RED CROSS DRIVE TO COMMENCE JUNE 16

Cooper, chairman of the Foard County Chapter of the American Red Cross, announced this week that the fund-raising drive will be in charge of the fund-raising

campaign which will commence on Monday, June 16.

Mr. Cooper stated, "I am sure everyone is familiar with the work carried on by the Red Cross which includes alleviating suffering and providing shelter and housing for the unfortunate after a disaster, service to military families, and especially the blood bank program for our local hospital. Through the years, in addition to taking care of the needs of our county, we have contributed to the emergency funds for the Rapid City, S. D., flood, Hurricane Camille, Tropical Storm Agnes and the Mississippi flood.

"Foard County did not conduct a drive for funds in 1974 and the drive for 1975 is three months late; consequently, the cooperation of each and every person in the county is earnestly solicited. If, for some reason, you are not contacted personally, a contribution may be sent to the Foard County Chapter, American Red Cross, at the bank, or to Mrs. Marlene Fox, Crowell, Texas.

Barbie Scott Begins Nurses Training

Miss Barbie Scott began her studies last week at Cooke County College in Gainesville where she will be taking a course leading to a registered nurse degree.

Miss Scott, a 1975 spring graduate of Crowell High School, is the daughter of Mr. and Mrs. George Scott of Crowell and the granddaughter of Mr. and Mrs. Ruel Scott and Mr. and Mrs. John Wheeler, all of Crowell.

Arthur Cerda Enlists in U. S. Air Force

Arthur Barrera Cerda, a 1975 graduate of Crowell High School, has enlisted in the U.S. Air Force under the delayed enlistment program. Cerda will leave August 5 to train as a fire protection specialist at Lackland Air Force Base in San Antonio.

Man Admitted to VA Hospital

William Earthman, 21, of Vernon who was arrested near Thalia last week following a one-vehicle auto mishap, has been admitted to the Veterans Administration Hospital in Waco.

Plans Being Made for Reunion of Class of '45

A large number of graduates of the CHS class of 1945 are expected to be in Crowell the week of July 4 for the 30th anniversary reunion. Bob Cooper of Dallas, chairman of the class, writes the News community center reserved for Friday, Saturday, July 5 and Saturday, July 6. The get-together is set for Friday. There will be rolls or donuts at 10 a.m., then the group visiting as they like after that. The cost is \$2.25 per plate. Cooper is urging reservations be mailed to June 20.

The 1945 class is also inviting former teachers and everyone else to attend the reunion. Reservations for

PAULA MARIE BARREE

Miss Barree Is High School Graduate

Miss Paula Marie Barree daughter of Mr. and Mrs. Paul Barree of Dallas, was a 1975 graduate of Franklin D. Roosevelt High School in Dallas. Miss Barree was born in Crowell and her parents are former teachers in the local school system.

She was a member of the National Honor Society, Math Club secretary, candidate for "Miss Roosevelt", nominee for the Balfour award in math, honor graduate ranking 24th in a class of 346, a member of Who's Who Among American High School Students, Future Business Leaders of America, achievement awards in both English and math. She was also named "Miss Soccer."

Miss Barree plans to continue her education at Prairie View University.

Break-In of Drug Store Made Monday

A break-in at the Shirley-Youree Drug on the north side of the square was being investigated Monday by Sheriff Emmitt E. Howard. Sheriff Howard said the burglary was discovered about 3 a.m. Monday by Roy Henslee, night watchman.

Howard added that entrance was made by breaking in the rear door of the firm. He said Ray Shirley, co-owner of the firm, could not find that any drugs or money had been taken, and it was surmised that the night watchman had apparently scared the burglars off before they could accomplish their mission.

If the home air conditioner isn't circulating enough cool air to make the rooms comfortable during hot, muggy days, check to be sure the air filter is clean and doesn't need replacing, Mrs. Lillian Chenoweth, with the Extension Service, suggests.

Henry Borchardt Died

Henry Borchardt, 67, Crowell businessman for many years, died early Thursday morning of last week in the Foard County Hospital following a long illness.

Funeral services were held at 2 p.m., Saturday, at the First United Methodist Church with the pastor, Rev. W. O. Rucker, officiating. Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Mrs. Joe Ainsworth was vocalist and Mike Manard organist for the service. Bearers were Travis Vecera, Ted Reeder, Ricky Eavenson, Bill Nichols, Jon Lee Black and B. J. Halencak.

Robert Henry Borchardt, Sr. was born June 2, 1908, at Hale Center, son of the late Mr. and Mrs. F. C. Borchardt. He moved to Foard County with his family in 1916. He and the former Miss Ila Lovelady were married in Crowell on March 11, 1934.

Mr. Borchardt bought the Chevrolet automobile dealership here in 1937. Shortly after the end of World War II, Glen Goodwin, who had been employed January 1, 1938 before the war as the firm's bookkeeper, bought an interest in the business and it has been operated as Borchardt-Goodwin Chevrolet since that time.

He was a charter member of the Crowell Lions Club and was a member of the local Methodist Church.

Survivors include his wife of Crowell; one daughter, Mrs. Judy Bond of Pocatello, Idaho; one son, Dr. Robert H. Borchardt Jr. of Vernon; four grandchildren; four sisters, Mrs. Virgie Morgan of Elkins, Ark., Mrs. Betty Stewart of Houston, Mrs. Faye Bell and Mrs. Jean Campbell of Crowell; and one brother, Fred Borchardt of Crowell.

He was preceded in death by his parents; one sister, Mrs. Georgia Hord; and three brothers, Dr. A. L. Borchardt of Vernon, Floyd and John Borchardt of Crowell.

Steve Graves Named to Honor List

Steve Graves, son of Mrs. Billye Gidney of Crowell, was named to the Dean's Honor List for the spring semester of Texas Tech University in Lubbock. Graves had a 3.79 grade point average based on a 4.0 scale.

MEETING POSTPONED

The meeting scheduled to be held here Tuesday in connection with the proposed establishment of a Council of Governments for this area has been postponed.

James Rose, director of Gov. Dolph Briscoe's Division of Planning Office in Austin, was scheduled to fly to Crowell Tuesday for the meeting, but unfavorable weather conditions prevented the plane from leaving Austin.

1.7 Million Bushels Wheat Are Cut

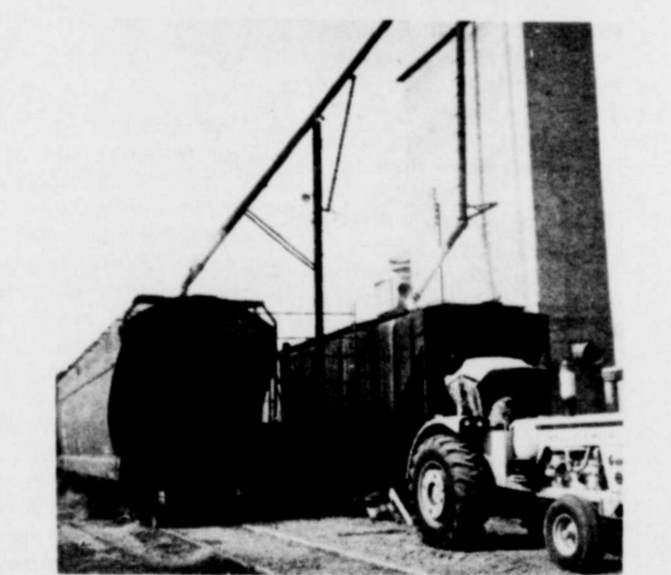

THE STORY OF WHEAT IN PICTURES

Combines Pour the Grain into Trucks...

Terry Glover opens grain bed to unload wheat...

Wheat Transferred to grain cars for shipment to ports on Texas Gulf Coast...

Tractors and Plows Follow Combines into fields to prepare for next year's crop...

LONG LINES—For more than a week, the lines were long approaching the elevators.

Massive 24-foot combines and huge tandem trucks holding up to 600 bushels of wheat have during the past week cut a huge section out of Foard County's 100,000-acre 1975 wheat crop, and delivered the crop to the county's elevators.

Lines of trucks at the

elevators from last Sunday until Monday of this week have been long as trucks waited their turn to unload. Several farmers have piled grain on the ground rather than hold up combines waiting for trucks. On-the-farm storage across the county holds many thousands of bushels of the new crop.

Market price of wheat was around \$2.91 per bushel early this week.

Reports of yields have ranged from the teens to one small field which made 45 bushels per acre. Most generally, however, around 20 bushels per acre is the average.

A check with the county's three elevators Monday revealed that through Sunday night, the total bushels brought in had reached about 1,700,000.

Heavy rains in the Thalia area and in the south part of the county Saturday night flooded some uncut fields, and it will be some time before combines can get in those fields.

Although combine crews began moving out late last week for commitments to the north, lots of wheat remains to be cut here.

The virtual avalanche of wheat which hit the elevators last week has kept the Santa Fe Railway crews busy switching cars and moving train loads of the grain out for a trip to Texas Gulf ports. Also, big semi-trucks have been hauling the grain away, and the Farmers Elevator has thousands of bushels stacked on the ground at its facilities here and at Thalia.

Grain men have been fortunate to have plenty of freight cars on hand for the harvest. Usually, as the harvest moves north, a shortage of cars develops.

Elevator men also report that a majority of farmers are storing their wheat, rather than selling at the current market prices.

One elevator man estimated Tuesday that the harvest is about 80 per cent complete.

Carbon paper, handy 10-sheet pack only 89c.—News office.

Mrs. T. M. Haney Died

Mrs. T. M. Haney, 100, resident of a Vernon nursing home and mother of T. S. (Hid) Haney of Crowell, died about 2 a.m. Friday in a Vernon hospital.

Funeral services were conducted at 4 p.m. Saturday at the First Baptist Church in Vernon with Al Jordan, minister of music, officiating. Interment was in the Thalia Cemetery.

Pall bearers were Warren Pruitt, Lester Boyd, Ernest Haney, Ted Reeder, M. P. Pybus and Bryan Standlee.

Mrs. Haney was born Oct. 3, 1874, as Sally Drake in Tennessee. She moved to Wilbarger County as a small child.

She married Mr. Haney in 1892. He preceded her in death in 1940. She was a member of the First Baptist Church in Vernon.

Surviving are one son; three daughters, Mrs. John Rasor of Lawton, Ok., Mrs. Ruth Rowland of Phoenix, Ariz.; and Mrs. Corine Boykin of Tampa, Fl.; one brother, P. M. Drake of Oklahoma City; 6 grandchildren and 12 great grandchildren.

Woman Jailed After Stabbing

Vivian Sillemon of Fort Worth was placed in the Foard County jail last Saturday night, Sheriff Emmitt Howard said this week.

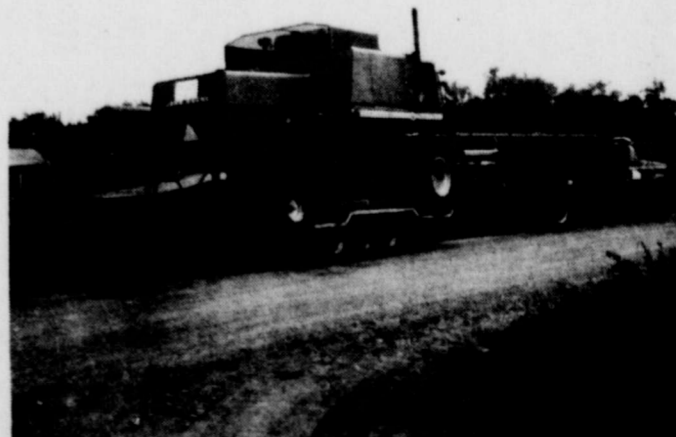

The arrest was in connection with an alleged stabbing of a local woman in the south part of Crowell Saturday night.

Wheat Truck Is Destroyed by Fire

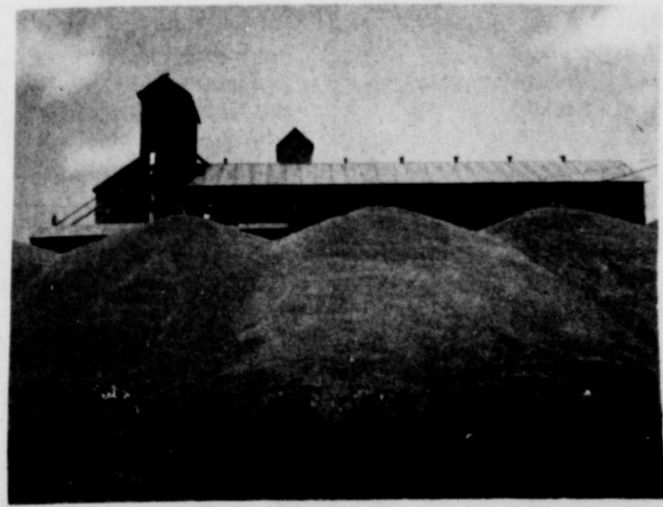

A new Ford truck belonging to Gabe Lawrence, Kansas custom combiner, was destroyed by fire at the Bud McLain farm Wednesday afternoon.

Fire Chief Leonard Tole

said the fire department was able to extinguish the burning wheat, but the truck became stuck in a muddy terrace and was helpless to flee from the flames.

READY FOR NEW FIELDS—This combine pictured Monday morning is one of many which have completed work in Foard County and have been loaded and moved to ripening fields to the north and west.

MOUNTAINS OF GRAIN—This picture shows the small "mountains" of wheat stacked on the ground at the Farmers Elevator in Crowell.

Power Companies Rap Gas Use Ban

R.E. Kennedy, chairman and chief executive officer of West Texas Utilities Co. were among utility company executives who testified Tuesday in Austin that they must be allowed to use natural gas to fire their boilers to keep lights burning in Texas.

Kennedy and other executives testified at a statewide hearing of the Texas Railroad Commission, which noted that nearly five times as much natural gas is used for boiler fuel as domestic and commercial users consume in the state in a year.

The commission said it has determined that at the rate of use Texas natural gas supplies would be exhausted within ten years and the public interest requires the elimination of natural gas as a boiler fuel in Texas.

Kennedy and other utility executives declared that the use of gas for the generation of electric energy cannot be abruptly terminated without catastrophic effects on the economy of the state.

The elimination of natural gas as a boiler fuel would require the Texas Utilities System to spend an additional \$5 billion for new

generating facilities and would raise customers rates by more than \$1 billion a year, they said.

The Lake Pauline Plant at Quanah would be one of the plants affected in the event such a ruling were to become law in Texas.

In his statement before the Commission, Kennedy had this to say:

"Since neither coal nor lignite have been found in economically producible quantities, natural gas has been the basic source of fuel in our area. With extensive reserves of natural gas virtually underneath our power plants, we have developed long-range gas contracts to supply our needs to 1990. Last year the Company's total fuel use amounted to only slightly more than one per cent of the oil and gas energy produced in our service area, and almost one-third of the fuel used was returned to the petroleum industry in the form of electricity.

Engineering studies have confirmed that our relatively small gas fired boilers cannot be converted to use coal and that conversion to oil

can be done only to a limited degree. The only practical way to utilize the remaining useful life of our present generating facilities is through the continued use of natural gas for their operation."

"Regarding fuel supplies for future generating units, we offer for the Commission's consideration these economic facts. We have natural gas contracts to cover our needs for the next sixteen years and the installation of gas-fired units presently offer the most economical electrical service for our customers. However, recognizing problems of future fuel supply, our Company and its consultants, have developed comparative and alternate plans and associated costs for the period of 1975 through 1990. As a point of reference, the costs associated with the installing of future gas fired units during the next sixteen years would require a capital outlay of approximately 506 million dollars. This alone presents a formidable challenge for a company of our size.

"Eliminating future gas

fired units and building only coal fired units during the next sixteen years would increase the capital outlays to 1,091 million dollars, more than double the cost of gas-fired units. The higher maintenance and operating costs associated with the coal plants would add another 104 million dollars to our customers' costs.

"To provide the revenues to finance construction under this study, utilizing present gas-fired equipment with future plants to be coal-fired, would necessitate increases in basic rates of approximately 130 per cent by 1990."

Wild Hog Named Arnold Now Residing at Vivian

Arnold, the javalena hog pictured in the News over a year ago with his owner, Jimmy Russell, is in the news again. At that time Mr. Russell had gotten the animal, very small at that time, from his son, S. R. Russell of Alice. Jimmy had trained the animal to obey some commands and he

brought Arnold to the News office where he and Jimmy stood for a picture.

Since that time, Arnold has had at least two owners, with Otis Gafford of the Vivian community obtaining him last fall.

James Sandlin, who farms in the Vivian area, was in the News office last Friday and reports that Arnold, who escaped from a pen at the Gafford place, still stays in the area. Sandlin said he can call Arnold by name several times, and if he is in the area, he will come out of the mesquite pasture and approach him. In fact, he said that on Thursday afternoon, a number of combine people were in the Sandlin field and upon call Arnold showed up, not the least bit disturbed by all the strangers. He consumed some wheat that Sandlin scattered on the ground for him.

Sandlin says Arnold weighs about forty pounds now. Although his tusks have been pulled, Sandlin advises giving due respect as Arnold is still a wild animal in spite of his being raised as a pet.

HOT WEATHER BRINGS LAWN PROBLEMS

Homeowners should take good care of their lawns during hot summer weather to prevent certain problems such as dry spots, thin turf and weeds. Proper watering, fertilizing and mowing are important for a vigorously growing lawn, contends a turfgrass specialist for the Texas Agricultural Extension Service. St. Augustine Decline and brown patch are two diseases occurring in St. Augustine grass lawns, and chinch bugs and white grubs can also damage lawns if not controlled. Lawns should be checked regularly to detect any possible problems that may be developing.

Use as little water as possible when boiling potatoes to prevent loss of important vitamins and minerals. Save the liquid to be used as part of the liquid ingredient when making cakes, quick breads and other baked goods, advises Mrs. Mary Sweeten, with the Extension Service.

Larry Jones on Evangelistic Trip to Korea

Larry Jones, superintendent of Crowell schools, left Wednesday en route to Korea where he will be part of an evangelistic team holding services for two weeks in that country.

A total of 230 Americans will be in Korea for the evangelistic effort. They will be divided into teams of four and Jones will be working with Rev. John Gillespie of Groom and Dr. and Mrs. L. W. Byous of Clovis, N.M. Rev. Gillespie is a former pastor of the First Baptist Church in Crowell, and made a trip to Korea last year under the same program which is sponsored by the World Evangelism Foundation.

Mr. Jones' group will be working in Uijonbu, a city of 110,000 people north of Seoul. Jones' flight left Amarillo at 2:30 Wednesday, flew to Los Angeles and then on to Seoul arriving there at 8 a.m. Friday.

coastal bermudagrass this spring.

Pasture Management

by Thomas Shinn

High production of grass comes only from well managed pastures. These are pastures that have a good stand of grass, are grazed properly, have weed control, fertilized if needed, and get regular periods of rest from grazing.

Many stands of grass are ruined and production from the pasture greatly reduced by over-grazing. Reasons for this are that grasses make food in the leaves of the plant using raw materials that come from the soil, air and sunlight. If leaves are continuously grazed very short, the plant is starved, roots are shortened, the plant becomes weak, and

some will die. A good guide is to graze no more than 50 percent of the annual growth each year of native grasses such as sideoats grama, buffalograss, blue grama, wheat-mesquite, western wheatgrass and little bluestem. Good management is to graze no shorter than six inches for coastal, four inches for common bermuda and ten inches for sudan, kliengrass or Johnsongrass.

Easiest way to increase net returns from pastureland is to develop and keep a heavy turf of good grass on it. This also affords the best protection against soil erosion and water loss.

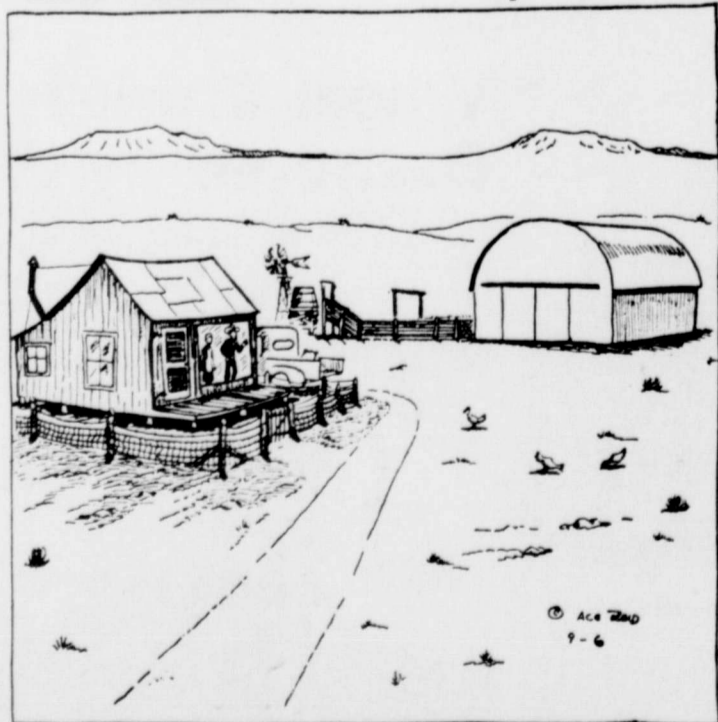

This picture shows kliengrass being planted on Leslie Thomas farm. Kliengrass and coastal bermudagrass are the two main grasses used for improved pastures in Foard County.

Don Welch, Leslie Thomas, Eldon Whitman and Doris Gentry planted Kliengrass this spring. Duane Capps, Guy Crews, Leon Speer, J. T. Jamplin, Denny Prince, and Dr. Walter Stapp sprigged

News from...

Truscott Gilliland Jim Cumley

Betty Barry, a student at Texas Christian University in Fort Worth visited her parents, Mr. and Mrs. Harold Barry over the weekend.

Mrs. L. B. Baty's granddaughter, Paula Baty of Brownwood, will be visiting with her for 2 weeks.

Mmes. Idoma Chowning, Emil Navratil, Arnold Navratil, Kenneth Carroll, and Vivian Brown attended the Knox County Home Demonstration meeting in Benjamin, Friday.

Saturday, Mrs. Vivian Brown and Mrs. E. J. Jones attended the bridal shower in Munday for Miss Paula Pendleton; bride-elect of Jackie Miller of Munday.

Mr. and Mrs. Oscar Strickler of Fort Worth visited through the weekend with Mr. and Mrs. Clyde Bullion.

Severe winds, rain, and hail Saturday night have damaged or destroyed some wheat fields in the Truscott-Gilliland area.

Mr. and Mrs. Murry Bullion of Houston visited over the weekend with Mr. and Mrs. Paul Bullion and Gail.

Mrs. Pearl Summers, Mrs. Hattie McEwen, and Gail Bullion went to San Angelo Sunday to attend the funeral of Mrs. Ray Sparks; a sister-in-law of the two women.

The Ralph Carams had a housefull of guests last weekend. Visiting were: Albert Caram and boys of Arlington, Mr. and Mrs. Ralph Caram, Jr., and family of Wichita Falls, Mr. and Mrs. Freddy Caram of Munday and Bea Lewis of Dallas.

Saturday afternoon, Mrs. Idoma Chowning and Mrs. Curtis Casey were in the Knox City parade celebrating the bicentennial. Mrs. Chowning rode on the Study Club float, which won first prize. Mrs. Casey was in the Retired Teachers Association car as the incoming president.

Mrs. Chester Roberts of Abilene spent Saturday night with Mrs. Idoma Chowning.

Mr. and Mrs. Douglas Chowning visited last week in the home of Mr. and Mrs. J. M. Chowning.

Visiting in the A. L. Cook home last weekend were L. C. Cook, Nina Combest of Vernon, and Fred and Phil Cook of Abilene.

The W. O. Corder home had some visitors last weekend. Newt Bryan of Abilene and Mr. and Mrs. Frank Davidson of Whiteface, stayed with them.

Mmes. Bernice Davis, Marie Gillespie, and Lottie Whitaker of Truscott and Mrs. Bernice McDaniel of Crowell attended a picnic at the Copper Breaks park last week.

Mr. and Mrs. John Daniel of Tulia and Mrs. Betty Colson and children, Beverly and Chad, are staying with Mr. Roy Daniel.

Rocky Glasscock spent the weekend at the home from harvest in South Texas. Miss Barbie Scott of Crowell came down to visit.

The Truscott musical Saturday night drew a large crowd. The show went along smoothly until heavy rains forced the group inside the community center. This is not to say that the music stopped, for it continued indoors until late that night. We would like to thank

everyone who came and to invited them back again on July 7 for our next musical.

Friday, Mrs. C. A. Meek, Roger Dale Meek, and Ella Grace Dowdle went to Alvarado to visit with Alyne Walker, a former resident of Gilliland. Roger Meek is on leave from Fort Hood.

The Spears reunion was held last Sunday in the VFW Hall in Seymour. Attending from the area were Mr. and Mrs. Homer Martin, Dolph Martin, Mrs. C. A. Meek, and Darlene Meek of Wichita Falls. There were 42 in attendance.

Mr. and Mrs. S. E. McRoberts of Cisco visited in the W. R. Owens home last week end.

Guests in the Elmo Shaw home last weekend were Tommy Shaw, Mr. and Mrs. Norman Solomon of Fort Worth, and Mr. and Mrs. Jim Shook of Wichita Falls.

Mrs. Jack Whitaker's guests last weekend were Lee J. Stout and Mr. and Mrs. David Stout of Wichita Falls.

Wade Carter of Arlington will spend 2 weeks here with his grandmother, Mrs. Venta Horne.

Another home with many guests was that of the W. H. Haynie's. Here for the weekend were Mrs. Pat Smith, Lane and Kari of Dawn, Mr. and Mrs. Clay Markham of Georgetown, Mrs. Berta Dancer and Mr. and Mrs. James Stevens and children of El Paso, Mr. and Mrs. Nelson Oliphant of Crowell, and Mr. and Mrs. Raymond Hennan of Wichita Falls.

Mrs. Vivian Brown and Mrs. E. J. Jones went to Quanah last week to visit Eileen Gerrold in the rest home there.

Visiting in the L. M. Davis home Sunday were Bud Davis and Tina of Wichita Falls, Neomi and Sue Davis and Judy and Dink of Fort Worth. Tina, Judy and Dink will be staying the week.

The John Jamison's home guests included Mr. and Mrs. Leonard Myers and son Kenneth of Amarillo, and Mr. and Mrs. A. L. Patterson and Mike and Lisa of Wichita Falls. Other guests staying the week are Ricky and Ronnie Patterson and Brenda Flaegen.

Bill Myers of Lubbock spent the weekend in the C. E. Myers home.

Spiritual Life Clinic Set Here

Mary Welch of Henderson, will conduct a three-day Spiritual Life Clinic in the United Methodist Church of Crowell, Monday, Tuesday, and Wednesday, June 23, 24, and 25 to which the public is invited.

Mrs. Welch is a gifted writer, lecturer, teacher, and ordained minister of the Methodist Church, doing free lance work in conducting Spiritual Life Missions and Schools of Prayer in churches of various denominations throughout the United States and Canada.

The world-wide circulation of her books has brought her invitations to conduct missions in nineteen foreign countries. Her seven books of the devotional life are published in both the U.S. and Great Britain as well as in German translation in Switzerland, in Flemish, and Holland.

Pres. Dwight D. Eisenhower wrote after receiving as a gift one of her books "Reckoning at Dusk" "I wish to thank you for myself and Mrs. Eisenhower for the fine little book you sent us. The faith evidenced by your writing and sending this book indicates to me that you are one of the group of thinking, praying Americans who are so vital to the welfare of this nation."

Monday, June 23, there will be a luncheon at 11:30 and Mrs. Welch will speak at 12:15 p.m. On Tuesday and Wednesday the morning services will be at 10 a.m. All evening services will be at 7:30 p.m. All children, youth, men and women of the area are invited.

Mrs. Welch will be speaking to the Christian Business Women's group in Wichita Falls on Saturday, June 21.

MRS. SELLERS

Tammy Glover Wed to Mr. Becknell

An archway of greenery provided the setting for the Friday, June 6, nuptials uniting Miss Tammy Lee Glover of Crowell and Michael Wayne Becknell of Quanah. The 6 p.m. exchange of vows was held at the home of the bride's parents, Mr. and Mrs. Larry P. Glover in Crowell with Rev. Warren Everson, pastor of Bethel Church, performing the double ring ceremony.

Parents of the bridegroom are Mr. and Mrs. Cecil Becknell of Quanah. The bride chose a blue double knit floor length gown featuring an empire waist line, gored skirt, and

collar of Nottingham lace was embroidered in clustered pearls. The bib was further enhanced with a combination of Alencon and Nottingham appliques heavily encrusted in pearl and crystal beading. The crescent modified empire line was emphasized with a vining of pearled Alencon motifs. Lantern sleeves were formed from tucked organza overlaid with lace motifs and dropped blown puffs which were caught to wide wrist tucks with Nottingham lace embellishments. The upper most skirt was an assembly of miniature tucks that gave a crescent formation with the lower edge being emphasized with pearled Alencon and Nottingham florals. A cotion back of both tucks and plain organza formed an attached train that cascaded to chapel length. A narrow framer of sculptured Nottingham lace embroidered in clustered pearls appeared at slipper level to the front of the gown and continued as a length framer for the train.

Complimenting the gown was a caped mantilla of ivory bridal illusion snowflaked with Brussels lace florals. Brussels lace formed a Renaissance cap from which waterfalled the mantilla over the floater veil. Wide sculptured Brussels lace formed a framer for the veil. Arm vents were encased in narrowly sculptured Brussels lace.

The bride's bouquet was tapped with an orchid, showered with feathered carnations, stephanotis and lily of the valley.

Miss Mary Ann Walker was maid of honor while Misses Vanessa Stroud and Karen Smith were bridesmaids.

Glen Deason served the groom as best man. Wayne Hellen and Bobby Bobbitt were groomsmen, Billy Perdue was head usher, and John Robert Perdue Jr. and Michael Wayne Perdue were ushers.

A reception was held in the Woman's Building. The serving table was covered with a pink tafeta cloth overlaid with white net with pink rosebuds entwined. The table was centered with silver candelabra holding arrangements of mums, pompon carnations, roses and baby's breath in shades of pink.

The groom's table held a double ring groom's cake while the table was centered with brass candelabrum.

Serving punch at the bride's table was Miss Janet Elaine Everett, and serving coffee at the groom's table was Miss Jane-ellen French. Miss Sharon Jeter registered guests in the bride's book. Mrs. Harry E. Davis served the bride's cake, Mrs. Wayne Hellen served the groom's cake; Miss Deena and Andrea Hellen passed out rice bags, and Mrs. Joe Brown assisted with other hostess duties.

Following a short wedding trip the couple will make their home in Tyler.

Mrs. Sellers graduated from Robert E. Lee High School and is now attending Tyler Junior College. She was a member of the Apache Belles.

The bridegroom is a graduate of Crowell High School and attended West Texas State University. He was a member of Phi Delta Theta fraternity.

gathered cap sleeves of white lace. She carried a bridal bouquet made of nosegays of white mums and tied with a blue ribbon. Her jewelry was a cameo necklace belonging to her mother.

She was given in marriage by her father.

Miss Marie Westover of Crowell was the bride's maid of honor and she chose a long sleeve blue and white floor length gown shirred at the empire waist.

Junior bridesmaid and ring bearer was Miss Paulette Glover of Crowell, a sister of the bride. Her dress was of blue double knit, floor length with an empire waist, cap sleeves and embroidered neckline.

Serving the groom as best man was his father, Cecil Becknell.

For her daughter's wedding, Mrs. Glover chose a blue and white oriental street length dress.

The bridegroom's mother selected a blue street length dress with matching jacket.

A reception for the family and guests was held at the home following the wedding.

After a trip to points of interest in Oklahoma, the couple will be at home on Route 3, Quanah.

The bride is a student of Crowell High School, while the bridegroom, a graduate of Quanah High School, is a self-employed farmer in Hardeman County.

Assistant County
Extension Agent

Would you like to make dill pickles at home? Here is a way to do them in a hurry. Wash about seventeen or eighteen pounds of cucumbers thoroughly and drain them. Cover them with a brine made from one and one-half cups of salt to two gallons of water. Let them

Anna Marie Halbert Is Honored

Anna Marie Halbert was honoree at a lovely gift-tea Saturday, June 7, at the Adelphian Club house when Mmes. J. T. Brooks, Guy Todd Sr., Dick Todd, Virgil Johnson, Loraine Carter and Moody Bursley entertained.

Two hours of visiting and renewing friendships were enjoyed and many lovely gifts for housekeeping and personal use were received by the honoree.

Mrs. Halbert will be working in Quanah for a few months before assuming her duties in Childress as district home economist for the West Texas Utilities Company.

Local Couple Feted on 25th Anniversary

Mr. and Mrs. Clinton McLain were honored on the occasion of their twenty-fifth wedding anniversary with a family surprise gourmet dinner prepared by their daughters, Cathy and Kristi, at the home of Mrs. McLain's sister, Mrs. Samuel J. Wilson.

The couple's wedding date was June 10, but due to Kristi's departure on June 9 to Europe, the date for the dinner was advanced to June 7.

The dining table was graced with a hand embroidered white Irish linen cloth purchased by Mrs. Wilson several years ago in Ireland. The focal center arrangement was of cultured white daisies as likened to the basket bouquets carried by their bridesmaids. Their original bride and groom cake ornament was implanted on a three-tier wedding cake.

Those observing the festivities with Mr. and Mrs. McLain, besides the above mentioned, were Mrs. McLain's sister and brother-in-law, Mr. and Mrs. John M. Napier, Jr., of Vernon and Mr. McLain's sister and brother-in-law, Mr. and Mrs. Ernest Spears of Altus, Ok.

CARD OF THANKS
To all our friends in Crowell, our deepest and most sincere thanks for all your deeds of kindness and love to our beloved Henry. We know you will continue to keep our sister in your love. May God bless you all.
The Lovelady family

More than 98 million persons, or 46 per cent of the nation's population, are potentially eligible for VA benefits. These include 29.3 million veterans, their families and survivors of deceased veterans.

The caftan is back in summer loungewear. Look for comfortable crinkle cotton, ombred gauze and khaki fabrics, advises Beverly Rhoades, clothing specialist with the Extension Service.

Mr. Ramsey Is Speaker at WSL Meeting

Walter Ramsey told the purposes and functions of the local citizens band radio club at last week's meeting of the Women's Service League.

Mr. Ramsey noted the organization's main project is "Weather Watch" where local members report in via CB from assigned locations in the county. The operation is under the direction of the sheriff's department.

Members—all volunteers—report in on the assigned frequency using code. Local residents are then warned, if the need arises.

CB members relay messages in emergencies. The local club requires that its members be licensed, stay within legal power and not drink while on duty.

The WSL has voted to purchase a window for the Foard County Historical Museum.

Pictures of Little League Teams for Sale

Proofs of the color pictures of Crowell's four Little League teams have been given to the News by Stewart Studio of Vernon, and are at the News office.

Pictures in beautiful color of the teams can be ordered for \$2.50 for one 5x7 print. Come by the News office and order a picture of your favorite team. Orders and money will be forwarded to the studio for delivery within a few weeks.

soak overnight and drain them. Combine six cups of vinegar, three-fourths cup salt, one-fourth cup sugar, and nine cups of water. Tie two tablespoons whole mixed pickling spice in a clean, thin white cloth. Add to the liquid mixture and heat to boiling.

Remove the jars and set upright several inches apart on a wire rack to cool. These fresh pack dills add zest to meals anytime of the year.

The 4-H Clothing project members are reminded of the 4-H workshop on clothing to be held at the homemaking cottage June 16-20. The 5th grade members will meet from 9:30-11:30, 6th grade, 1:00-3:00; and 7th grade 3:00-5:00.

All senior 4-H members must pick up their project material at the county extension agent's office.

A way to save up to \$1500 of your taxable income.

It's your choice. You can go ahead and pay income tax on all of your earnings. Or you can create your own Individual Retirement Account (IRA), and pay little, or no current income tax on the amount you save... up to \$1500. You see, under the new Pension Reform Act, if you do not participate in a pension plan where you work, you can establish your own individual retirement plan with tax deductible dollars. That could mean up to \$15,000 in deductible savings over the next ten years.

This is important and valuable enough to be worth a little of your time... so Kansas City Life, The Lioness, would like to introduce you to one of our people who can help. Our people have an IRA Planning Kit which provides you with an easy way to make your plans. So just give one of our people a call, or drop us a line, and we'll make sure you get a copy.

SAVED TO BE SAVED
Men today teach such doctrines as once saved always
saved. Can this actually be true? It is a very soothing
doctrine but is it true?
In past articles we have dealt with "Salvation"
"Glorifying God", "The Lord's Authority", "Vain
Worship" and other subjects. Now we should deal with
how to stay saved.
Surely we can see that after baptism we can fall away;
fall from grace or be lost. There are many ways of
expressing this condition. Let's let the Bible speak about
the possibility of being lost after being saved.
Genesis 3:1-19, is the first scripture which shows that
man fell. Adam and Eve listened to the serpent, obeyed
him and were driven from the garden. Many other
accounts of those falling away are recorded in the Old
Testament as well as in the New Testament.
The apostle Paul plainly states in Galatians 5:4, "...ye
are fallen from grace."
Furthermore James teaches that we are not saved forever
unless we continue faithful; discharge our duty to God
faithfully. In James 1:21-22, he admonishes Christians to
lay aside all evil and "receive with meekness the engrafted
word, which is able to save you. But be ye doers of the
word, and not hearers only deceiving your own selves."
James further states, "was not Abraham our father
justified by works, when he had offered Isaac his son upon
the altar?" James 2:21
God's people have always been expected to bring honor
and glory to Him through their living according to His way.
Christianity demands certain things of us if we follow
Jesus and if we stay saved.
In future articles we will explore what God expects of us
after baptism in order to continue to be saved.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — A threatened
slowdown of some doctors in
major cities in protest to ris-
ing medical malpractice in-
surance costs was eased
with signing of two new
legislative acts.

Texas Medical Association's
House of Delegates
went on record against the
work stoppage and said the
short-term laws should be
given a chance to work.

Gov. Dolph Briscoe urged
immediate start of a study
of the overall problem by a
blue-ribbon panel of 18.

Former University of
Texas Law School Dean W.
Page Keeton was designat-
ed chairman of the Medical
Professional Liability Study
Commission established
by one of the new acts.

The bill would also create
a pool or joint underwriting
association to issue policies
up to \$300,000.

Another would authorize
the State Board of Insur-
ance to set malpractice li-
ability rates and cut the sta-
tute of limitation on filing of
suits to two years.

Both acts will expire in
1977. A bill pushed by doc-
tors and hospitals to place a
\$500,000 limit on claims in
malpractice actions failed to
clear the House of Repre-
sentatives.

The Commission will re-
port its findings and long
range recommendations by
Dec. 1, 1976.

Legislature Closes

Texas has a new \$654
million public school fi-
nance act and authorization
for a Public Utilities Com-
mission to regulate tele-
phone rates and services
and to control other utilities
(except gas) in rural areas.

Cities may elect to come
under the Commission after
two years with utilities
other than telephones. Gas
will be regulated by the
state Railroad Commission.

Both the school finance
and utilities acts were
among the last major pieces
of legislation approved by
the 64th Legislature which
ended its session at mid-
night June 2.

A record \$12.1 billion ap-
propriations bill passed by
lawmakers on final night of
the session has been cer-
tified by Comptroller Bob
Bullock as within antici-
pated income.

Briscoe has until June 22
to decide which of the
legislature's acts he will
sign and which he will veto.

Hearing Recessed

"A Railroad Commission
hearing on phasing out
natural gas as a boiler fuel
has been recessed for 30
days after three days of tes-
timony and opening state-
ments.

Some spokesmen said
converting plants to other
fuels would be extremely
costly.

Others urged that any
phase-out should be "or-
derly" and with attention to
what effect the changeover
might have on rising con-
sumer rates.

Courts Speak

The State Supreme Court
suspended the Southwest-
ern Bell \$45 million intras-
tate long-distance rate in-
crease and set a hearing
June 18 on the attorney
general's suit to block the

Crowell Water Usage Shows Drop for Month of May

The City of Crowell used
less water during May 1975,
than in any May since 1972,
according to figures released
last week by the Greenbelt
Authority.

During May, of this year,
Crowell used 9,056,000
gallons compared to
9,348,000 gallons in May of
last year. Biggest May water
usage here was in 1973 when
a total of 12,170,000 gallons
were purchased, and the
preceding May—1972—the

increase.

The Supreme Court will
hear arguments in a McAl-
len city and school district
appeal from lower court rul-
ings that a nursing home
operated as a public charity
is exempt from property
taxes. The local officials
disputed the home is a true
charity.

The Court of Criminal
Appeals reversed the life
sentence given a Dallas
man in a murder case due to
an inadequate definition of
circumstantial evidence by
the trial judge.

An Austin district court
jury sentenced Robert
Kleasen to death in the
butcher-murder of a young
Mormon missionary.

AG Opinions

Public school teachers
with contracts for the fol-
lowing school year cannot
collect special unemployment
assistance benefits, after
all, on signing of the new
school finance bill, Atty.
Gen. John Hill held.
Before passage of the bill,
with its prohibition on the
benefits, Hill had held the
teachers eligible.

In other recent opinions,
Hill concluded:
The House speaker can
set reasonable and expeditious
procedures for release of
information concerning
representatives' records.

College faculty members
are entitled to information
and recommendations in
their personnel files on ten-
ure and performance
evaluations.

A missing page out of a
budget received by the com-
ptroller does not prevent its
being certified where mean-
ing is clear.

A Dallas college district
must obtain a permit from
the Antiquities Committee
for demolition of three his-
toric buildings, regardless
of destruction contracts.

Assistant county pur-
chasing agents are subject
to the county civil service
act, but adult probation of-
ficers and assistant county
auditors are not.

Project Approved

A \$93.1 million federal
aid program for urban
transportation systems won
Texas Highway Commis-
sion approval last week.

The program includes 272
miles of street and highway
improvements, hike and
bike trails and bus purchase
for Houston. Local officials
picked projects for inclu-
sion.

More than 300 jobs will
be provided by the program in
128 metropolitan areas.
The Highway Commis-
sion also approved a \$2.7
million federal expenditure
for 131 safety projects on
county roads.

Short Snorts

The Legislature's score-
card: 3,375 bills introduced,
761 passed—plus constitu-
tional revision resolutions
and four other proposed
constitutional amend-
ments.

A \$2.7 million tax reduc-
tion bill (dealing mainly
with exemptions) passed
the Legislature.

Larry Yawn of Austin is
new president of the
160,500-member Texas
State Teachers Association.

News from... THALIA Maggie Capps

Chauna and Laurie Spirek,
daughters of Mr. and Mrs.
Charles Bursey, have been
visiting in El Paso this past
week.

Lyndon Howard Bursey of
Lubbock is spending the
summer with his father
Charles Bursey and family.

Mr. and Mrs. Charles
Bursey visited Mrs. Jackie
Bryant in Altus, Ok.,
Saturday.

Billie Short who has been
employed at Kinsley,
Kansas, for some time is
presently back home with his
mother, Mrs. Flora Short.

Mrs. Mike Cates
accompanied her mother,
Mrs. Richard Wright and her
grandmother, Mrs. Tisdale
of Dallas to Porterville, Ca.,
by plane for a visit with
relatives. They left the first
of the week.

The Thalia area
experienced an electrical
storm and as high as 3 1/2
inches of rain Saturday night
which hampered the wheat
harvest which was in full
swing. Small damage was
reported.

The Church of Christ was
the scene of a reunion of old
members and their families
and friends, Sunday, Rex
Kiker of A.C.C. in Abilene
who has preached here often,
did the preaching. A large
crowd too numerous to name
attended. A lunch was
served in the Masonic Lodge
building. The regular
preacher, Joe Laird and wife
of Iowa Park were away for
the weekend and were
unable to attend.

Mrs. M. H. Capps and
Mrs. F. A. Brown visited
friends in Quanah one day
last week. They also
attended the opening of Mrs.
Irene Minyard's new antique
shop in Vernon.

Mr. and Mrs. Clyde Self,
Frank Wisdom, Mrs. Jake
Wisdom and perhaps others
attended funeral services for
an old pioneer resident, Mrs.
Mode Haney. She had lived
in the area most of her life.
The funeral was conducted in
the First Baptist Church in
Vernon where she had been a
member many years. She
was the mother of Sylvan
Haney of Crowell, Mrs. Leta
Razor of Lawton.

Visitors in the home of Mr.
and Mrs. Dee Powers and
Bobby were Mr. and Mrs.
Bill Powers and Mr. and
Mrs. Steve Powers and
daughter and Ronnie
Jackson and a friend, all of
Midland. They visited
Saturday and Sunday.

Mrs. Lana Glover and
Mrs. Bennie Glover of
Crowell visited Mrs. Flora
Short, Saturday.

Mr. and Mrs. Carlos
Hudgens and Mr. and Mrs.
Larry Bursey have returned
home after about four
months employment by a
seismograph company which
took them to several
locations in Texas and other
states.

Pat Cates of Lubbock spent
one night this week with his
parents, Mr. and Mrs. T. R.
Cates and other relatives.

Nearly 30 per cent of the
Veterans Administration's
200,000 employees are
members of minority groups
and nearly half are women,
the agency reported recently
in response to the Presi-
dent's call to federal
agencies to promote equal
employment opportunity.

SEYMOUR, TEXAS

Alfred Matysek Died

Alfred Matysek, 54, a
farmer in the Rayland
community, died about 8:15
p.m. Sunday in the Foard
County Hospital after
suffering a coronary arrest
earlier in the day in his
home.

Rosary was held at 8 p.m.
Monday at Sullivan Funeral
Chapel in Vernon with
funeral mass at St. Joseph's
Catholic Church at Crowell at
9:30 a.m. Tuesday, with Rev.
Winfred Defevere of Vernon
officiating. Interment was in
the East View Memorial Park
at Vernon.

Mr. Matysek was born
Feb. 6, 1921, at Crowell, a
son of Mrs. Charlie Matysek
of Vernon and the late Mr.
Matysek. He married the
former Theresa Schleich in
Dallas April 24, 1950.

He was a graduate of Five-
in-One School and served
with the U. S. Army in World
War II. Duty included service
with the U. S. Army Corps of
Engineers and the Army Air
corps. He was twice a
prisoner of war and received
most of the major decorations
of his country other than the
Congressional Medal. He entered
the service in 1942 and was
discharged in 1945.

He was a member of the
St. Joseph's Catholic Church
of Crowell.

Survivors include his wife,
three sons, Freddy Matysek
of Dallas, Stephen Matysek
and Alfred Matysek Jr. of
Rayland; one daughter,
Theresa Darlene Matysek of
Dallas; his mother, three
brothers, Jeff Matysek and
Charlie Joe Matysek of the
Rayland community, and
Jerry Matysek of Irving.

His father died in 1968.

Serving as bearers were
Robert McElroy, Louis
Kieschnick, Charles
Sparkman, Rocky Bachman,
Ed Lehman Jr. and Richard
Miller.

SENIOR CITIZENS

The senior citizens met
Tuesday, June 10, for a
regular meeting with 21
present and three visitors,
Mrs. Hubert Brown and Mr.
and Mrs. Loraine Carter.

Business session was
conducted by Mrs. Arleta
Halencak and the president,
Mrs. Bessie Cannon. Plans
were made to go to Palo Duro
canyon July 14-15. Quanah
will be host to the four
counties senior citizens June
19 at 1:30 p.m. Everyone is
invited and the Crowell
group will leave the center at
1 o'clock. Everyone is invited
to go to Quanah June 14 to
the bicentennial celebration
which is an all day affair,
then the western band will be
playing from 7 to 9:30
provided by the Red River
boys of Vernon and the
gospel singing Quanah
senior citizens quartet. The
senior citizens are to wear
their uniforms.

Mrs. Brown showed films
of a trip to South America
she and Mr. Brown made last
year.

Foard County News
Crowell, Tx., June 12, 1975
30 Years Ago in The News

News items below were taken from the Thursday, June 7, 1945, issue of The Foard County News:

Harvesting of another great wheat crop for Foard County is approximately half finished, according to estimates made by elevator men of the county Wednesday morning at which time figures showed that 567,522 bushels had been received by the elevators at Crowell, Margaret and Foard City. With the greatest array of combines and trucks ever assembled anywhere for the harvesting of a grain crop, the excellent wheat crop of Foard County is being mowed down and trucked to the elevators almost the instant it becomes ripe enough to combine. At the beginning of harvest wheat was bringing \$1.44 per bushel, but the price dropped to \$1.42 Wednesday.

Two new farm-to-market roads have been designated for Foard County. One begins at State Highway 283 west through Foard City for a distance of five miles and the second from the town of Thalia north for a distance of two miles. This last road is the road from Thalia to the cemetery.

Cecil F. Anderson, James R. Parrish, Leonard M. Tole and David F. Eaton Jr., reported from the Foard County Selective Service Board to Dallas for induction into the armed forces on May 29. They were sent to Fort Sill, Ok., for redistribution.

The pineapples ordered by the Home Demonstration Clubs of Foard County have arrived and are to be distributed this morning.

Pfc. Laura Belle Whitfield of Rapid City, S.D., is at home on a 21-day furlough visiting her parents and other relatives.

W. M. Merrill Jr. of Honey Grove has leased the Lanier building on the west side of the square and will open a White Auto Store in Crowell about July 15.

J. T. Hughston, son of Mr. and Mrs. T. F. Hughston, has recently been promoted from Seaman 1-C to Storekeeper 3-C. He has been in New Guinea for the past 16 months but is now en route to some other place in the Pacific, the exact location not known.

Marcia, Frances, and Robert Kincaid have returned home from a visit in Lubbock with Mrs. Harvey Turnbough and daughter, Jo Ann.

John Bannister, local building contractor, has recently completed a new six-room house with bath for Mr. and Mrs. O. M. Grimm in Thalia. He has started the construction of a six-room house with bath for T. L. Ward on his farm north of Thalia.

Mrs. Roy Ayers has returned home from a Vernon hospital where she underwent an operation several days ago.

Joe and Robert Wheeler were ill with the measles last week.

Miss Sybil Gobin and Don Gobin have returned from Odessa where they visited several days with Mr. and Mrs. L. E. Tackett.

CARD OF THANKS
The acts of love and kindness you have shown during Henry's illness and death are more than we can list or ever hope to repay. Please accept our love and gratitude.

The Foard County Agent Says...

**Garland Wiemers
Extension Service**

The pecan nut casebearer is a destructive pest of pecans. This insect pest attacks the small nutlets in late spring. When casebearer numbers are heavy, the insect may destroy one-third to three-

fourths of the pecan crop on a tree, unless properly timed insecticidal applications are made to protect the pecan nuts from pecan nut casebearer attack.

The timing of insecticidal treatments for pecan nut casebearer control is based upon the presence of eggs on the tips of pecan nutlets and

the detection of initial larvae feeding damage to pecan nutlets. The adult moths will soon be laying eggs on the pollinated nutlets, eggs should hatch in 4 to 7 days and then the young larvae will attack the small nutlets.

Now is the time for pecan growers to start checking pecan nutlet clusters for casebearer eggs. The adult female moth usually lays eggs singly on the tips of pecan nutlets. The eggs are flat and blue-greenish white in color-action when first laid but assume a pinkish red color after a day or two. The eggs are small in size but can be seen with the naked eye upon close observation.

The pecan nut casebearer larva, upon hatching from eggs, feed on leaf buds for a short period of time and then attack the small pecan nutlets. A small larva (worm) will attack a nutlet by cutting a hole into the base of the nutlet. As the larva feeds on the nutlet, pellets of frass are produced. The frass material is collected outside the nutlet in fine webs. The webs also hold the nut clusters together and keep them from falling until the larva is mature.

Pecan nutlets should be checked 2 to 3 times a week for eggs. When eggs are detected on the nutlet tips, insecticidal sprays should be applied in 3 to 6 days. Where eggs are not detected but feeding damage to young nutlets are observed, insecticidal treatments should be applied immediately.

Insecticides such as Sevin, Malathion and Zolone will control pecan nut casebearers. Mix insecticidal sprays according to the instructions given on the LABEL of the insecticide container.

A second insecticide application about 7 days after the first is needed in most years for effective pecan nut casebearer control.

June 20 Is Final Date to Plant Cotton

The Foard County ASCS office has reminded producers that June 20 is the final required date to plant cotton.

Mrs. Thelma Borchardt, acting executive director of the ASCS here, added "If due to natural disaster you can not plant your cotton and do not plan to plant it, you must file an application for prevented planting by June 25 to be eligible for disaster payment consideration or history credit."

A veteran's kidney was saved by a urologist-radiologist team at the San Francisco, Cal., Veterans Administration Hospital by using a promising new technique of injecting the man's own fresh clotted blood into an artery leading to the kidney that was hemorrhaging.

Pesticides And Prices
A recent study at the University of Minnesota shows that a 75 percent reduction in farmers' use of pesticides would increase the price of raw agricultural products by about 20 percent.

Emergency Loans Available

Farmers (and ranchers) in Foard County, Texas, who sustained production losses and physical losses as a result of drought December 1, 1973 through August 31, 1974 and a hail storm May 25, 1974, may be eligible to receive an emergency loan from the Farmers Home Administration.

Those who have not received an emergency loan to assist them in recovering from their loss may apply for such a loan at the Farmers Home Administration county office at 5015 College Drive, Vernon, Texas, before close of business Aug. 8, 1975 for physical losses or before March 5, 1976 for production losses.

These loan applications will be taken under the terms of a new law (P.L. 93-237) enacted January 2, 1974. Individual examination will be made of each application to determine date of the disaster occurrence and emergency loan benefits for which the applicant is eligible.

Loans based on qualifying production losses may include funds to reimburse applicants for production expenses which went into damaged or destroyed crop and livestock enterprises, but not to produce new crops during 1975. Payment terms depend on the purpose for which the loan is used and the applicant's payment ability. No loan may exceed the actual loss sustained. The interest rate for these loans is 5 per cent and there will be no principal cancellation. These loans must be secured by crops, livestock, farm machinery or real estate.

Horse Club to Meet

The Foard County 4-H Horse Club will hold their next Playday on Monday, June 16 at 7:00 p.m. at Jake Wisdom's arena in Thalia. Other playdays are scheduled for June 30, July 14 and 28 and Saturday, August 9. Those playdays on July 14th and 28th, and August 9th, will be point playdays. An awards program is tentatively planned for August 11.

The Foard County 4-H Horse Club members would like to invite those interested to come and observe the activities.

THE "GOOD" LIFE

The "good" life is geared to rich food and easy living. And it helps lead more than 890,000 Americans to heart attack and stroke every year. Eat heart-healthy foods, and establish safe lifestyle patterns for your children. Ask your local Heart Association for more information.

District Crop Report

District extension agent Ed Garnett has issued the following crop report for the week:

Open weather during the past week allowed wheat harvest to move into final stages, with approximately 60 percent of the harvest completed. Wheat yields are averaging .25 bushels per acre.

Cotton and grain sorghum are approximately 90 percent planted. Some replanting has been necessary following recent heavy rain. Early planted grain sorghum is making excellent growth.

Second alfalfa cutting is ready for harvest, as the weather permits. Weekend rains stopped small grain harvest and planting.

Pecan producers are spraying for case bearers.

Ranges are in excellent condition, with adequate to surplus moisture supply. Some wheat fields are being prepared for double crop planting.

Texas Talk

by Bud McLain

All it takes is a glance at your own checkbook to know that in the long run you have to have more coming in than going out. The same principal works with nations as well. That's why an international trade surplus is more desirable than a trade deficit. American farmers last year did far more than any other segment of U.S. industry to reduce a trade deficit topped off by the high prices of mid-eastern oil. Agricultural exports last year were worth 22 billion dollars, producing an agricultural trade surplus of nearly 12 billion. This contribution by food and fiber producers brought our total deficit to 3 billion dollars. Still high, but much less than some economists thought it would be. Those figures from last year are considered by many to be the harbinger of agriculture's future importance to the US position in world affairs. Farmers and ranchers are moving more directly into the lime-light as they produce enough to keep us number one.

Graduates from A. F. Academy

Patrick Rupel, son of Mr. and Mrs. Maurice E. Rupel of Estes Park, and grandson of Mrs. Luther Tamplen was one of 752 graduates of the Air Force Academy on June 4th. He graduated with a Bachelor of Science degree and was commissioned a second lieutenant in the Air Force.

Prior to graduation, at a special awards presentation, he received a plaque naming him "Outstanding Cadet in a Far Eastern Language". He had studied the Chinese language four years. At a special athletic awards banquet he was awarded two other plaques. He received Team Captain award for his service as Cross-country team captain in 1974. He was given a plaque naming him Most Valuable Cross-country Runner in 1975.

It was also announced at the athletic awards banquet that Patrick has been selected by the United States Track and Field Federation as a member of its 1975 "Marathon All America Team". He will have two months leave and then be stationed at Lackland Air Force Base for pilot training.

Bentsen Blasts Ford Decisions

Senator Lloyd Bentsen, candidate for the Democratic Presidential Nomination, today accused the Ford Administration of treating Americans who live in rural areas as second class citizens by failing to implement the Rural Development Act.

Bentsen, who co-sponsored the Rural Development Act in 1972, said, "The present administration is neglecting the needs of millions of Americans who live in rural areas. It is trying to create a second class citizenry who will lack adequate fire protection, water and waste disposal systems and employment opportunities."

He said the administration spent \$56 million out of a total \$397 million authorized by Congress for Fiscal year of 1975.

No money was spent for planning grants for water and waste disposal projects, rural fire prosecution grants and planning grants for rural development, Bentsen said.

"This has been a consistent pattern of recent Republican administration," Bentsen said. "Over the last three years only 11 percent of the total funds authorized by Congress have been spent." "Rural areas and small towns are part of the American heritage and must not be forgotten now."
