CROWELL, FOARD COUNTY, TEXAS, THURSDAY, OCTOBER 26, 1972

SINGLE COPY TEN CENTS

CROWELL NURSE TRAINEES RECEIVE CAPS—These six Foard County women were among the 22 students of the Greenbelt School of Vocational Nursing who were "capped" in a program held at the First Baptist Church here last Friday night. Standing, left to right, they are Mrs. Louise Gilbert, assistant director; Mmes. Zella Blackburn, Geraldine Whitley, Judith Faske, Virginia Quintero, Ruth Ellen McBeath and Katie Sue Polk. Seated is the director of the school, Mrs. Edith Roark.

22 Trainees Honored at Capping Ceremony

Twenty-two area residents who are in training to become licensed nurses received their caps in a ceremony and program held last Friday night at the First Baptist Church. Trainees are from Crowell, Paducah, Chillicothe and Mahan. Mrs. Edith Roark is director of this fifth class of the Greenbelt School of Licensed Vocational Nursing and she is being assisted by Mrs. Louise Gilbert and Mrs. Odell. Both these women are registered nurses.

Mrs. Roark said the school began June 5, 1972, and this capping ceremony is indicative of the students' will to continue the training and also brings an end to what she called a "probationary period." The school will be completed on June 4, 1973.

Taking the training from Crowell are Mmes. Zella Blackburn, Geraldine Whitley, Judith Faske, Virginia Quintero, Ruth Ellen McBeath and Katie Sue Polk.

Others from area towns are Jo Ann Preston, Mary Howard, Lillie Gail Marsh, Shirley Harman, Jo Ann Edwards, Helen Marie, Marilyn Branson, Katie Gimes, Mike Murphy, Virginia Isabella Hurd, Edna Pappas, Carolyn Corkran, Elaine Dabney, Carolyn Platt.

These trainees take their classroom work at the community center in Crowell and gain actual work experience in area hospitals.

Absentee Voting Continues Thru November 3rd

Absentee balloting for the general election set for Tuesday, Nov. 7, got underway in Foard County Wednesday of last week, with the county and district clerk's office mailing out 13 ballots the first day and several people voting absentee in the office.

Absentee balloting continues until 5:00 p. m., Friday, Nov. 3, with the election set for the following Tuesday.

In addition to the Nixon-Agnew Republican ticket and the McGovern-Shriver Democratic ticket, the Socialist Workers Party has Linda Jenness as candidate for U. S. President and Andrew Pulley for vice president.

Another party having a few candidates listed is the Raza Unida party.

Probably the race generating the most interest in this area is the hotly-contested battle between Graham Purcell, (D) and Bob Price (R) for the 13th Congressional District seat.

Anyone who will be out of town on election day is urged to vote absentee before the deadline passes.

CHS Graduating Class of 1962 Is Planning Reunion

The Crowell High School graduating class of 1962 will be having a class reunion in December. Anyone knowing the address of any of these ex-students is asked to contact Mrs. Guy Todd, Jr. or Mrs. Jim Mac Gafford. The time and place of the reunion will be announced at a later date.

No Arrests Made in Death of Local Woman

A report from the Foard County Sheriff's Department early this week revealed that no arrests have been made as yet in connection with the death of Mrs. Cornelia Sillemon, 74.

Mrs. Sillemon was found dead in her home in the southeast part of Crowell Saturday, October 14. An autopsy showed that she had died from asphyxiation or strangulation.

Reception Sunday EASTERN STAR TO NOTE 25TH BIRTHDAY

Crowell Chapter No. 916, Order of the Eastern Star, will observe its 25th anniversary with a reception from 2 to 4 p. m. Sunday at the community center. Area members, their families and friends are invited. Mrs. Bernice Carroll is chairman of the committee making arrangements.

Mrs. Roberta Burk of Vernon, who was instrumental in forming the group, will recognize the

Score Is 43-0 WILDCATS WIN 7-A OPENER WITH MUNDAY

In a "mudder" played in either rain or mist the entire sixty minutes at Dick Todd field last Friday night, the Crowell Wildcats got off to a fine start in their quest for a district title as they completely dominated the Munday Moguls to the tune of 43 to 0.

Philip Bell took over the quarterbacking duties for the Wildcats in this one replacing Steve Graves, who had suffered an injury to his hand.

The first score came about midway in the first quarter when fullback Rex Driver sailed around his own left end for 43 yards and a TD. Driver picked up 152 yards on eight carries during the game. The try for point failed.

With just over 2 minutes left in the initial quarter, Emmitt Newman picked up a first-and-goal on the 1/2-yard line and quarterback Bell sneaked across for the

SCS Employee Completes Course at Fort Worth

Joel Shepard, range conservationist with the local field office of the Soil Conservation Service, has recently completed the basic leadership course for professional employees. This course is taught at the SCS training center at Fort Worth.

Shepard has been a member of the local SCS staff since July. Joel and his wife, Phyllis, moved to Crowell from Henrietta where Joel was a member of the SCS staff of Clay County.

TD. Again the try for points-after failed.

In the second quarter, Driver, back to punt, took the ball on his own 43, fled around left end and went all the way to the Mogul 12. From this spot, Newman went over for the TD, with Tim Daniel running across the double stripe for 2-points-after.

With just over a minute left in the first half, Johnny Quiruz set sail on a 54-yard touchdown gallop. Almost immediately after, Freddy Matysek intercepted a Mogul pass and went 43 yards for the TD with Newman running over the 2 extra points. Halftime, it was 34-0.

In the third quarter after the Cats recovered a fumble on the Munday, 33, Newman picked up 7, then Driver ran for 18 to make it first and goal. On the fullback pass, Driver threw to freshman David Bell for the TD. Bell took over the kick-off duties in this one and did a fine job. Rocky Bachman kicked the point-after following Bell's TD and it is 41 to 0. About four minutes later, Bachman dropped the Munday quarterback in the end zone for a safety and the two points made the score 43-0.

The junior varsity took over the fourth period duties for the Wildcats with Graves (the man with the swollen hand) quarterbacking them.

MRS. HENRY JOHNSON

Mrs. Henry Johnson Died in Lubbock Tuesday

Funeral Services Held Thursday at Church of Christ

Mrs. Henry Johnson, 74, resident of Foard County for over half a century, died in a Lubbock hospital Tuesday, October 17.

Funeral services were conducted at 2 p. m. Thursday, October 19, at the Eastside Church of Christ in Crowell with Minister Harvey Taylor officiating.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge of arrangements.

Bearers were W. J. Garrett, G. T. Knox, J. B. Fairchild, Milburn Carroll, Cecil Carroll and Bill Marlow.

The former Ada Cordia Patterson was born August 16, 1898, at Sparta, Texas, daughter of the late Mr. and Mrs. James Patterson. She was married to Mr. Johnson in Lott, Texas, December 26, 1915. They moved to Foard County in 1921.

She was a member of the Eastside Church of Christ.

Survivors include her husband of Crowell; two sons, Dr. Paul Johnson of Lubbock and Taylor Johnson of Chisquem; four daughters, Mrs. Lona Riemenschneider of Killeen, Mrs. Polly Owens of Lubbock, and Mrs. Julia Rose of Lubbock, and Mrs. Jeanie Johnson, both of Midland; a brother, John Patterson of Eastland; two sisters, Mrs. Cora Arp of Belton and Mrs. Julia Smith of Bryan; 16 grandchildren and 10 great grandchildren.

She was preceded in death by two sons, Marshall in 1937 and Jimmy in 1947.

WILDCATS TRAVEL TO HOLLIDAY FRIDAY NIGHT

The Crowell Wildcats will go to Holliday Friday night and will be trying hard to do something a Scott Boyd-coached Wildcat team has not done since Boyd has been at Crowell and that is to beat the Eagles. The past two years, the Eagles have clipped the Cats and gone on to win the district title.

This year, in the District 7-A race, the Wildcats have one win and the Eagles one loss—They were shocked by a 14 to 13 upset last Friday night by the Archer City Wildcats. The win over Holliday was only the second win of the season for Archer City.

Leading the charge for the Eagles this year is quarterback Loren Gilmore who has directed the Eagles to two consecutive district titles. He is a consistent performer.

Although Crowell has had some severe injuries to several key persons, Nick Gholson, sports writer for the Wichita Falls Record News used a "Holliday may use wheelchair" headline in his Monday story about District 7A and said that Donal Ross is out with a concussion as is Byron Redden. End Stan Mason has a broken arm, split end Scott Slack is suffering from a muscle strain in his arm, back Rick Johnston has a broken wrist and Billy Chambers has a stretched ligament in the back of his knee.

Mr. and Mrs. James Erwin Move to New Home in Vernon

Mr. and Mrs. James Erwin who have been living here for several months after moving from Monahans, have now moved to Vernon to make their new home.

They have had a residence built at 2623 Twin Oaks in Vernon. Construction began last May.

3.27 Inches Here COLD FRONT BRINGS MOISTURE TO AREA

The News reported last week that extreme unseasonably high temperature readings were being observed in Foard County, but predicted that cold weather would soon be coming. It didn't wait long before it happened. After a high of near 100 degrees Tuesday

News About Our MEN IN SERVICE

First Lieutenant T. F. Lambert III, who has been stationed in Alaska for about a year, is at home for a visit with his parents, Mr. and Mrs. T. F. Lambert, Jr. of Rayland.

Mrs. Gwen Gentry Elected President of Crowell W. S. L.

Mrs. Gwen Gentry, president, heads the new slate of Women's Service League officers. Others who will assume office November 2 include Mrs. Marjorie Ferguson, first vice president; Ila Borchart, second vice president; Doree Kincaid, secretary; Marietta Carroll, reporter; and Ruth Andrews, parliamentarian. New directors are Mmes. Marjorie Oilphand and Fern McKown. The group adopted a system whereby each member would be responsible for the program on a rotating system. Mrs. Thelma Lemons will keep the record as listings are arranged.

Serving on the nominating committee were Mmes. Elizabeth Welch, Gentry and Lemons.

Mrs. Mack Ghazal of Benghazi, Libya, the former Miss Cindy Erwin of Crowell, will be guest speaker at this Thursday's (today) luncheon. New members and guests are always welcome and are asked to contact a member, if possible, in order that ample food can be prepared.

Eighth Grade Football Team Plays Thursday Night at Chillicothe

The Crowell eighth grade football team, undefeated in district action this season, will go to Chillicothe Thursday night (tonight) for a district game with the small Eagles.

The game is scheduled to begin at 6 o'clock.

of last week, a blustery norther came through early Wednesday—shortly after last week's issue was off the press.

Instead of being preceded by showers, as a norther sometimes is, this one was followed by showers. Scattered light rain fell intermittently Thursday and Thursday night, and then heavy showers fell most of the day Friday and nearly all of Saturday bringing a total of 3.27 inches by the government gauge. About the same was reported to the west and south while up to 4 inches and over was reported in the Thalia area.

According to the new time and temperature sign at the Crowell State Bank, the mercury did not rise above 41 degrees Thursday morning, and only rose to the upper 40's Thursday afternoon.

These rains will be extremely beneficial to the wheat crop which is now up and growing in nearly all the fields. Reports have been received of heavy damage by army worms in some fields over the county.

Farm Bureau to Have Meeting Saturday Night

The annual meeting of the Foard County Farm Bureau has been set for Saturday night, Oct. 28 at the Crowell School cafeteria. Jack Welch, secretary-treasurer of the local organization, announced this week. Starting time is 7:30 p. m. A chili and stew supper will be served to those attending.

New directors will be elected; resolutions will be passed and delegates will be elected to represent the local Farm Bureau at the state convention scheduled later this year.

Welch said that two memberships will be awarded for door prizes, and he urged all members to be present.

Adelphian Club Plans Money Raising Projects Oct. 27-28

The Adelphian Club will sponsor a bake sale Friday, October 27, at Shirley-Youree Drug beginning at 8 a. m. The club will also sponsor a rummage sale Saturday, October 28, from 9 a. m. until 3 p. m. at the fire hall.

MELVIN MOORE

Melvin Moore Is Elected Director of Foard SWCD

Melvin Moore is the newly-elected director of Zone 4 of the Foard County Soil and Water Conservation District. Mr. Moore was elected for a term of five years. He replaces A. L. McGinnis, who had been appointed to a two-year term as director of Zone 4.

McGinnis was appointed by the Texas Soil and Water Conservation Board when the Foard County SWCD was organized in 1971, and has done an outstanding job of serving the district for the two years.

Homecoming Set for November 3rd

Homecoming is set for Friday night, November 3, week of the Amber City football game.

The local high school will name homecoming queen and a dance set that night following the game at the Thalia gym.

Praying for the dance which will be from 10 until 2 will be Mrs. Caldwell and his band from Rock.

DEADLINE NEARING FOR WATER SIGN UP

With the crucial October 31 deadline for signing easements for the Thirsty Water System fast approaching, all property owners who desire water should make sure that an easement is signed, and that the necessary for the planning engineers to plan the route for water lines. After the route is mapped, a contract will be let for the laying of the lines. The deadline was extended to permit out-of-town property owners to sign an easement.

Any property owner who refuses an easement on his land, or who fails to sign the necessary water service from the local authorities say. By not signing the easement, he forever forfeits the right to receive water from the system being installed, they added.

The Thirsty Water System is indebted to a number of individuals who have secured easement signatures, and they will be recognized at a later date.

If easement signatures are not secured by October 31 and all the paper work completed by the Red River Water Authority, the Thirsty Water System and the engineers planning the last phases of water extension systems in the county by October 31, funds from the Farmers Home Administration will be withdrawn from the county project and used elsewhere.

is presently at a fever pitch, and promises to rise even higher before the game. The Wildcat staff urges each "Catbacker" to attend the future games and to join the many Wildcat fans in the victory lines.

There is another reason for the high spirit among many CHS students. Last year, the Wildcat band received the sweepstakes award for their superior ratings in marching, concert and sight reading. Previously, the Eagle band had won this honor. Besides a mighty football team traveling to Holliday to put them under, the Wildcat band will once again "march Holliday into the ground." CHS spirit says "Stop Holliday!"

Know Your Faculty

Mrs. Mary D. Brown is this week's faculty spotlight. She is married to Ray A. Brown and they have one daughter, Annis. She belongs to the Baptist Church of Crowell.

Mrs. Brown was the home demonstration agent for Foard County for ten years. She has also taught, in addition to home ec for girls, one year of bachelor's know-how.

Mrs. Brown has a B. S. from TWU with a double major: home-making education, and extension service; and a double minor, chemistry and English. She teaches Homemaking I, II and III at CHS. She has served as senior class sponsor three years and is presently sponsor for FHA.

Mrs. Brown's hobbies are sewing and reading. In addition, she is a bird watcher, coin collector, and bridge player.

Sympathy

The Wildcat staff wishes to express sympathy to Mrs. Jean Halbert in the loss of her grandmother, Mrs. Elizabeth Sherwood of Childress.

Senior Scene

"Oh, I wish that it would get cold, I wish it would snow or something!" This is what everyone was saying and thinking the first part of last week, longing for real winter weather. Well, they got their wish! Wednesday a norther came through, liked the country, and decided to stay awhile. Warm woollens, coats, etc., were shaken out and put on Thursday for the cold drizzly weather. Now it's "Oh I wish it would warm up! I can't stand it when it's like this!" Well, that's people for you!

Although school pictures were made several weeks ago, they were made again last Friday! The reason? All of the first pictures had been destroyed in a fire—all except the seniors' pictures, which were of course so gorgeous that nothing could happen to them! Makes you wonder, doesn't it!

Seniors would like to offer this wise egg of wisdom to Holliday in regard to the game Friday night, "Don't count your touchdowns before they're scored!"

Junior Jive

Hey! Did you see that fat guy playing Morrison in the "Last of the Paper Mache Cupids"? Well, that was our own skinny Ricky Nichols! Strange, but true! Congratulations go to Julie Streit who was crowned band sweetheart last week! As the weather changed from very hot to very cold last week, the juniors had a change of pace in several classes this week. In American history, we divided into groups and each group will present a chapter.

Juniors received a jolt in speech this week when we began diction. Man, those West Texas twang's are really prevalent! Then Friday everyone primped and posed for a retake of individual pictures.

Sophomore Scoop

Not a lot has happened for the sophomores this week, but, after all, isn't just going to school enough?

In PE the football teams had play-offs. The winners of two of the four teams were Carolyn's team and Cheryl's team, who will play in the championship game. The girls from the teams that lost will be substitutes. Chavelo Rangel will coach Cheryl's team, and Ricky Hammonds will coach Carolyn's team.

The cold weather has really brought a lot of people down, and colds are on the way, so take some medicine!

In English last week, Mrs. Drabek said, "I think this has been 'Be mean to Mrs. Drabek week'."

A really big game is scheduled for Friday night, Oct. 27 with Crowell's all-time rival, Holliday. Let's all go to Holliday to win the game and show the great spirit we have for our team!

Sophomores say "Hex Holliday!"

Freshmen Fun

The freshmen had been looking forward to last week for a long time. On Monday we started our physical fitness program in which

we were competing against all the rest of the students in America. It gets pretty exciting! This program includes many different events. We've already completed sit-ups, standing broad jump, and bar holds.

Wednesday, all the freshmen had a general science test. This test wasn't as hard as some have been, but we were all pleasantly surprised when our grades came out better than expected.

All of the freshmen are looking forward to seeing Billy Wade Eavenson and Doug Pharis back in school. We all wish them a very speedy recovery. "Hack Holliday!"

Drama Review

The Crowell Drama Club is planning to attend several forensic tournaments. The Notre Dame speech tournament and the Hirshi speech tournament, both in Wichita Falls, are the two tournaments in the near future. The ACC tournament held in Abilene is being considered, pending information. Speech tournaments such as these prepare the entrants for the UIL literary competition held in the spring. Work on the various events begins early in the year, and tournaments help to show the individual areas in which he needs to improve. The students are coached by Mrs. Jean Halbert, sponsor of the Drama Club and speech teacher.

Other events in the near future are the annual Christmas presentation and a program for the federated women's club.

Varsity Sports

The mighty Wildcats played their first district game here Friday night. They racked up a great victory over the Munday Moguls. The final score was 43-0.

Rex Driver started the scoring with a 43 yard run for the first touchdown of the game. Philip Bell scored a great TD for the Cats. Emmitt Newman ran for a 13 yard TD with Tim Daniel breaking through with the extra points. John Urquiza brought the score up with a great 54 yard run. Freddy Matysek made a fantastic interception and ran for a 43 yard TD. Newman ran the extra points. A freshman, David Bell, caught an 8 yard pass from Rex Driver for a TD with Rocky Bachman kicking the extra points. A very good play by Rocky Bachman gave Crowell 2 extra points, when he tackled Ramsey Choucair in the end zone.

Freddy Matysek, Rocky Bachman and Allen Tapp led the de-

fense in holding Munday. The Mighty Cats played outstanding football Friday night. Beat Holliday!

Pep Club

The CHS pep club gave the big mouth cheeseburger to Remelle Marlow last Friday. Although it rained all Friday, it did not put a damper on the Crowell spirit for the Munday game. We are proud to have Debbie Harris as our mascot this year. The Pep Club says: Strike up a victory, Cats!

Annual Staff

The 1972-73 CHS annual staff was announced on Monday, Oct. 23. The co-editors are Darla Bell and Trudy Bird. Members on the staff are Karen Gray, Daryl Halenack, Veda Everson, Cindy Wisdom, Lee Meads, Margaret Foster, Floyd Borchardt, Jim Lynn Shook, Mitchell Smith and Kathy Shirley.

We are happy to say that the staff will be selling mums for the homecoming game, Nov. 3. Everyone interested in purchasing a mum may contact one of the staff members or the sponsor, Mrs. Carmon Welch.

Teachers Meeting
Slated in Vernon

Crowell teachers are making plans to attend the District 9 Texas State Teachers Association in Vernon on Nov. 3. The 12 counties will convene for a general address by Dr. David Asby on Friday morning and will divide into sectional meetings for the afternoon sessions.

School will be dismissed for the day so that the faculty may attend the convention.

Cafeteria Menu
October 30-Nov. 3

Monday: ham, blackeyed peas, macaroni and tomatoes, stuffed celery sticks, hot rolls, pineapple cobbler, milk.

Tuesday: hot dogs with chili, pinto beans, French fries, Jello with fruit, milk.

Wednesday: fried chicken, cream gravy, buttered rice, green beans, carrot sticks, peaches and whipped cream, rolls, milk.

Thursday: fish with tartar sauce, creamed potatoes, English peas, tossed salad, rolls, apple sauce cake, milk.

Friday: hamburgers, peanut butter and crackers, cherry cobbler, milk.

Grandmother of Mrs. Kenneth Halbert Died in Childress

Mrs. Elizabeth H. "Bessie" Sherwood, 99, a Childress pioneer, died Friday afternoon in a Childress hospital after a short illness.

Services were held at 4 p. m. Sunday in the First Methodist Church in Childress with Rev. Marvin James, pastor, officiating. Burial was in Childress Cemetery.

Mrs. Sherwood was the grandmother of Mrs. Kenneth Halbert, and great grandmother of Seth Halbert, both of Crowell, and both Mr. and Mrs. Kenneth Halbert and Mr. and Mrs. Seth Halbert attended the services.

Born May 17, 1873, in Sedalia, Mo., she was married in Indian Territory in 1894 and moved to Childress in a covered wagon with her family in 1903. A member of the First United Methodist Church, Mrs. Sherwood was active in early-day church and civic club work.

Survivors include three sons, Clyde and Fred of Childress and Harry of Crosbyton; six daughters, Mrs. Bess Holton and Mrs. Mitt Littlefield of Crosbyton, Mrs. Nadine Morgan of Olney, Mrs. Janet Wright of Grand Prairie, Mrs. Mary Jane Heath of Childress and Mrs. Helen George of Las Vegas, N. M.; one sister, one brother, 13 grandchildren, 28 great grandchildren and six great great grandchildren.

Men Outnumber Women at Tech

Of Texas Tech University's record fall enrollment of 21,494 students, men outnumber the women about four to three.

Specifically, there are 12,573 men to 8,921 women. That is a long-standing ratio at this university. In only two of the schools and colleges do women outnumber men, the colleges of home economics and education.

FOUR WINDS RC&D STILL NOT FUNDED

Sim Vaughn, chairman of the Four Winds Resource Conservation and Development Area's executive Board, has been informed that the Four Winds RC&D application was not authorized for planning this year. Mr. Vaughn said, "Twenty-five new RC&D projects were funded for planning across the nation this year. The Four Winds RC&D area had high hopes of being one of the twenty-five projects authorized; but the Rio Bravo RC&D near Rio Grande City, was the only RC&D in Texas receiving planning authorization."

Vaughn received word of the Four Winds area's not being selected to be funded from Edward

E. Thomas, Texas State Conservationist for the Soil Conservation Service. The Four Winds RC&D application has been in Washington, D. C., awaiting planning authorization since October of 1968. No state had more than one RC&D project authorized this year.

Vaughn said, "The Four Winds RC&D application is now at the top of the list of those RC&D areas in Texas awaiting planning funds." He pointed out that if Texas gets one RC&D authorized next fiscal year; chances are excellent that it will be the Four Winds RC&D. He urged the citizens of Childress, Cottle, Foard and Hardeman counties to continue their efforts to develop the Four Winds area. "There are many projects that can be accomplished by the local people while we are waiting for our RC&D application to be approved for planning," Vaughn said.

John McAlister is head of the Four Winds RC&D program. He works half time at this job and the other half as head of the Foard County work unit of the Soil Conservation Service with offices on West California Street.

Director of Vernon Center Is Rotary Club Speaker

Dr. Frankie Williams, head of the Mental Health and Mental Retardation Center in Vernon, was the speaker at the Rotary Club meeting Wednesday, October 18.

Dr. Williams' talk principally concerned the new drug addiction treatment center under construction at the Vernon center south. The new unit is being designed to treat both boys and girls from ages 13 to 21 who are addicted to hard drugs. In addition to schooling for the youngsters, a recreation program will be built around a new gymnasium and swimming pool under construction at the drug treatment center.

She said it will require 410 personnel to care for the 320 anticipated to be treated at the center south when it is completed.

Dr. Williams said the drug treatment center is a pilot program for the state of Texas, and if it proves successful, others will be built over the state.

She told the Rotarians that 18 months will be the minimum time required for treatment of persons admitted to the drug center.

She was introduced by Rotarian Irving Fisch.

Cotton Conferences Set for Memphis and Quanah

Congressman Bob Price announced that he will "host a cotton conference on cotton, marketing and pricing." The cotton conferences will be held Thursday, Oct. 26, from 10 a. m. to 12 noon at the community center in Memphis and from 2 to 4 p. m. in Quanah at the community room of the Security National Bank.

Coyotes Tagged for Study by Tech Research Team

Red tagged and tattooed coyotes within a 200 mile radius of Knox and King counties in Texas are more important than they'll ever know.

They are part of a project of Texas Tech University researchers studying the role of the doglike wild animal in the ecology of a predominately cattle country.

Already the researchers have partially disproved a dictionary description of the coyote as carnivorous. Five foods—including mesquite pods, rabbits, pricklypear tunas, grasshoppers and elbowbush berries—comprised about 83 per cent of the coyote's summer diet, proving that plants as well as meat contribute to its food supply.

The principal investigators for the project are Texas Tech profs. Darrell N. Ueckert and Jerran T. Flinders, both on the faculty in range and wildlife management.

Important to their study is student assistant Wyman P. Meinzer, a junior from Benjamin, who is a professional coyote hunter who has killed approximately 300 of the animals.

Meinzer began to study the coyote on his own, and the findings he gathered indicated the need for a more formal study. Dr. Ueckert explained. The current project is funded under a Texas Tech Faculty Research Fellowship.

The study is designed to determine: the role of the coyote in the ecology of the Rolling Plains of Texas; the seasonal diet of the coyote on rangeland grazed exclusively by cattle; and the role of the coyote in spreading seeds of various desirable and noxious plants.

In addition to a study of diet, the researchers are interested in the home range of coyotes in the Rolling Plains. Since June 1970 eight coyotes have been live-trapped and the right ear tagged. Fourteen coyote pups were tattooed with a number in the left ear.

If any of these are killed, Dr. Ueckert has asked that the hunter telephone him collect at AC 806 743-3284. For the researcher it is helpful to know, within a mile, where the animal was killed, the date on which it was killed and the tattoo or tag number. All ear tags are red. Tattoos also were placed in the left ear of the adult coyotes; so if the tag is lost a number still is available for the record.

The most reliable research data gathered by the scientists to date indicate that, from May through September, about 77 per cent of the coyote diet is vegetation, 18 per cent is vertebrates—rabbits, carrion, birds and mice, and about 5 per cent of the diet is insects. There was no evidence of chicken or young livestock in the diet, Ueckert said. Both stomach and fecal analyses techniques are used, he said.

Ranches cooperating in the project are all near Benjamin. They include the Driver, Ross, Burnett, Todd and League ranches. Meinzer, the son of Mr. and Mrs. Pate Meinzer, grew up on the League ranch, and it was there he first became interested in the coyote.

The current project is expected to end in June 1973 and Ueckert emphasized that it will be helpful for future research if the location of a marked coyote is reported to the Department of Range and Wildlife Management whenever it is discovered.

\$37,390 Grant Made to Aspermont Center

Governor Preston Smith has announced his approval of a community action grant of \$37,390 in new federal funds to Aspermont Small Business Development Center in Aspermont for operation of a general community programming program to assist in economic development of 17 rural counties.

The grant is funded under Title II of the Economic Opportunity Act.

Counties to be included in the economic development program are Donley, Briscoe, Hall, Childress, Motley, Cottle, Foard, Hardeman, Wilbarger, Knox, King, Haskell, Jones, Fisher, Kent, Dickens and Stonewall.

The objectives of the program include establishment, preservation and strengthening of small business concerns, improvement of managerial skills employed in these concerns, mobilization of private managerial skills and resources, and assistance in establishing or expanding businesses and services operated by local individuals and groups, and in locating outside industry for communities served by the program, and in developing tourism projects and natural resources.

The per capita consumption of dairy products in the U. S. amounts to 557 pounds (whole milk equivalent) annually.

Uncle of Crowell Resident Died in Bryan October 18

Ward M. Taylor, 63, of Seymour, an area ASCS official and uncle of Mrs. Floyd C. Borchardt of Crowell, died Wednesday, Oct. 18, in a Bryan hospital while attending an ASCS farm program meeting.

Funeral services were conducted at 3 p. m. Friday at the First Methodist Church of Seymour with Rev. Lenol Hester, pastor, and Rev. Douglas Crow of Vera Baptist Church, officiating. Burial was in the Masonic Cemetery at Seymour under direction of Ellison-Archer Funeral Home.

Born April 19, 1909, in San Saba, Mr. Taylor was executive director of District 5 of the Agricultural Stabilization and Conservation Service. He formerly lived in Vernon when the district office was located there.

Survivors include his wife, a son, Ward Jr., and daughter, Jan, of Seymour and Mrs. Jeanna Stewart of Austin; a sister, Mrs. A. R. Brown of San Saba; and two grandchildren.

Attending the funeral services from Crowell were Mr. and Mrs. Ted Reeder, Mrs. Henry Borchardt, Harold Fish, Mrs. Floyd Borchardt and Mr. and Mrs. Floyd C. Borchardt and Butch.

Men Are Mirrors

Joseph Addison once indicted an acquaintance with these stinging words: "He knows not how to wink at frailty, or pardon a weakness he has never felt." What he was saying is that it is hard to be tolerant of other people's shortcomings unless we know about such shortcomings from first-hand experience.

Although we may never have thought much about it, this psychology also works in reverse. You have to have a streak of decency in you, yourself, to appreciate fully the decent qualities in somebody else.

Every man is a mirror in which he sees his own reflection. Unconsciously, you are revealing some very private information about yourself when you say nice things about another. The qualities in him that impress you are rooted in your own personality. If you would like to know more about what you are really like, listen to what you say about others! —The Little Gazette.

Three Keys

Success in the pursuit of excellence is not beyond the reach of the average man or woman. It is often reflected in the uncommon performance of everyday people who put forth some extra effort. Many a lock would yield, many a door would open if more people understood and put to use these three keys to better performance: The desire to be productive, an unwillingness to settle

Cotton Loans May Be Obtained at Local ASCS Office

Cotton loans may be obtained at the local ASCS office, Mrs. Jean L. Reeder, executive director, said in her October newsletter to Foard County farmers. She also reminded cotton farmers that cotton production records will again be used in setting yields for 1973. "Be sure to give the ginner and the buyer the farm number of the farm on which the cotton was produced. It is very important to have this production properly identified with the farm on which it was produced," she said.

In further explaining the cotton program, Mrs. Reeder says "Each cotton producer will soon receive a card for each farm to be used in recording production. This card is to be completed by the ginner or the cotton buyer. If you use more than one buyer, then it will be necessary for you to pick up additional cards. When you have completed harvesting your cotton, then take the card(s) to the gin(s) or buyer(s) for them to be completed. The card will then be mailed back to the county office."

The Texas Highway Department is taking the lead among state agencies in asking the motoring public to join the "pitch in" anti-litter campaign.

The campaign has been sponsored by industry leaders throughout the nation in efforts to pare the wasteful cost of litter pickup along the highways and elsewhere.

The Highway Department has been placing litter barrel decals on receptacles posted along the 70-thousand-mile state highway system to encourage motorists to "Pitch In." There are approximately five thousand litter barrels in roadside parks, safety rest areas and highway turnouts.

In addition, the department is affixing "Pitch In" bumper stickers to departmental autos, trucks, station wagons and pickups.

The department also plans to distribute the bumper stickers to other state agencies for their vehicles. The green and white vinyl bumper stickers were made available by the U. S. Brewers Association, Texas Division, which is one of the sponsors of the anti-litter program.

The task of pickup after highway litterbugs falls to maintenance forces of the department, a task which cost the taxpayers of Texas more than \$3.3 million a year.

On Happiness

One who makes happiness the chief goal of life may not attain it. Happiness comes from an earnest endeavor to improve the conditions of the world and ourselves.

The two go together, for we can hardly improve the world without first working a bit to improve ourselves. Clearly, happiness is a sort of by-product of life, not its chief commodity. It is not a tangible something that we can hold on to and say, "This is what I want," but it is an intangible but evanescent thing that comes to us spontaneously without direct seeking. It comes in the little unexplainable ways, and not as the result of careful planning for it. —Gerald Bryan.

Often Difficult to Maintain Faith

"It is often difficult to maintain faith. Yet, in today's fast-moving world, faith in our moral principles, in the future of our country, in the goodness within our fellowmen, and in ourselves, is a most vital character asset. For peace of mind, happiness and an understanding of life and what is to be accomplished with it, faith seems to be a key. If you have none, or very little, do something about it." —Green Forest, Ark., Tribune.

Farmcast A Weekly Report Of Agri-Business News Compiled From Sources Of The Texas Department of Agriculture John C. White, Commissioner

Fever tick, fire ant, screw-worm, black fly inflicting punishment... Sixteen, one, one twelve, three...

Texas agriculture continues to be punished by the screwworm, fire ant, citrus black fly, and cattle fever tick.

Programs are underway to eradicate or control these pests. Screwworm eradication officials at Mission continue to urge livestock producers to check all livestock regularly, treat wounds on livestock for screwworm control, and submit suspected screwworm samples to the fly laboratory for verification. Plans are being made now for the 1973 eradication program. Knowing the exact whereabouts of the screwworm and the intensity of its infestations will be a big help in mapping the sterile fly-drops for next year.

CATTLE fever center at Alice reports progress is being made on controlling the spread of that pest. Because of the reproductive ability of the fever tick, it could take two years before the pest is eradicated. Complete cooperation of cattle producers in the affected area—in South Texas—will be needed to eradicate the fever tick.

PLANS to combat the fire ant in Fort Bend County are now underway. State, federal, and county officials are working in a county-wide campaign against the fire ant.

Mirex ant bait is being used throughout the county on about 495,000 acres. All necessary precautions are being taken to assure safety. Federal and state officials will constantly check the progress of the program.

CITRUS black fly continues as a threat to the citrus industry in the Lower Rio Grande Valley. The pest has been centered in the Brownsville area in home orchards but recently it was detected in Mission.

SIXTEEN, one, one, twelve. This is not a quarterback calling football signals. It is the rankings of Texas in various field crops for 1971 as compared with the rest of the nation. Texas, according to the Texas Crop and Livestock Reporting Service, is:

First in rice production, first in grain sorghum production, second in hairy vetch seed production, third in peanut production, fourth in broomcorn production, twelfth in production of all hay, fourteenth in sugarbeet production, sixteenth in corn production, twenty-seventh in soybean production.

The top ten counties in grain sorghum production are Hale, Farmer, Swisher, Deaf Smith, Castro, Floyd, Lamb, Hidalgo, Nueces and Hansford. Top hay producing counties in the state are Grimes, Leon, Lamar, Hopkins, Red River, Wilbarger, Fannin, Cooke, Kaufman, Gaines.

Top peanut producing counties are Comanche, Frio, Eastland, Atascosa, Wilson, Erath, Mason, Fannin, Houston and Gaines.

If you want complete information on 1971 crop production in Texas, write to the Texas Department of Agriculture, Box 12847, Austin, Texas 78711 and ask for 1971 Texas Field Crop Statistics.

"Pitch In" Anti-Litter Campaign in Progress in Texas

The Texas Highway Department is taking the lead among state agencies in asking the motoring public to join the "pitch in" anti-litter campaign.

The campaign has been sponsored by industry leaders throughout the nation in efforts to pare the wasteful cost of litter pickup along the highways and elsewhere.

The Highway Department has been placing litter barrel decals on receptacles posted along the 70-thousand-mile state highway system to encourage motorists to "Pitch In." There are approximately five thousand litter barrels in roadside parks, safety rest areas and highway turnouts.

In addition, the department is affixing "Pitch In" bumper stickers to departmental autos, trucks, station wagons and pickups.

The department also plans to distribute the bumper stickers to other state agencies for their vehicles. The green and white vinyl bumper stickers were made available by the U. S. Brewers Association, Texas Division, which is one of the sponsors of the anti-litter program.

The task of pickup after highway litterbugs falls to maintenance forces of the department, a task which cost the taxpayers of Texas more than \$3.3 million a year.

Search Begins for Conservation Homemaker

A search for the 1973 Texas Conservation Homemaker of the Year was launched last week throughout the state. State winner will receive the Texas Conservation Homemaker — Walter R. Humphrey Award silver service during state champions nights in Fort Worth on May 12, 1973.

Each county may nominate one woman who lives in the county in which she and/or her husband operate a conservation farm or ranch. The farm or ranch must be operated under a basic soil and water conservation plan developed in cooperation with the local soil and water conservation district.

Guidelines for entering may be obtained from county extension agents. Five regional winners will be selected from county nominees. The state winner will be chosen from among regional winners.

ning to attend may contact the local secretary for directions to the location.

Mrs. Lorene Howard, a member of the state music committee, recently visited the Crowell chapter and told of her activities during the past year. Meses. Bob Thomas and Doris Gentry were hostesses for the social hour.

Junior Leaders

Junior leaders met Thursday, October 19, for their third meeting of the year. Joe Haynie called the meeting to order. Ruth Stone led in prayer and April Werley led the 4-H pledge. Debbie Scott, Ruth Stone and Anita Vecera led songs and secretary Remelle Marlow called roll and read minutes of the last meeting. Several new members were present.

In the line of business, Joe Burkett reminded the people entering the stock show of the deadlines to get the lambs and steers.

Mrs. Peggy Meads told 4-Hers that Lanny Bullard, a well-known 4-Her would be in Crowell to give a program to other 4-Hers on filling out record books. She urged all 4-Hers to bring their parents to the meeting to be held at the community center Nov. 21, exact time to be given later.

Joe Haynie announced the 4-H awards program will be held Nov. 13 at the Methodist Church at 7 p. m. He said letters will be sent to the ones receiving awards.

Pam Whately, Vickie Pharis and Connie Werley gave a very interesting musical program on the changing world.

Next junior leaders meeting will be Nov. 2. Hosts will be Jim Lin Shook and Duane Daniel. Jim Lin will also give the program.

Gambleville H. D. Club

Mrs. Peggy Meads, County Extension Agent, gave a demonstration on "planning next year's garden" when the Gambleville H. D. Club gathered at the new home of Mrs. Gertrude Scott Friday afternoon. Eight members and one visitor answered roll call with "my favorite flower and vegetable." The hostess read a poem, "The Value of a Smile," which she had found in her Mother's Bible, for opening exercise.

Members, assisted by Mrs. Meads, planned a garden for a family of four. She gave some useful pamphlets on the home garden.

Mrs. Meads drew hostess gift and next meeting will be with Mrs. Jack Thomas on November 17 at 2 p. m. with a program on care of hair and hands.

Congressman Purcell's Wife Presents Two Books to Library

Mrs. Nancy Attebury Purcell, wife of Congressman Graham Purcell, visited in Crowell on October 24, and presented two books to the Foard County Library.

Mrs. Purcell pointed out that the books chosen, "We the People" and "Mount Vernon" are particularly useful for every citizen to read and see vividly portrayed some of our richest heritage and how our nation's capitol serves all of us.

She described "We the People," as portraying the capitol where "Graham has spent most of his time during the past eleven years."

Mount Vernon is an illustrated handbook on the beautiful estate of the nation's first president, George Washington. When Congress is in session, the Purcells live in an area which was once a part of President Washington's farm. When friends visit from Texas, they enjoy taking them throughout the area. The buildings and monuments in Washington are beautiful and lovely gardens and flowers abound. They travel daily on the George Washington Parkway, a scenic drive along the Potomac River.

"These books were chosen because the topics are very near and dear to the Purcell family. Graham works at the capitol and we live at Mount Vernon," Mrs. Purcell stated. "Graham and I want all of you to come to see us and let us give you the Purcell tour of these historic places," she concluded.

The Tuesday morning presentation of books by Mrs. Purcell was the highlight of a whirlwind tour in Foard County by Mrs. Purcell.

The Democratic precinct chairmen and their wives honored her at a supper at the home of Mr. and Mrs. Ray Shirley Monday night, and this was followed by an open house at the Shirley home honoring the Congressman's wife.

Mrs. Sanders' Piano Pupils Present Programs Last Week

The older piano pupils of Mrs. Allen Sanders had their first program on Monday, October 23, in the choir room of the First Baptist Church. Mrs. Donald Werley was hostess. On Tuesday, the 24th, the primary pupils played at the home of Mrs. Sanders.

Those taking part were Ruth Stone, April Werley, Debra Walker, Connie Werley, Sylvia Quintero, Penny Winters, Jana Glover, Angie Parkhill, Cindy Ainsworth, Jeff Walker and Jerry Ayers. Two pupils were unable to be present.

Refreshments were served to the pupils and their parents.

Adelphian Club

The Adelphian Club met at 3:30 p. m. October 18. Mrs. Lewis Sloan, president, welcomed new members and guests. During a short business session, Mrs. Warren Haynie, finance chairman, urged members to have baked goods for the bake sale at Shirley-Youree Drug store by 8 a. m., Oct. 27, and she also reminded them that the rummage sale is to be held at the fire hall Oct. 28.

Mrs. Emma Belle Bounds led the group in the pledge to the flag. Mrs. Sloan announced the theme of the program to be "having a hobby—the art of relaxation." Mrs. Leo Cates then introduced Mrs. Loree Clarke of Knox City, who demonstrated the art of china painting.

Other guests were Mrs. Virginia Hamm from Knox City and local china painters, who were invited to bring some of their work to be displayed at the meeting.

Hostesses Meses. Loraine Carter, Warren Haynie and Duane Johnson, served dainty sandwiches, cookies and punch from the tea table which was laid in a pink linen cloth. The centerpiece was an arrangement of pink chrysanthemums in a silver bowl flanked by silver candle holders holding white tapers.

Junior Columbians

Last Wednesday, October 18, the Sub-Junior Columbian Club met in the home of Jana Russell. Ruth Brown called the meeting to order and officers' reports were given by Veda Everson, Lee Meads and Remelle Marlow. Rhonda Vecera gave a report on getting a band for the new year's eve dance.

Mrs. Ray Brown gave a very interesting and informing talk on careers in home economics. Refreshments were served by Jacquelyn Brown and Jana Russell.

Officers for this year are Ruth Brown, president; Rhonda Vecera, vice president; Veda Everson, treasurer; Remelle Marlow, recording secretary; Lee Meads, corresponding secretary; Cheryl Branch, parliamentarian; and Ruth Stone, critic.

People who advertise their troubles never seem to dispose of their stock.

Columbian Club

On Oct. 18 the Columbian Club met in the home of Mrs. M. N. Kenner. Mrs. Kenner led the club in the pledge of allegiance and officers presented their reports.

Mrs. Lucille Carter of the neighborhood center gave the program and stated that she is the only paid worker at the center and she paid high tribute to those who give their time and talents to assist in that work which includes pre-kindergarten classes, sewing for adults as well as children, home improvements, a nurse who checks the children and the elderly, and the small business school. She reported one new business already in operation and another to be started soon. Questions and answers followed her talk.

Next meeting is Nov. 1 with a covered dish dinner in the home of Mrs. Jack Brown. Dainty refreshments were served to 11 including one new member, Mrs. W. E. Schoolcraft.

The club also met this fall in the home of Mrs. Homer Black. Mrs. Marion Chowning was elected as secretary to replace Mrs. Roy Barker who resigned. Mrs. Grady Halbert reported on expenses for refreshments for county federation Sept. 25 and she was reimbursed. She presented a gift to Mrs. Jack Brown for preparing the yearbooks.

The leader, Mrs. Robert Hammonds, introduced Mrs. Mary D. Brown who spoke on "the new opportunities for home economics majors." She mentioned at least half a dozen fields open now in addition to the two—teaching and county agent—which are most frequently thought of as the traditional positions for home ec majors.

Mrs. Black served refreshments.

Riverside H. D. Club

The Riverside Home Demonstration Club met October 17 in the home of Mrs. Allen Shultz. Mrs. John Ray was presiding officer. Opening exercise was a reading, "Country Living," written by Oscar Huffines and given by Mrs. Grover Moore. Council report was by Mrs. Ed Huskey. Nov. 10 will be rally day at the community center and a bake sale will be held in connection with rally day.

The program, "planning for next year's gardens" will be held at a later date due to a conflict in dates for the agent, Mrs. Peggy Meads. Mrs. Huskey passed out several recipe folders. Eight attended the meeting.

Next meeting will be Nov. 21 with Mrs. W. E. Schoolcraft and the program's topic to be "care of hair and hands and how do you take care of your feet?"

No Halloween Martyrs Wanted

Halloween is the vigil night before All Saints Day—a day with roots in the ancient commemoration of unknown martyrs.

Unless motorists use extreme caution, Texas may produce some new martyrs from among the approximately 2,095,000 school kids who will spill into the streets for tricks-or-treats this October 31—martyrs to careless driving.

And they will not be unknown. They could be Billy and Sally, Tommy and Nancy—the kids next door, or your own children.

Here's some tips on Halloween safety tips to motorists and parents of trick-or-treaters:

To motorists—drive slowly and warily. Watch for children darting out between parked cars. Tap your horn occasionally on dimly-lit residential streets. Be extremely cautious while backing out of driveways.

To parents—escort your little ones. If your children are going as a group, give the oldest a flashlight. Dress the kids in bright clothing or stick reflective tape on their costumes or trick-or-treat bags. Use a scissors to widen the eye holes in their masks. Urge them to look up and down a street before crossing.

Chairman Named for "Grover" Committee

Bernard E. Calkins, former Houston transit executive, has been named chairman of the Texas Grover Committee which has been formed to attract disenfranchised Democrat and independent voters to support Sen. Henry C. "Hank" Grover in the Texas governor's race.

STATE CAPITAL
Highlights AND Sidelights
By Bill Boykin
TEXAS PRESS ASSOCIATION

Austin, Tex. — Competitive auto and homeowners insurance rating legislation failed to clear the special session, but Gov. Preston Smith claimed the gathering served a purpose.

Smith, disappointed at a logjam in conference committee on the session's windup night, declined to call lawmakers back to work as he had hinted he might. He said he and legislative leaders decided another session now would be fruitless.

The governor announced he will make recommendations for "thorough reform" of the insurance regulatory system before he leaves office in January.

"I am hopeful," he said, "that because of the exposure and public attention that this issue has received during the past 30 days, competitive rates and other insurance reforms can and will be approved."

He cited these accomplishments of the session in addition to those which had been wrapped up earlier:

1 Establishment of a Texas Offshore Terminal Commission to define the role and responsibility of state government in developing a deep draft offshore port for supertankers.

2 Relaxing of trailer and brake lighting requirements for trailers.

3 An increase in funds by \$1 million for the Anderson County junior college occupational extension center.

4 Defined the legal age at which both male and female youth offenders can be tried as adults.

5 Appropriation of \$211,372 for a citrus and vegetable training center and improved beef production programs at Texas A&I University.

The Legislature also passed a bill to lower rates in the hurricane windstorm insurance pool for coastal areas. It petitioned Congress for a constitutional convention on an anti-busing amendment.

DEATH PENALTY RESTORATION — A bill to restore the death penalty for certain cases of murder started too late to get through the legislature in special session. It was knocked out in both the House and Senate because it had not emerged from committees until the last 72 hours of the session.

The legislation sought to permit the death penalty (outlawed by the U. S. Supreme Court) in cases of atrocious murder, murder by hired assassins, murder of prison guards, intentional homicide during kidnapping, rape, bur-

glary, robbery or arson, murder of a policeman or fireman and killings during prison escapes.

AG OPINIONS — A school district may not sell land to a company in which a school trustee is interested, Atty. Gen. Crawford Martin said in a new opinion.

The same opinion stated a school district may not lawfully purchase supplies or services from a company in which a trustee owns nearly 10 per cent of the shares. The district can contract with a company which receives its supplies from another in which a trustee owns an appreciable number of shares.

4-H Club Meeting

The 6th grade girls had their first 4-H meeting Wednesday, Oct. 11. They elected the following officers: president, Jonna Naylor; vice president, Denise Branch; secretary, Terri McDaniel; reporter, Hedi Vecera; council delegate, Jill Bell; song leader, Mae Carol Kuehn. Mrs. Meads handed out little booklets about different things around the house. The 6th graders are known as 4-H girls in action.

Mrs. Meads showed us some books of clothing, cooking, etc. Mrs. Meads handed out some sheets and a membership card and then she handed out sheets of the livestock show. We elected officers. President is Beth Graves, vice president is Christi Smith, secretary is Ester Quintero, reporter is Sandra Bachman, council del. is Delia Santos and song leader is Gail Bullion.

ELEGANT AURA—Coordinating cotton fabrics set the tone for this room that has an aura of refined elegance. Waverly's Salisbury fabric in a large floral bouquet pattern of blue and gold appears as slipcovers on twin chairs. A coordinating floral stripe graces the windows and covers the wall above the dado. Traditional furniture and accessories round out the decor. Both fabrics have a Scotchgard finish.

 OUR DEAL ON A
 6-BOTTOM PLOW.**

(IT'S FREE.)

The best price on a new plow is no price at all. And that's the price you'll pay for the big Oliver six-bottom Cushion-Trip plow. It cuts wide, deep and fast. A \$2,000 value. And it's yours free. When you buy either an Oliver 2655 or a Minneapolis-Moline A4T-1600 articulated tractor.

These are the four-wheel drive giants that get the tough jobs done in record time. They're hard working, sure. But they're also comfortable enough to get you through those long, 18-hour work days. So see how they run. And see about getting your six-bottom plow . . . free. But remember: this is a limited time offer, so stop in today.

TWICE NICE—Two-tone sportswear in easy-going cottons double wearing pleasure. Cone's corduroy in navy and red makes an eye-catching jacket and pants ensemble (left) with lots of flap pockets. More red and navy turns up in a casual knit shirt and brushed cotton denim pants with big patch pockets. Both outfits by McCain Manufacturing Co.

the week end with his grandmother, Mrs. J. R. Brown.

Leon and Jason McNeese of Houston visited Mr. and Mrs. C. A. McNeese, last week end.

Mr. and Mrs. Bill Shifflett, Mitchell and Matthew, of Graham spent Sunday with the Elmo Shaws.

The Gilliland school is going to have a Halloween carnival the 28th. They will start serving food at 6 and the carnival will begin at 7.

H. L. Ayers, Jr. went to a principal's meeting in Vernon last Wednesday.

Mr. and Mrs. Roy Daniel visited Mr. and Mrs. Buddy Tolleson in Benjamin this week. Mrs. Daniel visited her sister, Mrs. Pearl Cox, Thursday in the Crowell hospital.

Mrs. Jesse Thompson of Riverside, Calif., visited Mr. and Mrs. Bill Rake this week.

Friday, Mmes. W. M. Rake and H. P. Gillespie visited friends in Seymour.

The latter part of last week, nearly everybody had some much-needed rain. Around Truscott, the 3 1/2 or so inches were received in about a 4-day period, and no water ran. In some parts of Gilliland, though, it rained hard and filled up all the tanks.

Next Tuesday is Halloween, so beware of the great pumpkin (often seen disguised as a small trick-or-treater) and have a happy Halloween!

The average per person consumption of fresh vegetables is 97 pounds annually.

**Cotton Classing
 Office Grades
 28,400 Samples**

The USDA Cotton Division Classing Office at Altus issued its first classing report of the season, showing 17,100 samples graded for the week ending October 20, and a season total of 28,400 samples graded. This indicates the cotton harvest is at least two weeks earlier than any season in recent years, according to C. E. Cox, officer in charge at Altus. Last year this level of total classed was not reached until December 24, and two years ago not until November 13.

Uncle Sap

According to the Oregon Voter Digest: "Uncle Sam's reputation . . . for playing Uncle Sap to a disdainful and contemptuous world seems in no danger of eclipse or change. We recently granted a military aid credit of \$10 million to Chile. It made no difference that the Chilean government is pro-communist and anti-U. S. It made no difference that the Chilean government has seized without compensation several large American holdings in Chile. Uncle Sap was just being himself, always most generous to his mortal enemies."

Attention farmer operator! Do you have an employee, or employees, who will earn at least \$150 or work as much as 20 days this calendar year? If you do—don't forget social security taxes must be paid on the employee's earnings.
