Assembly of God Church Plans Special Program Tonight

The ministry of Teen Challenge will be presented on Thursday night, Nov. 9 (tonight) at Crowell beginning at 7:30 p. m. at the First Assembly of God Church. Rev. A. L. Stanley, pastor, cordially invites the public to attend this inspirational service.

Rev. Daniel Burton, Christian Education Director, will be representative of Dallas Teen Challenge. He has been associated with Teen Challenge for 2 1/2 years.

Bro. Burton, formerly of Crosbyton, Texas, and his wife, the former Miss Fritzen Walker of Lubbock, are itinerating for personal support as home missionaries in the Assemblies of God in Teen Challenge.

In announcing the meeting, Rev. Stanley stated, "Teen Challenge is a dynamic ministry of the Holy Spirit that is reaching the troubled, disturbed youth of our day. Teen-age crime, drug addiction, and immorality are the bitter fruits of the moral decay which we all know exists in our present society. These sins grip young lives with a force that leaves social work and psychiatry helpless to unshackle. Jesus Christ is the only answer. This is the mission of Teen Challenge: lifting these fallen youth out of the darkness of sin into the transforming light of the Gospel.

"Don't miss the presentation of this youth outreach in this stirring service. You will hear challenging, Bible-centered preaching and inspirational messages in song presented by Teen Challenge music groups. You will also thrill to hear the inspiring testimonies of the changed lives of problem youth."

Principal Cause of Grade Crossing Accidents Is Given

An Interstate Commerce Commission investigation found that the "principal cause of grade crossing accidents is the failure of motorists to stop or exercise due care and caution or to observe and comply with existing

laws and regulations." Last year 1,600 Americans across the nation were killed in collisions with rail-highway crossings. Every one of them could have been saved if the laws had been obeyed.

WILDCATS TAKE 33-13 WIN OVER NOTRE DAME OF WICHITA FALLS

The Crowell Wildcat football team added its share to the homecoming activities by defeating the Notre Dame Knights of Wichita Falls 33 to 13 in a non-district contest Friday night at Wildcat stadium.

The Wildcats scored one touchdown in the first quarter and exploded for 20 points in the second quarter to clinch the victory.

Fullback Billy Hord and halfbacks Ronnie Eavenson and Rockne Wisdom proved too tough for the Notre Dame defenders to handle.

The Wildcats rushed for 250 yards and added 55 yards by the air to take the win.

The Notre Dame ground game was held to only 40 yards by the rugged Crowell defenders. However, the Knights completed five of 18 passes for a total of 178 yards.

The first Crowell touchdown was set up by a fumble recovery on the Notre Dame 40. Six plays later, halfback Ronnie Eavenson powered over from four yards out. The extra point attempt failed.

The Wildcats opened the scoring in the second quarter when Gary Tole gathered in a 30-yard pass from quarterback Joe Ray Burkett for six points. Again the try for point-after failed.

A few minutes later, fullback Billy Hord capped a Crowell drive with a 15-yard run off tackle for the score. Hord then kicked for the extra point.

Burkett capped the third quarter scoring with a pass to end Barry Branch for six points with the play covering 30 yards. Again, Hord kicked the extra point.

Notre Dame managed its first touchdown in the third quarter when John Greenspun took a 30-yard pass from quarterback John Bindel. The kick for point-after failed.

The Wildcats matched the score with a third quarter tally as halfback Wisdom climaxed a Crowell drive with one-yard plunge for six points.

The Knights scored late in the fourth quarter against the Crowell reserves when quarterback Bindel passed 33 yards to Jon Moller for six points. Moller kicked for the point-after.

The entire Wildcat squad looked extremely good in the game, with defensive safety Gary Tole intercepting four Notre Dames passes.

VETERANS DAY, 1967

Veterans Day, November 11. Once again we celebrate an observance of significance to all Americans, and honor the memory of veterans of all wars.

We should reaffirm our pledge not to forget the dead who have served this great Nation. Their contributions can never be forgotten. And may the citizens of America remember the sacrifices and contributions of all living veterans who conducted themselves with gallantry and courage in wartime to preserve our heritage of freedom, and further that we pay tribute to those valiant soldiers who are still striving to attain the ultimate goal of world peace.

In the last week, fifteen thousand servicemen and women have become veterans, swelling the number of living veterans we honor today to more than twenty-six million.

Have you ever counted up to twenty-six million? Of course not. Undoubtedly, no human being has. Some have estimated it would take twenty-six weeks of eight-hour counting days, and no coffee breaks or week ends off, just to count to twenty-six million.

Then how do you honor twenty-six million veterans? Obviously not individually, much as we might like to salute each veteran personally, from the youngest veteran of Vietnam to the oldest campaigner of the Spanish American War, and give him our share of the nation's gratitude for patriotic services rendered.

We must never allow the figure of twenty-six million living veterans to become commonplace.

Since we can never hope to meet and greet that many individuals, individually, let us study other ways of coming closer to them.

Our veterans live in all the 50 States and the District of Columbia. One hundred and thirty thousand live in outlying areas of the United States: in Puerto Rico, the Canal Zone, Virgin Islands, American Samoa, Guam . . . and in the Philippines. Forty-one thousand veterans live in other countries.

Three out of four of our veterans live in cities or suburban areas. One out of five lives in a rural, nonfarm area. One out of twenty lives on a farm.

With their families and dependents, veterans make up about half our national population.

If public concern expresses the heart of our democracy, how much more so do our veterans themselves? In all, since our founding days, some thirty-eight million men and women have participated in our national conflicts, through September 30, 1966. A million and two thousand of them made the supreme sacrifice. The twenty-six million we salute on Veteran's Day remain the living symbol of the life pulse of our democracy.

To them, in the name of all who served, we can today stretch out the hand of gratitude . . . and we do that this week.

And since all battles for freedom are in a sense the same battle we say thanks for Lexington and Concord . . . for Banker Hill, for Valley Forge . . . San Juan Hill . . . Verdun . . . the Argonne Forest . . . Chateau-Thierry . . . Belleau Wood . . . Corregidor . . . Guadalcanal . . . the Coral Sea . . . Tarawa . . . Saipan . . . Anzio Beach, Cassino, the Bulge . . . for Inchon Landing . . . Pork Chop Hill . . . Heartbreak Ridge and Hill 409 . . . for the fighting in the everlasting name of freedom, in Vietnamese rice paddies without names . . .

Our very democracy pulses with the stout hearts of the veterans who fought that it might endure. We owe them far more than this day of tribute. We owe them this day, which we ourselves are living, and enjoying!

There is no typical veteran. He is a young man who perhaps has not voted yet, just back from his tour of duty in Vietnam. Or he is in his upper eighties, sitting on the front porch, dreaming of long-ago gas lights and horse drawn carriages. He is a World War One veteran, citizen-extraordinary now retired.

He is a doctor, lawyer, engineer, merchant, salesman, policeman, statesman, mechanic, farmer, construction superintendent, teacher, social worker, barber. He is President of the United States, member of Congress, Supreme Court Justice. He delivers your mail and paints your house. He lives, as we have seen, in the East, the West, the North, the South.

Our veterans are preparing themselves for ever greater responsibility . . . on scores of civil life fronts. They are making their young but experienced voices felt in the deliberations of great national veterans' organizations . . . demanding peace with honor and a stronger America, too. They will yet see to it, I have confidence, that their fallen brother, of every conflict, shall not have died in vain . . . and that their comrades among the twenty-six million shall not have lived in vain.

Together, young and old, veterans are the stout heart of our democracy. Their hearts beat with the pulse of freedom fought for and maintained. They are very special citizens indeed.

Home Department of Methodist Church Has Meeting

Mrs. Henry Borchardt and Mrs. Moody Burse were hostesses to members of the Home Department of the Methodist Church last Saturday afternoon at the home of Mrs. Borchardt.

The Home Department is under the supervision of Mrs. Allen Sanders. Church members who are unable to attend services are visited regularly and church publications are placed in their homes.

Mrs. Sanders welcomed each person and played piano accompaniment for the opening song, "Amazing Grace." Mrs. R. G. Rasberry read several appropriate readings. The outstanding feature of the afternoon was the rendition of several vocal numbers by Elizabeth and Cleo Lankford who have turned their handicap of blindness into a blessing. One of the guests was Dusty Ownbey of Snyder, whose ambition is to become a teacher for the blind.

Mrs. Moody Burse gave two readings, one of which was humorous. With joined hands, the group sang, "God Be with You Till We Meet Again."

The hostesses served an attractive plate to twenty members and guests.

W. S. L. Meeting

An outstanding program was given by Elizabeth and Cleo Lankford at the Thursday luncheon meeting of the Women's Service League. Elizabeth and Cleo, brother and sister, are long-time residents, but had lived away from here for many years. Elizabeth attended the School for the Blind at Austin. They have recently returned to Crowell and are making their home with Mrs. Haskew.

Introduced by Mrs. Henry Borchardt, president, they proved that blindness need not be an obstacle to their living a normal life. The interesting program consisted of song, poetry and discussion of the teaching methods in Braille at the school. Elizabeth exhibited the equipment for writing Braille. Together, Cleo and Elizabeth sang several songs and Miss Lankford read a poem in Braille. Final plans for the general store to be held Saturday, Nov. 11, were completed. All women in the area are asked to contribute to the various booths. The public is invited to look and purchase the many useful items on sale.

Henry Circle

The Henry Circle of the Methodist Church met Monday night in the home of Mrs. Henry Borchardt with 13 members and 3 visitors present. Mrs. Cornelia McDaniel gave the opening prayer. Mrs. Ruth Kenner brought a devotional on prayer and Mrs. Winnie Brown brought a very interesting talk on youth and the changing world.

Mrs. Tom Crowell, daughter-in-law of Mr. and Mrs. Marion Crowell, was guest speaker and talked on the opportunities and many ways to help bring Christ to the Bibleless Indian tribes. She and her husband attended two ten-week courses of intensive linguistic training at session of the Summer Institute of Linguistics. All workers are given three months of training at jungle camp where they learn to live under primitive conditions. They will leave soon for this part of their training. Refreshments were served.

Pioneer Circle

The Pioneer Circle of the Woman's Society of Christian Service of the Crowell Methodist Church met for a social hour on Monday afternoon in the home of Mrs. J. N. Ribble.

Mrs. E. H. Shrode opened the meeting with prayer and Mrs. A. R. Sanders led in singing of several choruses. Her devotional was upon how older women can spiritually bless the church, citing the Biblical example of Anna, the prophetess.

Mrs. C. R. Bryson was program leader for the program and led a discussion on the many residence homes which have been established by the Methodist Church for the purpose of affording a Christian home away from home for the young girl alone in the city seeking work or educational advantages. Assisting Mrs. Bryson in the program were Mrs. Iva Ballard and Mrs. Sanders. The hostess served refreshments to the group.

Area Falling Short in Donations of Blood

A sharp drop in Red River Red Cross bloodmobile collections during October has blood center officials worried.

Benton Caldwell, Frederick, Okla., chairman of the 19-county region, said blood donations were off 40 per cent in October. He compared quotas and actual blood collected for each community visited by the bloodmobile.

The quota for Monday is 65; collections were 33; Henrietta quota 70, collections 45; Hollis quota 51, collections 29; Electra quota 60, collections 60; Grandfield quota 40, collections 21; Clinton-Sherman Air Force Base quota 125; collections 58; Graham quota 85, collections 60; Waurika quota 50, collections 29; Quannah quota 60, collections 33; and Altus quota 86, collections 56. Total quota 692 compared with 423 collected.

Caldwell said all quotas are based on population and represent the minimum amount of blood required for the community and county.

The two outstanding bloodmobile visits made in October were Midwestern University where Circle K, a campus service organization collected 120 pints and at Electra where the quota of 60 pints was met.

Columbian Club

Members of the Columbian Club voted to continue the annual gift of \$12.00 a year for a patient at the Vernon State Hospital when they met Nov. 1 at the Truscott home of Mrs. E. J. Jones, with Mrs. John S. Ray presiding.

Members also agreed to bring used costume jewelry, hats and purses to the Nov. 15 meeting. These will be sent to the state hospital for the patients. Mrs. Ray also announced that members can help buy TV sets for the hospital with a plan set up by a stamp company and a Vernon club.

Following a discussion of retirement hotels and convalescent homes, Mrs. Allan Shultz gave a report entitled, "Older adulthood is what we make it." She said older adulthood can be rewarding if one is prepared for it. First, one needs a suitable dwelling, the large home needed with a family of children may be a burden for an older couple. Sometimes it can be divided into apartments and other times it might be best to sell and purchase a smaller home.

Mrs. Jack W. Brown concluded the program with a discussion of strokes, quick medical offers and how to make housekeeping easier for the heart or arthritis patient.

The hostess served refreshments to eight members. The next meet-

A. S. C. S. Lists Provisions of 1968 Cotton Program

Cotton Loans Now Available Through Local ASCS Office

Five provisions of the 1968 cotton program were announced last week by Mrs. Jean Reeder, office manager of the Foard County A. S. C. S.

- These five provisions are:
1. The required diversion will be 5 per cent.
 2. Additional diversion up to 30 per cent of the allotment.
 3. Diversion payment will be 10.76 cents for the first 5 per cent and .06 cents per pound on the additional 30 per cent diverted.
 4. The price support payment will be 12.24 cents per pound.
 5. The skip-row in effect in 1967 will be re-instated.

Mrs. Reeder also said that cotton loans may be obtained through her office or an approved cotton loan clerk.

crop acreages are being mailed to all producers who did not call at the ASCS office to receive them. Mrs. Reeder said, "If you have any questions regarding these photo copies, we will be glad to assist you in any way we can. If some of the permanent boundaries or terraces are not shown, we will establish them for you. Just bring your maps to the office and we will help you to determine your acreages. You will be asked at a later date to report the acreage you intend to harvest. You may still graze excess acreage as in the past; just be sure your excess is destroyed by the disposition date."

The cotton marketing quota referendum will be held on upland cotton from December 4 through 8. The referendum will be by mail and it will determine if the diversion program will be in effect for 1968. County producers will receive further information on this from the ASCS in the near future.

The local ASCS office will be

Funds Are 'Frozen' for Operation Mainstream

Neighborhood Centers in Operation in Three Towns

The Department of Labor has informed the Economic Opportunities Advancement Corporation that funds for the proposed Operation Mainstream have been frozen. "The work stations have been set up in the four-county area, and as soon as funds are available, we will be ready to go," Don Ross Malone, executive director of the EOAC, said last week.

Mr. Malone also said that an application has been submitted to Jim Duck, regional analyst for the Office of Economic Opportunity in Austin, for program administration, multi-service neighborhood centers, and a self-help housing project. This application package was submitted on Oct. 2.

Mr. Malone attended a meeting in Austin recently, and at that time discussed the future of this proposed program with Mr. Duck, who gave every indication that the program would be funded.

"Our three neighborhood centers in Paducah, Quannah and Vernon are in full swing with many of our indigent people taking part in the full schedule of activities which the centers have to offer this fall. We would like to invite all of you whenever you are in one of the three towns mentioned to stop by the centers and visit. We are proud of our centers, and would like to have you see the progress that has been made since their opening," Mr. Malone said.

Head Start

Lockett Rural School is sponsoring the only head start program in the four counties at the present time. There are sixteen students enrolled. The school began on September 15 and will continue for eight months. Mrs. Ed Lehman, Jr. is the teacher and she is assisted by Mrs. Jannie Mae Embers.

Two Minutes With the Bible

Light Out of Darkness

"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."

"But we have this treasure in earthen vessels, that the excellency of the power may be of God and not of us" (II Cor. 4: 6,7).

Any instructed Christian reading this passage from the pen of the Apostle Paul naturally goes back, in his mind, to the time when God first said: "Let there be light" and dispelled the darkness of the primeval world.

He might also recall the incident related in the book of Judges where Gideon's army went to battle against the Midianites, each man with a sword in one hand and a lamp, hidden in a pitcher, in the other. At Gideon's command Gideon's soldiers broke the earthen vessels and the lights shone out to strike terror into the hearts of the enemy, who could not account for the crash and the blaze of light at this midnight hour.

For every believer God has caused light, wonderful light, to shine out of the darkness and fill the heart, just as once He said to the dark and chaotic earth: "Let there be light—and there was light."

But we believers have come into "the light of the knowledge of the glory of God" by coming to know Christ. Our Lord rightly said: "No man cometh unto the Father but by Me" (John 14:6). God is unknown and unknowable apart from Christ, who is God manifested in the flesh. It was He who lived a perfect life and then died a sinner's death in order to bring us into relationship and fellowship with God. And we come to know God through relationship with Christ Himself—God manifested in the flesh.

It is wonderful to have the light of God's truth shine into our hearts—and it is more wonderful still to use that light to win spiritual victories for God.

The series of essays was presented originally during the First Edward F. Gallahue Conference on World Religions held at Princeton Theological Seminary.
