## BLOODMOBILE SETS VISIT TO COUNTY

The Red Cross Bloodmobile will make its semi-annual visit to Crowell on Wednesday, October 6, from 2 until 6 p. m. at the community center.

Officials hope to obtain 55 pints of blood as Foard County citizens have failed to meet the quota at some prior visits. A new system has been inaugurated whereby donors can schedule a specific time they will come

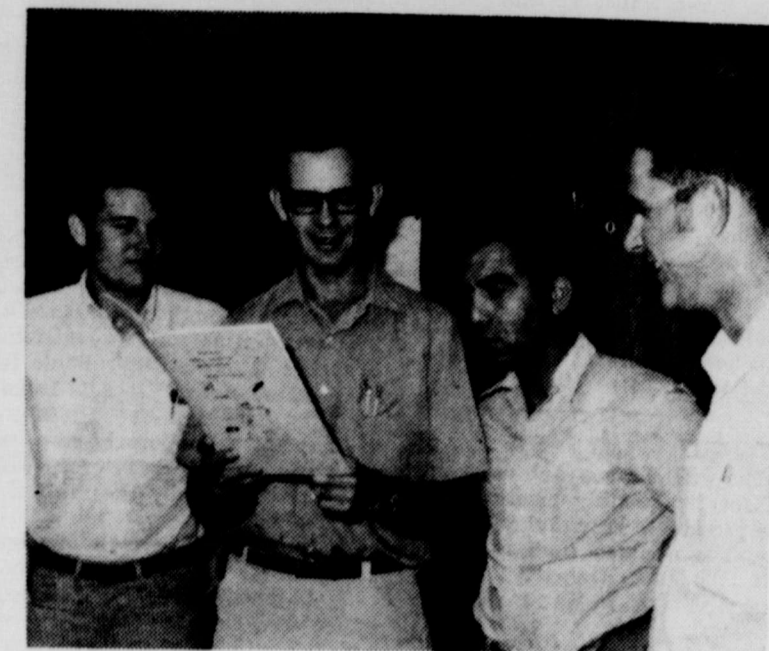

### Richard Statser on Distinguished Student List at Tarleton

Richard L. Statser, a Tarleton State College student from Crowell, has been named to the Distinguished Student List for the spring semester, 1971.

In order to be named to the Distinguished Student List, a student must post a 3.25 grade point ratio on Tarleton's 4.0 system with no grade lower than "C."

### Hightower Named to Interim Committee

Lt. Gov. Ben Barnes announced last week the appointment of Sen. Jack Hightower to the state interim committee on Texas youth. The committee will study problems pertaining to Texas youth, including drug abuse, juvenile delinquency, lack of communication, and breakdowns in the present judicial disposal of young offenders. The committee will report to the 63rd legislature.

VISIT IN CROWELL—John McAlister, right, was host last week to three out-of-town visitors to the Foard County Soil Conservation work unit. On the left is Allen Vaughn, SCS biologist from Amarillo; Wayne Chapman, area conservationist of Vernon and Muhammad Awina of Tunisia, who was in the U. S. for 15 weeks studying soil conservation practices.

### For 8 Area Counties

## Labor Survey in Progress Relative to Economic Development Program

An area labor survey, the first step in an accelerated economic development program, will be taken in Foard County and surrounding counties and cities served by the Four Winds Industrial Foundation beginning this week. Counties in the area that are covered by the survey include Cottle,

these applications in the newspaper are for the convenience of those that cannot come by one of the designated locations and personally fill out a TEC employment application. Even though persons may have previously filled out a TEC application, you are requested to come by and check with the employment office.

In Foard County, application forms may be obtained and delivered from 8 a. m. to 5 p. m. at the EOAC office and Neighborhood Center.

Assistance in filling out the forms may be obtained at either location.

The labor survey is being conducted jointly by the Four Winds Industrial Foundation, Economic Opportunities Advancement Corporation with headquarters in Crowell, Texas Employment Commission, chambers of commerce and the Community Action Agency in each community.

Felix Taylor, EOAC executive director, pointed out that every person interested in seeking employment in a potential industry in this area, whether presently employed or not, should take part in the labor survey. "This information will be used to help develop new job openings and increase the economic opportunities for all the people of this area," he added.

Henry Black, chairman of the EOAC board in Crowell, stated, "We must have information concerning the labor force in the area before we can get involved in serious negotiations with industry."

Heading up the economic development project in this area is Ernie Larmer of Larmer & Associates of Fort Worth, a firm employed by the Four Winds Industrial Foundation, and Keith Vaughn of Austin, economic development specialist, who has been assigned to this area to work with the EOAC by the Texas Office of Economic Opportunity.

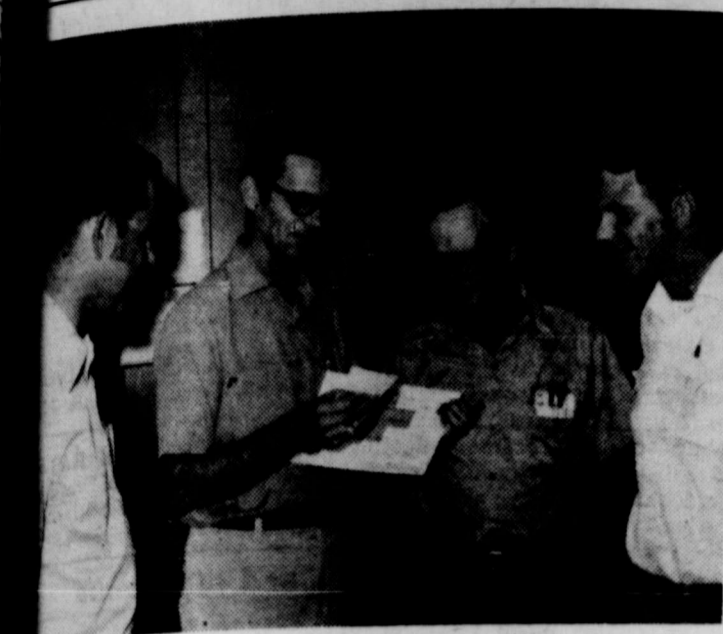

### Questionnaire on Page 8

Foard, Hardeman, Childress, Hall, Motley, Collingsworth in Texas, and Harmon in Oklahoma.

The up-to-date survey will be provided to prospective industries which are now considering possible locations in the area. This labor information is one of the most important factors in final negotiations with plants that would locate in the area.

Application forms are printed in this issue of The News. These are to be filled out and mailed to the address printed on the application form no later than Friday, October 8.

It is important to note that

RECEIVE AWARDS—Wayne Chapman (second from left) a conservationist of Vernon, is shown above as he presented Foard County Soil Conservation Service personnel with safety awards. On the left is John McAlister and on the right are Andrew Fielder and Henry Bogusch. Mr. Fielder received a year safe driving award and the local unit received certificate in recognition of 15 years without a disabling injury or vehicle accident.

### Score Is 32-7

## CROWELL WILDCATS ROLL OVER ELECTRA

Crowell Wildcat football continued its winning ways Friday night by rolling over the AA Tigers 32-7 on a slippery field.

Wildcats exploded for 25 during the first half. With left in the first quarter, the team's Randy Dorsey ran a trap over the left side of the line and off and running on his to an 81-yard touchdown. The kick for extra point. And with 3:19 remaining in the opening period, quarterback Driver capped a drive with a 16-yard run around left end. Wildcat's run for two-points failed.

The Tigers managed their lone score in the third quarter after the Wildcats were hit by two major penalties and then had a punt blocked.

After taking over the ball after the blocked punt by big Mike Kiselwick, on the Crowell two, quarterback Bryan Dunson rolled around left end for the score. He also booted for the extra point.

The Wildcats put the finishing touches to the game in the fourth period when sophomore tackle Allen Tapp knocked the ball out of the Electra quarterback's hands, and pounced on the ball deep in Tiger territory. The score came on a 10 yard run around right end by Farrar. Bachman again kicked the point after.

Dorsey was the leading rusher for Crowell with 100 yards on 8 carries while quarterback Driver carried 18 times for 63 yards.

In the pass catching department Harry Lee Swan caught 5 for 89 yards and Johnny Urquiza caught 2 for a total of 45 yards.

Drexel Sales was the top gainer for Electra with 57 yards.

All the Wildcats were standouts and their names are listed in the other football article appearing on this page.

### John Johnson, Former Crowellite, Died in Dallas

John Johnson, 50, Crowell native, died at his home in Dallas Monday, Sept. 21, following a long illness.

Funeral services were held at 10 a. m., Thursday, Sept. 23, in the First Baptist Church in Dallas.

Mr. Johnson attended Crowell schools and was an outstanding football player here back in the 1930's. He had lived in Dallas many years.

He is survived by his wife; one daughter; his father, L. V. Johnson of Llano; and two sisters, Mildred Armstrong of Fort Worth, and Mrs. Doris Golden of Dallas.

Funeral services were held at 10 a. m., Wednesday, Sept. 29, at the First Methodist Church in Crowell conducted by Leslie Thomas. Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Sidney Ray Black was born in Knox County November 3, 1929. He had been a resident of Houston for 7 years and was a store manager. He was married to Nancy Waters of Springfield, Ill., on Feb. 19, 1963.

Mr. Black was a veteran of 12 years service in the U. S. Navy, and was a member of the Methodist Church.

Survivors include his wife, Nancy; one son, Sidney Ray Black, both of Houston; his parents, Mr. and Mrs. Homer Black of Crowell; one brother, Howard Lee Black of Fort Worth; two sisters, Mrs. Nettie Herring of Baird and Mrs. Faye Johnson of Thalia.

One new vehicle was registered here last week: Sept. 23, Tom Hudson, 1971 Chevrolet coupe.

There are only five Wildcats who start at both offense and defense: Naylor, Matysek, Bachman, Farrar and Neal.

### Weekly Schedule Sept. 27-Oct. 1

Monday: FHA mother-daughter salad supper.  
 Wednesday-Friday: parent-teacher conference 2:30 to 3:30. Junior varsity vs. Quannah (there) 8 p. m.  
 Friday: varsity vs. Knox City here, 8 p. m.

### Parent Conferences—A Link Between School and Home

School will be dismissed at 2:30 on Wednesday, Thursday and Friday for parent conferences. All parents are urged to take advantage of this opportunity. The conference can be a means to promote a better understanding of students by both school and home.

### Seniors

With six weeks tests over for the first six weeks, seniors relaxed once more into the problems of each day's busy schedule. Many seniors took the opportunity offered this week to regis-

ter for the ACT and SAT tests which they need for college enrollment. These highly respected tests will both be administered in Vernon. The ACT is first, being on Saturday, Oct. 16. The SAT is scheduled three weeks later on Nov. 6. Looking past these tests, we see college beckoning in the ever-near future. It is sometimes hard to realize that we have reached the point in our careers to which we have looked so long.

### The Junior Journal

If you have noticed the juniors wandering around with a dazed expression muttering something like "... one kilometer equals the past participial of a binomial Oliver Cromwell ..." don't be alarmed. It's only one of many confused persons still recovering from the tests last week. Six weeks tests are rather frightening, aren't they?

The annual FHA mother-daughter salad supper was held Monday night when the new officers were installed. Junior officers of the organization include Trudy Bird, second vice president; Rhonda Vercera, third vice president; Darla Bell, treasurer; Babs Streit, parliamentarian; and Cindy Wisdom, sergeant at arms. Other junior members are Ruth Brown, Sharon Brown, Veda Everson, Karen Gray, Irma Quintero and Christine Walker. Remember that this Friday night the Wildcats will **NEUTRALIZE KNOX CITY!**

### Sophomore News

Well, the sophomores have survived through another week of school. Six weeks tests added to our burden, but we somehow managed to get by. We've managed all right so far, but how about when report cards come out on Wednesday? It will be back to studying every night, and then some.

The Wildcats take on Knox City Friday night here and they've really been doing a great job this

season, so let's be sure to get out and let them know we're behind them all the way.  
**GO CATS!**

### Freshman Frolics

The freshmen have already completed the first six weeks of high school as you can tell if you happen to hear us moaning about our report cards or our faded sun-tans. For a while, we thought everyone was against us when first we couldn't have our hayride because of rain, and then the teachers handed out report cards. Things aren't as bad as they seem- ing at first, though. Our hayride will be on Oct. 31 and we have five whole weeks before we need to worry about report cards again.

The band, the football teams, and the pep squad are doing very well, and in closing this week we would like to say to the Wildcats: Eat 'em up! Beat 'em up! Rah! Rah! Rah!

### Drama Club News

The CHS Drama Club met Sept. 21 for its monthly meeting with the president, Trey Autry, presiding. The minutes were read and roll called by Carolyn Jones, secretary. There were 16 members present.

The old business consisted of reports from the various committees which had been appointed. They led a discussion on the thespian points. As the year goes along, anything done pertaining to drama gives the members ten points. When a member earns ten points he is a member of the National Thespian Society.

The group discussed various plays that could present this year. With high hopes for this year's activities the meeting was adjourned.

### Sports

Crowell Wildcats had another victorious game Friday night when they traveled to Electra and won 32-7.

Randy Dorsey ran 80 yds. to open up with the first touchdown of the game. Rex Driver drove 18 yds. for the second touchdown.

Harry Lee Swan started the second quarter off just fine when he caught a pass from Driver and broke loose for the third touchdown. Terry Farrar scored from 1 yd out. Rocky Bachman kicked the extra point. This made it 25 to 0 for the first half.

Second half, Tigers scored their first and only touchdown for the night.

Fog kept moving in but that didn't keep the Wildcats from making the final touchdown. Terry Farrar made a charging run and Bachman kicked for the extra point. The score then ended 32-7. The defense, known to Wildcats fans as the Wild Bunch, looked tough as usual. They held Electra to 35 yards.

The junior varsity went to Vernon Saturday morning and were defeated 6-0 by Vernon freshmen team. Thursday junior varsity will travel to Quannah and meet with the Indians at 8.

At 8 Friday night, Crowell will host Knox City Greyhounds. Knock Knox City!!

### Cafeteria Menu October 4-8

Monday: ham, creamed potatoes, green beans, celery stick, hot roll, pineapple cobbler, milk.

Tuesday: pinto beans, sausage links, spinach, cabbage, pepper, carrot slaw, corn bread, apple-sauce cake, milk.

Wednesday: fried chicken, gravy, English peas, whole potatoes, carrot sticks, hot roll, Jello with fruit, milk.

Thursday: fish with tartar sauce, blackeyed peas, tossed salad, creamed potatoes, hot rolls, chocolate pudding, milk.

Friday: hamburgers, lettuce, tomatoes, onion, pickles, cheese slices, apricot cobbler, milk.

### From the News ...

## THIRTY YEARS AGO

News items below were taken from the Thursday, Oct. 2, 1941, issue of The Foard County News:

The Floydada Whirlwinds will be the opposition for the Crowell High School football team Friday night at Wildcat Stadium. The Wildcats won a hard-fought game 20 to 12 over the Quannah Indians last Friday night.

A rainfall which started Sunday morning in light showers has continued throughout the week until the total amount as registered at the Crowell State Bank is 2.20 inches. Heavy, steady rains continued throughout Tuesday. This has put a temporary stop to cotton picking but wheat prospects are made brighter by the rainfall.

Lt. Sam T. Crews, son of Mr. and Mrs. S. T. Crews, who has been stationed at Camp Wallace, is here on a visit with his parents and friends before he leaves for Hawaii where he has had orders to report for duty. He will sail from San Francisco on Oct. 11. Lt. Crews is in the Coast Artillery branch of the service.

Joe Eddy, Jr., who was returning to Camp Bowie at Brownwood after a week end visit here, was seriously injured in an automobile accident Monday morning about 12 miles south of Seymour.

Among the students at Texas Tech this fall are Margaret Long, Ted Crossnoe, Joe Wallace Beverly and Bill Klepper.

Mr. and Mrs. Warren Everson and sons, Jimmy and Billy, spent from Saturday until Monday with his sisters and brother at Pampa.

Mr. and Mrs. L. E. Painter, former residents of Margaret, moved Monday from Ada, Okla., to the J. S. Smith farm.

Clyde (Sonny) Eddy, who has been in Los Angeles, Calif., for some time, arrived home Tuesday. He went on to Olney to be with his brother, Joe Eddy, who was injured in a car wreck Monday morning.

Mr. and Mrs. Doyle Sparks and children moved Sunday from the Black community to the W. B. Johnson ranch in Hardeman County across the river from Margaret. Mr. Sparks is employed by Mr. Johnson.

About 100,000 veterans of World War I marched before a cheering throng estimated at a million, in Milwaukee, Wis., in parade attending their 23rd annual convention. Tens of thousands of people had poured into the city to view the spectacular demonstration.

Final papers relative to the purchase of two farms in Foard County were filed with the county clerk during the past week by Julian Wright, local administrator of the Farm Security Administration. These farms were purchased under the Tenant Purchase Plan by Richard C. Johnson and Glenn S. Shook.

Fred Gray of Thalia returned to Austin Thursday to enter Texas University.

Mrs. Luther Tamplen and daughters, Mildred and Virginia, spent the week end in Whitesboro visiting relatives.

Mrs. David Johnson of Clarendon spent the first part of last week visiting her daughter, Mrs. Grady Halbert, and family at Foard City.

### Red River Baptist Camp Cabins Are Being Sold

Bids are now being taken for the twenty-six cabins located at the Red River (Jo Ann James) Baptist Youth Camp in Vernon. These cabins may be examined at the camp at any time between 8 a. m. and 5 p. m. on any day of the week except Sunday.

Anyone interested should send their written sealed bid to Box 2017, Vernon, Texas 76384, before October 15, 1941. The bids will be opened on Saturday, Oct. 16, at the camp site. The bid should give your name and address, the amount of the bid and the cabin number on the cabin on which you are bidding. Any cabin purchased must be removed by December 16, 1941. The owner reserves the right to refuse any and all bids.

Texans spent \$283 million on new autos from 1,700 franchised dealers last year. All new car dealers after December 1 must have special license from new Texas Motor Vehicle Commission.

## Rock Collecting Leads Couple to Making of Jewelry

By Mrs. Ray Shirley

On the west side of the square in Crowell is a shop called "Pittillo's." Almost anything from rocks, minerals, bottles, to old relics and odds and ends that someone will trade for, will be found there. An interesting story is behind this little shop.

Seven years ago while building a rock fence around their yard, Mr. and Mrs. Pat Pittillo began to notice the beauty and unique quality of the rocks they were stacking. On their jaunts to the country, they began to be particular in their search for extraordinary rocks.

It wasn't long before they heard of a rock swap at Fort Belknap which they attended, and that rock fence interest has mushroomed so that now their vacations are spent finding out-of-the-way haunts for collecting rocks, minerals and other memorabilia.

Mrs. Pittillo says their most exciting trip was in April of 1937 when they went down into the old Kelly mine at Kelly, N. M. They descended 700 feet to the floor of the mine in an ore bucket, and then walked a half a mile in the mine itself to collect smithsonite. At deserted mines in Bingham, N. M., out of a record 68 different minerals located there, the Pittillos collected 28 including fluorite and malachite, azurite, lead and zinc specimens.

Rock collecting has led Mrs. Pittillo into jewelry making. She and her husband cut and polish their own stones. They cut slabs from rocks with a diamond saw, and then use a template to get the pattern. A trim saw trims the pattern out and edges are smoothed with silicone carbide wheels. From this point, they use coarse to fine polishing compound to polish the stones.

Mountings for the jewelry are usually purchased ready-made, though Mrs. Pittillo has used twist-craft in fashioning gold wire into intricate designs around stones. Her jewelry is made by special order, and its price varies, depending upon the type of stone and the cost of the mounting which may include diamonds or other precious or semi-precious jewels.

Although her husband cuts and polishes stones, his main hobby is his mineral collection and his B-12 collection has won first place and several trophies at gem and mineral shows held under the rules of the American Federation of Gem and Mineral Societies.

This rock-hound couple generally takes in three shows a year. For the last six years, they have attended all area shows in Wichita Falls and the South Central Federation shows—the last being in New Orleans this past April.

Both are qualified judges under the American Federation rules. Mr. Pittillo is a mineral judge and she is a lapidary and jewelry judge. Of course, when they judge—such as for shows held recently in Lubbock and Plainview—

**Mrs. Thomas Worley  
Died in Bakersfield,  
Calif., on Sept. 19th**

Mrs. Mattie Worley, long-time  
resident of Foard County and a  
daughter of the late Mr. and  
J. R. Ford, died Sept. 19.

The eldest of 15 children, she  
was born in Ellis County, Texas,  
on April 8, 1886. In 1906, she  
moved to Foard County with her  
parents and on July 8, 1908, she  
and Thomas F. Worley were mar-  
ried. They observed their 63rd  
wedding anniversary July 8, 1971.

To this union was born 11 chil-  
dren. Her husband and nine chil-  
dren survived her. Two children,  
her parents, four brothers and  
three sisters preceded her in death.  
She is survived by four brothers,  
Robert Ford of Stafford, Mo.,  
Mack Ford of Orange, Oran Ford  
of Thalia and Bill Ford of Chey-  
enne, Wyo.; sisters, Bertie Bell  
of Yucaipa, Calif., Lena Thompson  
of Newcastle, Wyo., Lela Nolen  
of Odessa, Gertrude Hoge of Post.  
She is also survived by the nine  
children, a large number of grand-  
children, great grandchildren and  
one great grandchild.

Mrs. Worley and her husband  
had made their home in Bakers-  
field, Calif., since January 1959.

**Sellers Shines as  
West Texas Freshmen  
Defeat Wichita State**

Kenneth Sellers of Crowell had  
an important part in the West  
Texas State University freshman  
football team's win of 23 to 7  
over Wichita State Saturday af-  
ternoon at Canyon.

Kenneth's first reception was a  
46 yard pass from WT quarter-  
back Mike Wartes. Sellers, a 6-0,  
160-pound tight end would have  
gotten the tally on the pass play  
had he not lost his footing as he  
reached for the ball.

The Wartes-to-Sellers passing  
combination accounted for the final  
WT score. Operating from the  
West Texas 24, Wartes went back  
into a pocket, calmly waited for  
the lankey end to clear the de-  
fenders and put the ball in his  
arms at the Wichita 35. According  
to the Sunday Amarillo News-  
Globe, "Sellers never looked back  
and made child's play of outrun-  
ning the Wichita safety."

**Fertilizer Costs  
Expected to Increase**

It looks as though farmers can  
expect their fertilizer bill to go  
up this year. U. S. Department of  
Agriculture officials are predicting  
a 10 per cent increase in fertilizer  
prices over those in 1970. The  
reasons—rising wages, costs of  
raw materials, and transportation  
charges. Fertilizer prices started  
to inch their way upward last year  
after reaching near-record lows  
in 1969.

**Big Push on to  
Revise State Auto  
Insurance System**

By Bill Boykin  
Texas Press Association

Austin, Tex.—A big push is on  
from the top to bring about drastic  
revision in the state's auto  
insurance system which is the sub-  
ject of increasing criticism as  
rates go up nearly every year.

Gov. Preston Smith at the re-  
cent national governors' confer-  
ence in San Juan, Puerto Rico,  
once more reaffirmed his support  
of competitive rates and "no-  
fault" insurance.

State Insurance Board member  
Larry Teaver at the same confer-  
ence announced a wide-ranging  
survey will get under way with  
a view to switching to competitive  
rates and "no-fault."

The survey will be financed  
with a \$175,000 appropriation to  
the insurance board for research  
purposes. Teaver said out-of-state  
specialists with no industry con-  
nections will be called on to ad-  
vise the board.

"I want the study approached  
from a consumer standpoint and  
not for the companies' benefit,"  
Smith announced.

Under no-fault insurance, in-  
sured accident victims are com-  
pensated regardless of who was  
at fault. Instead of buying liabil-  
ity insurance to cover losses of  
others, a driver under the no-  
fault system buys coverage that  
pays for his loss in spite of who  
was at fault.

Pennsylvania Insurance Com-  
missioner Herbert S. Denenberg  
told the nation's governors in  
their recent conference that the  
federal government will move to  
set up a national no-fault system  
if states don't act to create a  
reasonably uniform and adequate  
network of laws.

Massachusetts Gov. Francis W.  
Sargent claimed the plan saved  
motorists \$76 million in premium  
charges in his state this year.

American Trial Lawyers Asso-  
ciation members oppose no-fault  
as reducing legal rights of acci-  
dent victims to sue for fair com-  
pensation on all losses.

**TEACHER PAY SNAGGED**

After a series of reverses, the  
Cost of Living Council finally con-  
cluded that a Texas school teacher  
to get a pay raise during the  
freeze period must have been at  
work before August 15 or have  
received recently an advanced col-  
lege degree.

COLC first indicated that most  
teachers could get raises if their  
contracts were effective before  
August 15, then changed its po-  
sition the same day.

Gov. Preston Smith and the  
State Comptroller's office hold  
different views on timing of a  
special session of the legislature  
to pass the second half of the  
1972-73 budget.

Smith apparently wants to wait  
until next June—when primary  
elections are over and a longer-  
range look at possible tax revenue  
is available.

Comptroller's aides voiced con-  
cern that a session delayed that  
long could not produce needed  
new revenue by September 1,  
start of the state's fiscal year. A  
sales tax increase, for example, in  
April would not produce money  
to the state from merchants until  
the end of July or early August.

Smith was unimpressed:  
"He (Comptroller Robert S.  
Calvert) is not the governor,"  
Smith noted.

Smith's veto of the second year  
of the biennial spending bill neces-  
sitates a complete rewrite in special  
session sometime within the  
next year. A special session would  
have been required, anyway, since  
the 1971 legislature did not pass  
a 1973 welfare appropriation.

"The people are not too anxious  
to have the legislature in special  
session," Smith said. "The longer  
we can delay, the better position  
we will be in for the comptrol-  
ler to give an accurate revenue  
estimate (for the next year) and  
to determine revenue needs of the  
state."

The governor indicated strong-  
ly, however, that if a special ses-  
sion is necessary to redistrict the  
House of Representatives, budget-  
ing and reapportionment probably  
will be considered at the same  
time. He controls the timing and  
subject matter of special sessions.

"If we can get by with one  
special session, we sure don't want  
to have two," Smith said.

**Porch Sale**

The Adelpian Club of Crowell  
will have a sale Sat., Oct. 2, 8  
a. m. to 4 p. m. on the front  
porch of the club house. Everyone  
is invited to attend. The club has  
45 members and many interesting  
programs are planned for this  
year. The money from the sale  
will be used to repair and for  
the upkeep of the club house.

**Band Booster Club  
Met Sept. 20**

The Band Booster Club met on  
Monday night, Sept. 20, in the  
band hall with a large number of  
parents on hand to hear Supt. Lar-  
ry Jones speak about the new  
bookkeeping program in the  
school. "This manner of bookkeep-  
ing will be beneficial to each ac-  
tivity of our school," Jones said.

C. O. Cobb presided over a short  
business meeting and Travis Ver-  
cera gave a financial report.

A club spokesman stated, "We  
would like each parent to know  
that all money made or donated  
to Band Booster Club will be used  
by the club as we wish to use it."

**Lemon Selection**

When buying lemons, remember  
they should have a glossy skin,  
say extension foods and nutrition  
specialists. A slightly green tint  
on the skin has no effect on juici-  
ness, but smooth-skinned lemons  
usually have more juice than  
rough-skinned types.

**Soil Conservation  
Service Has Visitor  
From Tunisia**

Muhammad Awina, a citizen of  
Tunisia, was a visitor in Foard  
County Thursday, Sept. 16. Mr.  
Awina was visiting and observing  
soil conservation efforts in Foard  
County, and was accompanied to  
Foard County by Area Conserva-  
tionist Wayne Chapman of Ver-  
non.

Mr. Awina arrived in the U. S.  
on June 24 for a 15-weeks tour  
and will leave for his home on  
October 2. He spent two weeks  
in Washington, D. C., and has  
also visited in Portland, Oregon,  
and Washington State prior to his  
visit in this area.

He is studying techniques of  
soil conservation and will write a  
book and teach soil conservation  
when he returns to Tunisia. He  
teaches in a college that special-  
izes in mechanics, soil conserva-  
tion and irrigation. Mr. Awina  
is a graduate of the University  
of Tunisia. He is married and he  
and his wife have a son born just  
4 days before he came to the U.  
S.

Awina said in fluent English  
that French and Arabic are taught  
in the Tunisian schools and he  
taught himself English. Tunisia  
has a republic form of government  
and the country gained its inde-  
pendence from France in 1956,  
after being a French colony since  
1881.

He was shown around the coun-  
ty by Foard County Soil Conser-  
vation personnel: John McAlister,  
Woodrow Fielder and Henry Bog-  
usch.

**Biologist Also Visits Local SCS**

Also visiting in the Foard Coun-  
ty soil conservation service office  
at the same time as Mr. Awina  
was Allen Vaughn of Amarillo, a  
biologist with the SCS. Mr.  
Vaughn works in 34 counties in-  
cluding the Panhandle and going  
as far east as Clay County. He  
said that biology is a part of the  
overall soil conservation program  
and he is attempting to bring a  
continuing type assistance to the  
landowner. Also, he and local SCS  
personnel were reviewing the  
Four Winds Resource, Conserva-  
tion and Development program.

Mr. Vaughn worked with an RCD  
unit at Stephenville before taking  
his present job.

**New Identification  
Card Available**

Col. Wilson E. Speir, director  
of the Texas Department of Pub-  
lic Safety, said last week that ef-  
fective September 1, Texans are  
able to obtain a special personal  
identification card.

The card, which was authorized  
by the 62nd Texas Legislature,  
is laminated and contains a color  
photograph of the holder. It is  
the same size as a Texas drivers  
license.

Information appearing on the  
card will include the holder's date  
of birth, height, sex, and eye col-  
or. Each card will have a special  
identification number issued by  
the DPS.

Speir said the cards should be  
of value to those persons who do  
not hold a Texas drivers license,  
but who need some sort of official  
card to help establish their iden-  
tity.

In order to obtain a personal  
identification card, the applicant  
must appear at a DPS drivers  
license field office on or after  
Sept. 1, execute a special applica-  
tion form, present a birth certifi-  
cate or other documentary evi-  
dence of identity and date of  
birth, be fingerprinted and pay a  
statutory fee of \$5.00. The special  
cards, which will be mailed from  
DPS headquarters in Austin, will  
be dated to expire four years from  
the applicant's next birth date.

Also effective September 1, cer-  
tain persons having military ser-  
vice connected disabilities will be  
exempted from drivers license  
fees.

Speir said those individuals with  
a 60 per cent or more service con-  
nected disability will be entitled  
to the free drivers license provid-  
ed they meet other requirements  
which apply to all applicants. At  
the time of application for a new  
or renewal license, the disabled  
veteran must present the DPS  
drivers license office an official  
communication from the Veterans  
Administration regional office  
showing that he is currently re-  
ceiving compensation from the  
federal government in connection  
with a 60 per cent or more service  
connected disability.

**New Baby Boy**

Mr. and Mrs. David Denton an-  
nounce the birth of a baby son,  
David Brett, born Sept. 21, weigh-

**Greenbelt Sets  
Tax Vote for  
November 6th**

A tax election for the Green-  
belt Municipal and Industrial Wat-  
er Authority has been called for  
November 6, it was announced  
last week by James L. Kuhn, gen-  
eral manager of the Authority.

Kuehn said the election, if ap-  
proved by the voters residing with-  
in the Authority, would allow the  
Authority to refund its outstand-  
ing bonds and reissue them as  
combination tax and revenue  
bonds.

He said this in turn would al-  
low the Authority to provide water  
at a lower cost to the cities that  
comprise the Authority and fulfill  
its financial responsibilities to  
bond holders.

A briefing for news media rep-  
resentatives will be held in Clar-  
endon October 10 to explain the  
tax program.

Robert Underwood of Dallas  
and Danny Burger, development  
fund manager of the Texas Water  
Development Board, will be on  
hand to discuss the election mat-  
ters and to answer questions.

Member cities of the Greenbelt  
Authority include Crowell, Qua-  
nah, Childress, Hedley and Clar-  
endon.

Members of the Authority's  
board of directors are R. A. Yar-  
brough of Childress, president;  
W. Carroll Knorpp of Clarendon,  
vice president; William J. Lowe  
of Clarendon, secretary and gen-  
eral counsel; Henry Black of  
Crowell, C. L. Johnson of Hedley  
and Howard L. Stanley of Qua-  
nah.

## Mrs. Rochne Wisdom Honored at Bridal Shower Saturday

Mrs. Rochne Wisdom, the former Miss Karen Eavenson, was honored with a miscellaneous shower from 3 until 4 p. m., Saturday, at the community center.

Guests were greeted by Mrs. George Fox and presented to the receiving line composed of the honoree; her mother, Mrs. J. C. Eavenson; her mother-in-law, Mrs. Jake Wisdom; and the bridegroom's grandmother, Mrs. Geo. Streit of Vernon.

The honoree was attired in a blue fitted dress featuring a red and white striped bodice. She wore a white carnation corsage, a gift of the hostesses.

Miss Terri Eavenson, sister of the recent bride, presided at the registry which held the white bridal book and a blue taper decorated with flowers in a gold holder. Miss Veda Lynn Everson, cousin of the honoree, played piano selections during the calling hours.

The serving table was laid with a white cloth edged with lace and centered with a white cart holding a large white candle surrounded by blue and white flowers enhanced with white love birds and wedding bells. Twin golden holders held blue tapers. White napkins were inscribed "Karen and Rochne." Misses Cindy Wisdom, the bridegroom's sister; Bette Sue Barry and Debbie Johnson, assisted in serving punch, cookies, nuts and mints.

Many beautiful and useful gifts were displayed. Hostesses were Meses. Fox, Merle Moore, Beverly Gray, Bill Cates, Cecil Carpenter, Allen Taylor, Mike Bird, Randy Adkins, Newell Looney, Norman J. Hopper, Fred Borchardt, Harold Barry, Cecil Carroll and John Rader.

Leaving keys in a car is a misdemeanor under new state law. Overcrowding a car is also prohibited, as is failure to set brakes.

## Dr. and Mrs. Hogue To Be Speakers at Baptist Meeting

Dr. and Mrs. Le Roy Hogue, Southern Baptist foreign missionaries from Taiwan, Republic of China, will be guest speakers at the 8th annual session of Red Fork Association of Women's Missionary Union October 7 at 9:45 a. m. in the First Baptist Church in Paducah. Mrs. E. H. Stogsdill of Vernon, WMU director, will preside over the meeting.

Dr. Hogue is a former pastor of Second Baptist Church in Vernon. He and Mrs. Hogue and four children returned to the U. S. in July for a one-year furlough. They went to Taiwan in 1966 and spent the first two years in Taipei studying the Chinese language and then moved to Kaohsiung where Dr. Hogue was engaged in evangelistic work. When they return in 1972, Dr. Hogue will be teaching at the Baptist Theological Seminary in Taipei.

Theme of the program will be "Expect . . . Attempt." Music will be directed by Mrs. Robert Beck of Paducah. A salad luncheon will be served at noon and the nursery will be open.

At 12:45 p. m., a WMU training workshop will begin for all women in the church work. Materials will be given to each person during the training for all work during the coming year. The workshop will adjourn promptly at 1:55 p. m. Everyone is urged to attend.

## Mrs. Kenneth Halbert Is Speaker at Rotary Club Meeting

Mrs. Kenneth Halbert was the featured speaker at the Rotary Club meeting Wednesday of last week and told the Rotarians of a trip she and her mother, Mrs. Harry Sherwood of Crosbyton, made to Europe this past summer. Mrs. Sherwood has two cousins living in Germany, and they combined the trip to Germany with a tour of Europe.

Mmes. Halbert and Sherwood joined the group of 30 persons in London for the tour which included Holland, Switzerland, Italy and France. At the conclusion of the tour in Paris, the women then went to Germany to visit their two cousins and their families, who reside in a small town of about 800 residents. The inhabitants are either farmers or lumber mill employees. She said

the land in the area sells for from \$300 to \$3,000 per acre. The farms are extremely small in comparison to farms in America, and the farmers there seldom have more than 10 head of cattle. These were some of the points brought out by Mrs. Halbert in her talk.

During the Thanksgiving holiday visit, he met Cindy Erwin, then a senior in Crowell High School.

When she entered North Texas State University the following fall, he transferred to Cooke County Junior College at Gainesville. Their romance culminated in their marriage last Dec. 31 when they flew to Las Vegas, Nev. and were married in a wedding chapel there by Rev. Marie M. Capp, pastor of the Unity Church of the Desert.

Mack left within the week, thinking arrangements for his wife could be made so that she could follow him within a month or two. In fact, Mrs. Ghazal airfreighted most of her personal belongings to Libya last February. Unforeseen delays have arisen, but Cindy hopes now that on this trip she can return to Benghazi with him to make their home.

The Ghazal family has an import-export catering agency with offices in Benghazi, Tripoli and London. It is called European Catering Contractors and primarily serves American and European oil companies on the Libyan Desert furnishing food, laundry, clothing and even delivering mail. Cooks and employes must speak English, and most are hired mainly in England. Mack, as the eldest son, is assisting his father with the business; but he has three younger brothers and six sisters.

Cindy spent three weeks last summer in Benghazi, and is intrigued with the country and its culture. Though they will probably live in Benghazi, she says they will make frequent trips to England and America. Mack hopes to return to the States and complete his degree in business at an American college as soon as a brother is old enough to take his place with the family's enterprise.

Mrs. Ghazal is the daughter of Mr. and Mrs. Gordon Erwin of Crowell and Mrs. Herman Knight of Quanah. Her husband's parents are Mr. and Mrs. Bashir Ghazal of Libya.

## Investigator Seen For DA's Office

A study of the criminal court processes in a 22-county area including Foard, Hardeman and Wilbarger Counties by a private consulting firm includes several recommendations for the 46th Judicial District, according to District Attorney Bill Neal.

One of the recommendations was that a full-time investigator be employed for the district attorney's office to serve as a link between the district attorney's office and local law enforcement agencies and to assist in the preparation of criminal cases for trial.

The study noted that there were 305 felony criminal cases filed during 1970 in the 46th Judicial District, which includes Foard, Hardeman and Wilbarger Counties. The prosecution of these cases was handled by one district attorney.

The study noted that this was 87 per cent as many cases as were handled in 1970 by the Wichita County district attorney's office which has one district attorney and three assistant district attorneys.

The study further noted that the number of cases handled by the 46th Judicial District Attorney's office here was 60 per cent more than those handled by the district attorney of Parker County (Weatherford).

The study, which has been in progress for the past three months was performed by the firm of Peat, Marwick, Mitchell & Co. of Dallas and was funded by a grant through the Nortex Council of Governments with headquarters at Wichita Falls.

## Two Minutes With the Bible

"Our Responsibility to the Bible"

There are four passages in the New Testament where adjectives are used to describe "the Word of God" and where we are informed of our responsibility toward it as such.

For example, in James 1:21 it is called the "engrafted" or "implanted" Word, and as such we are advised to "receive" it with "meekness" since it is "able to save your souls." The Word of God, indeed, does have a way of getting down underneath, of getting "under our skins" so to speak. It is not merely sown, it is planted into men's hearts and often makes them miserable as it convicts them of sin and of their need of salvation through Christ.

When it does this, says the apostle: "receive" it "with meekness" for it is "able to save your souls."

Then, in Titus 1:9 it is called "the faithful Word," and as such we are urged to "hold it fast."

"God is not a man, that He should lie, or the son of man, that He should repent." We can count on His Word and act upon it.

Next, in Philippians 2:16 it is called "the Word of Life," and as such we are to "hold it forth." The Word of God alone has power to regenerate and give spiritual life. St. Peter says that believers are "born again, not of corruptible

## McDaniel Reunion

The McDaniel family reunion was held Sunday, Sept. 26, at Alingham park in Vernon. Lunch was spread at noon and the day was spent in visiting, and old-time singing. Officers were elected for the coming year. There were 51 who registered:

Lela, Nancy and B. J. Evans, Jack and Emma Henry, Mr. and Mrs. Billy Roy and Zerlina, Mr. and Mrs. Jerry Wood and Jill, Virgie Woods, Mr. and Mrs. Ronnie Turner, Johnny Wayne Henry, Mr. and Mrs. George Dodson, LeRoy Henry, all of Vernon; Lucille and Judy Kay Jones, Elk City, Ok.; Mr. and Mrs. E. J. Anderson, Coby and Tony, Waco; Loyd Walker, Gail Hasp, Mr. and Mrs. Jas. Grady McDaniel, Jim, Lorri, Wichita Falls; Mr. and Mrs. Rodger Dozier, Vernon; Mr. and Mrs. Bobby Henry, Nancy and Bay, Kathy Dentmer and Barry Fisher, Electra; Mr. and Mrs. Herman Adams, Archer City; Mr. and Mrs. Roy Don Henry of Graham, Mr. and Mrs. Larry Henry, Scott and Lynn, Childress; Mrs. Audie Henry, Mrs. Jennie Hanks, Mr. and Mrs. Pat McDaniel, Mr. and Mrs. Jim Henry, Sr., Crowell; Herman Dodson of Vernon. This reunion is held each year on the fourth Sunday in September in honor of the late Mr. and Mrs. Edward Franklin McDaniel and descendants.

## Cindy Erwin Ghazal Joins Husband in London

Long months of waiting to join her husband in Libya have ended for the former Miss Cindy Erwin of Crowell.

Mrs. Mack Ghazal on Monday of last week received a trans-Atlantic telephone call from her husband telling her that he had arrived in London and that she should fly there to join him. Mrs. Ghazal left Dallas Monday afternoon of last week and was to arrive in London on Tuesday.

The story of how the former Crowell school girl and Mahmoud Bashir Ghazal met and married dates back four years.

It was in September of 1967 that Mahmoud, or Mack, as his American friends called him, arrived in Cisco, Texas, from Benghazi, Libya, to attend Cisco Junior College, where he enrolled to learn the English language.

Also enrolled there were five students from Crowell with whom Mack became acquainted and thus was invited and made numerous week end trips home with them to visit their families.

During the Thanksgiving holiday visit, he met Cindy Erwin, then a senior in Crowell High School.

When she entered North Texas State University the following fall, he transferred to Cooke County Junior College at Gainesville. Their romance culminated in their marriage last Dec. 31 when they flew to Las Vegas, Nev. and were married in a wedding chapel there by Rev. Marie M. Capp, pastor of the Unity Church of the Desert.

## Dr. Fleisher Resigns Post on Animal Health Commission

Dr. Ralph Fleisher, Foard County native and long time Vernon veterinarian, has resigned his post on the Animal Health Commission. Dr. and Mrs. Fleisher have recently moved from Vernon to Fort Worth.

Gov. Preston Smith announced last week that he had appointed Dr. William Anderson of Dallas to the position vacated by Dr. Fleisher.

## Plentiful Foods For October

Another large apple crop now being harvested in various sections of the U. S. assures plentiful supplies of fresh apples for after-school snacks and pushes apples to the top of the October plentiful foods list. Other foods included on the U. C. Department of Agriculture's list are canned applesauce, apple juice, fresh pears, canned pears, potatoes, pork and eggs.

In addition to the amount bid, each successful bidder will be required to pay \$100.00 for the cost of removal of the concrete slab under the buildings. Any cabin purchased must be removed by December 31, 1972.

The owner reserves the right to refuse any and all bids.

the award to Fielder. "It's the result of careful, defensive driving. You have set a day-to-day driving example that all of us should try to follow."

Chapman also gave the Crowell work unit an award for not having a preventable vehicle accident in the last 15 years and another award for not having a lost-time personal injury from any cause in the last 15 years.

The awards for the excellent safety record were approved by Clyde W. Graham, SCS state conservationist. The Soil Conservation Service is cooperating in the "Zero In on Federal Safety" program whereby federal agencies are placing emphasis on eliminating major causes of employee injuries during calendar years 1971 and 1972. The Crowell work unit gives technical assistance on conservation matters through the local Foard County Soil and Water Conservation District.

**Foard County Men Elected Officers of A. & M. Club**

The second annual meeting of the Northwest Texas A&M Club was held in Vernon Sept. 15 and at the meeting, three Hardeman County and two Foard County men were elected as officers for the 1972-73 year. They are Woodrow L. Wilson of Quanah, president; Winston L. Wilson of Quanah, secretary; J. W. Ayers of Chillicothe, first vice president; H. L. Ayers of Crowell, second vice president; Charles Bursey of Thalia, muster chairman.

Harry Green of the former students association presented a slide program entitled "Texas A. & M. Today," at the Vernon meeting.

In 1970 male arrests for all criminal acts, except traffic, outnumbered female arrests 6 to 1. However, female arrests increased 11 per cent while male arrests were up 4 per cent over 1969.

**New Traffic Laws Regarding School Buses Now in Effect in Texas**

On Sept. 10, Crowell Independent School District received information from the Texas Education Agency in Austin regarding new traffic laws for school buses. There has been a major revision of the Uniform Act Regulating Traffic on Highways (Art. 8701d) enacted by the 63rd Legislature with several of the revisions applying to the identification, and equipment of school buses.

A school bus is now defined as "every motor vehicle that complies with the color and identification requirements set forth in the most recent edition of standards as produced and sponsored by the National Commission on Safety Education of the National Education Association, Washington, D. C., and is being used to transport children to or from school or in connection with school activities, but not including buses operated by common carriers in urban transportation of school children."

The NEA standards specify that the school bus chassis, including wheels and front bumper, shall be black and the hood, cowl, fenders and body shall be painted uniform color, national school bus chrome. The body shall bear the words SCHOOL BUS in black letters at least 8 inches on both the front and rear of the body or on signs attached thereto. The lettering shall be placed as high as possible without impairment of visibility.

Section 124(b) requires that "every school bus and every authorized emergency vehicle shall, in addition to any other equipment and distinctive markings required

by this act, be equipped with signal lamps mounted as high and as widely spaced laterally as practicable, which shall be capable of displaying to the front two alternately flashing red lights located at the same level, and these lights shall have sufficient intensity to be visible at 500 feet in normal sunlight."

Buses equipped with only amber flashing lights to the front must be modified by replacing the amber lens or light units with two that are red in color. This modification must be done to satisfy motor vehicle inspection requirements on and after Jan. 1, 1972.

Section 104 on overtaking and passing school buses requires that "(a) The driver of a vehicle upon a highway inside or outside of a business or residence district upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle before reaching such school bus when there is in operation on said school bus a visual signal as specified in section 124 of this act, and said driver shall not proceed until such school bus resumes motion or is signaled by the school bus driver to proceed or the visual signals are no longer actuated."

Joe E. Milner, chief traffic law enforcement officer to R. M. Cummings, director of school transportation of the Texas Education Agency, says further, "We call your special attention to two important changes in this law. (1) Stopping for school buses is required of motorists both inside and outside of cities and towns when the school bus is stopped to receive or discharge passengers if there is in operation on the school bus flashing red lights to the front and rear as required in section 124. (2) The motorist after stopping must remain stopped until (a) the bus resumes motion, (b) the bus driver signals to proceed, or (c) the visual signals (red lights) are no longer actuated. This provision, if obeyed by the motorist, will provide greater safety for students who must cross the roadway."

Section 105(b) states that "It shall be unlawful to operate any flashing warning signal light on any school bus except when any said school bus is being stopped or is stopped on a highway for the purpose of permitting school children to board or alight from said school bus."

Section 114 requires that after January 1, 1972, buses and trucks 80 inches or more in width must have three amber identification lamps on the front and three identification lamps on the rear, mounted on the permanent structure of the vehicle as close as practicable to the vertical centerline. These lamps shall be in a horizontal row with lamp centers not less than 6 nor more than 12 inches apart. Some of the older buses owned by school districts may not be so equipped. These identification lamps will be inspected for placement and operation on motor vehicle inspection of school buses after January 1, 1972.
