SIXTY-SIXTH YEAR

NUMBER 46

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, JUNE 1, 1967

SINGLE COPY TEN CENTS

O. E. OFFICIALS VISIT HERE—Officials of the Office of Economic Opportunity visited Friday morning of last week with local directors of the O. E. O. Seated in front are: Richter of Austin, regional director of the Federal program, and Bob Allen, Texas director of O. E. O. Standing left to right are:

Joe Burkett, Robert Kincaid, local directors; Mrs. Don Wilkins, secretary of the local office; Mike Bird and Jimmy Quintero, local directors; Joe Meador of Lubbock, OEO program consultant; Ernest Tucker, Henry Black and Leslie Thomas, also local directors.

WEEK END SHOWERS STOP CUTTING

NEARLY ONE-THIRD MILLION BUSHELS OF WHEAT CUT

The harvest in Foard County of the 1967 wheat crop got going in a big way for a few days last week before a shower Saturday stopped things. Some wheat was cut Sunday and by Monday nearly a third of a million bushels had been delivered to the elevators.

The three elevators reported on Monday morning that a total of 318,000 bushels of the new wheat had been delivered up to that time.

Every year is a little different, of course, but the growing season for this crop being harvested was extremely different. Ample moisture was received last fall to get the wheat up over most of the county; however, no further moisture until this spring left the wheat in a dormant-looking condition with brown leaves on the plant showing the effect of the dry weather.

The 3 inches of rain received over this area early in April did almost "miraculous" things to the crop, and the crop has been made from those rains, which were the last until the showers received over the week end which stopped the harvest temporarily.

Rains Since Friday Total 1.42 Inches

Scattered showers over this area over the week end stopped the wheat harvest temporarily.

Last Friday night and during the early hours of Saturday, .3 inch was recorded in Crowell and .2 of an inch fell here Sunday night.

The Vivian community was the recipient of the most rain Sunday where over two inches was reported.

In addition to the week end showers, heavy clouds all day Tuesday brought scattered amounts of rain to the county. Unconfirmed reports were that heavy rains were received in the Foard City and Thalia communities, with some hail reported in the Thalia vicinity.

Official total here Monday and Tuesday was .92 inch.

Some hail damage to wheat was reported in Tuesday afternoon's rain with heavy damage reported in the Four Corners community.

Last Rites for Mrs. Ike Everson Held Friday

Mrs. Ike Everson, 73, long-time resident of Foard County, died Tuesday morning of last week in the Foard County Hospital.

Funeral services were conducted at 3 p. m. Friday from the First Baptist Church conducted by Rev. L. V. Eaton, pastor of the Free Will Baptist Church, who was assisted by R. C. McCord, Minister of the First Christian Church, and Leslie Thomas.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge of arrangements.

Pall bearers were Harvey Aydelott, R. P. Gidney, L. M. Glover, Baylor Weathered, Vernon Whatley, J. B. Fairchild, L. G. Simmons and Marion Martin.

Mrs. Artie V. Everson was born Dec. 28, 1893, to the late Mr. and Mrs. G. W. Totten in Arkansas. She was converted at a very early age and led an exemplary Christian life. A member of the Bethel Church, she attended regularly until her health failed.

She married Ike Everson Oct. 1, 1906, at Quanah. They moved to the Vivian community in 1915 where they made their home until moving to Crowell in 1949. Mr. Everson preceded her in death June 16, 1950.

Mrs. Everson is survived by six sons, Floyd Everson of Groom, Rev. Warren Everson of Crowell, Eugene Everson of San Diego, Calif., Dayton Everson of Crowell, Melvin Everson of Dallas and Dale Everson of Pampa; two step-sons, Walter Everson of Hobbs, N. M. and Roy Everson of Pampa; two daughters, Mrs. Meda Hudgens of Pampa and Mrs. Lois Boren of Crowell; one step-daughter, Mrs. Bessie Wright of Artesia, Calif.; two brothers, Arthur Totten of Decatur and Robert Totten of Clifton, 35 grandchildren and 37 great grandchildren.

All the children were here for the services except Mrs. Wright.

Crowell Methodist Pastor Transferred to Amarillo Church

Rev. Merriel H. Abbott, pastor of the First Methodist Church in Crowell for the past two years, was assigned to Wesley Church in Amarillo, according to the list of appointments read Thursday of last week at the closing session of the Methodist Northwest Texas Conference in Abilene.

Named as the new pastor here was Rev. Ernest McGaughey, who comes to Crowell from Lubbock where he was associate pastor of St. Luke's Methodist Church. Rev. and Mrs. McGaughey have two pre-school children.

Rev. E. H. Martin was re-assigned to the Margaret Methodist Church and Rev. Irl Holt will continue to serve the Thalia Methodist Church.

Returned for another year was Dr. Duane Bruce of Childress as district superintendent.

Other appointments announced which may be of interest to Foard County residents include the following:

C. C. Lamb, Lakeview; Truscott-Benjamin, Kenneth Hildebrand; Epworth Church, Abilene, Tommie T. Beck; Albany, Carl M. Anderson; Hereford, First Church, associate pastor, C. E. Matthews; St. Paul Church, Midland, Dallas D. Denison; Snyder First, John A. English; Seagraves, H. O. Abbott Jr.; Wesley Church, Lubbock, Grady Adcock; Berger First Church, Hubert Thomson; Mataro, John M. Fitzgerald; Plainview Trinity, Russell McAnally.

The Abbott family was honored at a reception following the Sunday night service. The Couple's Class was sponsor.

News About Our MEN IN SERVICE

Arthur P. Castaneda, 23, son of Mr. and Mrs. Lee Castaneda, is serving with the U. S. Infantry in Vietnam. Arthur has been in Vietnam for about a year, his father said.

Mr. and Mrs. John Teague returned home last week from California where they visited their son, Marine Gunner Sgt. John H. Teague, prior to his departure for duty in Vietnam. Sgt. Teague was scheduled to fly to Vietnam over the week end.

Aviation Structural Mechanic "H" (Hydraulics) Second Class Kenneth E. Coffey re-enlisted in the U. S. Navy on May 11 for a period of six years. This is the third re-enlistment of Petty Officer Coffey who has previously served almost 10 years. He is presently attached to the "Champions" of Attack Squadron Fifty-Six who are home based at the Naval Air Station, Lemoore, Calif.

His service has included deployments with the squadron to the Marine Air Corps Training Field at Yuma, Arizona, for a short two week bombing practice, and he is currently on a Western Pacific cruise on board the USS Enterprise. He is the son of Hayden Coffey of Crowell.

The Texas High School Coaches' Association is in the process of making plans for its annual coaching school. This year the school is to be held in San Antonio on July 30 through August 3.

Among those to be honored at the school are Thayne Amontett, former coach at Crowell and Bernice Fitzgerald. Amontett was a running back from Flomot while Fitzgerald played for Crowell as an end. Both were members of the 1939 all-star team.

Former Coach Here to Be Honored at Coaching School

The Texas High School Coaches' Association is in the process of making plans for its annual coaching school. This year the school is to be held in San Antonio on July 30 through August 3.

Among those to be honored at the school are Thayne Amontett, former coach at Crowell and Bernice Fitzgerald. Amontett was a running back from Flomot while Fitzgerald played for Crowell as an end. Both were members of the 1939 all-star team.

Welch to Head Salvation Army Campaign

Kick-Off for Fund Raising Campaign for June 22nd

Welch will head the annual Salvation Army campaign here, Foard County, and according to Judge Lesmas, chairman of the local Army service unit.

Welch has set the kick-off for the campaign as June 22 with a breakfast meeting at the community house at 7 a. m. Captains and workers will be present at the breakfast.

The goal of the campaign is to raise \$100,000 for the Salvation Army. Mrs. Loraine Carter, secretary of the unit, reported one hundred and two people given help last year. This included medical aid, lodging, and transportation. The unit cooperates with the state-organized Army welfare service to make possible eleven ser-

vice. In addition to Judge Thomas Carter, the local volunteer includes Henry Black, Clyde Eddy, Charles Branch, Elton Carroll, Mrs. Houston Ray Shirley and R. C. N. Eastus Jr., field representative for the Salvation Army who will assist the finance leader in the campaign.

Santa Fe Railway Using New Type of Hopper Cars for Hauling Wheat

Modern new covered hopper cars, as they are called by the railroad, can haul about 100 pounds of grain. They are roller bearings which make them much easier to load than the old boxcars. The new covered hopper cars have doors in the side, requiring no grain boards. They are loaded from the top, by easily-

One Foard Man Called for Physical

One young man, Michael Maurice Cates of Foard, is among the fifteen men ordered for pre-induction physicals to fill the June call, according to Mrs. LaVerne Wilkerson, clerk of Local Board No. 131.

Mrs. Wilkerson added that boys who are graduating from high school and are 19 years old are expected to file with their local board their written intention of entering college or university this fall in order to qualify for a delay of their pre-induction examination.

"Miss Wool" Is Granddaughter of Crowell Couple

Miss Sherill Reagan of Fort Worth was named Miss Wool of Texas for 1967-68 Monday night in Dallas, winning over fifteen finalists from over the state.

Miss Reagan is the daughter of Mr. and Mrs. J. H. Reagan of Fort Worth and granddaughter of Mr. and Mrs. C. D. Hall of Crowell.

She will begin a year of modeling woolen fashions in appearances across the state. Next year, she will compete in the Miss Wool of America pageant at San Angelo and then relinquish her state title to next year's winner.

Miss Reagan is a junior student in Texas Tech at Lubbock.

The finalists were guests Monday at a luncheon style show at the Great Hall of the Apparel Mart, scene of the finale. Tuesday, the contestants put on a fashion show of their own for a Texas fashion group.

The pageant is sponsored by the Texas Sheep & Goat Raisers' Association and this year was timed to coincide with the annual fall-winter apparel market in Dallas.

All the children were here for the services except Mrs. Wright.

Cotton Farmers Fail to Approve Allotment Transfer

Foard County cotton farmers rejected for a two year period the transfer of cotton allotments in this county.

A total of 165 votes were cast with 45 voting for and 120 voting against the proposition.

Miss Pam Carter Named New Lions Club Sweetheart

Chester Fant of Quanah, safety and education officer for the Texas Department of Public Safety, showed the Lions Club a film titled "Broken Glass" at the Tuesday luncheon of the club.

Miss Pam Carter, daughter of Mr. and Mrs. Loraine Carter, was introduced as the new sweetheart of the club for the ensuing year.

The annual installation of officers is set for Monday, June 26. Visitors at the meeting Tuesday included Vernon Bliss of Alva, Okla., Seth Halbert of Foard City and Terry Garrett of Port Lavaca.

John L. Stone Receives Degree at Louisiana State University

John L. Stone, son of Mr. and Mrs. Louis Stone of the Foard City community, received a degree in forestry from Louisiana State University at Baton Rouge last Saturday afternoon.

The more than 1300 graduates was a record for a single commencement since LSU began conferring degrees three times a year.

John is a graduate of Crowell High School.

Rotarians, Guests Hear Exchange Student Last Week

J. J. (Jacques) van Onselen, a Rotary exchange student studying at Abilene Christian College, was the speaker at the Rotary Club meeting Wednesday of last week. Guests at the meeting included wives of the Rotarians, and Troy Sampley of Abilene, who accompanied Mr. van Onselen.

J. J. (Jacques) van Onselen was born Sept. 9, 1934, in Kroonstad, South Africa. He was graduated from Sentraal High School, Bloemfontein, South Africa, in 1952, and received his B. A. degree from the University at Stellenbosch, South Africa in 1955 and the Secondary Teacher's Diploma in 1956.

In 1958 he taught Latin and English in a grammar school in Surrey, England, and since 1958 he has taught Latin at Grey College, Port Elizabeth, South Africa.

In 1963 he obtained his B. Ed. (M. A. in American terms) at the University of Rhodes in Grahamstown, South Africa. Since 1965 he has attended the University of Port Elizabeth, working on his Honors Degree.

At Abilene Christian College, he is working on his M. Ed. degree and has developed a keen interest in counseling.

He plans to return to Port Elizabeth the first part of July.

Three New Vehicles

Three new vehicles were registered here last week: May 22, Dick Todd, 1967 Ford 2-door; May 23, J. W. Martin, 1967 Chevrolet 4-door; May 26, Floyd Ferguson, 1967 Chevrolet pickup.

Savings Bonds Sales Here for '67 Total \$12,704.00

April sales of Series E and H United States Savings Bonds totaled \$687.00 in Foard County. This brings the county's total bonds sales for the year up to \$12,704.00, with the 1967 goal set at \$70,000.

Total purchases of E and H Savings Bonds in Texas for the month of April amounted to \$13,817,202. The January-April sales for the state totaled \$56,389,486, which is an increase of 8 per cent over the same period of 1966.

Nationally, cash sales of E and H bonds for the first four months of 1967 amounted to \$1,770 million, 4 per cent above sales during 1966. Sales of E bonds alone for the first four months were \$1,640 million, an increase of 6.3 per cent over 1966's \$1,543 million.

Mother of Jim Henry Died May 28

Mrs. W. H. Henry, 81, a resident of Quanah for the past 38 years, died Sunday morning in a Plainview hospital.

Mrs. Henry was the mother of Jim Henry of Crowell. Services were conducted at 4 p. m. Monday from the Quanah Church of Christ. Burial was in the Quanah Cemetery with the Knowles Funeral Home in charge.

Mrs. Henry was born Feb. 9, 1886, in Dallas. She was married in Crowell on January 10, 1909.

Surviving are her husband; two daughters, Mrs. J. H. Medlin of Twitty and Mrs. Lela Evans of Vernon; three sons, Jim Henry of Crowell, Leroy Henry of Vernon and B. E. Henry of Plainview; 19 grandchildren and 32 great grandchildren.

TO COMPETE IN STATE CONTEST—Miss Harriet Halbert, 16-year-old daughter of Mr. and Mrs. Kenneth Halbert, will compete in the State 4-H Food Show at 4-H Round-Up on June 6 at Texas A&M. Harriet won the right to enter the state food show with her table exhibit and food of braised steak at the district contest. She is shown above as she was awarded a chip and dip set by John H. Strait of Dallas.

Thalia

MRS. MAGGIE CAPPS

Mrs. W. C. Self and grandson, Pat Cates, spent from Wednesday until Friday in Amarillo visiting in the Coleman Self and Beverly Railsback homes, and attended graduation exercises for Amarillo High School. Their grandson and cousin, Bill Railsback, was one of the graduates.

Mr. and Mrs. O. C. Holland and Mrs. Teresa Farrar visited Mr. and Mrs. Bob Martin and daughters in Lubbock Sunday. The Martins are moving to Texarkana.

Mr. and Mrs. Weldon Farrar of Abilene spent the week end with their parents, Mr. and Mrs. Alton Farrar and Terry and Mr. and Mrs. O. C. Holland.

Mrs. F. A. Brown spent Sunday night with Mrs. W. J. Jones in Vernon.

Visitors in the home of Mrs. G. A. Shultz over the week end were her sister, Mrs. Irene Campbell of Wichita Falls, Mr. and Mrs. Holt Wood of Monahans, her brother, and her mother, Mrs. Eva Wood of Vernon. Sunday visitors included her daughter, Mrs. Curtis Schoppa, and family of Lockett; also the David Carpenter family of Wichita Falls and Mr. and Mrs. Holt and family of Monahans.

Mr. and Mrs. Ralph Dunn of Vernon visited his father, Jim Dunn, and his sister, Mrs. Roberta Rogers, and Danny Sunday. Visitors of Mrs. H. W. Banister Sunday included Mrs. T. N. Abston of Quanah and Mr. and Mrs. Alton Abston, Al and Andrea Kay, of Wichita Falls.

Mrs. Valley Jobe of Brownfield visited Mr. and Mrs. Clyde Self awhile Friday.

Mr. and Mrs. Morris McCarty of Vernon visited her mother, Mrs. Jessie Gamble, and the Oran Fords, over the week end.

Robert Ford of Springfield, Mo., returned home Thursday after several days visit with his brother, Oran Ford, and wife and relatives at Crowell and other Texas points.

Wheat harvest got underway here last week, but has been slowed down by showers and damp weather.

Pat Cates accompanied the CHS 4-Hers to Brownwood Monday to a Junior leaders camp with Joe Burkett and Mrs. Ray Iseng.

Mickey Hammonds of Floydada, who is in training at Fort Sill, Okla., visited his grandmother, Mrs. Maggie Hammonds, Saturday.

Onita Cates and Charles LeSueur of Abilene spent the week end with her parents, Mr. and Mrs. Thornia Cates and Mrs. Fay Whitman.

John Warren went to Littlefield Friday where he attended funeral services for a friend. He returned home Saturday.

Mrs. T. R. Cates and daughter, Mrs. Marshall Messick, Shawn and Lissa, went to Wichita Falls Tuesday where Mrs. Messick had

a medical checkup. Word was received here Monday morning of the death of Walter Henry of Quanah. He was the father of Leroy Henry and lived in this area years ago. The funeral was held Monday afternoon in Quanah.

Mr. and Mrs. Merle Moore and children and Mrs. L. H. Hammonds met Mr. and Mrs. Louis Pyle and the Weldon Hammonds family at the lake and spent the day there Sunday.

Mr. and Mrs. Charles Sharp and daughter of Detroit, Texas, visited her grandmother, Mrs. Susie Roberts, Sunday. Mrs. Sharp and baby visited Mrs. Lee Sims also.

Mr. and Mrs. Lee Sims spent Monday and Tuesday in Wichita Falls visiting her sisters, Mrs. Fay Britt and Mrs. Sam Bockman, and husband.

Mr. and Mrs. J. W. Phillips of Littlefield visited his cousin, Mrs. Lee Sims, and husband last week.

Mrs. Bessie Rake of Truscott attended the 50th wedding anniversary celebration Sunday of the W. A. Johnsons and also visited Mr. and Mrs. Ben Hogan.

Mr. and Mrs. Joe Eavenson are attending the bedside of his father, J. E. Eavenson, in a Seymour hospital several times each week.

Mr. and Mrs. Hugh Shultz of Margaret visited Mrs. G. A. Shultz one day last week.

Mrs. Jake Wisdom was admitted to the Crowell hospital Thursday.

Mrs. Maggie Capps visited Mrs. Jake Wisdom in the Crowell hospital Sunday afternoon.

Mrs. Lee Shultz and Mr. and Mrs. Ralph Shultz of Vernon attended the 50th wedding anniversary celebration of Mr. and Mrs. W. A. Johnson, and visited relatives here Sunday.

Roy Self visited Charlie Hathaway and his sisters, Mrs. Isa Belle Thompson and Mrs. Grace Mason, and husband in Vernon Saturday.

Mr. and Mrs. George Streit of Lockett, Ernest Streit of Vernon and Mr. and Mrs. James McLean and children of Quanah visited Mrs. Jake Wisdom in the Crowell hospital Sunday.

Bruce Casada of Lockett visited Miss Irene Doty Saturday.

Freddie McCurley of Vernon visited his sisters, Mrs. Jim Brooks and family and Mrs. Virgil Speers and family last week end.

Visitors of Mrs. Buna McKinley Friday included Mrs. Velma Scales of Vernon and Mrs. M. H. Jones and Mrs. J. C. Jones of Crowell.

Lee Sims visited his sister, Mrs. Effie Nash, in Vernon Monday.

Rea Gina Eavenson is visiting her grandparents, the Coy Paynes, at Margaret this week.

Sonny Guild of Abilene spent Sunday with Mr. and Mrs. W. C. Self and Sunday night with the Glen Swan family, after filling his regular appointment at the Church of Christ.

Mrs. Lyndal McBeath of Amarillo flew from Wichita Falls to Houston where she and their two children joined Mr. McBeath, who

is employed there. The 50th wedding anniversary celebration of Mr. and Mrs. W. A. Johnson was hosted by their sons and daughters-in-law, Mr. and Mrs. Waldon Johnson of Amarillo and Mr. and Mrs. Edgar Johnson of Vernon, in the Johnson home Sunday afternoon. A very large crowd of relatives and friends attended and many beautiful gifts were displayed.

The grandsons, Terry Johnson of Amarillo and Danny Johnson of Vernon, presided at the registration table and two of the granddaughters, Sherry Johnson of Amarillo and Pam Johnson of Vernon, presided at the serving table. Many area friends from Crowell, Vernon, Quanah and other communities were present and the following out of the area people: Mr. and Mrs. Judy Tole and the Alton Abston family of Wichita Falls, Mr. and Mrs. Boss Engle and Erwin Engle of Texhoma, Okla., Mrs. Hess of Hedley, Mr. and Mrs. J. W. Watts of Olustee, Okla., Mrs. J. E. Johnson and sons, Morris Johnson and family, and Larry Johnson and family, and Dennis Garrett, all of Austin, Alden Garrett of Midland, Mr. and Mrs. Tom Johnson and Mr. and Mrs. Willie Cato of Fort Worth, Mr. and Mrs. D. H. Allens of Grady, N. M., Mr. and Mrs. Forrest Durham of Anton, Mr. and Mrs. Keith Frost and family of Amarillo, Sonny Guild of Abilene, and Mr. and Mrs. Vernon Pyle of Wichita Falls.

Mrs. Dorothy Streit and children of Vernon visited relatives here Sunday.

Mr. and Mrs. Eudale Oliver visited Richard Johnson in a Wichita Falls hospital last week. Mr. Johnson is now at home.

Visitors of Mr. and Mrs. Eudale Oliver over the past week included Mr. and Mrs. Raymond Oliver of Hale Center, who came to assist Eudale in getting his harvest machinery started; Mr. and Mrs. Rede Pyle and son, Gerald, of Iowa Park, who will make the harvest with the Olivers; Roy Shultz of Childress and Mrs. Hazel West, Mr. and Mrs. Edward Brock of Farmers Valley, Floyd Oliver of Amarillo, Mr. and Mrs. Ralph Shultz and Mr. and Mrs. Lee Shultz and Mrs. Velma Scales of Vernon.

Mrs. Raymond Oliver and Mrs. Ira Tole accompanied Mrs. Eudale Oliver and Leon to Abilene Friday. Leon remained there to continue his school work.

Ricky Eavenson returned home from college Wednesday and left Monday for Denton where he is employed.

early season insect control program in Foard and Wilbarger Counties, president Otto Streit of Vernon reports. This year the association is undertaking a program to give area farmers an economical way to control the big three early season problem insects: thrip, fleahopper and bollweevil.

The first and very important phase of this program, according to Mr. Streit, is the uniform planting of the area cotton.

The 15th of May was set as the target date for starting the planting of irrigated cotton and the 22nd of May for the target date to begin planting dry land cotton. If moisture is available, it is hoped that all cotton can be planted by June 10. For the few early planted fields of cotton, the association is strongly suggesting early season control programs to be conducted by the farmer on an individual basis.

The second phase of the association program is a massive two-application uniform spraying in the control area. Based on competitive bids by aerial applicators, Bobby Shivers of the Shivers Flying Service, Vernon, will apply the insecticide. After a careful review of a number of insecticides, taking into account cost of the material, safety of use near other crops and livestock, and extension service recommendations, the directors made the decision to use 12 ounces of low volume Malathion per acre again this year. Last year this same material at the same rate was used in the association program with excellent results. Low volume Malathion has a USDA pesticide label for all of the early season insects that are a problem in this area plus it is one of the least toxic materials on the market, thus affording maximum safety.

The two-application spray program will be conducted approximately the last two weeks in June. The directors have definitely decided against the program continuing past the first couple of days in July, thus aggravating the bollworm problem by killing beneficial insects as bollworms are developing.

Mr. Streit says that all the farmer has to do to be included in the association's early season control program is to sign up at 1 of the cooperating gins in the control area. These gins are Fargo Gin, Farmers Co-Op. Society of Crowell, Farmers Co-Op. Gin of Odell, Farmers Co-Op. Gin of Thalia, Farmers Co-Op. Gin of Vernon, Farmers Valley Gin Company, Five-in-One Co-Op. G. Association, Lockett Gins, Rayland Gin Co., and J. R. White Gin.

The cost of the program to the

farmer is \$1.35 per acre for material and applications. Whether the farmer signs up for both applications or only the first or second application will depend on the stage of development of his cotton. Wilbarger County Agent Norman Drake and Area Entomologist Emory Boring will be providing additional information on this matter.

The overall goal of the Greenbelt Cotton Improvement Association's early season control program is to effectively control thrip which retard the early development of young cotton, fleahoppers attacking squares as they are formed, and to greatly reduce the over-wintered population of boll weevils, which are emerging from hibernation. If the over-wintering population is sufficiently reduced on an area basis, it will greatly reduce weevil damage as an economic factor later in the season, Mr. Streit says.

Pamper Your Personal Prosperity with Growth Vitamin \$

Every drop of water, every bit of fertilizer that you put on a growing plant is returned to you in value . . . increased many times.

And every dollar spent at home instead of in some other community . . . promotes the growth and luxuriance of your own little personal prosperity tree.

We don't expect the neighbors to water and weed and fertilize our gardens so that we won't have to put out any effort on them. But a lot of us expect somebody else to do all of the trad-

ing at home that it takes to support and improve our jobs, our businesses, our schools and churches and other community helps to a richer life.

Trouble is . . . a lot of them are looking for us to keep the ball rolling while THEY go city-shopping.

Let's . . . every one of us . . . remember that loyalty to our home community is merely loyalty to our own economic welfare . . . that scattering our buying power leaves our own personal prosperity plant with less nourishment.

Card of Thanks
 We want to thank all our friends and loved ones for every card, letter, visit, flower, phone call, food, every act of kindness and every good word, and above all, those that prayed for Richard while he was in both hospitals. A special thanks to the hospital staff and Dr. Stapp for being so good. May God bless everyone of you is our prayer.
 Richard and Fannie Johnson.

Noted Texas oilman and wildcatter M. B. Rudman of Dallas predicted that the United States will be in a "desperate situation" within 15 years if wildcat drilling and new production of oil and gas is not accelerated rapidly.

OPEN MEETINGS MANDATORY BY GOVERNMENTAL BODIES

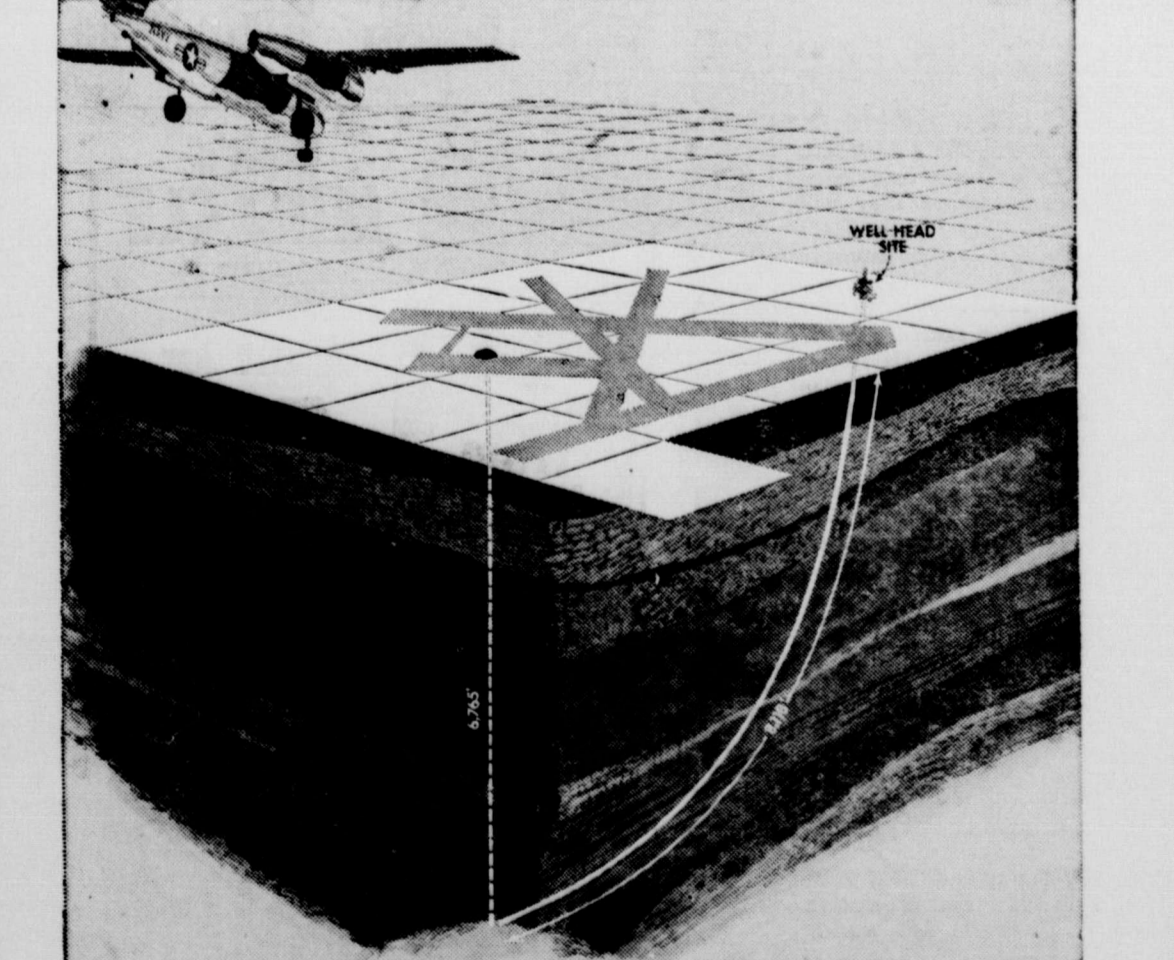

Gov. John Connally, on May 22, signed into law an "Open Meetings" bill which he proclaimed as "a great step forward for the people of Texas."
 He was referring to Senate Bill 94 sponsored by Sen. Chet Brooks of Pasadena. Similar legislation was introduced in the House by Rep. Bill Rapp of Raymondville.
 Passage of the "Open Meetings" legislation at the 1967 session culminated a drive that began some 20 years ago. It was engineered by legislators and the press to insure a better flow of information to the public.
 At the bill signing ceremony, Governor Connally made this statement regarding the importance of the legislation:
 "Senate Bill 94, commonly known as the open meetings bill, provides basically that all meetings of boards, agencies and commissions shall be open meetings, open to the press. This is something that the working press in the capitol and the press throughout the state have been interested in for a long, long time. I think it's a historic and significant bill and a significant day."
 "Certainly there's never been any desire, as far as I know, on the part of anyone who serves on a board or an agency or commission to transact its business under the cloak of secrecy. But, nevertheless, the meetings have, from time to time, been closed."
 Connally added: "This bill will now end that and provide that all the meetings shall be open to the press. It's a great step forward in trying to provide a means where the public can be more informed with respect to governmental affairs and public affairs."
 "Beyond any question, one of the weaknesses of a democratic society is that it's always difficult to try to articulate and to inform the public of the problems that surround the administration of government. I personally feel that if the public is informed, if it has the knowledge, people themselves will always make the right decisions. And this is going to be a step in providing the means where people can be better informed on the workings of their government."
 Governor Connally further stated: "This is particularly important because the affairs of this state are run by the various agencies, boards and commissions. People generally do not quite understand the significance of these various boards, agencies and commissions and the work that they do and the decisions they make. It is really the heart and the essence of government in Texas."

"So I want to applaud the efforts of the press itself to bring into the light and to the awareness of the Legislature the need for this type of legislation. I want to commend the members of the Legislature who supported it and congratulate the people of Texas that they now can be better informed on their own affairs."

Excepted in the bill, so far as open meetings are concerned, are grand juries and certain executive sessions supported by or expending public funds. The law also excepts meetings called to consider the appointment, employment or dismissal of a public officer or employee or to hear complaints or charges brought against such persons, unless the individual concerned requests a public hearing.

Similar legislation was introduced by the Texas Press Association some 20 years ago. This year it had the backing not only of TPA but also the Texas Daily Newspaper Association and the Sigma Delta Chi journalistic fraternity, plus the support of radio and television media.

Co-sponsors of the new law, in addition to Senator Brooks, were the following Senators: Joe Christie of El Paso; Barbara Jordan of Houston; Criss Cole of Houston; Henry C. Grover of Houston; A. R. Schwartz of Galveston; and Dorsey B. Hardeman of San Angelo.
 Joining Representative Rapp in escorting the bill through the House were Representatives Russell Cummings and Paul Floyd, both of Houston.

OIL UNDER THE RUNWAYS—An oil-bearing formation below the Corpus Christi Naval Air Station presented an unusual drilling problem for Humble Oil & Refining Company. Wells had to be completed without interfering with any flights or other base operations. Humble, which obtained federal leases to drill for the oil, completed approximately 30 wells by directional drilling. This illustration shows how a typical well was angled away from the well head site to a completion point three-fourths of a mile away. The black dot on one of the runways indicates where the well would have been drilled in the normal vertical fashion if the surface had not been restricted.

LITTLE LEAGUE NEWS

By Marion Crowell

Can you believe: the 1967 Little League season is already one-third gone? A lot of "coming events have cast their shadows before" like: despite being on the bottom of the league, VFW could win it. In Grover Reed and David Stapp they have a pair that could develop into consistent winners, since the VFW kids scamper always into a few runs. It's a case of "uneasy wears the crown" for Foard County Mill as they lose Mark Abbott soon and since they

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, June 3, 1937, issue of The Foard County News:

Eighty-seven boys have enrolled in the Civilian Conservation Corps from Foard County through the local relief office during the past four years, according to figures released from this office.

Merl Kincaid underwent an operation for the removal of the appendix in the Quana hospital Monday.

Over 38,000 bushels of the predicted one million bushel wheat crop for 1937 had been received at the elevators of Foard County Wednesday.

One inch of rain received in Crowell last week end raised the total inches of rainfall registered during May at the Crowell State Bank to 2.4 inches.

Wheat farmers of Foard County were warned by the elevator men of Crowell of harvesting their wheat while it is wet or green.

Sister Frances Claire and Sister Regina of the Order of Saint Mary of Namur are in Crowell this week conducting a religious summer school at the local Catholic Church.

Miss Donna McLain received her diploma as a graduate nurse at the commencement exercises of the City-County Hospital in Fort Worth Friday night.

The proposal for the establishment of a city park was introduced to the Farmers and Business Men's Association at its monthly banquet held in the basement of the First Methodist Church Monday night.

Foard County faces a heavy grasshopper infestation unless farmers make rapid applications of poison to help curb this pest menace, according to County Agent John Nagy.

Mr. and Mrs. Grady Halbert moved from Foard City to Crowell Monday.

Misses Elsie Payne and Jo Roark and Mrs. Doris Gentry left Tuesday for Canyon where they will enroll in the West Texas State Teacher's College for the summer session.

Dan Hines Clark returned Wednesday morning from Galveston where he completed his junior year at the University of Texas College of Medicine.

Mrs. Homer Johnson and baby son have returned from a visit of several weeks with relatives at Beaumont.

Miss Ruby Smith of Margaret received her Bachelor of Science degree from the North Texas State Teacher's College at Denton at its forty-seventh annual commencement exercises Wednesday, May 29. She majored in elementary education and her minor was public school music.

Mrs. Abb Dunn and Mrs. John Taylor attended the federation meeting at Riverside last week.

Mrs. Leon Solomon of Crowell visited Mrs. E. S. Flesher at Thalia Thursday.

There has been a softball team organized at Rayland. They play each Sunday afternoon on the gin yard.

have lost the use of Jackie Blackburn as a pitcher. Rocky Bachman has done yeoman service to be a big factor in their being atop the league, but it wouldn't seem to be a cinch for them to stay there. Farmers Elevator pitchers Allen Tapp (such a young one!), Rickey Nichols and the now-great Phillip Bell, quite possibly might get the Yankees into the thick of it . . . and, if Crowell State Bank can come up with another pitcher to match the efforts of improving Don Ray Santos, brother, just look out. This year's championship race could be a dog fight!

Did you ever notice: how much Reed Davis now looks like our Little Tiger (Larry McBeath) of a few seasons back? (Sure looked like him last Tuesday night with his clutch hitting) . . . Foard County Mill's "Big Three," Rocky Bachman, Jackie Blackburn and Jim Shook, have powered their team into first place . . . but they need more help from the other youngsters to keep them there! . . . I asked my granddaughters last Saturday night if they came up to the baseball games. "Yes, granddaddy," replied Tammye. "we got there just at refreshment time." . . . (Note to ladies of the concession stand: see, someone

DOES hear my commercials!) . . . "Marion, what does a big K mean on your scoreboard," asked Johnny Peppy Hercules Hernandez last Saturday night. "It means strikeout," I replied. "Hah," insisted the peppy one, "that's what I never do this season." Then, what happened? In the next game the little skunk struck out three straight times! Lynn Nelson is a little guy who's doing quite a catching job for the VFW crew without fanfare. He catches everything with in reach and sparks his team to some runs in every game. No home runs in the first round of play! Three hits dropped just

inside the fence, but none has been hit over the wall nor has even bounced over . . . Bill Bell is carrying aspirin and Tums . . . and using 'em! . . . As we go to press it's beginning to rain. Wonder if we'll play ball tonight?

Passport to Federal Recreation Areas on Sale at ASCS Office

For the convenience of people planning to visit national parks or federal recreation areas this summer, the annual Golden Eagle Passport, a wallet sized plastic card which is a passport to all

federal recreation areas, will again be offered for sale.

These cards can be purchased at the local ASCS office and the cost is \$7.00. This card is valid from April 1, 1967, through March 31, 1968.

ASCS Newsletter Asks Farmers to Bring in '66 Cotton Records

In the May newsletter mailed out by the Foard County ASCS committee, cotton farmers were reminded that cotton must be planted and worked in a work-

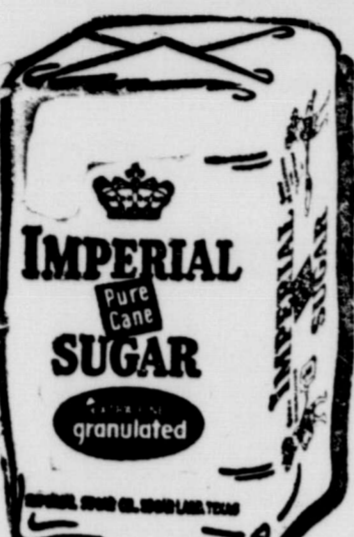

manlike manner to receive support payments. Operators of cotton farms were requested to bring in their records of cotton produced and, if available and not previously filed, for 1965 and 1966.

The office also announced diverted acres must be equal productivity to those on which farmers plant the land that has not been planted used for. It must be planted and worked in a work-

liamson and two children of Ozona,
Mr. and Mrs. Bob Rall and
six children of Hoxie, Kansas,
Mr. and Mrs. Douglas Reagan and
two children of Chillicothe; also
Mrs. Williamson's brother, Odef
Rector, wife and their two grand-
children and Mrs. Martha Veck
of Vernon.

Card of Thanks

To Dr. Stapp, the nurses and
hospital staff, special nurses and
those who set with her during her
illness, we wish to say thank you
so much for the wonderful care
during her stay in the hospital.
Thanks to all the wonderful
friends for the flowers, cards,
visits, and those who asked con-
cerning her, and most of all your
prayers. May God bless each of
you.

The Children of Mrs.
Ike Everson. 46-1tp

Card of Thanks

May we take this means to
thank each of you who have shared
in our recent sorrow, in the
loss of our mother, Mrs. Ike Ev-
erson. Your prayers, words of en-
couragement, cards, flowers, and
every act of kindness will always
be remembered and appreciated.
May God bless you all is our pray-
er.

The Family of Mrs.
Ike Everson. 46-1tp

**Agent Says New
Fabric Developed**

A fabric that is genuinely new
in the eyes of the consumer has
been recently developed, accord-
ing to Virginia J. Ilseug, County
Home Demonstration Agent. The
tradename of the fabric construc-
tion is Malimo. Malimo produces
a new breed of fabric—neither
woven nor knit nor what is com-
monly considered a non-woven.
However, Malimo fabrics are pre-
sently classified with the non-wov-
en group.

As in woven fabrics, two lay-
ers of yarn are normally used to
make Malimo cloth—a sheet of
warp or lengthwise yarns and a
sheet of filling or crosswise yarns.
Rather than being woven togeth-
er, the two layers of yarn are
merely placed one on top of the
other and passed beneath a needle
bar. The needle bar holds hun-
dreds of needles which stitches or
sews the two layers together. Mal-
imo fabric can be sewn either
with lock stitch or a trikot knit
stitch. Malimo can be made to
look like a knit or woven fabric.

Malimo fabrics have many de-
sirable characteristics. Due to its
ability to produce cloth 20 times
faster than conventional looms,
has the potential for reducing the
cost of fabrics. Evidence indicates
that many of the Malimo fabrics
can be made fully machine wash-
able dryable.

**One of Fastest
Growing Sectors
in Our Economy**

Over the past several years, one
of the fastest growing sectors in
our economy has been the state
and local governments. In just
ten years, these governmental
bodies have increased their em-
ployment almost 60 per cent. Over
the same period their payrolls
more than doubled, rising to \$3.5
billion, and their total expendi-
tures nearly doubled, increasing
to about \$80 billion. State and
local expenditures have in fact
grown about twice as fast as fed-
eral outlays and presently account
for more than three-fourths of
all government civilian expendi-
tures, according to M. A. Wright,
president of the Chamber of Com-
merce of the United States.

**Americans Spend Big
Sum for Health Care**

American consumers spent more
than \$28 billion for health care
in 1965, or 6.5 per cent of a total
of \$431.5 billion in consumer ex-
penditures, according to figures
released by the U. S. Department
of Commerce. This was an in-
crease of 9.5 per cent over that
of 1964.

Increase in Workers

A report in "Business Trends"
shows that federal, state and local
governments added nearly a half
million workers to the payroll in
1965. These agencies now employ
approximately 10.5 million peo-
ple, a 65 per cent increase over
1955.

**1966 Traffic Cost
in Texas Reaches
All-Time High**

Texas 1966 traffic cost soars
to an all-time high. There were
524,972 traffic accidents, an in-
crease of 53,984 over 1965. There
was a record of 3,406 human lives
lost in traffic accidents, an in-
crease of 378 over 1965. An-
other 208,310 were sent to doc-
tors and hospitals, an increase of
22,248 over 1965, some of those
injured being maimed for life.
Some 890,000 automobiles were
damaged or demolished. The eco-
nomic loss came to an astound-
ing figure of \$557,414,000, an
increase of \$59,327,000 over 1965.
**Foard County's contribution
to the 1966 Texas traffic cost
was one killed, 22 injured, and
an estimated property damage
of \$31,185.00.**

If the 3,406 dead traffic vic-
tims were stacked in a pile, the
dimensions would be about 3.7
miles in length, or 1.1 miles in
width, or .5 of a mile in height.
The dimensions of the some 890,
000 damaged or demolished ve-
hicles would be about 2,907 miles
in length, or 1,113 miles in width,
or 852 miles in height. The di-
mensions for the 208,310 injured
would be about 227 miles in
length, or 66 miles in width, or
33 miles in height.

Now for a descriptive look at
the \$557,414,000 estimated econ-
omic cost of the traffic accidents.
The playing area of a football
field measures 300 feet by 160
feet, or 48,000 square feet. United
States currency measures about
2 5/8 inches by 6 1/8 inches. If
a football field were completely
covered with one dollar bills, then
a layer of two dollar bills, then
a layer of five dollar bills, then
a layer of ten dollar bills, then
a layer of twenty dollar bills, then
a layer of fifty dollar bills, then
a layer of one hundred dollar
bills, then a layer of five hun-
dred dollar bills, and on top of
these eight layers of paper money
dump 8,806 tons of silver dollars,
this would represent the econo-
mic loss in Texas for the year 1966.

The \$557,414,000 estimated
loss would have bought 10,000
homes at \$20,000 each; 10,000
refrigerators at \$400 each; 10,000
cooking ranges at \$350 each; 10,
000 TV sets at \$350 each; 10,
000 dishwashers at \$300 each;
10,000 automobiles at \$3,000
each; 10,000 central air condi-
tioning units at \$1,400 each and
furnished the head of each of the
16,000 households with a bank
account of \$29,941.

If the problem is serious to-
day, what about tomorrow? The
state will continue to grow. The
population will increase, which
means more drivers and auto-
mobiles and more miles driven.
If the present problem contin-
ues, in Texas by 1975 there will
be 1,000,000 traffic accidents
resulting in 7,000 persons killed,
500,000 injured, and an esti-
mated property damage of over
\$1,000,000,000.

**Two Minutes
With the Bible**
Peace with God, Access to God
and the Hope of Glory

According to Rom. 4:25, Christ
was delivered to death for our
sins and then raised from the
dead because He had fully settled
our debt that we might be just-
ified. The results of this mighty
work of redemption are marvel-
ous indeed to ponder over.

First, it means for every believ-
er in Christ that "being justified
by faith we have peace with God"
(Rom. 5:1). If Christ has paid
for our sins and the barrier be-
tween God and us has been re-
moved, why should we not enjoy
peace with God? Why should we
not rise in the morning, go about
our work during the day and re-
tire at night with complete con-
fidence that all is well; that we
are at peace with God and that
He loves us as His own?

But more: Verse 2 goes on to
say that by Christ we also have
"access by faith into this grace
wherein we stand." If the barrier
of sin has been removed and we
are at peace with God, what is
there to keep us from His pres-
ence? Especially when He bids
us to "come boldly unto the throne
of grace, that we may obtain
mercy and find grace to help in
time of need." How wonderful
to have a standing before God in
grace; to be at peace with Him
and to enjoy free access into His
presence by faith!

But there is still more. Not
only does the believer in Christ

**Would Help Lower
Income Families**

One hundred and six members
of the House of Representatives
and 38 Senators joined in intro-
ducing the 1967 Home Owner-
ship Bill, authored by Senator
Charles Percy of Illinois. The
legislation would authorize the es-
tablishment of a National Home
Ownership Foundation. This foun-
dation would raise \$2 billion in
private funds through the sale
of bonds to provide mortgage as-
sistance for lower income Ameri-
can families unable to afford or
obtain conventional mortgage fi-
nancing.

Motor Fuel Taxes

By July 1, 1966, U. S. motor-
ists had paid an estimated \$100
billion in state and federal motor
fuel taxes since the first levy was
enacted in 1919.

SANTA ROSA PROMISES THRILLS—
Rugged rodeo action, with a generous offer-
ing of thrills and spills are a guaranteed at-
traction of the 22nd annual Santa Rosa
Roundup at Vernon, Tex., June 7-10. Four
big nightly RCA shows, with the world's
greatest rodeo cowboys seeking to bolster
their standing in world's championship com-
petition, have become a tradition of the
Roundup, founded by the late E. Paul Wag-
goner. Hundreds of thousands have seen the
show, and many out-of-state rodeo enthu-
siasts travel long distances annually to take
in an event that they've found to be one of
the nation's greatest rodeo attractions.

John J. Matus III and Miss Newton Wed in Vernon Saturday

Miss Mary Ewellene Newton of Dallas became the bride of John Joseph Matus III of Fort Worth in a ceremony solemnized Saturday evening in the Holy Family Catholic Church of Vernon. Rev. Gerald Cooney, pastor, officiated at the double ring rites. The bride is the daughter of Mr. and Mrs. E. L. Newton of Vernon and the bridegroom is the

son of Mr. and Mrs. J. E. Matus of Route 2, Crowell.

The couple repeated marriage vows before an altar decorated with large baskets of white gladioli. A sil kaisle cord with smilax marked the pews.

Traditional wedding music was furnished by Mrs. J. A. Huber as she played "The Bridal Chorus" from "Lohengrin" by Wagner; "Ave Maria," by Schubert, and "The Rosary" by Rogers.

The bride, presented in marriage by her father, chose a formal-length gown of white silk organza and Alencon lace designed with a floor-length wattleau lace train. The empire bodice accented a rounded neckline embroidered with seed pearls and long tapered sleeves of Alencon lace. Her headpiece was a veil of English imported silk attached to an organza rose, trimmed with bridal pearls. She carried a bouquet of rosebuds and stephanotis centered with an orchid.

The bride's sister, Miss Wanda

Newton of Dallas, was maid of honor. She wore a formal length sleeveless A-line gown of light blue silk organza covered with Alencon lace. A short veil was attached to an organza rose. She carried a bouquet of blue pompon mums.

Bridesmaids were the bridegroom's cousins, Patricia Motl and Sally Motl of Seymour; his sister, Patricia Matus of Crowell, and a friend of the bride's, Miss Linda Dickey of Commerce.

The attendants were attired identically in formal-length A-line gowns of light blue silk peau de soie covered with chiffon. Their short veils were topped with a peau de soie coif and they carried colonial nosegays of white pompon mums, accented with white tulle and velvet trim.

The bridegroom's cousin, Miss Angela Matus of Goree, was flower girl. She carried a miniature tulle basket with white baby pompons and velvet ribbon. The bridegroom's cousin, John Charles Matus of Wichita Falls, was ring bearer.

Jerome Matus of Fort Worth served his brother as best man. Groomsmen were Donnie Matus of Red Springs, Mike Matus of Crowell, Thomas Kajs of Crowell and David Matus of Vernon. Mike Cates was usher.

Mrs. Newton chose for her daughter's marriage a beige dress with beige accessories. She wore an orchid corsage. The bridegroom's mother was attired in a powder blue lace dress with white accessories. She wore an orchid corsage.

The parish hall of the church was the setting for a reception.

The bride's table was covered with a white linen cloth and centered with an arrangement of white gladioli and pompons in a cupid epergne. Garlands of smilax were placed around the base of the epergne. The white three-tiered wedding cake was decorated

with blue roses and topped with a miniature bride and groom.

Mrs. Margie Kays and Miss Sherry Kubitz assisted with the serving.

Guests were registered at a table attractively decorated with an arrangement of baby mums in a small white cupid bowl.

As the bridal couple left on a wedding trip to New Orleans, the bride was attired in a two-piece light blue linen suit with white patent heels and white gloves. Complementing her attire was the orchid corsage from her bridal bouquet.

When the couple return, they will make their home at 1400 Sagebrush in Euless.

The bride is a graduate of Vernon High School and is employed with Texas Instruments Inc. of Dallas. The bridegroom is a graduate of Crowell High School, attended Texas Technological College and Midwestern University. He is presently employed with General Dynamics in Fort Worth.

Nellie Ruth Aranda Weds Mike R. Leija

Miss Nellie Ruth Aranda became the bride of Mike R. Leija on May 15. The couple exchanged vows in Amarillo with Judge Cliff Roberts officiating.

The bride is the daughter of Mr. and Mrs. Bruno Aranda of Crowell and the bridegroom is the son of Mr. and Mrs. Martin Leija Sr. of Crowell.

The bride is a 1966 graduate of Crowell High School and was employed with Manufacturing Co. Inc. The groom attended Crowell High School and is presently employed with Layne Texas Co. in Amarillo.

Eastern Star to Install New Officers Tuesday, June 6

Crowell Chapter No. 916, Order of the Eastern Star, will install a new slate of officers in an open, formal ceremony at the Masonic Hall on Tuesday, June 6, at 8 p. m.

Scheduled to take office are Mrs. Ona Lee Taylor, worthy matron; Robert Taylor, worthy patron; Mrs. Vera Thomas, associate matron; Elton Carroll, associate patron; Mrs. Marietta Carroll, secretary; Mrs. Bernice Carroll, treasurer; Mrs. Roberta Barker, conductress; Mrs. Mae Naylor, associate conductress; Mrs. Lona Pittman, chaplain; Mrs. Vetrice Gentry, marshal; Mrs. Agnes Dunn, organist; Mrs. Iola Huskey, Adah; Mrs. Wilma Gamble, Ruth; Mrs. Lou Eva Swan, Esther; Mrs. Verda Bell, Martha; Mrs. Alycne Pittillo, Electa; W. R. Moore, warder; and A. Z. Pittman, sentinel.

The installation ceremony will be conducted by Mrs. Lottie Estes, installing officer; Mrs. Maggie Gentry, installing marshal; Mrs. Lizzie Kenner, installing chaplain, and Mrs. Elizabeth Welch, installing organist.

Refreshments are to be served local guests and area visitors.

Farmers Union Youth Camp to Be Held at Bailey, Colo.

Texas Farmers Union Youth Camp will be at Bailey, Colo., from June 11-17. This year's camp is being jointly sponsored with Rocky Mountain Farmers Union.

Camp fee is \$25.00 for the week including lodging and meals, but not transportation. If there is sufficient interest, a chartered bus will be arranged to transport campers to Bailey.

Foard County boys and girls who are at least sophomores in high school and not over 18 years of age, are invited to attend.

Youths interested are asked to contact Cecil Carroll or the local Farmers Union office.

Local Man's Kin Died in Florida

F. B. Ferrell, 67, of Maitland, Florida, died May 18 in an Orlando hospital. He was buried in Dallas May 22.

His wife was an aunt of George Davis of Crowell and they had visited in the Davis home several times in the last few years. Mr. and Mrs. Davis attended the funeral.

Survivors include his wife; one son of Dallas, three brothers and three grandchildren.

Just over half of Texas' out-of-state automobile visitors (53 per cent) reported vacations as their primary purpose for coming to Texas in 1966. The second largest category included those coming to Texas to visit members of their family and friends (27 per cent). Some 15 per cent said they were in Texas for business reasons, including conventions, or a combination of business and vacation.

LOWELL MC KOWN

Nephew of Local Residents Initiated into Fraternity

Lowell Calvin McKown of Memphis, a sophomore student at West Texas State University at Canyon and a 1965 graduate of Memphis High School, was initiated May 6 into Alpha Phi Omega, a national service fraternity.

Lowell is the son of Mr. and Mrs. Lynn McKown of Memphis and is a nephew of Mr. and Mrs. G. L. Cole and Mr. and Mrs. A. B. Calvin, all of Crowell.

The purpose of Alpha Phi Omega is to be of service to the university campus, the community and to the nation. The fraternity works closely with the faculty and staff of the university to promote leadership, friendship and service on the campus of West Texas State University.

Lowell has also been selected by Mrs. Winnie Wester, manager of Guenther Hall where he has resided the last two years, to reside in the Upperclassmen's Study Unit of Guenther Hall. Students are selected for this honor on the basis of scholarship and citizenship.

Lowell is majoring in education with minors in history and English.

Sidewalk Art Show to Be Held in Vernon

The Vernon Art League is sponsoring its 13th annual Sidewalk Art Show on Thursday, June 1, from 10 a. m. until 4 p. m. The show will be in downtown Vernon at Main and Pease Streets, across from the county court house.

Registration will be from 8 to 10 a. m. on June 1. The fee is \$2.00 for three entries and \$5.00 for each additional entry. Prize money in the amount of \$75 will be awarded. Entry classifications are: oil, water soluble, mixed media, sculpture, crafts and non-objective.

Mrs. Jim Hughes, chairman of the event, has announced that Mrs. Wanda Cole, instructor in the art department at Midwestern University, will judge the show.

FOARD COUNTY FARM BUREAU JACK WELCH, AGENT

Infant Buried

Graveside rites for the infant daughter of Mr. and Mrs. E. Owenby of Fort Worth, were at 1 p. m., Saturday, May 27, at Laurel Land Cemetery in Fort Worth.

Services for the infant, Lisa, were conducted by Rev. Moore.

Attending from this area were Luther Marlow, Mrs. Howard Gresson and Mr. and Mrs. V. Johnson of Crowell and Mr. and Mrs. Delmar McBeath and family of Vernon.

Tax Man Sam See

During the summer thousands of students find jobs and help taxpayers through our income withholding system. The Internal Revenue Service reminds students that they should be sure to file an income tax return by January 1, even though they make less than \$600. Students who work only during the summer are usually entitled to a refund. Unless they file an income tax return, the government has no method of giving them a refund of the taxes they do not owe.

Down Town Bible Class

Eighteen men heard J. C. teach the lesson at the Sunday morning meeting of the Downtown Bible Class. Cris M... led the singing and Miss Lane Lemons played accompaniment.

Here's why MALATHION LV CONCENTRATE is the No. 1 ultra low volume boll weevil insecticide!

- PROVEN EFFECTIVENESS. Used on millions of treatment acres of cotton over the last 3 years, Malathion has given better than 95% weevil control at the U.S.D.A. registered rates of 8 to 16 ounces per acre.
- LOW HAZARD. Malathion has the lowest oral and dermal toxicity of any cotton insecticide. (Clinical Handbook of Economic Poisons U.S. Public Health Service).
- BROAD REGISTRATION. In addition to the U.S.D.A. registration for control of thrips and boll weevil on cotton, Malathion is the only ultra low volume insecticide registered for use on 20 food and forage crops and beef cattle at 2 to 16 ounces per acre. (U.S.D.A. registered number 241-110)
- FREEDOM FROM DRIFT RESIDUE WORRY. Drift residues to adjacent food or forage crops or cattle present no problem at recommended rates.
- ALL-SEASON USAGE. Malathion has given outstanding control of boll weevil on cotton when used early for over-wintering weevil, later in the season for subsequent broods and up until killing frost in diapause control.
- ECONOMICAL. Cost of material alone does not establish true economy. To the cost of material per acre must be added... proven effectiveness in 3 years of commercial use... low hazard to the applicator and all target areas... broad registration, permitting application even on beef cattle... freedom from drift residue worry... and all-season usage on cotton from emergence to frost. These advantages PLUS low per acre cost makes Malathion LV Concentrate the No. 1, economical, ultra low volume insecticide for boll weevil control.

Foard County Mill Now Leader in Little League Play

As of Saturday night, May 27, Foard County Mill's Cardinals were undisputed leaders of the local Little League by virtue of two victories over Crowell State Bank during the past week. Farmers Elevator split its two-game series with VFW to nail down the second place in the standings.

Details of last week's games are as follows:
 Tuesday night, May 23, 7:30 p. m.: VFW 9, Farmers Elevator 5. Grover Reed's pitching was adequate as he held the Yankees to two hits by Reed Davis (a triple in the second inning, a single in the fourth), and his mates hopped on a walk and three errors for four runs in the first frame for the margin of victory.

For the Vets, Tim Daniels hit two-for-three; Lynn Nelson got their only other hit with a single in the third.

Tuesday, May 23, 9:30 p. m.: Foard County Mill 17, Crowell State Bank 11. The Cardinals' big three, Jackie Blackburn, Rocky Bachman and Jim Shook, each hit two-for-two in this one to lead the Cards to victory. Thirteen walks helped run up their score. Emmitt Newman and Bob Brown also had perfect nights at the plate with one hit each and two walks, and Steve Setliff picked up a base hit in the third frame. The curfew closed down this game after three innings.

For Crowell State Bank, Danny Johnson, Louis Lopez and Adrian Martinez each scored three runs and garnered one base hit; David Fish hit a triple in the second for a one-for-two performance for the night; and David Lee Booker hit a single in the third frame.

Saturday night, May 27, 7:30 p. m.: Foard County Mill 16, Crowell State Bank 4.

Rocky Bachman pitched four shut-out innings for the Cardinals as he and his mates picked up eleven runs in a big first inning, then coasted on in to victory. Jackie Blackburn did all the hitting for the Mill gang with a three-for-four performance.

Billy Eavenson and Terry Tamplen each hit safely once in the fifth inning for the only Brave hits. Bank pitchers had trouble with their control during the first two innings, but finally Don Ray Santos came in to put out the fire and pitch three shut-out innings.

Saturday, May 27, 9:30 p. m.: Farmers Elevator 12, VFW 6. VFW led 1-0 in this one at the end of two innings, but great hitting by Phillip Bell, coupled with five Vet errors, enabled the Yankees to score a dozen runs and secure the victory. A clutch hit by Reed Davis in the third frame also helped a big inning along. Other Yankee hitters (each with one hit): Rudy Rodriguez, Bob Taylor, Allen Tapp and Ricky Nichols. Phillip Bell hit an impressive three-for-four for the night, and he and Allen Tapp did most of the pitching.

For VFW, David Stapp and Grover Reed each hit two-for-two and scored two runs; Lynn Nelson, Tim Daniels and Randy Reed each picked up one base hit.

Last week's play ended one complete round. This week's games feature VFW versus Crowell State Bank, with the top two leaders, Foard County Mill and Farmers Elevator, determining who will lead the league after four weeks of play.

In the first official games of the PeeWee League, the Tigers beat the Bobcats 9 to 4, while the Rattlesnakes defeated the Leopards by a score of 35 to 10.

Social Security Credit for Small Farmers Is Explained by ASCS

The Social Security Administration leaflet OASI-852 explains how self-employed farmers may increase social security credits.

Two-thirds of gross income up to \$2,400 can now be reported even if the farmer operated at a net loss provided he made \$600 or more in gross farm income. Previously, \$1,800 was the upper limit for optional reporting.

Any questions concerning this part of the social security law will be answered by the local office of the ASCS or the social security representative.

Landowners and operators are applying detail conservation plans, with SCS help, on 100 million acres of Texas lands.

AND GILLILAND
MRS. H. A. SMITH

Mr. and Mrs. E. J. Jones, Billie and Jacqueline Brown were in Wichita Falls last Tuesday. Herman Dobbs has spent several days in the Knox City hospital. Mrs. Price Stephenson of Clyde spent last Thursday with her sister, Mrs. Henry Randolph, and also visited other relatives. Mr. and Mrs. Joe Gordon of Crowell visited the W. H. Haynie Sunday. Carla Jo Browder of Houston is here visiting her father, Carlton Browder, and Eddie. Mrs. Jack W. Brown and Ruth and Mrs. Bill Dodd and Deann were visitors in Wichita Falls last Wednesday. Mr. and Mrs. Kenneth Walker, Kenny and Cynda, of Lubbock spent from Saturday through Monday with Mr. and Mrs. Ray Glasscock and Rocky. Mr. and Mrs. Hubert Chowning

of Lubbock visited his father, J. W. Chowning, and Mrs. H. P. Gillespie last week. Mrs. Tommie Tapp and Randy spent several days last week visiting her parents, Mr. and Mrs. Price, in Seymour. Mr. and Mrs. Jimmy Everson and children of Dumas visited her parents, Mr. and Mrs. Owen New, last week and attended the funeral of his grandmother in Crowell. Mrs. Henry Randolph and Jerry Townsend spent the week end in Earth with relatives. Curtis Casey visited relatives in Quanah Friday. Mr. and Mrs. J. B. Eubank and family were in Denton Tuesday to return Kathy home from college. Mrs. H. A. Smith and Billie left Tuesday for Dallas where she will undergo an eye checkup. Mrs. Paul Bullion visited in Seymour last week. Mrs. W. M. Rake attended the 50th wedding anniversary of Mr. and Mrs. W. A. Johnson at their home in Thalia Sunday. She also visited Mr. and Mrs. Ben Hogan.

Mr. Rake was in Vernon on business Thursday. Ed Lowrance of San Antonio is spending some time here on his ranch. Mr. and Mrs. Edward Palacio of Wichita Falls are visiting her parents, the Manuel Quintanas.

Descent, Bucking Horse of the Year, to Be at Santa Rosa

Annually, the Rodeo Sports News awards a silver mounted halter emblematic of the title, "Bucking Horse of the Year." The honor, decided by vote of the top fifteen bronc riders in professional rodeo, for 1966 went by a landslide to a palomino gelding named Descent. The horse is owned by the Beutler Brothers, Lynn and Jake, who produce the Santa Rosa Roundup rodeo and will be one of the stars of the show in Vernon come June 7th through 10th. The Beutler Brothers acquired the 1300 pound eight-year-old bucking horse in 1964 at Great Falls, Montana.

Foaled on the Art Douglas ranch, Descent's sire was by a government remount stallion by Plenipotentiary, a half brother of Man 'O War. Broken to ride as a three-year-old, he turned out-law the following spring. A summer's stint as a pack horse in the Glacier National Park only served to increase his penchant for bucking.

In his three years in rodeo, a crowd thriller every trip, the horse has never misfired. He's never been bucked exhibition, never fouled a rider, nor has any rider ever egged out of the gate on him. He has fallen once and in 1963, bucked under all conditions, from Texas to Idaho, Arizona to Iowa, indoors and out, in the mud and on the grass, exposed to the best riders, every draw. Only one twister managed to get the whistle on him, that being Guy Weeks, 1963 world champion bronc rider and a long time regular at the Santa Rosa Roundup. The horse started the '66 season with a victory over Shawn Davis, freshly crowned world's champion, and wound it up by dusting Alvin Nelson, world's champion of 1957.

Former Methodist Pastor at Thalia Killed in Accident

Rev. Robert Lynn Oglesby, 41, a former pastor of the Thalia Methodist Church, was killed Saturday morning in a head-on collision on the Lake Whitney dam near Meridian. A Fort Worth woman was also killed in the accident.

Funeral services were conducted Monday afternoon of last week in the First Methodist Church of Meridian, where Rev. Oglesby had served as pastor since 1956.

Rev. Morgan Garrett, Dr. Sammy Williams and Bishop Kenneth Pope officiated. Graveside services were conducted at Greenwood Cemetery in Fort Worth. Brister Funeral Home of Meridian was in charge of arrangements.

Rev. Oglesby was born Jan. 31, 1926, in New Haven, Conn., son of Rev. and Mrs. Jack Oglesby. His father is now pastor of the First Methodist Church at Brownwood.

Rev. Oglesby served as pastor of the Thalia Methodist Church in 1953.

He was married to Miss Ann Poteat at Evant in 1953. He moved to Meridian in 1956 from Fort Worth.

Surviving are his wife; two sons, Timothy Oglesby and James Oglesby, both of Meridian, his parents; and one sister, Mrs. L. W. Perkins of Sherman.

Methodist District Superintendent Given Degree at McMurry

Dr. S. Duane Bruce of Childress, district superintendent of the Childress District of the Methodist Church, which includes the Methodist Churches in Foard County, received the honorary doctor of divinity degree from McMurry College in Abilene during spring commencement Monday of last week.

Bishop O. Eugene Slater of Lubbock read Dr. Bruce's citation. Bishop Slater is presiding bishop of the San Antonio-Northwest Texas area of the Methodist Church.

Dr. Bruce earned his B. A. degree from McMurry College and B. D. degree from Perkins School of Theology, Southern Methodist University, Dallas.

Active in the Methodist Church, Dr. Bruce was ordained deacon in 1942 and elder in 1944. He has served churches in Lubbock, Denver City, White Deer, Albany, Hamlin, Phillips, Perryton and the Childress District. He has been a member of the board of education, board of Christian social con-

cerns, board of missions, and the commission on world service and finance chairman of the board of evangelism for one quadrennium.

He has visited Methodist Church work in Mexico and attended a national convocation on evangelism in Washington, D. C.

Dr. Bruce is presently secretary of the cabinet in the northwest Texas annual conference.

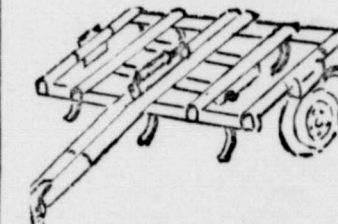

Activities outside the church include work with the Rotary Club, Lions Club, Salvation Army and YMCA.

The Knoxville Journal reports that the Tennessee Valley Authority, which spent \$7 million overseas last year, already has spent \$10 million abroad in 1966—another facet of our balance-of-payments problem.

CHAS. BRANCH, Commander BILL NICHOLS, Quartermaster

Is This the Way the U. S. Is Going, Too?
Uruguay, once the "Switzerland of Latin America," has in 15 years gone wild over the welfare state, according to an article in the April issue of Nation's Business magazine. It sent an editor to Uruguay to look over the land which in 15 years has fallen from the ranks of the most affluent and economically sound to the list of Western nations with the most critical ills and found that it is common for government workers to retire on nearly full pay when they are in their mid-40's. Welfare cheating is common. Uruguayans are aware of what is happening in their country and asked the Nation's Business editor, "Is this the way the United States is going, too?"

PRE-HARVEST TRACTOR SALES PROGRAM
MONTH OF MAY (ONLY)
NEW CASE TRACTORS
All Sizes and Models
THIS MEANS A PRICE REDUCTION—During May, which makes it easier for us to trade.
By the end of May, most farmers will have their wheat half (or more) harvested.
We could make a "conditional deal" before harvest—at your option to cancel in last days of May—if your crop didn't do to please you.
This is an ideal program because it runs into wheat harvest.

Market Report
FROM THE
QUANAH LIVESTOCK COM. CO., INC.
Quanah, Texas
The wheat harvest lowered the attendance at Quanah last Friday, but the market was active on 624 head. Most of the cattle were good and choice steers and heifers with cows and bulls making up about 15 per cent of the run. Cow and calf pairs were scarce.
Some Representative Sales Are as Follows:

Farm for Profit
with **Arcadian Products**
Why not trade wheat stubble you have for valuable organic matter you need by buying nitrogen earlier than you usually do?
Using nitrogen now and plowing it down with your wheat stubble enables the bacteria in the soil to transfer the stubble to badly-needed organic matter and other necessary nutrients much quicker — thereby having plenty of nitrogen to help the young plant get started this fall.
If you want a soil test, feel free to call on me.
I can take care of your early insect and weed problems.
