Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.
