MAJOR MAJOR—David Stapp of Crowell is one of the drum majors who will lead the Baylor University band this year. Stapp was chosen in the annual election held last spring and will be serving as a drum major for the second consecutive year. He will lead the 200-member band in all pre-game and game performances during the football and basketball seasons. Stapp, a graduate music student at Baylor University, is the son of Dr. and Mrs. Stapp of Crowell.

Teachers to Attend Workshop

Four Crowell educators are planning to attend the annual fall workshop of the Texas State Teachers Association District 9, on Wednesday, September 15 at Iowa Park High School.

Jim Coulston, superintendent at Harold and president of TSTA District 9 will be in charge.

Grace Grimes, state president of TSTA will speak at the workshop. Other staff members will provide materials and information.

Topics of discussion will include instructional programs, teacher services, professional rights and responsibilities of Texas educators, school legislation, human relations, leadership development, faculty representative work, public relations and communications, and TSTA membership benefits.

The Crowell delegation will include Dixie Hord, Carl Brock, Gary Hobson, and Becky Hudgins.

Copper Breaks Park Gets New Campsite

The remarks of campers and visitors to Copper Breaks State Park this summer season have been most favorable.

Park Superintendent Bob Martin reported that the Interpretative Center construction is under way and the work is being done in Florida. Upon completion the exhibits will be moved to the park center. The center is expected to be completed by May 1, 1977.

The contemporary photography is being done by Lawrence Ivy of Austin with the Smithsonian Institute and other historical centers furnishing prints in the historical art.

A new campsite has been completed at the park. The area has 11 campsites which will be used by tent campers and pickup truck campers. There are no hook-ups for other types. The pavement was finished this week.

Martin said that many transit travellers had visited the park this summer, many making it the first stop on trips to other places. Most commented on the quality of the park. He told of one family from Marlin, Texas who came through a month ago and spent the night then departed and travelled some 10,000 additional miles returning a month later to spend the night before returning home. The family remarked that Copper Breaks Park was the best of any they had seen in their 10,000 miles of travel.

Other recreational facilities are planned but nothing has been decided definitely.

Meeting Held Here on Anthrax Outbreak

New Home Being Built for Mrs. Cecil Dunn

A new two bedroom house is under construction in the southwest part of town for Mrs. Cecil Dunn.

Orville Black is the contractor and Foard County Lumber Co. is furnishing the material.

Oran Carroll has moved his auto and tractor repair shop from the building southeast of the square to the rear of the Thomas Sales building a block south of the square on State Highway 6.

Local Water Source Gets State O. K.

The source of Crowell's water supply, Greenbelt Lake, located north of Clarendon, has received a clean bill of health, according to a letter received by water officials from the Texas Department of Health Resources.

The letter from the Division of Environmental Engineering, stated that a sanitary survey of the Greenbelt water system presented an attractive appearance and that the requirements for the continuance of the present "State Approved" status by the Texas Department of Health Resources are being complied with.

An anthrax outbreak in Western Foard County is "under control", Dr. G. D. Lindsey, a veterinarian with the Texas Animal Health Commission, told a group of over 50 Foard County farmers and ranchers at a meeting held here last Thursday afternoon.

Dr. Lindsey said that livestock deaths apparently caused by anthrax had taken place on six different properties involving some 15 sections of land and quarantines and vaccinations involve some 10 to 20 additional sections of adjacent tracts.

Anthrax is caused by a spore rather than a germ, Dr. Lindsey said, and it is entirely possible that the spore which has caused the outbreak here could have been dormant in the soil from the time buffalo herds died in that area many years ago.

An estimated 40 head of cattle and three horses have been identified as anthrax victims, the veterinarian added. He also stated that there has not been an anthrax outbreak in this county since 1900.

In spite of assurances by the Animal Health Commission that the anthrax outbreak "is under control," at least one Foard County rancher is wondering if perhaps the outbreak is more serious than officials say. Otis Gafford said Monday afternoon that although as far as he knew no anthrax had been discovered south of US 70 in the west part of the county, more cases north of the highway are being diagnosed each day. He for one is fearful the outbreak may spread out to other farms and ranches in the area.

Glen Goodwin Named TADA Area Director

Glen Goodwin of Goodwin Chevrolet-Olds, Crowell, has been appointed to the key post of area director of the Texas Automobile Dealers Association.

Bill Rogers of Midland, TADA president, said Goodwin will report to the TADA Board of Directors on all phases of activity relating to the motor vehicle buying public in Crowell.

"Goodwin will work closely with legislative and other governmental officials on all matters pertaining to the industry and the auto buying public," Rogers said.

TADA's executive vice president, Gene Fondren of Austin, added, "The job of Area Director is one of the most important in our giant statewide association, and we are confident Goodwin will serve with great distinction."

Wildcats Win 33-6 over Quanah

The Crowell Wildcats, in their initial game of the young 1976 football season, blasted the Quanah Indians, 33 to 6 in a non-district game last Friday night at Dick Todd Field.

Crowell quarterback Tommy Tamplen fielded an Indian punt in the first quarter and apparently galloped over 60 yards for a TD. However, a penalty nullified that score and after an exchange of punts, C. B. Sparkman, Wildcat halfback did a repeat of Tamplen's run, and this time with no yellow flags dropped, the Cats had 6 points.

Oran Carroll kicked his first of three points after to make the score 7-0.

Quanah roared back after the Cat TD when quarterback Perry Richardson threw a pass to Chris Christopher, Indian halfback, in a play that went 41 yards. The Indians were unsuccessful in their try for two points.

The Wildcats' next touchdown came in the second quarter as Sparkman, Wildcat swivel-hipped speedster, plunged over from one yard out. Carroll converted the extra point.

A drive by Quanah shortly before halftime failed as time ran out.

The first time the Wildcats had the ball in the third quarter, they marched 55 yards in ten plays for the touchdown. Fullback William Bachman rambled for six yards and Jay Wall went the final distance going in from three yards out. The try for extra point failed.

During the early part of the fourth period, Crowell marched 74 yards for a tally after taking an Indian punt. A pass play from Tamplen to end Randall Russell covered 40 yards and accounted for the score. Carroll kicked the

extra point.

The final Crowell score came after Bachman intercepted a Richardson pass on the Crowell 40. Carroll, who carried the ball 6 of the 9 plays in the drive, carried over from two yards out. His try for extra point failed.

The Indians were thwarted in every attempt to mount a drive in the second period and could make only 6 first downs the entire night. This is an indication of the tremendous defensive effort of the entire Crowell squad.

The Wildcats were hampered by penalties, the total being 110 yards.

Wildcats Travel to Seymour for Non-District Clash Friday Night

Joe Mike Fish New Wildcat Announcer

The Crowell Wildcats have a new "voice" this year, the first change in announcers of home football games since the advent of the public address system.

Marion Crowell, local sports fan and radio and television repairman for many years, furnished the equipment and also did the announcing for all of the Wildcats football games up to this year. He and Mrs. Crowell have moved to Artesia, N. M., after living in Foard County all of their lives.

Joe Mike Fish, son of Mr. and Mrs. Harold Fish and parts department manager at McLain Farm Equipment, is the new announcer and he did an outstanding job in his first games last week. In addition to the varsity game on Friday night, Fish announced the play-by-play for the junior high games Thursday night.

WSL Votes to Buy Furniture for Hospital

The Women's Service League voted at a recent business meeting to purchase a furniture unit for the lobby of the Foard County Hospital. The piece will be comprised of two chairs and a table. An additional Christmas decoration for the courthouse lawn was also approved. Selection will be made shortly. The meeting was under the direction of Mrs. Marlene Fox, WSL president.

Crowell Women Win Softball Championship

Crowell A Women, with a 10 won, 2 loss record for the season, won first place in the women's division of the Adult Softball League of Quanah as the final games of the season were played there last week. The Crowell B Women tied for fourth place in the league standing.

Mrs. Julia Torres serves as manager of the local women's teams which were entered in the Quanah league this year.

Mrs. Hinkle Wins \$100 Prize

Mrs. Charlie Hinkle was notified by mail Tuesday that she had won a \$100 prize in a Publishers Clearing House Contest. Mrs. Hinkle had filled out and returned a coupon in the contest.

She received her check Tuesday, also.

Many Foard Residents Are Social Security Recipients

Security benefits being paid to 601 residents of Foard County at a total of \$98,955 a month at the end of 1976. Carl Rogers, Social Security representative in Crowell, said Monday.

Monthly social security benefits are payable to 100 and their de-

pendents when the worker retires, becomes severely disabled, or dies. 339 retired workers and 28 disabled workers received monthly social security benefits at the beginning of 1976. In addition, 92 wives or husbands of the worker, 57 children and 85 widows, widowers, or parents received monthly social security benefits.

In Foard County, 207 beneficiaries were under age 65; 457 beneficiaries were age 65 and over. Of the total number, 218 were men and 326 women.

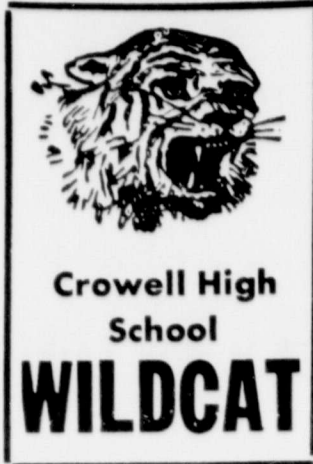

Today, social security is the Nation's basic method of providing a continuing in-

PUBLIC NOTICE
 SUMMARY OF PROPOSED
CONSTITUTIONAL AMENDMENTS
 GENERAL ELECTION NOV. 2, 1976

NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

Library would like to thank the Northwest Texas A&M Club for the nice pictorial Texas A&M University Book. It was presented in memory of an illustrious graduate, State Senator George C. Moffett.

Another token of gratitude was bestowed upon us, also. Senator Lloyd Bentsen presented Judge Seth Halbert with the official Bicentennial Yearbook of the United States Department of Agriculture for the local high school. Judge Halbert in turn presented the book to our library. We appreciate this contribution very much.

We would like to welcome a new teacher to the CHS faculty. He is Charles Trull the new Plan A teacher in special education Mr. Trull is a 1967 graduate from North Mecklinberg Senior High in Charlotte, North Carolina. He then spent four years in the Air Force. In 1976, he was graduated from Midwestern State University. He has one daughter, Laura six weeks old, and wife, Paula.

Mrs. Roxiann Tabor Died in Lubbock

Mrs. Weldon Tabor, 35, of Quanah, a native of Foard County and daughter of Mr. and Mrs. Houston Adkins of Crowell, died Friday morning in a Lubbock hospital following a long illness.

Funeral services were conducted at 3 p. m. Sunday, Sept. 5, at the First Baptist Church in Quanah with Rev. Howard Quiet, pastor of the Quanah First United Methodist Church, and Rev. W. E. Ikard of the First Assembly of God Church in Quanah, officiating.

Interment was in the Goodlett Cemetery under direction of Knowles Funeral Home of Quanah. Bearers were David Brinkerhoff, Ted Kyle, Darrell Nippert, R. L. Stockstill, Winston Wilson, Kenneth McNabb, Joe Gayle Baker, Van Dale Sparkman, Jeff Tidmore and Ridley Gibson.

JIVIN' JUNIORS

Now that school is well under way, the juniors are taking the following courses: geometry, algebra II, English, typing, shorthand, and American History. Also, the magazine sale is well under way. The money we collect from this goes for the Junior-Senior Banquet.

Last Friday football season got underway with Crowell playing Quanah. Junior cheerleaders this year are: Beth Graves and Dana Miller. Junior twirler is Carol Sue Scott. Juniors say: "Stomp Seymour."

SUPER SOPHOMORES

Time is passing by fast and it won't be long until it will be time for six weeks test. This year the sophomores are carrying quite a heavy load with classes such as: geometry, algebra, typing, English, biology, and World History. Meanwhile in sports the Wildcats worked over the Indians in their season opener 33-6, along with the help from the spirited fans including sophomore cheerleader Hedi Vecera, and Pep Squad members, Denise Branch, Bonnie Cox, Retha Newman, Lillian Newman, and Terri McDaniel.

FAR-OUT FRESHMEN

It's been a great week for the Freshmen! In English we have been studying the use of commas, and in science we have been learning the units of the metric system. Friday night, the Wildcats travel to Seymour to battle the Seymour Panthers. Fish say: "Petrify the Panthers."

Mrs. Roxiann Tabor Died in Lubbock

Mrs. Weldon Tabor, 35, of Quanah, a native of Foard County and daughter of Mr. and Mrs. Houston Adkins of Crowell, died Friday morning in a Lubbock hospital following a long illness.

Funeral services were conducted at 3 p. m. Sunday, Sept. 5, at the First Baptist Church in Quanah with Rev. Howard Quiet, pastor of the Quanah First United Methodist Church, and Rev. W. E. Ikard of the First Assembly of God Church in Quanah, officiating.

Interment was in the Goodlett Cemetery under direction of Knowles Funeral Home of Quanah. Bearers were David Brinkerhoff, Ted Kyle, Darrell Nippert, R. L. Stockstill, Winston Wilson, Kenneth McNabb, Joe Gayle Baker, Van Dale Sparkman, Jeff Tidmore and Ridley Gibson.

The former Miss Roxiann Adkins was born in Crowell July 14, 1941. She graduated from Crowell High School and on Sept. 14, 1963, was married here in Crowell to Weldon (Butch) Tabor of Quanah.

She was a member of the First United Methodist Church of Quanah.

Surviving are her husband; two children, Tanna and Trent, of the home in Goodlett; one brother, Randy Adkins of Crowell, her parents of Crowell, and maternal grandparents, Mr. and Mrs. Ray Pyle of Vernon.

Museum News

Mrs. Virgil A. Johnson, Chairman, Foard County Historical Commission

The Labor Day week end brought many visitors to the museum. It is a joy to have former residents come home and include a visit to the museum while here.

Last week, we had a couple from E. Beamsville, Ontario, Canada. It was Keith and Ruby Comfort whose car broke down in Crowell. They were here for several days and visited the museum several times. They travel extensively and look for a museum in every town. We certainly liked what they had to say about ours!

Numerous items have been brought in, all of which are deeply appreciated. Mrs. Ray Hysinger gave us a bonnet which was worn at one of Foard County's celebrations, some anniversary buttons and a purse over a hundred years old, which belonged to Ray's grandmother; a coffee grinder which belonged to Mrs. H. W. Banister was given in her memory by her daughter, Merle B. Holland; a view master by Ricky Charles Smith; some unusual rocks and smaller items were donated by Vivian Beesinger; a 1928 "The Melting Pot" (Crowell High School Annual) by Margaret Taylor Trout; a tating shuttle with some of her tating attached used around 1910 by Mrs. Allie Goble Kenner (Mrs. H. T. Boss). It was given by her children, Beulah Mills, Tim, John and Ike Kenner. Mrs. Mills also donated a beautiful hand-made shawl; Margaret Taylor Trout of Mobeetie gave us a Physiology and Hygiene, Copyright 1884, which was used by Hervey A. Wesley, Margaret, Texas, in 1890. The school was taught in the Old Margaret jail and Mr. George P. Brown was the teacher. Mr. Brown's sister was Mrs. Belle Allee. We appreciate all of these things as they certainly help tell the story of our county.

We are now within a few hundred dollars of being debt-free at the museum due to a generous donation by Crowell State Bank. Other cash donors are Merle B. Holland \$15.00 and Mr. and Mrs. Carl Shultz \$6.00. Thank you for your interest in our project.

Volunteer hostesses have been Winnie Brown, Ruth Andrews, Edna Sanders, Ruth Kenner, Ethel Ferguson and Bonnie Johnson.

Friday, September 10, we will have another bake sale at the post office. We will be set up at 9:30 ready for business.

We appreciate the interest in our store. Come by and see what we have.

News from the Nursing Center

By Mrs. Deanie Powers, Activities Director

People having birthdays in September are C. C. Browning 5th, Jane Bond 10th and Mildred Magee 17th. We will have our monthly birthday party for these residents Sept. 23. The Truscott Church of Christ will host the party.

Last Wednesday several of our residents went shopping, visited Jane Bond and Eli New in the hospital and ended up at the Dairy Bar for ice cream and cokes. Jane and Eli are back with us after their stay in the hospital.

Beth Lankford and Ida Sellers went to the Senior Citizens meeting Tuesday. The Senior Citizens will come to the Center Thurs. Sept. 9 to entertain and visit.

Bennie Glover went Sunday to visit Mr. and Mrs. Son Glover and went to church with them. Beth Lankford went to Vernon with Mary Durham. We are happy some of our residents are afforded a way to go places or visit away from the Center.

We have a new employee in the dietary department. She is Judy Robertson.

There were several out of town visitors. Ada Jane Franks of Midland visited her mother, Mildred Magee, Rita Robinson of Truscott

visited her aunt, Charlie Sue Thompson, Micki Hughston of Dallas visited Mr. and Mrs. Grover Owens. Katherine Wright of Fritch visited her father, C. C. Browning, Mr. and Mrs. Ike Kenner of Odessa, Mr. and Mrs. John Kenner of Del Rio and Mrs. Carl Roberts of Wichita Falls all visited Jane Bond, Maggie Dennis of Quanah visited her sister, Bennie Glover. Jim Malone's visitors were Mrs. Ruth Williams of Dallas, his daughter, and his nephew, Jim Ross of Dallas.

The East Side Church of Christ held services Sunday. Larry Swan led the service and Randall Ryan led the singing.

The Thalia Baptist Church will hold services next Sunday.

with white ruffle pleating. She wore a garden hat trimmed with turquoise ribbon and carried a single spider mum with turquoise ribbon.

Douglas Miller, brother-in-law of the bride, served the bridegroom as best man.

RECEPTION
A reception was held in the home immediately following the wedding ceremony.

An imported lace cloth covered the bride's table which was centered with an arrangement of spider mums flanked by silver candle holders bearing long turquoise tapers. The traditional three-tiered white wedding cake was topped by miniature white wedding bells. Other appointments of silver and crystal completed the table decor.

Renee Norman assisted with serving duties.

Guests were registered by Mrs. Doug Miller of Vernon, sister of the bride, at a table which held a single taper and greenery.

Other members of the house party included Mrs. C. Michael Higgins of Albany, Ga., sister of the bride, and Mmes. H.C. Brown, Gordon Bell, Loraine Carter, Foster Davis, Henry Borchardt and Samuel Wilson.

For the wedding trip to Lubbock, the bride wore a double knit autumn brown pants ensemble with a vest and flowered blouse. She also wore the corsage from her bridal bouquet.

The bride is a 1976 graduate of Crowell High School where she served as first vice president of FHA, treasurer of pep squad and was a member of the basketball and track teams. She was also a member of the Sub Junior Adelphean Club. The bridegroom, a graduate of Munday High School, has been a member of the Vernon Police Department for the past two years.

The couple will reside in Vernon.

REUNION

The 42nd annual reunion of the descendants of Henry Baker, their families and friends was held on the old Wesley homestead over Labor Day week end. Over 170 attended, and all had a most enjoyable week end.

Special guests this year included the youngest boy, David Nelson Moore, Jr., son of Melanie Mitchell, grandson of Agnes Wesley Gile and great grandson of Muriel Wesley Sims; youngest girl, Cynthia Rochelle Robinson, daughter of Trudy Shultz and Jim Robinson, granddaughter of Jackie and Loyd Shultz. Our oldest guests present at Saturday night festivities were Henry and Geneva Ross who were also honored for being married the longest. Newlyweds this year were Mark and Olga Tarvin of Chicago. Mark is the son of Jim Tarvin Jr. and the grandson of Jim and Edith Tarvin of Heber Springs, Ark.

Traveling the longest distance were Agnes Wesley Gile, her daughter and grandson from Welland, Ontario, Canada. The family with the largest number present this year was Clyde Taylor with 21 members.

At Sunday morning services this year, Cynthia Rochelle was baptized with her parents and grandparents standing with her. At the business meeting Sunday afternoon officers were elected for the coming year. These were Loyd Shultz, president; Jimmy Moore, vice president; and Jackie Shultz, secretary-treasurer.

Special guests this year included Frieda Sims Nelson, with her husband Earl Nelson, and her sister. She has now published her book about the descendants of Andrew Baker.

A number of favorites were unable to attend. Agnes Dunn, hospitalized in Quanah, Nena Hardin, convalescing in Dallas. The reunion wishes to extend thanks to all of those who make the reunion such a special event each and every year, the friendly folks of Crowell and Margaret, and wish to extend an invitation to come visit next year for our 43rd reunion.

COLUMBIAN CLUB

For the first meeting of the new club year the Columbian Club met in the home of Mrs. Roy Ayers on September 1st.

The meeting was called to order by the president, Mrs. Homer Black, who welcomed the members and guests; then gave the devotional based on John 3:16. This was followed by a moment of silent prayer in memory of recently deceased members Mmes. Hines Clark, Allen Shultz and H. P. Gillespie, prayer concluded by Mrs. Black.

Mrs. E. J. Jones was elected to fill the unexpired term of Mrs. Shultz.

Mrs. Roy Barker, leader for the day, introduced Mrs. Elton Carroll who presented the program "An Armchair Tour of New England" which was a most interesting experience. They saw the arch at the gateway to the West in St. Louis, Lincoln's home and tomb in Springfield, Ill., numerous points of interest in Chicago including the Sears building, the tallest building in the world. From Chicago, they went into Michigan which was formerly where most of the automobiles of America were made. Detroit and Dearborn were especially interesting.

At Dearborn they visited Henry Ford's Greenfield Village. From Detroit across into Canada with Toronto the next stop. Niagara Falls was visited first on the Canadian side and then on the New York side where some on the boat toured under the falls.

Crossing from eastern New York into Massachusetts they visited many of the historic places around Boston, Plymouth Rock, Cape Cod and the famous church from which Paul Revere got his signals to warn of the coming British invasion. Then they visited Rhode Island briefly, a short stop at New London, Conn. and there on the famous Merritt Parkway to New York City where various tours to points of historic significance in the city, a boat trip around Manhattan Island and a close up view of the Statue of Liberty on Liberty Island in New York City Harbor.

Incidentally, this was called Bedloe Island until 1956. After New York, Philadelphia was the next stop, where it was hot and muggy, but they visited the most famous places, then came Washington, with tours around the city, a visit to the Smithsonian Institute, Arlington Cemetery and Mt. Vernon. The trip to Williamsburg, the restoration of the original city by John D. Rockefeller, Jr. in the 20's and 30's was most rewarding; the journey to Fredericksburg, through the Smokies into Tennessee and on to Nashville was beautiful. They visited the Hermitage, Elvis Presley's home, the old location of the "Grand Old Opry" in the city and there to the new complex, some distance out, but time did not permit staying for a performance.

Another day and a half across scenic Arkansas and eastern Oklahoma to Oklahoma City and home. Mrs. Carrol showed numerous pictures made on the trip which were interesting.

During the social hour the hostess served delicious refreshments to the members and two guests, Mrs. Carroll and Mrs. R. L. Woodard.

About 22 million people 65 and over, nearly all of the Nation's aged population, have health insurance under Medicare. Another 2.1 million disabled people under 65 also have Medicare.

Couple Notes Anniversary

Mr. and Mrs. Leroy Henry of Route 5, Vernon, were honored Sunday, August 29, with an open house reception held in Wilbarger memorial auditorium to celebrate their 40th wedding anniversary. Mr. and Mrs. Henry are former Thalia residents, and Mrs. Henry is the daughter of Mrs. L. H. Hammonds of Thalia.

Hosts for the occasion were the honored couple's children: Mr. and Mrs. Keith Maxwell of Cleburne, Mr. and Mrs. Steve Henry of Graham and Messrs. and Mmes. Billy Roy Henry and Johnny Wayne Henry of Vernon.

Mr. and Mrs. Henry were married Sept. 2, 1936, in Frederick, Ok. They have been Wilbarger residents for 22 years.

The couple also has seven grandchildren.

CLUB MEETS

The Gambleville Home Demonstration Club met in the home of Betty Chatfield September 3.

Happy Birthday America was given by the hostess for the opening exercise. A quiz on safe driving was given by Mrs. W. J. Garrett for recreation.

Roll call was answered by 12 members and one visitor, the agent Loretta Hardin.

Council will meet Sept. 10th.

CARD OF THANKS

I would like to take this opportunity to thank Dr. Stapp and the nurses at the Foard County Hospital for being so kind to me while I was in there. I also want to thank those who sent flowers and cards.

God bless each of you.
Dee Ann Dunn

SHOWER AUGUST 31

A "pink and blue" shower was given in honor of Mr. and Mrs. Garland Wiemers on Tuesday, August 31, in the office of the county agent, with the women of the Courthouse serving as hostesses.

Mrs. Wiemers opened the various gifts which included a high chair and a training chair presented by the employees of the courthouse.

Games of baby bingo, baby's tray and baby's predictions were enjoyed by the group.

The serving table was covered with a lace cloth and centered with a "baby booties" jardiniere of variegated coleus and further enhanced by crystal appointments.

Refreshments of assorted cookies, mints, nuts and punch were served by Mrs. Loretta Hardin and Mrs. Janis Everson.

In addition to the honorees, those present were: Miss Mayme Lee Collins, Mmes. Veatrice Brock, Mary Borchardt, Jackie Borchardt, Jamie Jeffers, Cornelia McDaniel, Elizabeth Davis, Flossie Thomas, Opal Hazelwood, Sally Archer, Martha Brock, Jo Haynie, Lillie Welch, Janis Everson, Loretta Hardin, Laura Halbert and son, Konrad, Martha Kay Welch and daughter, Mandi, Miss Margaret Curtis, Messrs. Foster Davis and Seth Halbert.

Presented in marriage by her father, the bride selected for her wedding day a formal white peau de soie empire gown

featuring with a wedding ring neckline and square yoke trimmed with antique white cotton lace which also accented the Victorian puffed sleeves. The full skirt ended with a deep full ruffle accented by lace, and the attached wateau chapel-length train was trimmed with the chosen lace. The elbow-length veil of bridal illusion fell from a peau de soie Dior bow, and the bride carried a cascade of spider mums, carnations and pompons accented by greenery. To complete her attire, she wore a diamond crescent pin given to her maternal great-grandmother on her wedding day by the bride's maternal great-grandfather. The pin has been worn by both the mother and sisters of the bride at their weddings.

Mrs. Sherry Steedly of Vernon, sister of the bridegroom, attended the bride as matron of honor. Her formal empire gown of turquoise eyelet featured a sweetheart neckline trimmed

and used for her wedding and which was also used by the bride's mother at her wedding. A cherub compote with china flowers used at the brides sister's wedding decorated the mantel.

Traditional pre-nuptial music and selections of the bride were provided by the pianist, Mrs. Curtis Casey of Truscott, who also accompanied the soloist, Mrs. Wallace Pierce of Thalia as she sang "The Twelfth of Never" and "The Lord's Prayer."

DON'T LET YOUR CHILDREN BURN

Home fires claim almost 7,000 lives each year and most of these victims are children under 14. Most children are pathetically helpless to save themselves in a fire and make deadly mistakes due to lack of knowledge and practice, contends an agriculture safety engineer for the Texas Agricultural Extension Service. That's why it's important for parents to conduct home fire drills regularly to show their children how to escape from the home should a fire occur. Children should know how to reduce smoke inhalation, how to deal with closed doors when a fire occurs, how to call the fire department, and how to escape from the home as quickly as possible. Children should also be taught to use a fire extinguisher, what to do to put out small fires in the home, and what to do if their clothing catches fire.

According to report received from the Screw-worm Eradication Program in Mission, there have been 13,105 confirmed cases of screwworms in Texas from January through August of this year. Although none of these cases were reported in Foard County, two neighboring counties have had screwworms. There have been two confirmed cases in Cottle County and one in Knox County.

Salt control plan advances

The high salt content of the Wichita River waters that flow into Lake Kemp has been of great concern to the irrigated area landowners of the Wichita Valley for generations. Now it appears that a U.S. Army Corps of Engineers idea to control the sodium chloride content of the water will produce results.

The plan might even make the water of Lake Kemp drinkable. Many Wichita Falls residents can remember the days when such water was consumed and the mineral content was a source of considerable black humor.

THE ARMY ENGINEERS announced from the Tulsa office last week that \$6 million in federal money has been appropriated for the control project on the south fork of the Wichita River. Plans for the project, which include a pumping station, service road and a low-flow dam, are in the works. Over the years, various measures to control the natural salt of Wichita River have been considered. The plan to be implemented is simple: just collect the high-salt water in a low-flow dam and pump the brine to a storage reservoir.

Knox County. Rubber dams will hold back water on normal flow and be collapsed during flood time. Another reservoir is to be constructed northwest of Crowell, with the salty water to be pumped to another location.

Fred Parkey, manager of the Wichita County Water District, considers the plan the most feasible to control salt water in the Red River basin. Ultimate hope of the experts is to eventually clear up the Wichita River so that by the time it reaches Lake Texoma, Lake Kemp water will be suitable for human consumption.

ESTIMATED COST of the total project is \$114 million.

The Army Engineers estimate that 4,000 tons of salt a day is dumped into Red River. They're betting that amount can be reduced to make the water more valuable in this part of the country where water is becoming more of a limiting factor. The Times hopes they win the bet.

Hints for Homemaker

Loretta Hardin, CHDA

Many mothers may enjoy canning baby food—and the process is easy and inexpensive, Mrs. Loretta Hardin, county extension agent, says.

Select fresh, tender vegetables. Cook them in small amount of water, then press them through a fine sieve or food mill. Use a blender to puree the vegetables.

Add boiling water if necessary to make the puree about the same thickness as heavy cream. Reheat to boiling and pour into hot half-pint or pint jars, leaving one-half inch head space. Insert a table knife into the jar to remove any air bubbles.

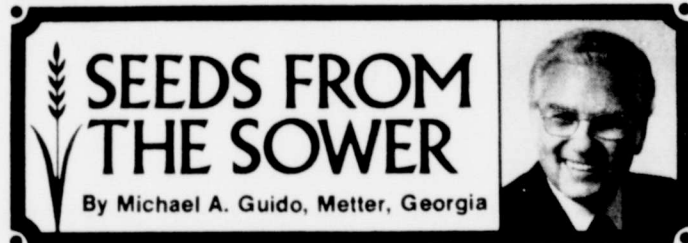

Adjust the caps and process according to the recommended time for pureed vegetables at 10 pounds pressure. Processing time for strained vegetables is longer than for chopped or canned whole, because the puree is thicker and slows the rate of heat penetration.

For older babies eating chopped vegetables, the process is even easier. Simply wash, drain and chop the vegetables. Boil three minutes in enough water to cover. Pack, leaving about one-half inch head space. Process as instructed for low

acid vegetables.

Baby fruits such as peaches and apricots should be cooked. For strained fruits, follow recipes for fruit puree.

Extension publication 'Home Canning-Fruits, Vegetables'-194, contains a section on canning purees which is applicable to canning baby food. This publication can be obtained from the county Extension office.

Last week a wife said tearfully, "I won't trust my husband ever again! People don't change. They can't. They always make the same mistakes. Always."

Later her husband asked, "Do I have to keep bouncing around in the same ruts? Is there any hope of being any better than I am? Can I really change?"

"You can," I replied, "if you are willing."

The Lord can and will change any life. Even your life, if you allow Him. He can make you a new person.

The Bible says, "When someone becomes a Christian he becomes a brand new person inside. He is not the

same any more. A new life has begun!"
 But the Lord will never make you do what you do not want done. He will not turn you into a puppet. The crux of the matter is your will.
 When you willingly give yourself to Christ, He will change you. And He will give you a new strength. With the Apostle Paul you will say, "I can do everything God asks me to with the help of Christ Who gives me the power and strength."
 And with the new strength comes the new song. David exclaimed in Psalm 144:9, "I will sing a new song unto Thee, O God."

Proper Energy Management Can Save You Money!

Reddy's Helpful Tips For your Home Laundry

- Utilize the washer's full capacity. Wash larger loads—wash less often.
- Same goes for dryers: dry more than just a few items at a time.
- Use the washer's load selector to save on hot water when you must wash small loads.
- Use a cold rinse whenever possible to conserve hot water.
- For more efficient drying, clean the dryer lint screen after each load.
- If your dryer has an automatic cycle, use it to prevent unnecessary over-drying. Also, when allowed to over-dry, clothes tend to wrinkle, thus require more ironing.

Grade School Teams Lose to Vernon

Crowell Grade School football teams hosted Vernon Thursday night of last week and the Wildkittens came out on the short end of the score in both games.

In the first game, the Crowell seventh graders, coached by Larry Jeffers, lost to the Vernon seventh graders 28-8. John Henry McGee intercepted a Vernon pitch-out and raced 60 yards for Crowell's lone touchdown. Guy Todd III carried across for the two extra points.

The Crowell eighth graders held the Vernon little Lions scoreless the entire first quarter with the Kittens having the ball over 6 minutes of the seven-minute quarter. However, the depth of the Lions squad proved the difference and the Kittens were defeated 26-0. Coaching the Crowell eighth grade team is Glenn Miller.

Both Miller and Jeffers are in the first year of coaching. For the convenience of local spectators, following is a roster of the two Wildkitten teams with each boy's number:

- Seventh Grade**

Breakfast Is Urged at School

The state education agency feels strongly that students should "begin satisfying their daily dietary needs at breakfast. Children who come to school hungry may find it difficult to stay alert and learn," Texas' education agency School Lunch Program Director Charles A. Cole says. "Breakfast is also important," he adds, "to improve the nutrition and dietary practices of students."

Because school breakfast program legislation is so new, Texas Education Agency and the U. S. Department of Agriculture's Food and Nutrition Service are trying to inform school administrators about the availability of the program—providing the morning meal to students of high school grade and under in public and private nonprofit schools.

Mr. Cole explains that the breakfast program is similar to the National School Lunch program and that "with minor adjustments to existing scheduling of food service personnel, many schools find that they can easily manage to participate in the breakfast program without having to hire additional help or make special equipment purchases. As with school lunch, there are funds reimbursements from USDA's Food and Nutrition Service for serving these breakfasts, plus, schools get USDA-donated foods and other assistance. USDA and my office offer guidance about starting and operating the program."

R-PEP Meeting In Abilene

The Rolling Plains Economic Program Annual Meeting will be held September 9, in the Civic Center in Abilene, Texas.

This year's program is being sponsored by the Texas Agricultural Extension Service, and will be entitled "Tomorrow's Agriculture in the Rolling Plains."

Task force seminars will be held from 10:45 a.m. until noon. Various topics will be under discussion in these groups. A seminar on "Cotton" will be led by Charles Bragg and John Mathews. Cotton Legislation and Regulation as well as price and usage outlook will be discussed.

"Wheat and Grain Sorghum" will be the topic of a seminar conducted by Bill Nelson, Elbert Harp, Dr. Dale Lovelace and Dr. Fred Miller.

Dr. James Wiltbank and Dr. Gene Cope will conduct discussions on how to best manage beef cows for good reproduction and will also explore stocker cattle and health management.

"Are swine responsible for a New Jersey '76 human influenza (Swine Flu)?" will be one of the topics under discussion in the seminar on Swine, as well as several topics aimed at helping you manage your swine operation.

Of interest to many attending this program will be a seminar on Family Living, which will be conducted by West Texas Utilities' Home Service Department.

Registration for the general program will begin at 8:30 a.m. and will adjourn at 3:30 p.m.

Mike Gibson in Chicago Med. School

Michael Gibson, son of Mr. and Mrs. Leroy Gibson of Quanah, has recently been accepted as a medical student into the junior class at Rush Medical College in Chicago, Ill.

Mike, who has studied for the past three years at the Autonomous School in Guadalajara, Mexico, was selected for the transfer position as the result of his scores on the exam of the National Board of Medical Examiners, a comprehensive exam covering the basic science disciplines of the first two years of medical school.

He entered the third year curriculum August 16 and will be completing his junior and senior rotations at Rush-Presbyterian-St. Luke's Medical Center and Mt. Sinai Medical Center, both of Chicago.

Mike's parents were reared in Foard County and both are graduates of Crowell High School. His mother is the former Iva Mae Bradford of Crowell. His father is currently Route 2 mail carrier in Foard County.

Comes now a proposal to put windmills over Washington to generate electric power. With all that hot air rising from ground level, it figures.

AUSTIN — Southwest Public Utilities Commission to approve a rate increase that would cost com-

107,571 families assisted.

311,341 people given food shelter and medical care.

Here's the coupon.

The first responsibility of the American Red Cross is to help people in trouble. And over the past 12 months we've given emergency aid (food, housing, clothing or medical care) to over a quarter of a million people. As a result, we face the balance of this year millions of dollars short of disaster relief funds. So we're asking you for help, to pass along to someone who needs it. People are seldom ready for disaster. But we have to be.

Enclosed is my contribution of \$_____ to your emergency drive for disaster relief funds.

sumers about \$300 million a year. PUC may act within five months, a member indicated.

More than \$110 million of the requested increase would come from increases in local service.

Rates, under the proposal, would go up from \$9.20 to \$11.50 monthly in Houston, from \$8.20 to \$10 in Dallas, from \$8 to \$9.45 in Fort Worth and from \$7.35 to \$9.45 in San Antonio.

Other proposed increases: Corpus Christi, \$6.90-\$8.50; McAllen, \$7.05-\$8.15; Amarillo, \$5.85-\$8.50; Lubbock, \$5.90-\$8.50.

Business telephone rates also would increase sharply. Five to six dollar a month hikes would be common. The increase for business lines in Lubbock and Amarillo would be about nine dollars.

Bell seeks another \$8.1 million in additional revenue from a 20-cents per call charge in pay telephones, where a dime now does the job.

The company also wants more money for key telephones, private branch exchanges, Centrex service, private lines, WATS service, miscellaneous equipment, touchtone phones and other items.

Bell's new vice president for Texas, Doyle E. Rogers, said the increases would boost the company's return (after taxes) on fair value of its investment from 6.16 per cent to 9.5 per cent.

Action by Atty. Gen. John Hill last year scaled down a long distance rate hike from \$40 million to \$25 million.

Bell now proposes to charge customers for information calls on telephone numbers if they make more than three such calls a month. Revenue increase from this alone would be \$26.5 million in Texas.

Bond Fight Launched

A new group has formed to fight the \$400 million state water bond issue to be voted on November 2.

John Henry Faulk of Madisonville, humorist and broadcaster, is chairman of

the group. "Citizens Against Water Taxes."

Faulk at a news conference here charged proponents of the bonds would seek to revive the \$3.5 billion Texas water plan which was defeated in 1969. He also noted that Texas Water Development Board has spent only \$201 million of an earlier \$400 million bond issue.

Chairmanship Row Heats

Both Democratic and Republican parties now have blistering contests for their state chairmanships.

Incumbent Democratic Chairman Calvin Guest is opposed by John Henry Tatum of Lufkin, the Angelina County chairman. Tatum blasts Guest as a do-nothing chairman who doesn't aid Democratic candidates and hasn't made full disclosure of party finance records.

Guest defends his record, boasts of cutting the party's deficit from \$150,000 to \$110,000, encouraging increased participation by all segments and emphasizes he has filed regular audit reports on Democratic contributions and spending.

Ray Barnhart of Pasadena, leader of Texas Ronald Reagan forces, is challenging Ray Hutchison of Dallas for Republican chairman.

Barnhart said he is a friend of Hutchison but feels the chairmanship should be decided on the basis of which candidate can "best build our party and mobilize strong support for our candidates."

Republicans will decide their contest at the GOP state convention here September 11 and the Democrats will settle theirs in Fort Worth September 18.

AG Opinion

City investigation findings on equal employment opportunity complaints are public information, Atty. Gen. Hill held.

In other recent opinions, Hill concluded:

A city regulating utility rates can require companies to furnish information on profits and losses outside municipal boundaries.

Teaching assistants at public universities must be members of the teacher retirement system if classified as fulltime, regular salaries (as are most who work half the standard work load).

Texas Commission on Alcoholism has no authority to certify persons as "alcoholism counselors" or to require private corporations to follow its standards for such certification.

Like any first rate outfit, the United States Navy is only as strong as the men and women who represent it. So we're ready to put a little stock in you if you can cut the grade.

Through our Naval Reserve Officers Training Corp (NROTC), you can get a four year scholarship at your choice of one of the nation's 54 leading colleges and universities.

And that includes tuition, fees and books. Plus \$100 a month. For a \$20,000 value, depending on the school you pick. And that's a lot of bucks.

You benefit. And so do we. Because when you graduate, you'll be a Navy officer. With world travel and leadership ahead of you. As a part of our team, United States Navy.

So hurry. See if you qualify. Visit your local Navy recruiter, or call toll-free 800-841-8000. In Georgia call 800-348-5855. We'll be in touch in no time.

Because our future depends on you.

30 Years Ago in The News

News items below were taken from the Thursday, August 29, 1946, issue of The Foard County News:

Coach Louis Purvis and Marvin Myers are spending this week at Lake Kemp with the prospective football boys of Crowell High School for the purpose of conditioning them for the regular workouts that will begin next Monday, Sept. 2. The following 30 boys are on this trip: C. D. Campbell, R. C. Schlagal, Larry Wood, V. Bond, J. C. Patton, Thomas Tamplen, Dalton Biggerstaff, Joe Mason, Ed Thomas, Kendrick Joy, Johnnye Frank Mitchell, Ray Black, R. L. Ballard, Don Wilkins, Grover Yocham, Rouse Todd, Thomas White, Raymond Carter, J. P. Bartley and Billy Roy Cooper. Ab Jones is doing the cooking for the group.

The Foard County AAA committee received a carload of 20 per cent super phosphate Tuesday, according to A. V. Sheppard, secretary of the Foard County ASC committee.

Rain which fell over Foard County and most of West Texas Wednesday morning amounted to .68 inch as registered at the government gauge at the Crowell State Bank. With the good rains which fell over most of the county last week and the cool weather that has prevailed since, crop prospects are considerably improved.

Cpl. Alton B. Abston, who served 20 months in the Army, returned to the home of his parents, Mr. and Mrs. Tom Abston in Thalia, last Friday after being overseas 13 months. He had been stationed in Hawaii.

Dr. Hines Clark moved his office Thursday of last week from Reeder's Drug Store to a suite of four rooms in the Crowell State Bank building recently prepared for his occupancy.

Sunday school attendance at the First Baptist Church last Sunday was 294 and the goal for next Sunday has been set at 300.

The Crowell Public Schools will open Monday morning, Sept. 2. There will be a short assembly program of all the pupils of both the high school and grammar school in the high school auditorium at 9 o'clock for the purpose of announcements. Margaret, Gambleville, Black, Vivian, Good Creek, Claytonville and Foard City send all of their children to the Crowell Schools at the present time. Riverside, Thalia, Four Corners and Truscott will send their high school pupils here again this year.

Robert Ed Dunn defeated J. L. (Pete) Gobin for the office of Foard County sheriff, tax assessor-collector, in the Democratic runoff held here Saturday.

Leonard Tole has accepted a position with Beverly Hdw. & Furn. Co. for on-the-job training under the G. I. Bill of Rights. Mr. Tole will move his wife and two small sons to Crowell as soon as he can obtain living quarters.

Little Miss Barbara Dale Lankford was the honoree at a party for little friends at the home of her grandparents, Mr. and Mrs. Tom Vecera Friday, August 16, in celebration of her third birthday. Guests present were Charles Carroll, Paul Bax Ekern, Jo Frances Long, James R. Borchardt, Barbara Jane Goodwin and the honoree.

Miss Leota Murphy and Ralph Henry Bradford were united in marriage Saturday night, August 24, at 9:30 at the Baptist Church in Margaret with Rev. M. L. Lewis, pastor of the church, officiating.

FARMERS & RANCHERS—WHO'S PROVIDING FOR YOUR RETIREMENT?

The Individual Retirement Accounts program under the Pension Act of 1974 permits you to set up your own retirement and save money on taxes.

- Your annual contribution is limited to 15% of your earnings, but not to exceed \$1500.
 - The Contribution is a deductible item on your income tax. The earnings on your investment are tax-free until you receive them starting your retirement at age 59½ through 70½.
 - Your contributions may be invested in several ways including an Annuity or Retirement Income Contract.
 - You may qualify as self-employed or through other employment when not covered by a retirement plan.
- Never-the-less you should get the facts on the IRA and how it can help you save money.
- Just call your Farm Bureau Insurance Agent for these facts.

NEW HORTICULTURE DEPARTMENT AT TEXAS A&M

Texas A&M University has a new Department of Horticultural Sciences as of Sept. 1. Heading the department is Dr. Warren S. Barham, who has most recently been director of raw material research and onion seed production of Basic Vegetable Products in California and who served as associate professor of horticulture at North Carolina State University for nine years. According to Texas A&M officials, the demand for graduates in horticulture has expanded rapidly from 59 students five years ago to an estimated fall enrollment of more than 500. The department will offer degree programs in horticulture and floriculture.

FALL PASTURES NEED FERTILIZER

Perennial grass pastures should be fertilized now for increased fall production and quality, points out a forage and turfgrass specialist for the Texas Agricultural Extension Service. Most grasses have plenty of time to grow, and the forage can be utilized for grazing or hay or left standing and grazed after frost. Moisture must be available for grass growth, and the eastern two-thirds of the state has a 50 to 80 per cent chance of receiving at least two inches of rain during September and October. Also, there is still time to make top quality hay and enter samples in the State Hay Show to be held Oct. 2 at the Harold Green Farm near Austin. All entries should be sent to the Travis County Extension office by Sept. 15.

WISE WATER USE

Use water wisely around the home and garden to keep costs down, advises a landscape horticulturist for the Texas Agricultural Extension Service. First of all, apply water only as fast as the soil will soak it up. Use a mulch wherever possible to conserve moisture, prevent compaction, keep soil temperatures lower and reduce the weed population. Water thoroughly at 7-to-10-day intervals. Although nighttime watering increases the chance for plant disease, it does allow for more efficient use of water as evaporation is lower.
