## Mrs. Duckworth's Mother Died in Hico February 19

Funeral services were held Saturday, Feb. 20, at 2:30 p. m. in the First Methodist Church in Hico for Mrs. Florence Eugenia Garth, who passed away Feb. 19 in Hico City Hospital at the age of 93. Mrs. Garth was the mother of Mrs. Ray Duckworth of Crowell. Rev. Otis Brown, Rev. Norman Purvis and Rev. Ronnie Fox officiated with burial in the Hico Cemetery.

Born Feb. 18, 1872, in Gellville, Mrs. Garth had been a resident of Hico for 62 years. She was a faithful member of the Methodist Church since the age of 16. When her health failed and she was unable to attend services for several years, she always attended by radio.

Survivors are three daughters, Mrs. B. D. Cole of Quanah, Mrs. J. W. Richbourg of Hico and Mrs. Duckworth of Crowell; two sons, John C. Garth of San Angelo and Rufus Garth of Lubbock; two sisters, Mrs. D. D. Knight of Coleman and Mrs. W. T. Farrow of Dallas; one brother, C. C. Miles of Ennis; five grandchildren and eleven great-grandchildren.

Attending the funeral services from Crowell were Mr. and Mrs. Duckworth, Mrs. Allen Taylor and Mr. and Mrs. George Fox.

## MARCH 12 AND 13 ARE DATES FOR F. F. A. AND 4-H PROJECT SHOW

### Feed Grain Sign-Up Continues Through Friday, March 26

Foard County farmers may sign up at any time from now until March 26 to participate in the 1965 Feed Grain Program, Mrs. Jean Reeder, office manager of the Foard County ASCS, announced this week.

Mrs. Reeder added, "If you have overseeded your wheat allotment and plan to substitute wheat for feed grain, you must sign up in the Feed Grain Program."

"This is a reminder to wheat farmers that it might be to your advantage to check with this office about how you signed up in the wheat program. You may want to change your intentions and, if so, this must be done during the feed grain sign-up."

Pertaining to the domestic cotton sign-up now in progress, Mrs. Reeder said that "if you have a cotton allotment of more than 15 acres and you want to participate in the domestic cotton allotment program, it will be necessary for you to sign up between now and March 26. A farmer with a cotton allotment of 15 acres or less does not have to sign up in the program—the domestic allotment payment will be made if the cotton is planted."

### Crowell School Board Discusses Possible Improvement Plans

At the regular monthly meeting of the Crowell School Board last Monday night, \$300.00 was authorized by the board to be spent for stage lighting at the auditorium. This stage lighting was deemed necessary as the District one-act play contest will be held here next month.

Also at the meeting, the board members heard a report from a Wichita Falls architect, who told about the new school at Burk Burnett. A group of the board members plan to visit the Burk Burnett school Thursday, and see what is being done there.

It is estimated that it will take from \$50,000 to \$60,000 to get the local school system removed from the warning list. The bulk of this sum would go to renovating both schools, plus new furniture and teaching aids.

Discussion was also as to whether it would be wise to make the improvements on the gym and band hall, or would it be to the best interest to build a new gym, band hall combination. Consulting architects have stated that they can build a gym for \$9.00 to \$9.25 per square foot. With an estimated 15,000 square feet in the proposed building, that would be \$135,000 plus the 6 per cent fees, or a total on the building estimated at \$150,000.

It was suggested that both the propositions be presented to the people; however, no action was taken on the proposal.

### Dry Hole on R. A. Miller Land to Be Re-Worked

Malcolm Putty Jr. will re-enter and re-work to 3800 feet a previously abandoned Foard County well that three miles north-northwest of Thalia.

It is the No. 1 R. A. Miller, spotting 330 feet from west and north lines of northeast quarter of section 34, block 8, H&TC survey.

Roy Farrell originally drilled the hole and plugged it in May, 1955, at 4326 feet.

### Philip Welch on Honor List at T. C. U.

Philip Welch of Crowell, son of Mr. and Mrs. M. M. Welch, has been named to the Dean's Honor List for the 1964 fall semester from the School of Business at Texas Christian University in Fort Worth.

To be eligible for the honor, a student must be carrying at least 12 semester hours in courses that count toward a degree and must be in the upper five per cent of the majors in the particular school or college.

Plans are nearing completion for the 28th annual F. F. A. and 4-H Club Project Show which will be held starting Friday evening, March 12, at 5 p. m. and will run all day Saturday, March 13, in the Vocational Agriculture building at the Crowell School, according to Bud McLain, president of the Crowell Rotary Club, the sponsoring organization.

Entries in the show to date include six fat steers, forty fat lambs, thirteen hogs and ten pens of poultry and a few head of sheep in the breeding classes.

Over one hundred and fifty 4-H Club boys and girls have indicated that they will bring food to sell in the annual food sale which is held in connection with the show each year.

Hood Wills, County Agricultural Agent from Quanah, will judge all entries in the livestock division of the show. Judging will begin at 9 a. m. Saturday, March 13. Jackie Shelton of the Quanah Livestock Commission Co. will be in charge of the auction sale which will begin at 1:30 p. m., Saturday, March 13.

Committees Appointed  
Committees appointed by the Rotary Club to work with the show are as follows:

General chairman and master of ceremonies—Grady Halbert.

Finance committee: Glen Goodwin, chairman; Marvin Myers.

Sales committee: Merl Kincaid, chairman; Hubert Brown, W. F. Statter.

Judging and awards committee: Clinton McLain, chairman; Fred Youree.

Materials committee: Bill Bell, chairman; Marion Crowell.

Publicity committee: Gordon Erwin, chairman.

Weighing committee: Ray Brown, chairman; Warren Haynie.

Reception committee: George Self, chairman; Irving Fisch, Dr. Walter Stapp.

## Crowell Teachers to Attend TSTA Convention Friday

Most of the faculty members of the Crowell Schools will be in Vernon Friday, March 5, attending the Oilbelt District convention of the Texas State Teachers Association.

Principal speaker at the convention will be an internationally known explorer, lecturer and global air commuter, Dr. John Forlay of New York.

This annual convention is traditionally held on the last day of Public Schools Week in Texas.

## News About Our Men in Service

Bottomman Second Class Gordon B. Fish, USN, son of Mr. and Mrs. Henry Fish of Crowell, was promoted to his present rank on January 21 while serving aboard the guided missile frigate USS *Albatross*, operating out of San Diego, Calif. His promotion was commensurate with his time in service and his military appearance, performance of duties and his passing room.

The Mahan carries some of the most advanced weaponry available, including the supersonic surface-to-air Terrier missiles and the Tomahawk submarine rockets. She operates with Cruiser Destroyer Squadrons, U. S. Pacific Fleet.

A graduate of Crowell High School, Fish entered the service in November, 1961.

## Pledge of \$108 Starts Foard Boy Scout Fund

Foard County Boy Scout leaders met at the Scout house last Friday night to initiate plans for raising Foard County's portion of the Northwest Texas Boy Scout Council Capital Development Fund.

Local Scoutmaster Ray Shirley opened the effort with a \$108 Pledge Campaign—\$36 per year for three years.

## Bake Sale Saturday

The Homebuilders Circle of the First Methodist Church will sponsor a bake sale Saturday, March 6, beginning at 9 o'clock at Shirley-Youree Drug.

## Cecil Davis New Manager of West Texas Utilities Co.'s Crowell Office

Cecil R. Davis assumed the duties as manager of West Texas Utilities Company's Crowell office on March 1. He has been serving as a WTU serviceman in Crowell for the past 10 years, and has succeeded the late C. R. (Jack) Soale.

The promotion of Davis was announced by District Manager G. G. Randal of Childress.

A native of Crowell, Davis was employed by WTU in 1951 as a lineman in the Quanah Distribution Department. He entered the Armed Forces in October, 1951, received his basic training at Camp Gordon, Ga., and after attending electricians' school, was sent to Austria where he served with the 63rd Signal Corps for 16 months.

Davis was discharged in September, 1953, attended Veteran's Business School, and rejoined WTU as a relief serviceman in Quanah, Chillicothe, and Knox City. He was transferred to Crowell as a serviceman in August, 1954.

Mrs. Davis is the former Miss Helen Rutherford of Gilliland. They were married in 1954, and have two sons, Reed 9 and Wade 3.

Active in civic affairs in Crowell, Davis is a member of the Crowell Volunteer Fire Department and has served as assistant fire chief and fire chief. He has served as a manager in the Crowell Little League, and is a member of the First Baptist Church where he is chairman of the house and grounds committee, chairman of the ushers, and is secretary of his Sunday School class.

The Davis family resides at 303 East Logan Street.

## Cecelia Drabek on Honor Roll at the University of Dallas

Miss Cecelia Drabek, daughter of Mr. and Mrs. Charlie Drabek of Crowell, attained a 3.0 grade-point average, which placed her on the honor roll for the fall semester at the University of Dallas. The University, which uses a 4.0 grading system, requires a 3.0 grade average for the honor roll and a 3.5 grade average for the dean's list.

Miss Drabek, a graduate of Crowell High School and a senior in the University of Dallas, is majoring in chemistry.

## Social Security Man to Be in Crowell Wednesday, March 10

A representative of the Social Security Administration will be in Crowell at the court house on Wednesday, March 10, from 10 a. m. until noon. You are invited to meet with the representative to file your claim or to obtain information or assistance concerning social security. Speed your first social security check—bring proof of age with you when you apply for your social security benefits.

## Car Loaded with Groceries to Be Given Away on March 20

All that is required to be eligible to win—both the car and the groceries—is to register in the store.

## Harlem Stars to Play Crowell's All-Stars Tonight

A highly entertaining basketball team, the Harlem Stars, will be in Crowell tonight (Thursday) for a game with the Crowell All-Stars. Game time is 7:30.

The Harlem Stars, who present a very fascinating version of basketball prowess and antics, will go against the local all-stars, who finished in a tie for second place in the independent league.

The game is being sponsored by the CHS athletic department to raise funds to buy letter jackets for the basketball boys and girls.

## Large Crowd at Open House

Several hundred persons were on hand at the local grade school on Tuesday night for the open house observed during Public Schools Week in Texas.

A large number of those attending the open house also attended the Aunt Jimmie pancake supper in the cafeteria. The supper was sponsored by the Crowell Band Parents.

**The Art of Giving**

The art of giving is more than just the giving of a material gift. Of course, thoughtfulness is shown in the giving of a material gift, but one possesses the ability to give many greater gifts. The greatest gift one can give is the giving of himself to the betterment of humanity.

One can give of his time to lend assistance to someone in need, perhaps as a doctor, a nurse, or a social worker. Many foreign lands, in great need of the services of these people, afford an excellent opportunity for one to gain the satisfaction of helping others by giving of himself. To these stricken people, this is one of the greatest gifts of all. However, there are many people in our own country who need the help of others. One does not need to leave his country, or even his city, to find people who need his help. If one does nothing more than a few errands for a disabled person, he has performed an invaluable service and has given a great gift.

One can give of himself in other ways. He can give guidance or encouragement to some unfortu-

nate person who has no one to help him. He can also work for his church. In this way, he perhaps can help many people, but if he helps only one, his time is well spent. There are many worthwhile causes that need people who are willing to give of their time to help someone else. Charity organizations are invaluable to many people, but they could not exist if citizens were not willing to give not only of their material means, but also of themselves.

One can give of his thoughts as well as his time. His opinions influence others. He may be able to inspire and to encourage others to do well, or he may influence them to evil. Each person has only one life to live; therefore, he should live it as a pattern for others to follow. If a person sets the right kind of example, he can inspire many people to do better just by his having lived. It is this person who has lived a worthwhile life. The successful person is the one who knows the art of giving—giving of his time, his talent, and his thoughts.  
 —Kathy Eubank.

**All Stars vs. Harlems  
 Tonight at Gym**

Attention, everyone! Tonight, Thursday, March 4, is the night to see the famous Boid Bui's Harlem Stars play the All-Stars in the local gymnasium at 7:30.

The policy of this famous Negro team, which has played in nearly all the states plus Mexico, Canada, Australia, Japan and many European countries, is to make the audience relax and laugh for an evening. This feat they accomplish by razzle dazzle ball handling, intricate routines, and all sorts of "shenanigans."

The game is sponsored by the Crowell School Athletic Department. Proceeds will be used to pay for the jackets and sweaters awarded the Crowell 1964-65 basketball boys and girls. Admission is \$1.25 for adults, \$1.00 for students, and 50¢ for children under 12.

**Garden Club Gives  
 Tree for Campus**

The student body wishes to express appreciation to the Crowell Garden Club for the Arizona Cypress which it recently gave to CHS. The tree has been planted in the area adjacent to the auditorium, the cafeteria, and the gymnasium.

**Essay Contest Closes**

Click, click, click went the typewriter keys last week end as the 25 entrants in the Adelpian Club sponsored essay contest worked to meet the March 1 deadline. Essays entitled "Freedom, and Our American Heritage" are now in the hands of three local judges:

Mrs. Hubert Brown, Mrs. Glen Halsell Jr. and Rev. R. C. McCord. The ten essays which they pick will be sent to Wichita Falls for final judging by Mrs. Grover Johnson.

A \$50 bond, a \$25 bond and a \$10 cash prize will be awarded the first, second and third place winners, respectively. The winners will be announced on March 25. Everyone who entered will be a winner, in fact, for each has increased his knowledge of the true meaning of freedom, our American heritage.

**Toye McCurley Is  
 Senior Personality**

Toye McCurley, 18 year old son of Mr. and Mrs. Toye Udell McCurley, has not always been a Texan. He was born in Mesa, Ariz., but CHS is glad that he decided to become a Texan. Toye has been sophomore class favorite, vice president of his class, guy, and a football player. He is now active treasurer of FTA and vice president of the senior class.

Toye is a very versatile "guy" who enjoys football, baseball, swimming, and chess. Toye lists as his favorites the color, green; food, shrimp; actor, James Bond; song, Where Have All the Flowers Gone?

His pet peeve is people who are not considerate of others. Toye will be sure to succeed at Texas A&M where he plans to major in math and accounting. Good luck, Toye.

**Know Your Texas**

Since March is the month during which Texans pay tribute to those who shed their blood so that Texas might be independent, it is well as we review historical facts. It also is well to test our knowledge of basic information about Texas.

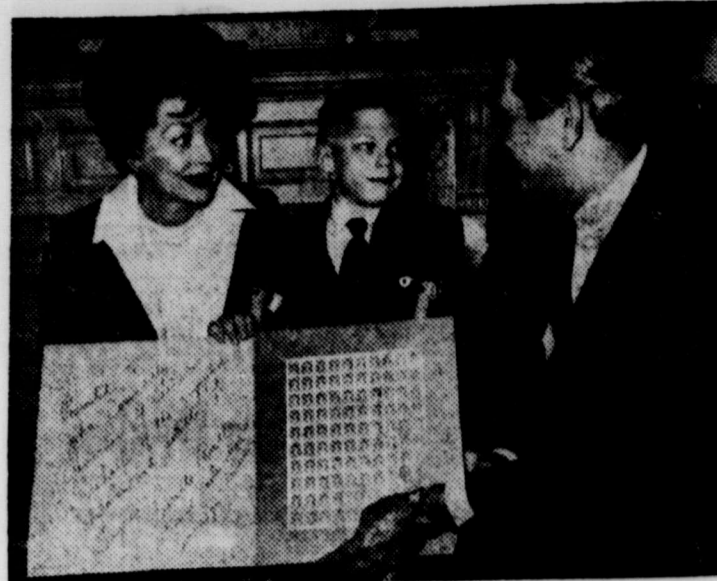

How many of the following questions about Texas can you answer? 1. capital. 2. date of statehood. 3. order of admission. 4. popular nickname. 5. motto. 6. flower. 7. tree. 8. bird. 9. song. 10. representation in U. S. government. Senate. House.

The answers will be found in "This Is CHS" column.

**Famous Recipe Book  
 Now on Sale**

The FHA members announce that they are now selling the 1965 "Casseroles" edition of "Famous Recipes of Home Economics Teachers."

This edition contains recipes for meat casseroles including beef, veal, pork, lamb, and wild game. There is an entire chapter on new ways of preparing ground beef and hamburger favorites. For the person with a "yen" for foreign dishes, there is a section entitled "Casseroles with a Foreign Flavor." Other sections deal with vegetable, cheese, egg, and cereal

Governor John Connally received the first sheet of 1965 Easter Seals to be distributed in Texas on the eve of the annual Easter Seal campaign, which opened March 1 and will continue through Easter Sunday. The 1965 National Easter Seal Chairman, Lucille Ball, of "I Love Lucy" fame, and Chuck Winikates of Dallas made the presentation at the Governor's Mansion. Chuck is the Texas Easter Seal Child for the 1965 campaign. The year-round Easter Seal programs of care and treatment of handicapped children and adults are made possible by the funds raised during the annual Easter Seal campaign.

dishes. Included is a section on breads—quick breads, yeast breads and foreign breads.

Members of the FHA are selling the books, but if no one contacts you, you may call Mrs. Carmon Welch, home economics teacher, or Evelyn Faske, president of FHA and someone will bring you a copy. The book would make an excellent wedding gift!

**'Variety Plus' Show  
 Set for March 12**

On March 12, at 7:30 p. m., the first CHS Variety Plus show will be presented. Sponsored by the CHS choir, it will feature the CHS chorus, stage band, concert band, and members of the speech department and student body. One may purchase tickets from any CHS choir member. Children under six will be admitted free; adults will pay 75¢; students, 50¢. Come and enjoy the show.

**Mrs. Heath Speaks on  
 Hospital Careers**

"In the past, boys thought that a career in nursing was 'sissified,' but more and more boys are now choosing nursing for a career," stated Mrs. Frances Heath, president of nurses of District 11, during an assembly on Wednesday morning, Feb. 24.

Mrs. Heath explained the numerous career opportunities available in hospitals. She stated that hospitals need people trained in almost any field. X-ray technician, hospital administrator, librarian, dietitian, artist, pharmacist are only a few persons needed in addition to nurses and doctors.

A number of students particularly interested in entering the nursing field met with Mrs. Heath at the conclusion of the assembly to discuss particular phases of the work with her.

**Students Briefed on  
 Social Security**

Francis J. Stevens, a field representative from Wichita Falls, informed CHS students last week about many of the benefits of social security. Mr. Stevens told the students that social security is tax free and that one doesn't have to be an American to apply for it, but no one behind the Iron Curtain can receive social security because there is no mail service in those countries. The policy was enacted by Congress as a law in 1935; its provisions were essentially these: (1) persons 62 years old and older who are insured under social security may draw benefits, (2) wives of deceased benefactors, if 62, may draw 82 per cent of what their husband would have drawn if the children are under 18 or disabled, (3) the compulsory program now takes 3 and 5/8 per cent of one's salary, (4) forty calendar quarters (four months in one quarter) are required before anyone can be insured.

He also gave facts about the benefits of social security in Foard County: in 1964, a total of \$294,000 was paid to 400 people, and this was the largest payroll in an eleven county district.

Mr. Stevens left blanks in order that students who do not have a social security number might make application.

**THIRTY YEARS AGO**

News items below were taken from the Thursday, Feb. 28, 1935, issue of The Foard County News:

Automobile races will feature the program of entertainment for Trades Day in Crowell Monday. Two separate races, divided into as many different heats as the number of entries require, will be conducted on the stretch of pavement from the northeast corner of the square to the county jail.

The Crowell city lake will be open to the public for fishing during the months of March, April and May, as the result of action taken at the meeting of the city council last week.

A record believed unequalled in West Texas was achieved by the Crowell High School Wildcats Saturday night when they defeated Wellington 43 to 14 to take the basketball championship of District No. 4 of the Texas Interscholastic League for the fifth consecutive year.

The project for constructing a dam on Pease River, about ten miles northwest of Crowell, appeared doomed to failure following the receipt of a telegram from Senator Morris Sheppard by James H. Allison of Wichita Falls, director in the Pease River Valley Development Association.

Mr. and Mrs. R. C. Johnson are the proud parents of a baby girl, Clara Nell, born Friday, Feb. 22. She weighed 10 pounds.

Four work mules were stolen from L. D. Fox last Thursday night. The mules were loaded on a truck near Mr. Fox's home. No trace of them has been found.

Mabry Kinsey was here this week from Bogata visiting relatives and friends. Mabry has been in Bogata for the past six months assisting his father, H. L. Kinsey, in publishing the Bogata News.

Walter Ross and family of Willow, Okla., visited friends and relatives here Friday and Saturday.

C. C. McLaughlin has returned from Muskogee, Okla., where he has been for the past five weeks at the Veterans Hospital for medical treatment.

Mr. and Mrs. Horace Taylor spent the week end with Mr. and Mrs. S. C. Starr of White City.

Two Crowell Wildcats, Lance Middlebrook and Garland Taylor, were named on the official All-District 4 basketball team at the Chidress tournament last week.

The McMurry College band of Abilene will give a 15-minute concert in Crowell on Wednesday afternoon, March 6.

The Pampa Harvesters, champions of District 2, and the Crowell Wildcats, champions of District 4, will clash in the first game of the Region No. 1 basketball tournament at Canyon Friday afternoon.

**Two Minutes With the Bible**

**Bible Test**  
 A Bible test was sprung recently on five classes of college-bound 11th and 12th graders in an American public school.

Some thought Sodom and Gomorrah were lovers; that the gospels were written by Matthew, Mark, Luther and John; that Eve was created from an apple; and that the stories which Jesus told were called parodies.

Eighty to ninety per cent of the students could not complete the most familiar quotations from Scripture.

The teacher, Thayer S. Warshaw, was understandably upset and rightly asked: "Is the student to study mythology and Shakespeare and not the Bible? Is it important for him to learn what it means when a man is called an Adonis or a Romeo, yet unimportant for him to be able to tell a Jonah from a Judas?"

This writer's heart is with that teacher and all who are awake enough to see that the Bible is disappearing more and more from American life. How can we expect anything but juvenile delinquency, the rapid general rise in the crime rate, the growing divorce rate, increasing dishonesty at every level of business and social life—how can we expect anything but this condition when the Bible is flaunted and despised? This departure from the Word of God is bound to get us deeper and deeper into trouble.

But whatever the conditions about you, you may have the joy and peace and light that comes from that Blessed Book. The Bible tells us frankly that "all have sinned" (Rom. 3:23) and that "the wages of sin is death" (Rom. 6:23) since a just God must deal with sin. Ah, but "Christ died for our sins" (1 Cor. 15:3), and the believer may have "peace with God through our Lord Jesus Christ" (Rom. 5:1).

Read the Bible, especially the Epistles of Paul, who was raised up to proclaim "the gospel (good news) of the grace of God" (Acts 20:24). You will never cease to thank God for having given your attention to that Wonderful Book. It shows to man his wandering ways and where his feet have trod; but brings to view the matchless grace of a forgiving God.

**Consumers Can Sharpen Their Shopping Skills**

Even though 1965 is well underway, there's still time for consumers to evaluate shopping habits and then improve, says Mrs. Gwen Clyatt, Extension consumer marketing specialist.

Keep alert to what local markets are featuring. Plan weekly menus to include as many "specials" as possible. Remember the regular prices so that specials can be readily recognized.

If storage room is available, buy featured foods in quantity if your family can use them.

In planning menus and shopping for food, keep the family's nutritional needs in mind. Plan ahead for what you need and want. Keep the menu plan flexible so you can include special sales at the grocery store.

**Bass Restock Deadline Set**

Texans seeking black bass for restocking private water areas were advised by Marion Toole, inland fisheries coordinator for the Parks and Wildlife Department, that their applications must be received by the department by April 1. The deadline for catfish, crappie and sunfish is August 1. The address is John H. Reagan Building, Austin, Texas.

Toole said department personnel need to process each application to determine adequacy of the area recommended for restocking. The inland fisheries coordinator said approximately ninety per cent of hatchery production is used for stocking public waters.

**Booklet Available on Control of Cotton Insects**

"The Texas Guide for Controlling Cotton Insects," L-218, has been revised to include the results of continuing research conducted throughout the state by the Texas Agricultural Experiment Station and the Entomology Research Division of the U. S. Department of Agriculture, reports County Agent Joe Burkett.

He added that copies are now available from his office and urges all Foard County cotton producers to pick up a copy at their convenience.

The development of resistance to insecticides, deposit of harmful residues in the soil or on neighboring crops and destruction of beneficial insect parasites and predators dictate the judicious use of insecticides, explains the county agent. If possible, he says, their use should be restricted to actual need based on inspections.

The guide, in addition to listing the recommended control measures, points out many other important factors involved in the overall problems of controlling cotton insects and the safe use of insecticides.

All insecticides are poisonous and the county agent emphasizes the need for using them in strict accordance with the manufacturer's labeled instructions.

**\$21,527.56 Is Outlaw Tab for Month**

Severe penalties against major game law violators again marked the monthly arrest report for the Parks and Wildlife Department, according to J. B. Phillips, coordinator for law enforcement.

Total fines and costs for the month were \$21,527.56, including several in the \$200-plus bracket. Last month's combined total was \$26,512.83.

Justice as administered by the courts in behalf of the state's wildlife also again stressed the number of hunting licenses revoked, noted Phillips. Forty-five offenders lost their hunting privileges at least temporarily, making a two-month total of 98 such added levies.

Night hunting accounted for 135 cases. This was slightly more than the preceding month, said Phillips. He observed that the nocturnal activity probably reflected "continued craving for venison after the regular hunting season closed December 31."

The law enforcement chief said there were some other signs of aborted efforts to follow the sport of hunting out of season. Eleven persons were fined for hunting ducks out of season and five were charged with illegal dove shooting.

The oddity of the month's infractions involved possession of an anadad sheep without valid permit. A closely supervised open season on the rare sheep was held in the Palo Duro Canyon country, with hunting permits issued by the Parks and Wildlife Department to landowners who in turn issued such permits to hunters.

**Crowell Cemetery**

Mrs. N. J. Roberts reports the following donations to the Crowell Cemetery during February: J. G. Cooper, \$10.00; R. A. Miller, \$10.00.

Mrs. Roberts added: "In our nearly 38 years as chairman of our cemetery committee, this is the least monthly subscriptions in all that time. In our last month's report when we mentioned our cemetery had perpetual care, we meant as long as we had perpetual contributions, or our sexton will take care of our program as long as our friends will provide. "We cannot operate for less than \$200 a month. Our well-kept cemetery will compare favorably with any in this area. "Contributions are welcome and this is one cause I don't mind begging for. Let's don't neglect our cemetery."

## Census Bureau Reports County's '63 Retail Trade

Foard County's 45 retail establishments had \$3.6 million in sales in 1963, an increase of 12 per cent from 1958, the U. S. Bureau of the Census has just reported after tabulating data gathered from all firms in the 1963 Census of Business. The last previous business census conducted by the Census Bureau, an agency of the U. S. Department of Commerce, was in 1958.

Retail trade in the county meant jobs (exclusive of proprietors) for 113 men and women and a yearly payroll of \$200,000.

For the state as a whole, the Census Bureau reported 96,406 retail establishments with sales of \$13,715,400,000, up 18 per cent from 1958. Census reports to be issued during the next few months will give state and county figures on wholesale and service trades, manufacturing and mineral industries.

Figures on number of establishments and sales volume for major types of retail establishments in each county are provided in the printed report: 1963 Census of Business, Retail Trade, Texas, available at \$1.00 from Superintendent of Documents, Washington, D. C. 20402, and at U. S. Department of Commerce field offices.

An interesting note on the report is that the item was prepared by a Census Bureau electronic computer and typed at 10 lines per second.

### Rolling Plains PCA Has Organizational Board Meeting

Directors of the newly formed Rolling Plains Production Credit Association met at the central office in Stamford on March 1. Formation of this new PCA came as a result of merging the Stamford and Memphis association. C. G. Burson Sr. of Haskell was named president; J. C. Emmert of Wellington, first vice president; and Lasater Hensley of Guthrie was elected vice president. J. L. Hill Jr. of Stamford was elected

to the position of general manager and secretary-treasurer, while J. R. Gleaton and R. C. Cobb, both of Stamford, were named assistant managers.

The Rolling Plains Production Credit Association, with a membership of almost 1700, serves farmers and ranchers in a 17-county area with offices in Stamford, Anson, Haskell, Munday, Spur, Paducah, Matador, Memphis and Wellington.

## '65 CHEVROLET

These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chev II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

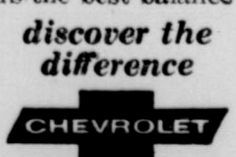

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.

So be practical. Only you will know. Because it sure won't show!

Drive something really new—discover the difference at your Chevrolet dealer's

## Miss Ruth Sanders and Philip Welch Plan June Wedding

Mr. and Mrs. H. B. Sanders have announced the engagement and approaching marriage of their daughter, Ruth, to Philip Welch, son of Mr. and Mrs. M. M. Welch.

The wedding will be an event of June 5.

The prospective bride and groom are both 1964 graduates of Crowell High School, where they were active in the band. Miss Sanders, an honor graduate, was drum major, a class favorite, on the Student Council and Wildcat staff, and was a band and IFA sweetheart. She has been employed in Fort Worth.

Welch was a class officer two years, in the stage and marching bands, on the Student Council

and a member of the Spanish Club. He is a freshman at Texas Christian University in Fort Worth.

## Attend House Party at Hardin-Simmons

Misses Saunna Martin, Scherry Goodwin, Sharon Mapp, Janice James and Mrs. Duane Johnson represented the Masaki YWA of the First Baptist Church of Crowell at the YWA house party on the campus of Hardin-Simmons University in Abilene Feb. 26-28. They were the house guests of Miss Patricia Cates of Thalia and Miss Lollie Cuelto in Behrens Hall.

"In Times Like These" was the theme for the inspiring programs presented each day in the chapel of the university. This theme was

## 12 EQUAL PAYMENTS

# EPP

## NEW FROM WTU

\* EQUAL PAYMENT PLAN  
For WTU residential customers

... is the new approach to a time-tried method of bill paying. Each month you pay one-twelfth of your annual electric service charge. West Texas Utilities Co. makes an estimate of your total electric use for one year, based on your past record, or, with new accounts, records of similar requirements. They divide the total into 12 equal, even-dollar payments. Monthly and yearly review of your account keeps the estimate as close to the actual metered usage as possible. If this review shows a material change in your use of electric service... up or down, due to unusual weather or the addition of some major appliance... you will be notified that a change of estimate is in order. Your 12th payment will be adjusted to balance your account for the Equal Payment Plan Year.

Equalize your monthly payments for electric service now. Visit your WTU office for the complete details.

Live Better Electrically

also carried out in the meditations at each service by Eula Mae Henderson, Mrs. Harlow Willis, missionary to Thailand, Bill Tisdale, missionary to the Philippines, and Mrs. Lester Vinson, missionary among migrants brought messages of their work in their particular field of service.

Fellowship was planned by Hardin-Simmons University students and the Texas WMU directors.

Approximately 1500 girls attended this Texas YWA house party and many of these girls were inspired to dedicate their lives to Christ and returned home with a new zeal for work in their individual organizations.

## LIBRARY NEWS

Books added to the Foard County Library recently include:

Non-fiction: "Japan—Portrait of Paradox" by Quentin Crewe; "Automatic and Repenting Shotgun" by Richard Arnold; "The Horizon Book of Science;" and the Warren Commission Report by Louis Wizer.

Headings a list of fiction is a book with a northeast Texas setting from which selections were published in The Saturday Evening Post, "The Ordways" by William Humphrey. This book has received many favorable reviews.

Other fiction titles include P. S. Wilkinson by Bryan; Coyote Wonder World—a Junior Literary Guild selection; Terror by Satellite by Hugh Walter, teenage science fiction; "The Explorers," the newest book by ever-popular Frances Parkinson Keyes; The Slender Reed by Noel B. Gerson; Catherine the Great by Zoe Oldenbour; and Mystery Mountain, a book by Laughlin for junior high readers.

This list does not include books on loan to the Foard County Library from the Texas State Library. The local library will help students obtain reference materials from the Texas State Library, upon request. This request must go through the local library and due to a rule change material cannot be sent directly to the patron.

Membership in the Foard County Library is \$1.00 per year per family. The library in the courthouse is open 9-12 and 1-5 Monday through Friday with the exception of Wednesday afternoon when it is closed. Mrs. Ventrice Brock is librarian.

## Junior Columbian Club

The Sub-Junior Columbian Club met Wednesday of last week in the home of Mrs. Tom Russell. Gayle Russell and Sharon Mapp were hostesses. Supt. Henry Black gave an interesting program on public affairs. He informed the club on Crowell's water situation, history, and future plans for the water system. He also told the group about the town's plans for improvements and a little about the cost of making these improvements.

After the program, refreshments were served by the hostesses.

## Tax Man Sam Sez:

The good tax folks want you to put your Social Security number on your tax return this year. Be careful to get your correct Social Security number. The tax folks are establishing a master file on all the tax data pertaining to you at their electronic data processing center. Giving the tax folks the correct number makes sure that you get all the credit due you. Of course you'll get all the bills for taxes that you may owe—but you'd probably get these anyway.

## Card of Thanks

I would like to try to express my thanks for each kindness shown me and my family while I was ill. It means so much to have friends like you. May God bless all of you.

**Mrs. V. A. Johnson to Attend State Historical Meeting**

Mrs. Virgil A. Johnson of Foard County, chairman of the Foard County Historical Survey Committee, will participate in the 1965 state-wide county chairman's meeting on March 16 in Austin.

Highlight of the session is a discussion and planning of the second year for RAMPs, according to information Mrs. Johnson has received from the Texas State Historical Survey Committee, sponsor of the meeting.

RAMPs is the accelerated, five-pointed program of Recordation, Appreciation, Marking, Preservation and Surveys of Texas history. It was begun, kept going and is now being enlarged through the cooperation of the county, regional and state historical survey groups.

Twenty-one projects pertaining to RAMPs are slated for completion during a five-year period, announces the TSHSC, a state agency with headquarters in Austin.

Mrs. Johnson will meet with other county chairmen for a discussion of plans and problems in having successful RAMPs projects in Foard County.

The state-wide goal of placing 1,000 markers a year was reached the first year of RAMPs—and went over, with more than 1,300 markers erected in 1964.

To this date, the TSHSC says there are no official Texas historical markers and medallions erected in Foard County.

The marking portion of RAMPs is receiving major emphasis this year. Markers placed are to commemorate houses, sites, landmarks and individuals over the state, explained the state survey committee president, John Ben Shepperd of Odessa. County survey committees and the state organization will also stress publication of the proper tourist information on the markers, he added.

One of the featured events for the one-day county chairman's meeting on March 16 is a luncheon to which Mrs. Johnson has
