LETE L. V. N. SCHOOL—These two women, Mrs. Ava Marlow, left, and Mrs. Hazel Marlow, right, were Foard County's first graduates of the second Greenbelt School of Vocational Nursing. The 23 members graduated in ceremonies here Thursday. These two nurses did their floor duty training at the County Hospital and pictured with them is Mrs. Bette Marlow, seated, administrator of the local hospital. (News photo)

Well Soldier in Vietnam Expresses Thoughts on American Way of Life

Welch, son of Mr. and Mrs. M. Welch of Crowell, is with the Army in Vietnam. He has expressed his thoughts on the American way of life and the effects of continual growth. I see a nation with great responsibility. But more important, I see a way of life which permits everyone freedom of expression. South Vietnam is a country where one pays dearly for individual expression. "I am stationed approximately seven miles south of Hue and the mass graves which you read about are five miles from Phu Bai Combat Base. Those people died because they held certain political beliefs and because they exercised certain individual freedoms. "The face to face contact with this type of situation has led me to evaluate and consider my own attitudes and ideas about the United States and the American way of life. "Our country has its ills, but from my position, it is still the best to be found. I am certainly anxious to get back. So, during this upcoming holiday season, I will, as I hope you will, for a moment forget the country's turmoil and be thankful for a free land and a great heritage."

School to Resume Monday, Dec. 1

School was dismissed Wednesday, Nov. 26, at 2:30 for the Thanksgiving holidays, and classes will be resumed on Monday, Dec. 1, Supt. Henry Black said this week.

Paper Printed Early

This issue of the News was printed late Tuesday and distributed early Wednesday so readers could be notified of Thanksgiving events.

Move to Vernon

Mr. and Mrs. T. H. Matthews, long-time residents of the Thalia community, have moved to Vernon to make their home. Their new address is 1026 Mansard.

Highway Patrol Gives Accident Summary for County in October

The Texas Highway Patrol investigated one accident on rural highways in Foard County during the month of October, according to Sgt. Therwanger, Highway Patrol supervisor of this area.

Lee Looney Honored at Annual Texas Tech Aggie Pig Roast

Lee Looney of Truscott, member of the junior meats departmental team at Texas Tech, was one of the Tech students recognized at the annual Texas Tech Aggie Pig Roast held Tuesday night, November 18.

Football Captains

The three captains of the 1969 Crowell Wildcat football team are pictured above with their coach at an assembly program last Friday morning. From the left, they are George Evenson, Buz Rasberry, Gary Cates and Coach L. H. Wall, Jr. (Photo by Larry Jones)

Crowell Wins Two of Three Games at Knox City

The Crowell High School basketball teams, coached by Harvey Wilson, won two of their games at Knox City last Friday night. In the first game the Crowell girls lost to the Knox City girls 65 to 20. Knox City's Lou Ann McLaughlin was being transferred from Fort Rucker, Ala., to Fort Gordon, Ga., where he will attend a communications school. His address is: Pvt. Stephen Weatherred, 461-82-8565, C-6 School Brigade, U. S. A. S. E. S. S. 3rd Platoon, Fort Gordon, Ga. 30905.

News About Our MEN IN SERVICE

Pvt. Stephen Weatherred, son of Mr. and Mrs. J. B. Weatherred of Crowell, visited here last week. Pvt. Weatherred is being transferred from Fort Rucker, Ala., to Fort Gordon, Ga., where he will attend a communications school. His address is: Pvt. Stephen Weatherred, 461-82-8565, C-6 School Brigade, U. S. A. S. E. S. S. 3rd Platoon, Fort Gordon, Ga. 30905.

Pvt. Seth Halbert, son of Mr. and Mrs. Kenneth Halbert, has completed six months basic training at Fort Knox, Ky., and jump school at Fort Benning, Ga. Seth, a member of the 47th Paratrooper unit of the National Guard of Austin, is at home prior to enrolling in graduate school at the University of Texas at Austin in January.

CW2 James G. Choate visited in Crowell a few days last week with his grandmother, Mrs. J. J. Choate, and other relatives. He is the son of Mr. and Mrs. Gilbert Choate of Cleburne, former Foard County residents.

James graduated from Crowell High School where he was active in the band. He is a member of the 296th Army Band and is stationed in Japan.

America Division, Vietnam — Pfc. Rickey J. Eavenson, 21, son of Mr. and Mrs. Beattie J. Eavenson of Thalia, received the Army Commendation Medal while serving with the America Division in Vietnam.

Pfc. Eavenson earned the award for meritorious service as a finance specialist in the division's 23rd Administration Company.

Pfc. Eavenson, whose wife, Merida, lives in Crowell, entered the Army in December 1968, completed basic training at Fort Bliss and was stationed at Fort Benjamin Harrison, Indiana, prior to his arrival in Vietnam last June. He is a 1966 graduate of Crowell High School.

The presentation was made on October 21.

County Receives First Hard Freeze on November 19

Foard County had its first hard freeze of the fall season Wednesday morning, November 19, when the mercury dropped to the mid-20's. It also froze early Thursday morning.

Harvesting of the county's cotton crop should be getting started soon as it is usually a week or ten days after a freeze before the leaves drop off.

With the past two or three weeks of dry weather, most of the county's wheat and other small grain crops have been saved.

Perkins-Prothro to Drill Wildcat on Wishon Land

Perkins-Prothro Co. has staked its No. 2 Wishon, seven miles northwest of Foard City, for Foard County's latest wildcat venture.

The well is spotted 560 feet from west and 660 feet from north lines of William McCowan survey A-431.

The test is scheduled to be drilled to 5500 feet.

Last Rites for Parker Churchill Held Here Tuesday

Mr. Churchill Died in Hospital at Harlingen Nov. 21

Parker Lee Churchill, 74, resident of Crowell for 63 years, died in Valley Baptist Hospital in Harlingen Friday, Nov. 21.

Mr. Churchill became ill here a few months ago and he and his wife had gone to Mercedes to be near their son, Monte Churchill.

Funeral services were held Tuesday afternoon, Nov. 25, at 3 o'clock from the First Methodist Church conducted by Judge Leslie Thomas, with Rev. Walter L. Driver, pastor, assisting.

Interment was in the Crowell Cemetery.

Full bearers were Vernon Whatley, Henry Greening, Virgil Johnson, Mike Bird, Clinton McLain and Dick Todd.

Mr. Churchill was born in Coryell County, Texas, February 25, 1895. He and the former Miss Louise Pechacek were married at Frederick, Okla., June 30, 1941. He was a retired butcher and cafe operator. He was a member of the Methodist Church, and was a veteran of World War I.

Survivors include his wife; one son, Monte Churchill of Mercedes; two sisters, Mrs. Vallie Terrell of Abilene and Lacy McCuiston of Odessa; two nieces, Mrs. L. A. Wall of Clarmont and Mrs. Joe Barnes of Tucumcari, N. M.; and one nephew, Harry Terrell of New Orleans, La.

Wife of Former Crowell Man Died in New Orleans Nov. 18

Mr. and Mrs. Joe Smith of Crowell, Virgle Smith of Commerce and Lowell McKinley, Jr. of Gillette, Wyo., attended the funeral of their sister-in-law and aunt, Mrs. Marshal Smith, in West Lake, La., Thursday of last week.

Mrs. Smith had been in failing health for several years and passed away in New Orleans Tuesday.

She and her husband had visited in Crowell many times through the years.

Rick Traweck Has Six Paintings in Lubbock Exhibit

Mr. and Mrs. J. H. Traweck attended the reception Sunday at the House of Pictures in Lubbock where an exhibit of sculpture, drawings, and painting was presented by students of Professors John Queen, Jim Howze and Paul Hanna.

The Trawecks' son, Rick, had six paintings accepted for the exhibit.

FORGERY CHARGES ARE FILED ON TWO MEN

Two area men, ages 17 and 19, are free on \$1,500 bail each after charges were filed here against the pair for forgery.

The men, one from Guthrie and one from Paducah, are charged with forging two checks—for \$30.00 each—and passing them at two different Crowell grocery stores.

The signature of a Crowell man was allegedly forged on the checks. Sheriff Dan Callaway said this week that the pair were arrested Wednesday of last week.

Adult Education Classes to Begin Here December 1

Classes in adult education will be held Monday and Tuesday nights, December 1 and 2 at 6:30 p. m. at the Crowell Schools, Supt. Henry Black announced last week.

"If you are interested in furthering your education in reading, arithmetic, spelling or typewriting, you are invited to attend," Supt. Black stated.

Additional information can be obtained from either Supt. Black or Mrs. Emma Belle Bounds.

Foard County October Savings Bonds Sales Only \$919.00

October sales of United States Savings Bonds and Freedom Shares in Foard County were \$919.00, according to a report from the U. S. Treasury. The year-to-date sales totaled \$18,615.00, which is 27 per cent of the 1969 goal of \$70,000.

Sales in Texas during October were \$14,409,900 and sales for the 10-month period totaled \$148,528,569 for 87 per cent of the 1969 goal of \$170.1 million.

Over the nation, sales for the month were \$438 million—a 24 per cent peak for any October and 2 per cent higher than a year ago. The January-October sales totaled \$4,066 billion—83.6 per cent of the national goal of \$4,861 billion.

Mr. and Mrs. Merl Kincaid Return from Trip to Far East

Mr. and Mrs. Merl Kincaid have returned home from a 20-day tour of the Far East. They visited in the Philippine Islands, Japan, Bangkok, Singapore and Hong Kong.

Mr. and Mrs. Kincaid were guest speakers at the Foard County Federation of Women's Club's meeting Monday afternoon at the community center and told of their trip.

One New Vehicle

One new vehicle was registered here last week: Nov. 20, W. W. Lemons, 1970 Chevrolet truck-tractor.

Foard County's Quail Season to Open Monday

Turkey and Deer Seasons in County Open November 30

Quail season will open in Foard County next Monday morning, December 1, and will continue through January 31.

Bag limit on quail is 12 per day with 36 in possession. Shooting hours are from one-half hour before sunrise to one-half hour after sunset.

For hunting quail, shotguns must be plugged to three-shell capacity and may not be larger than ten gauge. According to Texas game laws, it is lawful to hunt turkey and quail with rifles.

"Lots of birds" was the report of game warden J. W. Harris of Quanah.

Other Game Seasons

Goose season in Foard County opened back on October 18 and will continue through January 11 with hunting from one-half hour before sunrise to one-half hour after sunset.

Turkey and deer seasons in this county both begin on November 30 and continue through December 15. Three turkey gobblers, but no hens, may be killed during the turkey season, and two bucks are the limit on deer.

Duck season began November 18 and will continue through January 11, one-half hour before sunrise until sunset with a daily bag limit of four. That number may not include more of the following species than two wood ducks; one canvasback or one head and one mallard.

Foard County Voter Registration Total Climbs to 539

Eighty-three Foard County residents qualified themselves during the past week to vote in 1970 elections by registering to vote in the county and state tax collector's office.

This brings the total voter registration thus far up to 539.

FOOTBALL QUEEN CROWNED—The Crowell Wildcat football queen, Miss Linda Gray, was crowned at an assembly program held last Friday morning. Miss Gray and her escort, Gary Eddy, are shown on the left above. Queen nominee Sara Collins and her escort, Gary Cates, are shown in the center and on the right is the other queen nominee, Janice Bell, and her escort, Buz Rasberry. (Photo by Larry Jones)

Weekly Schedule

Tuesday: game with Harrold, here at 7:00.
 Wednesday: Chorus program at 1:30. School dismisses for holidays at 2:30.
 Thursday and Friday: Thanksgiving holidays. Return Monday, Dec. 1.

We Give Thanks

Aren't you glad the Pilgrims landed in what is now the United States of America? Aren't you glad they had such a good crop and gave thanks? Aren't you glad the Indians were friendly so that the Pilgrims lived to have a good crop?

For, if the Pilgrims had never landed in America, never survived unfriendly Indians, and never had a good crop, we would not have Thanksgiving Day! Let's count our blessings!

We give thanks for . . . good classrooms, recreational activities, concession and student lounge, gymnasium, great teachers, freedom of the press (the Wildcat), freedom of assembly, and numerous other things. We're thankful for Old Glory and what she means to us . . . What a wonderful country . . . There is not a country

in the world that has so many rights and freedoms as our's. Happy Thanksgiving from the Wildcat!

Know Your Departments

The social studies department is being spotlighted this week. One of the largest departments in CHS, the social studies students total approximately 115. These students are in three history classes: World, Texas, and American. Instructors are Mrs. Emma Belle Bounds, World history; James Streit, Texas history; and Larry Jones, American history. Mr. Jones says, "Man learns from mistakes and successes." The social studies classes use maps, films, and filmstrips that are specially designed to go with the textbook, making history not only more interesting, but also providing a break from the usual method of teaching. Mrs. Bounds is presently involved with her classes in a study of medieval kings and their competition for power with nobles and the church; a look into Mr. Streit's Texas history class would find them discussing the annexation of Texas into the United States; how she grew as a state, and the war between the states; Mr. Jones' classes are currently working in the federalist era and the building of the United States as a nation. The most important goal of the social studies teachers was summed up by Mr. Jones: "Only by knowing where we've been can we safely plan the future."

Senior News

Congratulations to the Wildcats for their really great season. Seniors playing their last game were Gary Cates, Danny Naylor, Buz Rasberry, Gary Eddy, Barry Branch, Mike Matus and Kerry Cash.

Since football season is over, everyone seems to be concentrating on Harvey Wilson's basketball team. Both the boys and girls are

really starting out great. The girls have had one scrimmage game with Eldorado, Okla., and last Friday night both teams traveled to Knox City for the first games of the season.

Also, Linda Gray, escorted by Gary Eddy, was crowned our 1969-70 football queen at the assembly last Friday. Other nominees were Sara Collins and Janis Bell, escorted by Gary Cates and Buz Rasberry, respectively. Linda received a gold football helmet and a small gift from the team. We're proud of you, Linda!

Junior Class

There have been two additions to junior families. Congratulations go to Charlotte Walker and Jacque Gillispie. Charlotte has a baby brother, Carl Neil, son of Mr. and Mrs. Norman Hopper, born on October 24, 1969. Jacque has a baby sister, Kimberlie Dawn, daughter of Mr. and Mrs. John Gillispie, born on August 21, 1969. Carl and Kim will be seniors of 1988.

The junior boys switched from football to basketball last week. The junior boys on the basketball team are Jimmy Glover, Kenneth Sellers and George Eavenson. Frog Smith is wearing a cast on his hand and arm now for an injury he received in the last football game. We wish you a speedy recovery. He plans to play basketball after he gets his cast off.

Congratulations to the A and B team boys for winning both their games. Keep up the good work, boys. We're behind you all the way. The girls also played a good game Friday night. Let's all turn out and support our teams. Games every Tuesday and Friday nights.

Frog Smith was the junior nominee for FHA beau. Congratulations go to the senior nominee, Gary Cates, our FHA beau for 1969-70.

The chorus presented an enjoyable Thanksgiving program on Wednesday at 1:30. The juniors in chorus are Peggy Rasberry, Kristi McLain, Micke Owens, Peggy Welch, Kathy Denton, Jerry Martin and Pat Cates.

Much relief to the juniors - English term themes are not due until Tuesday after the holidays. The juniors are very thankful for Thanksgiving. We will be out of school for a 4-day week end.

Juniors attending the UIL workshop Saturday at Midwestern were Micke Owens, Kristi McLain, Pat Cates, David Myers, Peggy Rasberry and Jerry Martin.

Sophomore News

Sophomores have been very busy in English II these past two weeks. We just finished a theme based on the customs of Siam. After we handed that theme in, we got busy on our term theme due on Wednesday, Nov. 21. It is a comparative study of Robert E. Lee and Abraham Lincoln.

We had a chapter test in biology last Wednesday. We are moving along quite rapidly in the book.

Our first basketball game for the boys' team was last Friday. Boys from the sophomore class on the team this year are Terry Farrah, Bill Erwin, Bob Burkett, Ronny Naylor, Lee Jay Whitley and Harry Lee Swan.

Congratulations to David Stapp for making all region last Tuesday. He also taped for state. David plays the french horn in the band.

The sophomores have a new member in their class or should I say, "an old member come back." Billy Ray Neal has returned to Crowell where he will attend Crowell High School. He has been living in Fort Worth. "Welcome back, Billy Ray!"

Freshmen News

In English, freshmen have been working on their autobiographies which were turned in last Friday. Now we are working on one of Homer's poems, "The Odyssey."

Muscles and the skeleton have been the topic in health class. Ask a freshman how many bones you have. Let's see: the hand bone connected to the arm bone, the arm bone connected to the shoulder bone!

Last week in home ec, several freshmen girls made banana pudding. They put it in the refrigerator to eat the next day, but some boys in the bachelor know-how class got into it, saying they would eat only a few bites. The few bites were so delicious that they turned out to be the entire pudding! The girls didn't mind, much, as their pudding had proven to be so good. Mrs. Brown made the boys make another pudding.

Freshmen football boys receiving recognition Friday at the crowning of the football queen were Rex Driver, John Urquiza, Rocky Bachman and Lupe Palacio. The freshmen boys playing basketball this year are Grover Reed, John Urquiza, Rocky Bachman and Rex Driver. Good luck!

Sports

The Wildcats opened their basketball season Friday at Knox City, winning two of the three games played.

The B boys won 29-22. Bill Erwin and Lee Jay Whitley scored

6 points each and Harry Lee Swan scored 5. David McGaughey was high point with 6 for Knox City.

The girls took a 65-20 loss. High point girls for Crowell were Trudy Bird with 7 and Rhonda Vecera with 6. Lou Ann McGaughey was the high scorer for Knox City with 19 points.

Mike Matus sparked the A boys to victory with 26 points and 18 rebounds. Larry Swan and Jimmy Glover played a good steady game. Whitley and Erwin substituted and did a good job.

The teams are coached by Harvey Wilson. Tuesday Harold comes to Crowell.

Spanish Club

The Spanish Club held a meeting in Mr. Gafford's room on Nov. 24 with the president, David Stapp, presiding. Dues were discussed and they are to be paid as soon as possible. The forthcoming masquerade party was discussed and committees were appointed. The party will be held in the home of Kristi McLain Dec. 11 at 6:30.

Interscholastic League Workshop

Saturday, Nov. 22, ten CHS students attended an Interscholastic League workshop sponsored by Midwestern University. There were workshops in prose and poetry interpretation, slide rule, ready writing, informative and persuasive speaking, journalism, science and one-act play. Those attending were Terri Cates, Micke Owens, Kristi McLain, David Stapp, Sara Collins, Pat Cates, Sharla Haynie, David Myers, Jerry Martin and Peggy Rasberry; they were accompanied by Mrs. Jean Halbert. The group wants to express their thanks to Mrs. June McLain who also took a car and accompanied them. Speakers for the workshop were the state directors of their respective divisions. Prose participants heard the 1969 state T. I. L. prose interpretation winner give a reading; one-act play participants saw demonstrations of stage techniques by groups of actors from Wichita Falls and Rider High Schools.

Notes in each category taken by the students will be used to their best advantage; perhaps the knowledge gained in this workshop will result in Crowell's winning more contests in Interscholastic League competition in the spring.

Applications Being Taken for Sessions in Washington, D. C.

"What kind of protection should a President expect?" This and similar questions were posed to people who are directly responsible for such matters during the Washington sessions of "A Presidential Classroom for Young Americans" last year.

Applications are now being processed for this year's sessions and school administrators are being urged to nominate students. Each state is allotted four students for each congressional member in the state. Thus, Texas can fill 96 places in the Presidential Classroom.

To be eligible, a student must be doing creditable work in all classes, he must be known as one who readily takes direction, and must be well-disciplined.

Each session is a week long and covers such topics as senators, agency responsibility, the State Department, and the fourth estate. Special guests for the sessions are members of the group being discussed.

Tuition is \$200 per student. This includes hotel and meal costs, but does not include transportation to and from Washington. Many times, civic groups take on the financial responsibility for students in their local community.

Applications may be made by addressing either an official admission card or a letter to "A Presidential Classroom for Young Americans," 1726 Pennsylvania Ave., N. W., Washington, D. C. 20006.

Society

Congratulations to Mrs. Manard. She is the proud grandmother of a new baby girl. Her name is Janellee, and the daughter of Mr. and Mrs. Mike Manard of Vernon. Mrs. Manard is the only grandmother in high school. Congratulations, "Grandmother Manard."

Menus

Monday, Dec. 1: fish with tartar sauce, cabbage slaw, creamed potatoes, green peas, rolls, butter cake with pineapple icing.

Tuesday, Dec. 2: fried chicken, gravy, green tossed salad, mashed potatoes, milk, rolls, Jello with fruit.

Wednesday, Dec. 3: hamburgers, lettuce, onion, tomato, and pickle slices, French fries, milk, apple sauce cake.

Thursday, Dec. 4: Spanish rice with beef, pinto beans, spinach, celery sticks, corn bread, apple cobbler, milk.

Friday, Dec. 5: country fried steak, green beans, buttered corn, carrot sticks, rolls, peach half, milk.

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, Nov. 30, 1939, issue of The Foard County News:

Foard County received its first rain in fifty-one days Tuesday night and Wednesday when a total of .75 inch was recorded here.

There were 8,870 bales of cotton ginned in Foard County from the crop of 1939 prior to Nov. 14.

One of the largest groups of boys ever to report for basketball in Crowell was recorded when sixteen aspirants reported to Coach Grady Graves last Monday afternoon for the first game workout. Regulars from last year reporting were Tom Alton Andrews, Jack Fitzgerald and Dick Smith. Others reporting were Ted Crosnoe, Gus Russell, Jimmie Williams, W. D. Hudgens, Junior Haseloff, Glendon Russell, T. L. Owens, H. C. Brown, Frank Dunn, Ralph Fletcher, Joe Wells, Charles Nelson and Murrell Diggins.

The Crowell High School Wildcats closed the 1939 football season last Thursday night in third place of the District 9-A conference standing with a 3-13 defeat of the Holiday Eagles.

More than twenty football players of the 1939 Crowell High School Wildcat team, their parents and their coach, Grady Graves, were honor guests at a banquet held Monday evening in the basement of the Methodist Church, and sponsored by the Crowell Rotary Club.

Mr. and Mrs. Melvin Moore and little son, Billy Ray, of Lorenzo spent from Thursday until Sunday visiting relatives at Margaret.

Miss Margaret Curtis, Mrs. Frank Moore, Mary Curtis, James Brasswell and George Cates, Jr., left Wednesday for Austin where they will spend three days at the Baptist State Convention in session there.

Miss Truda Patton has accepted a position with Bird Dry Goods Store, taking the place of Miss Elsie Cook, who recently resigned.

Betty Stinebaugh was hostess to the Junior Adolphian Club at the home of Miss Frankie Kirkpatrick on Tuesday, Nov. 22. Those on the program were Lois Pickett, Dorothy Winingham, Frances Henry Johnson, Beverly Hughston, Mary Ella Rettig, Wilma Jo Lovelady and Wanda Liles.

Miss Oma Floy McLain of Foard City and Miss Dorothy Flesher of Crowell, students in John Tarleton College at Stephenville, were congratulated this week by Dean J. Thomas Davis for having a perfect department record for the first preliminary of the school year.

Lawrence Glover, Jr. of Foard City visited his sister, Mrs. Roy Payne, and family in Crowell last Tuesday night.

Misses Mildred Cogdell and Stella B. Jackson, teachers in the Crowell High School, and Miss Aileen Motley of Truscott left Wednesday for San Antonio to attend the state teachers' convention.

INSURANCE OF ALL KINDS

Hughston Insurance Agency

U. S. D. A. Hikes Cotton Price Support for 1970

The U. S. Department of Agriculture has announced 1970-crop upland cotton price-support loan and payment rates.

The national average price-support loan rate for middling 1-inch cotton at average location has been set at 20.25 cents per pound for the 1970 crop. Price-support loan rates available to program co-operators for different individual qualities will be based on the middling 1-inch rate. This is the same rate as that applicable to the 1969 crop.

The price-support payment rate to program co-operators has been established at 16.80 cents per pound. This payment is in addition to the price-support loan. It is the amount necessary in addition to the loan to provide producers at least 65 per cent of parity on cotton produced within the acreage permitted under the program. The payment is made to co-operators on acreage planted within the domestic allotment which is 65 per cent of the total farm allotment. The 1970 rate compares to a 1969 program price-support rate of 14.73 cents per pound.

The announcement, along with previous determinations, gives cotton producers basic information on next year's program prior to a mail referendum, December 1-5, on 1970-crop cotton marketing quotas. In the referendum, at least two-thirds of the upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect. If more than one-third of the growers vote "no," the only cotton program will be price-support at 50 per cent of parity for growers who do not exceed their acreage allotment.

The 1970 loan rate was established under legal provisions calling for a level which will reflect for middling 1-inch upland cotton at average location in the United States not in excess of 90 per cent of the estimated average world price for the 1970-71 marketing year. The loan rate announced October 31 will continue "one price" cotton making it possible for U. S. cotton to move in either domestic or export channels without an export payment.

The carryover of upland cotton as of Aug. 1, 1970, is expected to fall to the lowest level since 1953. In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Special provisions for small farmers, however, will be continued.

Small farms, that is farms with allotments of 10 acres or less or with projected production from the allotment of 3,600 pounds or less, may plant the entire farm allotment and, in addition to the price-support payment on the domestic allotment, receive payment of 11.95 cents per pound on the projected yield of 35 per cent of the farm allotment.

Payments under the program would be subject to any limitation that might be required by Con-

THE PERFECT CHRISTMAS GIFT!
FOARD COUNTY HISTORY

Work on the long-awaited "History of Foard County" is now underway and you will want to be one of the proud owners of a copy of this limited edition. The hard-back bound book will have more than 200 pages of history dating back to pioneer times, plus factual stories of early day families, Indian lore, along with histories of county churches, fraternal organizations, and businesses and photographs from the early days. Material will be collected from personal files of early day Foard County families, court house and other legal records and other historical source material.

A special pre-publication price of \$10.00 plus 33¢ sales tax is now being offered. You may reserve your copy by mailing your check or money order to the Foard County Historical Survey Committee along with the special coupon below.

Foard County Historical Survey Committee:
 I am enclosing \$10.33 (each) for copies of your Foard County History. Notify me at this address when books are ready for delivery:

Mrs. Curtis Casey presented her music pupils in a Thanksgiving recital Sunday afternoon in the Methodist Church.

The Truscott Cub Scouts met at the Methodist annex Tuesday afternoon and practiced a skit for

Year-Round
Vehicle Inspection
Program Started

On September 1, 1969, the Texas Motor Vehicle Inspection Program began a year-round inspection schedule, announced Captain Alan Johnson, service commander of the Texas Department of Public Safety for this area.

Briefly, Captain Johnson listed the changes:

1. Inspections go on monthly, year-around schedule.
2. Sticker location changed to left side of windshield.
3. Number of the inspection month placed on sticker.
4. Inspection of exhaust system.
5. Inspection of emission system.
6. Inspection fee \$2.00.

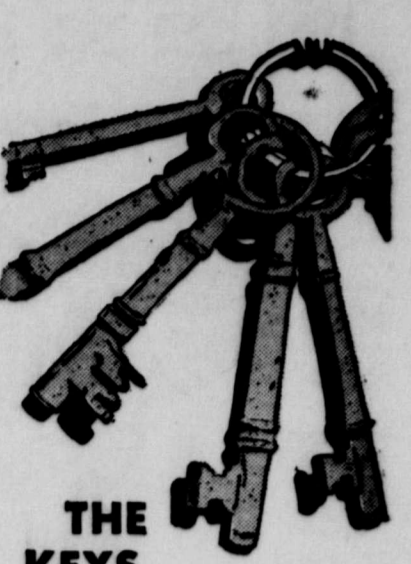

Instead of the usual April 15 deadline, inspections will come due one year after the current month of inspection. This will tend to take all the registered vehicles in Texas and prorate them equally among the twelve calendar months to be inspected. This will establish an anniversary month for each vehicle to be inspected and prevent the log-jam of over six million registered vehicles to be inspected at one time.

The new inspection sticker will be placed inside of the lower left-hand side of the windshield instead of the usual right side of the windshield. The number of the current month of inspection will appear on the sticker. For example, those issued in September will have number 9 on them, October the number 10, and so on. The color of the sticker will change each calendar year.

Two items have been added to the inspection list—the exhaust system and the exhaust emission system. A car now must have a muffler and it must be free from leaks. All cars manufactured in 1968 or later coming from the factory equipped with the exhaust emission system (commonly known as the smog device), still must have the device in working order.

The exhaust emission system will be checked to see that it has not been removed or disconnected. This will also apply to foreign cars. However, most of them now in this country are equipped with the smog device before they are sold.

Vehicle owners are now urged to start having their vehicles inspected. The new inspection fee is \$2.00.

THE KEYS TO SECURITY, PROTECTION AND PEACE OF MIND

These sought-after keys are available to you and your loved ones through a Farm Bureau Life Insurance program—the key that may well open the door to a happier life.

For details, see your local Farm Bureau Insurance agent today!

FOARD COUNTY FARM BUREAU
 SEE
JACK WELCH

few people are horror stricken or even concerned.

The disaster killed slightly more people than live in the town of Comanche in north-central Texas, population 3,415.

Corpus Christi wasn't touched, but enough men, women and children were injured last year by the tragedy to almost equal that city's 202,000 population.

The reason this disaster has too few people concerned is that the tragedy kills and injures one-by-one and two-by-two in automobile accidents on Texas' streets and highways.

Specifically, 3,481 people met death in auto crashes last year in this state. This represented an increase of three per cent over the 1967 traffic toll.

Traffic injuries jumped five per cent to count 216,972 people requiring some medical attention or hospitalization. A total of 940,272 auto accidents were recorded last year.

If a hurricane injured the great majority of people living in Corpus Christi, or if one of Texas' frequent tornadoes wiped Comanche off the map—killing all its residents—the citizens of this state would be shocked and concerned. The Insurance Information Institute says that Texas' citizenry must develop that kind of concern about the ever-increasing deaths, injuries and property damage on the state's highways.

Eagle Mirado pencils, No. 2 and No. 2½. The best pencil money can buy. Get them at the News office.

Texas Tragedy
Stirs Little Horror

A disaster equal to killing and injuring the population of two towns has struck Texas . . . but the pack meeting and painted their airplanes.

The Truscott 4-H Club met last Tuesday afternoon.

Truscott and Gilliland seventh and eighth grade students were honored with a party by members of the junior high class of the Church of Christ in the home of their teacher, Mrs. Jack W. Brown, last Thursday night.

Weather this week has been warmer and pleasant.

Mr. and Mrs. Shirley Moore of Plainview visited Mr. and Mrs. Monroe Cash over the week end.

Mr. and Mrs. Aubrey Cash and grandson, Conner Haddock, of Roswell, N. M., visited Mr. and Mrs. Monroe Cash over the week end.

The Truscott H. D. Club met with the Gilliland H. D. Club last Wednesday in the home of Mrs. Arnold Navratil.

Pop.	S. S. Enr.	S. S. At.
1700	720	476

The above figures reflect the interest of Crowell citizens in Bible study last Sunday.

The churches of the Crowell Ministerial Association urge every one in our community to be a part of the fellowship of the church of their choice each week.

No More Free Air?
 "Air for tires is still free despite the advances of inflation. At least it was the last time we noticed. One is tempted to wonder, nevertheless, if the free air situation will prevail in the United States in the face of inflationary pressure. Don't guffaw. Consider this: Trade unions governing the Italian service station industry have voted to end free air service. Motorists will be charged 32 cents to fill the tires of their vehicles."—Bedford, Ind., Times-Mail.

Right to Work
 "Throughout our history, with almost every racial or ethnic group, we have had to learn that open access to all the rights of citizenship, far from threatening anyone's security, in the long run makes for a stronger, more prosperous nation. The most fundamental of these rights, even more fundamental than the right to vote, is the right to work." —Somerset, Ky., Commonwealth-Journal.

"Eraser Age"

A seven-year-old child is in the
"eraser age." He erases as much
as he writes, trying constantly
to make his work more nearly
perfect. Jennie Kitching, Exten-
sion family life specialist, says
the seven-year-old is anxious to
do well and to learn how things
are done. He needs a job at home
and maybe a small allowance.

Aren't Same Thing

Orange juice and orange drink
aren't the same thing. Any bever-
age labeled "juice" must be
the juice of the fruit named.
Fruit punch may be part juice and
part synthetic flavor. Fruit drink
may be all synthetic, says Francis
Reasonover, extension foods and
nutrition specialist.

**Electronic Device
Designed to Cut
Rear-End Crashes**

A device designed primarily to
reduce the number of rear-end
automobile collisions has been de-
veloped by a Dallas engineering
company—applying a principle de-
signed by a Dallas printer, E. H.
(Red) Biggs. Mr. Biggs is tem-
porarily located here in Crowell
and is operating a flying service.
Operating independently of the
brake-activated rear warning
light, or the directional signal sys-
tem, the new electronic system
automatically operates a set of
rear and front lights by changes
in the amount of pressure on the
accelerator. Its green signal lights
are activated immediately upon re-
lease of, or upon application of
additional pressure upon, the ac-
celerator pedal.

The indication of a slowing of
speed—even before the driver
pushes the brake pedal—gives the
following driver an additional mo-
ment of advance warning that the
car is subject to impending change
of speed or direction. It could
be both.

The developers say that this
split-second of advance warning
can provide the critical time neces-
sary to prevent a tail-end smash-
up.

Executives of the firm are con-
vinced that the color of the warn-
ing lights should be green and
should be positioned front and
rear on the car, and should be
placed high as practicable—like on
the front fenders.

Deaths from Falls

Data for the U. S. from the
National Health Survey reveals:
each year over 20,000 people die
from injuries sustained in acci-
dental falls; each year 12 million
persons are injured seriously
enough in falls to require at least
one day of restricted activity or
medical attention; and about
three million persons have impair-
ment of the back, limb, or other
part of the body which resulted
from accidental falls.

Naturally Suspicious

"Perhaps if cattlemen were on
some form of subsidy, Washington
would try harder to aid them. Bu-
reaucrats are naturally suspicious
of producers who try to make a
go of it without their help."
—Kittanning, Pa., Leader-Times.

**Henry Black of Crowell Named Vice
President of Four Winds Foundation**

Four Crowell men, Robert Kin-
caid, Ray Shirley, Henry Black
and Cecil Davis, were in Chil-
dress Tuesday night of last week
to attend the annual meeting of
the Four Winds Industrial Founda-
tion.

Ross Smith, vice president of
Four Winds, Childress car deal-
er and past president of the Chil-
dress Chamber of Commerce, was
named president of the Four
Winds Industrial Foundation, Inc.
Named as vice president was
Henry Black, director of the or-
ganization from Foard County.

Jack Powell, Paducah, was re-
elected treasurer and Lester Yates
of Quanah, a new director, was
named secretary. R. A. Yarbrough,
manager of the Gate City Electric

Cooperative Association, was re-
named executive director, and Bill
Neal, immediate past president,
was named to serve as legal ad-
visor.

Officers will serve for a term
of one year, January through De-
cember.

Smith announced a four-weeks
industrial team membership train-
ing school in January for Four
Winds directors, chamber of com-
merce and industrial foundation
directors, city councils and com-
missioners court members. The
training school to develop indus-
trial teams and a back up mem-
ber of each team will be held each
Tuesday night in January with
Childress and Quanah hosting the
sessions.

Professional industrial training
personnel from the Lone Star Gas
community development depart-
ment will conduct the training ses-
sions.

Smith said Tuesday night that
a chairman and co-chairman would
head education and training, fi-
nance, labor, public relations, re-
sources and services, sites, taxes,
transportation and utilities com-
mittees as the first phase of pre-
paring the four counties—Foard,
Hardeman, Cottle and Childress—
to receive industrial prospects.

The foundation will not only
have its own team of specialists
on the committees, but would be
trained to back up and assist in-
dividual towns and counties in
the Four Winds area in present-
ing information to industrial pros-
pects.

Yarbrough was directed by
the executive committee of
Four Winds to contact Govern-
or Preston Smith's Council of
Community Affairs created re-
cently to develop industry in
small towns across the Lone
Star State.

Card of Thanks

We want to thank Dr. Stapp,
the nurses and all connected in
any way with the hospital for
their good care. Also thanks to
all who sent cards, flowers, and
for the visits. Thanks to Houston
Adkins Phillips 66 Station for
sending the Vernon Daily Record
each day. We thank everyone.
Lottie and Cat Painter.

**Education Is Still a
Paying Proposition**

Education is still a paying propo-
sition. Latest Census Bureau fig-
ures confirm that it pays to get
an education.

While income of all segments of
the population has grown in re-
cent years, Mrs. Wanda Meyer,
extension home management spec-
ialist, reports that the biggest in-
creases have occurred at the high-
er educational levels.

For example, between 1961 and
1966, the annual income of an
average elementary school gradu-
ate 25 years old or older rose from
about \$4,200 to \$4,900; that of
a high school graduate from
\$5,900 to \$7,500; and that of a
college graduate from \$9,300 to
\$11,100.

Estimating the lifetime income
of men by years of school com-
pleted, the Census Bureau experts
came up with these figures:

Eight years of elementary
school, \$247,000. This amounts to
about \$6,175 a year.

Four years of high school,
\$341,200 for the total lifetime in-
come, or about \$8,525 a year.

Four years of college, \$508,000
or an annual salary of about \$12,-
520.

Five or more years of college,
\$587,000 or about \$14,675 a year.

An average college graduate can
look forward to half again as
much income as a high school gradu-
ate who fails to enter college,
says Mrs. Meyer. A person who
has done post graduate work in
college can anticipate three times
the income of an elementary
school dropout.

However, Mrs. Meyer points to
exceptions. Educational attain-
ment does not guarantee the fi-
nancial success of everyone. Many
intelligent people get ahead with-
out a great deal of formal edu-
cation.

New figures from the Census
Bureau indicate that the number
of years spent in school does have
an important effect on future
earning power, she notes.

**Texas as a Broiler
Producer**

Commercial broiler producers in
Texas placed more than 168.3 mil-
lion chicks during 1968, a new
record, reports the Texas Crop
and Livestock Reporting Service.
The state ranked 7th in the num-
ber of chicks placed. Gross income
from broilers totaled \$81.6 million
and the average live weight per
bird produced was 3.5 pounds. Na-
tionally, the gross income from
broilers was in excess of \$1,263
million.

Tax Man Sam Sez

Back in the old days, most Tex-
ans lived in a rural area. A lot
of us had maids and were probab-
ly liable for maid tax under the so-
cial security law. However, more
than three-fourths of us live in
metropolitan areas now. There are
still some few that have a maid,
but a more common tax problem
is the yard boy problem. In the
affluent society we end up pay-
ing a substantial wage to an en-
terprising young man from our
neighborhood to do our yard work
and to keep the grass and shrubs
properly manicured. If you pay
this young man more than \$50 a
calendar quarter, you are due to
get an employer's number and to
withhold and pay social security
on the wages he earns for the
quarter. Keeping a few records
and paying taxes may be an easier
job than mowing that grass after
all. Think it over.

Snacks Are Popular

Snacks are becoming more pop-
ular. This may be related to the
increased proportion of teenagers
in the population, to the popular-
ity of television and to an in-
crease in entertaining at home,
relates Elizabeth Barnard, exten-
sion nutritionist. During the re-
cent U. S. Department of Agri-
culture 10-year survey, consump-
tion increased for soft drinks,
punches and ades, potato chips,
crackers, cookies, doughnuts, ice
cream, candy, lunch meats and
peanut butter.

Psychiatric Help

It was noted in a National As-
sociation of Manufacturer's pub-
lication that although garbage dis-
posal is hardly a glamor subject,
it is the third most expensive ser-
vice in all communities and is
worthy of taxpayers' attention.
According to a recent report by
the U. S. Public Health Service,
in 1948 Americans only discarded
about two pounds of trash a day.
In 1968, they averaged some five
pounds a day.

"Stand-Up"

The Arizona Farm Bureau Fed-
eration stated that wouldn't it be
wonderful if instead of "sit-ing"
and protest demonstrations we
could have a "stand-up" for the
American private enterprise sys-
tem—a system that has delivered
more jobs and more wealth and
a better distribution of earned in-
come than any other in the world.
What a great demonstration it
would be if the silent majority
would become positive about their
rights that are being abused by
the few.

Miss Julia Whitfield Honored with Brunch and Gadget Shower

On Saturday, Mrs. Lee Black, Mrs. Ted Reeder and Mrs. Henry Borchardt honored Miss Julia Whitfield, bride-elect of Stephen Weathered, with a brunch and gadget shower in the Borchardt home.

The buffet table was covered with a cloth featuring fall shades; a miniature wheel barrow held an arrangement of mums and marigolds. Matching napkins, plates, cups and coasters were set at quartet tables.

The honoree was presented with a corsage made from a Chore Girl

and measuring spoons.

Miss Betty Whitfield registered the guests. Misses Jan Reeder and Kathy Whitfield played recorded music.

The guest list included Misses Shayne Garrett, Carolyn Nichols, Janice Bell, Janie Hughton, Jo Ann Williams, Linda Gray, Sara Collins, Mary Jo Glover, Kathy Hammonds, Terri Cates, Mieke Owens, Peggy Welch, Kristi McLain, Jacque Gillispie, Linda Foster, Lnette Franklin, Rita Coffey, Peggy Rasberry, Elaine Jackson, Carolyn Moore, Betty, Sandra and Kathy Whitfield, and Mmes. Jesse Whitfield and Baylor Weathered.

Miss Julia Whitfield Honored with Shower

Miss Julia Whitfield, bride-elect of Steve Weathered, was honored with a surprise lingerie shower in the home of Mrs. Dayton Everson Saturday, Nov. 15.

The serving table, covered with white over blue, held an arrangement of blue and green flowers topped by two blue lovebirds.

Blue punch, white wedding cookies, small sandwiches, mints and nuts were served from crystal appointments.

Hostesses were Misses Janice Bell, Veda Lynn and LaNell Everson and Mrs. Everson. Miss Whitfield received many beautiful gifts.

Miss Wool to Be in Quanh December 6

The Alpha Tau chapter of Epsilon Sigma Alpha in Quanh will sponsor "Miss Wool and Mohair of Texas," Miss Jan Ellen Green, for a style show Saturday, Dec. 6, at Zack's Restaurant in Quanh.

Miss Green will model her entire wardrobe for the occasion.

Preceding the style show, a luncheon will be served. Tickets for the style show and luncheon are \$3.00 and can be secured by calling 817-663-4888 or 663-4110 or mailing checks to ESA, Box 383, Quanh 79252. Proceeds from the style show will be used for philanthropic projects.

Senior Citizens Enjoy Musical Program

by Mrs. Betty Gibson, Senior Citizen Aide

Thirty-six senior citizens of the EOAC were royally entertained Nov. 17 by Charles Branch and his musicians. As usual, when this group provides the program, everyone thoroughly enjoyed themselves. Each of us wishes to say a special "thanks" to Charles and the group. Their efforts are greatly appreciated.

A fine group of senior citizens traveled from Quanh to enjoy the music, and we certainly were pleased to welcome them and invite them to come back again.

Justin Wilson to Play Benefit in Vernon Dec. 2

The Junior Service League of Vernon will present Justin Wilson, nationally-known Cajun story teller, in a program at Wilbarger auditorium on Tuesday night, Dec. 2, beginning at 8 p. m.

The Junior Service League is sponsoring a Girls Club in Vernon and proceeds from this program will go to the Girls Club benefit. Tickets are available in Crowell at Shirley-Youree Drug.

Wilson, a safety consultant by profession, long ago learned that he could captivate an audience with just one of his many talents—his ability to project the dialects of his progue pals who frequent the bayous of Louisiana in a way all his own, that delights and entertains all who hear him.

From his Cajun neighbors, Justin learned a particular way to talk. But more than just a way to talk accounts for his ability to amuse and entertain—Ole Joostan has a basic philosophy of living that spells "fun" in any language. He has come up with the most delightful assortment of Cajun-style stories the entertainment world has yet to see.

Bill Prepared to Abolish Common Law Marriages in Texas

Senator Jack Hightower said last week that he will introduce legislation at the next session of the Texas Legislature to abolish common law marriages in this state. Sen. Hightower said: "Although Texas has recognized common law marriages for 130 years, the reasons for such recognition have long ceased to exist. In the early days of the frontier, preachers and judges were hard to find, therefore, common law marriages were a fact of life."

"A birth certificate or some type of satisfactory evidence of the lawful age of the applicants should be required before the issuance of a license," the Senator said.

"Recent publicity concerning the Family Code passed by the last legislature has resulted in some misunderstanding concerning the marriage laws. Since 1840 the minimum age for marriage has been 14 for a girl and 16 for boys. The law provides that persons under this age may not marry. Under the old law it has been possible for young people above the minimum age to contract a common law marriage, with or without parental consent. The law should recognize and impose a parental responsibility for young people until they are at least 18 years of age," the Senator said.

November, December Dangerous Months for Pedestrians

Traffic-wise, November and December are noted as dangerous months for pedestrians. During the last two months of 1968 in Texas, there were 86 pedestrians killed and 843 injured in collisions with motor vehicles. Some of the contributing factors are: longer hours of darkness, bad weather, holidays, and lack of drivers' and pedestrians' attention.

The Highway Patrol has listed some tips to aid both pedestrians and drivers. Always wear something light colored when walking after dark. If possible, carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

Local School Bus Drivers Invited to Clinic in Henrietta

Arrangements are being made for a forthcoming Bus Drivers' Clinic to be held December 13 in Henrietta for schools in Region IX Education Service Center which includes the Crowell School System. Cooperating in presenting the clinic are the Texas Department of Public Safety, Texas Education Agency, Henrietta Independent School District and the Region IX Center.

The TEA will present "School Bus Transportation," and the DPS will present "Laws and Regulations Pertaining to School Bus Transportation."

All school bus drivers and school administrators responsible for bus transportation are urged to attend this clinic.

Victor Borge to Make Vernon Appearance

Victor Borge, noted pianist and humorist, will headline the 1970-71 Vernon Community Concert season, President Dick Wright announced last week.

Other attraction are: The Neal Wolfe trio, Addiss and Crofut, "Three on Broadway."

4-H Club Meeting

Officers for the Handy Helpers 4-H 7th grade girls are as follows: president, Jacquelyn Brown; vice president, Lisa Holenack; secretary, Karen Statser; reporter, April Werley; song leader, Ruth Stone; assistant song leader, Brenda Graves; council delegate, Barbie Scott.

Jacquelyn called the meeting to order. Ruth led the 4-H pledge. Barbie passed out enrollment cards, which were filled out. Cheryl Garrett passed out membership cards.

The subject discussed was the livestock show.

T. E. L. Class

The T. E. L. Sunday School Class of the First Baptist Church met at the church Thursday with Mrs. C. L. Cavin and Mrs. Bob Thomas as hostesses. The meeting was opened with a prayer by Mrs. Ector Sollis. Fifteen members enjoyed a covered dish supper. Mrs. Doyle Callaway brought the devotional on Thanksgiving and faith of our fathers. She gave the definition of faith from Heb. 11:1. She closed by reading Psa. 138.

After the business session, Mrs. I. L. Denton read a Thanksgiving story.

College Costs Up

College costs are going up again. Tuition, room and board bills are running about seven to eight per cent higher than last year, according to a survey from the Institute of Life Insurance.

Mrs. Casey Presents Music Students in Thanksgiving Recital

Music for Thanksgiving was the theme for a recital by students of Mrs. Curtis Casey at the Truett Methodist Church Sunday afternoon. Rev. Charles Spence was narrator for the program which was divided into three parts, "Our Friends," "Our Country," and "Our Heavenly Father."

The piano was flanked by an American flag on one side and a spotlighted Bible on the other. Arrangements of fall flowers were placed on the piano and platform.

Students participating in the recital were Susan and Cindy Stone, Gail Bullion, Debbie Wall, Jimmy Daniel, Jill Myers, Sharla Haynie, Patti Counts, Tracy Shaw and Kay Shirley.

The recital closed with a benediction by Curtis Casey.

Out of town guests present were Mr. and Mrs. Roy Daniel of Benjamin, Mrs. Warren Haynie and Sharla and Ray Shirley and Kay of Crowell, Mr. and Mrs. George Wall and Debbie and Mr. and Mrs. David Counts and Patti and David, Jr. of Knox City, and Mrs. H. C. Stone and Susan and Cindy of Benjamin.

Junior Leaders

The Foard County Junior Leaders 4-H Club met Thursday in the community center, with Karen Gray and Trudy Bird giving a program on drugs. They told about the various kinds of drugs and their dangers.

Miss Helen Fincher, H. D. Agent, presented county 4-H medals to those who were not able to attend the 4-H awards program last Saturday night. They were Sharla Haynie, citizenship; Darla Bell, consumer education, home economics; Rhonda Veera, home management; and Philip Bell, horticultural. Food show awards were given to Rita Coffey and Sharla Haynie, and Sharla also received a cookbook for the most outstanding foods participant.

Pat Cates gave a report on the prayer-in-space petitions and set a new deadline, Tuesday, Nov. 25, to turn in the petitions. Sharla Haynie gave a committee report on the road signs.

Peggy Welch presided. Ruth Brown said the prayer and Cindy Wisdom led the 4-H pledge. Secretary Sharla Haynie read the minutes of the last meeting and called the roll. Hostesses for this meeting were Susan Autry and Debbie Scott.

At the next meeting, Dec. 4, hostesses will be Trudy Bird and Cindy Wisdom. Remelle Marlow and Martha Martin will have the program.

W. S. L. Meeting

Three local high school students gave the program for the Women's Service League last week. Gary Lee Cates and David Stapp invited the membership to attend the Baptist Youth Revival. Cates accompanied himself for a musical meditation and Stapp presented a meditation. Pat Cates gave a summary of the Farm Bureau seminar he attended at Baylor University in the summer.

The organization will not meet this week. Mrs. Leo Cates, president, has announced a business meeting for December 4.

Today's Dollar Buys Less and Less Housing

Today's dollar buys less and less housing, reports extension housing specialist Jane Berry. The median price of a new home has rocketed nearly 20 per cent in the past year; rents are up 15 per cent; lumber up 70 per cent and interest rates up 25 per cent in most places.

Mike Douglas to Head Christmas Seal Campaign

Mike Douglas, popular television personality and host of his own 90-minute syndicated show, has accepted the position of 1969 National Honorary Christmas Seal Chairman.

A veteran of many years in show business, Douglas has been awarded an Emmy for his television work. He has made frequent guest appearances on the Ed Sullivan Show, Carol Burnett Show and Kraft Music Hall.

When he accepted the position of 1969 National Honorary Christmas Seal chairman, Douglas said, "I will exert every possible effort to remind the American public that their support of the 1969 Christmas Seal Campaign is the strongest single way that the average citizen can back the volunteer battle against the increasing menace of emphysema and air pollution and achieve the ultimate goal of tuberculosis eradication. Any threat to the respiratory health of our country becomes a challenge to this organization. Christmas Seals wage a constant fight against respiratory diseases and the factors which cause them."

The work of the North Texas Tuberculosis and Respiratory Disease Association is supported by Christmas Seal contributions. "This Association is responsible for the mobile chest x-ray unit and extensive programs of health education in the effort to detect cases of tuberculosis, emphysema, chronic bronchitis, and other respiratory diseases which may be in this area," stated William N. Gar-

Texas Crop Report

Yield prospects for major crops continue to fall as levels attained last year. Texas as Crop and Livestock Service says production of sorghum, rice, hay, wheat and peanuts is expected to be lower and sugar beets, corn and Irish potatoes to be less than last year. Lack of during the growing season central and south Texas harvested acres, notably and peanuts, were cited as factors in the decreased production.

ASTRONAUT BUYS UNICEF CARDS

Astronaut Charles (Pete) Conrad, commander of the Apollo 12 moon flight, took time before the countdown to select his UNICEF Greeting Cards from Mrs. Robert Friedman of Houston, Tex. Commander Conrad and his family are active supporters of the United Nations Children's Fund and its annual greeting card sale, which helps support UNICEF child care projects in more than 100 developing countries. Cards may be purchased from local UNICEF volunteers, or by a mail order brochure obtainable from the U.S. Committee for UNICEF, 331 East 38th St., New York, N.Y. 10016.

Tex. — Prospects of new tax bills may face 1971, 1973, and 1975 next decade is likely. Research League heard Gov. McGrew, new executive of the League and state's top fiscal authority, said the coming tax crises "like that sized up the 1971 tax least \$270 million and as much as \$400 million."

Housing shortage may reach "crisis proportions" in two years, Smith told League members. Needs over the next decade, he forecast, will demand \$1.5 billion worth of construction a year in Texas. Within the same period, he said, housing will have to be found for 875,000 new Texas families, and slums and overcrowding must be eliminated.

Valuable Social Security Work Credits Lost Each Year

Each year valuable social security work credits are lost because some agricultural employers have not reported their workers' wages, says Jack Ashcraft, social security representative. A farm worker's wages are covered by social security if his employer pays him \$150 or more cash wages a calendar year. Also, even if he is paid less than \$150, his wages are covered if he works on 20 or more days in the year for the employer and is paid on a time basis (such as by the hour, day, week, or month) rather than on a piece-rate basis.

Two Minutes With the Bible

Church on Fire
The Chicago newspapers carried an account several years ago of a large church, burned to the ground, at a loss of about half a million dollars. Our sympathy went out to the pastor and congregation who, at best, had to carry on for a time under makeshift arrangements.

BALLOT SPOTS PICKED — Proposed constitutional amendment to legalize the sale of liquor by the drink will be in the second spot on the Nov. 3, 1970, general election ballot.

No. 1—Provision for removal, censure or retirement of appellate court judges and justices of the peace by a new Judicial Qualifications Commission.
No. 3—Uniform method for assessing farm, ranch and forest lands on a capability to produce basis.

DISAPPOINTING LEASE SALE — School Land Board got disappointing results from its sealed bid oil and gas lease sale on public school lands. High bids averaged only \$36 an acre, lowered by the \$15.52 per acre average of over 16 thousand acres leased in El Paso County where there is no oil or gas production.

Land Commissioner Jerry Sadler said the indications from Congress that the 27.5 per cent depletion allowance will be cut undoubtedly hampered bidding. Also, sales scheduled for Louisiana and heavy spending on Alaskan leases cut the bids.

COURTS SPEAK — Supreme Court split six to three in upholding the constitutionality of the controversial Saturday-Sunday closing laws. Chief Justice Robert W. Calvert wrote the dissenting opinion, contending that the statute prohibiting the sale of 46 items on consecutive days of week

ends should be knocked out. High Court granted a writ of error and agreed to hear oral arguments on December 10 on Houston landowners' complaints that the YMCA should not be allowed to erect a building in Houston's Post Oak Estates subdivision where lots are a minimum of three acres in size.

Supreme Court rejected the appeal of a Dallas man who claimed part in interest in vast holdings of oil-businessman J. D. Wrather, Jr.

Reversing an intermediate court and affirming a trial court, the state's top civil court held that neither party in a Gregg County auto accident case was entitled to damages.

Court of Criminal Appeals affirmed a 30-year sentence of black militant Lee Otis Johnson of Houston, convicted of possession of marijuana after he gave a "cigarette" to an undercover police agent.

U. S. District Court in Tyler ruled that a teacher cannot be dismissed from a job because of political activity.

SLEEPWEAR ENSEMBLES—Appropriate gifts for mother and daughter or big and little sister are these cozy cotton sleep culottes. Added gift possibilities for young girls are the matching doll and a carry-all tote packed with sleeping bag and pillow in the same flower-printed cotton. By Slumbertogs.

Highway Patrol Safety Officer Answers Questions

(Editor's Note: The following column of commonly-asked questions pertaining to Texas highway laws and the answers are prepared by High Patrol Safety Officer Chester Fant of Quanah. The column will appear regularly in The News.)

Q. When may you overtake and pass another vehicle on the right side?

A. You may pass on the right under the following conditions: 1. When the vehicle overtaken is making or about to make a left turn; 2. Upon a street or highway with unobstructed pavement not occupied by parked vehicles of sufficient width for 2 or more lines of moving vehicles in each direction; 3. Upon a one-way street, or upon any roadway on which traffic is restricted to one direction of movement, whether the roadway is free from obstructions and of sufficient width for 2 or more lines of moving vehicles.

Q. How close can or should you follow another vehicle?

A. The driver of a motor vehicle should not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the conditions of the highway. A good rule of thumb is to allow one vehicle length for each 10 mph of speed you are traveling.

Q. What should you do if you damage an unattended or parked vehicle?

A. You must locate the owner if possible or leave your name and address, name of the owner of the vehicle which you were driving and a statement of the circumstances in or on the damaged vehicle where the owner will find it.

Q. What should you do when blinded by the headlights of an approaching car at night?

A. Avoid looking directly into the lights of approaching vehicles. Slow your speed and, if on a two-lane road, watch the right side of the roadway and the center stripe.

Q. If you desire to drive, or practice driving on public roads, before taking the driving test, what does the law require you to do?

A. If you want to learn to drive or need to practice before you take the driving test, you must make application and pass the vision, signs and rules test. Then you will be issued a license that will permit you to drive only when there is a licensed driver, age 21 or over, in the front seat with you.

High Cost of Crime

According to Commerce Clearing House, as noted in the "Oregon Voter," the cost of all crime affecting business reached \$3 billion in 1968 and "the smaller the business the heavier the burden." The cost to businesses with annual receipts of \$100,000 or less was three times greater than the national average and 35 times that of businesses with receipts over \$5 million annually. Burglary cost reached \$1 billion; robbery \$77 million; vandalism total cost, all business \$813 million with small businesses carrying \$469 million. Employee thefts cost \$381 million, with smaller businesses carrying 60 per cent, or \$230 million.

New Features Added to 1970-'71 Texas Almanac

Many new features have been combined with traditional information in the 1970-'71 edition of the Texas Almanac, published by The Dallas Morning News. The 704-page publication includes, among other material, the following information not found in previous editions, Walter B. Moore, editor, said:

Texas athletic records since World War II.
A new map for use in calculating sunrise and sunset times in Texas.

A summary of major nonpetroleum minerals in Texas.
A history of the sheep and goat industry in Texas.

Number of deer killed in each Texas county.
The original account of Col. Wm. B. Travis drawing a line with his sword in the Alamo, as first published in the 1873 Texas Almanac.

New listings of courts, Congressional, Texas State and House districts by counties.
Latitude and longitude of 254 county seat towns.

Literary awards to Texas authors, and list of poets laureate of Texas.

Updated information will include the vote in elections, names of state, county and municipal officials, members of appointive boards, officials of state and regional civic organizations, enrollment in colleges and universities, estimated populations of cities and counties, statistics on employment, payroll, banking, insurance, public welfare and much other material.

Other features include the complete text of the Texas Constitution, up-to-date maps and historical, agricultural and economic information for 254 counties, and chapters on minerals, agriculture, business, transportation, and other phases of Texas today.

Tourism and recreation are emphasized in the 1970-'71 edition, with a description of recreational attractions written especially for the Texas Almanac by Texas Tourist Development Agency.

Elisabet Ney's famous statue of Sam Houston, which stands in the Texas Capitol, is shown on the cover. The new edition contains more color photographs than any previous Texas Almanac, which has been published since 1857.

Texas newspaper editors, county agricultural agents, chambers of commerce, trade association and civic organization executives, authorities of the University of Texas Bureau of Business Research and Bureau of Economic Geology, U. S. Department of Agriculture, Texas A&M University and many others have contributed information for the new edition.

Few Shortcomings

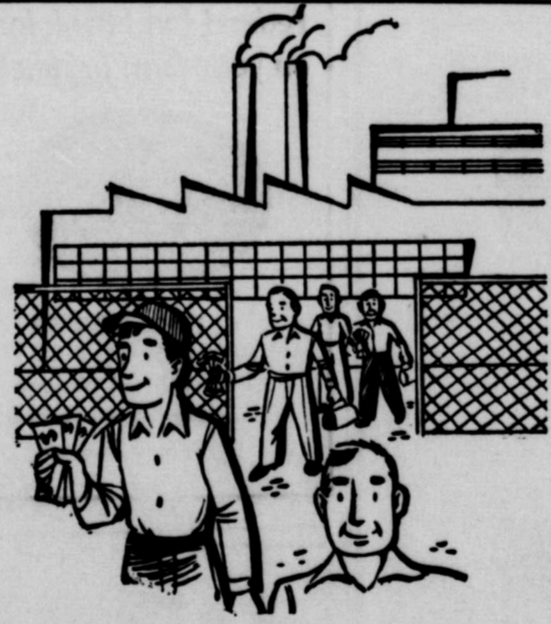

"A democracy may have a few shortcomings, but for us, it provides a way of life that we will laud until something better comes along."—Andalusia, Ala., Star-News.

Take-Home Pay
...to spend anywhere as we please

WE MAY get our money from a job in industry, from a one-chair shoeshine business, or for working as janitor, bank president, or some other useful activity. But what we do with what's left after taxes is our own personal business. Of course, with some necessities coming first, we may not always get to buy WHAT we'd like to, but there isn't much to keep us from spending our money anywhere we please.

And this decision... WHERE to buy... is pretty important... because WHERE we spend a dollar has considerable bearing on WHERE and how handily we can get our dollars in the future. When we choose to spend our money in our own community, where its circulation can create many more dollars of trade volume to boost our local economy, then we can make a better living easier here.

It Pays to Buy Where You Live

FOARD COUNTY LUMBER CO.
684-2191—Crowell

Many individuals and groups have found that gifts to the Heart Association provide a gratifying way to honor the memory of relatives and friends who have died of heart disease. These thoughtful tributes also give hope to the living because memorial gifts are used to support research, education and community service, aimed at reducing the toll of the cardiovascular diseases—the greatest cause of mortality and disability in this community and in the nation.

When a memorial gift is received, the Heart Association immediately sends an appropriate acknowledgement card to the bereaved family indicating the names of the individuals making the memorial and the name of the individual being honored. The amount of the contribution is not included on the card to the family, but is shown on the receipt to the donor informing him that the family has been notified. Incidentally, all memorial gifts to the Heart Association are fully tax deductible.

Mrs. Archer said memorial gifts "are gratefully received by mail or in person at the court house in Crowell. We urge all donors to give full information about the purpose of the gifts so that the

acknowledgement cards sent to the families are in proper form. We also encourage donors to notify us by telephone when they wish to make memorial gifts. This makes it possible for us to provide really prompt service in sending out the memorial acknowledgements to the bereaved families."

"Candy" of TV's "Bonanza" to Be at Fat Stock Show

David Canary, who is featured as "Candy" on the top-rated television series "Bonanza," will be the guest star at Fort Worth's 1970 Stock Show Rodeo.

His selection has been announced by W. R. Watt, president and manager of the Southwestern Exposition and Fat Stock Show. Watt said Canary will appear at all 20 performances of the rodeo, which is scheduled Jan. 30 through Feb. 8, 1970.

"Canary has an exceptionally fine singing voice in addition to being an outstanding actor and an engaging personality," Watt said. "We believe everyone who sees and hears him will be most pleased."

Canary, an All-American football player who passed up a pro contract to enter show business, majored in music at the University of Cincinnati. He has had singing roles on Broadway and has appeared in motion pictures. He was a regular on the "Peyton Place" TV series before joining "Bonanza."

In addition to Canary the 1970 Fort Worth Rodeo will present a number of outstanding specialty acts, including trick riding and roping and Arthur Allen's performing Border Collies. In the ever-popular rodeo action events, over 500 top cowboys are expected to compete for better than \$80,000 in prize money and entry fees.

Tickets for the 1970 Fort Worth Stock Show Rodeo are available by mail from the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

Vehicle Inspections Lagging in Texas

Col. Wilson E. Speir, director of the Texas Department of Public Safety, said this week that motor vehicle inspections in Texas are running almost 30 per cent behind the inspection rate at this time last year.

"Unless the inspection rate increases, there are going to be some awfully long lines at inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have received the required inspection.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that inspection stickers issued after September 1 will expire 12 months from the date of issue. However, the law requires that all motor vehicles display a new sticker before April 15, 1970.

Speir noted that the new stickers are being placed on the driver's side of the windshield and contain a number tab showing the month of expiration. The old stickers are on the passenger or right-hand side and have no number tab.

"The inspection program is intended to discover vehicle defects which may lead to an accident. We urge all Texans to have their vehicles inspected soon to make sure they are safe for winter driving," Speir said.

Fifty Years of Tax Fraud Work

This year is the 50th anniversary of the intelligence division in Internal Revenue Service. Six Post Office inspectors became the first special agents under ex-Post Office Inspector Elmer L. Irey in 1919. Even though the six men have grown to a force of approximately 1900 highly qualified and trained special agents, they still represent a very small part of the 65,000 total tax people in IRS.

During 1968, there were 9,739 tax fraud investigations. Subjects of tax fraud investigations included a cross section of taxpayers in all strata of society and all walks of life. Types of violations successfully prosecuted included income tax evasion, willful failure to file a return, false claim for refund, and other tax law violations. During 1968 the special agents secured 1,026 indictments, and 638 taxpayers pled guilty or nolo contendere during the year. There were also 118 taxpayers convicted after trial, and 39 were acquitted.

The tax folks would be the first to admit that this is a very small part of the taxpayers who signed 72 million tax returns. IRS is proud of the voluntary compliance by most taxpayers, but they are also proud of the fine work done by the special agents during the past 50 years. Their fine work may have helped encourage voluntary compliance.

Criminal Court
"A few days in criminal court awakens one to the tremendous cost society pays for its mistakes and not meeting the demands of its citizens. At this term of Criminal Sessions Court by far the bulk of the cases tried and entered were for larceny of various forms or the other. Most were housebreaking and larceny. What is even worse most of the offenders ranged in age from 12 to about 20 years of age, and neither race holding a margin from the number involved. Reasons for stealing ran the gamut from hunger to just having nothing to do and wanting a thrill."—Walterboro, S. C., Press and Standard.
