

THE BALLINGER LEDGER

VOL. 72

BALLINGER, TEXAS, THURSDAY, MAY 15, 1958

NO. 29

Industrial Arts Show To Be Held Downtown

The industrial arts class of the Ballinger High School will present their annual show in downtown store windows this week-end. The furniture and other pieces of woodwork will be placed in the stores today and will remain on display through Monday. Ballinger people are urged to make a tour of the downtown section and inspect these pieces, all made by Ballinger students as special projects during this school year.

The displays will be seen in show windows at West Texas Utilities Co., Dallinger Hardware Co., Heidenheimer's, Kirk Hardware Co., Home Furniture Co., Holbrook Office Supply, Higginbotham Bros. & Co., George's, Stone's, Lintz Department Store, Ben Franklin Store, Western Auto Store, Perry Bros. and Morgan's.

There are several projects which are late and will not be

Opening Of Pool Program Planned On Memorial Day

May 30 will be a legal holiday for Ballinger and all retail business will be suspended for the day.

It will also be the day for the formal opening of the municipal swimming pool at City Park and a big afternoon and evening program is being planned.

The Ballinger Lions Club is arranging the opening program and will have a short ceremony at 1 p. m. when the customers will be extended a welcome, the ribbon cut and the youngsters turned into the pool. There will also be a number of prizes awarded during the afternoon.

The main program will get underway at 7 p. m. A Lions committee is arranging a talent show with all the Lions Clubs in this area bringing one act to take part in the show. The various numbers will be announced later but an excellent show is planned and one act from Robert Lee has already been accepted.

The Lions will also award some outstanding door and attendance prizes during the evening program. All members of the club are selling tickets good for a swim on opening day.

City workmen are getting the pool ready for the summer season and the pumping plant on Elm Creek which supplies the water. Coaches Paul Stewart and C. W. Bettis have been hired to operate the pool and they will get the concession stand ready as well as lockers, showers and swim suits. The operators will also provide their own life guards and other help at the pool.

Control Is Urged For Casebearers By County Agent

Prospects appear bright for a pecan crop at the present time. This is the latest word from C. T. Parker Jr., Runnels County Agent. Pecans over the state are about two to three weeks late due to the late spring, but with continued good growing conditions and proper insect control, it does look like a good pecan year.

With respect to insect control, surveys just completed by extension entomologists show heavy infestations of the pecan nut casebearer. This is the insect that destroys a good portion of our pecan crop each year, so much in fact that it is called the number one enemy of pecans.

The key to success in these control programs is to have spray timed right, get good coverage and to use the recommended insecticides.

Pecan nut casebearers pass the winter as partly grown larvae in tiny cases, usually at the base of the buds. The larvae feed in the spring on the young, tender shoots and emerge as adults or moths about the time the nuts are set. Examine tiny nuts for greenish white eggs. If present, spray thoroughly. Sprays are ineffective after worms enter nuts. 1 to 3 additional spray applications may be needed at 3 to 4 week intervals for scab control. Addition of 6 lbs. wettable sulfur to DDT usually prevents mite infections for remainder of the season.

This year weeds seem to be unusually bad in lawns throughout Runnels County. Many people are interested in controlling these weeds with a chemical, but many are afraid to use a weed killer and in many cases beautiful shrubbery is killed by the improper use of these weed killers.

The weed killers on the market today will do a good job and are fairly safe if properly used. The most common and widely used is 2-4-D. To use this chemical and do a good job it should be used as follows:

Use two tablespoons of the Amine form of 2-4-D per gallon of water with one teaspoon of liquid detergent or 3 tablespoons of dry household detergent. USE ONLY THE AMINE FORM OF 2-4-D. Never 2-4-D solution as a mop, apply as a spray. Shrubs, flowers and trees can be severely damaged with 2-4-D. A mop is easily made by tying a sponge or rags to a stick. Apply the material until the leaves of the weeds are wet. Containers used for mixing or carrying 2-4-D solution should not be used to apply other materials to flowers, shrubs or trees.

Properly fertilizing, mowing, and watering a well-adapted lawn grass is the basic requirement for a weed-free lawn. Killing weeds with chemicals will not keep them out unless proper management is practiced to enable the lawn grass to grow vigorously enough to compete with the weeds.

Caudle To Quit As C-C Manager End Of Contract

The board of directors of the Ballinger Chamber of Commerce met Monday afternoon for the regular May business session to hear a number of reports and to take up new business.

Manager Tom Caudle reminded the board members that his contract with the organization would expire on June 30 and that he would not be available after that time. No action was taken by the board in regard to securing another manager to start work after that date.

C. T. Parker gave a report on work which has been done to try and locate a cotton classing office in this area. He stated that it was uncertain if the U. S. Department of Agriculture would establish an office because of the production in the area.

Jack Fry brought up the matter of sponsoring the annual livestock show in January 1959 and the group voted to again have charge of the show.

The group listened to a tape recording by Supt. Ernest Caskey in regard to the tax rate election to be held on May 16.

A membership campaign is being planned for the near future and H. H. Hamner stated that contact lists have been made up for use by workers when the job is started.

The directors voted to again sponsor Big Monday in Ballinger during the summer. Seven free shows will be held at the Texas Theatre and merchants will offer special bargains for that day. All retail business houses will be asked to cooperate in the plan this year.

The board voted to provide gift certificates for two local students who have won honors with the Marines and Navy. Carol Edwards was high in navy tests given to seniors in all schools of this area and Jimmy Nicholas was the high student in the tests given by the U. S. Marines. Both will go to San Angelo Saturday to take part in Armed Forces Day and will receive the gifts at a banquet at Goodfield Field Saturday night.

A number of other reports were heard by committee chairmen during the meeting.

V. F. W. Poppy Sale Saturday, May 24; Juniors Will Help

The Byler-Bilbrey Post of Veterans of Foreign Wars will meet tonight at the Wells Drug Store to complete plans for their Buddy Poppy sale to be held here on Saturday, May 24.

This year agreement has been made for the VFW to hold the Memorial Day poppy sale and the American Legion will have the sale the Saturday before Veterans' Day in November.

The VFW will have the assistance of the junior class of the Ballinger High School in the sale of poppies this year. The booth will be opened early Saturday morning and the sale will be conducted over the entire town until all the plastic flowers are sold. The price will be 10 cents, or whatever a person desires to pay above that amount. The poppies are made by veterans in hospitals and the money raised is used for rehabilitation work and child welfare.

The VFW has just participated in a sale of magazines locally for which they received a wheel chair and \$41 in cash. This makes 7 wheel chairs, 9 hospital beds and many pairs of crutches which the organization owns and which they loan to people needing such items. They plan to purchase some other sick-room items within the near future and all will be handled through the office of the county service officer.

Area people are asked to cooperate with the veterans and the junior girls in the sale of Buddy Poppies May 24.

Special School Vote Will Be Held Friday

The special election at a school board office tomorrow (Friday) will be open for balloting from 8 a. m. until 7 p. m. The usual requirements in regard to poll tax receipt, an under certificate or over 60 years of age will prevail.

The question before the voters of the school district is a raise in the tax rate being collected locally. The board seeks the authority to raise the amount collected for maintenance from \$1.11 to \$1.50. This is being done because of increased costs for supplies, janitors, utilities and a number of other employees who do not qualify for state aid.

The board is faced with the prospect of securing more money or having to cut some of the courses now offered students in the local school. Additional costs have also come up because of the operation of a separate school for negro students on a high school level.

In the past the board has collected a total of \$1.50 on the \$100. Of that amount, \$1.11 went to maintenance and 39 cents to the retirement of bonds. If the voters favor the raising of the tax rate, they will have the authority to collect \$1.50 for maintenance and 50 cents for bond indebtedness should that amount ever be needed.

All voters in the district are urged to go to the polls and express their desires in this election. The board and school administrators are anxious to know the desires of the school patrons in regard to maintaining the high standards or cutting back by closing some of the departments.

Little-Pony Leagues To Start Play Friday

The Ballinger Little League will get underway with their regular schedule tomorrow (Friday) with the first game at 6:30 p. m. G. A. Morrish, league president, stated that a short opening program will be planned for 6 p. m. and as soon as it is over the ball game will get underway.

On May 24 a total of four games have been scheduled but after the Little League will play double-headers on Tuesday, Friday and Saturday, and the Pony League will play double-headers on each Thursday night.

Young boys placed in the farm team are to be practiced before managers this week and as soon as they are ready for play and needed they will be placed on teams. In the meantime they will play a separate schedule in the afternoons.

Following is the complete schedule:

LITTLE LEAGUE	
First Round	
(All games at 6:30 and 8 p. m. except May 24)	
May 16	Texas Theatre vs. Co-op Gin
May 17	Medics vs. Bradshaw
May 17	Flynt Rockets vs. Higginbotham
May 17	Keel Drug vs. Heidenheimers
May 24	(afternoon 3:30 and 5 p. m.)
May 24	Texas Theatre vs. Co-op Gin
May 24	Flynt Rockets vs. Co-op Gin
May 24	Keel Drug vs. Bradshaw
May 24	Heidenheimers vs. Higginbotham
June 3	Keel Drug vs. Medics
June 3	Texas Theatre vs. Flynt Rockets
June 6	Heidenheimers vs. Co-op Gin
June 6	Higginbotham vs. Bradshaw
June 7	Texas Theatre vs. Keel Drug
June 7	Heidenheimers vs. Flynt Rockets
June 17	Bradshaw vs. Co-op Gin
June 17	Higginbotham vs. Medics
June 20	Higginbotham vs. Keel Drug
June 20	Texas Theatre vs. Heidenheimers
June 21	Bradshaw vs. Flynt Rockets
June 21	Co-op Gin vs. Medics
June 24	Texas Theatre vs. Higginbotham
June 24	Bradshaw vs. Heidenheimers
June 27	Co-op Gin vs. Keel Drug
June 27	Medics vs. Flynt Rockets
June 28	Co-op Gin vs. Higginbotham
June 28	Texas Theatre vs. Bradshaw
July 1	Flynt Rockets vs. Keel Drug
July 1	Medics vs. Heidenheimers
Second Round	
July 5	Co-op Gin vs. Texas Theatre
July 5	Bradshaw vs. Medics
July 8	Higginbotham vs. Flynt Rockets
July 8	Heidenheimers vs. Keel Drug
July 11	Co-op Gin vs. Flynt Rockets
July 11	Medics vs. Texas Theatre
July 12	Higginbotham vs. Heidenheimers
July 12	Bradshaw vs. Keel Drug
July 15	Flynt Rockets vs. Texas Theatre
July 15	Medics vs. Keel Drug

63 Seniors Home From Annual Trip To Corpus Christi

The annual senior trip was a success this year with 63 members of the class and some 10 or 12 others on the outing.

The group left Ballinger early Thursday morning of last week, had lunch in Brackenridge Park in San Antonio and went on to Corpus Christi to check in at the Shore Line Courts in time for a plunge in the gulf before dinner. The waves were high and provided a bigger thrill to those not accustomed to salt water swimming.

Good entertainment had been planned for the evening and Friday morning the group was up early. A trip to Padre Island was a high point of the entertainment for Friday as well as other stops on a tour of the city.

Friday night a group of boys spent the night fishing but the catch was small.

Saturday the crowd was off for Austin where dinner was enjoyed and visits made to the capitol and the University of Texas. There they were met by a number of students from Ballinger who are attending the university this year. They also made a short stop at Buchanan Lake.

Entering Mason they were greeted by a big sign, "Welcome Ballinger Seniors." They stopped for refreshments at a drug store and arrived in Ballinger at 8:30 p. m. Saturday.

There was no bus trouble, no illness and no injuries to mar the happiness of the trip.

AUBREY SHOUSE WILL EDIT PAPER 2 WEEKS

Aubrey Shouse of Abilene will be editor of the Ballinger Ledger for the next two weeks while the editor is in Shreveport, Louisiana for his annual check-up.

We will deeply appreciate the people giving Mr. Shouse their full cooperation. Call your news to the office as early each week as possible or for an interview call him to come to your office or business.

Mr. Shouse has been here the past two summers, or six weeks in 1956 and two weeks last summer. He is well acquainted but will need your help on a new field to cover all the news.

HEAVY RUN CATTLE AT LIVESTOCK SALE

There was a large number of cattle in the sale Monday afternoon at the Ballinger Auction Barns. The crowd was small but the market during the afternoon was fair.

Beef cattle brought 26 cents, hogs \$21.10 per cwt., lambs 18 cents and cows and calves sold at from \$100 to \$236 per pair. The market on stocker cattle was strong and active.

Sunshine Wanted For This County To Benefit Grain

Times have changed in West Texas. Instead of farmers and ranchmen looking to the skies for clouds and possible moisture, they are watching for sunshine at the present.

A heavy general rain fell over the county Tuesday morning amounting to as much as 2.50 inches in places. Wednesday morning light rain fell over a wide area and small grain farmers were worried about their crops which are almost made.

County Agent C. T. Parker stated Wednesday morning that the Tuesday morning rain was fine but that hot weather with plenty of sunshine was needed. He added that there was some smut in the county and that most small grain was rank with heavy heads and would not stand up long if rains continued. He stated that a few had already reported some wheat and barley falling in the fields.

Runnels County was fortunate in very little hail damage being reported and little high winds. A few places were hurt some by hail in the northeast part of the county.

Streams were running again in most parts of the county with the Colorado River up slightly Tuesday afternoon.

Ballinger has received about 2 inches of rain this week while some parts of the county has gauged up to 3 inches. Rain south of Ballinger was lighter.

COMMISSIONERS STOP SALES ON LAWN HERE

The Runnels County Commissioners' Court placed a ban on all sales on the court house lawn in the future. Discussing an application by the Ballinger Jaycees to hold the annual Ballinger Birthday celebration on the lawn, the court decided to place a ban on any type of sales there and this will include the sales of lodges, churches and other groups usually held each fall.

Judge W. H. Rippy stated the lawn would still be available for band concerts, public and political gatherings and such events.

The court organized a board of equalization and set June 3 to hear discussions on oil property in the county. June 9 was set to hear cases on real and personal property values.

Mr. and Mrs. Scottie Caperton of Austin are visiting her parents and grandparents, Mr. and Mrs. Douglas Black and Mr. and Mrs. H. E. Odum.

Mr. and Mrs. L. T. Allen are on a short vacation trip and visiting in Pioneer. They plan to return home in about two weeks.

Guard Recruiting Campaign Nets 15 Members For Unit

Captain Thomas I. Gabbert, company commander of the local National Guard Unit, announced today that the current recruiting drive had met with good success, having enlisted 15 new members in the company.

New men enlisting since May 1 include Wesley Conway, Butch Workman, M. J. Stehie, Jack Caffey, Mike Barnett, Jack Smith, Phillip West and Sgt. Bobby W. Munity, all of Ballinger; Louis Lee of Norton and Robert Wright of San Angelo. Sgt. Munity re-enlisted in the unit after having served 9 years in the company previously. He had been out of the National Guard for about 4 months. SP3 Wright re-enlisted in the unit upon returning from active duty with the U. S. Air Force. He was a member of Company I prior to entering the air force. All the other men are new recruits, having enlisted in the 6-months active duty program, thereby greatly reducing their active duty requirements and fulfilling their military obligation by serving in their hometown national guard unit.

This recruiting drive brings the strength of the local unit to 86 officers and men. Captain Gabbert further stated that he expects to enlist several more recruits before the current campaign closes.

Chief Warrant Officer Caleb Brown and Sergeant First Class Mark Campbell are tied in the drive in the number of recruits each has signed up. A nice cash bonus is the prize for the man enlisting the most men before the end of the current drive, which will end May 31.

Captain Gabbert urged all eligible men to look into the national guard as a way of fulfilling their military obligation with the least interruption of their education or occupation. Visitors are always welcome at the National Guard Armory on Croason Avenue here in Ballinger.

MURCHISON LEAVING FOR WORK IN BRAZIL

Ross Murchison Jr., son of Mr. and Mrs. A. R. Murchison of Ballinger, left Wednesday for Houston, and will go from there to Belem, Brazil. He will be employed by Petrosas, the only oil company operating in that country.

Murchison has been working at Midland for a number of years and recently signed up for the tour of duty in Brazil. The Petrosas company does all the exploration, drilling, field operations, refining and other oil work in Brazil at this time.

Murchison was joined in Houston by a friend from Oklahoma who has signed up for the tour.

PRESBYTERIAN WOMEN HAVE GUEST SPEAKER

The ladies of the First Presbyterian Church, U. S., on Broadway will present Mrs. C. B. O'Delrine of Dallas at a special service next Wednesday night at 7:30 at the local church.

The women of the church have a special birthday objective each year and this year the offering will go to the Indian work in Oklahoma and the Chinese work in Louisiana. Mrs. O'Delrine will explain these two projects and tell local people of the need.

All members of the church and friends are invited to attend and hear the guest speaker.

Guard Recruiting Campaign Nets 15 Members For Unit

Captain Thomas I. Gabbert, company commander of the local National Guard Unit, announced today that the current recruiting drive had met with good success, having enlisted 15 new members in the company.

New men enlisting since May 1 include Wesley Conway, Butch Workman, M. J. Stehie, Jack Caffey, Mike Barnett, Jack Smith, Phillip West and Sgt. Bobby W. Munity, all of Ballinger; Louis Lee of Norton and Robert Wright of San Angelo. Sgt. Munity re-enlisted in the unit after having served 9 years in the company previously. He had been out of the National Guard for about 4 months. SP3 Wright re-enlisted in the unit upon returning from active duty with the U. S. Air Force. He was a member of Company I prior to entering the air force. All the other men are new recruits, having enlisted in the 6-months active duty program, thereby greatly reducing their active duty requirements and fulfilling their military obligation by serving in their hometown national guard unit.

This recruiting drive brings the strength of the local unit to 86 officers and men. Captain Gabbert further stated that he expects to enlist several more recruits before the current campaign closes.

Chief Warrant Officer Caleb Brown and Sergeant First Class Mark Campbell are tied in the drive in the number of recruits each has signed up. A nice cash bonus is the prize for the man enlisting the most men before the end of the current drive, which will end May 31.

Captain Gabbert urged all eligible men to look into the national guard as a way of fulfilling their military obligation with the least interruption of their education or occupation. Visitors are always welcome at the National Guard Armory on Croason Avenue here in Ballinger.

SCHOOL PROGRAMS SET HERE THIS WEEK-END

The Ballinger choral club, under the direction of Mrs. Wm. Postlethwaite, will be in Winters Friday morning to sing for the student body of that school. The club is returning a call made by the Winters mixed choir last week.

The high-light for this week will be the junior-senior banquet Friday evening. The dinner will be served at the West Ward cafeteria and will be followed by a prom at Bruce Field. This is the climax of the social season for the year for high school students and a large crowd will attend.

Tuesday evening, May 20, the Ballinger High School band and the choral club will give a joint concert in the high school auditorium. This is a paid concert and tickets are now on sale by all band and choral club members. A good and varied program is being arranged by the two groups.

County Council Reports Work of All Area Clubs

Observance of National Home Demonstration Week the first week in May, was not without humor when twelve Runnels County clubs met with Miss Ollie Chenoweth in the courthouse conference room May 9. One member stated her club members decided to stay home with their families one night during National Home Demonstration Week. The Ollie Club had a community party. The Winters club members took a trip to Austin and San Antonio, visited the capitol and all historic points of interest in both cities.

Mrs. Ralph Kettler of the Rowena Club stated that she uses many recipes in her menus at the public school lunch room as issued by the extension service. She finds the low cost dishes a great help in extending the food budget.

Mrs. J. L. Ohlhausen, T. H. D. A. chairman, stated that eighty-two dozen cancer dressings have been turned in to Mrs. Elizabeth Beavers, district field representative of the American Cancer Society, San Angelo. These dressings are distributed to hospitals requesting them for needy patients.

Council voted to donate \$25.00 to defray costs of 4-H girls attending district camp at Rio Vista near Kerrville June 2 through 4.

Miss Ollie Chenoweth will conduct an upholstery workshop in Rowena in mid-June. Within the year Miss Chenoweth has taught upholstery to Crews, Ballinger, Hagan-Barnett, and Miles communities. One hundred pieces of furniture were made over.

The June and July council meeting will be held June 27 at 2:30 p. m. State delegates will be elected at this meeting. Also all club presidents must at this time turn in their yearly program of work report.

A leader training school is scheduled for May 29, at 2:00 p. m. in the courthouse conference room. The program of work is on "Living Room and Other Accessories."

The Crews Club conducted recreation at the close of the meeting.

ALARM SET FRIDAY FOR TESTING SIREN

The fire alarm will be heard at 10 a. m. Friday but will not be for a fire. A change is being made on the timing of the siren with the idea of using it for a warning in case of civil defense needs.

The siren will use a steady sound for thirty seconds at a time instead of the up and down tone usually heard when a fire alarm is turned in here. If the same system can be used for fires and also for warnings of storms or enemy action, it will save the city a large sum of money.

Debra Lyn McClelland, daughter of T-Sgt. and Mrs. Bob McClelland, has returned to her home in Bryan after spending a week with her grandparents, Mr. and Mrs. Bill Millorn in Winters. Her grandparents, Mr. and Mrs. J. A. McClelland Sr. of Ballinger, visited her Friday in the Millorn home. Mr. and Mrs. Glyn McClelland and son Mackey, and Mrs. Mary Stubbfield were also visitors.

May Day Program Set Here May 23 Football Field

The elementary school has announced the program for the annual May Day observance here at 8 p. m. on May 23, at the football field. The program will include some 800 children from twenty-eight rooms and has been planned so that it will be presented in a snappy manner with no waits.

The field is large enough to handle the expected crowd and all friends of the school are invited to attend. E. B. Blackburn, principal; Mrs. A. McGregor and Mrs. W. F. Postlethwaite will direct the program and will be assisted by room teachers. Following is the program:

First grade—Mrs. Bob Bartlett, Mrs. L. J. Campbell and Mrs. Dick Owens.

1. "Lott 1st Rod" (Swedish Couple Dance)
2. "Captain Jinks" (American)

First grade—Mrs. Chester Afflerbach and Mrs. J. D. Lightfoot.

1. "Patty Cake Polka" (American)
2. "Gustaf's Skool" (Swedish)

First grade—Mrs. E. B. Blackburn and Mrs. Bill Cervenka.

1. "Hansel and Gretel" (German)
2. "The Shoemaker's Dance" (Danish)

Second grade—Mrs. O. L. Burk, Miss Ruth Morgan and Miss Helen Williams.

1. "The Manitou" (American)
2. "Klappdansen" (Swedish)

Second grade—Mrs. Lloyd Johnson and Mrs. Paul Richardson.

1. "The Yellow Rose of Texas" (Texas Polka)
2. "Bingo" (American Square Dance)

Third grade—Mrs. Simon Dorotik and Mrs. E. C. Grindstaff.

1. "Ten Pretty Girls" (Texas Couple Dance)
2. "Ace of Diamonds" (Danish)

Third grade—Mrs. R. A. Bagwell and Mrs. A. H. Dallinger.

1. "Roll Out the Barrel Polka" (American)
2. "Heska-Holka" (Schottische)

Fourth grade—Mrs. Eldon Boggess, Mrs. Eugene Loika, Mrs. Paul Stewart and Mrs. Ray Summers.

1. "Over the Ocean Waves" (American)
2. "Square Dance" (Texas)

Fifth grade—Mrs. W. O. Wallace, Misses Lois Eubank, Mary Jane Kiechle and Curtis Gregory.

1. "Old Southland Schottische"
2. "Greensleeves" (English)

Sixth grade—Mrs. Ernest Caskey, Mrs. E. H. Crawford and Mrs. W. A. McDonald.

1. "Tinga-Ling Waltz"
2. "Irish Washer Woman" (Square Dance)

Mr. and Mrs. Chester Wood and family of Grand Prairie spent the week-end visiting in the home of Mrs. Wood's mother, Mrs. C. H. Midgley and Miss Ann Midgley.

to your attention. That segment of our school population which attends school 72% of the time is increasing, and now constitutes 26% of the total enrollment in the lower grades. This attendance loss is costing several teachers each year. Teachers are allotted by the state on a basis of one teacher for each 25 children present each day.

A final cost problem is the shifting of children from Vocational classes where the teacher is furnished by the state, to non-Vocational courses where the teacher must be paid from local funds. World pressures have caused some of this shifting, unprofitable farming some of it.

Your school board wishes to thank you for your consideration of these vital problems and pledges its loyalty to every child who relies upon it to fill its obligation to them.

Your school board earnestly solicits your support and your cooperation in this and every school problem.

Board Makes Statement On School Tax Election

This message comes to you from your local school board, which requests your careful consideration of a very vital issue which will be decided at the polls next Friday. You are familiar with the rising cost of every item used in your homes, your businesses and your schools. You also know that the maintenance tax rate has not been changed since nineteen-hundred-forty-six. Many schools have adjusted property values to overcome this increase in expenditures, but your local school board has maintained the same values throughout this period. Your school board has considered this means of in-

creasing revenue, but feel that this should not be necessary in a community which has always maintained the finest schools for its children. To change the values would automatically set a higher inheritance tax upon all estates, by setting a new accepted value on the property. Some large estates have found that the inheritance tax has been increased by more than one million dollars as a result of such increase in value.

Some of you have suggested ways and means of solving the present problem, but you have not had sufficient information to study all of the causes and effects. Your school board has weighed these suggestions, but found that they would lower the quality of education if they were followed. Your school board has felt that you would not agree to this at a time when the whole world is demanding a higher quality of education for all people. The public schools of America have produced the highest standard of living ever enjoyed by man, and have done this in the face of a war and ten years of defense spending which has bankrupted all other nations.

Your school board has considered reducing the number of teachers in the elementary school, but have found that if one teacher were dropped from the first grade level there would be 31 pupils in each room. This is more than the number recommended by the Texas Education Agency for this grade. They also found that if one teacher were dropped from the second grade that there would be 36 in each room. If one were dropped from the third grade level there would be 42 in each room. If this rule were applied to other grades in the elementary school one would find from 42 to 46 in each room. Your school board has also considered reducing the high school curriculum, but found little economy in moving a child from Latin II to Mechanical Drawing, or from Solid Geometry to Bookkeeping. It would still take approximately as many teachers and would deny the gifted child his opportunity in life. Some divisions of the University require these subjects for admission. Your school board could not penalize these gifted children for the sake of a few dollars. These children will be

our scientists, doctors, engineers and business leaders of tomorrow.

There are several cost factors which have been studied by your school board, and you too should consider them. Surely a dual system costs more money, but elimination of this would not solve all of the problems known to you and your school board. Loss of tax values is inevitable as lower oil production allowances are set by the state. Your school district assesses about two million dollars worth of oil property, but can expect a loss of ten thousand dollars in revenue next year. Your school board hopes to avoid disaster to the present school program.

Increasing costs cannot be controlled by your school board, yet children must be housed in warm buildings, furnished materials for classroom use—library books, chalk, erasers, ink, paper and many other items which it is not necessary to name. Water costs have increased several times during this twelve year period because the campus area has been increased. Would you say that we should let the trees and grass die?

PETAL PUSHER—This honey bee was right on the spot when the first crocus opened in Monroe, Wis. Getting back into the swing of things after the winter layoff, the bee lives up to his title of "busy."

Girl Scout News
 Saturday the Brownies of Troop 1 assembled at the Central Hotel and caught a bus to San Angelo. They attended a movie at the Texas Theatre and from there went to the Fred Wood Cafe for a hamburger. They then hiked to the depot where they caught the late train to Ballinger and home. Arriving here they assembled in the depot where Paula Pasley presented a silver dish to Mrs. Lloyd Downing for her work with the troop. For many of the girls it was their first bus or train ride.
 Those making the trip were: Paula and Diana Downing, Cathy Fouts, Terry Gray, Annette Kemp, Jeanie Loika, Mary Frances Mueller, Paula Pasley, Janice Paschal, Rinkie Pearce, Glenda Price, Sylvia Timney, Denise Hegefeld, Linda Fae Wood.
 Troop 6 met with their leaders, Mrs. J. B. Dankworth and Mrs. A. C. Pasley, Saturday for their final hike and picnic of the year. The girls roasted wieners and marshmallows and enjoyed outdoor activities.
 Those attending were Kathy Dankworth, Karon Pasley, Jackie Herring, Debbie Legg, Martha Witt, Susan Weldner, Betty Rodriguez, Sylvia de la Cerda, Thelma Lea Burk, Bonnie Moon.
 Troop 3 met at the scout house last Wednesday to see a program on Japan presented by Mrs. E. J. Grindstaff. At the end of the program, the girls were awarded their second-class badges. The troop was dismissed for the year.
 Attending were: Jan Ayers, Joan Blackshear, Cheryl Barron, Cordelia Cody, Kathy Davis, Carol Freeman, Judy Garrett, Twila Gurley, Sheri Hargrove, Sherry Holstead, Genie Keel, Linda Milton, Sally McDonald, Susan Middleton and Fannie Pearce.
CREWS
 A heavy hail storm battered the south east part of this community Saturday night. On the McCord ranch at Pecan Springs, leaves were stripped from the trees and all vegetation suffered from the beating. Window panes were broken and some sheep were killed.
 Mr. and Mrs. Orville Pearce went to Houston Friday to visit Mr. Pearce's brother, Bob Pearce and family. Mrs. Jennie Dyess returned home with them Sunday.
 Mrs. Hubert Stokes and daughter, Helen, visited in the Owen Bragg home Sunday.
 Mr. and Mrs. Joe Bradley of Douglas, Arizona, visited recently in the home of their cousins, Mr. and Mrs. E. W. Bridwell. Other visitors in the Bridwell home were Mr. and

Mrs. P. R. Dietz, Mr. and Mrs. Fred Brown and Robin, and Mr. and Mrs. Elmo Mayhew.
 Mr. and Mrs. Arnold Alicorn, Charles and Benny visited in the A. S. Alicorn home Sunday.
 Larry Bragg spent the week-end at home with the measles.
 Mr. and Mrs. Bob Pearce of Houston flew here last week to attend funeral services for Mrs. Pearce's nephew, Donald Wells of San Angelo, and visited Tuesday with Mr. Pearce's brother and sister-in-law, Mr. and Mrs. Orville Pearce.
 Mr. and Mrs. E. W. Bridwell, Mr. and Mrs. M. R. Petrie and Mr. and Mrs. A. S. Alicorn attended quarterly conference of the Methodist Church at Talpa Sunday evening.
 Mr. and Mrs. Marion Wood and children were in Fort Worth this week-end visiting with her mother, Mrs. Kate Bodine.
 The prospects for a small grain crop were never better than at the present time. There have been some reports of rust but so far it has done but little damage.

36TH DIVISION TO CONVEYE IN FORT WORTH AUG. 29
 On this the thirteen year commemoration of the celebration of "VE" DAY—Victory in Europe on May 8, 1945—Texas own 36th Division announces plans for their 33rd Annual National Convention to be held in Fort Worth on Labor Day Week-end. Here in Texas in Fort Worth will be convention headquarters and the dates set are August 29, 30, and 31.
 This year's convention will honor the Division's 15 Congressional Medal of Honor winners. The 36th ranked third in the highest number of recipients of this most coveted award. Included in the group is Com-mando Kelly who served with the 36th and was the first GI in World War II to receive this great honor. All winners have been invited to attend the convention.
 Convention activities will include business meetings, a style show for the wives, a Grand Ball and will conclude with Memorial Services on Sunday, August 31. Many delegates to Cowtown will remain for extra activities scheduled Monday, September 1.
 More than 500 ex-T Patchers who served in World War Land II are expected to attend.
REVIVAL IS UNDERWAY FOR HARMONY BAPTIST
 A revival started at the Harmony Baptist Church Wednesday and will continue through Sunday with services at 7:30 p. m. and 10 a. m. on Sunday. A team from Hardin-Simmons University at Abilene, composed of Bill Hindman, evangelist; Floyd Price, singer and Myrna Dean, pianist along with other students will take part. The public is invited.
 Order book in triplicate, 40 cents. Ballinger Printing Co.

Methodists Launch Church Financing Plan Monday Night

The First Methodist Church membership has been engaged in preliminary work for the past three weeks leading up to the launching of the Farrow Plan. This plan is to get the entire church budget pledged for the new year before the pastor goes to annual conference in June.

Monday night at 7:30 the entire membership will meet for a dinner and program which will launch the actual work of getting intention cards signed for the new conference year which will start June 1.

For the past four weeks many committees have been at work on the educational features of the plan. Most of these have now finished their jobs and the solicitors will start making contacts beginning Monday.

L. C. Young of Graham will be the inspirational speaker for the dinner Monday night. Mr. Young is a ranchman and farmer of the Graham area. He operates a large wheat farm and runs cattle on a big range. He has his own oil rig for use on his private land and he and members of his family are very active church workers. He is a director of the bank at Graham and a director of the Wesleyan Home, Inc. for the Central Texas Conference.

Rev. E. R. Gordon urges that all Methodist families be at the dinner Monday night to hear Mr. Young and to take part in the actual launching of the Farrow Plan.

Building Permits Approved By City Tuesday Morning

The City Commission met Tuesday morning to attend to routine matters and a few special jobs. All bills were opened and approved for payment.

Six building permits were

"Pyorrhea" May Follow Neglect

Did you ever see an attractive person with irritated "GUMS"? Druggists refund money if first bottle of "LETO'S" fails to help. PEARCE-BAILEY DRUG

presented to the members of the commission and received approval. Blackie Smith, an open carpenter on Hutchings Avenue between 10th and 11 Streets, \$400. R. D. Travis Jr., a utility room at Hamilton Avenue between 2nd and 3rd Streets, \$1,600.

H. W. Towery, an addition to a residence on Broad Avenue between 13th and 14th Streets, \$800.

H. E. Denton, an addition to a residence on 14th Street between Sharp and Hamilton Avenues, \$1,000.

Bayliss Fletcher, an addition to a garage on Hamilton Avenue between Broadway and 7th Streets, \$350.

David Duke, a carport on Murrell Avenue between 9th and 10th Streets, \$225.

Capt. Thos. I. Gabbert and Warrant Officer Caleb Brown appeared before the commission Tuesday and made a request that Crosson Avenue be paved as soon as possible. There is only a small amount of this street that is unpaved and all of it is in front of the armory. The commission stated they would put forth every effort to complete this short stretch of paving. The avenue is also the main street leading to City Park and the swimming pool.

Approval was given for one street light on Sharp Avenue and Second Street.

Scout Troop 34 Wins Six Ribbons Camp Sol Mayer

Members of boy scout troop 34 were at Camp Sol Mayer the past week-end for a special outing. They were accompanied by assistant scoutmaster Lawrence Green and Merian Gotcher. There were six blue ribbon awards offered to troops attending the camp and the Ballinger unit brought home four of them. Assisting the adults with the troop were four explorers, Don Bailey, Rickey Holt, Raymond Batehlor and Gary Gard. Scout patrol leaders were Chauncey Mansell, Tommy Jacob, Ronnie Crockett and Wendell Underwood.

Other scouts attending the camp were: Kyle Mansell, Hugh Edmondson, Herbie Dankworth, Jimmy Cook, David Green, Joe Bob Monerier, Charlie Chandler, George Nance, Tommy

Jobe, Charlie Wright, Jackie Wright, Denny Gard, Steve Gotcher, Larry Jay, Steve Baird, Wilton Simmons, Bill Clark, Bill Smith, Henry Wheeler, Tommy Berryman, Mike King, Wayne Moreland.

JERRY BELL ELECTED CAPTAIN OF RAIDERS

Jerry Bell, senior quarterback at Texas Tech, has been elected captain of the 1958 Red Raiders. Mack Pegue, a senior halfback, was elected as alternate captain.

Bell is a 5-11, 190 pound back and went to Tech after graduating from Ballinger High in the spring of 1954. In his senior high school year, he piloted the Bearcats to the state finals. In his second year at Tech he saw limited action and the following year was out most of the season with a knee injury. Last year he played a majority of the time and was the school's leading passer and also chalked up much yardage on running plays.

In the first spring game this year he was the standout player and completed five of six passes, gained the most yardage and led his team to a 28 to 8 victory.

REBEKAH LODGE HOLDS MEET THURSDAY NIGHT

The Ballinger Rebekah Lodge met Thursday night at the TOOP hall with Mrs. Emory Bush presiding. Twelve members were present but no business was taken up as the lights went off and the meeting was adjourned.

All Rebekahs are urged to attend the meetings each Thursday night at 8 o'clock. Out of town members are always welcome.

Card of Thanks

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for the beautiful floral offerings, food and all other comforting acts.

The family of L. L. Clark

OFFICERS FILE FEW CASES PAST WEEK

Sheriff Don Atkins was in Wyoming this week to bring a prisoner back to Ballinger. Checking cases demanded all the attention of local officers. Eight cases were filed for check violations and one had paid a fine of \$69.80.

Guests in the home of Mrs. C. D. Harris for Mother's Day were Mr. and Mrs. E. T. Branham and daughter of Vernon, Mr. and Mrs. Milton Harris and Mrs. George Fry.

Mr. and Mrs. Carl Sims and family of McGregor spent the past week-end in the home of

Mrs. Sims' parents, Mr. and Mrs. G. A. Jarrett.

DEATHS

L. L. Clark

L. L. Clark, 78, Ballinger groceryman for many years, died at 6:30 p. m. Friday at his home. He had been ill for the past year.

Decedent was a native of Louisiana and came to Texas when he was just a young boy. He was married to Virginia Teague in Brown County in 1899. Mr. Clark moved to Ballinger from Concho County in 1920 and operated a blacksmith shop here until 1935, at which

time he opened a grocery store. Mr. and Mrs. Clark celebrated their 50th wedding anniversary in 1949.

Funeral services were held at 3 p. m. Sunday at the Eighth Street Church of Christ with Orland Rury officiating. Burial was in Evergreen Cemetery.

Survivors are his wife, two sons, Marvin Clark of Ballinger, Oakley Clark of Austin; four daughters, Mrs. Oran Dean of Ballinger, Mrs. B. Morgan of San Angelo, Mrs. Elwood Wilson of Winters, Mrs. Arlie Miller of Abilene; one brother, Fred Clark of Rising Star; two sisters, Mrs. Leeds Miller of Waco and Mrs. Cora Stephenson of Pampa; 11 grandchildren and 12 great-grandchildren.

ATTENTION Mr. Farmer and Rancher

Weather permitting, it looks like we will make a fine grain crop. Many of you will be operating your combines and tractors both day and night in order to save this grain when ready to harvest.

In order to get maximum results from your combines and other farm motorized equipment it is highly important to use the finest oils and greases available.

We invite you to visit our wholesale plant and let us show you our line of oils and greases. Why worry and wonder if you are using the best greases and motor oils available and if they meet the specifications recommended by the manufacturer of your equipment.

Use an all-purpose grease which is recommended for wheel bearings, water pumps, universal joints and all other grease fittings. Our GULFLEX 'A' GREASES and our GULF ALL-PURPOSE FARM GREASES are top qualities—they will stand up under extreme high temperatures and are easy to handle in your grease guns.

Check with us about our fine line of motor oils. We have a most complete line. We have four different grades to choose from. We are proud of our products and know they are as good as the best and better than the rest.

GULF PRIDE SELECT and our GULF PRIDE MOTOR REGULAR are the only motor oils on the market that are double refined—our own patented alchlor proc-

ess, used only by the Gulf Oil Corporation exclusively, makes it possible for us to sell the world's finest motor oils.

It doesn't matter whether you use Butane or Gasoline for motor fuels. Our oils are on the approved list by every tractor manufacturer, and since the Gulf Oil Corporation is one of the largest marketers of L. P. G. gases, it stands to reason that if it were necessary to use a special refined motor oil when burning Butane that the Gulf Oil Corporation would certainly be one of the first to inform our good customers. So don't be confused. Remember! Our reputation as one of the larger marketers of petroleum products definitely proves that our products are top quality. In order for us to continue to grow we intend to protect our good name by continually improving the quality of our many fine products just as we have recently improved our fine Gulf Pride Select and our Gulf Pride Motor Oil Regular. We have well-trained automotive engineers and lubrication engineers in the field. They are available to you at no cost. These men are placed at your disposal as an added service. We don't just sell you our products and then forget you. We intend to see that our customers have the very best service possible to give. Give us a chance to prove our statements. We are available day or night.

Party Honors Miss Bailey In Harris Home

Sally Bailey, bride-elect of Dr. C. Fish of Galveston, was honored at a bridge party by Mrs. William R. Harris and her small daughter, Cindy, who will be her flower girl, on Thursday afternoon in the Harris home on Fourth Street. Decorations included Peace

roses and honeysuckle arrangements about entertaining rooms.

The honoree wore a white batiste dress with diagonal black stripes designed shirtwaist style. She wore a black Coolie hat and other accessories were black.

In games of bridge Mrs. Gene Keel won high score, and Mrs. Max McCrary Jr. low score

Fred MacMurry and Edgar Buchanan discover their young sheriff, John Ericson, doesn't want to be a dead hero in this scene from Universal-International's tense outdoor drama, "Day of the Badman," in CinemaScope and color. MacMurry's role is that of a resolute frontier judge, showing Thursday, Friday and Saturday at the Horseshoe Drive-In Theatre.

awards. Both gift awards were presented to Miss Bailey. The hostess gift to the honoree was of crystal and silver.

A salad plate was served with coffee.

Bridge guests were Mmes. T. A. Parrish, Lanham Flynt, J. B. Dankworth, E. J. Grindstaff, Keel, McCrary Jr., Claude R. Stone Jr., Melvin Holt, John Green Jr., O. L. Parish Jr., Orland Middleton, Herman Price.

Tea guests included the honoree's mother, Mrs. Charles F. Bailey, and her aunt, Mrs. W. B. Halley, Mrs. Frank Flynt, Mrs. W. N. Selby, Mrs. Clyde Simmons and Mrs. M. E. Sweeney.

Junior High Students Collect Gift For Bruce Whitlock

Ballinger Junior High School students collected \$24.65 recently and mailed a check to Bruce Lee Whitlock, 16, San Angelo, stabbing victim.

Miss Karen Carpenter, retiring president, recognized the FIA Dreamboat, Paul Price; I. B. Funderburk, Ballinger

Junior High School principal, stated that it was a small gift which expressed the students' concern for Bruce. Funderburk was Whitlock's principal when he was attending school in Ballinger.

Whitlock is reported still in critical condition at John Sealy Hospital in Galveston. He was a student at Edison Junior High School in San Angelo, and was admitted to Shannon Hospital after he was stabbed by a 14-year old fellow student January 17. On April 4 he was flown to Galveston.

Ballinger Chapter of FIA Holds Installation

The formal installation of officers of the Ballinger Chapter of the Future Homemakers of America was held Monday evening in the high school auditorium.

Miss Karen Carpenter, retiring president, recognized the FIA Dreamboat, Paul Price; Mrs. Ed Walther, an honorary

TWIN LOCATED BY PHOTO—In her Salt Lake City, Utah, home, Mrs. Alexandra Wegner holds a photo of her twin sister, Sophie Sauer, taken in Miami, Fla. The sisters, 28, separated when Soviet troops marched into their native Poland 13 years ago, said they would be reunited as soon as they could raise the money. Sophie, who works as a draftsman in Hialeah, Fla., recently learned from an aunt in Warsaw that Alexandra is living in the States.

member, and Margaret Lu Campbell, the only Ballinger FIA member to receive a state degree.

New officers installed for the ensuing year were: president, Beverly Walther; first vice-president, Nola Weiss; second vice-president, Margaret Lu Campbell; recording secretary, Dorothy Piel; corresponding secretary, Ruth Ferguson; sergeant at arms, Ruby Cowlishaw; public relations officer, Linda Wright; parliamentarian, Becky Hebert; historians, Willia Mae Fischer and Dolores Proffett; student council representative, Jimbeth Flynt; song leader, Martha Grant; pianist, Mary Carpenter.

Following the installation ceremony, the new president, Beverly Walther, presented each retiring officer with a red rose.

A tea was held in the home-making cottage honoring graduates from Ballinger Junior and Senior High Schools. Parents of all the graduates and officers were guests.

Committees for the installation tea were: General hostesses, Rosie Hoffman and Ann Richardson; registering guests, Jera Summers and Helen Davidson; serving, Beverly Walther, Nola Weiss and Norma Ohlhausen; making arrangements for installation, Karen Carpenter, LaNell Holbrook and Rosa Burris.

Others in the houseparty were: Linda Wright, Jimbeth Flynt, Lee Brookshier, Carole Kay Jobe, Juanita Thompson, Clara Schwertner, Bettye Carter, Dixie Curry, Mary Carpenter, Mary Calvert, Ruby Cowlishaw, Cindy Urbantke, Natalie Gerngross and Mary Ann Havlok.

Mrs. E. A. Trail Honored Mother's Day Dinner

Mrs. E. A. Trail was honored at a Mother's Day dinner, held in the home of her son-in-law and daughter, Mr. and Mrs. A. R. Murchison, on Seventh Street.

Dinner guests were Mr. and Mrs. R. T. Trail of Brady, Miss Winnie Trail of Ballinger, and the honoree's grandchildren, Ross Murchison Jr. of Midland;

There IS a short-cut

Comes bill-paying time again. The road to town seems especially long because you are especially tired, or busy, or both. . . . A lot of farmers herabout use the "postal-route short-cut"— send checks, by mail, to pay their bills. Why don't you do the same?

Only *GUL* gives you
No hangover heat!

Turn the flame off, it's off instantly! No lingering heat to over-cook or burn foods. No left-over heat to raise room temperature. And no hangover heat to keep pots steaming, dirtying kitchen walls. You cook cooler, cleaner! What's more, for what it costs to cook one year electrically, you can cook four years with flame-fast GAS! **New models NOW at new, low prices!**

OPPORTUNITY FOR SOMEONE

WOULD BE GLAD FOR SOMEONE to get the benefit of four years payments on a beautiful little F.H.A. home.

This home is well located on paved street, near elementary school.

If you are in the market for a home of your own, it might pay you to look at this one. I want \$250.00 cash for my equity. Will be glad to show, by appointment.

CALL 7893, BEFORE MONDAY, MAY 19

I will appreciate an opportunity to serve you

Let Canada and Schertz put your Combine in shape for the coming season.

READY FOR THE STORM SEASON?

Don't wait until your home and property are being pushed around by the wind to think about property insurance. Then it's too late.

See your local capital stock insurance agent before the storm winds.

He is an independent local business man who is an expert on all coverages, stock companies, he knows you, he knows the value of your property, and he knows insurance.

You won't be ready for the storm season until you have talked to him.
