

THE BALLINGER LEDGER

VOL. 71

BALLINGER, TEXAS, OCTOBER 25, 1956

NO. 1

Farm Bureau Members Adopt 14 Resolutions

The Runnels County Farm Bureau at their regular county convention considered a large number of resolutions which they hope will be included at the state convention this year.

After the election of officers and other business matters, Clyde Simmons made the report for the resolution committee and after a discussion the following fourteen were approved by the county convention.

1. Commend the governor, representatives and senators for good representation in the legislature and Congress. Also commend these legislators for signing the southern manifesto and their stand on segregation and state rights.

2. The Runnels County Farm Bureau favors an amendment to the constitution to reorganize the supreme court so as to have justices elected, one from each of the nine districts and to serve for a term of six years. Terms to be arranged to elect three every two years.

3. Farm trailers should be excluded from license or registration, due to the fact that they are used for a very short time each year.

4. We strongly urge that attempts be made to make all school bus routes all weather roads.

5. We oppose the application of minimum wage laws to farm labor.

6. We urge the C. C. C. be instructed to continue its efforts in boosting the world trade of agricultural surplus products.

7. The Runnels County Farm Bureau favors resolutions requiring the Railroad Commission to require all companies to post sufficient funds or bonds to properly plug all oil wells, before permit to drill the well is granted and provisions be made to plug all present abandoned wells.

8. The farm bureau will put forth maximum effort to prevent any effort made to remove from our state statutes the Texas right to work law. The right to work without having to join any union organization or association, the farm bureau feels, is good for its membership and there is no need of forcing people to join a union or association. The farm bureau feels all citizens should have the right to join any union or organization they choose on a voluntary basis—but, under no circumstances should they be forced or compelled to join in order to obtain employment.

9. There is no justification, in farm bureau estimation, for compulsory unionism.

10. Farm Bureau will make every effort to insure that proper and fair water legislation is passed next session of the legislature. The farm bureau believes that any water legislation passed must properly recognize the importance of agriculture and the vital role it plays in our state and national economy. Any water legislation that tends to unduly penalize and does not permit farmers and ranchmen the privilege of having access to their fair, necessary and rightful part, will vigorously be opposed by the farm bureau. Farm bureau's policy with regard to the proper method of financing a statewide water program will be determined by the county farm bureau's voting delegates at the Texas Farm Bureau annual meeting in November. Even though farm bureau does not have a recommendation at this time with regard to financing, we do have a specific policy opposing the use of the state ad valorem tax to finance any water program.

11. Mineral and royalty reservations have been made on a large percentage of Texas land and these royalties and mineral rights are clouding the title to a large segment of our lands. The royalty and mineral holders pay no taxes on said minerals. The Texas Farm Bureau should favor a state law that taxes must be assessed on a pro rata basis between the landowner and mineral or royalty holder and giving landowners priority in redemption of property due to delinquent taxes.

12. We recommend that the Runnels County Farm Bureau

appoint a committee to study the water problems of Runnels County and work with the Runnels County Water Improvement Board.

13. We further recommend that the Runnels County Farm Bureau appoint another committee on farm-to-market roads and work with the commissioners and State Highway Commission with the ultimate goal of having all school bus routes paved.

14. We recommend that the state committee investigate and make a resolution in regard to improving the Smith-Doxey Cladding of Cotton.

Officers Accept Local Invitation For Meeting Here

The West Texas Law Enforcement Association met in Robert Lee last week for their regular session and program with approximately 200 attending the meeting.

The group met in connection with the open house of the new court house and business sessions were held there.

In the afternoon, Guy White of Ballinger, invited officials to hold their next regular meeting in Ballinger and the invitation was accepted. No exact date was set for the gathering here, but it will likely be held sometime during February. Program for the Ballinger meeting will be arranged by local officials as well as the special entertainment which will include a noon meal.

The Ballinger Chamber of Commerce will cooperate with local county officials in entertaining the group when they come here. Plans will be made within a short time and committees set up to look after the place and special events.

Attending from Ballinger were: Don Atkins, M. E. Gotcher, Earl Cope, Mildred Massey, L. L. Connor, John Wilson and Lee Moreland.

The association was organized in Ballinger at a special meeting of law enforcement officers held in June 1953.

Eisenhower Group Opens Office Here Until November 6

The Democrats for Eisenhower group has opened a downtown office and will man it until the general election is over on November 6. The office is located next door to the Ballinger Ledger in the space formerly occupied by the Ballinger school board.

Men and ladies will be in the office to distribute material, mail letters and other publicity materials and to do any other kind of work that is undertaken by the committee.

Jack Moore, local attorney, is chairman of the Democrats for Eisenhower group for Runnels County and Mrs. G. A. Swan is the Ballinger sub-chairman.

The group was formed at a meeting held at the city hall last week and a number of committees were named to look after finances, arrangements for a downtown office and the securing of a staff to man the office.

Local Eisenhower leaders were in Abilene the past week-end to secure materials to be used in the campaign.

BALLINGER HUNTERS GET COLORADO DEER

Two Ballinger hunting parties returned home last week-end from Colorado where they bagged their limit of deer.

A party composed of J. T. Gregory and Charlie Dankworth along with five others, each killed a deer, one of them being a 300 pounder with a wide spread of horns. They killed the big deer high in the mountains above the timber line and were unable to bring it out. They did take the head and brought it back to Ballinger.

Another party composed of George Newby, Arthur Giesecke and Earl Barr, who joined Jack Seales in Colorado, each killed one deer. They arrived home with the three deer Sunday afternoon.

Seniors Prepare For Annual Carnival

The above students and faculty members are examining prizes which will be given away Saturday night at the annual Senior Carnival at the library building on Eighth Street. In the picture left to right are: June Hash, Virginia Harrah, Bobby Burton, James Hays, Wm. F. Postlethwaite, Joe Forester, Mrs. Josephine Stallings and Mrs. W. N. Seiby.

Senior Carnival Feature Hallowe'en Party Here

Saturday night will be the big Hallowe'en observance in Ballinger with the annual senior carnival at the library building the main feature.

First feature of the carnival will be an all-school parade at 3:30 Saturday afternoon. The parade will cover all the business section and will be a reminder to all people to attend the carnival at night.

School officials and city police have announced that one block on Eighth Street, in front of the library, will be closed from 7:00 to 10:30 p. m. No traffic will be allowed on this street during those hours. Guards will be posted on the block and at the entrance to the library to keep order and try and eliminate the throwing of flour bombs while patrons are coming and going from the carnival.

Some of the patrons at the annual show have complained because their cars were marked up with soap while they were parked and others have had clothing soiled with flour bombs as they attended the carnival.

The above arrangements have been made for the benefit of the customers who plan to attend this year.

The seniors will be on hand to start the carnival at 7 p. m. and will continue as long as the crowd is present. This year all the usual attractions will be included and new ones added to entertain all ages.

One of the big attractions will be the bingo table where many worthwhile prizes will be awarded winners at the games. In addition there will be a terror house, cake walk, ring games and many other entertainment features.

This week and on until the end of the carnival, the election of a queen and king will be pushed by classes from the seventh grade through high school. Candidates have been selected from each class and votes are being solicited at 1 cent each. Tabulations will be kept up to date Saturday night and the winners announced at the crowning of the queen and king. Others in the contest will serve as the queen's court for the pageant.

This carnival is the one big money-raising event of the year for the senior class. Money from the carnival will provide funds for the annual senior trip next May and for other expenses of the class during the school year.

Ballinger people are urged to attend the carnival Saturday night anytime after 7 p. m. The seniors and faculty members will be on the job to entertain and they will appreciate the patronage of local people.

MORE RESERVE SEATS OFFERED LOCAL FANS

Joe Forester announced Tuesday morning that additional reserve seats have been placed on sale for the Coleman game Friday night. These seats can be secured at the Keel Drug Store until shortly before game time Friday.

A block of 60 reserve seat tickets was taken to Winters as the Blizzards have an off night and a number of fans from there desired tickets for the game here.

Mr. and Mrs. Gene Keel and children spent the past week-end at Dallas seeing the state fair and attending to business.

Palo Pinto Test Has Production In Norton Field

Palo Pinto production was extended one location west in the Norton, North multipay field with the completion of the Texas Co. No. 2-T, J. McCaughan, near Norton. It was finalized for a daily pumping potential of 45.32 barrels of 44 gravity oil. Top of pay was picked at 3,924 feet.

Warren Petroleum Co. has requested field designation of Fennell, North (Cisco) discovery allowable for production in that pay for their No. 3-LD T. W. Hord, Cisco and King sand production in the Fennell field, five miles west of Winters. From the Cisco it gauged 137.41 barrels of 41.8 gravity oil. This pay was topped at 2,974 feet. In the King sand it gauged 142.05 barrels of 43.6 gravity oil. This pay is topped at 2,812 feet.

Youngblood & Youngblood and Tex-Mex Drilling Co. of Dallas will drill an Ellenburger test, six miles southwest of Winters, their No. 1-Royal Bishop. The test will be drilled to 5,100 feet.

Murphy Corp. of Denver has filed application to drill a 4,800 foot Gray sand wildcat on the southeast edge of the Fennell multipay field. It will be their No. 4-Hord and located 4 1/2 miles west of Winters.

16 Grand Jurors To Report Monday

A grand jury venire of 16 people will report at 9 a. m. Monday to serve in district court. The jury will be sworn in and will investigate a number of cases that are to be presented by the district attorney.

Those summoned on the venire are: J. Milton Clayton, Talpa C. W. Curry Sr., Miles Mrs. Tom Caudie, Ballinger Mrs. George Poe, Winters Paul Draper, Winters Garland Nunn, Ballinger W. F. Minzenmayer, Winters John G. Schuhmann, Rowena Elmer Bryan, Winters Kirby Robinson, Winters Ray Dunn, Wingate M. L. Nixon, Bronte W. H. Craven Jr., Winters Guy White, Ballinger Joe Hambright, Ballinger S. E. Willis, Miles.

PICNIC AND DINNER ROWENA NOVEMBER 11

The St. Joseph's Parish will sponsor a public picnic and dinner on Sunday, November 11. This announcement was made this week by Rev. B. A. Erpen and the event will be given publicity in this area to attract a large crowd of people.

A delicious country sausage and turkey dinner will be served in the Parish Hall with the charge \$1.00 for adults and 50 cents for children.

This will be a good opportunity for Ballinger people to attend the dinner at Rowena. Service will start at 11:00 a. m. and be continued until everyone has been served. Those who attend church services can drive to Rowena and have plenty of time to be served dinner before the event is over.

A number of years ago Rowena staged an Armistice celebration each November 11 which included a turkey-sausage dinner. The affair attracted several thousand people each year.

BALLINGER MAN WINS IN GOODYEAR CONTEST

Two DeLuxe Goodyear tubeless tires, one of the prizes in the nationwide \$150,000 3-T safety sweepstakes sponsored by the Goodyear Tire and Rubber Co. was presented here today to Louis James, 409 Sealy Avenue.

The presentation was made by Ralph King, field representative of the company, at the C. A. Bissett Gulf Station on Broadway. Mr. Bissett is the Goodyear dealer in Ballinger. Mr. James is an employee of the city and entered the contest through the local dealer.

Designed to attract public attention to the ever increasing need for greater tire safety, the Goodyear contest was conducted for 11 weeks in June, July and August. Millions of persons from every state in the nation registered and 575 prizes were awarded with one coming to Ballinger. Top prize in the contest was \$25,000 in cash and ranged on down to the tires.

Assisting in the investigation were District Attorney E. C. Grindstaff, Ranger Ralph Rohatch, Patrolman M. E. Gotcher, Don Atkins and his deputies and County Attorney O. L. Parish Jr.

Other cases handled during the past week were:

Harry Wilson, negro charged with assault with intent to murder. He is being held in jail here.

H. L. Eaton charged with checking but no arrest has been made.

Mrs. John P. Kwon charged with checking in Tom Green County and a warrant mailed here.

C. K. Alexander charged with driving while intoxicated and fined \$77.80 and given three days in jail.

Sabino Fernandez charged with removing mortgaged property and a warrant sent to Marble Falls.

J. W. Nesbitt charged with removing mortgaged property and a warrant sent to Odessa.

Leo Speed, removing mortgaged property and a warrant sent to Sweetwater.

Willie Lee Smith, removing mortgaged property, warrant to Rochester.

B. F. Clawson, removing mortgaged property, warrant to Rotan.

Marilyn Labella charged with checking but has not been located to date.

Mary E. Echols is being held at Graham and is wanted here by local officers to face a charge of forgery.

Alexander Henner is being held in jail here as a run-away from Seymour, Indiana. The boy is 15 years of age and faces a charge of robbery there.

Highway Deeds Signed Bridge Contract Soon

County Judge W. H. Rampsy stated Tuesday that all deeds for right-of-way on the first 8 of a mile of highway 67 west of the Colorado River have been signed and practically all of the other requirements reached.

The contract for the new bridge across the Colorado River and the first 8 of a mile of four-lane highway is due to be let by the State Highway Commission at their meeting which starts on November 20. Judge Rampsy stated Tuesday that everything was out of the way which would prevent the letting of a contract.

The county only has one easement to be secured and negotiations are underway for this document. This would be at a low place where a culvert under the highway would cause a small ditch across a piece of property to drain water.

All but two of the houses on the south side of the present highway have been moved and the other two have made contracts for moving. An electric line will have to be moved and certain work done on the city's water line that serves South Ballinger and Bruce Field.

The county has placed its money in escrow for curb and guttering and has met all other requirements of the state. The city has also completed its arrangements from Tenth Street to the west city limits which included the securing of a small amount of right-of-way, curb and guttering and other requirements.

Judge Rampsy stated that the people along the right-of-way have cooperated in a fine spirit and that the job of securing the needed land, moving of houses and other requirements have been met with less difficulty than expected.

2,500 Visitors Inspect Packing Plant Sunday

Visitors numbering around 2,500 visited the Gabbert Packing Company Plant here Sunday afternoon. The open house started at 1 p. m. and a big crowd was on hand steady until 5 p. m. when door prizes were given away and the program closed.

Registration was held on the outside of the building and the visitors were taken through in small groups with an employee explaining the various rooms and how they are used. In the lobby, adjoining the suite of offices, Tom Caudie, manager of the Ballinger Chamber of Commerce, explained the tour of the plant and expressed appreciation of the management for those attending.

From there the group was taken into one of the processing rooms where each piece of machinery was explained and refreshments served. Next a stop was made in one of the chilling rooms which will accommodate 100 beefs at a time. Visitors were shown a refrigerated room where cured meats were kept and then into the slaughter room. The cold vaults were not opened for the tour.

It was explained that the plant was one of the only government inspected plants between Fort Worth and El Paso. Locker rooms for employees and also the inspector's office was pointed out by the tour guide.

Feed pens are located at the rear of the building with concrete chutes running to the slaughter room.

The Gabberts buy livestock and feed in their own pens until stock is ready to be killed. The meat is then processed and distributed to a wide section of West Texas in refrigerated trucks.

A total of 27 employees are being used at the present time and others are expected to be added when additional territory is included by the firm. Much of the livestock is purchased locally.

Clyde and Thomas I. Gabbert express their deep appreciation for the fine attendance at the open house and for the many complimentary remarks in regard to the modern \$150,000 plant.

One door prize went to Mrs. Lee Sykes of Ballinger and the others went to persons who registered from Rowena, Sweetwater and San Angelo.

Registrations showed visitors from as far away as Lubbock and San Antonio. Practically all towns in this part of Central West Texas were included.

THREE COUNTY AGENTS TO STATE CONFERENCE

Miss Ollie Chenoweth, C. T. Parker and Jim Haralson will leave Sunday for A&M College where they will spend all next week attending a conference.

The meeting has been called by extension service workers with all agents in Texas to attend. It will be a planning meeting and a full program has been announced for the entire week.

Mr. and Mrs. Bill O'Neill of Lubbock returned to their home Tuesday morning of last week after visiting in the home of Mr. and Mrs. O. R. O'Neill.

Bearcats Crnsh Lobos At Cisco Friday Night

The Ballinger Bearcats won their first conference game of the 1956 season at Cisco Friday night when they defeated the Lobos by a score of 53 to 18.

It was the Bearcat's game all the way and Coaches Bill Gosney and Paul Stewart swept their bench clean by using the second stringers most of the second half.

Early in the first quarter, Wesley Stokes scored on a 40 yard gallop with Jerry Candler running the extra point over from the 3. In the second period Rodney Flanagan went around end for ten yards and a score and Candler passed to Mack Petty for the extra point. A short time later the Bearcats advanced the ball to the Cisco 1 yard line with Stokes carrying over. He then carried it over for the extra point. Candler broke into the parade when he circled end for 13 yards and a score. The kick for the extra point was no good. Just before the half, Stokes broke away for 55 yards and a score.

In the second half the Bearcats hit again, this time with Flanagan breaking away for a 55-yard scamper and a score. The kick failed for the extra point. In the final period, Carroll Edwards scored after a beautiful 39-yard run and then passed to Ralph Dankworth for the extra point. The final Ballinger score came on a pass play from Bobby Burton which found Dankworth on the goal line. Edwards' place kick was through the uprights for the extra point.

Benji Lipsey was the "whole show" for the Lobos with a good running, passing and kicking game. He scored all three touchdowns against the Bearcats but failed in his effort for an extra point.

The Bearcats racked up an even 500 yards on ground plays and passed five times, completing 3 for 28 yards. They

intercepted four Lobo passes and recovered two fumbles.

In the second half a backfield composed of Burton, Edwards, Hugh Campbell and Charles Stubblefield made good gains while some of the regulars were resting and watching the game from the bench.

The entire Bearcat line was effective on defense.

SPORTS

The Bearcats will be back at home this week with the big one coming up. The Coleman Bluecats will move into Bearcat Field and right now after defeating Winters last week, they are riding in the favorite spot in the district. The Bluecats showed plenty of condition, fight and determination last week when they came from behind and in the last five minutes of the game, scored three touchdowns.

This will be the first appearance of a Coleman team in Ballinger in four years. Changes in the district in recent years have caused Ballinger to play the regular district game in Coleman for the last three times. In addition, the Bearcats met Comanche there in 1953 to make four appearances in Coleman's Hufford Field since Coleman has played here.

The Bluecats have a fine squad this year with plenty of reserve material, a good running attack and they also pass. The Bearcats will have a full evening's work cut out for them in taking care of the blue and white clad visitors.

The Bearcats have been coming along fast and improving with each game and will be right mentally for the Bluecats this Friday night. Coleman is

sending a big delegation along with the team which will include their fine band and yelling section. It will be the big home game of the season with lots of color and hard play. Kick-off time is 8 p. m.

The Ballinger B team lost their first game of the season Saturday night when the Trent team pushed them over by a score of 31 to 7. One reason for the defeat was because a large number of B team boys were used in the game at Cisco Friday night and were not eligible for play Saturday.

The junior Bearcats will meet the Coleman juniors here tonight in a regular district game. It will be a twin bill with the reserves playing at about 6:30 and the regular junior game at around 7:30.

The B-Team has an open date this week-end.

NORTON-MILES MEET AT NORTON TONIGHT

An important, and one of the most important, six-man football games for this area will be played at Norton at 8 p. m. tonight when the Norton Eagles meet the Miles Bulldogs. The game will be played on the Norton Field under the lights and is expected to attract the best crowd of the year.

Both teams have good records for this season and the game will have an important bearing on their standing.

SPECIAL SERVICES FOR ROWENA CHURCH

Zoar Evangelical and Reformed Church of Rowena will hold its annual mission festival Sunday. The morning service will be at 10:30 a. m. and the evening service at 7:15 p. m. At 4 p. m. there will be a fellowship period followed by a light supper arranged for by the Women's Guild. The special offering of the day will be devoted to the mission work of the Evangelical and Reformed Church. Visitors are welcome.

Wedding announcements and invitations. Beautiful stock with latest type faces. Ballinger Printing Co.

Lutheran Church Mission Festival Here Next Sunday

Bethel Lutheran Church will celebrate its annual Mission Festival Sunday with a special worship service, dinner and afternoon program. The Rev. A. B. Wagner of Kerrville will be the guest pastor for the worship service.

In this service special thanks will be given to God for all His blessings upon the efforts to bring the gospel to all nations. Also this service will give the members of Bethel an opportunity to bring a special offering to be used exclusively for world missions.

With these offerings, Bethel Lutheran, together with other congregations in the Lutheran Church, Missouri Synod, will help open 135 mission stations in the United States in the next year. They also have over 350 missionaries preaching the gospel in 24 foreign countries.

After the service, dinner will be served by the ladies of the congregation in the Parish hall.

Since this Sunday is also Reformation Sunday, the film, "Martin Luther" will be shown at 2:00 p. m. at the church.

This film portrays the dramatic story of the 16th century monk who set out to find God's truth and became the "Father of the Great Reformation."

"Martin Luther," which has won international acclaim as a full-length motion picture, was produced by Louis de Rochemont Associates of the Lutheran Church Productions, Inc. It was filmed in Germany and has been seen by 20,000,000 Americans during the two years of theatrical showings.

The people of Ballinger are invited to spend the day with the Bethel congregation.

Pastor W. H. Ringhardt has announced that all the plans are completed for the evangelistic services which will be held at the Bethel Lutheran Church, November 4 to 8. The Rev. A. O. Rast, field secretary of the mission board of the Texas District of the Lutheran

APPLE OF THEIR EYE—Vice President Richard Nixon got a fruitful farewell as he departed from Minneapolis, Minn., recently. The bon voyage gift, an apple, was presented by the MacKinnon brothers—James, eight, and Leonard, four. Looking on is the proud donors' father, U.S. District Attorney George E. MacKinnon.

Church, Missouri Synod, will be the guest evangelist.

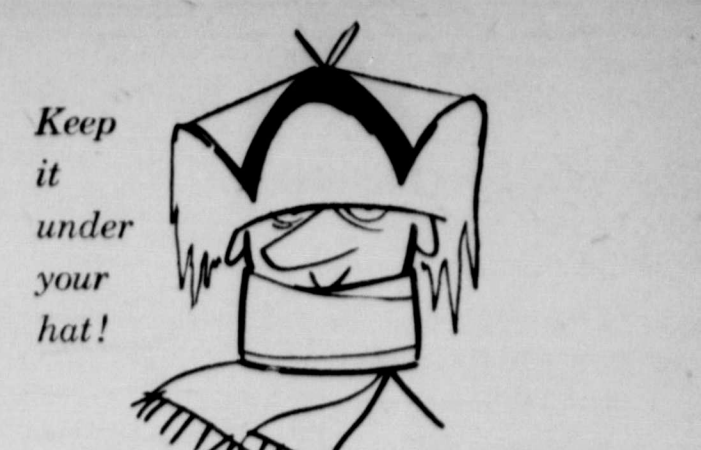

BALLINGER STUDENTS AT DISTRICT SESSION

A group from the Ballinger High School Student Council attended the meeting of the Oil Belt District held in Abilene last Saturday.

Registration started at 8 a. m. and the program lasted most of the day. The Ballinger group led the discussion on "How can the student council learn about, interpret and use the moral and spiritual feelings of the students?"

Other subjects in the discussions for the day included:

1. What can the student council do about cheating?
2. How can the student council promote better voting habits?
3. What is expected of the average student council member?
4. How can the student council develop good sportsmanship between schools?

IT RUNS ON PARAFFIN OR ANYTHIN'—The Rover T-3, Britain's latest gas-turbine car, goes on display, following tests by the British Motor Industry Research Association. Fuel consumption of the car, not yet in production, has been described as "reasonable." During tests at 40 miles per hour, the T-3 did 13.8 miles per gallon of "paraffin," British terminology for "kerosene." On a high-speed test track, the Rover was timed at 102 miles per hour with plenty of power in reserve. The T-3 features a four-wheel drive and a glass reinforced plastic body.

Juniors To Trick-or-Treat Here

To Arab refugee children, born since the partition of Palestine, milk is not just a mid-morning snack. These youngsters are non-existent, according to statistics of the feeding program established at the time of partition, providing for an emergency diet of 1500 calories per day per person. Without ration cards, the children are dependent on the meager rations of their parents, unless they receive help from other sources. U.S. surplus milk can be sent to them through efforts of the Christian Rural Overseas Program of Church World Service.

Ballinger Juniors To Trick-or-Treat Wed. Evening

Junior boys and girls of Ballinger are anticipating an adventure in sharing as they plan a Halloween trick-or-treat collection for the Christian Rural Overseas Program on Wednesday, October 31.

Participants in this project to raise funds for this overseas relief will make a house-to-house visit, seeking cash contributions, between 5:00 and 7:00 p. m. on the above date. CROP identification tags and labels on sealed money containers will identify the young people as they make their calls.

Under the sponsorship of the Ballinger Council of United Church Women, the project was organized in this community

for their interest and concern for hungry people. It replaces the customary Halloween trick-or-treat appeal for edible luxuries, with proceeds of the campaign going through CROP to feed people overseas who never have enough to eat.

Through CROP, contributions to the youth project will send government surplus foods released free to the "share our surplus" program of Church World Service, to feed victims of hunger overseas. Handling and distribution of the surplus food costs less than a penny a pound. The distribution is handled by church agencies.

Following the collection Wednesday night, young people will meet at the First Christian Church on Broadway for a social hour and refreshments.

All churches in Ballinger who are affiliated with the United Council of Church Women will provide groups of juniors to assist with the door-to-door visits.

YOU ARE INVITED . . .

Evangelistic Services

Bethel Lutheran Church

Local Pastor: THE REVEREND W. H. RINGHARDT

What is Evangelism?
It is the telling of the Gospel; it is also an invitation to an encounter—an encounter with the risen Christ!"

WILL YOU COME . . . To hear the Gospel? . . . to learn of forgiveness?

Regional Network Now Carries Methodist Home Choir

The special choir of the Methodist Home for Children in Waco is one of the nine music groups heard on the program, "These Are Your Children," broadcast over a regional radio network of nineteen stations in Texas and New Mexico. The four hundred children of the Home present the program of story and song every Sunday morning at 8:15. Stations carrying the program include WFAA Dallas, and KWFR San Angelo.

OLFEN HOME DEMONSTRATION CLUB
The Olfen Home Demonstration Club met last Thursday in the home of Mrs. Erwin Halfmann. Miss Ollie Chenoweth gave a demonstration on the reseatting of chairs. The Olfen club also voted to help with the window exhibits to be staged in Ballinger for achievement day.

Miss Pauline Shiller gave the report on the state and national convention held recently in San Antonio. The club will make gifts for the state hospital at Abilene for Christmas.

The hostess, Mrs. Erwin Halfmann and Mrs. W. J. Halfmann served a salad plate to the members and five visitors.

Half the people who preach preparedness don't have a cent laid up for a rainy day. There are other things in this world besides money. But the trouble is you can't get them without it.

Congratulations

To Clyde and Buster Gabbert

on the formal opening of the

Gabbert Packing Co.

In Ballinger

We rejoice with father-son combination in their success and the opening of their \$150,000 plant to serve West Texas retail meat dealers.

We believe that the plant is a real asset to Ballinger and recommend that users call for

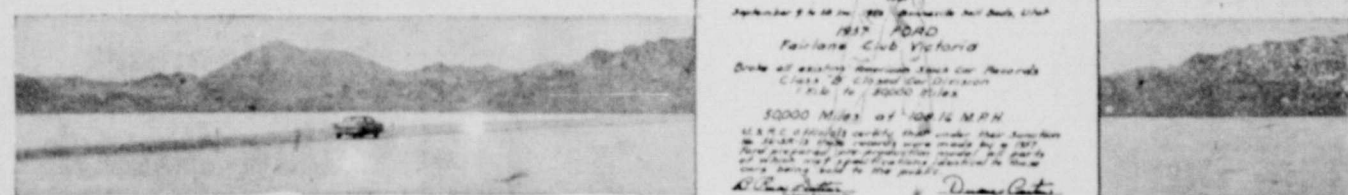

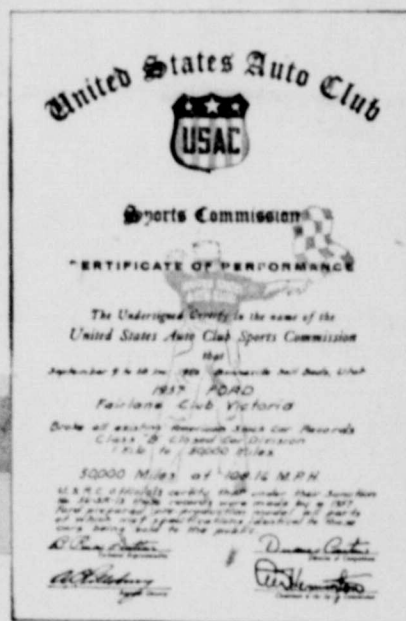

Gabbert's Products

when they shop.

CAL ADAIR

Distributor of Good Gulf Products

Never before in history has anything built by man traveled so far in so short a time—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Fédération Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run. . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves. Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did: They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability. Yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy . . . and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

FORD goes First

Frank & Lanham Flynt Motors

High Street and Strong Avenue

Payload leader! Ford's T-500 is rated to carry up to 2 1/2 tons more payload than other comparable tandems. You get a choice of two V-8's, 200- and 212-horsepower.

Highest pickup! New 8-ft. box gives you more loadspace than any other 1/2-tonner. 6 1/2-foot box has full 45-cu. ft. capacity.

For big jobs

...small jobs

...all jobs

FORD TRUCKS COST LESS

...less to own...less to run...last longer, too!

• Before you buy your next truck, look at both sides of Ford's story of value. You'll like what you see.

Look at costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for longer life.

Look at what you get and you'll

see you get more for your money in a Ford. For example, only Ford gives you modern, gas-saving Short Stroke power in every truck, V-8 or Six. More comfort with a Driverized Cab. More safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

The big fleets buy more Ford trucks than any other make

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Members of South Ballinger home demonstration club and a visitor, Mrs. Ross Smith, met October 16 in the home of Mrs. J. P. Boothe for an all-day meeting and to work on a quilt. Mrs. Archie Wallace, president, was in charge of the business after members answered roll by naming "Things To Do This Month." Mrs. Ed Parley gave the prayer and Mrs. J. C. Reese gave "The Thought For the Day." Mrs. Tom Crockett, alternate council delegate, gave the report of the last council meeting. The club voted to make toy animals for the patients at McKnight Hospital to be given to children at Christmas. Reports on the state and national home demonstration convention which met in San Antonio, along with the 4-H workshop were given by Mrs. J. L. Ohlhausen and Mrs. Crockett.

Mrs. B. M. Batts gave a demonstration on the making of neck scarfs, and Mrs. Ohlhausen gave a demonstration on the basis of leadership, knowledge and proficiency in military subjects and academic standing.

hausen demonstrated the making of two-piece covered dress buttons. At the recreation period, Mrs. John Cody read "The Diary of a Homemaker." Miss Ollie Chenoweth, Mrs. J. W. Jones and Mrs. Dick Holstead were luncheon guests at the noon hour and Mrs. Boothe served iced punch in the afternoon.

Other members present were Mrs. C. D. Harris, Mrs. Joe Thomas, and Mrs. R. R. Holstead. The next meeting will be held on November 6 in the home of Mrs. John Cody. Economy in the matter of

time and money are the chief factors in reaching the pinnacle of success. Experience always provides the raw material for a lot of unnecessary conversation. India Ink—Ballinger Printing Co.

At the Hillcrest . . .

One of the year's biggest musicals comes to the Hillcrest Theatre Thursday and Friday with the showing of "Meet Me in Las Vegas," star-studded M-G-M production in CinemaScope and color, with Dan Dailey and Cyd Charisse heading a parade of top show business names.

Laid against backgrounds of America's favorite playground, with much of the footage actually shot in the famed desert resort, the picture unfolds the romance of a carefree Nevada rancher and a glamorous dancer, who find that love and luck go hand-in-hand when they hold hands.

NAPKINS for every occasion. Cocktail and luncheon sizes in all colors. Special designs for anniversary celebrations and parties. These can be bought with printed names and dates in all colors of ink including silver and gold. Ballinger Printing Co., Phone 8522.

At the Texas . . .

What must go down on the books as the roughest location trek of modern picture-making was completed by Victor Mature and Janet Leigh, who star in Columbia Pictures' "Safari," African spectacle at the Texas Theatre tonight Friday and Saturday, in color by Technicolor and CinemaScope. The company drove, by auto caravan, from Nairobi to a location site in the Mau Mau heartland of the Kenya jungle, a distance of 200 miles.

The United States Marine Corps lent its full cooperation in the filming of "Hold Back The Night," dramatic and poignant story of a brave company of Marines engaged in the Korean campaign in mid-winter of 1950. Starring John Payne and Mona Freeman, the Allied Artists film is showing tonight, Friday and Saturday at the Texas Theatre.

Two of Hollywood's brightest new stars, Tab Hunter and Natalie Wood, are co-starred in Warner Bros.' new dramatic thriller "The Burning Hills," which opens Sunday and Monday at the Texas Theatre. Filmed in CinemaScope and WarnerColor, "The Burning Hills" is said to promise action and romance.

Alfred Hitchcock's famed techniques for creating the ultimate in movie tension, by building the most ingenious plot situations in the most unusual settings, will be given their most dramatic presentation in "The Man Who Knew Too Much," which opens Tuesday and Wednesday at the Texas Theatre with James Stewart and Doris Day starred.

BIRTHS

Mr. and Mrs. Jack Williams of San Angelo are parents of a daughter born October 16. She weighed 8 pounds 6 ounces at birth and has been named Mary Kay. Grandparents are Mr. and Mrs. Austin Williams and Mr. and Mrs. Johnnie Baker of Ballinger.

Mr. and Mrs. Darrell Green of Ballinger are parents of a boy, born at 11:40 a. m. Tuesday, October 16. He arrived at the San Angelo Clinic Hospital and has been named Nicky Darrell. His weight at birth was 3 pounds 14 ounces.

Grandparents are Mr. and Mrs. Ralph Edens of Talpa, and Mr. and Mrs. Elmer Green of Ballinger. Great grandparents are Mr. and Mrs. H. E. Evans of Talpa. Mrs. Green is the former Miss Ann Edens of Talpa.

Mr. and Mrs. Monroe Hoelscher are parents of a daughter born at Pierre, South Dakota on September 28. The baby weighed 4 pounds 3 ounces at birth and has been named Denise Leann. The paternal grandparents are Mr. and Mrs. L. A. Hoelscher of Ballinger.

LIVESTOCK PLENTIFUL AT SALE HERE MONDAY

The livestock sale at the Runnels County Auction and Commission Company barn Monday had a nice run of cattle and sheep. A large number of buyers were on hand and market on all classes was 1 to 3 cents higher.

Dub Clark of San Angelo was the auctioneer for the Monday afternoon sale.

CUB PACK MEETING HERE MONDAY NIGHT

The Ballinger cub pack meeting will be held at 7 p. m. Monday night at the high school auditorium. A good attendance is expected and plans for special events will be made at this session. All parents, den mothers and active leaders in cubbing are urged to be present.

BOY SCOUT CAMPAIGN FUND IS SHORT HERE

The annual boy scout fund campaign has reached a total of \$1,933 which is still short more than \$850. The drive for funds is still open and Charles Hambrick, local chairman, will be glad to accept a check from persons that were missed in the regular solicitation.

The Ballinger scouters set a goal of \$2,800 here and they still hope to reach that amount. A citywide campaign has been staged, however a large number were missed and have not been contacted. Others delayed making their gifts and some money is expected yet but not a sufficient amount to reach the goal.

TEX CARSON CIRCUS WILL SHOW TONIGHT

The Tex Carson Circus will give a performance tonight at 8 o'clock at the big-top in South Ballinger, to the right of Highway 87 just across the Colorado River. The big show rolled in to town today and started at once setting up and getting ready for the capacity crowd expected.

Twenty feature circus acts are booked on the program, including many trained animals. On the mid-way will be seen the famous 4-ton hippopotamus, said to be the largest on tour. Another feature attraction is a mother gorilla and baby. Aside from the animal acts there are trapeze artists, acrobats, jugglers, clowns and something to please everyone.

NEW OFFICERS NAMED FOR AUCTION COMPANY

The Ballinger Auction and Commission Company held its annual meeting Saturday afternoon in the directory room of the chamber of commerce.

Reports for the past year were heard and the following officers and directors elected.

Tom Caudie, president
W. E. Middleton, vice-president
K. V. Northington, secretary-treasurer.

Directors named are Elmer Patton, J. M. Pyburn, R. F. Virden, all of Ballinger and W. M. Eloff of Winters.

GIRL SCOUTS STAGING HALLOWEEN CARNIVAL

Ballinger girl scouts will stage a Halloween Carnival at the girl scout house on Fifth Street, Wednesday, October 31, from 6:30 to 9:30 p. m.

They will have a large number of games including bingo and fishing ponds, and other entertainment for the public.

The girl scouts are starting a fund for a camp next spring and all money made from this carnival will be placed in that account.

The public is urged to attend and take part in the games and contests.

Pvt. and Mrs. Raleigh Reese and Raleigh III, visited here last week with Mr. and Mrs. Raleigh Reese. Pvt. Reese is stationed at Fort Rutherford, New Jersey, but is attending a special school at Fort Sill, Oklahoma for the next eight weeks.

Mrs. Reese and baby will visit in Perryton with her parents and here with Mr. and Mrs. Reese.

Mrs. John Reese visited in Midland the past week with her son and daughter-in-law who have recently purchased a new home there. John Reese and his wife are both recent graduates of Sul Ross State College at Alpine and he is employed as an assistant engineer at the Core Laboratories, Inc.

Mr. and Mrs. J. A. Schnable of Mexia spent the past week-end here visiting friends. They had been to Kerrville where their son played in a football game on Friday night. He is attending Arlington State College at Arlington this year after graduating from Mexia High School in May.

Jim Erwin, son of Mr. and Mrs. B. H. Erwin, has been promoted to the rank of corporal. He is stationed at Miami, Florida with the Marine air group in the electronics department.

Mr. and Mrs. Bob Agnew and baby daughter, Lesa Kay, will return to their home in Midland this week after visiting their parents, Mr. and Mrs. B. M. Batts and Mr. and Mrs. H. G. Agnew. Mr. and Mrs. Agnew also attended the Dallas Fair while on their vacation.

Ready money is seldom ready when one needs to borrow some.

as one of America's top pin-up queens. One famous artist of beautiful girls once remarked that Joi has the combination of beauty, looks, walk and voice that makes her about the most desirable woman he has ever seen. It is with these attributes aptly displayed in "Hot Cars," that may win the Salt Lake City-bred beauty film fame.

"Hot Cars," a Bel-Air Production, being released by United Artists, is an expose of the stolen car racket which has been under Congressional investigation. Aubrey Schenck is the executive producer of the film which stars John Bromfield, Miss Lansing and Mark Dana, and was produced by Howard W. Koch and directed by Donald McDougall.

Bros. in Technicolor and Vista-Vision, "The Searchers returns to the screen the great actor-director team of Wayne and John Ford, which has thrilled audiences so many times with motion pictures such as "Stagecoach" and "The Quiet Man."

"Hot Cars," which opens on November 1, 2 and 3 at the Horseshoe Drive In Theatre, co-stars a blonde, curvaceous beauty in the type of role that catapulted Marilyn Monroe to film fame in "Asphalt Jungle." She's Joi Lansing, about the most seductive female as has appeared on the silver screen.

Joi has graced the cover of "Life" and hundreds of other publications as well as G. I. barrack walls all over the world

SOCIETY

Stitch-in-Time Club Hosts Luncheon

Members of Stitch-in-Time sewing club included Mrs. Willie Hoover and Mrs. Othell McCorstin Tuesday when they were hosts at a luncheon in the home of Miss Mickey Vorbeck on Ninth Street.

Fall floral arrangements and pot plants were used to decorate the living room and a bowl

of fruit formed the centerpiece for the dining table.

Mrs. N. L. Stevens, president, was in charge of the business and read the scripture reading. Members answered roll by giving a verse from the Bible. Fall names were drawn for Christmas gifts.

The next meeting will be held in the home of Mrs. T. M. Marsh.

Mary-Martha Class Has Covered Dish Dinner

A covered dish dinner was the diversion, along with a business meeting, when members of the Mary-Martha Class of the First Baptist Church met Tuesday evening in the Recreation Hall of the church.

Mrs. Otto Wood, president, conducted the business session when new projects for the year and yearbooks were discussed.

Tables were centered with Halloween decorations and arrangements of fruit, vegetables and autumn foliage.

Others present were: Mmes. B. M. Batts, William Hill, O. C. Sykes, J. T. Owens, I. M. Turner, R. R. Holstead, George Scruggs, David Duke, White, Hubby Clark and Alda Mae Hirschfeld.

Women Attend Girl Scout Leadership Training Course

Mrs. Lloyd Downing, Mrs. John E. Green Jr. and Mrs. Calvin Howell attended a 16 hour group leadership course in Girl Scouting which was given one day a week for the past three weeks in Coleman, Ballinger and Winters, for the

purpose of preparing for leadership and plan with local troops a good program based on Girl Scout and Brownie ideals.

These prospective leaders who had had no Girl Scout training, attended all sessions and received a leadership certificate. The Girl Scout leaders job is, primarily, to help each girl become a happy, confident, useful member of her troop, home, school and church, and to help all girls learn to work and play together democratically so that they may share their abilities as citizens in their communities, country, and

the world. Mrs. Green and Mrs. Howell will be leaders for a new Brownie troop, and Mrs. Downing will be assisted by Mrs. W. R. Gray in working with another Brownie Troop.

Mrs. Ruth Hoyle of Brownwood, was the training leader. Mrs. Charles Clifton, a Ballinger Girl Scout leader, attended two sessions.

Methodist Workers Class In Lee Evans Home

Mrs. Tom Crockett, the newly installed president, was in charge of the business for the regular meeting of the Workers Class of the First Methodist Church Wednesday afternoon in the Lee Evans home on Eighth Street.

Mrs. Evans and Mrs. John Loveless were co-hostesses in entertaining rooms decorated with pyroantha berries and queen's wreath. Mrs. A. O. Strother gave the opening prayer. The president heard reports from the secretary, Mrs. Evans, and the treasurer, Mrs. Hatton Laxson. Mrs. W. R. Clark gave the prayer and devotional. The meeting was closed with the Lord's Prayer being repeated in unison.

At the social hour, Mrs. Laxson gave a talk and showed pictures taken while vacationing in Oregon, Washington and Canada. Hostesses served confetti angel food cake to those previously mentioned and to Mmes. Hamp Byler, C. D. Harris, Sally McShan, Asa Cordill, C. H. Midgley, W. E. Middleton, C. M. Gibson, Vida Little, W. E. Midgley, Bob Crockett and Lillian Holt.

Party napkins for every occasion. Cocktail napkins in all colors and for special occasions. Printed in any color including gold and silver. Ballinger Printing Co.

DEATHS

Mrs. Leon Rice

Mrs. Leon Rice, 39, died at 6:30 a. m. Tuesday at the Ballinger Clinic-Hospital from a heart attack. She entered the hospital three days prior to her death.

Mr. and Mrs. Rice and her mother, Mrs. Susie Waites, moved to Ballinger from Sweetwater on Thursday of last week. He is with the Republic Exploration Co. and was to be stationed here for some time.

The family was making their home at 800 Murrell Avenue. Decedent was a member of the Baptist Church.

The Park Funeral Home of Okemah, Oklahoma came to Ballinger and returned the body there where funeral services are scheduled for today.

Mrs. A. J. Gottschalk

Mrs. A. J. Gottschalk, 31, died last Thursday in a Houston hospital following an illness of three months. She became ill here and was sent to Houston to be treated by specialists. Decedent was born at Olfen on August 15, 1925 and was married to Mr. Gottschalk at Olfen on October 29, 1946. They had made their home here since that time. She attended school in Austin for a short time before her marriage.

Funeral services were held at 9:30 a. m. Monday at St. Mary's Catholic Church. Rosary was recited at 7:30 p. m. Sunday at the Newby-Davis Funeral Chapel.

Survivors are her husband, two daughters, Shirley Marie 6 and Debra Ann 2½ months; her mother, Mrs. Emilla Schaefer, Ballinger; two brothers, Lester Schaefer, Ballinger; Roy

Schaefer, Norton, and the maternal grandmother, Mrs. Henry Minkotter, Houston.

Scout Camporee Saturday-Sunday Camp Sol Mayer

An overnight camping experience will be conducted at Camp Sol Mayer on Saturday and Sunday, October 27 and 28, for the purpose of training scouts in second and first class outdoor requirements.

T. Wood of Melvin will be in charge of the camporee and will be assisted by instructors in first aid, knife and axe, tracking, trailing, stalking, compass, wildlife, woodlore, directions, measuring, map sketching, signaling and cooking.

Units from Silver, Robert Lee, Bronte, Rowena, Miles, Ballinger, Eden, Menard, Junction and Brady are to attend.

The program will begin with a campfire at 7:30 p. m. Saturday. A scouts own religious program will be conducted Sunday morning and the closing ceremony will be held at 2 p. m.

GRAND MASTER HERE FOR VISIT MONDAY

Grand Master Tom H. King of the I. O. O. F. Lodge of Texas made his annual visit to the Runnels Lodge No. 291 last Monday night. Members of the Rebekah Lodge served refreshments and then retired for a closed session of the local order.

After the meeting a session of the Grand Lodge was held and the past grand and grand lodge degrees were conferred on 11 candidates. Old Fellows from Fort Concho Lodge No. 266 also attended the meeting.

WEST TEXAS NOTES

Beneficial rains, in fact the best fall rains in several years, have covered Runnels County and have added smiles to the faces of farmers and ranchmen. Most sections have received around 3 inches or better and the way the rains came on three different occasions, have given the dry ground considerable moisture. Small grain drills will get started as soon as it is dry enough to start planting and many acres of land will be sown in oats and wheat. Some of this may provide fall and winter grazing for livestock if conditions remain favorable. All local people are encouraged because of the rains and are looking forward to the possibility of the first winter under-ground season in the past seven years. In most sections the rains have provided surface water and most streams in the county have run through, some with fairly good rises reported.

Christmas is getting an early start in Ballinger this year with a number of stores displaying their gift merchandise early. The merchants are offering convenient lay-away plans on all toys and other gift items. They are stressing early shopping and pointing to the advantages of making gift selections now while stocks are complete and having them gift wrapped and ready when they are needed in December. This type of shopping offers other advantages. It can be done with leisure and minus that last minute hurry and tension. It will also make the Christmas holidays a happier occasion with all shopping over and time left to enjoy the full meaning of Christmas. It is also a good time to look at the services offered by hometown merchants and they will be happy to have the entire family visit their stores.

Absentee voting for the general election is underway and will continue until three days before the voting on November 6. Those who know they will be out of the county on election day may cast a ballot now

A total of 17 Melvin boys have entered the McCulloch County commercial feeding program. This included 14 FFA boys and 3 4-H club boys who have entered 110 lambs, 5 calves and 4 pigs. Representatives of the Fort Worth Stock Yards were in Melvin last week to grade the livestock and D. C. Middleton of Melvin did the weighing. The group will compete with boys from other communities in McCulloch County for prizes to be awarded at the end of the project.

Boy scout workers at Eden completed their annual fund drive last week with reports showing a total of \$690 raised for that cause. Chairman John M. Harrod expressed appreciation to the large number who assisted him in the raising of funds and added that persons not contacted could still make their contributions. The total amount raised was about equal in sustaining memberships and out-right donations. There was no set quota at Eden but the total was in keeping of amounts raised in past years.

Miss Earline Whitt, Miss Wool of 1957, was the feature by visiting the office of the county clerk and requesting a ballot. Most people know how they are going to vote on the candidates that will appear on the ticket. The election is far more important than just the presidential candidates and other nominees. There are eight constitutional amendments that are very important, to be voted on by the people of Texas. These amendments should be studied by every person or they should talk to someone who is familiar with the proposals. They will either become law or be rejected by the people of Texas on November 6 and each one should be understood. Indications are that many ballots will be split this year and the tabulating of the vote November 6 will be a big job for those in charge of each box. Vote as early as possible and give the workers a chance to complete their tabulations as early as possible. Polls will be open for the usual hours, 8 a. m. to 7 p. m.

attraction at the meeting of District 2, area 7 Future Homemakers of America meeting held in Menard last week. Miss Wool modeled a part of her wardrobe and this part of the program also included a large number of girl models from the Eden chapter wearing costumes from merchants at Menard. A large number attended the meeting numbering 325 from 21 towns in the district. A lunch was served in the high school gymnasium at the noon hour.

Announcement was made at Colorado City last week-end that United Fund workers had raised about \$16,000 of the fund for Mitchell County. The fund chairman called upon all workers to renew their efforts to raise a goal which was set at \$25,454. The fund would take care of eight deserving organizations which depend upon contributions for their annual support. A new drive will be undertaken to secure the additional \$10,000 needed to complete the job.

Brady was host to more than 100 librarians Saturday when a special meeting was held in that city. The occasion was the annual meeting of district 8 of the Texas Library Association and in addition to regular library workers, many interested persons attended the general session of the program. The Brady Chamber of Commerce assisted in entering the meeting. A morning session followed a coffee and a banquet was served in the fellowship rooms of the First Methodist Church. Maps were handed each person registering, showing the locations of the three programs planned for the day and other places of interest.

The Robert Lee State Bank opened their new \$50,000 building for public inspection last Friday. Invitations were extended to the public to inspect the building and facilities between 3 and 9 p. m. and a large crowd was on hand for the entire time. The location was purchased several months ago, an old building torn down and the contract let for the new and modern structure. Rutherford & Freeman were contractors and a number of other firms did work on the job.

The annual membership drive for the Winters Livestock Association is underway and meeting with excellent success. The association was formed a few years ago to sponsor the annual livestock show and help in other ways with livestock problems. A new show barn was built as one of the first projects and this has encouraged the boys of that area to greater efforts. The membership fee is \$5.00 per year, and an effort is being made to sign a large number in order to have sufficient money for all the projects which will be undertaken during the year.

Coleman schools held their annual homecoming last Friday with a large number of former students and faculty members attending. The affair opened at 2 p. m. and one of the first program features was a pep rally in the high school auditorium. A social meeting, business session and a Mexican

supper were other features of the afternoon. The climax was reached at night when the exes attended the Coleman-Winters football game which was won by Coleman in a story-book finish.

Comanche school will stage their annual homecoming next Friday and an elaborate program has been arranged for the one day program which is expected to attract a large crowd. A homecoming queen will be selected during the day and will be crowned at the Comanche-Hamilton football game at night. A barbecue supper will also be a feature with all registered visitors attending. One of the main items of business at the gathering will be to organize an Ex-Students Association, and the planning of future meetings.

Announcement was made at Stephenville last week that a \$450,000 loan had been authorized for the Erath County Rural Electric Cooperative. Senator Price Daniel sent a telegram announcing the approval of the loan which will be ready for use in that area within a short time. The money will be used for the construction of approximately 90 miles of new electric distribution lines and making some 350 connections with new customers. Application for the loan has been pending for several months.

NORTON STUDENTS VISIT STATE FAIR OCTOBER 6

The following Future Homemakers and Future Farmers of the Norton High School chapters attended the State Fair in Dallas on club day, October 6. They were: Loveta Davis, Dorothy Jennings, Nancy Lee Evans, Corley Jean Cope, Frances Greger, Glenn Culp, Rodney Hurt, Jim Jennings, Manny Turner, Derl Good and C. J. Robinson. The group was accompanied by the agriculture teacher, Mr. and Mrs. Carroll Adams, Mrs. Frank Greger and Mr. and Mrs. Treat Jennings. They attended many educational and entertaining attractions in the various build-

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put 'up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?" Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

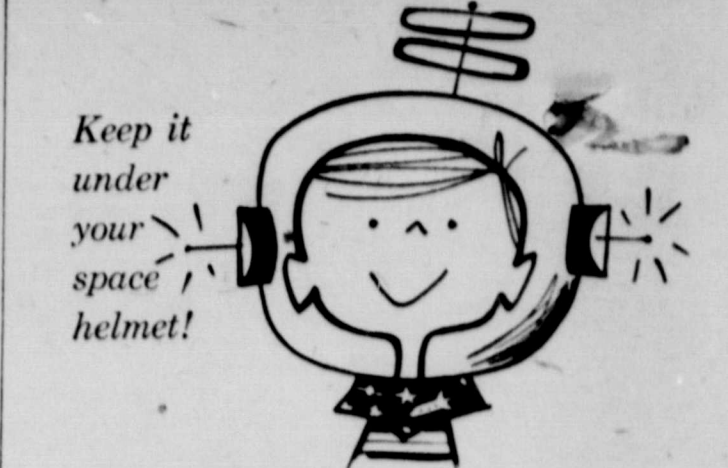

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

The businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

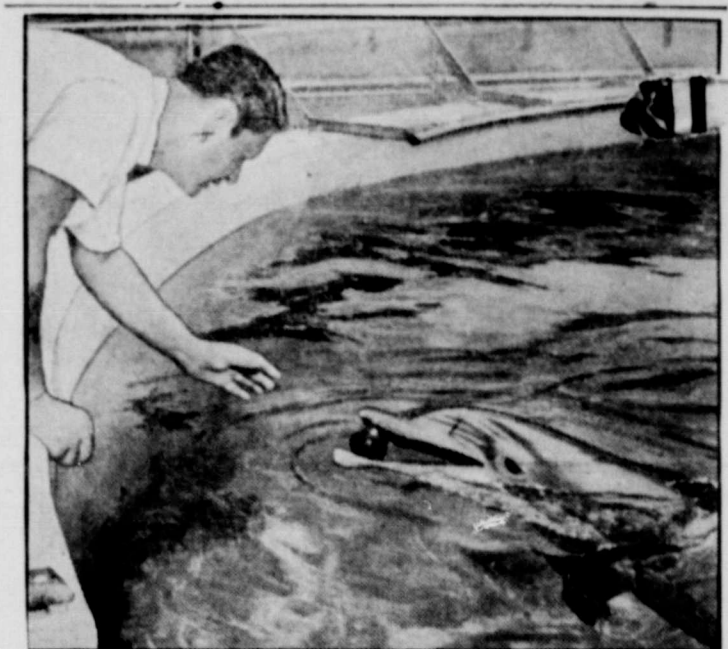

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

YOU ARE INVITED to visit the largest Shopping Center between Ft. Worth and Los Angeles

Suddenly you know how modern a range should be—
flame-fast gas ranges alone offer smokeproof, closed-door broiling!

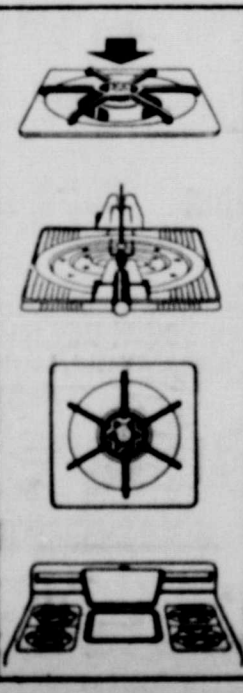

ONLY WITH EXCITING NEW FEATURES LIKE THESE CAN YOU REALLY COOK MODERN!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver quickly reaches and holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

Now Built-In Rotisserie. Broil indoors with flame-kissed "barbecue flavor." Automatically turns out your favorite foods, easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "vitamin-save" cookery a snap! Unlimited keep-warm and simmer settings!

Built-In Griddle. Perfect pancakes every time—from the new "griddle-in-the-middle." Holds temperatures automatically. It's also a great RR burner.

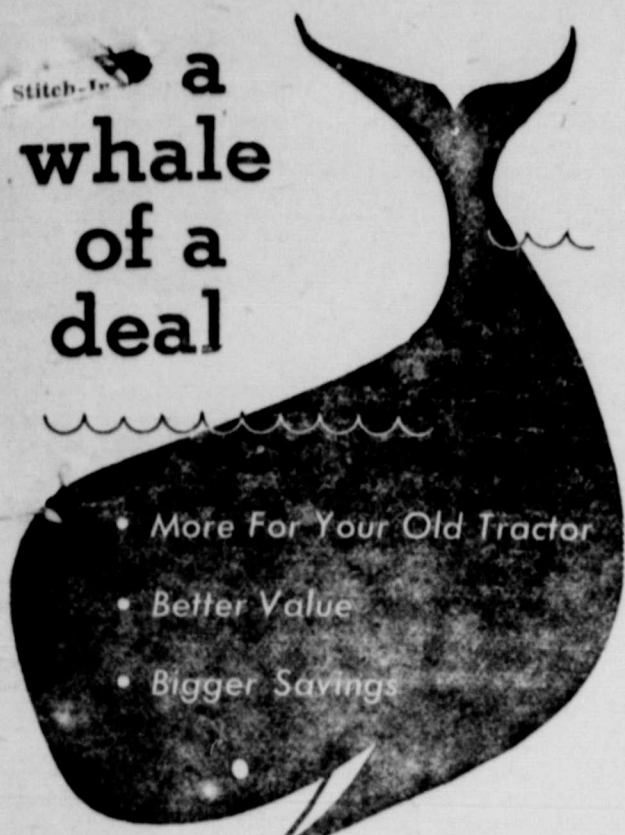

Only when you broil with gas can you keep the door tightly closed (without messy filter)—no chance of heat pouring out at you during broiling period. Modern flame-fast gas ranges are smokeproof—flame consumes smoke and grease. Keeps cook cooler and kitchen cleaner. Your husband is sure to be a gas range enthusiast, too...he knows gas broiling gives steaks that super-delicious flame-kissed flavor.

And a gas broiler is so easy to use! Flexible burner control permits slow-broiling or fast-broiling as desired. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

DON'T BE FOOLED...cooking with gas is cheaper. For what it costs you to cook electrically for one year, you can cook for more than four years with flame-fast gas. **SAFEST COOKING EVER!** A.G.A. seal on each gas range assures reliability. Fire insurance statistics prove gas is safer!
SIZZLING TRADE-INS NOW on your gas or electric range. Cook modern—change today to a new ultra-modern gas range.

with Mrs. Byler. Mrs. Tom Crockett, chairman, was in charge of the business at which time the circle members voted to meet at 3 p. m. instead of 4 o'clock.

A salad plate was served with sandwiches and coffee to Mmes. Arch Brookshier, Lee Evans, Vida Little, A. J. H. Borders, Felix Itz, W. E. Middleton, Hatton Lawson, Troy Simpson, Midgley, Tinsley and Crockett. Mrs. Rollin Campbell was a visitor.

Presbyterian Women Have Church Extension Program

Mrs. Joel Bates, chairman of Church Extension, was leader for the all-day meeting held Monday by the First Presbyterian U. S. Women of the Church in the church parlors on Broadway.

The meeting was a culmination of the Church Extension program at which Mrs. B. W. Claunch brought the devotional and Mrs. Ida Guion played the accompaniment for the group to sing "The Little Church in the Wildwood." The book, "Bright Future for Town and Country Churches," by James Carr, was reviewed by Mrs. W. B. Woody, Mrs. Bill Stultz, Mrs. J. M. Pyburn and Mrs. E. W. Stasney. At the conclusion of the program an offering was taken for Church Extension.

A covered dish luncheon was served at noon in the dining room decorated with chrysanthemums.

Others present were Mmes. Bruce Creasy, E. S. Malone, Q. V. Miller, Paul Trimmer, Felix Keys, R. R. Mizell, Warren Lynn, R. T. Hall, Harry Lynn, E. A. Saunders, and M. B. Wardlaw.

Birthday Party For Steve Williams

Steve Williams was honored on his fifth birthday anniversary when his mother, Mrs. Paul Williams, entertained for him in their home at San Angelo, Saturday afternoon.

After the gifts were opened and games played, the chocolate birthday cake, decorated with a cowboy scene was served with ice cream to those present.

G. G. Club Meets In Jack Ashton Home

Patsy Ashton, Gayle Kirk, Jimbeth Flynt and Lucia Clark were hostesses to members of G. G. Club Monday night of last week, entertaining in the Jack Ashton home north of Ballinger.

At the business session, club members decided upon club pins, and discussed projects for the year.

A refreshment plate was served to Beth Johnson, Maryetta Bagwell, Karen Conner, Gracie Drake, Deaneous Lindemann, Glenda Cook, Dorothy Smith, Pat Darby, Bobbie McDaniel, Susan and Lynn Her-ring, Marilyn Mason, and Mary Calvert.

SOCIETY

Methodist W. S. C. S. Programs Held In Homes

"Volcanoes in South East Asia" was the program lesson and devotional topic of the First Methodist Woman's Society of Christian Service held Monday afternoon in homes.

Mrs. Herbert Tiekle and Mrs. Blair Hays were hostesses to members of the Sally Odom Circle in the rural home of Mrs. Tiekle. Mrs. Tiekle was the presiding officer after Mrs. A. O. Strother gave the opening prayer. Mrs. D. L. Vestal gave the devotional and Mrs. Tom Caudie brought the lesson.

Hostesses served a salad plate with sandwiches and frosted punch to those previously mentioned and to Mmes. Oliver Cochran, J. L. Davis, Claude Stone, W. R. Clark, Sally McShan, and Mrs. W. C. Witt, who is W. S. C. S. president. Visitors were Mrs. Percy Witt

of Gatesville and Martha Witt.

Mrs. Marion Hays was hostess to members of Eltie Gressett Circle in her rural home. Mrs. C. P. Shepherd led the group in repeating the Lord's Prayer. Mrs. O. R. Lasater, chairman, was in charge of the business.

Mrs. Guy White brought the devotional. For the lesson Mrs. Bob Crockett talked on South East Asia and the Philippines and Mrs. O. R. O'Neill discussed Formosa.

A refreshment plate was served. Others present were Mmes. Lee Boatright, Tom Owens, B. C. Colium, Bill Witter, E. L. Rumpy, Sid Caskey, Lillian Holt, and a visitor, Mrs. M. H. Webb.

The same lesson and devotional were given by Mrs. W. E. Midgley and Mrs. E. C. Tinsley when the Ida Campbell Circle was entertained in the ranch home of Mrs. Hamp Byler. Mrs. Hugh Campbell was co-hostess

Virginia Douglass Class Has 'Sweet Sixteen Party'

Mmes. W. E. Moss, Lynn Candler, E. F. Vogelsang, L. F. Jackson and J. W. Jones were hostesses to members of the Virginia Douglass Class of the First Methodist Church Tuesday evening, entertaining in the Moss home on Fifth Street.

Arrangements of yellow roses were used to decorate the coffee table and other vintage spots about entertaining rooms where Mrs. W. O. Irby, president, conducted the business. Mrs. E. R. Gordon gave the opening prayer.

A program theme, "Sweet Sixteen" was emphasized at the social hour. Pictures of members taken when they were "16" were passed and were identified. Mrs. Bill Witter directed other fun games.

A refreshment plate was served to: Mmes. H. G. Agnew, R. A. Bagwell, Bill Bell, E. B. Davidson, Ruel Boswell, L. M. Bowden, Flay Brevard, Bill Clark, Sam Conner, Roy Hill, Tom McEntire, G. O. McCorstin, M. E. McClenny, E. S. Morgan, Guy Middleton, E. L. Rumpy, R. W. Earnshaw, Gordon, Irby, Witter; Misses Bonnie Clark and Ann Midgley.

Mrs. Wright Honored At Coffee In Ohlhausen Home

Mrs. J. W. Wright was honored at a gift coffee Thursday morning in the home of Dr. and Mrs. J. L. Ohlhausen on Third Street. Hostesses were Mrs. Ohlhausen, Mrs. O. W. Rury, Mrs. J. Dexter Hoff, Mrs. R. D. Travis Jr., Mrs. Johnnie Baker and Mrs. Ross Smith.

Decorations in the living room and dining room were accented by pale blue and white colors. The centerpiece for the lace laid dining table was a large white ice cake in the shape of a bassinet trimmed with blue frosted ruffles and the white canopy and coverlet was also trimmed with blue frosting. A small celluloid doll in the bassinet completed the arrangement. Doughnuts on each end of a blue toothpick, as a replica of a dumbbell rattle, were served with coffee and fruit juice. Mrs. Rury presided at the coffee service and Mrs. Travis served fruit juice. Mrs. Baker registered guests in the Baby Book.

The honor guest opened gifts during the coffee hours. Among the 75 guests were Mrs. Rollin Allen of Abilene and Mrs. Gus McMullin of Menard.

Keep it under your helmet!

Fried potatoes
Green beans
Cabbage and apple salad
Milk
Cherry cobbler

Friday
Tenderloin of trout and catup
Mashed potatoes

Blackeyed peas
Sliced tomatoes
Milk
Brownies

HONORARY AWARD GIVEN FORMER POSTAL WORKER
A certificate of honorary recognition was delivered posthumously Tuesday to Mrs. E. A. Saunders for her deceased husband. The Award was from the Post Office Department and was signed by Geo. A. Gray, regional director and Arthur E. Summerfield, Postmaster General.

Delivery of the award was optional, either with a private ceremony at the local post office or merely by delivery to the home. Mrs. Saunders asked that no ceremony be planned, believing this would be the way her husband would have wanted it.

The award reads: "Honorary Recognition is accorded Edgar Alexander Saunders for devotion to duty in the course of an honorable career in the United States Postal Service. This posthumous citation conveys official commendation from the Postmaster General in memory of the deceased employee and an expression of sympathy to his family."

COUNCIL PROGRAM SET FOR MONDAY AT 4 P. M.
World Community Day will be observed by the Ballinger Council of United Church Women at 4 p. m. Monday, October 29 at the Church of God.

For the program, a panel of San Angelo women will be here to give a discussion on prayer. Mrs. Rodney Gibson will act as the moderator. All members of the council and other church women of Ballinger are urged to attend.

The local council is also completing their used clothing drive for overseas relief and good used clothing should be brought Monday. They also hope to receive 3 yard lengths of denim. A cash offering will also be taken and used in making overseas shipments.

METHODIST PARSONAGE OPEN HOUSE SUNDAY
The congregation of the First Methodist Church is having open house for members and friends Sunday afternoon from 2:00 to 5:00 p. m. During these hours all friends of the church are invited to inspect the new parsonage at 811 N. Sixth Street.

The congregation is proud of

the parsonage home and would like to share its beauty with friends. It has been said that it is one of the most beautiful in the Central Texas Conference.

The committee which has worked to furnish the parsonage and make it a place of beauty and comfort are: Mrs. Tom Agnew, Mrs. J. F. Currie, Miss Bonnie Clark, Mrs. C. H. Wylie, Mrs. Ed Curry and Mrs. Bill Moore.

The Woman's Society of Christian Service will serve as hostesses for the occasion.

TALPA PARTY PLANNED FOR KIDDIES OCT. 27
All children of school age in Talpa and the surrounding area are invited to participate in a Halloween party on October 27 at the school gymnasium. The affair is sponsored by the Modern Woodmen of America and the Parent-Teacher Association.

Mrs. Boyd McClure, general chairman, stated that the event will be geared to prove especially attractive to school children. Students will meet in the gymnasium where costumes will be judged and refreshments distributed.

A special feature will be the "Witch Wagon" attended by a number of witches in costume who will award special prizes to five of the costumed paraders who can be seen at home thirty minutes after the curfew is sounded ending the celebration.

A similar party was held last year with good success and the program this year is being made more attractive.

DAYTON SMITH MOVES INTO NEW LOCATION
Dayton Smith, who has operated Dayton's Food Store at 713 Strong Avenue since March 2, 1948, has moved to the building on South Seventh Street occupied by Baker's Market.

In the new location, he will continue as Dayton's Food Market and will carry a complete stock of groceries, fruits and vegetable.

Jonnie Baker, owner and operator of Baker's Market, will continue to serve old and new customers with his market and the best in fresh meats.

Wedding announcements and invitations. Beautiful stock with latest type faces. Ballinger Printing Co.

SAFEWAY BRANDS SALE

Our brands are your Best Buy. Why pay more? Compare-Then Buy

AWAY ALL ROCKETS—The "Terrapin," newest missile to probe outer space, blasts off during a test run. Developed by the University of Maryland and Republic Aviation Corporation, the "Terrapin" is less than 15 feet tall, can be handled by three men, and is very economical—as rockets go. The new missile has already reached heights of 90 miles, speeds of 3,000 miles per hour.

DRIVING THROUGH THE IRON CURTAIN—"Secret Agent V-8" arrives in Helsinki, Finland, ready to move on to Moscow. The "agent" is a 1937 Ford car. State Department officials, working with the Ford Motor Company, came up with the idea of unveiling the new model auto in Russia the same time American shoppers were seeing it in this country. The purpose is to show the economic goods available to the average worker in the United States.

HOSPITAL NOTES
