Classes at the Crowell Schools start Monday, August 17, and Supt. Larry Jones said Tuesday that many students are already back into the swing of school with registration of high school students, band practice, and the issuing of football shoes this week.

SINGLE COPY TEN CENTS

School employees Allen Taylor, Ray Quintero and Boots Henry have been busy during the summer preparing the school facilities for the 1970-71 school year. Nearly all of the school's flooring has been waxed or gym finish applied. Five additional evaporative coolers have been installed. The football stadium has been painted as well as the inside of the cafeteria

and portions of other buildings. Mrs. Ocie Pearl Bolibruch helped administer the school's National Youth Corps' program for most of the summer. The NYC workers assisted with painting and with care of the lawns.

The faculty members gathered Wednesday in the school cafeteria for the first of three consecutive days of in-service training and in-

dividual preparation. The cafeteria employees were scheduled to meet this morning at 9 a. m. to prepare for the start

The bus drivers will meet Friday morning at 8 o'clock in the cafeteria to discuss route changes and general policies and proced-

ures. Local patrons may find slight changes in bus schedules as a result of route consolidation. High School Principal L. H. Wall, Jr. has requested that all high school students register this

week if at all possible. Budget Board's recommendarequests led the urge all tions on spending usually are more group coverage on auto insurance. s to hold spending in 1972- conservative than those finally adopted by Legislature. However, they serve as take-off points for the House Appropriations Committee and Senate Finance Committee deliberations.

AUTO INSURANCE DELAY-Texas motorists got a hint of good news: they may escape a raise in auto insurance premiums altogether this year.

Charles D. Mathews, a member of the State Board of Insurance, raised hopes of that in testimony save manpower, time and money. before the interim Senate committee studying rates.

surance Board will come up with a rate formula that includes com- Also the name of the agency pany income from investments, a longstanding point of debate.

"I think the companies may be sorely disappointed in the board," said Mathews. "We may not get | January. around to an auto rate adjustment in 1970. There are just so many

Company spokesmen earlier indicated they were hoping for a \$350 million in new taxes 15 to 20 per cent rate hike this million a year.

year. A delay in Insurance Board hearing dates made postponement of any increase until after November 1 virtually inevitable. A 9.9 per cent hike was granted last

Critics of a further increase told the Senate committee that rates went up twice as high -as the general cost of living in the last decade. Some recommended

WELFARE OVERHAUL PRO-POSED - Senate Welfare Reform Committee has recommended a sweeping overhaul of the system, including placing responsibility for Public Welfare Department administration in the hands of the governor.

At the same time, committee endorsed a proposal that Welfare Department electronic data processing equipment be totally updated under a private contract to

Study panel proposed abolishing the Texas State Board of an advisory panel to the governor. would be changed to Department of Human Resources under committee recommendations to be submitted to the Legislature next

Computer experts estimated new electronic data processing equipment could save the state an addition of 2,600 people in the Welfare Department at a cost of \$8.5

In the second day of hearings, ommittee was told that administrative costs alone of the Medicaid program were \$11.6 million in Texas during less than three years. Committee recommended an "experienced executive having an insurance background" be employed to coordinate Medicaid functions now scattered among several branches of the welfare agency.

SPECIAL OIL MEETING OR-DERED - World oil crisis and Hurricane Celia prompted a special meeting of the Railroad Commission this week (Aug. 10) to

re-assess August oil allowable. Commission earlier had set the market demand factor at 62.9 per cent for August, which would produce about 3,220,518 barrels of

Since that action, Commission Chairman Ben Ramsey said, some companies have indicated a desire to buy additional Texas crude. On the other hand, said Ramsey, Hurricane Celia complicated movements of crude from South Texas and some West Texas fields to

Commission invited crude purchasers and transportation executives to its Monday (Aug. 10) With the Bible tives to its Monday (Aug. 10) meeting "to assess effects of Hurricane Celia on the movement of crude, as well as the logistical problems of moving crude from other Texas areas to Gulf Coast and to markets elsewhere."

Closing of Tapline, a major oil

beaten and hard . . . but there is a friend's smile in his eyes. His shoulders, that have smashed and crumpled hundreds of men over the years, are still wide and firm. His back is straight, his figure

Although well into his 50s, Dick Todd of Crowell is still very much a man. So much so he redden'd of a man took her tiny hand in his my eyes 'til the blinks barely kept of a man took her tiny hand in his calloused paw . . . it would be to calloused paw . . . it would be back the tears Thursday as I saw like me holding a pecan in the him pick up Laura Kwiotowski, the palm of my hand. Suddenly, in so 4 1/2 -year-old girl who is serving natural a way, Laura snuggled as poster girl for this year's Crippled Children's Livestock Auction in Wichita Falls.

Todd, who in 1934 set an alltime schoolboy record when he scored 318 points for Crowell What makes a man truly a man? High School and later starred for 1968. He has coached at A&M. Midwestern University and for both the Redskins and the New

raising wheat on his place in Foard County. He is also Foard County chairman for the Crippled Children's Livestock Auction scheduled in Wichita Falls Aug. 26.

Last Thursday he was on Carter McGregor's Archer County ranch looking at horses when Laura was brought out to the ranch by Mrs. Bettye Wages, executive director of the North Texas Rehabilitation Center, to pose for photographs with Carter, who is general chairman of the auction. Laura is the daughter of S-Sgt. Joseph J. Kwiotowski of Wichita is receiving therapy assistance men today are watching their Falls. She has cerebral palsy and through the rehabilitation center. The tiny girl is beautiful. Her smile is the kind that brings a smile to your own face. You just

have to smile back. She wears heavy metal braces on both her legs . . . from shoe to waist . . . merely to stand erect. The picture to be made was of McGregor on horseback holding the youngster. While McGregor was getting mounted, Dick Todd picked up Laura and held her in nis arms. She smiled at him and

GRIFFITH Insurance Agency

OLD LINE LEGAL RESERVE COMPANIES

USE THE EXTRA ADVANTAGES

NEW KIRSCHMANN DRILLS

(HOE TYPE-SHOE OPENERS INSTEAD OF DISCS.)

- 1. Heavy straw or trash is no problem-wet or dry. 3-way stagger of gangs -gives same clearance as hi-clearance chisel plow. Discs often fail to turn and "push up" and are expensive to repair.
- 2. Narrow shoes will sow deeper, if necessary, to reach available moisture. Gets stand under doubtful conditions.
- 3. FLEXIBLE—to follow contour of any ground-from extreme terraces to justridged land. Oval type country roads are no problem.
- 4. Rubber tire press wheels (carrying half of the drill) are a standard part of it. They cost a lot if bought as extra on disc drills.
- 5. No End Wheels-sow next to fence. Our 16-ft. (2-8's) is no wider overall, than a 13-ft.
- 6. Put together your choice of flexible units. 2 of 7 ft. drills make a 14-ft. unit, or 2 of 8-ft. makes 16-ft. drill, 3 of 7-ft. makes a 21-ft. flexible unit. Get 2 drills now, and add a 3rd or 4th later.
- 7. You'll see many other uses, when you study these drills closely.

America Was **Born Poor**

"'People forget that America was born poor,' is the caption on an advertisement . . . in . . . Editor & Publisher, the trade weekly of the newspaper business. Contrary to those who claim that all Americans had to do was scoop their wealth off the land so rich in natural resources, and unlike those of other countries who lived in lands of great natural wealth. which remained almost untouched until recent years, the colonists, mmigrants and their descendants toiled long and laboriously, coupling their toil with imagination ingenuity and mental might to make productive use of their environment." — Odessa, Texas, merican.
