GHS Girls Win District Basketball Championship

DISTRICT CHAMPIONS—Pictured above are members of the District 7-A champion Crowell High School girls basketball team. Front row, from the left, are Shelia Coleman, Terri Nelson, Kim Norman, Beth Graves, Sandra Bachman and Mary Barrera. Standing are Coach Randall Ryan,

Anita Vecera, Sabrina Kearney, Darlene Tucker, Kathy Whitfield, Cathy Sparkman and Mollye Wisdom. Crowell will go against the Wylie High School girls for bi-district honors in a game to be played Tuesday night, Feb. 17, starting at 7:30 p. m. at Jayton.

The Crowell High School girls basketball team last week wrapped up the district 7-A championship and will be playing Wylie High School for bi-district honors next Tuesday night, Feb. 17 at Jayton High School gym. The game is scheduled to start at 7:30 p. m., Crowell Coach Randall Ryan said this week.

This is only the second time in history that Crowell girls have ever won a district title, the last time having been in 1959.

The Wylie girls are 24-1 for the season and are undefeated in district play with a 12-0 record. The Wildcats are 22-3 for the season and 9-1 in district. Coach Ryan said Wylie has a 5 foot, 10 inch forward who is averaging 32.6 points per game.

Crowell has a well-balanced attack with Anita Vecera, Kim Norman and Kathy Whitfield leading the offensive attack and Sabrina Kearney, Beth Graves and Terri Nelson at the guard positions. Other Crowell players who see action include Sandra Bachman, Mary Barrera, Mollye Wisdom, Cathy Sparkman and Darlene Tucker.

The winner of the Crowell-Wylie game will advance to the regional tournament to be held in Lubbock Feb. 19, 20 and 21.

The girls concluded their regular season with two wins last week.

On Tuesday night, they defeated the Aspermont girls 44-40 in a close one that saw Crowell ahead by only 1 point at the half and also at the end of the third quarter. Anita Vecera led the Wildcat scoring with 18 points. Norman had 17, Whitfield 7 and Sparkman 2. Outstanding on defense for Crowell were Kearney, Graves and Nelson.

On Friday night, the girls hosted Monday and won easily by a 62-21 score. Vecera had 22 points, Norman 16, Sparkman 9, Whitfield 6, Wisdom 5 and Tucker 4.

That same night, the Crowell J V girls defeated Aspermont 52-23. Hedi Vecera scored 24 points for Crowell, Denise Branch had 13, Jill Bell 11 and Kay Morris 4.

Nursing Home Sets Open House Feb. 14

Mr. and Mrs. B. J. Strickland, new owners of the Crowell Nursing Center, are inviting residents of this area to attend open house on Saturday, February 14, from 2 until 4 p. m.

Mr. Strickland, a former owner and administrator of a nursing home in Graham, is originally from Arkansas. He is a commercial pilot and enjoys flying.

Mrs. Strickland, a native of Graham, has been associated with a nursing home since the early age of fifteen. Foard County is no stranger to Mrs. Strickland as her mother was born in Crowell and her family tree goes back to pioneer Crowell doctor, Dr. W. H. Adams.

Mr. and Mrs. Strickland have a two-year-old son, Michael.

The nursing center had an open house when it was first opened last fall, but heavy rains coupled with unpaved streets around the home, kept numerous persons from attending.

Since that time, the streets around the center have been paved and the open house will not be affected, should the weather turn off wet.

Registration of Voters Still In Progress

Voter registration in Texas is still in progress and Mrs. Mary Borchardt said Tuesday that the county and state tax assessor's office this month will be mailing out voter registration blanks to all those in Foard County who have not registered.

She urged that the information asked for on the form mailed out be returned to the sheriff's office as soon as possible. She added that there are other residents in the county who have never registered and they are also urged to register as soon as possible.

J. L. Brock Named Citizen of the Year

J. L. Brock was named "Citizen of the Year" at the annual Chamber of Commerce banquet in Spearman Saturday night of last week.

Mr. Brock, son of Mrs. Veatrice Brock of Crowell, was given the award for his unselfish service to the community and the Spearman paper in its news story about the banquet, stated "this newspaper joins with the Chamber in congratulating them for picking this fine Spearman citizen for this award."

FOARD COUNTY'S FIRST BABY OF BICENTENNIAL YEAR—Starrla Dawn Bond, pictured here with her mother, Mrs. Bobby

School Board Re-Hires Principals for Another Year

At the February meeting of the Crowell school board Monday night, local principals Gordon Erwin and L. H. All were re-hired for another year at salaries of \$10,170 per annum. They are employed as full time principals for 11 months of the year.

At the February meeting of the board Monday night, and with H. L. Ayers Jr. as speaker, man, suggested a six-point program which they considered would improve the local school system.

The six points as suggested by the group include:

1. Want better playground supervision. It was cited that

there is only one teacher aide to supervise the first five grades and kindergarten.

2. Old gym is in a condition of filth. It needs proper ventilation, and the group Monday night asked for supervision for children and that they also be allowed to use the new gym.

3. The condition of the rest rooms in elementary school are in "horrid" condition, and supervision is needed in the rest rooms.

4. An adequate physical education is needed in grades 1 through 5.

5. A shake-down for illegal weapons should be made in all grades.

6. Grounds around the school should be cleaned of all the litter with the children helping to clean the school grounds.

Felix Taylor, executive director of the Economic Opportunities Advancement Corporation, told the board members about a vocation education training program for farm workers which is probably going to become available in this area. He stated that a portion of the training will be institutional and part will be actual work on farms. He requested that he may be requesting utilizing the vocational agriculture facilities of the local school if it can be arranged to not conflict with regular VA activities. Taylor said the program is for adults and if approved should be of great benefit to area farmers, many of whom need skilled farm labor.

In other action, the board: —Approved paying bills totaling \$8,946.00.

—Discussed piping water from the new water softener for the boiler system into the school cafeteria. No action was taken.

—Approved the paying of \$236 for one year insurance on the \$19,000 worth of band instruments and equipment owned by the school district.

—Agreed to permanently close the north doors on the bus barn at the local campus.

—Voted to give Supt. Larry Jones authority to hire a part time custodian working from 11 a. m. until 6 p. m. each school day. A 35-hour work week was suggested with minimum wage to be paid. This job would consist mainly of cleaning the grade school.

—Approved the textbook committee recommendation of new spelling and math textbooks for grades 1 through 6.

—Heard Supt. Jones say there are presently 34 students attending local schools who have transferred from other districts.

Richard Naylor Is Named Family Leader of Tomorrow

Richard Naylor has been named the Crowell High School 1975-76 Betty Crocker Family Leader of Tomorrow.

Richard won the honor by competing with other senior boys and girls in the written knowledge and attitude examination on Dec. 2. He has received a certificate from General Mills, sponsor of the annual educational scholarship program, and becomes eligible for state and national honors.

Richard is the son of Mr. and Mrs. Duane Naylor of Thalia. He is president of the senior class, football co-captain, MYF member, FHA member, and is active in 4-H Junior Leaders.

Although over the nation, boys have been participating in the contest for a number of years, this is the first year that boys have entered the contest in Crowell High School.

McLains Return from Mexico Trip

Mr. and Mrs. Bud McLain have returned from the Southwest Hardware and Implement Dealers Association Annual Dealers Meeting in Acapulco, Mexico which was held Feb. 2-4. The McLains flew from Dallas-Fort Worth International Airport and en route home visited Mexico City Feb. 5-8. They enjoyed the Jai Alai games in Mexico City.

W. A. Love Observes 97th Birthday

W. A. Love, a long time resident of Foard County, observed his birthday December 30 at a rest home in Quanah where he now lives.

Mr. Love is 97 years of age. He was born Dec. 30, 1878, in Arkansas. He has six children. Mr. Love was married 63 years at the time of his wife's death in 1964.

Exams Set for Thursday and Friday

Classes in Crowell schools will be dismissing at 2:30 p. m. on Thursday and Friday afternoons of this week.

These two days are exam periods for the second quarter of the local school.

The school this year began operation under the quarter system with classes held three of the four quarters in a calendar year.

The third and last quarter of the current school year begins next Monday.

NEW FARM BUREAU SERVICE AGENT Bill McWhorter, left, is the new service agent for the Foard County Farm Bureau. He began his new duties here Feb. 1 and replaces Jack Welch, who retired from the position. Pictured with Mr. McWhorter is H. L. Ayers, Jr., president of the Foard

County Farm Bureau. McWhorter moved to Crowell from Henrietta where he had worked with the Farm Bureau for 20 months. His wife and two sons, T. J. 7 and Mark 3, will be moving to Crowell as soon as they can find a house.

Little Dribblers Basketball Season to Begin Next Monday

The 1976 Little Dribblers basketball program in Foard County will get underway at the local gym next Monday night, Feb. 16.

League officers Bill Bell,

president, and Rusty Russell, vice president, said the activities will get underway at 5:30 p. m. with several awards to be given. The boys and girls sold Little Dribbler

ribbons about two weeks ago, and the top salesmen among the boys and girls will each receive a new basketball. Those selling at least 25 ribbons will receive knee pads, and sales of 10 or more ribbons will entitle the youth to wrist bands.

Basketball action will begin at 6:30 with McLain Farm Equipment going against Theford Pharmacy. At 7:30 it will be D & T Foodway vs. Foristers, and at 8:30 Phillips 66 will play the Rotary Club.

Games will be played on Monday and Thursday nights for the next five weeks.

A schedule for the season, along with team rosters, is furnished by The Foard County News and is being printed elsewhere in this issue.

Three More Candidates in Trustee Race

Three more candidates for trustee in the local school system have announced since last week. At that time, Baxter W. Gentry was the only announced candidate.

Since that time, Dale Henry has announced that he will be a candidate and on Monday night, the incumbents, Mike Bird and Floyd Borchardt, announced their intentions to seek re-election.

Terms of Bird and Borchardt are expiring this year.

Final date for filing for a place on the ballot is March 3 and the election is set for Saturday, April 3.

THREE NEW VEHICLES

Three new vehicles were registered here last week, as follows:

Feb. 2, Leslie Thomas, 1976 Chevrolet pickup; Feb. 2, Cade C. Glover, Jr., 1976 Oldsmobile coupe; Feb. 3, Glenn Wiggins, 1976 Chevrolet pickup.

Ag Pavilion Construction Due to Start

It was announced at the school board meeting Monday night that construction of the steel constructed Crowell ag pavilion should get started Wednesday of this week.

The concrete floor has been complete for several weeks. Only a few days is expected to be required for the erection of the new building which is located just east of the Crowell vocational agriculture building.

The cold temperature caused the rain to freeze on windshields but was not sufficient amount to coat highways enough to make them dangerous.

Open House at School Set for March 12

Open house at the Crowell schools has been set for Friday night, March 12, from 7 to 8:30 p. m.

This is the week following the Public Schools Week observance, but the open house is normally held the night before the annual 4-H and FFA project show, and this event is set for Saturday, March 13.

Floyd C. Borchardt Jr. Named to Dean's Honor List at Tech

Floyd C. Borchardt, Jr. of Crowell was named to the Dean's Honor List at Texas Tech University for the fall semester. He had a 3.5 grade point average based on a 4.0 scale.

Son of Mr. and Mrs. Floyd C. Borchardt and grandson of Mrs. Mary Borchardt, of Crowell, he is a business administration major at Tech.

First 1976 Moisture Received

A blast of frigid Arctic air which hit this area last week brought temperatures as low as 22 degrees early Friday and also brought the first measurable amount of moisture to the area for 1976.

The front moved through last Wednesday night, and kicked up scattered showers which measured .15 inch by the government gauge in Crowell.

The cold temperature caused the rain to freeze on windshields but was not sufficient amount to coat highways enough to make them dangerous.

Memorials to Cancer Fund Are Received

Mrs. Dale Henry, chairman of the Foard County unit of the American Cancer Society, Monday expressed her appreciation to the excellent response the local Cancer Society received from its recent memorial fund campaign. Local residents received an envelope in their recent bank statements suggesting gifts be made to the memorial program of the American Cancer Society.

Mrs. Henry reminded Foard County residents that this memorial fund drive is not the annual fund drive for the organization. The annual drive for funds is made in April of each year.

Mrs. Rollins Died

Mrs. Alma M. Rollins, 86, a resident of Foard County for 45 years, died in the Foard County Hospital Tuesday, Feb. 10.

Funeral services were held at 2 p. m. Thursday, Feb. 12, at the First Baptist Church conducted by the pastor, Rev. Joe Ainsworth.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Bearers were J. C. Autry, J. M. Barker, Kenneth Ownbey, Duane Johnson, Buster Borchardt and Jack Welch.

Mrs. Rollins was born in Oklahoma, then Indian territory, Jan. 22, 1890. She married William Rollins in Eldorado, Ok., in October 1915. He died January 28, 1968.

She was a member of the First Baptist Church.

Survivors include a half sister, Bertha Wardlow of Leflore, Ok., and a number of nieces and nephews.

CATTLE OUTLOOK MUDDLED

Many cattlemen have a false optimism due to misinformation and misinterpretation of some of the facts, points out a livestock marketing specialist for the Texas Agricultural Extension Service. Despite the large number of cows slaughtered last year, many replacement heifers were added to the breeding herd, leaving a breeding herd that is still quite large. Although the number of cattle on feed has increased sharply, feedlots are still not placing all the calves produced. Calf prices should increase somewhat this year and also in 1977, but the cost of inflation will rake away any potential profits.

Band Left Wednesday

Two charter buses carrying Crowell High School band students and sponsors left Crowell early Wednesday morning for San Antonio.

On Thursday night, Feb. 12, the CHS Honor Band, directed by James Streit, will present a performance before the Texas Music Educators Association convention in session in that city.

The band presented a special performance in Crowell last Thursday night and played the five numbers to be presented in San Antonio.

Miss Amie Brasher, president of the band, presented Mr. Streit a gift from the band members at the Crowell performance, and told Mr. Streit how much the band members loved and admired him.

ROUND BALES POSE SAFETY PROBLEM

Large round hay bales pose certain safety problems to handlers, points out an agricultural safety engineer for the Texas Agricultural Extension Service. Numerous serious accidents have occurred while the large bales were being transported with front-end loaders, including overturns and bales rolling down the arms of elevated loaders. Rear attachment points of a tractor should be used whenever possible to move the large bales. Tractors with front end loaders should be well-balanced; rear weight is critical. Always transport the large bales while on level ground.

State Government Spending Can Be Cut or Held Steady

By an overwhelming majority, members of the West Texas Chamber of Commerce feel that state government spending can be cut or held to a level that will not require new taxes from the next Texas legislature.

This opinion came from a recent mail survey on state affairs issues made among WTCC members. The results of that survey were released last Friday.

The results of the state issue survey showed, by those responding, to be as follows:

(1) Do you feel state government spending can be cut and/or held to a level that will not require new taxes from the next legislature. Yes 92%, no 7%, and no opinion 1%.

(2) Do you feel that state employees should NOT be appointed to state advisory or policy making boards by the governor? Yes 80%, no 14% and no opinion 6%.

(3) Do you feel the local schools and higher education are doing an adequate job of teaching the benefits of our private free enterprise system over other forms of government? Yes 40%, no 56%, and no opinion 4%.

(4) Has the Texas Lobby Control Act intimidated and/or discouraged you from having your say about state government affairs? Yes 39%, no 49% and no opinion 12%.

Independent Cage Team Is Now 10-1

The Crowell independent basketball team, which was organized here recently, has lost only one game thus far and is now 10-1.

The last win for Crowell was Monday night of last week at Paducah against a strong Paducah team. Final score was 106-66. Gary Hobson was high pointer for Crowell with 28 points, Dale Doyal and Kelley Weddell scored 20 points each, Johnny Urquizo 14, Ace Whitley 12, Carl Brock 8 and Rocky Bachman 4.

The local independents will be playing in a tournament in Paducah the first week of March.

Mrs. Clyde Beesinger Died Friday

Mrs. Clyde Beesinger, 76, a long-time Foard County resident, died in the Foard County Hospital last Friday morning following a lengthy illness.

Funeral services were conducted at the Free Will Baptist Church at 2:30 p. m. Sunday Feb. 8, with Rev. M. L. Crosby, pastor, and Rev. Warren Everson, pastor of Bethel Church, officiating.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge.

Pall bearers were Joe Wheeler, John Holland, Lewis Beesinger, Ed Hoffman, Leland Beggs and Kenneth Polk.

Mrs. Beesinger, the former Eliza Pearle Polk, was born February 25, 1899, in Vernon, daughter of the late Mr. and Mrs. Jom Polk. She was married to Mr. Beesinger Oct. 16, 1926, in Crowell and they have made their home here since that time. She was a member of the Bethel Church.

Survivors include her husband; one brother, Frank Polk of Lamesa; four sisters, Lea McCullen of Kermit, Ruby Hester, Mattie Polk and Annie Little of Crowell; and a nephew, Whitley Mitchell of Fort Worth, whom she reared.

Now Is the Time to Sign for Medicare

People who didn't sign up for Medicare medical insurance when they first became eligible or who have cancelled the protection once can enroll now through March 31 at any social security office, according to Carl Beiser of the Vernon office.

Medicare medical insurance is offered automatically to people who reach 65 and are eligible for social security benefits—and to disabled people under 65 who have been entitled to monthly social security disability benefits for 24 consecutive months or more.

The Vernon social security office offers complete details.

Meeting Is Held on Rural Water System

On Friday of last week, Ed Biggs and his son, Jim, of the engineering firm of Biggs and Matthews, Inc. of Wichita Falls, met in Truscott with Roy C. Daniel, County Commissioner, and Henry Black, to finalize plans for the rural water system of the Truscott area. An afternoon session was held in the Truscott Community Center with various individuals to ascertain their needs regarding the line for the water route.

A meeting with Foard County individuals who have water problems will be held in Crowell some time this week if a suitable time can be found. The proposals in Foard County include extensions of present lines. Each individual who needs water is urged to have up his \$100 deposit. In some instances it will not be feasible to extend the lines because of lack of customers, Mr. Black stated.

Congressman Jack High-tower has announced that a loan of over \$1,000,000 has been made and a comparable grant has also been approved

REDDY'S Conserve and Save Tips for Your DISHWASHER

Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.

A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

Information Given to Foard Farmers by Local ASCS

The February newsletter of the Foard County ASCS committee had the following information for Foard producers:

1976 Wheat, Feed Grain and Cotton Programs
Allotments will be mailed next week. These notices will have the allotments and yield for 1976, but this will not limit what a producer can plant. All out production is encouraged by the Department of Agriculture again this year. The allotments and yields will only be used in qualifying a farm for a disaster payment in case of a natural disaster.

Cotton Allotments
The county committee voted not to permit the sale, or leasing of upland cotton allotments out of the county for 1976. The sale or leasing of cotton within Foard County is allowed. Applications will be taken after the

allotment notices are mailed, to release or request re-allotment cotton. Releasing cotton allotments to the county committee is effective for only one year, and will protect the history for that year.

Wheat Final Grazing Date
The Texas State ASC committee has set March 20, 1976, as the final grazing date for wheat and barley in Foard County. Wheat or barley grazed after March 20 will not be eligible for disaster payments.

Agriculture Conservation Program
The Agricultural Conservation program has been announced for 1976. The County development group met Feb. 6 to set the conservation practices that will be used in Foard County. After the county program has been approved by the Texas State ASC

office, and when we received our allocation of about \$20,000.00, we will start taking applications. Every eligible producer will be notified when they can file an application.

This office will be closed on Feb. 16 in observance of George Washington's birthday.

CARD OF THANKS

We wish to express our gratitude for every kindness shown our family. For the flowers, the food brought to the house, the luncheon at the church, your prayers and concern, we are deeply grateful.

Inflation Cuts Out Services of Highway Department

Austin — The harsh realities of inflation have caught up with the State Department of Highways and Public Transportation. But many motorists haven't yet got the message.

A letter received recently at the Corpus Christi district office of the state agency illustrates the problem. It read:

"Why is it that in Karnes County, Texas, the sides of the highways are so poorly kept. They never mow them anymore and the way it looks the weeds are so tall you can hardly see the pavement."

"With all the good equipment the State Highway Department has it seems they could keep the roadways half decent and not be a disgrace to the Taxpayers of the State and County."

Several years ago, inflationary pressures were pushing up the cost of maintenance operations of what was then the State Highway Department.

Department officials looked for ways to trim costs and an easing of the longtime mowing operations standards appeared to be the best -- and quickest -- way to save money.

For many years it had been Department policy to mow highway right of way from fence line to fence line. A new policy -- defined as "strip" mowing -- was evolved. This meant mowing a "strip" five to 15 feet

outward from the outside lane of the highway as necessary for maximum safety and conformance with height standards.

Fence line to fence line mowing is completed only once a year, and is deferred until the early spring wild flowers have matured seed -- usually about six weeks after the height of their blooming period.

The results have been as expected. Projections indicate that the Department has saved approximately \$11.7 million in mowing operations since the new policy was adopted. Mowing cost \$14 million last year.

Despite the push of

inflation -- in some years reaching double digits levels -- percentage of total maintenance costs dropped from 14 to 12 percent for mowing in 1969-70 and has held at 12 percent with the exception of 1971-1972 when it rose to 14 percent of total maintenance costs.

Some beauty lovers take exception to the delays in springtime mowing. Actually, the delays insure that nature will be allowed to take its own course, letting the seed pods mature and the seeds fall. Thus, nature prepares for next spring's roadside displays of colorful wild flowers.

Former Resident Died

Mrs. Madge Johnson, former resident of Crowell, passed away in Ca. on Jan. 26, according to word received here.

Mrs. Johnson was a daughter-in-law of Mrs. Charles Dickerson of this city.

She was born in Findley, Ohio, Oct. 5, 1914. She moved with her parents, Mr. and Mrs. Brownie Moyer, and brother, Bob, to Crowell in about 1930. She graduated from Crowell High School in 1933 and married Wilburn C. Johnson in 1936. Mr. and Mrs. Johnson moved to California in 1939. They later returned to Crowell for two short periods of residence, from 1945-48 and 1950-52. They have resided continuously in California since 1952.

Mrs. Johnson is survived by her husband; one daughter, Mrs. James Denton of Robbins Air Force Base, Ga.; one son, Jerry Johnson of Carson, Ca.; her mother of Lynwood, Ca.; one brother, Bob Moyer of Fort Worth; and three granddaughters, Kelly and Stacy Denton of Georgia and Bobby Lynn Johnson of California.

Memorial services for Mrs. Johnson were held in Green Hills Memorial Park, San Pedro, Ca., January 30.

Kincaid Is Named Easter Seal Chairman

Robert Kincaid will lead the 1976 Easter Seal Appeal in Foard County. It was announced last week by Irving A. Barker of Dallas, President of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents in the county will receive the traditional Easter Seal Appeal letters beginning March 1. The Easter Seal Appeal is conducted each Spring to provide disabled persons and their families treatment and services. It will continue through Easter Sunday, April 18.

The Texas Easter Seal Society and its statewide network of treatment centers and local volunteers spent \$1,820,547 financed by the traditional Spring Easter Seal Appeal and Fall Membership Drive. Over 90 percent of all funds raised remain in Texas to support the growing needs of the disabled in the State.

SENIOR CITIZENS

The Crowell Senior Citizens met Tuesday at their regular luncheon. Guests were: Gladys Meek, Brenda Eaton, Vernon, LVN student and Larry Jones, Superintendent of Schools. Mr. Jones showed color slides of his missionary work in Korea in June of 1975. He told of many interesting customs and related facts along with his slides.

The Senior Citizens will help with the Valentine Party at the Crowell Nursing Home on Thursday, February 12 at 3:30 p. m.

Plans were made for a Chili and Stew Supper on Friday, February 27 at 5 p. m. The 42 Party will be on February 19 at 6 p. m.

Museum News

Mrs. Virgil A. Johnson, Chairman, Foard County Historical Commission. There was lots of activity around the museum last Wednesday on the first work day.

Mrs. Mary Brown brought one of her classes composed of Vickie McDaniel, Staci Garrett, Beth Langford, Tracey Shaw, Bernadette Greening, Janet Kubicek, Betty Whitley and Sharon Swearingen who cleaned and polished the large display cases.

Others who worked with painting, cleaning and various duties were Ruth Andrews, Russi Hord, Zella Blackburn, Hazel Ramsey, Lucy Gamble, Bettie B. Gafford, Faye Bell, Minnie Karcher and Bonnie Johnson.

Every Wednesday is work day. Bring a sack lunch and see what is going on at the museum.

Here are some things we need: lace curtains for three windows, old telephone, old fashioned pictures in frames, small kitchen table and chairs, love seat or small parlor furniture, chairs, old table, preferably with claws and crystal balls, bedside table, old fashioned pie safe, cuspidors, parlor lamps, rag rugs, old fashioned dresser scarves, bowl and pitcher, china chamber, dresser sets, perfume bottles, old dolls, old radio, prefer table model, and many items for the country store. In a carpeted area will be some fifteen glass cases in which to exhibit valuable artifacts. Come by on Wednesday and tell us what you have for us. The next smorgasbord will be on February 20.

Grants and loans totaling more than \$2.6 million were approved last week to develop a rural water system serving a dozen North Texas counties, including Foard County, according to U. S. Rep. Jack Hightower.

The \$1,401,000 loan and \$1,109,800 grant from Farmers Home Administration were approved for Red River Authority of Texas.

The rural development project will serve 528 users in 12 counties, including Childress, Cottle, Hardeman, Montague, Foard, Knox and Wilbarger.

Bids will be taken by the end of February or first of March so that work can begin this spring.

You can't see the ship, but thanks to the Navy, it can see you.

Navy men have a history of making discoveries. Like radar. On September 27, 1922 while two Navy men, A. H. Taylor and L. C. Young, were sending radio messages across the Potomac, a ship sailed between the two points, and they discovered a basic principle which led to the subsequent development of radar. The significance of radar in the growth and development of the world is history in itself. And as the United States is celebrating its Bicentennial, the Navy is proud to recognize those Navy men who have contributed to its historic growth. More and more good men are joining the Navy, and carrying on our tradition of progress. You could be one of them. of the new systems will be
replaced with parallel ter-
races. Use of the improved
terrace systems is encour-
aged by the Foard County Soil
and Water Conservation
District. The technicians of
all the agricultural agencies
assisting the program are
assisting all farmers to
convert to the improved
terrace systems as fast as the
farmer's cropping system
will permit.

**Bus Tour of Beef
Industry on Plains
Is Planned**

A bus tour of the beef
industry on the Texas High
Plains has been scheduled
for March 11-12 by the beef
cattle task force of the
Rolling Plains Economic
Program.
Rolling Plains livestock
producers wanting to make
the tour are being urged to
meet the February 19
deadline for mailing the \$40
registration fee to Dr.
Whitney Rounds, P. O. Box
2159, Vernon, Texas 76384.

Two industry stops are
scheduled March 11, the
Iowa Beef Processors plant
and the Texas Veterinary
Diagnostic Laboratory, both
near Amarillo, and three
stops March 12: Colby
Conkright and Son Regis-
tered Herefords near Here-
ford, Southwest Feedyards
near Hereford and Friona
Industries at Friona.
Additional information can
be obtained from Dr. Rounds
at Vernon.

**CHS Boys Tied for District
Cage Title; Play Aspermont**

The Crowell High School
boys basketball team, coach-
ed by Randall Ryan, ended
up regular season play last
week tied with Aspermont in
standings. Aspermont won
the first half district play,
and Crowell won the second.
These two teams meet at
Hamlin Tuesday night to
determine the district cham-
pion. The District 8-A race
ended up with Rotan and Jim
Ned tied for the title and
these two teams will also be
playing this week to
determine a champion.
Should the Crowell boys
defeat Aspermont, it will be
the first district basketball
championship for the Wild-
cats since 1961.
Although the Wildcats lost
a close one to Aspermont
there earlier in the season,
Crowell blasted them 93-50

at Wildcat gym Tuesday
night of last week in the
season high scoring effort of
the local boys.
Every Wildcat made some
points with David Bell high
scorer with 23 points. Dee
Finley had 17. Melvin
Westover and Rickey Cole-
man 12 each. Steve Stapp 9,
Rocky Glascock and Jack
Whitley 6 each. Tim
Christopher, Pat Norman
and David Crafton 2 each.
Marvin Coleman and Daniel
Field 1 each.
Crowell hosted Monday in
the last regular season game
on Friday night and won
66-41. Bell led Crowell
scoring with 16 points,
Rickey Coleman and West-
over had 13 each. Finley and
Stapp 8 each. Whitley 4, and
Glascock and Marvin Cole-
man 2 each.
In other boys basketball
action last week, the Crowell
junior varsity closed out their
season with a 59-38 win over
Munday here on Friday
night. Steve Criss led the
Crowell scoring with 11
points, Mark Christopher
scored 9, David Westover, C.
B. Sparkman and Milton
Henry 8 each. Claudius
Coleman 7, Dwayne Dishman
6, and Jay Wall 2.

**Heart Fund Drive
Now in Progress**

Heart Fund Week in Foard
County started Monday,
February 9 and will continue
through Friday, Feb. 14.
Mrs. Jim Mack Gafford,
chairman of the drive, said
last week. She added that
Heart Sunday is set for Feb.
22, and this is also the last
day of the annual drive.
She said a house to house

drive is being made this
week, and she listed the
following workers:
Mmes. Delton Parkhill,

**District Agent
Issues Weekly
Crop Report**

District Agent Ed Garnett
had the following remarks in
the weekly crop report issued
last week:
Dry weather and green-
bugs continue to hamper
small grain prospects in
District 3. Top dressing with
fertilizer and spraying wheat
for greenbugs are major
farming activities. Winter
land preparation is contin-
uing in anticipation of spring
planting for summer an-
nuals.
Stockmen are supple-
mental feeding cattle herds.
Winter calving is nearing
completion, with some prob-
lems reported from predators
of newly born calves.
Ranchers are treating for
external parasites on cattle.

**Crowell Water
Purchases Up
in January**

City of Crowell residents
purchased 6,264,400 gallons
of Greenbelt water during
January which is the second
biggest January water usage
in the five years of the
Greenbelt system. In Janu-
ary 1973, Crowell used
7,229,000 gallons, and in
January 1972 local purchases
were only 3,184,000 gallons.
January 1975 saw Crowell
use 5,646,000 gallons.
Childress was the biggest
user of water in January
purchasing 15,431,140 gal-
lons. Red River Authority
who supplies water to rural
water systems in the area,
bought 11,060,140 gallons
followed closely by Claren-
don which used 10,722,000
gallons. Quanah used 8,908,-
600 gallons. Bestwall bought
5,027,400 gallons. Hedley
1,719,100 and Copper Breaks
22,540 gallons.

**SEEDS FROM
THE SOWER**
By Michael A. Guido, Metter, Georgia

A little fellow sat on a
bench gazing at a cluster of
red apples hanging from a tree
just a few feet away. Sudden-
ly the farmer appeared and
asked, "Son, are you trying
to steal my apples?"
"No, sir," answered the
boy. "I'm trying not to, but
my not to sin isn't working
too strong."
It was that way with Da-
vid. When he wanted to do
right, he did what was wrong.
He saw that when he sat with
evil men he sinned with them,
and when he shared their
dainties he shared their devil-
try. He went from defeat to
despair.
But he began to realize
that there was a power be-
yond human power, and that
he could experience victory
instead of defeat. So he said
in his prayer in Living Psalms
141:4, "Take away my lust
for evil things; don't let me
be with sinners, doing what
they do, sharing their dainties."
The biggest lie of the Devil
is that you have to sin. "After
all," he says, "you are hu-
man!" and your high resolves
are destroyed. You give up.
But one got up. He went
from defeat to victory with
the help of Christ. He said,
"I can do all things through
Christ, which strengtheneth
me." So can you!

**To the Taxpayers of Foard
County and Crowell
Consolidated Independent
School District:**

Each person owning personal and/or real property within
the County of Foard or Crowell Consolidated Independent
School District, is respectfully requested by Emmett E.
Howard and J. H. Gillespie to come by the respective offices at
his earliest convenience and render such property for the
purpose of taxation.

The law, in effect, provides that all property shall be listed
or rendered by the owner thereof, if he is of full age and of
sound mind, but when it becomes necessary for the respective
tax assessors, their deputies or others who have to be hired for
such purpose to seek out each property owner to secure the
individual renditions, the expense involved is greatly
increased, and this additional expense is borne by the
TAXPAYERS.

Your cooperation will be appreciated, AND IT WILL SAVE
YOU MONEY. TRY IT!

Ben Bradfords Observe 66th Anniversary

Mr. and Mrs. Ben Bradford of Knox City celebrated their 66th wedding anniversary Sunday with a luncheon in their honor.

The Bradfords were married in a buggy by Rev. C. A. Powell, a Baptist minister, on January 26, 1910, in the new town of Margaret in Foard County.

They were the first couple to be married in Margaret. Children of the couple are Mrs. Odis (Nola) Claxton of Abilene, John W. Bradford of Appleton, Wis., Mrs. David L. (Atheleen) Owens of Knox City, Mrs. Joe (Bennie) Holton of Midland, Mrs. Phil (Evelyn) Balis of Mountain View, Ca. and Kenneth Bradford of Knox City. Mrs. Balis was unable to attend because of illness.

Grandchildren calling congratulations were Mr. and Mrs. Odis Claxton Jr. of Brownsville and Mr. and Mrs. Robert Bettes of Coppel.

Grandchildren attending were Mr. and Mrs. James Hopkins of Fort Worth, Mr. and Mrs. Duane Bradford of Dallas, Benny, David and Johnny Bradford and Mr. and Mrs. Chuck Roberts of Knox City.

Great grandchildren of the couple are Mrs. Cynthia Rodgers of Phoenix, Az., Sylvia Claxton of Brownsville, Randy Roberts of Knox

City and Kimberly Dawn Bettes of Coppel.

Other guests attending were Mr. Bradford's brother, Curtis Bradford, and Mr. and Mrs. Willie Garrett of Crowell.

New EKG Equipment Is Described

New E K G equipment which has been installed in the Foard County Hospital was described by Mrs. Audrey Collins, lab technician, at the Women's Service League luncheon, Thursday, Feb. 12, at the home of Mrs. Marietta Carroll, program leader.

The hospital board of directors subscribed to the new set-up through a medical electronics company who maintains it. Mrs. Collins explained that the patient is "wired" at the legs, arms and chest—usual procedure—by a local technician, the patient's medical history is coded, the E K G is taken and transmitted to Chicago via telephone where it is read immediately by computer and the printer machine based in the local hospital receives the report in about three minutes.

The local doctor also reads the test and doctors in Chicago call on any unusual findings. It was necessary for the company to install telephone jacks in each room for the transmission.

This equipment is used for the care of cardiac patients in conjunction with an older, smaller unit owned by the hospital and displayed by Mrs. Collins to the W S L. The electrocardiograms were formerly read in Wichita Falls and were sometimes several days in coming back. The hospital board felt local citizens

deserved better care; thus the up-to-date unit.

The guest speaker fielded a number of questions. She also stated she and several local nurses had taken a six-weeks "Coronary Care" course at Bethania Hospital in Wichita Falls.

At recent business meetings the W S L has approved contributions of \$25. to the Crowell High School Honor Band and \$35. to the Foard County Museum.

RIVERSIDE H D CLUB

Mrs. John Ray was program leader on "Cultural Arts" when the Riverside H D Club met in the home of Mrs. Truett Moore, Tuesday, February 3.

Mrs. Annie Shultz presided for the meeting, in the absence of Mrs. Billy Cleveland, president.

Opening exercise was a reading by Mrs. Sam Kuehn, "The Minds Eye". Fun time was a quiz, "What Am I?", given by Mrs. Robert Hammonds.

Mrs. Grover Moore was elected voting delegate to the District T H D A meeting in Haskell, April 6.

Mrs. Ray began her program by showing pictures of several different kinds of paintings, some of pen and ink, crayons, water colors, finger paints, and oil paintings. A few brief remarks were made on literature and some of the authors. She displayed several pieces of pottery, telling of the companies and where they made the pieces. She mentioned the art of handweaving and quilting. Her last remarks were about music. She had planned to play the record "Good music for people who do not like good music," but the needle broke on the stereo.

Mrs. Moore served refreshments to 8 members.

The next meeting will be in the home of Mrs. Roy Ayers, February 17. The agent will bring a demonstration on sewing technique.

New members and visitors are always welcome.

H. D. Agent Says...

Loretta Hardin
H. D. Agent

Can a dirty rug look clean? Yes! It is true that a rug can hold practically its own weight of dirt and still look clean on the surface. Some colors and types of carpet show soil less than others. Unseen, embedded dirt can cut the pile and increase wear and tear.

Everytime an adult walks on a carpet a pressure up to several hundred pounds per square inch is exerted on fibers which may be surrounded by sharp dirt.

There are three kinds of dirt in your rug: surface litter, dust, and heavy embedded dirt.

Shaking small rugs help remove embedded dirt; but it is hard on rugs. Do not beat rugs; this loosens tufts of the pile and breaks the backing.

Vacuuming the back of the rug helps get deep dirt. Turn the rug right side up and

clean thoroughly.

Professional rug cleaning also will remove deeply embedded dirt.

Carpet construction affects cleaning ease. Deep and close pile carpets require more strokes of the vacuum cleaner to remove dirt.

Small cotton shag rugs may be washed. A suction-type cleaner also may be used on large shag rugs.

Rugs need regular care. Clean up crumbs, dust, lint and litter often. Daily cleaning keeps dirt from working its way down into rugs causing wear. Weekly vacuuming gets the deep down dirt which cut the tiny threads.

To do this, move the vacuum cleaner back and forth slowly seven times. It picks up more dirt that way. If you don't have a vacuum cleaner, sweep your rug carefully by putting a few drops of water on the broom before sweeping so the dust won't fly so much.

To thoroughly clean your carpet you should not forget to shampoo. A rug should be shampooed every year or two to get rid of heavy dirt and grime.

College Day Is Set at Texas Tech

High school juniors and seniors and junior college students will get the inside story on college and university life Feb. 27 at Texas Tech University's College Day.

Students and counselors from Texas and Eastern New Mexico have been invited to the Lubbock campus for a first-hand look at university programs and activities.

High schools have been sent information about the College day and more information can be obtained at the local school.

GAMBELLVILLE H. D. CLUB

A reading, "Little Mary's Essay," was given by the hostess, Mrs. David Scott, for the opening exercise when the Gambellville Home Demonstration Club met in her home for a regular meeting Feb. 6. Mrs. Milburn Carroll, president, conducted a Valentine quiz for recreation and roll call was answered by eight members.

Mrs. Carroll announced several upcoming meetings: one will be Quannah May 3 at the community building titled "Our Home, Its Heritage". Foard County exhibits will be home demonstration work, cook-books and old utensils. Another meeting by the Rolling Plains Economic Program will be given Feb. 25 on health legislation. Three women from Foard County will assist in registration.

Mrs. Clarence Garrett gave a brief report of the District 3 THDA training meeting she attended in Spur Jan. 29. She announced the District 3 THDA spring meeting will be April 6 in Sagerton with luncheon reservations due by March 15. Also the state THDA's 50th anniversary convention will be held in College Station Sept. 20-24 celebrating the 200th anniversary of the county, the 100th anniversary of the extension service and 50th anniversary of the state association.

Mrs. Garrett gave the program on Crowell as a bicentennial city. She described bicentennial activities which occurred last spring and detailed the bicentennial symbol and gave its meaning. She then gave a reading, "I Am Your Flag."

30 Years Ago in The News

News items below were taken from the Thursday, February 7, 1946, issue of The Foard County News:

Mr. and Mrs. C. P. Sandifer are today observing their sixtieth wedding anniversary at their home in Crowell. They were married Feb. 7, 1886, on the north bank of Red River in what was then known as Indian Territory. At that time there were no bridges, and they crossed the river on a hand-operated ferry boat.

T-Sgt. Ted Reeder received his discharge from the Army at Camp Beale, Ca. on January 26 after serving for 42 months.

Marion Howard Ferguson, who is stationed at Sendai, Japan, has recently been promoted to the rank of sergeant.

S-Sgt. Weldon Hays has returned from a year's service in the China-Burma-India theater of operations. He received his discharge and arrived at home Tuesday, Feb. 5. He has been in the service for more than three years.

Pvt. Travis Vecera, who recently volunteered for the Army Air Corps, has been stationed at Sheppard Field for his basic training. Travis is the youngest son of Mr. and Mrs. Tom Vecera and is their fifth son to serve in the armed forces.

A deal was closed last week whereby Irving Fisch purchased the brick building one door north of the Rialto Theatre on the west side of the square from Riley Self of Sacramento, Ca., and Mrs. B. W. Self of Crowell. The building is now occupied by the Ideal Cafe and the T. H. Russell barber shop and Mr. Fisch has given both businesses a new lease on the building.

Mrs. Eunice Jones and daughter, Wanda, have returned to Crowell from Dallas where they had been living since last August.

An Army B-29 Superfortress, the "Dreamboat," flew from Burbank, Ca., to Floyd Bennett Field, New York, in slightly less than 5 1/2 hours—a new record. The sun travels this distance in slightly less than four hours.

The Big Bend National Park in Texas, more than 7,000,000 acres, is possibly America's last undeveloped wilderness.

L. E. Archer bought the brick building on the north side of the square, in which his variety store has been located for the past year, from Herman Allison of Covina, Ca., last week.

A deal was recently closed whereby the W. R. Womack family bought the 50-ft. brick building on the north side of the square from T. J. Ferguson. The W. R. Womack furniture store has been located in this building for about 30 years.

Dr. D. C. Maxfield of Sulphur Springs opened an office for the practice of dentistry in the Lanier building this week.

Sen. W. Lee O'Daniel of Texas ejected 14 renters to take possession of a 40-room apartment house for the exclusive use of himself and family in Washington. He stated that he was used to plenty of room in Texas and wanted to feel at home in Washington.

Crowell Water Usage Showed Decline from Previous Year

Only one of the eight purchasers of Greenbelt water showed an increase in usage last year, according to figures released last week by the Greenbelt Municipal and Industrial Water Authority. The only increase was shown by Clarendon which increased its consumption by 2.23 per cent and used a total of 157,503,000 gallons. Crowell used 81,082,000 gallons which was a decrease of 15.53 per cent from 1974. Quanah had the biggest decrease in usage, down 24.57 per cent from 1974. Last year Quanah bought 140,699,000 gallons of water

from Greenbelt. Childress continued to be the biggest user of Greenbelt water buying some 267,154,000 gallons last year which was a drop of 17.07 per cent from the preceding year. Hedley used 23,306,000 gallons for a 3.67 decrease from the preceding year. Bestwall Gypsum plant at

Quanah dropped purchases by 9.77 per cent to 61,304,000 gallons. Red River Authority slowed down its purchases by 9.25 per cent to 132,934,000 gallons. Copper Breaks State Park bought 507,000 gallons, which is 6.05 per cent less than the preceding year.

Public Schools Week Is March 1-5

In conjunction with this nation's 200th anniversary, Texas Public Schools Week March 1-5 will feature bicentennial activities in many schools across the state. Texas Public Schools Week should be an excellent time for parents and non-parents alike to get involved in this special celebration. Texas public schools week is a time set aside each year for parents and the commu-

nity to visit and inspect local schools. Elementary through high schools will host an open house for the public so that everyone may attend class activities, eat lunch with the students, and to ask questions. Everyone is invited to support Texas Public Schools Week March 1-5 and to take an active interest in the public school system through attendance, evaluations, and constructive criticism.

GARDENING REQUIRES PLANNING

Planning is vital to the success of a home vegetable garden, emphasizes a horticulturist for the Texas Agricultural Extension Service. Select a site that gets plenty of sun and has loose, fertile and well-drained soil. Also locate the garden near a water source and near the home so that it can be checked regularly for disease and insect problems. Diagram the garden and make an information chart indicating the kinds of vegetables to be planted, when they are to be planted, time of planting and similar information.

Rotarians Hear Talk on Little Dribblers Basketball

Rotarian Bill Bell, who this year is serving as president of the local Little Dribblers basketball program, was speaker at the Wednesday, Feb. 4, meeting of the Rotary Club and gave a brief rundown of the six teams, their players and coaches. Bell said this year, individual businesses are sponsoring the teams, and new uniforms have been purchased. He said he has hopes that a state tournament can be held in Crowell this year. Assisting Bell in the operation of the program is vice president Rusty Russell. Student guests attending the meeting were David Crafton, Gene Fish and Steve Stapp. President Ike Everson reminded the Rotarians of the district conference set for March 18-20 at the Hilton Inn Downtown in Fort Worth.
