FOURTH YEAR

NUMBER 8

ENDS IN BLACK

School Board Okays Budget

The school board, in a meeting Monday night, adopted a budget for the year which will leave a surplus of \$32,866.

expected to conclude the current year in the black with a surplus of some \$10,000, which will carry over and cut the proposed deficit to about \$23,000.

The budget for the current year totaled \$345,963. The \$71,000 increase in the next year's budget is caused by the automatic increase in pay to teachers which will be coming up, the inflationary cost of all items used by the school, the purchase of two new buses during the year and many new windows which the school plans to buy and install during the coming year.

Included in the \$71,423 in administrative costs for the district are \$15,192 salary for Supt. Larry Jones, \$15,960 salary for Principal Gordon Erwin and \$13,970 for Principal L. H. Wall.

In other business the board agreed to purchase about 30 new desks which are needed in various classrooms of the school. Last year, the board hired a firm to paint the stadium at Dick Todd Field. The paint has not lasted, it was reported, and the firm agreed to redo the stadium with another type paint.

Board members okayed a list of athletic passes for the year, and also employed Mrs. Martha Brock, wife of local teacher and coach, Carl Brock, for computer and paper work in the office of the school secretary, Mrs. Brock will be employed on a half-day basis for about 240 days a year.

Supt. Jones reported that the school will again be sponsoring a licensed vocational nurses school which is set to begin September 6.

He also reported enrollment at the current time is 486 pupils, which he said is about the same as this time last year. The school, he said, finished last year with an average daily attendance of 500.

John McAlister Being Transferred to Florida

John McAlister, district conservationist with the local Soil Conservation Service office for the past eight years, is being promoted by the SCS and is transferring to Lake City, Fla. Mr. McAlister will be SCS project coordinator for the Suwannee River Resource, Conservation & Development (RC&D) project. Lake City, a city of 12,000 people, is located in Northern Florida. The Suwannee RC&D, which has been approved for funding, covers some 5 counties and 2,062,080 acres.

Mr. McAlister will be assisting in the various projects which have been approved in the program.

In addition to serving eight years as district conservationist here, Mr. McAlister served as interim coordinator for the Four Winds RC&D project from October 1968 until February of this year.

During his eight years here, McAlister said his work in assisting in securing the Copper Breaks State Park for the area, and work in planning the Four Winds RC&D have given him the most pleasure and satisfaction. In addition to this work, he has also given Foard County farmers valuable assistance in their conservation efforts. He also has been an active member of the Lions Club during his stay in Crowell.

An 11-year employee of the Soil Conservation Service, McAlister is a graduate of East Texas State University in Commerce. He and his wife, Linda, have one daughter, Tracey, 12, who will be a seventh grader this year.

The family will be moving on Friday, August 23, with the effective date of the transfer being August 26.

Thomas Shinn will serve as acting head of the local SCS office until a replacement is named.

DOUGLAS CHOWNING

Douglas Chowning Takes Training

Cadet Douglas M. Chowning, son of Marion Chowning Jr., Truscott, Tex., learned the fundamentals of military leadership at Ft. Riley, Kan. He attended the advanced ROTC course which began June 14 and ended July 26.

During the intensive six-weeks of training he was confronted with practical exercises that will groom him for his duties as a second lieutenant in the army. The encampment also provided an opportunity to practice the theories he learned in the classroom during his past years in the program.

Chowning, a student at Texas Technological University, Lubbock will be commissioned upon completion of the program.

Persistent Grass Fire Is Extinguished

A persistent pasture fire last Thursday kept the members of the Crowell Volunteer Fire Department busy most of the afternoon.

Fire Chief Leonard Tole said Friday the tall dry grass and

Crowell Dairyman Is Speaker at Meeting

J. M. Parker, owner and operator of a new dairy in Crowell, was the speaker at the Rotary Club meeting of Wednesday, August 14.

Mr. Parker has his dairy located north of Crowell on what is known as the Hodge place. He started with 85 cows and now has over 90 on the 72-acre tract. He said he began operations about 3 months ago, and with the price of feed up and the price of milk down, he wondered aloud if it was a very good time to go into the dairy business.

Mr. Parker's father was in the

dairy business for 19 years in Wise and Montague counties.

He has built his dairy buildings here himself with the assistance of some day labor, and calls his milking facilities "the most efficient I could have built." He says he could milk as high as 500 cows, should the business grow to that extent. He said his plant, which he is presently using to milk three cows at a time, is "not complete, but is operational."

Citing the importance of the proper feed for dairy cattle, Parker said 75% of milk production is derived from feed. Calling milk cows efficient manufacturers, he said for every 40 pounds of feed per day fed, 40 pounds of milk should be produced. He added that he was not doing that well at the present time with his herd. About 20 pounds of alfalfa and 20 pounds of concentrated feed are fed each cow every day.

He said this section was ideally located for dairies, as land was moderately priced when compared to that near big cities; alfalfa is readily available nearby, as well as grain.

Parker said visitors are welcome at the dairy, except in the milking room when the cows are being milked. He said that they are frightened easily. He enters them into the milking barn by the use of concentrated feed. He said that when he added some water troughs to one of the pens, it took the cows three days to become accustomed to the new watering troughs.

Parker has refrigeration facilities for the milk and a milk transport truck picks up his product every other day.

He was introduced by Rotarian Marion Crowell.

Recently added as new members of the Rotary Club are Don Bill Statser and Jerry McLain.

Hot, Dry Weather Continues

After a brief flurry of showers about ten days ago, hot dry weather returned to Foard County last week, and extremely high temperature readings are recorded every day.

The county continues to be in urgent need of moisture.

Anderson New Assistant Coach at Olney H. S.

Jerry Don Anderson, teacher and coach in the Crowell school system last year, has been employed as assistant football coach at Olney High School. Mr. and Mrs. Anderson and two sons, Russell, and Kenneth, have moved to Olney.

Mrs. Anderson was employed here in the clerical department of Crowell Cap Co., Inc.

ONE NEW VEHICLE

One new vehicle was registered here last week; August 15, Ricky Hammonds, 1974 Ford 2-door.

Tell Us About Your College Student

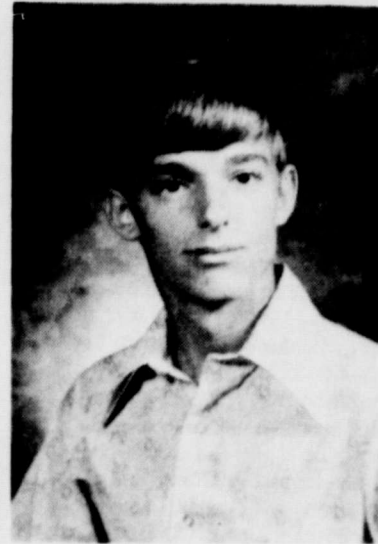

With the beginning of the local schools last week, colleges across the country will also be beginning their fall terms shortly.

As is usual in the fall, the News wants to publish a list of Foard County and Truscott students who are or will be attending college this fall.

If you have a college student in your family or know of someone who will be going away to college soon, call us today at 684-4311.

DEBRA MCDANIEL

KEITH MCDANIEL

Brother and Sister Listed in Who's Who

A brother-and-sister pair from Crowell have been named for the 1973-74 Who's Who Among American High School Students. The two are Debra and Keith McDaniel, daughter and son of Mr. and Mrs. Charlie McDaniel of Crowell.

Debra is a 1974 graduate of

Crowell High School. She was treasurer of the senior class, senior class favorite, secretary of FHA and corresponding secretary of the Sub-Junior Adelpian Club. She was also named to the same Who's Who list in 1972-73. Debra plans to attend Clarendon College in September.

Keith is a senior in Crowell High School this year where he is a member of FFA and the Crowell Wildcat football team.

Debra and Keith are members of the First Baptist Church of Crowell.

Who's Who Among American High School Students is the largest student award publication in the nation. Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than 3% of the junior and senior class students nationwide are awarded this recognition.

MOVES HOUSE TO CROWELL

Mrs. F. A. Traweek, long-time resident of the Foard City community, has had her home moved to Crowell on a lot she purchased in the north part of town.

Crowell LVN School Set to Begin Sept. 6

Although it was believed that Crowell had lost its vocational nursing school, another has been scheduled to begin Friday, September 6.

The Nortex Regional Planning Commission has placed an ad in this week's edition of the News seeking enrollees for the new school.

A total of twenty-six men and

women can enroll in the school, and the ad appearing on page 6 tells interested persons where to apply for enrollment.

Sgt. Bob Posey and Family Visiting Here

S-Sgt. and Mrs. Bob Posey and sons, Timmy and Keith, are here for a two-weeks visit with Sgt. Posey's parents, Mr. and Mrs. Bill Posey.

Sgt. Posey is a member of the U.S. Marine Corps and has been stationed in Hawaii for the past three years. He is a seven-year veteran of the Marine Corps.

The family will be going to Beauford, S.C., where Sgt. Posey will be stationed at the Marine Corps Air Station.

Gilliland Plans Reunion on September 1st

The Gilliland community homecoming has been scheduled for Sunday, September 1. Mrs. Arthur Horne announced last week.

Residents and former residents of the community are invited to attend and bring a basket lunch.

"Everyone has an invitation to come be with us and renew old acquaintances," Mrs. Horne added.

Annual Reunion Slated at Wesley Park

The annual reunion of the descendants of Henry Baker, their friends and relatives, will be held at the reunion grounds at the Wesley farm on Mule Creek August 30 through September 2.

This is the fortieth annual reunion and many complete family groups are expected. Thomas Ross of Flomot is president and Walter Bryan of Houston is vice president in charge of the program.

Mrs. Carmon Welch Gets Masters Degree

Denton, Texas (Spl.)—The Texas Woman's University held its annual Summer Commencement program Saturday, Aug. 17, awarding bachelor's, master's and doctorate degrees.

Recipients and their major fields of study included Mrs. Carmon L. Welch of Crowell, who received a M. Ed. degree in Special Education.

Mrs. Welch is entering her 28th year of teaching, 18 of which have been in Crowell. She received her bachelor of science degree in home economics in 1940 from Texas Woman's University.

Her major for her master's degree was Master of Education in Special Education with a major in the education of the emotionally disturbed and also as an educational diagnostician.

Fair to Have Tractor Pullers Contest

The West Texas Fair has signed a contract with the Southwest Tractor Pullers of Fort Worth to provide the equipment and supervision for a two-day tractor pull. The event will take place during the annual West Texas Fair on the afternoon of September 7 and 8.

At a meeting last week, Harold Nixon, Abilene John Deere dealer, was appointed overall chairman of the pull. Committee chairman for the event are Harry Holt, Leland Robinson, Bill Godsey, and Bill Patton.

Sam Hill, president of the West Texas Fair, attended several pulls in the Southwest before reaching a decision to have one this year. Mr. Hill said, "We believe that this exciting farm-oriented sport will add to the many attractions our fair has to offer. We urge local tractor owners to join the sport in special classes for them." He stated also that pullers from all over the Southwest will compete for over \$2,000 in purse money.

Wins Last Three Games

Jim Christopher reports that the Crowell softball team has won its last three games.

He added that the locals will be playing Thursday night at Quannah beginning at 8 o'clock and have a tentative date set for Paducah Saturday night.

Wildcats Will Go to Childress Friday

Coach Printiss Gidney will be taking his 1974 Wildcats to Childress Friday night for the first of two pre-season scrimmages. The contest is set to start at 7:30 p.m., Gidney said.

Including freshmen, Coach Gidney said that as of Monday he had a total of 54 boys trying out for football. Of this group,

some fourteen veterans are returning. Coach Gidney says. They are Chavelo Ranjel, Don Sparkman, Allen Tapp, David Bell, Dee Finley, Ernie Myers, Rocky Glasscock, Melvin Westover, Hal Williams, Richard Naylor, Ricky Hammonds, Nathan Frater, Randy Prince and Keith McDaniel.

Gidney's assistants this year are Daniel Field, Carl Brock and Russell Ryan.

Dr. and Mrs. John Binnion and daughter, Lee, of Cleveland, Ohio, are here this week visiting Mrs. Binnion's parents, Mr. and Mrs. Dwight Campbell. Dr. Binnion has served for the past year as National Command-

er of the Military Order of the Purple Heart of the U.S.A., and the Binnion family will be going to Denver, Colo., where next week he will be presiding over the national convention of the organization.

County Budget Hearing Is Monday

The annual budget hearing of the County of Foard will be held next Monday morning, August 26, in the office of County Judge Leslie Thomas, who prepared the budget for presentation to

the commissioners court. The meeting is scheduled to begin at 10 a.m., and all taxpayers of the county have the right to be present and participate in the hearing.

Lt. Danny Walling Now at Fort Hood

Army Second Lieutenant Danny L. Walling, son of Mr. and Mrs. R. L. Walling of Paducah, is assigned to the Second Armored Division at Fort Hood. He is the executive officer of Headquarters Battery of the Division Artillery.

His wife, Donna, lives at Temple.

Lt. Walling and his parents are all former residents of Foard County. He attended Crowell schools during the time they lived in the Vivian community.

POMONA, CALIF., PROGRESS BULLETIN: "Dog bites are costing the American taxpayer some \$400,000 a year and maybe more, says an 'urban ecologist'.

New Home Being Built for Carpenters

A new home is being built in Thalia for Mr. and Mrs. Tommy Carpenter and son, Tony. Orville Black is in charge of construction.

The new house is located between the Cecil Carpenters and Jake Wisdom homes north of the highway in Thalia.

WISC.,

14-inch Zenith color TV, only \$299.95.—Marion Crowell's Norsworthy Store. 48-ftc

Those visiting Mr. and Mrs. R. C. Johnson during the weekend were their children and grandchildren, Mr. and Mrs. Fred Priest and son, Tom, of Wichita Falls, Mr. and Mrs. Sam Gann and sons, Sammy and a friend, April Allen, and Mark and a friend, Mark Fay, of Fort Worth; Gordon Jones and children, Carrie and Kevin, of Garden City, Kansas.

Mr. and Mrs. Owen Ketchersid of Medicine Mounds visited Mr. and Mrs. R. C. Johnson Sunday.

Mr. and Mrs. R. P. Richardson of Fort Worth visited here last Friday with Rev. and Mrs. Warren Everson. Mrs. Richardson was born in the Vivian community and was a member of the Tanner and Tucker clans at Vivian.

Mrs. Frances Coker and three children of Dallas spent the weekend visiting in Crowell.

Mr. and Mrs. Aldon R. Garrett and daughters, Anna and Allison, of Houston spent Sunday night here with his parents, Mr. and Mrs. W. J. Garrett, en route to Colorado on a vacation trip.

Mr. and Mrs. Bud McLain returned home Saturday from a vacation trip. They attended the

NEED A SPIRITUAL LIFT?
You are invited to services at the **ASSEMBLY OF GOD CHURCH**

National Farm and Power Equipment Association's annual convention in Minneapolis, Minn., and visited many other interesting places en route to and from Minnesota.

Mr. and Mrs. Dave Briscoe and Clark Langford of Brownwood visited in Crowell Monday en route home from Lubbock where they visited Mrs. Myrtle Ballard.

Mr. and Mrs. Fred DeJarnett and children of Irving visited here recently with her father, D. C. Zeibig.

Mr. and Mrs. Larry Zirkle and daughters, Jamie, Jill and Laurie, spent last week here visiting Mr. and Mrs. J. T. Brooks en route home to Stillwater, Ok., after having spent the past few weeks vacationing in Colorado Springs, Denver, and the Pikes Peak area.

Mr. and Mrs. Johnny Mitchell, and children, Linda, Anna, Tommie, Max and Sam, of Denver, Colo., visited over the weekend with her mother, Mrs. A. W. Barker and other relatives.

Jesse Sowell of Arlington is here for a week's visit with his sister, Sally Sowell, Foard County Home Demonstration agent.

Mrs. Peggy Watson and sons, Jimmy, Keith, and Randy, of Broken Bow, Ok., returned home Wednesday of last week after spending several days here visiting their mother and grandmother, Mrs. Maudie Golden. They all spent Monday of last week with Mr. and Mrs. J. W. Golden, Jr. and children of Stamford.

Mr. and Mrs. J. W. Golden Jr. and children of Stamford visited here Sunday with his mother, Mrs. Maudie Golden, who is recuperating from a recent fall in which she suffered a broken arm.

Mr. and Mrs. Charles Pittillo and family visited last weekend with his parents, Mr. and Mrs. J. R. Pittillo, and other relatives and friends.

Mr. and Mrs. Chester Hughes, Mrs. Alice Bradford and Dawn spent last week in Mexico buying a truck load of Spanish imports.

Mr. and Mrs. Kerry Cash and Wesley of Truscott visited Mr. and Mrs. Joe Blacksher, Jodi Lynn and Hattie Jo, in Vinson, Ok., Friday and Saturday.

Rev. and Mrs. Grady Adcock of Lubbock were in Crowell Saturday afternoon attending to business and visiting friends. The Adcocks are former Crowell residents, he being a former pastor of the local Methodist Church. Their son, Stanley, who was a small boy when the family lived here, is now in the U.S. Navy stationed in the Philippine Islands.

Mr. and Mrs. Joe Blacksher of Vinson, Ok., are the proud parents of a baby girl born August 13 in Hall's Memorial Hospital. The baby, named Hattie Jo, weighed 7 lbs. She joins a sister, Jodi Lynn, age 5 years. The grandparents are Mr. and Mrs. J. W. Martin. Mrs. Martin has been staying with the Blacksher family for several days. She returned home Monday.

J. W. Martin, Don and Jamie, visited Mr. and Mrs. Joe Blacksher, Jodi Lynn and Hattie Jo, in Vinson, Ok., over the weekend.

Mr. and Mrs. J. T. Boaz of Lubbock spent last week here visiting Mrs. Boaz's sister, Mrs. Carl Wishon, and Mr. Wishon. Last Wednesday they all visited in Burknett with Mr. and Mrs. Mike Wishon and daughters.

Mr. and Mrs. Hunter Lambert of Quanah were Sunday visitors here with Mr. and Mrs. Carl Wishon.

Mr. and Mrs. Micky Copeland and son, D. in, of Altus, Ok., were weekend visitors here with her parents, Mr. and Mrs. Dee Adams, and family.

Mr. and Mrs. Lonnie Broadus and family of Calvert, Texas, visited Monday with his sister, Mrs. Foy McRae, Mr. McRae, Mr. and Mrs. Marion Gentry and Dirk. They were en route to Monmouth, Oregon.

Mr. and Mrs. Ross Mitchell and Marsha, of Plainview visited Tuesday with Mr. and Mrs. Foy McRae, Mrs. Avis Kennington, Mr. and Mrs. Marion Gentry and Dirk and Tommie McRae. Mrs. Kennington returned home with them for a visit.

Danny McRae of Lockett visited relatives here Tuesday.

Dr. R. L. Ballard is here visiting with his mother, Mrs. Dick Ballard.

Dr. and Mrs. Lowell Campbell and children, Dale and Dwane, Dr. and Mrs. C. D. Campbell and children, Chuck, Carolyn, and Chari, Mrs. Alma Hammer, all of Corsicana, Debbie Dickey of Richardson and Mr. and Mrs. John E. Binnion and daughter, Lee, of Cleveland, Ohio, were visitors of Mr. and Mrs. Dwight Campbell during the past week.

Meeting Set Sept. 8th

The Texas Fine Arts Association of Region 16 is planning a meeting on Sunday, September 8th at 3:00 o'clock at the Wichita Falls Museum and Art Center.

An invitation is extended to all the artists in this region to attend this meeting. It is hoped that artists from all over the region will be encouraged to participate.

Region 16 is composed of Archer, Baylor, Clay, Cottle, Foard, Hardeman, Haskell, Jack, King, Knox, Montague, Stonewall, Throckmorton, Wichita, Wilbarger, and Young.

At the meeting on Sept. 8th, slides of the National Competition Exhibit will be shown. All area artists are encouraged to attend.

HEMINGFORD, NEBR., LEDGER:

"Doctors have made almost a 180 degree turn from a couple of years ago when many of them were saying that marijuana was no worse than alcohol in its effects on the public...now they are saying the residual effects may last for years as to possible brain damage..."

LETTER TO THE EDITOR

-By W. D. McFarlane

(Editor's Note: The following letter to the editor appeared in the August 11 edition of the Graham News. The subject covered by the writer is an interesting one and Mr. McFarlane will be remembered by many Foard County residents as the Congressman from this district in the mid-30's.)

We have just witnessed the resignation of the 37th President of the United States and the swearing in of the 38th President. Both of these events we are told were witnessed by many millions of people throughout the nation.

We all realize how disturbing these so-called "Watergate Scandals" have been to all our people throughout our country. These scandals not only involved the break-in at the National Democratic Headquarters, but they also involve many law violations in the national election in 1972, as well as the last several elections both state and national.

These so-called election scandals don't just happen—they are brought about by the carefully planned operations of the well-financed "special interest" groups who have found through the years they can make many millions of dollars by such planned manipulations—in making campaign contributions to the candidates during the elections—as well as contributing to such officials throughout their terms of office for their services rendered. These so-called campaign contributions and expenses provided by these special interests are made to such candidates and officials at different times but never, never in substantial amounts except and until such people indicate in writing that they will support and vote for whatever legislation or project as desired by such "special interest" groups.

The operations of these special interest groups have increased by leaps and bounds for the past several years and elections—the big question is—what are we the voters and taxpayers of this country going to do about it?

As many of you know—I was elected as your local representative in 1922 and have had the honor and privilege of serving as your Representative (1923-27) State Senator (1927-31), and U. S. Congressman (1933-39). Since that time I have served as a Trial Attorney in the U. S. Department of Justice (1946-66). I have observed how these "special interests" have carried on their operations through their so-called "lobbyists" and by so doing have written many provisions into our laws (state and national) that have made them many billions of dollars and by so doing have not only tremendously increased our costs of government but such operations have shifted a large part of the tax burden from the wealthy to the low and middle income people. The last Congressional investigation I have seen shows that more than two of every 3 dollars collected by the Federal Government is collected from people with incomes of less than \$15,000.00 annually.

In 1925 during my service in the State Legislature I first observed the voting records of members and on questioning some of them on their votes for these "special interest" bills they replied "well, Mac, they contributed to my campaign and have helped me otherwise and I feel that I owe them something."

To correct this situation I have offered legislation state and national to give the voter at voting time the information needed to select the right official through legislation known as "Full Disclosure Legislation" that requires all candidates and officials to make timely reports under oath itemizing all income, assets, and liabilities, this information to be filed with the proper officials and open to public inspection at all times, with proper penalties for any violations. We haven't any such legislation now either state or national that isn't full of "loopholes" which thus protects such candidates and officials.

Last night on TV following the resignation of President Nixon several people including Honorable John Gardner Chairman of "Common Cause" a citizens lobby group recently organized to fight for the rights of the rank and file of the people of this country, pointed out the necessity for amending our election and other laws—as above pointed out—that discriminate against the rights of such people. Gardner and others urged that the people now insist Congress enact such laws during this session.

Isn't it about time we insist NOW that such legislation be enacted—state and national that will protect the people from this continued "shake down" racketeering. We should insist on correcting this situation NOW while this voluminous evidence is before us and much admitted wrongdoing is going on—otherwise it will continue and get worse—if this is possible.

Now is the time to act.

CARD OF THANKS

We want to thank the Crowell Volunteer Fire Department, the county personnel and other individuals who helped extinguish the grass fire at the Allee place southwest of Crowell Friday afternoon.
Guy Todd, Sr., Robert Kincaid, 8-1tp

CARD OF THANKS

We want to thank each and everyone of you for every call, flowers, memorials, cards, and your concern during the illness and death of our loved one, Annette McLean of Quanah.
May God richly bless each and everyone of you.

Sympathy flowers.

Should you give them?

While giving flowers in time of loss may seem like a very natural thing to do, it's an act that has absolute, positive and concrete worth, too. For one thing, sympathy flowers are an immediate expression of sympathy. If you've ever tried to write a sympathy letter, you know how difficult it is.

Secondly, sympathy flowers can have a positive effect on the bereaved. Psychiatrists say people who undergo great personal loss have to do "grief work." Or, they must work out—by themselves—past relationships, the present loss and what the future will be like.

Sympathy flowers are a basis for such "grief work." Because by actually helping to place the arrangements and by reading accompanying messages, people make tangible, positive efforts to honor the deceased, and build for the future.

Flowers also fill a very human need for sentiment. Sentiment isn't pure emotionalism, but it isn't the opposite of rational thinking, either. It's a complex set of ideas, feelings and instincts. And flowers can add to sentiment by creating a background of warmth, beauty and, above all, life.

There are other contributions sympathy flowers make. And they're all positive ones.

We can help you with all kinds of flowers. By designing a personal, thoughtful floral tribute. Or by even suggesting alternatives to the traditional sympathy arrangement.

So we hope that when you want to give a sensitive, positive expression of sympathy, you'll consider flowers. And that you'll consider us to help you with them.

the time to fill in those spots in your canning with jars of pickles, and other spicy pickled products add meals and snacks. The key to pickling is to get a good flavor through the jars or fruit; to keep an attractive color; and to pickles, especially to pickling remember to use fresh, high quality fruits

or vegetables. Select a variety of good shape, color, firmness, and keeping quality. In pickling cucumbers, peaches, or other fruits or vegetables whole, have them uniform in size. Then the pickling liquid penetrates and seasons them evenly.

Here are a few causes of pickling problems that you need to keep in mind when pickling. Soft or slippery pickles may be caused by using too weak vinegar, using too weak brine for curing, using cucumbers with blossoms attached. Dark pickles might be caused by minerals in the water, iron cooking utensils, ground spices, or cooked too long with spices. Some causes of spoilage include non-pasteurization, using ingredients that have deteriorated, or not using standard jars and new lids.

A recipe for dill pickles: to a layer of freshly gathered cucumbers put a layer of dill leaves and stems until the container is filled. Cover the mixture with a brine made of 1/2 cup salt to every gallon of water. At the end of one week remove the cucumbers from the brine and wash them. Place in glass jars and cover with following mixture: to 6 cupfuls water add 2 cupfuls vinegar, 2 cupful sugar and a generous amount of dill leaves. Boil together and pour while hot over pickles in jars. Seal while hot.

To make sweet pickle slices cut 2 large dill pickles into slices, about 1/8 inch thick. Place in quart jar and add 1 1/2 cup sugar; screw on lid. Keep jar in refrigerator. Once a day for 3 days stir pickles gently, using a wooden spoon. Presto, sweet pickle slices.

Rubber bands, most all sizes, only 19 cents per pkg.—News office.

County should be reminded of who the people are in this county who care about handicapped children and adults," Parker said.

Use of Wiretapping Is Explained by Director of the Texas Department of Public Safety

(EDITOR'S NOTE: In this third signature story, Colonel Wilson E. Speir, Director of the Texas Department of Public Safety, explains wiretapping from the viewpoint of better law

enforcement saying: "those responsible for stopping organized crime need additional legal weapons." The twelve stories in this series were developed by the Texas

Department of Public Safety through interviews with state law enforcement officials and representatives from the ten Texas Organized Crime Task Forces. Colonel Speir and

Attorney General John Hill co-chair the Texas Organized Crime Prevention Council who sponsored this public education program in conjunction with the Governor's Criminal Justice Council, the Law Enforcement Assistance Administration, the Texas Department of Public Safety, the office of the Attorney General of Texas, and local law enforcement agencies.)

BY WILSON E. SPEIR
Director, Texas Department of Public Safety

Wehba Enterprises Plans New Center

Oklahoma City—Wehba Enterprises this week announced plans to start construction of Tiffany Park, a new shopping center to be located on the southwest corner of 74th and South Walker. Ground will be broken in September with completion scheduled for late winter. Financing was obtained from Investors Diversified Services.

According to C. F. (Fred) Wehba, principal of the developer corporation, Tiffany Park is the first of three malls planned for Oklahoma City.

Others, Wehba said, are planned for Dallas, Austin, San Antonio and Houston. Mr. Wehba and his family operated and owned a grocery store in Crowell for many years.

Tiffany Park will be an enclosed mall of 120,000 square feet with 21 stores. The central attraction will be a 50,000 square foot "Superstore" featuring a broad variety of unusual food items and services.

A 70 seat restaurant, international foods center, kitchen boutique, full-time home economist, flower shop and camera corner will head the list of unique departments.

Other special features include a complete delicatessen, two meat markets, a full line of organic and gourmet foods, ice cream and candy shop, card and gift center, bakery, pharmacy and tobacco shop.

The decor, in keeping with the unique quality of the merchandise," Wehba said, "will be Spanish in character.

Burseys Attend Passion Play in Arkansas

Mr. and Mrs. Moody Bursey were in Eureka Springs, Ark., early last week to attend the Great Passion Play, presented 100 nights each summer on Mount Oberammergau at Eureka Springs.

The play portrays the life of Christ from Palm Sunday through the last week of His life on earth, concluding with the Ascension.

The play has a cast of about 500 persons, and is presented before a capacity crowd of 4,000 persons each night. Mr. and Mrs. Bursey also saw the Christ of the Ozarks statue on Magnetic Mountain at Eureka Springs. The seven-story high statue is the largest statue of Christ in North America and is comparable to the large statue of Christ in South America called Christ of the Andes.

the acceptance of responsibility, we can see positive results in our attempts to halt the increases in the number of traffic mishaps," Major Bell concluded.

Eight different ceiling levels plus carpeted and parquet floors will reflect different atmospheres for the various department settings.

"Our goal," he concluded, "is to create one of the most elegant centers and beautiful superstores in the country, yet be the leader in competitive pricing." Leasing information is available through Lawrence Heigler Realtors.

Operation Motorcade Being Planned

"It is indeed tragic that so many men, women and children will become victims of motor vehicle accidents this last holiday weekend of the summer when thousands of motorists traditionally take to the highways for an outing," Major C. W. Bell, Regional Commander of the Texas Department of Public Safety, said.

Bell said the DPS will use all facilities and personnel at its disposal in an effort to reduce the predicted death toll. A special "Operation Motorcade" will be activated at 6:00 p.m. Friday, August 30, and continue through midnight Monday, September 2. During this period, all uniformed DPS officers and equipment will be used on the highways to enforce traffic laws.

During the holiday period the DPS will tabulate each traffic death, and the totals will be announced three times daily in order to call public attention to the highway dangers.

"More people are killed in Texas each year in traffic than are killed in all the United States by murder and homicide," Bell continued, "and the deaths are just as senseless, as needless and as tragic, but not nearly as well publicized."

"Psychologists say that one reason the general public fails to take positive action in matters of traffic safety is due to a lack of personal identification with the problem. It might behoove all drivers in our state to stop and consider that they have less than a 50-50 chance to go through their driving career without being involved in a traffic mishap, or without incurring injury to themselves or one of their family. The more than 1,550 persons killed in traffic crashes on Texas streets and highways this year had no idea that they would be involved in an accident either."

"In the final analysis, traffic safety must rest on the shoulders of every person who gets behind the steering wheel of a car. With the proper attitude of alertness and with

CARD OF THANKS

We do not even know how to express our appreciation for the many kindnesses which you have shown to our mother during her long illness in the local hospital.

Every card, flower, visit, and prayer was deeply appreciated.

Dr. Stapp, the entire hospital staff, and Bro. Joe were wonderful; we want you to know that she loves you for it and so do we.

Mrs. Lester Ownbey and family.

Shaw-Shook Nuptials Solemnized

Cates.
For her daughter's wedding, Mrs. Shaw selected a formal-length gown of navy halter styling decorated with white ribbon trim and featuring a short-waisted matching jacket. Mrs. Shook chose a formal-length gown of apricot dacron styled with a bodice and sleeves of apricot lace enhanced by

rhinestones. Both mothers wore glamelia corsages.

Reception

Following the wedding ceremony, a reception was given in the home of Mr. and Mrs. E. J. Jones.

The bride's table held the traditional three-tiered white wedding cake decorated with white wedding bells.

Assisting with serving duties were Mmes. Fate McDougle, Stan Shook, Don Daniel and Kerry Cash and Misses Trena Cash, Ruth Brown and Jacquelyn Brown.

For the wedding trip to Oklahoma City, Okla., the bride wore a grey pantsuit complemented with red accessories. She also wore the orchid corsage from her bridal bouquet. Following the wedding trip, the couple will reside at 1602 Cedar in Wichita Falls, where they will be employed at the State Hospital.

The bride is a graduate of Crowell High School where she was active in FHA and served as an officer for two years. She was "Spirit Queen" during her senior year. The bridegroom is also a graduate of Crowell High School where he was active in FFA, serving as president and vice-president and holding a district office. He served on the high school annual staff for two years. He has attended Vernon Regional Junior College.

Rehearsal Dinner

The bridegroom's parents were hosts for the rehearsal dinner held in the Truscott Community Center.

WSL Selects Fund-Raising Projects

Two fund raising projects were selected at last Thursday's meeting of the Women's Service League. Annual sale of light bulbs and a combination bake sale and grab bag event are both slated for this fall. Mrs. Wilma Cates was named chairman of the grab bag undertaking.

This week's program will be given by the Foard County Historical Society. Mrs. Cornelia McDaniel will introduce the speakers.

MRS. SHOOK

Shower Honors Bride

Miss Christy Shaw, bride-elect of Jim Lin Shook of Crowell, was honored with a gift tea Saturday, August 10, in the home of Mrs. Edgar Jones of Truscott.

Guests were greeted by Mrs. Louis Baty, the honoree, Mrs. Elmo Shaw, mother of the bride-elect, Mrs. Glenn Shook, mother of the groom-elect, Miss Tracy Shaw, sister of the honoree, and Mrs. Stanley Shook, sister-in-law to the groom-elect.

Presiding at the register were Miss Ruth Brown, Miss Jacquelyn Brown, and Miss Gail Bullion.

The table was covered with a white Madeira cutwork cloth and centered with an arrangement of white chrysanthemums in a crystal bowl. White napkins were printed in silver with the names of the honoree and the groom-elect. Refreshments were frosted punch, served from a crystal bowl and angel food petits fours decorated in blue. Appointments of crystal and silver completed the setting.

Over fifty guests registered during the afternoon.

Hostesses for the tea were: Mmes. Jack Welch, Warren Haynie and Ray Shirley of Crowell; Mmes. Louis Baty, Sammy Abbott, Venta Horne, Loys Welch, and Paul Horne of Gilliland; Mmes. Tom Westbrook, Paul Bullion, W. R. Owens, Ray Glasscock, Roy Daniel, Don Daniel, R. C. Daniel, J. R. Brown, E. J. Jones and Jack W. Brown of Truscott.

Eastern Star Honors Founder

Mrs. Vetriche Gentry was program chairman for a candlelight ceremony honoring Dr. Rob Morris, the organization's founder, at the August 13 stated meeting of Crowell Chapter No. 916, Order of the Eastern Star.

She was assisted by Mmes. Essie Cooper, Anna Belle White, Vera Thomas, Eleanor Black and Laura McLarty. Mrs. Lizzie Kenner led in prayer and Mrs. Agnes Dunn was pianist. During the business session conducted by Mrs. Thomas, worthy matron, the membership voted to send a check to their adopted sister in the Eastern Star Home in Arlington.

Larger checks will be coming automatically in August for widows and parents drawing death compensation and for widows receiving dependency and indemnity compensation from the Veterans Administration based on Public Law 93-295, which granted increases in aid and attendance allowances from \$55 to \$64 monthly.

30 Years Ago in The News

News items below were taken from the Thursday, August 17, 1944, issue of The Foard County News:

The first bale of cotton from the 1944 crop was ginned at the Crowell Gin Wednesday afternoon, August 16, and was brought to Crowell by J. C. Jones of Thalia. Ebb Scales, manager of the gin, paid 19c per pound for the cotton and \$55 per ton for the seed.

T. P. Reeder, owner of Reeder's Drug Store in Crowell, completes his 27th year of service to the community in the drug business today, August 17. Mr. and Mrs. Reeder and their five-year-old son, Tom, arrived in Crowell from Knox City on August 17, 1917. Mr. Reeder received his Certificate of Pharmacy at Baylor College of Pharmacy in Dallas in 1912, and was employed as a pharmacist in Frizzell's Drug Store in Knox City five years before coming to Crowell.

The election held in Foard and Hardeman Counties Saturday for the purpose of creating a soil conservation district in the two counties, carried by a large majority in both counties.

The Crowell School will open the 1944-45 year on Monday morning, Sept. 4, according to an announcement made by Supt. Grady Graves.

The following boys attended the Boy Scout camp held at Paducah the past weekend: R. L. Ballard, F. L. Ballard, Don Wilkins, Hardy Sanders, Blackie White, Garland Denton, James Weathers, Bob Edwards, Jimmie Franklin, Billy Roy Cooper, Marion Gobin, Harold Dean Ribble and Joe Howard Williams. The most difficult merit badge, that of life saving, was won by Billy Roy Cooper. In swimming, Hardy Sanders, R. L. Ballard, Don Wilkins and Blackie White each qualified for a merit badge. The group was accompanied by Scoutmaster D. F. Eaton, and assistant Scoutmaster J. C. Prosser, and the transportation was provided by Assistant Scoutmaster, Clinton McLain.

Cpl. Robert (Mike) Rasberry, son of Mrs. Maude Rasberry, received his wings recently at Laredo. He is an instructor as an aerial gunner, and after a 15-day furlough here, left Wednesday for Tampa, Fla., where he will be stationed.

New Hebrides, South Pacific—Technician Fifth Grade Tom M. Beverly, son of Mrs. Hallie Beverly of Crowell, recently completed his twentieth month of overseas duty with an evacuation hospital at this base. His unit has an outstanding record in caring for casualties from the battle zones of Munda, Bougainville, New Georgia and Guadalcanal. Cpl. Beverly has met three home town friends while at this base—Sailors Fred Beverly and Ike Wilson, and Marine Jim Gafford.

Petty Officer Robert Que Meason of the U.S. Coast Guard, and Miss Rhea Vinson of Memphis were married at the First Methodist Church in Vernon on August 7 with Rev. W. A. Reed, pastor, officiating with the single ring ceremony.

Bob Miller and family have moved from Riverside to the Texaco oil field west of Crowell.

Freshman Class Elects Officers

The freshman class of Crowell High School elected officers for the new year at a class meeting held last Thursday, August 15, the first day of the new school year.

Beth Graves was elected president, Jan Brown is vice president, Paul Whitley is secretary, Michael Daniel is treasurer and John Klepper was elected reporter. Sponsors for the class this year will be Don Welch and Mrs. Mary Brown. Class mothers elected were Mes. Paul Bullion, Billy Johnson, Otto Bachman Jr., and Joe Don Brown.

Plenty of Foard County history books and supplements still available at the News office. Get yours before they're all gone.

Visitors of Mrs. Fay Whitman over the weekend were her sisters, Miss Oneta Cates of Abilene and Mrs. Edith Downing of Lubbock and her son-in-law and daughter, Mr. and Mrs. Mike Shugart and son of Paris.

Mr. and Mrs. Joe Johnson of Tennessee are visiting her sister, Mrs. Jessie Miller in Vernon and have visited Mr. and Mrs. Oneal Johnson, Mrs. C. C. Wheeler, Mr. and Mrs. Sim V. Gamble and others here.

Mrs. Jim Moore and her sister, Mrs. Gertrude Farrar left

Meetings Are Set

Six public information sessions on the chloride (salt) control project for the Red River Basin have been scheduled during August and September, 1974. Col John G. Driskill, Tulsa District Engineer, said.

He noted that natural salt sources on tributaries in the upper portions of the basin are degrading the quality of the water downstream and making it unsuitable for many uses.

The chloride control project being studied proposes control measures to control salt emissions from eight natural salt sources in the upper reaches of the Red River Basin in Briscoe, Hall, Childress, Cottle and King Counties in Texas and Harmon County in Oklahoma. Congress is considering structural measures such as brine dams or evaporation reservoirs which would capture the salt water from salt areas and prevent it from flowing into the Red River.

The Corps of Engineers will hold meetings in the following cities:

Mangum, Ok.—Monday, Aug. 26, 7:30 p.m. in the Community Building, sponsored by the Mangum Chamber of Commerce.

Childress, Tx.—Tuesday, Aug. 27, 7:30 p.m. in the Gate City Electric Cooperative Building, sponsored by the Greenbelt Water Authority.

Vernon, Tx.—Thursday, Aug. 29, 7:30 p.m. in the Wilbarger Auditorium, sponsored by the Vernon Chamber of Commerce.

Shreveport, La.—Thursday, Sept. 5, 7:30 p.m. in the Civic Center, sponsored by the Red

River Valley Association. Wichita Falls, Tx.—Tuesday, Sept. 10, 7:30 p.m. in the Ramada Inn, co-sponsored by the Wichita Falls Board of Commerce and Industry, and the Red River Authority of Texas.

Denison, Tx.—Wednesday, Sept. 11, 7:30 p.m. in the Holiday Inn, sponsored by the Denison Chamber of Commerce.

One of the primary purposes of the sessions will be to solicit opinions from local citizens and their preferences regarding resource use and alternative development.

Col. Driskill asked all interested citizens to attend one of the sessions and express their views on the chloride control project.

The meetings will include a slide presentation which will describe the general problem, the proposed project and possible alternatives. An informal question and answer session will follow the slide presentation. Then those attending the session will be asked to fill out a questionnaire on the project.

The Corps of Engineers has a contract with the University of Oklahoma to analyze and evaluate the results of the six sessions. The report compiled from the sessions will be used by the Corps in implementing the chloride control project.

That popular Liquid Paper is on sale at the News office.

100 years of wheat Santa Fe all the way

Back in the 1870's when the Mennonites began their migration from Europe to America—Santa Fe was there! A representative of the railroad traveled abroad in those early days to influence homeseekers to settle along the pioneer rail routes being built westward across Kansas. The Mennonites were seeking freedoms of a new country and liked what they learned about America.

Santa Fe helped with their transportation, even chartering a special ship for the Atlantic crossing.

Santa Fe built special housing facilities in the settlement areas of Kansas and sold land, much below actual values, to the new homeseekers.

Santa Fe moved supplies for the home builders at reduced prices, sometimes for free.

Developing this new land back in the 1870's was not without hardships for the early Mennonites or for Santa Fe's pioneer rail builders. At that time, hardly anyone realized that their efforts would be rewarded through a few sacks of wheat seed which thrived in Kansas and spread to help make mid-America the breadbasket of the World:

100 years of moving wheat

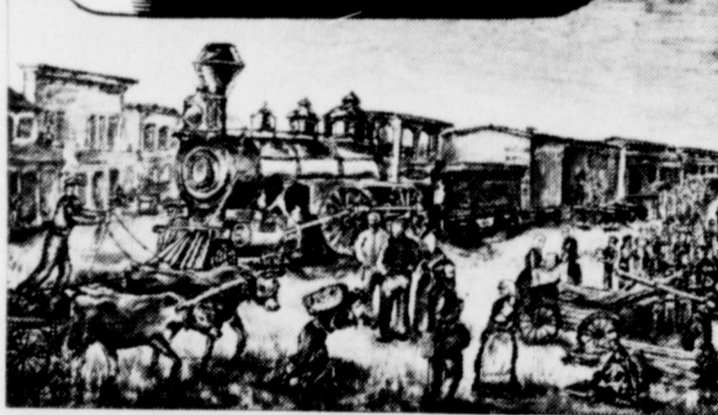

Wheat is usually moved in a short period of time to meet harvest deadlines, export schedules and marketing requirements. These conditions make great demands on the railroads and it takes Santa Fe's modern facilities, an up-to-date car fleet and skillful employees to get the wheat job done year after year.

During the past century many things have been done to move wheat efficiently. Two examples stand out in Santa Fe's history:

- (1) The giant 100-ton covered hopper car first introduced for moving wheat in 1963. Today, Santa Fe has 12,000 of these cars in service, the largest fleet in the rail industry, and 1,000 additional are now on order. Altogether these 13,000 hoppers have a capacity equivalent to approximately 21,000 conventional box cars.
- (2) One of Santa Fe's greatest achievements in handling grain was completed earlier this year when we moved a record-breaking billion bushels, a total of 350,000 carloads, in just twenty months.

Those few sacks of seed of Turkey Red hard winter wheat carried to America by early Mennonite homeseekers started one of the greatest agricultural developments in the nation. It's a history the Santa Fe has been proud to be a part of the past 100 years—all the way!

THE ATCHISON, TOPEKA AND SANTA FE RAILWAY

Mennonite immigrants arriving at Peabody, Kansas in the Fall of 1874 on a special Santa Fe train. (Illustration courtesy of the Mennonite Weekly Review newspaper.)

Car with record-breaking BILLIONTH BUSHEL breaking banner as it moves from a Kansas wheat elevator on March 20, 1974.

The modern 100-ton jumbo covered hopper can be loaded with wheat in about twelve minutes and unloaded in less than three.

Trainload of jumbo covered hoppers, ideal cars for moving huge tonnages of grain and bulk fertilizer used throughout the wheat country.
