COMPUTERIZED BOOKKEEPING DUE FOR CROWELL SCHOOLS

4-H Rally Day to Be Held in Crowell Thursday, June 28

The annual Foard County 4-H Club Rally Day will be held on Thursday, June 28, at the community center, county agent Joe Burkett said this week.

Registration will be from 9 until 9:30 a. m. and each 4-Her attending will need to bring a sack lunch with his name on it. Cold drinks, potato chips and pickles will be furnished free.

Activities for the day will consist of educational demonstrations, recreation, and a program on citizenship and problems of today's youth. Also, swimming in the Crowell pool is on the agenda. Swimming will be "free choice," Burkett said, and those who plan to swim are reminded to bring a towel, swimming suit and money for swimming.

At 5:30 p. m., a barbecue supper will be served, and after a short vespers, the rally day will be concluded.

Cost of the rally day will be \$1.00 for each 4-Her who attends. This amount will be paid at the time of registration and a ticket will be issued for the barbecue.

"Every 4-H boy and girl is eligible to attend and I hope all 4-Hers will be present," Burkett added.

MRS. RUTH RAGSDALE

Former Foard County Teacher Is Honored

Mrs. Ruth Ragsdale of Bowie, who began her teaching career in the Margaret Elementary School in 1935, has recently been named as an Outstanding Elementary Teacher of America for 1973. Mrs. Ragsdale has been a first grade teacher for 38 years, and 32 of those years have been in East Ward of the Bowie School System. Mrs. Ragsdale is the daughter of the late J. S. Smith and Minnie Smith, who now lives in Vernon.

Mrs. Ragsdale graduated from Crowell High School with the class of 1931.

The Crowell schools' bookkeeping chores will be going on computer as of September 1, following action taken by the local board in a called meeting Thursday night of last week.

The financial end of the bookkeeping for the local school will be handled by a computer located in Richardson, headquarters of the Region X Service Center. Arrangements are being made for use of the computer through the Region IX Service Center in Wichita Falls.

After the computer bookkeeping system goes into operation after September 1, most of the school's checks will be written by computer.

Computerized bookkeeping will cost the school about \$3,500 per year, it was announced Friday.

Donations Solicited for Upkeep of Foard City Cemetery

The Foard City Cemetery has recently been cleaned and several interested people have expressed a desire that a fund be set aside for its upkeep.

Several persons have already made contributions to the fund, and anyone who would like to help with the project may contact Mrs. Cornelia McDaniel, Box 486, Crowell.

Foard County wheat farmers, blessed by an abundance of moisture during the entire growing season in addition to an unusually high market price for their grain, are winding up this week one of the most profitable wheat harvests in recent memory.

The big crop is evidenced by the fact that on Friday, June 15, deposits in the Crowell State Bank soared to a record high of \$7,709,087.47. Bank President Robert Kincaid said Monday that the deposit total last Friday was nearly \$2 million over the previous high record deposits for the local banking institution.

A check late Monday afternoon with the county's three elevators, showed that a total of 1,445,000 bushels of wheat had been delivered to the elevators up to that time. This does not include the undetermined amount of grain stored on farms.

Also brought to the elevators have been 35,000 bushels of oats and 2,000 bushels of barley.

With still a few scattered fields in the county yet to be cut, the average yield per acre for the county is almost 21 bushels—figured on the wheat delivered to the elevators.

Market price of wheat has been unusually high this season, and the market was \$2.40 per bushel on Monday.

Practically all of the combine crews have moved on north to continue their summer of wheat cutting.

Revival in Progress at 1st Christian Church

Tom Posey of Memphis is the evangelist for a revival meeting which started Monday night at the First Christian Church in Crowell. His brother, Bill Posey, minister of the local church, is directing the singing.

Services are at 8 p. m. each night except Saturday and will continue through Friday, June 29. Special music is being presented each night and a nursery is provided.

Members of the church invite everyone in the area to attend these services.

Cheerleaders Win Honors at Camp Last Week in Cisco

The C. H. S. cheerleaders returned home on June 15 from the Southwest Cheerleading Camp at Cisco. Receiving four superior ribbons, being in the top six for the Coca Cola award, and bringing home the spirit stick were Anita Vecera, Kim Norman, Sally Gerhardt, Karen Statter, Terry Cobb and Sandy Whitfield. Also, the NCA staff gave ribbons to groups who showed chants, jumps, or pom-pom routines without notice. For this the Crowell girls received two ribbons which designated "incredible."

Thursday Afternoon

HIGH WIND DAMAGES POWER LINE POLES

High winds and rain raked across Foard County last Thursday afternoon with some damage reported by the storm. Cecil Davis, manager of the West Texas Utilities Company, said two "H" fixtures on a line carrying electricity from Lake Pauline to Monday were blown down on the J. Y. Welch place northeast of town. WTU also had a pole on the Margaret line blown down.

It took a terrific wind to blow down the large transmission poles, and Davis said Friday that it was possibly the result of a twister.

Trees were damaged around the area with the Highway Department facilities in the north edge of Crowell having extensive damage to their trees.

Rain was extremely spotted in the area, with Crowell recording an official .43 inch.

Gary Swan Named to Dean's Honor List at Texas Wesleyan

Gary Swan, a senior at Texas Wesleyan College at Fort Worth, was on the dean's honor list for the spring semester.

He is the son of Mr. and Mrs. B. J. Swan and grandson of Mr. and Mrs. Sherman Nichols, all of Crowell.

Sgt. James C. Doyal Receives Army Medal at Ft. Bliss

Fort Bliss, May 22—Staff Sergeant James C. Doyal, son of Mr. and Mrs. Earl Stermer of Foard County, recently was awarded the Army Commendation Medal.

The medal was awarded for meritorious service. Such service can be over an extended period of time or for outstanding achievement in a single situation. In either case, the recipient must have demonstrated skills and dedication far above the average.

Sgt. Doyal received the award while assigned as a platoon sergeant in Battery B, 5th Battalion, of the 59th Air Defense Artillery.

Mrs. Shook Employed by Wichita Falls School System

Mrs. Janet Carroll Shook, a Crowell High School graduate and daughter of Mr. and Mrs. Cecil Carroll, has accepted a contract to teach in the Wichita Falls school system. Completing degree requirements with a major in elementary education and kindergarten certification from Midwestern University in December, Mrs. Shook was a substitute teacher during the spring semester.

Mr. Shook, who is employed by the Texas State Department of Health, Veterinary Division, is headquartered in Wichita Falls. He is the son of Mr. and Mrs. Glen Shook of Crowell.

Granddaughter of Mrs. J. K. Woods Receives Degree

Cindy Jane Espy Cochran, granddaughter of Mrs. J. K. Woods of Midland and a former Crowell resident, received her degree from Texas Tech in Lubbock after being honored in three different departments.

The ceremony was held on Sunday afternoon with Mrs. Cochran's mother, Mrs. Mary Frances Espy, and her aunt, Mrs. Margaret Vaughn, also of Midland, attending.

Both Mrs. Cochran and her husband, Robert Cochran, received their degrees.

HARVEY TAYLOR

Bettie Ann Schrank Named Distinguished Student at Tarleton

Mrs. Bettie Ann Schrank has been named a Distinguished Student for the spring semester of 1973 at Tarleton State College in Stephenville. The selection was based on Mrs. Schrank's having no grade lower than "C" and having earned a grade point ratio of at least 3.25 as a full time student during that semester.

Mrs. Schrank is the former Miss Bettie Ann Burkett, daughter of Mr. and Mrs. Joe Burkett of Crowell.

Mother and Daughter Receive Degrees

Among those receiving degrees May 26 at the University of Colorado at Boulder were both the daughter and granddaughter of Mr. and Mrs. T. H. Russell of Vernon. Clonita Russell Warmack received the degree of Master of Arts in the history of art and Laurel Warmack Wallace received the degree of Bachelor of Arts in English.

Mr. and Mrs. Russell and Mrs. Warmack are former residents of Crowell.

By Soil Conservation Service

PLAQUE AWARDED TO FOARD COUNTY NEWS

The Foard County News last week was named recipient of a certificate for distinguished service to the field of soil conservation.

The framed certificate, presented last Friday to publisher Bill Klepper by J. A. Marr, chairman of the local district, had the following wording:

"Foard County Soil and Water Conservation District presents this Certificate for Distinguished Service to The Foard County News in recognition of outstanding contribution to the Foard County Soil and Water Conservation District. J. A. Marr, Chairman, District Directors. Date: June 14, 1973."

GRANDOL FOREHAND

Revival to Begin Monday at Eastside Church of Christ

Grandol Forehand, Minister of the Church of Christ in Dalhart, will be the evangelist for a gospel meeting to be held at the Eastside Church of Christ in Crowell.

Dates for the revival are June 25 through July 1. Harvey Taylor, minister of the local church, announced the forthcoming meeting and said that the services will be at 8 p. m. on week days, with Sunday services at 10:50 a. m. and 7 p. m.

The evangelist, Mr. Forehand, has been preaching the Gospel for several years. He is not a stranger to this area, as he has been engaged in several meetings here.

The local congregation invites "everyone to attend this meeting and hear the Gospel of Christ preached in its completeness."

WHEAT CROP CUT TRUSCOTT AREA

Almo Todd, manager of the Truscott Co-Operative Elevator in Truscott, was in Crowell last Friday and commented that the Truscott area has completed an excellent wheat harvest.

He said that most yields ranged from 20 to 35 bushels per acre. He had heard of a few

40 bushel yields, but that area probably averaged about 30.

That area missed the severe hail that damaged the Foard County crop; however, Todd said the early April freeze in the Truscott section did considerable damage to the crop.

WACO DEDICATION—Glenn Jones, (left) president of Foard County Farm Bureau, prepares to add a soil sample from his county to other samples contributed by all county Farm Bureau presidents who attended the June 13 dedication of the new Texas Farm Bureau headquarters building in Waco. Looking on is Mrs. Jones.

CAPTURE BABY COYOTES—Pictured above are four young people with the two baby coyotes they captured Monday afternoon. Holding the coyotes are Doug 15 and Tom 11, sons of Crowell spray pilot Richard Vecera. Doug is mix master for his father and Tom is general flunky for the spraying business of his father. On the left is Jana Russell and on the right is Rita Hodges, both of whom flag for Vecera. Doug and Tom are going to try to raise the coyotes for pets.

Farm Bureau President, Wife at Waco Dedication

Foard County Farm Bureau played a part in the June 13 dedication activities for the new Texas Farm Bureau building in Waco. An unusual feature of the event was the contribution of soil samples from 210 counties with organized Farm Bureaus. These samples were placed around a symbolic pecan tree planted on the grounds of the new state headquarters. The local sample was taken to Waco by county Farm Bureau President Glenn Jones of Crowell.

Another important dedication activity was the burial of a time capsule which included the names

of Foard County FB members as well as the names of members in all other counties. The signatures of all county presidents who participated in the ceremony were also placed in the capsule.

Dedication of the new \$2.7 million building at 7420 Fish Pond Road was the highlight of the June 10-16 Farm Bureau Week in Texas. On hand to assist with the activities were a number of state and national agricultural and governmental leaders. Governor Dolph Briscoe was the main speaker at dedication ceremonies. He was introduced by Texas Agriculture Commissioner John C. White. Congressman W. R. (Bob) Poage welcomed the assemblage to Central Texas.

Culminating the day's activities was a barbecue dinner held at the Waco Convention Center. The group of over 4,000 guests in attendance were addressed by

Agriculture Secretary Earl L. Butz.

Also held in Waco in conjunction with Farm Bureau week was a president's conference on June 12-13, at which time county leaders heard William J. Kuhfuss, president of the American Farm Bureau Federation. A service agents' awards banquet was held June 12 and on June 14, servicing agents for TFB's Safemark group purchase program toured the General Tire Plant in Waco and held a business meeting.

Rattlesnakes Win

PeeWee Baseball Game Thursday

The Rattlesnakes Pee Wee baseball team, reeling after two losses to the Bobcats, finally got on the winning track last Thursday night and won a game 11 to 7.

Willie Joe Green, Guy Todd III and Ronald Neal had 2 runs each for the Snakes with the following boys adding 1 run each: Tommy Russell, Vincent Anderson, Frederick Henry, Freddy Collins, Dan Wall. Todd was the winning pitcher.

Scoring the Bobcats' 7 runs were Russell Anderson and Roland Hernandez, 2 each; Larry Criss, David Dunn and Oneal Glover, 1 each.

For fast action, local residents are invited to the PeeWee games. There's one Thursday at 8 p. m. at Little League field.

A new system for reporting grain exports has been developed by the U. S. Department of Agriculture and the nation's grain firms. According to a grain marketing specialist for the extension service, sales volumes will now be disclosed on a weekly basis. This should assist farmers, exporters and government officials in making production and marketing decisions.

From the News . . . THIRTY YEARS AGO

News items below were taken from the Thursday, June 24, 1943, issue of The Foard County News:

Six Foard County men were inducted into the Army of the United States on May 28 at Camp Barkeley, Abilene. They are Edward Hilburn, Jr., Harold L. Wallace, Tommy L. Owens, Harold J. Kennedy, James M. Brown and Clifford W. White.

The Crowell postoffice will close at 4 p. m. Saturday, after July 1st, it was announced this week by Postmaster Alva Spencer. This change has been made necessary on account of the number of hours employees are allowed to work each week.

With two weeks of dry weather the harvesting of Foard County's 1943 grain crop was practically finished Wednesday. The number of bushels received at the elevators in the county, Crowell, Margaret and Foard City, amounted to 562,000, an excellent crop considering the dry weather which struck in the early spring and other damage caused by insects.

Lt. F. D. Smith, airplane pilot, son of Mrs. W. L. Callaway of Foard City, was credited with shooting down a German plane in the raid over Ruhr, Germany.

At a meeting of the executive board of the local Parent-Teacher Association on Friday afternoon, plans were made to conduct a story-telling and recreation hour for the children of Crowell.

Dr. H. Schindler, well-known and popular dentist in Crowell for over 35 years, is now located in his new offices in one of the Ringgold buildings between the Brooks Tailor Shop and bakery.

A large group of Crowell Rotarians and several Rotary Anns went to Rochester last Friday night to a banquet at which time the newly-organized club at Rochester was presented its charter by the district governor, Charlie Paxton of Sweetwater.

A report of the Crowell One-Variety Cotton Community made by D. F. Eaton, county agent, reveals that the total acreage planted to Mebane cotton was 5,751.1 acres by 126 farmers, or an average of 45.6 acres each. The total number of bales classed was 5,007 which indicates a yield of approximately two-thirds of a bale per acre and is a remarkable yield.

Miss Sandra Jo Bell of Hobbs, N. M., is in Crowell visiting in the home of Mr. and Mrs. Hubert Brown.

Announcement has been received in Crowell of the birth of a baby, Gary Laren, to Mr. and Mrs. Edwin Greene of Houston on June 19. Mrs. Greene is the former Miss Lella Ben Allee.

J. M. Barker left Friday for the Plains to combine wheat.

Ted Solomon and family have returned to their home in Lubbock after working here through the wheat harvest.

Mrs. Annie Brooks and two grandsons, Joe Ray and Elwin Setliff, of Tulsa, Okla., are here visiting in the home of Mr. and Mrs. J. T. Brooks.

Child Abuse Law Passed by Texas Legislature

Day care workers, school teachers, doctors, neighbors—anyone, in fact—who suspects child abuse or neglect and fails to report it may now be charged with a misdemeanor and punished by fine or jail sentence.

The new law, which passed both houses of the Legislature in May and was signed into law by Governor Dolph Briscoe June 13, prescribes punishment ranging from \$100 to \$500 or a jail term of 10 days to six months, or both.

Most doctors know how to recognize abuse, particularly through bone x-rays. They also know to question multiple bruises and cuts, unexplained burns, hemorrhages and anemia.

School teachers, day care and nursery school personnel, neighbors and relatives are also in positions to protect children by reporting signs of neglect or abuse which they have observed.

A special program in screening for high blood pressure has begun in Veterans Administration hospitals.

Two Minutes with the Bible

Paul and His Good News

St. Paul opens his Epistle to the Romans by declaring that he has been "separated unto the gospel (good news) of God" (1:1). This agrees with Galatians 1:15,16 where he says: "It pleased God, who separated me from my mother's womb, and called me by His grace, to reveal His Son in me . . ."

The last book of the Bible tells of the coming "revelation of Jesus Christ" in glory, to judge the world and reign on earth, but here in Galatians we have "the revelation of Jesus Christ" in Paul, the chief of sinners, saved by grace.

The salvation of Paul, the one-time leader of the world's rebellion against Christ, indicated God's willingness to save the chief of sinners. Thus, it was appropriate that God should choose him as the apostle of His grace, making the good news known "to all nations for the obedience of faith."

Let us not suppose, however, that Paul's gospel concerned only himself or God's grace to Him. Apart from Christ's payment for sin at Calvary, God could not justly have saved Paul—or any of us. Thus the apostle goes on to explain that this good news which God has sent him to proclaim is "concerning His Son, Jesus Christ our Lord" (1:3).

All through Paul's epistles he proclaims salvation by grace, on the basis of Christ's finished work of redemption:

"Being justified freely by His grace, through the redemption that is in Christ Jesus" (Rom. 3:24).

"Who was delivered for our offences and raised again for our justification. Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (4:25; 1:1).

"Where sin abounded, grace did much more abound, that . . . grace might reign through righteousness, unto eternal life, by Jesus Christ our Lord" (5:20,21).

So the message of salvation by grace is essentially good news about Christ and what He has wrought to purchase our redemption.

Santa Rosa Phone

Co-Op. Gets Loan of \$437,000

Congressman Bob Price Thursday of last week received notification from the U. S. Department of Agriculture, Rural Electrification Administration, that the Santa Rosa Telephone Cooperative, Inc., Vernon, has received a loan in the amount of \$437,000, at 2 per cent interest. The purpose of this loan is to finance facilities to connect 468 additional subscribers, replace and expand existing toll facilities, construct 64 miles of new line, and to finance direct-distance dialing facilities in 11 exchanges and various system improvements.

Of the total amount of the loan, \$398,000 is to be used in Texas to serve Childress, Clay, Cottle, Foard, Hardeman, Knox, Motley, Wichita and Wilbarger counties. The remaining amount of this loan will be used in other counties in Texas and Oklahoma.

Brown Recluse Spider Killed in Crowell by Charlie Lane

Charlie Lane of Crowell was in the News office last Thursday afternoon with a small jar containing a brown recluse spider.

The brown recluse is the spider which recently has been found in greater numbers in this section, and its sting is poisonous, although usually not fatal.

Lane said he found the spider in a sack of commercial fertilizer.

The Veterans Administration now has 80 nursing homes for care of aging and disabled veterans.

STATE CAPITAL
Highlights
AND Sidelights
By Bill Boykin
TEXAS PRESS ASSOCIATION

Austin, Tex.—Texas state gov-
ernment may see far-reaching new
in budgeting techniques, espe-
cially to save money and curb
increase.
Dolph Briscoe expressed
interest in the Georgia "zero
budget" methods inaugurated
by Jimmy Carter two years
ago.

Gov. Bill Hobby and a dele-
gate of Texas budget experts,
including Sen. A. M. Aikin of
Georgia last week, are in
briefing by Carter's aides.
The officials returned,
said he expects to "be
proceeding with implementing
(changes) very shortly."
Hobby is chairman of the Leg-
islative Budget Board, which ram-
polds the Texas budget process.
Briscoe said he will instruct his
own budget office to take the
Georgia system as a model in pre-
paring the executive department's
spending recommendations.
Under the "zero base" system,
all agencies are instructed to start
"from scratch" in drawing up
their appropriations requests rather
than taking present levels of
spending as their beginning point.
Governor Carter asked all Geor-

gia agencies to detail how they
would operate under existing rev-
enues, a 15 per cent cut and a
slight increase. He also insisted
that they list their own priorities
of programs as a guide to the
legislature in directing economies.

Briscoe has emphasized repeat-
edly that he proposes to follow
that procedure in weighing the
value of existing educational pro-
grams, as he maps his recommen-
dations for revision of the public
school finance system.

LEADERS CHALLENGED —
One of the top leaders in the Na-
tional Democratic Party was in
Austin last week. That's a unique
political position for a head of the
nation's largest corporation.

C. Peter McCollough, chairman
of the board of Xerox Corporation,
told top business executives in the
capital city that social problems
in the United States have become
problems of business and industry
and challenged the Austin leaders
to quit treating symptoms of prob-
lems instead of causes.

Businesses must become less re-
sistant to change. American insti-
tutions must examine all funda-
mental values in the 1970s and
establish a new framework to come
to grips with new problems.

EDUCATION STUDY ORDER-
ED—The State Board of Educa-
tion agreed to go along with Gov-
ernor Briscoe's request for a com-
plete restudy of the school sys-
tem after some griping that the
job already had been done.

Some board members claimed
they had gone over the system
with a fine-toothed comb since the
initial Rodriguez case decision in
1971 faulting present finance
methods for public education.

Briscoe, meanwhile, said he isn't
asking for "just another study."
What is needed, said Briscoe, is
to determine the fair market val-
ue of each school district. A fun-
damental change, he insisted, is
necessary in methods of evaluat-
ing wealth of a district. There
will, pledged the Governor, be no
sacred cows in his coming study.

"It would be unfair to commit
the people of Texas to another
spending increase measured by
billions without taking every step
to first correct the crumbling foun-
dation of public school finance,"
said the Governor.

COURTS SPEAK — The Court
of Criminal Appeals held the
state's 1967 law against incitement
to riot unconstitutional.
The State Supreme Court af-
firmed a Potter County commis-
sioners' decision that a dead man's

PLAIN TALK ABOUT ALCOHOL

by Rusty Jones, NTRCAAA

As the representative for the
North Texas Regional Council on
Alcohol Abuse and Alcoholism
(NTRCAAA) for this area, (Cot-
tle, Childress and Foard Counties)
I will be publishing some articles
in the local papers occasionally
on ways of fighting the disease of
alcoholism. Alcoholism was recog-
nized as a disease by the Ameri-
can Medical Association in 1956.

We are solely concerned with
the control and prevention of al-
coholism as a disease. Our primary
purpose is the prevention of al-
coholism through public informa-
tion and education. Virtually all
illnesses are easier to bring under
control during their early phases.
Among our many activities, the
NTRCAAA presents programs,
seminars, radio, and television pro-
grams and, of course, the newspa-
pers. We are a specialized service
and do not duplicate the functions
of any other agency.

If your group, club or organi-
zation desires more information,
we are available to give lectures,
show films, have a workshop, or
whatever fits the occasion. The
greatest drug problem confronting
the nation today is alcoholism.

If you are an employer and
have one or more employees with
drinking problems, we would like
to work with you on this. Alcohol-
ism cost U. S. business \$4.3 billion
annually. The cost of alcoholism
in Texas exceeds \$100 million an-
nually.

If you yourself have a drinking
problem or have someone in your
family or just someone you love,
we have information and educa-
tional material available for you.
Almost everyone has something to
contribute to alleviate alcoholism,
a huge, complex, but treatable,
problem.

All or any of our services are
available to anyone on a personal,
confidential, no charge basis. Come
to my office located in the Veter-
ans Building, Paducah, Texas, or
write Box 142, or call the office
806-492-3612 or my home 806-
492-3157. Or if you prefer, in Chil-
dress I can be contacted through
the Outreach Center, Ann Cates,
Director, phone 817-937-3644, or
in Crowell, the EOAC office, Fel-
ix Taylor, Director, phone 817-

Our services are offered through
a special grant of federal, state,
and local governments, as a means
election ballot.

AD OPINIONS — A person un-
der probated sentence, for viola-
tion of narcotics laws can be
granted another probated sen-
tence for a later felony violation
of the same act, Atty. Gen. John
Hill held.

In other recent opinions, Hill
concluded:
* School districts should receive
their pro rata share of any county
permanent school fund distribu-
tion based on their resident schol-
astics of free school age. The
money does not alter entitlement
to state funds.

* The Department of Mental
Health and Mental Retardation
cannot use appropriated funds to
pay back wages to employees un-
lawfully terminated under discrim-
inatory practices rulings, but legal
adjustments can be made.

* There is no authorization for
a pawn transaction in excess of
\$2,500.

* Commissioners courts may
authorize payments of accrued va-
cation time and other earned com-
pensation but may not authorize
payment at death of other bene-
fits not previously earned or ac-
crued.

* A person who owns the land
at the time an oil well is abandon-
ed is the legal "landowner" liable
for cost of plugging if operators
do not fulfill their obligations.

INSURANCE RATES REDUC-
ED—More than half Texas' fire,

ers insurance companies are now

Letter to Editor
Dear Bill and Gang, Howdy,
I just finished reading the Foard
County News and I must congrat-
ulate the new Methodist Minister
on his stand about Crowell in the
June 7, 73, article, on the front,
left, page. It's about time some-
one woke up the community to
the reality of grow or die. I say
BRAVO to him.

I was born there and love the
place, but as many young people,
I left, simply because there was
no jobs to offer a living . . .
Thank you,

of making available on a local
basis, information and educational
facts and help with the problems,
treatment and prevention of al-
cohol abuse and alcoholism to the
smaller towns. We are not a part
of or connected with Alcoholics
Anonymous, or any other group,
club or agency. In some cases, we
do refer to these organizations,
and have information about them
that we are glad to pass on to any-
one interested.

What Is An Alcoholic?
He is one of 8 million Ameri-
cans whose drinking interferes
with his daily life.

**Myth: Alcoholics are skid row
bums!**
Tragically, for those afflicted,
the word "alcoholic" has become
almost synonymous with words
like derelict, bum, tramp, degener-
ate, drunk, etc., in the minds
of many people. When the word
"alcoholic" is mentioned, imme-
diately a mental picture forms of
what has been considered as being
"typical"—the skid row habitue.

Practicing ministers, doctors,
teachers, business executives, law-
yers, men and women from every

walk of life, from the rich to the
poor, were among the hundreds of
alcoholics seen, counseled and
treated in Texas hospitals last
year.

There is no such thing as a
"typical" alcoholic and if you are
looking for a typical example of
a person suffering from the dis-
ease alcoholism, the place to look
would not be skid row. It is esti-
mated that less than three per
cent of the total alcoholic popu-
lation in this country are found
on skid row. Further, it is believ-
ed that no more than 15 per cent
of those living on our nation's
skid rows are alcoholics.

If a description of the alcoholic
is needed, look around you in your
daily working or social situation
for clues. Statistically, he is usu-
ally a "skilled or semi-skilled per-
son, varying in age between 35
and 50, has been employed in the
same place at least seven years, is
married, owns his own home, and
usually has two or more children."
You need not look for him on skid
row, he can be found in your own
community. He won't look any dif-
ferent than anybody else.

SISTER MARY MARGARET

Sister Mary Margaret O'Connell, Native of Crowell, Died June 10th in Dallas

Sister Mary Margaret O'Connell of the Sisters of St. Mary, registrar of the University of Dallas since its inception and a key planner in the founding of the University in 1955, died in a Dallas hospital Sunday, June 10, after a lengthy illness. Services were arranged by harness and Cole in Fort Worth and were held at Our Lady of Victory Convent in Fort Worth. Sister Mary Margaret lay in state at the convent Tuesday afternoon and evening. Recitation of the rosary was at 8 p. m. Tuesday, and the Mass of the Resurrection was held at 10 a. m. Wednesday at Our Lady of Victory Chapel. Burial followed at Mt. Olivet Cemetery, Fort Worth. Born in Crowell, Texas, August 25, 1912, daughter of the late Mr. and Mrs. M. O'Connell, Sister Mary Margaret is survived by a brother and sister-in-law, Mr. and Mrs. Brian T. O'Connell, Sr. of Copeville, and by a nephew, Brian T. O'Connell, Jr. of Gar-

land. A graduate of the Academy of Mary Immaculate, Wichita Falls, she entered the community of the Sisters of St. Mary in Fort Worth in 1931 and professed her first vows in 1933. After receiving her bachelor's degree from Our Lady of Victory in 1935, Sr. Mary Margaret taught high school at the Academy of St. Xavier in Denison, the Academy of St. Ignatius, and Our Lady of Victory high school, both in Fort Worth. Sr. Mary Margaret received her masters degree at the Catholic University of America in 1945, and in 1950 was named principal of Our Lady of Good Counsel high school, Dallas, now Bishop Dunne high school. In 1952, Sister Mary Margaret became academic Dean and instructor of history at Our Lady of Victory College, and came to the University of Dallas as registrar and instructor of history in 1955. Sr. Mary Margaret belonged to numerous professional organiza-

Salvation Army Fund Drive to Begin on Wednesday, June 27th

The Salvation Army annual fund drive will begin June 27 at 8 a. m. with a breakfast at the community center for all captains and workers. County Judge Leslie Thomas, local service unit chairman, stated that Mrs. Randy Adkins will be this year's campaign chairman. The money raised during the

campaign will be used locally to help the less fortunate to help themselves. This aid will be given in the form of groceries, clothes, shoes, medical aid, dental aid, rent, utilities or any other aid deemed necessary by the local committee. Part of the money is used to support the following state agencies: home and hospital for unwed mothers, home for elderly, summer camp for boys, rehabilitation centers for alcoholics and disaster services. Mrs. Adkins asks the aid of all citizens of Foard County in this drive in order that the local committee can continue their very worthwhile work. In addition to Judge Thomas, the local committee consists of Henry Black, vice chairman; Mrs. Virginia Whately, treasurer; Sheriff Emmett Howard, welfare secretary; Charles Branch, Mrs. Lorraine Carter, Mrs. Betty Eddy, Mrs. Elton Carroll, Mrs. Adkins and Ray R. Shirley, members.

Letter to Editor

Dear Bill, Enclosed you will find a check for \$5.20. Please renew my subscription to The Foard County News.

I want to thank you very much for the way the News was so regularly sent to us.

We shall always have a place in our hearts for Foard County. Our years of residence in Crowell are the most fruitful and rich time of our life. Therefore, I do want to keep in touch with news of our old friends and hometown.

Thanking you again for the prompt delivery of your paper, and hoping all is well in Foard County, I remain as ever, Sincerely,

Mrs. Fred Wehba.

She was also a member of the American Historical Society, the Catholic Historical Society, and the American Association of Collegiate Registrars and Admissions Officers. In addition to flower and Mass donations, the Sisters of St. Mary have suggested contributions be made to the Sister Mary Margaret Memorial Scholarship Fund at the University of Dallas. She was a niece of S. H. Ross of Crowell and W. T. Ross of Matador.

Record Northern Pike Landed at Lake Greenbelt

Gayle Cornelius of Hereford wrote a page in the Texas State Fish Record book back on April 20 when he landed a 15-pound northern pike from Greenbelt Reservoir near Clarendon. The fish was 37 1/2 inches long and 17 inches in girth.

The previous northern pike record was a 13-pound fish caught from the same lake in 1971. Native to northern climes, pike have been imported to Texas to supplement local predator fish such as largemouth bass.

Anglers throughout the South and West where pike have been introduced have welcomed it for its sporting qualities. Also, no species of fish has inspired more fables than the pike. The fish's malevolent eye and underslung jaw grimly taking a lure has caused many an angler of old to wax a little poetic about his catch.

Anglo-saxons compared it to the ancient weapon, the pike, hence the name Esox lucius, the pitiless pike. Its baleful eye and tail-drooping posture caused ancients to identify it as Luce, the waterwolf.

Mystery has always been an important part of fishing and the sudden arrival of a big pike is enough to set the most stable of imaginations to work. But there is no mystery about Cornelius' 15-pounder, and he'll vouch for all the stories about the pike.

Studies have indicated that extremely underinflated tires might be a contributing factor in dangerous "cross over" accidents on the highway. Drivers should maintain proper inflation less they wish to risk becoming a contributing statistic for further accident research.

Dallas Man to Speak at Vernon Church

Drug abuse can be healed through finding one's highest serenity, Thomas O. Poyser, C. S. B., will tell an audience in Vernon Monday, June 25. Mr. Poyser is a Christian Science lecturer and teacher from Dallas. He will speak at 8 p. m. in the First Church of Christ, Scientist, 1825 Lamar Street, Vernon. His lecture entitled "How do you view yourself?" is open to the public without charge.

Joel Wilson of Abilene Is Rotary Speaker June 13

"Nothing to see in West Texas" was a remark that Joel Wilson of Abilene made to his camera with him and otherwise. Mr. Wilson, an employee of West Texas University, was the speaker at the Rotary Club luncheon and showed slides of pictures he had taken in West Texas—all in all and all beautiful—showing animals, flowers, churches, towns and many other beautiful sights. All but two of the pictures were taken in the West Texas area. He was introduced by Mr. and Mrs. W. D. Reed, who were serving by Rotarian Cecil Davis, manager of the local WTU office. Rotary President Bill Bell presented a letter from the girls' group at Abilene thanking the Rotary for sponsoring the girls' group. Visitors in addition to Mr. Wilson, were Miss Sharla Hays, former club sweetheart, and Mr. and Mrs. E. C. True, Al Reed, Kenneth Coleman of Vernon, and Jack Welton.

Worms Slowing Mesquite Control

Cutworms are hampering mesquite control operations in Foard County, says a range and weed control specialist from the state extension service. The insect is stripping mesquite trees of their foliage, thereby making spraying programs ineffective. An alternate method of mesquite control should be considered when more than 10 per cent of the mesquite plants have been affected by the worms.

Farmcast
A Weekly Report Of Agri-Business News
Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

A Close Look . . . Energy Crisis . . . Sheep and Lamb Feeding On Increase . . . Red Meat Production Declines.

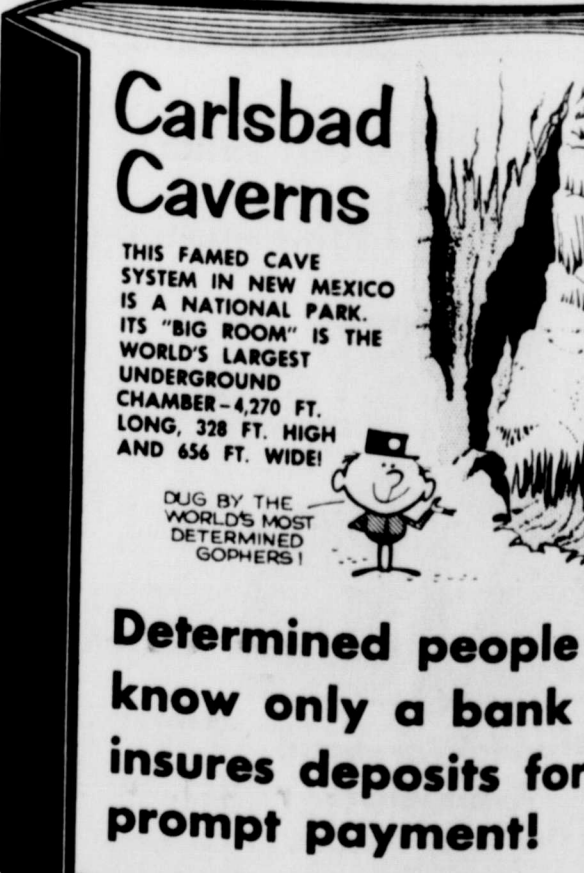

Take a close look at all those glowing reports about increasing farm prices and you might be surprised. The latest average price report for Texas farmers, for example, shows that only three commodities are above parity. Earlier this year, a half dozen commodities were above parity. But even that is negligible when you consider the fact that more than 200 agricultural commodities are produced in Texas. Those three commodities which are above parity (as you might have guessed) as of May 15 are beef cattle, calves, and sheep. Beef cattle average price was \$44.80 compared to parity of \$42.30 per hundredweight. Calves averaged \$58.70 compared to the parity of \$51.20. Sheep averaged \$14.40 per hundredweight compared to the parity of \$11.90. Everything else is below parity. Eggs averaged 56.4 cents per dozen while parity is 60.5 cents. Turkeys, even though they are up two cents per pound from last month are still 3.3 cents per pound under parity. Cotton still shows the biggest disparity. Average price as of May 15 was 27 cents per pound while effective parity is 62.46 cents per pound. Wheat price average declined two cents per bushel from a month ago to average \$2.18; grain sorghum averaged \$2.85, which is nine cents above the previous month.

FUEL supplies for agriculture throughout the state appear to be getting tighter. Reports of shortages are no longer confined to most of the wheat areas. Some counties in Central and East Texas are reporting no fuel available. If you run out of fuel for agricultural purposes, you are requested to let your county Agricultural Stabilization and Conservation Service office know, or you can contact the Texas Department of Agriculture. Plans then will be made to see to it that agriculture producers do not run out of fuel for agricultural purposes.

SHEEP feeding is on the increase in Texas. Marketings during May were 45,000 head, which was 5,000 head above the intended marketings earlier indicated. Current intentions to market are: June 46,000, July 54,000 and August 11,000. July and August intentions are incomplete, however. Drylot sheep feeders with a lot capacity of 2,000 head or more had 111,000 sheep and lambs on feed for slaughter as of June 1, the Texas Crop and Livestock Reporting Service notes. This is 28 per cent above the number on feed a month earlier and eight per cent above the number on feed June 1 of last year. Placements during May totaled 69,000 head with a total of 10 feeders reporting 1,000 or more head on feed June 1.

COMMERCIAL slaughtering plants in Texas produced 155,000,000 pounds of red meat during April. This is 17 per cent below the previous month and 12 per cent below the 176,300,000 pounds produced in April of 1972. Nationwide, red meat production is down 12 per cent from a year ago. Reasons for the decrease include the late winter and early spring freezes and narrowing margins of profit. Red meat production in Texas during the first four months of this year is 707,400,000 pounds.

Crowell Band Students Attend Camp Last Week at Seymour

A total of 29 Crowell band students attended the 5-day SMOCK band camp in Seymour last week. James Streit, local band director, was one of the instructors for the camp, and he also drove the bus taking the Crowell students to and from the camp each day.

Other towns participating were Seymour, Munday, Olney and Knox City.

The camp was culminated Friday afternoon by a concert by the bands and a twirling exhibition by the girls enrolled in that phase.

Scott Streit of Crowell received a trophy for being one of the outstanding students at the camp. Scott was first chair trumpet player in the No. 1 band. Jan Brown, daughter of Mr. and Mrs. Joe Don Brown, received a trophy for being first chair trombone player in the No. 1 band, while Jonna Naylor, daughter of Mr. and Mrs. Duane Naylor, received a first chair trophy as she was first chair French horn player in the No. 2 band.

Cotton Insect Report on County Given by Area Entomologist

Cotton planting has been completed or is near completion in Foard County. Emory P. Boring, area entomologist of Vernon, says in his Rolling Plains Insect Report No. 3, and he added that moderate to heavy infestations of thrips were reported from fields in Foard County.

Boring says that salt marsh caterpillars are causing damage to cotton on the margins of fields in this county, also.

Five New Vehicles Registered in Foard County Last Week

Five new vehicles were registered here last week, as follows: June 12, Jack McGinnis, 1973 Oldsmobile 4-door; June 13, J. A. Garrett, 1973 Chevrolet pickup; June 14, Juanita L. Gafford, 1973 Plymouth 4-door; June 14, James A. Welch, 1973 Chevrolet pickup; June 14, John P. Cogdell, 1973 Ford pickup.

Card of Thanks

We wish to express our appreciation to Dr. Stapp, all the sweet nurses and the girls in the office for taking such good care of Frankie while he was in the hospital. Especially do we thank everyone for their prayers, cards, gifts, flowers and visits. A "special" thanks goes to our good neighbors who planted our cotton. We are so fortunate to live in a community such as Margaret with all its wonderful people.

INDEPENDENCE DAY JULY 4, 1973
Psalms 33: 12-22 from The LIVING BIBLE
 Blessed is the nation whose God is the Lord, whose people he has chosen as his own. The Lord gazes down upon mankind from heaven where he lives. He has made their hearts and closely watches everything they do. The best-equipped army cannot save a king—for great strength is not enough to save anyone. A war horse is a poor risk for winning victories—it is strong but it cannot save. But the eyes of the Lord are watching over those who fear him, who rely upon his steady love. He will keep them from death even in times of famine! We depend upon the Lord alone to save us. Only he can help us; he protects us like a shield. No wonder we are happy in the Lord! For we are trusting him. We trust his holy name. Yes, Lord, let your constant love surround us, for our hopes are in you alone.

Miss Garrard and Robert O. Walker United in Marriage

Miss Paula Ann Garrard of Quannah became the bride of Robert O. Walker of Crowell at 6:30 p. m. Friday, June 8, in the home of the bride's parents in Quannah.

Vows were repeated before the fireplace decorated with yellow daisies, white gladioli and greenery. Officiating for the double ring rites was Rev. Warren Everson, pastor of Bethel Church in Crowell.

The bride is the daughter of Mrs. Emmitt Dial of Quannah and the groom is the son of Mrs. Norman Hopper of Crowell.

The bride was attired in a street length white empire dress of double knit designed with short puffed sleeves and rounded neckline. Her short veil of bridal illusion fell in tiers from a satin crown. She carried a bouquet of yellow and white daisies with yellow and white streamers.

Miss Charlotte Walker of Crowell, sister of the groom, served as maid of honor. She wore a yellow knit empire dress with long sleeves and rounded neckline. She carried a bouquet of yellow daisies with yellow streamers.

Serving the groom as best man

was Mike Clifton of Altus, Okla. For her daughter's wedding, the bride's mother wore an orange A-line dress with bone accessories. The groom's mother wore a brown A line dress with white accessories. Each wore a corsage of yellow and white daisies.

A reception was held following the ceremony, hosted by the bride's family.

The wedding table was covered with a white lace cloth, which held a three-tiered cake frosted with white and decorated with yellow roses and topped by the traditional bride and groom. Mints, nuts and pink punch were served.

Mrs. Jackie Platter, sister of the bride, served the wedding cake and Miss Cec Culver served punch to the family and guests.

Miss Christine Walker, sister of the bridegroom, presided at the guest register.

After a short wedding trip to Arlington and Big Spring, the couple are at home at 516 Foard Street in Crowell.

Pre-Nuptial Courtesies

Mr. and Mrs. Walker were honored with a miscellaneous shower June 1 at the Security National Bank in Quannah. Hosts were Margie Aaron, Cec Culver, Linda Green, Robin Jenkins, Sue McClery, Vicki Smith, Jean Welch,

MR. AND MRS. ROBERT WALKER

Shirley Wilkerson, Willie Marshall and Kenneth Bookout.

FHA Girls Attend Meeting June 12 in Stephenville

Miss Remelle Marlow, Historian for Area IV, FHA, Miss Jacquelyn Brown, local FHA Encounter chairman, and Miss April Werley, local projects chairman, attended an Area FHA planning meeting in Stephenville June 12.

While there, the girls met in small groups to discuss and plan all phases of FHA work for this area for the coming year.

Remelle also met with other Area IV officers to make plans for attending the National FHA meeting which will be held in Dallas July 9-13.

The girls were accompanied to Stephenville by Mrs. Mary D. Brown, FHA advisor and home-making teacher.

Family Reunion

The women entertained their husbands and children at a barbecue dinner held at the Halencak picnic grounds Father's Day.

Six birthdays were also celebrated: Frankie Halencak and his daughter, Lisa, of Margaret, Raymond Halencak and his daughter, Lucretia, of Wichita Falls, Nile Bryant of Floydada and Wesley Halencak of Margaret. Each had a birthday cake, happy birthday was sung and pictures were taken. Also, games were played during the afternoon. Some went swimming.

Frank Halencak, Sr. of Margaret was surprised to see one of his sisters, Mrs. Timmie Slovak, whom he hadn't seen in over 15 years. She and her late husband, Anton Slovak, used to live in the Black community. Mr. Halencak has another sister, Mrs. Charley Matysek, of Vernon, and one brother, Charley Halencak of Dumba, Ca.

Those attending Sunday were Mr. and Mrs. Frank Halencak, Sr., Mr. and Mrs. Frankie Halencak, Jr. and family, Mr. and Mrs. B. J. Halencak and family of Margaret, Mr. and Mrs. Bill Micol of Woodlake, Calif., Mr. and Mrs. Anton Kubicek, Mr. and Mrs. Lonnie Halencak and Jimmy of Rayland, Mr. and Mrs. Raymond Halencak and daughter of Wichita Falls, Mr. and Mrs. Nile Bryant and daughter of Floydada, Mr. and Mrs. Richard Kubicek and Lynn, Mr. and Mrs. Johnnie Halencak and daughter of Vernon, Mrs. Timmie Slovak of West, Texas, Mr. and Mrs. Fred Gerik and family of Grand Prairie, Mr. and Mrs. Billy Walkup of Altus, Okla., Miss Debbie Coffey of Wichita Falls, Mike Clifton of Crowell, Billy Bond of Margaret, and Mr. and Mrs. Adolf Kubicek and daughter of Vernon.

STATEMENT OF NON-DISCRIMINATION
Santa Rosa Telephone Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, or be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals to be subjected by this organization to discrimination prohibited by Title VI of the Acts and the Rules and Regulations issued thereunder may, by himself, or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 90 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations. 50-1tc

American Farm Products . . .
"The American farmer is getting too little commendation for it, but economists are pointing out that agricultural products are fast becoming, or already are, the only thing which the United States can produce as cheaply as it is produced elsewhere in the world—free or otherwise. It's a peace factor, too. More than our armaments, our food, and their need for it, are believed by some observers to have kept China and Russia out of the Vietnam War."—Redwood Falls, Minn., Gazette.
When going on vacations this summer, motorists are reminded their car's tires are designed to take a maximum load limit. The limit—note on the tire's sidewall—should never be exceeded when loading up for the long trip ahead.

Card of Thanks
For the loving care given in the hospital, for the prayers, cards, flowers, food, for the love and concern and words of comfort from lovely friends, for the gifts made to the Memorial Fund at the First United Methodist Church, for the delicious meal so graciously served at the First Baptist Church, for each and every act of kindness shown in the passing of our loved one, we are truly grateful.
