VOL. 72

BALLINGER, TEXAS, THURSDAY, OCTOBER 9, 1958

NO. 50

Farm-Ranch Meetings To Formulate Program

County farm agent, C. T. Parker and Miss Ollie Chenoweth, home demonstration agent, are starting a series of meetings designed to plan a better program of farm and ranch work in Runnels County during 1959.

The first of these meetings will be held in the conference room at the court house tonight when a group of sheep and cattle raisers will meet for special discussions. One of the most important items to be talked will be some plan to handle bangs disease in this county. Mr. Parker stated that many states are conducting campaigns to make their states free of bangs disease and in the future will not buy from areas that are not also free of the disease. Believing that in the future it may be hard to move cattle from a section that has had no program to eliminate the disease to one that has, the county raisers will give the matter serious consideration.

In a discussion of producing a better job with wool will be talked. Better shearing methods will come in for consideration along with any other problems which raisers have experienced. For the men of the county, the meeting this week will be followed by a meeting next Tuesday night when field crops will be considered and plans made for improving conditions in this county. Other meetings will be announced for hog raisers, dairymen and 4-H club work.

The ladies will also hold a number of meetings and on November 6, a general meeting of all men and women will be held to discuss a program that would be beneficial to all rural homes and vocations in the county.

At each meeting, farmers, ranchmen, club boys and ladies will be given the opportunity to bring up any phase of work which they feel would help general conditions in the county.

Mr. Parker feels that through these meetings a program of work in which all people are interested can be formulated. He stated this week that some of the past activities might be dropped and new ideas started because of the meetings and discussions.

Girl Scout Drive For Funds Short; Leaders To Meet

The annual fund drive for girl scouts, launched here last week, has raised about \$755 which is far short of the goal of the organization. The need for this cause had been set for \$1,500 and while all the city has not been worked, a large part has been covered and most of the work has made their reports.

The fund received a boost of \$58 Monday night when the Jaycees held a goat sale at their regular meeting at Lowake. It was announced that this entire amount would be given to the girl scouts and that the goat was back in possession of the club and would be sold again.

The amount raised so far is not enough to meet the requirements of the district. It was hoped that enough money could be raised to pay obligations to the district and leave enough for local operations this year.

Those in charge of the fund campaign will meet soon and discuss plans for securing additional money from some source. There are a large number of troops of scouts and brownies receiving training locally and leaders will find it hard to continue their program without any money.

LOCAL WOMEN ATTEND PROGRAM AT BIG LAKE

Mrs. Herman Price, Mrs. Kenneth R. Newton, Mrs. C. F. Bailey and Mrs. Carl Fouts attended the annual meeting of District 10 of the United Church Women in Big Lake Friday. Mrs. Price gave the response to the welcome, Mrs. Fouts spoke on Christian Social Relations and Mrs. Newton was heard in a vocal solo number. The meeting for 1959 will be held in Brownwood.

Missions School Christian Church To Close Sunday

The 1958 School of Missions at First Christian Church ends Sunday, October 12, with

presentations by Rev. H. Parr Armstrong of Fort Worth. The guest leader will speak at the morning worship service, beginning at 10:40 a. m. A session for children and youth will be held at 4:30 p. m., and an evening session will follow the Fellowship supper scheduled for 5:30 p. m.

Rev. Armstrong was reared in Atchison, Kansas, and holds degrees from the University of Kansas, Boston University, and the University of Chicago. He has served previously as Minister of Central Christian Church in Kansas City, Missouri; as executive secretary of the Oklahoma City Council of Churches; and as director of men's work on Texas Christian Churches. Since 1950 he has devoted his time to educational evangelistic work.

The Fort Worth minister has traveled extensively abroad, visiting most of the Christian Church mission stations in Asia and Africa. In February of this year he returned from a five and one-half month trip around the world. Kodachrome pictures were taken in Hawaii, Japan, Formosa, Hong Kong, Philippines, Viet Nam, Cambodia, Thailand, Burma, India, W. Pakistan, Iran, Iraq, Egypt, and Belgian Congo. A carefully selected assortment of these pictures will be shown at the afternoon and evening sessions of the school.

Clothing Drive Closing Oct. 18

The Ballinger Council of United Church Women will close the used clothing drive on October 18. The clothing will be packed and shipped overseas at that time to places where it is needed most. Church World Service will make their final decision as to where the shipments will go this year.

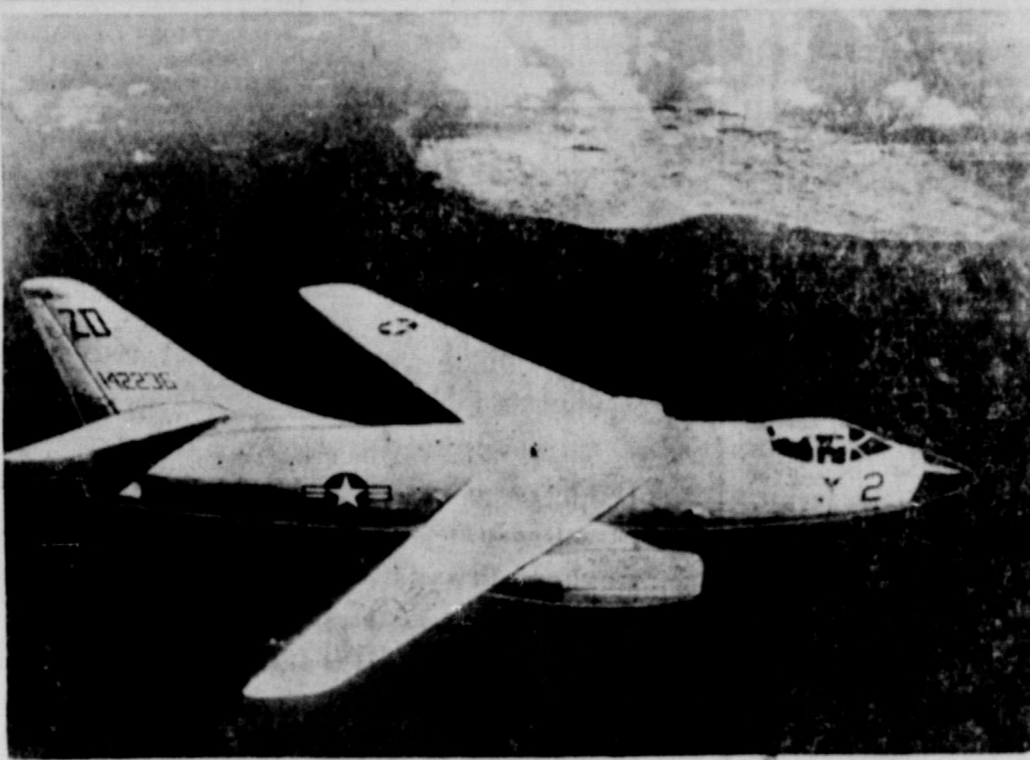

Bundles of used clothing can be left at the home of Mrs. E. M. Lynn but all local people are urged to make their contributions by October 18. Anything for men, women or children will be accepted as long as it is in fair condition and will help someone during the cold winter ahead.

The Ballinger Church Women have made shipments each year in this campaign and have received many letters of thanks from families who received help through the local council.

Church World Service has advised all council that the need in some countries is urgent and that much suffering will result unless the clothing drive is a success in all communities. Ballinger people are asked to check their closets and wardrobes and see what they can spare this year to help others.

RODEO ASSOCIATION WILL MEET FRIDAY

The Ballinger Rodeo Association, Inc. will hold an important meeting at 8 p. m. Friday night at the Ballinger Truck & Tractor Co. on Ninth Street. All members and interested persons are urged to be present for important business which will be of interest to all rodeo fans.

SKYWARRIOR IN FAR EAST—A Navy Skywarrior of Heavy Attack Squadron Eight from the carrier USS Lexington flies a patrol mission above an unidentified island in the Far East. The Lexington is operating as part of the Seventh Fleet in support of operations in the Formosa area.

Cotton Harvest Is Moving Slow; Sunshine Needed

The movement of cotton was still stopped the first of the week and local cotton men were not sure when heavy gathering would get underway.

There is a real shortage of pickers for this area. Only the local crews are available and very few have moved into the area from other sections. A representative of the Texas Employment Commission arrived here last week and has been stationed on the court house lawn to meet incoming laborers and place them on area farms. He stated the first of the week that no crews had arrived since he had been here and that very few had contacted him for jobs in this county.

Jack Fry, manager of the Ballinger Co-op Gin, said Tuesday that most of his customers were defoliating and would use strippers as soon as possible. Some of the fields were defoliated some time back and they will be ready for stripping as soon as the weather is dry enough.

All cotton in this county has been damaged to some extent with losses running from \$20 per bale upwards. Mr. Fry said that what cotton seed they had moved from the Ballinger gin had tested out well and were not lowered in grade by the moisture.

If sunshine and warm days remain in the county for a few weeks gins will be operating around the clock as the available pickers plus a large number of strippers get underway.

DOVE SEASON CLOSES IN AREA OCTOBER 20

The dove season in this zone is nearing the closing date with the last day of shooting on October 20. This will allow two more week-ends for hunters before the season is over. In recent days the doves have been moving out of the area and are not so plentiful as they were for the start of the hunting season.

All during the 1958 season, water hole shooting has been slim with rains placing water in all streams, branches and low places.

The duck season will open in this section on November 1 and continue through January 14. The daily bag limit is five with no more than ten in possession at one time.

MEMBERSHIP CAMPAIGN FOR DOWNTOWN CLASS

The Downtown Bible Class had a total of 48 present last Sunday and this Sunday will begin their membership campaign. Two team captains have been named and each team is working this week for new members and visitors at the class. They extend a special invitation to the ladies to attend.

The special music Sunday will be brought by Miss Harriett Magruder and Miss Georgia Newby. Rev. W. L. Comstock will be the speaker for the class lesson.

CHRISTIAN SS CLASS ANNOUNCES BAKE SALE

The Faith Class of First Christian Church will hold a Bake Sale Saturday, October 18, at the Safeway Store. Proceeds will go to the church's organ repair fund.

Lions Club to Observe 30th Anniversary Here

The Ballinger Lions Club will observe its 30th anniversary Tuesday night, October 14, with a special ladies' night banquet at the West Ward Cafeteria. For this occasion a number of

School Singers To Dallas Fair Concert Tuesday

The Ballinger High School choir left Monday morning for Dallas to spend Tuesday at the State Fair. The choir was due to sing Tuesday afternoon and again with the massed choir at night and then return home. Mr. and Mrs. Wm. F. Postlethwaite accompanied the choir and Mrs. Postlethwaite will direct the Ballinger singers in their program Tuesday. A number of local mothers also accompanied the group to assist in taking care of the girls.

Last Saturday a bus load of homemaking girls attended the fair and one bus load of vocational agriculture and woodwork shop boys. They left Saturday to arrive at the fair grounds early and take part in youth day at the fair. They left Saturday night and returned home.

All classes in school were naming their candidates this week for Halloween queen and king at the carnival which will be staged on the night of October 25. Members of the senior class are busy getting everything ready for the carnival and will offer an attractive program.

CITY POLICE REPORT WORK FOR SEPTEMBER

The city police department made four arrests for the month of September and collected \$175 in fines. Causes of arrests were 2 for possession of beer, 1 for drunkenness and 1 for speeding.

There were no fires in the city for September but four accidents occurred which caused \$1,159 in damages to motor vehicles.

The traffic officer issued fewer tickets for overparking for September with 48. A total of \$127 was collected in 25 cent and \$1 fines. Collections from parking meters for the month amounted to \$806.

The patrol car was driven 3,861 miles and 90 police calls were received through the city office.

BALLINGER B TEAM IN GAME TONIGHT

The Ballinger B team game with the sophomore team from Abilene has been changed from Saturday and will be played at Bearcat Field tonight starting at 7:30.

With the Bearcats not in action this week, all B team boys will be available for this game and it should be a good one. Fans are urged to be on hand and watch the boys in action who provide the opposition for the regular Bearcats each afternoon in practice sessions and who will also be the starters next year and the next.

Allen Davis and Joe Forman attended the Notre Dame-SMU football game in Dallas last week-end.

other West Texas clubs will send special delegations to the meeting.

All those attending will assemble in the elementary school building for the preliminaries to the program. During the meal musical numbers will be presented by the high school girls' sextet.

The Ballinger club has been extremely fortunate in securing one of the best speakers and entertainers in the nation.

Bryan Blalock, of Marshall, Texas, will be here with the club and deliver his famous talk on "Cows I've Met." He is with the Borden Co. at Marshall and has been associated with dairies and milk production for a greater part of his business career.

From 1920 to 1929 he was general manager of the Marshall Chamber of Commerce and in 1926 was manager of the Texas Chamber of Commerce Manager's Association.

In 1929 he organized the Texas Milk Products Co. that pioneered dairy manufacturing in Texas by building the first manufacturing plant at Marshall. He quickly expanded the company to five plants. In 1944 the company was acquired by the Borden Co. and he remained with the company as director of industry and public relations.

He has served with many state and national organizations in recent years. He has appeared on various dairy and civic programs in hundreds of southern cities and in 34 states in past years. He is known throughout the nation as the East Texas humorist with a ready flow of home-spun wisdom and philosophy.

His hobby is milk cows and he owns and operates a 100-cow dairy near Marshall and he likes to be referred to as a hill-billy from the piney woods of East Texas.

He has addressed Lions Clubs in Dallas, New Orleans, Corpus Christi, Phoenix, Texarkana, and at numerous district conferences. He has been the guest speaker at civic clubs in Oakland, Sacramento, Fresno, Dallas, Oklahoma City, Boston, Philadelphia, Washington, D. C. and many other cities.

Ballinger Lions are expecting a capacity crowd to be on hand Tuesday night to hear this special speaker and enjoy the program for the 30th anniversary.

Farmers Planting Austrian Peas On Cultivated Lands

Calton M. Smith, Route 1, Ballinger, is one of the many farmers in the Runnels Soil Conservation District who has planted, or is going to plant, Austrian winter peas this fall. Smith has about 70 acres of these peas up. He said that they are good for the land. They will protect the soil from wind and water erosion and they are also capable of taking nitrogen from the air and storing it in the plant. Smith reports that this is a cheap source of nitrogen.

Smith plans to cut the pea vines loose from the root system with large buzzard-wing sweeps. This is done about six weeks before he is ready to plant a cash crop. This will give the pea vines time to decompose and also give the moisture time to build up. Smith said that he likes to plant his cash crop right in the row where the peas were so that it will have the mass of pea roots for a seed bed.

According to Woodrow Hoffman of the local Soil Conservation Service, Austrian winter peas should be planted in September and October. They can either be planted in rows, drilled or broadcast.

Some of the other farmers who use Austrian winter peas in their crop rotation are Hans Gottschalk, Rt. 3, Winters; Frank Greger, Norton; John Miller, Ballinger and Bill Minzenmayer, Rt. 1, Winters.

Baptist Revival Closing Sunday; Attendance Good

The revival meeting in progress at the First Baptist Church has been growing in interest all week and attendance has been good at each service.

The church leaders are using a "Pack a Pew" method for increasing attendance. Individuals are assigned a pew at each service and they are supposed to fill that pew by special invitations. The plan has worked well, especially at all evening services.

The messages are being brought by the pastor, Rev. J. B. Fowler Jr., and have helped to attract large crowds. The music under the direction of Bob Allford, has also been a feature of the meeting.

The revival will close next Sunday. Week-day services are at 10 a. m. and 7:30 p. m. There will be no services Saturday morning but the regular service at 7:30 Saturday night. Sunday services will be at 11 a. m. and 7:30 p. m.

The public is cordially invited to attend the remaining services.

SPECIAL PROGRAM FOR QUARTERBACK CLUB SET

A special program for the members of the Bearcat Quarterback Club and all local fans has been arranged for Monday night at 7:30 at the high school auditorium. "Highlights of Southwestern Conference Football in 1957," a picture made and released by Humble Oil Co., will be shown.

Members of the Bearcat football team will attend the program as special guests and all fans are invited, regardless of whether they are members of the club or not.

Announcement was made this week that the Quarterback Club now has 237 members and are striving to reach their goal of 300. Members of the football team have been helping with the final round up of members and all local fans are urged to join.

Ladies will also be welcome at the meeting Monday night to watch the picture and hear the rest of the program in regard to the opening of the conference season for the Bearcats.

SYKES BROTHERS GET NATIONAL PUBLICITY

The Sykes Brothers, Hereford breeders, are subjects of an article in the September 15 issue of the Hereford Journal. The two are Bob Sykes of Chisoval and Bill Sykes of Fort Sumner, New Mexico.

The two young men are sons of Mrs. O. C. Sykes of Ballinger. The Hereford Journal article tells of the partners' commercial cattle operation in West Texas and the registered cattle operation in New Mexico.

County Bank Deposits \$17,689,853 Sept. 24

Runnels County bank deposits soared to \$17,689,853 on the recent call for statement at the close of business on September 24. This was an increase of \$1,309,374 since the last call on June 23 of this year. On that date total county deposits were shown at \$16,380,479.

During the same period loans only increased \$93,728 in the county. Loans in all six county banks on September 24 were \$3,278,234 as compared with \$3,184,506 on June 23.

Small grain, milo, maize and livestock have accounted for most of the gain in deposits during the past few months. Local sales of maize and government loan checks on oats, wheat and barley have been flowing into the county in recent months. Soil bank checks to farmers have also accounted for part of the increase in local banks.

Deposits in individual banks are as follows:

First National Bank, Ballinger, \$8,311,596
Farmers & Merchants State Bank, Ballinger, \$2,731,837
First National Bank, Rowena, \$1,073,207
Security State Bank, Wintgate, \$828,689
Winters State Bank, Winters, \$4,010,766
Citizens State Bank, Miles, \$733,758

Loans shown on statements of the six county banks were:

First National Bank, Ballinger, \$852,288
Farmers & Merchants State Bank, \$720,341
First National Bank, Rowena, \$461,950
Security State Bank, Wintgate, \$412,344
Winters State Bank, Winters, \$769,700
Citizens State Bank, Miles, \$261,611.

Farm Bureau Campaign For Members Started

Students Select New Officers For Teen Haven Club

Students who are members of Teen Haven met for a business session Tuesday night with a large number present. The following officers were elected for the youth organization: Jay Garrett, president; Vance Carter, vice-president; Pat Bell, secretary; George Newby, treasurer; Ronnie Wood, parliamentarian.

Directors named to serve this year are: Judy Garrett, Paul Witt, Jimmy Bilbrey, Becky Bigby, Barbara Clifton, Wendel Underwood, Jerry Brunson, Joy Lee Herring, Don Roy, Patty Sweeney, Leslie Whiteley.

In the business session it was voted that Junior High cheer leaders would be responsible for the clean up after Thursday night after-game dances. Senior High cheer leaders would be responsible for clean up after Friday night after-game parties and the regular clean up committee would attend to the building the first of each week so it would be ready for Thursday nights. A fine of 50 cents was voted as a penalty for any who did not want to do their part in cleaning up.

It was voted that all senior and junior high students would be welcome each time Teen Haven opens its doors.

Teen Haven will be open tonight after the B team game and again on Friday and Saturday nights.

TWO NEW LOCATIONS ARE MADE IN COUNTY

Two new oil locations were announced this week for tests in Runnels County.

Anderson & Graham of San Angelo have staked their No. 4-Emmie Michaels for a 4,500 foot rotary project two miles northeast of Hatchel, in the multipay Andergram field. Other Michaels wells in this field are dual producers.

L. R. Allison of Abilene have staked their No. 1-T. C. Hall in the Patsy Field northeast of Ballinger. It is slated for 2,500 feet with rotary.

ATTENDING FUNERAL AT LAMPASAS TODAY

Mr. and Mrs. O. K. Jacob received notice Wednesday of the death of Mrs. Jacob's brother, Francis Whittenburg, at Lometa Tuesday. Death was apparently caused by a heart attack.

Mr. and Mrs. Roy Jacob and Mrs. Otis Jacob went to Lampasas to attend the funeral service which was held at 10 a. m. this morning. Mr. and Mrs. O. K. Jacob were unable to attend.

Judge and Mrs. W. H. Rampy, Mr. and Mrs. Clyde Chapman and Mr. and Mrs. Paul Gordon are in Dallas this week attending the annual meeting of the Texas County Judges and Commissioners Association.

Farm Bureau members met Monday morning at the Loftin's Cafe to have the kick-off breakfast launching the new membership drive in Runnels County.

A large number of workers were on hand for the start of this campaign, to enjoy the fellowship breakfast and hear the program.

Ben Frerich is chairman of the membership committee and was master of ceremonies at the breakfast. He spoke briefly on what the Farm Bureau is doing for the farmers and ranchmen in this area.

Cecil Horne, president of the Coleman County Farm Bureau, was the guest speaker and was introduced by Mr. Frerich. He spoke on "What is the Farm Bureau?" He said the bureau is what the members make it and added that the members make their own policies and elect their own officers. "The Farm Bureau is what we think, we believe and what we made it," the speaker declared.

All this week will be devoted to obtaining memberships in the bureau for another year. The membership committee has set a goal of 600 and will put forth every effort to reach that number. Last year the Bureau was only a few short of that number and others have indicated they are interested in becoming members since seeing the fine work which has been accomplished in this county.

C-C Directors Meeting Monday With Mgr. Davis

The directors of the Ballinger Chamber of Commerce will meet at 5:30 Monday afternoon for their regular October business session. It will be the first meeting since the arrival of the new manager, Ed Davis, and a full attendance of the 22 directors is expected.

A number of projects will be discussed at the meeting Monday and a look will be taken at the membership and budget since the campaign was staged last month.

Mr. Davis has been on the job this week and has been meeting the local merchants, civic club leaders and getting acquainted for the start of his work here. He will be heard from Monday night in regard to some of the items of work he believes should be started locally.

He has met with all local service clubs this week and was present at the Jaycee meeting in Lowake Monday night.

Mrs. Virginia Parish has been getting new membership lists made for use of the directors at the meeting Monday. Some of the new members are to be assigned to regular committees and given work to do with special groups.

Mrs. J. H. Patterson and Mrs. Maurine Warren arrived here last Friday from Houston for a visit with Mrs. Pyrie Gustavus. They left Saturday for Denver, Colorado, where they will visit Mrs. Patterson's son, Edwin T. McClanshan.

Ballinger Appliance & Electric Shop the Magic-Chef, Roper and Brown gas ranges.

King-Holt Co. the Tappan, Roper, Modern-Maid and Dixie ranges.

Modern gas ranges, fully automatic in cooking operations, also offer a variety of special features—some 67 in all—for the convenience, comfort and efficiency of the homemaker.

Economy of operation is another factor that makes a gas range today's best buy. With the cost of living—especially food prices—at an all time high, gas range manufacturers this year have concentrated their attention on helping the homemaker make the most of the meat she buys.

New ranges offer a variety of automatic controls for top burners, rotisseries and ovens—intended to insure the housewife against excessive meat shrinkage and overcooking. Controls take the guesswork out of cooking—maintaining exact temperatures and indicating when meat has reached the desired degree of "doneness."

Ranges in 1958—many designed with the new square look and giving a built-in appearance—have such features as top-of-the-range rotisseries, vertical broilers, push-button controls and even remote controls that permit the homemaker to turn the range on or off from the bedroom, backyard or anywhere around the house.

The "flip-top" idea is featured on a 20-inch range. It permits the entire top to be raised for servicing or cleaning. The same manufacturer is offering in a 36-inch range a barbecue pit rotisserie which converts to a high broiler and a sizzle-griddle which converts for frying. On some models, the automatically controlled griddle is convertible to a fifth burner.

A newly styled line designated as "classic modern" by the manufacturer features ranges in straight simple lines with midnight grey and silver satin trim. The 36-inch range in the line features a high broiler and meat oven. The ranges feature a swing-out broiler or a broiler that glides out when the broiler door is opened.

An eye-level periscope on the back splash of the range to permit easy viewing of what's cooking in the oven is featured by a West Coast gas range manufacturer. This same manufacturer offers a one piece lift-top, a triple rotisserie, a transparent space-saver shelf and a new type of super speed burner.

Colored ranges—pink, green, turquoise and yellow, in addition to white—are featured in a line which stresses easy

cleaning. The broiler and oven may be lifted out for washing in the sink. This manufacturer offers optional equipment, oven windows, top burner temperature control, varieties of finishes, and in short, "permits customers to custom-tailor ranges to their own specifications."

A complete all-in-one cooking center equipped with two top burner heat controls, ventilating fan, frosted fluorescent lighting, an expandable oven with removable side racks and a barbecue broiling oven with a motorized rotisserie is offered by a West Coast gas range manufacturer.

SAN ANGELO MEETING OF WTCC SET OCT. 16

The West Texas Chamber of Commerce will hold a meeting in San Angelo at 1:30 p. m. on October 16 of officials and representatives from towns in this part of West Texas. Purpose of the meeting will be to discuss the amendment on home rule which will be voted on by the people of Texas on November 4.

This amendment deals with longer terms for elective officers of municipalities.

Jake Lawson is the Ballinger director in the WTCC and will likely attend the meeting. Ed Davis, manager of the chamber of commerce, will also attend and a delegation of county and city officials, as well as other chamber officers will be asked to attend.

Texas refineries manufactured (1956) about 29% of the nation's gasoline; 36% of the kerosene; 31% of distillate fuel oil; 24% of residual fuel oil; 27% of jet fuel; 37% of lubricating oils, and 11% of asphalt.

FORMER BALLINGERITE MAKES MEXICAN NEWS

Gerardo Saenz, formerly of Ballinger, is now a student at the University of Texas where he is working towards a doctor of philosophy degree in romance languages. He has been credited with the discovery of the exact birthday of an important Mexican poet. This

fact made headline news in three large daily newspapers in Mexico City.

While doing research in Mexico City in the Parish of the Cathedral he found Luis G. Urbina's baptismal certificate with the birth date of February 8, 1864.

Saenz attended Ballinger schools before starting his college and university work.

Let's Get It Straight

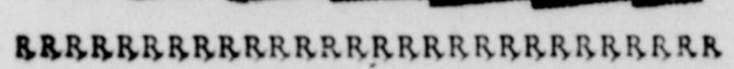

Your pharmacist is a specialist whose function is to prepare and standardize drugs and to compound your doctor's prescriptions. He is not qualified to diagnose your ailments or to prescribe treatment. Your doctor is thoroughly competent to examine you and to decide on the treatment indicated. "Story of Van Cliburn" Opens Music Club

"The Story of Van Cliburn" was told by Mrs. Alex McGregor to members of the Ballinger Music Club at the opening meeting of the season, which was held in the home of Mrs. L. R. Tigner Tuesday evening. Highlights of Van Cliburn's Concert in Hollywood Bowl were given by Miss Olga Schawe, Miss Harriett Magruder

sang "The Pilgrim Song," by Tschaiakowsky, with Mrs. Bob Bartlett playing the accompaniment.

Mrs. Earl Cope, president, was in charge of the business and heard reports from officers and committee chairmen. The following new members were introduced: Mrs. Kenneth Newton, Mrs. Carroll Thompson, Mrs. James Palmer, Mrs. H. H. Wagner and Miss Ma-

gruder.

Christmas program which will be presented by the Winters High School Octet under the direction of Robert Gans; the Texas Day program to be presented by the Ballinger High School Choral Club under the

direction of Mrs. W. F. Postlethwaite; and solo selections by Mrs. Kenneth Newton and Miss Magruder, and piano numbers by Mrs. Bob Bartlett and Miss Mary Carpenter.

At the social hour, the social committee, Mrs. W. R. Bogle, Mrs. H. J. Zappe and Mrs. O. R. Lasater, assisted the hostess in serving pie and coffee. The lace laid dining table was centered with an arrangement of dahlias in fall tones.

Active club members include Mrs. Bob Bartlett, W. R. Bogle, Earl Cope, Sim Cottelle, I. B. Funderburk, Alex McGregor, Kenneth Newton, W. F. Postlethwaite, James Palmer, E. A. Saunders, Troy Simpson, A. B. Stobaugh, Carroll Thompson, H. H. Wagner, Misses Marryatt Smith, Hattie Mae Dunlap and Harriett Magruder.

Associate members are Miss Olga Schawe, Mrs. J. R. Lusk, Mrs. Ida Guion, Mrs. W. B. Halley, Mrs. O. R. Lasater, Mrs. Eugene Loika, Mrs. F. M. Pearse, Mrs. Elmer Shepperd, Mrs. L. R. Tigner and Mrs. H. J. Zappe.

ROWENA CHURCH SETS CONGREGATION MEETING

The United Church of Christ of Rowena will hold a meeting of the congregation at the close of the service Sunday at 10:30 a. m. to elect delegates to the fall Synod meeting at Marlin, Texas, on October 23. Alvin Redman will preside. The sermon subject will be "A More Christian America."

LEGAL NOTICE

NOTICE TO BIDDERS
Sealed proposals addressed to W. H. Rampy, County Judge of Runnels County, Texas, will be received at the Commissioners' Court Room in the Courthouse at Ballinger, Texas, until 10:00 o'clock A. M., on the 17th day of October, 1958, for the purchase of the following road machinery:

TWO (2)—NEW MOTOR GRADERS, tandem drive, diesel powered, 115 H. P. minimum, power control, equipped with electric starter, hour meter, muffler, fully enclosed cab, cab heater, 14-00 x 24 8-ply tires on all six wheels, power sliding moldboard, hydraulic power controls for all operations, and with power steering.

The County will offer as part payment on the above described machinery the following used machinery:
ONE (1)—Caterpillar Motor Grader, No. 12, Serial No. 9K4543, 1942.
ONE (1)—Allis Chalmers HD 10W-6538, crawler tractor with Garwood No. 26, six cu. yd. two wheel, Ser. No. 21389 scraper.

A certified or cashier's check on a bank in the State of Texas, or a Bidder's Bond from a

Faith Rewarded

Faith—in his convictions, in himself, and, above all, in God—enabled Columbus to ride out storms of adversity and discover a New World. The same qualities of faith have helped our land grow great. May their presence be a guide to America always!

reliable Surety Company, payable without recourse to W. H. Rampy, County Judge of Runnels County, Texas, in an amount not less than five per cent (5%) of the bid, must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into contract.

The County reserves the right to reject any and all bids, and to waive any or all formalities.

NOTICE IS ALSO GIVEN that it is the intention of the Commissioners' Court of Runnels County, Texas, to pay all or a part of the contract price in interest-bearing time warrants, and it is the intention of the Commissioners' Court to pass an order on October 17, 1958, authorizing the issuance of interest-bearing time warrants against the Road and Bridge Fund of said County in an amount not to exceed Forty

Thousand Dollars (\$40,000.00), bearing interest at a rate not to exceed four per cent (4%) per annum, and maturing at such time or times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity not to exceed ten (10) years from their date, for the purpose of evidencing the indebtedness of Runnels County to be incurred in purchasing road machinery for use on the roads of said County.

The County will make arrangements for the Contractor to dispose of the warrants herein mentioned at not less than par, and the Contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

A track star may not need an extra telephone! But how about you?

When you're in the living room relaxing and the telephone rings, what happens in your home? Is there a mad scramble to answer before the caller hangs up? Or do you reach instead of run?

An extra telephone in the kitchen, living room, or bedroom will give you real step saving convenience. And the cost is so low you'll wonder why you waited so long to get one. You can choose your extra telephone in a lovely decorator color, too.

Call our business office today for full information on an extra telephone for your home.

Lake View Runs Wild To Conquer Bearcats

The Lake View Chiefs came to town last Friday night with their full war paint on and proceeded to start scalping when they met the Ballinger Bearcats in the annual football game. In a game which had been set up for a fairly even contest, the Chiefs took complete charge with the first kick-off and continued in command until the final whistle. The fine line of the Lake View team held the Bearcats

in the minus column on the ground, throwing Bearcats back for losses of 53 yards while they were only able to gain 34 on running plays. The opposing line also operated well on offense and kept large holes open for their backs which permitted a ground game netting 312 yards with a deduction of 27 yards on losses. The Bearcats went to the air 23 times, completed 10 for a total of 141 yards. They scored their lone touchdown on a pass play from Jerry Candler to

Kenneth Wiginton for 18 yards. Lake View only tried two passes and completed one for 53 yards.

The Chiefs suffered from penalties and ten times in the game had plays called back for infractions of the ruled. Their penalties amounted to 120 yards.

Lawrence Mixon was a standout for the Chiefs and turned in some long runs. On one occasion he took the kickoff on his own 20 and raced 80 yards for a score. The downfield blocking on all long runs was excellent. The Chiefs also worked the option play for good results in the latter part of the game.

The visitors played ball control for most of the evening. They ran 55 running plays to the Bearcats' 20, passed twice punted 4 times. The Chiefs also ran 10 other ground plays on to Ballinger's 21 and each club which they received penalties while Ballinger was only penalized one time for 15 yards.

Lake View intercepted two Ballinger passes and recovered one Bearcat fumble.

and Ranger in order are strong and Eastland has been coming along well in their last few games. The Bearcats have played the hardest schedule of any of the district teams, meeting two of the best Class AA teams in the state in Brady and Stamford, and also meeting two Class AAA teams in Colorado City and Lake View.

BANKS TO BE CLOSED MONDAY, OCTOBER 13

Ballinger banks will not be open for business on Monday, October 13, Columbus Day. This official bank holiday fell on Sunday and Monday will be observed. Patrons are asked to take notice and attend to business before closing time Saturday.

SPORTS

The exhibition games are over and the Bearcats come down to their conference schedule for the championship of the district. They will have a week of rest, as October 10 is an open date, and their next game will take them to Cisco to meet one of the hottest teams in the district. Cisco has a flock of lettermen back this year and in games so far have rolled up a large score against all opponents.

There will be football for the local fans this week with the B team meeting the Abilene sophomores at Bearcat Field Thursday night. With no regular games scheduled this week all the B team boys will be ready for action against Abilene.

Tonight the junior teams will go to Winters for three games. These games will start early but the regular junior high game will start around 7:30 and fans are invited to be on hand.

The Bearcats have been hindered with injuries and the rest this week should bring all boys around by their game with Cisco on October 17. Several boys were on the side lines most of the night Friday and others saw only limited action because of being crippled.

All teams in this district are strong this year and the Bearcats have a big job cut out for them each Friday night if they win. Cisco, Coleman, Winters

MOMENTARY SETBACK—Australia's Ashley Cooper grabs his ankle in pain after he fell during the fifth set of the men's finals of the U.S. tennis championships at Forest Hills, N.Y. Recovering, Cooper went on to defeat fellow Aussie Malcolm Anderson, 6-3, 3-6, 4-6, 10-8, 8-6.

County. He attended school in Breckenridge and later opened a small barber shop in Gorman. Along with a number of other business enterprises, Mr. Jarrett kept a barber chair handy so he could maintain a living when the panic came along in 1907 and collections were not so good.

He was married to Miss Rosa Lee Bowman in Paint Rock on September 15, 1907. Four children were born to this union. They are Wayne and M. L. Jarrett, both of Ballinger, Mrs. Ellis McMillin of Abilene and Mrs. H. H. Folkner of Brownwood. Mrs. Jarrett died January 5, 1922.

Mr. Jarrett married Mrs. Maude Davis in Ballinger in February 1942.

When Mr. Jarrett came to Ballinger in 1915, he was employed by Jim McWhirter in what was known as the Bank Barber Shop. Since then he was engaged in the barbering business with other shops, but now operates his own business.

In 1939 he was elected Justice of the Peace, defeating B. W. Pilcher who had held the office for a number of years. After holding the office for four years he did not seek it any more.

Mr. Jarrett's granddaughter, Mrs. Wayne Howard of Sweetwater, made his white and pink decorated birthday cake for the Sunday celebration when all the children and six grandchildren were present.

SOCIETY

Civic Garden Club To Sponsor Tea

October is the month which members of the Ballinger Civic Garden Club have set aside to honor senior citizens of Ballinger.

The in-honor affair will be a Golden Age Tea to be held at the local library Tuesday, October 14, at 3:30 p. m. Each club member is urged to bring one or more senior citizen guests.

Mrs. A. O. Bartlett, program chairman for the club, will be assisted by the therapy committee which includes Mrs. W. F. Mueller, chairman, Mrs. Jim Golden and Mrs. O. R. O'Neill, in making arrangements for the tea.

A program of entertainment will be followed by the tea hour.

Rebekah Lodge Has 42 Party Sept. 29

The Rebekah Lodge entertained 34 guests and members with a 42 party at the IOOF Lodge Hall on September 29. Guests from out of town were Mr. and Mrs. W. P. Keeling, Mr. and Mrs. Bert Hester and Mrs. Wesley Prenting of Miles.

and Mrs. Carrie Edmondson of San Angelo.

There will be a regular meeting of the Rebekah Lodge at 7:30 tonight.

G. A. Jarrett 81 Wednesday, Oct. 8

G. A. Jarrett, who has been barbering since he was 19 years of age, is still active at the trade in his shop south of the court house.

Mr. Jarrett was 81 years old Wednesday, October 8.

He speaks of the rising cost of living, comparing today to the days when he received 20 and 25 cents for haircuts and 10 cents for shaves. A family raised its own food and was self-sufficient.

A family dinner was held on Sunday, October 5, in the Jarrett home, 207 Sixth Street.

Mr. Jarrett was born at College Hill, Arkansas. It was here that he attended school up to 12 years of age. The family left for Texas in November 1889, and settled in Coleman County. After farming there until 1896, the family moved to Eastland

County. He attended school in Breckenridge and later opened a small barber shop in Gorman. Along with a number of other business enterprises, Mr. Jarrett kept a barber chair handy so he could maintain a living when the panic came along in 1907 and collections were not so good.

The Parent-Teacher Association met last Monday when Dr. John E. Green and Mrs. Seth McLarty spoke to the group on the work of the Runnels County Parent-Teacher Association. Rev. Bill Swindler gave the P-TA topic "Keeping Faith With Our Younger Generation." Mrs. J. B. Fivash presided. Final plans for the fall festival were made and will be held in conjunction with the homecoming.

SERVING UNCLE SAM

Roy F. Rollwitz of Rowena arrived home last week after completing 3 weeks of basic training at Fort Carson, Colorado. Rollwitz will spend 14 days leave visiting with his parents, Mr. and Mrs. Raymond F. Rollwitz, in Rowena, before going on to Fort Ord, California where he will attend school in Motor Vehicle Operation. He enlisted in the U. S. Army through the U. S. Army recruiting Station in San Angelo after graduation from St. Joseph High School in Rowena in May of this year.

MAVERICK BAPTIST CALL NEW PASTOR

The Maverick Baptist Church, in a special meeting, has called a new pastor, Rev. Carl Glenn Lee of Abilene. He is now a senior student at Hardin-Simmons University at Abilene. He will be in the pulpit Sunday for his first sermon as pastor of the church.

MILNER JONES

Mayor Bill Moore returned home Monday from San Antonio where he has been with his nephew, R. A. Moore Jr., while undergoing surgery in a San Antonio hospital. Mr. Moore reported his nephew doing nicely.

Funeral services were held at Winters Tuesday at the Spill Memorial Chapel and burial was in Northview Cemetery.

Survivors are two daughters, Mrs. Cockrell of Ballinger and Mrs. Ernest Williams of Lemon Grove, California; one son, Jerry Dry of Shreveport, Louisiana; one sister, Mrs. Luther Prince of Highlands; and two brothers, Albert Dry of Waukeen and John R. Dry of Winters.

Anton Knoff
Anton Knoff, 84, died at his San Angelo home Sunday morning following an illness of the past year. He suffered a stroke two weeks ago.

Decedent was born February 15, 1874, in Gronau, Germany and was married to Marie Werner near Berlin, Germany, in 1898. The couple came to America in 1907 and moved to Rowena County in 1911 and made their home near Rowena until 1944 when they moved to San Angelo. He was a successful farmer of the Rowena area for many years. Mrs. Knoff died in 1947.

Rosary was said for Mr. Knoff at 8 p. m. Monday at the Newby-Davis Chapel. Funeral services were held at the St. Boniface Catholic Church at 9:30 a. m. Tuesday with Rev. Chas. Knapp officiating. Burial was in St. Boniface Cemetery.

Survivors include two sons, Emil A. of Canton, Ohio and Conrad of Pecos; four daughters, Mrs. Marie Anderson of Dixon, California, Mrs. Frank Treague of Fairbanks, Alaska, Mrs. Frank Adams of San Angelo and Mrs. H. L. LaSalle of Ada, Oklahoma; three brothers, Joe of Rowena, Pete and Paul, both of Houston; three grandchildren and five great-grandchildren.

Edna Matejowsky
Miss Edna Matejowsky, 59, died at the Shannon Hospital in San Angelo Wednesday. Decedent had lived all her life in Rowena until two years ago when she moved to San Angelo to accept employment. At Rowena she was an employee of the First National Bank.

Funeral services will be held at 3 p. m. Friday at the United Church of Christ in Rowena with burial in the Protestant Cemetery.

Survivors include two brothers, E. F. Matejowsky of McCamey and Clarence Matejowsky of Rowena; two sisters, Mrs. Neom Brosig and Mrs. La-Stelle Bailey of Lowake.

Dewitt Proffitt
Funeral services for Dewitt Proffitt, 30, were held at 10 a. m. Wednesday at the Robert Massie Funeral Home in San Angelo. The Elks had charge of the graveside rites at Lawnhaven Memorial Gardens.

Decedent was killed late Sunday in a car accident near Boia. His grandmother, Mrs. Minnie Proffitt, lives in Ballinger.

Frank Marek
Frank Marek, 73, died at 5 p. m. Tuesday at his home in Rowena, apparently of a heart attack. He had been in ill health for some time.

Sonora Airport Dedication October 12

All of Texas is invited to the official opening and dedication of the community airport in Sonora, Texas, on Sunday, October 12. This occasion will mark completion of the project constructed without governmental participation.

Almost everyone in this West Texas community has played a part in the construction of the 3,900-foot paved runway equipped with tie-down areas, office building, UNICOM, weather instruments, wind Tee, fuel service, and automatically controlled runway lights. Individuals and city and county officials combined their efforts to buy the location, raise funds, and furnish the labor and equipment necessary to complete the landing strip which has been described as the best small town field in the state.

Donations by private persons and business firms have ranged from a case of coles from an interested teen-ager to the use of several thousand dollars worth of men and heavy construction equipment from a local contractor. The city and county governments have provided funds for purchasing the site which was offered at an extremely low price by a local ranchman, and equipment for actual construction.

The strip, which lies partly within the city limits, has been in operation since last October when city, county, and privately owned road construction machinery cleared, leveled and smoothed the site in less than two weeks to have it in use for Oil Progress Week.

The new manager of the Ballinger Chamber of Commerce is on the job. For several months the directors of that organization have been anxious to secure the services of a professional manager to take the lead in local work of importance. Now that he is at work, others interested in the growth and progress of Ballinger are not relieved from service. No manager can accomplish a big, worthwhile program without the full support and cooperation of all local citizens. He can only provide the leadership, but much of the money and the leg work must be supplied by committees. There is much to be done here within the next several months and every person who calls Ballinger home should lend their efforts to put the programs over. The membership drive, recently staged by the chamber of commerce, is not over and new members and new monthly pledges are needed to carry on a successful chamber and its program. If you are not a member, join with your neighbors and friends and give of your money and your time to make your hour's town better to live in, to do business in and a place that will attract others.

It is less than a month until the general election which will be held on November 4. Some may think that there is little reason to cast a vote in this election as all democratic nominees will be elected with little opposition. There are nine good reasons why every citizen should vote. This year there will be nine constitutional amendments submitted to the people of Texas and these are important. Not only should every voter go to the polls, but before going, they should study the nine amendments and know just what effect they will have if they are given approval. If it is impossible to study the text of the amendments, talk with someone who is well informed and in whom you have confidence.

Some time ago an economic organization listed a series of reasons for confidence in the future of this country. One reason is the growth of population—it has doubled in 50 years and 4 million infants arrive yearly. Another is more jobs—estimates say the 1975 figure will be 22 million ahead of today's. Another is family income, which now runs to \$5,399 a year after taxes, and is expected to pass \$7,000 by 1975. Another is more production—it has been doubling every 20 years. Another is more needs—

**WEST TEXAS
NOTES**

The Home Demonstration Council in Concho County has made plans for achievement day and will devote two days to making tours. On October 23 they will start at Lowake and make other stops at Paint Rock and Bola. On November 4 they will visit clubs at Millersview, White Point, Brady Valley and Live Oak. At each stop the club will have a special exhibit arranged for inspection by the group. Visitors are also invited to make the two tours and see what has been accomplished by club members the past year.

Announcement was made at Comanche by the members of the city council that parking meters would be installed as soon as they could be shipped and placed along the curb. An order was placed with a firm in Cincinnati, Ohio, and are expected by November 10. A total of three hundred will be installed and loading zones for local merchants will be honored by the city. The meters are built to handle nickels for one-

accordina, to the economists, in the comparatively near future we will need \$500 billion worth of new schools, new highways, new homes, new durable equipment. So it goes, down the list of confidence-breeding factors. They are certainly impressive. But they are all, naturally, material. None of them will mean much unless values of what we call a spiritual nature are added and maintained. For instance, it is perfectly possible for the most ruthless dictatorship on earth to produce striking material progress. But the people, no matter how great the output of farms and factories, still are slaves. They still get only what their masters decree. They do what they are told, on pain of brutal punishment.

The material achievements which everyone expects for this country in the future will have meaning only if the people remain free. The character of a nation cannot be measured by the standard indices of production and distribution and the rest. It is measured in the pride, the self-reliance, and the independence of its people.

hour and pennies for 12 minutes. Parking in front of banks and the post office will be limited to 12 minutes.

The Menard Hospital, located in the recently remodeled Bevens Hotel, began business with a rush last week-end when facilities were opened for patients. There was a rush of medical, surgical and maternity patients, with as many as twelve at one time. The operating room was busy every day and three babies were delivered the first week-end. The rush was so great that an additional part of the hotel will be made ready for use and announcement was made that 22 patients would be taken care of at a time and more should an emergency arise.

United Fund campaign workers at Coleman launched the annual drive for funds last Mon. with a goal of \$1,7350 set for the next 12 months. The fund will be raised to provide for girlscouts, boy scouts, Salvation Army, Red Cross, United Defense Fund, Gonzales Warm Springs, summer recreation, county welfare, operating and contingency funds. The drive will be held in every community of Coleman County with workers already secured to solicit the money in each locality. Coleman has been operating with the United Fund for several years.

A \$7,000 office building is being planned for the Erath County Rural Electric Cooperative at Stephenville. An architect was hired last week to make the plans for the building and these will be submitted to the directors as soon as completed. The office building will be located on Highway 67 near the present co-op warehouse. It was also announced at Stephenville last week that a contract had been let on Highway 77 which amounted to \$104,811.

A new Piggly-Wiggly super-market was opened in Brady last week on the southwest part of the square. The building, with 9,000 square feet of space, was completed in time for the stocking of shelves and displays and the formal opening

on Wednesday through Saturday. Many attractive prizes were given away at the opening to help attract crowds. The new super market is owned by S. J. Carmichael who has been in the food business at Brady since 1935. The new store has 18,000 square feet of parking space.

Colorado City's national guard armory has been told to increase its membership to a minimum level or face the possibility of a shutdown. Battery C, unit of the 648th armored artillery, was placed on probation Wednesday. The probation period allows the

battery 6 months to increase unit strength or face withdrawal of federal recognition. The unit must have 51 men in order to continue. The company is operating now under the command of Capt. E. E. Howard with only 41 men. A mass meeting of citizens

was held at Eden Tuesday night to discuss the finding and bringing to Eden a competent doctor. The meeting also heard a discussion on securing a clinic-hospital but the most urgent need was declared to be a doctor for taking care of the ill in that community. The

meeting was sponsored by the Eden Lions Club. Dr. John E. Carter, who has practiced at Eden for some time, has closed his office and moved to Post. Contacts are to be made at once with doctors who might be interested in the Eden location.

Four members of the Winters chapter of Future Farmers of America will attend the national convention of the FFA in Kansas City, October 12-14. A. Hanson, agriculture teacher in the high school, said the boys would be picked according to their record. In a called meeting of the Winters Chamber of Commerce last Saturday week the board members voted to provide \$100 to help defray expenses of the four boys. The Winters Lions Club will sponsor one boy at the convention and the Winters State Bank will take care of another.

Crews started moving into Bronte last week to start work on a half-million dollar highway contract. The work will start at the main street in Bronte and extend north for 8.57 miles to the Sweetwater-Abilene Y. Strain Bros. of San Angelo are the contractors on a bid of \$505,422. Actual construction will start in about two weeks. Aside from the grading, base and surfacing, the contract will include a large bridge over East Kickapoo Creek and an overpass at the Sweetwater-Abilene Y. The crews were moving in early to secure living quarters at Bronte.

The Correct Solution

A famous engineer once said that real engineering skill was to do a difficult job so simply that after it was done some bystander might remark: "That's easy, how else could you do it?"

Many financial problems seem easy after they have been solved, but the correct and only real solution may have been arrived at only after consultation with someone who has had specialized experience in money management. Modern society is so organized that one can profit, if he will, by utilizing the experience of others.

Our job is to be helpful in finding a solution to difficult financial problems.

WOMEN'S SOCIETY

piano and directed by Mrs. Broughton, all of Sweetwater.

Wesleyan Service Guild Meets in Bowden Home

Mrs. L. M. Bowden, Mrs. Mack Setser and Mrs. M. T. Camp were hostesses to members of the Wesleyan Service Guild of the First Methodist Church Monday evening, entertaining in the Bowden home on Sixth Street.

Mrs. Herman Virden conducted the business session. Miss Ann Midgley gave the opening prayer and also the devotional, "And Crown Thy Good With Brotherhood." Mrs. Bill Witter, a member from the Women's Society of Christian Service, announced the Week of Prayer and Self Denial program which will be held the last part of October.

Mrs. Herman Rountree presented the program on "Christian Concerns of North American Neighbors."

At the social hour apple pie was served with coffee. Others present were Miss Ollie Chenoweth and Miss Bonnie Clark, Mmes. W. O. Irby, M. E. McClenny, Ruel Boswell, T. Foreman, Morris Stokes and Gertrude Woods.

W. S. C. S. visitors were Mrs. W. C. Witt and Mrs. Bill Witter.

Mr. and Mrs. Camp Observe 50th Wedding Anniversary

Mr. and Mrs. D. C. Camp celebrated their golden wedding anniversary on Sunday, Oct. 1, at the Valley View Church. The Camp children were hosts at the affair. Greeting guests were Mr. and Mrs. D. C. Camp, Mrs. Buna Camp and Mrs. Tommie Seymore.

Mrs. Camp was wearing a white carnation corsage dusted with gold and Mr. Camp a white carnation presented to them by their children.

The serving table was laid with a lace cloth over gold and centered with an arrangement of gold and bronze mums flanked by crystal candle holders and gold candles. A tiered cake with white icing was topped with a gold "50" and the crystal punch bowl completed the table arrangements. Other floral arrangements, sent by friends, were arranged throughout the room.

Guests were registered by Mrs. Burl Ford, granddaughter of the couple. Mrs. Jimmie

Drake and Mrs. Lloyd Pryor laden punch and Mrs. Joe Camp and Mrs. Marvin Drake served cake. Sons of the couple, Joe Camp, Bernis Camp and Buna Camp, and a grandson, Jimmy Drake, displayed the gifts.

Mr. Camp was born in Georgia and came to Runnels County in 1906. Mrs. Camp was born in Tennessee and came to Runnels County in 1899. The couple was married at Ballinger on October 4, 1908.

The Camp children are: Buna Camp of Levelland, Mrs. Jack Davidson of Littlefield, Mrs. Marvin Drake of Sudan, Bernis Camp of Baileyboro, Mrs. Lloyd Pryor of Amherst, Mrs. Tommie Seymore of Sudan and Joe Camp of Farwell. The couple has fifteen grandchildren and four great-grandchildren.

Music was played throughout the afternoon by a group of young accordionists with Miss Virginia Patterson at the

G. G. Club Introduces Three New Members

Joan Smith, Barbara Clifton and Sue McAlister were introduced as new members of the G. G. Club at the regular meeting Monday evening.

Mary Bagwell was hostess to the group. Jimbeth Flynt, president, presided for the business when club pins were placed on order for new members. The club will sell desk sets of ball-point pens and also conduct a bake sale in the near future.

The next regular meeting will be on October 13 in the home of Glenda Cook at 308 Pou Avenue.

Refreshments were served to the three new members and to Dorothy Smith, Bobbie McDaniel, Sarah Meador, Betty Dixon, Judy Brown, Jimbeth Flynt, Linda Wright, Glenda Cook, Shirley Kurtz, Dorothy Piel, Helen Davidson, Lynda Kerby, Alice Piel, Brookline Hogue and Lee Brookshier.

Gift Party Thursday Honors Miss Geraldine Burger

Miss Geraldine (Jerry) Burger, who will become the bride of William J. Fowler Jr., was honored at a gift party Thursday evening in the J. F. Owen home.

Hostesses were Mrs. Elva

Hauser, Mrs. Charles Miller, Mrs. J. L. Candler, Mrs. Jim Wood, Mrs. Willie Belle Middleton and Miss Mary Jane Kiechle.

Mrs. Hauser, Miss Burger, her mother, Mrs. Charles A. Burger of Brownwood, and Mrs. W. J. Fowler Sr., received guests.

Entertaining rooms gave emphasis to the bride-elect's colors of blue and white.

Crystal appointments were used on the dining table covered with a cloth of white damask. A crystal bowl of blue asters, orange blossoms and bead sprays formed the centerpiece. A chandelier complemented the arrangement.

Serving were Mrs. H. H. Wagner, sister of the prospective bridegroom, and Miss Kiechle. Other hostesses assisted in serving and registered guests.

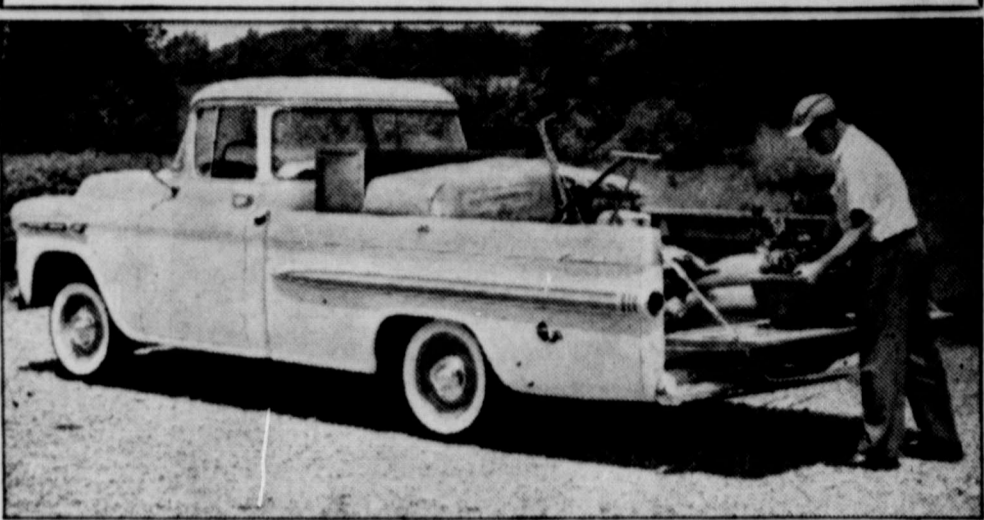

Miss Burger wore a black crepe dress styled on princess lines with a bow at the back accenting the round neckline. Her shoes were black velvet. A white orchid and blue flowers were her corsage.

Sixty-five friends of the honoree were included.

MANY BUYERS ATTEND LIVESTOCK SALE HERE

The weekly livestock sale Monday afternoon attracted a

Fuel Economy Accented in 1959 CHEVROLET PICKUP TRUCK

Better fuel economy, new two-toning and larger brakes are among improvements in the 1959 Chevrolet Fleetside pickup, one of 139 truck models in the company's new line. An economy six engine gives up to 10 per cent better fuel mileage, with higher torque at normal speeds. A further economy carburetor-rear axle option is available on six-cylinder half-ton models.

large number of buyers with some from out of the county. The market was strong and active all afternoon in all divisions and the sale was one of the best of the year.

Stocker lambs brought \$23.50 per hundred, weighing ewes \$8.00, old breeding ewes \$12.50

each, baby calves \$20 to \$59 each, cows and calves \$200 to \$235 per pair, butcher calves \$24.25 to \$27.75 per hundred.

Another sale will be held next Monday and livestock people of this area are urged to place their surplus livestock in the sale.

"Pyorrhea" May Follow Neglect

Did you ever see an attractive person with irritated "GUMS"? Druggists refund money if first bottle of "LETO'S" fails to help.

REPRESENTING THE MOST progressive change in Pontiac Motor Division's 51-year history is the Catalina Vista. The beautifully contoured Vista Panoramic windshield and large, wrap-around rear window provide unparalleled vision for driving safety. Absolute simplicity in styling is achieved with the twin "air scoop" grille housing dual headlamps and a low, cleanly styled body, topped by a slim-line roof. Vista models are also featured in the Bonneville and Star Chief series.

1959 Pontiac Showing Today

Chief among the 65 brand new features found on Pontiac's 1959 models for 1959 are lower, wider, heavier bodies of completely new design; a chassis with wider tread, an engine of 5.13 per cent greater displacement for higher performance, a heavier and more rigid frame, new true-contour brakes, plus a long list of freshly engineered accessories.

Pontiac's new Tempest 420 V-8 engine, famous for its flashing performance and a veteran of over 18 million miles of actual testing, has increased displacement from 370 to 389 cubic inches and is offered in a broad selection of regular fuel, low compression, or premium fuel, high compression engines featuring two-barrel and four-barrel and optional triple two-barrel carburetion.

Of outstanding significance among the many innovations

up to nine inches longer, 3.3 inches wider and as much as three inches lower, with an entirely new and fresh approach to exterior and interior design.

Overall height of the new cars range from 54 inches for the sport coupe in Catalina and Bonneville series, to 56.4 inches for all sedans and station wagons. The hood line has been lowered another inch in 1959 while little change has been made in road clearance. Overall length of Star Chief and Bonneville sedans and coupes

404

F. B. C.

is 220.7 inches while all other models are approximately 214 inches in length.

The Bradshaw Car Co., located on Ninth Street at Strong Avenue, will display the new 1959 Pontiacs today and will also have models on the floor for inspection the remainder of the week.

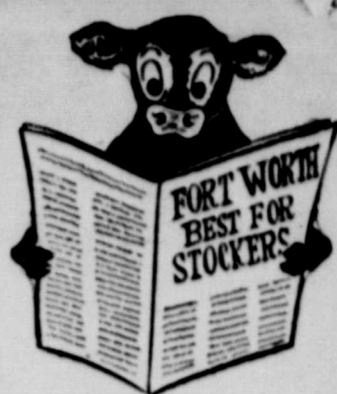

For today they will serve coffee and doughnuts and will also have a free gift for each visitor.

COUNTY BOYS ENTERING STOCK AT STATE FAIR

Ballinger FFA and 4-H boys will leave Monday for Dallas with their livestock to enter the junior livestock show at the State Fair of Texas.

The group loading from here will take 11 lambs, 5 or 6 fat barrows and one steer. The animals will be at the fair all next week while judging is in progress and most of the boys with one adult will remain there to look after the stock.

Receipt Books—single for 16 cents per book, large books with 4 to 8 receipts to the sheet and duplicates, \$1.50 and \$2.00. Ballinger Printing Co.

SEASON'S CLIMAX CATTLE SALE ON OCTOBER 16-17

The finale of our most successful season of special stocker-feeder cattle sales at Fort Worth. This is the BIG ONE at Fall roundup time! Our double-header sale in September grossed over \$532,100. Get in on these better sales at Fort Worth.

Trophies and dozens of special prizes. All breeders of commercial stockers and feeders eligible. Show & sale both days.

Here's what they say: Mr. Harry Curtis of Brady, Texas, says, "You can go all out in quoting me as endorsing the special sales at Fort Worth. It is certainly a good way to sell cattle a little bit better."

The cream of the nation's cattle buyers will be in Fort Worth, Texas, Oct. 16-17. Display your cattle before them to the best advantage, and cash in on proven successful shows and sales.

For details or information contact members of the Market Institute or the Institute office, Ted Gouley, manager, Livestock Exchange Building, Fort Worth 6, Texas. Phone, MArket 4-7358.

CREWS

The Crews Home Demonstration Club met Friday in the home of Mrs. P. R. Dietz. The meeting was called to order by the president and after a business session, the food leaders demonstrated the making of cheese, stuffed hamburger roll and steak cups. A plate of the demonstrated foods, along with apple Betty, crackers, pickles, olives and coffee, was served to eight members and three guests.

For recreation, a musical spelling bee was enjoyed by the group.

The next meeting will be in

the home of Mrs. A. S. Alcorn on October 17.

We would like to correct an error made in this column last week as to the date of the annual homecoming at Crews. It will be held on Sunday, October 12. The affair has attracted large crowds of former students in the past and a bigger attendance is expected this year.

Mr. and Mrs. Marvin Joe Kerby of Fort Worth visited the past week-end in the home of his uncle and aunt, Mr. and Mrs. Clyde Brevard, and with his grandmother, Mrs. Elsie Kerby.

There was a large attendance at the regular community

meeting Saturday night. Special business at the meeting was the selection of a supervisor for sub-division 5 of the Runnels County Soil Conservation district. Jake Presley was re-elected to the office.

Mrs. Owen Bragg accompanied Rev. and Mrs. Fisher to Brownwood last week to attend the district meeting of all chairmen of commissions of the Methodist Church.

Miss Ann Midgley, Mrs. R. W. Earnshaw, Mrs. Ruel Boswell and Mrs. Herman Virten attended the District meeting of the Wesleyan Service Guild which was held in Brownwood Sunday afternoon.

SOCIETY

New Members Introduced At XXXVI Study Club

When the Ballinger XXXVI Study Club launched its 1958 season in the home of Mrs. Verett James Grindstaff Wednesday afternoon, two new members, Mrs. James H. Palmer and Mrs. Joe B. Watterson, were introduced by the president, Mrs. Bobby Bryan.

The club accepted the resignation of Mrs. Noel Wiley and the transfer from active to associate membership of Mrs. V. O. Irby and Mrs. W. C. Harris. A letter from Supt. Ernest Key was read which thanked the club for sponsoring the cream supper held at the City Park for the school faculty and families of Ballinger schools. The community enterprise committee reported that ten members from the club would help solicit funds in the Boy Scout Drive. Mrs. J. Dexter Eoff, club historian, urged that members assist in gathering clippings on club reports for the scrapbook.

A panel discussion was held on "A Peek at the Modern Club Woman," which was designed to acquaint new members with the club's constitution and by-laws. The panel included Mrs. W. E. Moss, Mrs. H. G. Agnew and Mrs. Eoff.

Coffee was served preceding the meeting to: Mmes. E. Y. Bailey, Six Keys, Marvin Leck, E. M. Alton Patterson, Moss, Bryan, Elliott Kemp, M. E. McClenny, Claude R. Stone Jr., Watterson, Palmer, E. C. Grindstaff, Agnew, Jake Lawson, Cedric Bettis, Paul Stewart and W. E. Elkins.

Mrs. Carroll Smith Honored With Gift Tea

Mrs. Carroll Smith of Lubbock, who was Miss Glenda Mae Harris before her marriage, was complimented with a gift tea in the home of Mrs. J. L. Ohlhausen Saturday afternoon from 4 to 7 p. m.

Hostesses with Mrs. Ohlhausen were Mrs. J. Dexter Eoff, Mrs. Ross Smith, Mrs. Johnny Baker, Mrs. Curtis Cupp, Mrs. Billy Jack Middleton and Mrs. L. F. Jackson of McCamey.

The honoree, daughter of Mr. and Mrs. M. J. Harris of Ballinger, and Carroll Smith, son of Mr. and Mrs. W. B. Smith of Tahoka, were married August 25 in Lubbock. They are living in Lubbock while attending Texas Technological College.

Mrs. Ross Smith greeted guests. Receiving guests were Mrs. Ohlhausen, the honoree and her mother, Mrs. M. J. Harris, and her grandmothers.

Mrs. C. D. Harris and Mrs. George Fry

Mrs. F. W. Young of San Angelo, Mrs. Tommy Parker of Abilene, Mrs. Wendell Davis and Miss Norma Jean Ohlhausen served from the tea table covered with a handwoven linen cloth. White roses and white oleander blossoms centered the table appointed with crystal.

Mrs. Earl Cotten of Lubbock and Mrs. Allan Holmes of Abilene, sisters of the honoree, registered guests. Mrs. Baker and Mrs. Jackson displayed gifts and Mrs. Eoff spoke good-byes.

One hundred and fifty friends of the honoree were included.

Catholic Daughters Start Daily Mass Crusade

The Catholic Daughters of America at Oifen started a

daily mass crusade with at least one member attending daily mass for the intention of vocations. This was started when the Court of St. Monica met for their regular meeting on October 1 in the home of Mrs. Arnold Fuchs.

Plans were completed for the chicken supper on October 5, with the Christian Mother's Society cooperating with the Catholic Daughters. Mrs. J. J. Hoelscher reported packing and sending used clothing to the Pope's Storeroom.

Father Knapp, the newly appointed chaplain, spoke briefly to the group.

Mrs. Erwin Halfmann gave a reading on the "Feast of the Guardian Angel," and the special prize went to Mrs. J. J. Fuchs. Cake and cokes were served, after which members rolled cancer bandages for use in the missions.

Ballinger Shakespeare Club Opens Year at Luncheon

A luncheon Thursday noon in the Virginia Room at St.

Angeles Hotel in San Angelo initiated fall meetings of the Ballinger Shakespeare Club.

Mrs. Richard Moseley of Rochelle, president of District 6, Texas Federation of Women's Clubs, was the guest speaker, and emphasized the need for friendship, good-will and better understanding, and stated that it should be promoted in club work, in community activities and in club federation. She insisted that clubs should set aside a Friendship Day program, and this will be observed by the local club on March 7.

Mrs. Moseley's theme of activities for the club year are "Onward, United With Knowledge and Service." In outlining the activities she explained the duties of club officers and members.

Mrs. Dorsey Read, club president, introduced the speaker and presented a gift to her from the local club Mrs. B. C. Kirk spoke the invocation before the luncheon menu. The linen laid table was

centered with a cornucopia overflowing with yellow and bronze mums, purple grapes and autumn leaves.

Members from Shakespeare Club were Mmes. J. B. Dankworth, Paul Petty, Frankie Berryman, Estes M. Lynn, E. A. Sanders, Jack Jackson, Loyd Herzing, Edgar Boelsche, R. F. Zedlitz, Read and Kirk. Mrs. Bobby Bryan, president of the XXXVI Club, also attended the luncheon program.

Mrs. Frankie Berryman, program chairman, announced that the next program would be held at the library club room on October 16, at which time Supt. Ernest Caskey will speak on "Changing Trends in Education."

You get the solid quality of Body by Fisher.

Who in the world built this beauty ... the only car with wide-track wheels?

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. You get the most beautiful roadability you've ever known—in America's Number 1 Road Car!

PONTIAC! America's Number 1 Road Car!

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look... it's inches lower without sacrificing roominess or road clearance. You'll discover this beauty handles city corners and clings to country curves in a way conventional narrow-gauge cars can't hope to imitate. And the ride... the miraculous freedom from sway, dive and bounce... this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac to stamp it as the big change for '59:

Vista lounge interiors with full 360-degree visibility... seats actually wider than a sofa... Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. And there's a new companion power plant, the Tempest 420E, that delivers amazing extra mileage—and does it on regular gas!

Come in and see why no other car can possibly be so new as the new Pontiac—three great series: the magnificent Bonneville, the dramatic Star Chief and the brilliant new Catalina.

Changes In Your Social Security

By F. Neil Tarvin
(Field Representative of the San Angelo Text Social Security District Office)

(Editor's Note—This is the first of six articles dealing with recent changes in Social Security which will be carried each week in the Ballinger Ledger. These changes are of interest to everyone who draws payments or expects to draw payments in the future.)

Some important changes have been made in the old-age and survivors insurance program as a result of the Social Security Amendments of 1958 which President Eisenhower signed into law in August 1958.

All of the changes, directly or indirectly, affect the American public as a whole. Working persons—employed and self-employed—need to know about them; their families need to know about them.

In the articles to follow I shall describe the changes

singly and in detail; today, I shall restrict myself to a summary of the most important changes designed to strengthen this Federal social insurance system which provides partial protection against loss of earned income upon the retirement, death or total disability of the worker.

Most important, because it affects practically all working people and their families, is the increase in benefit amounts. This applies to those now getting benefit payments and to those who will become beneficiaries in the future. Most monthly benefit checks will be about 7 per cent higher, with a minimum increase of at least \$3.00 in the amount payable to a worker who retired at age 65 or later. (Women workers who began to receive benefits at any time between age 62 and 65 will receive slightly smaller increases.) The maximum monthly payment a family may receive is increased from \$200 to \$254 a month. Families now receiving maximum monthly benefits under the law will receive increases from \$75.50 to \$84 depending upon the deceased worker's average monthly wages.

Right here I want to point out that people now on the beneficiary rolls do not have to get in touch with the social security office to obtain these benefit increases. The larger amounts are effective with January and will show up on benefit checks for that month which will go in the mails early in February.

As you know, benefit amounts are figured from a working person's average earnings. Right now, only earnings up to a total of \$4,200 in a year can be credited to a worker's social security account. Beginning with 1959, however, earnings up to \$4,800 will be creditable and taxable for social security purposes.

Social security taxes will be increased beginning with 1959. An employed person will have 2 1/2 percent taken out of his pay instead of the present 2 1/4 percent; his employer will contribute 2 1/2 percent also. The self-employment social security tax will be increased 3/8 of 1 percent and will become 3 3/8 percent of net earnings up to \$4,800 in the year. Self-employed people will pay at this increased rate for the year 1959 with the tax return they make early in 1960.

Important changes have been made in the disability insurance provision in the law. If a worker, age 50-64, is getting monthly disability benefits because he is too disabled for further substantial gainful work, payments can be made to his dependents just like the payments made to old-age insurance beneficiaries. Moreover, a person entitled to social security disability benefits no longer has the amount of his benefit payment reduced or withheld because he is receiving disability payments from some other Federal or State source.

The amended law also makes it easier for people whose disabilities develop gradually to qualify for either cash benefits or the disability "freeze." This is brought about through a change in the work requirements. It is no longer necessary that the worker have at least 1 1/2 years of social security credit out of the 3 years before he became disabled. The standards for determining disability remain the same. A person must still be unable to perform substantial, gainful work. The new requirement is that the worker be fully insured and have 20 quarters of coverage out of 40 calendar quarters before he became disabled.

Other changes have been made in the social security law, including several relating to benefits for dependents. I shall discuss the later in my next article.

PLOWING AND SOWING DONE BY NEIGHBORS

On Thursday of last week a group of friends and neighbors met at the Marvin Hambright farm and did plowing and sowing of wheat for him. Mr. Hambright was injured in a fall a few weeks ago and has been unable to get about.

Those who helped were: Burley Campbell, Buck Campbell, Quincy Traylor, Bob Irvin, Robert Gerhart, Leo Shelton, Joe Shelton, Noble Faubion and Wilmer Gerhart.

Mr. and Mrs. Hambright wish to express their deep appreciation for the neighborly act which was such a help at this time. They added that they were glad to live among the good hearted people of their community.

Mr. and Mrs. Bob McGarvey and Mr. and Mrs. Clayton Jay spent last week-end at the State Fair in Dallas and attended a meeting of radio people in Fort Worth.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Members of the South Ballinger Home Demonstration Club met in the home of Mrs. Bud Farley Tuesday afternoon for their regular meeting with Mrs. B. M. Batts, president, conducting.

The club song, "Ever Onward," was sung by the group. Miss Ann Midgley read the club prayer and Mrs. Ed Farley gave the Thought for the Day. The council report was given by Mrs. Archie Wallace.

Mrs. R. G. Hollingsworth of Coleman, former county agent of Runnels County, extended an invitation to club members to spend the day with her on October 15, members accepted the invitation which will include a covered dish luncheon to be served in the Hollingsworth home in Coleman.

The program, "A One Dish Dinner," was presented by Mrs. J. L. Ohlhausen and Mrs. V. L. McShan. The demonstration of steak cups and Apple Betty were served with refreshments prepared by the hostess, which were angel food cake, nuts and coffee.

Mrs. Tom Crockett directed the recreation period of quiz games.

The next regular meeting will be on October 21 in the home of Mrs. Ed Farley.

Others present were: Mmes. Austin Williams, Mack Setser, Joe Thomas, Neuman Smith, Tom McAnnally, R. H. Holstead, Ross Smith, C. D. Harris and Andrew Flint.

BETHEL HOME DEMONSTRATION CLUB

Mrs. Marion Hays, president of the Bethel Home Demonstration Club, conducted the business at the regular meeting and also gave the Thought for the Day which was "There Aren't Words That Burn As Fast As the Chip on Your Shoulder." The meeting was held in the home of Mrs. Bill Hays last Thursday afternoon.

Following the opening prayer

404

F. B. C.

given by Mrs. Clyde Simmons, the roll was answered by naming "What is Your First Thought of the Day?" The minutes were read and approved. Mrs. L. A. Wilbanks gave the council report.

The following new officers were elected: Mrs. Claude Thompson, food demonstrator; Mrs. Meade McShan, food leader; Mrs. Wilbanks, home improvement demonstrator; Mrs. Oren W. Bibeaux, home improvement leader.

Mrs. Wilbanks and Mrs. McShan gave a demonstration on a one dish dinner. The hostess Mrs. Hays served Apple Betty topped with whipped cream and coffee with the demonstration dish.

At the recreation hour, secret pals were revealed.

Other members present were: Mmes. L. T. Allen, J. W. Bigby, W. D. Duke, Blair Hays and Taylor Russell.

Mrs. A. L. Spann and daughter, Mrs. Ralph Vancil, returned home Wednesday from Gonzales after attending funeral services for Mrs. Spann's brother, J. F. Wood, who passed away Monday with a heart attack.

Mrs. G. B. Wheeler, Laurel, Mississippi, is here visiting friends.

Mrs. Lee Edson's father of Brooksmith is spending a few days here visiting in her home.

Mrs. A. C. Howard has returned to her home at Weatherford after a visit here with relatives and friends.

Sheriff Don Atkins was in Dallas the first of the week attending to business.
