Tornado Strikes Crowell Saturday

For the second time within the lifetime of many Crowell residents, a tornado slashed through this West Texas community shortly after 2 a. m. Saturday, April 17. This storm last Saturday took no lives, in sharp contrast to the tornado on April 28, 1942, when 11 local residents were killed and 125 injured.

Four residences were destroyed in the storm, with countless others receiving damage of some sort. Mayor Robert Kincaid said Monday

that a survey showed that more than 30 structures had been damaged and he placed a conservative estimate of property damage at \$175,000.

Foard County farmer Jimmy Hudgens had begun an addition on his family's home in the northeast part of town last month, but immediately after 2:07 a. m. Saturday, Hudgens and his family were without a home. The Hudgens home was one of the four destroyed after a

tornado dipped down across the town from the southwest to the northeast. Another tornado was spotted about 10 miles southwest of Crowell about five or ten minutes before the one struck Crowell. Deputy Sheriff Jackie Walker said it was Jackie Brown and Rickey Eavenson who spotted the first twister. Walker said he was on the hill west of Crowell when he got the report of the tornado southwest of town. He said he immediately came to Crowell and contacted Sheriff Emmitt Howard, and they both drove up and down the streets of Crowell with their sirens blaring as a warning.

Hudgens said he was in the bedroom when the twister hit and the roof went. His wife, Jean, had injured ribs and slight cuts. Their children, Emma 12 and Robert Toy 5, were unharmed. To the south of the Hudgens home, the modern brick home of Mr. and Mrs. Fred Adcock was completely destroyed. Its roof went through the Hudgens home as the tornado moved northeastward.

Mrs. Adcock and son, Bradley, had gotten out of the home and to a shelter before the cyclone struck. Mr. Adcock was in California on a business trip at the time of the storm.

Immediately west of the Adcock home, Mr. and Mrs. David Scott's new brick home lost its front windows and debris was blown through the wrecked house. To the north of the Hudgens home, the George Brown home lost its roof while the family, including five children, were asleep. Brown said he "heard a roar" then something flew "across the bed and cut my head."

Besides the head cut, Brown was hit with gravel which whipped from the streets through the window and caused bleeding to both ears like "having been shot with a BB gun."

Saturday morning, Brown and his wife, Peggy, along with children, George 16, Dan 14, Joe 12, Wanda 8 and John 5, were packing what furniture they could salvage in a horse trailer. Brown also lost his garage where he was keeping a cow and calf. The animals were unharmed as the garage

blew away. The T. R. Hough home, across from the flattened Adcock home, suffered damage including a demolished camper trailer and large trailer house which overturned—both of the latter of which had been intended for the soon-to-start wheat harvest.

The Houghs' daughter, Mrs. Theda Rich, lost the roof of her family's home when portions of the Pentecostal Church roof blew in on it. Mrs. Rich was struck by a flying 2x4 on the leg. To the southwest of the Hough home, the residence of Mrs. Burl Hall was lifted from its foundation and set down some 10 feet away, suffering complete demolition. Next door her daughter, Mrs. Norman Mills, saw the home of her family destroyed.

Mr. and Mrs. Charles Dickerson had extensive damage to their home which they bought in 1971 from her sister, Mrs. H. E. Thomson.

When Ricky Eavenson's garage collapsed it was double trouble as his car was underneath.

Jim Henry, owner of the Dairy Bar, had heavy damage to the roof of his business, but Saturday afternoon he and his brothers, brother-in-law and his father, were building back and got the building in the dry before dark.

Ed Russell lost his tools and workshop where he had used his craft to make 500 miniature windmills which he was about to sell when completed. All was lost.

The tornado blew down trees in the city park southwest of the square but did not damage the new rest home.

Heavy roof damage was done to the Pentecostal Church on East Commerce. This is the site of the former First Baptist Church, which was completely destroyed in 1942 by that tornado.

West Texas Utilities Co. and General Telephone Company personnel were on hand as soon as possible to restore power and telephone service to the town.

The American Red Cross personnel were in Crowell the day following the tornado assisting some of those hardest hit by the disaster.

Airport Board Meets

At an organizational meeting of the new Foard County airport board Monday night, Tommy Forister was elected president and Seth Halbert, secretary. Mr. Halbert is not a member of the board, but as county judge will be meeting with the group each month.

The airport board was recently appointed by the commissioners court to govern and set policies for the local airport. Other members in addition to Forister include Joe Ray Settiff, Paul Glover, Robert Kincaid and Jon Lee Black.

Over 2 Inches Rain Falls Last Week

After a dry first quarter of 1976, the April showers started falling here last week and by the end of the week, an official 2.43 inches had been recorded by the government gauge here.

Tuesday, April 13, .26 inch was reported, .39 inch fell on Wednesday, 1.46 inches fell Thursday afternoon and night, and .58 inch accompanied the tornado early Saturday morning.

MOVES INTO NEW HOME
Mr. and Mrs. Bobby Bond and daughters, Candice and Starla, have moved into their new 3 bedroom brick farm home 2 miles east of Margaret on FM 98.

CB Club Handling Storm Watch

The Crowell CB Club is now the official storm watch agency for Foard County, replacing the sheriff's department, L. G. Simmons, club vice president, said Monday.

He said that Clark Brown will be operating the Base 1 station in contact with the Wichita Falls Weather Bureau and Simmons will be operating the alternate base.

Local CB operators can monitor channel 1 which is being used by the Base 1 station, but Simmons said they should not talk over the channel 1 during an alert. Information can be obtained on channel 11 by talking to Walter Ramsey who will be providing information to those interested.

The CB storm monitoring system is a new one and involves eight posts scattered over the county and manned by local CB members.

A map of the county is printed elsewhere in this paper with locations of base units as well as mobile units.

Precinct Conventions Set May 1

Foard County Democratic chairman T. L. Tamplen said Tuesday that those precincts in the county wishing to have conventions should do so on the day of the election, May 1, between the hours of 2 and 9 p. m. The conventions should be held in the polling places of the precincts.

formerly the First Baptist Church of Crowell, has been completely rebuilt after the April 28, 1942, tornado which had flattened the structure. Fortunately, looking towards the upper left hand corner of this photo, one can see the Foard County Hospital which missed the path of this twister. All rooms except the x-ray room were destroyed in 1942 where a quick thinking hospital administrator had moved all of the hospital patients that year, after seeing a barometer he kept at the hospital plunge suddenly. Church room damage was estimated at \$15,000. (Aerial photo by J. T. Smith and Marvin Machac. Photo courtesy Abilene Reporter-News.)

After he has cut the ribbon opening the museum, there will be a conducted tour through the facility to conclude the day's activities.

AN AERIAL LOOK—This aerial view of the northeast part of Crowell shows two homes which were completely demolished when a tornado ripped its way through the town at 2:07 a. m. Saturday. The Fred Adcock home's roof (background) was removed and blown through the home of the Jimmy Hudgens family, foreground, as the tornado moved northeastward, leaving more than 30 homes and businesses heavily damaged or destroyed and an estimate of at least \$175,000 damage to the city. Truscott To Be Judged In Improvement Event

Truscott citizens are getting ready to do their "Sunday Best" and roll out the red carpet for the contest judges of the Texas Community Improvement Program when they pay a visit to the community on April 27, 1976.

The judging will get underway at 9 a.m. and will wind up at 11 a.m. This will be the second year for the community to participate in the TCIP contest. Last year they placed second in district competition.

The purpose of the Texas Community Improvement

Program is to stimulate individual, family and community effort toward community improvement. The objectives are to make rural life more profitable and stable, as well as more desirable and satisfying.

TCIP is sponsored by the Texas Agricultural Extension Service of the Texas A&M University System in conjunction with nine investor-owned electric utility companies operating in Texas.

This year the only two communities entering the awards contest are Sagerton

in Haskell County and Truscott. \$100 of prize money and the opportunity to compete in the regional judging goes to the first place community. Second prize is \$75.

S. E. Crosnoe Died Here Last Saturday

S. E. Crosnoe, 80, a resident of Foard County since 1909, died in the local rest home Saturday, April 17, following a long illness.

Funeral services were held at Womack Funeral Home at 2 p.m. Monday, conducted by Rev. Warren Everson, pastor of Bethel Church, and Rev. Aaron Mitchell, pastor of First United Methodist Church.

Interment was in the Crowell Cemetery with Womack Funeral Home in charge. Bearers were Fate McDougle, R. J. Owens, Billy Ray Dunn, Dick Todd, Nickie Chatfield and Bill Skipper of Broken Arrow, Ok.

Samuel Eldon Crosnoe was born in Somerville County, Texas Feb. 28, 1896, and moved to the Good Creek community in Foard County with his parents in 1909. He married Ludie Eason Dec. 3, 1922, at her parents home in Joplin, Texas. They lived in the Good Creek community until last year when they moved to Crowell. Mr. Crosnoe had been a member of the Baptist Church since the age of 16 years. He was a veteran of World War I.

Survivors include his wife of Crowell; one son, Harvey Crosnoe of Wichita Falls; one daughter, Mrs. D. A. Lind of Garland and two grandchildren.

CALLIE BERMUDAGRASS HIGHLIGHTED

Callie bermudagrass has been an outstanding performer in trials in Mississippi, according to a Mississippi agricultural scientist who spoke at the recent Texas Animal Agriculture Conference at Texas A&M University. The grass was selected at Mississippi State University in 1966 and is now being planted in 35 states and territories and 11 foreign countries. It has larger stolons, wider leaves and taller growth than the famed Coastal and other bermuda varieties and hybrids commonly used for forage. Growth rates of 2.5 to 6 inches per day have been reported.

TICKETS FOR SALE—Tickets for the upcoming 4-H and FFA youth barbecue went on sale this week. Pictured above are Mollye Wisdom, 4-H Horse Club president; Connie Werley, 4-H junior leader president; Ronnie Swan, FFA president, and Richard Naylor, 4-H council chairman, discussing the sale of the tickets. Funds from this activity will go toward purchasing a public address system for the Crowell Ag Pavilion, 4-H Horse Club arena, and other 4-H activities. The barbecue will be held May 8 with tickets at \$3.00 each from any FFA or 4-H member.

Quite a Change

Just a little over 100 years ago, it was believed by the American people that taking a bath too often was uncalled for and even dangerous to one's health if taken during the winter months. In Pennsylvania, there was even an attempt to make it illegal to bathe from November to March.

When the bathtub "hit it big" in England, the American public denounced it as an "epicurean innovation from England designed to corrupt the simplicity of the Republic."

One can imagine the

Boys District Track Meet Set Thursday

Jim Pope, District 7-A athletic director, in a release last week listed Melvin Westover and David Bell of Crowell as two of the outstanding individuals scheduled to participate in the district track meet at Jayton April 22.

Pope calls the meet one of the better class A district meets to be held in the state this year. He added that Westover has thrown the shot some 52 feet this year, which is one of the outstanding distances.

In addition to the high school boys meet, Crowell junior high boys will also be participating in the meet.

Crowell track teams, coached by Randall Ryan and Printiss Gidney, will be entering practically all events, in both senior and junior divisions.

High school boys entering the meet will be Westover, Bell, Tommy Tamplen, William Bachman, Jay Wall, Mark Christopher, Marvin Coleman, Oran Carroll, David

Westover and Rocky Marlow

Junior high boys scheduled to participate include Eugene Johnson, Dan Klepper, Carl Field, John McGee, Sammy Neal, Bobby Cerda, Leslie Denton, Howard Sparkman, Shane Rose, Mike Brown, Mike Hudgens and Billy Bond.

Pauline Scott Is U. S. Bonds Chairman

Mrs. Pauline Scott, assistant cashier of the Crowell State Bank, has accepted the appointment by the U. S. Department of the Treasury to serve as a volunteer chairman for the Foard County Savings Bonds Committee.

Mrs. Scott replaces George Self, who served for many years as chairman of the Foard committee.

In announcing Mrs. Scott's appointment, John V. James, chairman of the state bonds committee, remarked that "her business experience and active participation in community affairs will be most valuable in her volunteer service as Foard County chairman, especially in these times when the United States Savings Bonds program takes on increasing importance in helping to keep our nation economically strong and secure."

As Foard County chairman, Mrs. Scott will work with other community leaders in a year-round program to encourage the increased purchase of savings bonds at banks and on the payroll savings plan.

Mrs. Scott, her husband George, and their daughters, Debra, Barbara and Carol Sue, make their home in Crowell. They are also members of the First Baptist Church of Crowell. Mrs. Scott is the daughter of Mr. and Mrs. John Wheeler of Crowell.

SOME QUESTIONS TO ASK THE PRINTING AND OFFICE SUPPLIES PEDDLER

When the person selling printing, office supplies and advertising solicits your business, here are some questions he should be willing to answer to YOUR SATISFACTION:

1. Is he a taxpayer in your community or county?
2. Does he donate space in the newspaper to local and county projects and enterprises?
3. Does he pay wages to employees who live and do business in your community?
4. Does he grant favors that you would ask of your local newspaper?
5. Does he donate newspaper space to promote you and your neighbor's business?
6. Does his price include freight, postage and insurance?
7. Does he support your civic organizations, schools and churches with free publicity?

We sincerely believe that these questions should be considered when you purchase printing and office supplies—a question of whether you should support those who help support you!

HOG OUTLOOK BRIGHT BUT CAUTION NEEDED

Hog producers can look for a profitable year in 1976 if they don't get overzealous and expand operations too quickly, says a livestock marketing specialist for the Texas Agricultural Extension Service. Hog prices should continue strong due mainly to a continued shortage of pork supplies. However, increased farrowings during the first half of the year could boost pork supplies for the second half of 1976 as much as 16 per cent above those of the second half of 1975. Prices for market barrows and gilts should range from \$46 to \$48 per hundred-weight through mid-year and then drop off to around \$40 to \$42 during the latter part of 1976.

PCA Plans Annual Meetings

More than 800 farmers and ranchers, served by the Rolling Plains Production Credit Association are expected to attend the association's 42nd annual stockholders meeting in Childress and Stamford April 23-24. Stockholders, their wives and guests of the Matador and Childress office area will meet Friday, April 23, at 9 a. m. at the Childress city auditorium. The second session will be held in the Stamford high school auditorium for the Munday, Spur and Stamford office area Saturday, April 24, at 9 a. m.

One director will be elected to replace Lasater Hensley of Guthrie who declined re-nomination.

R. C. Cobb, association president, said the main speaker for the sessions will be Norman Brints, area economist of Vernon. The Angle sisters of Knox City will provide entertainment at both sessions.

A meal for participants will follow the business session which starts at 10 a. m. Rolling Plains PCA serves the 17-county area of the Rolling Plains of Texas, including Foard County. A record 61 million dollars was loaned by the association in 1975.

Grandson of Local Women Wed April 10

Wedding vows were exchanged by Robin Rakestraw and Douglas Hilburn at 3 p. m. Saturday, April 10, in the Garden Center in Lubbock. Parents of the couple are Mr. and Mrs. Galen Carr and Mr. and Mrs. F. L. Hilburn. Honor attendants were Norma Jean Day and David Gordon. The bride was graduated from Monterey High School and the bridegroom attended Monterey.

Following a wedding trip, the couple will live in Lubbock.

The bridegroom is a grandson of Mrs. Madge Johnson and Mrs. Ed Hilburn, both of Crowell.

Engagement Is Announced

Mr. and Mrs. James Sandlin of Crowell are announcing the engagement and approaching marriage of their daughter, Sherry Dee, to Gary L. Eddy, son of Clyde Eddy and Mrs. Betty Eddy of Crowell.

The couple plans to marry June 6. Miss Sandlin is a graduate of Crowell High School and West Texas State University. She teaches school at Plano and lives in Dallas.

The prospective bridegroom is also a graduate of

Crowell High School and attended Texas Tech. He is employed in Vernon.

COLUMBIAN CLUB

Mrs. Allen Shultz was hostess for the Columbian Club, April 14.

The president, Mrs. Homer Black, called the meeting to order and the devotional was given by Mrs. John Ray who read the 24th Psalm.

The 1976 bicentennial plates ordered through the county federation were distributed. Several members are now the proud owners of complete sets.

Mrs. Roy Ayers, the leader, asked that the toll be called at the conclusion of the program to see if the members remembered anything about Russia.

Mrs. Chowning gave a very interesting article on the size, physical characteristics and the variety of products that come from Russia.

Mrs. Ray's topic was the Russian people; comprising one sixth of the earth's land surface and crossing eleven time zones, it is not surprising to find multiple ethnic groups which make up the Union of Soviet Socialist Republics.

Mrs. Ray also told something of the importance of the River Ob - the agriculture and industries being developed along it - and especially the importance of oil and gas along its upper reaches. Incidentally, the Ob and two of its tributaries form waterways almost as long as the Mississippi.

The club adjourned to meet with Mrs. Gillespie on April 28.

During the social hour the hostess served delicious refreshments.

WEST SIDE HD CLUB

The Westside HD Club met April 13 in the home of Mrs. Ray Pruet. Mrs. Pruet called the meeting to order and read "A Child's Eye View" for the opening exercise. Roll call was answered with my favorite craft.

Mrs. C. M. Carroll gave the council report. On May 3 RPEP program - Our Home and its Heritage will be at the Quana Community Center.

Mrs. Willie Garrett gave the program on making MacCrame hangers. Mrs. Pruet served refreshments to 6 members and 1 visitor. Mrs. Louise Churchill received the hostess gift.

A tornado is a violently rotating column of air pendant from a thunderstorm (cumulonimbus) cloud and touching the ground. Rain and frequently hail will usually precede the storm with the heaviest downpour immediately to the left of the tornado.

GAMBLEVILLE H. D. CLUB

The Gambleville H. D. Club met in the home of Mrs. Elton Carroll April 15 for a regular meeting and for the last home meeting until September. The president, Mrs. Milburn Carroll, called the meeting to order and roll call was answered by 12 members with "My favorite craft." Mrs. Clarence Garrett gave a report of the District 3 THDA spring meeting held in Sagerton April 6 and attended by Mrs. Garrett, Loretta Hardin and Betty Chatfield.

Secret pals were revealed and gifts were exchanged and secret pal names were drawn again to be revealed at the Christmas party in December. Mrs. Warren Haynie drew the hostess gift.

Refinishing of Furniture Workshop Set

Do you have a piece of wood furniture in your home in need of a face lift or even a whole body job? Then help is on the way!

Nancy Fuhrken, Knox County home demonstration agent, says a two day furniture refinishing workshop will be held April 28-29 in the court house assembly room at Benjamin. Sessions will start at 2 p. m. and last until about 4:30.

Participants may bring a small piece or a part of a piece of furniture to work on. Ms. Fuhrken says, "We want people to dress for the occasion—that is, come prepared to take part in the workshop." It will begin with methods of removing old finishes and will include applying new finishes of all types and the newer brushless refinishing technique.

Easter Program Is Success

Although a tornado had swept through town only a few nights before the program, Brooks Chapel Youth Department still carried on their Easter Program as planned—and it was a success.

The young members of the church, thrilled the hearts of the other members with songs of Easter and speaking pieces to match. Their program was concluded with an Easter pageant of scenes from the Easter Story of the Crucifixion of Christ.

The members of the Youth Department included: Jessica Reece, H. L. Sapp, Kristi McGee, John Reece III, Sophelia Sapp, Lannie Coleman, Jeanette Green, Willie Joe Green, Jackie Neal, Schneil Neal, Kimberly Reece, Michael Sillem, Glenda Neal, Van Coleman, Betty Coleman, Debbie Sillem, Brenda T'Keen Sillem, John Henry McGee, Mary Coleman, Shelia Coleman, Vincent Anderson, Ronald Neal, Ricky Coleman, Sammie Neal, Marvin Coleman and Annette Coleman. Other members who helped with the program were: Mrs. Wilma Coleman and Mrs. Eva Mae Neal. The Easter program was directed by Mrs. Henry L. Sapp.

After the program, a miniature Easter Basket filled with goodies were passed out to the participants in the program by John Henry and Vincent.

Mrs. Willie Sillem also had a treat of home made ice cream for the members which was served after the services were over.

Next Sunday, Brooks Chapel will host the Gospel Singers "The Soul Seekers" and "The Gifts of God" at 3:00 and 7:00 p. m. April 25.

FFA and 4-H Barbecue Planned for Saturday, May 8

A Bar-B-Que sponsored by the Crowell FFA and the Foard County 4-H Clubs has been scheduled for Saturday, May 8 and will take place at the Crowell Agriculture Pavilion. Funds received from this activity will go toward purchasing a P A system for the agriculture pavilion, 4-H Horse Club and other 4-H activities.

Tickets, at \$3.00 each, for the Bar-B-Que will go on sale April 19 and will be sold by 4-H and FFA members.

The 4-H and FFA members want to invite everyone to join them. For more information contact L. H. Wall, Don Welch or Garland Wiemers.

SUNFLOWER ACREAGE TO BE DOWN

Despite a boom in sunflower production in Texas last year, producers are shying away from this relatively new crop for the 1976 season, points out an agronomist for the Texas Agricultural Extension Service. This is mainly due to overproduction last year when the crop was buoyed by lucrative prices. Some 375,000 acres were planted to sunflowers last year, but the 1976 crop is expected to be down to about 100,000 acres.

Texas Voters to Elect Delegates to National Democratic Convention

When Texas Democrats go to the polls, May 1, they will be faced with something new—an opportunity to select delegates to the National Democratic Convention. Previously these delegates were named at the state convention.

presidential candidate directly, but for delegates pledged to the candidate. In the 30th Senatorial District, three presidential slates have qualified. Each slate has three delegate candidates. One cannot vote a straight ticket by just placing an "X" in one of the boxes. Each delegate candidate must be voted on individually.

The voter is not bound to vote for all three delegate candidates pledge to one nominee. He may, if he wishes, choose any combination of three of the nine delegates. These nine delegates and the presidential candidate they are committed to are listed here:

Senator's Son Visits in Crowell

Lan Bentsen, real estate broker in Houston and son of Texas Senator Lloyd Bentsen, was honor guest at a morning coffee at the community center in Crowell last Friday.

About forty local and area residents were on hand to greet the Senator's son, who in brief remarks, urged all Texans in the Democratic primary Saturday, May 1, to vote for his father as a favorite son candidate for President.

Bentsen is travelling over the state in the interest of his father, who is desiring to attend the national Democratic convention in New York in August with the Texas delegation in his favor.

Tornadoes usually average about five to ten minutes on the ground, leaving a path approximately 390 to 400 yards wide. Some tornadoes have been known, however, to cut swathes a mile or more in width. The average length of a tornado is four miles though they may reach hundreds of miles in length.

TOMATOES—POPULAR BUT FICKLE

Most home gardens just wouldn't be the same without at least a few tomato plants. Growing tomatoes can be both rewarding as well as frustrating, notes a horticulturist for the Texas Agricultural Extension Service. For success, first of all select adapted varieties that are resistant to common diseases. Plant tomatoes where they will receive at least six hours of sunlight a day. Set them somewhat deeper than they were originally growing and apply a starter solution. Provide some protection from wind and heat while plants are young. Use stakes, trellises or wire cages to support plants as they begin to grow. Fertilize plants weekly once they begin to set fruit.

Stanley and Bennie Sparks of Fort Worth are visiting in the home of Mr. and Mrs. J. M. Barker this week.

LCC's A Capella Chorus Sets Performance

The A Capella Chorus from Lubbock Christian College will present a wide variety of religious songs when they appear at the Crowell High School Auditorium in Crowell, starting at 2:30 p. m. on Sunday, April 25.

Revival at THALIA BAPTIST CHURCH

Begins Wednesday, April 21st and continues thru Sunday, April 25th. Time 7:30 P. M.

Herman Lancaster, pastor of First Baptist Church of Paducah, will be doing the preaching.

Betty Pierce and Hazel Ramsey will be leading the singing.

Wallace Pierce is the pastor.

This can do you good, so Ya'll come!

Under the direction of Dr. Wayne Hinds, the group will give a "Sermon in Song" including familiar hymns bridged together with narration, a special slide presentation entitled "Encouragements from the Master" and a "sing-along" with the audience. Other highlights of the program will be a solo by Miss Donna Jo Barnes from Littlefield. "Obey the Spirit of the Lord," and special numbers by the men's quartet and women's sextet. The A Capella Chorus, a 62-member group includes freshmen through seniors and is one of seven major music organizations at LCC. Steve Setliff, son of Mr. and Mrs. Joe Ray Setliff, is a member of the choir.

Screwworm Serious Threat; Checking Cattle Important

AUSTIN—Screwworms are always a problem for Texas farmers and ranchers, but this year they could be an even more serious problem in some parts of the state because of the unusually warm winter, according to Agriculture Commissioner John C. White.

Screwworms, the larvae of the blow fly, are already beginning to appear; a total of 225 cases were reported during the first three months of 1976 and indications are the number is rising at an alarming rate. Statistics indicate that

125 screwworm cases were reported in March. This is second only to the 330 cases reported in March 1962, the year the Screwworm Eradication Program began, Commissioner White noted. White stressed that male sterile flies are only part of the answer to control of the dangerous pest. "A large part of the responsibility for controlling the pest rests with farmers and ranchers," he said. In order to detect animals infested with the larvae, farmers should check their animals frequently and

Philip Welch Named Head of Hospital

Effective April 15, Philip Welch, pictured above, assumed duties as the administrator of North Side Medical Plaza in Houston. For the past two years, the 29-year-old Crowell native has been associate administrator of Doctors' Hospital in Little Rock, Ark.

North Shore Medical Plaza consists of a 178-bed acute general hospital and a physicians' professional building. The facility is wholly owned by Hospital Affiliates International, Inc., the largest hospital management company in the United States, managing some 70 hospitals worldwide.

Welch and his wife, the former Ruth Sanders, and their two children, Jennifer and Jason, plan to establish residence in Humble. He is the son of Mr. and Mrs. M. M. Welch and she is the daughter of Mr. and Mrs. H. B. Sanders, all of Crowell.

regularly. Infested animals attract a large number of flies and then stray into densely wooded areas to try to escape the flies. A special effort should be made to inspect such animals.

To prevent infestation, several steps can be taken. Special care should be taken not to inflict any wounds during March through November, when the flies are most active. This means that castration, dehorning, docking and branding should be done only during the winter.

The navels of newborn animals born during the fly season should be treated immediately because they provide an excellent environment for the larva.

Wounds, even small ones caused by tick or fly bites, provide excellent burrowing areas for the larva and should be treated before attack to prevent infestation.

If infestation continues without treatment for about two weeks during the fly season, the host animal will almost certainly die.

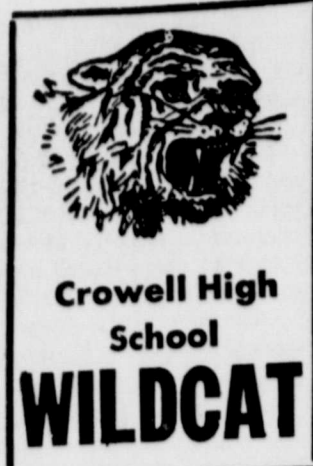

Bible Printed in Many Languages

By the end of 1975, at least one book of the Bible had been published in 1577 languages and dialects since the invention of printing, according to the American Bible Society's annual official Scripture language count. Twenty-nine languages which have never appeared on the list before were added in 1975.

The publication of the Gospel of John in Afaraf, a language of Ethiopia; of Luke in Kupsapiny, spoken in Uganda; and of Acts in Western Kutchin, a language of Alaska, brings these languages to the list for the very first time. North-Central Fore, a language spoken in Papua New Guinea, is introduced to the list with publication of a complete New Testament. The other 25 new entries represent publication of individual Biblical books in languages ranging from Abulas, spoken in northern Papua New Guinea to Vaagriboldi, a language of India.

Translations of the complete Bible are reported published for the first time in four languages: Byelorussian spoken in the USSR (1973); Indonesian, the official language of Indonesia; Kikaonde spoken in Zambia and Zaire; and Oluluyia spoken in Kenya. The latter three were all Bible Society publications.

YOUR VOTE AND INFLUENCE APPRECIATED

[Pol. adv. paid for by Jackie Walker]

CALLING ALL DEMOCRATS

Be sure to vote Primary Election Saturday, May 1

I am very appreciative of the fact that I have no opponent for the Democratic nomination for Representative from the 101st District.

For this pleasant situation I give credit to the influence of friends I have made in the 22 years I have served in the Texas House of Representatives.

I strongly urge all my friends to participate in this year's Democratic Primaries. There are a number of contested races for important offices and a good turnout is desirable.

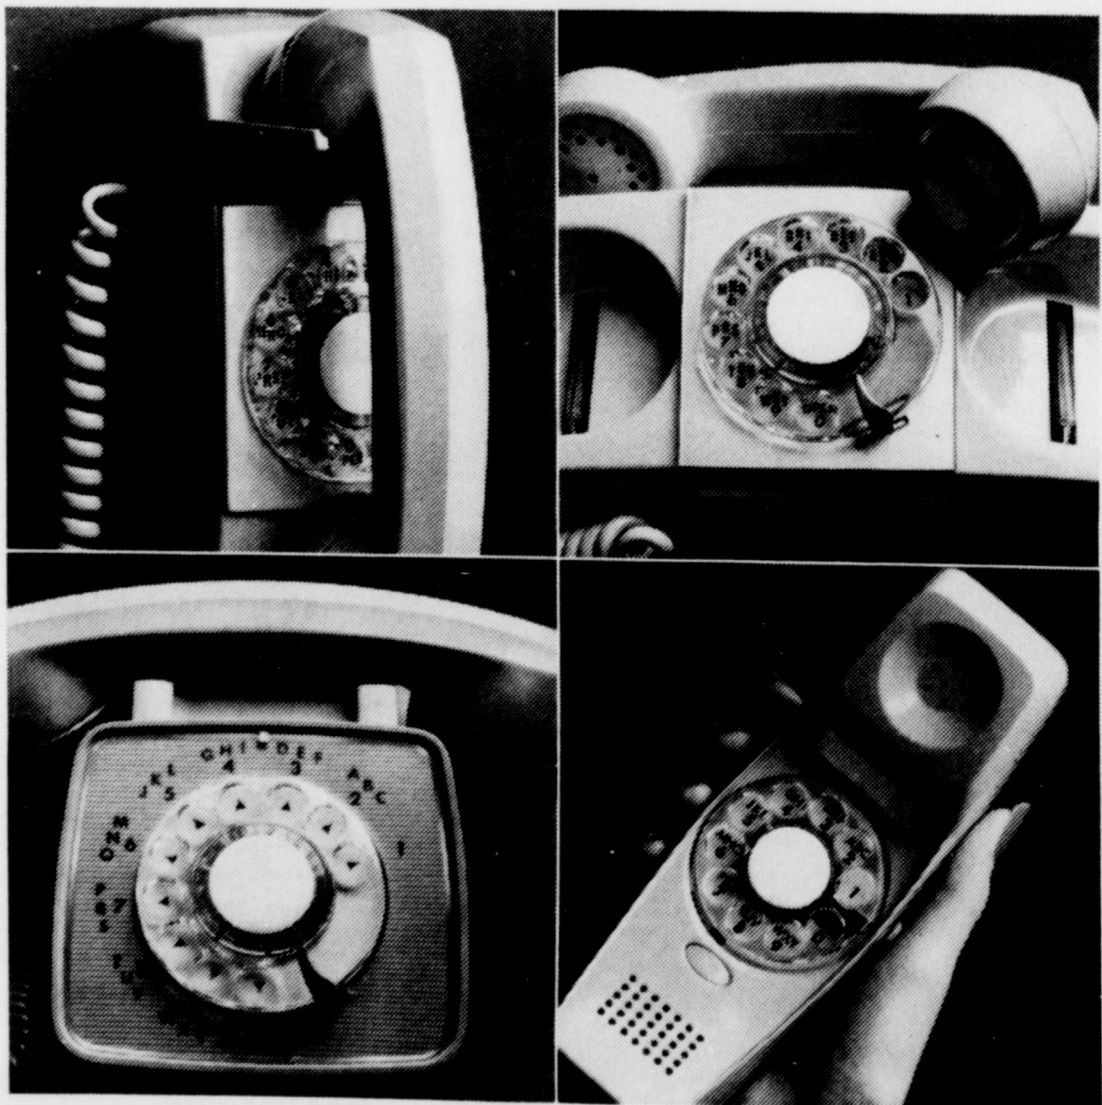

Keep up the voting habit. It is the way to promote the cause of good government.

This is a very important year in the affairs of Texas and the nation. Celebrate this 200th anniversary of our country's existence as a nation by voting in both primaries and the general election in November.

They're well within your reach.

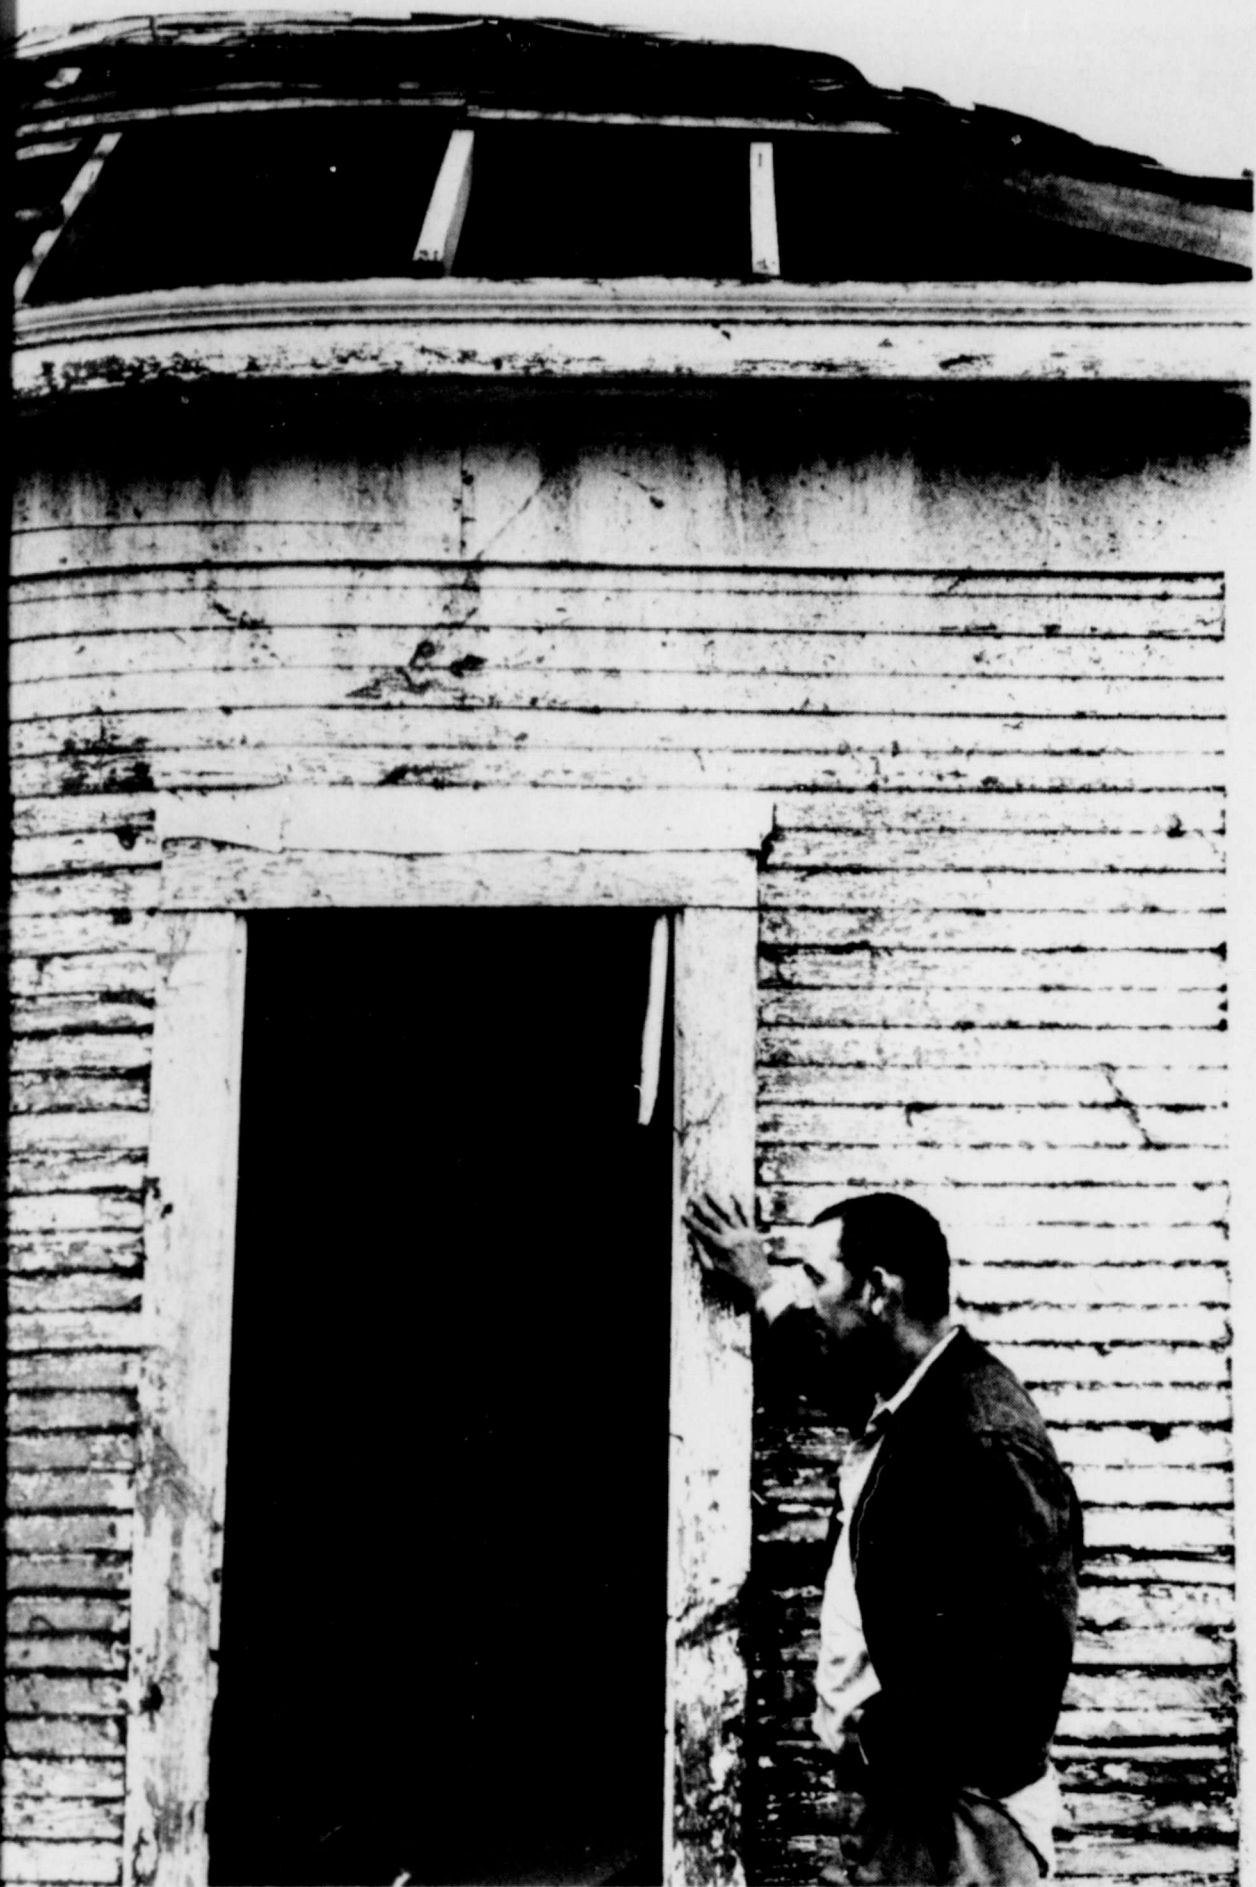

Hightailing it from your living room or bedroom to answer the phone in your kitchen is inconvenient, inefficient and a pretty amusing sight to onlookers.

So why not add an extension or two? It's easy enough to arrange. Just call your General Telephone business office.

We've got desk phones, wall phones, decorator and pushbutton phones. In plenty of styles and colors. Which makes our extensions as easy to look at as they are to get at.

Registration Reopens May 1 For Land Heritage Program

AUSTIN—Registration for the third year of the Family Land Heritage Program opens May 1, Agriculture Commissioner John C. White has announced.

The Program, sponsored by the Texas Department of Agriculture, honors families who have owned and continuously operated agricultural acreage for 100 years or more. Since the Program began, 931 farms and ranches have been honored.

Applications are available from county judge's offices, Texas Historical Commission county chairmen, or from the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711. Registration deadline is August 16.

White pointed out that applicants must use the new forms if they wish to qualify.

In order to qualify, the land must have been agriculturally productive and operated by family members for 100 years or more. If all the land has ever been rented out, it will not qualify.

Persons must live on and work the land, or, if they live off the historic land, they must actively manage and direct the everyday operation of the farm or ranch. Absentee ownership of land devoted to hunting and timber leases and similar operations will not qualify.

Those who qualify will be honored at ceremonies in the fall. They will receive a certificate suitable for framing and a brief history of their land will be printed in the "Family Land Heritage Registry."

RICE PICTURE BLEAK

Rice producers in the U. S. are faced with an uncertain market due to record domestic and world rice production last year. U. S. rice stocks on August 1 could be five times the level of last summer due to a 14 per cent increase in production last year coupled with an almost 16 per cent decrease in exports due to strong foreign competition. About 45 per cent of last year's U. S. rice crop still has not moved into market channels, and in about three months the 1976 crop will start coming in, points out an extension service economist.

ATTEND DEDICATION—These three local residents were on hand last Thursday at the dedication ceremonies for the new agricultural workers training school which will get underway here within the near future. From the left are Commissioner Loyd Black, County Judge Seth Halbert and EOAC executive director Felix Taylor. In ceremonies, Taylor was praised for his untiring efforts in securing the school for this area.

VISIT AT DEDICATION—State Representative W. S. Heatly of Paducah and Ben McDonald of Austin, executive director of the Texas Department of Community Affairs, are pictured above, foreground, in a discussion at the dedication ceremonies for the agriculture training program school last Thursday.

Ag. Workers School Is Dedicated

A host of state and area dignitaries were in Crowell last Thursday afternoon to launch the agriculture training program sponsored by the Economic Opportunities Advancement Corporation of Cottle, Foard, Hardeman and Wilbarger Counties. The new program is being dedicated to the late Roy Neal Parks, Cottle County judge who before his death was active in promoting such a training program for agricultural workers.

Felix Taylor and Joe Don Brown, both of the local EOAC office, acted as hosts for the affair. Taylor was master of ceremonies. Main speaker was Ben McDonald of Austin, executive director of the Texas Department of Community Affairs. Also on

the program were Ventura Rios, deputy director, Manpower Education and Training; John Tyler of Amarillo, coordinator of the Texas State Technical Institute; Jeff Wise of Dallas, coordinator for Central Texas, Community Services Administration, and State Rep. W. S. Heatly of Paducah.

The new program, which is the first in the state, is designed to give training to agricultural workers in this area. At the present time, enrollees are being processed by the Texas Employment Commission and the school is expected to get underway within the near future.

Texas State Technical Institute at Amarillo is providing the instructor and minimum funds for consumable supplies and TSTI at Waco will provide the curriculum development. McLain Farm Equip. of Crowell will also be provid-

ing some instruction.

Each of those on the program stressed the need for skilled farm workers and this type of program will benefit all the people of this area, both farmers and employees. Rep. Heatly pointed out in his remarks that farm machinery is expensive and getting more so all the time. He stressed that proper maintenance, something to be taught in the new school, will help farmers protect their investment as their employees learn how to maintain this expensive equipment. He added that he hopes the school can be expanded to where county and city governments can send their employees to the school to learn how to maintain the heavy equipment used in road and street maintenance.

Heatly concluded by saying that people in the cities are wanting to move to the rural areas, and this school is a step in that direction as it will be training workers for rural area work.

Absentee Voting In Progress

A total of 21 Foard County residents had voted absentee for the May 1 Democratic primary up to Monday morning, Mrs. Cornelia McDaniel, county and district clerk, says.

To be eligible to vote absentee, a person must be registered to vote in Foard County and must be out of the county at the time of the election, confined due to illness or prohibited from voting on Saturday because of religion.

Persons who plan to be out of town must vote absentee in person at the county clerk's office in the court house before the April 27 deadline. Persons who are already out of the county may vote by mail by contacting the county clerk and requesting an absentee

voting packet. The voter registration card must accompany the request. For persons who vote by mail, the request must be postmarked from a point outside the county.

A qualified voter who will be 65 years or older on the day of the election may also vote absentee, either in person or by mail by following the same procedure.

For those persons voting absentee because of illness or whose religion forbids him to vote on Saturday, must provide a form filled out by a certified physician or Christian Science practitioner.

As of the deadline April 9, there were 1,398 Foard County residents who were registered to vote in the May 1 primary.

Ray Brown Predicts 1.3 Million Bushel Wheat Crop for County

Rotarian Ray Brown, a Foard County farmer and elevator manager, in his annual talk on Foard County wheat prospects, estimated that Foard County would produce about 1,300,000 bushels of wheat this year. He estimates that there is somewhere near 100,000 acres planted to wheat in the county this year. This is considerably below the 22 bushels average of the county last year.

Brown quoted an area agriculture specialist who said it costs about \$4.00 to produce a bushel of wheat. He added that with the current price of wheat near the \$3.50 level, it "will take lots of wheat to make a profit." The \$4.00 per bushel figure supposedly takes in all costs, taxes on land and profit to the farmer.

Mr. Brown said latest figures available show there are about 4 billion people on the earth, with another 200,000 being added each day. He also quoted figures which show that Russia uses almost 4 billion bushels of wheat a year for feeding its own people.

At the present time, the United States Department of Agriculture is estimating some 7 million acres of U. S. wheat will be abandoned this year due to drought. This is

just half the 14 million acres abandoned in 1933. In 1935, some 13 million acres were abandoned; in 1953 there were 12 million acres of wheat abandoned and in 1967 the total acreage of wheatland abandoned was 10 million.

Brown did not guess as to

the starting time of the 1976 harvest, but added that the earliest start of harvest he knew of was in 1946, when the first wheat was cut on May 11.

County Agent Garland Wiemers introduced the program.

EGGS BENEDICT

- 5 Tbsp. butter
- 1 thin slice cooked ham or Canadian bacon
- 2 egg yolks
- 1 Tbsp. lemon juice
- 1/8 tsp. salt
- Dash of cayenne pepper
- 1/2 of 1 English muffin
- Butter
- 1 poached egg

Melt 1 tablespoon of butter in a skillet over moderate heat. Add ham and cook a few minutes on each side. Remove from heat and keep warm. To make sauce, melt remaining 4 tablespoons of butter over low heat in a small saucepan. Combine egg yolks, lemon juice, salt and cayenne in a small bowl; slowly add the melted butter, stirring constantly. Toast muffin and spread with butter. Place the slice of ham and the poached egg on the muffin half and spoon sauce over. (Note: Instead of making the above sauce, one package of hollandaise sauce mix can be substituted. Prepare according to package directions.) Yield: 1 serving.

For additional egg recipes send a postcard request to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

SENATOR'S SON VISITS HERE—Lan Bentsen, center, of Houston, was in Crowell last Friday morning in the interest of his father, Senator Lloyd Bentsen, who is a candidate for re-election in the May primary. On the left is Foard County Democratic Chairman T. L. Tamplin and on the right is Henry Black.

Revival Is Planned at Thalia Church

Rev. Herman Lancaster, pictured above, pastor of the First Baptist Church of Paducah, will be the evangelist for a revival meeting beginning Wednesday, April 21, and continuing through Sunday, April 25. Starting time each night is 7:30 p. m., the pastor, Rev. Wallace Pierce, said in announcing the revival.

Leading the singing will be Mrs. Betty Pierce and Hazel Ramsey.

The Thalia Church cordially invites everyone to attend these services.

No Accidents Reported Here

The Texas Highway Patrol investigated no accidents on rural highways in Foard County during March, the highway patrol reported last week.

The rural traffic summary for the county shows only one accident during the first three months of the year with no injuries or deaths.

The 15 deaths occurring on highways in the 60 counties in the district include two each in Childress and Parmer, and one each in Baylor, Hockley, Lubbock, Lynn, Wise, Hansford, Hardeman, Hutchinson, Potter, Swisher and Wilbarger.

Art Show Set in Vernon

The Vernon Art League is inviting everyone in this area to attend the annual art show April 28 through May 2 at 1725 Fannin Street. Hours will be from 10 a. m. until 6 p. m. Wednesday through Saturday and 1 to 5 p. m. Sunday.

Bob Taylor, well known painter and photographer of Cordell, Ok. is judge for the show. Many of his paintings will be on display.

Although most tornadoes occur in the states of the Deep South and in relatively flat lands between the Rocky and Appalachian Mountain Ranges, they have been reported in every state in the nation.

Notice to Farmers and Farm Employees

The EOAC of Cottle, Foard, Hardeman and Wilbarger Counties and Manpower Education and Training is sponsoring a work training program for seasonal and migratory farm workers.

Training is to be for a six months period of time with a minimum of 320 hours institutional or class room training and the remaining time actual experience. Persons desiring to enroll in this training program must be over 18 years of age and meet the criteria established for CETA Title III Section 303.

Farmers that know potential employees who would benefit from this training should encourage them to make application.

Interested persons should contact the Texas Employment Commission in Vernon, 2222 Pease St., Phone 552-9381, or Paducah, 921 Backus, phone 806/492-3727 or the EOAC Office, Crowell, Texas.

Museum News

Mrs. Virgil A. Johnson
Chairman
Foard County
Historical Commission

When have you seen a program from the Crowell Theatre? From the Rialto? We have Mrs. John Teague to thank for these.

We appreciate the welding which was done by Bobby's Welding Shop - all free! John Haggard has done our cleaning. Many thanks, Bobby and John.

If you brought an ebru baby dress with beautiful crochet, please let us know as we failed to record the name of the donor.

We have a set of car and house keys which were left at the museum last week.

Some of the interesting things which have been added during the past week are a pillow and quilt for the hotel bedroom, Jo Jones; a braided rug for same, Mrs. J. C. Jones; lamps and picture, Estelle Bell; picture, Mrs. R. H. Cooper Jr.; pictures linens, candle stick holders, Beulah Holcombe; Sunday School cards, Lucy Gamble; family pictures, Biddie Moore; enamel water pitcher and boot jack, Annie Dedek, Vernon; wig, Janie Bowers Bryant.

On Wednesday, Cornelia McDaniel made a cake for those who worked. Many thanks! It was very good. So much has been going on since the last report that I am almost afraid to list those who have helped as it is very difficult to know what is going on on both floors. If you helped and I overlooked it, please let me know because we appreciate every one of our workers.

The following people have worked: Ethel Barker, Bettie K. Gafford, Faye Bell, Lucy Gamble, Bernice Carroll, Ethel Ferguson, Russie Hord, Peggy Myers, Ruth Andrews, Mary Ray, Thelma Todd, Evelyn Cates, Hazel Ramsey, Dossie Kincaid, Frances Kincaid Coker, Mary Ann, Tracey and Rob Dedek, Ginia Gafford, Gaye Gafford, Mack Gafford, Bettie B. Gafford, Ellen Wells, Bonnie Johnson and Bernita Fish.

Glenn Halsell Jr. and his ranch hands brought in a Hynes buggy which was owned by his grandfather, the late Furd Halsell. The following men helped with moving it in the museum and getting it in place: Virgil Johnson, Moody Bursey, Marvin Myers, Duane Johnson, Jim Mack Gafford and James Welch.

George Self brought in some more weathered wood for the old town. George has also given us some beautiful gourds.

We have had visitors from California, Boston, Mass., and Alabama; all have had complimentary things to say about the museum.

The grand opening is Saturday; we hope all of you are here to celebrate with us. Our cash donors this time are Doris Coffey \$2, Alta Wisdom \$8.50, and Jack Thomas \$25.

Trail Ride to Vernon to Start Apr. 28

The Crowell Riding Club will leave Wednesday, April 28, at 9 a. m. to ride to the Santa Rosa Roundup in Vernon, Otto Bachman Jr., president, said this week.

The group will eat dinner at Thalia and a barbecue supper will be served at 6 p. m. at the home of Mr. and Mrs. Ed Lehman in the Rayland community.

R. C. Daniel and his band will play for a dance in the Lehman barn that night.

Everyone is invited to the barbecue and dance, Mr. Bachman said.

Fred Adcock Receives Honor

The Board of Advisors for the Outstanding Young Men of America Awards Program announced today that Fred Harry Adcock of Crowell has been selected for inclusion in the 1976 edition of OUTSTANDING YOUNG MEN OF AMERICA.

The Outstanding Young Men of America Program is sponsored by the U. S. Jaycees and numerous other leading men's civic and service organizations throughout the nation. Serving as chairman of its 12-man Advisory Board is Doug Blankenship, U. S. Jaycee past president.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Mr. Adcock, along with approximately 9000 fellow Outstanding Young Men from the United States, will be featured in this prestigious annual awards publication.

When a tornado hits, temporary repairs should be made to prevent further loss. Expenses for such repairs are covered by most insurance policies, so receipts for any expenditures should be kept.
