Hail to November

How would you like for this eleventh month of the year to be called Tiberius instead of November? Well, it nearly happened. The name November originated from the Latin word Novem, meaning nine, for it was the ninth month in the old Roman calendar. Later the Roman Senate proposed to change the name to Tiberius in honor of their great emperor, Tiberius, who was born in the ninth month. The Emperor, however, declined the honor, so the name November was retained.

November holds numerous days of interest. Foremost is the first Tuesday in November designated as general election.

Nov. 7, 1805, marked a great moment in American exploration. On that date the famous Lewis and Clark expedition, after many cold, hunger-plagued miserable days following the courses of three treacherous rivers—the Missouri, the Platte, and Columbia—reached the Pacific Ocean.

November 11 is celebrated as Veterans' Day. It was on Nov. 11, 1918, that World War I ended. Church bells rang, people cheered, and many parades marked this great event. Then in 1926, Armistice Day was established in memory of the 1918 victory. Enthusiasm, however, soon began to decline and many people forgot the date completely. It was not until June 1, 1954, that November 11 was renamed "Veterans' Day." This day now is recognized to honor all men and women who have served America in its armed forces.

It was in November of 1621 that the Pilgrim fathers celebrated the first Thanksgiving Day in appreciation of their first harvest after the terrible first winter in the New World. In 1789, President George Washington issued a Thanksgiving Day proclamation to commemorate that first Pilgrim celebration. Later, Thomas Jefferson, our third president, discontinued the celebration, and not until the presidency of Abraham Lincoln was the fourth Thursday of November officially set aside for the national holiday. So, truly, November is a month of numerous celebrated days.

CHS Saddened by Death of Barry Barker

Last Monday morning there was a hushed silence as students and

teachers gathered at CHS. The usually happy, hilarious greetings were no more than a solemn "good morning."

Little groups gathered here and there, but from each one drifted the same name—"Barry Barker. . . he was always so friendly—I'll never forget how he could beat that drum—he was such a good Boy Scout—he was so thoughtful of his parents—he seemed to enjoy college so much—etc."

No one seemed able to face reality: it just seemed impossible that Barry, a 1964 graduate, had had his life snapped out in a high-way accident near Decatur on Saturday night as he and some college friends were returning to Denton where they were students at North Texas University.

Though words are inadequate to express the feelings of the members of CHS, the Wildcat staff, on their behalf, wish to say to Barry's parents, Mr. and Mrs. Curtis "Jiggs" Barker, and to his many relatives and friends, "We too feel a great loss; Barry loved CHS, and CHS loved Barry."

Homemaking II Class Honors Board

"My plate runneth over" could have been the remark of the board members and their wives—Mr. and Mrs. Mike Bird, Mr. and Mrs. R. J. Owens, Mr. and Mrs. W. F. Bradford, Mr. and Mrs. Elton Carroll, Mr. and Mrs. J. D. Smith, Mr. and Mrs. Houston Adkins, Mr. and Mrs. Merl Kincaid; the school secretary and his wife, Mr. and Mrs. Brudge Andrews, Mr. Black and Mr. Welch last Monday night, Nov. 2, at 6:30 p. m. in the Homemaking Cottage

as they devoured the feast prepared for them by the Homemaking II class under the supervision of Mrs. James Welch.

The autumn theme was used in the dining area. The tangerine tablecloth was laid with plates designed with autumn leaves and flowers. Place cards, made by the class, also had a design of autumn leaves. White candles in golden candle holders and yellow napkins complemented the table appointments. Beautiful floral arrangements of red and yellow marigolds, yellow mums, lilac larkspur, and multi-colored dahlias, prince's feathers, and chrysanthemums, and a horn of plenty added to the attractiveness of the table setting. Sandra Chowning brought many of the flowers.

The meal, consisting of pineapple-glazed ham, baked potatoes, green beans, tossed salad, hot rolls, lemon and chocolate cream pies, and iced tea, was prepared and served by the following girls: Nellie Aranda, Linda Chandler, Sandra Chowning, Margaret Collins, Renee Daniels, Janell Gray, Ella Hollenbaugh, Nancy Ketchersid, Rosa Latimer, Mary Quintero and Mary Bailey. These girls should be complimented on the way in which they prepared and served the meal.

Southern Assembly

The CHS students were entertained last Monday afternoon by Robert Mason, an outstanding ventriloquist and puppeteer. For the last five years, Mr. Mason has been the featured puppeteer at the Laguna Beach Festival of Arts at Laguna Beach, Calif. He has also appeared on television with Ed Sullivan and Dr. Kildaire.

The students were fascinated by Mr. Mason's presentation of Reggie Dixon, "the world's smartest dummy," and the puppets, "Punch" and "Judy."

After the demonstration, Mr. Mason satisfied the curiosity of the audience by showing them the mechanism of a puppet. He explained the difficulty of "voice control" of an accomplished ventriloquist. The program was a "hit" with students of all ages.

Elaine Crowell Named FHA Harvest Queen

Miss Elaine Crowell was judged the FHA Harvest Queen at the FHA meeting on Oct. 27 in the Homemaking Cottage. Two other contestants were Misses Betty Ann Welch and Ev-

elyn Faske. The contestants were judged on posture, poise, and talent. Elaine played a piano number, "The Nearness of You," Better Ann sang "Love Is a Many Splendored Thing," and Evelyn sang "Three Coins in a Fountain." and gave a poem, "A Stone." Each girl then discussed two questions, one humorous, one serious.

Choirs to Present Program on Nov. 19

The Crowell High School chorus directed by Darrel Dick, and the Crowell Junior High Chorus, directed by Terry Garrett, will present a program at the high school auditorium at 7:30 p. m. on Thursday, Nov. 19. Proceeds will be used to help pay for the choir robes which have been shipped and will be worn at the November performance.

Forensic League Is Organized

On Nov. 5 during activity period, the Forensic League was organized. This group is composed of speech students who are interested in debate, persuasive and extemporaneous speech, poetry, and prose reading. The officers are president, Seth Halbert; vice president, Larry Taylor; secretary, Vicki Spikes; treasurer, Ken Ferguson; and reporter, Otis Smith. These students and their sponsor, Mrs. Moody Bursey, attended the Top o Texas Debate Tournament held Saturday at Wichita Falls High School. They report this to have been a profitable tournament.

Attend District Meet

Representatives of our Student Council heard Jack Hightower, State Senator-elect, address the Greenbelt District of Student Councils at Electra Saturday, Nov. 7. Attending the meeting were Ken Ferguson, Mike Gamble, Larry Taylor, Hollis Halbert, Karen Shirley, and Mr. Myers, sponsor.

Library News

Last week a new addition was made to the library. It was a card catalogue in a very pretty light wood cabinet. Providing much more room and convenience, it has fifteen drawers which contain at least two cards for each book in the library. Underneath the drawers are two pull-out shelves so that one may easily record any needed information.

Each year the librarians leave something to the library. A plate glass for the top of the card catalogue has been provided and a container of ivy will soon be added as the contribution of this year's librarians.

Visits C. H. S.

An ex-student, Jimmy Cates, who graduated in 1942, visited Crowell High School last Friday to say "hello" to Mr. Black and other teachers whom he knew.

Mr. Cates is with the Labor Department of the Federal government. His territory includes Arkansas, Oklahoma and Texas. He flies to most of his appointments. He is a supervisor of those who work with the youth and their problems.

Mr. Cates, his wife and their three daughters make their home in Arlington, Texas.

Receive Awards

On Thursday, Oct. 22, many junior students were rewarded for having worked so hard in the magazine sale held by the Junior Class last month.

Those who had sold 5 or more of the 50 cent magazines and received a school mascot were: Jackie Eddy, Kathy Eubank, Dan Mike Bird, Rosa Latimer, Marilyn Cates, Rickey Eavenson, Dena Todd, Sharon Mapp, Steve Kralicke, Tommie McRae, Skipper Pittman, Gayle Russell, Bob Shroder, Shirley Rasberry, Jimmy Gillespie, Karen Shirley, Merida Taylor and Mike Manard.

Dena Todd, Jackie Eddy, Gayle Russell and Sharon Mapp were given either charms or tie racks for selling \$100 or more worth. Sharon Mapp received a transistor radio for being the top seller. Her total sales were \$144.

Shirley Rasberry, Karen Shirley, Paula Vecera, Sharon Mapp, Paul Campbell, Gayle Russell, Jimmy Gillespie, Skipper Pittman, Tommie McRae, Steve Kralicke, Rosa Latimer, Dan Mike Bird, Linda Whitley, Jackie Eddy, Marilyn Cates, Kathy Eubank, Sally Gamble, Rickey Eavenson, Diana White and Dena Todd received certificates for selling as much as

\$25 worth. During the last five days of the magazine sale, each time a junior sold a magazine, his name was placed in a box. At the end of the sale, a name was drawn from the box. Sally Gamble, the lucky one, received a stuffed "Wildcat."

The class again wishes to express appreciation to everyone who took a magazine subscription or made a donation, thus helping to make the sale this year the most successful in CHS history.

Munday Slips By Crowell

Last Friday night at Munday, the Munday Moguls slipped by the Crowell Wildcats in a hard-fought 7-0 victory. With a few good breaks, the Wildcats could have easily won this game.

During the second quarter, Terry Teflar, Mogul tailback, ran the only touchdown of the game. Gary Latham kicked for the extra point. The score at halftime stood at 7-0. Although the mighty Wildcats kept fighting during the second half, they were unable to score; they succeeded in keeping the Moguls from scoring.

This victory places Munday and Archer City tied for first in District 11-A. These teams battle next Friday night at Archer City. All you sports fans may see this game since the Wildcats "tear into" the Henrietta Bearcats Thursday at 7:30 at Wildcat stadium. Henrietta defeated Paducah 36-8 last Friday night for their first district victory. They have lost 4 games and tied one in conference play. The Wildcats need your support in this last game of the season. You will also see a special halftime performance—the coronation of the band sweetheart.

Take Educational Development Test

On last Thursday, the seniors took a two hour Fundamentals Evaluation Test. This test is planned not to measure performance in individual high school courses, but to measure the accumulated "capital" of fundamental knowledge as a result of educational experiences. The test is recommended for the following purposes:

- 1. General achievement evaluation of the entire high school.
- 2. Discovery of "strong" and "weak" areas in the scholastic program.

3. Discovery of "strong" and "weak" areas in individual students.
 4. Location of gifted students. In a few days, a printed test for all the grades in high school will be given.

Friday the 13th

The fact that the number 13 is considered particularly ominous when combined with the day Friday led students to delve into some historic facts. They found that the following things have happened on Friday, the 13th.

1. The first election in Nov. (Continued on page 7)

The 1965 Ford rides quieter than a Rolls-Royce!

"This ad kills me..."
 "Incredible!"
 "Ridiculous!"
 "Far fetched!"
 "Hooy!"

To the 5 out of 10 people who didn't believe this ad... a sporting proposition

Take a no-obligation test drive in a 1965 Ford. Maybe you just couldn't believe the ad (reprinted above) which appeared in this paper a few weeks ago. After all, many consider Rolls-Royce to be one of the world's finest cars. But Ford does ride quieter. The world's leading acoustical experts (Bolt, Beranek and Newman, Inc.) made the tests. The U. S. Auto Club certified the results.

This year's Ford has the strongest body ever... a revolutionary new frame that "tunes out" vibrations... new ultrasoft coil-spring suspensions—all contributing to the new hushed ride. But the ride is only part of what's new.

■ New swept-back instrument panel adds five inches extra knee room. ■ Transmission tunnel is lower than in competing cars for extra foot room. ■ Trunk has more usable space than ever—holds four 2-suiters standing upright.

■ New ultra-luxurious LTD series — unmatched by any other car in Ford's class. ■ Silent-Flo ventilation (standard on 4-door hardtops) removes stale air, provides fresh air even with all windows closed. ■ Exclusive new twin-edge key—works with either side up.

■ Hot, but hushed, 289-cu. in. V-8 is standard equipment in XL and LTD models.

■ Smooth, thrifty all-new Big Six in other models—the most powerful standard Six offered by any car in Ford's class. ■ V-8 options to 425 hp.

■ All Ford automatic transmissions have 3 speeds, not 2 as in many competing cars. ■ Fully synchronized manual transmissions—you can even shift down to first without clashing gears.

If all this sounds like a lot for one car to offer... take a test drive. See why more people are buying Fords than ever before in post-war history.

Interesting Book on University of Texas Given Local Library

"For All Time to Come," a brief compilation of events tracing the efforts in 1921 of the regent and Robert E. Vinson, President of The University of Texas, to enlarge the University 40-acre campus has been presented to the Foard County Library by Walter E. Long of Austin, the author.

Mr. Long stated in his letter to the local library accompanying the book that:

"I am happy to present to you one of the only one thousand copies of "For All Time to Come" for your library. The production of this book was rather expensive, but it is my contribution to a great educator, a great University, and an assembly of wonderful ex-students.

"I would suggest that the book be retained in the library because both it and the maps are irreplaceable. The number of the book is registered in the name of your institution and this registry before long will be part of the permanent files of the Texas State Archives, which in itself is an unusual procedure.

"I believe the ex-students of the University in your community would like to read this book in your library."

"Electricity for a store is next to management in importance..."

says Gene Sprague, owner of a general store at Oaks, Oklahoma

"I left the east and came to Oklahoma mainly because I wanted to raise my family in this area. I would never have considered going into business in the hill country if it had not been for electric cooperatives. We couldn't operate a country store without a meat keeper, dairy bar, power for electric gasoline pumps and other conveniences. "Our general store, serving approximately 150 families in an area of about 20 miles square plus an Indian Mission and the town of Oaks, would not be here if it were not for our electric cooperative and what it means to the economy of this area."

Notice to Bidders

Notice is hereby given that the Commissioners' Court of Foard County, Texas, will on the 14th day of December, A. D. 1964, at 10:00 o'clock A. M., in its usual meeting place in the Courthouse at Crowell, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery: 'One Heavy Duty Motor Grader, powered by Diesel Engine of not less than 115 Horse Power, the weight to be in comparison to such Horse Power, fully equipped with starter, generator, fully enclosed cab, 14 ft. sliding moldboard and tires no smaller than 1400x24 in size, both front and rear, both with and without Scarifier.'

and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law, but the Court reserves the right to reject any and all bids received. The successful bidder shall be required to execute a good and sufficient guaranty as to the uniform fitness of such machine and its soundness, and if required, to furnish a good and sufficient bond, executed by some surety company authorized to do business in this State, in accordance with the provisions of Article 5160, Revised Civil Statutes of State of Texas, 1925, and amendments thereto.

The Court offers as a trade-in and as part payment one used Huber-Wareo Motor Grader which may be inspected at the County Warehouse in Crowell, Texas; if any bid be accepted by the Court, it is the intention of the Court to pay a portion of the purchase price in cash and the balance to be represented by a Lease Contract, provided said lease contract shall not exceed the sum of \$15,000.00, payable in an amount not to exceed the sum of \$3,000.00 per year, and to bear interest at a rate not to exceed five per cent per annum. Such lease contract shall extend over a period of time not to exceed five years and the last payment due on such contract shall not be later than December 31, 1970.

PUBLISHED BY ORDER OF THE COMMISSIONERS' COURT OF FOARD COUNTY, TEXAS, pursuant to a Resolution passed by said Court on the 9th day of November, A. D. 1964, such Resolution being of record in Volume 8, at page 16, of the Minutes of the Commissioners' Court of Foard County, Texas.

Pioneer Circle

Mrs. Jeff Bruce was hostess for the social meeting of the Pioneer Circle Nov. 2 in her home. "The Mission Progress of Women in China and India" was presented by Mrs. A. Sanders. Assisting was Mrs. Clarence Bounds who gave scripture from Psalms for Christian Thanksgiving. Mrs. J. N. Ribble reminded members

to give to missionary work in world fields. After prayer by Mrs. Charlie Bryson, the devotional scriptures were given by Mrs. Lew- is Ballard and were taken from I John and Galatians. With Mrs. Sanders as leader, the group sang a number of familiar choruses.

A Bible quiz was held by each present commenting on the question given them. The hostess served refreshments to eight members and one guest, Mrs. G. M. Canup.

Honored at Shower

Jerry Lee Ayers, infant son of Mr. and Mrs. H. L. Ayers Jr., was honored with a shower Saturday night in the home of Mr. and Mrs. Ward Kuehn.

Guests were served from a table decorated with a blue cloth overlaid with white lace. Favors of miniature diapers were given to each guest. Several friends and relatives called during the evening.

Hostesses were Mrs. Sue Kuehn, Mrs. Marilyn Brown, Mrs. Juanita Moore, Mrs. Agnes Dunn, Mrs. Ed Mechell, Mrs. Ollie Mae Jones, Mrs. Emma Bowers and Mrs. Joyce McGinnis.

Plans Announced for Taking Foard County Agriculture Census

Plans for taking the 1964 Census of Agriculture in Foard County were announced Monday by Omer Johnson, newly-appointed census crew leader for the county.

The job will be done in three stages, the crew leader said. First will come recruitment and training of enumerators to count all farmers in the county. About one enumerator for each 150 farms will be needed.

Shortly after Nov. 9, the Bureau of the Census, an agency of the U. S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to all rural boxholders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions.

In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerators will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on Nov. 23. Enumerators will take about three weeks to complete their work, the crew leader estimates.

The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather

up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

* Equal Payment Plan

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office... ask for complete details of the Equal Payment Plan now.

This Is CHS

Wesley Cummings, a former student and outstanding athlete of Crowell High School, is in St. Paul's Hospital recovering from surgery necessitated by the result of a back injury received in football play at East Texas State in Commerce. His address is room 623, St. Paul's Hospital, Dallas.
 Miss Sharon Chatfield, a former CHS student, recently substituted for Mr. Amonett. Miss Chatfield has taught in Union College, Lincoln, Neb., for several years, but was unable to teach this year as she has been recovering from an injury received in a car wreck this summer.
 Mrs. Gordon Cooper, a CHS teacher for many years, seemed at home in a school room last Tuesday when she substituted for Mrs. Todd who was absent because of the death of her uncle, Mel Housouer, a former Crowell resident.
 Mrs. Margaret Brown, the former Miss Margaret Fiske, who graduated from CHS in 1961, visited here last week. She left Monday for New York. There she will go by jet to Laon, France, to join her husband who is stationed there. Best of luck!
 Scherry Goodwin and Ella Ann Cates accompanied Mr. and Mrs. Bert Ekern to Columbus, Mo., last week end to visit Jo Wynn Ekern, a CHS graduate of 1964.
 Congratulations to Judy Sandlin who has been elected vice president of the sophomore class at West Texas State University. Her class consists of over 1,000 students.

Post Office Helps Count Livestock

Rural mail carriers from the Crowell post office will leave some livestock survey cards along their routes beginning Nov. 13.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Ted Reeder explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Reeder said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the state's livestock holdings."

Carriers assisting with the survey are Mrs. Merl Holland, Route

CHIROPRACTORS EXPLAIN "MISERY AND MYSTERY OF BACKACHE"

Backache can be very painful... What's more it can lead to serious disorders not immediately associated with the pain itself. Pain is nature's way of warning that something is wrong. Frequently pain in any part of the back is caused by misaligned vertebra somewhere in the spinal column which places pressure on nerves.
