Last Month Was Second Wettest January on Record

The government rain gauge has recorded a total of 3.68 inches of moisture during January, 1973.

Jon Lee Black said Monday that more moisture was received in January, 1958, but not counting that year, January 1973 is the wettest January since records were started of the rainfall here back in 1914.

Last Rites for Mrs. Gordon Cooper Held Sunday

Mrs. Cooper Died Unexpectedly Last Friday Morning

Mrs. Gordon Cooper, 72, of Crowell died Friday, January 26, in the Foard County Hospital after having been stricken at her home here and rushed to the hospital.

Funeral services were held Sunday, January 28, at 2 p. m. at the First United Methodist Church conducted by Rev. R. O. Cooper of Dallas and Rev. Roy T. Bassett of Smithfield, assisted by Rev. W. O. Rucker, local pastor.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Casket bearers were Adrian Thomson, Duane Johnson, Charles Branch, Gordon Erwin, all of Crowell, L. E. Ross of Quanah, and J. G. Taylor of Wellington.

The former Veda Cleo Clifford was born in Putnam (Callihan County) August 28, 1900. She was the daughter of the late Mr. and Mrs. John Mathew Clifford, pioneer farm and ranch family of the Black community who came to Foard County in 1901. She was married to James Gordon Cooper on May 2, 1925, at Medicine Mounds.

Mrs. Cooper was a member of the First United Methodist Church here and was one of the founders of the Children's Library at the church. Prior to her marriage, she taught school in Hardeman and Foard Counties, and then taught again (after her children were grown) in the Crowell school from 1945 to 1964 when she retired.

Since that time she had been active in the Foard County Chapter of the American Cancer Society and was one of the members of the committee that helped publish "They Loved the Land," the history of Foard County of which she was so proud. She did much of the research on the history of the schools in Foard County that appears in the publication.

She is survived by her husband; (Continued on page 5)

50-YEAR MASON—W. R. "Bill" Moore of Thalia (center) received his 50-year membership pin in the Masonic Lodge from Past Grand Master Jack Hightower of Vernon. On the left is Mrs. Moore. The 50-year pin presentation was made at Thalia Saturday night, January 13.

Second Annual Rattlesnake Hunt Set for March 10-11

Crowell Volunteer Fire Department has begun preparing for its second annual Rattlesnake Hunt, according to Fire Chief L. N. Tole.

The date of the hunt will be March 10 and 11.

Barney Barnett and Bob Galoway of Wichita Falls will be the pit men for the show. The men are professional snake handlers and will be in the pit with live rattlesnakes lecturing and demonstrating proper handling, venom milking and first aid.

Snakes will be purchased from registered hunters Saturday and Sunday afternoons.

Tole urges ranchers to leave their name with him so hunters will have a place to hunt. Hunters are reminded that no firearms are allowed.

Another event offered this year will be the auction of the three largest snakes.

Basketball Season to End Here Next Tuesday Night

Case action for Crowell teams in District 7-A is rapidly coming to a close with the last games set for next Tuesday night when the Wildcats host the Holiday Eagles in two and possibly three games. Coach Bob Cook said Monday that he did not know for sure whether Holiday would be bringing their junior varsity squad.

On Friday night of this week, the varsity and junior boys and varsity girls go to Munday for District 7-A games.

It is hoped that a large crowd of local fans will support the Wildcat teams in these last two nights of basketball action this season.

Methodist Bishop to Preach Sunday at Local Church

Bishop Alsie Carlton, head of Methodist Churches over a wide area of Texas and New Mexico, will be the speaker at the services of the Crowell Methodist Church Sunday, February 4 at the morning service which begins at 10:50.

This announcement was made by the local pastor, Rev. W. O. Rucker, who also stated that Rev. Marshall Rhew of Seymour, district superintendent, will be here with Bishop Carlton.

The public is invited to attend, and especially Methodist congregations of Truscott, Margaret, and Thalia, Rev. Rucker added.

Two New Vehicles

Two new vehicles were registered here last week, as follows: January 22, Denton Werley, 1973 Chevrolet coupe; January 26, M. M. Welch, 1973 Oldsmobile coupe.

Mrs. Sally Brisco, Long-Time Foard Resident, Died

Funeral Services Held in Crowell's Bethel Church

Mrs. Sally (Parkhill) Brisco, 91, resident of Foard County since 1919, died in a Dimmitt, Texas, rest home Tuesday, January 23. Funeral services were held at 2:00 p. m., Thursday, January 25, at the Bethel Church conducted by the pastor, Rev. Warren Everson.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Pall bearers were grandsons: Delton Parkhill, Claud D. Sellers, Dee Parkhill, Herman Athey, Troy Foster and Don Parkhill.

Mrs. Brisco was born in Tennessee May 1, 1881. She married W. D. Parkhill on March 27, 1904. He died Sept. 4, 1946. She later married Dan Brisco and he died several years ago.

She was a member of Bethel Church. Survivors include four sons, Paul Parkhill of Denton, Odell Parkhill of Morenci, Ariz., David Parkhill of Abilene and Cecil Parkhill of Canyon; three daughters, Mrs. Vannie Athey of Clovis, N. M., Mrs. Zane Foster of Hereford and Mrs. Maggie Gallagher of Odum; one brother, Sherman Bearshers of Slaton; also a number of grandchildren and great grandchildren.

She was preceded in death by two daughters, Mmes. Linda Sellers and Eastie Moore; and one son, Bill Parkhill.

School and City Elections Coming Up on April 7th

Two elections will be coming up here on Saturday, April 7.

In the City election which is to be held also on Saturday, April 7, the terms of Mayor Robert Kincaid, and aldermen Charles Branch, Leonard Tole and Glyndon Johnson all are expiring.

Persons desiring to file as candidates can do so at the City hall. Two members of the Crowell school board will be elected. The terms of Mike Bird and Floyd C. Borchardt are expiring.

A person desiring to file as a candidate for the board can contact J. H. Gillespie, board secretary.

Deadline for filing is 30 days before the elections, which will be March 7th.

Work Resumes on New Building for John T. Athletic

After another rain and bad weather late last week, work resumed Monday on the laying of the concrete block walls for the new building northwest of the square.

The new building will house the cap manufacturing plant of John T. Athletic, Inc.

Little Dribblers Registration Is Now Underway

Prizes Will Be Awarded to Top Decal Salesmen

Crowell Little Dribblers Basketball begins a new year this week with registration at the local grade school. All fourth, fifth and sixth grade boys are eligible to participate provided they are not 13 years of age before Sept. 1, 1973.

Forty-eight boys will be needed to fill the rosters of the six teams; fourth grade boys will be used this year and a try-out will be held to select the best of these.

A registration fee of \$3.50 will be charged each boy. Little Dribbler decals are being sold again this year and each boy selling at least 10 decals will receive wrist sweat bands; 20 or more will earn him sweat bands and knee pads. The top salesman will be awarded a red, white and blue ABA basketball.

Coaches are as follows: Ponies: coach Bud McLain, assistant Marion Crowell; Roundrunners, coach Freddie Prather, assistant Duane Boren; Hawks, coach Ike Everson, assistant Tommy Carpenter.

The following have no assistants as yet: Turtles, coach Gary Hobson; Frogs, coach Randy Adkins; Eagles, coach Harvey Ward.

A coaches meeting for the purpose of drafting new players will be held next week. Rules and regulations will be discussed. Anyone interested will be welcome to attend.

Complete rosters and a 1973 schedule will be published at a later date.

Foard Woman Victim of Check Altering Scheme

Foard County Sheriff E. E. Howard and Deputy Jackie Walker after about six weeks work, have issued a warrant for the arrest of a Lloyd Wayne Allen, address unknown, in connection with a swindling scheme in which a Foard resident was "taken" for \$9,000.

Mrs. John S. Ray was the victim of the scheme and two checks she gave Allen and another man for some electrical work at her home were altered, Howard said.

According to Sheriff Howard, a check given by Mrs. Ray for \$2,14 was altered to read \$4862.14 and another check was raised from \$1,12 to \$4281.12. The first check was said to have been written by Mrs. Ray on December 12 and the second on December 18.

Only when the bank asked Mrs. Ray about the large amount of work she was having done at her home did it become evident that something was wrong. The checks were made out to a William N. Ledbetter.

The money was said to have been taken in cash, mostly in one hundred dollar bills and twenties.

AUTOGRAPH PARTY PLANNED SATURDAY FOR FOARD HISTORIES

Housing Units "Accepted" by Local Officials

Occupancy of Units by Tenants Expected Friday

The 30 units of the Crowell Housing Authority were inspected Monday afternoon and accepted by the Crowell Housing Authority.

Mrs. Wilma Cates, executive director, said late Monday that she has 35 applications for the 30 units and she added the local board will meet soon to decide who will get what apartment.

Here for the inspection were Don McLaughlin of Fort Worth, inspector for the Housing and Urban Development, Joe Bill Pierce of Midland, architect for the local project; and Frank Cooper, local inspector.

The board has not yet chosen the maintenance personnel for the housing units, and Mrs. Cates said Monday that it may be a few weeks before that is done.

An open house will be held later so that Foard County residents can see the new housing authority.

W. C. Langford

Family Moves Here to Make New Home

Mr. and Mrs. W. C. Langford and three children have moved to Crowell from Amarillo and Mr. Langford will be associated with his father, Clyde Langford, in the operation of Langford's Garage one block east of the square in Crowell.

Mr. Langford was reared here, but has been away for many years. Mrs. Langford is a registered nurse and she is employed at Wilbarger general hospital in Vernon. Their three children are Beth 15, Buddy 12 and Leigh 11. They have all enrolled in the Crowell school.

The Langfords have moved a 3-bedroom mobile home to a lot located just east of the repair shop.

Ed Payne Receives Congratulations from President Nixon

Ed Payne of the Thalia community observed his 90th birthday in November, 1972.

According to Mrs. Maggie Capps, News correspondent at Thalia, Mr. Payne received a letter of congratulations last week from President Nixon congratulating him on his reaching his 90th birthday.

Mr. and Mrs. Bud McLain Leave for Hawaii Friday

Bud McLain, owner of McLain Farm Equipment, Case dealer in Crowell, has been announced as a winner of an all-expenses-paid trip for himself and Mrs. McLain to Hawaii. Mr. McLain won the trip on the basis of his 1972 Case sales.

Mr. and Mrs. McLain will leave Friday and return home Thursday of next week. They will be going with a group of other Case winners in the Dallas branch and will fly non-stop from Dallas to Honolulu.

Mr. and Mrs. McLain were in Hawaii in 1960 when he won a similar contest.

Crowell Food Mart Is Now Open

Steve Adams has purchased an interest in the business known in the past as Crowell Minit Mart, and on Wednesday re-opened the store under the name, "Crowell Food Mart."

In addition to its regular line of groceries, the store will have fresh meats, and a few delicatessen items. C. A. Parker will be working in the meat department in the mornings, and Mrs. Charlene Brown will be in the meat market in the afternoon and she will also be making the delicatessen items.

Specials for the store as advertised each week will be for Thursday, Friday and Saturday.

BIG SNOW "FAMILY"—Don and James Martin are pictured above with the family of three snow men they built during the big snow here week before last. The snowmen were constructed in the front yard of the Martin home on North Main Street. The boys are sons of Mr. and Mrs. J. W. Martin.

Texas State Teachers Association to Present Proposal to State Legislature

A proposal to give all public school districts an equal and improved educational program will be presented to the 63rd Texas Legislature by the Texas State Teachers Association.

Mrs. Patsy Duncan of Amarillo, state president of TSTA, says the proposed program is intended in part to meet requirements of the federal court decision in the Rodriguez school finance case now

pending before the U. S. Supreme Court.

The TSTA program would "level up" the standards of all Texas schools to those of the better-quality local systems now operating, rather than "level down" to those of poorer quality.

This would be the first major overhaul of the school program since 1949, when TSTA threw its full weight behind passage of the Gilmer-Aikin Minimum Foundation Program which has been the basis for the school system since then.

In the Rodriguez case, federal judges in San Antonio ruled in December 1971 that Texas public school financing is unconstitutional because it discriminates against poorer districts and thus doesn't provide equal educational opportunity for all children.

Several groups have been studying the problem since then, but most have concentrated on finance. The special TSTA study committee is evaluating reports from these groups before supporting a particular financing recommendation.

Changes in school program also are being formulated by a State Board of Education committee and by a Senate interim panel headed by Sen. Oscar Maury of Dallas.

"We hope to resolve differences among these three recommendations and support a common program," said Mrs. Duncan.

"If that is not possible, TSTA will support its own plan. Our main objective is quality education for all Texas children," Mrs. Duncan said, "to comply with the court order, and to insure that whatever changes are made will be improvement and not reduction in state support for public education."

The school program proposal is one of 10 priority bills which TSTA will present to the Legislature. The others would provide for:

—Uniform professional contracts for teachers.

—Consultation agreements between teachers and school officials upon request of either party.

—Adding a retired teacher to the Teacher Retirement System board.

—Changing the state's fiscal year to begin July 1, instead of September 1.

—Delay in the mandatory start of the "quarter school year" system for two years, from 1973-74 to 1975-76.

—A duty-free lunch period for teachers, with state financing.

—State funds to pay school secretaries and instructional administrative personnel.

—Protecting school personnel against required disclosure of confidential information gained from students.

—Eliminating special state college fees not applicable to part-time college students who hold degrees.

Other major TSTA objectives include:

—Defending present levels and areas of state support for education, including automatic financing for public schools and teacher retirement.

—Preserving public funds for public schools only.

—Exploring possible improvements in benefits for retired teachers, within the limits of actuarial soundness.

Main features of the comprehensive school program recommended by TSTA are:

—Automatic financing of schools would be continued.

—The local property tax still would be used, with a 70-30 state-local sharing of the new program.

—Most of the local funds now being spent in excess of the minimum program are "captured" for inclusion in the comprehensive program.

—Local control is maintained, in that a district could still go beyond the state program.

—Fair market value of property would become the basis for determining the local fund assignment, dropping the present complicated, controversial economic index.

—Each district's local fund assignment would be based on its property values as a percentage of the statewide total.

—Each district would be provided the same program, with the state making up the difference between total cost and the local share.

The education program would be expanded in several ways to provide approximately the same level of personnel as in those districts with better programs now.

News from . . . THALIA

BY MRS. MAGGIE CAPPS

Mrs. Dorothy Wisdom honored her daughter on her 9th birthday Jan. 20. In spite of the miserable weather, the party was a grand success and the following friends of Polly were present: Patty Black, Angie Parkhill, Stephanie Rietmayer, Toni Hopper, Arlene Halenak, Lynne Johnson, Jody Gafford, Shelly Adkins.

Mr. and Mrs. O. C. Holland visited Mr. and Mrs. Harold Banister in Houston last week end.

Ed Payne, resident of Thalia for many years, was the recipient of a very cordial birthday card from President Richard Nixon on his 90th birthday which was in November. He was visiting his daughter, Mrs. Bill Callman, in New Jersey at that time, but the belated card arrived last week. The card will be framed and will grace the walls of his new apartment in Crowell into which he hopes to move in the very near future.

Mr. and Mrs. O'Neal Johnson and Mrs. C. C. Wheeler visited Mr. and Mrs. Melvin Ruckman and Will L. Johnson in Vernon last week.

Duane Capps of Vernon visited his mother, Mrs. Maggie Capps, Sunday.

Marshall Capps and Becky Bellow, who are student at Texas University in Austin, said in letters to his grandmother, Mrs. Maggie Capps, that they went to the LBJ Library Tuesday viewed the body of the former President Lyndon B. Johnson. They said Linda stood near the casket and welcomed them and the other visitors and thanked each one for coming.

Visitors during the week of Homer McBeath, who is a patient in the Crowell hospital, included Mr. and Mrs. Delmar McBeath and daughter and Mrs. Kenneth Ownby of Lockett, Mr. and Mrs. J. L. McBeath of Waggoner ranch and James McBeath of Katy. Homer is reported to be doing satisfactorily at this time.

William Wisdom of Medicine Mounds visited the Jake Wisdom family and Mrs. A. B. Wisdom and Frank Saturday.

Mr. and Mrs. Charles Blday of Wichita Falls visited Mr. and Mrs. Robert Hammonds and Mrs. Maggie Hammonds Sunday.

Mr. and Mrs. Weldon Farrar and son of Lubbock were here for his regular appointment at the Church of Christ Sunday and were guests of his parents, Mr.

Letter to Editor

Dear Bill:

I noticed in last week's paper where Ebb Comper had been here visiting. I remember the Comper family. I had a school picture of the "flag drill." I was in this picture with Della Comper, Grover and Ebb were classmates and very good friends. We all went to school together. I went to school two weeks in "Old Crowell College" before it burned in 1897. Mr. Blankenship was superintendent. Miss Mina Daughtery was my teacher. As to where the rocks came from for the first jail and the old Thacker building (now home of Gentry's Grocery). They came from off of the land owned by Mr. J. P. Nichols (Grover's father) all the way north of where the "Black school house" stood. They were scattered all over the ground and on the sides of the "hills." They reached nearly to Pease River. They did not come from a quarry. Grover told me this a number of times. My father, J. G. Thompson, built Mr. and Mrs. Comper's first house here in Crowell.

Grover also told me that the rocks used in the old jail and the Thacker building were sold for \$1.00 per wagon load.

Mrs. Naomi Nichols.

Most Widows to Get Increased Social Security Payments

Most—but not all—aged widows and dependent widowers will get increased payments from social security this month, Henry Chustz, social security manager in Vernon, says.

"Widows don't have to do anything to get these increases. The increases will begin with checks to be mailed early in February.

Under the new law, increases will go to 89 per cent of the 3½ million widows who get monthly payments based on their late husband's social security records.

The 21.22 per cent increase will be paid to women who started getting widows benefits at 65 or later. Smaller increases will be paid to widows who first got checks before age 65.

Widows who get no increase under the new law will be mostly sole survivors whose husbands would have qualified for minimum retirement benefits.

What You Need... WHEN You Need It

WHEN you have a prescription that needs filling...when your car acts up...when you almost forget some important gift-occasion...or when some other Emergency comes along...it's nice to be able to buy what you need...right here where you live...WHEN you need it.

In fact, most of the Emergency Needs that confront us from time to time, are not real problems at all...because local stores and service people are only minutes away, and those needs are promptly filled for us.

But...just suppose that a lot of us take the bulk of our trade...our large purchases, and our everyday buying...to cities and towns 50 or 100 or more miles away...and buy at home only when we haven't time to wait until we can go somewhere else to get it. Then, with their trade volume lower, could we expect local business to be able and ready to serve us in emergencies?

Or, some day, if we need medicine, or a spark plug, or other vital item...will we have to make a long trip to some distant city to get it?

Highway Patrol Reports on 1972 Traffic Accidents

The Texas Highway Patrol investigated two accidents on rural highways in Foard County during the month of December, 1972, according to Sgt. Jack Therwhanger, Highway Patrol supervisor of this area. These crashes resulted in no persons killed and two persons injured.

The rural traffic summary for this county during the twelve months of 1972 shows a total of 12 accidents resulting in no persons killed and five persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety region during the calendar year of 1972 shows a total of 6,573 accidents resulting in 279 persons killed and 3,545 persons injured. This was 60 more accidents, 15 more fatalities and 49 less injured than during the calendar year of 1971.

The Highway Patrol supervisor reminds you that the new signs, signals, and markings on the roads are signs of LIFE—your life. Drive Friendly the Texas Way!

The 21 deaths in the 60 counties of the Lubbock DPS Region during the month of December, 1972, occurred in the following counties: Clay, three; Parmer, Parker, Wilbarger and Knox, two each; Bailey, Hockley, Lamb, Palo Pinto, Terry, Wise, Dallam, Hutchinson, Ochiltree and Potter, one each.

should be a private matter between a woman and her physician, the high court ended a controversy begun in 1970 when "Jane Roe," a pregnant, unmarried woman from Dallas took the abortion argument to the federal courts.

Ironically Miss Roe, as she was named to protect her identity, won her case, but had the baby.

Gov. Dolph Briscoe asked Texas Atty. Gen. John Hill for an evaluation of the ruling and for alternatives open to Texas in light of the high court decision.

Lt. Gov. Bill Hobby, however, said that "the best solution is one in which the state is neutral on the subject . . . I believe the medical profession of Texas will respond to the decision and will treat abortion as a medical matter in a responsible way."

TOO MANY SCHOOLS?—Texas may be expanding educational facilities to the extent that the quality of education may be diluted, while the taxpayer keeps digging deeper in his pocketbook to pay the bills.

Opinion was expressed here by Wales Madden, an Amarillo attorney, who is a member of the Coordination Board, Texas College and University System. Madden told CB members "educators know that increased funding is dependent upon growing enrollments. With institutions planning independently and on an ad hoc basis for enrolling the same students, and with there being fewer students to spread among the colleges, we may endanger the critical mass of students, faculty, facilities, equipment and libraries established at such high cost and hard effort in our existing institutions."

Madden placed part of the blame on local pressure on state legislators, who feel duty bound to try to create by statute a junior or senior college or technical training facility in their communities. Madden urged CB members to moderate the present expansion trend "until we determine fully what the needs are and where we are going."

his biography, Lyndon Baines Johnson was a journalist.

He wrote a book. He helped write and produce several television news specials. Most of all, he "made" news during his entire lifetime.

His daughter, Mrs. Luci Nugent, likes to point out that her father was "surrounded by journalists." "My father had to live with journalists all of his life," she said recently. "My mother was a journalism graduate of the University of Texas. My sister wrote for major magazines, and I've enjoyed doing some writing."

Men who influenced him on many major decisions were journalists . . . Bill Moyers, George Christian, Tom Johnson and many more. He confided in many Texas newspaper editors, Art Kowert, Bob Jackson, Bill Hobby and others.

Texas journalists will miss LBJ. He refused to let his illness slow him down.

His last public appearance was a tree planting ceremony near his home with Lady Bird. He had spent an active Christmas holiday with his wife, daughters, their husbands and children.

He attended the funeral of the 14 young people who had been killed in the bus-truck accident and the funeral of President Harry S. Truman less than a month ago.

His family will miss LBJ. President Johnson's political career will continue to be an inspiration to young people interested in government and politics.

He came from a family of public servants, but hundreds of college students in this state look at his career and contemplate the "path to the presidency."

He was first a young school teacher, then youth administrator, aide to a Congressman, Congressman, Senator, Vice-President, then President of the most powerful nation in the world.

Yes, Lyndon Baines Johnson made history interesting for Texas.

LBJ. He did not try to dominate the show when he appeared publicly, did not make "news" by voicing opinions on everything, but his influence was felt in many important ways.

During last year's political campaigns in Texas, he was on the phone raising money, offering advice—supporting those who had been loyal to him during his political career.

America's wheat is making a historic turnaround

1,000 additional, 100-ton covered hoppers are now being completed to give Santa Fe 11,000 of these giant cars to help move export wheat to Russia

Inspectors checking new hoppers at car builder's plant. Santa Fe pioneered the use of these giant 100-ton covered hoppers for moving wheat and other bulk commodities and has the largest fleet in the rail industry.

Trough hatches extending the length of car roof permit loading in about 12 minutes. Cars can be unloaded in less than three minutes.

Cars at dock facilities for transloading wheat to elevator and ship.

The history of wheat on the Santa Fe started back in the 1870's. At that time, the railway sent representatives to Europe with a view in mind of winning settlers to Kansas. Through their efforts, the Mennonites emigrated from Russia in 1874 and brought with them a few sacks of wheat—red wheat—that thrived and transformed the Midwest and parts of the Southwest into the breadbasket of the world. Today, one of the cities not far from the center of the wheat belt on the Santa Fe, carries the name of Moscow, Kansas. Now, the same type of wheat brought to America by the Mennonites from Russia is going back. It is part of the 400 million bushels of wheat being sold to the Soviet Union. Santa Fe's giant hopper cars are moving it. The company that helped bring wheat to this country is now moving it out, 100 years later. From Moscow and all across Kansas, Oklahoma and Texas to Moscow and the vast areas of Russia. Quite a historic turnaround.

Moving huge volumes of wheat requires coordination and cooperation

"Export movements require the greatest teamwork between railroads, port authorities and exporters in the scheduling of railroad shipments to coordinate with the movement of sea-going vessels. The current wheat export program puts this teamwork to the test, and the Santa Fe is prepared to work closely with its customers to handle this transportation challenge successfully—"

Registration for Voting Explained

Texas who registered in 1972 can vote at any time through 1974 without further registration, according to the Sunday edition of The Dallas Morning News. A year is added to the registration period if you vote at any time during the year—those who voted last year are registered through 1975.

The story added that the "election law experts say the 3-year registration period is awkward. Two- or 4-year registration would fit better into election-year patterns."

Hughston McLain Receives Ecology Worker Certificate

The official State Health Department's certificate of competency for ecology workers has been awarded to Hughston R. McLain of Frisco. Mr. McLain, a long-time resident of Foard County, works for the City of Frisco.

As an ecology worker, he has been taught effective ways for producing safe drinking water and treatments to make waste water into clean streams for public use.

This training from the Texas Water Utilities Association, the largest water and waste water training school in the United States, has produced clean streams and better operated water facilities than any other section of the country.

To receive the certificate, he has completed both a formal and a specialized education, accumulated a prescribed amount of actual work experience, and passed the examination given by the State Health Department's Sanitary Engineers.

The growing need for clean water has made the water ecologist one of the most important workers in his community. Most of his work is not seen by the public he serves; but the effects are used daily every time someone uses water.

Former Resident of Truscott Died in Harlingen

Bronie E. Hutton, 67, a former resident of the Truscott community, died Saturday afternoon in Harlingen.

Funeral services were held at 2 p. m. Monday in the Truscott Church of Christ with Payne Hattax, minister of Knox City Church of Christ, officiating. Burial was in the Truscott Cemetery under direction of Smith Funeral Home of Knox City.

Born Feb. 28, 1905, in Throckmorton, he was a long-time resident of Truscott before moving to Corpus Christi. He was a member of the Church of Christ.

Survivors include three sisters, Mrs. J. C. Black of Truscott, Mrs. Ottis Cash of Knox City and Miss Exa Faye Hutton of Pampa.

Roger Staubach to Head Easter Seal Campaign in Texas

Roger Staubach, quarterback of the Dallas Cowboys, has been named state chairman of the 1973 Easter Seal campaign in Texas. Rodney D. Hargrave of Dallas, president of the Easter Seal Society for Crippled Children and Adults of Texas, announced that Staubach will lead volunteers in every county in Texas during the traditional annual appeal for funds to provide direct services to physically disabled Texas children and adults.

As State Easter Seal chairman, Staubach joins with 234 local Easter Seal chairmen and representatives throughout Texas who participate in the annual funds appeal. Last year, 18,802 crippled children and adults in Texas received rehabilitation and other services rendered by the Texas Easter Seal Society through a statewide network of affiliated Easter Seal societies and chapters.

Staubach joins a national roster of prominent figures in the 1973 Easter Seal campaign. Ralph Edwards, creator of television's "Truth or Consequences" and "This Is Your Life," has been named national chairman for '73. Nationally, the Easter Seal Society extends services and rehabilitation to nearly 300,000 disabled persons yearly through 2,000 state and local affiliates.

Rodeo Excitement Jan. 26 thru Feb. 4

Indoor rodeo is 55 years old and the World's Original Indoor Rodeo will be presented in 20 performances Jan. 26 through Feb. 4 in Will Rogers Memorial Coliseum in Fort Worth as part of the Southwestern Exposition and Fat Stock Show.

More than 500 top cowboys will be competing for a share of over \$90,000 in rodeo prize money on the sport's toughest stock provided by Billy Minick Rodeo Company.

A special feature during each rodeo performance will be acts of daring by Jerry Olson with his trained buffalo, Sam. In spite of his 1,000 pounds, Sam is quite agile. Not many buffalo have ever been ridden.

Also, on hand during the Stock Show will be over 11,000 head of fine livestock, the fun and excitement of the Carnival Midway and the sights of the commercial exhibits.

Girls Cage Team Splits Games with Knox City Fems

During the past week, the Crowell girls basketball team split its two games played with Knox City. On Tuesday night of last week in Wildcat gym, the Crowell girls trailed Knox City nearly all the game, but kept knocking at the door and came on strong in the last 1 minute and 49 seconds to defeat the KC girls 62 to 61. It was the first district defeat for Knox City.

Rhonda Vecera hit the winning basket with 3 seconds showing on the clock. Jo Ann Gerhardt entered the game and sparked the Crowell girls, hitting 7 of 10 for 16 points. Rhonda had 22 points for the night. Outstanding defensive play was turned in by Carolyn Sparkman, Babs Streit, Theresa Coleman and Sharon Brown.

On Saturday night at Knox City, the girl Greyhounds turned the tables and defeated Crowell 64 to 58. A total of 36 turnovers cost Crowell dearly. The Wildcat girls were down 42 to 24 at halftime and came back strong in the second half, but it was not enough.

Cheryl Branch and Jo Ann Gerhardt scored 26 points each for the Cats. On Friday night here, the girl Wildcats demolished the Archer City girls 73 to 37. All the girls saw action and four girls notched double figure marks, led by Cheryl Branch with 26; Sandra Whitfield had 19, Rhonda Vecera 12, and Sally Gerhardt 11.

At the conclusion of last Saturday night's game, the girls had a 4-3 district record and are 16-4 for the season. Coach of the girls team is Bob Cook.

Small Grain Insect Meeting Set for Next Wednesday

A small grain insect meeting will be held Wednesday, Feb. 7, at 1:30 p. m. at the county agent's office in the court house in Crowell, Foard County Agent Joe Burkett announced Tuesday.

The meeting will be a field trip to observe small grain pests and their damage.

Emory Boring, area entomologist with the extension service, will be on the program.

Information will be presented on damaging population levels and types of damage determining the need for controls. Beneficial insects will also be identified and discussed.

"If the fields are too muddy or the weather is too bad to go to the field, we will hold the meeting in the court house," Burkett added. He urges all small grain producers to attend.

Crowell Schools

Closed Thursday

for LBJ's Final Rites

Foard County remembered former President Lyndon B. Johnson Thursday, January 25, as several offices closed their doors on the day of his funeral.

The Crowell schools closed all day Thursday, as did the state, federal and county offices here.

Mr. Johnson, a native Texan, was the 36th President of the United States from 1963 to 1968. He died of a heart attack at his Texas ranch Monday afternoon, January 22.

Memorial services were held at National City Christian Church in Washington, D. C., at 9:30 a. m. Thursday, Jan. 25. The Johnson family then drove to Andrews Air Force Base for a direct flight on Air Force One to the LBJ Ranch in Johnson City.

The late President was buried in the family cemetery adjacent to the ranch. Rev. Billy Graham, the evangelist and friend of presidents, officiated at the final rites at 3:30 p. m.

Extremely High Winds Accompany Week End Norther

A high norther blasted through this area Saturday and Sunday, and although the low was 20 degrees early Monday, the "chill factor" Sunday made the temperature feel below zero.

The mercury dropped to 32 degrees early Tuesday with a warming trend forecast for at least a day.

How about making an investment that could possibly pay off big in many ways?

We're talking about becoming a dues paying member of the Foard County Industrial Foundation. The dues are only \$2.00 a month and the more members belong, the more money is available when the foundation interests an industrial prospect.

Goal of the organization is 200 dues-paying members. Won't you join if you aren't already a member? You need the Foundation and the Foundation needs you!

Greenbug Count "About the Same," County Agent Says

The greenbug situation in the wheat fields of Foard County remains about the same, county Agent Joe Burkett said Monday following his inspection of selected fields. He said there are from 1 to 16 greenbugs per linear foot in rows he checks. He added that Knox and Wilbarger counties are showing the heaviest greenbug infestations with from 15 to 26 per linear foot.

Burkett said winter grain mites in Foard, Haskell and Wilbarger counties are present in numbers of from 9 to 21 per linear foot of row inspected.

Card of Thanks

The family of Veda Cooper gratefully acknowledges those who came to our aid in our time of need. The efforts and concern of Dr. Stapp and the hospital staff are a source of comfort. The sympathy finding expression in dishes of food and floral offerings is a source of strength. The unselfish sharing of Brother Rucker, Mrs. Mike Manard and Mrs. Joel Shepard, and the Choir of First United Methodist Church was a source of inspiration. And the knowledge of your continuing concern is a source of courage. Thank you. Gordon Cooper and family. 30-1tc

Boys Basketball Team Drops Games During Past Week

The Crowell High School boys basketball team lost two games to Knox City last week.

Coach Bob Cook's charges at Wildcat gym Tuesday night of last week lost to Knox City 72 to 42. The height and experience of the Knox City quintet proved to be too much for the Wildcats. Don Sparkman put in 10 points for the Wildcat cause.

At Knox City Saturday night, the score was 80-50. David Bell scored 16 points for the losers and Steve Graves added 12.

The Wildcats here on Friday night played one of their best games of the season but still lost 50 to 43 to the Archer City Wildcats. Jackie Houck had 12 and David Bell 10 points for the losers. A fine floor game was turned in by Rocky Bachman. Senior wingman Jackie Blackburn was out of action in this game with a severe cold.

The Crowell Wildcats are now 2-5 in district action.

The Crowell junior varsity played one and won it last week. Here Tuesday night of last week the local JV defeated Knox City 37 to 36. A fine floor game by Randy Prince and ball control by Rayford Dorsey who scored 16 points, greatly aided the local JV cause.

The Crowell JV is now 8-6 for the season.

Last Rites Held for Memphis Publisher

Funeral services for Herschel A. Combs, 63, Memphis Democrat publisher, were held at 2 p. m. Friday, Jan. 26, in the Memphis Church of Christ.

Mr. Combs passed away in his sleep Tuesday night, Jan. 23.

A native of Arkansas, Mr. Combs began his newspaper career as an apprentice at the Wellington Leader while he was in high school. His newspaper career advanced as he became shop foreman of the Wellington newspaper and during World War II he worked throughout the Texas Panhandle and Oklahoma repairing printing equipment, primary line casting machines.

Mr. Combs had been associated with the Memphis Democrat since 1944 when he purchased an interest in the paper.

Mr. Combs was a Methodist and was a past president of Memphis Lions Club, Memphis County Club, the Chamber of Commerce, and Panhandle Press Association.

He is survived by his wife, two sons, one daughter, one sister, and 8 grandchildren.

One of his sons, Billy Allen, is editor of the Memphis paper.

Bob Price Named to Subcommittees

Congressman Bob Price this week announced his appointment to three of the ten subcommittees of the House Committee on Agriculture. As he did in the previous session of Congress, Price will continue to serve on the subcommittee on livestock and grains which has jurisdiction over all matters pertaining to livestock and feed grains and the subcommittee on cotton which deals exclusively with the cotton program. The Texas Congressman has also been assigned to the subcommittee on department operations of which he will be the ranking minority member.

Woody Frank Lemons Is Speaker at Womens Service League

Woody Frank Lemons of Vernon displayed rare coins and presented a most interesting commentary at last Thursday's meeting of the Women's Service League. He explained that all displayed were legal tender, but many were uncirculated. The mintage, collector's choice and coin's condition determines its value to collectors.

Lemons pointed out that "In God We Trust" was first placed on coins in 1864. He showed two and three cent pieces which were made to purchase stamps. The five cent coin was first made in 1866. Previously, a half-dime was in use. A Crowell High School graduate, Lemons pointed out that his most rare coin was a 20 cent piece made only two years—1875-76. Its size is confused with a quarter. Gold coinage in the amounts of \$1, \$2.50, \$5., \$10, and \$20 were

shown. The United States government called in gold in 1933 and frequently these pieces have been imported.

During the Civil War, mints ran out of metal and it was necessary to issue notes beginning with three cents. Lemons emphasized many commemorative coins are also struck.

The WSL will have its regular meeting this Thursday (today) but will meet jointly with the Lions and Rotary Clubs on February 7 in place of that week's meeting.

Time Near for Filing Farm Income Tax

March 1 is drawing near as the deadline for farmers to file their 1972 income tax return. To be considered a farmer, two-thirds of your gross income must come from the sale of agricultural products, county agent Joe Burkett says. Although you may not have to pay income tax this year due to various reasons, you must still file a schedule F if you had any income from farming. To pay any income tax, a net farm profit must have been realized. A copy of the "Farmer's Tax Guide" is available at Burkett's office.

Savings Bond Sales in County Lag During 1972

Only 17 Per Cent of \$70,000 Goal Sold During Year

December sales of U. S. Savings Bonds in Foard County were \$753.00, the Treasury Department announced Tuesday. Sales during 1972 totaled \$11,597.00, which represents 17 per cent of the yearly sales goal of \$70,000.00. Texans purchased \$17,451,392 in series E and H Bonds during the month. Total bond sales for 1972 amounted to \$211,662,879 for 107 per cent of the 1972 sales goal of \$197.5 million. One hundred three counties and thirteen districts in Texas achieved their 1972 sales goal. Nationwide, sales of E and H Savings Bonds during December were \$450 million, 2.4 per cent above December 1971. Total sales for the calendar year 1972 amounted to \$6,236 million, 13.9 per cent above a year earlier.

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

For your information . . . Now it's official . . . A honey of a story . . . Citrus harvest ending on sweet note . . . Spring potato acreage declines.

Although the regular 1973 prospective plantings report won't be issued until mid-March, here are the latest preliminary crop acreage estimates for 35 states: Upland cotton plantings are expected to total 12,900,000 acres, down seven per cent from 1972. Sorghum growers expect to plant 19,100,000 acres, an increase of 10 per cent from a year earlier. Oat planting intentions at 20,300,000 acres are one per cent more than 1972. Barley planted acreage is expected to total 10,100,000 acres, one per cent less than 1972. Corn growers expect to plant 70,500,000 acres, up seven per cent from 1972. Durum wheat plantings are expected to be at a new record high of 2,800,000 acres, and nine per cent above 1972. Other spring wheat planted acreage at an expected 11,700,000 acres, is up 17 per cent from 1972. Soybean plantings are expected to reach a record high of 48,800,000 acres, up five per cent above 1972. Flaxseed plantings are indicated at 1,150,000 acres, down three per cent from 1972.

EVEN though it's been predicted before, now it's official: 1972 crop production in Texas has exceeded production of 1971 in almost every category. The Texas Crop and Livestock Reporting Service notes that production of cotton, grain sorghum, wheat, oats, barley, rye, soybeans, flaxseed, peanuts and sugar beets reached levels significantly above production in 1971.

Corn and rice were the only major crops which fell short of the 1971 production level. Peanuts, corn, grain sorghum, and hay attained record high yields per harvested acre, while cotton, wheat, oats, barley, rye, and flaxseed either equalled or exceeded yields per acre reached in 1971.

Upland cotton production in Texas is estimated at 4,050,000 bales, almost double that of 1971; grain sorghum production for 1972 is estimated at 319,780,000 bushels, up almost 20,000,000 bushels from 1971; corn production is estimated at 39,560,000 bushels, down slightly from 1971; peanut production is estimated at a record 478,800,000 pounds; soybean production is set at 5,460,000 bushels, almost double 1971; rice production is estimated at 22,122,000 cwt., down about 1,000,000 cwt. from 1971; hay production for 1972 is set at 4,109,000 tons, down slightly from 1971; wheat production at 44,000,000 bushels for 1972 compares with 31,416,000 bushels in 1971; oat production at 9,720,000 bushels compares with only 5,994,000 bushels in 1971.

HONEY production in Texas

during 1972 totaled 11,368,000 pounds, up 35 per cent from 1971. Average price per pound for all honey in 1972 was 26 cents, which is 8.1 cents above the 1972 average price per pound of 17.9 cents. Total value of honey and beeswax produced in Texas in 1972 is estimated at \$3,090,000 compared with \$1,641,000 in 1971.

HARVEST of grapefruit and early and midseason oranges is active in the Rio Grande Valley. Heavy movement of fruit into both fresh market and processing channels is underway. Exports are expected to increase during January and account for a significant percentage of the total fresh market movement.

INTENDED plantings for spring potatoes in Texas for 1973 is down 11 per cent from the 1972 crop. Growers intend to plant 7,100 acres this year compared with 8,000 acres last season.

Planting is continuing in the Valley. About 70 per cent of the Lower Rio Grande Valley crop will be fresh market reds and the remaining 30 per cent will be chipping potatoes.

20,000 Texas Drivers Taking Defensive Driving Course

An estimated 20,000 Texans were enrolled during January in defensive driving courses in all sections of the state, according to information released last week by the Texas Safety Association. "These Texans should become better drivers and, at the same time, save 10 per cent on the major portion of their automobile insurance," J. U. Parker, TSA president, said in releasing the information.

"A study conducted by the National Safety Council shows that DDC graduates have 32.8 per cent fewer accidents in the year after taking DDC. We expect a half million Texans to complete the DDC course during 1973 and, if the National Safety Council's study holds good in Texas, we can look forward to a significant reduction in the Texas traffic crash rate," Parker stated.

The Defensive Driving Course, designed for persons who already have their driver's license, consists of eight hours class study and discussion. The State Board of Insurance has directed insurance companies whose rates they set to give a 10 per cent reduction on automobile liability, collision, and medical payments insurance to certified graduates of the training program.

A spot check conducted by TSA shows that 99 per cent of all Texas DDC graduates report the

YOU DON'T NEED TO USE NEWSPAPER ADVERTISING! IF YOU THINK SO, THEN PREACHERS—Should preach only one sermon or so a year. We are all against sin anyway, so why harp on it? TRAFFIC LIGHTS—Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient. TEACHERS—No need to review lessons. Tell the children just once and they'll never forget. MAIL ORDER FIRMS—That send catalogs are wasting their money. Everyone knows what is sold at area stores and of course they'll shop there. HIGHWAY POLICY—Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.
