

# THE BALLINGER LEDGER

VOL. 73

BALLINGER, TEXAS, THURSDAY, NOVEMBER 13, 1958

NO. 3

## Mass Meeting Called To Talk Chest Fund

A special meeting is being called for 7:30 p. m. Thursday, November 20, in the district court room which will bring the heads of all local organizations together to consider the forming of a community chest. The meeting is being sponsored by the Ballinger Chamber of Commerce and the presidents of local civic clubs, women's clubs, veterans groups, home demonstration clubs and other organizations are being asked to attend.

The meeting is being held at night so that organizations from Miles and Rowena may have representatives present and a number of rural organizations.

At the meeting a complete plan for the forming of a Community Chest or United Fund will be brought before the session. All organizations that will work with a chest fund will be listed and a plan will be sought whereby the south of Runnels County can operate on the chest plan and save so many financial drives during each year.

During the past few weeks

three major fund campaigns have been launched here and some of their work has overlapped each other. During the time some 200 persons have been called upon to give time to collect money for the various causes and still the entire territory has not been covered.

There have been numerous requests for the organization of a chest fund here and many persons have pledged their full support, both in giving money and serving with soliciting groups if such a plan is adopted. Workers feel they had rather work hard for several days, once each year than to be called upon so many times to help make drives.

Local people also feel that more money can be raised with one big and well organized drive than in a dozen or more separate campaigns.

Ed Davis, manager of the Chamber of Commerce, stated that while only the presidents of the organizations and clubs have been invited to the meeting, any person interested in such an organization will be welcome at the meeting next Thursday night.

## Miles-Mozelle Bi-District Game Bearcat Field Tonight

The Ballinger Jaycees will sponsor a bi-district 6-man football game here tonight between Miles and Mozelle. Each team has its district championship and will meet in Ballinger at Bearcat Field tonight in a regular play-off league game.

A large number of fans will follow both teams to Ballinger and local fans are urged to join with these to see this championship contest. The two teams have set good records during the 1958 season and have fairly equal teams according to games won.

The Ballinger school is furnishing facilities and the Jaycees are attending to all preliminary details for the game. Tickets will be on sale at the gate for local fans.

After the game the teams will be fed by the Ballinger Chamber of Commerce. This was voted by the directors at a special meeting Monday.

Miles has a 21-game winning streak dating back to 1956. Last year they went all the way to wind up the season with a 11-0 record and this year to date they have a 9-0 record.

Miles will outweigh Mozelle by a large margin and will send a well experienced, heavy team into the bi-district game tonight. Probable starters for the Miles Bulldogs will be Nathan Wright, halfback 185; Benny Lacy, halfback 180; Chester McCowen, quarterback 160; Rodney Gordon, center, 165; Jerome Smithwick, end, 165; Roy Huck, end, 145.

Mozelle starters are: Cecil Drake, halfback 130; William Jones, halfback 185; Spencer Simonton, end 130; Melvin Lawrence, end 120; Knox Pittard, quarterback 150; Willie Ballard, center 130.

Mozelle won its district with a 6-4 record for the season.

## DRAG RACES ATTRACT MANY PEOPLE SUNDAY

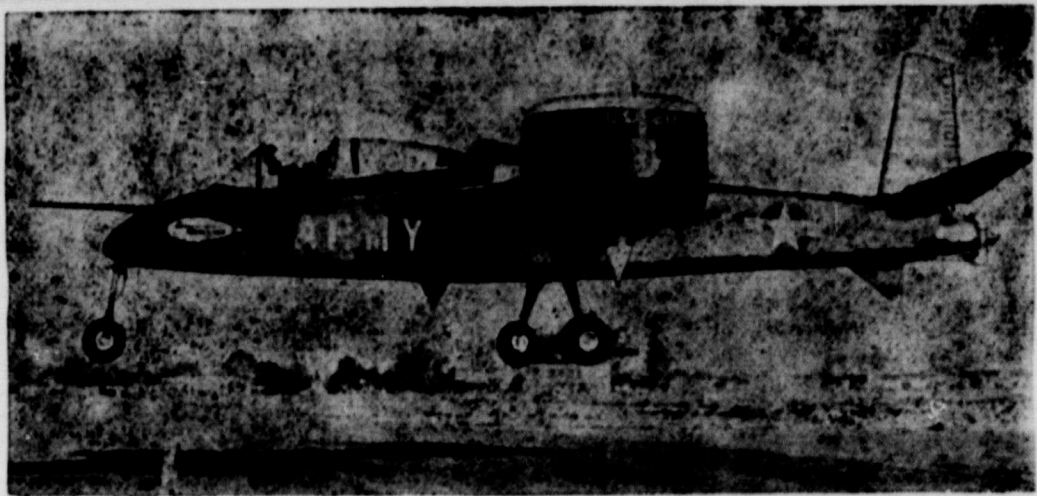

The Runnels County Boys' Auto Club officially opened the drag racing season at Bruce Field Sunday afternoon before a huge crowd of people. All available space was lined with cars, Sunday afternoon and the race eye run off fast and many were very exciting.

People were present from several towns in this area and more than 60 racing cars were entered for the afternoon show. Officials of the National Hot Rod Association were on hand to assist in getting the races started and to help the Runnels County group launch their program.

All races were run without mishap and members of the club were on hand to take care of the cars in perfect order so that the huge crowd could watch.

Trophies were awarded winners in each class last Sunday and some excellent times were posted.

Mrs. Willie Stephens underwent eye surgery at San Angelo and is reported to be doing fine.

**BARRELSFUL OF LIFT**—Add to items in lift-by-the-bootstraps department the Army's Deak-16 VTOL (vertical takeoff and land) plane shown, above, at Torrance, Calif. The barrel-like gadget on the side of the plane contains the portside propeller. An identical unit is on the opposite side of the fuselage. In their present position, propellers lift the plane off the ground. Once altitude is gained, housings are rotated to face forward, and plane proceeds in horizontal flight.

## County Program Building Group Is Formed Here

The County Program Building Committee was formed here last Thursday night in a meeting held at the courthouse with a large number of rural people attending.

For several weeks separate committee meetings have been held by those interested in one phase of rural work and last week the county agents called all the groups together, both men and women, to form the county committee.

Elliott Kemp was elected chairman of the group to serve for one year. Other officers are Jack Fry, vice-chairman, and Mrs. Clyde Simmons, secretary.

The groups that have been formed are: Jack Fry on field crops; James Barr on swine production; Oran Bigby on sheep and cattle; Mrs. J. L. Ohlhausen on clothing; Mrs. Thomas Egan on recreation; Mrs. Lloyd Wilbanks on boys and girls club work; Mrs. Marion Hays on home management; Mrs. B. M. Batts on food and nutrition.

The committee will take a look into the future with an overall study of the county and the general needs. Each committee will make a close study of what is needed in their particular line and will make reports at the quarterly meetings set up for the county planning group.

In a business session, the Ballinger Lions voted to hold a sale of fire extinguishers before Christmas and to sell brooms and mops made by the lighthouse of the blind some time in the spring.

The club also voted to purchase a portable science table to be used in the elementary grades of the Ballinger school. They approved the buying and placing of highway signs in the school zone on Broadway in an effort to slow down the traffic on that street during school hours.

New members received during the month of October were welcomed into the club.

**SHARON COOK NAMED NEW FFA SWEETHEART**

Sharon Cook, daughter of Mr. and Mrs. Rex Cook, was elected FFA Sweetheart by the members of the chapter in a meeting held last week.

Sharon is a senior in the Ballinger High School and will represent the Ballinger chapter in the district sweetheart contest to be held on December 4 in the Ballinger High School auditorium.

**HUGH CAMPBELL SELLS THIRTY HEREFORD BULLS**

Hugh Campbell made one of the largest livestock sales for the year Tuesday when he delivered 30 Hereford bulls to Otis Poncey of Columbus, Texas.

The buyer came here and after looking over the herd of Mr. Campbell, took all the young bulls he had to show at that time.

The animals were loaded on a truck and sent to the South Texas ranch Tuesday.

Mrs. B. H. Erwin left by plane for Washington, D. C., where she was met by her son-in-law and daughter, L. and Mrs. Don Heisel, of Dover, Delaware. Mrs. Erwin will spend several weeks with the Heisels.

## Service Awards Dinner For Union Oil & Gas Co.

The Union Oil and Gas Corporation of Louisiana held a special awards dinner last week at Lowake with a large number of employees attending.

W. H. Woods of Houston, vice-president of the gas division, was the main speaker for the awards program. Others from the Houston office included: Joe Baker, superintendent of production; Harvey Richards, personnel manager; E. L. Bush, assistant personnel manager.

A message from President Richard T. Lyons to those receiving awards was as follows: "I welcome you to this service awards dinner, which is being held to honor you in recognition of your long and faithful service to Union Oil and Gas Corporation and its subsidiary companies."

"This dinner marks the initiation of our service awards program. We have endeavored to design the service emblem which you are wearing to reflect the Company's appreciation for the contribution which you have made to its success."

"On behalf of our board of directors and officers I extend our sincere congratulations and best wishes."

T. L. Hebert of Ballinger received a 20 year pin which was the longest service at the dinner. G. A. Morrish of Ballinger was presented a 15 year pin.

Five year pins went to the following: M. N. Davis, Big Lake; O. M. Curtis, Ballinger; W. M. Moore, Ballinger; L. A. Morgan, Goldsboro; J. A. Parker, Ballinger; V. E. Pasche, Ballinger; L. F. Tucker, Big Lake; M. L. Hodges, Ballinger; E. F. Farley, Ballinger; C. W. Hendricks, Ballinger; J. M. Howard, Coleman; D. T. Hubbard, Ballinger; W. E. Price, Novice; Dora E. Sapp, Midland; A. C. Smith, Midland; W. V. Jones, Midland; C. O. Puckett, Midland; L. O. Hargrove, Ballinger; L. L. Brooks, Ballinger; E. T. Rogers, Ballinger; J. G. Smith, Coleman; J. L. Wilson, Ballinger.

The five year service award is plain. Those issued for ten, fifteen and twenty years have one, two or three rubies. Those for twenty-five, thirty and thirty-five years have one, two or three diamonds.

**TWO FUNDS CAMPAIGNS ARE NEARING QUOTAS**

Two fund campaigns in Ballinger are nearing their goals but there is still some work to be done.

Don Atkins, chairman of the boy scout fund, stated Wednesday that about \$1,900 had been raised for this year and money was still coming in. He expects the final collections to pass \$2,000 this week-end.

Carl Murman, chairman of the Salvation Army fund, said Wednesday that about three-fourths of that quota had been raised and there were still a number of groups to make their final reports. He urged that all workers finish seeing their reports and turn in their final reports as soon as possible.

**DOWNTOWN CLASS WILL MEET SUNDAY MORNING**

Members of the Downtown Bible Class will meet Sunday morning at the Texas Theatre and a large attendance is expected. Membership teams have been working the past two weeks to bring in new members and a number have already been introduced to the class.

Rev. J. B. Fowler, pastor of the First Baptist Church, will be the speaker Sunday morning and the special music will be brought by Bob Allford.

## Toy Collection Set November 21 By Jaycees Here

Ballinger Jaycees will sponsor a toy collection, repair and paint project again this year with the toys to be made ready for use at Christmas. They will be assisted by the members of the FFA chapter of the Ballinger High School.

Buddy Gray is general chairman for the campaign and has announced that the city wide collection will be made at 6 p. m. on November 21. Jaycees in pickups will make each street in Ballinger and all persons who have toys that can be repaired, repainted and used are asked to have them in a box on the front porch. The members will take the toys to the FFA chapter building and the boys will work on them until every toy is made as near like new as possible.

After the work on the toys is completed, they will be delivered to the chamber of commerce office and distributed from there. Each person or group that adopts a family for Christmas will be able to secure toys for the children in that family at no cost.

Jaycees and their territory for the collection on November 21 are as follows: J. C. Smith, 2nd and 3rd Streets; Clarence Hallmark, 4th Street; James Barr, 5th Street; Curtis Fletcher, 6th Street; Gene Louka, 7th Street; L. O. Hargrove, 8th Street; E. J. Grindstaff, Broadway; Coy Wilson, 9th Street; Tobe Paylor, 10th Street; Maxie Cole Jr., 11th Street and everything west, C. E. Harlow and Bobby Bryan, South Ballinger; C. T. Parker, Wilke Terrace; Leon Rogers, Hillcrest.

Others working on the project include Ed Davis, telephone and receiving; David Murry and Gene Ischar, supplies; David Batts and Bill Middleton, pickups; Bob McGarvey and Troy Simpson, publicity.

The Jaycees are anxious to get as many toys now as possible because the work of repairing and painting must be done well in advance of Christmas. Local people are urged to check their toys and place all they will give away in a box on their front porch the night of November 21.

## Postmasters Who Are Listed in Record

W. M. Patterson, assistant postmaster at Ballinger, has been trying for some time to get the names of all men who have served as postmaster at Ballinger since the post office was opened and also to try and secure pictures of them.

He has succeeded in getting the information complete but needs pictures yet of the first four who served here. Anyone who can assist in this is asked to contact him.

The Ballinger post office was established at Ballinger on June 1, 1886. The Industrial Records Division at Washington has furnished the complete list of postmasters and the starting date of their service. They are:

- William A. Proctor, June 1, 1886
- H. D. Pearce, September 12, 1888
- Livingston R. Carpenter, June 27, 1889
- George W. Smith, August 10, 1889
- P. E. Truly, October 28, 1893
- Henry A. Cady, October 26, 1897
- J. J. Erwin, June 5, 1913
- Carl S. Guin, February 28, 1922
- Joel A. Reese, May 25, 1923
- Thomas A. Caudle, December 11, 1935
- K. V. Northington, September 15, 1950

The local assistant postmaster is striving to secure pictures of all who have served here and would appreciate getting in contact with relatives of the first four named in the above list.

Mr. and Mrs. Henry Moody of Big Spring were recent visitors in the home of Mrs. Moody's parents, Mr. and Mrs. C. M. Gibson. They also visited Mr. and Mrs. M. C. Broussard in Eunice, Louisiana, former residents of Ballinger, after attending the Grand Chapter of Order of Eastern Star in Houston.

## Salt Water Pollution Meeting Here Friday

A large crowd is expected here at 2:30 Friday to attend the meeting at the courthouse to discuss salt water problems in this county. Contacts have been made with the mayors of all towns in the county, city and county commissioners, members of the Runnels County Water Improvement district directors, chamber of commerce officials and numerous others of the county that are interested in this work.

In addition, invitations have been sent to Senator Dorsey B. Hardeman, Representative A. J. Bishop, a representative of the Texas Railroad Commission and numerous others who have worked with salt water pollution in this area. Judge W. H. Rampy has called the meeting and states that all land owners in the county who are interested should attend and get the benefit of information that will be given at the meeting.

Judge Rampy will call the meeting to order and give a short explanation of reasons for the meeting.

C. T. Parker will give results of the survey recently made of

this county and the findings of that report. People will be informed of benefits already received for the county, such as lower depth for surface pipe, and numerous other matters.

Existing laws governing the handling of salt water will be explained which will include the responsibility of the land owner in such matters.

Four state organizations have power in the salt water pollution matter and these will be explained at the meeting. The four are the State Board of Water Engineers, the Texas Railroad Commission, Oil and Gas Division, the State Game and Fish Commission and the State Health Department.

Those who have made a study of the salt water situation in this county point out that great damage has already resulted and that more will result unless steps are taken to control the hazard in the future.

It is stressed that the meeting is open to the public and Judge Rampy stated Wednesday that he was hoping the court room would be filled to capacity for the meeting.

## Local Hunters Ready To Open Deer Season

Ballinger hunters are getting their things together and this week-end a large number will be on their leashes for the opening of the deer season on Sunday. Last week several groups visited their leashes to take equipment and get it ready for the crowd when they arrive either Friday or Saturday.

A group which has been newly named "The Gut Shooters Club" is composed of C. A. Bissett, Paul Stewart, J. T. Gregory, Derward Bissett, T. A. (Buster) Parrish, Mark Davis of Lubbock and Jerry Parsons of Midland, will leave Saturday for their lease on the Howard Derrick Ranch near Fort McKavitt.

This group has made elaborate preparations for their 1958 hunt and will live in comfort while in camp. They have taken a large 33-foot trailer and enclosed it to provide complete living quarters. They have eight let-down bunks, tables, chairs, butane heating and cooking and all the other conveniences of home life. They took their trailer to their lease the past week-end and made it ready for the arrival of the party this week-end.

Another party that has been hunting together for a number of years will also leave here Saturday for their lease on the Cokeman Ranch between Menard and Junction. They have visited their lease recently and found it in excellent condition and indications are that hunting will be good. In the party are J. L. Candler, Morris Stokes, Tommy McEntire, M. J. Cole Jr., Jerry Candler, Lee Parker, of Talpa and Charles Webb of Eunice, Louisiana.

The Nine-Point Hunting Club will return this year to the Sykes Ranch, 30 miles east of Eldorado. They have been hunting here for the past two years with fine success and this year the range is in better condition than any time since they have held the lease. They will leave here Saturday and be ready for the opening of the season. In the party are D. G. Posey, W. O. Wallace, G. A. Swann, J. E. Dankworth, Clyde Gabbert, Carl Murman, M. A. Foy, J. G. Tuckey, E. C. Grindstaff and E. T. Branham of Vernon. Lige Lewis will again be the cook for the club.

A group of Ballinger men and East Texas men from Longview will be back on their lease on the August Jourdan Ranch, 11 miles southeast of Mason. This group has held the same lease for many years and have had success in past years. In the group are K. V. Northington and John Earnshaw of Ballinger, K. V. Northington Jr. of San Angelo, Bob Northington of Roswell, New Mexico; R. F. Davis, Bob Davis, Charlie Davis and L. C. Fisher of Longview. They plan to return home on November 21.

## Quiet Week Here Officers Report; Fines Collected

Local law enforcement officers handled a number of cases this week, most of them being disposed of on pleas of guilty.

Ed Clark was apprehended in a checking case amounting to \$43.80.

Alton Laverne Elms was arrested and charged with burglary at Winters.

Jintio Mieto was charged with driving while intoxicated and fined \$77.80 and given three days in jail.

There were 5 charged with no drivers license, 4 for drunkenness, 2 for driving on wrong side of road. Two other cases of no drivers license were settled with fines of \$20.50 and \$24.50.

Gerald F. Yeates charged with checking settled the case by paying \$151.

Arthur Perez was arrested and charged with carrying a pistol. The case was settled in juvenile court.

Harold Cooksey was transferred here from Brownsville on a charge of disposing of mortgaged property.

Fund campaigns have been overlapping each other for the past several weeks and a large number of people have been asked to give of their time to make solicitations. All this has brought back a strong demand locally for the organization of a United Fund, a group which will raise one large amount of money each year to take care of all the organizations which depend upon fund campaigns for their support. Such a move almost became a reality here a few years ago but was stopped because of the dry weather and the general condition of the county. Leaders in the movement at that time felt that it would be bad if the first attempt was a failure and that they should wait for better times to start the United Fund. Now many local people are saying they want the opportunity to make their contribution only once each year for all the worthy organizations and workers that are constantly called upon to solicit these funds are pledging themselves to help make one big drive each year and have the job behind them. This demand is especially favored by the ladies of the city. In recent years women's clubs have been asked more and more to perform such civic duties as helping with the raising of money for all causes. They have become expert solicitors and do an excellent job. They are not trying to shirk their duty but would like to give generously of their time for a few days and have the job behind them for the rest of the year. Busi-

ness managers are also in favor of a United Fund. Each time a campaign is launched they are asked to provide men to make the canvass and also asked to make a contribution. It is very likely that the organization of a United Fund will be started again this fall and leaders in the plan will be asked to help organize such a unit here, study the needs of some ten or twelve organizations, approve a budget for them and then attempt to raise that amount in one big drive.

Another organization that would be worthwhile will likely be attempted here in the near future. There are a lot of organizations, clubs and other groups who do much civic work during the year. A President's Club has been working fine in a number of other towns the size of Ballinger and one may be formed here. This organization would bring the presidents of all groups together once each month for a general discussion of projects which are worthwhile to Ballinger and through these officials, enlist the support of every organization in the city behind certain jobs. It seems that such a unit could be worth much to a town and could also tie the support of many more people into the projects which are most needed by the entire community. Such jobs as organizing a United Fund group, fighting the salt water pollution problem, staging a fine Christmas program and many other features could be approved in the Presidents' Club and thereby throw the strength of all the organized groups in the town behind such projects. It would not in any way curb any of the individual projects of the organizations or clubs, but would make a powerful city-wide group for more complete cooperation.

The Ballinger firemen are coming to the end of their fiscal year and will have a fine fire loss record unless there are other heavy losses. The in-

## WEST TEXAS NOTES

County Attorney Frank Gizek of Colorado City has announced a magazine clean-up policy which will be undertaken by law enforcement officers of that city. The policy is aimed at removing dozens of magazines from the newsstands and the first effort will be to get the operators to refuse to take the outlawed magazines and thereby not offer them for sale. Under the attorney's plan, no magazine would be offered for sale which did not have a second class mailing permit. The attorney also pointed out that under a state law, no dealer would be forced to take magazines that they did not desire. The plan announced is for Colorado City and all Mitchell County.

The annual range management contest was held in Brown County last week-end for 4-H boys and FFA members of that area. It is sponsored by the Middle Colorado Soil Conservation District and Howard Payne College of Brownwood. The one day contest was held on the White Co. Ranch near Mercury. Boys and girls enrolled in school below the college level are eligible to take part in this annual contest.

The holiday season does not close until December 31 and local people are urged to keep practicing fire prevention and help keep losses to a minimum here. A good fire record is worth much to every person that has insured property. The holiday season is a time of fire hazards and as we decorate for Thanksgiving and Christmas, let's keep in mind the safety angle and avoid fires.

Members of the range plants class at Howard Payne College, assisted with the contest.

The Rotary Club at Stephenville held an annual program last week which attracted the largest attendance of the year. For this program the club was host to all students at Tarleton State College who are from foreign countries. There were 42 young men present from outside the United States. The speaker, Dr. Vance Terrell, pointed to the fact that Rotarians have been sponsoring national understanding between nations for a good many years. The student of the month at the Stephenville school was also presented on the program.

Workers at Comanche reported last week-end that the goal for the United Fund was still short some \$2,000 and that additional work would be started to try and raise that amount. The total for the new United Fund budget was set at \$7,050 and to date a total of \$5,050 has been pledged. Solicitors are striving to get all salaried people to contribute one day's pay this year and it is hoped this plan will secure the rest that is needed. The budget for the fund takes in all the usual calls plus a number of local projects which includes the junior livestock show and the Comanche Contingency Fund.

The Miles school held its annual homecoming last week with more than 400 registering for the various events. The affair was sponsored by the Parent-Teacher Association with

assistance from the Miles Lions Club and other groups. At the business session officers were named and it was voted to have the homecoming again next year. Prizes were awarded to a number of guests with one coming over 700 miles to attend the party. A prize also went to the largest family and to the youngest child present.

Workers at Brady are all set this week to launch their annual campaign for funds for the Community Chest. The goal for McCulloch County has been set at \$10,427 for the new year and a large number of workers have been secured to take the appeal to everyone in that county. The budget this year is slightly increased over last year because funds for the Texas Association for Mental Health has been included. Workers on the special gifts will be the first to actually start taking contributions. The special gifts committee usually raises about 60 per cent of the total budget.

Directors of the Menard Chamber of Commerce met with a number of others last week to hear a request that a centennial celebration be planned for next June in connection with the annual home coming of students of the Menard school. It would include a home coming of all students of any school in Menard County next June. After hearing plans, the directors asked that information be secured from Mason and other towns that have held centennial programs in recent years. Work will be continued on the proposed program and other meetings will be held as soon as additional information is available.

Coleman is among the first to announce the opening of the Christmas season. The Christmas activity committee of the chamber of commerce has announced the opening program to be held on Friday, November 21. Street decorations will be in place by that time and merchants are being

asked to have their show windows and store interiors decorated and all Christmas merchandise on display. The committee will soon announce a series of programs to be staged during December, which are expected to attract crowds there for early shopping.

Eden observed Veterans' Day Tuesday, with programs which lasted around the clock. The Veterans of Foreign Wars served a barbecued turkey dinner at the noon hour at their hall and at night staged a dance for the public. The American Legion started their activities earlier with a turkey shoot for the outdoor lovers. At 10:30 a memorial service and program was held to honor those who gave their lives in the service of their country. Other features in the afternoon offered a full day of entertainment for the people of that area.

Coke County voters last week approved the proposition to separate the Tax Assessor-

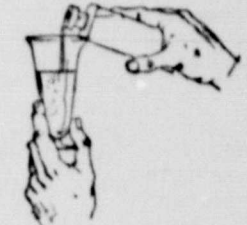

GOSH!—Many big boys would like to have been in this little fellow's shoes at Cypress Gardens, Fla. That enthusiastic smooch is being bestowed by this year's Miss America, Mary Ann Mobley.

Collector and the sheriff's office. The question was submitted on a separate ballot at the general election and the vote was 406 for separation and 240 to keep them together. The separation of the two offices will take place on January 1, 1961, at which time a tax assessor-collector duly elected by the voters, will take over the new office. The sheriff will devote all his time to the enforcement of the laws. Paul Good is the present sheriff and tax assessor-collector and will continue in that place for the remainder of his four year term which expires on December 31, 1960.

December 6 will be a big day

in Winters when the Region 2 band marching contests are held in that city. Judges have been secured and all preliminary plans for the event are being perfected. There will be approximately 74 bands entered in the contests and more than 3,500 musicians will be in Winters for the day along with a large number of parents, bus drivers and others who help transport the groups to Winters. There will also be some 350 twirlers in a separate contest. In the marching, no band will leave the field in less than five minutes and they cannot remain on the field for more than eight minutes.

### Don't Be Confused

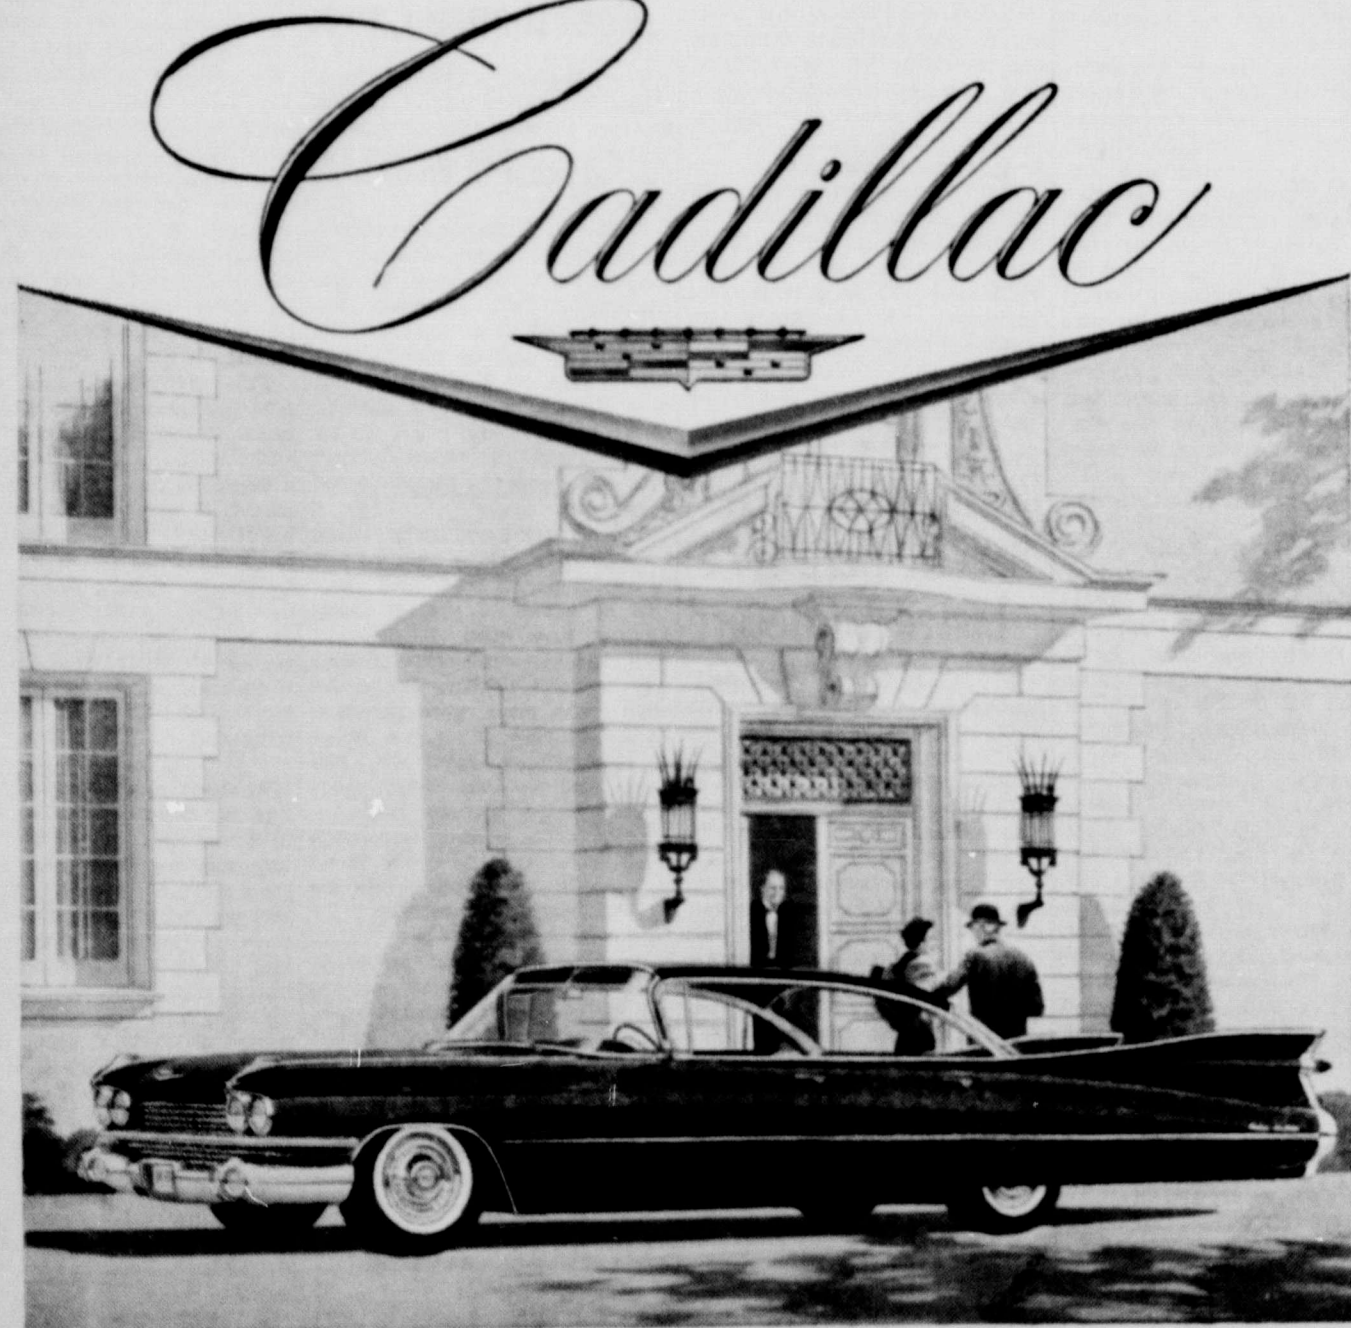

If YOU LISTEN carefully to radio commercials on medicinal agents, you will find that they suggest much but promise little. The glib announcement will tell you that such and such a product can, may, or should help do this or that, but it will never say it will. Notice, also, the newspaper insertions on hair restorers, flesh reducers, and the like. Many of them will bear the statement, "Never solicit mail." Why? Is there danger of Federal prosecution for using the mails to defraud? If you are feeling "out of sorts," consult your physician. He, and he alone, is qualified to diagnose and prescribe treatment.

## Motordom's New Measurement of Greatness!

The American motorist has long since adopted his own technique for judging the year's automotive offerings. He simply looks to the new Cadillac car to discover motordom's fullest measure of all that is new and good and wonderful. And never before has Cadillac placed such a high standard on the world's motor cars as it has for 1959. For the new "car of cars" has introduced a whole new concept of what an automobile can do and be... and how it should look and act. To the eye alone, it is a revelation. Elegant, majestic, substantial, poised—it has brought a new magic and splendor to the world of motion. Its Fleetwood interiors are miracles of advanced design.

Appointments are beautiful beyond imagination... and its fabrics and leathers are unbelievably luxurious. The 1959 Cadillac is equally inspiring from behind the wheel. Its spectacular new engine, its advanced transmission and its new ease of ride and handling make every journey the most glorious distance between any two points. These Cadillac advancements have been interpreted in thirteen body styles—including a new Eldorado Brougham. So if you contemplate the purchase of any motor car in the coming year, you owe yourself an early visit with this newest of Cadillacs. Sixty minutes in the showroom and on the highway will give you a full understanding of the new way to measure greatness in a motor car.

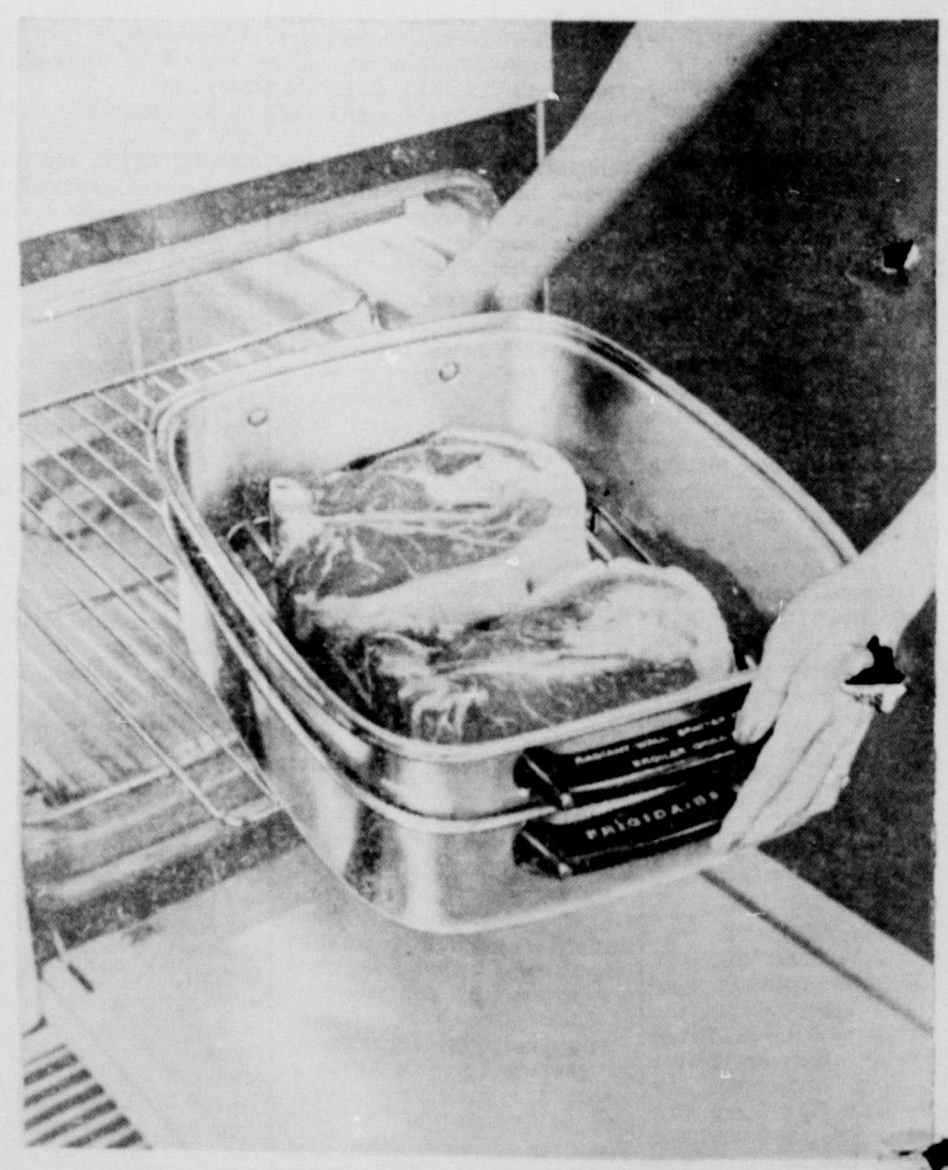

The majestic new Cadillac for 1959 is now on display—inspect and drive it today!

## "Communications" Was Panel Discussion At Club

Successful communication is the basis for public relations between clubs and other organizations and the newspapers and radio station in the area. This advice was given to members of the Ballinger Shakespeare Club by Miss Carole Humphrey, Woman's Editor of the San Angelo Standard-Times, and Bob McGarvey, manager of the Runnels County

Radio Station KRUN, at the regular meeting Thursday afternoon in the library club room.

Miss Humphrey discussed various stories, writing style, and rules which have to be observed in the newspaper office.

Mr. McGarvey outlined the growth of news coverage over radio. He stated that in 1929 the radio was mostly for entertainment, but now it is for service. The radio is very valu-

able in Civil Defense and is always ready to broadcast news in disasters, stated the speaker. The speakers discussed communications to members of the club and members of the Cat Tracks and Paw Prints staffs from Ballinger High School who asked a variety of questions concerning the coverage of news stories.

The guests from high school were Jane Nixon, editor of the Paw Prints; Martha Gallant, editor of the Cat Tracks; Patty Sweeney, Ellen Herring, Jackie Bramley, Nancy Hambrick, Linda Moncrief, Shirley Tounget and the staff sponsor, Mrs. W. N. Selby.

Mrs. Loyd Herring was moderator for the panel discussion and she introduced the speakers. Mrs. Dorsey Read, president,

was in charge of the business which the club voted to give Mrs. Don Atkins a leave of absence. A motion was also made that the club recommend and cooperate with the Community Chest campaign in Ballinger.

Other club members present were: Mmes. Frankie Berryman, Edgar Boelsche, J. B. Dankworth, Chester Cherry, B. C. Kirk, Jack E. Jackson, Paul Petty, T. J. McCaughan and C. P. Shepherd.

### Ballinger Women Hosts A & M Mothers Club

Mrs. C. R. Stone and Mrs. H. J. Zappe, who are members of the San Angelo A & M College Mothers' Club, were hostesses to thirty members of the club Friday afternoon, entertaining

in the Stone home on Ninth Street.

Fall floral arrangements were used to decorate party rooms where Mrs. W. E. Kinrey of San Angelo, president, conducted the business.

Everett James Grindstaff was the guest speaker. Having served in the armed forces in Japan, Mr. Grindstaff spoke on "Religion in Japan," and showed movie slides while speaking on the subject.

Assisting the hostesses in serving pie and coffee were Mrs. Claude R. Stone Jr., Mrs. Paul Petty and Miss Elaine Zappe.

A & M Club members attending were from San Angelo, Midland, Miles and Ballinger.

### Gift Party Thursday Honors Mrs. Curtis Fletcher

Mrs. Curtis Fletcher, who before her recent marriage was Miss Linda Kay Cockett, was honored at a gift party Thursday evening in the parlors of

# New Civil Defense Shelter Designs Offer Survival to Many Families

Protection against the menace of radioactive fallout is now possible, and within the means of many American families.

For \$1,000 to \$1,500, depending on the part of the country and the construction season, families living outside target cities may now have an excellent underground fallout shelter equipped with adequate radiation shielding, ventilation and other necessities. It was designed by the Office of Civil and Defense Mobilization.

FOR FAMILIES who cannot afford such an elaborate shelter, OCDM has designed other less expensive shelters which would be built in basements—some of them by "do-it-yourselfers." They would not offer as complete fallout protection as the underground shelter, but would be adequate in all but the more dangerous fallout zones.

The shelter designs are a key part of the President's new five-point civil defense fallout shelter policy announced by OCDM Director Leo A. Hoegh:

- Provide the public with the facts on fallout effects. This includes information on how people can protect themselves by building shelters and decontaminating anything exposed to fallout, and how they can protect supplies of food and water from radiation.
- Survey existing structures for fallout shelter, such as mines, subways, tunnels and basements.
- Speed up fallout shelter research to develop new designs adaptable to many situations.
- Build a number of new "demonstrator" shelter facilities in places such as underground parking garages, subways, schools, hospitals, factories and apartment buildings.
- Incorporate fallout shelters in new Federal buildings.

**Music Club Meeting Held In Shepherd Home**  
Mrs. A. B. Stobaugh presented criticisms from the musical season of 1954 and '55 from Winthrop Sargeant's "Listening to Music" for the Ballinger

Music Club which met Tuesday evening in the home of Mrs. Elmer Shepperd. In discussing the criticisms on opera and symphonic music, Mrs. Stobaugh unfolded the comments on various concerts

which Sargeant writes. At the conclusion of the program Mrs. Kenneth Newton sang "The Hour of Dreaming," by Hann, and "Silent Noon," by Vaughn Williams. Mrs. Alex McGregor played the accompaniments.

Arrangements of chrysanthemums in the living room and fall berries and fruits on the dining table gave added beauty to the Shepperd home. Mrs. Earl Cope, president, was in charge of the business and heard reports from officers. Mrs. E. A. Saunders presented numbers on the program.

Others present were Miss Olga Schawe, Miss Harriett Magruder, Miss Bob Bartlett, W. R. Bogle, Sim Cottle, James Palmer, Troy Simpson, Carroll Thompson, J. R. Lusk and L. R. Tigner.

Mary Etta Bagwell Marries Alex John Kvapil In Okla. At home at 1005 Fifth Street in Ballinger are Mr. and Mrs. Alex John Kvapil, who were married November 3, in the First Methodist Church at Ringling, Oklahoma.

Mrs. Kvapil, the former Miss Mary Etta Bagwell, is the daughter of Mr. and Mrs. R. A. Bagwell of Ballinger. Her husband is the son of M. and Mrs. Elmer Kvapil of Rowena.

The Rev. Ferris Weaver, church pastor, officiated at the marriage vows. Wedding music was presented by Sam Weaver.

The bride wore a blue wool suit with fur trim. Her hat was white. For something old, the bride wore a watch belonging to her grandmother, Mrs. W. B. Smith of Winters, which her mother wore at her wedding.

Mrs. Kvapil attended Ballinger High School where she was a twirler with the Bearcat Band. She was a member of the Spanish Club and the Future Homemakers of America.

Mr. Kvapil is a graduate of St. Joseph's Catholic School in Rowena. He is now employed by the Broadway Gulf Co. in Ballinger.

**Hoelscher-Gilpin Wedding**  
At Austin Nov. 8

Miss Martha Jean Gilpin became the bride of Wilbert Hoelscher in a ceremony on November 8 at the St. Louis Church in Austin with Father Richard McCabe officiating.

The bride is the daughter of Mr. and Mrs. Rufus Gilpin of Austin and the groom is the son of Mr. and Mrs. F. F. Hoelscher of Rowena.

The bride wore a wool suit of delicate gray and a white silk hat. She carried a bouquet of white carnations with trailing ribbons. Glynnda Johnston, maid of honor and Alfred Pawlik was best man. A reception followed the ceremony at the St. Louis Hall.

The groom attended St. Joseph High School in Rowena and spent three years with the U. S. Marines, with 18 months in Korea. The bride attended Travis High School in Austin. They will live at 500 Velray in Austin.

Out of town guests for the wedding were Mr. and Mrs. F. F. Hoelscher and Danny, Mr. and Mrs. Ray Gene Hoelscher and Gary, Mrs. Herbert Goetz, Joan and Herbie, all of Rowena.

**"Modern Roses on Parade"**  
Shown at Garden Club

Seventeen members attended the November meeting of the Ballinger Civic Garden Club held in the library club room Tuesday afternoon.

Mrs. E. A. Saunders, president, was in charge of the business. The club voted to assist with the landscaping of the National Guard Armory grounds as soon as the lawn is filled in with dirt. Members also voted to cooperate in every way with the city commission and Santa Fe in cleaning the railroad right-of-way before frost.

Mrs. W. F. Mueller, chairman of the therapy committee, reported that poppy seed had been given to the Evergreen Cemetery. She also announced that the therapy committee would assist with the McKnight Hospital gift shop in December.

The library committee reported that books read since May were as follows: May 279, June 382, July 567, August 361, September 212 and October 265. Thirty-one books have been donated to the local library, and thirty-eight have been purchased.

For the program, Elliott

## West's Glad to Swap Mountains In Formosa for Plains of Texas

The giant range of mountains which run the 300 miles length of Formosa Island can substitute for a short time, but four Texans were yearning for the Great Plains of Texas when they came back to the Lone Star State in October.

Commander and Mrs. Ira B. West and their two children, Tommy 12, and Carol 8, recently returned from Formosa, or Taiwan, and visited Mrs. West's parents, Mr. and Mrs. T. R. Selsor of Norton, and her uncle and aunt, Mr. and Mrs. Earl Ope of Ballinger.

Commander West served two years in Taiwan as a Naval Air Advisor to the Chinese Nationalist Air Force in the Military Assistance and Advisory Group.

In describing their two year stay on the island, the Wests told of their home which was heated with a coal-burning fireplace, and the hot water tank and the kitchen stove which were operated with kerosene.

Mrs. West stated that their treatment as foreigners was free from resentment. The servant problem was not too bad, and the family soon got accustomed to the various Chinese dishes, especially to the rice dishes. Hogs are the chief source of meat, therefore many dishes are seasoned with chunks of meat. Mrs. West stated why she said "chunks" was because the meat is cut in small cubes so that it can be eaten with chop sticks. The family praised themselves on the fact that they learned to use the chop sticks just like the Taiwanese.

Fisheries contribute large catches to the food supply. Mrs. West explained the unique fish dishes which were served with soybean sauce, and said that they were delicious. The island is the refuge and

defense outpost of the Chinese Nationalist government, with eleven million inhabitants. The government encourages industrial development and land reform to help the crowded island to support its people. The refugees try to keep alive China's ancient customs and culture, debased by Communism at home. Although two-thirds of Formosa is mountainous, two-thirds of the people are farmers or farm workers, and the families work hard, terracing the hilly land and growing rice on the level fields.

The West children attended the American school in Taiwan and found it very good. They found the experience of studying with students from various countries one which will have lasting influence. Comdr. and Mrs. West also praised the work which our many missionaries are doing there.

But all was not work, as the family took trips to Taipei, the capital, and to various cities in Japan where beautiful linens were purchased by Mrs. West.

The Wests spoke highly of President and Madame Chiang Kaishek, who entertained the men in uniform and their families twice a year in Chinese style.

Mrs. West said that she wore the sheath designed dresses with the slit on each side of the skirt while living in Taiwan.

A native of New Mexico, Comdr. West was commissioned an officer in Flight training at the Naval Air Training Command at Corpus Christi. After a Navy stint in San Diego, California, he was married to Miss Jenna V. Selsor in 1942 at Clovis, New Mexico.

Comdr. West served overseas at different intervals. Mrs. West accompanied him to Alaska where they lived on the Adak

Island. It was here that Mrs. West experienced quite a lot of her home economics training.

The West family left Yokohama by ship on October 1, and after 18 days, landed in San Francisco. They visited with Comdr. West's mother in Albuquerque, also in Hereford, before coming on to Ballinger and Norton.

Following their visit here, the family will visit relatives in Houston, friends in Chicago, before they go on to Washington, D. C., where Comdr. West will be at the Pentagon, in the office of Chief of Naval Operations.

### ST. MARY'S ALTAR SOCIETY PLANS PANCAKE SUPPER

St. Mary's Altar Society will sponsor its annual Pancake Supper on Tuesday, November 18, at the Parish Hall on Fifth Street.

This will be followed by a Bingo Party sponsored by the Men's Society.

St. Mary's Catholic Church celebrated its 65th birthday in 1957. The history of its settlement goes back to German forefathers who came to Texas more than 70 years ago. A few families in the 90's left their first South Texas homes and traveled west until they reached Runnels County. Here they established a home and a place to worship God. They demonstrated intrepid determination in the building of the church which has a foundation of sacrifice, sacrifice generously made by people with a grim resolve to serve God and to install a tabernacle in which they and their children might assemble to worship.

In a matter of years it does not seem long, yet in the swiftly changing picture of American life, 65 years is an age. The constant desire for priest and church on the part of these good German families brought a favorable response from the

Rt. Rev. James A. Forest, Bishop of San Antonio, and the actual work of establishing a church was begun.

The church which now stands was built in 1911. A number of the children of the pioneers remain as parishioners, and they revere the memory of their parents by continuing to beautify both the interior and exterior.

The Rev. Patrick Ryan, O. M. I., and the Rev. Julian Johnson, O. M. I., through their persistent labors, have helped to beautify the church the past few years since they were given pastorate of St. Mary's. Recently new stained glass windows have been installed in the front and tower. Several of the stained windows were given in memory of departed souls. The windows in both sacristies will be donated by the Altar Society.

Each year the Pancake Supper is sponsored by the Altar Society in November. Money derived from the supper is always used for redecorating the interior of the church.

### CITY COMMISSION IN SHORT SESSION

Members of the Ballinger City Commission met Tuesday morning to attend to routine matters, approve bills and take up a few items of business.

A building permit in the amount of \$500 was approved for D. C. Bissett for a garage at his home on Ninth Street between Harris and Snapp Avenues.

Mrs. H. G. Agnew was given a moving permit to have a sheet iron building taken from a lot on Hutchings Avenue at Eleventh Street.

One street light was approved at the boy scout house on Eleventh Street and First Avenue.

Mrs. Paul Kirk and Mrs. Otis Jacob visited last week in Brackettville in the home of

1959 MERCURY NOW ON DISPLAY

Space-planned bodies which provide a totally new experience in passenger comfort in both front and back seats are presented by Mercury in its entirely new cars for 1959. In its 20th anniversary models, Mercury offers a brilliant combination of advanced design, mechanical excellence and superior performance and economy. Designed exclusively for the medium-price field, the new Mercury has 15 models in four series, including the only two-door station wagon in the medium-price range. Now compound curved windshield and rear window increase glass area more than 60 per cent at the front and 46 per cent at the rear. Mercury's high-compression V-8 engines provide an exact blending of the most desirable features of economy and power. Pictured is the Park Lane four-door Cruiser.

The 1959 Mercury models went on display at the George Ford Motors and will be shown all this week-end. All people of this area are invited to visit the show rooms this week and see the many improvements made in the 1959 cars.

A brilliant combination of interior spaciousness for passenger comfort, mechanical excellence, advanced design and superior performance and economy is presented by Mercury in its totally new cars for 1959—Mercury's 20th anniversary models.

"This new Mercury is the only medium-priced car designed specifically and exclusively for the medium-priced field—every other medium priced car for 1959 shares its body shell with a low-priced car make," said Ben D. Mills, general manager of the M-E-L Division and a vice-president of Ford Motor Company.

"The Mercury for 1959 is a

big car—it has size for a and by the huge, compound purpose—its space-planned bodies provide a totally new experience in passenger comfort in both front and back seats," Mr. Mills declared. "And that's for three people in both seats," he emphasized.

The entire front seat and instrument panel area are redesigned to make it spacious. Major engineering developments result in cutting almost in half the volume of space taken up by the transmission tunnel hump down the center of the car. This reduction of the tunnel gives Mercury another industry "first" in passenger comfort by greatly increasing leg room for those sitting in the middle of the front seat and by improving cushioning in both front and rear seats.

The instrument panel is moved well forward, providing six inches more knee-room and ten inches more distance from the seat back.

Vision is improved both by lowering the hood 2½ inches

and by the huge, compound windshield which is more than 60 percent larger than previous models.

Mercury is introducing windshield wipers which operate in tandem, both blades going in the same directional sweep at the same time, thus giving full-width cleaning with no center blind spot. Blades are longer and clean 43 percent more area than previous wipers, and they clean the center portion of the windshield, for the first time on American made cars. Wipers are electrically operated.

The new Mercury line consists of 15 models in four series. Park Lane models are 222.3 inches long, an increase of 2.8 inches Montclair and Monterey models are 217.8 inches long, also increased 4.6 inches Country Cruiser station wagons in Colony Park Voyager and Comuter models are 218.6 inches long, an increase of four and a half inches. Wheelbase is 128 inches in the Park Lane series and 126 on all other models.

THREE CONTRACTS HERE FOR GREAT PLAINS PLAN

Woodrow Hoffman, of the local Soil Conservation Service, reports that the Great Plains Conservation Program is in its 11th month of operation in Runnels County. He reports that 14 applications on 19,039 acres have been received by the local SCS office.

According to Hoffman, three Great Plains Conservation contracts are in the process of being worked up by the farmer or rancher. These are W. T. Billups, Rt. 2, Winters; J. W. Morgan, Joe B. Wilson, oper-

ator, Rt. 2, Winters; and John and Robert Miller, Ballinger. These places represent 3,747 acres. It is estimated that these three farms will earn \$18,500 cost-share from the Great Plains Conservation Program besides cost-share from the Agricultural Conservation Program and the Conservation Reserve Program, which can be incorporated into each of the plans of operation.

Anyone interested in this program can make an application for assistance under this program at the local office of the county agent, FHA ASC or the SCS. There is no obligation.

attached in making the application. The local SCS personnel will be glad to discuss the program with anyone who is interested in it.

STEWARDSHIP REVIVAL THIRD AVENUE BAPTIST

A Stewardship Revival has been announced for the Third Avenue Baptist Church starting on November 17 and running through November 21. Services will be held at 7:30 each evening and the public is invited to attend.

Rev. Chester Skelton of Voss will be the visiting speaker for the five services.

NOTICE OF INTENTION TO ISSUE REFUNDING BONDS THE STATE OF TEXAS: COUNTY OF RUNNELS:

In compliance with the provisions of Chapter 163, Acts of the Regular Session of the Forty-second Legislature of Texas, 1931, as amended, NOTICE IS HEREBY GIVEN that it is the intention of the Commissioners' Court of Runnels County, Texas, to pass an order at the regular term of said Court on January 12, 1959, authorizing the issuance of RUNNELS COUNTY ROAD AND BRIDGE REFUNDING BONDS in the maximum amount of \$31,500.00, for the purpose of refunding, canceling and in lieu of a like amount of Runnels County Road and Bridge Warrants, Series of 1958, dated October 15, 1958, said refunding bonds to bear interest at a rate not to exceed four (4%) per cent per annum, and to mature serially with a maximum maturity date not later than eight (8) years from their date. THIS NOTICE is given in pursuance of an order passed by the Commissioners' Court of Runnels County, Texas, on the 10th day of November, 1958.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

**SEE NEW CLEAN-DYNAMIC STYLING**  
Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

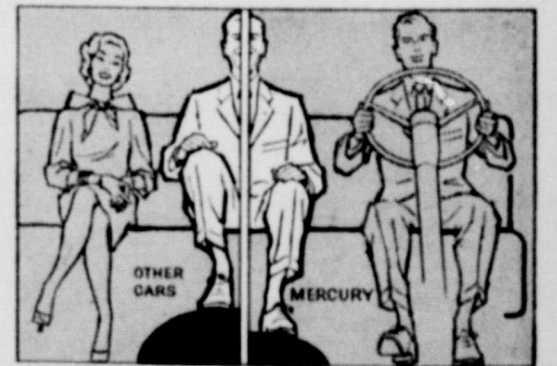

**RELAX IN A NEW KIND OF COMFORT**  
No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

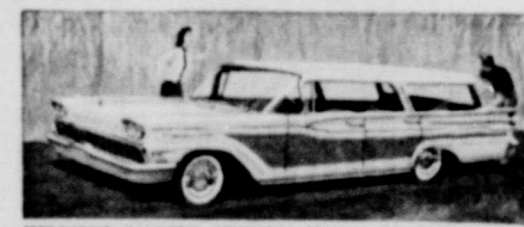

**FEEL LIVELY NEW PERFORMANCE**  
Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

**ENJOY NEW ECONOMIES**  
2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find in other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

### First Presbyterian U. S. A. Conquest Class Names Officers

Mrs. Rufus Allen and Mrs. Harper McFarland were hostesses to members of the Conquest Class of the First Presbyterian Church, U. S. A., Conquest Class Tuesday morning in the Allen home on Tenth Street.

Fall flowers were used to decorate rooms where Mrs. McFarland conducted the business after the class song, "Help Somebody Today," was sung in unison. Miss Margie Lilly used the topic, "A Still Small Voice," for her devotional. Plans were completed for a Cheer Basket to be given a Shut-In family on Thanksgiving.

The nominating committee named the following officers for the ensuing year: president, Mrs. B. H. Erwin; vice-president, Mrs. McFarland; secretary-treasurer, Mrs. R. E. Hancock; teacher, Miss Eunice Lilly; assistant teacher, Mrs. Willie Hoover. Officers were elected.

A White Elephant Sale will be held at the December meeting. You Can Teach a Sunday

School Class" was the program theme which Mrs. Rufus Allen presented.

At the social hour, Mrs. Hoover played a medley of old hymns when the hostesses served hot fruit punch, coffee and cookies to Mrs. Freeman Morgan, Mrs. Hoover, Mrs. Betty Routh, Mrs. R. E. Hancock, Mrs. Dora Spreen, Misses Maggie and Eva Lilly, Lillian McMillan and Mickey Vorbeck.

### Mrs. Bul's Complimented At Pink and Blue Shower

The Women's Council of the First Presbyterian Church, U. S. A., sponsored a surprise Pink and Blue Shower on Wednesday in the church parlors, honoring Mrs. William Bul.

The church parlors were decorated with flowers in pastel tones in ceramic baby shoes and doll cradles.

Mrs. B. H. Erwin, council president, and Mrs. Rufus Allen directed games, in which Mrs. Bul was winner and was presented a decorated laundry cart filled with gifts.

At the tea hour, coffee and cookies were served to the honoree and Mes. Harper McFarland, Pat Wood, Pierson

Elizabeth Taylor wins back the love of her husband, Paul Newman, in "Cat on a Hot Tin Roof," MGM filmization of the Pulitzer Prize-winning play by Tennessee Williams. Also in the all-star cast are Burl Ives, Jack Carson and Judith Anderson.

"Cat on a Hot Tin Roof" will show at the Horseshoe Drive-In Theatre next week-end.

IT'S WINNING TEXAS— as it won the Fashion-Wise at the Brussels World's Fair!

You never had it so beautiful  
and so all-out new...

## 59 FORDS

AWARDED THE GOLD MEDAL for beautiful proportions— by the Comité Français de l'Élégance at the Brussels World's Fair

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

are packed with surprises!

Expect to be dazzled when you see these totally new Fords! Each one of Ford's 19 new models is completely and refreshingly changed in every square inch! Each, in its own way, is the world's most beautifully proportioned car. Each has Thunderbird elegance.

Look for something new and just right in size . . . and you'll find it! The lowest-priced Fords are 6 stunning inches longer; 2 have 2 extra inches of smooth-riding wheelbase.

Expect something wonderful in savings. For instance, Ford prices for '59 are traditionally down-to-earth prices. (Every model's priced below the equivalent model of Ford's nearest competitor.) Ford's aluminum mufflers—standard equipment—last twice as long as conventional mufflers. Ford's standard V-8 and Six save up to 5¢ a gallon because they require only regular gas. Ford cars need oil changes only every 4000 miles. And Ford's new super enamel never need waxing.

Look for something special in performance. New V-8's concentrate their new punch at speeds from 30 to 70 mph, where you need it most.

Look for newness everywhere . . . right down to the new Tyrex tires. Let your Ford Dealer show you. You've never had it so new!

The wonderful new Fairlane 500 Club Victoria . . . one of 19 all-new Fords for '59

### Virginia Ruth Zedlitz Is Bride Of Dr. Elmer De Shazo

Virginia Ruth Zedlitz and Dr. Elmer Anthony De Shazo were married October 17 in rites read by the Rev. J. H. Callahan, pastor of the First Methodist Church at San Marcos.

The double ring ceremony was read in the pastor's study. The bride is the daughter of Dr. and Mrs. Richard F. Zedlitz of Ballinger, and the bridegroom is the son of the late Mr. and Mrs. E. A. De Shazo of Lubbock and Amarillo.

The bride wore a candlelight beige woolen suit with brown accessories. Her corsage was white carnations and stephanotis.

Dr. James Taylor of San Marcos and Miss Mildred Velton of San Antonio attended the couple.

Mrs. De Shazo is a graduate of Ballinger High School. She is a junior political science major at Southwest Texas State Teachers College at San Marcos where she is a member of Delta Delta and Phi Gamma Mu societies. She also attended Texas Technological College, San Angelo College and Abilene Christian College.

Dr. De Shazo received his bachelor and master of arts degrees from Texas Tech and his doctorate degree from the

University of Indiana. The couple will be at home at 500 Fredericksburg in San Marcos.

### Mrs. Alex Kvapil Honored At Gift Party

Mrs. Alex Kvapil, who before her recent marriage was Miss Mary Etta Bagwell, was complimented at a gift party Monday evening in the home of Mr. and Mrs. Pierson Corder on Ninth Street.

Miss Beth Corder was hostess at the affair and members of the G. G. Club, of which the honoree was a member, presented her with gifts.

The lace laid table was centered with an arrangement of wedding bells, candles and blue and white flowers. Punch was served with decorated cake squares.

Special guests were the

honoree's mother, Mrs. R. A. Bagwell and her grandmother, Mrs. Ben Smith of Winters, and Mrs. Elmer B. Kvapil of Rowena, mother of the bridegroom. G. G. members were Glenda Cook, Rosie Legg, Dolores Proffitt, Sarah Meador, Jereia Summers, Linda Wright, Deanna Foreman, Nancy Hamm, Linda Kerby, Suzie McDonald, Lenna Parker, Sue Thompson, Suzanne Witter, Bobbye McDaniel, Judy Brown, Karen Conner, Dorothy Piel, Bettye Dixon, Sue Wade, Jimbeth Flynt and the club

sponsor, Miss Harriett Ma-gruder. Following the party, the club held a business meeting to discuss the selling of Desk Sets and Beach Bags for their project. The next regular meeting will be held next Monday night in the home of Dorothy Piel on Eighth Street.

### Omicron Psi Chapter Meets In Parker Home

Mrs. H. W. Ketchum, vice-president of Omicron Psi Chapter of Beta Sigma Phi Sorority,

directed the business for the regular meeting which was held Monday evening in the home of Mrs. C. T. Parker on Eighth Street.

A program on "Literature" was presented by Mrs. Tom Epting.

At the social hour a refreshment plate was served to Mmes. John E. Green, Epting, Frankie Berryman, Ketchum, Foy Farmer, Morris Stokes, E. Y. Bailey, Ed Moonen, Bill Middleton, Ben Parrish and Miss Jewel O'Neal.

# Bearcats Score 33-0 Victory Over Eastland

Ballinger Bearcats made it easy Friday in their home game of the season at the Eastland Mavericks. The final score was 33 to 0 for the Bearcats in a well played game. The Bearcat defense stiff all during the night. Eastland never offered a threat.

Bearcats started early after recovery of a fumble at Eastland 37 yard line, drove to the 4 from where Candler went over for the touchdown. Candler was ed short of the goal on

the extra point attempt. Eastland was held for downs and punted from deep in their territory. Kenneth Wiginton took the ball on the run and found a host of red-shirted blockers waiting for him and scampered for 61 yards and a touchdown. A pass from Candler to Rodney Hambright was good for the two extra points.

Again the Bearcats used a hard running attack to carry to the Eastland 6 yard line from where Candler drove across. An attempted pass for

the extra points was no good. The next score came after Bobby Power intercepted a pass and returned to the Eastland 14. On the next play Wiginton, behind good blocking, circled right end for the 14 yards and a score. Candler's kick from placement was good for the extra point.

The final score came on a well executed triple pitch-out with Wiginton on the last take of the ball. The total play went for 45 yards and the score. On the try for the extra points the ball was fumbled, picked up and handed off but finally failed to cross the goal line.

The Bearcats chalked up 19 first downs to 10, rolled up 262 yards rushing, had some nice gains on punt and pass interception returns and gained 82 yards through the air. They

did not lose a fumble during the night and they picked off five Eastland passes and covered two Maverick fumbles. Eastland threw 14 passes, completed 4 for 62 yards and had five intercepted.

selling fast so the Bearcats will have plenty of hometown backing Friday night. Reserve seats will remain on sale until Friday afternoon and everyone who expects to attend the game should purchase their tickets at the Pearce-Bailey Drug Store.

The Bearcats displayed a lot of power, both on the ground

and in the air, in their game with Eastland last week. The defense stood up against the Mavericks to hold them to a goose-egg while the Ballinger backs were running and passing for 33 points.

Several boys will be playing their last game in a red and black uniform Friday night. These will include Jerry Cand-

ler, who has lettered for four years with the Bearcats. Kenneth Wiginton, quarterback, will also be among the seniors finishing their high school play. Wiginton has been outstanding this year and has been one of the most improved Bearcats on the squad. Others who will graduate in the spring are Paul Price, a guard, Ralph Dankworth an end, Bobby Power, a

tackle, and Ronnie Wood, a center.

Junior high teams and the B team completed their 1958 schedule last week and have turned in their equipment for this year. All had fair seasons.

See you in Winters Friday night.

## SPORTS

The Ballinger Bearcats come to the last big game of the year and Friday night will go to Winters to meet the Blizzards in a game which will have no district bearing but which will decide the championship of Runnels County. Both teams have lost by large scores to Cisco and are practically out of the running but the game will still have plenty of color and will be a good one this year.

The Bearcats and Blizzards are about equal on paper but fans never know what to expect when these two rivals get together in the final game of the year. Both teams will be in fair physical condition for the big game and coaches will be shooting the works trying for a win.

Reserve seats went on sale here Tuesday morning and were

**ELDEST** — Jose Maria Caro Cardinal Rodriguez, 92, of Chile, is the eldest member of the College of Cardinals to attend the meeting in Rome for selection of a successor to the late Pope Pius XII.

## Real Estate Loans

The Winters State Bank is now in a position to make farm and ranch loans on an extremely liberal basis. The re-payment privilege is not equalled anywhere—the interest rate is as low as the lowest—there is no stock to buy and no red tape—no delays—no brokers fees. If you should have more than one farm and you make sufficient money on all the farms to retire the debt or any part of it, payment will be accepted and the interest stopped the minute the bank receives the money. We have not heard of any repayment privilege equal to this. We will be glad to discuss with you your financial problems.

# COAST TO COAST ONLY 1 1/2 CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN  
San Diego, California to Savannah, Georgia  
COMPLETED OCTOBER 17, 1958

DISTANCE . . . . .	2,442.7 MILES
DRIVING TIME . . . . .	60.72 HOURS
FUEL CONSUMED . . . . .	112.5 GALLONS
FUEL COST . . . . .	\$35.79
MILES PER GALLON . . . . .	21.7 Average for entire trip
AVERAGE SPEED . . . . .	40.2 MILES PER HOUR
COST PER MILE . . . . .	1.465 CENTS

"No two people drive alike—if you have a light touch or drive slower than I did you might even top my 21.7 miles per gallon. But no matter how you drive—or where you drive—you'll be amazed at the mileage you get from this big, roomy full-powered Pontiac V-8."

We asked one of America's most respected automotive writers and car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test . . . coast to coast.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all supervised and officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you? Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this revolutionary new Tempest 420E V-8 power plant right now you'd be enjoying savings of up to 5 cents a gallon on regular fuel.

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

## Deer Hunters

(Continued from page 1)

London in Menard County this year on a lease that has been reserved for several months. In this party is Alvin Spreen, Ben Sims Parrish, Tom Claude and Mr. and Mrs. Soupy Parrish of Eden. They will leave Saturday for their camp and start hunting early Sunday.

One Ballinger group of hunters will not leave here until November 30 and will hunt south of Marathon in the Big Bend. The season will not open there until December 1 and the men will be on hand for the start of the black-tail season. In the party will be Charles Clifton, Leland McWilliams, Pannell Legg Jr., Aubrey Warren, Bill Kirk and Charles Humphrey.

A party of local people and two from Winters will be hunting on a ranch near Segovia, 10 miles south of Junction. They will leave Saturday to be on hand for the start of the season. In the party is E. B. Underwood, Dr. Z. I. Hale of Winters, Dr. Henry McCreight of Winters, E. E. Avey and Buzzy Underwood.

A party will leave Saturday morning for their lease in San Saba County. This group has excellent out door equipment and has hunted on this lease for several years. They are A. E. Holbrook, C. E. Maedgen, Vernon Webb, Clifford Cook, Marvin Williams of Lubbock and Oma McGahee of El Paso.

A group of couples will leave Saturday morning for Menard County and their annual hunt. They will be on a lease which they have held for a number of years. In the party will be Major and Mrs. Ralph Routh of Abilene; Mr. and Mrs. Arthur Alcorn and Mr. and Mrs. Marvin Hale of Talpa; Mr. and Mrs. Ira Hale of Miles and Mr. and Mrs. Play Brevard of Ballinger.

A local party will leave Saturday to be on their lease in Menard County for the opening of the season. In this group is Jack Carville, Gary Goetz and Bill Goetz.

A party will leave Saturday for their lease in Kendall County south of Fredericksburg. In this group are Albert Lippe, Gus Behnke, Bill Ahrens and Lewis James and son.

A party composed of Doyle St. John, Mack St. John, Earl Barr and James E. Barr will

leave Saturday for their lease at Loma Alto south of Sonora. They have hunted on this lease very successfully for the past several years.

W. C. Jobe will leave Saturday and join a group of hunters at San Angelo for their annual hunt on a lease near Sonora.

A party composed of Aribert Hoffman, Bill Cervena and M. E. Sweeney will leave Saturday for their lease near Menard and will be ready for the opening of the season Sunday.

## Swine Breeders Meeting Nov. 17 At Courthouse

At a meeting held in the Runnels County courthouse a group of interested men gathered to try and set up an organization for the betterment of swine growing operations in Runnels County.

James Barr, Ballinger feed store operator, acted as chairman and in this meeting the group arrived at an official name, that being the Runnels County Swine Breeders Improvement Association. The first official meeting of this group will be held Monday evening, November 17, at 7:30 p. m., in the conference room third floor of the courthouse.

At this meeting a constitution committee will be appointed, officers and directors will be elected and a planning committee will be set up for a proposed field day. The field day would include showing of pure-bred swine and an actual carcass contest which will include judging on foot followed by the slaughtering of the barrows and placing them on a rail bringing out length, backfat, loin, eye size, and dressing percentage. This day has been set for some time in August. The purpose of this type of field day is to impress upon swine growers just what kind of hogs they are raising and what it takes to top the market and why.

All interested swine breeders are encouraged to be present on this very important meeting date. The group brought out that they would like to see all junior breeders with their dads out, along with all adult breeders. This is something that we all have an interest in as swine breeders, and progressive citizens of Runnels County.

Dr. E. W. Stamey was in Dallas the first of the week attending the meeting of the

## American Dental Association.

### WORLD WAR I VETS TO MEET ON NOV. 19

World War I veterans will meet for an important business session on Wednesday, November 19, at the Loftin Cafe. At a recent meeting held in Ballinger, a Barracks was organized and Leon Thomas was named commander; Daniel Ferguson, senior vice-commander; Henry Psenek, junior vice-commander and Will Fisher, chaplain.

All veterans attending the meeting voted in favor of a \$100 a month pension, without restrictions as to earned income, for all honorably discharged veterans of World War I, or their widows.

Roger Q. Evans of Austin, senior state vice-commander, discussed other phases of veterans benefits and agreed to attend the next meeting at Ballinger. He urged that a drive be made to get other World War I veterans to join the organization.

Barracks have been established at a number of other West Texas towns since the one was formed here.

### MRS. E. B. GILLIAM IS BURIED AT BROWNWOOD

Funeral services for Mrs. E. B. Gilliam, 83, were held at 3 p. m. Wednesday at the London-Burton Funeral Home in Brownwood with burial following in Greenleaf Cemetery.

Mrs. Gilliam died Tuesday morning at her Brownwood home. She was born in Fannin County and had lived in Brownwood for more than 50 years.

Survivors are a son, Ed Gilliam of Goldthwaite; two daughters, Mrs. Leonard Stallings and Mrs. Loyd Herring of Ballinger; a sister, Miss Ruby Long of Brownwood, and five grandchildren.

### PEP RALLY FRIDAY TO ATTRACT CROWD

Two groups of Ballinger High School students were in out town meetings last Saturday. Members of the Cat Track staff went to Abilene to attend a special press association held at Abilene Christian College.

A large delegation from the student council was in Coleman all day to attend the annual meeting of the Oil Belt District.

The high school choir had charge of the assembly program Wednesday with a musical

cal treat for the students. The choir is directed by Mrs. Wm. Postlethwaite.

A large crowd is expected to be in the high school auditorium at 10:30 Friday morning for the pep rally. This will be the final rally of the football season and, coming on the day of the Winters-Ballinger game it is expected to be one of the best of the year. George Newby will be the speaker Friday morning and the band and yell leaders will have charge of the pep session. Fans who would like to attend are welcome.

### GOOD RUN OF STOCK AT LIVESTOCK SALE

There was a good run of livestock and a large crowd on hand at the weekly livestock sale held Monday afternoon at the barns of the Ballinger Auction & Commission Co. The market was slow on light stocker calves but most other groups were well represented. The following prices were reported:

- Hogs \$19.25 per hundred
- Stocker lambs \$20 per hundred
- Baby calves \$15 to \$30 each
- Butcher calves \$22 to \$26 per hundred
- Cows and calves \$165 to \$191 per pair.

### HUGE CROWD ATTENDS FESTIVAL AT ROWENA

There was a fine crowd in Rowena last Sunday to attend the fall festival at the St. Joseph Parish Hall. Serving of the turkey-sausage dinner started at 11:30 a. m. and lasted until about 2 p. m. before the entire crowd was through the dining hall. At one time the waiting line was several blocks long.

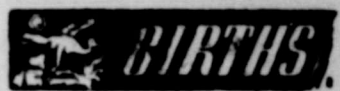

In the afternoon the games and auction sale was well attended and a large crowd was present for the dance Sunday evening. Soccer was also served

at the Parish hall. Many Ballinger people were among those attending the dinner Sunday noon.

### BALLINGER WOMAN GETS PAPERS OF CITIZENSHIP

Mrs. Christine Patterson of Ballinger received her citizenship papers in San Angelo last week and was happy when she was pronounced an American citizen. She was married to Tommy Patterson in Germany during the war and came to the United States on Thanksgiving four years ago. During her stay here she has progressed with her English and for some time has been studying and preparing for her tests.

The couple lives at 108 Crosson Avenue in Ballinger and is employed by the Ballinger Co-op Gin.

Mr. and Mrs. J. S. Warren Rudolph of Plains, Arkansas, are parents of a son. The baby weighed 8 pounds 7 ounces and has been named James Kent. Mrs. Rudolph is the former Barbara Bradshaw of Ballinger.

Mr. and Mrs. Fred Brown are parents of a daughter born on November 6 at the Clinic Hospital in San Angelo. The baby weighed 8 pounds 3 ounces and has been named Rebecca Evangeline. Grandparents are Mr. and Mrs. J. S. Brown of Winters and Mr. and Mrs. Paschal Dietz of Ballinger.

Dr. and Mrs. E. H. Boelsche were in Dallas most of this week attending the meeting of the American Dental Association.

Mrs. Elmer Simpson of San Angelo spent the week-end here visiting Ballinger relatives and friends.
