FOARD COUNTY DECLARED MODIFIED CERTIFIED BRUCELLOSIS CONTROL AREA BY COMMISSION

The Commissioners Court of Foard County, County Agent Joe Burkett and the Foard County Livestock Committee were notified last week by Dr. S. B. Walker, DVM, executive assistant of the Texas Animal Health Commission, that testing requirements for establishment of Foard County as a Modified-Certified Brucellosis area has been completed; and that Foard County has been declared a Modified Certified Brucellosis Control Area as of August 14, 1967.

This means that livestock from Foard County can move to any other county in the state without restrictions.

To protect Foard County from re-infection, Mr. Burkett said that certain restrictions are placed on the movement of cattle into the county. Cattle from certified brucellosis-free herds or from other modified certified areas can be moved into the county without restriction. Official brucellosis vaccines within 30 months of age can be brought in without restriction if suitably identified. Calves under 6 months are exempt from restrictions on movement, as are cattle consigned to immediate slaughter or cattle consigned to an approved feed-lot or to a public sale that is under the supervision of the Texas Animal Health Commission.

All other cattle must be negative to a blood test before entry into Foard County and be held in isolation for 30 days and be negative to a second test before being released among the county's non-infected cattle.

Members of the Foard County Livestock Committee are Jack Welch, chairman; Johnny Marr, Leslie Thomas, Jim Owens, H. L. Ayers Jr., Jack Walker, Bill Gafford, Bill Moore, Herbert Fish, Bill Bell, Glenn Jones, Bill Fish, Dee Powers, John Fish, Jeff Bell, Virgil Johnson and C. C. Ribble.

The Texas Animal Health Commission commended all those in Foard County who worked for the establishment of the program and who assisted in setting up the cattle for testing and stated that the Commission had not met with any better cooperation anywhere.

Testing of cattle in Foard County began on January 10 and was completed the latter part of May.

Farmers Union to Have Annual Meeting Saturday

Jay I. Naman, president of the Texas Farmers Union since 1961, will address the Foard County Farmers Union members and their guests at their annual meeting at the Thalia school on Saturday. A barbecue dinner will be served at 6:30 p. m. with the business program slated to begin at 7:30.

A graduate of Waco High School, Naman holds a B. A. degree from Baylor University and is a World War II veteran. A livestock farmer, he is a past member of the board of directors of the Texas Swine Breeders Association and the Texas Agricultural Workers' Association. He was one of the organizers of the Texas Hog Marketing Association of Waco, and served as its president for four years. He has been assistant steer superintendent at the Heart of Texas Fair in Waco since 1953.

In 1957, Naman was selected the outstanding young farmer in McLennan County in the Waco Jaycees-sponsored contest. He is past president of the Waco Farm and Ranch Club, and past chairman of the agriculture committee of the Waco Chamber of Commerce. He serves on the seven-member executive committee of National Farmers Union, and on several boards which manage the business entities of the National Farmers Union.

Jack Bradshaw, assistant to the state ASCS committee, will comment on projected cotton and wheat yields.

Kenneth Halbert, local F. U. president, will be master of ceremonies. On the agenda are election of officers for the new year and delegates to the October state convention in Lubbock. Resolutions are to be presented.

Tickets for the barbecue which will be prepared by local men, may be purchased at the local office in Crowell.

News About Our MEN IN SERVICE

S-Sgt. and Mrs. James C. Doyal and son, James Earl, arrived in Dallas Sept. 3 after returning from Okinawa where he was stationed for 2 1/2 years. Their son was born there. They are on a 30-day leave before going to Massachusetts.

They were met in Dallas by her mother, Mrs. Hester Johnson of Quanah; her brother, Danny Johnson of Fort Worth and his mother, Mrs. Earl Sterner of Medicine Mounds.

WILDCAT SUPPORTERS—Pictured above is a group of adults who attended the pep rally Friday afternoon in the new gym. From left, they are Mrs. Cecil Driver, with her grandson, Guy Todd III, in foreground, Mrs. Clinton McLain, Mrs. Darwin Bell, Rev. and Mrs. John Gillispie and Mrs. Warren Haynie.

Two other Wildcat boosters, Mrs. Bill Dodd and Mrs. R. J. Owens, were in this group, but the News' camera accidentally missed them as this picture was made. The pep rally was an enthusiastic affair led by the pep squad leaders and the Wildcat Band.

Wildcats Take 8-0 Victory over Chillicothe; Host Matador Friday

The CHS Wildcat football team, in its initial contest of the season and the first game played under the new head coach L. H. Wall Jr., won an 8-0 non-conference victory over the Chillicothe Eagles Friday night in a defensive battle played in Chillicothe.

With the exception of Crowell's lone score, the two teams battled on equal terms throughout the contest.

The Wildcats were not expected to have a strong passing attack this season, but it was passing which gave the Wildcats their lone touchdown.

The Wildcats were backed up to their own 20 yard line with third down and 40 yards needed for a first, when quarterback Joe Ray Burkett fired the ball to Gary Tole, end, for 45 yards and a first on the Eagle 35. Three plays later, Ronnie Eavenson tossed a pass to Tole for 36 yards and the touchdown. Right halfback Rock-

ne Wisdom circled left end for the two point conversion. The Eagles had threatened in the first quarter, driving inside the Crowell 10. The drive was killed, however, when a penalty nullified an apparent first down on the Crowell 6.

The Eagles could not get their passing attack started, completing 1 of 12 for 10 yards. The Chillicothe offense was headed by fullback Donnie Hinsley and quarterback Sammy Bivins. Defensive standouts for the Eagles were Raymond Turville, Donnie Hinsley, Ricky Byrd, Joe Bob Nuckles, Tony Smith and Ricky Bivins.

Defensive end Jim Tom Smith of the Wildcats proved to be the biggest threat against the Eagles. Smith broke through several times to drop Chillicothe ball carriers for losses, and he also recovered two Eagle fumbles. Other defensive standouts for Crowell were Junior Veera, Mike Eubanks, Bob Bird, Gary Tole, Charles Dodd, Billy Hord, Ike Everson and Terry Bird.

Heading the ball carrying department for the Wildcats were halfbacks Ronnie Eavenson and Rockne Wisdom, fullback Billy Hord and quarterback Joe Ray Burkett.

Table with statistics for Crowell vs Chillicothe: Crowell First Downs 9, Yards Gained Rushing 118, Yards Gained Passing 10, 4 of 10 Passes Completed 1 of 12, Passes Intercepted by 0, 4 for 39 Punt, average 6 for 42, 2 Fumbles lost, 2 for 95 Penalties, Yards 3 for 37. Host to Matador Friday Night.

The second game of the season for the Wildcats will be against the Matador Bullfighters here on Friday night, with game time being at 8:30 p. m. The Matador team lost 44-0 to the Paducah Dragons last Friday night in Matador.

A pep rally is scheduled for the new gym at 2:15 p. m. Friday.

Three Breaks in Water Mains Occur Last Week

Three major water line breaks occurred in Crowell last week. The first was on Wednesday of last week on the line near the wells in the Margaret community which caused the water to be cut in Crowell all day.

Friday, breaks in the line occurred east and west of town, cutting off service to a number of water customers for several hours.

Thirteen Enroll in Adult Homemaking Educational Class

Thirteen women have enrolled in the Adult Homemaking Educational Class, according to Supt. Henry Black. The first project is upholstery and this will be followed by a class in making draperies.

The classes meet each Tuesday in the homemaking cottage from 6 p. m. to 10 p. m. Any interested individual may enroll at any time. The class is being taught by Mrs. Carmon Welch.

John Teague Buys Ferguson Building

John Teague announced Tuesday that he has purchased the Ferguson Drug building on the west side of the square in Crowell.

Mr. Teague said that after the building is remodeled, he plans to enter a retail business in the location.

Methodist Youth to Present Play Tuesday Night

The Powder Puff Players of the M. Y. F. will give a repeat performance of "Little Women" Tuesday evening, Sept. 19, in the basement of the Methodist Church. This play is presented in-the-round. It pleased an audience so well on Sept. 5 that another performance was requested for those who missed the first one.

Only 70 seats are available for each performance so tickets should be purchased in advance from any of the young ladies of the cast. The cast consists of Renee Cooper, Debra Raspberry, Cathy McLain, Kristi McLain, Peggy Rasberry, Sheri Speer, Peggy Welch, Kay Shirley and Micke Owens. Mrs. Moody Buryse is director and Mrs. Virgil Johnson, assistant.

Admission is \$1.00 for adults and 75 cents for children under 12.

Fifty-One Attend First Session of Drivers' School

Fifty-one Foard County residents attended the Monday night session of the Drivers License School being conducted here this week. The second session was held Tuesday night, and the third and final session will be on Thursday night, beginning at 7:30 p. m. at the community center.

The school is being taught by Ralph Brisco of Wichita Falls and Jim Smith of Mineral Wells. Both these men are safety officers with the Texas Department of Public Safety.

Fifty-five Foard Countyans attended Tuesday night's session. The school is being sponsored here by The Foard County News and the Foard County Sheriff's Department.

New Mascot for CHS Is Named

Crowell High School has a new mascot this year. The honor was given to sophomore Terri Cates. Terri, disguised as a Wildcat, will be on the field during the games, and will be working with the cheerleaders, Kay Looney, Pam Borchardt, Jo Driver, Pam Cocks, Linda Gray and Kristi McLain.

To accompany the cheerleaders and mascot to the games will be the pep squad. The 28 girls attired in black sweaters with a gold "C" will be wearing black skirts as their uniforms.

Mrs. Jerry Floyd, the group's sponsor, hopes they will be able to perform pompon routines at the pep rallies held every Friday.

Prospects Bright for 82-Day Quail Season After Hearing Here Monday

Prospects for an 82-day quail season for Foard County are bright after a hearing conducted in Crowell Monday afternoon by representatives of the Parks and Wildlife Department.

In the proposal, read by Noel Wallace, hearing officer, the season would begin on the second Saturday in November—which is November 11—and would continue through January 31. A daily bag limit of 12 with 36 possession was also recommended.

In other action by the Parks and Wildlife Department personnel, deer season will be from Nov. 1 to 16 consecutive days and the same season would apply to turkey. Limit on turkey would be either sex.

Mr. Wallace, who lives in San Angelo, stated that since Foard County had been taken from under the general law whereby the legislature sets the game regulations, the county is now in the county Panhandle district in which the Parks and Wildlife Department sets the regulations.

Although there is no closed season and no regulation as to size of fish, a limit of 15 bass per day with 30 in possession was set. The same regulations apply to channel and blue catfish.

Names of College Students Needed

This is college enrolling time all over the country, and the News would like to print the names of Foard County college students and the schools they are going to attend.

Don't you help us by calling or coming by and telling us about your college student?

C. H. S. Homecoming Set for Nov. 3

Crowell High School will have a Homecoming on November 3. Since it has been several years since Crowell High has had a homecoming, school officials are urging all Crowell High School exes to make this a special occasion by beginning now to contact those who have moved to other towns so they may make their plans to attend.

The highlight of the homecoming will be the football game between the Crowell Wildcats and the Knights of Notre Dame of Wichita Falls.

First Texas Roadside Park Consisted Two Tables, Benches in Fayette County

The first roadside park in Texas consisted on only a couple of tables and benches beneath some live oak trees on State Highway 71 in Fayette County near Smithville.

From this seemingly insignificant beginning in the early 30's the Texas Highway Department's roadside park and beautification program has grown to include 1,100 roadside parks, safety rest areas and scenic turnouts.

These are among the accomplishments of the Highway Department during its first half-century of public service. The Department will celebrate its Golden Anniversary during National Highway Week, Sept. 24-30.

The 840 thousand acres of grass, trees, and wildflowers maintained along Texas highways make the Texas Highway Department the state's biggest gardener.

It is no accident that the Highway Department received a beautification citation of merit for its wildflower program from the U. S. Department of Transportation.

Highway beautification got its first big boost in 1930 when then State Highway Engineer Gibb Gilchrist urged highway engineers and contractors to save trees whenever possible. Gilchrist also urged them to be on the lookout for sites that could be acquired for use as roadside parks.

It was hard at first for the engineers, most of whom previously had been with the railroads, to become oriented to this new thinking. They were accustomed to building straight highways as they had built the arrow-straight railroads without regard for such things as trees and shrubs which might be in the way.

However, under the leadership of Gilchrist (who retired in 1937 and is now living in College Station) and D. C. Greer, who has been State Highway Engineer since 1940, an extensive beautification and roadside parks program has been carried out throughout the state's 68-thousand-mile highway system.

Roadside facilities are individually designed by the Highway Department's landscape architects to complement the natural surroundings. Construction features

vary from the modern safety rest areas—comfort stations on Interstate highways, to beautifully laid out parks in East Texas forests, to scenic overlooks which offer magnificent views in West Texas.

The first such rest area with a comfort station was opened earlier this year on Interstate Highway 35 between Georgetown and Round Rock in Williamson County. Since then, seven more have been completed on Texas' Interstate system. Three more are now in various stages of construction, and five more are in the planning stage.

These safety rest areas with comfort stations actually are two parks, one on each side of the multilane highway. They generally include concrete and steel arbors, concrete tables and benches, drinking fountains and brick fireplaces with neatly stacked firewood. The terrazzo-floored rest rooms have wastepaper disposal units and electric hand dryers.

In addition, each rest area-comfort station has a display center which presents local and statewide travel information and houses a dispenser unit of travel maps.

The primary purpose of each roadside facility is to provide a safe place in pleasant surroundings where a motorist may stop to relax, refresh himself or eat something before continuing his drive. An alert driver has fewer accidents. The Highway Department provides rest areas as just one of its many efforts to reduce highway fatalities.

Emphasis on landscaping along Texas highways is also done with the driver's safety—as well as his enjoyment—in mind. Trees and shrubs are strategically placed to focus the motorist's attention on hidden curves, unexpected hazards and traffic signs. This landscaping also saves the taxpayers' money in maintenance costs due to erosion from steep slopes and deep ditches.

The value of the beautification-safety program and its direct relationship to maintenance costs long has been established. For example, maintenance costs on Texas highways average 15 per cent of the budget whereas the national average for all other state high-

way departments is 25 per cent. The landscaping and roadside parks program has grown in direction and importance each year since its inception.

In addition to general landscaping and construction of safety rest areas, the program includes the installation of irrigation systems; planting of grass, shrubs, trees and flowers; and screening unsightly areas such as junkyards and garbage dumps.

Efforts continue to overcome still another man-made blight on and along the highways as more and more litter barrels are placed on highway shoulder and in rest areas.

With more than a thousand litter barrels strategically placed on Texas highways, the traveling public is a full partner in the campaign against the clutter and refuse which costs the Highway Department \$1.5 million to clean up each year.

The program which began as a plea to "save our trees and be on the lookout for likely roadside park sites" has more than proved its worth.

A Department spokesman says: "Beauty pays its own way. The beauty of Texas highways saves taxpayers' money. It saves drivers' lives."

More than half of all traffic in Texas cities is on thoroughfares maintained by the Texas Highway Department, now celebrating its 50th year.

3 MILLION HOMES

In a survey made of the pine-hardwood area of East Texas in 1965 it was estimated that there were about 33 billion board feet in standing timber. This volume is sufficient to construct about 3 million wooden homes, according to the Texas Forest Service. The forest resources of Texas are an important economic asset to all Texans, providing wood and wood products, labor and payroll.

Two Minutes With the Bible

The Rightness of God

There are many theological words which most people — even most Christian people — do not understand. Among these is the Bible word "righteousness." Actually, though, this word is very simple and we ought to understand about God's righteousness even before we learn of His love.

Righteousness is simply an old word for rightness. When we say that God is righteous we simply mean that what He does is always right; that He will not and cannot do anything that is not right. This is why Paul declares in Rom. 1: 16, 17:

"I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to every one that believeth . . . for therein is the righteousness (the rightness) of God revealed . . ."

We are proud to proclaim the gospel of the grace of God because it emphasizes God's rightness. The gospel does not tell us that God will overlook our sins or wink at them and smugly go into heaven. It doesn't tell us that He will forgive us if we are sorry enough or do enough good deeds to counterbalance our sins. By no means.

The "gospel of the grace of God" is based on His rightness. It is the wonderful message that "Christ died for our sins," that He paid for them Himself so that He might justly offer us forgiveness and declare us righteous.

Rom. 3:26 puts it beautifully. There the apostle declares that since our sins were paid for by Christ at Calvary, God can now "be just—and the Justifier of him who believes in Jesus."

For centuries religious people have said to each other: "We must be truly sorry for our sins and do all the good we can and surely God will forgive and accept us." But this is not the gospel. The gospel gives us more solid ground to plant our feet upon. It says to every man, woman and child: "Your sins were paid for by Christ at Calvary. Trust in Him and you will be saved." This is gospel (good news) indeed, for it is based on the just payment of the penalty for sin.

DID YOU KNOW THAT?

For the past three years an average of 2515 wild forest fires occur annually, burning over 40,000 acres of valuable forest lands in the pine-hardwood area of East Texas. The average burned acreage extends a distance of 6,689 miles more than sufficient to cover and recross the Continental United States.

Remodeling of Truscott Post Office Completed

BY MISS RUTH BROWN
Postmaster Ila Mae Bullion reports that the remodeling that began on the post office in Truscott should be completed this week. Bart Shipman, post office

maintenance man from Lubbock, was here Thursday and Friday installing a new partition, writing desk and put in new boxes. He will return Wednesday to install a metal mesh over the partition. This is the first major remodeling since the post office was moved to the present location in 1927. The April work included installing beige asphalt tile flooring, refrigerated air conditioning, a restroom, new windows and doors, an overhead gas heater, replacing part of the front windows with wooden panels, and painting the walls light green with

a darker green wainscoting. This work was done by Paul Bullion, building owner. The new partition is painted beige and the boxes are gold toned. A new Formica writing desk, with ball point pens, has been added. The old boxes will be sent to Gilliland, according to Mrs. Bullion. Jim Chowning will have a new box for the first time since 1927. The Truscott H. D. Club is sending Christmas bags to the soldiers in Vietnam. They are accepting donations of gum, foot powder, plastic soap boxes, nail clippers,

wash rags, soap, razor blades, ball point pens, paper and paper back books. Betty Sue Barry, one of Crowell Junior High's twirlers, went to the old gym last week to practice her routine with the other junior high twirlers. Betty Sue and Rhonda Howard are the two 8th grade twirlers, and Karen Gray and Rhonda Vecera are the two 7th grade twirlers.

Tax Man Sam Sez

Since 1954 Dads have been able to claim a dependent child as a tax exemption even though the student worked during the summer and earned more than \$600 and was required to file a tax return. Last year, IRS made a check of the most common telephone calls and the fourth most common question—accounting for 6 per cent of all telephone calls—was the question, "My son made more than \$600. Can I claim him as a dependent?" The answer is yes—if he is a bonafide student and a bonafide dependent. The son can also claim his own exemption on his return.

RADAR PATROLS TO POSE THREAT TO TEXAS HIGHWAY SPEEDERS

A statewide crackdown on speeding drivers, including those in the Foard, Wilbarger and Hardeman areas, is being planned by the Texas Department of Public Safety, Highway Patrol Safety Officer Chester Fant of Quanah said in Crowell last week.

Mr. Fant says that the Texas Highway Patrol is securing 120 additional radar units and that in the coming weeks will field highway patrolmen equipped with the units.

"Speed is still the major con-

SPEED KILLS

(Note: This is the first of three articles of a new emphasis program and an all-out drive of the Texas Department of Public Safety to enforce the state speed laws in hopes of reducing highway carnage.)

Speed kills. This hard fact of life on the open road is universally accepted by the officers who are charged with the duty of making Texas highways safe, just as it is ignored by many of the drivers using those highways.

Because speed kills—and because the chances of a driver becoming involved in an accident increases with speed—the Texas Department of Public Safety has started a more intensified effort to encourage motorists to stay within a legal speed limit on Texas highways.

"Statistics prove that drivers are more likely to be involved in an accident at speeds over the legal speed limit," explained Major Luther C. Moore, Commander of the Department of Public Safety's Region 5, covering thousands of miles of highways in northwest Texas.

The average motorist might ask some questions about these statistics, and Major Moore can provide some eye-opening answers. For instance, the motorist might ask if a driver is more likely to be involved in a traffic accident at 70 miles per hour than 65? What about 75 or 80 miles an hour? And if the accident chances increase above 65 miles per hour, then just how much do they increase?

The grim history from bloody Texas highways during daylight hours shows a 20 per cent increase in accident involvement at 70 miles per hour, compared to the 65 mile per hour rate.

Major Moore points out that by increasing the speed from 65 to 75 miles per hour (just 10 miles per hour) the motorist risks a 50 per cent increase in accident involvement, and at 80 miles per hour the risk jumps to 90 per cent.

The fast driver risks even more at night, the Regional Commander explains. Accident statistics show that a driver is more likely to become involved in an accident at any speed at night, and at 55 miles per hour the accident rate is nearly two and one-half times as great as driving at the same speed in the daytime.

Nighttime drivers are more than three times as likely to become involved in an accident at 65 miles per hour than at the same speed in daylight.

During night hours 75 miles per hour speeds produce about five and one-half times as many accidents, and at 80 miles per hour the accident frequency is multiplied eight times!

And that's not all of it. Studies show that injuries sustained in motor vehicle accidents are more severe as speed increases. Major Moore explains that researchers at Cornell University learned the severity of automobile accident injuries is twice as great at speeds over 50 miles per hour as slower speeds.

Research also shows that while a driver trying to maintain 40 miles per hour through traffic on typical rural highways can cut about 30 per cent from the time required for the trip at legal speeds, his chances of getting killed in an automobile mishap increase by at least 100 per cent.

In hopes of discouraging drivers to stay within legal speed limits, the DPS is placing more patrolmen on the roads and more radar units beside highways to clock the persistent speeder in an effort to control speed.

(The second article in this series will tell what percentage of drivers are speeding and the type of accidents they have, and the third article will tell more about what the Department of Public Safety plans to do about speeding.)

tributing factor in most highway accidents," Mr. Fant says, adding, "This we can do something about."

He says the warning is being issued now so that drivers will understand what hit them when the crackdown comes.

Some radar units are already operating in the immediate area, but more will be added.

Mr. Fant says there are already radar units in Vernon, Paducah, Childress and Memphis. These units will be worked more intensively in the general areas surrounding the cities involved, and additional units will be made available to patrolmen who have not had them.

Surveys indicate that one driver in every eight in Texas exceeds the daytime speed limit of 70 miles per hour. The figure jumps higher at night, and veteran officers point out that this increase is directly responsible for many fatal accidents.

Nearly one-third of the drivers (29.6 per cent), in a survey taken last year, exceeded the night speed limit of 65 miles per hour.

The safest driving speed, according to a government report, is the average speed of all traffic, while the highest accidents are found in the very lowest and very highest highway speeds.

The report also shows that driv-

Uncle Sam's Selective Service

Editor's note: Below are questions now being asked at draft boards. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 702 Colorado Street, Austin, Texas 78701. He will welcome your questions.

Q—Last year I attended college part time, but will attend full time, beginning in September. Will I qualify for student deferment?

A—Ordinarily, a student who attended part time last year would not qualify for Class II-S this year because he was not then full time. Your board's consideration of circumstances might, however, result in deferment in II-S.

Q—My sick friend won't be able to complete high school until he is nearly 20. Will he be drafted before he gets out?

A—A young man who is a high school student and satisfactorily pursuing a full-time course shall be deferred in Class I-S for high school study until (1) he is graduated, (2) reaches age 20, or (3) drops out of school, whichever occurs first.

Q—I was 24 years old in July. If I become an undergraduate student this fall, will I qualify for the II-S student deferment?

A—No, because you're 24. You will qualify for classification in Class I-S for an academic year if you're ordered for induction while you're a full-time, satisfactory student.

Capital and Capitalism

"Capital is a material thing, but capitalism is a method for inspiring the maximum imagination, ideas and effort from free men to fulfill a useful purpose," remarked J. Wilson Newman, board chairman of Dun & Bradstreet. "If business can't provide such non-material values along with material gains, then for what do we labor?"

ers of older cars are involved in more accidents than drivers of newer cars—perhaps due to the low horsepower and poor acceleration of the older cars.

The most common traffic accident, according to the survey, is the rear-end collision, in which one car overtakes and strikes another from behind.

Acreage Survey Now in Progress

Postmaster Ted Reeder announced this week that rural mail carriers will begin distributing 1967 acreage survey cards to patrons on their routes about Sept. 14. The Post Office Department assists USDA in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1967. To be sure this community is well represented in the survey, Postmaster Reeder urges each patron receiving a card to fill it out and return it to his mailbox. Rural mail carriers working on this project are Fred Gray, Route 1; Merle B. Holland, Route Two; and S. H. Ross, Thalia Star Route. No tolls are charged for the use of any highway facilities maintained by the Texas Highway Department, now in its 50th year.

Granddaughter of Local Couple Wed at Valley View

Miss Janis Laverne Joy and Ronnie D. Farrell, both of Valley View, were united in marriage at the First Baptist Church in Valley View at 6 p. m. Sept. 9.

The bride is the daughter of Mr. and Mrs. James A. Joy and the groom's parents are Mr. and Mrs. Joe Bob Farrell, all of Valley View. The bride is the granddaughter of Mr. and Mrs. Ruel Scott of Crowell, and the Joy family formerly lived in Crowell.

Officiating at the double ring ceremony was Rev. Jerry File, Lois Baptist Church pastor.

Soloist was Karen Miller and organist was Jane Malicote.

The bride, given in marriage by her father, wore a floor length white brocade satin gown with an empire waist, A-line skirt and petal point sleeves. The veil was of shoulder length white net with a pearl tiara. She carried a bouquet of white roses.

Maid of honor was Miss Sherry Ruth Joy, sister of the bride. She wore a pink brocade satin street length dress with empire waist, short sleeves, A-line skirt. She carried a long stemmed pink rose.

Her headress was a pink bow with pink net.

The bridesmaid was Miss Lou-

ann Moody of Valley View. Her costume was identical to that of the maid of honor.

Miss Kim Barthald, the groom's cousin, was flower girl.

Candlelighters were James L. Joy, the bride's brother, and Kenneth Doughy of Valley View. Ring bearer was Robbie Farrell, the groom's brother. Rex Mask of Gainesville was best man and Don Gilliam, cousin of the Groom of Lois, Texas, was groomsman.

Ushers were Larry Martindale, the groom's cousin of Valley View and George Scott, the bride's uncle, of Crowell.

A reception was hosted by the bride's parents in the church annex. Members of the House party were Mrs. George Scott, the aunt of the bride, of Crowell; Kathy Joy and Linda Coreran.

Following a wedding trip to Six Flags over Texas, the couple will live at 1305 N. Clements, Gainesville, where the groom is a student at Cooke County Junior College. Both the bride and groom are graduates of Valley View High School.

H. D. Agent Suggests Several Recipes for Cooking with Pears

While pears are in season, you might like to serve them for dessert, says Mrs. Virginia Ilseng.

Page 6 Foard County News Crowell, Tex., September 14, 1967

CHDA. One of the reasons pears make a fine choice for dessert is that they're surprisingly low in calories. The exceptionally sweet flavor is pleasingly deceptive. A medium-sized pear has but 70 calories. If you're anxious to shed a few pounds, use fresh pears to satisfy your "sweet tooth."

Baked pear macaroons are a crispy version of fresh baked pears. To prepare, pare, halve and core fresh pears. Then you coat the outsides with a crumbly mixture of melted butter, brown sugar, cinnamon, honey and bread crumbs. Place pear halves, cut side down, in a greased baking dish. Bake 30 minutes at 350 degrees, until tender. Serve pears hot with chilled cream.

Hearts' delight dessert is a sweet treat you will want to fix for your family. Fold diced fresh pears and raisins into slightly thickened, red-hued gelatin. Chill until firm in individual or one large heart-shaped mold. Top each heart with sweetened whipped cream. Your family will register delight when this dessert is served.

Riverside H. D. Club

For the first meeting after the summer recess, the Riverside Home Demonstration Club met at the home of Mrs. John S. Ray on Tuesday, Sept. 5.

After routine business, the following officers for the coming year were elected; president, Mrs. Allen Shultz; vice president, Mrs. Grover Moore; secretary-treasurer, Mrs. Ira Tole; council representative, Mrs. Ray. They will assume office January 1.

Mrs. Moore read a timely article for the opening exercise and eleven members answered roll call.

Mrs. Billy Cleveland brought the program on "Women in the News." In addition to brief sketches from Pauline Frederick's "Ten First Ladies of the World," Mrs. Cleveland gave some very interesting highlights of the life of Svetlana Stalin. A general discussion followed.

Several members received secret pal gifts. During the social hour, the hostess served light refreshments. The next meeting will be with Mrs. Henry Bice on Sept. 19.

Vernon 4-H Girls Making Packages for Men in Vietnam

The 4-H girls of Vernon High School are preparing packages to send to the men from this area who are serving in Vietnam. This area includes Foard, Wilbarger and Hardeman Counties.

If you have the address of someone in Vietnam, please write or call LaVerne Wilkerson at the Selective Service office in Vernon. The address is 1914 Wilbarger. Phone LI2-2171.

Columbian Club Begins 58th Year

The first fall meeting of the Columbian Club was held at the home of Mrs. M. N. Kenner on Wednesday, Sept. 6 with ten members present.

Roll call revealed that the women had spent their vacations in many ways and places, all doing their proportionate share of travels.

This begins the 58th year for this club which held its first meeting Nov. 10, 1909, with 16 charter members.

Today there is one surviving charter member. Times have changed, and the club has changed. That first roll call certainly did not reveal travel. Regions beyond were to study about and not to see.

At the Sept. 6 meeting, a High School junior, Miss Jan Carroll, told of her recent trip to Washington, D. C., she being the only Texan with an REA group from Oklahoma. As her pictures were shown on the screen, she gave interesting details of her visit to high points of the nation's Capital.

The club yearbook committee presented a playlet on preparing the year's programs.

The next meeting will be with Mrs. R. J. Thomas.

Ruth Class Elects New Officers

The Ruth Class of the First Baptist Church met for a business meeting Monday night followed by a surprise pink and blue shower honoring Mrs. Myrna Jones. The group met at Mrs. Wilma Cates' home and those attending were Mes. Phyllis Ford, Rachel Dunham, Marcy Barker, Myrna Walker, Carolyn Henry, Myrna Jones, June Werley, Pat Werley, Sherry Wright and Sandra Floyd.

The following new officers were also elected: Phyllis Ford, president; Myrna Jones, vice president; Marcy Barker, secretary; Carolyn Henry, group captain; Rachel Dunham, reporter; Myrna Walker, social chairman; Sherry Wright, devotional chairman.

W. S. L. Meeting

The Women's Service League met Thursday, Sept. 8, at the community center for the regular weekly meeting. Mrs. Cornelia McDaniel, president, was in charge of the meeting.

Mrs. James Welch, home economics teacher in the local high school and a guest of the club, explained the sponsorship of the annual harvest festival which features her department in CHS. Suggested plans by Mrs. Welch entailed organization of a plan similar to the Miss America pageant on a miniature scale. The league voted to take the sponsorship of this pageant setting the date sometime in the first week in February. The contestants will model their winter clothes and display other talents climaxing in the judges' choice of a harvest queen. Some plan of awards was also suggested for the winner of the coveted title.

Mrs. W. L. Johnson, chairman of the planning committee of the reception, or open, house honoring the new families who have made their homes in Crowell since the first of the year, presented a detailed report. The report consisted of committees appointed to include most of the members in helping with this enterprise. This reception or open house will be a quarterly event each year.

The current date set for this affair will be Sunday, Sept. 24, from 4 to 5 p. m. The public is invited.

Plans for the general store to be held around the first week in November are progressing.

Next week's featured speaker for the club will be Charles McClure, Vernon attorney. Mrs. McClure will also be a guest of the league. All women are invited to hear Mr. McClure.

Cafeteria Menu

Crowell School cafeteria menus for next week follow:

Monday, Sept. 18: hamburgers, lettuce, tomatoes and onions, French fries, ice cream, milk or orange juice.

Tuesday, Sept. 19: butter, light rolls, fried chicken, gravy, buttered corn, celery, apple and pineapple salad, plain cake with lemon icing, whole milk.

Wednesday, Sept. 20: corn meal muffins, pinto beans, barbecued meat balls, buttered carrots, apple cobbler, whole milk.

Thursday, Sept. 21: hot dogs, baked beans, orange slices, cookies, whole milk.

Friday, Sept. 22: light rolls, butter, smothered steak, creamed potatoes, green beans, peach cobbler, whole milk.

Wives Receive Social Security Payments on Husbands' Earnings

Records in the Vernon social security office show that 1,254 wives in the five-county area serviced in the office are receiving \$46,684.00 per month based on social security earnings of their husbands, Edwin Draughton, manager of the Vernon office, said last week.

A wife who has not worked in employment covered by social security long enough to qualify for benefits on her own earnings can benefit on her husband's earnings. To be eligible for benefits, her husband must have applied and become entitled to retirement or disability benefits. The wife must be 62, or have in her care a child under 18 or a disabled child entitled to benefits on her husband's account.

If a wife will be 65 before her husband becomes entitled to benefits, she should contact the social security office and file an application for hospital insurance in order that it may be effective the month she attains age 65. For the doctor bill insurance, a voluntary program costing \$3 per month (and matched by another \$3 per month by the federal government) there is a specified 7-month sign-up period. This period begins three months before age 65 and ends three months after age 65. Medical insurance protection begins with the month of age 65 only if applied for before that month. If she signs up in the month she reaches 65 or one of the three later months, protection does not begin until one to three months later.

For further information about wife's benefits write or call the Vernon social security office located at 1728 Fannin Street, ph. LI2-9346, or meet with the representative who comes to this area.

Junior Adelprians

The Sub-Junior Adelprian Club started the new calendar year with a covered dish supper Tuesday night at the Adelprian Club house. Misses Lela Jo Cates and Harriet Halbert and their mothers were hostesses. The buffet table was laid with a white cloth and centered with an arrangement of red roses and greenery. The T shaped banquet tables were covered with white and the head table was centered with an epergne of red roses and white stock. Red paper rosebuds held place cards. The three new members, Kay Shirley, Sheri Speer and Peggy Welch, each were given a long stemmed red rose, the club flower.

The officers for the coming year are Lela Jo Cates, president; Mary Bob Long, vice president; Cindy Erwin, secretary; Mary Sue Carpenter, treasurer; Renee Cooper, federation counsellor; Pam Carter, parliamentarian; Harriet Halbert, historian; and Janis Gray, reporter. Co-sponsors from the senior club are Mrs. Clarence Garrett and Mrs. Ray Shirley.

The theme for the year is "Bettering Ourselves for Tomorrow's Challenge." Some of the programs will be "Make up for a more attractive you" by Mrs. Kay Thorne of Vernon, two programs on social

graces by Mrs. H. C. Brown and Mrs. Glen Halsell Jr. "Creating Christmas Baubles" will be demonstrated by Mrs. Duane Johnson, show of new spring style from local businesses. Mothers will be honored at a tea in February. A highlight program will be "Religion and the Teenager" by Rev. Ken Clark, rector of Grace Episcopal Church in Vernon. Mrs. N. J. Roberts will speak on "Memories of a 'Near Pioneer' for the club's Texas day program. Mrs. W. B. Johnson, past president of Santa Rosa District, will speak on "Americanism and Federation, Inseparable," in April.

A panel discussion of unusual occupations for young ladies will be given in January. The last meeting will be a dinner in Vernon followed by a theater party. New club members will be guests and new officers installed.

During the Christmas season, the sub-junior girls host the senior club at a tea, and on Dec. 30, the two sub-junior clubs jointly will have their annual dance.

Childress District Meeting Held at Local Methodist Church

The Crowell Methodist Church was the scene of the gathering of the members of the Childress District Sunday evening, Sept. 10. Registration began at 6 p. m. with around 80 persons registering. Mrs. Fred Wehba and Mrs. Fred Collins registered the guests, assisted by Mrs. Virgil Johnson. Mrs. Grover Cole greeted the guests as they arrived and Adrian Thomson and Virgil Johnson served as ushers.

This marked one of the first meetings of its kind to take place in the local church: A Fall Mission Study Conference. The theme of the conference was "Prepare for Witness and Service."

The conference's purpose was to familiarize and instruct the Women's Society of Christian Service, combined with the whole church, in the new movement regarding the subject of "Ecumenicity." The new studies for Methodists this coming year are

based on this subject. The conference meeting at 7 p. m. with Mrs. Elnor Gaughey, wife of the local pastor, leading the congregation in singing of a song. Mrs. Elnor Gaughey, who also welcomed guests.

Mrs. R. C. Pirtle of Throckmorton, in charge of coordination studies, led the prayer. Miss Louise Goodnight of Throckmorton, secretary of the district, introduced the subject of "Ecumenicity," titled "The Faith of Men," presenting a skit called "The Faith of Men."

Participating in the skit were Mrs. Moody Erwin, Debra Ransberry and Mrs. Gaughey. Miss Goodnight introduced the subject of "Ecumenicity," titled "The Faith of Men," presenting a skit called "The Faith of Men."

Refreshments were served by the women of the Henry and the Faith of Men. The play concerned the version of a Hindu girl's tianity. A film on "Ecumenicity," titled "The Faith of Men," consisted of bolts painted in the abstractation of the scrip by Mrs. London of Throckmorton.

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, Sept. 16, 1937, issue of The Foard County News:

The Crowell Wildcats will meet the slightly heavier Matador Matadors in their first home game of the season Friday night at 8:00 o'clock under the floodlights in a non-conference fray.

Plaster work has been completed in eleven rooms of the new grammar school now under construction east of the high school building, and a Celotex ceiling has been finished in these rooms.

Gerald Knox has accepted a position with Leo Spencer and will be employed part time with the Spencer Finance Co. and the remaining time will be devoted to work connected with the Sinclair agency. Munson Welch and Markham Spencer are managers of the oil agency. Gerald assumed his duties last week.

Mr. and Mrs. Bob Carroll and three children, Robert, Oran and Patsy Jean, have returned to Crowell from Quanah where they had lived for the past two years. While they lived in Quanah, Mr. Carroll was employed in the repair department of the A. T. Chaney Chevrolet Co. They are now living on the M. L. Bird farm which joins the town on the east.

Born to Mr. and Mrs. J. M. Brown of Foard City, a girl, Bonita May, August 9.

Born to Mr. and Mrs. Thomas Sparks, a girl, Viola Lucile, August 13.

Trailing by 13 points at the end of the first half, the Crowell High School Wildcats staged a second-half comeback to defeat the scrapping Floydada Whirlwinds 32 to 19 on the Floydada High School gridiron Friday night.

George Self was elected a member of the City Council Tuesday in an election at the city hall. He was elected to take the place of his brother, J. C. Self, who resigned after moving to Wichita Falls.

Hughes Fish and Marion Benham, Crowell FFA newswriter and debater of last year, were awarded a \$100 scholarship on Sept. 4 to be used this year in Texas Technological College at Lubbock.

Mr. and Mrs. M. J. Girsch returned last Thursday from a visit to Mr. Girsch's old home in Winegar, Wisconsin.

Mr. and Mrs. Grover Cole spent Sunday of last week in Memphis.

Mrs. A. S. Hart and son, Jim Allee Hart, left last week for Rockwood, Mrs. Hart's home. She will teach in the Rockwood school and her son will teach at Crane.

Pat O'Brien, Henry Fonda and Margaret Lindsay are starred in "Slim," at the Rialto Theatre Saturday, Sunday and Monday.

J. H. Lanier Jr. and Lee Gorrill returned last Thursday from Los Angeles, Calif., where they visited their boyhood friend, Stuart Hamblen, famous throughout California as a radio entertainer and rodeo performer. They were gone about eight days and visited other points of interest en route.

Thalia Cemetery

Mrs. L. H. Hammonds, president, reports the following have donated to the Thalia Cemetery since her last report:
