**BAND SWEETHEART**—Miss Sherry Sandlin was crowned band sweetheart during halftime activities at the Crowell-Henrietta football game last Thursday night. Runners-up were Misses Sandra Weathered and Elaine Crowell. Freddie Webba, vice president of the band, presented the crown to Miss Sandlin. My Wall was crown bearer and Miss Patti Wishon presented a bouquet of roses to Miss Sandlin. (Photo by Jimmy Ashford.)

## Wildcats Topped by Henrietta 30-16 in Final Game of Year

Jimmy Duetwall gained 132 yards, scored two touchdowns, passed for another and picked up six more points after touchdowns as he sparked Henrietta to a second half rally and a 30-16 victory over Crowell here last Thursday night in District 11-A play. It was the final game of the season for both clubs.

Duetwall scored a touchdown of seven yards in Henrietta's first play from scrimmage and on the first play of the second quarter passed six yards to Don Murphy to stake the Bearcats to a 14-0 lead.

Crowell fought back with two lightning-like strikes in the final three minutes in the half to lead briefly.

However, Henrietta dominated the last half, getting its impetus on a 92-yard punt return by Harry McClain. It then drove 48 yards for the final tally to wrap up the scoring and in the process captured third place in the district.

Henrietta's initial touchdown was set up on a 21-yard pass interception return by Jim Boddy to the Crowell 7. Duetwall slammed in from there.

The Bearcats marched 67 yards in 11 plays for the next tally. Duetwall passed to Murphy for the touchdown.

George Myers put Crowell on the board with 2:54 remaining in the half on a 30-yard pass interception run. Moments later Henrietta fumbled on its 32 and Crowell drove to the tally in five plays, overcoming a five-yard penalty on the way. The 23-yard touchdown came on a pass from Dan Mike Bird to Gary Taylor. Bird picked up the extra points following both touchdowns to give the Wildcats a 16-14 lead at intermission.

Crowell got a 54-yard punt into the air midway in the third quarter and McClain fielded it at his eight. Behind excellent blocking, McClain went all the way. Duetwall completed the scoring with a 2-yard touchdown early in the final stanza.

Bob Patterson, Duetwall, Bob Brown and Horace Young were outstanding on defense for Henrietta, while Bird and Otis Johnson were the sparkplugs for the Wildcats on offense and defense respectively. Mike Payne rushed for 54 yards for the Wildcats.

## Seven from County Attend Farmers Union Convention

Warren Haynie, Grady Halbert, Mr. and Mrs. W. F. Statser, Glen Shook, Claude Callaway and Kenneth Halbert represented Foard County Farmers Union at the state Farmers Union convention held in Austin last Thursday, Friday and Saturday.

Grady Halbert was elected one of two delegates from Texas to attend the National Farmers Union convention in Chicago, Ill.

Mrs. Statser conducted a discussion on records and reports in a seminar for county officials.

Some of the speakers to address the convention were Lt. Gov. Preston Smith, Congressman Jake Pickle; James G. Patton, president of National Farmers Union; H. S. (Hank) Brown, president of Texas AFL-CIO; and Senator Ralph Yarborough.

## Two Accidents in Foard County Are Reported in October

There were two rural traffic accidents in Foard County during the month of October, according to Sgt. D. R. Dowdy, Highway Patrol Supervisor of this area.

From these crashes, two people were injured and an economic loss due to property damage amounted to \$1,050.00.

Summarizing rural traffic accidents from January through October of 1964 in Foard County, the picture shows 31 wrecks, one dead, 16 persons injured, and \$18,942.00 in property damage.

Sgt. Dowdy added, "We are heading into the winter months. Our vehicles need winterizing. But don't winterize your car alone—winterize your driving too.

"Get the jump on bad weather by having your vehicle safety inspected by an authorized garage to assure its good performance in the months ahead. Then check to see that antifreeze, snow tires or tire chains, and ice scrapers are handy, for today's inspection is tomorrow's protection."

"We cannot regulate the weather but we can regulate our driving. The sergeant suggests in snow and ice to: slow down and leave more space between cars. Keep windows clear—turn on lights to help others. Extra slow on turns, intersections, crest of hills. When braking, pump to avoid locking wheels in skid. If skidding, turn wheel in direction of skid, don't slam on brakes, slow down easily."

Mrs. Jack W. Brown presided at a short business meeting following the program. The next meeting will be in January when Henry Black, Superintendent of the Crowell Schools, will speak.

## "Funeral Services for the Living Dead" Topic at Christian Church

"Funeral Services for the Living Dead" will be the sermon topic for R. C. McCord at the First Christian Church next Sunday night.

The Sunday night service will be the sixth in a group of ten special Sunday night services at the church in a campaign titled "Ten Nights in God's House."

The service will begin at 7.

## Texas State Library Consultant Speaks in Crowell

The place of public libraries in the educational plan of individuals was emphasized by Lowell Lindsey, field consultant for the Texas State Library, when he spoke to members of the Foard County Federation of Women's Clubs November 9.

He said a student who has not formed the habit of reading outside of class assignments will have a slim chance for getting into increasingly crowded colleges, and if he does get in, his background will probably be inadequate to keep him in through graduation.

"Such a student will not only have to keep up with class assignments, but must attempt to catch up on reading which should have been done in high school and junior high school.

"The joy of reading must be instilled when children are very small," he said. Adding that most teachers say they can tell within two weeks which members of a first grade class have been read to before entering school. In most cases children who have been read to and had books around the home, progress more rapidly than others.

He told the audience that suggested reading lists for children can be obtained from the state library. The library consultant pointed out that children not only learn facts from books but that books stimulate young imaginations and help increase readers' vocabularies.

"High school drop-outs can be prevented in part by helping a child learn to read well," he said. Public libraries have a part in the battle against school drop-outs by planning programs to attract children at an early age, and by providing books which will make children want to return to the library.

Following the talk by Mr. Lindsey, Mrs. L. A. Andrews, member of the Foard County Library board, discussed needs of the local library, largely money with which to purchase more books to meet community needs.

Members of the high school Library Club and their sponsor, Mrs. E. C. King, were special guests of the Foard County Federation of Women's Clubs at the meeting in the Men's Bible Class room of the First Methodist Church. The Columbian Club has hosted for the meeting.

## School Choirs to Present Program Thursday Night

"Night of Music Festival" will be presented by the high school and grammar school choruses in a program tonight (Thursday) at 7:30 at the high school auditorium.

In addition to the chorus numbers, a barbershopette, a sextet, and a trio will bring numbers, in addition to humorous readings.

Proceeds from the program will be used to help pay for the robes ordered for the choruses.

## Three Members of Junior Rifle Club Receive Expert Award

Three members of the Crowell Junior Rifle Club have recently made "expert" marksmanship with their prowess in shooting the .22 caliber rifle. Dr. Walter Stapp, one of the instructors, said Monday.

The three new "experts" are Bruce McRae, Mary Ann Ramsey and Joe Ray Burkett.

## Father Knows Best

Junior: "I was kept after school because I didn't know where the Aleutians were."

Father: "Well, from now on, try to remember where you put things."—Santa Fe Magazine.

## Southwest Conference Official and Olympics Winner Speak in Crowell

Curly Hays of Abilene, one of the 70 men who officiate in Southwest Conference football, and Randy Matson of Pampa, a silver medal winner in the Olympics held in Tokyo, Japan, in October, were the featured speakers at a joint meeting of the Rotary and Lions Clubs Tuesday noon at the Community Center.

Mr. Hays told in a humorous manner some of the problems faced by officials in a football game that is televised, and from his description, it almost seemed as though the televised football game is played only when the producer of the show does not have a commercial scheduled.

He said that there are thirteen times during a game for a commercial, and these must be given even if the officials have to use a ruse to stop the game temporarily.

Mr. Matson, 19 years old, 6 feet six inches tall and weighing 250 pounds, told of his experiences in Tokyo last month during the Olympics. Matson won second place in the shot put with a throw of 66 feet, 3 and 1/4 inches. A native of Pampa, Matson holds the national high school discus throw record and also the national high school shot put record. He was an all-state basketball star at Pampa for two years, and will be a sophomore at Texas A&M in the spring semester.

Charles Branch, president of the Lions Club, presided at the meeting and the speakers were introduced by Jack Seale. Visitors in addition to the two speakers were Dan Mike Bird, Randy Adkins and Rev. Glenn Chambers.

## Methodist Church Harvest Festival to Be Held Sunday

The congregation of the Crowell Methodist Church will celebrate the fifth annual Harvest Festival Sunday, November 22.

The Harvest Festival is a time each year that the local church raises money for its conference commitments.

There will be no Sunday School that day and the morning worship will begin at 10:30. Rev. Glenn Chambers, pastor, will bring the message. At noon, a turkey dinner will be served in the basement of the church.

## Cold Front Brings Moisture to Foard County This Week

A cold Pacific front which moved into this area Sunday brought cloudy weather the first few days of this week, and some moisture to the area. Crowell recorded one-half inch, while Thalia received over an inch. The Vivian community also received an inch or more and most other sections of the county received as much or more than was recorded here.

The front also brought the coolest weather of the fall season. Prior to the front, Foard County had been basking under extremely warm sunny weather.

## Worthy Matron Gives Report on Grand Chapter Meeting

Mrs. Alayne Pittillo, worthy matron, gave a report on recent activities of the Grand Chapter meeting in San Antonio when the local Chapter No. 916, Order of the Eastern Star, met at the local hall on Nov. 10.

A number of local members attended the school of instruction given on Nov. 3. Members bringing Grade A certificates of proficiency were Mrs. Marietta Crowell, Mrs. Lottie Estes, Mrs. J. Moore, W. R. Moore and Mrs. Vera Thomas. Grade B certificates were awarded Mrs. Bernice Carroll, Mrs. Pittillo and Mrs. Lee Taylor.

Plans were made for the Christmas program. Members are to bring gifts for patients at the Hospital instead of gifts for the program.

## Amateur Radio School Organized in Crowell

An invitation has been extended to all area residents to enroll in an amateur radio school now being conducted in Crowell.

Upon the successful completion of the course, students may get their "ham" operator's license.

The school is being held at the Boy Scout house in Crowell at 7:30 p. m. every Thursday.

J. E. Woods is coordinator for the school, Charles Bursley is teaching theory and A. Z. Pittman is teaching the code.

There is no charge for the course and anyone who is interested is invited to attend and begin the instruction.

## Foard Cotton Ginning Now Up to 1,051 Bales

A total of 417 bales of cotton were ginned in Foard County last week, to bring the total for the four gins up to 1,051 bales.

The total reported last week was 634 bales.

Pictured above is architect Frank Dill's rendering of the Douglas MacArthur Academy of Freedom in Brownwood, Texas. The Academy, currently under construction on the old Daniel Baker campus in Brownwood, represents a major program of study within the division of Social Sciences at Howard Payne College. It is the only educational institution to which the late general lent his name.

### Oil Plays Big Role in "Agri-Business"

The magazine Petroleum Today points out that the oil industry plays a big role in the nation's \$130 billion a year "agri-business"—the growing, processing, and marketing of farm products. Farmers use more oil products than any other segment of the nation's economy. In addition to fueling tractors and trucks, oil provides the raw materials for such farm essentials as fertilizers and weed killers.

Sober Christians

"Let us, who are of the day, be sober..." (I Thes. 5:8).

Many people entertain the erroneous idea that truly spiritual Christians must always be solemn and long-faced. In fact, they suppose that such Scripture passages as the above teach this.

Nothing could be farther from the truth, for the word "sober," in our English New Testament does not mean solemn, but completely under control. This is also true of the original Greek word from which the English word "sober" is translated.

Sobriety in Scripture, as in modern English, is the opposite of drunkenness. This is brought out in the rest of the passage cited above. Along with its context, this passage reads as follows:

"For they that sleep sleep in the night; and they that be drunken be drunken in the night."

"But let us, who are of the day, be sober, putting on the

breastplate of faith and love, and for a helmet the hope of salvation.

"For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ."

"Who died for us that... should live together with Him (I Thes. 5:7-10).

Thus those who are "of day," and know Christ as their Savior, should not "sleep" on one hand, or "be drunken" on the other, but should be awake alert, their faculties completely under control, so that they may witness the more effectively the saving grace of Christ.

If ever there was a time when true Christians should "be sober," it is now.

Speaking during the pep rally last Thursday, Coach Thayne Amonec asked that the game be dedicated not only to the senior football boys, but also to the entire class; his dedication made each senior also realize that one-third of his senior year has been completed. The conclusion of the 1964-65 Wildcat football season also brings the end of many years of hard work for all seniors who have taken an active part. Participating in football games all four years are Ronnie Clifton, Mike Gamble, Otis Johnson, Toye McCurley, Gary Taylor and Rickey Trawick. Performing during half-time shows for 4 years are Ronnie Denton, Billy Sokora, Elaine Crowell, Sandra Ellis, Sherry Sandlin and Sandra Weathered; another senior taking part for his first year is Ronnie Ressel. Serving as majorette for 3 years and starting as drum major of the band this year was Sandra Weathered, but because of the back injury that she received in an automobile accident, she was forced to give her responsibilities to the head majorette. Senior majorette Sherry Sandlin has been twirling for the past two years. Although the drill team consists of 13 girls, there is only one senior, Cheryl Thompson.

Cheering the boys to victory along with the band, drill team, and cheerleaders was a newly-organized pep squad. This group consisting of high school girls assisted the cheerleaders with every yell; next year the group will lack the voices of the senior girls: Donna Bell, Ruthie Doyal, Delores Eubanks, Patricia Jackson, Suella Smith, Gayle Smith and Betty Welch. Leading the cheering section for the last 2 years has been Mary Sue Speer; serving as cheerleader all 4 years and as head this year was Scherry Goodwin. Although football is over for these seniors, basketball will be coming up in the near future. By the time that the basketball season ends, approximately two-thirds of school will have slipped away. Time certainly does march on; before too long these seniors will be graduated, and the juniors will be anticipating their senior year!

**School Choirs to Present Program**

Have you heard the members of the high school and the grammar school choirs blend their voices in sacred, secular, spiritual, and popular musical numbers? If not, you'll really miss a treat if you fail to attend the "Night of Music Festival" to be held at 7:30 p. m. tonight, Thursday, Nov. 19, at the high school auditorium. To add a little "spice" there will also be barbershopette, sextet, a trio, and humorous readings.

Mr. Dick, director of the high school chorus, and Mr. Garrett, director of the junior high chorus, have worked hard toward de-

veloping some "raw" material into almost "finished" products during the three months that they have been working with the choruses. The choir robes are due to arrive this week; so, do come to see a "well dressed" group present their first concert of the 1964 school term. Refreshments will be served at the intermission.

Proceeds will be applied toward the payment of the robes.

**Miss Sherry Sandlin Named 1964 Band Sweetheart**

As the emcee announced, "Freddie Wehba, president of the CHS band, will now crown the 1964 band sweetheart," Freddie took a sparkling crown, carried by Master Jay Wall, son of Mr. and Mrs. L. H. Wall, and placed it upon the head of Miss Sherry Sandlin, daughter of Mr. and Mrs. James Sandlin. Freddie then presented Sherry a bouquet of red roses which had been carried to the scene of the coronation by little Miss Patty Wishon, daughter of Mr. and Mrs. Jack Wishon. To make the newly acquired position official, the president then placed a kiss upon the sweetheart's cheek.

The coronation background was a big heart formation made by the members of the band and drill team. As the band played "Sweetheart of Sigma Chi," a 1965 Ford Galaxie convertible, driven by Bill Harris, entered the playing field. Waving to the crowd from their positions on top of the back seat as the convertible encircled the field were the three attractive nominees—Sherry Sandlin, Sandra Weathered, and Elaine Crowell—each dressed in a beautiful pastel formal.

Ken Ferguson, president of the Student Council, rode with the honorees, and he and Bill Harris escorted the girls to their positions directly in front of Wildcat stadium.

After the coronation, cheers from the fans seemed to say "congratulations, Sherry, Sandra and Elaine," as the girls were escorted to the waiting car and were whisked away from the field.

This crowning of the sweetheart at the Henrietta-Crowell game last Friday night was the climax of the 1964 half-time band performances.

**Football Business Is Big Business**

The band wishes to express appreciation to Harris Ford Sales and The Ford Motor Co. for furnishing the convertible used in the coronation.

At the end of the 1964 football season, it is fitting to call attention to those people who have had a part in the CHS football season. Would you be startled to know that the group numbered approximately 160? Well, just come along with me, and I'll introduce these people to you so that the next time you meet them you can say, "Thank you for a job well done."

If you parked your car in the street or in the parking area, there were always two or three men with flashlights to direct you to the most convenient parking place. No doubt you met Brudge Andrews and Ed Roark, no longer strangers to Crowell fans; they were the gentlemen in the ticket office. If you were fortunate enough to have a parking place inside the field, you were admitted through the car gate by Mr. Myers or Mr. Washington. If you entered through the walk-in gate, Supt. Black, assisted by Mrs. Todd, Mrs. King or Mrs. Manard,

took your ticket. Those men in the stadium to assist you in finding your proper seat were Allen Taylor, Ray Quintero, James A. Welch and Darrel Dick.

When the 33 members of the ball squad had warmed up on the playing field and it was nearly game time, the officials called the captains to meet the visiting captains in the center of the field for the toss of the coin. As the hands of the clock pointed to game time, a very capable and dependable announcer, Marion Crowell, who has served in this capacity for many years, asked the audience to stand as the minister of one of the local churches offered the invocation.

Presently, the 30-member band, directed by Mr. Garrett, played the school song and National Anthem as the cheerleaders, Scherry Goodwin, Mary Sue Speer, Merida Taylor, Linda Whitley, Lanette Lemons and Kay Looney, directed the 45-member pep squad, sponsored by Mrs. L. H. Wall.

Then the referee's whistle blew and the officials, the chain line men; the managers, Jimmy Gillespie and Larry Taylor; the time keeper, Marcus Mills; and the chief statistician, Charles Branch, were busy with their various duties.

Meanwhile, Coaches Thayne Amonec, L. H. Wall and Prentiss Gidney were always busy making decisions and encouraging players. Dr. Kralicke or Dr. Stapp were always nearby ready to give medical advice, if needed.

At the half, the band, led by drum major, Sandra Weathered, or her substitute, head majorette, Karen Shirley, and the majorettes, Sherry Sandlin and Lela Jo Cates, did their routine, assisted by the Wildcat drill team, led by Dena Todd. At the senior stand, some eight seniors and numerous class parents sold sandwiches, popcorn, cold drinks, coffee, etc., to the hungry spectators.

Throughout the game, flashes of light indicated that photographer Jimmy Ashford was on the job, as were Gaylon and Roy Merl Whitley who filmed the games, play by play.

Finally when the whistle blew to end the game, the many loyal fans filed out of the stadium talking over the game or chuckling over some witty advertisement announced by Mr. Crowell on behalf of the four sponsors of the game.

A careful glance as the crowd was leaving would perhaps reveal the presence of one or more of the "law" keeping an eye on any one who became "unruly."

Those who could not attend could turn to an early edition of the Fort Worth Star-Telegram, the Wichita Record or Abilene Reporter to read a synopsis of the game, reported by Coach Wall. Fans could also read the detailed account written by Supt. Black that always appeared on the front page of the Foard County News. Some read a Wildcat's view of the game as written by the CHS sports writer, Suella Smith.

For away-from-home games, there were others with jobs to do. Bus drivers were Allen Taylor, Roy Payne and George Fox. Supervisors on the buses were Mrs. Wall, Mr. Garrett and Mr. and Mrs. Dick. Jean Burkett might be called the football "errand girl" who took care of numerous details for the ball club.

Mr. Erwin, principal of grammar school, had a job too; he was the official scout, and almost every week he scouted some team that would later play our team.

Each of these persons, as well as the loyal fans, helped to make the 1964 football season at CHS a truly big business.

**Student Lounge and Library Improvements Are Completed**

"Say, how about that" was the remark of many a student upon getting the first glimpse of the enlarged student lounge. The partition has been removed between the former math room and Spanish room, making a spacious gathering place for the students. Provided are two cold drinks machines; also, there are pop corn and candy machines.

An improvement equally welcomed has been made in the study hall. The desks in the north half of the room have been replaced by six tables and thirty-six chairs. The table tops are tan, and the chairs of coral which make an attractive contrast against the walls tinted a delicate green. Six double fluorescent light fixtures have been installed, and an attractive filing cabinet is another added feature.

**Miss Scherry Goodwin FFA Sweetheart**

Have you heard the news? Scherry Goodwin has been elected as the FFA Sweetheart of CHS. Other nominees were Betty Ann Welch and Jean Burkett.

On December 7, Scherry will go to Electra to compete with other candidates for Area FFA sweetheart. The winner there will compete in regional competition, and finally a state FFA Sweetheart will be chosen. Best of luck, Scherry! Remember, the winner could be you!

**Last Chance to Buy an Annual**

The annual staff has been busy helping Jimmy Ashford take pictures the past two weeks. Snapshots are needed! If you have a snapshot of anything or anybody that you would like to see in this year's yearbook, be sure to give it to Mrs. Welch. Write your name on the back in pencil; all snapshots not used will be returned.

The staff announces that this is your last chance to buy an annual. See Mrs. Welch or one of the staff members to place your name on the list.

**Senior Personalities: Mary Ann Ramsey Ken Ferguson**

May I introduce this year's reigning royalty: Miss CHS Mary Ann Ramsey and Mr. CHS Ken Ferguson. They were selected to these positions by the students, but they have achieved many other honors while in CHS. Mary Ann is the green eyed, 5' 1" beauty.

who is the 17-year-old daughter of Mr. and Mrs. Walter Ramsey. She has been football queen; doll for 3 years; secretary of Senior class; an active member of the Drama Club, Library Club, CHS choir, double quartet, Junior Rifle Club, and Sub-Junior Columbian Club, of which she is president. Mary Ann enjoys life and makes it pleasant for those around her.

Her favorites include the food, steak; color, green; subject, English; actor, John Wayne; actress, Katherine Hepburn; hobbies, horseback riding, shooting, listening to music and singing. Mary Ann dislikes people that are "stuck up." Being a very talented vocalist, we expect that Mary Ann will make a name for herself in college as well as in life itself.

Now that the boys have learned all about Mary Ann—girls, here are the facts about the man of CHS, all 6' 6" of him. He is Student Council president, Mr. CHS, Eagle Scout, FFA grass judge, business manager of the annual staff, basketball star, 4-H dairy judge, tennis champ, member of Drama Club and FTA, treasurer of Forensic League, secretary of his Sunday School class, and past president of the Rifle Club. Whenever this busy guy gets time, he enjoys his hobbies: girls, tennis, drawing, and money. He has a very exclusive list of fa-

vorites which are food, steak; song, 12th of Never; teacher, anyone who agrees with him; class, anything he is passing. By reading this far, you already know this person is Ken Ferguson, 18-year-old son of Mr. and Mrs. C. T. Hord. Many people have influenced Ken, but George Whitesides has been the chief influence in his life. After graduation, Ken plans to attend college, and we know he'll go far. Good luck to both Ken and Mary Ann.

## Barcats Claw Wildcats, 30-16

Setting: Time, 7:30 Thursday night. Place, Wildcat stadium.

Scene: Two men, Mr. Brownell and Mr. Bradley, are discussing the game as they walk along the fence line.

Mr. Bradley: Look at Jimmy Duewall. He's made Henrietta's first touchdown! I'll bet they make their extra points, too.

Mr. Brownell: You kinda missed on that prediction, ole pal.

Mr. Bradley (at the beginning of the second quarter): Duewall's passing to Don Murphy. There's

another touchdown for the Bearcats. Duewall's trying for the extra points. Look's like they're good.

Mr. Brownell (minutes later): Bradley, feast your eyes upon Crowell's No. 56, George Myers. He's going to make their first touchdown! Dan Mike Bird made the extra points.

Mr. Bradley: Oh, the Bearcats fumbled and Crowell took possession of the ball. Bird's passing to Gary Taylor—there's another touchdown. Bird made the extra points again. Hey, the Wildcats are ahead 16-14!

Mr. Bradley (sipping coffee at halftime): That Sherry Sandlin sure is a cute band sweetheart!

Mr. Brownell (with a twinkle in his eye): Yeah, I wish I were about 30 years younger.

Mr. Bradley: Yeah, me too.

Mr. Brownell: The Bearcats are going into this 3rd quarter fighting hard. Oh, there goes Harry McClain running for a touchdown.

Mr. Bradley: Duewall's made the extra points again.

Mr. Brownell (at the beginning of the fourth quarter): Yes, that boy has a knack for racking up

points. Just look, he made a touchdown from the two yard line.

Mr. Bradley: He'll make the extra points too, I'll bet ya.

Mr. Brownell: Congratulations, Bradley, you finally guessed right. (The whistle blows, the game is over.)

## This Is CHS

On Tuesday and Wednesday, Nov. 10 and 11, Buford F. Kirk and Harold L. Daily, state auditors, were at CHS to audit the 1963 and 1964 ADA and cafeteria records.

On Wednesday, Nov. 11, Jimmy Ashford, a now familiar figure at CHS, was here to make pictures of class favorites and officers, sports activities, and various organizations.

CHS missed its "fun girl" Donna Bell, who was in the hospital last week.

The Drama Club wishes to thank everyone who attended the three-act play, "Father Was a Housewife." They cleared about \$120. Recently the club has purchased stage make-up, a record player, records and speech mater-

ial. "I'll be back sometime to visit, and I'll keep up with everyone by reading the Wildcat," was the comment of Senior Mary Bailey last Friday as she said goodbye to CHS. Mary, who has been in CHS for about two months, is moving with her family to their former home in Plainview. "Adios, Maria y buenos suerte."

One of the best bands to perform at Wildcat field this football season was that of Henrietta High School.

Things missing: the teachers' "perch" in the study hall.

Most of the football boys, accompanied by the coaches, attended the Tech-Washington State game in Lubbock Saturday.

## Jokes

The chemistry class had been told about the amazing speed at which light travels.

"Just think of light coming to us from the sun at all those thousands and miles a second!" exclaimed Mr. Welch. "Isn't it wonderful?"

## From the News . . .

# THIRTY YEARS AGO

News items below were taken from the Thursday, Nov. 22, 1934, issue of The Foard County News:

A dry spell of several weeks in Foard County was brought to an end with slow, soaking rains over Foard County and a large part of Northwest Texas this week.

A total of 565 cotton and wheat checks, representing a total value of nearly thirty thousand dollars, were received at the office of the county agent this week to be distributed to Foard County farmers for their participation in the government's cotton and wheat programs.

The annual campaign for funds with which to carry on the work of the Salvation Army is being made in Foard County this week.

Another deep oil test will be drilled in Foard County soon as the result of the formation of a block of 8,000 acres out of the Dallas Joint Stock Bank holdings in the southwest part of the county.

## Pre-Fried Canned Bacon to Hit Market

Canned bacon, sliced and pre-fried, will soon go into commercial production.

This new product is table ready after a minute's heating. It is vacuum packed under a process worked out by the U. S. Department of Agriculture 15 years ago, reports Frank Orts, meat specialist for the Texas Agricultural Extension Service.

This process is based on USDA research, showing that bacon can be successfully canned by keeping the moisture-salt ratio low, which is achieved by partial dehydration before canning.

Pork packers in Denmark have been using this process for the last five years with much success, says Orts. Their product has been available in food markets as an import.

Three of the large meat packers are anticipating producing this new product with an added convenience—prefried. It needs only to be heated and served.

Canned bacon was used during World War II but was not well received, says the specialist, because the amount of curing needed to prevent spoilage made it excessively salty. A mildly cured, vacuum-packed bacon, with acceptable taste could be produced, but it soured in storage and considerable swelling of the can occurred. Further research found that the organisms in these cans produced carbon dioxide which caused the can swelling.

Tests have shown that growth of these gas-producing organisms could be prevented by keeping moisture-salt ratio in canned bacon below 5-1. This was achieved by partial dehydration of the product before canning which enabled packers to use less salt in the canning process and still produce an edible, canned product.

### More Protection for Consumers

Mr. and Mrs. Ray Hysinger visited Mr. and Mrs. J. R. Jones in Vernon Saturday. Mr. and Mrs. Ray Hysinger visited the Merl Hysingers in Altus, Monday, and Mrs. Ted Kyle and son in Quanah that evening.

Consumers are receiving additional protection from the Federal Trade Commission as a result of a recent shoe labeling act.

The FTC has ruled that the term "leather," or terms suggestive of leather, may be used only when the shoes or slippers are composed in all substantial parts of top grain leather, exclusive of ornamentation.

This means that simulated, imitation and ground or shredded leather with the appearance of natural or split leather must bear labeling which identifies the part or parts so composed, says Lynn Parks, Extension Service consumer education specialist.

Concealed innersoles of non-leather material must bear a label disclosing the presence of the non-leather innersoles, the Texas A&M University specialist adds.

All required labelings must be in the forms of stamps, tags, or labels imbedded in or attached to the product itself. The labels must remain on the product until completion of the sale to the retail customer.

"The shoe labeling act is particularly important today, with many imitation reptile and other leather-like materials on the market. Leathers which have been treated to look like a different type of leather must be labeled clearly to indicate the kind of leather from which they are made," Miss Parks says.

## Columbian Club

Members of the Columbian Club displayed products of their talents at the Nov. 11 meeting titled, "A Thing of Beauty Is a Joy Forever." Mrs. Grady Halbert was hostess.

Mrs. H. P. Gillespie was program leader. Each member told about articles they had brought and the display included examples of china painting, needle work, hats, shoes, scrap books and ceramics.

Mrs. John Ray presided. Mrs. D. R. Magee reported on the work of the hostess committee for the Foard County Federation of Women's Clubs meeting. The club voted to adopt a patient at the state hospital for another year. Members agreed to exchange handmade gifts at the Christmas party. Twelve members and three guests were present.

## Gambleville H. D. Club

"In case of an emergency such as a tornado, is your family prepared?" asked Mrs. Virginia Ilse, County H. D. Agent. "Do you have a good shelter, and is it stocked with food, water, special diets, medicines, bedding, tools, lighting and radio, and is it enough to last for at least two weeks?" Roll call was answered with "a step I have taken to prepare for an emergency" by ten members, a visitor, Miss Sharon Chatfield, and Mrs. Ilse, with Mrs. Glenn Shook as hostess.

Mrs. J. C. Prosser resigned as secretary, as she is moving, and Mrs. Willie Garrett was elected to fill her place. On Nov. 19 at 1:30 at the community center, Mrs. Wanda Myers from A&M will give a program on farm and home record keeping.

The next meeting will be Nov. 26 at the home of Mrs. Jack Thomas.

Mr. and Mrs. Parker Churchill spent Sunday in Abilene visiting relatives.

## Truscott H. D. Club

The meeting of the Truscott Home Demonstration Club Friday opened with two songs led by Mrs. J. R. Brown. The vice president, Mrs. Rake, was in charge. Seven members and one visitor answered roll call, "Thanksgiving decoration ideas." Mrs. Brown gave the council report. She said ideas were needed for the year-books. Achievement and Christmas parties will be held Dec. 4 at Benjamin. Each person attending is to bring a covered dish and a paper plate, cup and silverware. Council will furnish bread and drinks. Mrs. Almonode will install new officers for the coming year at that time. The Nov. 26 meeting was cancelled, and the Dec. 10 meeting changed to Dec. 3, Dec. 11 has been set for the annual community Christmas party. Committees will be appointed next meeting. Program, "Concepts of Early American Freedoms," was given by three members. First, Mrs. Joan Daniel had "Story of Our Flag." Then she led in the pledge to the flag. Mrs. Adcock had "How we elect our President." Article 2 in the Constitution tells how the original president was elected. Mrs. Brown had a part on "Men who signed the Declaration of Independence."

## 4-H Club Meeting

The 4-H County Council met Tuesday, Nov. 10, in the grade school study hall under the leadership of Joe Burkett and Virginia Ilse. In the meeting, the officers for the following year were elected: chairman, Jean Burkett; first vice president, Bob Bird; second vice chairman, Cathy McLain; secretary, Jane Hughston; treasurer, Debbie Chambers; reporter, Harriet Halbert; delegates to district council, Harriet Halbert and Joe Ray Burkett; alternates, Betty Ann Welch and Bob Bird.

After the elections, rally day, the awards program, and other coming events of the year were discussed.

## Margaret H. D. Club

The Margaret Home Demonstration Club met Nov. 13 at the community house. Roll call was answered with "a gift I have made." As the opening exercise, Mrs. W. F. Bradford read a poem "Success."

The president, Mrs. Johnny Wright, was in charge of the business meeting at which time it was decided for each member to bring a gift for the State Hospital to the next meeting. Mrs. Wright, Mrs. Arthur Bell and Mrs. S. Moore reported on Rally Day held in Crowell Thursday. Mrs. Wright also gave the council report. The program, "Christmas Decorations," was brought by Mrs. Wright and Mrs. Bell.

The next meeting will be Nov. 20 instead of Nov. 27 and will be at the home of Mrs. Hugh Shultz.

## Riverside H. D. Club

"Recipe for a club meeting," was read by Mrs. H. L. Ayers Jr. for the opening exercise when the Riverside Home Demonstration Club met with Mrs. Ira Tole Wednesday, Nov. 11. The president, Mrs. H. L. Ayers, conducted the business meeting at which time the club decided to have the annual Christmas meeting in the home of Mrs. Robert Hammonds on Tuesday, Dec. 8.

The agent, Mrs. Virginia Ilse, gave two very interesting demonstrations on "Let's Plan a Party" and "Family Preparedness." Mrs. Tole served punch and cookies to 10 members, and one visitor, Mrs. Raymond Grimm, and the agent, Mrs. Ilse.

## 4-H Club Meeting

The 8th grade girls 4-H Club met on Nov. 13. Mrs. L. G. Simmons presented a program on different Christmas ideas.

New officers are president, Cathy McLain; vice president, Harriet Halbert; council delegate, Pam Carter; secretary, Renee Cooper; reporter, Jo Driver; and song leaders, Debra Raspberry and Janis Gray.

Mr. and Mrs. Newell Hofmann and children and Mr. and Mrs. Bill Klepper and sons spent Sunday in Vernon visiting Mrs. Hofmann's and Mrs. Klepper's mother, Mrs. Minnie Hlavaty.

## Foard County Member of Rolling Plains Cotton Growers Inc.

The steering committee of the Rolling Plains Cotton Growers, Inc., held an organizational meeting in Stamford Friday, Nov. 6, at which members were named to county committees in most of the 28 counties in Texas and Oklahoma which are covered by the association.

Named to the county committee for Foard County at the meeting were Ira Tole, Bill King and Grady Halbert.

The group also adopted an outline of objectives and purposes for the newly organized association, which primarily grew out of a desire on the part of producers in the Rolling Plains area to control the boll weevil and other harmful cotton insects.

According to the steering committee's president, Sam Reed, of Northern Star Seed Farm, O'Brien, the following are the objectives and purposes adopted by the committee:

"To promote and protect the interests of Rolling Plains cotton producers; to foster improvement of the conditions under which cotton is produced and sold with special emphasis to control of the boll weevil and other pests; to promote a coordinated program of sound information which will include management practices by the growers that will assist in a better insect control program at a reasonable cost; to cooperate with and support established organizations in the cotton industry and general agricultural organizations in finding and pursuing reasonable and appropriate approaches to problems of mutual interest; to do all things else that may seem reasonable and appropriate for improving the conditions under which Rolling Plains cotton and cottonseed are produced and sold, and for promoting the welfare and protecting the interests of cotton producers provided, however, that this cooperation will not engage in the business of buying or selling of cotton or cottonseed or their products.

## REMEMBER WHEN?

"If you're under 40 you won't remember your grandmother straining her back over this old fashioned washing apparatus. It's hard to believe that a washing machine like this actually existed and yet this 1905 model was the first one put on the market. In only 59 years, washing machines have improved to the point of complete automation. All the modern young housewife of 1964 does is put the clothes and detergent in her automatic, press a button, set a dial, and forget it. Isn't modernization remarkable? You too can gain the pleasure and satisfaction of push button washing. See your local appliance dealer right away."

**Adelphian Club**  
The Adelphian Club held its regular meeting at the club house on Wednesday afternoon, Nov. 11, with Mrs. Robert Kincaid presiding. The minutes were read by Mrs. Jack Turner and it was reported that 8 members had attended the workshop in Childress. The club voted to enter the community improvement project of the state, and also voted to support the Christmas program for the state hospital in Vernon.

The executive board announced that they had put a memorial book in the library for Barry Barker, son of Mrs. C. V. Barker, a club member. Mrs. Baxter Johnson, Santa Rosa District president, said she had been to club meetings at Wichita Falls and Iowa Park, and that Mrs. Bob Thomas had accompanied her.

The devotional was given by Mrs. DuWayne Elliott and Mrs. Henry Borchardt spoke of "Armistice, Yesterday and Today." Mrs. Ab Dunn played "America" for the group to sing, and then played marching songs of past wars. Miss Florence Black served refreshments to 22 members.

**4-H Club Meeting**  
The fifth grade girls 4-H Club met at school Nov. 10. Rheta Howard presided. Rhonda Howard called the roll. Pledge was led by Betty Linda Whitfield. Mrs. Ray Hseng passed out pamphlets on eating habits.

**Notice to Bidders**  
Notice is hereby given that the Commissioners' Court of Foard County, Texas, will on the 14th day of December, A. D. 1964, at 10:00 o'clock A. M., in its usual meeting place in the Courthouse at Crowell, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery: "One Heavy Duty Motor Grader, powered by Diesel Engine of not less than 115 Horse Power, the weight to be in comparison to such Horse Power, fully equipped with starter, generator, fully enclosed cab, 14 ft. sliding moldboard and tires no smaller than 1400x24 in size, both front and rear, both with and without Scarifier," and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law, but the Court reserves the right to reject any and all bids received. The successful bidder shall be required to execute a good and sufficient guaranty as to the uniform fitness of such machine and its soundness, and if required, to furnish a good and sufficient bond, executed by some surety company authorized to do business in this State, in accordance with the provisions of Article 5160, Revised Civil Statutes of State of Texas, 1925, and amendments thereto.

The Court offers as a trade-in and as part payment one used Huber-Warco Motor Grader which may be inspected at the County Warehouse in Crowell, Texas; if any bid be accepted by the Court, it is the intention of the Court to pay a portion of the purchase price in cash and the balance to be represented by a Lease Contract, provided said lease contract shall not exceed the sum of \$15,000.00, payable in an amount not to exceed the sum of \$3,000.00 per year, and to bear interest at a rate not to exceed five per cent per annum. Such lease contract shall extend over a period of time not to exceed five years and the last payment due on such contract shall not be later than December 31, 1970.

PUBLISHED BY ORDER OF THE COMMISSIONERS' COURT OF FOARD COUNTY, TEXAS, pursuant to a Resolution passed by said Court on the 9th day of November, A. D. 1964, such Resolution being of record in Volume 8, at page 16, of the Minutes of the Commissioners' Court of Foard County, Texas.

**Three C. H. S. Grads Now Studying for Doctor Degrees**

Crowell High School, with an enrollment of about 170, now has three graduates studying toward doctorate degrees.

Don Brown is working toward his doctor of philosophy degree in psychology at Columbian University in New York; Robert Davis is attending Washington State University at Pullman, studying toward a doctor of philosophy degree in biology; and Bill Halbert has selected Oklahoma University at Norman for his doctorate in petroleum engineering.

Brown, son of Mr. and Mrs. Jack Brown of Truscott, received a master of arts degree in psychology from Columbia last June. His undergraduate work was completed at Rice Institute in 1957, where he received a bachelor of science degree in physics.

He spent a year at Bryn Mawr on a fellowship, and then worked 19 months as an engineer with a Brazilian power company. He returned to the U. S. in August of 1962 and entered Columbia.

After graduation last summer, he and two friends flew a private plane to South America and spent three months touring Peru. They returned in September, and Brown is teaching psychology at Pace College in New York while working on his degree at Columbia.

Davis, son of Mr. and Mrs. Foster Davis of Crowell, completed his master of arts degree in Biology at North Texas State University last August, where he had also finished his undergraduate work.

He studied under a graduate grant and did research on the effect of radiation on plant life while at North Texas. He gave a report on his work in August, 1964, at a meeting of the American Institute of Biological Sciences in Boulder, Colo. This paper is to be published by the Atomic Energy Commission.

Washington State University awarded Davis a teaching fellowship to study plant physiology while working toward his doctorate.

Upon graduation from Crowell High in 1956, Bill Halbert, son of Mr. and Mrs. Grady Halbert of Foard City, entered the University of Texas and received his bachelor of science degree in petroleum engineering in 1960.

He was a member of Pi Epsilon Tau, honorary physical education fraternity; Sigma Gamma Epsilon, honorary earth science fraternity; and the American Institute of Mechanical Engineers, a professional group. The university granted him a fellowship to do graduate study which he culminated with a master of science degree in petroleum engineering in June, 1962.

Halbert then accepted a position with the California Oil Co. at Rangely, Colo., and was later transferred to the home office in Denver. The company gave him a leave of absence in September to enter Oklahoma University to work toward his doctorate degree in petroleum engineering after the university had granted him a fellowship.

lowship.  
Halbert and his wife, the former Anna Marie Fiske, daughter of Mr. and Mrs. Henry Fiske of Margaret, are the parents of three children: Kendall, Rodney and Kimberly Gaye.

**Cursed with By-Liners**

"The newspaper profession today is cursed with by-liners, those editorialists-at-large who would control public opinion by regurgitating pigeon's milk to us squabs who buy the papers. There is no law requiring a newspaper to be fair. There is no statute, state or Federal, demanding that a reporter assigned to any candidate be objective. But the whole concept of a free press in a free nation is based on the assumption that those of us serving newspapers will try as hard as we can and do the best we can to give a truthful report in those columns we designate as news."
