## County Commissioners renew burn ban

The Parmer County Commissioners Court met in regular session on Monday, May 14 at 10 a.m. in the County Courtroom of the Parmer County Courthouse in Farwell, Texas. All commissioners were present. The meeting began with prayer and the Pledge of Allegiance to the American Flag and Texas Flag.

The Commissioners reviewed the Emergency Action Plan for the two Watershed Structures in Parmer County (Bovina and Lazbuddie). Earl Behrends presented the comprehensive plan and it was approved.

The Court considered and approved Duane Oliver as the Veteran's Service Officer. Duane lives in Farwell and is a retired 20-year veteran of the United States Air Force. He was stationed at Canon AFB outside of Clovis, New Mexico.

Next on the agenda, the Commissioners considered the acquisition of the Right of Way for FM 145 access to US 70/84. The railroad bridge has been hit by trucks several times in the past and some changes needed to be made. The Court approved assuming

10 percent of the right-of-way and 10 percent of the utilities on a project that will re-route the access road. The project is expected to take 2-3 years to complete.

Discussion and Possible action to Designate Reinvestment Zone 2018-01, Establish the Boundaries thereof and Provide for an Effective Date, Pursuant to chapter 312 of the Texas Tax Code and Discussion and Possible Action to Nominate Cargill Meat Solutions Corporation for the Texas Enterprise Zone Program Pursuant to Chapter 2303 of the Texas Government Code were both postponed until the next Commissioners Court meeting.

The minutes from the previous meeting were read and approved. Next, the Court approved the payment of the Accounts Payables presented to them by County Auditor Larry Johnston. Altha Herington then presented the Treasurer's Report. Commissioners approved the calculated payroll and disbursements for all county employees and elected officials. The Court also approved the County Auditor's Continuing Education hours.

Next the Commissioners approved an IT project to be installed by Southwest Business Solutions. This computer/internet project will put all of the county information flow under one "domain". This will make it easier to monitor and track all information that flows through the various offices in the Courthouse.

The Court also approved the purchase of a road grader for use in Precinct 1, rescheduled the next meeting for May 29th because of Memorial Day, and renewed the burn ban for ninety days.

The Parmer County Law Enforcement Center was next on the agenda. The Court approved the \$16,000 expenditure to replace the Server and update the computer software. The court then adjourned.

All meetings are open to the public. The Commissioner's Court reserves the right to go into Executive Session at any time. This agenda may be found on the Parmer County website. Information in this article is only a summary. Any questions concerning specific actions should be directed to the Commissioners Court.

## Library Book Shoppe Summer Hours

The Friona Friends of the Library Book Shoppe, located at 119 West 6th Street, is currently open Wednesday afternoons from 3:00 until 5:30 p.m. In June, hours will switch to Thursday mornings from 10:00 a.m. until 12:00 p.m. The book

shop is also open by appointment. Books sell for one dollar a bag, and proceeds support Friends of the Library projects.

With kids out of school for the summer and visits by summer school classes, we need more donations of children's

books, especially those for young children. You may bring them by the book shop during open hours or contact Connie Slagle for more information, if that is not convenient. Thanks to all book shop donors, customers, and volunteers.

## Beef Loving Texan Sets World Record

AUSTIN, TX - Montannah Kenney, a second grader from Austin and BEEF Team Kids member, recently set the world record as the youngest female to reach the summit of Africa's Mount Kilimanjaro. The seven year old reached the summit of the tallest freestanding mountain in the world with her mother, former professional triathlete and BEEF Team volunteer coordinator, Hollie Kenney.

"It's truly an honor to have Montannah on our team," said Ryan Moorhouse, general manager of Hartley Feeders and chairman of the Texas Beef Council (TBC) board. "As a cattleman, I'm always proud to see our BEEF Team representing us at rides and races throughout the state. Now, we can add a record setting climb on a different continent to the long list of team accomplishments."

Montannah was inspired to climb the iconic peak to honor the memory of her father who died a week after her third birthday. She liked the idea of being among the clouds and closer to her father in heaven. The determined mother-daughter duo garnered national media attention with their story of adventure, perseverance and love.

"We're incredibly proud of Montannah and Hollie for setting a goal and working hard to achieve it," said Jennifer Matison, TBC senior manager of consumer marketing. "Our Texas BEEF Team is a community of individuals full of passion and determination with an abundant amount of encouragement and comradery. Witnessing the team support Montannah's

goal is motivating in itself."

The checkoff-funded Texas BEEF Team is a group of 1,200 beef-loving fitness enthusiasts across the Lone Star State. The team is committed to living active, healthy lifestyles and are dedicated to serving their community and helping others lead healthier lives. Together, Beef Loving Texans and the Texas BEEF Team are working toward inspiring a healthier Texas.

# Llamados a Conocerle Friona Para Cristo

By Pastor Aurelio & Cynthia Silva

La semana pasada celebramos el Dia de las Madres y que bendicion de poder celebrar a cada uno de ellas. En este dia quiero hablar por dos mamás muy distintas en la biblia pero tambien cada uno con un plan divino. En estos dos mujeres ay esperanza para toda mujer que piensa que un pecado tanto y tambien por la mujer que ah hecho todo bien. La palabra de Dios nos dice en Salmos 31:30 que la mujer que teme a Jehova esa sera alabada. Tenemos primero a Rahab la ramera que ni era del pueblo de Dios. Pero vivia en Jericho y trabajaba como prostituta. Cuando ella se encuentra con los dos espías, ella se recuerda lo que habia escuchado del Dios de Israel. Y ella escondio los dos espías en cambio que le guardara su vida y la vida de su familia. Y en Mateo 1 vemos que Rahab esta en el linaje de Jesus. Dios cumpliendo su promesa de pedir y se os dara. Elizabeth era una mujer temerosa a Dios y era del pueblo de Dios fue escogida para ser la madre de aquel que iba preparar el camino al Señor. Ella juntamente con su esposo Zacarias servian en el templo y Dios les concedio el ser los padres a un Juan el Bautista. Vemos que Dios no hace acepsion de personas. Nos ama todos igual. Porque de tal manera amo Dios al mundo que dio a su hijo unijenito para que toda aquel que en el crea nos se pierda mas tenga vida eterna.

Last week we celebrated Mother's Day, and what a blessing to honor each Mother. Today I want to speak about two completely different mothers in the bible, but each one with a divine plan. These two women give hope to those who feel they have messed up so bad and also for the one who has done everything right. The word of God tells us in Psalms 31:30 that the woman who fears the Lord shall be praised. First, we have Rahab who was not of the people of God. She lived in Jericho as a prostitute. But when she encounters the two spies, she remembers what she had heard about the God of Israel, and she hides the two spies in exchange for her life and the life of her family. Then in Matthew 1, we see Rahab in the lineage of Jesus Christ. God fulfilling his promises "ask and you shall receive". Now Elizabeth was a woman who feared the Lord and was of the people of God. She was chosen to be the Mother of the one who would "prepare the way of the Lord". Elizabeth, along with her husband, served in the temple and God chose them to be the parents of none other than John the Baptist. Here we see that God does not make exceptions of people. He loves us all the same. "For God so loved the world that he gave his only begotten son that whosoever would believes in Him would not perish but have everlasting life."

# Tell Your Story

By Teena Hughs

Recently, John Yates, a member of James and Betty Robison's ministry in Fort Worth, spoke at Muleshoe Cowboy Fellowship. He talked on the fact that everyone has a story, and we are to tell our story. I had a personal experience Friday night where a person's story really did affect my life.

I have heard sermons from ministers and youth ministers about putting on the armor of God (Ephesians 6:10-18). At Community Bible Study, we have taught the children a poem about putting on the armor of God and kicking the devil out of the room.

I am embarrassed to say that until I heard a young man's testimony on Facebook, I did not realize the impact of why God says to "put on the belt of truth and the body armor of God's righteousness. For shoes, put on the peace that comes from the Good News

so that you will be fully prepared" ("to stand firm against the strategies against the devil...to fight against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places"). We are to "hold up the shield of faith to stop the fiery arrows of the devil. Put on salvation as your helmet, and take the sword of the Spirit, which is the word of God. Pray in the Spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere."

These words came alive in me when I heard Hunter Willis, age 26, talk about his battle with drugs, mainly speed. He was raised in church; he knew he was doing wrong; he wanted off drugs, but the pull of the devil was just too strong...until he met a minister who encouraged him to do God and

not drugs. I believe drugs are a work of the devil. I hate the devil; I hate drugs; I hate what they do to people and families.

Hearing Hunter's story made me realize the importance of putting on the armor of God daily. We need everything God has to offer to help us fight the devil and all his schemes.

We all have a story; some have many stories. God allowed us to have these stories, and He is counting on us to tell these stories. As John Yates also said, it isn't up to us to make sure someone gets saved; that is the work of the Holy Spirit. It is up to us to be obedient and share the story God wants us to tell and then let God go to work helping others change their lives, bringing them closer to Him and His Word, helping us become children of God, not children of the devil.

## Psalm 75—Thankful to God for...

Brett Hoyle, Pastor, First Baptist Church

Psalm 75:1 says, "We give thanks to you, O God; we give thanks for your name is near. We recount your wondrous deeds." When you give thanks to God, what are you thankful for? Family, friends, health, Jesus and a host of other aspects of God and His blessings toward you no doubt come to mind, but when was the last time you were thankful for His justice? Vengeance is the Lord's, which includes His just punishment against the wicked. Every time reports arise of Christians being killed in Sudan, North Korea starving its people, abortion, infanticide, euthanasia or other atrocities, you can be thankful that vengeance is the Lord's.

Psalm 75 brings the image of God's cup of wrath being poured out on the wicked and prideful, as a picture of God's judgment. What is noteworthy about it, though, is that in Matthew 26 Jesus prayed in the Garden of Gethsemane, "My Father, if it be possible, let this cup pass from me; nevertheless, not as I will, but as you will." Jesus was seeking an alternative to the cross as God's plan in dealing with sin. On the cross, Jesus bore our sin, and he even became our sin as God's perfect wrath against sin was poured out upon Jesus. In light of the cross, you can be thankful for God's justice, but even more, give thanks for his forgiveness, mercy and grace in Jesus Christ.

### 'Bigs' program in Friona ends the school year with ceremony and special guest

Friona's 'Bigs in Schools' program ended the 2017-2018 school year with games and a presentation of certificates to eight fifth graders who will be moving on to junior high. Bigs is a division of Big Brothers Big Sisters in which students are mentored by qualified adult volunteers called "Bigs" during their lunch period one day per week. Bigs served eighteen elementary school children this year, with each child having his or her own mentor/tutor.

On May 2, the older students enjoyed a presentation by former Friona Big, Pedro Ramos. Pedro came to the U.S. when he was four years old and moved eight times before the eighth grade. He graduated from Friona High

School where he excelled in football, speech and drama, FCCLA, and was named Student of the Year by the Chamber of Commerce. Pedro graduated from WTAMU with a degree in criminal justice and was voted Centennial Homecoming King. He met his wife Heather in Washington D.C. when they were both interns to members of Congress. He worked his way through college doing a variety of jobs, including working on the floor at Cargill. He is now a member of management at the Cargill plant in Fresno, California, and Heather recently completed her veterinary assistant degree.

Pedro, who became a U.S. citizen after a long and te-

rious process, told the kids that the United States is the greatest country in the world, they should be grateful for the opportunities they enjoy, and work hard to accomplish their goals.

Thank you to Pedro for his inspiring message, to all the parents and teachers of the students in the Bigs program, and a special thanks to the adults who generously donated their time and talents this year.

Contact Sara Pesina, Executive Director of Hereford BBBS, or site monitor Connie Slagle if you are interested in being a Big during the next school year. Contact your child's teacher next fall if you would like for to be him included in this program.

### Sales Tax Holidays for Water-Efficient and ENERGY STAR® Products set for May 26-28

(AUSTIN) — Texas families and businesses can save on the purchase of certain water- and energy-efficient products during the state's Water-Efficient Products and ENERGY STAR® sales tax holidays. Both take place Saturday, May 26, through Monday, May 28.

The sales tax holiday also applies to lawn and garden products that help conserve water outdoors. Items qualifying for the exemption include soaker or drip-irrigation hoses; moisture controls for a sprinkler or irrigation system; mulch; and plants, trees and grasses. These items can be purchased tax-free for residential use only.

The Texas Comptroller's office estimates shoppers will save about \$10.7 million in state and local sales tax during the Memorial Day weekend sales tax holidays.

There's no limit to the number of water-efficient or water-conserving products you can purchase tax-free. For more information on the Water-Efficient Products Sales Tax Holiday, visit the Comptroller's website or attend a pre-sales tax holiday kickoff event on May 23, when representatives from the Texas Water Smart Foundation will join Hegar at Home Depot, 1200 Barbara Jordan Blvd., Suite 100, Austin.

"As of May 1, more than 60 percent of the state was in abnormally dry or drought conditions — and anyone who's lived through a Texas summer knows the strain triple-digit temperatures can put on power grids," Texas Comptroller Glenn Hegar said. "These two holidays are a perfect time to save on state and local sales taxes while upgrading outdated water systems or inefficient appliances."

During the ENERGY STAR Sales Tax Holiday, certain energy-efficient products displaying the ENERGY STAR logo can be purchased tax-free; these include air conditioners priced at \$6,000 or less, refrigerators priced at \$2,000 or less, ceiling fans, fluorescent light bulbs, dishwashers, dehumidifiers and clothes washing machines. Visit the Comptroller's website for more ENERGY STAR Sales Tax Holiday details.

This is the third year for the Water-Efficient Products Sales Tax Holiday. Products displaying a WaterSense® label or logo can be purchased tax-free for personal or business use. These include showerheads, bathroom sink faucets and accessories, toilets, urinals and landscape irrigation controls.
