## 1967 Registration of Vehicles Now Underway Here

The Texas Highway Department reported this week that more than 6.7 million motor vehicles will be registered in Texas in 1967 and urged car owners to buy their license plates early.

The new license plates may be purchased during February and March at county tax assessor-collector's offices or at authorized sub-stations. New license plates must be displayed after midnight, April 1.

A Highway Department spokesman said motorists can help shorten waiting lines and speed up registration by buying license plates early and by presenting proper ownership documents.

Car owners are required by law to present certificates of title and last year's license plate receipts when renewing vehicle registrations.

In previous years, there has been some confusion and misunderstanding about the ownership documents needed to obtain license plates.

In one Texas county, for instance, motor car owners were permitted to renew their vehicle registrations with their old license numbers written on the backs of envelopes or other scratch paper without proper proof of ownership.

The Highway Department stressed that county tax assessor-collectors and their sub-station agents must demand proper credentials before issuing license plates. Motorists may speed up the process by taking last year's license plate receipts and certificates of title with them to the tax office to obtain their 1967 license plates.

## Good Program Presented at Open House at New Gym

Students of the Crowell School presented a fine program of tumbling and work on the trampoline for those who attended the open house at the new gymnasium and band hall last Thursday night.

Tours through the building were conducted by students and members of the faculty and refreshments were served to the guests by the Homemaking Department of Crowell High School.

## Projected Yields Increase Okayed

Jay Naman of Waco, Texas Farmers Union President, announced upon his return from Washington Friday that the Department of Agriculture had made changes in the rules affecting the projected yields in the counties using skip-row planting methods.

"Counties in the Rolling Plains area of Texas should expect an increase in the near future, due to this ruling," according to Kenneth Halbert, President of the Foard County Farmers Union.

## Request for Releasing Cotton Acreage for 1967 Must Be Filed

Producers interested in releasing their cotton for 1967 or requesting additional acreage must file a request in the ASCS office by the close of business March 3, 1967.

This announcement was made last week by Mrs. Jean Reeder, office manager of the ASCS office.

## Dog Owners Are Responsible for Any Damage Done by Pets

Mayor Robert Kincaid and members of the City Council this week asked residents of Crowell who have dogs to keep them penned. Mayor Kincaid stressed that the owners of dogs which damage any property will be held responsible for any damage which may be done by their animals.

## News About Our MEN IN SERVICE

Private Thomas H. Owens, 20, whose parents, Mr. and Mrs. B. N. Owens, and wife, Shirley, live in Crowell, completed eight weeks of military police training at the Army Training Center at Fort Gordon, Ga., on January 13.

He was trained in civil and military law, traffic control, map reading, prisoner-of-war control and self-defense.

## Son of Former Residents Promoted to Captain in Army

Don H. Teague, son of Mr. and Mrs. Henry C. Teague of Vernon, received his captain's bars during ceremonies at Fort Belvoir, Va., recently. After his promotion, Capt. Teague went to Vietnam to visit his wife who lives there, and also his parents. Teague, a 1964 graduate of West Texas State University at Canyon, left Friday for assignment to Vietnam. He served previously in Germany. He and his wife have two children.

Capt. Teague's parents are former Foard County residents.

## ASCS Lists 1967 ACP Practices to Be Available

The ASCS office in Crowell has released a list of 1967 ACP practices available to Foard County landowners.

The practices listed are pasture improvement, brush control, constructing well for livestock water, constructing dams, pits or ponds for livestock water, establishing permanent sod water way, constructing terraces, constructing diversion terraces, re-organizing farm irrigation systems, subsoiling, winter cover crops, deep plowing sandy land to prevent wind erosion.

The 1967 ACP cost-share limitation has been set at \$1,500 per person.

## March Revival Planned by First Christian Church

A spring revival will be conducted at the First Christian Church March 12-17, Minister R. C. McCord announced this week. The church has secured the services of Evangelistic Singer and Evangelist Lloyd Cameron. He is a native of Miami, Okla., and is now minister and director of music of the Great Christian Church in Muskogee, Okla.

Mr. Cameron is known throughout America by all Loyal Christian Churches as the most outstanding individual as "The Singing Evangelist." He was in charge last year of the music of the North American Christian Convention of Tulsa, Okla., when 19,500 people registered.

He has directed evangelistic campaigns in the largest Christian Churches in the U. S.

## Joe Ray Burkett Honored in Fort Worth Last Week

Joe Ray Burkett was honored in Fort Worth at the Rural Youth Banquet last week end. Joe Ray was honored with five other District 4-H Council officers from District III.

Joe Ray is now serving as chairman of the District III 4-H Council. District III is composed of twenty-two counties.

As chairman of the 4-H District Council, Joe Ray will be a member of the State 4-H Council which will meet for a week in June on the University of Houston campus in Houston to make plans for state 4-H events.

## County Reaches 110 Per cent of '66 Savings Bond Goal

United States Savings Bond sales in Foard County during 1966 totaled \$65,898.00, according to George Self, chairman of the Foard County Savings Bond committee. The 1966 sales goal for the county was \$60,000.00 and 110 per cent has been achieved. December sales were \$762.00.

During 1966 Texans purchased a total of \$153,172,007 in Series E and H Savings Bonds. This represents 104 per cent of the state's goal of \$147.5 million. Sales in Texas during the month of December totaled \$13,790,831 which is an increase of 19 per cent over the same period of 1965.

## Son-in-Law of Mr. and Mrs. S. O. Turner Died in Amarillo

Barney Stoffle of Amarillo, a son-in-law of Mr. and Mrs. S. O. Turner of Amarillo, died suddenly in that city recently. Mr. Stoffle was the husband of the former Miss Winnie Sue Turner. Funeral services were conducted by Rev. Carl Hudson, former Methodist pastor at both Truscott and Crowell.

## TESTING OF CATTLE IN COUNTY UNDERWAY

Sixty-five to seventy herds of cattle—making up about 1,500 head—have been tested for brucellosis in Foard County to date, W. H. Horn, state veterinarian

in charge of the testing, said Monday.

Only one herd out of the approximately 70 herds tested in the county had any infected cattle.

The mobile lab will be moved to Crowell and located across from the post office on the M. M. Welch trailer park Monday, February 6.

The lab will be open from 8 a. m. to 9 p. m., Tuesday, February 7, and from 8 a. m. to 12 noon on Wednesday, Feb. 8, to meet and talk with farmers and ranchers of the county who have questions.

All farmers and ranchers are invited to visit the lab and discuss the program or set a date to have their herd tested.

## Crowell Students Receive "Shots" During Past Week

Last week, the Crowell students in the first, fourth, eighth and twelfth grades were given the Schick test, the tetanus shot, and the small pox vaccination by Mrs. Audrey Coffey, Mrs. Mary Nelson and Mrs. Iola Huskey. The senior basketball boys and girls will take their small pox vaccinations at the end of the basketball season.

Dr. Walter Stapp, county health officer, secured the vaccines for the various inoculations.

## Charge for Fire Dept. Listed on Water Bills

Crowell residents received on their January water bills this week, the additional 25c charge adopted by the City Council several weeks ago.

This additional 25 cents will be used to pay members of the Crowell Volunteer Fire Department \$5.00 for each fire they attend and \$2.00 for each fire practice session attended.

The City Council, after months of deliberation on the best way to increase interest and attendance at fire department meetings, adopted this method which will be tried for awhile, at least.

## Representative of Social Security to Be in Crowell February 9

Mrs. Lois Cudd, claims representative of the Vernon Social Security office in Vernon, will be at the community building in Crowell on Thursday, February 9, at 10 a. m. She will take applications and answer questions pertaining to social security.

All people in Crowell and Foard County desiring to file applications for social security benefits or ask questions about social security are invited to meet Mrs. Cudd at this convenient location. She is available to speak to interested groups about social security at any time. There are no charges for these services.

## FIRE DESTROYS BUILDING SOUTH OF SQUARE

A vacant building south of the square and across the street east of the Foard County jail in Crowell, was completely destroyed by fire about 4 a. m. Sunday. The Crowell Volunteer Fire Department answered the alarm, but was unable to save the building.

The building, of sheet iron and wood construction, was owned by Mrs. C. W. Smith of Crowell. The last business to be located in the structure was Scott's Laundry.

Mrs. Smith said Monday that she had no insurance on the building. Two dryers and several washing machines belonging to Mr. and Mrs. Ruel Scott were also destroyed in the blaze.

**Other Fires**  
About 10:30 Friday night, the department was called to a blaze which destroyed an out-building at the home of Mr. and Mrs. W. F. Marlow in the west part of Crowell.

Shortly after noon Sunday, a fire was reported at the home of Mr. and Mrs. Jimmy Dean Welley who live on the Seymour highway southeast of Crowell. A garage near the house burned. Heat from the blaze melted asbestos shingles on the Werley home, but the house did not catch fire.

## Total of 678 Foard Residents Sign in Voter Registration

## Registration Tops Poll Tax Payments Made in 1966

A total of 678 Foard County residents registered to vote in 1967 before the deadline passed at 5 p. m., Tuesday, January 31.

This is nine more than paid poll taxes last year. There were 669 poll tax payments received in the tax assessor-collector's office last year—which, incidentally, was the last year for Texas residents to be required to pay poll taxes. This year it was free for the signing.

Although 1967 isn't considered an "election year," there will be several elections held during the year for the 678 registrants to exercise their privilege and duty of voting.

The total this year is almost 200 ahead of the last "off year,"—1965—when 498 poll taxes were paid. In the presidential election year of 1964, some 828 poll taxes were paid, and in 1963, a total of 593 were recorded.

Five hundred and twenty-six were paid in 1962; 500 in 1961, and in the presidential election year of 1960, a total of 918 were paid.

Although a court decision early in January cast some confusion on the registration, the total this year is composed principally of persons between 21 and 60.

At first, it was thought that all persons, including those 60 and over, should register, but the tax assessor was later informed this was not the case in this county.

## Jack Welch, Soil Conservation District Farmer of Year, Honored in This Issue

Jack Welch, who was named as 1966 Conservation Farmer of the Year for the Lower Pease River Soil and Water Conservation District, is being featured in a special page of this week's edition.

John McAlister of the local Soil Conservation Service office, took pictures of some of Mr. Welch's conservation activities on his farm south of Crowell, and also wrote the article appearing on page 2.

This is the first time in several years that a Foard County farmer has been selected for this award. The district comprises Foard and Hardeman Counties.

## Bloodmobile to Be in Crowell on February 10

With the need for blood critical, and since Foard County rarely always falls below its quota, a very able-bodied resident was urged this week to give blood when the Red Cross Bloodmobile makes its visit to Crowell on Friday, February 10.

The bloodmobile will be located in the basement of the Methodist Church, and will take blood from 12 noon until 6 p. m.

Ages for giving blood are from 8 through 59.

Mrs. Darvin Bell is chairman of the drive to secure donors to make a donation of a pint of blood.

## Junior High Basketball Tournament to Be Held Here February 2 through 4

The western half Junior High boys and girls basketball tournament will be held at Crowell's new gym Thursday through Saturday, February 2 through 4. The winners of this tournament play the winners of the eastern half of the district for the district honors the following week.

Thursday night, Feb. 2, matches Knox City against Paducah and Crowell against Monday.

The first game starts at 5:30. The Crowell Junior High girls

## Youth Week Set at Christian Church

Youth Week will be observed at the First Christian Church on Sunday evening at 6 p. m. at the vesper services when the youth of the church will be in charge of an inspirational service.

The Junior (robed) Choir will sing special numbers. Two young guest soloists will also present special music.

"You are invited to attend," Minister R. C. McCord said Monday.

## Green Bay Packer to Be Speaker at Football Banquet

Forrest Gregg, member of the world champion Green Bay Packer professional football team, will be the principal speaker at the Crowell High School football banquet to be held in the school cafeteria on Monday, February 13, beginning at 7 p. m.

Robert Kincaid, program chairman for the banquet which is sponsored by the Lions Club, made the announcement this week.

Tickets are on sale from members of the Lions Club at \$3.00 each. Due to the large demand expected on the available tickets, early purchase is advised.

The Lions Club announced Monday that parents of the football players will be given first chance to buy the tickets.

## Mrs. Bruce Eubank and Daughter Move to New Home in Crowell

Mrs. Bruce Eubank and daughter, Miss Edna Eubank, moved from Truscott to Crowell last week to make their new home.

They purchased a new ready-built house and moved it to a lot just across the street west of the Assembly of God Church on US 70.

Mrs. Eubank is a pioneer resident of the Truscott community.

# SOIL CONSERVATION PAYS

Says Jack Welch, Lower Pease River Soil Conservation District's  
**FARMER OF THE YEAR**

Jack Welch of Crowell has been selected for the Outstanding Conservation Farmer Award for 1966 by the Board of Supervisors of the Lower Pease River Soil and Water Conservation District. This award is presented each year to the individual who has done the most outstanding job of conserving his soil and water resources. On Jan. 17, 1967, Mr. Welch was presented a plaque by the Crowell Lions Club in recognition of his conservation work.

Jack farms approximately 624 acres of land south of Crowell. He has been a cooperater with the Lower Pease River Soil and Water Conservation District since 1949. In 1958, he entered into the Great Plains Conservation Program and since that time has applied a complete conservation plan on his farm. Mr. Welch has applied sixteen different practices on his land in order to carry out the total conservation job that was needed. A few of the practices applied were range seeding, construction of waterways, terrace construction, brush control and construction of farm ponds. These are only a few of the practices Mr. Welch has applied in his effort to be a good steward of the land.

Mr. Welch feels that the conservation of our soil and water resources is a must. He states that "we should strive to hand our land down to future generations in as good as, or maybe better, condition than it was in when it was passed on to us." He gives the Soil Conservation Service credit for furnishing valuable technical assistance to him in his efforts to conserve his land.

Jack and his wife, Elizabeth, are the parents of three children. They are: Don, who is the Vocational Agriculture teacher at Avoca, Texas; Betty Ann, a sophomore at McMurry College in Abilene; and Peggy, an eighth grade student in Crowell. Perhaps Jack has his children in mind when he talks of his belief in the need for the conservation of our natural resources for the use of future generations.

John McAlister, work unit conservationist with the Soil Conservation Service, described Jack Welch this way: "He is a man that is willing to accept the moral responsibility for

conserving his land. He has shown a great deal of determination in his efforts to meet this obligation. This determination has helped him achieve the type of conservation he now has on his farm."

Jack Welch is pictured on the right as he receives the plaque from John McAlister of the local SCS office designating Mr. Welch as the outstanding conservation farmer of 1966 in the Lower Pease River Soil Conservation District. The presentation was made at a recent Lions Club meeting.

**BRUSH CONTROL**—Photo above shows Jack Welch and Steve Smith, SCS range conservationist, observing the reaction of grasses to brush control and defoliant. Mesquite was sprayed with chemicals.

**CHECKING STAND OF GRASS**—Jack Welch is shown above checking stand of grass in one of his waterways. This waterway was seeded to sideoats grama, K. R. blue-stem and blue grama in the spring of 1966.

**FARM POND**—The picture above shows a pond on the Jack Welch farm. This pond was constructed in order to provide water for livestock. Notice in the background the mesquite that has been sprayed for brush control.

**RANGE SEEDING**—This picture shows part of the 22 acres of range seeding done in 1966 on the Jack Welch farm. Mr. Welch and John McAlister are shown examining some of the sideoats grama and blue grama plants.

**NEW FENCE**—Above photo shows a fence constructed on the Jack Welch farm. This fence enables Mr. Welch to better control grazing on these two pastures. This fence was constructed through the Great Plains Conservation Program.

**NEW WATERWAY**—This waterway on the Jack Welch farm was constructed in the spring of 1966. After construction, it was planted to sorghum for use as a litter crop to seed grass into when it is drilled. Grass will be planted this spring. This waterway was constructed through the Great Plains Conservation Program.

**The Crowell High**

**WILDCAT**

Four members of the Crowell High School Band attended the try-outs for All-Region Junior High Band at Jacksboro Saturday: Sheri Speer, Kenneth Abbott, Nancy Looney and David Stapp. They competed with students from junior high schools throughout Region II, which extends from Denton on the east to Paducah on the west and Mineral Wells on the south. The schools are not classified by size for band events as they are for athletic events, so the smaller schools were in competition with all of the city districts, including Wichita Falls and Fort Worth.

**Four CHS Band Members Try Out for All-Region Band**

Each of the three seventh-grade students and Sheri, an eighth-grade student, performed against 8th and 9th graders, many of whom had participated in last year's all-region band. The students were graded 50 per cent on playing of scales, 25 per cent on prepared pieces learned before the competition, and 25 per cent on sight reading of new material.

The students chosen to make up this year's band will meet next Saturday at 9 a. m. in Jacksboro to work under the baton of Dr. Douglas Wiehe, clinician from North Texas State University. They will present a concert open to the public at 3:30 the same day.

Since this is the first time Crowell has ever had entries in the junior high All-Region try-outs, the band is very proud of the four who went and proud that our school will be represented by David, a seventh grader, in this honor organization.

**Baylor University Creates Development Office for This Area**

Baylor University recently created a Fort Worth Development Office covering 21 North Texas Counties.

Truman L. Crouch, former vice president of National Fund-Raising Services, Inc., will be in charge of the office.

The new Baylor development office covers Cottle, King, Foard, Knox, Haskell, Throckmorton, Baylor, Wilbarger, Wichita, Archer, Young, Stephens, Calahan, Eastland and Palo Pinto counties. Also included in the Fort Worth office area are Parker, Jack, Clay, Montague, Wise and Tarrant counties.

Baylor University also has development offices in Dallas and Houston.

**When to Sign up for Medicare**

All Foard County residents approaching their 65th birthday are urged to contact the Vernon Social Security office approximately 3 months before their 65th birthday, Edwin Draughon, social security manager in Vernon, announced this week.

Mr. Draughon said that 120,000 Americans reach 65 each month. These individuals are vitally affected by the medicare enrollment provisions.

The enrollment period for signing up for doctor bill insurance is a 7-month period spanning 3 months before the month in which age 65 occurs through 3 months after the 65th birthday month. However, Mr. Draughon warned, persons will have medical insurance coverage effective at the earliest possible month (65th birthday month) only if they sign up in one of the 3 months before the month of their birthday. Those signing up in the month of their 65th birthday or in one of the following 3 months will not be protected for 1 to 3 months after they enroll.

Mr. Draughon pointed out an interesting sidelight. Under the law a person is considered to reach 65 on the day before his 65th birthday. Therefore, if a birthday falls on the first day of the month, that person reaches 65 on the last day of the previous month for social security eligibility purposes. A person born Sept. 1 would legally be 65 on August 31. His medicare enrollment period for doctor bill insurance runs from May 1 through November 30. This person would have medical insurance protection for the whole month of August only by enrolling before the end of July. By waiting until September, his doctor bill insurance protection would not begin until November.

It is not necessary to retire in order to enroll in the medicare program, Mr. Draughon emphasized. However, he said, an application is a necessity. He states that many persons nearing age 65 are continuing to work and are therefore not getting in touch with their local social security district offices. Their failure to enroll for doctor bill insurance during the seven month enrollment period means that they will not have another opportunity until the last 3 months of the next odd-numbered year, or October-December 1967. In addition, there may be a higher premium than the present \$3 monthly and coverage would not begin until the following July 1st.

Some may find an added bonus by an early social security contact, he noted. Even though they may still be working full time, some cash benefits may be payable because of the more liberal rules regarding the amount they may earn and still receive partial social security cash benefits.

If any older persons are not able to visit their local social security office, Mr. Draughon urged that they start the application process by a letter or telephone call, without delay. The social security office in Vernon is located at 1728 Fannin. The telephone number is LI2-9346.

Ed Gossett, former U. S. Congressman from the 13th District and a prominent state civic leader, has retired as general attorney of Texas for Southwestern Bell Telephone Company to enter private practice.

**Ed Gossett Leaves Telephone Co. Post**

Gossett, who resigned from Congress in 1951 to accept the telephone company post, is being succeeded by Ford W. Hall.

A widely known lawyer and speaker in Texas, Gossett made a reputation while in Congress as an ardent advocate of good government and reform of the electoral system. He was co-author of the Lodge-Gossett amendment which called for a revision of the electoral college system.

He is currently serving on several national committees which are working on the reform of the electoral college.

Gossett represented the 13th Congressional District, which includes Foard County, for 13 years and as a member of the powerful judiciary committee he handled the tidelands legislation while in Congress.

In addition to his duties as the telephone company's general attorney, Gossett has served as chairman of the Texas Woman's University board of regents; president of the Dallas Bar Association; and state chairman for the U. S. Savings Bonds program for Texas.

**"Postal Customer's Bill of Rights" Now in Effect**

Postmaster Ted Reeder this week called attention of Crowell mailers to the new "Postal Customer's Bill of Rights" to help meet the President's government-wide goal of improving the quality of federal services to the public.

Directed at post office window services, Postmaster General Lawrence F. O'Brien has ordered the customer's bill of rights implemented by two steps at Crowell.

1. Posters will be displayed in the post office lobby and service counters containing 10 points which specify the kind of treatment customers have a right to expect.
2. Instructions from Mr. O'Brien call for careful observance of all points in the bill of rights. The instructions also provide directions for the most efficient management of window service.
3. The posters tell customers they are entitled to:
  1. A neat, clean counter on which to transact business.
  2. Service by a well-groomed, neat window employee.
  3. A friendly greeting that expresses a desire to assist.
  4. Knowledgeable, well-informed, interested window personnel to help with postal needs.
  5. Prompt, alert and efficient service.
  6. Competent and correct information on inquiries.
  7. An attitude that reflects helpfulness, patience and congeniality.
  8. The courtesy and tact that would be expected from a friend.
  9. Polite referral to another window or individual, when necessary, to give the appropriate service.
  10. A feeling, upon leaving, that the post office is glad to serve and help at all times.

**Hunt Toll Mounts as Lads Slip**

A 12-year-old boy accidentally fired a single barrel, 20-gauge shotgun while hunting, killing his 10-year-old brother.

A 15-year-old boy, loading a .410 single barrel shotgun for a crow hunt, killed a 15-year-old companion.

A 16-year-old boy died of self-inflicted rifle wounds sustained late in the 1966 deer season.

Such was the tragic sports-firearm beginning for the new year, following perhaps the worst wildlife harvest accident period in Texas history, as recorded unofficially by the Texas Parks and Wildlife Department.

The 16-year-old's death brought the 1966 unofficial total to 32. Adding the two January, 1967, casualties would make the total 34 for the overall harvest period.

The 1965 toll by department records was 21.

Ten of the 1965 victims were youngsters.

Fourteen of the 32 fatalities in 1966 involved teen-agers. Twelve of these were killed. The other two killed adult hunters.

One of the unfortunate lads, age 15, killed a man when he shot at what he thought was a deer. The other two fatalities from this cause involved adults.

Seven of the youngsters died from wounds inflicted by others. Five shot themselves.

The youngest hunting victim shot by another boy was nine years old.

**Card of Thanks**

I want to take this means of thanking my many friends and loved ones for the numerous telegrams, telephone calls, letters, cards, and flowers and money and the prayers that were said in my behalf, and the wonderful specialist, Dr. Lippas, in Dallas and the marvelous hospital attention I received during my illness in Baylor Hospital in Dallas. May God bless each and every one is my prayer, and I'm so thankful to be home with friends and loved ones here.

## Bridal Shower Honored Delores Eubanks January 24

Miss Delores Eubanks, bride-elect of Charles Lane, was honored with a bridal shower at the community center Tuesday, Jan. 24, from 3 to 5 p. m.

In the receiving line were the honoree and her mother, Mrs. Earl Eubanks. They were both presented with white carnation corsages, gifts of the hostesses.

Mrs. Laverne Prince, aunt of the bride, registered the guests. Miss Sandra Weathered served punch from crystal and silver appointments. The table was covered with a pink cloth with lace. The centerpiece was pink gladioli. Many lovely gifts were on display.

The hostesses were Mes. Willie Vessel, Dayton Everson, Bob Dunham, George Seedig, Morris Diggs, J. W. Martin, Edwin Edgin, C. S. Bartley, Baylor Weathered, E. M. Cox, Tom Ellis, Harvey Aydslett, Darvin Bell, Allen Taylor, Jack Powers, James Sandlin, Jack Welch, Ansel Hall, R. J. Eavenson and Leonard Toie.

John Quincy Adams declined nomination to the Supreme Court in 1811 before becoming the country's sixth President in 1825.

## THE WATT and THE KILOWATT

Producing power is a gigantic battle with nature. The windmill produces enough power to pump water from the ground—something a few watts of electricity can do. But the huge generating plants which produce the power transmitted over the vast network of WTU transmission lines which reach from the Red River to the Rio Grande are measured in kilowatts—hundreds of thousands of them. Power enough to serve 166 cities and towns in 50 West Texas counties. You can live better electrically—West Texas Utilities provides the kilowatts.

## Bridal Shower Honors Shirley Mike Rasberry

A bridal shower honoring Miss Shirley Mike Rasberry, bride-elect of Danny Lewis Fulton, was held Saturday afternoon in the home of Mrs. Mike Bird. The guests were greeted at the door by Mrs. Bird and were introduced to the bride; her mother, Mrs. R. G. Rasberry; and her grandmother, Mrs. Paul Shirley. The bride-elect was attired in a blue silk shantung and mohair fitted dress, and wore a corsage of white carnations.

The guests were then directed to the dining room where the tea table was laid with an imported white linen cutwork cloth over blue. An arrangement of white carnations, lemon leaves and ivy encircling the candelabras and accented by bunches of blue grapes centered the table. The tea dainties and punch carried out the bride's chosen colors of blue and white. Table appointments were of silver and crystal. Misses Marilyn Cates, Dena Todd and Linda Whitley assisted in the dining room, and Miss Rosa Lee Latimer registered guests. Misses Lanette Lemons and Jon Ann Carter played piano selections during the tea hours.

Shower gifts were on display in the den of the home. The hostesses presented the bride with an electric toaster-broiler-oven.

Hosting the pre-nuptial courtesy were Mes. Jeff Bell, Lorraine Carter, Bill Cates, Clyde Eddy, W. L. Johnson, Estelle Latimer, R. J. Owens, W. W. Lemons, Guy Todd, Howard Ferguson, Jack Welch and Mike Bird.

## Lingerie Shower Honors Miss Cates

A lingerie shower honoring Miss Frances Cates, bride-elect of Otis Smith, was held in the home of Mrs. Bert Ekern on Friday, Jan. 20.

The bride's colors of green and white were carried out in the decorations, and the centerpiece on the table was of white carnations and greenery, attractively arranged in a crystal epergne. Silver and crystal appointments completed the table, and refreshments were served to twenty guests.

Out-of-town guests included Mrs. J. D. Smith, Truscott; Mrs. Marion Hord, Pampa; and Mrs. Otis L. Barnett, Midlothian.

Hostesses for the occasion were Mes. Ray Brown, Bert Ekern, Gordon Erwin and Glenn Halseil Jr.

## Pre-Nuptial Courtesy Given Miss Rasberry

A pre-nuptial brunch and rice-bag party was given Saturday morning for bride-elect Shirley Mike Rasberry in the home of Mrs. J. H. Minnick. Misses Karen Shirley, Kathy Eubank and Marilyn Cates were hostesses.

The buffet table was laid with a white linen damask cloth and was centered by an arrangement of two large red styrofoam hearts which were entwined and were topped by a watching cupid. White candles in silver holders flanked the centerpiece. Other appointments were of silver. Miniature duplicates of the arrangement enhanced the individual quartet tables which were also covered with white linen cloths. Heart-shaped candies with names inscribed served as place cards.

The brunch was followed by the making of small rice bags to be used at the wedding reception. The hostesses presented the honoree with a corsage of split carnations with tiny net hearts and a gift of linen.

Guests included the honoree; her mother, Mrs. R. G. Rasberry; and Misses Debra Rasberry, Peggy Rasberry, Dena Todd, Rosa Lee Latimer, Paula Vececa, Mary Sue Speer, Sue Eubank, and Mrs. Vicki Corder of Crowell. Miss Carole Piest of Vernon and Lucy Gravely of San Antonio.

## West Side H. D. Club

The opening exercise was a poem, "It Shows on Your Face," read by Mrs. E. A. Boren when the West Side Home Demonstration Club met January 24 in her home. Mrs. R. A. Cooper, vice president, was in charge of the meeting.

Reports were given by the EEE, finance and yearbook committees and accepted by the club.

Mrs. Homer Ketchersid was elected as delegate from the club to the THDA district meeting.

The program was given by Mrs. W. H. Sellers on floor covering and their care. Refreshments were served to 8 members. The next meeting will be Feb. 14 in the home of Mrs. Warren Ever-

## Columbian Club

"Keeping Texas Beautiful" was the subject for the January 25 meeting of the Columbian Club with Mrs. D. R. Magee as hostess. Roll call was answered with suggestions for making the various communities more attractive.

Monty Smith served as projectionist for a film, "Money to Burn," available through the Texas Highway Department. The picture was a disturbing account of the cost in money, physical danger and unsightliness, caused by litterbugs. Each time anyone sees a highway truck and crew engaged in cleaning trash from along the highways, taxpayers should say "There goes a part of our high taxes," for \$1½ million are spent each year in Texas alone just to remove boxes, cans, bottles and garbage thrown carelessly along the roadside.

Tourists in Texas spend approximately a million dollars a day, yet the are not, by and large, the ones who despoil the state's beauty. Texans must take that blame. Fines, ranging from ten to one hundred dollars, can be levied against those guilty of littering the highways with debris, but one wonders what would be the percentage of the offenders caught to the offenders too wary to dump debris when someone was near enough to see them.

A check with Sheriff W. F. Bradford revealed that very few fines for such a misdemeanor have been given in this county, in order to be fined, the offender must be caught in the actual act. When asked if a citizen's arrest could be made under such circumstances, Mr. Bradford said he was of the opinion it could. "If that be so, with our dry county displaying so many beer cans and liquor bottles, we must be prepared to make charges against those we see discarding their trash, or be content to let our highways be eye-sores to all who travel them and pay our senseless 'clean-up' tax without grumbling."

At the conclusion of the film and discussion, refreshments were served by the hostess, Mrs. R. C. McCord will be hostess on February 8 at the community center.

## Margaret H. D. Club

The Margaret Home Demonstration Club met January 27 with Mrs. Agnes Dunn. The various club committees for the year were appointed by the president. The club voted to help with the upkeep of the Margaret community house as the goal for the coming year.

Mrs. Vera Thomas brought the program on kitchen floor coverings and their care. Twelve members were present, with Mrs. Vera Thomas drawing the hostess gift.

Next meeting, "Linings for Garments," will be with Mrs. Ola Orr on February 10.

## T. E. L. Class Meeting

On January 26, the regular monthly business meeting of the T. E. L. Sunday School Class of the First Baptist Church was held in the home of Mrs. Arthur Sandlin. Mrs. Charlie Cavin, class president, called the meeting to order by reading the 23rd Psalm, and leading in prayer. Fifteen members were present. The meeting closed with prayer by Mrs. Mary Moore. Mrs. Mae Solomon had charge of the social hour. Questions were asked and answered from the Book of Proverbs.

Refreshments of sandwiches, cake and hot tea were served.

## Mrs. W. B. Johnson Announces HemisFair Luncheon

To erect a building within HemisFair 1968—for women, about women, and completely executed by women—is the task before a group of 37 dedicated women from San Antonio, headed by Mrs. Winfield S. Hamlin, president and chief executive officer, and Mrs. E. Lee Ozborn of Fort Worth, general chairman and head of the honorary advisory council. The building and the exhibits within it must stay within the framework of the HemisFair: The Confluence of Civilizations in the Americas, whether this meeting of the cultures be past, present or future.

Attending the state kick-off luncheon in San Antonio January 25 was Mrs. W. B. Johnson of Crowell, past president of the Santa Rosa District, Texas Federation of Women's Clubs.

**Heatly Doubts Need for Teacher Raises**

(Editor's Note: The following article is reprinted from the Saturday, Jan. 28 issue of The Dallas Morning News. As it concerns the representative from this district, the News is reprinting it.)  
 Chairman of the House Appropriations Committee, W. S. (Bill) Heatly, lashed out against teacher pay raises in Austin Friday in a budget hearing for state senior colleges.  
 "I can't see where our public school teachers and our college faculties are suffering," he declared.  
 Dr. James P. Cornette, president of West Texas State University, had appealed for higher pay to attract top professors.  
 "You will find that all the institutions of higher learning in Texas are at a disadvantage in the open market for top echelon professors," Cornette said.  
 "For public school teachers, you can rely on geography," he con-

tinued. But for personnel with doctoral degrees, geography means little compared to salary.  
 Heatly retorted that higher pay would do little to attract most professors past 40 if they are already settled somewhere. He said it would take double pay rather than small raises.  
 "We have enhanced salaries about 50 per cent since 1959 and they are going up some this time . . . but there is only a certain amount of budget money to be distributed," Heatly pointed out.  
 Cornette said that a 39.2 per cent increase in enrollment in the last four months called for the recruitment of new teachers, plus replacement of professors who leave for better salaries.  
 He pointed out that Dr. Lowell Harrison, a top West Texas State professor, had resigned to go to Kentucky for a relatively better salary. West Texas State will recruit new Ph.D. graduates, only to lose them before school starts to a higher paying school, he said.  
 D. Arleigh B. Templeton, president of Sam Houston State College, said, "I think we are down to this point: Do you want quality in our instruction? If you do, we will have to pay for it."  
 Templeton said, however, that his school had been able to recruit many qualified professors by selling prospects on the program at Sam Houston State.  
 Heatly asked Templeton and Cornette their opinion of the proposed tuition hike. Neither president opposed the measure.  
 Cornette said that financial aid is available at his school for needy students.  
 Although Templeton went along with the proposed raise, he asserted that some towns such as Huntsville are too small to provide much employment for college students.  
 He also said that the number of students operating cars was not necessarily an indication of their

ability to pay more tuition. Rather, he said, it is an indication of the increased number of students who commute from nearby towns.  
 "Tuition should not be increased," he added, "unless it increases the quality of classroom education." He equated increasing the quality with attracting teachers with better salaries.

**Two Minutes With the Bible**

**Does Misery Love Company?**

We have all heard the statement: "Misery loves company." It is true that when one is sick or in trouble, he does not feel quite so sorry for himself when he realizes that others are as unfortunate, and perhaps more so than he.  
 However, some have used this phrase: "Misery loves company," in speaking lightly of hell. Perhaps you have heard someone say: "Well, if I go to hell, at least I'll have lots of company." This is true, but the company the lost will have when cast out of God's presence will hardly afford them comfort.  
 The Bible story of the rich man and Lazarus brings this fact out with great force. The rich man, you will remember, "fared sumptuously every day," while Lazarus "was laid at his gate, full of sores, desiring to be fed with the crumbs which fell from the rich man's table."  
 In the process of time, both died and the rich man, having felt no need of salvation, suddenly was made to experience God's wrath upon sin, for the sacred record says: "In hell he lift up his eyes, being in torments" (Luke 16:23). From his place of torment, the rich man saw Lazarus with Abraham "afar off" but this surely afforded little comfort, while we do read that "Lazarus was comforted." The rich man, then, still with haughty superiority, asked Abraham to send Lazarus back to earth to warn his five brothers "lest they come into this place of torment." He did not wish his brothers to join him in hell. "Misery" among those cast out of God's presence, then, does not "love company."  
 The story is brought to a close as Abraham refuses the rich man's request, explaining that if his brothers did not hear the Word of God "neither will they be persuaded though one rose from the dead" (Luke 16:31).  
 The way to avoid the lot of the rich man, then, is to believe the Word of God, particularly that part of the Word which tells how Christ died for our sins that we might be justified by grace through faith. Don't be fooled by the old adage: "Misery loves company." Receive Christ as your Savior today. "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

 Students who work during the summer and earn less than \$600 are not required to file an income tax return. Unmarried students who earned less than \$900 usually don't owe any tax. However, it is very important for students to file a tax return if they worked during the year and income tax was withheld from their wages. They must file if they expect to get their refund. Just like Dad, most students like to get a refund.
