Summer Work At Local Schools Is Now Complete

Supt. Ernest Caskey stated this week that most of the repair work on local schools has been completed and buildings are about ready for the opening of the fall semester. The usual cleanup of buildings and some minor repairs have been made during the summer to have every classroom in the best of condition this fall.

Some work is underway at the football field, checking the stands and replacing all boards that are bad. The field will be in perfect condition for the opening game of the season here on September 5 with the Brady Bulldogs. Football work-outs will be started at the field on August 25 and coaches and managers will get the bath house and equipment ready before that date.

The Bearcat band will also start work before the opening of school in order to be ready for the halftime program at the game here September 5.

Mr. Caskey stated that supplies and books are arriving and are being unpacked and distributed as fast as they arrive.

The choral club will also start work before the opening of school as they have an engagement at the state fair early this fall.

This week the faculty was complete for the school opening and all teachers will be here for a three day session before September 1.

County Delegates At State Meeting Austin This Week

The Runnels County delegates to the annual meeting of the Texas Home Demonstration Association are in Austin this week for the three day session which opened Wednesday. Aside from the three delegates, Mrs. Thomas Egan of Ballinger, chairman of the state committee on recreation, is attending and will have charge of the workshop this afternoon from 2:30 to 4 o'clock at the Stehen F. Austin Hotel.

Ideas for family, community and group recreation that will strengthen family and community life will be a part of this program. The workshop has been planned to provide practical, interesting material for the areas of recreation stressed during the year by home demonstration members. Demonstrating some of the principles needed for successful community recreation, a workshop will stage a hobo party—"State Convention of Hoboes, Inc." Lucile Moore, extension recreational specialist, has assisted the planning group.

The convention was opened by Gov. Price Daniel who spoke on "Christian Homes—Hope of the Nation."

There are 33,000 members of home demonstration clubs in Texas working under county agents, specialists and leaders. The national membership totals over three million.

A part of the convention program was dealing with civil defense under a section with the general theme "Learn to Live." Also in this part of the program were talks on first aid and home fire prevention.

Family health and safety problems, rural neighborhood improvement, 4-H club work and numerous other subjects have places on the 1958 program.

Mr. and Mrs. Jerome Buxkemper left Tuesday for Philadelphia and New York for visits before sailing August 28 for Frankfurt, Germany.

1-Hour Parking Okeyed For 1 Block Eighth St.

The city commission was in session Tuesday to receive a petition from merchants on Eighth Street and to attend to routine matters.

Merchants on Eighth Street between Hutchings and Railroad Avenues presented a petition to the city commission asking that one-hour parking be started on that block instead of the two-hour parking as is used at present.

They stated that since one-hour parking had been inaugurated on Hutchings Avenue, many clerks and other downtown workers had started parking on Eighth Street until all the room had been used in front of their stores. They asked that meters be changed to give one-hour parking for 5 cents but that angle parking remain on the block.

After inspecting the petition, the members of the commission voted to start one-hour parking just as soon as the ordinance can be passed and the change made in the meters. The exact date for the change will be given publicity later.

Reports were heard on two blocks which are being prepared for pavement. One of these is McCarver Drive near the north end of that street. The other is on Sharp Avenue between Second and Third

Runge Is Speaker For Rotary Club Tuesday At Noon

Unique and outstanding attributes of Texas were cited by Carl Runge, San Angelo attorney, in a talk Tuesday before the Ballinger Rotary Club on the subject of land titles.

Texas is outstanding, he said, in the fact that it is the only State in the Union that reserved for itself all public lands when it relinquished its Republic status more than a hundred years ago to become one of the United States. Much of this land was set aside as school land and returns from it in the way of lease or sale went into state and county school funds.

Another unique feature of Texas statehood was that for the first time in history participants in a revolution were given anything for their services, Texas having made a grant of several hundred acres of land to the head of each family who served in the army, and smaller tracts to members of that family.

The three kinds of titles to lands in Texas—grants, certificates and patents—were explained fully by the speaker, and he displayed one of the patents written on parchment in the 1850's and signed by Governor Pease. He also described colonization, grants of land to railroad companies and to bona fide settlers, methods of surveying, and many other interesting modes and practices of the early days of Texas settlement.

Mr. and Mrs. W. H. Rampy left this week for a ten day vacation trip which will take them to Hill City, Minnesota, where they will visit her sister.

Mr. and Mrs. Albert Stieler and Sally, San Antonio; Mr. and Mrs. Tom Roberts, Don and Dan, Bradshaw, were week-end guests of Mr. and Mrs. A. L. Newby. Suzanne Middleton returned with the Stielers after visiting in San Antonio.

First 1958 Bale Cotton Is Ginned By Geo. Pruser Jr.

The first bale of 1958 cotton was received here Wednesday afternoon at 5 p. m. The bale was brought to town by George Pruser Jr. and was picked on the H. K. Dickinson place near Hatchel.

Mr. Pruser brought in 2,000 pounds of seed cotton and received a bale weighing 486 pounds. The cotton was planted early and is the Lankart 57 variety. A crew of pickers was used two days in gathering the bale.

The bale was on display today in front of the Farmers & Merchants State Bank before it was sold.

The Ballinger Co-op Gin handled the bale and gave Mr. Pruser the ginning. The Ballinger Chamber of Commerce presented the owner the usual \$25 premium for the first bale brought to Ballinger each year.

Gospelaire Will Sing Here Sunday Downtown Class

The Downtown Bible Class has announced a special program for next Sunday morning which will bring the Gospelaire, famous male quartet from KRBC-TV in Abilene. This quartet has sung in Ballinger before and at a number of places in the county. They have also been heard each Sunday afternoon over the Abilene television station and are one of the most popular singing groups in all West Texas.

The quartet must be back in Abilene by 11 a. m. and for that reason the program here will start early at 9 a. m. At the conclusion of their program, there will be a short intermission to allow those present to leave for their own church school before the start of the lesson period.

The lesson for the downtown class will be brought by Rev. O. D. Carpenter, pastor of the Seventh Street Baptist Church. T. J. Mansell, class president, stated Monday that the class felt fortunate to bring the Gospelaire to Ballinger for the opening of the devotional period Sunday. He added that men and ladies are always welcome at the Sunday meetings of the class and especially is this true Sunday. Every effort will be made to have the theatre filled for this special group.

A. W. Triplett, gauger with the Humble Co., is being transferred to Abilene and will go there to assume his new duties September 1. Mrs. Triplett and Teddie will join him as soon as they sell their house here and secure living quarters there.

Mr. and Mrs. Marvin Davies, Dallas, will visit W. E. Mosses this week-end.

Schedules For 5 Teams Completed In Local Schools

Ballinger Couple Attend Institute For Farm Bureau

Mr. and Mrs. Marion Hays attended the tenth annual Texas Farm Bureau Institute August 3-6 at Mineral Wells and reported this was the largest Farm Bureau Institute ever held—with 325 registering.

The purpose of the Institute is to train leaders with specific responsibilities in county Farm Bureau organizations in the performance of their respective duties.

The Institute curriculum consisted of courses covering practically all county Farm Bureau activities, including procedure for conducting Farm Bureau meetings, public speaking, history and philosophy of Farm Bureau, membership acquisition, the role of women in Farm Bureau, legislative activities, service to membership, analyzing current agricultural problems and public relations. Instructors were state staff personnel.

In addition to the regular courses, general assembly sessions were held featuring discussion of two different phases of agricultural economics by nationally-known authorities. Mrs. Kathleen Knipe of Chicago, educational director of the Chicago Board of Trade, discussed commodity market functions. Dr. Harry M. Love, economist from Virginia Polytechnic Institute, analyzed issues involved in current agricultural policy matters.

The Institute got under way with vesper services on Sunday evening, August 3, and concluded with a banquet at noon on Wednesday, August 6. Melvin Munn of Dallas, director of public relations for Blue Cross-Blue Shield of Texas, spoke at the vesper service. Banquet speaker was Max Trigg, legislative counsel for the American Farm Bureau Federation.

Harvesting Maize Crop Is Underway In County

The maize harvest got underway in a big way this week with most of the grain over the county ripening at about the same time. First maize was cut more than a week ago in the west part of the county but combines were running on farms in all parts of the county this week and the big job is expected to continue for about a month with the next two weeks being the big rush.

The first maize received here is being sold and so far none has been placed in the government loan. The price the first of the week was \$1.65 per hundred and farmers were selling and dealers were making immediate shipments.

A good amount of the first grain received is being shipped to California. Fruit vans are bringing in their loads of fruit and taking back maize to be used in feeding turkeys and chickens on poultry farms of that area.

Farm leaders here have made a fairly close check of the 1958 maize crop and estimate that the county has about 100,000 acres which will produce more than 1,000 carloads. They expect the yield on a countywide basis to be from 1,000 to 1,500 pounds per acre with some farms making as much as 3,000 pounds per acre.

Local dealers stated there was plenty of storage space here but so far none has been used. There are also plenty of cars for shipments and no trouble is expected in taking care of the grain as it cut.

Week-end rains fell in some parts of the county but are not expected to delay the harvesting of maize but a short time. There are a number of commercial combines operating here along with locally owned machines.

Farm Bureau Barbecue At City Park Tonight

Members of the Runnels County Farm Bureau and their families will meet at the City Park tonight for their annual barbecue, meeting and queen's contest. The meeting is expected to attract a crowd of 1,200 or more persons.

Last week two tickets were mailed to each member of the bureau and other tickets can be purchased at the park tonight. Pre-school children are free and those above that age will be charged 50 cents.

The wife of each member has been asked to bake a cake which will be used for dessert at the barbecue. Prizes will be awarded to three of the ladies in a drawing.

At the program, the main speaker will be C. H. DeVaney, vice-president of the Texas Farm Bureau. He will also have charge of the Queen's Contest which will be the climax of the program.

Special serving arrangements are being made so that a large number of lines can be served at the same time and there will be no long waits. After receiving the food, persons will go to tables over the park to eat.

Marion H. Hays, president of the county bureau, urges that all members make a special effort to attend.

The girl selected for the queen of the county organization will compete later in the district contest.

Wednesday afternoon eight girls had entered the queen's contest and will be presented at the park tonight. Music will be provided by a local group during the coronation and intermission. The crown bearer will be Norma Jean Molter, 4 year old daughter of Mr. and Mrs. Alfred Molter.

Candidates for the honor of Farm Bureau Queen are: Delores Eggeneyer, Lynn Herring, Elaine Hoppe, Arlene Jost, Jane Schwertner, Beverly Walthe, Dixie Wilbanks and Mona Schwertner.

Bartlett Named Cosden Dealer In This Area

A. O. Bartlett has announced a change in his stations in Ballinger. Cities Service has sold their territory in West Texas and Eastern New Mexico and all former Cities Service stations will make changes in their gasoline in the future.

Mr. Bartlett is the new Cosden dealer for Ballinger and this area with his stations on the Coleman and Winters highways and the local warehouse. The change over to Cosden has already been made and the local stations will be painted in the new colors within a short time.

Mr. Bartlett stated this week that he would continue to carry a complete line of Cities Services oils and greases along with those manufactured by Cosden and added that his service to the people in this area would not be changed in any way.

An advertising campaign by Cosden will be started in this newspaper next week and Mr. Bartlett invites local people to try the new fuel and see its high quality.

The two stations will continue to handle all Cities Service credit cards as well as those issued by Cosden.

Membership Drive Set For Ballinger C. of C.

The directors of the Ballinger Chamber of Commerce met Monday for their regular August business session.

Plans were made for a one-day membership drive to be staged here on August 29. Workers will assemble at the office of the chamber of commerce at 11 a. m. for coffee and doughnuts and will spend the rest of the day covering their assigned territories. A prize will be given to the person who enlists the most dollars of income for the organization. Lists of prospective members are being made up at this time and will be handed to the workers in advance of the campaign. H. H. Hamner is chairman of the membership committee and will be in charge of the one day effort for new members.

A report from the industrial committee was made by Jake Lawson, in which he stated that the committee had been contacted in regard to the locating of a fiber-glass boat plant in this city. The securing of the plant would require a stock selling campaign and the committee was asked to make additional investigation of the firm and its possibilities and report back at the next meeting.

Jack Fry discussed proposed legislation which would prevent a further cut of cotton acreage in this area. The directors asked that he and C. T. Parker draft a telegram to O. C. Fisher, congressman from this area, asking that he support any legislation to benefit cotton growers in West Texas.

Joe Forester stated that both Senator Ralph Yarborough and Senator Lyndon Johnson were contacted in regard to Senate Bill No. 3 and were asked to support the measure which would prevent the supreme court from interfering in state affairs.

Directors voted to again pay \$25 for the first bale of cotton ginned in Ballinger this fall.

C. T. Parker reported on a survey made in Runnels County of salt water pollution and benefits to be derived from the report.

Mr. and Mrs. Eldon Holley of Wellington are here for a visit with relatives and friends.

plagued by lions. They raided his corral, broke down his fences and made off with his prize bullocks and heifers.

The rancher got himself the most powerful gun he could buy and kept it loaded at his bedside. But now, for one reason or another, no lions attacked.

After a time, the rancher put his rifle on the shelf. Then he took the cartridges out, and when the rainy season came the bore rusted.

One quiet summer night the lions came prowling again at his farm. He rushed for his gun but couldn't find the bullets, and when he did, the rifle was so rusty it wouldn't fire. The rancher suffered fearful losses.

This story parallels the story of the Salk vaccine. The American public contributed millions to the March of Dimes to find a preventive for polio paralysis. The Salk vaccine, developed on a March of Dimes grant, was the long-sought-for answer.

But now that we have this weapon, we allow it to spoil on warehouse shelves. Three out of seven polio-susceptible persons have failed to get their shots. So alarmed are polio authorities like the National Foundation for Infantile Paralysis that they warn against new polio epidemics this summer.

Nobody else's vaccination, not even your children's, will protect you. Each person has to get his own. Don't take a chance—take your polio shots.

for the hospital opening which has been tentatively set for August 31.

One physician to practice in the Menard Hospital has arrived and another one will join him some time in September. Dr. Hubert Larson, recently separated from service in Buffalo, N. Y., arrived last Wednesday and is preparing to open his practice in the hospital soon. Dr. Herbert Westphal, who has practiced 25 years in Weslaco, will join the staff in September. Harold Carpenter, x-ray technician for the hospital, arrived with his family last week. They have been living in Albuquerque, New Mexico for the past six years. The chef for the hospital, Reid Rankin, will come to Menard the latter part of August.

A report from Congressman O. C. Fisher in Washington Thursday almost assured Coleman of its long-awaited army which will house the Company B, 142nd Infantry, of the National Guard. Newspaper Editor Milton Autry talked with both Cong. Fisher and General K. L. Berry in Austin and Cong. Fisher reported that the National Guard Bureau had informed him that the Department of Defense will apportion funds to construct the Coleman army, and that authority for the state to proceed with construction plans is anticipated within 30 days.

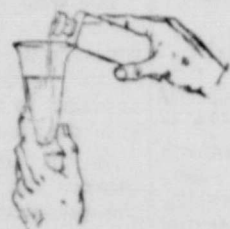

Mrs. Henry B. Hamby and Mrs. Howard Coleman of Miles schools are attending the annual Sul Ross Reading Conference. They will hear addresses by nationally known experts in the teaching of reading. They will also take part in such recreational features as a barbecue, a performance of Shakespeare's "Twelfth Night," a dude ranch supper, and an excursion to the Big Bend National Park. The meeting is sponsored by the Texas Association for the Improvement of Reading and Sul Ross State College.

Mrs. C. J. Cornett, who has been a teacher in the Winters school for the past 30 years, has resigned to accept a job at Blackwell High School as English instructor. She has been instrumental in securing a membership for Winters High School in the National Essay Association and in the National and American Poetry Association. Mrs. Cornett is a 1928 graduate of the Winters High School and holds B. A. and M. A. degrees from Hardin-Simmons University in Abilene. She has been a member of the National Council of English teachers for a number of years.

All engineering has been completed for the new Television Cable Service in Comanche, according to the promoter, Charles F. Tabor, of Hillsboro. Materials for the tower and electronic equipment have been ordered and should arrive in the next week. Tabor has spent much time the last few weeks working out details on the location of the tower and said that actual construction will start within a week. He explained that no tower or antenna will be needed by the subscriber to the new TV service and that the television sets will be attached directly to the co-ax cable. There will be four channels and connecting cost will be \$30 and a monthly fee for the service will be \$6.00.

A gift of luggage will be presented to the new queen of the McCulloch County Farm Bureau in a contest to be held in Brady at the high school auditorium on August 21. Daughters and sisters of Farm Bureau members are invited to enter the contest and the local winner will go on to the district

Credit Insurance

For about three years we have been writing life insurance which covers any debt made at this bank. This contract simply covers the amount of a note if the maker should pass away. This insurance is written only upon request; for this reason it would be necessary for the maker of any note to request such insurance protection when a note is payable to this bank. This protection may be established at a nominal cost with practically no time at all.

This is just added service to the avenues of protection which this bank has provided for its friends and customers.

FRIGIDAIRE

FROST-PROOF FOOD KEEPING - WHERE YOU NEVER DEFROST AGAIN

In the Flowing-Cold Refrigerator...

In the Frost-Proof Freezer...

Flowing Cold means super-fast, more uniform chilling for all your fresh foods no matter where you store them—in the refrigerator section or on the door—regardless of outside temperatures.

And Flowing Cold means no more frost! Here's how it works:

Fresh warm air enters the refrigerator section every time you open the door—and is drawn by a fan up and over the hidden Refrig-Plate that cools it and removes the excess moisture after which it comes back in at the top as Flowing Cold.

Best of all, the moisture removed is evaporated automatically—there's nothing you have to do!

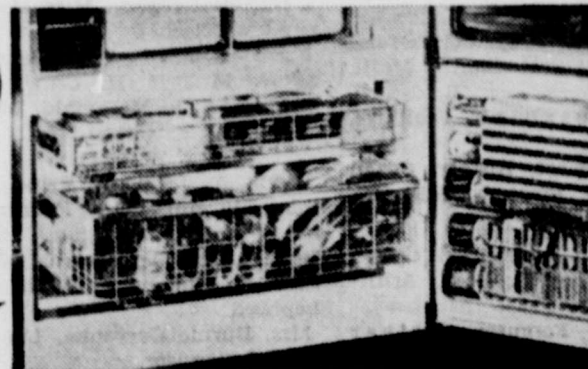

Completely new and revolutionary—completely different from so-called "automatic" defrosting systems. Frigidaire patented Frost-Proof Freezing actually whisks away heat and moisture before frost can form!

Frost-Proof Cold enters at the top, rear, cooling and removing moisture from the entire freezer. Then this warmer, moist air is drawn out of the freezer across sub-zero freezing plate underneath and completely separate from the freezer, where the air is recircled, changing warm air into dry, sub-zero Frost-Proof Cold!

And the moisture, of course, evaporates automatically. Frost never accumulates on freezer walls or on food. No more chipping, scraping at a stubborn ice crust. No more melting frost, no more pans to spill!

Not this

This

FROSTED-UP! Ordinary freezer chest after 30 days. Everything has liberal coating of frost! Some types demand do-it-yourself defrosting. Others apply electric heat to freezer to melt frost. Sometimes frost water drips down on food—refreezes on packages. Foods may thaw, then refreeze—lose flavor and vitamins!

FROST-FREE! Frigidaire Frost-Proof Freezer after months or even years! Not a whisker of frost in sight! The secret is a new kind of circulating cold—dry, sub-zero cold—that's hungry for heat and thirsty for moisture. Carries away warm air and moisture before frost can form! Freezes foods faster—keeps them fresher.

 Rev. Patrick Ryan, O. M. I., performed the double ring ceremony and officiated at the Nuptial Mass. White gladioli and greenery decorated the candlelight altar. Acolytes were Kevin Bukkemper of Slaton, nephew of the bridegroom, and Tommy Beard, Miss Joyce Ocker of Rowena played the wedding music.

Given in marriage by her father, the bride wore a full length gown styled with a Chantilly lace bodice designed with a scalloped sabrina neckline and long fitted sleeves. The bouffant skirt was designed with layers of silk net over taffeta. Her fingertip veil of silk illusion fell from a crown of seed pearls and sequins. She carried a colonial bouquet of white carnations.

Miss Jerri Kvapil of Rowena, cousin of the bride, was maid of honor. She wore a gown of

pastel blue net over taffeta with a round neckline, brief sleeves and waltz length skirt. Mrs. Dennis Rohmfeld was bridesmaid. She wore a gown of orchid net over taffeta styled identically to that of the maid of honor. They carried nosegays of pink carnations showered with satin ribbons and net to match their gowns. They wore matching head-dresses.

Best man was James Kvapil of White Sands, New Mexico, brother of the bride. Dennis Rohmfeld, brother of the bridegroom, was groomsman. Ushers were Raymond Rohmfeld and Sylvester Rohmfeld, brothers of the bridegroom.

A reception was held in St. Mary's recreation hall. The bride's table was laid with lace over blue. The white wedding cake which was decorated with pink rosebuds and topped with a bridal couple, centered the table. Serving were Mrs. Clarence Bukkemper of Slaton, Mrs. Alfred Schwartz of Garden City, Mrs. Robert Latzel of Midland, Mrs. Erwin Wilde of Wall, Mrs. Raymond Rohmfeld and Mrs. Sylvester Rohmfeld.

Miss Loretta Geringross registered guests and Miss William Mae Fischer displayed gifts. Others in the houseparty were

County Meeting Is Held Monday Hearing Is Set

The Runnels County Commissioners' Court was in session Monday to attend to a number of business matters.

The court accented the resignation of B. B. Henry, constable in precinct No. 5, and appointed Herman Baker of Winters to fill the unexpired term.

The resignation of H. M. Alagood of Miles, justice of the peace, was accepted and H. W. Bigler was appointed for the office.

The court authorized the payment of \$255 to Humble Pipe Line Co. for lowering a pipe line on farm-to-market road 384.

They also authorized the payment of \$1,000 to the West Texas Utilities Co. for moving poles and lines along farm-to-market road 384.

The court set the budget hearing for their regular meeting on September 8.

The court passed a resolution requesting the Board of County and District Road Indebtedness to forward to Runnels County the county's lateral road allocation of \$31,775.80.

The county auditor was authorized to receive bids for the purchase of a new 1/2 ton 1958 pickup, with bids to be opened on September 8.

LIONS CLUB PROJECT IS DISCUSSED FRIDAY

The Ballinger Lions Club spent their program time Friday discussing a project to be adopted by the club for the ensuing year. The first discussion centered around the possibility of building a pressbox at Bearcat Field.

There was considerable sentiment in favor of the proposed project along with some violent opposition, with the result that the matter was tabled with a vote to be taken at the meeting here Friday.

Officers stated that in case the pressbox project was turned down, some other civic job would be submitted for the consideration of the club members.

DEATHS

RICHARD F. BUXKEMPER

Richard F. Buxkemper, 26, died from injuries received in a car-truck crash Friday morning at 11:45. The accident occurred at a farm-to-market road intersection south of Ballinger at about 8 a. m. Buxkemper was rushed to the Ballinger Clinic-Hospital where he died without regaining consciousness.

Driver of the dump-truck, John Kenneth Rudd, 18 of Big Spring, was hospitalized for shock and minor injuries.

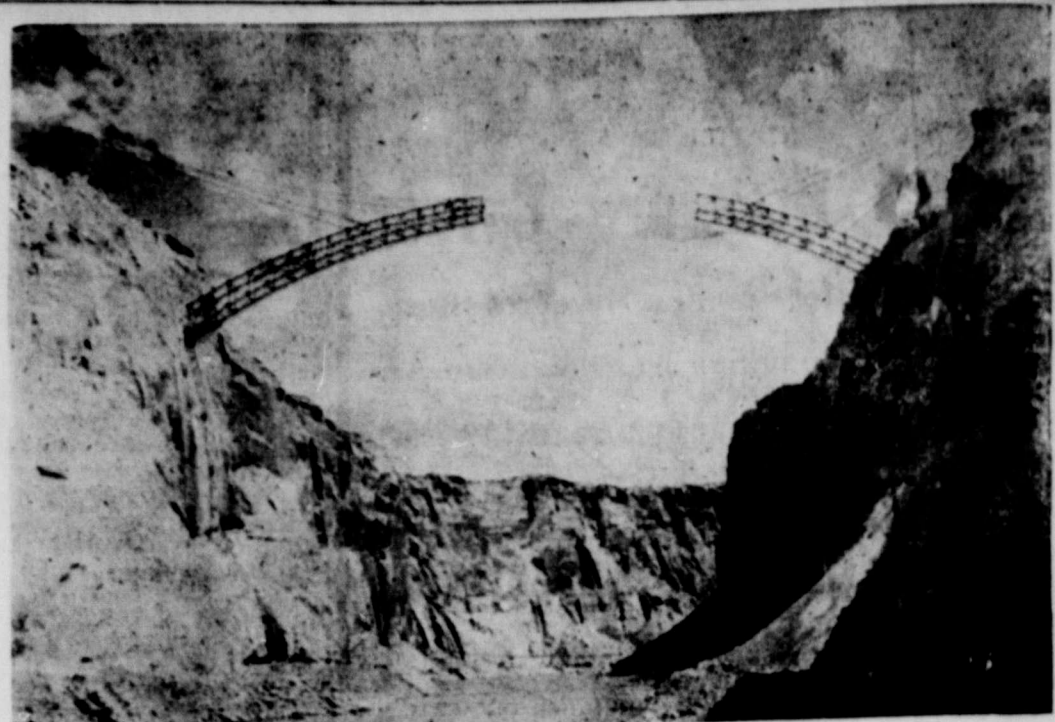

Officers said the accident occurred at the intersection of farm-to-market roads 1678 and 2133, about 6 1/2 miles south of Ballinger. Rudd was working on the construction job on Highway 2133. Buxkemper was enroute to Wall to visit a brother when the accident occurred.

Buxkemper was born January 1, 1932 at Ballinger, son of the late Mr. and Mrs. G. A. Buxkemper. He attended St. Joseph School at Rowena and later graduated from Ballinger High School where he was a star football player.

After serving for four years in the Air Force, he married Ruby Lee Fuchs on June 20, 1957. He had been farming on the family place 7 miles west of Ballinger.

Funeral services were held at 9 a. m. Monday at St. Joseph Catholic Church in Rowena with Rev. James Comisky officiating. Burial was in the church cemetery with Newby-Davis Funeral Home in charge. Rosary was said at the Newby-Davis Chapel at 8 a. m. Saturday and Sunday.

Survivors are his wife, two sisters, Mrs. David Haliburton of Ballinger and Mrs. Jim McCarty of Grant, New Mexico; four brothers, Weidon Buxkemper of Wall, Jerome Buxkemper of Frankfurt, Germany, Wilfred Buxkemper of Ballinger and James Buxkemper of Winters.

BRIDGE WILL LINK UTAH AND ARIZONA—The nation's highest and second longest steel arch bridge nears completion, 700 feet above the Colorado River near the Glen Canyon Dam site. The bridge will provide a new link between Utah and Arizona cities by January, 1959.

A musical theme will be used to decorate dinner tables at the Acapulco Cafe Friday evening when Mr. and Mrs. W. M. Dykes are hosts at the rehearsal dinner honoring their son, "Spike," and his fiancée, Miss Sharon Tuckey, and the wedding attendants.

A white and yellow double satin heart arranged with Fujiumums and yellow gladioli and a miniature silver violin with the song, "Let Me Call You Sweetheart," will be placed on the honoree's table. Other tables will be centered with yellow candles in silver holders, and a silver violin with the music, "O Promise Me." Places will be marked by cards designed with yellow candles.

Others besides the honoree and their parents will be Rev. and Mrs. J. B. Fowler, Mr. and Mrs. Bob Allford, Mr. and Mrs. Charles Hambrick, the wedding party, and Misses Marcia Murchison and Pat Tisdale.

JONES FAMILY HOLDS REUNION LAST WEEK

Mr. and Mrs. W. W. Jones and children, who have been visiting in the home of Mrs. H. Jones, left Friday for their home in Minneapolis, Minnesota. They went from here to Lampasas to visit his brother.

IDEAL HUSBAND PROTOTYPES—A survey of marriageable 20-year-old girls in 12 cities disclosed that their ideal husband type is singer Perry Como. William Holden garnered second spot with Rock Hudson coming in third. President Eisenhower and Tab Hunter tied for fourth place while Tony Curtis and Elvis Presley ran a dead heat for fifth. Tied for sixth place are Vice President Nixon, Jeff Chandler, the late James Dean, Jerry Lewis, Marlon Brando and Sen. John F. Kennedy (D-Mass.). Poll was taken by the Department of Sociology at Regis College, Denver, Colo.

Henry Jones and family

A family reunion was held in their honor in the home of Mr. and Mrs. Jim Mac Wright and all the children of Mrs. H. U. Jones were present for the occasion. It was the first time the family had all been together in thirteen years.

Those present were: Mrs. H. U. Jones and her six children, Mr. and Mrs. S. U. Smith, Big Spring; Mr. and Mrs. B. C. Leach, Abilene; Mr. and Mrs. Henry Jones, Danna and Russell, Lampasas; Mr. and Mrs. Frank Jones, Jan and Mac, Ballinger; Mr. and Mrs. Jim Mac Wright, Ballinger; Mr. and Mrs. W. W. Jones, Jimmy, Jackie and Mark, Minneapolis, Minnesota.

The only grandchild of Mrs. Jones not present was Lieut. Wendell Jones who is stationed in the air force in Mississippi. He is the son of Henry Jones of Lampasas.

BALLINGER HOME DEMONSTRATION CLUB

Members of the Ballinger Home Demonstration Club included their families and friends when they entertained at a no-host dinner last Thursday evening.

The event was held in the Fellowship Hall of the First Presbyterian Church, U. S. A. on Eighth Street. Tables were centered with arrangements of

crepe myrtle and coleus.

Mrs. Alvin Spreen, club president, welcomed guests and Rev. Edgar Graham spoke the invocation. Following the dinner menu, games of forty-two and dominoes were played.

Those included were Mr. and Mrs. Alvin Spreen and daughter, Gay Ann, Mr. and Mrs. Rufus Allen, Mr. and Mrs. E. L. CREWS
 Miss Patsy Matthies was honored with a tea Saturday afternoon at the Crews Methodist Church. She is the bride-elect of Bailey Mayo of Winters. Hostesses for the tea were the members of the Women's Society of Christian Service. The refreshment table was centered with an arrangement of pink crepe myrtle. The bride-elect's chosen colors of pink and white were featured in other decorations. Miss Ophelia Dietz registered guests in the bride's book. Music was furnished by Miss Neysa Petrie and Miss Cheryl Bragg. Mr. and Mrs. Dewey Blackmon and children of Borger were week-end visitors in the home of Mr. and Mrs. Quincy Traylor and other relatives. Mrs. Traylor and Mrs. Blackmon are sisters. Mrs. Joe Bragg has returned home after a visit with her children at Pecos. They include a son, Perry Bragg and family, daughters Mrs. Willson Perenson, Mrs. Della Bull and Mrs. Sammie Lindeman and families. Mrs. Frank Bates entered the Harris Hospital at Fort Worth last Thursday as a patient. Mrs. Lillie Osborne and Selma, Mr. and Mrs. Theron Osborne, Karen and Linda, visited Mrs. Osborne's daughter, Effie, in Kerrville this week-end. Mr. and Mrs. Wilson Boynton of Houston visited relatives and friends in this community this week. Eldon Hambricht is home after spending two months in Page, Arizona. Mr. and Mrs. Marvin Hambricht and Shirley accompanied Eldon to Galveston Thursday and returned Sunday. They visited their daughter and sister, Mr. and Mrs. Edwin Franks. Mr. and Mrs. Chester McBeth visited Monday with the Lee Tabors at Goldthwaite. Mr. and Mrs. Terry Whitley and daughter of Penwell visited in the home of his parents, Mr. and Mrs. Ruben Whitley, last week. Mr. and Mrs. Marvin Hale and Mr. and Mrs. Ira Hale returned home Thursday after a two week's trip up the West Coast into Canada and a visit to Yellowstone National Park on their route home. They also visited an aunt, Mrs. Fannie Webster of Brawley, California. Mrs. Lena Burrus is spending a few days in Ballinger with Mrs. Ellie Phipps. Connie Gibbs attended a rodeo at Dublin the past week-end. Mr. and Mrs. Steve Hale, Miss Willie B. Hale and Mrs. A. St. Allicorn spent the day with Mrs. Ralph Routh at Abilene Wednesday.  Junior Garden Club To Be Organized

Young people between the ages of 7 and 10 years are invited to meet at the Ballinger Library at 4 p. m. on Tuesday, August 19, for the purpose of organizing a Ballinger Junior Garden Club. If unable to attend the meeting, the young people are requested to contact Mrs. Clyde Gabbert or Mrs. Charles Bradshaw and have their membership registered. The organization is being sponsored by the Ballinger Civic Garden Club and the counselors will be Mrs. Gabbert and Mrs. Bradshaw.

BIG CROWD ATTENDS LIVESTOCK AUCTION
 There was a big crowd on hand Monday afternoon for the weekly livestock sale at the Ballinger Auction and Commission Co. There was a nice run of livestock and a good market during the afternoon with plenty of buyers. Top for hogs was \$23.25 per cwt., light hogs 17 to 18 cents per pound. Stocker lambs brought \$19.50 per hundred, old ewes 7 to 8 cents per pound, old bucks 8 cents, bulls \$18.50 to \$21 per hundred, cows and calves \$145 to \$207 per pair, butcher calves \$21 to \$25.25 per hundred. The stocker market was strong and more animals in this class are needed. All interested persons are invited to return to the sale next Monday afternoon. Mr. and Mrs. Clyde Gabbert and granddaughter, Deborah Gabbert, will leave Thursday for Houston to attend an Independent Meat Packers Association. They will be accompanied by Miss Anna Belle Hash, who will visit in Beaumont.

NEW MEXICO HUNTING IS ADVERTISED HERE

Wm. A. Humphries, area supervisor for the State of New Mexico department of game and fish, was in Ballinger Tuesday distributing material in regard to the fishing and hunting in that state. Mr. Humphries stated that many Texans hunted in New Mexico last year and a large number came from this area.

He complimented the Texas hunters who had a perfect safety record in 1957 in New Mexico, without a death or an injury. He also stated that seven out of each ten hunters bagged a deer and that a much bigger crowd was expected from this area for 1958.

Mr. Humphries stated that application blanks for special hunts, elk and antelope, may be obtained by writing the New

Mexico Department of Game and Fish, Box 2060, Santa Fe, New Mexico.

Thanks

I wish to thank each and everyone for their kind thoughtfulness during my recent stay in the hospital. Special thanks to Dr. Chandler and Mr. Lee and to the staff of nurses who were so kind and sweet to minister to my comforts. Thanks also for the many flowers, cards and gifts, the ambulance service which was so efficiently rendered, to our pastor, Rev. Garland Lavender, for his visits and prayers, which all in all helps to make life's darkest moments brighter. I say again thanks.

Sincerely,
Mrs. W. R. Clark

SERVING UNCLE SAM

Ballinger National Guardsman Calvin D. L. Piel is among the 108 Texans of the 38th (Texas) Infantry Division volunteering for six months of active military training. Piel is a member of Ballinger's Company I 142nd Infantry Regiment, a component of the world famous 38th Division. Under the six months pro-

gram, he is to undergo eight weeks of basic combat training at Fort Chaffee, Arkansas. For the remainder of the six months tour, he will be given advanced military training for the job he is to hold in the local unit of the 38th.

After completion of the active duty training, he will return to Ballinger to fulfill the remainder of his military obligation attending one-a-week armory drills with the local guard unit.

Graduated from six weeks training July 25, at the Marine Corps School, Quantico, Va., was Platoon Leader Candidate Leonard G. Smith of Ballinger.

This was his first six-week session at Quantico. After completing one more summer training period and graduation from college he will be eligible for

selection as a second lieutenant in the Marine Corps.

HEREFORD CALF SALE SAN ANGELO AUG. 19

A Hereford Stocker-Feeder calf sale will be held in San Angelo, Livestock Auction Company, Tuesday, August 19, 1958. The sale is sponsored by the Concho Hereford Association. Its purpose is to provide a better market for the better quality Hereford calves, especially for the intermediate and smaller producer. All calves will be sold at auction and sellers will get the full benefit of higher quality.

Steers and heifers will be shown in groups of 10, 20 and carloads of 40 for judging and awards. Producers may show in any group they desire but do not need to show to consign calves in the sale.

The judging will be at 7 a. m. Tuesday. The sale will be-

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 13, proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District, cooperative with the incorporated limits of the City of Amarillo, Texas, to render financial aid to and participate in the operation of such Hospital District, authorizing the Commissioners Court of such county to assume and levy taxes on property outside the incorporated limits of such city further authorizing a Hospital District for Wilbrea County, Texas, and authorizing the County of Wilbrea, Texas, to assume and further providing that any existing law shall not be invalid because of its anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same be hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5. (a) The Legislature may by law authorize the creation of two hospital districts, one to be cooperative with and have the same boundaries as the incorporated City of Amarillo, Texas, and the other to be cooperative with Wilbrea County, Texas.

"If such district or districts are created they may be authorized to levy a tax not to exceed seventy-five cents (\$0.75) on the One Hundred Dollars (100.00) valuation of taxable property within the district; provided, however, that any such boundaries may be altered by a majority vote of the participating voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not incurred, and not to exceed the maximum limit of Seventy-five Cents (\$0.75) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate authorized shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and fixtures equipping the same, and such bonds shall be payable from said Seventy-five Cents (\$0.75) tax. The Legislature shall provide for transfer of title to properties to the district.

"(b) The Legislature may by law permit the County of Potter, in which the City of Amarillo is partially located, to render financial aid to that district by paying a part of the expense of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution), upon all property within the county but without the City of Amarillo at the time such levy is made for such purpose. If such tax is authorized, the district shall be required to assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinafter provided for political subdivisions having boundaries cooperative with the district, and the county shall not thereafter levy taxes (other than hereinafter provided) for hospital purposes for providing hospital care for needy citizens of the county.

"(c) The Legislature may by law authorize the creation of a Hospital District within Jefferson County, the boundaries of which shall include only those comprising the Jefferson County Drainage District No. 7, and the County of Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of providing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the qualified voters of the county holding said election who have duly rendered their property for taxation. The tax rolls of other said Drainage or said School District, nor shall such bonds be issued or such tax be levied until approved by a majority of the qualified voters of the county holding said election who have duly rendered their property for taxation. The tax rolls of other said Drainage or said School District, nor shall such bonds be issued or such tax be levied until approved by a majority of the qualified voters of the county holding said election who have duly rendered their property for taxation.

"If the district hereinafter authorized is finally created, such hospital district may be created embracing any part of the territory within the boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of the State of Texas, except that such district shall be confirmed at an election wherein the resident qualified property-taxpaying voters who have duly rendered their property for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

"Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wilbrea County, Texas, and Hospital Districts in Jefferson County, Texas.

"AGAINST the constitutional amendment authorizing the Legislature to create a Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wilbrea County, Texas, and Hospital Districts in Jefferson County, Texas.

"Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Program Planned For Club Women Here August 19

Final plans for rally day for the home demonstration clubs of Runnels County are being completed this week. The meeting of all club members is scheduled for next Tuesday, August 19, at the national guard armory and a large crowd is expected.

The ladies will register in the morning and the noon meal will be the high point of the day's program.

A part of the program will be staged by the 4-H club girls of the county who will present a number of folk dances. These routines were used at the district and county camps by the girls and a group has been rehearsed for the program next Tuesday.

FOR RENT—September 1, choice 3-room furnished apartment, mid-way between schools, priced right. 809 Broadway. 14-11

Delegates who attended the state convention of the Texas Home Demonstration Association in Austin last week will give reports of that meeting and a general summary of the features which they attended.

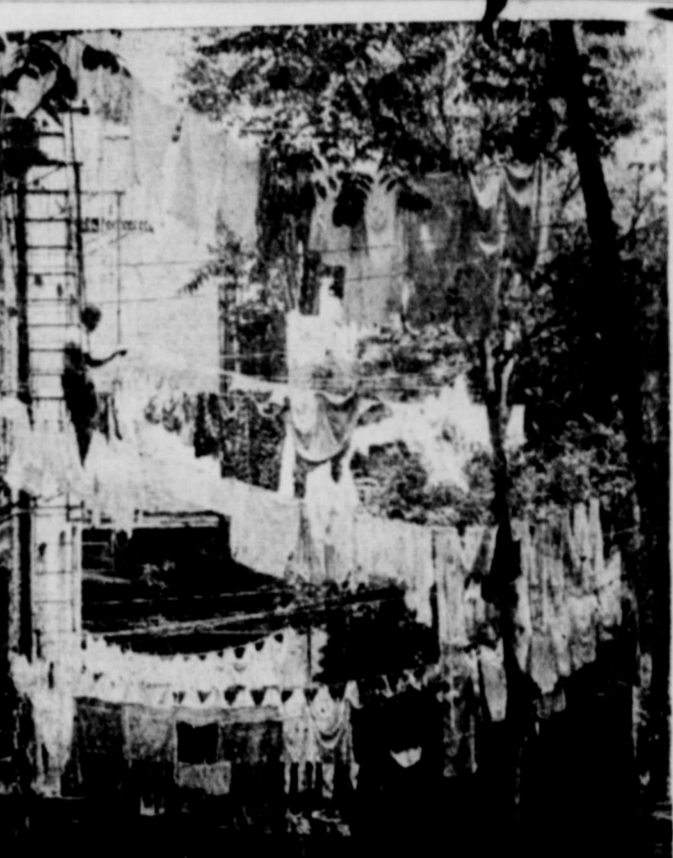

Letters were being mailed to all members of a county club this week urging them to attend the rally day program. Miss Ollie Chenoweth stated that there were some conflicts in communities that would likely keep some of the women away from the program.

FORMER BALLINGER MAN IN CAR WRECK

Don Smith, son of Mr. and Mrs. Aubrey Smith of Ballinger, was seriously injured in a car wreck near Artesia, New Mexico Monday. He suffered a broken arm and back and cuts and bruises to other parts of the body. He is in the hospital at Artesia.

Mr. Smith lived at Tularosa, New Mexico, and was enroute home from Hobbs when the accident occurred.

Mr. and Mrs. Dede Smith, Carol Smith and Mrs. Roy Smith are at his bedside.

WASH DAY—A tree grows in Brooklyn, N.Y., all right, but it's almost swallowed up by the jungle of clotheslines on wash day. Helping out the lady of the house, a husband hangs out a few things to dry from the fire escape of a house on McDonough Street.

FURRY BOTTLE OPENER—Wocky, an elegant Siamese cat owned by Mrs. Raleigh of Tamworth Lane, Mitcham, Surrey, England, has an inelegant expression on his face, left photo, trying to pry the foil cover from a quart of milk. Right photo, has his own way with the cap and starts slurping up the milk. It may not be etiquette but when one is thirsty, one simply doesn't care.
