## Over Forty Band Members Are Attending Practice

Between forty and fifty band members have been attending band rehearsals for the past week, James Streit, the new band director for the Crowell Schools, said Tuesday. Some of the band members are still on vacation or working on their summer jobs.

Mr. Streit said, "We would like to encourage all band members to be present for the Thursday and Friday rehearsals, especially those that have just returned from vacation. Uniforms will be issued at the Friday morning rehearsal."

Mr. Streit listed the following students who have been attending the rehearsal sessions:

Ruth Brown, Susan Autry, Missy Williams, Barbie Scott, Babs Streit, Kristi McLain, Debbie Coffey, Nancy Looney, Betty Whitfield, Jane Hughton, Sandy Whitfield, Debbie Scott, April Werley, Cheryl Garrett, Kay Shirley, Mieke Owens, Debbie Johnson, Carolyn Nichols, Sharla Haynie, Darla Bell, Shayne Garrett, Jacquelyn Brown, Arthur Cerda, Jana Russell, Karen Gray, Michele Gafford, Anthony Powers, Trey Autry, Teri Garrett, Reed Davis, Rhonda Veera, Trudy Bird, Daryl Rhadenack, Cheryl Branch, Cindy Wisdom, Karen Stater, Lisa Halenack, David Stapp, Carolyn Jones, Beth Welch, Louis Lopez, Murry Bullion, George Brown, Peggy Raspberry, Ricky Lopez, Sharon Brown, Gary Glover, Weldon Pierce, Adrian Martinez, Julie Streit.

## Neighborhood Center Completes Summer Activities

The Foard County Neighborhood Center's summer activities have been completed with very good attendance, according to Mrs. Loraine Carter, director.

"We have been getting the building and equipment ready and in order for the fall program. The fall program has not been worked out, but we'll have it ready soon," Mrs. Carter said.

"We will have our pre-trainers again this fall, ages 3 to 6, from 8:30 to 11:30. We are looking forward to having each of you. Watch the News for the starting date."

"The Latin American people will not have the dinner at the Neighborhood Center this week end. They plan to serve at a later date. Again, thank you for coming," Mrs. Carter added.

## CROWELL SCHOOLS TO OPEN NEXT MONDAY

On Monday, August 25, school bells will ring for the children and teachers of the Crowell Independent School District for the 1969-70 school year.

Regular runs will be made by busses, and the cafeteria will serve lunches. Classes will begin at 8:20 a. m., Supt. Henry Black said this week.

Work is progressing rapidly on the new shop which is being constructed west of the high school building. Howard Shelton of Quannah is laying the cement blocks, and he is being assisted by Allen Taylor, Carl Cox, Ray and Jimmy Quintero. Other improvements include the painting of the windows in the high school, all woodwork in the interior of both buildings, and a new coat of gym finish on the floors.

New equipment purchased include an upright deep freeze and a proofing cabinet for the cafeteria. Over \$2,000 has been spent on visual aids for the high school, Supt. Black said, and an additional microscope has been added to the science laboratory.

All broken or damaged seats in the stadium have been replaced with new ones.

Band practice under the direction of James Streit began last Monday morning and will continue this week beginning at 8 a. m.

Football practice is underway with Coaches L. H. Wall, Printiss Gidney and Harvey Wilson.

There will be a general faculty meeting on Saturday morning, August 23, in the high school building, according to Supt. Black.

## Leslie Hopkins Receives Credit in Biology at ACC

Leslie Hopkins, son of Mr. and Mrs. Dumas Hopkins and a 1969 graduate of Crowell High School, has been notified that he has been awarded four semester hours credit in biology at Abilene Christian College in Abilene on the basis of his score on an advanced-standing examination taken earlier this year.

## Donations Solicited for New Electric Wheel Chair

T. H. Franklin announced Tuesday that the Crowell Lions Club has voted to co-sponsor a project with several individuals to purchase a new electric wheel chair for Kelly Collins of Crowell.

Mr. Franklin said that donations can be made to Franklin, Mrs. Roy Whitley or Jack Welch, secretary of the Lions Club.

The new chair will cost about \$625.00, Franklin added.

## Commissioners Court Sets Hearing on Budget for August 25

A hearing on the proposed Foard County budget for the coming year will be held on Monday, August 25, beginning at 10 a. m. in the office of County Judge Leslie Thomas in the court house.

## FOARD WHEAT ACREAGE SLASHED FOR 1970

The Nixon administration announced last week it had cut wheat acreage allotments for the 1970 crop to 45.5 million acres—the smallest on record—in an effort to head off rising surpluses of the bread grain. The cut will figure 12 per cent across the board.

Foard County had a 1969 allotment of 61,397 acres. The slash in allotments will take about 7,370 acres out of production to leave the county with about 54,000 acres.

The allotment for Texas for 1969 was 3,704,021 acres and the 1970 state allotment will be 3,265,386 acres.

The exact extent the cut will have on Foard County has not been received by the local ASCS office.

It was the third straight year of acreage reductions in the government program. The national wheat allotment was 68.2 million acres in 1967, 59.3 million acres in 1968 and 51.6 million acres this year.

Under the program, farmers would be eligible for basic price support loans of \$1.25 per bushel, plus additional payments for their share of wheat used domestically.

Announcement of the slash in wheat allotments was made by Agriculture Secretary Clifford M. Hardin.

From 1960 to 1968 the volume of street robbery has increased 148 per cent, residence robbery 99 per cent, and bank robbery 302 per cent.

## One Foard County Man to Be Inducted on September 16th

Ronald Keith Eavenson of Thalia is the only Foard County resident among the fourteen from the three-county area of Foard, Wilbarger and Hardeman, who have been ordered by Selective Service Board No. 131 to report for induction into the armed service on September 16.

## News About Our MEN IN SERVICE

With U. S. Combat Air Forces, Vietnam—Staff Sergeant Charles R. Gates, son of Mr. and Mrs. Oscar Gates Sr. of Clifton and son-in-law of Mr. and Mrs. Glen Goodwin of Crowell, is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award for the third consecutive year.

Sgt. Gates, a munitions specialist in the 12th Tactical Fighter Wing at Cam Ranh Bay AB, Vietnam, will wear the distinctive ribbon to mark his affiliation with the unit.

The 12th, the first F-4 Phantom wing to operate in Vietnam, was cited for flying 23,000 combat sorties with skill and professionalism during the period from June 1, 1967, to May 31, 1968.

The sergeant is a graduate of Clifton High School. His wife is the former Barbara Goodwin of Crowell.

## W. H. Dodd Family Moves to Ropesville to Make New Home

Mr. and Mrs. W. H. Dodd and two children, Charles and Deana, moved from Crowell Saturday to Ropesville where they will make their new home. Mr. Dodd has been the Santa Fe agent there for over a year.

Mrs. Dodd, a graduate of the first class of the Greenbelt Licensed Vocational Nursing School, has been employed for some time at the Foard County Hospital and will now be working in a Lubbock hospital.

Their son, Charles, a 1969 graduate of Crowell High School, will attend Baylor University in Waco this fall, and Deana will be a freshman in high school.

Mr. Dodd formerly was Santa Fe agent at Truscott and Benjamin.

## Two-a-Day Workouts for Football Squad Started Last Monday Morning

Coach L. H. Wall, Jr., had a total of 28 boys report for the first of the two-a-day workouts last Monday morning in preparation for the 1969 C. H. S. football season.

Coach Wall, who is assisted in coaching duties by Printiss Gidney and Harvey Wilson, had the following five seniors report:

Gary Cates, Buz Raspberry, Barry Branch, Danny Naylor and Mike Matus.

The Junior class is furnishing the largest number of boys this year with eleven: George Eavenson, Kenneth Sellers, Mike Weathered, Junior Urquizo, Jackie Thomas, Jim Tom Smith, Buff Nelson, Douglas Chowning, David Myers, Jimmy Glover, Marvin Sillemont. Eight sophomores reported for training: Jackie Daniels, Bob Burkett, Dennis Dobbs, Ronnie Naylor, Terry Farrar, Bill Erwin, Cliff Booker and Harry Lee Swan.

Four freshmen boys reported: Rocky Bachman, Rex Driver, Johnny Urquizo and Lupe Palacio.

The nine senior members of last year's team lost to graduation were Terry Bird, Charles Dodd, Jimmy Hammonds, Leslie Hopkins, Ike Everson, Larry Ellis, Junior Carroll, Billy Hord and Alan Lee.

Coach Wall said that the Wildcats will host the Childress team for a scrimmage next week, and the following week the Wildcats will go to Throckmorton for a scrimmage. Exact dates and time of these scrimmages will be announced next week, Coach Wall added.

The first game this season will be at Lockett on September 12.

## Believes Muddy Water Problem Solved

Millard Bruce of the Lubbock office of the State Health Department, was in Crowell last Thursday consulting with City officials and employees, and said that the idea that coloration was caused by a "turn-over" in lake water was incorrect and was not the cause of the discoloration.

Mr. Bruce stated that the chemists and others who have been called in to try to remedy the situation, believe that manganese is the culprit. He said that an excess of manganese was believed to have raised a crucial factor of water PH, mixed with chlorine and then turning dark.

He said that on Wednesday night of last week, equipment was installed at the lake site, which officials believe will counteract the manganese, and will stop the water discoloration.

He said the average person takes in 10 milligrams of manganese into his body each day by various means, and that there is less than 1 part in a million manganese in the Greenbelt water. It is safe for consumption, according to Mr. Bruce.

He added that this is the first time the manganese problem has come up in Texas, as far as he knows, but that the problem has been encountered before in both Arizona and California.

He said that if the new equipment installed last week is successful in correcting the problem, it will be two or three weeks before the water lines are cleared of all discoloration.

## Library's Summer Reading Program Is Completed

The Summer Reading Program for the Foard County Library ended August 12, and participating children may receive their awards from Mrs. Vetrica Brock, Librarian.

Those children receiving prizes for reading the most books in their grade level are as follows:

First grade, Richard Westbrook, 17 books; second grade, Tracey McAlister, 22 books; third grade, Denise Branch, 68 books; fourth grade, Paul Whitley, 60 books; fifth grade, Dwight Gardner, 25 books; and sixth grade, Ruth Stone, 12 books.

Others completing the program and receiving certificates for having read at least 12 books are: Melissa Burelsmith, 31 books; Carolyn Halsell, 26 books; Bridgette Gardner, 25 books; Cheryl Nichols, 18 books; Rhonda Westbrook, 16 books; Arthur Gardner, 15 books; Leslie Johnson, 15 books; Kathy Hofmann, 12 books; Betty Brown, 12 books; Randall Ray Gibson, 12 books; and Jacquelyn Brown, 12 books.

## Three New Vehicles

Three new vehicles were registered here last week as follows:

August 11, Madison Wiseman, 1969 Chevrolet pickup; August 11, John Kubicek, 1969 Chevrolet coupe, August 12, Mrs. Bennie C. Shirley, 1969 Buick 4-door.

**SWIMMING POOL MANAGER, LIFEGUARD**—Swimming pool manager Gordon Erwin, right, and one of the lifeguards this summer, Bill Erwin, are pictured above at the pool last Thursday. The pool closed for the season Wednesday, August 20, and Mr. Erwin, the only manager the local pool has ever had, completed his 14th year as manager and swimming instructor. Construction on the local pool was started in 1955, and was first opened to the public on May 25, 1956. The other lifeguard this past summer, Barry Branch, was not present when this picture was made. (News photo)

**OVER FOR THE SEASON**—Scenes like that above were concluded for the season when the Crowell swimming pool closed for the 1969 season Wednesday afternoon, August 20. The extremely hot weather this summer resulted in extra large crowds at the pool. (News photo)

## County Receives Showers Last Friday Morning

Rex Andrews, Foard County farmer, placed an ad in last week's edition of the News stating: "Wanted — 3-inch rain.—Rex Andrews."

Mr. Andrews got at least partial results from his ad as thunder showers which passed over this area early Friday morning brought .25 inch of moisture to Crowell. It was quite a bit less than Andrews advertised for, but the scattered showers brought some temporary relief from the 110 to 112 degree readings here most afternoons of last week.

## Mrs. Gann and Family Move to New Home

Mrs. Shirley Gann and daughters moved last week into their new home constructed on East Garner Street just west of the new CHS gymnasium.

Austin, Tex.—Legislature is roaring through the final full week of a called special session with accomplishment of its major goals—adoption of a budget and a tax bill—in sight.

Senate scored a major breakthrough on its tax bill after a four hour floor debate and days of gloomy predictions of a deadlock.

Here are how tax bills passed by the House and Senate stack up, pending conference committee adjustment:

**Senate**—An increase in the sales tax rate from three to 3.25 per cent with the levy extended to beer-liquor and telephone-telegraph services; four cents a pack increase in the cigarette tax, from 11 cents to 15 cents; 50-cent raise in corporation franchise tax rate (to \$3.25 per \$1,000), with base for computing the tax expanded to include 25 per cent of out-of-state sales; boost in the natural gas production tax from seven to eight per cent and addition of a new documentary stamp tax of 50 cents per \$500 value on land transfer documents.

**House**—An increase in the sales tax rate to 3.5 per cent; a new services tax of the same amount on telephone and telegraph, professional entertainment, auto, appliance and jewelry repairs, parking, laundry and dry cleaning; a five cents a pack raise in the cigarette tax and a 10-cent transactions levy on sale or purchase of stocks and other securities.

Total yield of the House bill was calculated at about \$325 million. Senate bill originally was figured at \$360 million, but a de-

lay in its effective date may reduce the take sharply.

Senate bill would share with those cities levying a local option sales tax the new income from tax on telephone and telegraph and alcoholic beverages. House bill did not propose such sharing from services levy.

Differences in the \$1.2 billion Senate and \$1.1 billion House general revenue budgets also are being hastily adjusted.

**WELFARE BENEFITS TO RISE**—Proving that what comes down eventually will go up, state welfare benefits will increase on September 1.

Aid to Families with Dependent Children (AFDC), sharply reduced May 1 due to fund shortages, will rise at least 50 per cent.

Maximum grants to the aged also will increase from \$110 to \$125 a month. Aid to the disabled maximums will go up from \$84 to \$100 and aid to the blind from \$96 to \$110.

Increases were made possible by voters' August 5 adoption of the constitutional amendment to raise the welfare spending ceiling from \$60 million to \$80 million a year.

Public Welfare Board authorized an increase in AFDC to 75 per cent of budgeted family needs. AFDC checks were reduced May 1 to 50 per cent of the budgeted needs.

New level of assistance will represent a 30 per cent increase over the average AFDC grant as of Jan. 2, 1968, effective date of a federal requirement that by last July 1 amounts used to determine needs in the AFDC program must

reflect regular cost-of-living increases.

**PRIVATE CLUB RULES STAND**—An Austin district court has refused to block Texas Liquor Control Board from enforcing new rules for private clubs effective September 1.

Club operators asked the Board for a delay pending their appeal, but the Board said its rules appear clear enough and will be enforced pending an adverse court order.

Primarily at issue are sections of the rules which would require that club guests be personally introduced by a regular club member or accompanied by a member and that bills incurred be sent to and paid by a member. Latter would ban cash sales by clubs.

LCB member Joe Burkett, Jr. of Kerrville told complaining club operators they may be needlessly "gun-shy." Agency, said Burkett, is not interested in making unwarranted arrests and prefers a "warning system" to a "complaint system."

"The Board has no desire to be punitive," said Chairman Tom Gordon of Abilene. "But it is our duty to enforce the Texas liquor control law . . . and that is precisely what we intend to do."

**ATTORNEY GENERAL RULES**—State Board of Insurance can insure insurance company investment income in setting out coverage premium rates, Atty. Gen. Crawford C. Martin has held in a new opinion. But Martin said he could offer no advice as to whether the Board should take in rate making.

In other recent opinions, Martin held that:

New theft-of-fish law may be enforced by Parks and Wildlife Department officers if the offense is committed in their presence or view and fish taken from the fish farm have value in excess of \$200. Otherwise, enforcement lies with regular peace officers.

Dimmitt Feed Yards, Inc., a custom cattle feeding lot, is not obligated to furnish to county tax assessor a list of the names of those owning cattle located within its confines on January 1.

**WATER STUDY**—Rep. Bill Clayton of Springlake introduced a resolution creating a legislative-citizens study committee to take a full look at the Texas Water Plan, now that the voters refused to approve the \$3.5 billion state bond issue to help finance the 50-year water program.

Committee would be composed of three private citizens, three senators and three representatives.

They would investigate other possible ways of financing the state water plan. Opponents of the bond issue raised the question that the effect of 67 reservoirs and two large canals on the ecology of the state had not been given enough consideration by the Texas Water Development Board. Committee would hold hearings over the state on that.

Recommendations would be made to the Legislature in 1971, thus making it possible for a new election to be held that year or in 1972 on a finance plan.

**SHORT SNORTS**—Land Commissioner Jerry Sadler claims sites of three Spanish shipwrecks off Padre Island—which may contain valuable treasure as did earlier site explored—have been plundered by "pirates."

Coordinating Board, Texas College and University System, sold \$15,000,000 worth of the bonds authorized by the voters Aug. 5, at 5.41 per cent interest to provide money for students planning to enter college in September.

State Board of Insurance has warned insurance companies from "tacking on" unnecessary provisions to automobile policies after learning that some companies have been "declining" to write policies unless applicants purchased "additional" coverages which provide no substantial benefit to them" since this, in effect, is "requiring a premium in excess of that prescribed by the Board" and a "violation of the automobile premium rating laws."

Texas Aeronautics Commission has given approval to Rio Airways to operate a commuter service to major South Texas cities and approved a request of King Airlines of Wichita Falls to double the size of the aircraft it uses in its commuter service between Wichita Falls and Dallas.

About 10,000 Texans are driving "illegally" because they have circumvented the state's safety responsibility law, according to Southwestern Insurance Information Service.

Robert McLellan, undersecretary of U. S. Department of Commerce, will address the Legislature August 19 to launch Texas Industrial Commission's "E" Awards for promoting sales of American products abroad.

Water Rights Commissions is investigating a complaint from landowners downstream from Stamford's city lake that Stamford is not releasing water into Paint Creek as required by the city's permit from the Commission.

From the News . . .  
**THIRTY YEARS AGO**

News items below were taken from the Thursday, August 24, 1939, issue of The Foard County News:

The Crowell Public Schools will open the 1939-40 term Monday morning, Sept. 4, according to Supt. I. T. Graves.

The stage is being set for the second annual East-West Class A All-Star gridiron classic to be played in the Oil Bowl at Wichita Falls under the sponsorship of the Maskat Temple on Monday, Sept. 4, as the mentors, Grady Graves of Crowell, who will pilot the West team, and Charlie Wood of Cameron, who will head the East team, will land in Wichita Falls for the opening workouts on Monday, August 28. Both coaches won their regions last season and each has assembled a hand-picked group of Class A stars for his club.

J. T. Billington won his first Spring Lake Country Club championship last Sunday afternoon when he defeated the defending champion, T. S. Haney, 2-1, in an 18-hole match.

The first bale of cotton to be ginned in Crowell from the 1939 crop was ginned by Clyde Knight at the Farmers' Co-Operative Gin Wednesday morning, August 23.

A Washington, D. C., sports columnist had this to say about Dick Todd, who has recently joined the Washington Redskins: "He's only a little fellow as professional football players go, but he does 100 in less than 10 seconds and looks like a run-away eel in a mill pond when he packs the ball. If Todd isn't the greatest safety man in the circuit this year, Coach Ray Flaherty will miss a guess."

One and six-tenths inches of rain were received in Crowell and vicinity last Sunday and Tuesday to insure Foard County's cotton and feed crops enough moisture to reach maturity.

Dr. Dan Hines Clark went to Quanah Tuesday where he will be associated with Dr. R. R. McDaniel in the practice of medicine and surgery with offices in the Quanah Clinic.

Mrs. Homer Johnson and son, Larry, left Crowell this week for an extended visit with relatives in Houston and Beaumont.

Mrs. Geneva Potts and two children, John Hilbert and Neva Lou, returned Wednesday morning from a visit with her brother, John Wishon, and family in Hollywood, Calif. They had been gone for about three weeks.

Valton Wallace left Sunday for Decatur where he will be employed on an REA project during the next month.

Weldon Cordell returned to Crowell Wednesday after serving with the Battery Service of Lubbock during the 19-day encampment at Camp Hülen, Palacios.

Mrs. Lee Lefevre and daughter, Lavoyce, and Joe Farrar visited relatives in Vernon Monday.

There will be an all-day singing at G. A. Shultz's park four miles south of Thalia Sunday. Shade and a cool place with seats for all. Everyone is invited. Bring your lunch along.

**Family Reunion**

Those visiting Mr. and Mrs. W. H. Sellers for their reunion were Mr. and Mrs. J. S. Teague of Lamesa, Mrs. Donald Holland and Toni of Azle, Mrs. Jackie Hickman, Kim and Traci, of Lubbock, Mrs. Philip Welch of Azle; Mr. and Mrs. H. B. Sanders of Crowell, Mr. and Mrs. Bob Sutton of Gruver, Mr. and Mrs. Jim Cannon of Channing; Mr. and Mrs. Donald Knight, Darron and Tammy, of Tokio, Texas; Mr. and Mrs. Louis Brewer and Lisa of Abilene. Claude Sellers of Crowell was not present, as well as one of Mr. and Mrs. W. H. Sellers' daughters, Mrs. Glen Williams, who could not be here because of sickness in her family.

The FBI says that in 1968 almost 16 of every 100 police officers were assaulted in the line of duty, an increase of 17 per cent over 1967.

**Nortex Regional Planning Commission to Note Third Anniversary Thursday**

Nortex Regional Planning Commission, of which Foard County is a member, will begin wearing a mantle of maturity at its August executive session in Vernon Thursday as it marks its third milestone as clearing house for orderly growth and development among cooperative political subdivisions of a 12-county territory.

Pioneer among such grassroot groups, there now being 22 in Texas and some 1,000 in the 50 states, Nortex will herald the beginning of a fourth year of planning with a 7:30 p. m. meeting, over which Archer County Judge Bill Holder, chairman, will preside in the Wilbarger County court house.

Ed Daniel, Nortex executive director, said Sunday that one item on the agenda, an application by Young County Soil and Water Conservation District No. 539 for membership, if approved, would increase to 41 the number of political subdivisions banding together for a common purpose—"a better life for everyone living within our 12-county area of geographic jurisdiction."

"Taking stock," Daniel said, "as of today, the tabulation of Nortex affiliation stands at an impressive total of all 12 counties and 18 cities within them. In addition, within the past 12 months, one hospital district, eight soil and water conservation districts and one river authority have cast their lot with Nortex."

Summarizing, Daniel declared, "The alignment of all these cities and counties and special districts with Nortex has distinct significance in that it provides a well-paved avenue for coordinating health care, water development, rural resource utilization, law enforcement training and interagency cooperation, as well as the full spectrum of public services, with persons and organizations knowledgeable in all these fields of endeavor."

Among other major items to be evaluated in Vernon will be a status report by Dial Bowen, Nortex staff member, on comprehensive planning for the Four Winds Industrial Foundation, a combin-

ed effort to provide industrial stimulus for Foard, Hardeman, Childress and Cottle Counties; financial and activity reports of Daniel and Bob Mowery, Nortex executive assistant director, on date setting for imminent session of the housing, finance, health and law enforcement subcommittees; the Nortex executive group map aims and objects for the fiscal year ahead.

Selection of a meeting place for the Nortex September annual also is an agenda item.

Daniel said Sunday the membership "roster" of Nortex, as enters its fourth year of operation this week, includes:

Cities—Archer City, Burkburnett, Holliday, Electra, Henrietta, Iowa Park, Wichita Falls, Boron, Crowell, Jacksboro, Nocona, Quanah, Paducah, Petrolia, Quaker, Saint Jo, Seymour and Vernon.

Counties—Archer, Clay, Wichita, Baylor, Childress, Cottle, Foard, Hardeman, Jack, Montague, Wilbarger and Young.

Hospital District—Wilbarger County Hospital District.

River Authority—Red River Authority of Texas.

Soil and Water Conservation Districts—Hall County No. 109, Little Wichita No. 532; Lower Pease River No. 122; Upper Pease River No. 123; Upper West Fork No. 507; Wichita No. 536; Wilbarger No. 538; and potentially Young No. 539.

Mayors of all the cities and county judges of all the counties within Nortex jurisdiction are members of the executive committee; and these elected representatives of the people are supplemented on the executive group by representation from other political subdivisions in accordance with by-laws and per capita stipulations.

There were over three-quarters of a million auto thefts in 1968 with 85 per cent recovered through police action. Total dollar loss exceeded \$100 million, not including frequent damage to and stripping of recovered vehicles.

**Highway Use Tax Due in August**

Owners of large trucks, tractors, or busses may be required to file a federal highway use tax return, Form 2290, this month, Ellis Campbell, Jr., District Director of Internal Revenue in Northern Texas, said Monday.

The tax year begins July 1 and runs through the following June 30. Subsequent returns may be required concerning vehicles used for the first time on public highways after July.

IRS Publication 349, "Federal Use Tax on Trucks, Truck-Tractors, and Buses," furnishes detailed information on this subject and may be obtained by dropping a post card to Supply, Internal Revenue Service, P. O. Box 1738, Dallas, Texas 75221.

According to the FBI, profiles reveal that 67 per cent of the burglars, 71 per cent of the auto thieves, and 60 per cent of the robbers had been arrested in two or more states during criminal careers ranging from 7 to 9 years.

**Nationwide Youth Basketball Program Is Organized for Boys Age 9 to 12**

America's favorite home grown sport has finally gone all the way. Little Dribblers, Inc., a non-profit organization, has been formed to provide league play and tournament playoffs leading to a world's championship for boys age nine to twelve. The Little Dribblers was formed following an eight-year experimental program in Levelland by a group of youth-sports minded men. The tests achieved astonishing results. Little Dribbler boys tremendously improved the calibre of junior high and high school play following their "graduation." The program is designed to fill the lull period following Christmas. League play commences about February 1 and will continue to the championship tournament during the Easter holidays. One of the strong points of Little Dribblers is that no merchant sponsorship is needed and the program is entirely self-supporting. League play and tournament play have been designed to eliminate conflicts with school and other established youth programs. Organizational work is being done now in order to assure that all preparations will be made in time for local leagues to begin play. Anyone interested in forming a league in Foard County is invited to write Little Dribblers, Inc., Box 1180, Levelland, Texas 79336, or telephone (area code 806) 894-4939 or 894-5455.

**This Costs Texans \$ 2 MILLION A DAY**

**YOU HELP PAY THE BILL**

The way cars are being wrecked and the way folks are being injured and killed in traffic accidents, it looks like this year's Texas traffic toll will top \$800 million. This figures out to be more than \$2 million a day and that is a lot of money!

When you pay for your auto insurance you help pay this bill because most of your insurance rate is for the amount of money insurance companies pay for traffic accidents. Add to this the amount they pay for autos destroyed or damaged by collision, fire, hail, theft and pilferage. Lower these amounts and your insurance costs will go down. Raise these amounts that insurance companies must pay and your auto insurance costs will have to go up. It is as simple as that.

Here are three ways to cut your auto insurance costs.

1. Help reduce the number of Texas traffic accidents. You can do this by driving the very best you can and by insisting that traffic laws are enforced in your town, county, and state. Let your Mayor, County Officials and Governor Smith know that you want all traffic laws enforced.
2. Help cut down on car thefts and vandalism by locking your car and taking the keys whenever you park. Always try to park your car in a safe place.
3. Ask your insurance agent to show you how you can save money on your auto insurance by taking full advantage of the Driver Education, Two Car and other discounts now offered in Texas.

Auto insurance costs will be cut in Texas after accidents and their costs go down. You and other motorists of Texas can bring this about . . . if you really want to. IT IS UP TO YOU!

**Two Ways Listed  
for Lowering Cost  
of Auto Insurance**

Austin—When all the conver-  
sation about automobile insurance  
is done, one fact remains fore-  
most—the only way to lower in-  
surance rates is to (1) lower the  
cost of repairs to automobiles and  
cost of hospital and medical costs  
for treatment of the injured, and  
(2) lower the frequency of acci-  
dents.

August R. Buchel, president of  
the Association of Texas Fire &  
Casualty Companies, pointed out  
that "unfortunately both costs and  
frequency soared beyond reason-  
able expectations last year result-  
ing in a 17 per cent inadequate  
insurance rate."

Testimony given before a com-  
mittee of laymen appointed by  
Gov. Preston Smith to look into  
insurance rates has been told that  
whereas in the past garages main-  
taining what is known as a large  
crash manual giving the cost of  
replacement parts and cost of la-  
bor made appropriate page  
changes every three or four  
months as necessary; the entire  
manual is now being reprinted  
every month due to the rapid  
change in prices.

Arrests for all criminal acts in-  
creased 4 per cent, 1968 over  
1967, the FBI says. Adult ar-  
rests increased 2 per cent and  
arrests for persons under 18 years  
of age increased 10 per cent.

**In Foard County  
Highway Patrol  
Investigates One  
Accident in July**

The Texas Highway Patrol in-  
vestigated one accident on rural  
highways in Foard County during  
the month of July, according to  
Sgt. Therwanger, Highway Pat-  
rol supervisor of this area.  
The crash resulted in no deaths,  
one person injured, and an esti-  
mated property damage of \$760.  
The rural traffic accident sum-  
mary for this county during the  
first seven months of 1969 shows  
a total of 12 accidents resulting  
in three persons killed, eight per-  
sons injured, and an estimated  
property damage of \$10,985.00.

**Year-Round Vehicle  
Inspection to Begin  
on September 1st**

The 1969 Texas Legislature has  
provided for a year-round Motor  
Vehicle Inspection program. Be-  
ginning September 1, 1969, the  
present 1969 inspection stickers  
will have a numeral insert cor-  
responding to the month of insur-  
ance that will be inserted on the  
face of the sticker corresponding  
to the month of issuance. The  
sticker will be placed in the lower  
left-hand corner of the windshield.  
All 1969 stickers bearing a nu-  
meral insert will expire at the  
end of the month a year from now,  
1970. All 1969 stickers bearing  
no numeral insert will expire on  
April 15, 1970.

Beginning January 1, 1970, the  
inspection stickers issued will  
have an orange background and  
bear an insert numeral correspond-  
ing with the 1970 month of insur-  
ance and will expire at the end  
of the month one year from the  
month of issuance in 1971. The  
inspection sticker design will  
change in January of every year  
to a new base design.

The legislature added two items  
to be inspected—the exhaust sys-  
tem and the exhaust emission sys-  
tem. The new inspection fee will  
be \$2.00.

**New Rules of Right-  
of-Way and Following  
Too Closely Are Given  
Too Closely**

Austin — Colonel Wilson E.  
Speir, director of the Texas De-  
partment of Public Safety, said  
this week that effective Septem-  
ber 1, laws passed by the Texas  
Legislature will establish new  
rules of right-of-way and new  
rules for following too closely.

The right-of-way law sets out  
four rules governing the right-  
of-way at intersections. Speir ur-  
ged all drivers to review the rules  
closely, and note the instances  
in which they must stop, yield  
and grant the right-of-way.

Drivers at intersections con-  
trolled by stop, yield or traffic  
control devices must obey the  
signs.  
Drivers of vehicles on a single  
lane street or roadway consisting  
of two traffic lanes, upon ap-  
proaching an intersection not con-  
trolled by signs of a divided street  
or a street or roadway divided  
into three or more marked lanes,  
must stop, yield and grant the  
privilege of right-of-way to ve-  
hicles on the larger street.

Drivers of vehicles on unpaved  
streets intersecting a roadway that  
is paved must stop, yield and  
grant the right-of-way to vehicles  
on the paved street.  
Drivers of vehicles on streets  
of equal size and paving must  
stop, yield and grant the privilege  
of immediate use of such inter-  
section to any other vehicles which  
has entered the intersection from  
the driver's right in such prox-  
imity as to constitute a hazard.

Speir said the act further pro-  
vides a rule of evidence that in  
cases of collision, the person shall  
have been presumed not to have  
yielded the right-of-way if the  
four conditions have not been sat-  
isfied.  
The following too closely law,  
as amended, will require drivers  
to maintain an assured clear dis-  
tance between the vehicle ahead,  
exercising due regard for the  
speed of the vehicles and the traf-  
fic upon and conditions of the  
street or highway. Drivers must  
be able to bring their vehicle to  
a stop, using these guidelines,  
without colliding with the pre-  
ceding vehicle, or veering into other  
vehicles, objects or persons on or  
near the street or highway.  
Next: Slow Moving Vehicles.

When the consumer spends a  
dollar for food at the grocery  
store, he buys 40 cents worth of  
products and 60 cents worth of  
marketing service. These are av-

my can use them."

The note was written in a child-  
ish hand, wrapped around a pair  
of eyeglasses and mailed to "New  
Eyes for the Needy," a Short  
Hills, N. J. volunteer organization  
staffed mostly by housewives.

Some 883,835 pairs of glasses  
were sent to "New Eyes" last  
year. They didn't all come with  
touching notes, but they came  
from every state and from people  
of all ages. And they came for  
the same reason—a desire on the  
part of the sender to assist "New  
Eyes" in bringing the gift of bet-  
ter sight to people who have no  
one else to help them.

The "New Eyes" volunteers  
have been on the job for 36 years  
and donated reusable glasses have  
always been the mainstay of the  
operation. When the organization  
was incorporated in 1947, the  
treasury consisted of 47 cents.

Despite this, "New Eyes" has  
never solicited money. Besides  
glasses, virtually the only other  
assistance the 300 volunteers who  
make up the organization accept  
is precious metal scrap, silver-  
ware, antique and costume jewel-  
ry. These are melted down and the  
money from the reclamation, and  
from the sale of usable jewel-  
ry and silverware donors some-  
times send, is used to supply  
funds established in 106 hospitals  
all over the country, Canada and  
Puerto Rico. They pay for new  
prescription glasses, or if needed,  
artificial eyes.

While the emphasis is on help-  
ing as many people as possible,  
as quickly as possible, "New  
Eyes" volunteers don't close their  
eyes to individual requests for aid.  
In 1968 for instance, "New  
Eyes":

\* Answered the request of a  
Peace Corp volunteer and sent  
glasses to the natives of a tiny  
Pacific island.

\* Provided glasses for a Viet-  
nam civilian whose poor sight was  
the subject of a letter from that  
country written by a U. S. Army  
private.

\* Started a fund to aid a mid-  
western clinic created by medical  
students and their instructors to  
assist poor people not eligible for  
public assistance because of the  
limited period of their residence.  
One of the happiest aspects of  
providing assistance is the thank  
you letters which come in from  
grateful recipients.

Wrote one ten-year-old Missouri  
girl, "I thank you for making it  
possible for me to get these  
glasses. I will thank Jesus tonight  
for having such nice people like  
you."

The "New Eyes" people invite  
individuals and organizations to  
help them continue the job of  
bringing better sight to those who  
need it most. Discarded glasses,  
broken jewelry, and precious metal  
scrap are needed. Address them  
to New Eyes for the Needy, Short  
Hills, N. J. 07078.

Our Only Boast

"God forbid that I should  
boast, save in the cross of our  
Lord Jesus Christ . . ." (Gal.  
6:14).

St. Paul was once a proud Phar-  
isee, smug in his self-righteous-  
ness. In Phil. 3:5,6, he lists some  
of the things in which he took  
such pride:

"Circumcised the eighth day,  
of the stock of Israel, of the tribe  
of Benjamin, an Hebrew of the  
Hebrews, as touching the law, a  
Pharisee; concerning zeal, persecut-  
ing the church; touching the  
righteousness which is in the law,  
blameless."

But everything was changed  
since that day when the Lord ap-  
peared to him on the road to Da-  
mascus. Suddenly he had seen him-  
self a lost, condemned sinner in  
the sight of a holy God and had  
tasted the matchless grace that  
could reach down from heaven  
and save even him. He knew now  
that he could not stand before  
God in himself, or "on his own  
two feet," as we say. His only  
safety, before the bar of God,  
was to take refuge in Christ—as  
he says in verse 9:

"And be found in Him, not  
having mine own righteousness,  
which is of the law, but that  
which is through the faith of  
Christ, the righteousness which is  
of God by faith."

Now he knew, as we all should  
know, that he really had nothing  
to boast of as far as his own  
standing before God was concern-  
ed. For the rest of his life, how-  
ever, he did constantly boast of  
one thing: the cross, where the  
Christ he had so bitterly persecut-  
ed had died for his sins that  
he might be justified before God.  
This, too, is really the only thing

we have to boast of and the most  
godly saint will enthusiastically  
join Paul in saying:  
"But God forbid that I should  
boast, save in the cross of our  
Lord Jesus Christ, by whom the  
world is crucified unto me and I  
unto the world."

## Miss Joylyn Haynie and Mr. Simpson Exchange Vows

The First Baptist Church was the scene Saturday evening for the candlelight wedding of Miss Joylyn Sue Haynie and Samuel Edward Simpson. Rev. John Gillispie, pastor, officiated for the double ring rite.

The bride is a daughter of Mr. and Mrs. Warren Haynie of Crowell, and parents of the groom are Mr. and Mrs. W. O. Simpson of Wichita Falls.

A prie-dieu backed by pyramid candelabra and flanked by arrangements of white gladioli with two cathedral candle trees in the far background formed the nuptial setting. Mrs. Curtis Casey of Truscott, organist, played traditional wedding music, and accompanied Mrs. Donald Salyers of Truscott as she sang "Because," "One Hand, One Heart" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a formal gown designed and made by her mother. The empire A-line gown of white silk organza over bridal satin was enhanced with applied Alencon lace medallions with seed pearls, and was bordered by a scalloped lace hemline. The molded lace bodice featured a scalloped boat neckline and long fitted sleeves. A chapel length train of organza and Alencon lace over satin hung from her shoulders and was trimmed with tiers of scalloped lace interspersed with lace medallions and seed pearls.

An elbow length veil of imported silk illusion was caught by a headpiece of miniature white velvet roses. She carried a linen and lace handkerchief given to her by

her late maternal grandmother for her wedding. Her bridal bouquet was a teardrop arrangement of gladiolus, stephanotis and lily of the valley carried atop a white Bible. She also carried out the tradition of something borrowed, blue, old and new, and wore a six-pence in her shoe.

Miss Sharla Haynie attended her sister as maid of honor. Her floor-length pink silk gown was designed with a Grecian empire bodice accented with soft ruffles and a wide belt which caught the folds of the lightly gathered skirt. She carried a colonial bouquet of fringed rose pink carnations with cascading satin streamers.

Bridesmaids were Misses Joy Traweck and Dene Ware of Buchanan, Julia Crawford of Wichita Falls, Lee Ann Barnett of Lubbock. Mrs. Jim Simpson of Wichita Falls was a brides matron. Their gowns and flowers were identical to that of the maid of honor.

Bill Jeffress, nephew of the bridegroom, of Wichita Falls, served as ring bearer and Miss Brenda Henry as flower girl.

Serving his brother as best man was Charles Simpson of Nacogdoches. Groomsmen included another brother, Jim Simpson of Wichita Falls, Jim Flynt of Pampa, Jimmy Woody of Dumas, Bill Cook of Abilene and Doy Terry of Wichita Falls.

Ushers were Junior Carroll, Douglas Chowning of Truscott, Max Brownlee of Odessa, Kenn Justice and Larry Teaff of Lubbock and James Corbin of Abilene. Joe Warren Haynie, brother of the bride, and Kyle Simpson, nephew of the bridegroom, of Nacogdoches served as candle-lighters.

For her daughter's wedding,

MRS. SAMUEL EDWARD SIMPSON

Mrs. Haynie was attired in an azalea pink two-piece ensemble featuring a sleeveless silk dress and full-length lace coat. She wore matching accessories. Mrs. Simpson selected an A-line dress of royal blue dacron double knit with matching accessories. Corsages of pink roses were worn by both mothers.

The bride's parents were hosts to a reception immediately following the ceremony in the banquet room of the church. Assistants were Misses Marilyn Cates, Karen Hoover, Jo Ann Reames, Sherry Sandlin, Jon Ann Carter, Susan Autry, Terri Simpson, April and Connie Werley and Mmes. Glyndon Johnson, W. F. Stater, Ty Elam, Billy Johnson, Harry Traweck, J. C. Lemons, Jeff Bell and J. C. Autry, Jr.

The bride's table was laid with a floor length applied organza cloth over an azalea pink underskirt. The white tiered wedding cake was decorated with pink roses and topped with a miniature bride, dressed in a replica of the bride's gown, and bridegroom which were used on her parents' wedding cake. Appointments were of crystal and silver.

Mrs. J. A. Marr cut and served the wedding cake. A beige linen cloth covered the bridegroom's table where the traditional chocolate cake and coffee were served.

For going away the bride chose a turquoise three-piece double knit ensemble with beige accessories. She wore the gladiolus from her bouquet.

The bride was an honor graduate of Crowell High School, and is a junior at Hardin-Simmons University in Abilene where she was a member of Delta Social Club and ROTC Caper Unit.

The bridegroom is a graduate of Wichita Falls High School. He received a BBA degree from Hardin-Simmons University where he was a member of Sigma Delta Sigma social fraternity and Alpha Kappa Psi business fraternity.

After a brief honeymoon, the couple will be at home in Fort Worth.

## Family Reunion

The thirteenth annual reunion of the descendants of Emil and Agnes (Janak) Bayer was enjoyed by more than seventy friends and relatives at the party house in Coleman Park, Brownfield, August 14, 15 and 16.

Highlight of the fete was the celebration of the 25th wedding anniversary of Mr. and Mrs. Martin Barber of Long Beach, Calif.

Eight of the remaining nine children of the Bayers exchanged gifts Friday afternoon. Much picture-taking and the showing of slides of the last two reunions took place each day.

Friends and relatives from California, Arizona, New Mexico, Oklahoma, Missouri and Texas enjoyed talking over old times and getting acquainted with new additions to the family.

Included at the gathering were Mr. and Mrs. F. J. Halencak, Mr. and Mrs. Billy Joe Halencak and family and Frankie Halencak of Margaret, Mr. and Mrs. Anton Kubicek of Rayland and Mrs. Nile Bryant and daughters of Floydada.

The next reunion will be held August 13, 14 and 15, 1970, at the same location.

Firearms were used to commit over 8,900 murders, 65,000 aggravated assaults, and 99,000 robberies in 1968, the FBI reports.

## Miss Janice Gray, Billy Hord Planning Nov. 28 Wedding

Mr. and Mrs. Fred Gray of Thalia announce the engagement and approaching marriage of their daughter, Janice, to Billy Brent Hord, son of Mr. and Mrs. Chester T. Hord of Crowell.

The wedding will be an event of November 28 at 6 p. m. in the Thalia Methodist Church.

Miss Gray and Mr. Hord are 1969 graduates of Crowell High School, and he plans to attend Hardin-Simmons University this fall.

## Rob Morris Program Presented at Eastern Star Meeting Aug. 12

A program entitled "The Vision of Rob Morris," was presented at the stated meeting of Crowell Chapter No. 916, Order of the Eastern Star, on August 12 in the Masonic Hall.

Elton Carroll, worthy patron, portrayed Mr. Morris, the founder of the organization. Representing the OES heroines were Miss Moore as Adah; Mrs. Lona Pittman, Ruth; Mrs. Lizzie Kenner, Esther; Mrs. Verda Bell, Martha, and Mrs. Alyene Pittillo, Electa. Mrs. Elizabeth Welch presented the musical selections.

Mrs. Roberta Barker, worthy matron, presided for the business meeting. The planned chartered bus trip to the OES Home in Arlington has been postponed until cooler weather.

Hostesses for the social hour were Mmes. Marietta Carroll, Maxine Meason and Faye Johnson.

## Texas Now Has 500 Rural Community Water Systems

The age-old problem of scarce and unfit water supply is giving way to the growth of modern, city-style water and sewer systems in small towns and farm areas of Texas.

The opening August 19 of the Madera Valley water system, linking eight small communities in Reeves County south of Pecos, marked the 500th water system completed in Texas' Rural Water Facilities (Poage-Aiken) program. Development is carried on by local governments and non-profit corporations, with financing through the Farmers Home Administration, a U. S. Department of Agriculture agency. Texas leads the nation in the program, with 5,000 projects built or approved in the nation to date.

The first system in Texas was located at Golinda, in Falls County south of Waco. It was built in 1959.

The Madera Valley system, built with a \$571,000 loan, takes water from a deep well near the Fort Davis Mountains in Jeff Davis County and distributes it northward to the vicinity of Pecos. A 127-mile pipeline system reaches the communities of Toyahvale, Baragosa, Brogoda, Saragosa, Verhalen, Alamo, Hoban and Valley Farm. Four hundred homes, farms and other establishments will be served.

A follow-up of 18,333 offenders released to the streets in 1963 revealed that 63 per cent had been re-arrested on a new charge by the end of 1968, the FBI says.

Mr. and Mrs. Curtis Casey attended the wedding of Miss Joylyn Haynie and Sam Simpson in Crowell Saturday.

Visiting Mr. and Mrs. J. R. Brown last Sunday were Mr. and Mrs. Mac Harbour and Kimberly of Oklahoma City, Mr. and Mrs. Harris Harwell of Vernon, Mrs. Sue Brown and Bob of Crowell, and Mr. and Mrs. Don Brown and Jonathan of New York City.

Ruth Brown came home last Wednesday from Midland where she was visiting Jill Akens.

E. J. Jones returned home from Farmington, N. M., last Thursday. Mrs. Jones remained for a longer visit.

The Truscott 4-H Club met Saturday at Christy Shaw's to make plans for the 4-H Achievement day program Wednesday, August 20.

Weather in Truscott and Gilliland this week has been hot and dry for the most part, although 4 of an inch of rain was received. Thursday in some places. About the only thing the weather this summer has been good for is making ice cream and raising grasshoppers.

There were 64 law enforcement officers killed as the result of criminal action in 1968, substantially above the annual average of 51 from 1960 to 1967, the FBI has reported.

## Family Reunion

The family of the late S. T. Johnson gathered in the community center Saturday and Sunday, August 9 and 10, for a family reunion.

All three of the surviving children were present for the occasion. They are Earl Johnson of Lubbock, Linus Johnson of Hobbs, N. M., and Mrs. C. S. Bartley of Crowell.

After a covered dish luncheon, the group enjoyed a singing accompanied on the piano by Mrs. Marvin Oliver of Fort Worth. Fran Gaddis of Fort Worth sang a solo, "How Great Thou Art." A memorial service was held for two of Mrs. Bartley's sisters, Mrs. Mae Doolin and Mrs. Roberta Miers, and one great nephew, Scott Collier, who expired in 1969.

Out of town guests present for the occasion were:

Mr. and Mrs. Earl Johnson and family, Mr. and Mrs. Harmon Edge and Eddy, Mr. and Mrs. Jimmy Johnson, Chuck, Jimmy Jo and David, all of Lubbock; Mr. and Mrs. Linus Johnson and grandchildren, Kathy, Rocky and Marty, of Hobbs, N. M.; Mr. and Mrs. Marvin Oliver, Philip, Phylis and Perrel, Mr. and Mrs. Fran Gaddis and Mark, Mrs. Judy Johnson and Lori of Fort Worth; Mr. and Mrs. Louie Harris of Chickasha, Okla.; Mr. and Mrs. Sam Leadbetter and Windy of Tulsa, Okla.; Mr. and Mrs. Waymon Todd, Donna, Dianna, Jimmy and Johnny, of Brownfield; Mr. and Mrs. C. S. Bartley of Crowell, their children, Mr. and Mrs. Jerry Nance and Kapl of Duncan, Okla., Mrs. Sherman McBeath, Sidney and Malinda, of Austin, Mr. and Mrs. Charles Bartley of Prairie City, Oregon, and their son, Bill, of Kingsville, Mr. and Mrs. Travis Vecera, Donna, Rhonda, Anita and Hedi, of Crowell. Eddy Edge brought a friend from Lubbock

# Crippled Children's Livestock Auction Set for August 27 in Wichita Falls

A "Crippled Children's Livestock auction" set for August 27 is stirring considerable interest among area ranchers who are concerned about the future of the North Texas Rehabilitation Center in Wichita Falls, according to the auction chairman.

Carter McGregor, Jr., Archer County rancher and the general chairman, is being aided in recruiting support for the auction by Dick Todd, who is serving as Foard County chairman.

Todd is working with ranchers and stock farmers in Foard County in soliciting donations for the auction which will be held at the Wichita Livestock Auction in Wichita Falls. The sale will start at 2 p. m. on August 27.

All proceeds from the sale of the donated cattle, sheep, horses and hogs will be given to the rehabilitation center's operating funds.

Todd is pointing out that people from the North Texas and Southern Oklahoma area receive

help—physical, occupational or speech therapy—at the rehabilitation center in Wichita Falls.

Todd is urging ranchers and farmers to realize "the need of the center and is asking them to consider donating livestock for the auction. He stressed a "donation of four good legs will walk two crippled ones a chance to give."

When the idea for the auction was first conceived, it was decided that it would be the best method of raising the necessary operating funds for the center to continue therapy and treatments. Todd said that some patients can pay their way, but most can not. He said 80 per cent of the operating budget must come from outside sources, such as this auction.

The sale date is a Wednesday, the regular sale day for the weekly auction. Neal and Doc Collier, co-owners of the sale barn, have agreed to stop the regular sale

returned home Friday.

Bob Main, Jr. of Roy, N. M., has returned to his home after spending several weeks here plowing and preparing their wheat fields for seeding. It is hoped that the advertisement of Rex Andrews in last week's Foard County News will bring wide-spread results and that Mr. Andrews will share the benefits with all of us in this area.

Mrs. Loris Walker of Imperial, Calif., and two grandchildren, Elaine and Lisa Lindsay of Costa Mesa, Calif., are visiting their parents and grandparents, Mr. and Mrs. Ed Payne.

Mr. and Mrs. Delmar McBeath of Grand Prairie visited Mr. and Mrs. Homer McBeath Saturday.

Miss Onita Cates of Abilene spent the week end with her parents, Mr. and Mrs. T. R. Cates, Sr.

Mr. and Mrs. Fred Aurbach, who have returned from Maryland following his discharge from the service, spent the week end with her parents, Mr. and Mrs. Bill Cates, and Marilyn.

Mr. and Mrs. O'Neal Johnson, Mrs. Loyd Fox and Mrs. C. C. Wheeler are visiting Mr. and Mrs. Jimmy Johnson and family in Oxnard, Calif.

Mrs. Myrtle Neill and Mr. and Mrs. Raymond Grimm attended the Pete Crisp funeral in Vernon Wednesday. Mrs. Neill also visited Mrs. Lee Shultz in the Taylor home.

Mrs. Fred Glover and sons spent Tuesday night with her mother, Mrs. Flora Short. Mr. Glover is temporarily employed in Ohio.

Mrs. Maggie Hammonds and Mrs. Eudale Oliver visited Mrs. Oliver's mother, Mrs. Lee Shultz, Mrs. S. M. Tole, Milton Adkins and others in the Taylor home in Vernon Tuesday. They also visited Mrs. Roy Shultz and Mrs. Vonn Edens while there.

Mrs. Cressie Erwin of Crowell visited Mrs. Wanda Cates and family Wednesday.

Mr. and Mrs. Homer McBeath visited his mother, Mrs. Effie McBeath, in Vernon Monday morning.

Mr. and Mrs. Neal Johnson of Vernon spent Sunday with her parents, Mr. and Mrs. Jim Moore.

Mr. and Mrs. Morris McCarty and little granddaughter, Jessie Ann McCarty, of Vernon spent Sunday with Mrs. Jessie Gamble and the Oran Fords.

John Warren has returned home after taking his friend, B. C. Hukill, who visited here a week, to his home at Hub.

Mr. and Mrs. O. C. Holland attended church at Tolar Sunday and were guests of Mr. and Mrs. Welton Nickel and family who lived here about 3 years when he was minister of the local Church of Christ. Sunday was the 30th wedding anniversary of Mr. and Mrs. Nickel.

Mr. and Mrs. Til Rogers visited her aunt, Mrs. Loris Walker of Imperial, Calif., and Elaine and Lisa Lindsay of Costa Mesa, Calif. in the home of Mr. and Mrs. Ed Payne last week.

Mr. and Mrs. A. J. Stratton and daughters of Fort Worth visited Mrs. Myrtle Neill one day last week.

Mrs. Mildred Roseberry and Mrs. Mary Ruth Ingram of Amarillo are visiting Mrs. Buna McKinley here, and also their father, Milton Adkins, in the Taylor home in Vernon.

Mrs. Ann Eavenson and Mrs. Ricky Eavenson visited in Wichita Falls Monday.

Mr. and Mrs. Ed Payne and their guests, Mrs. Loris Walker of Imperial, Calif., and two granddaughters, Elaine and Lisa Lindsay of Costa Mesa, Calif., spent Saturday and Sunday at Oak Creek Lake near Sweetwater. They stayed in a cabin belonging to Sam Payne and family of Big Spring, who met them there.

Guests last week of Mr. and Mrs. Bill Moore were Mr. and Mrs. Robert Caldwell of Riverside, Calif., Mrs. A. L. Petty of Larklinville, La., Mr. and Mrs. Bob Pulley of Pensacola, Fla., and Mrs. Laura McLarty of Lockett. They have all returned home with the exception of Mrs. Alta Petty, who remained for another week's visit. Mrs. Moore, Mrs. Petty, Mrs. Pulley and Mrs. McLarty are sisters and Mr. Caldwell is a brother.

Mr. and Mrs. Walter Jimison of Spur visited Mr. and Mrs. Bill Moore, Mr. and Mrs. Jim Moore and Odessa Moore last week.

Mrs. Loris Walker of Imperial, Calif., who is visiting her parents, the Ed Paynes, spent Thursday night with relatives in Vernon.

Mr. and Mrs. W. A. Johnson, accompanied by their son, Edgar Johnson of Vernon, attended the funeral of Mrs. Tom Johnson in Fort Worth Thursday. Mr. Johnson is a brother of W. A. Johnson and was reared here and is remembered by many. They visited some time in the home before returning home. Our sympathies are extended to Tom and all her loved ones.

Mr. and Mrs. Paul Veera, Viki David and Bryan, of Mokena, Ill., have been visiting her parents, Mr. and Mrs. Ben Hogan, and his mother, Mrs. Tom Veera of Crowell and other relatives. They

The churches of the Crowell Ministerial Association urge every one in our community to be a part of the fellowship of the church of their choice each week.
