourth year. He added that this was a guess and that he had not been advised of his return by the Bishop and his cabinet yet and would not likely be informed until after the start of the conference program.

Appointments for churches in the Central Texas Conference will not be announced until Sunday afternoon, June 10.

**BALLINGER, EDEN MEN GET DENTIST'S DEGREES**

One student from Ballinger and the second from Eden will receive degrees of Doctor of Dental Surgery June 1 from the University of Texas Dental Branch in Houston.

The two candidates are Carl Davis of Ballinger and William Love James of Eden. They are two of 59 students to receive the degree.

Dr. Shailer Peterson of the American Dental Association, Chicago, Illinois, will be the commencement speaker.

Texas comprises about one-twelfth the area of the United States.

drawn no interest since that date.

While Runnels County's attention is centered on a proposed \$400,000 highway bond issue, another highway project of interest to this area is materializing in Taylor County.

A \$900,000 rebuilding of U. S. 83 is planned from the Runnels-Taylor County line to the "Y" intersection of U. S. 83 and 84 north of Tuscola. This is a distance of 147 miles.

When this is completed, and if U. S. 83 is re-routed from Hatchel to Ballinger as proposed in the forthcoming Road District 3 bond issue, a faster highway would be available from Ballinger to Abilene.

J. T. (Jake) McMillon, commissioner of precinct 4 in Taylor County, is at work buying right-of-way for the project. He is buying an additional 30 feet along the route.

McMillon said he hopes to be through within the next 30 days. Contract for the project would then be let within the very near future, said J. C. (Jake) Roberts, Abilene district highway engineer.

The highway will be widened from 18 to 36 feet, bridges will be widened from 20 to 36 feet, dangerous curves will be straightened out, and grades leveled for better safety.

**At the Hillcrest . . .**

Universal-International's Technicolor "Chief Crazy Horse," opening tonight, Friday and Saturday at the Hillcrest Drive In Theatre, was filmed in spectacular Cinemascope against the authentic backgrounds of South Dakota.

Victor Mature, Suzan Ball and John Lund are starred in the new action-film with Mature cast in the title role.

The film company spent five weeks on location near Rapid City, South Dakota, and scores of Indians from the numerous surrounding reservations were cast in supporting roles in the film.

"Chief Crazy Horse" was directed by George Sherman. William Alland produced.

In the latest Republic British production, "Secret Venture," coming to the Hillcrest Drive In Theatre, Sunday, Monday and Tuesday, London is again brought to the screen as a background for some exciting action. There are some superb scenes of Trafalgar Square, with star Jane Hylton acting certain sequence of the film under director Bud Springsteen's instruction, while the people of London go about their business unconscious of the fact that they are being filmed and are providing the atmosphere for the picture. There is a terrifying fight between Kent Taylor and Martin Boddey which starts at the base of the steps by Charing Cross Station, carries them across Hungerford Footbridge to the Festival Hall itself.

## WEST TEXAS NOTES

### Wanted: One Ball Of Fire

The Ballinger Chamber of Commerce is now looking for a new manager. He has to be a special individual: a pusher, an idea-man, a salesman, a hard worker, a peace-maker, a background nagger, a regular ball of fire.

He has to be able to weld a herd of hard-workers—going in as many directions as there are workers—into a unified force for the general benefit of the city. And he must do it armed with Samson's weapon.

Ballinger has the unique and highly competitive position of being between two larger cities. A status position is impossible—it's either compete or perish.

Now, competition on an individual level can come to naught if no one else in the city helps. But competition as a city will cause it to grow; and about the only way to compete as a city is through the chamber of commerce.

So back the chamber of commerce, so Ballinger can afford the finest.

### More Power Please

A fellow came to this office the other day, and, in the course of a confab, made this statement:

"If all drivers who speed were fined \$5 for each offense, starting today, we could pay the national debt day after tomorrow."

We have no idea what the national debt is at this time, but we do have an idea how many people break the legal

speed limit—all of them, with the exception of our Aunt Emma and she should be fined for blocking the street.

But what can you do? Here you have from 150 to 350 smooth running horses right under your foot, a car so comfortable that 60 miles per hour feels like 20. (The highway patrol stops a fellow doing 100, and the first question he asks: "Was I speeding?")

It is very deceiving, and is getting more so every year.

The automobile industry—a highly competitive enterprise—has specialized in power, speed, and comfort in cars so long that it has developed a real, first class killer.

We can die in the easiest running, most comfortable, most maneuverable death-trap the world has devised.

There is one thing about it though. Pedestrian deaths have decreased year by year since the war. This proves, as one man has said, that "the supply is running out."

The big argument for power is: "When you need it, it's there." The only time you need it to go faster than 60 miles per hour (in daylight hours) is to pass someone else going 60.

About the only people needing power above the legal limit are law enforcers, ambulance drivers, and fire trucks. The police now have to have super-charged autos to even stay in the race.

Some automobiles do not efficiently operate inside the speed limit. To hold this powerful motor down to 60 is like driving our old car in low gear.

What's the solution? Very simple: since it has become illegal to kill each other with guns, we have selected a larger weapon, the car.

Two businesses in Winters moved to their new buildings. The Main Drug Store, owned and operated by the Lloyd Brothers, has moved to their old location but newly remodeled building. They have been operating in the Spill building the past two months while workmen were modernizing the old building. The Southwestern States Telephone Company will move to their new building today, according to John D. Allen, division manager. They have been occupying an upstairs office and the present equipment will be used from this location until the new equipment can be put into use on June 10.

Coke County's new \$300,000 Court House has been completed and turned over to the Commissioner's Court, following the final inspection which was held last Thursday. The beautiful new building is air conditioned throughout for summer and winter. New equipment for all offices has been purchased and is being installed. Formal dedication of the new building will be held later in the summer.

Lloyd Conner, son of Mr. and Mrs. V. W. Conner of Miles is a 1956 graduate of Howard Payne College at Brownwood. He received his B. A. degree, having a double major in history and Bible. He is a graduate of Miles High School and is an ordained minister. Lloyd will continue working for the Southwestern Publishing Com-

pany of Nashville, Tennessee for the summer.

Coleman High School football players and their coaches enjoyed a week-end outing at Lake Brownwood the past week. Approximately 55 boys made the trip and camped north of the 36th Division pavilion at the State Park. They enjoyed fishing, swimming, and boating while there. Fathers of the boys were invited to visit the boys camp while they were out.

Donald J. Dierschke, of Rowena, student at Texas A & M College, has been appointed to a Danforth Graduate Fellowship, according to an announcement made from the foundation at St. Louis, Missouri. He was one of 77 successful candidates from a list of several hundred. To become a candidate students are nominated by their undergraduate college and a council of seven eminent educators choose the winners on a basis of their academic ability, personality, qualifications for teaching and christian character.

Interest is growing in the contest to name a Centennial Queen for Comanche's 100th birthday anniversary. The centennial program will start July 1 and continue through July 6. Coronation ceremonies will be held on the evening of July 2 and the queen and her court will be selected before that date. The contest is open to young ladies between the ages of 15 and 25 and a good number have already been entered in the competition. Start of the contest and final date for entering had been set for June 2.

Mayor J. Lewis Evans, of Stephenville, has been advised by Harry B. Kelton of the Texas Army Board, that an armory has been scheduled there for the fiscal year which starts on July 1. New plans for

the national guard armory at Stephenville calls for a larger and more expensive building. It will contain 4,588 square feet of floor space and will cost approximately \$100,000. This is some \$25,000 more than first announced as the cost for the proposed armory. The city has already provided a site for the armory which has been accepted by the board members.

A singing group of boys from Boys Ranch of West Texas will provide the entertainment for ladies' night to be held by the Eden Lions Club tonight. The meeting will be an old fashioned barbecue at the Lee Pfluger Park starting at 7 p. m. The singing group has made numerous appearances before club and church groups of West Texas and have become popular entertainers. E. C. Grindstaff of Ballinger, will install the new officers who will take over their offices on July 1.

Word has been received at Sweetwater that the State Highway Commission has approved construction of a \$330,000 underpass, 4 miles east of Sweetwater on Highway 80. The project also provides for the relocation of Farm Road 856 which goes from Highway 80 to Lake Sweetwater. The underpass report brought speculation that the Flintcote Gypsum Mill would build a six million dollar plant on a site north of Highway 80 near the Lake Sweetwater cut off. The company took an option on land several months ago but has not announced building plans.

The Hill Country Hereford Association will conduct the fourth annual all-female sale at Mason on June 12. More than 150 head of cattle, including 45 cows and 75 bred and open heifers, will be offered in the sale. A number of the cows have husky bull calves that

### TB Association Gives Statement

The Runnels County T. B. Association during the past year gave patch tests to 2,500 people with 25 positive cases reported. In rounding up activities for the year, ending March 31, the association reported that the 25 positive cases were followed up by contacting the family physicians in each case.

A slight drop was reported in funds raised annually from the Seal Sale; and the chest X-ray was not held because the unit could not schedule an X-ray machine.

### Aids To Understanding The Bible

"Wherefore be ye not unwise, but UNDERSTANDING WHAT THE WILL OF THE LORD IS" Ephesians 5:17. We can never be wise or understand the Lord's will unless we study the Bible and study it properly (2 Timothy 2:15; John 5:39). Here are some suggestions to help us understand the Bible.

1. FAITH IN GOD'S WORD (2 Timothy 3:16; 2 Peter 1:31). Those who doubt the Bible need to study it to be convinced of its inspiration, but until we approach God's Word, believing it to be true, we can never understand it.

2. LOVE THE TRUTH AND EARNESTLY DESIRE IT "... they received not the love of the truth, that they might be saved" 2 Thessalonians 2:10.

3. REVERENCE, FEAR AND RESPECT GOD'S WORD To reject Christ's words is to reject Christ (John 12:48; 14:24). "This people ... honoreth me with their lips, but their heart is far from me" Matthew 15:8.

4. EARNESTLY STUDY THE BIBLE AND MEDITATE THEREON 2 Timothy 2:15; Acts 17:11; Psalms 1:2; 119:97; 1 Timothy 4:15.

There is a difference between READING and STUDYING. A superficial, careless scanning of the Bible will not suffice.

5. BIBLE HELPS ARE OFTEN HELPFUL Dictionaries, lexicons, maps, histories, commentaries and the writings of scholars can be helpful as long as they do not depart from the truth.

6. ALLOW THE BIBLE TO SPEAK FREELY ON EVERY SUBJECT Get all the information throughout the Bible on the question or subject under discussion. Don't isolate scriptures and try to array one against the other as if they contradicted.

7. BE SYSTEMATIC, REGULAR, AND THOROUGH A haphazard, hit-or-miss study will not avail. We couldn't learn a science, language or any subject that way; neither can we learn the Bible by careless study.

8. PROPER MOTIVES AND ATTITUDES Don't study the Bible to try to find flaws, contradictions, etc. Study it to learn the truth.

9. HAVE AN HONEST AND GOOD HEART Farm people realize the need of good ground for seed. Just so must the Bible lodge in good hearts (Matthew 13:23).

10. BE FREE FROM PREJUDICE If we understand the Bible we must approach it without prejudice. Too many people say, "I know that is what the Bible says BUT I believe ..." (something else).

11. AN OPEN MIND ESSENTIAL "For this they are willingly ignorant of ..." 2 Peter 3:5. Read Matthew 13:15-16 for a contrast of closed and open minds.

12. OBSERVE WHO THE AUTHOR IS AND WHO IS ADDRESSED The Bible contains the words of the devil (Genesis 3:4), the fool (Psalms 14:1), Caiaphas (Matthew 26:65) and others who did not tell the truth. The Bible account of what they said is true, but they lied.

13. A STUDY OF THE SURROUNDING CIRCUMSTANCES, WHAT PROMPTED THE LESSON, AND THE PARTICULAR TRUTH INTENDED IS OFTEN HELPFUL

14. CONSTRUCT DOUTBFUL INTERPRETATIONS AND OBSCURE PASSAGES IN THE LIGHT OF PLAIN PASSAGES ON THE SAME SUBJECT

15. BE LITTLE CONCERNED ABOUT THE SECRET AND UNREVEALED "The secret things belong unto ... God but those things which are revealed belong unto us ..." Deuteronomy 29:29. Too many spend all their time searching for the unrevealed and neglect to study or practice the revealed.

16. CONSIDER THE MEANING OF EACH WORD, SENTENCE AND PARAGRAPH

17. DIFFERENTIATE BETWEEN GENERAL AND EXCLUSIVE COMMANDS

18. CONSIDER FIGURATIVE LANGUAGE CAREFULLY Determine by the context the principal point and don't press the minor points too far. Don't explain away a parable or figurative expression by saying, "Oh that's just a parable," as if parables were based upon falsehoods. Interpret the figurative to harmonize with the plain and unfigurative language.

19. PRAY FOR WISDOM (James 1:5).

20. RIGHTLY DIVIDE THE TRUTH (2 Timothy 2:15) Cornelius had the ideal attitude: "IMMEDIATELY therefore I sent to thee ... NOW THEREFORE WE ARE ALL HERE PRESENT BEFORE GOD TO HEAR ALL THINGS THAT ARE COMMANDED ..." Acts 10:33.

Chevrolet hangs up a new round-the-clock performance record...

# 2438 MILES IN 24 HOURS!

5:59 P.M. Chevrolet flashes away from the starting flag in late afternoon.

11:00 P.M. All through the night Chevy continues its blistering pace.

9:30 A.M. Whirling through a tight turn, Chevrolet shows its stability.

5:59 P.M. The checkered flag—and a new record: 2,438 miles in 24 hours!

The hot one averages 101.58 miles per hour for 24 hours . . . tops Indianapolis 24-hour stock car record by 280 miles at famed Darlington Raceway, Darlington, S. C.

Here was a test worthy of Chevrolet—the car that's been writing a whole new chapter in the record book of automobile performance. Twenty-four hours at a sizzling, tire-searing pace that few other cars could even attempt!

This was no mere test of speed. This was a test of all the Chevrolet qualities that go to make your driving more pleasant and safer on the road. Stamina. Sureness of control. Great-hearted V8 action.

It was no specially modified Chevrolet that hung up this new closed course record, timed and certified by NASCAR. You can stop in any time and drive a Chevy with the same power (horsepower ranges up to 225!), the same sweet-feeling sureness of control.

America's largest selling car—2 million more owners than any other make!

### Ballinger Nursing School To Hold Capping Ceremony

Capping exercises for 13 students from Ballinger Clinic Hospital Vocational Nursing School will be held at the First Methodist Church on June 11 at 8:00 p. m. These students will have completed twelve weeks of the one year of training with a minimum of 200 hours of class work. At the end of that time the student is eligible to take the state board examination to become a licensed vocational nurse.

Dr. W. LeRay Fowler, pastor of the First Baptist Church will give the address. Miss Jo Crimm, R. N. and Mrs. W. S. Bailey, R. N. will be in charge of capping the students.

An invitation is extended the public to attend the exercises.

### Miss Bobbie Sue Stultz

daughter of Mr. and Mrs. Bill B. Stultz and Miss Nancy Stokes, daughter of Mr. and Mrs. Alton Stokes have completed the pre-clinical period, the first nine months of the three year diploma program from Shannon West Texas Memorial Hospital School of Nursing in San Angelo. They received their freshman class caps last Friday evening at exercises held in the San Angelo College Auditorium.

A tea was held from 3:30 to 5:30 p. m. at the Nurses' Residence, 120 East Beauregard.

### Presbyterian Women of Church Have Birthday Program

Mrs. Joel Bates was leader for the annual birthday party program of the First Presbyterian U. S. Women of the Church, held Monday afternoon in church parlors which were decorated with bouquets of gladioli in pastel shades and daisies.

The meeting was opened by Mrs. Alex McGregor, vice-president. The program was presented with a setting of a one-act play, titled "Seeing is Believing." Characters were: Mom, enacted by Mrs. R. T. Hall; Dad, by Mrs. L. L. Downing; small girl, by Fannie Pearce; son Larry, by Dave Hall. The offering taken will go to Ybor, City Mission Expansion program, and the Area Laboratory Schools.

At the social hour hostesses were Mrs. Ida Gulon and Mrs. Bruce Cressy. The refreshment table was laid with lace and centered with the large decorated birthday cake embossed

with "1966 Birthday." Mrs. Bates led the punch and Mrs. McGregor served the birthday cake.

Others present were: Mmes. M. B. Wardlaw, Paul Trimmer, B. W. Claunch, Felix Keys, J. M. Pyburn, F. M. Pearce, Warren Lynn, R. R. Mizell, E. S. Malone, Orland Middleton, and E. A. Saunders. Children present were Paula and Diana Downing, Paul Trimmer of Houston and Mary Lou Claunch of Fox Worth.

## Change

Progress Requires It - Human Nature Resists It

By W. G. VOLLMER  
 President, Texas & Pacific Railway

Change, like death and taxes, is something we cannot escape. Its impact upon our lives is constant, relentless, and sometimes revolutionary. Human life constantly is in motion. Ideas and ideals, attitudes and actions, aims and ambitions always are undergoing some form of change.

Change is a dynamic force which sometimes comes in small hesitant steps... and sometimes in giant strides. But come it does, relentlessly and unceasingly, moving us onward and upward, or brushing us aside.

### Good Change Leads

Change does not always produce good results. Sometimes the results are evil and destructive, as the pages of history and the events of our day so somberly attest. But the wholesome, constructive and progressive results produced by change far outweigh its evil counterparts.

Within the past half century we have witnessed sweeping changes in industry and agriculture... in commerce and finance.

### Transportation Changes

As in other phases of our society, rapid and revolutionary changes have taken place in transportation. Fifty-eight million motor vehicles, 60,000 airplanes, 173,000 miles of pipelines have joined the railroads as important transporters of goods and people. These instruments of transportation were hardly more than a faint dream 50 years ago.

### Rail Improvements

In the railroad industry itself, changes in motive power, in freight and passenger equipment, in terminal facilities and roadways, in communications and operations have been vast and varied... constructive and progressive.

These changes in our industry have not attracted unusual public attention, for they are not spectacular or romantic in character. Yet, they have involved capital expenditures of a billion dollars annually for the past ten years.

### Progress Welcomed

Those of us on the Texas and Pacific recognize that change is constant and inevitable and we have moved forward with it, improving our physical properties and our operations so as to keep pace with the march of human events.

That is not only the prudent course of action; it is the practical, constructive and progressive thing to do. Adv.

banquet at Coleman. Miss Laveta Morrison is spending the summer here with relatives following her graduation from Howard Payne College.

The next regular club meeting will be held on June 14, in the home of Mrs. Cal Adair on Tenth Street. Cookies and punch were served to 10 members by the hostess.

BALLINGER HOME DEMONSTRATION CLUB

Mrs. George Hall, president, conducted the business for the regular meeting of the Ballinger home demonstration club of which Mrs. Drury Hathaway was hostess Thursday afternoon in her Fourth Street home.

Mrs. Alvin Spreen was nominated for delegate to the State THDA meeting to be held in San Antonio in September. It was announced that the National Home Demonstration convention would be held in San Antonio September 23 through September 27. This is the first time that a National convention has been held in Texas.

For the program, each member discussed and explained the use of her favorite kitchen utensil which she brought to the club. A work day on crafts will be held next Wednesday, May 30, at 1 p. m. in the home of Mrs. Rufus Allen on Tenth Street.

BETHEL HOME DEMONSTRATION CLUB

The Bethel Home Demonstration Club met in the home of Mrs. Halmark. The meeting was opened with the singing of "Row, Row, Row Your Boat," with Mrs. Clyde Simmons presiding for the business. Mrs. Simmons also read the club prayer.

Roll call was answered with a grooming tip, by twelve members. The council report was given by Mrs. McShan.

Mrs. Harwell resigned as club secretary. Mrs. Loika, Mrs. Hoffman and Mrs. Thompson were appointed to go to the leader's training meeting on cancer bandages, to be held on May 30.

Mrs. Wilbanks and Mrs. Bigby gave a demonstration on small kitchen equipment.

For refreshments the hostess served ice cream and cake. There are more than 500 sold types in Texas.

## Sandwiches Tops As Summer Food

BY CHARLENE ECKERT  
Assistant Home Demonstration Agent

(The following article is one in a series of special stories directed toward housewives about summer foods, their care and preservation. The articles are written by the Runnels County Home Demonstration Agent Ollie Chenoweth or members of her staff.)

Summer time is sandwich time. Sandwiches take on new importance when vacation time comes and families take to their cars and to the country for outings.

Every wise wife and mother knows that boxes and baskets of nourishing food are the first requirements to a successful trip. During the flurry and excitement of going-away preparations, meals are often somewhat neglected. But usually after the speedometer has clicked off only 20 or 30 miles, passengers inquire about something to eat.

Sandwiches are the star ingredient of the traveling "lunch box." They easily meet all the requirements for admission because they are so packable, easy to manage while riding, and they are such a favorite food with all ages. What's equally important, sandwiches made with enriched bread and a protein-rich filling, are full of good health-giving qualities. The family's health takes no vacation.

Lunches are more interesting when you use a variety of fillings and breads to make sandwiches. The number of filling choices is endless—cheese, fish, meats, poultry, and peanut butter as well as chopped crisp vegetable fillings. Peanut butter is a good traveler and can also be frozen.

To "dress up" and to add variety to your peanut butter, bananas, chopped dates, shredded carrots, jelly, chopped apples and chopped raisins can be added.

Fried ham sandwiches are good travelers also, but be careful of the many kinds of lunch meat in hot weather.

Wrap sandwiches in waxed paper to keep them fresh and moist. Remember not to put soft spreads such as jelly or

mayonnaise directly on the bread if the sandwich is to be carried quite awhile before it is eaten, since such spreads will soak into the bread. Use butter or margarine instead. Spreads can also be carried in small jars and added to the sandwiches at mealtime.

For traveling or any time a good pimento-cheese sandwich is always popular. Here is a formula for a good spread:

**PIMENTO-CHEESE SPREAD**  
1 pound American or Velveeta Cheese, 2 small or 1 large can pimentos, 1 heaping tablespoon butter, ½ cup cream or canned milk, salt to taste, 2 teaspoons sugar, dash of cayenne pepper.

Chop up pimentos and cheese and put in top of double boiler. Add butter, cream, salt, pepper, and sugar and heat until cheese melts and other ingredients are blended. (Caution, do not over heat as cheese will become leathery.) Pour into a bowl and set in refrigerator.

**For Afternoon Teas**  
Besides picnics and vacations sandwiches are used when there is an afternoon tea on the social docket. These sandwiches take on an entirely different look. Rely on your refrigerator and prepare almost everything in advance.

Remember it's better to plan a few extra-good spreads for little sandwiches than to undertake too many and have none of them really special. Consider using party rye bread, triangles, circles and other special shapes for special occasions and "fingers" cut from slices of whole wheat bread. Spread these with butter or margarine and place a different filling on top of each. One filling might be sweet, one could be the pimento cheese spread and one a seasoned ham, fish or chicken creation.

**Unusual Treats**  
An unusual and dramatic party sandwich is made with thimble sized popovers, or miniature cream-puff shells filled with finely chopped tuna or chicken salad.

Garnish party sandwiches with parsley, chopped nuts, raisins, bits of pickle, stuffed olives or radish slices.

Individual pastel gelatin salads are good for summer tea menus. Serve frosty glasses of fruit punch, iced tea, coffee, or lemonade.

Whether it's a picnic, tea, party for the small fry, or just

## SOCIETY

### Dr. Mrs. Rogers Complimented At Luncheon

The First Presbyterian Church, U.S.A. membership and added guests held an in-honor luncheon in the Fellowship Hall following the Sunday morning service May 20. The occasion marked the welcoming of the new church pastor, Dr. Kyle Rogers and Mrs. Rogers, who have moved to Ballinger to make their home. They formerly lived in Plainview where Dr. Rogers was pastor for more than 15 years.

Mrs. B. H. Erwin, president of the Women's Council, invited guests into the dining room where the red, white and blue theme was emphasized. White linen laid tables were decorated with red and blue runners and centered with garden flowers in patriotic colors, which included white daisies, red verbenas, and blue corn flowers.

Dr. Rogers spoke the invocation. Following the luncheon Roy Hill was master of ceremonies. Mrs. Erwin gave the welcome to Dr. and Mrs. Rogers in behalf of the Women's Council. Henry Psenick gave the welcome for the men of the church; the Young People's Department was represented by Patsy Ashton, Judy Brown and a TV snack, sandwiches are always popular.

Ola Beth Corder, and they gave several readings and sang "America the Beautiful," with Mrs. Willie Hoover playing the accompaniment. The program was closed by the group singing a prayer.

Mrs. Harper McFarland and Mrs. Doyle Riley were in charge of menu arrangements. Approximately 75 were in attendance.

**Installation of Officers Held By Jaycee-Ettes**  
New officers of the Jaycee-Ettes were installed Saturday evening, May 19, at 7 p. m. in the home of the retiring president, Mrs. Robert McGarvey, prior to the Jaycee banquet held at the Acapulco Cafe.

Mrs. Goodwin Sampson, of Colorado City, State vice-president of the Jaycee-Ettes, installed the group which includes president, Mrs. Clarence Wiedenfied; vice-president, Mrs. Bill J. Middleton; secretary, Mrs. T. L. Epling; treasurer, Mrs. Clayton Jay; historian and reporter, Mrs. W. R. Gray, Jr.; state director, Mrs. Robert McGarvey.

It was announced that the local Jaycee-Ettes won third place on scrapbooks at the state convention which was held recently at Brownsville.

Refreshments were served to members and to visitors, Mrs. Don Atkins, Mrs. L. O. Hartgrove, and Mrs. Claude Stone, Jr.

## Westerners Start Home Stay Friday

The Westerners of Rannels County came out on the short end of the stick during the week, losing three while winning three.

But after the three-game series with Hobbs in Hobbs, the ball club will be home for a nice, long stretch in which it can earn a long walk up the Southwestern League ladder. Starting Friday night, the Westerners play Roswell two, Pampa 3, and Plainview three. The home stand ends June 7.

Meanwhile, the Pampa Oilers in a 24-hour period were in, out, and in again. Officials voted Monday night to turn the Class B franchise back, but after a night's sleep changed their minds and voted to keep it going the remainder of the season. The Tuesday morning meeting in which the vote to re-enter the league was made, was highly affected by pledges of enough money to keep the club going.

Team standings show Hobbs still out front, followed by Plainview, El Paso, San Angelo, Midland, Pampa, Roswell, Clovis, Ballinger, and Carlsbad. Twelve games separate Hobbs from Carlsbad.

Ballinger started the last road trip with two quick wins over Roswell, 4-2 and 6-5, but stumbled the next three nights losing two to Midland, 14-6 and

10-2, and one to Hobbs, 9-1. Westerners lost again Wednesday night to the Hobbs Sports by the score of 7 to 2. Bill Kearns was the winning pitcher and loser was John Wortham, lifted in the seventh in favor of Ben Donine to stop a three run clincher.

Mr. and Mrs. R. E. George and Mrs. Dorine Scoggins and Claude Stone, Sr. and Claude Stone, Jr. attended the American Fashion Association's fall and back-to-school market in Dallas this week.

Mrs. Walter Jacob and children of Garden City are spending a few days with her parents, Mr. and Mrs. Andrew Michael-wicz.

### MR. AND MRS. PARRISH RETURN FROM HAWAII

The T. A. (Buster) Parrish of Ballinger returned Wednesday from a nine-day trip to Hawaii. Parrish won the expense-paid trip for two by having one of the two top sales records for appliance stores in the Ballinger category. Parrish, owner of the Ballinger Appliance and Electric Shop, won the trip from the General Electric Supply Company.

While Mr. and Mrs. Parrish were away, their two children were cared for by Mrs. J. P. Carson, mother of Dorothy Parrish, and Mrs. Lillian Holt, mother of Mr. Parrish.

### FIVE FROM COUNTY GET SAC DEGREES

Five students from Rannels County graduated last Thursday night from San Angelo Junior College.

The commencement program started at 8:15 p. m. in the college auditorium in San Angelo with Col. R. C. Crawford, commander of Goodfellow Air Force Base, giving the commencement address.

Diplomas were awarded by Dr. Raymond Cavness, SAC president. Graduating from the Ballinger area are Mary Wood and Ann Erwin, both of Ballinger; Lee Roy Kiesling and Earl Hudson, both of Miles; and Herbert Kurtz of Winters.

### Mrs. Howard Parker and daughters, Louise and Gail, of Cleburne, will arrive Friday for a visit with Mrs. Parker's mother, Mrs. C. P. Shepherd.

### CITY HAS 2 WRECKS NONE SERIOUSLY HURT

Two wrecks occurred in Ballinger during the week. A 1951 Chevrolet, driven by Miss Lucille Rollwitz, and a 1953 Pontiac, driven by Walter Bigby, collided at Seventh and Largent Streets about 5 p. m. Sunday. Both vehicles suffered considerable damage. Miss Rollwitz and Bigby were taken to Ballinger Clinic Hospital and were treated and released.

Miss Rollwitz was going west on Largent and Bigby was going south on Seventh Street when the wreck occurred.

A 1956 Buick, with less than 400 miles on the speedometer, was in a wreck with a 1954 Cadillac in front of the First Baptist Church at 10:45 a. m. Wednesday. The Buick, driven by June Hash, daughter of Mr. and Mrs. J. R. Hash, backed into the path of the other auto, driven by Mrs. M. D. St. John. Considerable damage was done to both automobiles.

### BASIC SUPPORT PRICE ON COTTON ANNOUNCED

The County ASC office announced Wednesday the price support on 956 Upland cotton had been set at 28.85 cents per pound on basic Middling 3/8-inch staple.

Support price is 82.5 per cent of parity, the national average. The county price will be announced later.

The support price on cotton seed, announced April 24, is \$2 a ton higher than in 1955, or \$48 a ton. This support will be carried out through Commodity Credit Corporation loans on farm-stored cotton seed. Purchases of cotton seed will be made through February 28, 1957, and will sell at an average of \$44 a ton on the basic grade if made directly from producers, and at \$48 a ton if made from ginners.

### LOCAL CHIROPRACTOR TO STATE CONVENTION

Dr. J. L. Ohlhausen will join other chiropractors from the state of Texas for the annual state convention to be held in Tyler starting on June 7. An attendance of 500 or more is expected at the convention this year and some of the outstanding speakers of the nation will be on the program.

One of the highlights of the three day program will be the selection of Miss Good Posture of Texas. Contestants have been narrowed to ten contestants and the winner will be selected at the state meeting.

### COUNTY RE-INSTATED IN FEED PROGRAM

Rannels County has been reinstated in the Emergency Feed Program, according to W. R. Gray, Jr., office manager of the Agricultural and Stabilization Conservation here.

The ASC office is accepting applications on behalf of the FFA committee. The applications are due before June 8 for feed grain sufficient to carry livestock until June 30.

### DUNLAP PIANO STUDENTS PRESENTED IN RECITAL

Miss Hattie Mae Dunlap will present her pupils in a piano recital the evening of June 1 in the High School Auditorium. The recital starts at 7:30 p. m. and the public is cordially invited to attend.

### FORMER BALLINGER YOUTH WILL MARRY

Donald Wayne Vanderpool, son of Rev. and Mrs. Homer Vanderpool, of Dayton, Ohio, will be married to Miss Betty Jean Tompkins on June 23. The ceremony will take place at the Grace Methodist Church in Dayton.

Rev. Vanderpool came to Ballinger as pastor of the First Methodist Church in 1934 and served the local congregation for two years.

### EQUALIZATION BOARD TO HEAR OIL CASES

The county board of equalization will hear only oil and royalty cases when it meets June 6, according to County Judge W. H. Rampey.

The board, composed of members of the county commissioners' court, will hear other type cases at a later date, he said.

The oil and royalty hearings usually take about two days but will be heard until they are finished. The board will start its sessions daily at 10 a. m.
