FOARD COUNTY SECOND YEAR

NUMBER 11

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, SEPTEMBER 14, 1972

SINGLE COPY TEN CENTS

SEVEN WISDOM BROTHERS—The seven Wisdom brothers are pictured above with Jack Hightower of Vernon, Grand Master of Masons in Texas, on the occasion of the Wisdom family reunion and first visit of a Grand Master to the Thalia lodge. Front row above, they are

Beecher Wisdom of Morenci, Ariz., Grand Master Hightower, Jake Wisdom of Thalia and Lew Wisdom of Lawton, Ok. Back row: Frank Wisdom of Thalia, Charlie B. Wisdom of Fort Worth, William Wisdom of Quanah and F. A. Doc Wisdom of Westminster, Calif.

Park Superintendent Says

PLANS FOR DEVELOPMENT OF COPPER BREAKS STATE PARK NORTH OF CROWELL 'FANTASTIC'

Non-Conference Game

WILDCATS GO TO CHILLICOTHE FRIDAY

The Crowell High School Wildcat football team, fresh from a resounding 27-0 victory over the Quanah Indians here last Friday night, takes on the other Har-

man County eleven Friday night at Chillicothe when the Wildcats and Eagles tangle in a traditional battle. However, this year, the Eagles are not in this district, and this will be both team's second non-district game of the season.

Three Football Games Scheduled Here Thursday

Three football games are scheduled to be played at Dick Todd field tonight beginning at 8 o'clock.

The Crowell and Seymour seventh grade teams will play in the first game; the eighth grade teams of the same schools will play at 7, and the CHS junior varsity team will play the Newcastle A team beginning at 8 o'clock.

This is a regular season game for Newcastle and CHS Principal L. H. Wall announced Monday that a price change will be in effect for this night of football.

Relying strictly on the honor system, entrance fees will be 75c for adults and 25c for students who want to see only the junior high games. Those planning to stay for the Newcastle game will be charged \$1.50 adults and 50c for students. Also, anyone coming after the junior high games, to see the Newcastle game, will be charged the higher entrance fee, Mr. Wall said.

Channel Catfish Delivered to Foard Landowners

Thousands of small channel catfish were delivered to Foard County landowners Tuesday of last week.

With the rains of early last week, the time looked ideal for the stocking of tanks with fish.

Mr. and Mrs. Clyde Self Honored on 50th Anniversary

Mr. and Mrs. Clyde Self were honored Sunday, Sept. 10, in observance of their fiftieth wedding anniversary which was Sept. 9, with a family luncheon and an afternoon reception at the Thalia School.

The event was hosted by the couple's children, all of whom were present. They are Coleman Self and Beverly Ralback of Amarillo, Janet Gilbert of Fort Worth, Myra Laurance of Mineral Wells and Wanda Cates of Thalia.

The serving table was covered (Continued on page 5)

Mrs. McKinley Died in Vernon Hospital Sept. 6

Funeral Services Held Friday at Thalia Church

Mrs. Buna McKinley, 76, longtime resident of Thalia, died on Wednesday, September 6, in General Hospital in Vernon after a short illness.

Funeral services were held at 2 p. m. Friday, Sept. 8, in the First Methodist Church of Thalia with the pastor, Rev. Wilson Holman, officiating. Burial was in the Thalia Cemetery under direction of Henderson-Fields Funeral Home of Vernon.

Pall bearers were Jake Wisdom, Lee Sims, Cecil Carpenter, Billy Hammonds, R. H. Cooper and Joe Smith.

Mrs. McKinley was born October 22, 1896, in Alabama. She married Earl J. McKinley in 1912 in Cooke County, and they moved to Foard County in 1920. She was a member of the Thalia Methodist Church.

Survivors include one brother, Otis Burson of Levelland; four grandchildren, and three great grandchildren.

She was preceded in death by her husband in 1965, and one son, Lowell McKinley, who died in Perryton in 1968.

Band Boosters to Meet Monday Nite

The Crowell Band Booster Club will meet Monday night, Sept. 18, at 8 p. m. in the band hall for a regular monthly meeting.

Clois Cobb, president, made the announcement and asked that all band parents and other interested persons attend.

Bob Martin, Superintendent of Copper Breaks State Park north of Crowell, told members of the Rotary Club of Crowell at their noon luncheon Wednesday, Sept. 6, that bids for Phase I construction at the park close Sept. 19, and the plans for the park look "fantastic." He said construction (if one of the bids is accepted) should get underway in October or November. He added that usually contractors for state parks "go fast" and the contractors usually get about 250 days to complete such a project as Phase I construction at Copper Breaks.

Martin said that the Phase I construction will include 2.4 miles of paved primary roads plus numerous services roads; 1 multi-use camp site; 25 parking spaces for trailers with concrete floors; rest rooms and shower facilities for the campsite, and water and electricity. Each of the 25 parking spaces for trailers will have a charcoal grill.

Cost of using one of these trailer parking facilities is \$1.50 per day in addition to the regular \$1.00 for entrance into a state park in Texas.

This money will go to help pay off the state bonds which are sold to finance park construction.

Martin said that the state parks system is showing fantastic growth. He added that in the 2 1/2 years he has been with the Parks and Wildlife Department, the number of state parks in Texas has increased from 71 to 85. He said the state is buying parks faster than they can be developed.

Copper Breaks State Park land was purchased on October 8, 1970, and Martin said it is normally about two years after purchase of the land before actual construction begins. So, Copper Breaks Park is right on schedule, Martin commented.

Construction at a state park is done in a manner to affect the natural beauty of the site as little as possible, and Martin said survey crews were at the park on seven different occasions in an attempt to make the main road conform to the natural beauty as much as possible. (Continued on page 4)

Water Deposits Needed

Plans Made to Extend Thirsty Water System East of the Seymour Road to an Area North of Thalia, Officials Say

Plastic Fishing Worm Factory Operates on 3 Shifts

The plastic fishing worm factory in Crowell last week went to a three-shifts-per-day schedule according to Ernest Larmer & Associates of Fort Worth. Mr. Larmer's firm is assisting the Four Winds Industrial in securing industry in the four counties of Foard, Childress and Hardeman. The plastic fishing worms are being to Pace Lure Company on a piece basis.

Two Foard County Pioneers Honored on Birthday

Mrs. W. S. J. Russell, pioneer resident of Foard County, was honored with a family gathering on the occasion of her ninety-ninth birthday. Also honored was Will L. Johnson, a brother-in-law of Mrs. Russell and a long-time resident of the Thalia community.

More than 150 attended the reunion held at the Thalia gym on Sunday, September 3.

Sharla Haynie Pledges Chi Omega Sorority at Texas Tech U.

Miss Sharla B. Haynie, daughter of Mr. and Mrs. Warren Haynie of Crowell, pledged Chi Omega sorority on August 26 at Texas Tech University in Lubbock, according to a news release received from the sorority.

Miss Haynie is a freshman at Tech.

CROWELL WALLOPS QUANAH INDIANS 27-0

The Crowell Wildcat football team, after suffering some first-quarter jitters last Friday night, quickly settled down later in the first quarter and methodically rolled to a 27-0 non-conference win over the Quanah Indians at Dick Todd field.

Early in the contest, Wildcat fumbles gave the Indians great

Farmers Union Sets Annual Meeting for Saturday, Sept. 16th

The annual meeting of the Foard County Farmers Union will be held in Crowell at the community center Saturday, Sept. 16, at 7:30 p. m., J. F. Matthews, Jr., president, announced Monday.

This meeting is held for the purpose of electing officers for the ensuing year and electing delegates to the Texas Farmers Union state convention to be held in Arlington in early December. Policy resolutions will be considered for adoption and submitted to the state program drafting committee as recommendations for state policy.

All members are urged to be present at the meeting, Mr. Matthews said.

Direct Distance Dialing

Starting in May, 1974, Crowell will have direct distance dialing service, Gerald Kehoe, division manager for General telephone has announced.

Crowell is one of 17 area towns scheduled for the DDD, Kehoe added.

field position, but the defense, led by Ernest Barrera, Freddy Matysek, Rocky Bachman, Billy Eaverson, Doug Pharis and Philip Bell, snuffed out any scoring ideas the Indians may have had.

Quanah's passing game proved more effective than the run as quarterback Glen Houk connected on five passes for a total of 48 yards.

Crowell's first score came deep in the first quarter when the Wildcats recovered an Indian fumble on their 33. A few plays later, Emmitt Newman, after having caught a Rex Driver pass in the drive, scored from two yards out and Bachman kicked his first extra point of the season.

About three plays deep in the second quarter, Bachman kicked a 48-yard field goal for another 3 points to make the score 10-0. His subsequent kickoff went completely out of the end zone for a touchback.

With 8:22 left in the second period, Newman, back to field a punt about his own 10, fumbled the ball momentarily, picked it up, seemed to go down on his knees, but he regained his balance, got a block from Bachman, (Continued on page 5)

Ray Santos Family Moves to New Home

Mr. and Mrs. Ray Santos and children have moved to the new brick home recently completed for them on East Donnell Street.

Foard County Lumber Co. furnished the materials and Jim Henry was the contractor.

Revival to Begin Sept. 25 at Free Will Baptist Church

Bob Rudolph, pastor of the local Free Will Baptist Church, announces that a revival meeting will begin at the church Monday night, September 25, and continue for an undetermined time. Services will begin at 7:30 each night.

Rev. Ernie Hale of Myrtle, Mo., will be the evangelist for the meeting.

The local congregation invites all area residents to attend.

Revival Postponed at Baptist Church

The revival meeting scheduled at the First Baptist Church Sept. 17-24 has been postponed, Rev. Joe Ainsworth, pastor, said last Friday.

Rev. Lawrence Cox of Temple, Okla., who was to do the preaching for the revival, had emergency surgery last Thursday; thus, necessitating the postponement.

Rev. Ainsworth said further announcement will be made when the revival is re-scheduled.

Mike Coats Family Moves to Vernon; Sell House to Guy Todds

Mr. and Mrs. Mike Coats and two children, Steve and Michelle, have moved to Vernon to make their new home. They purchased a house at 1803 Loma Linda.

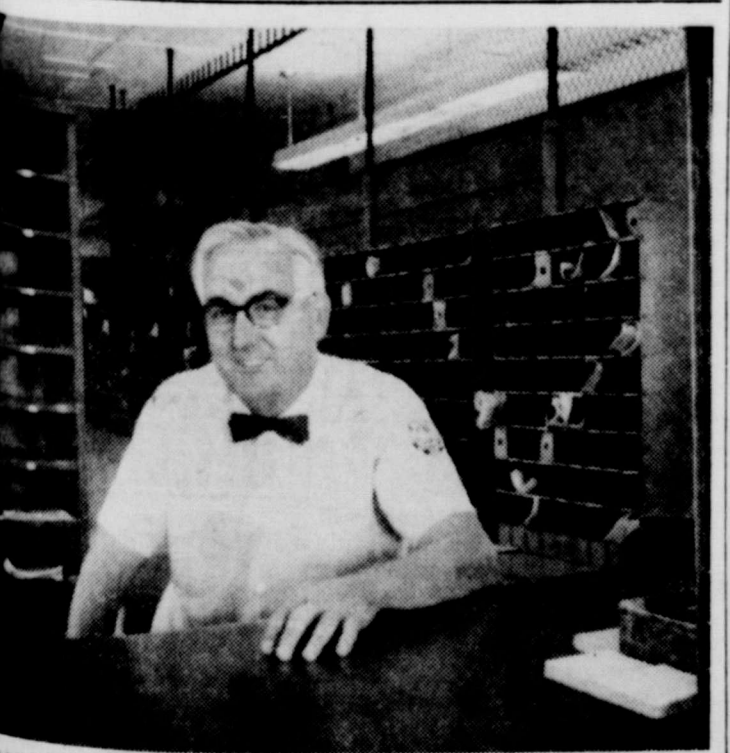

Mr. Coats will be working with the Johnson-Ekern interests in Vernon.

CONGRESSMAN BOB PRICE AND WIFE VISIT HERE—Congressman and Mrs. Bob Price of Pampa were honor guests at a barbecue here Wednesday night, August 30. Pictured above are some of the local residents who greeted the Prices. From left they are Miss Margaret Foster, Clarence Garrett, Mrs. Garrett, Mrs. Price, Congressman Price, and Foster Davis.

VISIT WITH PRICE—Pictured above are local residents who greeted Congressman Bob Price on his visit to Crowell Wednesday night, August 30. From the left, they are Fred Youree Fredrick Youree of Dallas, Bill Gafford shaking hands with Congressman Price and Jimmy Dean Werley.

TRANSFERRED TO ABILENE—Edward Roark, above, who has been employed in the Crowell post office since August, 1949, has been transferred to the area mail processing department of the Abilene post office. Roark has been a window and distribution clerk at the Crowell post office for many years. The late Alva Spencer was postmaster when Roark began work at the post office which was then located in the block west of the court house. Counting his military service during World War II, Roark has 26 years employment by the federal government. He plans to rent a room in Abilene and return to his home in Crowell on the week ends. His wife is director of the Greenbelt School of Vocational Nursing now in progress here. Roark began his duties in Abilene Saturday, September 2.

Know Your Faculty

This week's faculty close-up is on the superintendent of the Crowell school system, Larry Heathman Jones. Mr. Jones is married to Myrna Jones and is the proud father of Julie Denise Jones. They attend the Baptist Church where Mr. Jones teaches.

A graduate of Okeene High School, Mr. Jones attended several institutions of higher learning. He received his B. A. at Southeastern State College and his master's of education from Texas Tech. He also attended Oklahoma State University and the George Peabody College for Teachers. He has thirty graduate hours beyond his degrees.

Mr. Jones presently teaches Typing II and is a member of the TSTA—local, district and state. In the TSTA, he holds offices on the district and state levels.

Mr. Jones feels that his foremost concern is to insure the quality of the academic programs. He is in charge of every phase of the school system—transportation, cafeteria, maintenance, etc. Mr. Jones is a busy young man and the students of CHS are proud to have him.

Senior Spotlight

Trudy Beth Bird is the black-haired, brown-eyed senior in the spotlight this week. The 5'2" senior was born October 6, 1954, and is the daughter of Mr. and Mrs. Mike Bird. She attends the First United Methodist Church and is vice president of MYF. Trudy is very active in FHA for which she was fifth vice president her sophomore year and is now serving as secretary.

A member of the band for six years, she was librarian last year and is presently vice president. She has been a member of Drama Club for two years and was in the chorus for three years, serving as secretary her sophomore year. She is the corresponding secretary of the Sub-Junior Adelpian Club and was historian last year and parliamentary her sophomore year. She was junior class president her junior year and was junior homecoming attendant.

Her favorites include: food, steak; color, yellow; song, "I Believe in Music; group, Bread; subject, home ec.; and hobby, sewing. Trudy plans to attend Texas Tech next fall.

Senior Scene

This week we want to honor our "fantabulous" senior guys on the football team. Our fearless foursome may be few in number but they're really "whomped" it to the other teams in their scrimmages and we know that they'll keep on all season long! Rex Driver is our quarterback, Rocky Bachman is tight end, John Urquizo is halfback, and Doug Pharis is center.

We can't forget the pep squad either—those loud ladies who risk laryngitis every Friday night when they take their places! Seniors in the pep squad are Ruth Brown, president; Veda Everson, vice president; Irma Quintero, secretary; Margaret Foster, reporter;

Junior Jive

The hottest thing here at CHS this week is the rumor that the juniors are going to break the current magazine sales records! It certainly looks as if the "Free-loaders" and the "Jewels" might be just the combination to beat that \$2,000 mark!

Everything's coming up... book reports for the junior class as they rack their brains and fight writers' cramp in a last minute rush to write reports for both English and American history.

Juniors say "Pluck the Eagles!"

Sophomore Scoop

We had a great pep rally last Friday which was boosted by the great spirit of the sophomore class. Sophomores in pep squad this year are Rita Hodges, Rita Washburn and Bertha Leija.

Sophomores say "Beat Chillicothe!"

Freshmen Fantasy

The freshman class started last week with an algebra test. Great way to start the week!

Class mothers have been elected and they are Mmes. Billy Joe Halencak, Donald Wesley, W. C. Carr and Baxter Gentry.

Even though there were tests during the week, we've found that high school doesn't just include hard work; there is a great deal of fun and activities that brighten each day.

Drama Club Review

The Drama Club met Tuesday, Sept. 5, with a total of 22 members enrolling. New officers which were elected are president, Daryl Halencak; vice president, Daria Bell; secretary, Irma Quintero; treasurer, Karen Gray, and reporter, Terry Cobb.

The president discussed the requirements in becoming a member of the International Thespian Troupe. It was decided to meet on the first Tuesday of each month and to attend several nearby upcoming productions in this area. Also discussed were the plans for the four plays which the speech classes will soon present and the possibilities of several students attending the Notre Dame speech tournament.

All members are urged to pay their dues, being \$2.00 for old members and \$3.00 for new members. The money collected from the dues will help pay for makeup, lighting equipment, costume material, and various other stage necessities. This looks as if it is going to be a great year for our Drama Club if everyone "plays their part!"

Varsity Sports

The first game for the Crowell Wildcats was played here Friday, Sept. 8. The Wildcats were all fired up and ready to beat Quanah and that's just what they did. The Crowell varsity defeated the Indians 27-0.

Coach Scott Boyd said Monday,

County Judge Says

Eligibility Requirements Quite Different in Surplus Commodity, Food Stamp Programs

Project Find, P. O. Box 1046, Baltimore, Maryland, brochures were included along with the August social security checks. County Judge Leslie Thomas says, and the brochure sets out that individuals and families can have an income of considerably more than the maximum allowed by the Texas State Department of Public Welfare for surplus commodity recipients and still be eligible for food stamps.

For example, Judge Thomas says an individual could have an income of \$178 per month and still be eligible to participate in the food stamp plan; whereas, to be eligible to receive surplus commodities, an individual cannot have an income of more than \$133 per month; hence, Thomas says there is quite a difference in the eligibility requirements in the two programs.

Foard County was one of the first counties in the state to institute the surplus commodity food program in the county, and according to Judge Thomas, through this program the county has been able to supplement the diet of needy citizens to insure that none in the county would go hungry; however, on July 21, as authorized by the third called session of the 62nd legislature, the board of Public Welfare adopted a motion for implementation of a statewide food stamp program resulting in phasing out the surplus commodity food program and the inauguration of the food stamp plan for all counties over a period of time beginning Sept. 1 through October 1.

Judge Thomas says it appears that Foard county will be phased into the food stamp program around Oct. 1, but until that time Foard County will continue to operate the surplus commodity food program and will be subject to the rules and regulations of the Texas State Department of Public Welfare.

Judge Thomas says a number of persons have written into "Project Find" indicating that they would be eligible for the food stamp program under the eligibility requirements of that program; however, he states that until the time that the county is phased into the food stamp program, the eligibility requirements of the Texas State Department of Public Welfare "will have to continue to be the guideline in determining eligibility for the surplus commodity food program in Foard County."

Retirement Test Is Misunderstood Part of Social Security

"One of the most misunderstood parts of the social security program is the retirement test," according to Henry Chustz, manager of the Vernon social security office. "Most people do not realize you don't have to quit work altogether to draw monthly benefits."

"Under present law you can work and earn as much as \$1680 in a year and receive full benefits for that year. However, if you earn over \$1680 in a year, then one dollar of benefits is withheld for every two dollars you earn up to \$2880. If you earn over \$2880, one dollar of social security benefits is withheld for every dollar earned over \$2880," Chustz further stated that even if your earnings exceed \$1680 in a year, you can still get a check for \$140 in gross wages nor perform substantial services in self-employment.

To figure your earnings, count all earnings from wages and self-employment whether or not the income is covered by social security. Non-work income, however, does not count in determining yearly income. Examples of non-work income include interest on savings accounts, pensions, and investment income. The retirement test does not apply to anyone who is over 72 years old.

Now's the Time for a Soil Test

Although small grain planting time is just around the corner, there's still time to get a soil test on the land to be seeded, county Agent Joe Burkett says.

A soil test is the best guide to a sound fertilization program for small grains. Soil samples may be submitted to soil testing laboratories run by the extension service at College Station, Lubbock and Seymour. Information sheets and instructions for collecting and mailing soil samples are available at Burkett's office.

Two Minutes With the Bible

The Time Element in Scripture

How many problems would be solved, how many seeming contradictions in Scripture explained, if we were more careful to note the time element, emphasized so strongly in the Word of God.

In Romans 5:12 we learn that sin entered the human race by Adam. Then later "the law entered" (ver. 20). But still later the Apostle Paul arose to say: "But now, the righteousness of God without the law is manifested" (Rom. 3:21).

Early in man's history blood sacrifices were required for acceptance with God (See Gen. 4:4; Heb. 11:4); later circumcision and the law (Gen. 17:14; Ex. 19:5); and still later, repentance and water baptism (Mk. 1:4; Acts 2:38). But not until Paul do we learn of salvation by grace through faith alone, on the basis of Christ's finished, all-sufficient work of redemption.

"This is why the apostle refers in Gal. 3:23 to 'the faith which should afterward be revealed.' This is why he declares that our Lord 'gave Himself a ransom for all, to be manifested in due time, and adds: 'whereunto I am ordained a preacher and an apostle' (1 Tim. 2:9,7).

It is only as we recognize the time element in Scripture that we see the difference between "the kingdom of heaven" and "the body of Christ," between "the gospel of the kingdom" and "the gospel of the grace of God," between the "dispensation of law" and "the dispensation of the grace of God."

A comparison of Romans 3:21 and 26 shows how this time element is emphasized in Scripture.

After discussing the function of the law in verses 19 and 20, the Apostle Paul declares: "But now the righteousness of God without the law is manifested. . . ."

Then, in ver. 26 he states that it is God's purpose: "To declare, I say, at this time, His (Christ's) righteousness; that He (God) might be just and the Justifier of him that believeth in Jesus."

There you have God's terms of salvation for today. The sinner who places his trust in Jesus Christ, who paid the penalty for our sins, is justified before the bar of God. Glorious message! "Believe on the Lord Jesus Christ and thou shalt be saved."

Cafeteria Menu—Sept. 18-22

Monday: jumbo corn dogs, pinot beans with ham, corn bread, macaroni and tomatoes, carrot sticks, peach halves, milk.

Tuesday: fishburgers, lettuce and tomatoes, onion and pickle slices, French fries, red plum cobbler, milk.

Wednesday: fried chicken with cream gravy, green beans, creamed potatoes, celery stick, rolls, cake, milk.

Thursday: baked ham, black-eyed peas, whole corn, tossed salad, rolls, Jello with fruit, milk.

Friday: hamburgers, lettuce and tomato, onion and pickle slices, French fries, apple cobbler, milk.

Card of Thanks

We would like to thank everyone for their kindness to us at the time of the death of our brother, Carl Bradford; for the food, flowers and prayers. May God bless every one of us our prayer.

Mr. and Mrs. C. F. Bradford.

Plans of Copper Breaks State Park Called 'Fantastic'

(Continued from page 1)
possible. Surveyors worked seven weeks in the area.

George Scott of Crowell is second in command at the park now and Martin said another employee had been added. Gary Marquart of Quanah. At present the three men stay busy building fences on the property and also building a shop for their maintenance work.

They are also doing some plant reforestation. As an example, he said "indigo" is an endangered species of native shrub, and they are trying to get a good growth of indigo started at the park.

Bids are not presently being taken on the construction of the dam at the park. Estimated cost of the dam is \$300,000, Martin said, that he anticipates that within two months, bids will be taken for the dam. The lake to be created by the new dam will be long, narrow and deep; about 460 yards wide and over a mile long, covering some 60 surface acres. Skiing will not be permitted due to the size of the lake; it will be primarily a lake for fishing and swimming.

Future plans call for the construction of a visitor center or interpretative center in which permanent exhibits will be on display as well as changing exhibits to be provided by area organizations. Martin said exhibits will include archaeological finds, Indian artifacts, etc.

Anticipating that this building will cost in the neighborhood of \$300,000, the Parks Department is spending \$20,000 for an architect to draw plans for the 6,000-square foot building.

Hoping to attract visitors from all areas of Texas, Martin said the plans for the park and interpretative center are designed to make the park as interesting and educational to residents of Houston or any other section of the state, as they would be to residents of Foard and Hardeman Counties.

A plant inventory has been made by Martin and Scott and they have identified 187 different plant species on the park property and also have found a number of plants which they are unable to identify from any of their reference books.

They have found seven Indian camp sites on the park thus far, but from all indications, Martin says it looks as if the Indians did not stay long at any time. They have not located an Indian burial area, but have found a buffalo skeleton.

Martin concluded his talk by showing a number of colored pictures taken in the park. They showed many beautiful scenes as well as a multitude of blooming native flowers.

He was introduced by Rotarian Glen Goodwin.

Extension Proposed for Thirsty Water System Lines

(Continued from page 1)

cott and to the west and north-west areas from Truscott.

Easements are being obtained in Foard County for the water lines. Several individuals will be working to obtain these easements as Mr. Black says a separate easement is required for each property section.

Mr. Parkey has stated that no individual in any county in which the Thirsty Water System operates has refused to grant an easement but he also states that the Thirsty Water System does have the right of eminent domain, and that he hopes that it will not be necessary to use it. No money is involved in obtaining easements. He further added that a dependable water supply is an invaluable asset not only to the property owner, but also the operator of the farm or ranch.

The pipeline will be of sufficient depth that it will never interfere with the cultivation of any crops, for the distance from the surface to the top of the pipe will be 30 inches, and it will be placed near the fence line to create the least possible damage to any growing crop.

Mr. Parkey added that it might be of interest to note that when the Thirsty Water System is completed in all the counties, that the Greenbelt water will be piped from the town of Turkey to near the city limits of Vernon; this would have been impossible without a dependable source of water. He added that the City of Iowa Park has three (3) dry lakes with a \$2,000,000 indebtedness and recently began to use Lake Kemp water.

Statistics Given on Foard Cotton Acreage and Production

Some interesting information concerning Foard County cotton acreage and harvest has been released by the Texas Department of Agriculture and the USDA statistical reporting service. The information is from the annual cotton statistical report of the two agencies.

Foard County farmers in 1970 planted 9,800 acres of cotton, harvested 8,500 acres for total production of 2,880 bales, or an average of 162 pounds per harvested acre.

From the 1971 crop, Foard County farmers harvested 3,050 bales from 8,800 acres, or an average of 167 pounds per acre. Foard farmers planted 10,700 acres of cotton in 1971.

Lubbock County, with 155,960 bales, was the leading Texas county in cotton production in 1971.

1972-73 Texas Hunting, Fishing Guides Available

The 47-page 1972-1973 Texas Hunting and Fishing Guide is now available from Texas game management officers.

The booklet is a summary of seasons, bag limits, information concerning the hunting and game birds and animals and a digest of fresh and saltwater fishing regulations.

Additional List Made of Foard County College Students

The following names of college students have been turned in since last week's edition of the News: Mike Weatherred, son of Mr. and Mrs. Baylor Weatherred, is a sophomore at West Texas State University in Canyon.

Mr. and Mrs. Charles Dodd are seniors at Baylor University in Waco. Charles is a religion major and his wife, the former Miss Jan Welch, is a home economics major. Mrs. Dodd is the daughter of Mr. and Mrs. James Welch of

Crowell and Mr. Dodd is the son of Mr. and Mrs. Bill Dodd of Rule.

Miss Beth Welch, daughter of Mr. and Mrs. James Welch, is a freshman education major at West Texas State University in Canyon. Misses Debra and Peggy Rasberry, are both enrolled in McMurray College in Abilene. They are daughters of Mr. and Mrs. R. G. Rasberry of Crowell.

Mrs. Pam Carter Cornelius is enrolled in Houston Baptist College where she will be doing her student teaching, approved by Baylor University, Waco. Pam is the daughter of Mr. and Mrs. Loraine

Carter. In addition to the list of Foard County students attending college, Miss Jacquelyn Brown, correspondent for the News at Truscott and Gilliland, reports the following college students from Gilliland:

Francis Bayers is going to college at the University of Texas Medical Branch at Galveston. David Navratil is going to Texas University at Arlington. Darlene Meek is going to college at Midwestern University.

If you want to be heard—write.

Jr. High Football Teams Split Games Last Week

The Crowell junior high football teams, coached by Printiss Gidney, split games at Monday Thursday night of last week, as the local seventh grade team won 16-0 and the eighth grade team lost 0-12.

Ricky Coleman scored both of the local seventh grade touch-

PERSONALS

Flowers are nature's way of expressing sympathy. 42-tfc

Miss Mieke Owens, student at Texas Tech, Lubbock, spent the week end here with her parents, Mr. and Mrs. R. J. Owens.

Price, Berl and Lawrence Lovelady and Mrs. Wilma Herrmann, all of California, spent the week end with their sister, Mrs. Henry Borchardt, and husband.

Attention CHS students! We are now stocking the colored paints you need for your football posters.—Foard County News. 10-tfc

Mrs. Lottie Pittillo, who recently underwent surgery in the Crowell hospital, is now making her home at Woods Convalescent Center in Vernon.

Mrs. L. J. Handy and Mrs. John T. Banister of Tulsa, Okla., were week end guests of Mr. and Mrs. C. S. Wishon. Mrs. Handy is a sister of Mrs. Wishon and Mrs. Banister a sister-in-law.

Dr. and Mrs. Bob Borchardt of Wichita, Kansas, announce the arrival of a baby boy on Sept. 11. The baby joins a brother, Robby. Mr. and Mrs. Henry Borchardt, paternal grandparents, are visiting the family this week.

Chester Hughes returned home Sunday, Sept. 3, after undergoing back surgery in General Hospital in Wichita Falls. His daughter, Mrs. Alice Taylor, and daughter, Dawn, of Wichita, Kansas, visited here a few days last week.

Mr. and Mrs. L. M. Waites have gone to Springtown to spend some time. Mr. Waites lived at Springtown before moving to Crowell several years ago. Mrs. Waites is the former Mrs. Madge Johnson.

Mr. and Mrs. Gordon Jones and children, Carrie and Kevin, of Garden City, Kansas, and Mrs. Butch Laxson of Wichita Falls, Mr. and Mrs. Fred Priest and Tom of Vernon visited over the week end with their parents and grandparents, Mr. and Mrs. R. C. Johnson.

Mr. and Mrs. M. R. Wright and girls of Elkhart, Kansas, visited their son and daughter-in-law, Mr. and Mrs. G. R. Wright, in the home of Mr. and Mrs. D. M. Prince over the Labor Day week end. G. R. Wright is in the Navy and stationed at Bethesda, Maryland.

**STATE CAPITAL
Highlights
AND
Sidelights**
By Bill Boykin
TEXAS PRESS ASSOCIATION

Austin, Tex. — About 20,000 on Texas welfare rolls may lose their eligibility next month due to increased federal social security benefits.

Probably 110,000 more may get a cut in state old age assistance as the federal benefit goes up.

However, Department of Public Welfare Commissioner Raymond W. Vowell emphasized that total income will still be higher even where state benefits drop.

Federal law requires the state welfare agencies to count social security income in figuring financial need for welfare grants.

Vowell said the Welfare Department is trying not to lower or deny welfare grants wherever possible.

He advised welfare recipients to notify their local aid offices of any recent changes in their need or other income.

Budgetary revisions in welfare procedures will permit continued assistance to about 4,700 old folks

who otherwise would have had their welfare grants denied, Vowell said.

DEATH SENTENCES COMMUTED — Some 28 prisoners sentenced to death have had their sentences commuted to life imprisonment following a high court decision that capital punishment as now applied in Texas is unconstitutional.

Atty. Gen. Crawford Martin on August 2 held the U. S. Supreme Court decision (now on appeal) meant sentences must either be commuted or prisoners given new trials.

A Board of Pardons and Paroles member said he did not know when inmates whose sentences have been commuted by Gov. Preston Smith actually will get the official news. He said there are 45 on death row in Texas prisons and that the board may wait until all sentences are commuted before informing either prisoners or the public.

Before action can be taken on commutations, prosecutors who do not want to start new trials must make formal written requests to the board. In nearly all cases, local prosecutors are expected to request commutation rather than retrial.

The board plans a meeting with in the next month to take formal action.

DRAFT NUMBER AT 95 — Young Texans whose draft lottery number is 95 can relax for the rest of 1972.

State Director of Selective Service Col. Melvin N. Glantz said 95 is the lottery number cut-off for induction of non-volunteers for the rest of the year. Lottery cut-off for September is 75.

RATE CUTS TAKE EFFECT — That 11 per cent average statewide auto insurance rate cut went into effect September 1 as scheduled.

They will be available to auto owners when they purchase new policies or renew existing coverage in the next 12 months.

An additional 10 per cent cut is possible after passing a National Safety Council-prescribed defensive driving course. Total reductions amount to about \$70 million.

Most business men generally are so busy coping with immediate and piecemeal matters that there is a lamentable tendency to let the "long run" or future take care of itself. We often are so busy "putting out fires," so to speak, that we find it difficult to do the planning that would prevent those fires from occurring in the first place. As a prominent educator has expressed it, Americans generally "spend so much time on things that are urgent that we have none left to spend on those that are important."—Gustav Metzger.

Alexander Sokoloff and Family Visit Here

Dr. and Mrs. Alexander Sokoloff and children, Elaine, Nadine and Michael, of San Bernardino, Calif., visited here Tuesday, Sept. 5, with Mr. and Mrs. James Welch.

Dr. Sokoloff lived in Crowell for a few years and graduated from Crowell High School in 1939. He made his home here with Rev. and Mrs. E. L. Yeats. Rev. Yeats was pastor of the Crowell Methodist Church at that time.

He and Mr. Welch were high school friends, both graduating the same year. They have kept in touch with each other through the years.

Dr. Sokoloff is a professor in San Bernardino State College.

Good News Printed Even to the End

"Sixteen months ago, a Sacramento, California businessman named William Bailey started a new newspaper called 'The Good News Paper,' which dealt only with happy tidings. His circulation increased to 11,000 by listing only stocks that went up, by banning ads for cigarettes and sex movies and by using story leads such as—'In the U. S. last year, 196,459,483 citizens did not commit a crime.' But the paper fell into debt and had to discontinue publication. Even to the end, Bailey stood by his policy of good news. He never printed the bad news of his failure in 'The Good News Paper.'—Boonie, N. C., Watauga Democrat.

Observe Fiftieth
Anniversary . . .**

(Continued from page 1)

with a gold satin cloth, topped with net, and featured a large gold seal denoting the 50th anniversary, which was held by white satin ribbon, with white wedding bells at the corners of the table. Featured was a three-tiered white and gold cake, on a crystal plate. Punch was served from a crystal bowl. The table also held a gold money tree, a gift from the couple's children and other relatives. Small white napkins were inscribed, "Willie and Clyde."

Guests registered in a white leather book, on a small table accented with gold mums.

Those present for the occasion were Mr. and Mrs. Garnet Gilbert and Tony, Mr. and Mrs. James Marion and children and Mrs. Maude Brumbelow of Fort Worth; Mr. and Mrs. Elmer Laurance and Lauri and Harold Alben of Mineral Wells, Mrs. Beverly Railsback and Scott, Mr. and Mrs. Ronnie Elvebak and Mr. and Mrs. Coleman Self and children of Amarillo, Terri Cates of Dallas, Pat Cates of Lubbock, Mrs. Blanche Key of Frederick, Okla., Mr. and Mrs. Clarence Orr of Duke, Okla., Mr. and Mrs. Lowell McKinley and Jeff of Perryton, and Mr. and Mrs. Archie Crabtree of Dunn, Texas.

Also Mrs. Minnie Rush, Mrs. Isabelle Thompson, Mrs. Louis Niemeyer, Debbie Ellis, Mr. and Mrs. Ben Hopkins, Mr. and Mrs. Leo Kidwell, all of Vernon.

Present from Thalia were the honored guests, Mr. and Mrs. Self, Mr. and Mrs. Oliver Holland, Mr. and Mrs. C. S. Carpenter, Roy Self, Maggie Capps, John Warren, Monty Smith and Mr. and Mrs. T. R. Cates, Jr.

**Wildcats Take 27-0
Victory Over Quanah
Indians Last Friday**

(Continued from page 1)

and then everyone got into the act, mowing down one Indian after another. The last one was wiped out by Driver at the Quanah 20 and Newman had himself a 97-yard touchdown gallop. Point-after by Bachman made it 17-0. With 2:07 still left in the quarter, Bachman kicked another field goal, this one from 41 yards out.

After a holding penalty wiped out a 35 yard touchdown run by Driver, about two minutes passed before Quanah punted to Wildcat scabbard Johnny Urquiza who took the ball on his own 15, turned on all his speed behind unbelievable blocking and went in to score on a play covering 85 yards. Bachman, who never missed all night, added to point after to make the final score 27-0.

Newman was the Wildcats' leading ground gainer with a total of 105 yards for the night.

Other Wildcats seeing action in the game were Dee Finley, Ricky Nichols, Chuvelo Ranjel, Bob Taylor, Tim Daniels, Keith McDaniel, Don Sparkman, Ricky Hammonds, Terry Tamplin, Allen Tapp, Hal Williams, Joe Haynie, Rocky Glascock, David Bell, Randy Prince, Steve Graves, Melvin Westover, and Jackie Eavenson.

Beef factory increases . . .
Egg production shows gain . . .
Cattle sold at auction declines . . .
Egg type chicks decline . . .
Screwworm agreement . . .

THE BEEF FACTORY of Texas—the nation's largest—has increased almost 275,000 head during the first half of the year.

The number of beef cows, which determines the numbers of beef calves to be produced, total 5,725,000 in Texas as of July 1. This compares with 5,452,000 as of January 1.

The number of all cows in Texas has also shown an increase. Total cow numbers in the state as of July 1 totaled 6,080,000 head; this compared with 5,807,000 head as of January 1.

The Blacklands have the highest number of beef cows and all cows. As of July 1, there were 929,400 cows (854,000 of that being beef cows) in the Blacklands. The east Texas and south Central Texas regions were next in total numbers of cows and beef cows.

The east and northeast Texas area had 775,000 beef cows and a total of 864,100 cows as of July 1. The south central area had 766,000 beef cows and a total of 810,500 cows as of July 1.

EGG production in Texas during July was up three per cent from a year ago, but steady with last month. Total egg production during July totaled 222,000,000. Nationwide, egg production was down one per cent from last year.

Total numbers of Texas layers as of July 1 were 11.7 million. Texas eggs laid daily per 100 hens averaged 61.2 during July; a year ago the average was 57.6. Nationwide, the average was 62.7.

The July hatch of egg-type chickens in the state was down 34 per cent from a year ago and 23 per cent below a month earlier. Broiler chicks showed an increase of three per cent. The total turkey poult hatch for July was up 18 per cent from a year ago, but 33 per cent below a month ago.

A NINE per cent decline in numbers of cattle and calves marketed through Texas auction markets inspected by the Texas Animal Health Commission is reported by the Texas Crop and Livestock Reporting Service.

Cattle and calves marketed totaled 619,000 head, or nine per cent below a year ago. Sheep sales totaled 132,000, down 17 per cent from a year ago and 39 per cent under a month ago. Sales of goats at 27,000 were down 31

cent from a year ago.

Hog sales totaled 45,000 head; this is 29 per cent below a year ago.

THE FINAL step toward eradication of the screwworm in Texas has been taken. An agreement between Mexico and the United States was signed recently which will result in a cooperative effort to eradicate the screwworm in Mexico.

It will involve building a sterile screwworm fly factory off the Isthmus of Tehuantepec in Mexico. Production from this plant and from the fly factory at Mission will be used to wipe out the pest in Mexico.

Livestock producers in Texas are urged to continue to check their livestock regularly, treat wounds on livestock for screwworm control, and continue to submit suspected samples to the fly laboratory at Mission.

Eradication officials say plans are being made now to combat the screwworm next year.

Some Exotic Fish Require Permits

"Hey, lady, make you a good deal on a piranha."

Be prepared to answer to the Texas Parks and Wildlife Department if you take him up on his "good deal."

Piranhas are some of several tropical fish which the department forbids the importation, possession, sale or release in Texas because of their potential harm to human or animal life.

Other exotics on the list are bony-tongues, electric eels, guppies from Belize, snakeheads, peacock bass, parasitic South American catfish, freshwater sting rays and walking catfish.

Texas water skiers should be spared taking a spill into a school of voracious piranhas.

Grocery Business Due For Big Growth

The Public Service Company of Colorado states: "The total volume of the country's grocery business will jump 14.4 per cent to \$81.4 billion by 1975, says a major market research study released by General Foods Corporation. In addition, they note that the number of items handled by supermarkets will rise 33.3 per cent to 10,000, that store sizes will grow 36.6 per cent, and that investments will rise 66.6 per cent."

Mental Health Worker Speaker at WSL Meeting

"One out of eight Texans will have mental illness during their lifetime," stated Kenneth E. Trent, director of Outreach Service Center for Cottle, Dickens

and King Counties which is located in Paducah, told members of the Women's Service League at their Thursday luncheon in the community center. The centers are a part of the Texas Department of Mental Health and Mental Retardation. Foard and Hardeman counties are served by a center in Quanah.

Professional specialists are available at the centers as needed. Mr. Trent pointed out that the facility deals with out-patients, mental health, mental retardation, drugs and alcohol. Referrals were formerly made almost exclusively by governmental or professional agencies. The majority now come from former patients. Personnel believe now that mental health is best treated in the community and the average hospital stay is approximately 43 days where in the past it has been years. Cost of services is based on the patient's ability to pay.

Jim Brittnacher of the Vernon center was a special guest and made several interesting comments.

SCHOOLMATES—This two-piece outfit is as perfect in a math class as it is in a crafts class. The butcher apron of brown cotton suede tops a long-sleeved cotton shirt in a brown and white wallpaper stripe. White collar and cuffs add a fresh look to the Cinderella design.

Columbian Club

The home of Mrs. J. M. Chowning at Truscott was the scene of the first meeting of the 1972-73 year for the Columbian Club of Crowell on Wednesday, Sept. 6. After routine business was disposed of, Mrs. G. A. Shultz read the First Psalm for the devotional.

The roll call was "memories of school days." One member reported that her first grade sweetheart was none other than Jimmy Allred, who was governor of Texas in the mid-thirties. Most recalled the tears they shed on the first day. The reports of the summer vacations were very interesting; trips covered a large part of the continental United States. It was announced that the first meeting of the county federation will be Sept. 26. Refreshments were served to 12 members. Next meeting will be Sept. 20 with Mrs. John Ray.

H. D. Council Meeting

The Foard County Home Demonstration Council met in a called meeting Sept. 8 in the county extension agent's office in the court house with Mrs. Willie Garrett, chairman presiding. There were eight members and three visitors present with all three clubs represented.

Mrs. Clarence Garrett read the minutes and called the roll. Mrs. Homer Ketchersid of the West Side Club brought the opening exercise, "Know Your Job."

Mrs. Louise Churchill, W. E. Schoolcraft and Elton Carroll, who were elected to attend the state HD convention in Houston, will leave Sept. 12 and return on Friday. Mrs. Willie Garrett went along as a visitor. Mrs. W. E. Schoolcraft was elected as THDA chairman for the coming year.

Card of Thanks

Thanks to all of you who showed care and concern when we have sorrow. We love your big hearts that help us to carry on.

The Lovely families and Mr. and Mrs. Henry Borchardt. 11-1tp

Police Employee Data

Seven hundred twenty-two law enforcement officers were killed in the line of duty from 1962 through 1971. Since 1962, firearms have been used to commit 96 per cent of these police killings. Seventy-three per cent of the weapons used were handguns.

News from . . . THALIA

BY MRS. MAGGIE CAPPS

Angie Miller and Troy Brown of Vernon and Mr. and Mrs. Geo. Streit of Lockett visited Mr. and Mrs. Jake Wisdom Sunday.

Mr. and Mrs. R. M. Abbott of Fort Worth and Mr. and Mrs. Vernon Abbott of Fort Worth spent the week end with Mr. and Mrs. Homer McBeath. They returned home Sunday but Mrs. R. M. Abbott remained for a longer visit.

Sherman McBeath of Austin visited Mr. and Mrs. Homer McBeath and other area relatives Monday.

Last week another of our long-time friends and neighbors, Mrs. Buna McKinley, passed away in General Hospital in Vernon. She died Wednesday after entering the hospital Sunday. Funeral services were conducted Friday with Rev. Wilson Holman and Rev. Delmar McBeath officiating. Among those from out of town attending were Mr. and Mrs. Lowell McKinley and Jeff, Earl James McKinley and wife, and Zack McKinley and Lynn, all grandchildren; Mrs. Mildred Roseberry of Amarillo, Mrs. Mills of Sulphur Springs, Mr. and Mrs. Otis Burson of Levelland (her brother), and a cousin, Mrs. G. Burson of Alabama, and Mr. and Mrs. Clyde McKinley of Fort Worth.

Mrs. Lela Glasgow visited here from Thursday till Saturday after spending several weeks at her place at Eagle Nest, N. M. She left for her home in Midland on Saturday.

Mrs. Harletta Capps Carthel of Gruver visited her grandmother, Mrs. Maggie Capps, and her uncle, Roy Self, Thursday. She was spending a few days with her parents in Vernon. Her parents, Mr. and Mrs. Duane Capps, took her to Claude Friday where Mr. Carthel met them and took her home.

It seems that our community has had more than our share of deaths the past few weeks. Mrs. Buna McKinley, who was taken to General Hospital in Vernon Sunday, died Wednesday. Anxious neighbors kept close watch and she was apparently improving steadily and expected to be home in a short time; however, she died shortly after noon Wednesday. She was loved by all and will be greatly missed, having lived among us many years.

Rev. and Mrs. Jerry Cornelius of Dallas spent the week end here and he filled his regular appointment at the Baptist Church Sunday. On Saturday night, a fellowship meeting was held at the church and was well attended. Special guests were Mrs. Cornelius's parents, Mr. and Mrs. Al Doyle of Gillean.

Mr. and Mrs. Wayne Shultz and Mrs. Hugh Shultz of Pasadena visited Mrs. G. A. Shultz Monday.

Mrs. O'Neal Johnson was taken to the Crowell hospital Sunday by Mr. Johnson and Mrs. C. C. Wheeler. Mrs. Johnson had surgery in a Wichita Falls hospital last week and is reported to be doing very satisfactorily.

Mr. and Mrs. Wilson Knight, Johnny and Kandi, of Arlington spent a few days last week with their uncle, John Warren.

Mr. and Mrs. Archie Crabtree of Snyder spent the week end here and he filled his regular appointment at the Thalia Church of Christ.

Mr. and Mrs. Roy Shultz of Vernon visited Sunday with his sister, Mrs. Eudale Oliver, and Mr. Oliver.

Mrs. Isa Belle Thompson of Vernon visited Mrs. Maggie Capps Sunday and attended the 50th wedding anniversary celebration of her brother and sister-in-law, Mr. and Mrs. Clyde Self. Other visitors were Coleman Self, Mark and Tricia, and Scott Railsback of Amarillo, Toni Gilbert of Fort Worth, Lauri Gilbert and Harold Albin of Mineral Wells. They were all here to attend the 50th anniversary celebration of Mr. and Mrs. Self.

Mrs. Celeste Johnson of Vernon and Mr. and Mrs. Earl McKinley of Fort Worth visited Miss Irene Doty last week.

Mrs. Florence McBeath visited Mrs. Cressie Blakemore in the Crowell hospital Thursday. Mrs. Blakemore had undergone surgery several days ago.

The village of Thalia and the area immediately surrounding was a veritable lake with many swiftly flowing currents a few days last week following several rains over the previous week. With the flood came numberless swarms of hungry mosquitoes which remained after the flood waters subsided and we are taking a more tolerant attitude toward the heat of the 100 degrees-plus days which are following up.

Half the deaths, injuries and property damage occurring on U. S. highways every year stem from accidents in which alcohol is involved. The Travelers Insurance Companies reports the 1971 traffic death toll topped 54,000.

NEWS RELEASES FROM TWO CONGRESSMEN

The subcommittee on livestock and grains, under the leadership of U. S. Rep. Graham Purcell, will hold hearings Sept. 14, 18 and 19 at 10 a. m. in room 1301, Longworth House office building, into aspects of the recent series of sales of large quantities of U. S. grain to the Soviet Union.

"The massive quantities of grain involved, the internal policies of the government, and the large grain companies used to handle the transaction have generated a great deal of interest from farmers and the consuming public," Purcell said.

"No one is happier than I that these large quantities of wheat are being sold abroad," Purcell said, "and the ultimate effect of the sale for American wheat growers should be positive. However, there has been concern expressed over several aspects of the sale, which the subcommittee will be interested in exploring."

"The details of transaction, its effect on wheat prices, the use of the export subsidy, the use of a large foreign-owned grain company to handle the transaction, and the amount of grain that eventually will be traded under the agreements signed in July, are all areas that the subcommittee will be studying," Purcell concluded.

Anyone wishing to testify before the subcommittee should contact Mrs. Christine S. Gallagher, chief clerk of the Agriculture Committee, room 1301, Longworth House Office Building, Washington, D. C. 20515.

On Sept. 29 at Wichita Falls and October 2 at Amarillo, Congressman Bob Price is sponsoring, with the full cooperation of the Departments of Commerce and Defense, an all day conference on how to sell to the government.

Representatives of 15 federal departments and agencies, plus several prime contractors, will be on hand to tell how to sell goods and services to the federal government and how businessmen can avail themselves of the programs within these agencies. Discussions will include procedures for bidding, how to find out who needs what, etc.

The registration fee will be nominal—chiefly to cover the cost of lunch.

28 Million Receive Social Security Checks Each Month

On the third of next month, over twenty-eight million people will receive a social security check. Of that number, about 9,300 live in the area served by the Vernon social security office.

But even with that many checks going out each month, social security is still vitally interested in seeing that every check is delivered on time, according to Henry Chustz, manager of the Vernon office.

Social security checks normally arrive on the third day of the month, but sometimes a check may be late.

Chustz advises waiting at least three days, but if the check does not arrive on the sixth of the month the social security office should be notified.

Governor Approves Community Action Grant of \$16,506 to 4-County EOAC

Governor Preston Smith Friday, Sept. 8, announced his approval of a community action grant of \$16,506 in new federal funds to Economic Opportunities Advancement Corporation of Cottle, Foard, Hardeman and Wilbarger Counties in Crowell for "General Community Programming."

Funded under Title II of the Economic Opportunity Act, the grant is effective Oct. 1, 1972, through Sept. 30, 1973.

Funds will be used to employ an economic development specialist for the four-county area to assist in fostering business ownership and management enterprises

among the poor in the area after the agency's Special Technical Assistance Program (STAP) in economic development has been completed. The agency was the first to have such a STAP plan in Texas, and Keith Vaughn of Austin was assigned to the local program during the past year.

The specialist will coordinate with business and industrial sectors to expand business and industry and induce new industry and business into the area; implement a sheltered workshop; and conduct follow-up activities to the recently completed STAP project.

Other functions would include assisting in designing intensive educational and technical assistance programs for low-income people in the areas of management, purchasing, inventory and marketing.

Felix Taylor, executive director of the local EOAC, is running an advertisement in the News and other papers in the affected counties of Cottle, Childress and Hardeman seeking applicants for the job.

Foard County Declared Soil and Water Conservation District, Tower Says

A telephone call from Senator John Tower's office in Washington Tuesday stated that the United States Department of Agriculture has informed Senator Tower that Foard County has been declared a Soil and Water Conservation District.

District cooperators will receive

assistance from the USDA Soil Conservation Service and other federal, state and private sources of funds and technical assistance.

The primary goal of the supervisors is to develop and apply comprehensive soil and water conservation plans for all land and every farm and ranch in the area; to curb erosion and sediment damage and improve crop land, grass land, grazing management and to cooperate with local groups and the public school system in carrying out a conservation education program.

Supervisors are J. A. Marr, chairman; Joe Don Brown, vice chairman; A. V. McCombs, secretary; A. L. McGinnis and Eldon Whitman.

Wesley Lovelady Died Wednesday in San Angelo

Wesley L. Lovelady, brother of Mrs. Henry Borchardt of Crowell, died Wednesday, Sept. 6, in a San Angelo hospital. Funeral services were held Friday, Sept. 8, at 10 a. m. from the Johnson Funeral Chapel in San Angelo. Rev. Paul Fulmer, Minister of the United Methodist Church, officiated. Burial was in Belvedere Cemetery.

Mr. Lovelady was reared in Crowell.

Survivors include his wife, Kathryn; two sisters, Mrs. Henry Borchardt of Crowell and Mrs. Herbert Herrmann of Woodland, Calif.; four brothers, Horace Lovelady of Clermont, Fla., Price Lovelady of South Pasadena, Calif., Berl Lovelady of Laguna Beach, Calif., and Lawrence Lovelady of Upland, Calif.

Backbone Can Become a Crowbar

Dr. Frank Gonsaulus, a well-known Chicago divine, was once introduced to a large gathering as "the man with a backbone." The chairman repeated the expression several times, always stressing the fact that the speaker had strong convictions and stayed with them.

When Dr. Gonsaulus rose to speak, he said: "The chairman has told you several times about what a strong backbone I have. I hope I have a backbone, but I also hope that it has some joints in it so that I may be able to bend. If it hasn't, then it isn't a backbone, but a crowbar."

Then the speaker continued: "A great many people mistake their prejudices for convictions, and take credit for being very strong-minded when in reality they are just stubborn. They proceed on the assumption that to see one's mistakes and acknowledge them is a sign of weakness. Nothing of the sort! Strength of mind and sweetness of spirit generally go hand in hand. It is the small being who refuses to give in. 'They who boast that they never change their minds love themselves more than they love truth.' By all means let us have backbones, but backbones with joints in them."

—James E. Wilson.

The Right Attitude

Probably no man in America ever accomplished more with fruits and vegetables than Luther Burbank. In more than 50 years of constant study and experiment he developed new varieties and strains that through the years have added millions of dollars to the value of commercial crops. Considering how much more others apparently made because of his discoveries that he made for himself, someone asked Burbank if he felt that he was adequately compensated for his achievements. Like the true scientist he is said to have replied: "I shall be content, if because of me, there shall be better fruits and fairer flowers."

Country Living is Really Living

... in REC Country

A man and his dog trudging through the woods in bright autumn air. And his cares float away like golden leaves. His family is living safely and comfortably in their all-electric country home. There's time to enjoy nature and enjoy each other.

But your electric cooperative doesn't want you to wait until fall to enjoy REC country. They're afraid you'll miss the spring when life begins again. Or maybe the summer, when fishing's good. Come out now for a visit to REC country. We're betting you'll never want to leave.

News from . . . TRUSCOTT and Gilliland

BY MISS JACQUELYN BROWN

Mr. and Mrs. Harold Shaw, Mike and Jerry, of Alvarado visited the Elmo Shaws Friday thru Sunday.

Mrs. Bertha Shaw is in the hospital at Olney.

Mr. and Mrs. Vernon Whatley and Pam of Crowell visited the O. R. Millers Saturday night.

Mr. and Mrs. Lester Myers of Crowell visited Mrs. Irene Gerald Thursday.

Mr. and Mrs. Lee Looney and son, Guynn, of Lubbock visited Mr. and Mrs. Newell Looney over the week end.

Jackie, Charlotte and Tim Horne of Wichita Falls visited Mrs. Elmer Horne over the week end.

Mr. and Mrs. Boyd Bell of Fort Worth, Ricky Kinnibrugh of Wichita Falls, and Verna and Patricia Mayberry of Vernon visited over the week end with Mr. and Mrs. A. L. Kinnibrugh.

Linda and George Oustad of Earth, Laverne Dunsmore and children of Wichita Falls and Debby Labell and son of Wichita Falls visited Mr. and Mrs. E. D. Welch, Jr., last week end.

Bob Brown visited his grandmother, Mrs. J. R. Brown over the week end.

Mr. and Mrs. Fred Phillips and Floyd Corder of Midland visited Mr. and Mrs. W. O. Corder Wednesday through Friday. Mr. and Mrs. Newt Bryant of Abilene visited the Corders over the week end.

Mr. and Mrs. Newell Overton and son, Barry Don, of Palo Pinto visited over the week end with Mr. and Mrs. Don Daniel.

Francis Bayers is going to college at the University of Texas Medical Branch at Galveston. David Navratil is going to the University of Texas at Arlington and Darlene Meek is going to college at Midwestern University.

Mr. and Mrs. Gerald Hodges of Crowell and Mr. and Mrs. Ruel Scott of Crowell visited Mr. and Mrs. Louis Baty Thursday night.

Mrs. John Rader of Crowell visited Wednesday with Mr. and Mrs. J. G. Adeock.

Mr. and Mrs. Kerry Cash visited Mr. and Mrs. Fred Cash at Grandfield, Okla., over the week end.

Mr. and Mrs. Randy White of Dallas visited Mr. and Mrs. D. E. Burgess last week end and Mr. and Mrs. Wayne Zeissel of Rhine-land visited this week end.

Mrs. Cure and Mr. and Mrs. Bridges of Olton visited Mr. and Mrs. E. A. Burgess last week end.

Mr. and Mrs. Clarence Cline and Mr. and Mrs. Wayne Cline of Shawnee, Okla., and Lee Roy Robinson of Fort Hood visited Mr. and Mrs. Charles Burton last week end.

Mrs. Tom Westbrook took Truscott sophomores to a class party at Crowell Saturday night. They included Renee Westbrook, Jacquelyn Brown, Randy Reed and Bob Brown. Rocky Glascock also went.

Mr. and Mrs. Lacy Headrick of Knox City visited Mr. and Mrs. Roy Daniel Monday. Mr. and Mrs. Newell Overton of Palo Pinto visited them Saturday and Beverly Toleson of Benjamin spent Friday night with them.

Mr. and Mrs. Keith Bullion and baby son, Keith, Jr., of Ralls visited Mrs. John Bullion Sunday.

Many of the farmers around Truscott and Gilliland are wanting some dry weather, believe it or not! At the first of the week, we got quite a bit of rain, especially up at Antelope Flat where 5 inches was recorded. Now the farmers want things to dry out some so that they can sow their wheat.

So says the V.A. Knows by

Rolling Plains Group to Meet in Munday Oct. 3

Members of the Rolling Plains Economic Program (R-PEP) will hear Dolph Briscoe when they assemble at Munday Oct. 3 for their annual conference.

Preceding the appearance of Briscoe, Democratic nominee for governor in the general election in November, will be a noon meal catered at the Texas A&M University Vegetable Research Station, dutch-treat at \$2 a ticket.

Briscoe's address and main business of the conference will be at 1:30 p. m. in the auditorium of Munday High School, where the group will elect 1972-73 officers to succeed Chairman H. H. Part-ridge of Munday, Vice Chairman Bob Hillery of Wichita Falls and Secretary Norman W. Brints of Vernon. The group will also hear a report on R-PEP's 1971-72 activities and its long-range plans for the next 12 months.
