### Foard County Wheat Harvest—1968

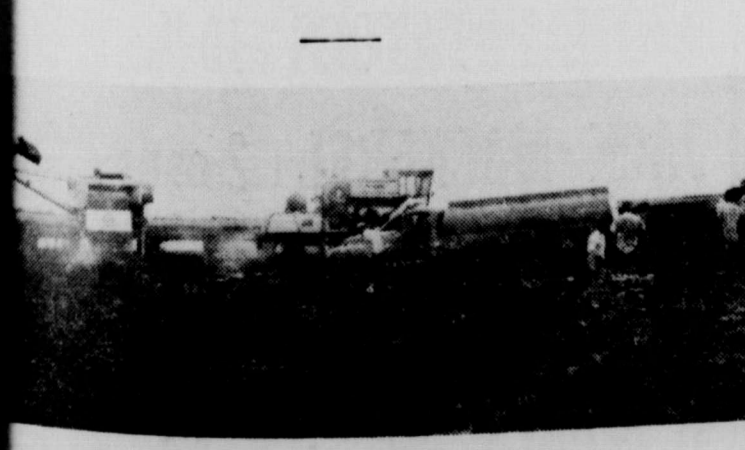

SCENE REPEATED MANY TIMES—Shown above is Ray Brown as he takes a wheat sample at the Foard County Mill last Thursday morning for making the various customary tests of the grain—a scene repeated many times here during the harvest each year. On the right is Roy Lee Aydelott, who is pulling back the tarp prior to dumping the load. (News photo)

LOADING BARLEY—A large quantity of barley was harvested in Foard County this year. In the picture above, employees of the Farmers Co-Op. Elevator are shown loading the barley loaded on the ground into a truck owned by W. W. Lemons. (News photo)

WHEAT FIRE—Flames are clearly visible in the above picture of the wheat stubble fire at the Roy Steele farm Wednesday afternoon of last week. (News photo)

COMBINES FIGHT WHEAT FIRE—Pictured above are members of the Crowell Volunteer Fire Department as they pour water into combines which were used to fight a wheat fire at the Roy Steele farm southeast of Crowell last Wednesday afternoon. The Fire Department was also called to extinguish a wheat stubble fire on the Halbert land in the Foard County community about the same time as the Steele fire. A fire was also reported in the Waggoner ranch's wheat field south of Thalia. (News photo)

### Long Quail Season Recommended at Hearing; Landowners Raise Objections

A small but vocal group of Foard County landowners attended the public hearing on proposed game regulations for the county last Thursday and expressed their displeasure at the 82-day quail season here last year, and the proposed season for the county this year in which no change was made. The season for quail as recommended by state wildlife biologists would begin on the second Saturday in November and continue through January 31.

Most of the objections raised concerned the fact that Foard County's quail season began earlier than that of Cottle and Hardeman Counties and the landowners said too many out-of-county residents hunted here prior to the opening of the season in adjoining counties. Landowners said that the 82-day season last year forced them to "guard" their quail all during the long season. One man said the county would probably petition to be removed from the Panhandle Regulatory Authority unless the season was shortened. Foard County was placed in the authority only last year.

Another said that a uniform opening date should be set for all the counties surrounding this county.

Representatives of the Parks

and Wildlife Department emphasized the fact that the meeting last Thursday was only a hearing and that final decisions rested with the state department. Text of the local landowners' objections were tape recorded and will be heard by the state officials who set the seasons.

As recommended at the hearing, a daily bag limit of 12 quail would exist with a limit of 36 in possession.

Recommended seasons for other hunting included: Deer season: 1 buck deer, with the season beginning the last Saturday in November and continuing for 16 days.

One turkey of either sex can be killed during the season also beginning the last Saturday in November and continuing for 16 days.

Conducting the hearing was Don Davis, hearing officer, with Game Warden J. W. Harris, fish biologist M. R. Gardner and wildlife biologist A. S. Jackson serving as witnesses.

### Wheat Harvest Totals for County Listed for 32 Years

As a comparison with other years' production, the News has assembled the following figures on Foard County wheat production since 1937. These figures are actual amounts of wheat delivered to elevators and do not include wheat stored on the farms, as accurate figures on farm storage are virtually impossible to obtain without a farm-to-farm survey.

### Mrs. Thomas Hughston Died in Hospital Friday

#### Last Rites Conducted at Womack Funeral Home Saturday

Mrs. Thomas F. Hughston, 66, life-long resident of Foard County, died in the Foard County Hospital Friday morning following a long illness.

Funeral services were held at 10 a. m. Saturday at the Womack Funeral Home conducted by Rev. Walter L. Driver, pastor of the United Methodist Church of Crowell. Music for the service was a duet sung by Mrs. Howard Ferguson and Mrs. Leslie Thomas with Mrs. Paul Shirley playing piano accompaniment.

Interment was in the Crowell Cemetery under the direction of Womack Funeral Home.

Pall bearers were Goodloe Meason, Dick Todd, Ray Shirley, Leon Speer, Glyndon Johnson and Bill Klepper.

The former Miss Mabel Pittillo was born January 16, 1902, in Foard County, daughter of the late Mr. and Mrs. J. T. Pittillo. She was a graduate of Crowell High School and Southern Methodist University. She was married to Mr. Hughston in Crowell on August 20, 1922. Mrs. Hughston had been a member of the Methodist Church for many years.

She is survived by her husband; one son, J. T. Hughston of Crowell; two daughters, Mrs. Ralph Flesher of Vernon and Mrs. Jim Paul Norman of Crowell, and six grandchildren.

### Crowell Masonic Lodge Elects New Slate of Officers

A new slate of officers for the Crowell Masonic Lodge was elected at a regular meeting of the organization Monday night of last week. The new officers are:

Ray Shirley, worshipful master; Charles Branch, senior warden; Dan Callaway, junior warden; Cecil Carroll, treasurer; Robert Kincaid, secretary; Martin Jones, chaplain; and Joe Calvin, tiler.

Appointive officers have not yet been named. Installation will be held later this month.

### Joe Don Brown Named as New Deputy Sheriff

Sheriff Dan Callaway announced Monday that Joe Don Brown has been employed as deputy sheriff for Foard County.

Mr. Brown, life-time resident of Crowell, replaces George Scott, who resigned as deputy on May 24.

### Three New Vehicles

Three new vehicles were registered here last week, as follows: June 12, J. D. Burris, two 1968 Chevrolet trucks; June 13, Wayne M. Gamble, 1968 Chevrolet pickup.

### Two Foard County 4-H Youths at State 4-H Council Meeting This Week

Miss Harriet Halbert, daughter of Mr. and Mrs. Kenneth Halbert of Foard City, and Joe Ray Burkett, son of Mr. and Mrs. Joe

Burkett, are in Houston this week attending the State 4-H Council meeting.

### Pat McDaniels Move to Home in Crowell

Mr. and Mrs. Pat McDaniel moved last week from Truscott back to their home in Crowell. The McDaniels had made their home at Truscott for the past 1 1/2 years. Mr. McDaniel operates a maintainer for Knox County.

### Mrs. Justin to Receive Master's Degree

Mrs. H. C. Justin, who is a third grade teacher in the Crowell School System, will receive her Master's degree in Education on July 12. Mrs. Justin lives in Vernon.

Joe Ray, a member of the State 4-H Council's Executive Committee, went to Houston last Friday to make arrangements and help plan final details of the State Council meeting, and will be in charge of one of the study groups as they study how the state, district, and county council groups can work and meet the needs of all young people of 4-H age in the state.

Harriet went to Houston on Monday to attend the State Council. As chairman of the District III 4-H Council, Harriet is a member of the State Council and will represent District III.

The State 4-H Council will plan and be responsible for all State 4-H functions.

Joe Ray and Harriet will return home on June 21.

### 1968 Wheat Harvest Largest in History

Harvesting of the largest wheat crop in the history of Foard County drew to a close this week as combines are nearly all moved on to the north and west and elevators began their clean-up job after the big rush.

With figures as announced by the county's elevators as of Monday afternoon added up, the total had climbed to 1,601,066 bushels.

This total does not include an estimated 40,000 to 50,000 bushels stored on farms in the county.

With the 80,626 acres planted to wheat this year, as reported by the local ASCS office, the average yield per acre for the county on wheat delivered to the elevators is 19.857 bushels, which is considerably above the county's average yield-per-acre.

The early part of the harvest season was plagued by wet and damp weather, but when it cleared off and the mercury rose to 100 degrees or over, the harvest really broke loose and a constant stream of trucks swarmed to the elevators through most of the day and night all last week.

Yields have been reported from about 10 bushels per acre to over 40 bushels per acre.

Even with the depressed price of wheat this year—\$1.26 per bushel Monday—the extra large yield will bring many dollars into the local economy.

Hubert Brown of the Foard County Mill told the News Tuesday that the price of wheat on the Fort Worth market rose to \$1.31 per bushel Tuesday.

### Oats and Barley

In addition to the big wheat crop, the elevators received a total of 28,587 bushels of barley and 28,519 bushels of oats.

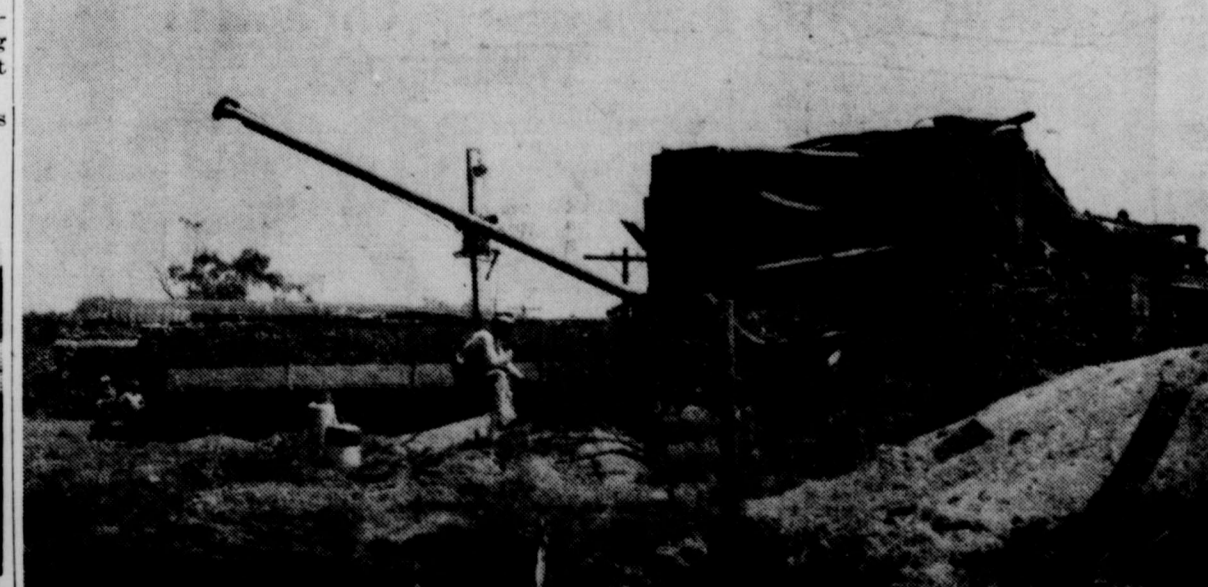

The local Santa Fe office reported Tuesday that 189 hopper cars of wheat, and one car each of barley and oats had been shipped from Foard County and 34 cars of Truscott area wheat had been shipped. These hopper cars hold about 200,000 pounds of grain each, double that of the old box cars.

Damage has been repaired to the track south of Truscott where Tuesday, June 11, at 4:45 p. m. a train of wheat cars derailed with five hopper cars leaving the tracks and being destroyed.

### Local Men Attend State Democratic Convention in Dallas

Ray Shirley and Robert Kincaid were in Dallas last week to attend the Tuesday meeting of the Democratic Party of Texas.

At the meeting, Mr. Shirley was named to the post of "presidential elector."

## Former Thalia Resident Now Assigned as Deputy Judge Advocate General

A native of Thalia, who advanced from the Navy's World War II V-7 officer training program to the rank of rear admiral, has assumed duties as Deputy Judge Advocate General of the Navy in Washington, D. C.

Rear Admiral Donald D. Chapman, son of Mrs. W. G. Chapman of Odessa and a long-time resident of Thalia, makes his home in Arlington, Va., where many military officers and Congressmen with responsibilities in Washington reside.

Admiral Chapman will return to Texas July 4 to speak to the military law section of the State Bar of Texas at the organization's annual convention in Houston.

Admiral Chapman was born Dec. 9, 1917, in Thalia. Upon graduation from Thalia High School, he attended Texas Tech at Lubbock where he received a Bachelor of Arts degree in 1939. In 1942, he received the Bachelor of Law degree from the University of Texas.

Enlisting in the U. S. Naval Reserve V-7 program in January of 1942, he subsequently attended the U. S. Navy Reserve Midshipmen's School at Northwestern University and was commissioned an ensign in December, 1942.

He served during World War II as a general line officer, first on the USS PC460 in the Caribbean, and later on the USS PC566 in the Atlantic. He was commander of the USS PC792 in the North Pacific.

In March of 1946, Admiral Chapman entered the Navy legal program, serving his first tour in the District Legal Office, Eighth Naval District, from 1946 to 1949. He was assigned as staff legal officer, commander amphibious force of the U. S. Pacific Fleet from 1949 to 1951, and spent nine months of that period with the fleet in the Western Pacific.

After a tour in the military justice division of the office of the Judge Advocate General from 1951-1955, he became staff legal officer to the commander of the U. S. Atlantic Fleet, a position he held until 1958, when he was assigned duty at the Judge Advocate General's School, U. S. Army, at Charlottesville, Va.

He served from 1958 to 1963 in the administrative law division of the office of the Judge Advocate General, then was nam-

ed district legal officer for the Fourteenth Naval District, a post he held until 1966.

He returned to the Judge Advocate General's office as chairman, Board of Review No. 4, until 1967, when he became director of the administrative law division of the Office of Judge Advocate General.

He held this post until assuming duties as Deputy Judge Advocate General.

Admiral Chapman is married to the former Norene Vernetta Elam of Amarillo. They have two sons, Ronald Warren Chapman of New Orleans, La., and Randall Douglas Chapman, a freshman student this past year at Texas Tech.

## Jack Hightower to Represent Texas at Legislative Conference

Gov. John Connally announced last week the appointment of State Sen. Jack Hightower to represent Texas at the annual Legislative Work Conference on Regional Education to be held in Austin, July 11-12. He has attended this conference as a delegate for three consecutive years.

Sen. Hightower, from Vernon, was elected to the Senate from senatorial district 30. He is chairman of the Senate contingent expense committee and a member of the committees on finance; insurance; agriculture and livestock; counties, cities, and towns; labor and management relations; oil and gas; water and soil conservation; and legislative, congressional and judicial districts.

## Resolution Passed by Texas House Honors Heatly

Rep. W. S. Heatly of Paducah, who has served this area of the state for many years in the Texas House of Representatives, was honored last week by the following resolution passed by members of the House:

Whereas, The House of Representatives of the 60th Legislature wishes to congratulate one of its most esteemed members, the distinguished Representative from Paducah, William S. (Bill) Heatly, Jr.; and

Whereas, Representative Heatly, who has served as a member of the House of Representatives since 1954, has given extraordinary service to this legislative body; he has been chairman of the State Affairs Committee and is presently serving an unprecedented fourth term as chairman of the Appropriations Committee; and

Whereas, he is also a member of the Legislative Budget Board and has served eight years as a member of the Legislative Audit Committee; and

Whereas, a native of Limestone County, Representative Heatly is a graduate of Baylor University, with both bachelor of arts and bachelor of laws degrees; he is a practicing attorney and has been a member of many important committees of the State Bar of Texas; and

Whereas, on May 23, 1968 Representative Heatly was honored by Howard Payne College at Brownwood, Texas, when he was awarded a doctor of laws degree, another outstanding tribute to a man whose lifetime has been marked by notable achievements; and

Whereas, he delivered a memorable commencement address at Howard Payne College on the same night that he was recognized with his honorary degree, paying tribute to the role of church-related institutions in our society; he stated that these institutions provide "the special element needed to keep our progress in balance and give us trained leaders who understand not only how to make a living but how to live"; and

Whereas, the colleagues and good friends of Bill Heatly wish to express happiness at the well-deserved recognition which he has received from one of the state's outstanding institutions of higher education, Howard Payne College at Brownwood; now, therefore, be it

Resolved, that the House of Representatives of the 60th Legislature, now convened in Special Session, by this resolution extend sincere congratulations to Representative William S. Heatly, Jr., and to the members of his proud family who share in his accomplishments: to his lovely wife, Johnnie; to his sons, Bill and Gene, both graduates of Baylor University School of Law like their father; and to his third son, Stan, a student at The University of Texas; and, be it further

Resolved, that a copy of this resolution be prepared for Representative William S. Heatly, Jr., as a token of appreciation from this House for his distinguished service.

## From the News... THIRTY YEARS AGO

News items below were taken from the Thursday, June 23, 1938, issue of The Foard County News:

The 1938 wheat harvest has been one of the shortest, both in time and yield, in the history of Foard County, as at the end of the third week, harvest is practically over and only approximately 540,000 bushels of wheat have been delivered to the elevators in the county.

The gravel base on five miles of State Highway 16 south of Crowell from the Beaver Creek bridge south to the edge of the cedar breaks, where the black loam land joins the rocky clay, will be completed Thursday morning.

Many gallons of gasoline have been stolen from tractors and combines in Foard County wheat fields during the past three weeks, according to the large number of theft complaints reported to Sheriff Amos W. Lilly.

A drive is being made by the Crowell Cemetery Association to gravel lanes in the Crowell Cemetery, according to an announcement made Wednesday by Mrs. N. J. Roberts, president.

Farmers of Foard County are now waging the greatest war against grasshoppers in the history of the county, according to County Agent John Nagy. Old-timers here say that the grasshopper infestation is the most severe in history.

Mr. and Mrs. Jack Welch of Benjamin spent the week end with relatives at Foard City.

J. E. Shepard purchased the interest of Doyle Kenner in the Corner Drug Store of Crowell this week. He and Henry Black will manage the store in the future.

Bill Cates has bought the interests of Raymond Jonas in the Stovall-Jonas Grocery in Thalia, according to J. A. Stovall of Crowell, who owns an interest in the grocery. The store will be operated under the name of Stovall-Cates Grocery Company with Mr. Cates as manager.

Raymond Hart, former student of Crowell High School and now a student at Stamps-Baxter School of Music in Dallas, took part in a radio program on station KRLD in Dallas Wednesday.

Miss Katherine Browning of Truscott has been elected vice president and treasurer of the freshman class at Sul Ross State College at Alpine.

Ed Gossett of Wichita Falls, candidate for Congress from the 13th Congressional District, will speak in Crowell Saturday afternoon at 5 o'clock.

The Highway Department will co-operate with farmers in poisoning grasshoppers by putting out poison on right-of-way adjacent to land where an attempt is being made to kill the grasshoppers, according to Curtis Ribble, section foreman.

A white man and a Negro man were arrested in Crowell Monday and are being held on charges of selling beer in a dry area.

A crew of the General Geophysical Exploration Company of Houston arrived in Crowell Friday and is presently working east of Foard City.

## Little League News

By Marion Crowell

Things will improve this week! The youngsters were rusty afield and at bat last week, with pitchers walking 'em, walking 'em, then hitting a batter with a pitch... but we'll see caliber of play pick up considerably this week.

You wouldn't expect: all three Elevator pitchers unable to throw strikes for two consecutive games? Marcus Mills to miss one of his ball games? Ace Whitley too? Bob Brown to hit six-for-seven for the week? (He's now hit nine-for-ten in the last two weeks against the league's better pitchers)... For only four home runs to have been hit this far along in the season? (Pitchers must be keeping the ball down)... That we've begun to suffer for help at the concession stand and on passing the "money jugs"? (Would a schedule help, thereby enabling each mother to know when she's expected to help?)

Next Sunday several of us will journey down to Seymour to the annual meeting at Seymour to draw up the various area tournaments. If we could get our new lights up it would greatly enhance our possibilities of getting a tournament here this year. We're hoping to get another tournament with several other teams, but it's probably time for another two-team tournament with Crowell and Knox City playing the only game.

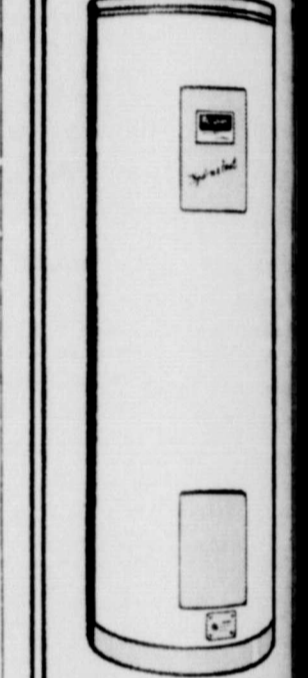

I'm thrilled at the effectiveness of our Little League Pledge and the invocation as given by our own youngsters. Wish we had a tape recording with permanent recordings of this.

Surely the parents are even prouder of the kids than I am, but, if the yare, they're literally bustin' their buttons with pride. When the kids read a simple prayer and "I trust in God, I love my country and will respect its laws..." that's something that should stick with 'em the rest of

**Farmers Elevator Increases Lead in Little League**

Farmers Elevator, top team in Foard County Little League, added to its stature last week with two victories over winless VFW, thus picking up an extra game over second place Foard County Mill, a team that managed only to split its series with Crowell State Bank.  
The busiest harvest week of the season, last week took its toll of managers, players, fans, and overall excellence of play.  
This week should see everything fall back into order as the league-leading Elevator crew will be challenged by improving Crowell State Bank, and Foard County Mill will lock horns with VFW.  
Details of last week's games are as follows:  
Tuesday, June 11, 7 p. m.: Foard County Mill 7, Crowell State Bank 4. Mill pitching ace Randy Prince pitched three shutout innings and enjoyed a 5-0 lead when he retired from the mound, and the lead held up through the next three cantos. Bob Brown continued his terrific hitting with a perfect three-for-three performance; Randy Prince hit two-for-three; and Keith McDaniel and Rocky Glascock each drove out one baserun.  
For Crowell State Bank, Danny Johnson hit two-for-two, with DeWayne Finley and Terry Tamplen each picking up one hit.  
Tuesday, June 11, 9 p. m.: Farmers Elevator 17, VFW 8.  
Walks, hit batsmen, and errors were the order of the day in this one as VFW scored eight runs without a base hit, while the Yankees coupled six hits, ten walks, with seven gift errors to plate 17 runs. Danny Lee came up with four consecutive walks; Philip Bell hit two-for-three; David Bell hit two-for-four; and Dickie Stewart and Milton Maston each slashed a double. In the second inning, four consecutive Yankee batters got on because of Vet errors.  
Friday, June 14, 7 p. m.: Farmers Elevator 20, VFW 7. Three full innings consumed the entire 90 minutes of Little League play as Vet and Yankee pitchers tried to out-do each other with bases on balls, with Johnny Hernandez's double in the first inning the only VFW hit. Don Morgan walked three consecutive times. Jay Wall did the same thing twice.  
Big gun for Farmers Elevator again was Allen Tapp with three-for-three, and Rudy Rodriguez hit two-for-two; David Bell hit two-for-three; Butch Borchardt walked three consecutive times; and Danny Lee, Dickie Stewart, Philip Bell and Milton Maston each drove out one baserun; Jack Whitley was robbed of a hit in the third by a nifty catch of his line drive by Don Morgan.  
Friday, June 14, 9 p. m.: Crowell State Bank 11, Foard County Mill 10. Foard County Mill missed a victory by a single out in this one as they went into the final frame with a 10-8 lead, got the first two men out (despite a lead-off hit by Steve Criss), then blew it with three consecutive errors after Rickey Coleman's double (his third hit in four appear-

**WHEN YOU INSTALL ELECTRIC HEAT**

**IT'S 100% EFFICIENT**

Electric heat gives you more heat per operating dollar! It's because — with proper insulation there's no heat loss.

Electric heat provides clean heat — evenly distributed throughout the room with no cold spots. You can obtain any desired temperature at the touch of a dial. Heat a single room — or the entire house if you prefer.

Investigate safe electric heat before building or remodeling. It's the finest, most economical heating system you can install.

The Wise County program  
building committee has awarded  
the first of its annual \$1,200  
agricultural scholarships to a re-  
cent graduate of Paradise High  
School.

He is Arnold L. Womack, son  
of Mr. and Mrs. O. M. Womack,  
Route 1, Bridgeport. Womack  
had to agree to major in some  
phase of agriculture at a Texas  
college or university. His major  
will be plant pathology, in the  
College of Agriculture at Texas  
A&M University. The 18-year-old  
Womack also qualified on the ba-  
sis of his achievements in the  
Paradise Community 4-H Club and  
in the Paradise High School chap-  
ter of the Future Farmers of  
America.

Womack's mother is the form-

## Two Accidents Investigated in County During May

The Texas Highway Patrol in-  
vestigated two accidents on rural  
highways in Foard County during  
the month of May, according to  
Sgt. Floyd Etheridge, Highway  
Patrol supervisor of this area.

These two crashes resulted  
in no persons killed, two per-  
sons injured, and an estimated  
property damage of \$1,955.00.  
The rural traffic accident sum-  
mary for this county during the  
first five months of 1968 shows  
a total of seven accidents result-  
ing in no persons killed, five per-  
sons injured, and an estimated  
property damage of \$5,045.00.

During the next three months,  
millions of motorists will be head-  
ing for the road on vacations and  
outings. More vehicles on the  
road mean congestion and con-  
gestion leads to accidents. In or-  
der to prevent accident-producing  
circumstances, the sergeant has  
listed some summer vacation driv-  
ing tips:

1. Know and obey traffic laws  
and rules.
2. Maintain speeds consistent  
with legal limits and conditions.
3. Signal for turns in ample  
time and turn only from the prop-  
er lane.
4. Have yourself and your car  
under control at all times.
5. Be alert while passing, turn-  
ing, pulling out, and backing.
6. Be courteous and consider-  
ate to all other drivers and pedes-  
trians.

## Princess Grace to Visit HemisFair

A king . . . a president and now  
a princess are among the list of  
millions to visit the San Antonio's  
World's Fair in its six-month  
reign.

Princess Grace of Monaco has  
announced plans to visit Hemis-  
Fair on September 23 as part of  
a fashion extravaganza to be pre-  
sented by the French Pavilion.

Princess Grace will be the hon-  
ored guest at the event, to be  
staged at the Palacio del Rio Ho-  
te lacross from the 92.6-acre  
grounds at the World's Fair.

King Olaf V of Norway was  
the first monarch to visit Hemis-  
Fair. President Habib Bourguiba  
of Tunisia followed the king by  
several weeks. Mrs. Lyndon B.  
Johnson, the First Lady of the  
United States, officially opened  
the World's Fair, and her two  
daughters, Lynda and Luci, have  
made at least one visit to the  
grounds.

Princess Grace, who was fa-  
mous as actress Grace Kelly be-  
fore her marriage to Prince Ra-  
nier, will attend a dinner show  
and dance, the proceeds from  
which will go to the Texas Asso-  
ciation for Retarded Children.

BUY LESS

Do you habitually take  
a 25 or 30 per cent discount on  
the personal checks you write?

♦ Many people do . . . without re-  
realizing it. It's the hidden penalty  
they pay for the privilege of tak-  
ing their trade to some other city  
or town.

♦ Take a moment to consider the  
facts: Only about 70 cents of  
each dollar we spend goes to pay  
for the actual goods or service

that we get. About 30 cents of  
that dollar has to cover the ex-  
penses of the community where  
the sale is made . . . to pay the  
people who work there . . . to re-  
turn something on the capital in-  
vested . . . to help support the  
civic facilities such as churches,  
schools, fire and police protec-  
tion, road and street mainten-  
ance, etc.

♦ Of course, when we spend our

money away from home we get  
no personal benefit whatever  
from the 30 per cent of it which  
goes for community business and  
social improvement.

♦ Doesn't it follow, then, that  
when we give checks or money  
for out-of-town purchases, near-  
ly one-third of the amount goes  
for something we don't get? Isn't  
that very much the same as dis-  
counting our checks or money?

## Bobcats and Snakes Take PeeWee Wins

In PeeWee baseball action last Thursday night, the Tigers, coached by Wayne Oneal, played catch-up against Ralph Don Adams' Bobcats all during the game, and they almost did as the final score was 12 to 11 in favor of the Bobcats.

For the winners, Steve Rodriguez led in scoring with 3 runs and Randy Wilkins, cat pitcher, Kurt Adams and Mike Scott each scored twice. Making 1 run each were Myron Halencak, Erwin Jackson and Mike Scott. Rounding out the Bobcat roster were Pat Norman and Jessie Henry.

For the losers, Tommy Tamplin, pitcher, led in scoring with 3 runs, one of which was a home-run. Scoring two runs was Randy Fish, and the following boys scored one run each: Fred Gray, Jackie Morgan, Rocky Marlow, Wm. Carroll, Junior Carroll and Wade Davis. Completing the Tiger roster were Don Johnson, Milton Tennell, Dennis Setliff and Stacy Powers.

In the second game, Earl Ford's Snakes took a 6 to 5 win over the Leopards.

Dean Hofmann, Snake catcher, scored two runs for the winners, and Dewey Ford, Randall Russell, Rocky Marlow and Chris Ford scored one run each. Other members of the Snake team are Audley Dunham, John Klepper, Jay Wall, Paul Whitley, Norman Hopper and David Seeding.

Milton Tennell, Leopard pitcher, scored two runs and William Carroll, Mike Foster and James Aranda each scored once. Other members of the team were Junior Carroll, Don Martin, George Brown, Ricky Foster, Wade Davis and Billy Gill.

As of last week, the 4-team PeeWee league was in a three-way tie between the Bobcats, Tigers and Snakes with two wins

Austin, Tex.—This is a crucial week for the special session of the Legislature which, as expected, neared the half-way mark without coming to grips with any major assignments.

House members were due to face up to Gov. John Connally's "small bottle" liquor-by-the-drink bill early in the week, followed closely by a vote on a \$2,500,000,000 budget for 1969 state governmental operations.

The mini-bottle liquor bill was voted out of the House State Af-

fairs Committee, but only after one of the most confusing bouts of legislative in-fighting in history.

Two "wets" held critical positions. They voted for the bill on the second day of the committee debate after opposing it throughout the preceding day.

First, Rep. James Clark of Dallas captured the spotlight when he switched his vote from pro to con during the initial day's debates. Clark had offered amendments to the bill which were de-

feated by the committee.

Then, late in the afternoon, Clark started voting with the "drys" saying the legislation was an impossible "hodgepodge of legal gobbledegook."

But the next morning Clark voted for the bill, as did another "wet" opponent, Rep. Jake Johnson of San Antonio.

Both men indicated they had received assurances from the authors of the bill that their amendments would be given favorable consideration on the floor of the House if they would just help get the bill out of committee.

Clark and Johnson both want liquor-by-the-jigger legislation instead of liquor in two-ounce mini-bottles as provided in the governor's bill. But they said they would go along with the little bottles if they could secure certain other changes in the law.

They want at least three provisions added:

1. An amendment to outlaw the practice of legislators representing clients in cases before the Texas Liquor Control Board.
2. A provision doubling the license fees for persons selling liquor and beer.
3. A provision requiring complete financial disclosure by holders of beer and liquor licenses. This is aimed at stopping the practice of juke box operators making loans to tavern operators at high interest rates.

With these assurances from the bill's authors, Clark and Johnson would seem to be in a strong position to make their demands be met, but margin on the House floor appears very close, and the Senate even closer.

In case of failure of the governor's tax proposals, tied largely to a raise in the sales tax rate to three per cent with 75 per cent of the new income refunded to incorporated cities on basis of their populations—lawmakers may turn to a straight increase in the sales tax without refund provisions. Both the governor's bill (\$127,200,000 a year total taxes) and the straight sales tax raise (\$150,000,000 annual yield) were reviewed by the House Revenue and Tax Committee and sent to sub-committee.

House Speaker Ben Barnes has indicated he would like to have his representatives face all three major issues of the session—taxes, budget and liquor-by-the-drink—by the end of the week. That would leave less than two weeks for Senate action and final reconciliation of differences in conference committees.

STATE CONVENTIONS—Two Texans will go to the national political conventions as favorite son candidates for president—Governor Connally for the Democrats and Sen. John Tower for the Republicans.

Both won their honors overwhelmingly in state party conventions.

Both also are being mentioned prominently as prospective candidates for vice presidential nomination, although they deny they seek or expect places on the national ticket.

Connally and the moderate-conservatives proved they still are in firm control of the State Democratic party machinery when they crushed liberal opponents 2,835 to 499 on the favorite son resolution at their state meeting in Dallas.

All 104 Texas delegates to the Democratic convention in Chicago August 26 are bound to support

Connally under the unit rule until he releases them—which is expected to be early—in favor of Vice President Hubert Humphrey. It is doubtful there are any supporters of Sen. Eugene McCarthy on the delegation.

Republicans shouted four-to-one approval of the Tower favorite son resolution, and instructed their 56 delegates to Miami Beach for the August 5-8 national GOP convention to back him "until released after consultation" among the group.

While most of the Republican delegation is believed to favor Richard Nixon for the presidential nomination, an estimated 12 to 16 prefer California Gov. Ronald Reagan. Reagan boosters, catching the majority by surprise at the Corpus Christi convention, forced through a resolution commending the actor-turned-governor on his administration and his "constructive influence on national affairs," and urging him to take a more active role in national GOP politics. There were no backers of Gov. Nelson Rockefeller among the Texas delegates.

Texas Democratic leaders polled in Dallas acknowledged a race between Nixon and Humphrey would be too close for comfort.

'Sing Out America' Coming to Crowell

Sharing the patriotic fervor and enthusiasm of thousands of young people across the breadth and length of the United States, the youth of this area have joined together to proclaim to everybody that America is good, that the Red, White and Blue is a grand old flag, and that the future is bright with promise for those who have faith and are willing to work to help shape that future in the right direction.

These area young people will present a full-length red, white and blue "Sing Out, America" show in the Crowell High School auditorium on Saturday evening, July 6. A fast-paced show, they say that their Sing Out is more than an explosion of music—it is rather a demonstration of a new generation speaking and singing together creatively with a love and commitment to their country. Instead of violence and anarchy,

their choice is a positive, passionate patriotism that underlines what is right with America. Their enthusiasm and hard work, with the help of the adult sponsors, promise to produce an evening that will thrill the listeners.

Under the general direction of Mrs. Moody Bursey, the young people have put together and planned this program after the pattern of "Up with People." Anyone who wishes to have a part is welcome and is invited to participate: rehearsals are being held Monday, Tuesday and Thursday evenings at 8 in the school auditorium.

The cast and crew thanked the school administration and members of the board for permission to use the school facilities; and hope that this "Sing Out, America" will stimulate a deeper love for this country among all those who hear it.

Highway Patrol Active in County During Harvest

The Texas Highway Patrol was active in Foard County again this year during harvest.

They issued a large number of tickets to truckers for various violations. Some of the violations included overloading the vehicle, improper licenses on vehicles and improper licenses for vehicle operators.

For a number of years, the Highway Patrol has made it a practice to move into the county and issue many tickets to truckers bringing wheat to the elevators.

Vegetable Festival at Munday Set for June 28-29

The sixth annual Knox County Vegetable Festival will be held in Munday on June 28 and 29.

The festival is held in June each year during vegetable harvest season when exhibits of fruits, flowers, and vegetables are displayed and judged. Canned and baked foods are also exhibited and judged by competent judges. Ribbon awards are made with special recognition being given to outstanding entries.

Other exhibits, not judged, are arts, crafts, hobbies, and farm relics.

The famous Maskat Shrine Motor Patrol of Wichita Falls will formally open the festivities at 7 p. m. Thursday, June 27, with a motorcade exhibition downtown. They will also participate in the music entertainment program to follow at 8 p. m. where invited groups will perform. Country-western music compared with modern psychedelic-type music will attract every member of the family from youngsters to grandparents. To accompany the country-western music, several groups will provide exhibition square dancing.

Friday is "Beauty Pageant Day" at the festival. Thirty-eight Knox County high school-age beauties will vie for the new festival queen. Two runners-up will be chosen to complete the queen's court. The first judging will be held at an afternoon tea and the final judging will be at 8 p. m. Friday night in the high school auditorium.

The Munday Chamber of Commerce & Agriculture will host a special "vegetable dinner" on Friday noon honoring news media from a wide area. Invitations are mailed to persons who have helped to publicize the festival during the past six years. "This is our opportunity to pay tribute to our many friends who have been so faithful to us in our effort to publicize Munday as a vegetable production center," states M. L. Wiggins, Chamber president.

A special guest for the dinner will be Murray Cox, WFAA, Dallas, who, six years ago, initiated the first vegetable festival by live coverage on WFAA. Since that time, the event has become a two-day affair.

Due to recent heavy rains and some spotted hail, a bumper crop of vegetables will not be harvested at this time; however, one can be assured he can purchase potatoes, onions, cabbage, and many other vegetables on the festival grounds.

Murrell Diggs Gets Promotion at Mesquite

Murrell C. Diggs of Mesquite, former Crowell resident, has been appointed director of sales for Highland Homes Inc. He has been manager of the firm's Old Farm community and assumed his new position last Saturday.

Diggs is the son of Mrs. John Diggs, long-time Crowell resident. He joined Highland Homes as a sales representative in 1964. Earlier, he had served 23 years with the U. S. Air Force and retired with the rank of chief master sergeant. He and Mrs. Diggs and their three children live at 3101 Meadow Lane, Mesquite.
