The teams were made up of CHS band girls and the Cowgirls, coached by Travis Vecera, won the contest 8-0 over the Squaws, who were coached by Steve Graves. It was a 80-yard gallop by halfback speedster Mollye Wisdom on the first play of the second half which gave the Cowgirls their touchdown. Wisdom carried over for the two extra points.

One can be sure the call is not to a life of "enjoyment" as we use the word but He says, "take my yoke upon you, and learn of me." To take His yoke upon yourself is to be burdened with the cares of His work, rather than the cares of the world.

Jesus does declare His yoke to be easy and His burden light. The service to Him is easy for we are voked with Him. His burden is light because He helps us bear it.

All that Jesus is doing is calling us out of the world and into the fellowship of the saints-into the work and worship of the church for which He gave His life. Matthew 16:18; Acts 20:28.

For the Cowgirls, the list of players included Wisdom, Hedi Vecera, Patsy Williams, Anita Vecera, Kay McDaniel, Kathy Whitfield, Jonna Naylor, Jana Glover, Debra Kajs, Kristi Aranda, Chris Thompson, Susan Quintero, Jo Anna Hord and Shelia Coleman. There may have been other players, but their names were not listed on Adrian's program.

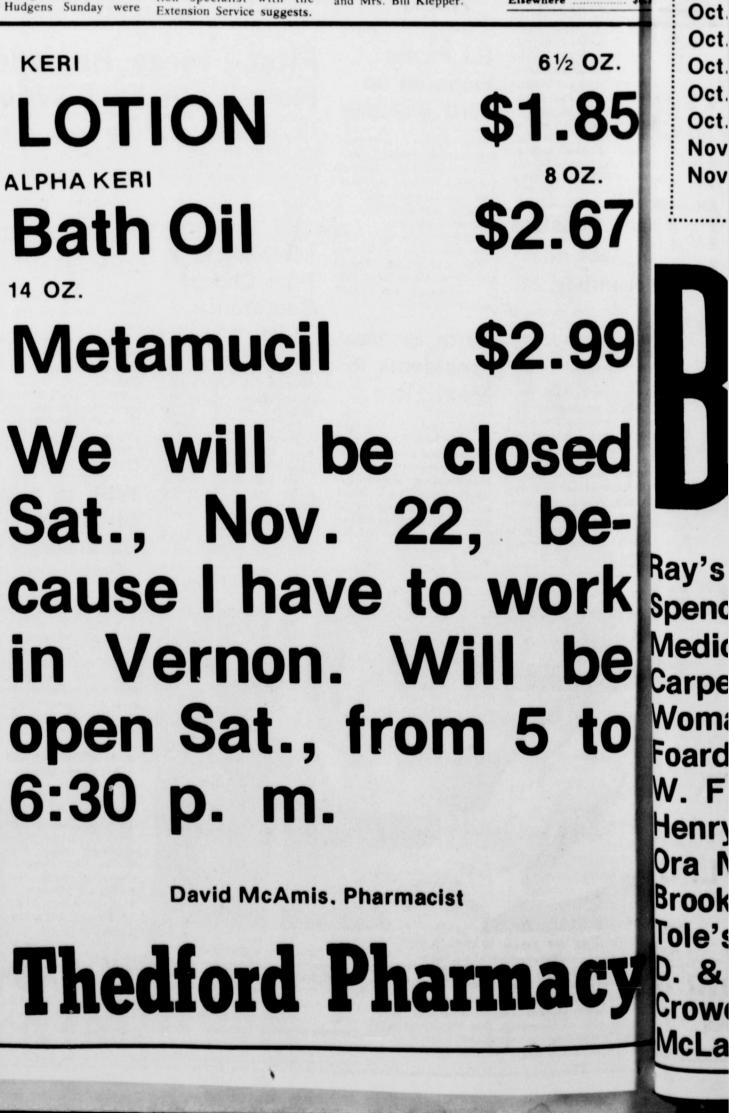

Officiating were Gary Cates, Rex Driver and Randy Prince. The boys from the band made up the pep squad and cheerleaders, while twirlers were Paul Whitley. Jim Cumley and Carl Field. John Henry McGee, with a drum major's hat taller than he was, directed the half-time show band, which Adrian said had recently received a 73 rating in UIL competition.

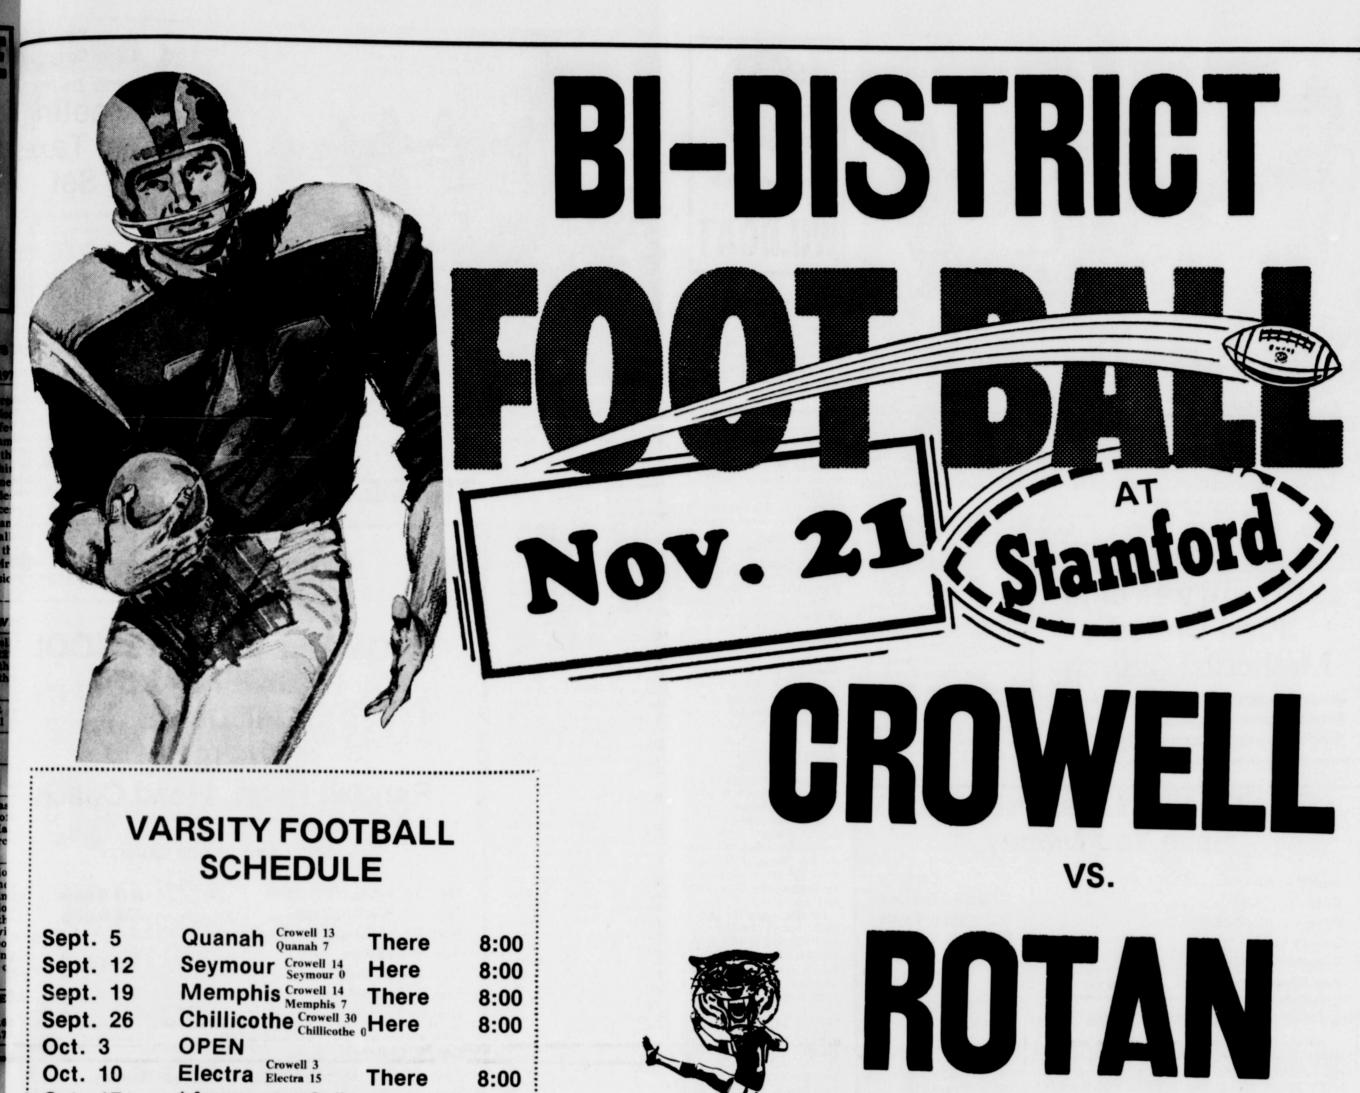

All in all, it was a fun night of entertainment for those attending and the proceeds derived from the program will help with the expenses of the bands trip to San Antonio next February.

It's your choice. You can go ahead and pay income tax on all of your earnings. Or you can create your own Individual Retirement Account (IRA), and pay little, or no current income tax on the amount you save ... up to \$1500. You see, under the new Pension Reform Act, if you do not participate in a pension plan where you work, you can establish your own individual retirement plan with tax deductible dollars. That could mean up to \$15,000 in deductible savings over the next ten years.

This is important and valuable enough to be worth a little of your time ... so Kansas City Life, The Lioness, would like to introduce you to one of our people who can help. Our people have an IRA Planning Kit which provides you with an easy way to make your plans. So just give one of our people a call, or drop us a line, and we'll make sure you get a copy.
