SHARLA HAYNIE

JERRY MARTIN

RUTH BROWN

Three 4-H Youths To Enter State Contests in June

Three Foard County 4-H Club members will be on the campus of Texas A&M University June 2, 3 and 4 for the state contests. These three won the right to enter state competition by being district winners at the 4-H contests held at Midwestern University, Saturday, May 1.

Miss Sharla Haynie won first in public speaking at the district contest; Jerry Martin won first in money management; and Miss Ruth Brown won second in home management.

Mrs. Glenn Halsell Hired as First Grade Teacher

Employment of Faculty Completed For Fall Term

The Crowell School Board in a meeting Monday night, employed Mrs. John Glenn Halsell as first grade teacher in the local school for the fall term. Mrs. Halsell has a bachelor of science in elementary education from Texas Christian University. This is her first full-time teaching job.

With the employment of Mrs. Halsell, the local faculty is now complete for the coming year. Previously employed were Mrs. Jon Lee Black as first grade teacher; Harvey Ward as junior high English teacher and Mrs. Joe David Drabek as high school English teacher. Mrs. Mike Rasberry is being moved to the third grade teaching job from junior high English; Mrs. Bill Cates from third to second grade and Mrs. Bob Cook to kindergarten from high school English.

A summer maintenance program was set up at the meeting Monday and it was decided to sell the two barracks buildings formerly used as bus sheds and to clean off the grounds where the two buildings are now located. Repairing and painting of the old gym was ordered as well as repair to the ceiling and lighting facilities of the building.

Supt. Larry Jones said Tuesday that some painting will be done to all the buildings on the campus. He said work will get underway Tuesday on increasing the water pressure to the grade school where during periods of heavy usage, there is not enough water pressure to operate the drinking fountains.

It was voted Monday to complete two water wells on the grounds north of the grade school to water at least a part of the band practice field which will be sodded to bermuda grass.

Finally, at the meeting, the tax rate for the coming year was set: \$1.50 for maintenance and 30c for sinking fund—a total of \$1.80 which is the same as last year.

During the past year, all property in the district has been re-evaluated by a committee appointed by the school board.

Emergency Livestock Feed Provisions Told

Foard County has been approved under the Emergency Livestock Feed Program and haying and grazing of non-irrigated set-aside acres.

This also means the cancellation of a \$10-per-acre reduction which farmers normally would have in their farm program payment for planting any of the eight allowable crops on non-irrigated set-aside acres. The eight crops are guar, sunflower, sesame, castor beans, mustard seed, safflower, crabs and plantago ovate.

This information was made available Tuesday by Bill Cates, chairman of the Foard County ASC Committee.

Scattered Showers Fall Early Sunday

Plenty of thunder and lightning early Sunday morning briefly gave Foard County residents renewed hopes of a good rain, but only a light shower fell in Crowell with the government gauge measuring .08 inch.

Up to a half inch was reported a few miles east of town.

Man Fined \$150 and Costs in County Court on Liquor Charge

A Paducah man was fined \$150 and costs in county court here last week after pleading guilty to a charge of transportation of alcoholic beverages in a dry area.

Sheriff Dan Callaway said the man's car contained 15 cases of beer, 2½ cases of whiskey and 4 cases of wine.

Gilliland School Wins Second Place in 1971 National Penmanship Contest

The Gilliland Public School has been named as winner of second place in the 1971 National Penmanship Contest, it was announced last week by the National Board of Examiners of Kissimmee, Fla., judges for the contest. Winner of the 1971 contest was Lt. Joseph P. Kennedy Junior Me-

morial School in Hyde Park, Massachusetts.

This is the 42nd consecutive year for the penmanship contest to be held on a national scale.

The 1971 National Penmanship Contest is characterized by discernible effort toward neatness and legibility. Of course, more than neatness and legibility are required to achieve noteworthy results in the championship contest.

Certificates have been mailed for all participating students in all schools.

H. L. Ayers, Jr. is principal of the Gilliland School.

Mrs. Leola Dunn teaches the first three grades and the school principal teaches the fourth through sixth grades.

Pupils are Susan Welch, first grade; Melinda Quintero and Becky Welch, second grade; George Ann Scott and Melissa McGrath, third grade; Louis Lee Baty, fourth grade; and Scotty Abbott, sixth grade.

Over 53,274 Acres Wheat Abandoned Due to Drouth

ASCS Estimates Only 10,000 Acres Wheat Left for Harvest

With possibly one of the shortest crops in Foard County history coming up for wheat and other small grains, most estimates of 1971 production estimate that the county will probably produce enough wheat to furnish seed for fall sowing.

Figures obtained from the Foard County ASCS office show that a total of 71,345 acres of Foard County land were seeded to wheat back in the fall.

Due to the extended drouth which has held this area in its grip for so long, the ASCS reports that the county landowners have abandoned a total of 53,274 acres seeded to wheat leaving only 18,071 acres for harvest. However, Mrs. Jean Reeder, executive director of the Foard ASC office, said Tuesday that her office estimates that only about 10,000 of these acres will be harvested in the county.

Last year, a total of 53,119 acres were planted to wheat in this county.

This year, no limit was placed on the number of acres which could be planted to wheat; therefore, the big increase in acreage over last year.

With most of the remaining acreage having a "poor" to "average" crop of wheat on it, it shouldn't take long for the few combines in the county to harvest the 1971 crop.

The extended drouth has caused most of the stock tanks in the county to go dry. No winter moisture or spring rains have prevented pasture grasses from growing and many Foard landowners have been forced to dispose of their cattle herds, and there are probably less cattle in the county now than at any time for many years.

An economic factor in favor of cattlemen selling has been the continued good prices received for their livestock. Usually, when drought forces landowners to dispose of their herds, the price is at or near rock bottom.

Fire Department Extinguishes Blaze at Thompson Home

The Crowell Volunteer Fire Department was called out Monday morning to extinguish a fire in the kitchen at the home of Mr. and Mrs. Jimmy Thompson in the east part town.

Most of the fire damage was confined to the kitchen area.

COMMISSIONED—Lt. Col. Raoul R. Ashby, professor of military science at Midwestern University in Wichita Falls, left, congratulates T. F. Lambert III, upon being commissioned a Second Lieutenant in the Army. Lambert was commissioned as a Distinguished Military Graduate. He is the son of Mr. and Mrs. T. F. Lambert, Jr. of Rayland. (Wichita Falls Times engraving and picture.)

PeeWee Baseball Season-Opener Set for Thursday

PeeWee Draft Assigns Nine New Players to Teams

The first game of the current PeeWee baseball season will be played at Little League field tonight (Thursday) beginning at 7 o'clock.

The player draft held Thursday of last week placed the following new players on teams:

Boys: John Halsell, Larry Orin, David Dunn and Jeff Walker.

Girls: Tommy Russell, Vincent Anderson, Guy Todd III, Roland Neal and Ray Don Wersey.

LL President L. H. Wall said this week that there is plenty of room on both teams for more players, and he urged all interested boys from last year's first graders through 9-year-olds who would like to play PeeWee and have not already signed up to be at the Little League field tonight.

Dr. Borchardt Receives Award at Medical Center

Two of the 16 annual Mead Johnson Awards for Graduate Education in Family Practice have been awarded residents in the family practice program at Wesley Medical Center, Wichita, Kansas. Each award consists of \$1,200 to be used to help defray the expenses of a year's training in family practice. The national awards program was established in 1963 by the American Academy of General Practice.

Recipients of the awards are Dr. Robert H. Borchardt, Jr., of Crowell, and Dr. John F. Evans of Kirkwood, Mo., both of whom are second year residents in the Wesley family practice program.

Presentation of the certificates was made by Dr. Jack Phipps of the Kansas Academy of General Practice.

Funds for the national awards program are provided by Mead Johnson Laboratories, manufacturer of infant nutritional products.

Dr. Borchardt, who graduated from Crowell High School in 1963, is the son of Mr. and Mrs. Henry Borchardt of Crowell.

Last Rites for Dillard Howard Held May 20th

Last rites for E. D. (Dillard) Howard, 51, were held last Thursday morning from the First Baptist Church in Crowell conducted by the pastor, Rev. John Gillispie, and Rev. M. L. Crosby, pastor of the Free Will Baptist Church.

Burial was in the Crowell Cemetery under the direction of Womack Funeral Home. Serving as pall bearers were Clyde Owens, Mike Rasberry, Martin F. Jones, R. J. Owens, Kenneth Halbert and V. A. Johnson.

Mr. Howard, a native of this county, died at his home in Crowell Tuesday, May 18, following a short illness. A life-long resident of the county, he was born Sept. 3, 1919, son of the late Mr. and Mrs. Emmitt A. Howard. He was married to Edith Lewis in Crowell in 1938, and they lived in the Foard City community all of their married life until moving to Crowell about 1½ years ago. He was a member of the First Baptist Church.

Survivors include his wife; two sons, Edward of Odessa and Gerald of Vernon; four daughters, Mrs. Joyce Hays of Seymour, Mrs. Judy Cates of Amarillo, Mrs. Rheta Brown and Miss Rhonda Howard, both of Crowell; three brothers, Oren Howard of Haskell, E. A. Howard, Jr. of Post and Truitt Howard of Clyde, three sisters, Mrs. Ruby Stewart of Lubbock, Mrs. Mary Helen Loving of Odessa and Mrs. Ola Muriel Sedberry of Haskell; and eight grandchildren.

Jimmy Stinebaugh Receives Bachelor's Degree from NTSU

Jimmy W. Stinebaugh of Crowell was among 1,154 students from 35 states and seven foreign countries receiving degrees at the 81st annual spring commencement at North Texas State University in Denton Tuesday night, May 18.

Dr. Bevington Reed, Texas' commissioner of higher education, delivered the commencement address, and degrees were awarded by NTSU's acting president John Carter to 962 bachelor's, 169 master's and 23 doctor's degree candidates.

Stinebaugh, son of Mr. and Mrs. Jack M. Stinebaugh of Crowell, received a bachelor of business administration degree in marketing.

Miss Hollis Halbert Receives Degree at Austin College

Miss Hollis Eileen Halbert of Crowell received the bachelor of arts degree from Austin College in Sherman during recent commencement exercises. She is the daughter of Mr. and Mrs. Grady Halbert of Foard City.

Austin College is a 122-year-old liberal arts institution, affiliated under a covenant relationship with the Presbyterian Church U. S.

Mrs. Oneal, Daughters Are in Germany for Visit With Relatives

Mrs. Wayne Oneal and daughters, Deletha and Melanie, left last week for Ringalar, Germany, to visit Mrs. Oneal's family. Ringalar is Mrs. Oneal's home town and where she was reared. It is located in the State of Bavaria.

They will visit Munich, Cologne and other cities while in Europe.

Funeral Services For R. B. Lilly Held Thursday

Pioneer Foard County Resident Died in Quannah

R. B. Lilly, 92, pioneer resident of Foard County, died in the Quannah hospital about 9 p. m., Tuesday, May 19. Mr. Lilly had been a resident of a Quannah nursing home for the past three years.

Funeral services were held at the First Methodist Church at 3 p. m., Thursday, May 20, conducted by the pastor, Rev. Walter L. Driver, assisted by Rev. Vince Hicks, pastor of the Assembly of God Church. Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Pall bearers were J. M. Barker, Jack Welch, Fred Trauwe, Eldon Crosnoe, Clyde Owens and Virgil Johnson.

Brittain Lilly was born in Guadalupe County, Texas, January 24, 1879, son of the late Mr. and Mrs. S. T. Lilly. He was married to Elizabeth Helms May 21, 1899, in Brownwood. They moved to Foard County in 1901, and settled west of Foard City in a half dug-out. His wife predeceased him in death Feb. 26, 1967.

Mr. Lilly was a member of the Methodist Church.

He is survived by one nephew whom he reared, Allison Denton of Foard City; two brothers, John Lilly of Weatherford and Tom Lilly of Bixby, Okla.; one sister, Mrs. Charlicia Shaum of Las Vegas, N. M.

Summer Program for Children Gets Started Monday

Superintendent Says School Has Room For More Students

A two-month summer recreational program got underway at the Foard County Neighborhood Center Monday morning for children five years of age by Sept. 1, this year, up through 7½ years of age.

Supt. Larry Jones said Tuesday that the school has room for more children and he urged parents of children within the stated age bracket to contact him as soon as possible.

The school starts each morning at 9 and dismisses at 2 p. m. The noon meal is provided at 11:30 a. m.

Teachers for the school are Mmes. Myrna Jones and Eva Sloan and Mmes. Rachel Dunham and Wilma Coleman are assistants. Mrs. Amelia Aranda is the cook for the school and she is being assisted by Mrs. Hope Quintero. Also assisting in the operation of the school is Mrs. Lucille Carter, Neighborhood Center director.

Standards by which the children who attend are chosen can be found on page 8.

One New Vehicle

One new vehicle was registered here last week: May 20, Mrs. Orville Hamilton, 1971 Chevrolet coupe.

News About Our MEN IN SERVICE

Stephen Weathered arrived in the United States from Korea and received his discharge from the service April 23. He is now residing with his wife in the Dallas-Fort Worth area. He is the son of Mr. and Mrs. Baylor Weathered and his wife is the daughter of Mr. and Mrs. Jesse Whitfield, all of Crowell.

Swimming Pool Opened Yesterday

Ticket Prices Remain Same As in Past

The Crowell Swimming Pool, operated jointly by the Crowell Schools and the City of Crowell, opened Wednesday for the 1971 summer season. The pool has been repainted, and the filling of the 200,000-gallon pool was completed Monday.

Gordon Erwin will be manager of the pool this summer, and he said that admission prices will remain the same as in past years: \$10.00 for a season ticket; with daily rates being 50 cents for adults and 25 cents for students.

Swimming lessons will begin on Monday, June 14 this year, Mr. Erwin added.

Daughter of Former Thalia Residents Named to Who's Who

Miss Denise Neill, 17, of Oxnard, Calif., daughter of Mr. and Mrs. Charles (Pennie) Neill, former residents of the Thalia and Rayland communities, has been selected to appear in the 1971 edition of "Who's Who in High School Dramatics," a national publication.

Denise has starred in two lead roles in both the Junior and Thespian plays at Oxnard High School this year, and is currently one of the leads in the senior play. She also is presently assistant director and assistant make-up artist to the rock musical production, "Island," written by an Oxnard young man. It was recently presented at the Ventura College Theater in Ventura, Calif.

She plans a career in dramatics and acting in San Diego where she and her family will be living after school is out.

She is the granddaughter of Will L. Johnson of Thalia and the great niece of Mrs. W. S. J. Russell and Mrs. Lottie Pittillo of Crowell.

Applications Being Taken for EOAC Job in Foard County

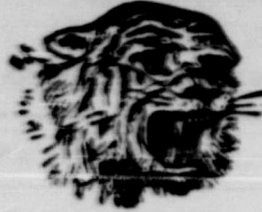

Announcement is being made in this issue of The News that the four-county EOAC is taking applications for an Emergency Food and Medical Service's aide in Foard County.

Felix Taylor, executive director of the EOAC in Crowell, said the position requires about fifteen hours per week with a salary of \$1.60 per hour.

Interested persons should make application to the EOAC office in the community center in Crowell.

Mrs. Mattie L. Carroll formerly held the position, but has resigned.

The Crowell High

WILDCAT

Chorus News

The 1970-71 CHS Chorus has been very outstanding this year. For the first time in many years, the chorus had representatives trying out for all-region chorus. Terrissa Garrett, junior; David Stapp, junior, and Pat Cates, senior, tried out; Pat and David were placed in the tenor and bass sections, respectively. It is the general feeling that maybe these three have started a new trend; that is, we plan to send more people to try-outs next year, and possibly they will be selected for the all-region chorus 1971-72.

Another contest, entered by the entire chorus, was the UIL chorus contest in Wichita Falls. The chorus went with the intentions of winning high ratings, and even more important, gaining priceless experience. We achieved both. The chorus received a rating of III, good, in concert performance and a rating of I, superior, in reading. Pat Cates, president of the chorus, presented a voice solo, accompanied by Sharla Hymie. Pat received a I, superior rating. Julie Streit, a freshman, played a piano solo and also received a I rating. Both Pat and Julie will travel to Austin in June for the state contest.

The chorus' spring concert was presented in April. They sang a collection of popular and religious songs. The program was enjoyed by all; in fact, our school was so impressed, they arranged for us to present our program to our friends at Paducah High School.

All the students agree, the chorus has had more fun and learning experiences than ever before, and none of this would have been possible without the help of our president, Pat Cates; our director, James Streit, and our school. To all of these people we say thanks.

FFA Highlights

This year was the "year of accomplishments" for the local FFA chapter. The accomplishments of several individuals as well as the chapter were outstanding. In the Wichita District FFA contest, the livestock judging team won first place with Terry Farrar as high individual of the district. The dairy team came in second in the district with Rocky Bachman as fifth highest individual in the district. In land judging, the Crowell team won a fifth place standing with Marvin Machac being the second high individual in the district.

The judging teams were entered in the area contest with two

of the teams placing in the highest ten placing. The livestock team placed tenth while the land team placed ninth. Marvin Machac was fourth individual of the area in land judging.

Terry Farrar received high honors with his calf at three shows. Terry's calf placed eighth in both the Amarillo and Wichita shows. His calf was also selected grand champion of the local project show.

The PFA-4-E Project Show was highly successful. The show was one of the largest in Crowell history and had the highest priced sale in the 33-year history of the show. All of the individuals as well as the chapter are to be commended for their achievements.

Future Homemakers of America

This has been a busy year for the Crowell chapter of the Future Homemakers of America. Along with our regular meetings we had many special events and projects. Our first event was the mother and daughter salad supper where the new officers were installed. The next day was the initiation of the first year girls. They really looked like beauties with their hair nets, no make-up, and pickles around their necks. As Christmas neared, the CHS girls were kept busy. The day of the Christmas opening we had our bake sale. We also gave gifts and food to a needy family. In February the future homemakers thought it was time to honor their fathers, so they had a "dad-dad date night." The girls brought their fathers to the cafeteria, where they ate stew that girls had made. Then both fathers and daughters played volleyball in the gym. Many girls were surprised at how well their fathers played. March 5-6 was the area meeting in Stephenville. Girls attending from the Crowell chapter were Darla Bell, Cindy Wisdom, Elaine Jackson, Mickie Owens, Trudy Bird, Karen Gray, Carolyn Moore, Debbie Johnson, Peggy Welch, Kathy Shirley, Sandra Whitfield, and Ruth Brown. Karen, Mickie, Peggy and Debbie sang in the area choir. Debbie Johnson was selected to sing in the state choir so she got to go to the state FFA meeting at Dallas. March 28-April 3 was National FFA Week. The Crowell chapter observed this by going something for FFA every day. Also in March was the FFA-FFA hayride. The boys furnished the transportation and the girls furnished the food. Every year the Women's Service League gives prizes to the three girls that make the best dresses in home-making. This year the winners were first Rita Coffey, second Terry Cobb, and third Nancy Looney. The seniors did a very good job of leading the club this year. The seniors are losing this year are Elaine Jackson, Carolyn Moore, Charlotte Walker, Peggy Welch, Jacque Gillispie, Peggy Hamberry, Rita Coffey, Toni Baggett, Mickie Owens, Kristi McLain, Brenda McBeath and

Kay Shirley. As you can see, this has been a very busy year for the Future Homemakers of America. We couldn't have had all our projects and activities if we didn't have an advisor like Mrs. Mary Brown and a president like Elaine Jackson. They have done so much to make our club better.

Band Babble

Tuesday, April 27, the band traveled to Vernon to participate in the UIL concert and sight reading contests. They received a II, or excellent, rating in concert, and a I, or superior, rating in sight reading.

At the concert part of the contest, the band performs three selections they have prepared before three judges. Each judge gives the band a rating and the average of the three is the rating the band gets. In sight reading, the band plays a song that they have never seen before, again before three judges. The band received two II's and one I in concert and three I's in sight reading.

Members of the 1971 concert band were: first flute, Bette Barry, Babs Streit, Susan Autry; second flute, Ruth Brown, Barbie Scott, Connie Werley; oboe, Kristi McLain; first clarinet, Debbie Scott, Nellie Leija; third clarinet, Dwan Daniels, Sylvia Quintero, Sulema Santos, Vickie Pharis, Stacy Garrett, Cheryl Swearingen, Kristi Shirley; alto clarinet, Terry Lee Cobb; contra-bass clarinet, Lisa Halenok; bass clarinet, Debbie Johnson, April Werley; bassoon, Julie Streit; first alto sax, Sharla Hymie, Darla Bell; second alto sax, Jacquelyn Brown, Arthur Cerdas, Jana Russell; tenor sax, Rhonda Vecera, Karen Gray, Mickie Owens, baritone, Bill Myers; first cornet, Trey Autry, Cheryl Brandt; second cornet, Tracy Bird, Daryl Halenok, Teri Garrett; third cornet, Stan Gentry, Robert McElroy, Cindy Wisdom, Harold Myers, Steve Sediff; first horn, David Stapp; second horn, Karen Statter; third horn, Kathy Shirley; baritone, Bead Davis, Lane Simmons; first trombone, Carolyn Jones; second trombone, Beth Welch; third trombone, Louis Lein, Steve Stapp; bass, Dwan Crosby, and percussion, Peggy Hamberry, Ricky Lopez, Lance Worley, Sharon Brown, Adrian Martinez, Gary Glover.

Wednesday, April 28, through Saturday, May 1, several band members were participating in the 30th annual Tri-State Music Festival in Enid, Okla. Wednesday two members of the fifth and sixth grade bands played solos. Scott Streit got a I on a cornet solo and Jerry Daniels got a I on an alto sax solo. Thursday, all junior high and high school members played. Receiving I's on solos were Arthur Cerdas, alto sax; Julie Streit, bassoon; Babs Streit, flute; and David Stapp, French horn. II ratings were made by Dwan Daniels, clarinet; Stan Gentry, cornet; Susan Autry, flute; Bette Barry, flute; Caro-

lyn Jones, trombone; Nancy Looney, clarinet; and Betty Whitfield, clarinet. Steve Stapp, trombone, and Karen Gray, twirling, received III's.

The woodwind quintet and a trombone duet by Beth Welch and Carolyn Jones received I's while a brass quartet received a II. The quartet was composed of Stan Gentry and Harold Myers, cornet, and Louis Lopez and Steve Stapp, trombone.

Several handmen were in honor organizations. In the honor band were Nancy Looney, Betty Whitfield, Julie Streit and Carolyn Jones. Steve Stapp and Louis Lopez were in the honor trombone choir while David Stapp was in the honor orchestra. The trombone choir performed Friday night. Saturday, the honor band, honor orchestra and honor chorus combined to give two performances, a matinee in the afternoon and the grand concert that night. Everyone had a most enjoyable time.

The band gave its spring concert Tuesday morning. The program included Eagle Eye, Thundercrest, Chorale and Capriccio, Aquarius-Let the Sun Shine, Lexington, Suite in a Minor Mode, Scherzo and a duet by Beth Welch and Carolyn Jones. The concert was the band's final activity for the year and we hope everyone found it entertaining.

Sports

The Crowell student body has been very active in the sports fields throughout the 1970-71 school year. With school starting the last part of August, football workouts began shortly after.

The Wildcats had a new coaching staff this year consisting of head coach Scott Boyd and his assistant Bob Cook. Crowell was very proud of its victorious football team this year and it was apparent by the number of fans that attended both the home games as well as the out-of-town ones.

Because of their hard work, sportsmanship and playing ability throughout the football season, several members of the Wildcat football team were elected to the all-district team: Junior Urquino, defensive back; Mike Weatherred, line backer and quarterback; Kenneth Sellers, split end; Jesse Barrera, center and defensive tackle; Douglas Chowning, offensive tackle; George Eavenson, defensive linebacker, Rocky Bachman, defensive end and second team all-state; Jim Tom Smith, second team fullback, and Terry Farrar, second team linebacker.

Next in the sports spotlight came basketball. Bob Cook was the head coach. The girls basketball team was up against stiff competition but still came out with a 11-12 record. Toni Baggett and Rhonda Swan made the all-district team with Rhonda Vecera receiving honorable mention. Leading rebounder was Rhonda Howard with 77 and leading scorer was Toni Baggett with 404.

With the efforts that were put forth this year, it looks as if the

girls will have another fine team next year.

The boys came out with a 18-9 season record which helped them qualify for the play-offs with Petrolia.

Kenneth Sellers was all-district unanimous choice and Harry Lee Swan and Bob Burkett received honorable mention. Kenneth was the leading scorer with 306 and also the leading rebounder with 249.

Next year the Wildcats should be a district contender with eight returning lettermen.

Several boys participated in track this year. They fought hard and because of this they won many honors. A total of 25 trophies and 125 medals were brought home by the team. Leading scorer was Kenneth Sellers with 244 points which is incredible.

Kenneth, Mike Weatherred, George Eavenson, Junior Urquino and Johnny Urquino advanced to Austin for the state meet. These boys were able to capture Crowell's first state track title.

This past year has been a very good one in all the different sports. Thanks goes to the student body, the many fans and last but not least the great coaches for making it all possible.

Spanish Club News

The Spanish Club ended its year on Monday, May 10, with a party at the Foard City River. Hobo stew and ice cream were served and after eating, the members of the Spanish Club engaged in an exciting game of water football. The final score was Los Ratos del Rio 2, Gafford's Gringos 1. During the meal, a gift was presented to Mr. Gafford, sponsor, in appreciation of the work he has done in teaching Spanish. Presentations were also made by Jerry Martin to each member of the club according to the contributions they have made to the club.

Events of the past two years were discussed. Many Spanish songs were learned during the two years. Some of these were El Rancho Grande, Cielito Lindo, Silent Night and O Worship the King.

Along with songs and parties, we have also had word study. This year alone, we have had about 500 words—everything from raso (race) to cuerpo (body). In addition to word study, we have also had oral reading. We have read about various Latin American countries such as Peru and the Honduras. In a lighter vein, we have read about Daniela and her boyfriend, Lorenzo, and Manuel, the vacuum cleaner salesman.

This has been a very profitable two years for the Spanish Club members: Jerry Martin, Molly Lopez, Ricky Lopez, Darryl Worley, David Stapp, Nancy Looney, Pat Cates, Carolyn Jones, Kristi McLain, Mickie Vee Owens, Jacque Gillispie. Not only have we learned the Spanish language but also, customs and traditions of a group of people other than Americans. Spanish has given us a better understanding of others. Adios.

June 1-4 Time to Spray Pecan Trees

June 1-4 is the time to spray pecan trees in Foard County for the pecan nut case bearer, says County Agent Joe Burkett.

If more than one application is made, the second should be applied one week after the first application. The agent says the following insecticides may be used: Malathion, 3 pounds of 25 per cent wettable powder per 100 gallons water; Thiodan, 1 pound 50 per cent wettable powder per 100 gallons water; or Toxaphene, 5 pounds 40 per cent wettable powder per 100 gallons water.

Extensive tree inspection in the past few weeks indicate pecan nut casebearer larvae are now emerging in Foard County. Pecan trees should be sprayed in order to prevent the larvae from entering the nutlet, causing extensive nut loss, Burkett said.

The pecan nut casebearer is the number one pest of pecans in Texas, the agent added, and thus becomes a determining factor in producing pecans, whether on a few trees or in large groves.

To effectively control the pecan nut casebearer, it is necessary to provide thorough insecticide coverage of the nutlet clusters during the period when the larvae are hatching. This will prevent nutlet damage and poor pecan production.

"For further information on spraying your pecan trees, call or come by my office," Burkett added.

Help Stamp Out the No. 1 Child Killer

The Portland, Oregon, Traffic Safety Commission asks you to help stamp out the number one child killer—traffic crashes. . . They kill and cripple more children than any other dangerous disease. Please drive your car defensively . . . and with courtesy and consideration for sometimes thoughtless children.

More than 11,000 vocation-agriculture teachers are helping to train young people for agribusiness careers in the United States.

CRIPPLING POLIO DOES NOT DISCOURAGE YOUNG HEREFORD MAN; "WORKER OF YEAR"

Ecology is a word heard often today, but it is nothing new to Goodwill Industries of America, says Danny Bumpass, manager of the Hereford Goodwill store, in calling attention to the national observance of May 2-8 as 1971 Goodwill Week.

The Goodwill Industries story as well as the ecology story are both of great importance to America, but this story concerns Bumpass, who was recently named manager of the Hereford Goodwill store.

Not one single event in the lives of two people is so singularly important as the birth of a child. And when a beautiful baby comes into their lives, it is the culmination of a complete love for each other. On March 19, 1942, such an event occurred for Mr. and Mrs. George Bumpass. Danny was born, as well and healthy as any baby could be born. He joined a sister to help make the family complete. And thus, for 16 months the development of a normal, baby boy was begun.

But very suddenly, events occurred which completely changed the Bumpass' household. Danny developed an extremely high temperature which lasted for several weeks. At first, it was diagnosed as strept throat and was treated as such. But later it was determined that it was indeed polio that Danny had contracted. If you can remember the era of the 1940's, you will remember that polio was the most dreaded disease known to man, one for which there was no cure. And thus began the rehabilitation of Danny Bumpass. His entire left side was completely paralyzed and he had very little use of his right arm and leg. He could not begin to walk, he could not crawl or feed himself and his speech patterns could not develop as those of an unafflicted child.

The most important person in Danny's life now became his mother. She became his one hope for any kind of future life. Through long hours of physical therapy, encouragement, patience and complete lack of discouragement he began to crawl, to walk, and later to run. He entered school, where he learned to read and write, to play baseball, to mingle with other boys and girls and to learn the responsibilities early that are required in the adult world.

At eleven years, his father bought him a lawn mower and he began to work and save his money, as any child his age might do. The fact that he had to do all of this with one hand was no deterring factor to him. He entered high school where he became very interested in wood working and auto and crafts. He learned to drive his own car and bought his first car with his own money, saved from mowing lawns and digging flower beds.

His maintained average grades in high school and graduated in 1962 listed among the "who's who" at Hereford High School.

Now began the real traumatic period in Danny's life. He was managed to do things with himself that far exceeded any kind of expectations that even his mother and father had held for him. He had conquered the disease of polio, even though it had left the scars upon him, and he was ready to take his place in society as a productive, working member. But where does an ambitious boy of 20 years, who walks

with much difficulty, speaks with even more difficulty and one who has no specific skills go for employment.

For many days he pounded the streets of Hereford, Amarillo and surrounding towns looking for the one person who would offer him a job; not out of pity, but because they had faith in his ability, his determination and his potential. The utter hopelessness of the situation was enough to make even the strongest and most capable man want to give up in utter disgust. But not Danny. He had not conquered polio and cheated a wheelchair to retreat to the safety and sanctuary of his parents' home.

He finally located a job in an auto parts firm in Hereford where he worked 3 1/2 years. But, because of his limited hand writing, the demands of the job outgrew him. He resorted to farm work and for several years he made the harvest circuit, driving truck and tractor from sunup to sundown. And still, he asked himself the one driving question, "Where is that someone, who will offer me a job in line with my abilities?"

But a new face, almost as important to Danny as those of his mother and father, appeared on the horizon. Texas Rehabilitation Commission counselor, Bryan Nichols, decided that there was more potential in Danny than had been ascertained by anyone else. He agreed to sponsor Danny in a training program as a store clerk at the then new Goodwill outlet store in Hereford.

And thus began the new career of Danny Bumpass. He progressed from trainee to store clerk, to assistant manager and then in September of 1970 he was promoted by Gene Penn, training services coordinator, to store manager. That he had made a tremendous success in this capacity is exemplary of the faith, trust and confidence placed in him by his parents, his teachers, his counselor and the people at Goodwill.

Danny's faith in himself, his high Christian ideals and his belief in the worth of his fellowman make him a most worthy recipient of the 1971 "Goodwill Worker of the Year" award.

Danny, as 1971 "Goodwill Worker of the Year," received a trophy from the national organization of Goodwill Industries at a recent banquet in Amarillo.

Danny's mother is the former Miss Ellen Brown, daughter of George Brown of Crowell. His sister is married to James Grady McDaniel of Wichita Falls, who is a son of Mr. and Mrs. Pat McDaniel of Crowell. Danny is a nephew of Clark Brown, also of Crowell. He has many friends in Foard County and visits here often.

Before you adjust, repair or unclog any machinery, be sure you stop the machine to avoid injury.

WORKER OF YEAR—Danny Bumpass of Hereford and native of Foard County (center) is shown receiving his 1971 "Goodwill Worker of the Year" national award at a recent banquet in Amarillo. On the left is Byron Nichols, Counselor for the Texas Rehabilitation Commission and on the right is James R. Adair, executive director, Goodwill Industries of Amarillo.

Austin, Tex.—Voters were in an antagonistic mood toward three proposed changes in the Texas constitution last week, but they approved one amendment termed "a great step forward for Texas cities and towns."

Down the drain went proposals to set up a state commission on officials' ethics and legislative pay, to increase the welfare ceiling and to permit constitutional amendments to be submitted in special sessions.

Whether welfare defeat will mean early cuts in assistance to the needy is the subject of sharp disagreement. It's a cinch legislators will get no early pay raise, although they can adopt their own code of ethics by statute.

Amendment adopted creates a \$100 million bond fund for construction of city or regional sewage treatment facilities.

Texas Water Quality Board Chairman Gordon Fulcher, Atlanta newspaper publisher, said adoption of the bond amendment is a "stride we very much hoped to make in order to reach our goal of meeting statewide water quality standards by 1975."

Clean water goals, said Fulcher, cannot be achieved until cities improve the quality of sewage discharges into rivers and streams. Financing has been a major drawback for municipalities.

Amendment provides for a state matching grants program to make available on loan basis 25 per cent of the eligible cost of sewage treatment plant construction.

With the state program, federal grants (now only 33 per cent) can increase to about 50 per cent. That leaves cities with only 25 per cent of a project cost to bear immediately.

Fulcher said he is hopeful that cities will move forward with the "greatest of haste" to take advantage of additional financial aid.

Court of Criminal Appeals affirmed the 10-year probated sentence of a Dallas man for shooting two Dallas police officers in 1968.

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, May 29, 1941, edition of The Foard County News:

The 1941 wheat harvest was opened on Monday afternoon when the first load of wheat was received by the Farmers Elevator from Hiram Gray. Since that time there have been a few combines start harvesting in various sections of the county.

Tuesday, July 1, has been designated by President Roosevelt as the second registration of men for military service under the Selective Service Act in the United States. It is estimated that one million men who have reached their 21st birthday since Oct. 21, 1940, or will have reached that age before July 1, will sign up on that day.

In a radio broadcast Tuesday night, President Roosevelt proclaimed the existence of an "unlimited national emergency" and warned the world that the United States would do everything within its power to maintain the freedom of the seas and supply material to England and any country which would resist the Nazis.

Wheat and other small grains in Foard County have been damaged approximately fifty per cent by worms, rain and wind during the past three weeks, according to an estimate released Tuesday by County Farm Agent John Nagy, who has been receiving damage reports from farmers in all sections of the county.

M. S. Henry returned Wednesday of last week from Washington, D. C., where he and R. H. Nichols of Vernon attended to business in connection with the Pease River Flood Control.

One hundred golfers of this section are expected to be in Crowell Sunday, June 1, for the first annual one-day golf tournament at the Spring Lake Country Club, according to information released this week by Irving Fisch, general chairman.

WPA workers have completed 84 miles of roads in Foard County, 83 miles of which are on farm-to-market routes, it was announced here this week.

Miss Bernice Coffey, daughter of Mr. and Mrs. John Coffey of Fayetteville, Ark., became the bride of Ed Huskey in a marriage ceremony performed at the parsonage of the Crowell Methodist Church Sunday afternoon, May 18, at 2:30 o'clock with the pastor, Rev. H. A. Longino, officiating.

Milburn Carroll made a business trip to Oklahoma City Monday, returning home Tuesday night.

Mr. and Mrs. George Davis and children of the Black community visited in the home of Mr. and Mrs. Claudius Carroll and family at Gambelville Sunday.

Old reliable Rawleigh products, cash-carry. Also cold drinks.—J. M. Archer, at Fox Hatchery.

Misses Beulah and Vera Patton, teachers in the Paducah High School, returned to the home of their parents here last week and will leave Monday for Alpine to attend summer school at Sul Ross State Teachers College.

Grandson of Late Crowellites Builds Largest Organ

Biggest Electronic Organ Placed in Chicago Auditorium

Thomas Cotner, son of Mr. and Mrs. H. W. Cotner of Martha, Okla., has put together the world's largest electronic organ for the Chicago Auditorium Theater.

Twice the size of the next largest electronic organ, the four-manual Saville has 172 ranks to make 172 different sounds. An average theater organ has 15 to 20 ranks; and the Radio City organ has 58, according to the Chicago Tribune.

Mr. Cotner's mother is the former Miss Bess Thompson of Crowell. He is a grandson of the late Mr. and Mrs. J. C. Thompson and nephew of the late Mrs. A. Y. Norman, all of Crowell.

Mr. Cotner has appeared in Crowell on two different occasions, in piano and organ recitals, and appeared regularly over television from Wichita Falls while attending Midwestern University.

Cotner has spent the past two years in Chicago with the Saville Organ Co., creating the 1,500-pound console which has nine divisions, pistons served by a computer-type memory, 246,000 feet of wiring circuits and 217,560 individually hand-soldered components "give or take 20 or 30 thousand" in Cotner's words.

It will use 4,000 watts of audio power, and 216 amplifiers, each with its own speaker system.

The \$130,000 organ is to sit in the orchestra pit to broadcast its sounds over 204 speakers.

What is the background of a man who has created such a dynamic monolith of sound?

Cotner has studied music all of his life. Beginning his career in piano under Mrs. Mary Frank Fancher of Altus, Cotner continued his studies throughout high school. He was a member of the Altus High School band, accompanist to the glee club as well as the Altus Kiwanis Club. During these years he worked as organist of the First Presbyterian Church.

Cotner studied organ and voice in Wichita Falls and continued his education at Tulsa University where he graduated with a degree in organ music.

While working his way through college, Cotner played the piano in night clubs.

Further studies took him to the universities of Colorado and Midwestern.

After spending several years in New Orleans where he was organist of the Metairie Ridge Presbyterian Church, Cotner moved to Chicago where he is now designer and tonal director for Saville. He has been building organs for about six years.

It's a great country

It's a great country to live in and work in, to raise our families and build for their future. One part of good citizenship is providing for the financial well-being of those for whom we are responsible so that they, in turn, may be productive, self-reliant citizens. Through Farm Bureau Insurance, you may provide not only a program of protection, but an investment that will assure continued financial well-being for yourself and your family. Talk about it with your local Farm Bureau Insurance agent—he's a good man to know.

FOARD COUNTY FARM BUREAU
Jack Welch, Agent

Texas Leads All States in Production of Four Vegetables

Texas leads all the states in the nation in harvested acreages of cabbages, carrots, onions and watermelons. It ranks third in fresh market produce and fourth in the acreage of all vegetables.

The High Plains contributes to the record with an annual vegetable production of \$23 million—principally in potatoes, onions, carrots, cucumbers, lettuce, green beans, tomatoes, watermelons and cantaloupes.

The prospects for greater vegetable production is "indeed bright," according to Dr. Sam E. Curl, associate dean of Texas Tech's College of Agricultural Sciences whose specific interest is the college's research programs.

"West Texas has soils and climate well suited to vegetable production," Prof. Curl said, "and the area's intensively cultivated vegetable crops generate a large percentage of the state income derived from vegetables."

The principal production areas, he said, are the Munday-Knox City area, Gaines County, the Plainview-Hereford-Muleshoe triangle, the Pecos-Fort Stockton area and the upper Rio Grande Valley near El Paso.

The average family of four in the United States eats about 1,000 pounds of fruits and vegetables each year.

FOARD COUNTY NEWS
 CROWELL, TEXAS

OIL ALLOWABLE CUT — Statewide oil allowable for June has been cut to 75.4 per cent of potential, lowest market demand factor since August.

Railroad Commission set the factor after four of 14 major crude purchasers asked for less oil, three asked for more, and seven requested the same level for June as in May.

New allowable will permit maximum production of 3,606,943 barrels of crude daily. This is a decrease of 68,913 barrels below the May level, with 77.2 per cent of the potential factor.

Actual production is expected to be about 3,344,000 barrels daily, nearly what major purchasers requested.

Reduction was the second in a row, after allowable remained at 81.1 per cent for three straight months. Last June's market demand factor was only 59 per cent.

COURTS SPEAK — Supreme Court in 20 minutes reversed a district judge and held that a legislator-lawyer is entitled to automatic postponement of a case in which he represents a client during a legislative session.

Supreme Court ordered a new trial in the case of an Eastland turkey farmer who is suing an insurance company for collapse of a steel barn following a snow storm. Insurance company is fighting the \$7,450 claim, contending that the building collapse was partially caused by the snow storm and such damage is not covered by its policy.

**Winners Named
in Annual Pitch,
Hit, Throw Contest**

Plaques and shoulder patches
were awarded the two top con-
testants in each age group in the
Pitch, Hit and Throw contest
held at the Little League field
last Saturday morning. The con-
test is sponsored by Phillips Pet-
roleum Co. and local dealers
Houston Adkins and his son, Ran-
dy.

Rodney Iseng was winner in the
9-year-old division; John Klep-
per in the 10-year-old group
and Jay Wall in the 11-year-old
group. Runner-up in the 10-year-
old group was Dwayne Dishman
and in the 11-year-old group, Jun-
ior Carroll was runner-up.

A discouragingly-small group
of boys entered the contest with
no 12-year-olds entering.

Winners in each age group will
go to Amarillo for the district
contest.
Boys who entered and the total
points each scored are as follows:
Rodney Iseng 24, John Klep-
per 275, Dwayne Dishman 112 1/2,
Wade Davis 99 1/2, Oran Carroll,
Jr. 248, Don Johnson 174 and
3/4, Jay Wall 258, Randell Rus-
sell 137 1/2, and Milton Tennell
187 and one-fourth.

**Films of Recent
Track Meets Shown at
Rotary Club Meeting**

Ike Everson was introduced as
a new member of the Rotary Club
at the Wednesday luncheon of the
club last week.

Coach Scott Boyd presented a
program on the successful season
just concluded by the CHS track
team. Boyd showed motion pic-
tures taken at the district and
state meets. The films were made
by Mr. and Mrs. Travis Vecera,
and loaned to Coach Boyd for
showing at the Rotary meeting.

Mrs. Tom Fox of Bryan, daugh-
ter of Rotarian Martin Jones, ac-
companied her father to the meet-
ing.

**News from . . .
THALIA**

BY MRS. MAGGIE CAPPS

Mr. and Mrs. Merle Moore and
family, Mrs. L. H. Hammonds,
Mr. and Mrs. Leroy Henry attend-
ed a birthday celebration for
Mrs. Hammonds in the home of
Mr. and Mrs. Keith Maxwell of
Breckenridge Sunday.

Mrs. Clyde Self and Maggie
Capps visited Mrs. Gladys Moore
in the Crowell hospital Sunday.
Debbie Johnson was admitted
to the Crowell hospital Friday
where she had a tonsilectomy. She
returned home Sunday.

Mrs. Myrtle Neill visited her
sister, Mrs. Mamie Shultz, in Ver-
non Wednesday.
Mr. and Mrs. Q'Neal Johnson
and Mrs. Katherine Fox spent
Saturday night with Mr. and Mrs.
Aaron Ertill and the Roberts family
in Fort Worth Sunday.

Mrs. Maggie Capps visited her
son, Duane, and family and other
relatives in Vernon Friday.

Mrs. Blanche Sims and Mrs.
Maggie Hammonds visited Mrs.
Buna McKinley, Ralph Kuba and
Til Rogers in General hospital in
Vernon Friday.

Visiting Mr. and Mrs. Clyde
Self Sunday were her nephews,
C. B. and Perry Joe Skipworth
of Vernon.

Mr. and Mrs. Homer McBeath
visited in Seymour Monday.

Mrs. Jim Moore underwent sur-
gery in the Crowell hospital last
Thursday night. She is reported
to be doing well.

Duane Capps and daughter,
Harletta, and Edward Spradlin of
Vernon visited Mrs. Maggie Capps
Tuesday night.

Mrs. L. H. Hammonds, Mrs.
Merle Moore and Mrs. Maggie
Hammonds, accompanied by Mrs.
Leroy Henry of Vernon, went to
Turkey one day last week to at-
tend the funeral for their niece
and cousin, Mrs. Inez Hollings-
worth of Denver City.

Mr. and Mrs. Howard Casada
of Booneville, Ark., visited Irene
Doty Sunday of last week en route
home from Abilene where they
attended a retirement party hon-
oring Mr. Casada's sister who had
been a member of the ACC fac-
ulty many years.

John Warren returned home
from Arlington Saturday after a
visit with relatives.

A large crowd attended ser-
vices at the Baptist Church Sat-
urday for the ordination of their
young pastor, Douglas Jones of
Leuders. Rev. Jones graduated
from Wayland Baptist College at
Plainview at the end of the last
semester. Practically all local
members were present for the
ceremonies Saturday in addition
to his parents, Mr. and Mrs. Frank
R. Jones of Leuders; his sister,
Mrs. E. E. Roberts and husband
of Oklahoma City and many rela-
tives and friends from various
places were in attendance. Rev.
Jones is already living in the pa-
rsonage and will continue to reside
here as he also has employment
in Vernon.

Mrs. Flora Short and Mrs. Lin-
del McBeath and children have
returned home from Conroe and
Houston where they spent several
months during the illness and
death of Mr. McBeath. They ar-
rived here Tuesday.

The Joe Eavenson family and
Mrs. Aline Walkup have returned
with the Eavensons' infant daugh-
ter who was a patient in a Dallas
hospital several days. The little
daughter is very much improved.

Mr. and Mrs. Oscar Gentry and
Mr. and Mrs. Marion Gentry and
Dirk dined at Dutch's Restaurant
in Quanah Sunday, the occasion
being Marion's birthday. They vis-
ited Grover Cole and Fite Crow-
ell in a Quanah rest home.

**100 Million More
Americans in 30 Years**

"The number of Americans will
rise by about 100 million in the
next 30 years," reports the Iowa
Public Service Company. "That's
enough to fill a new city of 250,
000 people every month between
now and the year 2000."

**Jimmy Martin
Retires as Editor of
The Electric Times**

Mr. Martin's Father
Was Former Owner
of Foard Co. News

More than 43 years of service
in the newspaper field came to
an end May 1 as J. L. (Jimmie)
Martin retired from active service.
Martin, a former resident of
Crowell whose father was at one
time publisher of The Foard
County News, has been editor of
The Electric Times for the past
25 years. The Electric Times is a
publication of West Texas Util-
ities Company.

Lee Sleeper, assistant editor
since January, has been named
editor of the magazine.

Martin joined WTU in August
of 1945 and was assigned the
task of renewing publication of
the company's employee magazine
which had suspended publication
during World War II. Since that
time, Martin has published more
than 300 issues of The Electric
Times.

Born in Hale, Missouri, in 1906,
Martin moved to El Campo, Tex-
as, with his family in 1909. Mar-
tin's father, a pioneer West Texas
newspaperman, owned and op-
erated many Texas newspapers. It
was in one of these country
newspapers Martin began his long
career in the newspaper business.

Martin attended the public
schools in Crowell and Roysce City
and graduated from Roysce City
High School in 1924. He then
enrolled in Simmons College in
Abilene where he worked on all
of the college publications, served
as cartoonist on The Brand, was
art and layout editor of The Bron-
co and was editor of the 1928
Bronco.

Following graduation from
Simmons in 1928 with a Bachelor
of Arts degree in English and
history, Martin and his father
purchased the Heart 'O Texas
News in Brady which they op-
erated until 1931 when they pur-
chased the Childress Daily In-
dex. Two years later, they moved
to McCamey and operated the
McCamey News until they return-
ed to Brady in 1943 to operate
the Brady Sentinel.

Following the retirement of
Mr. Martin, the younger Martin
was employed at Curtis Field as
paymaster of the Brady Flying
School which was a contract fly-
ing school for the training of Air
Force cadets.

Shortly before the end of WW
II, the field closed and Martin
moved to Abilene where he began
his 25 years of service as the
editor of The Electric Times.

During that 25 years, Martin
has been awarded seven George
Washington Honor Medals by
Freedom's Foundation at Valley
Forge, Pa., for his efforts in help-
ing to promote a better under-
standing of the American way of
life.

In 1959 and 1960, the Electric
Times was awarded first place
in the Better Copy Contest spon-
sored by the Public Utilities Ad-
vertising Association.

In 1968, Martin was named to
Who's Who in the South and the
Southwest.

Mrs. Martin is the former Mari-
etta Sessions of Brady. The Mar-
tins were married in 1933 and
have two daughters and three
grandchildren.

The Martins are active mem-
bers of the Central Presbyterian
Church in Abilene where he is
serving as an elder and a teacher
of an adult Sunday School class.

An art professor has sculpted a
ball of baler twine 12 feet high
and containing 117,000 feet of
baler twine. The twine, over a
wooden frame, is coated with poly-
ester and weighs 1,100 pounds.

THE LEGGY LOOK—White
Stag chooses cotton terry in a
new "seersucker" version to
bring back a great fashion
look of the Thirties. It's a
long varsity beach jacket
covering the briefest of
shorts.

True Revival

In the days of Ezra, the proph-
et, Israel was in much the same
state as the Church today. Hap-
pily, however, some of the lead-
ers became convicted that they
had been neglecting the Word of
God—especially that part which
was addressed to them: the law
of Moses.

As a result they made Ezra
a pupil on which to stand and
read the Scriptures to the people
(Neh. 8:4). "From morning to
midday" he read to them, while
others mingled with the audience
and "caused the people to under-
stand."

"So they read in the book of
the law of God distinctly, and gave
the sense," with the result that
"all the people went their way
to eat, and to drink, and to send
gifts, and to make great mirth,
because they had understood the
words that were declared unto
them" (vers. 8,12).

Similarly, after our Lord had
explained the Scriptures to the
two disciples on the way to Em-
maus, they said to each other:

"Did not our heart burn with-
in us, while he talked with us
by the way, and while he opened
to us the Scriptures?" (Luke 24:
32).

Well-meaning groups and indi-
viduals have for decades been
praying in vain for a true spiri-
tual revival in the Church, but the
only sure road to revival is a re-
newed interest in the Bible—and
especially in what God there says
to us in the Epistles of Paul.

When we become convicted of
our neglect of God's Word; when
men of God "study" to "rightly
divide" its contents and begin
teaching the Bible from the pulpit,
a great spiritual revival will in-
evitably follow.

As we study the Word of God
in general, and His Word to us in
particular, we, like the Israelites
of Ezra's day, will experience the
joy of understanding God's love
letter to us.

**Foreign Virus
Disease of Horses**

A horse killer, Venezuelan
equine encephalomyelitis, is re-
ported to have been responsible
for the death of about 6,000
horses in southern Mexico in
1970. It has moved northward
from South America into Central
America and southern Mexico.

VEE is an infectious and often
fatal disease of the central nerv-
ous system of equines causing
mortality as high as 80 to 90 per
cent. Transmission of the virus
to man and animals is usually
through the bites of infected mos-
quitoes. The USDA warns live-
stockmen to be on the alert for
the disease.

**Newspaper Costs
Soar With New
Postage Rate**

Newspapers to
Get 142% Rise
in Postal Rates

Newspaper and magazine pub-
lishers lost their battle with the
postal service last week when,
according to a story in The Dal-
las Morning News, the Supreme
Court refused to block postal rate
increases which went into effect
Sunday, May 16.

After losing in two lower
courts, publishers turned to the
high court Saturday, May 15, ar-
guing that the rates were set il-
legally and would cost newspa-
pers and magazines a total of
\$850,000 a week.

But Chief Justice Warren E.
Burger denied the appeal for
emergency relief, giving no rea-
son. This opened the way for
the rates to become effective a
minute after midnight last Sun-
day.

Second class postage, which
newspapers come under, is
marked for a 142 per cent in-
crease in the postal service's
permanent rate package. The
increase would be implemented
over a 5-year period, making
the first year's increase about
28 per cent. Third class rates,
however (which includes all box
holder mailings in quantity)
will increase by only about 33
and one-third per cent.

**John S. Ray II
Drowned May 16**

John S. Ray II, youngest
grandson and namesake of the
late John S. Ray of Foard Coun-
ty, was drowned in Rose Lake,
Cook County, Minnesota, on May
16th. Mrs. John S. Ray of Ray-
land reported Tuesday that as
yet the body has not been recover-
ed.

He was a son of Mr. and Mrs.
Jo Ray of Westport, Conn.

More than 1,500 pounds of
flour, cereal products, sugar, po-
tatoes, fats, oils and eggs are
consumed annually by the average
American family of four.

"Did You Know?" queries Com-
merce magazine, that "One of ev-
ery seven employed American
does paper work—and that there
are now more paper shufflers
than farmers? Their pay accounts
for nearly 73 per cent of the
average office budget."

Recent Bride Is Honored Saturday Afternoon at Shower

A miscellaneous shower honoring Mrs. Ronald Schrank, the former Miss Bettie Ann Burkett, was given Saturday, May 22, from 3 to 4 p. m. at the community center.

Guests were greeted by Mrs. Kenneth Halbert and presented to the honoree, her mother, Mrs. Joe Burkett; her grandmother, Mrs. W. R. Womack; and her aunt, Mrs. Mattie Pinkerton from Tyler.

The bride wore a white carnation corsage that was presented to her by the hostesses.

Miss Peggy Claire Rasberry presided at the register.

The refreshment table was decorated in the bride's chosen colors, blue and green, and was centered with a flower arrangement with streamers containing the wording, "Ronald and Bettie Ann," extending from it.

Miss Sharla Haynie played appropriate piano selections during the calling hour.

The following young women, all former classmates of the honoree, assisted in serving: Misses Jan Welch, Cathy McLain, Pam Carter and Harriet Halbert and Mrs. Glen Doyle Goodwin.

Hostesses were Meses. H. H. Adkins, Jeff Bell, Henry Borchardt, Milburn Carroll, Delton Coffey, Crews Cooper, Cecil Driver, Dee Estes, Howard Ferguson, Juanita Gafford, Glen Goodwin, Kenneth Halbert, War-

Local Students in Spring Piano Recital Given in Vernon

Mrs. Leroy Connor presented her annual Spring Piano Recital in Vernon Thursday, May 20. Crowell students participating were Lesley Johnson, Carolyn Halsell, Anita and Hedi Vecera, Babs and Julie Streit. Of all of Mrs. Connor's students, Julie Streit received the award for making the highest score in the National Piano-Playing Auditions.

Earlier in May, these young pianists had played in the National Auditions. They all attained national member level which meant memorizing ten numbers and playing them before a judge.

Miss Laura Wright and Seth Halbert Plan July 2nd Wedding

Mrs. Martha Wright of Houston has announced the engagement of her daughter, to Seth Halbert. He is the son of Mr. and Mrs. Kenneth Halbert of Foard County.

The engaged couple plan to be married at 8 p. m., July 2, in the Berean Baptist Church of Houston.

Hobby Club Has Meeting at Thalia

The Foard County Hobby Club met in the home of Mr. and Mrs. T. R. Cates, Jr. at Thalia Thursday night. Mr. and Mrs. Pat Pittillo entertained with a showing of slides taken on a recent trip to New Orleans.

Mrs. Pittillo, president of the club since its beginning, and Mrs. Cressie Erwin, who will be moving to Shamrock as Mrs. Emmett Blakemore in June, were presented identical gifts of large carnival composites by the club.

Elmer Craft showed several newly-acquired antiques which everyone enjoyed seeing. The club decided to dispense with meetings through the summer months and next meeting is scheduled for the last Monday in September in the home of Mr. and Mrs. Bill Bell.

Women's Service League to Sponsor Child at Camp

Vernon Preacher Is Speaker at Last Thursday's Meeting

In a short business period last week, the Women's Service League voted to sponsor a child to Camp Portal, a day camp to be held at the Thalia gym.

Rev. Wendell Leach, pastor of the Texas Street United Methodist Church in Vernon, was guest speaker and told of the plans for an area-wide revival that is slated for August in the Wilbarger Memorial auditorium.

The WSL is most appreciative of a memorial check that has been made to the heart resuscitator fund.

Open Installation of Officers Planned By Eastern Star

Open installation of officers of Crowell Chapter No. 916, Order of the Eastern Star, will be at 8 p. m., Tuesday in the Masonic hall.

Directing the formal ceremony will be Mrs. D. Estes, installing officer; Mrs. S. H. Gentry, installing marshal; Mrs. Bob Thomas, installing chaplain; Mrs. Homer Black, installing organist; and Mrs. Charles Carroll, installing secretary.

Mrs. Pat Pittillo and Elton Carroll will head the new slate of officers. Hostesses for the social hour will include Meses. W. R. Moore, Laura McLarty, Elton Carroll, Arthur Bell and Charles Carroll.

Reception in Dallas Honors Major and Mrs. Stinebaugh

Former Crowell residents and Dallas area friends of Major and Mrs. Jim Stinebaugh honored the couple at a reception at the Village Glen Club in Dallas Saturday evening, May 15.

The occasion marked Major Stinebaugh's graduation from North Texas State University and his return to active duty in the U. S. Army.

Those attending included the honored guests; Mrs. Fran Coker, hostess; Mr. and Mrs. Bill Abston, Mr. and Mrs. Bobby Weiss, Dr. and Mrs. Paul Johnson of Lubbock, Mr. and Mrs. Don Gobin, Mr. and Mrs. Charles Gafford, Gordon Graves of Austin, Fred Barker, Joe Don Thompson, Mrs. Mike Mallicote and Mrs. Mack Pogue.

Major Stinebaugh is the son of Mr. and Mrs. Jack Stinebaugh of Crowell.

VFW and Bank Tied for Lead After Week of LL Play

Little League Program Begins Thirteenth Year

The thirteenth season of Foard County Little League play got underway Tuesday night of last week in the worst possible weather conditions—a high northwesterly cold wind and a severe dust storm.

The weather didn't interfere with the scoring for in the first game, VFW scored 30 points in winning over defending champion Farmers Elevator which was held to 2 points.

Terry Glover and Milton Tennell each pitched two innings for the winners, while Elevator pitchers were Randy Fish and Randall Russell.

The VFW's 30 runs were scored on 16 hits. Dean Hofmann got 1 hit and scored 5 runs; Sammy Neal, 1 hit, 1 run; Willie Bachman, 1 hit, 4 runs; Terry Glover, 3 hits, 5 runs; Tim Daniel, 0 hits, 2 runs; Junior Carroll, 3 hits, 4 runs; Milton Tennell, 2 hits, 4 runs; Marshall Reed, 2 hits and 2 runs; Jesse Henry, 1 hit and 2 runs; and Dan Gatewood, 0 hits and 1 run.

Steve Rodriguez and George Brown each got 1 hit and 1 run for the losers.

In the second game, the Crowell State Bank won 9 to 2 over the Foard County Mill. Pitchers for the Bank were Tommy Tappelen, Claudius Coleman and Jay Wall. Pitching for the Mill were Audy Dunham, Pat Norman, Myron Halencak, Dwain Dishman and Don Johnson.

For the winners, Coleman got 0 hits and scored 2 runs; Rocky Marlow, 0 hits, 1 run; Tappelen, 0 hits, 2 runs; Norman Hopper, 1 hit, 2 runs; Mike Cates, 0 hits, 1 run; and Tyrone Tucker, 1 hit, 1 run.

For the losers, Norman got 0 hits and 1 run; Dishman, 0 hits and 1 run; and Dunham, 1 hit and 0 runs.

The same two teams which won the opening night games repeated as winners on Friday night. In the first game the Bank won 10 to 8 over the Mill and VFW took a 19 to 3 win over the Elevator.

In the first game Friday night, the following Bank players either scored, or got hits or both:

Jay Wall, 0 hits, 2 runs; Claudius Coleman, 0 hits, 1 run; Tyrone Tucker, 1 hit, 2 runs; Tommy Tappelen, 0 hits, 1 run; Rocky Marlow, 2 hits, 3 runs; and John Klepper, 0 hits, 1 run.

Tappelen went all the way as Bank pitcher in this one.

For the Mill, Wesley Halencak got 0 hits, and 1 run; Myron Halencak, 1 hit, 0 runs; Audy Dunham, 0 hits, 1 run; Pat Norman, 0 hits, 2 runs; Dwayne Dishman, Mike Williams and Don Martin, 0 hits and 1 run each. Lesley Denton scored 1 run on 1 hit.

Don Johnson and Dunham were Mill pitchers.

VFW looked like the strongest team in the league after its second lopsided win of the week.

For VFW, Dean Hofmann scored 3 runs on 1 hit; Sammy Neal, 0 hits, 3 runs; Willie Bachman, 2 hits, 3 runs; Terry Glover, 0 hits, 3 runs; Kim Daniel, 0 hits, 2 runs; Oran Carroll, Jr., 3 hits, 1 run; Milton Tennell, 1 hit, 0 runs; Marshall Reed, 1 hit, 1 run; David Seidig, 0 hits, 1 run; and Jesse Henry, 0 hits, 2 runs.

Carroll, Hofmann and Tennell were the VFW pitchers Friday.

The Elevator did not get a hit Friday night, and scoring their three runs mere Donnell Banks, Ray Santos, and Dan Brown with one each.

Pitching for the Elevator were George Brown, Santos and Steve Rodriguez.

Baptists Plan to Fill Astrodome at Joint Mass Meeting

Plans to fill Houston's 50,000-seat Astrodome at the first joint meeting of nearly all major white, black and brown Baptist groups in Texas October 27 have been announced in Dallas by a statewide attendance committee of Baptist pastors and laymen.

Jimmy Allen of San Antonio, president of the 1.9-million-member Baptist General Convention of Texas, told the group that the historic mid-week meeting in the Astrodome is being called a Spiritual Spectacular.

Besides the BGCT, other conventions meeting that night under the dome include the Baptist Mission and Education Convention of Texas, the American Baptist Convention of Texas, the Missionary Baptist General Convention, and the Latin American Departmental Convention of the BGCT.

The U. S. farm labor force averaged 4,486,000 workers during 1970.

SUBSCRIPTION RATES
\$3.61 per year in Foard and adjoining counties.
\$5.16 elsewhere.

News from . . . MARGARET and Riverside

Mr. and Mrs. Melton Connell of Waco spent Saturday night with Mr. and Mrs. Frankie Halencak.

Thomas Ross of Flomot visited his cousin, Mrs. Dora Fae Etter, and Mrs. Myrtle Taylor Thursday.

Mr. and Mrs. J. E. Ingle and granddaughter, Kristi, visited Sunday in Vernon with his mother in the Cecil Ingle home. They also visited the Lee Blevins and Ray Tappelen families.

Miss Olga Lozano, daughter of Mr. and Mrs. Augustine Lozano, was married to Lupe Herrera at the Free Will Baptist Church in Crowell Saturday afternoon. A number of Margaret residents attended the wedding.

Mr. and Mrs. August Rummel attended freezer ice cream suppers for their sons-in-laws' birthdays: Wednesday for Charles Coker in Vernon and Monday for Leroy Hobratschek at Hinds.

Mr. and Mrs. Henry Hrabal of Black visited Mr. and Mrs. August Rummel Saturday night.

Mrs. Jack Lacy and Mrs. Hubert Price and Dawn visited Mr. and Mrs. Frankie Halencak and family Thursday.

Mr. and Mrs. Woodrow Williams of Fort Worth spent the week end with her mother, Mrs. W. R. McCurley, and sister, Mrs. O. C. Allen.

Mrs. S. B. Middlebrook of Vernon visited her mother, Mrs. W. R. McCurley, Thursday.

Mrs. L. B. Robertson visited her sister, Mrs. Jessie Gaebler, in Vernon Wednesday. She visited Mrs. Emma Schulz and Adelia Robertson in Lockett Sunday.

Mr. and Mrs. Paul Baggett of Lockett visited Mr. and Mrs. L. B. Robertson, Thursday.

Mr. and Mrs. J. C. Robertson of Vernon visited his brother, L. B., and wife Thursday.

Mrs. Thad Hopkins and Mrs. Freeman Hopkins of Zacaweista visited Mrs. R. L. Hudgens last Thursday afternoon.

Mrs. R. L. Hudgens, Mrs. L. B. Robertson and Mrs. C. F. Bradford attended the wedding of Olga Lozano and Lupe Herrera at the Free Will Baptist Church in Crowell Saturday and the reception in the Augustine Lozano home.

Mr. and Mrs. R. L. Hudgens and Mr. and Mrs. Benny Smith and son visited Mr. and Mrs. M. T. Gilbert at Paducah Sunday.

Mr. and Mrs. August Rummel attended the funeral of Adam Donges in Vernon Saturday.

Henry Faske received severe freeze burns by butane to his right hand one day last week.

Mr. and Mrs. August Rummel visited Wednesday with Mr. and Mrs. H. P. Roberts of Hoolyann in Vernon.

BY THE POOL—Here a snug, canvas sheltered room has been added to the outdoor poolside area. Canvas canopy is one of the most popular and practical ways of providing protection from sun, rain, and wind. Because of its flexibility, cotton canvas adapts readily to many imaginative and artistic treatments.

Funds Released for Rural Water System Loans

An economic boost toward the development of rural Texas was announced last week by J. Lynn Futch, state director of the Farmers Home Administration in Temple.

Futch pointed out that an additional \$12,600,000 has been released for the current fiscal year, through June 30, for rural water and sewer system loans in Texas.

He emphasized the need for rural residents desiring water and sewer system loans to move quickly. The state office of Farmers Home Administration must have completed loan applications for review and approval before June 15, 1971. Mr. Futch also said that more money would be available for the new fiscal year of 1972 than was available in this present fiscal year of 1971.

Jerry Johnson of Nacogdoches, president of the Texas Association of Rural Water Corporations, urged existing systems to take advantage of the current supply of loan money. "Many systems that have been operating for several years now need additional loan money to provide new consumer service and now is the time to take advantage of the \$12.6 million allocation for our state," commented Johnson.

Rural residents desiring additional information concerning the loan funds should contact their county Farmers Home Administration supervisor or the Texas Association of Rural Water Corporations in Austin.

About one-fifth of America's hay crop is sold. The remainder is fed to livestock on the farm where the hay is produced.

Card of Thanks

We just can't think right words to express our love for our many friends for their tender loving care they have shown us during our illness. We were so grateful for all the prayers and friends who said a word for us. We love you all and pray God's will be done. We were just wonderful people in the world, just happy family. We appreciate the lovely cards and letters.
Allen and Myrtle Merida, Ricker and 46-1tc

Card of Thanks

It would be impossible to express our gratitude to all the kindness shown by passing of our loved one, Brittain. Thanks so much for lovely floral offerings, food, memorials, for prayers and each expression of love will forever be grateful. God will richly bless all who helped.

HIGHEST LIONS HONOR TO BOB HOPE

Comedian Bob Hope accepts the 1971 Lions International Humanitarian Award from Dr. Robert D. McCullough of Tulsa, Oklahoma, President of the world's largest humanitarian service organization.

The award was given to Hope for his continuous efforts and work in behalf of sight conservation and eye research, one of the major concerns of Lions Clubs throughout the world. The presentation was made this past weekend in Washington, D.C., because film commitments will prevent Hope from attending the Lions world convention in Las Vegas this June.

Wheat Producers Board Organized May 18 in Amarillo

John Cogdell of Crowell Draws Two-Year Term on Board

The Texas Wheat Producers Board authorized in a 34-county area referendum May 11, was officially organized May 18 in Amarillo at a joint meeting of the newly-elected producers' board members and the officers of the Texas Wheat Producers Association. The association was sponsor of the referendum and election which authorized a half-cent per bushel self-assessment on wheat produced in the area. Proceeds from the program will be used for development projects designed to strengthen wheat producers' income, according to Kenneth Kendrick, who was elected chairman of the newly established board. Kendrick is from Stratford. Other officers elected at the formation meeting were: Dwight Hamilton of Olney, vice-

chairman; and C. L. Edwards of Panhandle, secretary-treasurer. In a drawing for terms of office to establish a revolving board, six-year terms were drawn by Dwight Hamilton of Olney, Otis Harman of Tulsa and Kendrick. Four year terms will be served by W. R. Moore, Jr. of Munday, C. L. Edwards of Panhandle and N. F. Renner of Spearman.

Two-year terms were drawn by John Cogdell of Crowell, Leo Witkowski of Hereford and Delbert Timmons of Perryton.

The newly-established wheat producer board authorized the Texas Wheat Producers Association to initiate and administer the collection program and other business related to the use of funds supervised by the board.

Bill Nelson, executive vice president of the association, will act in the same position for the producers board. In other action the board set the level of assessment for the 1971 wheat crop at the full 1/2 cent per bushel level provided in the referendum and will reset it annually between the 1 mill and 5 mills allowed.

Other resolutions necessary for initiating activities of the newly-elected board were adopted. While the law under which the commodity board operates including the wheat producers board is very specific on the use of funds for research, market development, disease and insect control, no specific provisions were discussed at the initial meeting and none will be considered until adoption of an official budget approved by the Commissioner of Agriculture when proceeds from the 1971 crop collections are available.

Preliminary Study On Pease River Dam Is Started

Two representatives of the Tulsa District of the U. S. Army Corps of Engineers arrived in Vernon Wednesday of last week for a two-day preliminary study of the feasibility of a proposed dam across the Pease River near Crowell.

John A. Sparlin, chief of the project evaluation section, and Ken Perry, project engineer for a study of the Red River and tributaries above Denison Dam, met with Ed Lehman Jr., chairman of the Wilbarger Soil and Water Conservation District; Wilbarger County Judge Bobby Arnold and professional District Conservationists John McAlister of Crowell and Frank Duncan of Vernon prior to a tour of the flood plain area below the proposed dam.

They planned to visit the Bill Bond ranch where bank erosion forced moving of a house, and other specific areas.

They scheduled an overflight of the entire area to be studied before more detailed on-site studies.

Mr. Sparlin said his responsibility would be to determine the benefits of the proposed project for domestic water supply, bank stabilization, flood control, irrigation and recreation.

Mr. Perry said he would seek to determine the kind of project needed and costs.

Feasibility of the project would be determined on the basis of whether the combined benefits of the proposed reservoir would equal or exceed the expected costs of the project.

Mr. Sparlin said the best opportunity for funding the project, with stiff competition nationwide for funds, would likely depend upon the ratio by which benefits exceed costs.

A feasibility study of the proposed project has been endorsed by the multi-state Red River Valley Association.

Hearings on Red River Valley Association proposals, including the proposed Pease River Dam, which would be located near Crowell and the site of the new Copper Breaks State Park on the Pease River just off State Highway 283 between Crowell and Quanah.

(Editor's note: The Pease River project has been discussed for many years. In fact in the 30 years ago column this week, the late M. S. Henry of Crowell and R. H. Nichols of Vernon had just returned from Washington where they attended to business in connection with the Pease River Flood Control project.)

Miss Villarreal Is May 13 Graduate of Clarendon J. C.

Miss Trinidad Villarreal, daughter Mr. and Mrs. Elias Villarreal of Vernon and former resident of Foard County, was graduated from Clarendon Junior College in exercises conducted May 13.

A 1966 graduate of Crowell High School, she will attend West Texas State University at Canyon next fall majoring in education. Miss Villarreal is presently employed as teacher's aide.

Lots of Letters

The United States Postal Service says mail volume during fiscal 1971 is expected to total 86 billion pieces. How much mail is that? Well, if you started at the birth of Christ to sort one piece per second, you still wouldn't be done sorting the 86 billion pieces. (You'd also be old and tired.)

More Emergency Loan Funds Expected for Texas

Applications Now Being Taken for Emergency Loans

Emergency loan funds are available, applications are being taken, and more money has been requested to combat the serious effects of the drought which grips Texas, Lynn Futch, state director of Farmers Home Administration, said last Friday.

President Nixon has asked Congress to add \$65 million to the fund from which FHA finances its nationwide emergency farm loan program, Mr. Futch said.

The Farmers Home Administration has already made 1,503 emergency loans totaling \$15 million to farmers and ranchers in Texas to help them overcome the disastrous effects of the drought which has scorched parts of the state since the spring of 1970.

Emergency loans are made to enable farmers and ranchers to continue normal operations which have been disrupted by natural disasters. These loans previously were available in 53 Texas counties, and last month the Secretary of Agriculture increased the number to 235 counties.

The impact of the drought has centered primarily in Texas and Oklahoma, but Mr. Futch said that emergency loans may be made outside of designated areas to eligible applicants who have suffered severe losses as a result of the drought.

Current interest rates on emergency loans are 4 and 7/8 per cent, repayable as soon as possible consistent with the financial ability of borrowers, Mr. Futch said.

Applications for the loans may be made at the FHA county office at 1625 Texas Street, Vernon, or Huey R. Price, county supervisor, who will be in the FHA office located in the basement of the Foard County court house in Crowell the first and third Monday of each month.

Standards Listed for Choosing Children For Summer Program

Supt. Larry Jones has listed the following federal guidelines under which children are selected to attend the two-month summer recreational program started this week at the Neighborhood Center:

Children are eligible when a family of 2 has an annual income of \$2,520 or less; three people, \$3,120; four, \$3,720; five, \$4,270; six, \$4,820; seven, \$5,320; eight, \$5,820. Each additional family member adds \$450 to the annual family income requirement.

Mr. Jones said also that children coming from homes where Spanish is the predominant language are also eligible to attend.

He added, "I want to express my sincere wish that the school could be opened to everyone, but this is a federally-funded program specifically for children qualifying under Title I and these requirements are listed above."

Columbian Club

Following are reports of the last three meetings of the Columbian Club. April 14 the club members toured the Gafford-McAdams museum. Refreshments were served at the home of Mrs. D. R. Magee. On April 28, the club met in the home of Mrs. Robert Hammonds where "Women's Lib" was the subject. On May 11 at the home of Mrs. H. P. Gillespie at Truscott, each member showed a keepsake or family heirloom and gave the history of it. The next meeting of the club will be in September.

About eight million tons of wild hay, including prairie grasses, were harvested by farmers and ranchers in 1969.

Violations Noted by Disability Insurance Beneficiaries

There has been a noticeable increase in violations by disability insurance beneficiaries who return to work without notifying Social Security Administration, according to Wayne Klipping, social security manager. Sometimes employers, because of misunderstanding of the law, also fail to report correctly wages paid disabled employees.

Klipping reminds employers to be wary of any device or scheme to avoid proper reporting of wages earned by disability beneficiaries. Employees often ask their employer not to report their wages or to disguise their earnings as special payments, sick pay, etc.

Not only is the employer liable for proper reporting of wages, the disability beneficiary is responsible for reporting his return to work. The Social Security Administration must be advised of any work activity of persons receiving disability benefits.

Most people drawing social security disability benefits are entitled to a trial work period in which they test their ability to work for as many as nine months. Disability checks continue during this period no matter how high earnings are.

Employers having questions about reporting obligations should call or write the Vernon social security office.

PEEK-A-BOO — Hotpants check out for summer in a pint-size version. Peek-a-boo coverage is provided in a maxi-length cotton dress of sugar plum stripes. Rick-rack outlines the dress, and a checked sash ties it all together. By Joni J of Dallas.
