Workshop Set for February 10

Preparations Being Made for Visit of Bloodmobile to County on Feb. 17th

A film depicting how blood is given and its many uses was shown by Mrs. Fred Collins, county drive chairman, Friday night at community center to the donor recruiters who will be assisting in the promotion of the February 17 visit of the Red Cross bloodmobile at the community center from 2 until 6 p. m.

Prospective donors are now able to schedule the time that would be most convenient for them to give blood. Time may be arranged with Mrs. V. A. Johnson, Baylor Center, Jimmy Henry, Donald Erley, Thomas L. Tappin, J. Gillespie, Travis Vecera, Houston Adkins and Bobby Dunham, recruiters. Mrs. Collins emphasized that it is not necessary to have an appointment and that unscheduled donors should experience only a short wait, if any.

It was also noted that there is now no upper age limit if the person is in good health. Foard County is visited twice a year and the quota for this drive is 45 pints.

Jon Ayers and Mrs. Joan Zolnerowich of Wichita Falls, Bloodmobile personnel, will conduct a workshop Thursday, Feb. 10, at 1:30 p. m. in the community center for all persons who will be working in the undertaking.

Little Dribblers In Midst of Busy Week of Practice

Things are beginning to pick up for Little Dribblers this week as pre-season practice got underway Monday; as well as the sale of Little Dribbler decals.

The coaches have the next two weeks to prepare their teams for the season's opening game which is February 21. After the season starts, only one practice session a week will be allowed on Saturdays.

There will be a six-team league divided into two divisions. The winners will play a best two-of-three series to determine a league champion.

Little Dribblers will be selling decals all this week. Price of the decal will be one dollar. The money will be used for the purchase of new uniforms. New outfits have been ordered for the two new teams, and if enough money is raised, the other four teams may also have new uniforms before the season ends.

Prizes will be given to the top three salesmen. First prize will be a red, white and blue ABC basketball. The second and third high salesmen will each receive PF Flyer shoes. Each boy selling 10 decals will receive a pair of wrist sweat bands. Twenty decals will earn him a pair of knee pads, also. Monday, February 14, will be the last day of the sale.

Supplement to Foard History Will Be Printed

At a recent meeting of the Foard County Historical Survey Committee, it was decided to proceed with the publication of a supplement to "They Loved the Land, a History of Foard County," by Bailey Phelps, and it was announced by the chairman, Mrs. Virgil Johnson, that the committee will begin researching family histories which did not appear in the first edition. Sufficient time will be allowed for families to submit their type-written histories.

Wins Fourth at Fat Stock Show Saturday

Louis Lee Baty of Gilliland won fourth place in the swine division of the Fort Worth Stock Show last Saturday.

Grand Master to Present Pins

Five Members of Crowell Masonic Lodge to Receive 50-Year Awards

Jack Hightower, Grand Master of Texas Masons, will be in Crowell on Tuesday night, February 15, to confer 50-membership awards on five members of the Crowell Masonic Lodge.

The five fifty-year members of the Masonic Lodge are Roy Ayers, T. S. Haney, L. A. Andrews and M. L. Hughston of Crowell and Oscar Boman of Greenville.

The open meeting will begin at 7 p. m. at the school cafeteria on Tuesday, February 15.

Jack Welch, Worshipful Master of the local lodge, said all Master Masons and their families are especially invited to attend.

Johnny Morris Died Sunday in Crowell Hospital

Johnny Morris, 61, resident of Foard County for the past 24 years, died in the Foard County Hospital Sunday.

Funeral services were held at 3 p. m., Monday, in Brook United Methodist Church here with Rev. F. D. Moore, pastor, officiating. Burial was in the Crowell Cemetery under the direction of Womack Funeral Home.

Pall bearers were John Henry McGee, Lonzo Criss, Noel Matthews, Robert Willison, Felix Walton and Ernest Tucker.

Mr. Morris, a farm employee, was born September 4, 1910, at Graham, Texas.

He is survived by his wife, Jessie; two sisters, Mrs. Laura Peck of Hempstead, Texas, and Mrs. Cornelia Sillemon of Crowell.

Pat Cates Is Member of Play Cast at Tech

Pat Cates, student at Texas Tech in Lubbock and son of Mr. and Mrs. T. R. Cates, Jr. of Thalia, was a member of the cast of "Once Upon a Mattress," a play presented by the drama department of the university last week.

Pat's parents of Thalia and his sister, Terri of Garland, attended the production over the week end.

Money Needed for Enid Trip

Clois Cobb, president of the Band Booster Club, has sent a letter to all members of that organization and has asked that the News print the letter so that all residents of Foard County may be informed as to the band's activities and needs. The letter follows:

The School Board has given its approval for the Band to participate in this Festival and have agreed to furnish transportation and drivers for the trip. The cost of the motel rooms for four days for 71 band members, eight sponsors and Mr. Streit is \$1,600.00. We have available \$680.00 from our concession stand money and \$296.00 from our Band Booster fund for a total of \$976.00 leaving us \$624 short.

At our last regular meeting (January 17) we committed by a unanimous vote of those present, the Band Booster Club to raise this \$624.00. We consider it a must. Our next regular meeting will be Monday night, February 14, 7:30 p. m. in the band hall. At this time we will discuss ways and means of raising the \$624.00. Our best bet is the upcoming pancake supper to be held in March, and the time to plan and get started is now.

Two More Wildcats Staked in Foard County Last Week

Two more Foard County wildcats have been staked, as follows: J. M. Huber of Amarillo has staked his No. 1 H. & L. Black, as a 6,650-foot wildcat two miles north and a mile east of Foard City in a 335-acre lease 660 feet from the north line and 1,980 feet from the west line of S. C. Armor Survey.

Tipeo, Inc. of Wichita Falls has staked its No. 1 Lucy Gamble as a 2,500-foot wildcat 2 1/2 miles north and four miles west of Thalia, in a 90-acre lease and 1,648 feet from north and 2,639 feet from the east line of Section 314, Block A H&TC Survey.

Crowell to Host Archer City for 8th Grade Title

Crowell Winner West Half; Archer City Wins East Half

The Crowell eighth grade boys basketball team will host Archer City eighth grade here Thursday night in a game beginning at 7 o'clock to determine the grade school basketball championship of District 8-A. Crowell won the west half while Archer City is winner of the east half of the district.

In the final regular game at Paducah last Monday night, the local boys won 49 to 29 with the following boys scoring for Crowell: Dee Finley, 11; David Bell, 13; Rocky Glascock, 9; Rayford Dorsey, 5, and Melvin Westover 11.

The local boys are undefeated thus far this season.

At Paducah Monday night of last week, the local eighth grade girls finished their season with a 24-25 loss to Paducah. Anita Vecera scored 10, Kimberly Norman 12 and Kathy Whitfield scored 2 for the locals.

Girls End Regular Season with 52-45 Win over Munday

The Crowell varsity girls basketball team closed out the regular season last Tuesday night with a 52 to 45 win over the Munday girls. Rhonda Vecera and Cheryl Branch led the way for the locals with 18 points each.

The local girls compiled an outstanding record for the season with 18 wins and 7 losses. In district, the local fens were 4-2.

That same night against Munday, the Crowell JV won its 13th game of the season 75 to 38 with Jackie Blackburn scoring 19 for the winners. This brought the local JV's record up to 12-5 for the season and 6-0 in district.

The varsity boys won their 4th game in a row by winning 61 to 59 over the Moguls. A last-second shot by Emmitt Newman saved the game for the Cats. Newman picked off the ball at mid-court and went on down to score with 3 seconds left in the game.

Harry Lee Swan did an outstanding job of defending Munday's top player, Bob Burkett scored 20 points and set a record of 21 rebounds in the contest. Billy Ray Neal chipped in 16 points to the cause of the Cats.

Friday night, the two Chillicothe boys teams came to Wildcat field house, but they offered little competition.

Coach Bob Cook started all freshmen in the junior varsity game. Bob Brown led the way with 13 points. Freshmen played three-fourths of the game with upperclassmen seeing little action. Freshmen playing were Wallace Sillemon, Bob Brown, Randy Prince, Nathan Frater and Don Sparkman. This win extended the JV season record to 13-5.

The Crowell varsity boys won easily 74 to 23. They held Chillicothe to 6 points in the entire first half. Harry Lee Swan and Bob Burkett led the local troops with 18 and 16 points respectively. Burkett again broke his own record of 21 rebounds by getting a total of 22 in the game. Super-sub Randy Dorsey had 10 points.

This win set the site for the championship game against Paducah Tuesday night. With a win, the Wildcats are undisputed champs of the west half of the district. A loss by Crowell would force another game with the Dragons. The Cats record is 14-8 for the season and 5-0 in district, up to the Tuesday showdown with Paducah.

Cold Weather Continues in Area

Foard County has experienced more winter weather during the past week, as the mercury dropped to 12 degrees early Friday morning and about 18 degrees Monday morning of this week.

Neither of the two fronts which brought these two lows were accompanied by any moisture.

POLITICS PICKS UP ON PRECINCT LEVEL

The deadline for filing for a place on the ballot for the first Democratic primary passed at 6 p. m., Monday, and when the deadline arrived, politics had taken on a little activity on the precinct level in Foard County.

W. R. (Bill) Moore and John H. McGee both filed as candidates for Commissioner of Precinct No. 1 opposing Bill Bell, the incumbent. In Precinct 3, Wilson Myers drew an opponent as Fred Borchardt filed as a candidate for that office.

Motion Picture to Be Shown Feb. 15 at Baptist Church

"Lost Generation," the latest release from World Wide Pictures, will be shown on Tuesday, February 15, at the First Baptist Church.

Filed in Eastmancolor, "Lost Generation" utilizes multiple screen images and a probing documentary style to investigate attitudes on dissent, violence, the mood of America, and the answers that can be found by this generation as they face the decisions of life.

According to Joe Ainsworth, pastor of the church, the opinions of both young and old, urban and rural, rich and poor, are brought to the screen as the camera focuses on people of various backgrounds throughout the nation.

Location shots were filmed in Alaska, the southern states, on the farms and in the small towns of mid-America, and in the dying Haight-Ashbury hippie district of San Francisco.

The feature-length film, which includes special appearances by Billy Graham, Art Linkletter, and Jack Webb, was described by one reviewer as a "moving film that calls on us to make a decision about how much we want to get involved in the troubles of our times. It is a relevant story that demands our immediate attention."

"Lost Generation" will be shown once at 7 p. m. with no admission charge. A free will offering for the Billy Graham Evangelistic Association will be taken. The public is cordially invited.

Larry Swan Returns to Lubbock Christian College

Larry Swan, son of Mr. and Mrs. Glen Swan, has enrolled for the spring semester at Lubbock Christian College.

Swan is a returning sophomore, majoring in Bible, and is a member of Alpha Chi Delta, a men's social club.

LCC is a small, private, senior college offering BA and BS degrees in 16 majors.

One New Vehicle

One new vehicle was registered here last week: Feb. 3, V. A. Johnson, 1972 Ford 4-door.

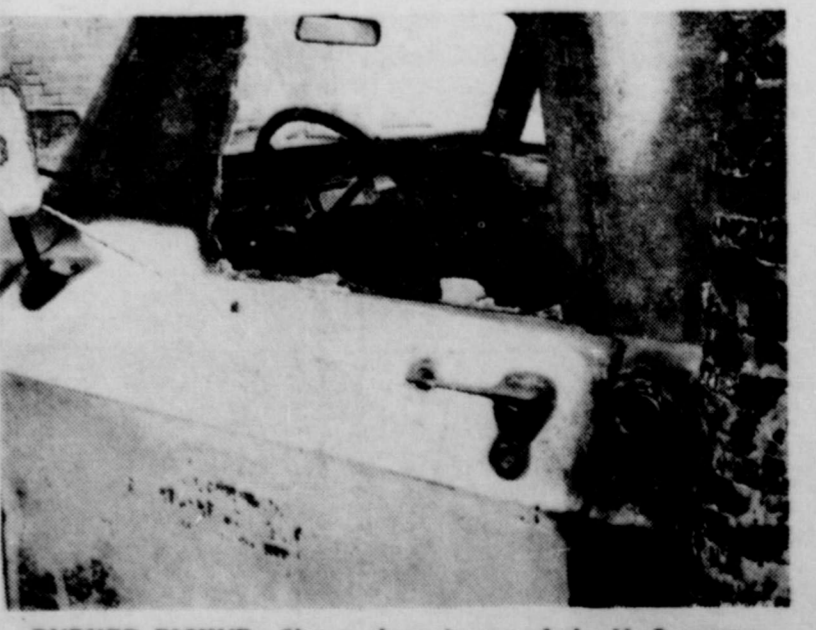

Attempt to Steal Gasoline Causes Fire Damage to Two Government Pickups

Foard County Sheriff Edward Howard said Monday that a total of seven persons—3 adults (over age 17) and four minors—will be charged in connection with the heavy damage inflicted by fire on two U. S. government vehicles last Friday night. He said about \$1200 damage was done to the 1971 Dodge and 1967 Ford pickups—used by the Foard County Soil Conservation Service — and parked behind the SCS office on the west side of the square.

Sheriff Howard said that he had been informed of considerable stealing of gas and as he was driving around Friday night, he spotted the two pickups ablaze about 11:55 p. m. When he arrived at the scene he found a can and hose which was still sticking in the gas tank.

The blaze was extinguished but not before the fire had done the damage to the trucks.

The sheriff said Monday that a statement from one of the culprits was to the effect that one person struck a lighter to see how full the can was when the gasoline ignited.

BURNED PICKUP—Shown above is one of the U. S. government pickups heavily damaged by fire about midnight last Friday night.

Senior Sidelines

The week started off with drug programs held in the auditorium Tuesday and Wednesday mornings.

Tuesday night, the Wildcats defeated the Munday Moguls. They were very good games; the boys' game being quite a thriller.

Student Council elections were held Thursday morning. They left most of the students of CHS with several pieces of bubble gum in their mouths throughout the day.

Monday night, the basketball girls travel to Holliday for a play-off. Let's all travel to support them.

The Junior Journal

Fourth period has been designated as the class for juniors to study the drug problem. Mr. Welch read special articles by doctors and specialists on the subject and then explained them. Discussions

about drug abuse are very interesting.

Good luck to all of the basketball teams... we're proud of you!

Freshman Frolics

This week, the freshmen have been learning a lot about drugs. We saw several interesting programs about drugs, and we're about to start having a six weeks study on drugs in our health class, too.

In English, we've all been learning how to play "Password." It is a lot of fun, and we are all learning some new words to add to our vocabulary.

Good luck to the basketball teams in their play-offs.

CHS Library News

The Crowell High School Student Library Club met February 1 in the study hall for a regular meeting. As you have heard, the jobs of a student library assistant are performed at a time other than during class. They are not really hard tasks, for helping in the library is fun, as some students have experienced this year. Students come in contact with a large number of people and as a result, make many new friends. Also, the jobs are varied. You never know exactly what to expect in the course of a day's work and little things to do are always popping up.

It was decided that before the next meeting a committee would go to Vernon and check on how much a new counter top would cost. This has been our one main worry for quite a while. Every time the counter is painted, it peels off in places where books have been sitting.

We would like to thank Mrs. Virgil Johnson for being our guest speaker and for the very interesting program she gave as chairman of the Foard County Historical Survey Committee.

Refreshments were served by Veda Everson.

The next regular meeting will

be on March 7, 1972. All members are encouraged to attend because Mrs. Bill Klepper will be the guest speaker for the meeting.

Sports

Tuesday night, Feb. 1, Crowell hosted Munday and gained three victories. The junior varsity won 72 to 38 with Jackie Blackburn as high pointer. The girls won 52 to 45. The varsity boys won 61 to 59. Emmitt Newman stole the ball in the very last seconds to sink the winning points. Friday Chillicothe came to Crowell and Crowell again captured two more victories. The junior varsity won 65 to 25. The varsity won 74 to 23. Monday night the girls traveled to Holliday to meet the Eagles. Tuesday the junior varsity and varsity traveled to Paducah. The results of these games will determine the rest of our basketball season. Good luck, Wildcats.

Cafeteria Menu February 14-18

Monday: hot dogs with chili, french fries, baked pork and beans, milk, red plum cobbler.

Tuesday: smoked links, pinto beans and ham, mixed greens, cabbage slaw, corn bread, milk, graham crackers with peanut butter, spiced applesauce.

Wednesday: fried chicken with gravy, buttered rice, celery stick, green peas, rolls, milk, butter cake.

Thursday: pork patties with gravy, creamed potatoes, green beans, rolls, milk, peaches and cream.

Friday: hamburgers, french fries, lettuce, onion and pickle slices, milk, cherry cobbler.

Darry Worley Named Homemaker of Tomorrow

Miss Darry Worley has been named Crowell High School's Betty Crocker Homemaker of Tomorrow for 1972. She was chosen on the basis of her score in a written knowledge and attitude examination taken by senior girls on Dec. 7, and has received a specially designed award charm from the sponsor of the contest. Additionally, she is now eligible for state and national honors.

The state homemaker of tomorrow, to be selected from all school winners in the state in judging which will center on performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. Her school will receive a complete set of encyclopedias. A scholarship of \$500 will go to the second-ranking girl in the state.

This April, the 51 winners representing all states and the District of Columbia—each accompanied by a faculty adviser—will be given an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. Personal observation and interviews during the tour, added to the earlier state-level judging results, will culminate in the announcement of the national winner. Her scholarship will be increased to \$5,000, with those of three runners-up raised to \$4,000, \$3,000 and \$2,000.

In addition to the awards for school, state and national homemakers of tomorrow, a special \$1,000 nutrition scholarship has been added this year. To earn this award, a girl must be planning a college major in nutrition or a related field, rank among the highest in her state in the overall search examination and achieve the top score, from those meeting the first two criteria, on the test's nutrition questions.

THIRTY YEARS AGO

News items below were taken from the Thursday, Feb. 12, 1942, issue of The Foard County News:

Emphasizing that the Selective Service registration on February 16 will complete the inventory of America's potential military manpower, General J. Watt Page, State Selective Service director, this week pointed out that it affects every male resident in Texas between the ages of 20 and 45, with a few exceptions made by Congress.

The following selectees left Tuesday morning for Fort Bliss to be inducted into the U. S. Army: Ray Short, Gerald Branch, Troy Evenson, George Lindsey, Noland Denton, Phillip Skelton, Oscar McCall, J. T. Hudgins, James Weathered and Edward Richter.

C. T. Schlagal, mayor of Crowell, this week signed a proclamation declaring Monday, Feb. 23, a day of patriotic re-dedication.

The total amount of defense bonds and stamps sold in Foard County since the bombing of Pearl Harbor is \$69,620.00, according to figures furnished by officials Wednesday.

Paul Vecera, Bill Nichols and Glendon Hays are members of the committee on arrangements for the annual FFA Project Show to be held April 4.

The Crowell Wildcat basketball team has completed a perfect record to win the championship of District 9-A. This is the seventh time in eleven years that Crowell has won the district basketball championship.

Thalia High School sewed up the basketball championship in District 4-B Tuesday night in the Thalia gym when its team beat out a determined but outclassed team from Carey 51 to 28. The Thalia boys were undefeated in district play this year. Members of the team are Neill, Abston, Payne, Johnson, S. McBeath, D. McBeath, and Adkins. Houston Adkins, former Decatur Baptist College basketball player, was referee for the game.

Mrs. Glenn Richards of Stephenville, who was Miss Dorothy Flesher before her recent marriage, was named honoree at a lovely shower given Tuesday afternoon in the home of Mrs. Frank Mabe. Mrs. Mabe, Mrs. Oscar Gentry, Mrs. Lewis Ballard, Mrs. Tom Russell, Mrs. Amos Lilly, Mrs. H. C. Roark and Mrs. Glen Goodwin were hostesses for the occasion.

"Every piece of old farm machinery repaired and used this year will mean more guns in the hands of armed forces," Grady Halbert, chairman, Foard County USDA War Board, said this week.

Sirens and whistles will be sounded with a rising and falling pitch for a period of two minutes announcing the blackout that will be observed in Foard County tonight beginning at 10 o'clock and ending at 10:30. The blackout will cover a large area of North-west Texas and Southern Oklahoma.

Jimmie Williams, member of the 390th School Squadron at Kelly Field, San Antonio, has been promoted to corporal. He enlisted in the Air Corps June 2, 1941.

 Editor of The Foard County News,
 Crowell, Texas 79227.

Dear Sir:
 I am enclosing a check for \$5.20 to pay for one year's subscription to The Foard County News for my brother, W. T. Cherry.

We lived at Margaret when we were children and I think my brother will enjoy seeing mention of people in Foard County who are descendants of our friends of earlier days; likewise, he should enjoy reading about the slow but steady improvements in that area.

I am a subscriber to your paper and I get a great deal of pleasure from reading it.

Sincerely yours,
 Herman F. Cherry.

Army Announces New Service School

The U. S. Army has announced a new service school, according to Sgt. James Griffis of the Vernon Army recruiting station. The school, Clinical Specialist, offers 56 weeks of medical training at the Army Medical School and selected Army hospitals, two of which are located in Texas. The course offers 10 weeks of training as a medical corpsman, six weeks of practical experience in an Army hospital, and finally forty weeks of training as a clinical specialist.

The clinical specialist course is also state approved. This allows graduates to take state board examinations to become licensed practical or vocational nurses. At present the school is offered to applicants who enlist for three or more years. For more info about the school, contact Griffis at the Army recruiting station in Vernon.

STATE CAPITAL Highlights AND Sidelights — by Bill Boykin TEXAS PRESS ASSOCIATION

Austin, Tex.—New guidelines for conduct of the state's first publicly-financed primary elections are due to reach local election officials this week.

Secretary of State Bob Bullock as chief Texas election officer, drafted the rules in line with a federal court amendment to the decision outlawing filing fees as proposed in a 1971 law.

Bullock interpreted the latest order as authorizing the state to foot the bill for primary election costs. He said an earlier opinion permitted use of nominal filing fees to regulate length of the ballot but not as a revenue-raising device placing a wealth requirement on candidacy.

The chief election officer ordered this mandatory filing fee schedule for both Democratic and Republican candidates (or an alternative nominating petition signed by qualified voters):

Statewide offices, \$400; U. S. representative, \$300; state senator, \$150; state representative, \$100; chief justice or associate justice, court of civil appeals, \$100; member state board of education, \$50; district judge or judge of any court having district office status, \$100; district attorney or criminal district attorney, \$100; all county offices except county surveyor or inspector of hides and animals, \$100; inspector of hides and animals, \$50; county commissioner, \$50; justice of the peace or constable for counties above 200,000 population, \$50; justice of the peace or constable for counties under 200,000, \$25; all party offices, no fee.

Fees must be paid in full by February 28. In lieu of filing fees, candidates may elect to file petitions by a March 6 deadline. For statewide offices, 2,500 signatures are necessary. For other offices, signatures urging candidacy must be equal in number to at least two per cent of the entire vote cast for a party's gubernatorial candidate in the last general election for the territory served—or at least 25 and no more than 300 signers.

State Comptroller Robert S. Calvert has stated he will ask an attorney general's opinion on legality of Bullock's proposal to finance May and June primaries with funds transferred from another state appropriation. Gov. Preston Smith applauded the plan and said he will direct the necessary transfer.

COLORADO BASIN PLAN ORDERED—A water quality cleanup plan for the Colorado River Basin must be completed by local, state and federal authorities by July, 1973, to meet a federal requirement for loans.

Cities of Odessa, Midland, Big Spring, San Angelo, Brownwood and Austin may be affected by the decision for years to come. A U. S. House resolution directed federal engineers to review reports on the Colorado and tributaries and compile the study of a 54-county basin including 890 river miles.

Efforts will be made to define areas generating most pollutants and to proposed basinwide approaches to correcting problems.

COURTS SPEAK—Policemen relying on first-time informers for information should have to identify them sufficiently to prove reliability before search warrants are issued, the Court of Criminal Appeals held.

Texas Supreme Court admitted that fine print technicalities in an insurance policy caused an apparent injustice, but concluded that changes should be made by the Insurance Board or legislature, rather than judges.

A faulty search warrant based on hearsay resulted in reversal by the Court of Criminal Appeals of a four-year sentence of a former University of Texas professor on marijuana possession charges.

SINGLE MEMBER DISTRICTS—Atty. Gen. Crawford C. Martin strongly criticized a January 28 federal court ruling ordering single-member districts for Bexar and Dallas Counties.

Martin contends the decision is wrong and that the U. S. Supreme Court may reverse it on appeal. Meanwhile, he asked the highest court to delay effect of the order for 1972 elections. If it is made effective immediately, Martin contended, re-registration may be necessary for 400,000 Dallas and 224,000 Bexar County voters in line with altered voting precinct lines.

this year's voting, although the legislature was directed to redraw all of them by July 1, 1973.

ANTI-INCOME TAX GROUP REVIVES—An anti-income tax group of prominent Texans Wednesday announced plans to push for state governmental economies to head off "substantial new taxes" this year.

Texas Association of Taxpayers, which helped defeat a corporate income tax in 1971, is seeking to expand its membership base of 5,500 before the 1972 special legislative session.

Principal objective, said chairman Tom Sealy of Midland, is first to "encourage every possible economy that will put a lid on spending."

SOUTH TEXAS PLAN IS LAUNCHED—Governor Smith announced initiation of a plan aimed at improving job opportunities, living conditions and governmental services in a vast 60-county area of South Texas.

Ideas for bettering the quality of life in South Texas involve largely the attraction of industries to the area and improved training of manpower for vocational skills.

"This may well be one of the most significant proposals to come out of my office since I have been governor," Smith said.

The area covered by the plan would extend from Val Verde County on the west to Refugio County on the east, as far north as Gillespie and Comal Counties and south to the Rio Grande. Poverty incidence in the area, said Smith, is 35 per cent compared to the statewide figure of 21.5 per cent.

SHORT SNORT—Teachers finally got their three-months' retroactive pay raises cleared.

Two Minutes With the Bible

Grieve Not the Spirit

The first lesson each believer in Christ should learn is that immediately upon believing he is given everlasting life. Referring to this fact Ephesians 1:13,14 says:

"In whom (Christ) ye also trusted, having heard the word of truth, the gospel of your salvation in whom also having believed, ye were sealed with that Holy Spirit of Promise."

Mark well, the believer is not sealed by the Holy Spirit, but "with" the Holy Spirit. The Spirit Himself is the seal. Every sincere believer in Christ, then, should rejoice in an accomplished redemption and rest in the fact that the Holy Spirit will keep him eternally safe.

But while we cannot lose the Holy Spirit, we can, and often do, grieve the Holy Spirit as we read in Eph. 4:30. This is why we read in Rom. 8:26 that the Spirit "helps our infirmities" and makes intercession for us, that we might live lives which please and honor God.

The wonderful fact is, however, that "nothing," not even an aggrieved Spirit, "shall separate us from the love of God" (Rom. 8:38,39). Thus in the same breath with which the apostle exhorts us not to grieve the Spirit, he again reassures us that this same Spirit keeps us eternally safe:

"And grieve not the Holy Spirit of God, whereby ye are sealed unto the day of redemption" (Eph. 4:30).

Does this encourage careless living? Those who think so have missed the whole point of Paul's appeal. The apostle does not warn the believer that if he grieves the Spirit he will be lost. Rather, in grace he exhorts: "Do not grieve the very Spirit who in mercy and love has sealed you as forever His own. Do not repay such love with such ingratitude."

Investment Tax Credit

Farmers, ranchers and businessmen need to take a close look at the seven per cent investment tax credit when filing their 1971 income tax returns, says Dr. James Mallett, extension economist. To qualify, property must have been ordered and acquired after March 31, 1971, or acquired after August 15, regardless of when ordered. Investment credit also applies to property where construction or reconstruction was begun after March 31 or was completed after August 15, regardless of when begun. For construction prior to April 1, only costs attributed to the period after August 15 apply.

Bud McLain is Speaker At Rotary Club Meeting Last Week

Rotarian Bud McLain told fellow Rotarians and guests at the Rotary Club meeting Wednesday of last week about a trip he and his wife and two daughters, Cathy and Kristi, made during the Christmas holidays to Milton, Delaware, to visit Mrs. McLain's family.

The McLains spent seven days traveling, covering some 3,600 miles and going through 17 different states. They visited many historical points along the way. Mr. McLain said the family went through Washington, D. C., just before Christmas and saw the lighted tree on the White House lawn.

He was most impressed with the improvement of the road system during the lapse of 14 years since he last made the trip to Delaware. He said over half the way up to Delaware, the family traveled on 4 and 6-lane roads. On the way home, they were on toll roads most of the way.

The coldest weather they encountered was en route home at Joplin, Mo. In describing the country, he said that in Louisiana, Mississippi and Alabama, he saw mostly timber lands; farming in Georgia and South and North Carolina and he was impressed with the number of furniture manufacturing businesses they saw in the Carolinas.

In spite of the large number of people who have quit smoking, Mr. McLain said everyone he talked to in the tobacco country said last year was the "best ever" in way of business.

Mr. McLain said Delaware is a small state composed of three counties. Chief crops are corn and soybeans, and the largest industry in the state is raising broilers.

Guests at the meeting were Rotarian B. R. Foster of Quanah, and Rev. Joe Ainsworth, new pastor of the First Baptist Church in Crowell.

Senator Hightower Announces Candidacy For Another Term

Jack Hightower of Vernon has filed his formal request for a place on the ballot of the Democratic primary as a candidate for re-election to the State Senate from the 30th Senatorial District.

Sen. Hightower has been an announced candidate for some time, but formal filing with the county Democratic committees was delayed due to the litigation involving senatorial district boundaries and the question of filing fees. Some of the legal questions having been resolved, it is now known which counties are included in the new 30th Senatorial District.

Sen. Hightower is in his eighth year of service in the Senate. He also served one term in the Texas House of representatives and was district attorney of the 46th Judicial District seven years prior to his election to the Senate.

A legislative leader, Senator Hightower is chairman of the Senate Administration Committee and has played a vital role in the improvement of the legislative process in Texas. In addition to his membership on the major Senate committees in the last regular session of the legislature he served as president pro tempore of the Senate. On April 3, 1971, while serving as acting governor, the people of the 30th Senatorial District honored Senator Hightower and his family at "Governor-for-a-Day" events in Austin.

Senator Hightower, 45, is a native of Memphis, Hall County, Texas. He and his wife, the former Colleen Ward of Tulsa, have three daughters. Ann 19, a student at Baylor University, Amy 15, and Alison 12.

Senior Sidelines

The week started off with drug programs held in the auditorium Tuesday and Wednesday mornings.

Tuesday night, the Wildcats defeated the Munday Moguls. They were very good games; the boys' game being quite a thriller.

Student Council elections were held Thursday morning. They left most of the students of CHS with several pieces of bubble gum in their mouths throughout the day.

Monday night, the basketball girls travel to Holliday for a play-off. Let's all travel to support them.

The Junior Journal

Fourth period has been designated as the class for juniors to study the drug problem. Mr. Welch read special articles by doctors and specialists on the subject and then explained them. Discussions

about drug abuse are very interesting. Good luck to all of the basketball teams... we're proud of you!

Freshman Frolics

This week, the freshmen have been learning a lot about drugs. We saw several interesting programs about drugs, and we're about to start having a six weeks study on drugs in our health class, too.

In English, we've all been learning how to play "Password." It is a lot of fun, and we are all learning some new words to add to our vocabulary.

Good luck to the basketball teams in their play-offs.

CHS Library News

The Crowell High School Student Library Club met February 1 in the study hall for a regular meeting. As you have heard, the jobs of a student library assistant are performed at a time other than during class. They are not really hard tasks, for helping in the library is fun, as some students have experienced this year. Students come in contact with a large number of people and as a result, make many new friends. Also, the jobs are varied. You never know exactly what to expect in the course of a day's work and little things to do are always popping up.

It was decided that before the next meeting a committee would go to Vernon and check on how much a new counter top would cost. This has been our one main worry for quite a while. Every time the counter is painted, it peels off in places where books have been sitting.

We would like to thank Mrs. Virgil Johnson for being our guest speaker and for the very interesting program she gave as chairman of the Foard County Historical Survey Committee.

Refreshments were served by Veda Everson.

The next regular meeting will

be on March 7, 1972. All members are encouraged to attend because Mrs. Bill Klepper will be the guest speaker for the meeting.

Sports

Tuesday night, Feb. 1, Crowell hosted Munday and gained three victories. The junior varsity won 72 to 38 with Jackie Blackburn as high pointer. The girls won 52 to 45. The varsity boys won 61 to 59. Emmitt Newman stole the ball in the very last seconds to sink the winning points. Friday Chillicothe came to Crowell and Crowell again captured two more victories. The junior varsity won 65 to 25. The varsity won 74 to 23. Monday night the girls traveled to Holliday to meet the Eagles. Tuesday the junior varsity and varsity traveled to Paducah. The results of these games will determine the rest of our basketball season. Good luck, Wildcats.

Cafeteria Menu February 14-18

Monday: hot dogs with chili, french fries, baked pork and beans, milk, red plum cobbler.

Tuesday: smoked links, pinto beans and ham, mixed greens, cabbage slaw, corn bread, milk, graham crackers with peanut butter, spiced applesauce.

Wednesday: fried chicken with gravy, buttered rice, celery stick, green peas, rolls, milk, butter cake.

Thursday: pork patties with gravy, creamed potatoes, green beans, rolls, milk, peaches and cream.

Friday: hamburgers, french fries, lettuce, onion and pickle slices, milk, cherry cobbler.

Darry Worley Named Homemaker of Tomorrow

Miss Darry Worley has been named Crowell High School's Betty Crocker Homemaker of Tomorrow for 1972. She was chosen on the basis of her score in a written knowledge and attitude examination taken by senior girls on Dec. 7, and has received a specially designed award charm from the sponsor of the contest. Additionally, she is now eligible for state and national honors.

The state homemaker of tomorrow, to be selected from all school winners in the state in judging which will center on performance in the Dec. 7 test, will be awarded a \$1,500 college scholarship. Her school will receive a complete set of encyclopedias. A scholarship of \$500 will go to the second-ranking girl in the state.

This April, the 51 winners representing all states and the District of Columbia—each accompanied by a faculty adviser—will be given an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. Personal observation and interviews during the tour, added to the earlier state-level judging results, will culminate in the announcement of the national winner. Her scholarship will be increased to \$5,000, with those of three runners-up raised to \$4,000, \$3,000 and \$2,000.

In addition to the awards for school, state and national homemakers of tomorrow, a special \$1,000 nutrition scholarship has been added this year. To earn this award, a girl must be planning a college major in nutrition or a related field, rank among the highest in her state in the overall search examination and achieve the top score, from those meeting the first two criteria, on the test's nutrition questions.

THIRTY YEARS AGO

News items below were taken from the Thursday, Feb. 12, 1942, issue of The Foard County News:

Emphasizing that the Selective Service registration on February 16 will complete the inventory of America's potential military manpower, General J. Watt Page, State Selective Service director, this week pointed out that it affects every male resident in Texas between the ages of 20 and 45, with a few exceptions made by Congress.

The following selectees left Tuesday morning for Fort Bliss to be inducted into the U. S. Army: Ray Short, Gerald Branch, Troy Eavenson, George Lindsey, Noland Denton, Phillip Skelton, Oscar McCall, J. T. Hudgins, James Weathered and Edward Richtert.

C. T. Schlagal, mayor of Crowell, this week signed a proclamation declaring Monday, Feb. 23, a day of patriotic re-dedication.

The total amount of defense bonds and stamps sold in Foard County since the bombing of Pearl Harbor is \$69,620.00, according to figures furnished by officials Wednesday.

Paul Vecera, Bill Nichols and Glendon Hays are members of the committee on arrangements for the annual FFA Project Show to be held April 4.

The Crowell Wildcat basketball team has completed a perfect record to win the championship of District 9-A. This is the seventh time in eleven years that Crowell has won the district basketball championship.

Thalia High School sewed up the basketball championship in District 4-B Tuesday night in the Thalia gym when its team beat out a determined but outclassed team from Carey 51 to 28. The Thalia boys were undefeated in district play this year. Members of the team are Neill, Abston, Payne, Johnson, S. McBeath, D. McBeath, and Adkins. Houston Adkins, former Decatur Baptist College basketball player, was referee for the game.

Mrs. Glenn Richards of Stephenville, who was Miss Dorothy Fleisher before her recent marriage, was named honoree at a lovely shower given Tuesday afternoon in the home of Mrs. Frank Mabe. Mrs. Mabe, Mrs. Oscar Gentry, Mrs. Lewis Ballard, Mrs. Tom Russell, Mrs. Amos Lilly, Mrs. H. C. Roark and Mrs. Glen Goodwin were hostesses for the occasion.

"Every piece of old farm machinery repaired and used this year will mean more guns in the hands of armed forces," Grady Halbert, chairman, Foard County USDA War Board, said this week.

Sirens and whistles will be sounded with a rising and falling pitch for a period of two minutes announcing the blackout that will be observed in Foard County tonight beginning at 10 o'clock and ending at 10:30. The blackout will cover a large area of North-west Texas and Southern Oklahoma.

Jimmie Williams, member of the 390th School Squadron at Kelly Field, San Antonio, has been promoted to corporal. He enlisted in the Air Corps June 2, 1941.

Dear Sir:

I am enclosing a check for \$5.20 to pay for one year's subscription to The Foard County News for my brother, W. T. Cherry.

We lived at Margaret when we were children and I think my brother will enjoy seeing mention of people in Foard County who are descendants of our friends of earlier days; likewise, he should enjoy reading about the slow but steady improvements in that area.

I am a subscriber to your paper and I get a great deal of pleasure from reading it.

Sincerely yours,

TEXAS PRESS ASSOCIATION

Austin, Tex.—New guidelines
for conduct of the state's first pub-
licly-financed primary elections
are due to reach local election
officials this week.

Secretary of State Bob Bullock
as chief Texas election officer,
drafted the rules in line with a
federal court amendment to the
decision outlawing filing fees as
proposed in a 1971 law.

Bullock interpreted the latest
order as authorizing the state to
foot the bill for primary election
costs. He said an earlier opinion
permitted use of nominal filing
fees to regulate length of the bal-
lot but not as a revenue-raising
device placing a wealth require-
ment on candidacy.

The chief election officer order-
ed this mandatory filing fee sched-
ule for both Democratic and Re-
publican candidates (or an alterna-
tive nominating petition signed
by qualified voters):

Statewide offices, \$400; U. S.

cation, \$50; district judge or judge
of any court having district office
status, \$100; district attorney or

Fees must be paid in full by
February 28. In lieu of filing fees,
candidates may elect to file peti-
tions by a March 6 deadline. For
statewide offices, 2,500 signatures
are necessary. For other offices,
signatures urging candidacy must
be equal in number to at least
two per cent of the entire vote
cast for a party's gubernatorial
candidate in the last general elec-
tion for the territory served—or
at least 25 and no more than 300
signers.

State Comptroller Robert S.
Calvert has stated he will ask an
attorney general's opinion on the
legality of Bullock's proposal to fi-
nance May and June primaries
with funds transferred from an-
other state appropriation. Gov.
Preston Smith applauded the plan
and said he will direct the neces-
sary transfer.

**COLORADO BASIN PLAN OR-
DERED** — A water quality clean-
up plan for the Colorado River
Basin must be completed by local,
state and federal authorities by
July, 1973, to meet a federal re-
quirement for loans.

Cities of Odessa, Midland, Big
Spring, San Angelo, Brownwood
and Austin may be affected by
the decision for years to come. A
U. S. House resolution directed
federal engineers to review re-
ports on the Colorado and tribu-
taries and compile the study of a
54-county basin including 890 riv-
er miles.

Efforts will be made to define
areas generating most pollutants
and to proposed basinwide ap-
proaches to correcting problems.

COURTS SPEAK — Policemen
relying on first-time informers for
information should have to iden-
tify them sufficiently to prove re-
liability before search warrants
are issued, the Court of Criminal
Appeals held.

Texas Supreme Court admitted
that fine print technicalities in an
insurance policy caused an appar-
ent injustice, but concluded that
changes should be made by the
Insurance Board or legislature,
rather than judges.

A faulty search warrant based
on hearsay resulted in reversal by
the Court of Criminal Appeals of a
four-year sentence of a former
University of Texas professor on
marijuana possession charges.

SINGLE MEMBER DISTRICTS
—Atty. Gen. Crawford C. Martin
strongly criticized a January 28
federal court ruling ordering
single-member districts for Bexar
and Dallas Counties.

Martin contends the decision is
wrong and that the U. S. Supreme
Court may reverse it on appeal.

Meanwhile, he asked the highest
court to delay effect of the order
for 1972 elections. If it is made
effective immediately, Martin con-
tended, re-registration may be
necessary for 400,000 Dallas and
224,000 Bexar County voters in
line with altered voting precinct
lines.

The three-judge federal court
ordered 11 individual House dis-
tricts in Bexar and 18 such dis-
tricts of about 74,000 each of Dal-
las. Other districts drawn by a
state legislative redistricting board
last October were left intact, for

this year's voting, although the
legislature was directed to redraw
all of them by July 1, 1973.

**ANTI-INCOME TAX GROUP
REVIVES** — An anti-income tax
group of prominent Texans Wed-
nesday announced plans to push
for state governmental economies
to head off "substantial new
taxes" this year.

Texas Association of Taxpayers,
which helped defeat a corporate
income tax in 1971, is seeking to
expand its membership base of
5,500 before the 1972 special leg-
islative session.

Principal objective, said chair-
man Tom Sealy of Midland, is first
to "encourage every possible econ-
omy that will put a lid on spend-
ing."

**SOUTH TEXAS PLAN IS
LAUNCHED** — Governor Smith
announced initiation of a plan
aimed at improving job opportu-
nities, living conditions and gov-
ernmental services in a vast 60-
county area of South Texas.

Ideas for bettering the quality
of life in South Texas involve
largely the attraction of industries
to the area and improved training
of manpower for vocational skills.
"This may well be one of the
most significant proposals to come
out of my office since I have been
governor," Smith said.

The area covered by the plan
would extend from Val Verde
County on the west to Refugio
County on the east, as far north
as Gillespie and Comal Counties
and south to the Rio Grande. Pov-
erty incidence in the area, said
Smith, is 35 per cent compared
to the statewide figure of 21.5 per
cent.

SHORT SNORT — Teachers fi-
nally got their three-months' retro-
active pay raises cleared.

**Two Minutes
With the Bible**

Grieve Not the Spirit

The first lesson each believer
in Christ should learn is that im-
mediately upon believing he is
given everlasting life. Referring
to this fact Ephesians 1:13,14
says:

"In whom (Christ) ye also
trusted, having heard the word
of truth, the gospel of your sal-
vation in whom also having be-
lieved, ye were sealed with that
Holy Spirit of Promise."

Mark well, the believer is not
sealed by the Holy Spirit, but
"with" the Holy Spirit. The Spirit
Himself is the seal. Every sincere
believer in Christ, then, should
rejoice in an accomplished re-
demption and rest in the fact that
the Holy Spirit will keep him eter-
nally safe.

But while we cannot lose the
Holy Spirit, we can, and often do,
grieve the Holy Spirit as we
read in Eph. 4:30. This is why
we read in Rom. 8:26 that the
Spirit "helps our infirmities" and
makes intercession for us, that we
might live lives which please and
honor God.

The wonderful fact is, however,
that "nothing," not even an ag-
grieved Spirit, "shall separate us
from the love of God" (Rom. 8:
38,39). Thus in the same breath
with which the apostle exhorts us
not to grieve the Spirit, he again
reassures us that this same Spirit
keeps us eternally safe:

"And grieve not the Holy Spirit
of God, whereby ye are sealed
unto the day of redemption" (Eph.
4:30).

Does this encourage careless
living? Those who think so have
missed the whole point of Paul's
appeal. The apostle does not warn
the believer that if he grieves the
Spirit he will be lost. Rather, in
grace he exhorts: "Do not grieve
the very Spirit who in mercy and
love has sealed you as forever His
own. Do not repay such love with
such ingratitude."

Investment Tax Credit

Farmers, ranchers and business-
men need to take a close look at
the seven per cent investment tax
credit when filing their 1971 in-
come tax returns, says Dr. James
Mallett, extension economist. To
qualify, property must have been
ordered and acquired after March
31, 1971, or acquired after August
15, regardless of when ordered.
Investment credit also applies to
property where construction or
reconstruction was begun after
March 31 or was completed after
August 15, regardless of when be-
gun. For construction prior to
April 1, only costs attributed to
the period after August 15 apply.

**Bud McLain is Speaker
At Rotary Club
Meeting Last Week**

Rotarian Bud McLain told fel-
low Rotarians and guests at the
Rotary Club meeting Wednesday
of last week about a trip he and
his wife and their two daughters,
Cathy and Kristi, made during the
Christmas holidays to Milton, Del-
aware, to visit Mrs. McLain's fam-
ily.

The McLains spent seven days
traveling, covering some 3,600
miles and going through 17 dif-
ferent states. They visited many
historical points along the way.
Mr. McLain said the family went
through Washington, D. C., just
before Christmas and saw the
lighted tree on the White House
lawn.

He was most impressed with the
improvement of the road system
during the lapse of 14 years since
he last made the trip to Delaware.
He said over half the way up to
Delaware, the family traveled on
4 and 6-lane roads. On the way
home, they were on toll roads most
of the way.

The coldest weather they en-
countered was en route home at
Joplin, Mo. In describing the coun-
try, he said that in Louisiana, Mis-
sissippi and Alabama, he saw most-
ly timber lands; farming in Geo-
rgia and South and North Carolina
and he was impressed with the
number of furniture manufacturing
businesses they saw in the
Carolinas.

In spite of the large number
of people who have quit smoking,
Mr. McLain said everyone he talk-
ed to in the tobacco country said
last year was the "best ever" in
way of business.

Mr. McLain said Delaware is
a small state composed of three
counties. Chief crops are corn
and soybeans, and the largest in-
dustry in the state is raising broil-
ers.

Guests at the meeting were Ro-
tarian B. R. Foster of Quanah,
and Rev. Joe Ainsworth, new pas-
tor of the First Baptist Church in
Crowell.

**Senator Hightower
Announces Candidacy
For Another Term**

Jack Hightower of Vernon has
filed his formal request for a place
on the ballot of the Democratic
primary as a candidate for re-elec-
tion to the State Senate from the
30th Senatorial District.

Sen. Hightower has been an
announced candidate for some
time, but formal filing with the
county Democratic committees was
delayed due to the litigation in-
volving senatorial district bound-
aries and the question of filing
fees. Some of the legal questions
having been resolved, it is now
known which counties are includ-
ed in the new 30th Senatorial Dis-
trict.

Sen. Hightower is in his eighth
year of service in the Senate. He
also served one term in the Texas
House of Representatives and was
district attorney of the 46th Ju-
dicial District seven years prior
to his election to the Senate.

A legislative leader, Senator
Hightower is chairman of the Sen-
ate Administration Committee and
has played a vital role in the im-
provement of the legislative pro-
cess in Texas. In addition to his
membership on the major Senate
committees in the last regular ses-
sion of the legislature he served
as president pro tempore of the
Senate. On April 3, 1971, while
serving as acting governor, the
people of the 30th Senatorial Dis-
trict honored Senator Hightower
and his family at "Governor-for-a-
Day" events in Austin.

Senator Hightower, 45, is a na-
tive of Memphis, Hall County,
Texas. He and his wife, the form-
er Colleen Ward of Tulsa, have
three daughters, Ann 19, a student
at Baylor University, Amy 15, and
Alison 12.

Rare and Exciting New Find Listed For Ranch Headquarters Museum

A "rare and exciting" new find has been announced as the latest acquisition by developers of the Ranch Headquarters, an outdoor living museum of ranching history growing up on a site adjacent to The Museum of Texas Tech University.

To be designated according to its form of construction as the "Picket and Sotol House," the newly acquired structure combines two of the earliest methods of construction used by pioneer cattlemen during the fledgling days of the ranching industry.

Jerry Rogers, associate director of The Museum in charge of the ranch headquarters project, said the structure could well be one of the very last of its kind still in good enough condition and near enough its original state to allow historically accurate restoration.

"A significant characteristic of these types of structures was that they were almost always erected as 'temporary' shelters," said Rogers. "Thus, after having served their purpose for a number of years, most simply were abandoned and allowed to collapse and deteriorate."

For this reason, he explained, and because the structure combines the two very primitive forms of frontier construction, the Picket and Sotol House is indeed a "rare and exciting" acquisition for the ranch headquarters.

Original site of the structure, donated to the ranch headquarters by Mr. and Mrs. Bascomb Cox of Ozona, is near the Pecos River and west of that southwest Texas city.

Rogers said the date of construction of the house has been established as 1904, and it was built by an early settler of the region in an effort to "prove up" (make improvements on) a four-section claim of land to be used for ranching.

The structure is a tribute, Rogers said, to the ingenuity of the pioneer cattlemen of Texas who found it necessary to make use of whatever was available to them in erecting a shelter on the wide open range where there was no lumber, little building stone and few trees suitable for logs with which to build a conventional cabin.

Designated as "picket and sotol" house both for its two representative methods of construction and for the materials used, the structure actually consists of three rooms—one of wholly picket-type construction and two combining this with another more primitive type which utilized a native range plant called sotol.

Rogers described sotol as a yucca-like plant common to the Southwestern U. S. and Mexico, with a woody stem and long sword shaped leaves.

Picket construction, originally introduced into North America by French Canadians, was popular as an early method of erecting a shelter because it didn't take a great amount of time. The builder used logs stood upright and close together in a trench dug in the outline of the proposed building. This eliminated the need for relatively smooth and uniformly shaped logs which would have had to be carefully notched and fitted together at the corners in a more conventional type log cabin.

In the picket house, once the logs were in place forming walls, the tops were sawed off to an even length and a roof of planks or shingles was added.

Two rooms of the ranch headquarters' latest acquisition were built by beginning with a rough framework of pickets, or upright

logs, placed about two to three feet apart instead of close together. Stalks, or stems, from the sotol plant were then nailed close together in a horizontal pattern to both the inside and outside of the picket framework.

Rogers said the sotol stalks used in construction were usually from one to one and a half inches in diameter and varied in length from about 8 to 14 feet.

To complete the walls, the space left between the inside and outside shells of sotol covering over the picket frame was filled in with dirt and stone rubble. This sotol construction is representative of a very primitive building method, Rogers said, and was probably originated by Indians and handed down by Spanish and Mexican ranchers.

When restored on the ranch headquarters site, the structure will retain its original stone chimney. The picket room will have a plank and shingle roof, and the roof over the sotol rooms will be thatched as it was originally with either sotol leaves or bundles of sacahuiste grass.

Individual Must Be Free

"The individual must be free, able to develop to the utmost of his ability, employing all opportunities that confront him for his own and his family's welfare; otherwise he is merely a cog in a machine. The society must be stable, assured against violent upheaval and revolution; otherwise, it is nothing but a temporary truce with chaos. But freedom for the individual must never degenerate into the brutish struggle for survival that we call barbarism. Neither must the stability of society ever degenerate into the enchained servitude of the masses that we call statism."—Dwight D. Eisenhower.

Robert Kincaid to Head Foard Easter Seal Campaign

Robert Kincaid will head the 1972 Easter Seal Appeal in Foard County, it was announced by Rodney D. Hargrave, Dallas, president of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Foard County will receive the annual Easter Seal

Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 2.

Mr. Kincaid is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over \$1 million, financed mainly by the Easter Seal Appeal. Almost 90 per cent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled

in the 1972 Easter Seal appeal to the disabled citizen or his family in Foard County who may need assistance and not know where to obtain it. Any disabled person can contact Mr. Kincaid at the Crowell State Bank, who will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

Texas Highway Department Finds Over 800 Archaeological Sites Since 1917

Everyone knows the Texas Highway Department provides important transportation links between modern cities and towns. Not so well known is the department's role in providing links to the past, too.

Texas Highway Department crews have been responsible for finding more than 800 archaeological sites since the department was organized in 1917.

They combine with the more than 4,500 sites currently cataloged at the University of Texas Archaeological Research Laboratories in Austin to give archaeologists a more complete picture of the state's colorful history.

Discoveries made by Highway Department crews include the remains of an Indian burial mound now on display in the Witte Memorial Museum in San Antonio, Inner Space Caverns on Interstate Highway 35 near Georgetown, and

Dreams for sale.

Everybody's got a dream lurking around in the back of his mind. A dream vacation. A dream cottage. A dream car.

Dreams can be a lot more fun if you know you're doing something to make them come true.

And that's what the Payroll Savings Plan is all about. When you sign up an amount you specify is set aside from each paycheck and used to buy U.S. Savings Bonds.

Now Bonds mature in less than six years. That's the shortest maturity period ever, and makes Bonds a practical way to save for dreams you want to come true while you're still young enough to enjoy them.

See the folks in the payroll office where you work. They've got dreams for sale.

Now E Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Engagement Announced

Mr. and Mrs. Martin Quintero are announcing the engagement and approaching marriage of their daughter, Miss Elise Quintero, to Donnie Ray Packard, son of Mr. and Mrs. Donald Ray Packard of Roxton, Texas.

The marriage will take place on February 19.

Columbian Club

Mrs. Roy Barker was hostess for a meeting of the Columbian Club on February 2. The subject of the program was ecology with eight members present. Meeting opened with Mrs. Grady Halbert presiding. Minutes were read and approved. Treasurer's report was that a check had been sent to the mental hospital as a Christmas contribution.

Roll call was answered on various thoughts on ecology by members.

Mrs. Grady Halbert acted as leader for the program.

"Pollution can be fun" was given by Mrs. Marion Chowning. Mrs. Roy Ayers gave a part on "Plant Parenthood." "Excerpts from school boys" was given by Mrs. Homer Black, which was interesting and closed the program.

Mrs. Barker served delicious refreshments to all.

Next club meeting will be Feb. 15 with Mrs. Allen Shultz.

Junior Leaders

The Foard County 4-H Junior Leaders met last Thursday at the community center. Lynn Meads presided. Members voted to have a square dance. Those on the committee to see about arrangements

for it are Remelle Marlow, Rita Hodges, Jana Russell and Ruth Brown.

The 4-H Pledge was led by Ruth Stone and Jody Haynie said the prayer. Susan Autry read the minutes and called the roll. Ruth Brown gave the program on "Pollution."

Hostesses for this meeting were Sandy Whitfield, Lee Meads and Remelle Marlow. At the next meeting, Susan Autry will give the program and hostesses will be Connie Werley, Jana Russell and Rita Hodges.

Due to a conflict, the next meeting will not be held at the community center. Harold Myers, Jody Haynie and April Werley are on a committee to find a place to have the meeting.

Couple Observe Golden Wedding Anniversary

Mr. and Mrs. John L. Hunter were honored on their fiftieth wedding anniversary with a reception at the community center in Crowell Sunday, February 6.

Hosting the event were their children, Mr. and Mrs. Lewis Hunter of Gatesville and Mr. and Mrs. Bob Hunter of Odessa, assisted by Mmes. A. B. Owens, Vernon Garrett and Homer Ketchersid.

Delores Hunter, a granddaughter, registered the guests in a gold guest book while Misses Cheryl, Stacy and Teri Garrett, great nieces of Mrs. Hunter, served gold punch and the wedding cake to a host of friends and relatives.

The Hunters received many nice gifts including a complete set of Franciscan Stoneware dishes. The

children presented them with a set of gold flatware.

John L. Hunter and Miss Florrie Mae Owens were married in Vernon February 4, 1922. They have lived in Foard County most of their lives. Due to ill health, they moved to be near their children and now reside in a mobil home near their son, Lewis, at Gatesville.

Out of town friends and relatives attending were Mr. and Mrs. W. T. Ross of Matador, Mr. and Mrs. Otis Moore of Wichita Falls; Mr. and Mrs. P. D. Chaney, W. F. Hlavaty, Mr. and Mrs. Claude T. Bagley of Vernon and Mrs. Gayle Gidney of Wichita Falls.

Mr. and Mrs. Hunter have four grandchildren and they were all present: Delores, John Charles and Ashley Hunter of Gatesville and Tommy John Hunter of Odessa.

Gambleville H. D. Club

The Gambleville Home Demonstration Club met Friday afternoon in the home of Mrs. Elton Carroll.

For opening exercise, Mrs. Carroll gave a reading, Taxes and Finance, by the late Will Rogers. Mrs. Clarence Garrett, president, presided. Mrs. Elton Carroll, secretary-treasurer, read minutes and gave finance report. Roll call was answered with "how I solved my fitting problems. Mrs. James Sandlin gave council report. Mrs. Carroll gave report on district training meeting held last Monday at Benjamin. She announced that the district THDA meeting will be at Quannah with Foard County as co-hostess.

In giving her program on "Who Wears the Pants," Mrs. Peggy Meads, H. D. Agent, stressed that pants are here to stay and for them to look nice, they should fit correctly. There are eleven measurements for a correct fit. She showed how to alter a pants pattern for a correct fit. A discussion was held on fitting problems. Mrs. Meads also told of correct ways of putting in hems.

A clever way of awarding the hostess gifts by having valentines attached underneath the chairs of the lucky winners, who were Mrs. Meads, Mrs. Charley Bartley, Mrs. Betty Chatfield and Mrs. Leotis Roberts. Secret pal names were drawn for the next three months.

Refreshments were served to

members: Mmes. James Sandlin, Charley Bartley, Willie Garrett, Milburn Carroll, Clarence Garrett, Betty Chatfield, Leotis Roberts, Milton Hunter, Mrs. Meads, the agent, and a new member, Mrs. Jack Thomas.

Next meeting will be in the home of Mrs. Warren Haynie with Miss Sharla Haynie, 4-H member, giving the program. Date to be announced later. Visitors and new members welcome.

Pioneer Circle

Mrs. David Johnson was hostess to members of the Pioneer Circle of the Woman's Society of Christian Service of the Methodist Church on Monday, February 7, in the home of Mrs. Grady Halbert.

The song service was followed by the praying of the Lord's prayer and by repeating the 23rd Psalm in unison. Mrs. Charlie Bryson, circle chairman, presided during the business session.

Mrs. Allen Sanders was leader for the program and chose for her theme, "Good Things Are Happening, Too." Each of the members told of some action that brought help to men, women and children.

After a social period, refreshments were served by Mmes. Johnson and Halbert to eight members and a guest, Mrs. Otis Moyer.

4-H Club Meeting

Friday, Jan. 21, the Truscott 4-H girls met at Jacquelyn Brown's house and elected officers: Rhonda Westbrook, president; Tracy Shaw, vice president; Oralia Fuentes, secretary. On Jan. 24 the club met again at Jacquelyn's house and made cornbread. They then met again Jan. 31 at Tracy's house.

THE INFORMED CONSUMER

BY CRAWFORD C. MARTIN
Attorney General of Texas

If you have purchased a franchise or you are seriously considering investing in a franchise business, there are certain questions which you might ask to determine your chances for success.

First, who is the franchisor? If the franchisor is well known, has a good reputation, and has an obviously successful franchising operation, you have a better opportunity to succeed in your business. Occasionally, a dishonest promoter will use a franchise name and trademark deceptively similar to that of a well-known franchisor. Be skeptical of franchisors whose major activity is selling franchises and whose profit is primarily derived from these sales or from the sale of franchise equipment. Remember, the more information you learn about the franchisor and the successes or failures of individuals who have purchased his franchises, the better prepared you will become to make an intelligent decision.

Second, you should determine the length of time the product has been on the market and whether it has enjoyed successful promotion during this time. In short, is it a proven product or service or just a gimmick? Ask yourself whether or not you are really interested in selling the product or service, what the future demand will be, and the nature of the competition you must face in marketing the product.

Third, what is the cost of the franchise? In addition to the initial cash outlay required, there may be other charges, assessments, or royalties to be paid to the franchisor, and you may be required to purchase supplies from the company rather than from local sources.

Fourth, what profits can reasonably be expected from the franchise operation? Here again, private investigation on your part by talking with present franchise owners may provide facts you will need to make an intelligent decision. In any event, the representations of a promoter concerning projected net profits or earnings potential should be carefully examined for accuracy.

Fifth, what training and management assistance will be provided by the franchisor? It is very important that you clearly understand the specific nature of the training to be provided. Will it consist only of receiving a manual of instructions or hearing a few lectures? You must determine whether or not after taking the training offered you will be able to operate the franchise successfully.

Sixth, what are your rights and obligations under the terms of the franchise agreement contract? Contact your attorney and listen to his explanation of the terms and conditions of the contract. Compare this with the representations made to you by the promoter.

In summary, you should not rush into signing a contract or any other document relating to a franchise promotion, and you should not make any deposits or down payments "to hold a franchise open" or to "demonstrate good faith" unless you are absolutely certain about your decision to go ahead with the franchise arrangement.

Find out all you can about the franchise including the names and addresses of other franchise owners whom you can contact. Take the time to talk with these individuals to determine their attitudes toward the company, the success or failure they have encountered, and the problems they have dealt with in operating the franchise. Consult your attorney and have him review all aspects of the agreement to be certain that all terms of the agreement are set forth in a written contract which is not oppressive in its requirements. Finally, study the product, the market, and your ability before signing that contract.

If you become aware of deceptive franchise operations such as described above, please notify Attorney General Crawford C. Martin, P. O. Box 12548, Capitol Station, Austin, Texas 78711.

NEW STATE HIGHWAY MAP NOW AVAILABLE

Gleaming new stretches of interstate highways, more miles of four-lane divided facilities, several new lakes and a new national park make this year's 1972 Official Highway Travel Map better than ever.

The free map, published by the Texas Highway Department, is a perennial favorite with Texas motorists. Projections for 1972 call for distribution as high as 1.4 million.

This year's map includes the addition of Lake Fairfield in Freestone County and Decker Lake in Travis County. Lake Palestine, located in Henderson, Smith, Cherokee and Anderson Counties, has been on the map for several years. This year, however, the water impoundment has been enlarged considerably.

The new map reflects construction, realignment and improvement of many types of highway facilities in the state-maintained system.

The publication shows that about 130 miles of interstate highways have been added to the state's highway network. Texas now has 2,922 miles of interstate highways open to traffic. When the national interstate system is complete, Texas will have 3,176 miles of IH routes.

The map shows that several important gaps in the state's interstate system have been closed. These include:

A 40-mile segment of IH 30 between Mount Pleasant and New Boston, completing IH 30 between Dallas and Texarkana.

A 32-mile segment of IH 45 between Streetman and Buffalo, completing IH 45 between Dallas and Galveston.

Ten-mile and 31-mile segments of IH 20 between Abilene and Fort Worth.

The '72 map shows that some 265 miles of divided highways have been added to the state system. This gives Texas 5,695 miles of four-lane divided facilities. Four-lane divided highways are an important safety measure in an

effort to cut down on head-on accidents.

The new map will reflect a new U. S. Highway 380 designation from Greenville in Hunt County, westward to near Old Glory in Stonewall County. In addition, the map will show the new boundaries of the Guadalupe Mountain National Park located in Hudspeth and Culberson Counties.

Visitors will find expert assistance in planning travels in Texas at 11 tourist information bureaus operated by the Highway Department, including the Roy Bean Visitor Center and Cactus Garden at Langtry and in the Capitol in Austin.

The other tourist information bureaus are located at key highway gateways at Anthony, Laredo, Orange, Waskom, Texarkana, Denison, Gainesville, Wichita Falls and Amarillo.

Each bureau and information center is operated by trained travel counselors who assist more than one million visitors annually.

Other features of the '72 map include listings of Highway Department district offices, Department of Public Safety offices and state parks. A handy conversion table turns kilometers to miles and liters to gallons.

Safety rest areas are designated on the map with a small blue dot, comfort stations with the familiar blue square.

The Texas Highway Department provides approximately 1,100 safety rest areas, roadside parks and scenic turnouts for the safety and convenience of highway users in Texas.

Copies of the 1972 Official Highway Travel Map are available at Highway Department Tourist Bureaus and at department district offices. The map is one of the most popular of the more than 7.3 million pieces of travel-oriented literature distributed each year by the Texas Highway Department.

The map may also be ordered directly by sending name, address and zip code to Texas Highway Department, Travel and Informa-

Game Officers Hit Poacher Jackpot

Texas Parks and Wildlife Department game management officials in Southeast Texas had a productive evening recently, arresting 11 hunters for spotlighting deer in Hardin County.

The spotlighters paid more than \$2,600 in fines after their arrest by GMOs Carl Matzke, Gordon Hart and district chief Carl Covert.

Letter to Editor

Stamford, Texas,
February 3, 1972.

The Foard County News,
Dear Bill,

I was reading in the News today where the new pastor at the Baptist Church was at Fort Polk. Also I saw some of the names that he served with.

I was also with him at that time. He was the Communications Chief and I was assigned to his section. His name is Ainsworth, I believe. He was a pretty good N. C. O. Tell Sgt. Eddie Joe Ainsworth hello for me.

I sure enjoy reading the Foard County News and keeping up with what's happening back home.

I am in the barber business here in Stamford now. I own the Service Barber Shop on West McHarg Street. We're on the road to Abilene and see a few familiar faces every now and then.

Ace Whitley passes about once a week with the company he works for.

Just thought I would let the News know that I recommend Rev. Ainsworth very highly. And it was a pleasure serving with him at Fort Polk.

Thank you,
Your friend,
J. W. Golden, Jr.

Invitation for Bids

The Housing Authority of the City of Crowell, Texas, will receive bids for the complete development of Housing Project TEX 308-1, 30 Dwelling Units, Community Building, including plumbing, heating, electrical, site improvements (walks, grading, lawns and planting, etc.) until 2 P. M. CST on the 29th day of February, 1972, in the City Hall in the City of Crowell, Texas, at which time and place all bids will be publicly opened and read aloud.

Proposed Forms of Contract Document, including plans and specifications, are on file at the office of Pierce, Norris, Pace & Associates, Architects / Engineers / Planners, 1002 West Wall, Midland, Texas; at the office of the Housing Authority of the City of Crowell, Texas; and in appropriate plan rooms. Copies of the documents may be obtained by depositing \$50.00 with the Architect for each set of documents so obtained. Said deposit checks shall be made payable to the Housing Authority of the City of Crowell, Texas. Such deposit will be refunded to each person who returns the plans, specifications and other documents in good condition within 10 days after bid opening.

A certified check or bank draft, payable to the Local Authority, U. S. Government bonds, or a satisfactory bid bond executed by the bidder and acceptable sureties, in an amount equal to 5 per cent of the bid, shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Specifications must be paid on the project, and that the Contractor must perform with his own forces at least the construction branches of structural concrete and carpentry.

The Local Authority reserves the right to reject any or all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of sixty (60) days subsequent to the opening of bids without the consent of the Local Authority.

There is a certain relief in change, even though it be from bad to worse; as I have found in travelling in a stagecoach, that it is often a comfort to shift one's position and be bruised in a new place.—Irving, Tales of a Traveller.

21,900 Cotton Samples Classed at Altus Last Week

The USDA Cotton Division Classing Office at Altus graded 21,900 samples for the week ending February 4, and recorded a season total of 157,700 samples classified, according to C. E. Cox, officer in charge. Last year at this date 193,700 samples were reported.

Total classed from north Texas counties this year stood at 24,400 samples, compared with 25,900 to this date last year.

Grades on north Texas cotton classed during the week were 70 per cent light spotted, and 18 per cent spotted. The predominant grades were 42 with 39 per cent and 52 with 29 per cent. Forty-eight per cent was reduced in grade because of bark or grass.

Staples were predominantly 30, 31 and 32.

The Consumer and Marketing Service reported market activity declined along with a decline in prices. Grades 42 and 43, average staple lengths, miking in the 3.5 to 4.9 range, were about 250 points lower than the previous week. Additional discounts were in effect on low mike cotton, up to 500 points off for 2.6 and below. Cottonseed was unchanged at \$56 per ton.
