Weekly Schedule February 15-19

Monday: FFA Father-Daughter night.
 Tuesday: home ec girls to Vernon.
 Wednesday: Southern Assembly, 9.
 Thursday: Student Council elections.
 Friday: talent show, 7:31 p. m.

Senior Scene

Student Council officer elections have come around again. Although seniors have just about

completed their stay at CHS, there are many class members managing campaigns and working for various candidates.

Friday night two seniors, Jimmy Glover and Kenneth Sellers, played their last game against Petrolia. Also, Toni Baggett and Jacque Gillispie ended their basketball days two weeks ago against Munday. You've done a great job for CHS!

Several seniors are scheduled to take the ACT and SAT tests and many have sent off college applications and are receiving admission acceptance. Commencement isn't far off.

Track season is beginning in full force now. Don't be alarmed if you see grey-suited track boys running to or from school—it's part of their shape-up for spring training.

Junior Jabber

Believe it or not, we have finished another six weeks, and only have 12 more weeks to go. It appears that the last 12 weeks are going to be full of activities.

This week everyone has been busy with elections. It is quite a job to get everything in line. Juniors that are running for president are Trey Autry, Terry Farrar, Ronny Naylor and David Stapp.

Terry Farrar entered one of his steers in the fat stock shows in Fort Worth and Wichita Falls. He received eighth place. Con-

gratulations, Terry!

Sophomore Scoop

Sophomores are more than thankful that six weeks tests are all over. They were bombarded from all sides with tests in everything from English and biology to algebra and geometry. Most sophs could be heard muttering dazedly to themselves, "X squared plus Z cubed over King Arthur and Gwynevere is equal to the significance of three layers of cells found in flatworms," or something to that effect all week long.

Students in fourth period biology were given a demonstration of a new way to hold hands. Several were "shocked" to discover that they just couldn't force themselves to drop an old friend's hand—while acting as a conductor for from four to eight volts of electricity. Mr. Welch seemed to enjoy watching everyone's face light up as they experienced this new, spine-tingling sensation.

Congratulations to the junior varsity basketball team on a great season. Sophomores on the team were Rex Driver and Rocky Bachman (who both also played with the varsity), Jackie Houck, John Urquizo, Jackie Blackburn and Grover Reed. Congratulations also to the varsity on their second place zone title.

BLINDNESS NO HANDICAP TO JIM CAYLOR

When he left Little Rock, Ark., last month to take a new job in Austin, Jim Caylor and his wife took along a vehicle on which he had built a camper.

He left behind a home with a swimming pool he had designed and built himself.

When he arrived in Austin, he already had drawn plans for a large home on which he will do a great deal of the finishing work himself. It will be largely furnish-

ed with items he has made.

One of his hobbies is target shooting. Others are, obviously, woodworking and architectural design.

None of the statements above would be remarkable except for the fact that Jim is blind; has been since 1960, when he drove his car into a fence across a dead end north of Hobbs, N. M.

Caylor is the son of Dr. and Mrs. James B. Caylor of Hobbs and his mother was the former Miss Edith Marie Cover, daughter of Mr. and Mrs. M. L. Cover of El Paso and former residents of Foard County.

In the decade since his accident, Caylor has overcome the initial depression into which his blindness plunged him and has successfully climbed the ladder of professional and personal success. Jim credits his parents with giving him the impetus to forget his infirmity and concentrate on what he could do to overcome it. "My parents were intelligent enough that, after I had recovered from my injuries, they started almost pushing me out of the house, making me do things; and I found out that doing things was not as hard as I had thought it would be."

The young man went to Arkansas Enterprises for the Blind in Little Rock to undergo its rehabilitative program. That enabled him to return to college. He received his undergraduate degree in six years by means of braille and tape recorders. Then he enrolled at Texas Tech in Lubbock where he earned the master's degree in psychology and a specialist's degree in rehabilitative counseling in three years.

He had arranged with the Arkansas Rehabilitation Center for the Blind while he was in graduate school to serve his internship there. Roy Kumpke, the director, was so pleased with Jim's work that he asked him to stay on as a member of the staff.

Now, in Austin, he is director of psychological services for the Texas Commission for the Blind, and will begin the overall program for a new rehabilitation center to be opened in September 1971. His job in Austin will involve psychological research and staff development, and will be considerably more advanced than the work he has been doing in Little Rock.

In his spare time, he will sheet-rock and finish the workshop garage, two upstairs bedrooms, and a utility room in his new house; and will do other finishing work in the home.

The philosophy which has permitted Jim to accomplish projects which, on casual consideration, seem impossible for a blind man has been that he can do just about anything he wants to do if he believes he can do it.

"I've found that if I sit down and give a lot of careful thought to something I want to do, I can figure out some way to get it done. I haven't had anywhere near the problems I thought I'd have when I lost my sight," he says.

People are usually amazed at what a blind person can do. Jim has found, "I think the public believes that the blind person can't do much. But I also think that blind persons think they can't do much, and the hardest task we encounter is deciding to do something; it's not the doing, but making up our minds to do it."

Last summer, Jim and his wife went camping and decided that a tent was too inconvenient. But when they started shopping around for a camper, they found price tags of between \$3,000 and \$4,000 which they felt was beyond their budget.

So Jim decided to build one. In high school, while he could still see, Jim had done little woodwork, but he had taken courses in architectural design and drafting. At the rehabilitative center, he had learned about braille yardsticks, braille tape measures, braille slide rules, and marking tools with braille. He already had made numerous pieces of furniture, some of which are in his parents' home.

None of the tools Jim works with has been altered in any way for safety's sake. In fact, the blade activities are reminded that old properties or clothes or furniture are always needed.

Southern Assembly

Crowell students were entertained by Al Lampkin, a magician, in a Southern Assembly Wednesday, Feb. 17. Mr. Lampkin, one of America's funniest young magicians, presented his bag of tricks giving students the best entertainment available. A professional magician for years, Al has made thousands of appearances on television, stage, schools, as well as a featured performer at the world famous Hollywood Magic Castle.

Drama Club News

The Drama Club held a called meeting in the library on Monday, Feb. 8. The talent show, scheduled for Feb. 19 was discussed. Make plans to attend. Talent from all 12 grades is to be presented.

The club would like to thank Shayne Mechell for donating some costumes to the drama department. Supporters of drama club

More Cotton Is Needed

A supply shortage could endanger the best outlook for expanding cotton markets in a decade was emphasized by speakers at a recent meeting of the National Cotton Council in Dallas. Fred C. Elliott, extension cotton specialist, advises Texas cotton producers to take a realistic look of the current situation and take advantage of the opportunities offered.

Social Security News

Are you approaching retirement and worried about proof of age? A birth or baptismal certificate recorded prior to age 5 is sufficient. When there is no birth or baptismal certificate established before age 5, at least 2 documents will be needed to establish your date of birth. If you need assistance in obtaining these documents, please get in touch with your social security office.

Man's Seven Mistakes

Man's imperfections lead him
to make many mistakes in life,
and the pointing out of these frail-
ties has engaged the attention of
philosophers and reformers in all
ages. One such writer enumerates
the seven greatest mistakes of
man:
1. The delusion that individual
advancement is made by crushing
others down.
2. The tendency to worry about
things that cannot be changed or
corrected.
3. Insisting that a thing is im-
possible because we ourselves can-
not accomplish it.
4. Refusing to set aside trivial
preferences in order that import-
ant things may be accomplished.
5. Neglecting development and
refinement of the mind by not
acquiring the habit of reading.
6. Attempting to compel other
persons to believe and live as we
do.
7. The failure to establish the
habit of saving money.
"An eye to the future, an ear
to the ground" gives you a far-
away look and a dirty ear.

**Parathion and
Di-Syston Poisonous
to Man and Insects**

R. H. McCoy of Corvallis, Ore-
gon, and a former resident of
Crowell, has written the News a
letter concerning Di-Syston and
Parathion, two chemicals used in
controlling greenbugs on wheat.
The first point made by Mr.
McCoy in his letter is that the
word is parathion instead of "par-
athion" which was used in a re-
cent ad in this paper.
The second point made is that
both chemicals are poisons, lethal
to both insects and man. He uses
a number of figures to illustrate
the lethal doses.
He stressed that people should
stay away from sprayed areas for
a few days (2-3 weeks, if pos-
sible.)

Soil Sample Time

Soil samples should be taken
now to complete plans for reno-
vating pastures in the weeks and
months ahead, remind soil chem-
ists of the extension service.

**Screwworm Situation
At a Glance**

The last confirmed case of
screwworms in the Southwestern
U. S. was in LaSalle County, Tex-
as, in mid-November but some ac-
tivity has been noted south of
the Rio Grande. While the weath-
er over the past several weeks has
not been conducive to their
spread, eradication program of-
ficials advise livestock producers
to continue the checking of all
animals and to treat any wounds
found. Larvae samples should also
be taken from wounds and sub-
mitted to the Mission laboratory
for positive identification.

one (1) appointee to serve a
term of four (4) years, and
one (1) appointee to serve a
term of six (6) years. Interim
vacancies shall be filled in the
same manner as vacancies due
to expiration of a full term,
but only for the unexpired
portion of the term in ques-
tion. The membership shall
designate one of its members
to serve as chairman for a
period of two (2) years.
(3) The members of the
commission shall be reim-
bursed for actual and neces-
sary expenses incurred in the
performance of their duties.
(4) The commission shall
recommend the compensation,
per diem, and mileage allow-
ance of members of the Legis-
lature, and may recommend
the salary of the Speaker of
the House of Representatives
and the Lieutenant Governor
at an amount higher than that
of other members notwith-
standing any provisions to the
contrary of Article IV, Section
17, of the Texas Constitution.
(5) The commission shall
promulgate rules of ethics to
govern the conduct of all
legislators, legislative officers
and all officeholders, appoint-
ive or elective, of any office,
department, district agency,
commission, board or any gov-
ernmental unit or branch
established by or under the
authority of the constitution
and laws of the State of Texas
and all persons who shall use
any privilege of the floor in
either House of the Legisla-
ture. The Texas State Ethics
Commission shall further pro-
mulate rules providing that
each member of the Legisla-
ture and each of the herein-
above named officeholders
upon election and any ap-
pointee to any of these offices
shall file with the State Ethics
Commission a statement under
oath setting out a complete
financial statement in detail
within 10 days after being
elected or receiving an ap-
pointment. This information
shall be privileged information
to the State Ethics Commis-
sion to be used only by them
to determine if there exists a
conflict of interests or if there
is or has been a violation of
any of the rules of ethics pro-
mulated by the Texas State
Ethics Commission or any
laws of the State of Texas.
The Legislature shall enact
statutes dealing with un-
authorized disclosure or mis-
use of said privileged informa-
tion.
(6) The commission may
hold its meetings, hearings
and other proceedings at such
times and places as it shall
determine but shall meet in
Austin at least once each year
to review existing rules of
ethics, legislative compensa-
tion rates, mileage allowances
and per diem rates, and to
make any changes deemed
necessary.
(7) All rules of ethics,
compensation rates, mileage
allowances or per diem rates
currently in force, as well as
all changes and recommenda-
tions by the State Ethics Com-
mission shall be promulgated
before the convening of any
session of the Legislature by
filing a certified copy of the
proclamation with the Secre-
tary of State.
(a) Each rule of ethics or
change thereof made by the
commission shall take effect
on the 15th day of the legis-
lative session following the
proclamation unless disap-

proved before that day by
resolution of either House of
the Legislature.
(b) All rates of compensa-
tion, mileage allowances or
per diem rates and all changes
and recommendations made
by the commission thereof
shall not take effect until ap-
proved section by section by
resolution of both Houses of
the Legislature.
"All votes on these resolu-
tions or parts thereof shall
show the individual votes in
the respective journals of both
Houses."
(8) The commission shall
investigate any alleged viola-
tion of any rule of ethics pro-
mulated by it and report its
findings to the appropriate
State agency, official, legisla-
tive body, grand jury or dis-
trict attorney.
(9) Until otherwise pro-
vided by the commission, each
member of the Legislature
shall receive from the public
treasury an annual salary of
Four Thousand, Eight Hun-
dred Dollars (\$4,800) per year
and per diem not exceeding
Twelve Dollars (\$12) per day
for the first 120 days only of
each Regular Session and for
30 days of each Special Ses-
sion of the Legislature. No Regular
Session shall be of longer
duration than 140 days. In
addition to the per diem, the
members of each House shall
be entitled to mileage in going
to and returning from the seat
of government, which mileage
shall not exceed Two Dollars
and fifty cents (\$2.50) for
every twenty-five (25) miles,
the distance to be computed by
the nearest and most direct
route of travel, from a table
of distances prepared by the
Comptroller to each county
seat now or hereafter estab-
lished; no member to be en-
titled to mileage for any extra
session that may be called
within one day after adjourn-
ment of the Regular or Called
session.
(10) The commission is
further authorized to recom-
mend to each Legislature
changes which will update, im-
prove, and effect economy in
the legislative process."
Sec. 2. The foregoing consti-
tutional amendment shall be
submitted to a vote of the
qualified electors of this State
at an election to be held on
the 18th day of May 1971, at
which election the ballots shall
be printed to provide for
voting for or against the
proposition: "The constitu-
tional amendment to create a
State Ethics Commission em-
powered to set rules of ethics
for members of the Legisla-
ture, State officers and legisla-
tive officers, to investigate
violations thereof, and to
recommend compensation for
members of the Legislature
and the Lieutenant Governor
and recommend improvements
and economy in the legislative
process."

CROWNED QUEEN—Miss Patsy Hays, Crowell native, receives the crown of the 1971 homecoming queen of Westark Junior College from Dr. Ben Whitfield, acting president of the college, in pre-game ceremonies Saturday night in the Westark Fieldhouse. Miss Hays, daughter of Mr. and Mrs. H. G. Hays of Fort Smith, Ark., and formerly of Crowell, was escorted by David Beckham.

CROWELL NATIVE IS CROWNED HOMECOMING QUEEN IN ARKANSAS

Austin, Tex.—Legislators have cleared major emergency finance hurdles and are moving to other fronts to hold down the size of the tax bill.

A \$34.9 million appropriation bill to avert a reduction in aid to needy families with dependent children passed both houses and went to Comptroller Robert S. Calvert for certification.

Before he would accept the bill, Calvert advised passage of another which would re-align priorities in the state's massive omnibus tax clearance fund. In effect, this would permit turning over to welfare some \$35 million that normally would go to the teacher retirement fund between April and August.

Teachers association and retirement fund leaders had no formal objection to the latter, although it would cost the retirement fund an estimated \$100,000 to \$600,

000 in short-term interest. However, the fund will be repaid in full when the ultimate new tax bill goes into effect on September 1.

While these measures were moving methodically through the House and Senate, the House passed a bill to establish a \$185 million bond plan to finance construction on eight new college campuses. Bonds would be repaid from tuition, and would cost taxpayers little. Final approval of the plan in the Senate would relieve the tax bill of a heavy load in order to build new institutions already authorized by the 1969 Legislature.

Still another potentially important money bill won quick Senate approval. It would require all cities and counties, population 10,000 and above, to report to the state all welfare spending for the medically needy. If federal officials will agree, Lt. Gov. Ben Barnes proposes subsequent legislation to require all these local funds be routed through the state treasury, where hopefully they would attract an extra \$100 million in two-to-one matching federal aid.

Band Boosters Meet; Plan Pancake Supper for Friday, March 5

Final plans were made for the pancake supper to be held March 5 in the school cafeteria at a meeting of the Band Booster Club Monday night, February 15, in the band hall.

The pancake supper is sponsored by the band boosters and will be held during the local school's observance of Public Schools Week in Texas which is from March 1 through 5.

James Streit, director of the Crowell School bands, announced that the University Interscholastic League solo contests will be held in Wichita Falls March 6, and he said that several local students are planning to attend.

Visiting in the home of Mr. and Mrs. Allen Taylor over the week end were Mr. and Mrs. Riekey Eavenson of Irving, Mr. and Mrs. Jim Heath and family of Irving, Mr. and Mrs. Glen Taylor and family, Mrs. Inos Taylor, Mr. and Mrs. Jimmy Bohanan, all of Wellington; Mr. and Mrs. Neal Roberts of Weatherford, Okla., Mrs. Glenna Poteet and Dwayna of Wellington; Mrs. Freeman Hopkins and Mrs. Faye Ditmore and son of Vernon.

Miss Patsy Hays, daughter of Mr. and Mrs. H. G. Hays of Fort Smith, Ark., was crowned Westark Junior College 1971 homecoming queen Saturday night of last week in the Westark Fieldhouse. Dr. Ben Whitfield, acting president of the college, made the coronation.

Miss Hays was elected by WJC student body in a secret ballot Friday. An elementary education major, she was escorted by David Beckham.

Miss Hays' father was reared in Crowell and is a graduate of Crowell High School. Patsy was born here in Crowell in 1950 when her parents lived here.

Mr. Hays has been a district manager for the Delco Division of General Motors Corporation for the past fifteen years. They were in Tyler for ten years and are back in Fort Smith for the second time.

Mr. and Mrs. Hays have three other children in addition to Patsy: Hank, 21, a junior at Stephen F. Austin College in Nacogdoches, Texas; Jo Helen, 17, and Becky Lynn 16, both students in Northside High School in Fort Smith.

Mr. and Mrs. E. W. Kidd Sr. of Wichita Falls visited relatives at Thalia last week.

Mr. and Mrs. Danny McRae and Dana of Lockett visited Friday night with Mr. and Mrs. Marion Gentry and Mr. and Mrs. Foy McRae.

Mrs. Cliffie Buckner of Okmulgee, Okla., visited in the homes of Mr. and Mrs. Billy Hammonds, Mrs. L. D. Fox and Mr. and Mrs. Cecil Carpenter this week. Mrs. Buckner is the sister of the late Mrs. L. D. Fox, Sr., and has visited many times in Foard County.

Tommie McRae of Mesquite visited over the week end with his parents, Mr. and Mrs. Foy McRae, and Mr. and Mrs. Marion Gentry and Dirk.

Mr. and Mrs. Tommie Carpenter, Mr. and Mrs. Cecil Carpenter and Mr. and Mrs. Randy Adkins visited the David Carpenters, Gary Carpenter of Dallas and Sharon and David Russell of Frankfort, Ky., in the David Carpenter home in Wichita Falls Sunday. The Tommie Carpenters also visited Mr. and Mrs. R. N. Hodge of Iowa Park.

Ross Mitchell of Plainview visited his cousin, Mrs. Marion Gentry, Saturday morning. He came back through Sunday and visited his uncle, Foy McRae, Mrs. McRae and Tommie.

Raymond Broadus of Vernon, cousin of Mrs. Foy McRae of Crowell, is reported to be in a critical condition in the Vernon hospital after suffering a series of heart attacks.

MEETING SLATED ON WHEAT REFERENDUM

A meeting will be held at Seymour on February 24 to explain a wheat referendum for producers in Baylor, Childress, Foard, Hardeman, Haskell, Knox, Wichita, Wilbarger and Young counties. The meeting is slated to begin at 2 p. m. in the community room of the Farmers National Bank.

Purpose of the referendum is to raise funds with which to conduct programs of education, research, disease and insect control and marketing relating to wheat, explained County Agent Joe Burkett. Meetings concerning the referendum are required prior to a certification by the state commissioner of agriculture for the Texas Wheat Producers Association to conduct such a referendum.

The program for the upcoming meeting is designed to explain the provisions of the referendum and to give a brief report on the

overall wheat industry.

Norman Brints of Vernon, area farm management special with the Extension Service, will be principal speaker. Representatives of the Texas Wheat Producers Association will also be on hand to answer questions concerning the referendum.

Burkett urges all wheat producers in Foard County to attend the meeting so that they will be able to make a knowledgeable choice when election time for the referendum rolls around. A two-thirds majority vote will be required.

Mr. and Mrs. Marion Gentry and Dirk spent Sunday visiting in Lockett with Mr. and Mrs. Danny McRae and Dana.

To the Taxpayers of Foard County and Crowell Consolidated Independent School District:
Each person owning personal and/or real property within the County or Crowell Cons. Ind. School District, is respectfully requested by Dan Callaway and J. H. Gillespie to come by the respective offices at his earliest convenience and render such property for the purpose of taxation.
The law, in effect, provides that all property shall be listed or rendered by the owner thereof, if he is of full age and of sound mind, but when it becomes necessary for the respective tax assessors, their deputies or others who have to be hired for such purpose to seek out each property owner to secure the individual renditions, the expense involved is greatly increased, and this additional expense is borne by the taxpayers.
Your cooperation will be appreciated, and it will save you money. Try it.

Ketchersid and Clarence Garrett were elected from their respective clubs to be delegates to the spring THDA meeting to be held March 26 in Rotan. Delegate cards were filled out and given to the delegates. Mrs. Garrett gave a report of the THDA training meeting held in Girard January 29. She stated that Foard County volunteered to present the 4-H recommendations at the meeting in March. Reporting sheets for the clubs were also passed out.

West Side H. D. Club

"Do you know where your important papers are?" was one of the questions brought out by Mrs. J. W. Fielder when she gave the program on business centers to the West Side Home Demonstration Club on February 9 in the home of Mrs. George Riethmayer. Mrs. Fielder said, "A home should have two centers, one for valuable papers and one in the kitchen. It should be well lighted, comfortable temperature, large writing space and away from traffic."

The THDA creed was read in unison and the opening exercise by Mrs. Riethmayer was a poem, "The Human Touch." Ten minutes of fun was the quiz, the mysterious penny led by Mrs. Homer Ketchersid. Roll call was answered by "my most prized possession." Mrs. Ketchersid was elected as delegate from the West Side club to go to the THDA district meeting at Rotan March 26. Refreshments were served to 6 members. The next meeting will be a county-wide one Feb. 23 at the Vernon auditorium from 2 to 4 p. m.

Truscott H. D. Club

The Truscott Home Demonstration Club met on Thursday, Feb. 11 with Mrs. Roy C. Daniel presiding. Mrs. W. O. Corder brought the devotional from the 121 Psalm

and also gave the council reports. She announced the district meeting that will be March 26 in Rotan. Mrs. E. J. Jones reported the Rotary luncheon date has been set for Feb. 24, and plans were made for serving the luncheon. Mrs. Daniel reported some basketball equipment is needed for the playground.

Foard County Women Invited to Area Clothing Workshops

Two area clothing workshops are planned for this month, according to Miss Helen Fincher, County Home Demonstration Agent. The first will be on February 23 in Vernon and the second will be in Childress on February 24. The workshop in Vernon will be held in the Wilbarger auditorium from 2 p. m. to 4 p. m. The meeting in Childress will be held from 10 a. m. to 12 noon in the assembly room in the court house.

These two meetings will deal with clothing construction techniques on polyester fabrics, and will supplement a county-wide workshop that will be held in April. Anyone wishing to attend either of these meetings is encouraged to do so. More information on the workshops can be obtained from Miss Fincher.

Winner of Five-Day Trip

DRABEKS HOME FROM TRIP TO VENEZUELA

Most people travel by cable car for short distances only, but Mr. and Mrs. Charles J. Drabek of Crowell and others in their 135-member party found it was the conventional method of travel from the coast of Venezuela to the 7,000-foot coastal mountains, then down to the capital city of Caracas, at an altitude of 3,000 feet.

The Drabeks were guests of Taylor-Evans and Pfizer Co. on a 5-day, mid-winter trip to Venezuela for the companies' dealers and their wives.

The Drabeks left on January 28, and flew from Amarillo to

Houston, and then non-stop to Venezuela which took only about 7 hours flying time.

"The people go out of their way to be friendly," the Drabeks said. They are nice looking, and most are of mixed Spanish and German descent.

Their first days were filled with trips along the coast and into the mountains, one to an area which remains Germanic to this day, although their forebears came to the area around 130 years ago. The houses are of Bavarian style, the people are blonde, and many of the ways of their ancestors are kept.

Venezuela itself is about 570 years old, and Columbus paid a visit on his third voyage to the New World.

Mr. and Mrs. Drabek returned home on February 2.

Vernon and Olga Lozano visited their parents, Mr. and Mrs. Augustine Lozano, and family Friday.

Mr. and Mrs. Arthur Bell visited Mrs. Sam Pruitt in Quanah Monday.

Raymond A. Bell of Vernon visited his parents, Mr. and Mrs. Arthur Bell, Saturday.

Lynn Pruitt of Shattuck, Okla., spent the week end with his parents, Mr. and Mrs. George Pruitt.

Augustine Lozano Jr. of Vernon visited the Augustine Lozanos Sr. and Mrs. Julia Torres and family Thursday.

Visiting Mr. and Mrs. R. L. Hudgens over the week end were Mr. and Mrs. Lendon Keese, Mrs. W. R. Hudgens, Mr. and Mrs. Doug Hudgens and daughter, Mr. and Mrs. David Harrison and daughter, Mrs. Lois Landsdown and daughters of Ralls, Mr. and Mrs. Jack Hudgens of Odessa, Mr. and Mrs. Floyd Hudgens of Tahoka, Mr. and Mrs. Jimmy Hudgens of Vernon, Mr. and Mrs. M. T. Gilbert and family of Paducah, Mr. and Mrs. Bennie Smith and Ray of Crowell and Mr. and Mrs. Archie Holt of Lubbock.

Mr. and Mrs. Jim Bice of Vernon visited Mr. and Mrs. Frankie Halenack Sunday.

Mr. and Mrs. Bill Bond visited their son, V. Bond, in Frederick, Okla., Friday.

Mr. and Mrs. Frankie Halenack and Mrs. W. S. Carter visited at Medicine Mounds Sunday.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER FOUR ON THE BALLOT (SJR. 17)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows:

"Section 49-d-1. (a) The Texas Water Development Board shall upon direction of the Texas Water Quality Board or any successor agency designated by the Legislature issue additional Texas Water Development Bonds up to an additional aggregate principal amount of One Hundred Million Dollars (\$100,000,000) to provide grants, loans or any combination of grants and loans for water quality enhancement purposes as established by the Legislature. The Texas Water Quality Board or any successor agency designated by the Legislature may make such grants and loans to political subdivisions or bodies politic and corporate of the State of Texas, including municipal corporations, river authorities, conservation and reclamation districts, and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52 of this Constitution, State agencies, and interstate agencies and compact commissions to which the State of Texas is a party, and upon such terms and conditions as the Legislature may authorize by general law. The bonds shall be issued for such terms, in such denominations, form and installments, and upon such conditions as the Legislature may authorize.

"(b) The proceeds from the sale of such bonds shall be deposited in the Texas Water Development Fund to be invested and administered as prescribed by law.

"(c) The bonds authorized in this Section 49-d-1 and all bonds authorized by Sections 49-c and 49-d of Article III shall bear interest at not more than 6% per annum and mature as the Texas Water Development Board shall prescribe, subject to the limitations as may be imposed by the Legislature.

"(d) The Texas Water Development Fund shall be used for the purposes heretofore permitted by, and subject to the limitations in Sections 49-c, 49-d and 49-d-1; provided, however, that the financial assistance may be made pursuant to the provisions of Sections 49-c, 49-d and 49-d-1 subject only to the availability

of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982.

"(e) Texas Water Development Bonds are secured by the general credit of the State and shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on Tuesday, May 18, 1971, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to authorize the issuance of One Hundred Million Dollars (\$100,000,000) bonds to provide financial assistance to cities and other public agencies for water quality enhancement purposes, providing for the improvement and continuance of the water resources program, and establishing an interest ceiling on Water Development Bonds at 6% per annum."

NUMBER THREE ON THE BALLOT (SJR. 5)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 51-a, of the Texas Constitution, be amended to read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance grants to and/or medical care for, and for rehabilitation and any other services to or on behalf of:

"(1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years;

"(2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons;

"(4) Needy dependent children and the caretakers of such children.

"The Legislature may prescribe such other eligibility requirements for participation

in these programs as it deems appropriate.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars (\$55,000,000) during any fiscal year.

"Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the power of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this State."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the limitation on the total State appropriations for assistance grants for the needy aged, the needy disabled, and the needy blind, and setting a limitation on total State appropriations during any fiscal year for assistance grants for needy dependent children and the caretakers of such children."

WHEAT PRODUCERS GRANTED HEARING

Texas wheat producers have been granted a hearing before Texas Department of Agriculture Commissioner John C. White at 10:30 a. m., March 5, on a petition seeking certification to hold a referendum under Texas' "Commodity Check-Off" law.

Easter Seal Appeal for Funds to Start Here on March 1

The 1971 Easter Seal Appeal will open in Foard County on Monday, March 1, according to Robert Kincaid, who serves as the Easter Seal representative for the county. Mr. Kincaid said that the Easter Seal appeal letters would begin arriving at homes in the County about March 1.

As Easter Seal representative, he is the local person to contact to request rehabilitation services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to help solve the many problems faced by the families of handicapped children and adults.

Last year over 21,000 handicapped people received help from the Texas Easter Seal Society. With the costs of providing expert professional care rising, more money than ever will be needed. Funds help support 20 centers in Texas, where crippled children and adults are treated, regardless of their ability to pay. Walkers, wheelchairs, and related services are provided to those who cannot provide for themselves.

"The people of Texas have always responded generously to helping the handicapped, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Mr. Kincaid said.

School of Instruction Announced for Eastern Star Members

Arrangements and plans for the school of instruction to be held in Wichita Falls on March 15 were announced at a meeting of Crowell Chapter No. 916, Order of the Eastern Star, on February 9. Several local members will participate.

Hostesses for the social hour were Mmes. Roy Cooper and Jack Welch.

Plains, South Plains and Rolling Plains, where about 75 per cent of Texas wheat is produced. If a majority of the voters in the referendum approve, funds may be collected to promote wheat and to conduct research and to control insects and disease; and the petition also proposes a nine-man commodity producers board to administer the program with the funds, Commissioner White explained.

The 3 R's

"We used to have the 3 R's that meant Readin', 'Ritin' and 'Rithmetic. Today, the 3 R's stand for Riot, Restlessness and Rebellion. And if this continues, we will have Ruin, Rot and Regret. What we need is Respect, Religion and Responsibility." — Tempe, Ariz., News.

Two Minutes With the Bible

Sin No Joke
The present trend in American moral conduct is downward. Increasing thousands all about us are throwing restraint to the winds "to enjoy the pleasures of sin."

Most of all, we have disregarded the Word of God. No longer does the Bible hold the first place in our homes. It rather lies gathering dust while our moral and spiritual strength is dissipated by pursuing pleasures that fail to bring true happiness or satisfaction. Yes, we have "a form of godliness" but our conduct "denies the power thereof."

To look at the brighter side, we may all rejoice in another indication that sin is no joke to God. St. Paul points it out in I Cor. 15:3, where he says: "Christ died for our sins." Christ knew the horrible results of sin and the dreadful penalty which justice must visit upon it. Yes, and He also knew that "all have sinned and come short of the glory of God" (Rom. 3:23) and in infinite love He left the glories of heaven and stooped to bear the disgrace and penalty for sin Himself!

227,500,000 Meals to Be Served in School Cafeterias in 1970-71

Texas children in 1970-71 will fill their school cafeteria plates 227,500,000 times from September to June as the lines get longer and federal food allotments grow larger than ever before.

This year, the federal funds appropriated for expansion and operation of food service programs in Texas public schools will total \$42,596,094—an increase of about 123 per cent over last year's \$24,283,859 tally.

The sudden bulge in figures of the mathematical variety is caused by more than an increase in appetites, however. Most of the increased funds will provide free or reduced cost lunches to the greater number of children who became eligible under new federal regulations on Sept. 4, 1970.

During the 1969-70 school year, Texas public schools provided 173,227,002 lunches, including 24,853,421 served to children free or at a reduced rate. This year the lunch total will round out at more than 220,000,000. More than 59,000,000 will be served free or at reduced cost to the child.

Children participating in the free lunch program are selected under national guidelines based on family income and number of children in school. The breakfast program is governed by local regulations.

Notice of Election

THE STATE OF TEXAS, COUNTY OF FOARD, CITY OF CROWELL. NOTICE IS HEREBY GIVEN that an election will be held at the City Hall in the City of Crowell, Foard County, Texas, on the 3rd day of April A. D., 1971, the same being the First Saturday in said month, for the purpose of electing a Mayor and three (3) Aldermen for said City.

Witness my hand and seal of the City of Crowell, Texas, this 19th day of January, A. D. 1971.

ROBERT KINCAID, Mayor of the City of Crowell, Texas.

Four Accidents Reported in County During January

The Texas Highway Patrol investigated four accidents on rural highways in Foard County during the month of January, according to Sgt. Jack Therwanger, Highway Patrol supervisor of this area. These crashes resulted in one person injured.

The rural traffic accident summary for the 60 counties of the Lubbock DPS Region for January, 1971, shows a total of 467 accidents resulting in 17 persons killed and 235 persons injured as compared to January, 1970, with 460 accidents resulting in 15 persons killed and 188 persons injured.

One in Five Adult Men Have Quit Smoking Cigarettes

One in five adult men have "kicked the habit" of cigarette smoking, and half the smoking doctors have quit, according to a new book, "Operation Can-Quit," by Lindsay R. Curtis, M. D., published by Texas Alcohol Narcotics Education (TANE).

In spite of gains made by adults quitting, 4,500 youngsters start smoking every day, and approximately a million school age children alive will die of lung cancer before age 70 if present trends continue, according to Dr. Curtis.

Cigarette smoking has wiped out 46 years of medical progress by neutralizing gains made in life expectancy due to advances in medicine and living standards. Between 1950 and 1964, "non-smoking related" diseases decreased while "smoking related" diseases increased, according to the book, which also said a minute of life is lost for every minute spent smoking.

"Operation Can-Quit" is cartoon-illustrated by Paul Farber. Dr. Curtis has written more than 20 books on drug abuse, most of which have been published by TANE Press. Others have been published by the U. S. government and by pharmaceutical firms.
