HEAVY ARTILLERY—Big gun in the war against cancer is this six-million-volt linear electron accelerator, recently unveiled at California's Stanford University. Model sits in adjustable, revolving chair which positions a patient in front of gun's muzzle. Generation and projection of high energy X-rays for treatment of deep seated cancer is controlled from outside the lead-lined room. The \$300,000 machine was built by Stanford scientists under grants from the American Cancer Society and the United States Public Health Service.

CAPS ARE SET—Fashion designer E. J. Grindstaff sets her cap for summer with an "ivy league" sports model in striped madras, top, and a French-inspired sailor beret, bottom, of white pique set off with a red pom-pom.

Local Students Select Schools for This Fall

Ballinger and area students will be well represented in colleges and universities of the state this fall. Practically all local students have selected their schools and have made room reservations for the fall semester which will open in September.

Texas Technological College at Lubbock will again have the largest number from this immediate section. Among the students there will be: Pat Tisdale, junior, and Delle Tisdale, freshman, both daughters of Mr. and Mrs. Ted Tisdale; Billy Maedgen, junior, and Ronnie Maedgen, freshman, both sons of Mr. and Mrs. C. E. Maedgen; Jerry Bell, junior, son of Mrs. R. L. Elementary School Building Nearing Final Completion

The new elementary school building in Ballinger is being completed this week and the moving job will get underway this week-end to have class rooms ready for the opening of school on September 4.

The men arrived here Sunday with a truck load of floor tile and work of laying the 29,000 square feet of tile got underway Monday morning. Those in charge of this last phase of the work expected to complete the job Wednesday night or today.

Monday the only uncompleted jobs included the making of water connections and testing of plumbing, a small section of sidewalk and several other minor jobs.

The biggest job now confronting school officials will be the moving of furniture and equipment and the installing of these in the various rooms. This will include the moving of a large amount of equipment from the old elementary school on the high school campus to the new building and installing new equipment in the 25 additional class rooms.

All new furniture and equipment is here and most of it has been uncrated to speed up the installation job. All rooms have been assigned and teachers will be able to check their rooms following the first faculty meeting, just before the school opening.

Students will register at the new building on the morning of September 4 and after a short session will be dismissed to give them time to purchase school supplies that will be needed when class work is started.

After a visit with relatives in Ballinger, Sister Mary Clement Egan and Miss Mary Egan returned to their homes in San Antonio. They were accompanied by their sisters, Mrs. W. J. Curtis and Mrs. C. T. Moonen, and their niece, Mrs. Harold Mueller and her two children for a short visit in this city.

Humble Completes New Rowena Well; New Field Named

The Rowena (Capps lime) field has been extended one location south with the completion of Humble Oil and Refinery Co. No. 3-Olitta Wilde Moeller, 2.5 miles east of Rowena. It was finalized for a calculated daily flowing potential of 372.32 barrels of 46.7 gravity oil. Potential was based on an actual 12 hour flow of 186.16 barrels of oil. Top of pay was picked at 3,716 feet.

Gulf Oil Corp. will drill its No. 1-G. Lloyd in the Wingate (Gardner) field, four miles northeast of Wingate. The application calls for a 5,000 foot test with work to start at once. The discovery in this field was brought in on July 12 for 131.95 barrels. A second producer has been assured with the flowing of oil in the Gulf Oil Corp. No. 2-Tennie Puckett. On the two hour drillstem test, gas surfaced in four minutes and oil in 50 minutes.

The Wingate (Gardner) field has received official designation by the Texas Railroad Commission, Oil and Gas Division. Daily allowable is 100 barrels of oil.

E. Stratton and Briggs started digging a slush pit Wednesday and was moving in equipment today to start their No. 1-Hugh Campbell. Location will be slightly south and east of the Anderson-Berry No. 3-Campbell, a Palo Pinto producer. Work will get underway with rotary equipment within a few days.

Four Races in Election To Be Settled Saturday

Two national conventions in two weeks have overshadowed the interest in politics until the second primary in Texas has been pushed into the background.

This week candidates were trying to arouse interest to secure a big vote again Saturday and name two important state officials. In Runnels County there are four important races on the ticket and should bring out a vote similar to that of the first primary when some 3,600 ballots were cast.

Voting boxes will be open Saturday morning at 8 a. m. and will close at 7 p. m. Each box will be well staffed and results of the election should be known within a couple of hours after the polls are closed.

Tabulation of the second primary vote will be made at the office of the Ballinger Ledger and will be relayed to the Texas Election Bureau at Dallas. Election managers in each box are urged to call 6522 as soon as possible after their tabulations are complete. Homer Hudgins, county democratic chairman will assist with the tabulations of the unofficial returns and is begging every election manager to make a report so that Runnels County can be reported completed early Saturday night. In the first primary it was the following tabulation could be made, due to two boxes not sending in their ballots.

A small board will be placed in front of the Ledger office and results posted as fast as they are received. Results will also be released to radio and other agencies so that people can be informed of the Runnels County tabulations as fast as possible.

In addition to selecting a nominee for the governor of Texas and an attorney general, one district race and one county race will be of special interest here.

E. J. Grindstaff and A. J. Bishop are in the runoff for representative in the legislature from the 77th district.

Steve Ashton and Earl Cope oppose each other for the office of county treasurer.

Joyce Ocker is Queen of County Farm Bureau

The annual meeting of Farm Bureau families held at City Park Thursday night of last week attracted more than 1,200 people. It was one of the largest crowds ever to be gathered for a similar occasion here.

The affair opened with the serving of a barbecue dinner topped off with homemade cake for dessert. The cakes were brought by the ladies of the Farm Bureau and the rest of the meal was provided by the organization.

Millard Shivers, organizational director of the Texas Farm Bureau, was present and delivered an address of interest to the farm families.

Congressman O. C. Fisher was also present and spoke to the farmers, discussing the needs for farmers and ranchmen of this area. He told the gathering there was a great expanded future for the farmers but it was essential that they be organized to make the most of the opportunity.

A varied program of entertainment was also presented after the dinner was served. This included a tap dance and an acrobatic number by Jody Putnam of Ballinger, and accordion numbers by Nola Jean Welas of Rowena.

The big feature of the evening was the selection of a Farm Bureau queen. Joyce Ocker, 16 year old daughter of Mr. and Mrs. Gilbert Ocker, received the honor and was selected by the judges at the close of the contest.

Jack Moore, Ballinger attorney, was master of ceremonies for the contest and presented each of the contestants. Miss Ocker will be a junior at St. Joseph's High school at Rowena this fall. She will represent Runnels County at the district 7 contest to be held at Brady on August 30.

Runner-up was Barbara Strach, 18-year old daughter of Mr. and Mrs. R. W. Strach and Mrs. Ed. She was a 1956 graduate of the Miles High School and plans to enter San Angelo College this fall.

Others in the contest were: Janis Frick, daughter of Mr. and Mrs. Herman Frick of Winters; Delores Eggeneyer, daughter of Mr. and Mrs. Arthur Eggeneyer of Miles; Jo Ann Halfmann daughter of Mr. and Mrs. Leo Halfmann of Rowena; Kay Frances Franke, daughter of Mr. and Mrs. Rudolph Franke of Rowena. A gift of luggage was presented to the queen and each contestant received a rhinestone bracelet.

Hospital Council Meeting To Talk Better Publicity

A meeting of the Southwest Area Hospital Council is being held here today in the basement of the First Baptist Church. The session started at 1 p. m. with representatives of hospitals of this area and a number of newspaper, radio and television representatives attending.

The theme of the program is on public relations and each member has been asked to bring a newspaper, radio or television representative as his guest.

The following program is being rendered:

Problems a General Hospital Has in Release of News for Publicity—Amos Pool, administrator of the Hendricks Memorial Hospital, Abilene.

Good Press, Radio and Television Relations and What It Can Mean to a Hospital—Henry Denning, assistant administrator, Hendricks Memorial Hospital, Abilene.

Press Difficulties in Collecting News—Dean Chenoweth, Editor, San Angelo Standard Times, San Angelo.

Round Table Discussion on How to Reach a Better Press-Hospital Relationship—John King, administrator, Ballinger Clinic-Hospital.

Downing's Story On Mentally Ill Laws Is Featured

An article written by Dr. Lloyd L. Downing, emphasizing the importance of a reversion of Texas Mental Illness laws, was a feature in the August issue of the monthly publication of the Texas General Practitioner's "Newsletter."

The article pointed out that Texas laws have progressed little since they were first written in 1846 by the first legislature and at present Texas is the only state still using these antiquated and archaic laws of trying mental cases before a jury.

A waiver of jury trial amendment will appear on the November ballot as constitutional amendment No. 7. Passage of this bill is essential for human care of the mentally ill and also to raise Texas standards sufficiently to compare with some of the other states.

Every person is urged to read amendment No. 7 and give it careful study before going to the polls November 6.

In 1949 Runnels County voted 400 to 200 against this amendment and it is hoped they will better understand the issue this time.

Additional information will be published on the amendment before the general election in the hope that voters will make possible the handling of mentally ill cases without a trial by jury.

Westerners Will Meet Midland Here Tonight

The Ballinger Westerners are back home and will open a two game series with the Midland Indians at 8 o'clock tonight at Runnels Field. After a nine-day road trip, which has been very successful, the Westerners should be greeted by a fine crowd in their five day home stand.

Midland will be here tonight and Friday. Saturday the league leading Hobbs team will move in for games Saturday night, Sunday afternoon and Monday night. With this series over, there will only remain three home games on September 4, 5 and 6 with Roswell to close the season for 1956.

The Westerners have had a good season here and have played the entire season with practically no change in line up. For the past month they have been working with just four pitchers but each one has been able to go the full route in most of their games and in this way to give those on the bench the required rest.

Fans are urged to try and attend each home game for the rest of the season and stay behind the Westerners.

Little League Play-Off Attracts Large Crowd

Playoffs and all-star games in the Little League teams have attracted large crowds the past week and games will continue the remainder of the week.

In the Pony League the team from the West Texas Utilities Co. won the championship for 1956 with a defeat of the Christian Guild by a score of 15 to 3.

The Pony League all-stars defeated the Coleman all-stars 7 to 6 to wind up a fine season.

In the Little League the Texas Theatre and the Ballinger Co-op Gin have entered the finals in the play-off series with the Texas Theatre winning the opening game 9 to 7. These two teams meet in the second game of the finals tonight and if a third game is necessary it will be played Saturday night.

In the opening round of play, the Co-op Gin defeated Keel Drug by a score of 4 to 1. Texas Theatre defeated Higginbotham by a score of 12 to 2 and in the third game Keel Drug defeated Higginbotham 13 to 2 to give Keel Drug third place and Higginbotham fourth.

The Little League all-stars will meet the Winters all-stars Friday night. All games will start at 7:30 p. m.

The all-star team for the Pony League was made up of four men selected from each team. They were as follows: West Texas Utilities Co., Lee, Wood, Johnson and Owens; Lions Club, Witter, Herridge, Underwood and Hamner; Methodist, Whiteley, Nesbit, Tims and Piemons; Christian Guild, Powers, Dusek, Alvarez and Roe.

Announcement has been made that the Pony League all-stars will play a game with an opponent to be selected next Tuesday, August 28. At this game awards will be made to teams and people connected with both the leagues.

After players are through with their schedules, they will return uniforms and equipment to their team managers. Managers will then be given a date when to return the clean uniforms on coat hangers to the storage room in the Chandler building.

It was also announced that the Winters all-stars would be unable to play here Friday night but that another team would be secured for that night, to meet the Little League all-stars.

Ballinger Masons Plan For Address Of Grand Master

W. W. Boothe, Grand Master of the Grand Lodge of Texas, will visit the Ballinger Masonic Lodge on the evening of August 30.

For this occasion all other lodges in the district have been invited to attend. This includes masons from Eden, Wingate, Miles, Paint Rock and Winters.

The program will start at 7 p. m. and will feature the address by the Grand Master. Following the program a dinner will be served in the dining room at the lodge hall.

The Grand Master became a mason at Paris in 1917 and since that time has had a worthy record in lodge work and has received many honors. He has held practically every office in his home lodge and is a member of the Scottish Rite Bodies at Dallas. He is a member of Heila Temple at Dallas and also a member of the Texas Priory No. 23 Knights of the York Cross of Honor.

He became an apprentice sheet metal worker in 1904 and was self-employed in that occupation from 1908 until his retirement in 1953.

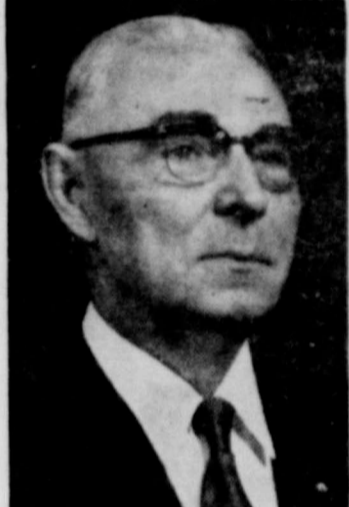

He is a leader of the chamber of commerce at Paris. He is married to Florence Isora Boothe and has two children.

76 Absentee Votes In Second Primary

Absentee balloting in the second primary came to a close Tuesday evening. A total of 76 absentee votes were cast in the second primary which is compared with 122 in the July primary.

One reason for the smaller number this month is the fact that fewer people are on vacation and will be home to cast their ballots in the regular election boxes Saturday.

Absentee votes will be counted by an election manager Saturday and reported at 7 p. m. Saturday night.

W. W. Boothe, Grand Master of the Grand Lodge of Texas, will visit the Ballinger Masonic Lodge on the evening of August 30.

WORST SUSPICIONS CONFIRMED—Harried citizens convinced of the omnipotence of the tax collector will be horrified to know that the girl peering from the mail collection rack, above, is an Internal Revenue Service employe. Margie Spencer, who works for the Internal Revenue department in Indianapolis, Ind., is appearing in a strictly unofficial capacity. She's posing to emphasize attractiveness of Uncle Sam's new mail collection racks and is not scruffling the mails for late tax returns. Citizens perform first steps in mail sorting operations by depositing air and special delivery matter at left; out-of-town first-class mail goes at right and local letters drop on top of Margie's head.

Physical Checkup For Bearcat Squad Scheduled Friday

The first meeting of the candidates for the Bearcat football team will be held at

8 a. m. Friday when the group assemblies at the bath house for their physical checkups. All those who expect to workout the following week are urged to be present so their physical condition can be determined.

Work sessions will start at 7 a. m. Monday, August 27, and will be continued twice daily until the opening of school, at

which time afternoon sessions will be held. Coaches stated this week that practice sessions would be held at 7 a. m. and 7 p. m. starting Monday and every effort will be made to get the team in condition for their first game on September 7 when then Brady Bulldogs come to Bearcat Field. Brady is in another district

this year but have continued their home and home meetings with the Bearcats.

Coaches Bill Gosney and Paul Stuart will have ten lettermen around which they must build a squad this year. Of the ten, only five were starters last year.

In the backfield will be last years starter, Jerry Candler at quarterback. Other letter backs are Hugh Campbell, Rodney Flanagan and Bobby Burton. It is likely that Wesley Stokes will be converted into a backfield man this season, having played at end last year. He is big and fast and was in the backfield on a few occasions last season and showed a lot of power.

Delbert Wiley, all-district tackle, will be back for a place in the line. Two other starting linemen were Don Simmons and Kenneth Doty with both returning this season. Other lettermen will be Bill Clifton at end, Milford Jackson at center.

The coaches expect about 50 boys to report for work next week. All positions are wide open and they will fill each with the best man for the place. A crew of last year B team boys and several up from junior high will be on the job. Calvin Kirk, fullback on the junior high team last year may be converted into an end for the Bearcats.

Fans are invited to attend practice sessions during the next few weeks.

Mrs. Robert L. Phillips Jr. and sons, Bruce and Alan, of Grand Rapids, Michigan, are visiting her parents, Mr. and Mrs. L. B. Rudder. Mrs. Phillips is the former Miss Willa Mae Rudder. Mr. and Mrs. L. B. Rudder, Mrs. Phillips and the children will go to Houston September 1 where they will be joined by another daughter and sister, Mrs. Robert F. Jay of Cadillac, Michigan, and they will all attend the wedding of Jackie Rudder.

What Grandmother did

that Granddaughter doesn't!

For one thing Grandmother spent 5 1/2 hours a day in the kitchen. Granddaughter doesn't—she spends about an hour and a half on the average.

Plenty of low-cost electricity is the biggest part of the reason why. There's more than enough to do your cooking, your mixing, your dishwashing, your water heating.

And the men and women at your electric service company are planning and building ahead so there will be plenty for granddaughter, too.

In fact, you can be sure of plenty of electricity *always* when you are served by an independent electric company like this one.

Problems Of Soil Under Irrigation Can Be Benefited

More and more land is being irrigated along the river in the Runnels Soil Conservation District. One of the greatest problems of irrigation farming is to prevent soil crusting and excessive cracking. The more cracks on the surface of the ground, the higher the evaporation rate according to George Krupala, local Soil Conservation Service Technician. The fine texture bottomland soils have a high rate of contraction and expansion at each drying and wetting. The cracks will be more pronounced on the soils low in organic matter. Severe crusting occurs on the medium and fine textured soils. Organic matter acts as a cushion allowing the soils to contract and expand without serious cracking or crusting.

Farmers concerned over this problem can help reduce this condition by planting cover or soil improving crops on these acres. These crops, if treated like a cash crop under irrigation, will provide a high tonnage of residue for the soil and increase the organic matter content. The cash crops following the soil improving crops will produce higher yields from

for soil improving and cover crops under irrigation: Austrian winter peas, sweet clover, vetch and alfalfa. August, September and October are the best planting times for them.

Small grains are good cover crops, in that, they produce high residues, and have vigorous root systems which help condition the soil. However, they do not have the high soil improving ability of legumes. A mixture of oats or rye and vetch is a good cover and soil improving crop. It is easy to get a stand of this. The Soil Conservation Service or any of the other agricultural agencies will be glad to provide further information on cover crops.

Methodist Layman To Speak Sunday At Local Church

The First Methodist Church has announced the appearance of Dr. Harry Denman, chairman of the general board of evangelism, here next Sunday night. Dr. Denman will bring the message at 7:30 p. m.

The visitor is a Methodist layman and regarded as one of the greatest speakers in Methodism. Letters of invitation have been sent to twenty-five churches in this area inviting them to attend and have a part in this service. At the close of the sermon, there will be a

period when questions on evangelism may be asked and suggested plans for work will be made. Plans are being made to take care of a large audience.

September has been set by the official board of the First Methodist Church as Church Loyalty Month. The month is to be observed along the general lines of a revival meeting. The only difference from the ordinary revival is that the services will only be held on Sundays. During the week days the congregation will be visiting each other and doing personal work to win individuals to Christ and church membership.

The pastor, Rev. E. R. Gordon, will do the preaching at all regular services and the

music will be under the direction of Kenneth Mills. All members and friends of the church are urged to help make this a great month.

Cinda and Bobby Haupt Complimented At Party

Cinda and Bobby Haupt were complimented with a birthday party last Friday afternoon by their parents, Mr. and Mrs. Hubert Haupt, entertaining in their Fourth Avenue home. This was Cinda's sixth and Bobby's second birthday anniversary.

Games were played in the garden and gifts were opened. The beautiful birthday cake, decorated in pink and yellow, centered the table which was laid with a crocheted cloth, and

was served with punch and cookies to: Shirley Johnston, Ruthie Alcorn, Becky and Phil Smith, Ora, Curtis, Sue and Van K. Bullard, Billy Don Lowe, Debbie and Judy Watson, Mike Hamner, Opal Sue and Jessie Lue Waldrop, Mike Gosney and Carolyn Muller.

Adults attending were: Mrs. Wilbert Alcorn, Mrs. R. Haupt, Mrs. Jim Hamner, Mrs. Van Turnbow, Mrs. Alvis Waldrop, Mrs. Bill Gosney and Mrs. Leroy Muller.

COUNTY 4-H GIRLS IN DISTRICT REVUE

Runnels County 4-H club girls will go to San Angelo Tuesday to compete in the district dress revue.

A luncheon will be served at

the San Angelo College at noon for the girls entered and those accompanying them to the revue. The modeling of dresses will be held in the afternoon. Barbara Greger, of Ballinger, winner in the county revue in the senior division, will be one of the contestants at San Angelo. Norma Ohlhausen, winner in the junior division, will be the other girl from this county. Accompanying the girls will be Miss Peggy Schwartz of Drasco, Mrs. J. L. Ohlhausen and Miss Ollie Chenoweth of Ballinger and Mrs. Frank Greger of Norton. These ladies will attend the luncheon at the noon hour and be with the girls at the dress revue.

TO SAFEWAY CUSTOMERS!

We're Sorry....

Sorry if you're not finding everything you want in our stores these days. But we have a strike on our hands that prevents us from operating normally. However, we're operating as near normal as possible and we'll keep our stores open until the strike is settled.

What the Strike is about....

Last week our mechanics union (18 members) in the truck repair shop went on strike, after turning down the best terms for a contract in the food distribution business in the area. Without a contract they have had the best wages and working conditions for food handlers in the area.

When the mechanics put up a picket line, many of our warehousemen and truck drivers, who also belong to a union, refused to cross the line. That's what has slowed down operations at Safeway's big Distribution Center at Garland where our warehouses are located. That's why our trucks cannot be loaded as rapidly as usual with supplies for our retail stores.

Wages offered our mechanics:

\$92.16 for a 47-hour week, which is an average of \$1.96 per hour. Plus 10¢ an hour bonus for night work. The offer represents an increase of 10¢ an hour for the first year of a three-year contract, 8¢ an hour for the second year, and 7¢ for the third year. Those are the terms on which a contract settlement was made with nearly 300 truck drivers and warehousemen last June 17.... It is a just and fair offer.

We are arranging for outside supplemental supply sources so that we can serve you as nearly like you want to be served as possible. We hope you'll continue to SHOP SAFEWAY during this strike period and we will do our level best to have everything you want.

"Proposed Constitutional Amendments To be Voted On At An Election To be Held On November 6, 1956."

HOUSE JOINT RESOLUTION NO. 1 proposing an Amendment to Section 11 of Article I of the Constitution of the State of Texas by adding a new subsection to be designated as Section 11a, relating to denial of bail to a person charged with a felony less than capital who has been theretofore twice convicted of a felony, providing for the submission of the proposed Amendment to a vote of the people and for proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 11 of Article I of the Constitution of the State of Texas be amended by adding a subsection thereto to be known as Section 11a and to read as follows:

"Section 11a. Any person accused of a felony less than capital in this State, who has been theretofore twice convicted of a felony, the second conviction being subsequent to the first, both in point of time of commission of the offense and conviction thereof may, after a hearing, and upon evidence substantially showing the guilt of the accused, be denied bail pending trial, by any judge of a court of record or magistrate in this State, provided, however, that if the accused is not sentenced to a term upon the conviction within sixty (60) days from the time of his incarceration upon such charge, the order denying bail shall be automatically set aside, unless a continuance is obtained upon the motion or request of the accused; provided, further, that the right of appeal to the Court of Criminal Appeals of this State is expressly reserved for the accused for a review of any judgment or order made hereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the amendment to the Constitution of the State of Texas providing that a court, judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies."

"AGAINST the amendment to the Constitution of the State of Texas providing that a court, judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Chest Directors In Meeting Today To Adopt By-Laws

The directors of the Ballinger Chest are meeting today for a very important session to determine if an attempt will be made this fall to raise the first chest budget.

Practically all the organizations expected to participate in the chest fund have been contacted and have given answers on the amount of money they will need for their budgets this fall and the first part of 1957. In most cases the groups have insisted that if the chest is attempted, that they be paid their full quota.

Some of the directors feel that it will be difficult to raise all quotas through the chest by separate effort this year.

One important matter will be the reading of the constitution and by-laws and the making of changes before final adoption.

A report will also be made of the organizations that have indicated they will not participate in a chest fund but will raise their funds in a separate campaign. Several other committees

reports will be heard at the meeting this afternoon.

Winters is attempting to use the United Fund this fall for the raising of money for several organizations. Their organization has been perfected but a date for their fund campaign has not been announced.

RECOGNITION SERVICE SET SUNDAY MORNING

The First Presbyterian Church of Ballinger will have a special service of recognition for all who have attended camps or conferences or who have taken part in the local summer education program at the 11 o'clock worship hour Sunday morning. All who have participated are asked to be present for the service.

The church has sent thirteen young people and four counselors to the Presbyterian Camp at Cisco. Four young people and one adult have attended conferences at Mo-Ranch, the Synod of Texas Assembly Grounds at Hunt. Approximately 20 children and six adults have taken part in the story and recreation hours for primary pupils. 11 juniors and 2 adults have participated in the junior Bible class. Of the juniors, Candy Craig, Julie Hampton, Carla Ann Murman, Rex Stultz and Millie Stultz will receive awards for work completed in the Bible class.

BIRTHS

Mrs. W. G. Curry
 Mrs. W. G. Curry, 78, died of a heart attack early Tuesday morning. She suffered the attack at her home in Paint Rock and was brought to the Ballinger Clinic-Hospital in a Newby-Davis ambulance but was dead on arrival here.

Decedent is a pioneer of West Texas, moving to Concho County from McCulloch County soon after her marriage to Mr. Curry in 1895. She was born on January 23, 1878. The couple operated ranches in Concho County for many years and were owners of extensive holdings in that area. Mr. Curry died on September 8, 1954. The couple moved from their ranch into Paint Rock in 1920 and have made their home there since that time. Both were active in the Paint Rock Baptist Church.

Survivors are four sons, Herbert Curry, Coleman; Roy and Bill Curry, Paint Rock; Floyd Curry, Abilene; five daughters, Miss Pearl Curry, Mrs. Willard Estep and Mrs. Ed Mosteller, all of Paint Rock; Mrs. Carol King, Fredericksburg; Mrs. Sam Malone Jr., Pampa; four half-brothers, Tom Clifton, Big Spring; Ernest Clifton, Rosewell, New Mexico; D. Clifton, San Angelo; Jim Clifton, Mississippi; one sister, Mrs. Claude Snodgrass of Santa Anna, and nine grandchildren.

Funeral services were held at 3 o'clock this afternoon at the First Baptist Church in Paint Rock with the pastor, Rev. Chester Sylvester, officiating. Burial was in the Paint Rock Cemetery with Newby-Davis Funeral Home in charge.

Mrs. Lydia Ann Hash

Mrs. Lydia Ann Hash, 84, died at 5 o'clock this morning at the Ballinger Clinic-Hospital where she had been in critical condition for several days. She has been ill for the past four years and in the hospital for the past ten days.

Decedent was born in Jasper County, Illinois on August 2, 1872 and moved to Runnels County in 1914 from Dallas. She was married to John Hash at Gainesville, Texas in 1888. She was a member of the First Baptist Church at Ballinger and active in her church work until her health failed a few years ago.

Survivors are seven sons, J. A. and J. R. Hash, Ballinger; R. M. and D. R. Hash, Abilene; J. M. Hash, Monahans; W. B. Hash, Pampa; J. C. Hash, Houston; two daughters, Mrs. Kenneth Massey, Lambertville, New Jersey; Miss Annabelle Hash, Ballinger; 13 grandchildren and 18 great grandchildren.

Funeral services will be held at 10 a. m. Saturday at the First Baptist Church with Rev. LeRay Fowler and Rev. O. D. Carpenter officiating. Burial will be in Evergreen Cemetery.

Cook President Of Country Club Program Planned

Directors of the Ballinger Country Club met last Friday to elect officer and plan other work for the year with D. B. Crockett, vice-president and Dick Owens, secretary-treasurer. David Halliburton was placed in charge of entertainment and special events and Allen Davis was named chairman of the property committee.

Announcement was made that family nights would be started again. One night each month will be devoted to bingo, one dance will be staged each month and the usual stag-night program will be continued.

Max McCrary Jr. will head the membership committee for the year.

The resignation of Fred Cockrell was accepted as club manager and J. W. Wallace was named to take his place.

The directors will strive to plan a well-balanced program for the year which will make all members active. Golf, fishing and other features are offered by the club in addition to the special events.

What Is Good Feed Worth?

Keep good records on production and prove it yourself. Department of Agriculture records show best quality feed returning as much as \$11.20 per ton over lower quality.

How does better feed pay?
 It takes less feed per dozen eggs and per pound of meat. An animal's bones, feathers and body is a storage tank. Good feed holds up production by preventing loss from the storage.

The best feed is made from ingredients that release energy easily—for instance—animal entrails in meat scraps are more easily digested than muscles but contain the same protein.

Quarterback Club Names 3 Officers; Preview Planned

The Bearcat Quarterback Club held its first meeting of the year Monday night at the high school with a large number of members and football fans present. A goal of 300 members was set for this year and a drive will be started at once with dues set at \$2 for men and \$1 for ladies. If enough ladies join the club, an auxiliary unit will likely be formed.

At the election of officers, Guy White was named president to serve for the ensuing year. Other officers are Coke Bromlow, vice-president and Otis Jacob, secretary.

The annual football preview was set for the night of September 4 at 7 p. m. This will be held at the football field and all boys in the various football teams will be suited out and presented to the fans. The band will be on hand and a good program is being arranged. E. B. Underwood was named chairman of the committee to arrange the program and he will be assisted by the four coaches. The program is being staged at 7 p. m. so that fans can go to the baseball game by 8 o'clock.

The club members voted again to furnish chartered buses for all out of town games this fall.

Meetings will be held each Tuesday evening during the football season and a picture of the game the Friday before will be shown.

The meeting for next Tuesday will be held at the practice field and all fans are urged to attend at 8 o'clock.

At the close of the business session Tuesday night, coaches showed a picture of the Ballinger-Brady game played last fall.

Ballinger Officer Helps Crew Guide Plane To Landing

A story of aircraft control and warning service has been received here, in which Lt. Vernon Lewis of Ballinger played an important part.

Thirty-six people on an RCAF C-119 can thank a group of aircraft control and warning service men at Calumet for guiding their plane to safety and perhaps saving their lives.

The plane was enroute from Pool Lake, Alberta to Ottawa when the starboard engine caught fire and had to be feathered. A faulty radio added to their troubles.

At the time of the trouble the Calumet radar was off the air while the crew was engaged in a maintenance inspection. When the emergency call was received by telephone, the Calumet crew halted inspection and in five minutes was back on the air. They made contact with the plane in trouble and also notified the coast guard who dispatched a plane and a helicopter.

Heading the three man team that kept contact and guided the crippled ship to safety was Lt. Vernon Lewis. They brought the crippled plane through thunder storms to the safety of their field.

Crew members of the plane stated after landing that they had trouble maintaining altitude with the one engine out. Lt. Lewis is being transferred to the air force base at Waco and will report there early in September.

Mr. and Mrs. Mac Lankford of Carrollton, are spending the week with Mr. Lankford's sister, Mrs. John Loveless.

"STOLE" THE SHOW—Polka-dotted stole which doubles at each end as an elbow-length glove has captured buyers' eyes at recent showings in Paris, France.

SMALL FRY—Big thrill for a little boy is his first fish and six inches of perch represents a whopping catch for David Ford, 4, of Melrose Park, Ill.

DIAMOND DESPERADO—Masked menace is Vic Wertz, Cleveland Indians' first sacker, who's gunning for the Yankees' pennant hopes on behalf of the tribe. Photographer Ronald Kuntz captured the horseplay in Indians' dugout at Cleveland's stadium as Yanks and Indians waited in vain for a rain-stopping game to let up.

WEST TEXAS NOTES

Saturday will be time to vote again. The second primary has not caused as much interest as the first, but the importance is just as great.

The Brown County commissioner's court has authorized the study which they hope will eventually lead to the consolidation of voting boxes in that county.

The Stephenville Junior Chamber of Commerce has announced plans for staging a treasure chest in connection with their carnival at the Erath County Fair this fall.

The Lions Club at Eden has set the date for their annual barbecue on September 23. Members will start to work at once in an effort to make this one of the biggest they have staged.

The commissioners court in Coke County let contracts last week for swimming pools at Robert Lee and Bronte to cost \$60,800 and in addition for buildings at the two pools which will cost \$44,974.

The Miles Lions Club has announced their third annual barbecue for Labor Day, Monday, September 3. The affair will be held at the Miles football field and barbecue with all the trimmings will be included on the menu.

bought by Henry Pustka. In keeping with tradition, the Rowena Lions Club made up a purse and presented Mr. Rose with \$51.50 in cash for bringing in the first bale. Business firms and individuals contributed the money for the first bale prize.

The football training season will open at Winters on August 27 with a one week camp in which some 60 boys will take part. The boys will be housed in the new gymnasium and meals will be served in the cafeteria.

The First Presbyterian Church at Paint Rock has been completely renovated and redecorated and is now ready for use again. Sheet rock has been placed on the walls and ceiling of the sanctuary and floors sanded and refinished.

More than 3,000 people were in Comanche last week-end to attend the Big-Top Show at Lake Eames which was a part of the annual meeting of the Comanche County Electric Co-operative.

Louis Rose ginned the first 1956 bale of cotton at Rowena on August 10. It was handied by the Rannels County Gin and weighed 474 pounds. The bale was ginned free and was

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 13, 1956

HOUSE JOINT RESOLUTION NO. 39 proposing an amendment to Article III of the Constitution of the State of Texas, to be submitted to the voters of the State of Texas at an election to be held on November 13, 1956.

The money this year will go into the community recreation fund and will be used during the ensuing year for approved projects. Information was received at Coleman that a contract had been let by the State Highway Commission for the completion of the farm to market road all the way from Coleman to Shields.

What Must I Do To Be Saved? (No. 3)

As we continue our study of the cases of conversion in Acts, we come next to Saul of Tarsus.

WHAT DID SAUL DO TO BE SAVED? Read the three accounts of his conversion in Acts 9:1-18; 22:6-16; 26:12-18. Notice first that just any religion won't do, and that more than sincerity is required to be saved.

If Saul was saved when Christ appeared to him in the bright light, then Christ, Saul and Ananias were all too dumb to know it because Christ told Saul to "go into the city, and it shall be told thee what thou must do" (9:6).

Saul's vision was for a special purpose and that was to let him see the resurrected Christ so he could be an apostle (9:15).

Since faith alone is not enough, what did the penitent believer Saul have to do? Acts 9:17 promises him the Holy Spirit. It was received at baptism (Ac. 2:38).

What was the purpose of Paul's baptism? It was in order to wash away his sins (Ac. 22:16). His baptism being true scriptural baptism was "for the remission of sins" Acts 2:38.

What then did Saul of Tarsus do to be saved? During that age of miracles Christ appeared to him to call him to be an apostle. He heard the word in a different way from what we do today and the other cases of conversion in Acts, but so far as what Saul himself did to be saved, it was the same as the other examples of conversion and the same that we must do today to be saved. He HEARD the word of the Lord; he BELIEVED in Christ; he REPENTED of his sins and was BAPTIZED TO WASH AWAY HIS SINS!

SOCIETY

Wandjear (Kien) Williams Is Bride of Lawrence Wimberley
Miss Wandjear (Kien) Williams and Lawrence Rhea Wimberley of Abilene were married in a double ring ceremony last Thursday evening in Bowman Memorial Chapel in Lubbock.

The bride is the daughter of Mr. and Mrs. J. Marvin Williams of Lubbock, formerly of Ballinger. The bridegroom is the son of Mr. and Mrs. W. A. Wimberley of Abilene.

White mums and gladioli in urns and tropical foliage decorated the chapel for the candlelight service at which the Rev. Jack Gray officiated. Mrs. John Oldham, organist, played the nuptial selections and Miss Mary Jane Hartley, soloist, furnished the vocal selections.

Given in marriage by her father, the bride wore an original gown of white French lace and pleated tulle ruffles over net and satin. Designed with a high neckline framed with a peter pan collar edged with appliques of lace, the fitted bodice had a sheer yoke bordered with scalloped lace. The skirt was fashioned of alternating tiers of lace and tulle, centered front and back with a panel of lace. Her veil of silk illusion was attached to a tiara of rhinestones and seed pearls. She carried a prayer book arrangement of white orchids, stephanotis, tulle and velvet leaves.

Miss Marianna Key of Snyder was maid of honor. She wore a waitz length gown of shell pink tulle over taffeta.

Best man was L. W. Wimberley of Abilene, brother of the bridegroom. Ushers were Jimmie Williams of Brownfield, brother of the bride, and Doyle Gammill.

A reception was held in the church parlors. Mrs. Doyle Gammill played piano selections. Others in the houseparty were Mmes. Ernestine Ohnemus, E. J. Ohnemus, J. D. Gammill, Jimmie Johnson and Reba Wayne Williams.

The couple will live in England where he will be stationed with the Air Force. For traveling on the wedding trip to New Mexico and Colorado. Mrs. Wimberley chose a powder blue herringbone silk and cotton suit with white accessories and a white orchid corsage.

Both Mr. and Mrs. Wimberley attended Ballinger High School and Texas Tech at Lubbock. Mrs. Wimberley has been at-

tending Texas Christian University where she is a junior.

Philathea Class Meets In Behringer Home

Mrs. Sam Behringer and Mrs. Gertrude Woods were hostesses to members of the Philathea Class of the First Methodist Church Monday evening, entertaining in the Behringer home on Tenth Street.

Arrangements of zinnias and roses were used to decorate rooms where Miss Ollie Chenoweth, president, was in charge of the business after the opening prayer by Mrs. Felix Itz. Mrs. Behringer, chairman of the nominating committee submitted the names of officers for the ensuing year. They were: president, Mrs. Vernon

Webb; first vice-president, Mrs. Blair Hays; second vice-president, Mrs. Gertrude Woods; secretary, Mrs. Paul Richardson; assistant secretary, Mrs. Tom Caudle; treasurer, Mrs. C. R. Stone; teachers, Mrs. A. O. Strother, Mrs. Tom Patteson and Mrs. Itz.

Mrs. Ernest Caskey reviewed the book, "Angels in Pinnafores," by Alice Lee Humphrey. Birthday celebrants were Mrs. Troy Simpson and Mrs. E. R. Gordon.

Angel cake was served with peach ice cream. Other members present were Mmes. O. R. O'Neill, Cordelia Forgy, Vera Payne, Marion Hays, Raymond Smith, R. W. Earnshaw, Archie Smith and Miss Zaza Chenoweth. Visitors were Mrs. J. H. Shelburne and Mrs. Joe J. Martin and daughter, Patricia, of Amarillo.

Rural Voters Overwhelmingly Support Will Wilson for Attorney General

Will Wilson, Democratic candidate for Attorney General of Texas, has much in common with the rural folks.

He's a farmer too! He is sharing with many of them, disheartening experiences with the drought.

Wilson loves the land, and is a practical farmer. He spends all available time trying to fix his fences and to save the crops and trees he planted himself.

Wilson recently toured Texas with the Soil Conservation Service inspecting the small dam projects planned for creeks. He believes that this form of flood control is a possible solution to the water problem.

As attorney general, Will Wilson will act as legal advisor to the Agriculture Commissioner. During his campaign for Attorney General he has pledged strict enforcement of water conservation laws and water rights.

Rural voters of Texas feel that as their Attorney General Will Wilson can bring the attorney general's office closer to them and their problems, as he shares the same problems they have on their own farms.

In the July primary election, Wilson gained overwhelming support of the rural voters. He carried 206 out of 254 counties. In a four man race he received over 49% of the vote and a 185,000 vote lead over his nearest opponent. A total of 673,000 Texans voted for Wilson, in the primary, giving him more votes than any other candidate received in the governor's, lieutenant governor's, or attorney general's races. (Pol. Adv.)

WILL WILSON is pictured above as he inspects his burned-out crops on his farm near Brushy Creek in Williamson County.

Horseshoe To Present "Alexander The Great"

ALEXANDER THE GREAT
Frederic March, as Philip, thanks his son, Alexander, played by Richard Burton, for saving his life. Eurydice (Marisa de Leza) looks on gratefully. "Alexander The Great" was produced, directed and written by Robert Rossen.

Alexander The Great had three great loves—his mother, his lover and his wife.

The story of these loves is brought to the motion picture screen for the first time in Robert Rossen's "Alexander The Great", the CinemaScope Technicolor spectacle which opens Sunday for three days at the Horseshoe Drive-In Theatre. Richard Burton stars in the title role; Frederic March portrays Alexander's father, Philip of Macedonia; Danielle Darrieux is Alexander's mother and Claire Bloom is his lover.

The county supervisor relies on the advice of the committee in connection with all types of loans.

These include farm operating loans, loans to buy, improve or enlarge efficient family-type farms in the area and loans to establish and carry on approved soil and water conservation practices, farmstead water and many other conservation practices.

M-G-M's all-time great film version of "Annie Get Your Gun," the fabulous Irving Berlin musical which played to an audience of one million, five-hundred thousand spectators during its three-year stage run, will show Sunday, Monday and Tuesday at the Hillcrest Drive In Theatre.

Columbia Pictures' tempestuous comedy-drama, "Hot Blood," starring Jane Russell and Cornel Wilde, opens Sunday, Monday and Tuesday at the Hillcrest Drive In Theatre. A gay romance which combines unabashed sentiment with stormy passion to the sensuous rhythm of gypsy music.

Alive," starring Glenn Ford, Jeanne Crain and Broderick Crawford Sunday, Monday and Tuesday at the Texas Theatre. In a new M-G-M drama pregnant with suspense, and with a surprise shock ending that leaves the spectator limp in his seat.

"The Man With the Golden Arm," a United Artists release Wednesday at the Texas Theatre, is a bold and courageous film, dealing as it does with an untouchable theme (a man's fight against drug addiction), but even more important it makes for top-notch movie entertainment.

Ballinger Woman Honored As Local Weather Observer

Miss Pearl Witt has been complimented by the United States Department of Commerce for her fine work in recording the weather for this area. Miss Witt operates the government weather bureau at Ballinger and keeps a daily record of all that is shown on the various gauges located at their place on the Bronte highway just north of the city.

"On behalf of the secretary of the Department of Commerce and the Chief of the Weather Bureau, it is our privilege to present you a token of appreciation for long and faithful service as a weather observer. The enclosed emblem represents 10 years of unselfish weather service to your community, state and nation. You have added valuable data to the store of climatological information by keeping accurate records in all kinds of weather. We are grateful for your diligence over the years and it is a genuine privilege for us to honor you."

WHAT LEISURE? — Fred Dwyer, holder of the American record for the 2,000-meter track event, models leisure-time outfit for male members of the United States Olympic Team competing at Melbourne, Australia, this year. It features Bermuda shorts in gray flannel, knee-length wool hose, white short-sleeved sports shirt, white wool sweater with Olympic colors at neckline. Garb was modeled in New York City.

Lynn's granddaughter, Lynn Gustavus of Abilene and her house guest, Ann Cathey of Selma, Alabama; Jan Gray of Abilene; Mary Dean Lynn of Midland and Ginger Rush of Talpa.

Miss Gray also visited her aunt, Mrs. Pyle Gustavus while in Ballinger. Miss Mary Dean Lynn was also a visitor in the homes of Mrs. Warren Lynn, Mr. and Mrs. Estes Lynn and Mr. and Mrs. Harry Lynn.

Miss Pat Bell joined the group Friday night for a slumber party in the home of Mrs. C. J. Lynn.

Mr. and Mrs. Wilson Honored At Going Away Party

Mr. and Mrs. Jimmie Wilson were honored at a going away party Wednesday evening of last week in the home of Mr. and Mrs. Harold James, 1010 Eighth Street.

Mr. and Mrs. Charlie James assisted in hosting the surprise party.

Party rooms were decorated with arrangements of crape myrtle and other garden flowers, where games of bridge and dominoes were played. A sandwich plate was served with cake, punch and mints.

Gifts were presented Mr. and Mrs. Wilson who are moving from Ballinger to make their home in Abilene, with their children, Beverly and Larry Dobbins.

Others present were Mr. and Mrs. M. E. Mathis, Mr. and Mrs. Herman Virden, Mr. and Mrs. H. C. Davis, Mr. and Mrs. S. L. Ferguson, Mrs. Mary Thomasson and son, Tony, Pauline James, Tony Virden, Becky, Charles, Ricky, and Mike

Mathis. Ohlhausens to Family Reunion August 19

Dr. and Mrs. J. L. Ohlhausen and Leland and Nora Jean Ohlhausen attended a family gathering at Brady Park Sunday, August 19.

Dr. Ohlhausen's father, J. L. Ohlhausen Sr., of Abilene, met his brothers and sisters who reside at Brady. Seven of the eight Ohlhausen children and their families were present for the annual affair. They are: Miss Flossie Ohlhausen of Baltimore, Maryland; V. L. Ohlhausen, Gloy Ohlhausen, Mrs. A. L. Rippy and Miss Lola Ohlhausen, all of Abilene; W. T. Ohlhausen of Fort Worth, and Dr. J. L. Ohlhausen Jr., of Ballinger.

Seventeen grandchildren and five great grandchildren of Mr. Ohlhausen Sr., were also present at the reunion at which about 100 relatives were in attendance.

Dr. O. O. Ohlhausen of Sweetwater, was unable to attend the reunion.

Miss Gale Hays returned home last week from Durango, Colorado, where she has been a counselor at Silver Spruce Girls Camp. Miss Hays will leave in September for Breckenridge where she will teach journalism and history in Breckenridge High School.

Misses Peggy Branham and Connie Thomas of Vernon are here for a visit with Peggy's grandmother, Mrs. C. D. Harris. When they return to their home they will be accompanied by Miss June Harris who will visit in Vernon several days.

Miss Claryce Bednarz Is Bride Of Donald Dierschke

Miss Claryce Bednarz, daughter of Mr. and Mrs. Robert Bednarz of Slaton, and Donald Joe Dierschke, son of Mr. and Mrs. Joe Dierschke of Rowena, were married in St. Joseph's Catholic Church at Slaton Saturday morning.

The Rev. O. B. Kahlich, cousin of the bride, officiated at the double ring ceremony and the nuptial mass. Miss Joerita Kitten, organist, and Mrs. D. J. Hlavaty, vocal soloist, presented nuptial music.

The bride, given in marriage by her father, wore a gown of white Chantilly lace and tulle over silver satin. The lace bodice was enhanced with a tulle yoke trimmed with lace appliques sprinkled with pearls

Officers Working On Burglary; Tires Are Stolen

Runnels County law enforcement officers are investigating a burglary case which happened at Wingate last week-end. The Humble station there was burglarized and 19 tires valued at \$800 were stolen. No arrests have been made but officers are working on the case and have a number of suspects. A large part of the work for the past week was caused by worthless checking. Luther Hickman was charged with checking and a warrant for his arrest sent to Merker. Irene Scott Cason was filed on for checking and a warrant sent to officers at Coleman. Leo Freeman was apprehended at Rowell, New Mexico for non-support and he was released after paying back amounts and bringing his account up to date. A. G. Pinnell was filed on for several cases of checking in Ballinger and Winters. Officers have not located him but are still working on the cases. Mrs. R. W. Butler was filed on for checking and a warrant sent to officers at Cisco. Three juveniles were held the past week-end on theft charges and were released to their parents. James Jenkins was arrested at Colorado City on non-support charges and returned here. A wrecker was stolen from Joe Jones the past week-end and was later found abandoned at Brownwood. No arrests have been made. Carol V. Chamberlain was charged with assault with intent to kill and has been released on \$1,500 bond. H. C. Wilkins has been filed on at Brownwood for checking and a warrant mailed to officers here.

BALLINGER FACULTY READY FOR TEACHING
Tommy Russell of Winters was hired to teach general science in the Ballinger Junior high this fall. Securing him completed the faculty and all teachers are expected to be here for the first faculty meeting which Supt. Caskey will announce shortly. It was also announced this week that the additional teachers in the George Washington Carver school have been secured and will be ready for the opening of that school on September 4.

FOUR BEARCATS WITH MCMURRY THIS YEAR
The McMurry Indians at Abilene will be depending heavily on four Ballinger Bearcats this fall for a winning football team. The men are Eugene Dreyer, 180 pound guard; Tommye Parker, 190 pound tackle; Weldon Brevard, 160 pound half-back and Richard Tolver, 185 pound fullback. Dreyer joined the Indians last fall after lettering at guard two years with the Bearcats. Parker lettered as a lineman last year and prior to that played freshman football at A&M College. In 1953 he was an all-state tackle on the Bearcat team. Tolver played at McMurry last year and was one of the leading ground gainers. Before entering McMurry he played freshman football at Texas Christian University. In 1953 he was on the Bearcat team which went to the state finals. Brevard was one of the leading ground gainers with the Indians last fall and is the only starting backfield man returning this year. McMurry opens the 1956 schedule with Abilene Christian College on September 15 in Abilene.
