Sylvia Quintero Awarded Scholarship

Sylvia Quintero, 17, daughter of Mr. and Mrs. Ray Quintero, has been recipient of the C. J. Mason Scholarship for Future Homemakers of America. The scholarship is \$400 per semester and is continued for 8 years. It is limited to students who plan to major in Economics and meet eligibility requirements.

Sylvia has been a member of the Crowell FHA Chapter and has taken 4 years of colored courses in high school. She is currently serving as local president and Area Vice President in the organization.

She has also served as a member of the FHA chapter in Antonio, and officers in the National meeting in Irvington D. C., the State Council Meeting in Kimberley, and recently Area IV meeting in Enville, where she was elected to the State Nominating Committee.

At the beginning of this year, Sylvia held 21 meetings for 7 FHA chapters to which they were given the national and knowledge received at Washington Kimberley.

Sylvia plans to attend Tech University next year.

Grady Graves Honored at Tarleton

Grady Graves, long-time Crowell coach and school superintendent, was one of the past presidents of the Tarleton State University student body, who was honored recently at Stephenville.

Mr. Graves was president of the student body in 1923-24, and the J-Tac, Tarleton State University newspaper, had the following to say about Mr. Graves.

"Retired schools superintendent, presently lives at 575 W. Green in Stephenville. His wife, Dannie Louise, and all three sons attended Tarleton. Masters from A&M, formerly president of Crowell Rotary Club, and superintendent of First Baptist Church Sunday School for many years. Also junior class president while at Tarleton. Three sons are Dr. Robert Graves, vice principal of McLean Middle School in Fort Worth, Dr. Gordon Graves, president of Datatrol Electronics in Boston, and Bill Graves, superintendent of Winters Public Schools."

Recipients of Medicare Can Get More Benefits

Any current Medicare recipient who needs non-emergency medical transportation to a Title 19 Medical Service (Doctor, Dentist, Hospital, Laboratory, Pharmacy, Optometrist and Hearing Aid) call 684-4011 for medical transportation and receive assistance.

This is a service offered through a contract from the Department of Public Welfare, EOAC and the Foard County Neighborhood Center. Mrs. Lucille Carter said Tuesday.

FOUR NEW VEHICLES

Four new vehicles were registered here last week, as follows:

March 16, Otto W. Davenport, 1976 Chevrolet 4-door; March 17, James Ervin Finnell, 1976 Chevrolet 4-door; March 18, Goodwin Chevrolet-Olds, 1976 Oldsmobile 4-door; March 19, Wm. G. McWhorter, 1976 Chevrolet Blazer.

A NEEDED CHANGE

Schools are a valuable part of any community, and the Crowell School students have proven to be an exceptional lot this year, as they have walked off with prizes and championships all year long.

As parents, where our children are involved, so are we.

Crowell Schools have a fine athletic program and a fine band program. In junior high school boys can participate in both the athletic program and the band program without conflict.

However, when the boys get to high school, they must make a choice as to which endeavor they wish to continue, as conflicts in scheduling prevent them from doing both. This is not the case with girls in sports and band as no scheduling conflict exists.

It is not a matter of a group of parents wanting their children to participate in everything that comes along, but a sincere desire that our children be given the opportunity to participate in both band and sports if they want to.

If given the opportunity to participate in both, the boys would not be marching

during football and basketball season, but would continue along with the music program and could participate in concert and other band programs.

The school board has been advised by the administration that an additional period will be needed each day if the schedule is changed to permit boys to participate in both, and a longer school day will be required.

A survey made by the News last spring revealed that Knox City, Haskell, Munday, Paducah and Holliday all have seven period days with their school days ranging from only 20 to 35 minutes longer than Crowell's school day. These schools accommodate their students so the boys do not have to make a choice between athletics or band, but can participate in both.

The school board announced last month that at the meeting on Monday, April 5, a decision will be made as to whether to permit the boys to participate in both athletics and band.

The News strongly urges the board to authorize this much-needed improvement in school curriculum.

CHS Band Is Winner of Sweepstakes Award

Absentee Voting to End March 30th

Next Tuesday, March 30, is the last day for absentee voting in the three elections to be held in Crowell on Saturday, April 3. Absentee balloting is done in the office of county and district clerk Cornelia McDaniel.

On April 3, residents of the Crowell school district will be electing two trustees. City of Crowell residents will be voting on the proposed one cent city sales tax and also will be selecting two aldermen for the city council.

Little Dribbler All-Stars Set Practice Games in Crowell

The Crowell Little Dribblers all-stars will be playing two practice games during the next week in preparation for the regional tournament to be held here April 8-10.

On Saturday night starting at 7 at Wildcat gym, the local teams will host Haskell teams. Both the 9 and 10 year old all-stars and the 11 and 12-year-old all stars will be playing.

Then next Tuesday night, Crowell will host Seymour LD all-star teams. Starting time is also at 7.

Cancer Society Sets Meeting for Thursday

A meeting to make plans for the April crusade will be discussed when the Foard County unit of the American Cancer Society holds a meeting Thursday night, March 25, at the Methodist men's Sunday school classroom.

Mrs. Dale Henry, president, said the meeting will begin at 7 and she urged all interested persons to attend.

Deadline Is Nearing for License Tags

The deadline for registering vehicles for 1976 is rapidly approaching. The 1976 sticker must be on the rear license plate of Texas vehicles by Thursday, April 1.

Mrs. Mary Borchardt, office deputy, said Monday that the tax assessor-collector's office was busier than usual last week as Foard County residents bought their stickers.

She added that voter registration is also continuing in her office.

Jackie Daniel Doing Practice Teaching

Jackie Daniel, son of Mr. and Mrs. R. C. Daniel of Truscott, last week began his practice teaching in the Knox City High School. Daniel, a senior agriculture education major at Texas Tech in Lubbock, is working with Leon Burkham and Jim Dillon, who are the vocational agriculture teachers at Knox City High School.

Knox City, with the two vocational teachers, offers VA I, II and III as well as two additional ag courses, production agriculture and ornamental horticulture.

During the eight weeks Daniel is at Knox City he will be teaching at least one week in each of the five classes. Daniel, a 1972 graduate of Crowell High School, will be receiving his bachelor's degree in May. At the present time, he is a member of the Agriculture Council at the college, a member of the Presidential Council for Red Raider Selection, and is a past president of the Collegiate FFA chapter at Tech.

Rita Roberson Graduates from NTSU

Mrs. Rita Roberson of Crowell was among 866 candidates receiving degrees at North Texas State University in Denton this winter. Although no winter commencement is conducted at NTSU, Dec. 20 is the official graduation date for the 604 bachelor's, 224 master's and 38 doctor's degree recipients.

All winter graduates will be invited to join the spring graduation class in formal commencement ceremonies in May at the university.

Mrs. Roberson, daughter of Mr. and Mrs. Delton R. Coffey of Crowell, received the bachelor of science in home economics degree in home economics education, cum laude.

The 88-member Crowell High School Band, with students from the seventh through the twelfth grades as members, and under the direction of James Streit, added a sweepstakes trophy to the collection when the band made Division I ratings in both concert and sight reading in the UIL band contests held in Vernon last Wednesday.

Sweepstakes award goes to the bands which receive I (superior) ratings in concert, sight reading and marching contests. The band last fall at the UIL contest received a I rating in the marching contest. There are three judges for each contest. Two

Reed Davis of U. S. Navy Visits Crowell Relatives

Reed Davis, son of Mr. and Mrs. Cecil Davis, left Saturday for Great Lakes, Ill., after a two weeks visit here with relatives.

Davis, who back in December enlisted for six years in the Navy, has recently completed boot training at Orlando Fl. He will be in nuclear training for about 2 1/2 years before being assigned to a nuclear powered submarine.

TO SPEAK HERE

Rev. John Robertson, a former Crowell resident, will be speaking at the Sunday, March 27, services of the Assembly of God Church in Crowell. Rev. Robertson, who has been serving as a missionary in Tokyo, Japan, will be going to the Philippine Islands in the near future to continue his missionary work.

The public is invited to hear him.

HOUSE WARMING

The public is invited to a house warming for Ben Byrd to be held from 3 to 4 p. m. Thursday at the former Ruben Mitchell house in the southeast part of Crowell.

of the three judges must make a I award if the band is to receive a I rating in the contest. Of the nine judges who heard and saw the Crowell band this year, every one of them gave the band a I rating.

This is the third time in the past five years that Mr. Streit has led his students to the coveted sweepstakes award, and the band is currently the Class A Honor Band in the entire state of Texas, an award received last fall.

Some of the comments made by the judges on the score sheet were:

"Fine appearance, great attitude, and good concentration by the students... overall good strong reading. Congrats on your fine program. All should be proud. Parents, school, community. Fine Director."

"Very attractive Band! Very nice looking band!... Enjoyed hearing your band."

"Nice looking band... An excellent Band. So early too. I really enjoyed the performance. Thanks!"

"Pretty band... This is an excellent band... Congratulations."

Crowell has had a number of encounters with Seagraves during the football and basketball seasons just

concluded and Bill Woods, director of the Seagraves band, was one of the judges for the contest last week in Vernon. Some of his comments were:

"Folks, you've had a fine year and I know you are just about emotionally drained."

"My scores have some marks that you are as aware of as anyone."

"My congratulations to you for an entire year, not just for any one performance."

"You are a credit to your parents, school, community, region and state. Thanks for being such good representatives."

"Keep in mind that as long as you are green, you continue to grow. When you think you're ripe, you are rotten."

"My sincere congrats to your director. All of Seagraves congratulates your entire school. We've had quite a year, huh!"

"P. S. Brad said to add his congrats to your round-balls..."

Archer City and Holliday joined Crowell in the sweepstakes winners circle among class A bands in the contest last week. Also participating from class A were Munday, Knox City and Paducah.

AT LEADERSHIP CONFERENCE—Mr. and Mrs. Danny Naylor of Crowell, left, represented the Foard County Farm Bureau at the Texas Farm Bureau Young Farmers and Ranchers Leadership Conference March 13-15 in Waco. At right is Milton Beckendorff of Sealy, chairman of the TFB Young Farmers and Ranchers Advisory Committee. Young farm and ranch leaders from all over Texas attended the three-day conference to discuss state and national legislative issues, will and estate planning, operation of county committees, and the structure of Farm Bureau.

Commissioners Hear About Possibility of New Ambulance

The possibility of Foard County securing a new ambulance, a hospital base radio station, mobile radio and other equipment was voiced Monday morning when two representatives of Nortex Regional Planning Commission in Wichita Falls met with the commissioners court. Also attending the session were local ambulance operator Recie Womack and Bill Klepper.

Randall Hempling and Mike McMurtrey, both from Nortex, explained that for the past five months, Nortex has been developing a plan for improvements of emergency medical services in the region.

That plan has been completed and for Foard County, the proposal calls for a new \$16,800 ambulance, a hospital base radio station to cost \$5,800, an ambulance mobile radio at \$1,400, and various other equipment totaling some \$26,054.20. The money would be secured through a hoped-for federal grant with the county to be required to provide \$650.00.

Nortex stated that two emergency carrier attendants and two emergency medical technicians are presently needed in the county. An emergency carrier attendant is a person trained in emergency care of injured or critically ill patients while they are in an ambulance en route to hospital. An emergency medical technician is a person that has more training for emergency care than the emergency carrier attendant. Nortex suggests that this training be provided through a continuous hospi-

tal emergency training program. Since law enforcement personnel are usually the first to arrive at accident scenes, Nortex says they should receive ECA training.

In the matter of communications, ambulance-hospital and hospital-hospital radio communications are needed and suggested that the base radio station be placed at the local hospital.

It was pointed out that much of this work, including ambulance drivers, must be of a voluntary nature in a county as small as Foard because the cost of full-time medical emergency personnel would be prohibitive.

Mr. Womack, operator of the ambulance service here

for many years, expressed the hope that the ambulance can be secured, and personnel trained to treat the injured as he cannot continue to provide these services to Foard County residents indefinitely.

The court, through Judge Seth Halbert, advised the Nortex representatives that they will take the matter up with City of Crowell officials, and let Nortex know as soon as possible as to whether Foard County cares to participate in the program.

The Nortex officials stressed that there is no absolute certainty the federal grant will be received, but they are hopeful that it will be.

Rattlesnake Hunt Held Last Weekend

The Crowell Fire Department-sponsored Rattlesnake Roundup held in Crowell over the weekend was hampered in the snake catching department by the windy cool weather. A veteran local snake hunter said Sunday afternoon that he had been unable to find any snakes in the spots he could usually find them in the spring.

However, prizes and trophies were awarded Sunday afternoon to the winners.

Don Bennett of Oklahoma City, who said he caught the snake in the vicinity of Copper Breaks State Park, had the longest snake; it measured 5 feet 2½ inches in length. Mark Fuller of Wichita Falls won the prize for the smallest snake, which was 16 inches in length.

Eddy Whitley of Crowell, with 38 pounds of rattlesnakes, won the prize and trophy for the most pounds of snakes.

Track Teams Enter Meets Last Week End

The Crowell High School girls track team entered the first meet of the season at Vernon last Saturday and accumulated 28 points.

Terri Nelson won fifth in the shot put. Beth Graves took fourth place in the long jump while Kathy Whitfield took sixth in the same event. Nelson also won third in the discus. In the triple jump, Graves won second and Whitfield took fifth. Crowell's 440 yard relay team, composed of Darlene Tucker, Whitfield, Sabrina Kearney and Graves, won fifth in that event while Tucker took sixth in the 220 yard dash.

On Thursday, the Crowell junior high girls will participate in the Knox City meet and on Friday the high school girls go to Burkburnett.

The Crowell High School boys track team participated in the Quanah invitational meet last Saturday and took fourth place in team standings.

Melvin Westover posted the only first place for Crowell as he won the shot put with a throw of 47-6. In this same event David Bell took third with a throw of

45-3. Bell also won third in the discus and third in the 120 yard high hurdles.

Crowell's mile relay team, composed of Jay Wall, Mark Christopher, Rocky Marlow and Tommy Tamplen, won third place in that event.

Tampelen also took fifth in the 100 yard dash with 10.4.

The boys will be idle this week and will be participating in the Childress meet next week end.

Engineers Approve Salt Dumping

Texas Parks and Wildlife Commission Friday approved a Corps of Engineers project to pump salt from the Red River and deposit it on a 10,000-acre site northwest of Crowell.

A Corps of Engineers survey calls for approximately 1,000 tons of salt daily to be collected from Jonah Creek and Salt Creek just north of the Texas-Oklahoma border, and to be carried by pipeline 75 miles south along the Red River to a 10,200-acre area where it will be deposited.

PRESENTS PROGRAM

Rotarian Garland Wiemers reviewed the preceding week's 4-H and FFA Project Show at the Wednesday, March 17, meeting of the Crowell Rotary Club. He told of the premiums paid and results of the auction. He was introduced by Rotarian Marvin Myers.

Visitors at the meeting were Rotarians Roy Sansom and Bob Knowles of Quanah. Mr. Sansom announced that the armed forces bicentennial caravan will be in Quanah on April 15 from 11 a. m. until 7 p. m. The caravan has been prepared by the nation's armed forces and highlights with exhibits and documents this country's history. There is no recruit-

**News from the
Nursing Center**

Spring is getting into our blood at the Center. We are beautifying our home inside and out with the residents and staff working together.

Frank Love, a resident, is head of our garden project. He cares for the indoor plants. Also our project could use plants and flowers to beautify the area around our home.

We have been running the names of the staff and their position each week. This week we'd like to introduce our maintenance and laundry personnel—Augustine Lozano is head of maintenance and Annie Little is head of laundry. Dora Criss is relief in both departments.

The Assembly of God Church sponsors Sunday school at the home with Mrs. Joyce Glover and Mrs. Ethel Barker coming each Sunday morning. A special thanks to these ladies and also to Mrs. Edna Sanders, Nora Flesher and Carrie Johnson who are very frequent visitors and entertainers at the home.

Mr. and Mrs. Joe Jeffers of Pampa visited his mother, Mrs. Clyde Jeffers, Saturday. They took a drive and had lunch in Quanah.

Last Sunday, services were conducted by Rev. Bobby Argo of the First Assembly of God Church. Debra Daniel played the piano and also teamed with her father, Billy Daniel, for a duet. Mrs. Allison Denton led the singing and also sang a special song with his wife.

The Bethel Church will hold services Sunday March 28.

A country and western musical will be presented for the residents Friday evening. Watch our bulletin board for upcoming events at the center.

Our parting thought for the week—each day is a gift of God, not to be wasted. He has given us 86,400 seconds each day. How are you going to use them?

**Open
House
Planned**

An open house will be held Sunday, March 28, from 2:30 to 4 p. m. at the Outreach Service Center in Quanah for the purpose of showing the area the new addition and to honor those people who were most instrumental in starting the outreach center.

The purpose of an outreach center is to provide education, prevention, case finding and treatment to the people of their area. The Quanah outreach center is also supposed to serve Foard County.

Everyone in this area is invited to attend. The center is located at 6th and King Streets in Quanah.

**Workshop Set
for School
Trustees**

"Policymaking: A Challenge for School Board Members" is the recently published handbook for use at the 21 regional workshops to be co-sponsored by the Texas Association of School Boards and local educational institutions throughout Texas as this spring.

The workshops are designed to familiarize newly elected board members with the duties and responsibilities of trustees as the governing body of the school district. Veteran board members are also encouraged to attend the workshops to hear presentations and discussions of new topics concerning education. This year's handbook covers the issues of school board member liability, corporal punishment, student due process, consultation, and school-community relations.

C. L. Darter is coordinator of the 3:30 p. m. April 29 session to be held at Midwestern State University in Wichita Falls. This is the workshop which is closest to Crowell for the convenience of all members of the Crowell school board.

Aid Crippled
Texans**

Foard County's Easter Seal representative reported Monday that the 1976 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well, but urged all citizens who have not responded to the appeal to do so.

Robert Kincaid serves as Easter Seal appeal treasurer for the county. Contributions should be sent as soon as possible. The annual spring appeal for funds continues through Easter Sunday, April 18.

**Crowell to Host
Little Dribblers
Regional Tourney**

For the first time in the history of the Little Dribblers basketball program here, Crowell will be hosting a tournament this year. The regional tournament will be held at Wildcat gym on Thursday, Friday and Saturday, April 8, 9, and 10.

Action will start Thursday, April 8, at 1 p. m. and finals are set for Saturday night.

There will be a junior and senior division in the tourney: a 9 and 10 year old division and a 11 and 12 year old division.

Two teams from each of the following towns will be playing in the tournament: Seymour, Breckenridge, Silverton, Crosbyton, Haskell and Crowell.

**Little Dribblers Basketball
Results for Week Are Given**

D&T Foodway and Foristers are this week engaged in a best 2 out of 3 play to determine the 1976 Little Dribbler championship for Crowell. These two teams ended the regular season as winner of their respective divisions.

Here's brief accounts of the last week's regular season play.

Monday, March 15: Foristers 24, Rotary 15. Ray Smith with 13, led Forister in this game. Elbert Sparkman had 4, Larry Criss 3 and Vincent Anderson and Oneal Glover 2 each. Van Coleman and Tommy Russell each had 6 for Rotary, Joe Setliff 2 and Craig Weddle 1. In the second game it was Thedford 40 to 21 over Phillips 66. For Thedford, John Halsell had 32, Jeff Wright 4 and Willie Tucker and Eddie Kuehn 2 each. F. A. Newman had 10 for Phillips, Ronald Neal 9 and Jesse Urquizo 2. D&T blasted McLain 51 to 23 in the last game that night. Guy Todd had 23, Danny McCrary 18, Mike Branch 9 and Charles McCrary 1 for D&T. For McLain, Thomas Sparkman had 16, Adam Rodriguez, Willie Joe Green and Gary Groves 2 each and David Dunn 1.

Thursday, March 18: in the first game it was D&T 43 to 21 over McLain. For D&T, Todd had 22, Branch 15, Danny McCrary 4 and Dan Wall 2. For McLain Sparkman had 16 and Dunn 5. In the second game Foristers defeated Rotary 38-22. Criss with 18 led the Forister attack. Ray Smith had 12, Vincent Anderson 7 and Elbert Sparkman 2. For Rotary, Setliff had 10, Russell 6, Marty Rose 4 and Coleman 2. In the last game Phillips defeated Thedford 30-23. F. A. Newman had 18 points for the winners, Ronald Neal 8, James Garcia 3 and Jesse Urquizo 2. Halsell had 13 for Thedford, Fredrick Henry and Willie Tucker 4 each and Jeff Wright 2.

DISABILITY
A disability is a condition caused by accident, disease or birth defect. A handicap is the limitation that the person—or other people—feels the disability imposes on him in doing what he needs or wants to do. Rehabilitation is making the most of what a person has left to live and work with. It is the unfinished business of the medical profession and the community, the business of the Easter Seal Society.

**The Cards Are on the Table...
Faces Up...**

Pick Yourself a Winning Hand

SOME people say that Fate has a habit of dealing from the bottom of the deck when she's distributing cards for the high-stakes game of Making-a-Living.

But, as a matter of fact, many of the highest cards in this rugged game are lying right out on the table, in plain sight, just waiting for us to pick them up.

These optional cards—optional because we can do as we please about picking them up or ignoring them—are the Aces in the Making-a-Living game... the symbols of Better Business Opportunities, Better Jobs, and other aids to winning more chips.

It's very simple: these high cards... these valuable helps in making a living... are ours to keep and to hold... if we trade more with our own neighbors at home.

For the dollars we spend here make bigger trade volume and more prosperity... great cards to hold in a showdown.

SALES TAX NEEDED

When we as residents of Crowell back off and take a look at our town, we see what is probably the average rural Texas town. There are many advantages in living in a rural area such as ours, and we should constantly be trying to improve our lot.

Areas in Crowell where some improvement is needed is in our fire fighting equipment and maintenance of the fine system of hard surfaced streets in our town.

Usually, improvements cost money, and this is the case in the matter of fire fighting equipment and improved streets.

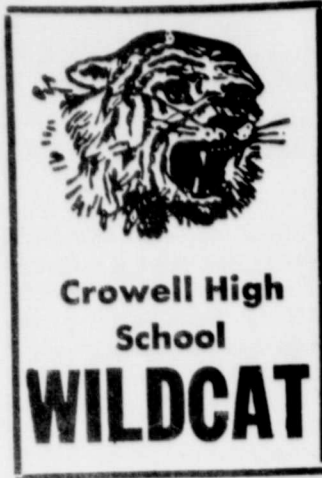

The residents of Crowell have an opportunity on Saturday, April 3, to vote in an election which would, if passed, provide the City of Crowell with additional funds for improvement. That election is the city sales tax. It is a tax of one per cent and is collected along with the 4 per cent state sales tax.

There are 837 cities and towns in Texas that currently collect the city sales tax, and that includes all the towns in our area, from the smallest to the largest.

The sales tax is one of the most equitable forms of taxation as it affects everyone who makes a purchase. It is not limited to property owners alone, but gives every resident his fair share of paying for local government.

If the city sales tax is not passed, City of Crowell officials are emphasizing the fact that ad valorem taxes will have to be raised to pay for increased costs of government caused by inflation.

So, let's all go to the polls Saturday, April 3, and vote for a city sales tax to help improve our town.

SPRIT OF '76
The seniors would like to congratulate Sylvia Quintero. She won a C. J. Davidson Scholarship through her FHA work. Congratulations, Sylvia!

We would also like to congratulate the band on winning sweepstakes during their concert contest in Vernon last Wednesday. Seniors in the band are Jim Cumley, Connie Werley, Stan Gentry, Sulema de los Santos, Sylvia Quintero, Vickie Pharis and Amie Brasher. Congratulations Band!

SENIOR SPOTLIGHTS
This week in the senior spotlight is Pam Whatley, daughter of Mr. and Mrs. Vernon Whatley. Pam has brown hair and brown eyes, and she is 5'3" in height. Some of her favorites are: food, Italian; color, blue; song, That Ain't No Way to Treat a Lady; actor, Ryan

O'Neal; actress, Kate Jackson; hobbies, playing guitar and singing; subject, short-hand.
Pam is a member of the Methodist Church of Crowell. She was cheerleader, she is president of the Adelpian Club, first vice president of FHA, senior class vice president, and a member of the junior leaders. After graduation she plans to attend college.
Also in the spotlight is Dean Smith, son of Mr. and Mrs. W. C. Smith. Dean has brown hair and blue eyes, and is 6' in height. Some of his favorites are: food, steak; color, green; song, "The Show Must Go On"; actor, Lee Majors; actress, Angie Dickinson; subject, science; hobby, motorcycles.
He is a member of the First Christian church of Crowell.

SOPHOMORE SCOOP
Congratulations to Mr. Streit and the band on their Sweepstakes.

This week was filled with many activities. Monday we had an Assemble program. Tuesday morning cheerleader try-outs were held in the gym. Wednesday afternoon were Twirler and Drum major try-outs.
In addition to all of those activities people are working hard on track, tennis, and UIL literary events. The literary events will be held Monday the 29th at Vernon Regional Junior College.

FANTASTIC FRESHMEN
Jonna Naylor, Mike Cates, and Renee Norman will be going to Vernon next Monday for UIL literary events. These people have put out a great deal of hard work in the preparation for their event. Good Luck!
We are proud of our outstanding band since they won Sweepstakes last Wednesday at Vernon.
Monday morning the speaker at the Methodist

Revival, Rev. Sam Nader, came and spoke to the student body.
Shelia Coleman is our only freshman on the track team, but we have several tennis players this year.

Band to Have Fund Raising Project

The Crowell High School Band will start a three-day fund raising project, Thursday, March 25, selling a multi-purpose cleaner, Drix. Drix is a top quality, highly concentrated product, designed for use in a large variety of cleaning jobs. The 32 ounce bottle will produce 6 gallons of rug and upholstery shampoo and up to 40 gallons of window cleaner. It is also used for cleaning linoleum floors, washing machine usage, washing of cars, etc. If used according to instructions on the bottle, it is a genuine bargain. Mr. James Streit, band director, notes, "We are selling this product because many of last years customers have asked us for more of this cleaner."
The profits will be used to pay for supplies the band uses such as music, reeds, oil etc.

Named to Post

Charles R. Crisp, brother of Mrs. Beverly Gray of Crowell, has been promoted to the newly-created position of director of planning and evaluation, international, for Continental Oil Company's natural gas and gas products department. He will make his headquarters in Houston.
Mr. Crisp had been project coordinator for Conoco Coal Development Co., a subsidiary, in Westfield, Scotland. His overseas work in Scotland involved a coal gasification project, sponsored by a group of American companies and operated by British Gas Corp. Previously, he was a project coordinator at Conoco's research center in Ponca City, Ok.

A native of Vernon and graduate of Texas Tech, he started with Conoco in 1969 and served as an engineer and plant foreman for the natural gas and gas products department.
Mr. Crisp's parents, Mr. and Mrs. Clyde Crisp, are residents of the Fargo community.

The FDA has extended the deadline for filing comments on the drained weight of canned fruit and vegetable products labeling proposal. The deadline is now May 5, rather than February 5, the extension service says.

LETTER TO EDITOR

Mr. William Klepper, Editor, Foard County News, Crowell, Texas 79227
Dear Bill,

As a Crowell native, I want to express to you and other Crowell citizens my pride in the many accomplishments this past year of Crowell High School. The honors earned by the Wildcat football and basketball teams as well as the band have been outstanding.

I am well aware of the preparation, the overall effort and the dedication required from everyone connected with such programs in order to make them successful. The necessary preparation, effort, and dedication obviously has been rendered in full measure in Crowell and is attested to by this enviable record of achievements. The students, faculty, and supporting citizens all deserve much credit for this success.
I am confident my expressed pride is shared by all Crowell citizens, both past and present.

Congratulations to all for a job well done and keep up the good work!
Sincerely,
Bill

Any interest penalty paid in 1975 for withdrawing money early from a time savings account is deductible, Lynn Bourland, family resource management specialist with the Extension Service, says. Those accounts pay higher interest rates than ordinary passbook accounts if the depositor does not withdraw funds from them before a specified date. Claim the deduction on line 41 of Form 1040. The deduction applies only to those who use the long form. Form 1040A cannot be used for this purpose. Be sure to include the forfeited interest with the total interest income on line 11, she said.

Federation Meet Next Monday

The Foard County Federation of Women's Clubs held its last meeting on Monday, March 29, at 3:30 p. m. at the community center. Women's Service and program leaders sponsored the Adelphian Club as hostess.
Mrs. Otis Galt presented the program, "Selecting and Creating and Arts and Clubwomen will be a display."
In the business there will be an election of officers and installation of officers. Texas Federation of Women's Clubs bids that dues are paid 1st 1976 instead of 1st 1977. The FCFW must reflect this.

Cisco Junior College Homecoming

Cisco Junior College will hold its annual HOMEcoming Saturday, April 24, to an announcement of CJC Ex-Students.
The spring date is time in anyone's mind that the Cisco college held Homecoming other than during season, a college said.
The special ex-students will be in conjunction with a city-wide celebration to be in progress in Cisco Frontier Jubilee with the traditional Ranch activities.

To the Taxpayers of Foard County and Crowell Consolidated Independent School District:

Each person owning personal and/or real property within the County of Foard or Crowell Consolidated Independent School District, is respectfully requested by Emmett E. Howard and J. H. Gillespie to come by the respective offices at his earliest convenience and render such property for the purpose of taxation.

The law, in effect, provides that all property shall be listed or rendered by the owner thereof, if he is of full age and of sound mind, but when it becomes necessary for the respective tax assessors, their deputies or others who have to be hired for such purpose to seek out each property owner to secure the individual renditions, the expense involved is greatly increased, and this additional expense is borne by the TAXPAYERS.

Your cooperation will be appreciated, AND IT WILL SAVE YOU MONEY. TRY IT!

AG CENTENNIAL WEEK AT TEXAS A&M
 State and national leaders will explore the future of Texas agriculture April 5-9 at Texas A&M University during Agricultural Centennial Week. Speakers will deal with a broad range of agricultural issues that have impact on the Texas scene, such as export trade, energy restrictions, chemical use, water problems and the role of food in foreign and domestic policy. The first day of the program will be youth and agriculture day while the next two days will deal with maintaining agriculture's momentum in the century ahead.

CATTLE NUMBERS MOVING DOWN
 A livestock marketing specialist with the Texas Agricultural Extension Service says that 1975 marked the passing of the peak year of the current cattle cycle and that this year and the next will be years of cutting down cattle numbers. Cattle numbers are already down due to increased slaughter and a halt in expansion of the breeding herd. The 1975 calf crop was also lower than in previous years due to a low calving rate.

Rev. and Mrs. Kenneth Bingham and son, Allen, of Anadarko, Ok., visited Mr. and Mrs. J. M. Barker here Tuesday.

Mr. and Mrs. Steve Gray of Vernon and Mr. and Mrs. Randy Adkins returned home Sunday from a skiing trip to Red River, N. M. Shelly and Jeri Ann Adkins stayed with their grandparents, Mr. and Mrs. Cecil Carpenter and Mr. and Mrs. Houston Adkins.

WATER FOR TEXAS CONFAB SET
 "Water for Food and Fiber Production" is the theme of the 1976 Water for Texas Conference at Texas A&M University, March 25-26. Key discussions will center on the role of irrigation agriculture in relation to the U. S. supply of food and fiber, cycles of climate and food production, impact of energy costs, and the U. S. position in the world food and fiber situation, according to Dr. Jack Runkles, director of the Texas Water Resources Institute and professor with the Texas Agricultural Experiment Station.

Perform a death-defying act.

If you don't know whether you have high blood pressure, go to your doctor, nearest clinic or health center for a pressure check. You should do this even if you feel well, because high blood pressure may not have any noticeable symptoms.

If you have high blood pressure, follow your doctor's instructions about taking medicine, diet—including weight loss if you are overweight—and changes in general health habits, such as rest and recreation. These measures will reduce the risk of stroke, heart attack, kidney failure and heart failure.

If your doctor prescribes medications keep taking them whether you feel well or not. But let him know if you don't feel well. He can change your medication.

Cooperate with your doctor. As a team you and the doctor can almost always get your pressure under control.

Additional Plans Announced for Bi-Centennial Observance

Additional plans for the Crowell Bi-Centennial Celebration set for April 24 were made at a committee meeting last Friday morning. A parade featuring the

Crowell High School band, football and basketball teams, antique cars, bicycles, horses and floats will get underway at 10 a. m. The parade will gather in the vicinity of the former Baptist Church on East Commerce Street. The program will begin at 11 a. m. and will feature the Hirschi High School ROTC honor guard which will present the colors. Rep. W. S. Heatly of Paducah will present the bi-centennial flag and State Senator Ray Farabee will give a brief history of the first 85 years of Foard County. The observance on April 24 is a combination bi-centennial celebration and 85th birthday party for Foard County.

At 1 p. m. Congressman Jack Hightower will be the featured speaker to dedicate the new Foard County museum.

A number of committee chairmen were appointed last Friday: Mrs. Clyde Russell will be in charge of getting antique car owners to ride in the parade. Pat Pittillo and Bud McLain will be in charge of getting a farm machinery dealer participation in the parade, while Garland Wiemers will be in charge of securing a large number of horseback riders. Gordon Erwin and L. H. Wall were appointed to get the younger children and anyone else who wants to ride bicycles in the parade. Jeff

Bell will give the invocation and Warren Everson the benediction.

Vernon Whatley and Rusty Russell were named general chairmen of the parade committee.

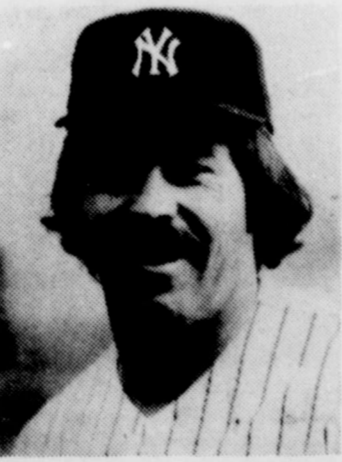

Additional details of the program and day's activities will be announced as they develop.

Deer Feeding in Highway Ditches

The setting is late night, and a motorist is hurrying home from an out-of-town trip. Suddenly a deer jumps in front of the vehicle. The startled motorist swerves to avoid hitting the animal, but too late. The animal, mortally injured, stumbles onto the roadside, dying shortly afterward. The scene is repeated countless times this year.

Texas Parks and Wildlife Department officials say a dry winter has noticeable cut down on wildlife forage. Hard freezes have depleted the available food supply, forcing wildlife to venture further away from traditional feeding areas and onto dangerous highway rights-of-way.

P&WD cautions the motoring public to drive carefully, especially at night, and watch out for animals along the roadside. A motorist is responsible for reporting any accidents involving game or domestic animals to the county sheriff or game wardens.

Do not discard that old, discolored plastic tablecloth—wash it, then use for lining shelves, suggests the extension service.

Welfare Worker Is WSL Speaker

Services available to those meeting necessary requirements were described by Mark McCord of Seymour, a Department of Public Welfare employee, at last meeting of the Women's Service League. McCord's assigned area includes Baylor, Foard and Knox Counties. He was introduced by Mrs. Thelma Lemons,

program leader. Basically the aged, blind and handicapped receiving Social Security Supplement or \$336. or less per month may be entitled to help in their home or assistance with errands including transportation for medical treatment. A relative, neighbor, friend or stranger may perform the service and receive pay from the Department of Welfare after necessary papers have been processed.

As rest home care becomes more expensive it is becoming a saving to the taxpayer to return certain persons to their homes if they can be cared for within the service range. McCord invites local citizens to contact him for further information. Messages for him may be left in the offices of Judge Seth Halbert and Mrs. Lucille Carter at the Neighborhood Center.

THE ADELPHIAN CLUB
The Adelpian Club held its regular meeting at the club house at 3:30 p. m. Wednesday, March 17. Mrs. Clarence Garrett, president, presided.

Plans were formulated for attending the Santa Rosa district convention to be held in Vernon March 26-27. The local club is co-hostess and will furnish place cards for the dinner meeting. The junior Adelpian girls will serve coffee and cookies at the registration, and Mrs. Ila Borchardt and Mrs. Bonnie Johnson will assist with the registering of guests.

The Americanism program was entitled "Our Heritage, Freedom in America." Mrs. Vera Manard led the group in repeating "The Pledge to the Flag." For roll call, each member gave some pioneer home remedy. Some were quite interesting!

A film, "The Emerging Woman" showed that women began a long, painful struggle for their freedom at the birth of the nation. Each generation produced new leaders, women who dared to speak up in public for the cause in which they believed. Too, there were many strikes, many street marches, etc., that slowly gained more freedoms until today when women are still carrying on the fight for full equality with men.

Delicious refreshments were served by the hostesses, Mrs. Warren Haynie and Mrs. Ector Sollis.

The Adelpian Club will be hostess to the Foard County Federation which will meet on March 29 at 3:30 p. m. at the Adelpian Club house. Mrs. Otis Gafford will give a demonstration on collecting and creating things.

COLUMBIAN CLUB

On March 17 ten members of the Columbian Club and two guests gathered at the home of Mrs. John S. Ray for a covered dish meal at noon and an afternoon of reminiscing.

After a short business meeting, the roll call was answered by each member telling of an early memory or an amusing experience. Each told an amusing incident in their lives. An interesting sidelight was "that although the menu had not been planned in advance, it was a well balanced meal in every respect."

Museum News

**Mrs. Virgil A. Johnson
Chairman
Foard County
Historical Commission**

We are another week closer to our opening date. April 24, when Congressman Jack Hightower will cut the ribbon to officially open the museum.

Volunteer workers last week were Ruth Andrews, Evelyn Cates, Faye Bell, Winnie Brown, Russiie Hord, Minnie Karcher, Gave Gafford, Bettie B. Gafford, Hazel Ramsey, Bonnie Johnson, Lucy Gamble, Ricky Nichols, Keith Nichols, Mike Winters, Ike Everson, Jimmy Daniel, Randell Russell, Gary Hodges, Jerry Daniel, Oran Carroll, Kim Daniel, Mike Moore and Carl Wiggins. Thank you! We couldn't make it without you.

Our cash donors since our last report were Bernita Fish \$10 and Gusta Davis \$20. We appreciate this very much.

Last week, Mrs. Clyde Ferebee Taylor of Amarillo, gave us some Sunday School cards dating from 1892-1905 which were given to her late husband, Walter Taylor, at Old Margaret. These are real treasures. Do you remember Arm and Hammer Soda Cards? She gave us some of those too. Thank you, Mrs. Taylor.

Coy Payne brought us some antique light fixtures and some other hard to find items; Myrtle Murphy gave us some braid rugs and Leoma Raspberry gave some drapes. Thank you for all of these items.

An ox yoke which occupies a prominent place in the Country Store is a gift of Mr. Howard Hunter of Dallas. Mr. Hunter is the father of Mrs. Tom Ray Roberts.

Some of the really beautiful things that will be on display at the museum is a Princess Feather quilt, given by Mrs. Charlie Bryson. More than 100 years old, it was made by her grandmother. It is in perfect condition. Mrs. Bryson also gave us a McGuffey's Reader. Thank you, Mrs. Bryson, for these treasures.

Mrs. Lewis Ballard has given a large number of valuable things, every one of which are appreciated. Especially beautiful is her little china doll which she has had since childhood. Mrs. Beulah Wilkins, Mrs. Ballard's sister, gave us her china doll which was a childhood gift. Another doll was given by Ruth Andrews. Bettie B. has dressed these dolls and they are beautiful. Thank you, ladies, for your lovely dolls. If some of you would like for your childhood doll to have a good home, let us know.

Last week, we had visitors from Quannah and Cleburne.

COMMUNITY EVENTS

This week has been declared CLEAN-UP WEEK by the Truscott Community Association. Everyone get out and clean up your property around town before the judges get here next month. Everyone has done a good job of keeping the town clean with many houses repainted, so lets keep up the good work!

The Truscott Community Association had a dinner and meeting Sunday. Among the most important business was the election of officers and discussing the problems and needs of the community. It was brought up that there might be installment of fire plugs in town, and they talked about the upcoming Community Improvement Contest late in April.

The Gilliland Home Demonstration Club met last Wednesday in the home of Mrs. W. T. Cook.

AROUND TOWN

Guests of Mr. and Mrs. W. O. Corder this weekend were Mr. and Mrs. Frank Davidson of Whiteface and Kristen Corder of Knox City. Mrs. H. P. Gillespie and Mrs. Jack Whitaker visited Hubert Chowning in Seymour last Thursday.

Jacquelyn Brown is home for the Spring vacation from LCC.

Visiting Mr. and Mrs. W. R. Owens last week were Mrs. Bill Short of Oklahoma City, Mrs. Leon Kincaid of Cisco, and Mr. and Mrs. S. E. McRoberts, also of Cisco.

Mr. and Mrs. Jerry Miller and children of Merkel visited Mr. and Mrs. A. L. Cook here last week.

Visitors in the home of Mr. and Mrs. Charles Burton this week were Mr. and Mrs. Raymond Baker of Oklahoma City and Mr. and Mrs. Teddy Bryant of Hobart Ok.

Mr. and Mrs. David Navratil of Arlington visited Mr. and Mrs. Emil Navratil here for the weekend. Guests of Mr. and Mrs. W. T. Cook this weekend were Mrs. Alyne Groves of Benjamin and Mrs. Nina Combest of Vernon.

Mr. and Mrs. Jerry Cawthron and Scotty of Amarillo visited the Ray Glascock family this weekend. Guests of Mr. and Mrs. A. R. Bayers last week were L. J. Barker of Pampa and Terry Hester of Graham.

Ann McEwen of Abilene visited here this week with Mr. and Mrs. Paul Bullion and Mrs. Pearl Summers and Hattie McEwen. Saturday night, Ann and Mr. and Mrs. Paul Bullion attended the Knox City Jamboree.

30 Years Ago in The News

News items below were taken from the Thursday, March 21, 1946, issue of the Foard County News:

Spring training for the 1946 football squad of Crowell High School started Wednesday afternoon. There were 32 candidates to report to Coach Leo Purvis. The training period will last for thirty calendar days. It will be completed in time for the rodeo pen to be built on the football field before the spring rodeo. Coach Purvis has seven regulars back from last year's squad: V. Bond and Larry Wood, guards; Larry Dan Campbell and J. C. Patton, tackles; Johnny Frank Mitchell and Joe Mason, ends.

The Weiss Farm Equipment, International Harvester dealers, completed moving its stock to the new 50x135 foot building on the southwest corner of the square Saturday.

One editor sizes it up this way. Be thrifty and the government will take it away from you. Be a spendthrift and the government will fall all over itself to hand it to you.

Civic leaders in North Texas this week announced the plans for the first Santa Rosa Roundup and Livestock Exposition to be held in Vernon May 29 through June 2. It was revealed that a master plan for the undertaking has been prepared which includes grandstands, rodeo arena, stock barns and pens, exhibition buildings, carnival or circus grounds, swimming pool, airplane landing strips, and all other facilities in keeping with an undertaking of this magnitude. Now under construction is an all steel grandstand, with a seating capacity of 5,000 persons. The success of the project has been assured by E. Paul Waggoner, prominent rancher and oil man of Vernon, who has assumed financial responsibility for the construction and development of the master plan.

A baby daughter, Nancy Beth, was born to Mr. and Mrs. L. E. Archer in a Vernon hospital on Friday, March 15.

Dr. R. L. Kincaid spoke on economic development in America from the time of the first settlers until the present time at the Rotary Club meeting last week.

The 30 4-H club boys and leaders who attended the Fat Stock Show in Fort Worth last Monday were Floyd Borchardt, Wayne Borchardt, Charles Wishon, Herman Athey, J. C. Autry, W. C. Langford, Lewis Hunter, Bobby Stinebaugh, Marion Gobin, Wayne Shultz, Jimmie Stinebaugh, Ginger Johnson, John Potts, Baxter Gentry, Joe Don Thompson, Joe Verne Walden, Robert Carroll, Raymond Carter, R. C. Sanders, Floyd Oliver, Joe Whitten, Billy Ray Davis, Carl Shultz, Don Wilkins, Wayne Lindsey, Paul Johnson, Waldon Johnson, Lewis Pyle, County Agent D. F. Eaton, Clinton McLain and Eudale Oliver. They made the trip by truck, leaving here at 4 a. m. and returning about midnight.

Leonard Wayne and Gerald Myers of Truscott spent the week end with L.C. and Joe Gordon at Foard City.

Dan Callaway, J. M. Barker, Virgil Johnson, Sty Barker and Harry Traweck spent Monday and Tuesday in Fort Worth.
