Rev. J. M. Hunt, formerly pastor of the Baptist church here, came in Tuesday to spend a few days with friends. He is about moving to Martindale, Hayes county, where he will have charge of the Baptist church.

About two hundred and fifty persons from Temple and some fifteen or twenty from Belton, came up Tuesday to attend the Y. M. C. A. picnic in the Hancock park. They had a great time and will all be glad to come again.

### Bro. Renfro was sick and could not make the address to the graduates of the high school at the exercises at the opera house, and so substituted this address for his regular sermon Sunday morning, six out of the eight graduates being present.

Frank L. Ide reports that he has purchased from the farmers about Lampasas some eight car loads of old iron and shipped the same to the founderies of the north. He has paid out nearly seven hundred dollars since last fall for this kind of material.—Leader.

### LONG COVE.

Editor Eagle:  
After about three weeks absence from the paper, I return with a few items.

The Lampasas county part of our community has been facing the prohibition problem bravely and last Saturday, May 30, cast their votes for prohibition.

Monday night, May 25, Mrs. Curtis, State lecturer of the W. C. T. U. delivered an excellent address to the people at Long Cove school house. She was making a tour over the county in the interest of prohibition.

Crops look well though they were needing rain pretty badly, but last night, June 1, it rained a slow, steady rain most all night and about half the forenoon next day. The ground is thoroughly soaked for several inches.

June came in cool as well as May, though not cold enough to frost.

Harvesting has commenced. Messrs. Jones and Mitchell tried their new reaper last week. Some of our folks were in Lometa Friday night.

Ephraim Davis of Lometa has been chopping cotton for J. A. Godwin. Ephraim is a good farm hand as well as a good school teacher.

### PLEASANT GROVE.

A few of the Long Cove people went to Pleasant Grove last Sunday to the children's day exercises; and as Copperfield and her folks were absent, and I am not sure that The Book Agents was there, I'll give a few points of interest concerning it.

About 9 o'clock or a little after the crowd began to gather, and by 10 the house, though large and well seated, could not accommodate the crowd, and before the morning exercises were over most of the men were standing or on the outside. The choir made splendid music and the recitations were all good. The morning program was closed by a sermon by Brother Dunn of Bell county.

Dinner was an important feature, and if anyone went away hungry it was their own fault. After dinner the crowd was called together by singing and the program was taken up and finished, ending with an eloquent and instructive address on Sunday schools by Brother Dunn. Taken all in all it was by far the best children's day they have ever had, and they say much of their success is due to the

able and faithful help of Miss May Hill of South Bennett. She trains the children on their speeches and songs, also drilled the choir in singing. Miss May was the organist. Any community needing help in anything like a children's day service or in music for a meeting would do well to secure the services of Miss May Hill.

Well, as I must get off to the office pretty soon if I get back in time to do the milking, I'll have to close and go.  
W. A. BAYLEY.

## BAYOU.

Editor Eagle:

Once more I will make an attempt to represent our community through the columns of the great Bird.

Corn, cotton and weeds look fine and prospects for corn bread in our community is good.

The singing at Miller Grove was a grand success, but we will not deprive the News Girl of the pleasure of describing it, but will just say that the News Boy attended and enjoyed himself very much, was treated to the best of dinner and secured a place near the front, but straining his eyes looking for the News Girl, but all in vain and once during a lull in singing there was a general buzz and a rush near the door and all eyes were turned eagerly in that direction and was disappointed to see that it was the organ they were bringing in instead of the vainly searched for News Girl.

Mr. Keeting and Mr. Boler were on the bayou buying fat cows this week.

The busy hum of the reaper is heard in our midst and our grain is being quickly harvested.

Our next singing will be at Williams Ranch the fourth Sunday in this month. Everybody come and take part in the singing. Prof. Gaines certainly has the right idea about the rights and privileges of music.

Tom Johnson is working in the Pickets community. Tom knows how to manage things.

Chesser Valley was represented Sunday by Henry Forsythe, John Hester and Walter Malone.

John Forsythe says those yearlings he bought on the bayou have given him some trouble, Sunday being his fourth time of having to go and see about them.

Well, Mr. Editor, the fellow who started for Mexico that the Miller Grove correspondent likes so well to read about, has returned and has decided to stay in Mills county.

To Alex: Yes we know the price of chickens, but they are not for sale and don't you ever think that your limited means could ever reach those valuable chickens. So if you are on the look out for poultry go down to Cross Roads and you can get all you want dirt cheap.

### MULLIN.

Editor Eagle: Since my last epistle to you the good Lord has smiled on us in many ways.

We are all well up here at the present writing and have had one of the old fashioned rains and the farmers are all smiles.

The hum of the reaper can still be heard on every side. Oats are fine and we are told that over on the Bayou near Uncle Abe Penland's that oats will thrash a bushel for ever dozen bundles.

Several have examined W. P. Summy's and Manuel Williams' wheat. Some say it will make 25 bushels per acre, some say 30.

Prospects for corn through this section are good at present with another good rain at the right time and everything else favorable we will make a fine corn crop in this section.

The out worms we think have about lived their time out here. A good many have had to plant over their cotton as much as the third time. The acreage of cotton is not so great as it has been heretofore, so if you see that fellow that writes to the Houston Post from these parts you can tell him that you don't think there will be 3000 bales of cotton raised in the Mullin community this year, but I see he has been going fishing and knocking about in the country associating himself among the country people and the chances are he has been learning something for the last two years.

The singing last Sunday at 3 o'clock at J. W. Taylor's and Sunday night at Alexander Burgess' was well attended and all seemed to enjoy themselves well and report a jolly good time.

Mrs. J. F. Brookenburgh and daughter Katie, were in Mullin Thursday on business.

Prof. S. J. Fisher was in Mullin on business Thursday.

Miss Nannie Lee Fisher has secured a position at Cisco in the school she taught last year. She will go back to Cisco in September.

A. F. Penland of Cold Springs community was in Mullin on business Wednesday.

W. H. Absher has been playing carpenter part of this week. He constructed himself a new gallery.

J. D. Cheesser made a business trip to the capital city Thursday.

H. B. Montgomery and John Plummer of the Pleasant Ridge

community were in Mullin on business Wednesday.

Hays Burgess is threatened very heavily with matrimony ever now and then.

Henry Jackson is recuperating this week.

Z. D. Kemp and George Romans made a business trip to Goldthwaite Monday.

J. S. Cheesser and M. C. Kirkpatrick spent the first Monday in Goldthwaite. They claim the first Monday in Goldthwaite reminds one of the last Sunday in Mullin.

Bernice Eaton and Maxwell Kirkpatrick attended singing in Lonesome Lane Sunday and furnished the crowd some elegant guitar music.

G. W. Hays and son, Charlie, made a business trip to the capital city Monday.

The Zephyr boys came down Wednesday and did the work for the Mullin boys in the way of a base ball game. Quite a good thing, for some of the lads have not had a good healthy sweat since the dry weather last summer.

Mr. Editor, what about the price of those chicks down near Goldthwaite and the Bayou Duck is gone, where is she? Henry Forsythe says he is going to come and see.

Ed Alexander is among the Mullin people and has enrolled his name with the section boys here. We are proud to welcome the boys back after rambling around a year or so in the west, we know it's a great relief to once more mingle with their friends and get back to good old Mills county, the best all the year round all purpose county in Texas or anywhere else.

The ladies of Mullin and vicinity are going to have an ice cream supper here at the Baptist church on Friday night June 12, 1903, for the benefit of the church. Everybody is cordially invited to come and help the cause all they can. OMEGA.

### FIFTH SUNDAY MEETING.

The fifth Sunday meeting convened with Shaw Bend church at the Nabors creek school house Friday night, May 29.

Introductory sermon by Brother C. H. Miles, theme "Love." The subject chosen by the brother was a good one and the spirit of same was devoutly manifested throughout the entire proceedings.

Devotional services Saturday at 9 a. m. led by Brother Lambert.

The moderator then declared the body ready for business.

The first subject on program—"Scripture Authority for Missions"—was introduced by Rev. C. H. Miles. The following were some of the scriptures referred to: John 30:21; Acts 13, Matt. 28:19, 20. So intensely interesting and important was the subject that the entire morning was consumed in its discussion.

Saturday afternoon the question "What are we as a denomination in Texas doing for Missions?" was introduced by Rev. G. A. Jarrett. Some very convincing statistics of last year's work were given brother, some being taken from the Texas Baptist annual of 1903 and the Texas Baptist association minutes of same date. From above mentioned statistics it is shown just what the denomination in Texas is doing and all really Missionary Baptists should have such information, for it is very encouraging to know that we can be accomplished by God's people when co-operating with one another.

Then brethren in God's name let us work together for the advancement of His kingdom in this world. Oh! How our hearts were made to rejoice in hearing the discussions of these first two questions. Would to God that every Baptist within the bounds of our association could have been there and heard the same and experienced the spirit of the discussions. Much excellent advice was given both by preachers and laymen and we trust that some will be wisely taken and put into practice. Dear pastors, the hearts of some of the laymen are yearning for your leadership along these lines. You admonish us to wake up to our duties as our blessed master. Now we believe it is the duty of our leaders to do, just what our duties along all lines, lead us in the great warfare and see if we don't follow you. Beloved pastors, we need to be informed in carrying on the Lord's work. Now will not give us the desired and much needed information in the spirit of missions, which is the spirit of Christ, to pervade and fill our hearts that pastors, laymen and all shall wake up to the realization of our full duty to our blessed Savior.

After the discussion of the second question the following resolution was unanimously adopted: We, the members of the Mills county Baptist association, duly assembled in the capacity of a convention meeting at the Shaw Bend church in Mills county, Texas, do hereby resolve: 1. That in the removal from our midst of our beloved brother and co-worker, G. W. L. Smith, last pastor of the First Baptist church of Goldthwaite, Texas, we have lost a most valued, enthusiastic, conscientious and consecrated member. 2. That during the time that Brother Smith resided and worked among us, we always found him at his post of duty, earnestly and devotedly working with his whole heart and soul for the advancement of the cause of Christ, as well as the uplifting and ennobling of man. 3. That we can and do cheerfully commend him to any other association of which he may become a member, as a true, good Christian, and a splendid pastor of a church and learned minister, and sincerely pray God's richest blessings upon him wherever he may go. Done, this 29th day of May, 1903. W. L. MARTIN, Moderator, S. E. STARK, Clerk.

Immediately after adjournment Saturday evening the board was called together by the moderator.

Reports of our missionary work were very encouraging. Some excellent work is being done by him for the cause of Christ. Some conversions were reported and others inquiring the way of life.

Our corresponding secretary reported that with what he had on hand would put the association even with Brother Thames for his first month's work.

Several of the churches sent in contributions for associational missions and our secretary has nearly enough funds for the next month's salary. Now let all our board members remind their respective churches of the associational pledges and let us be prompt in paying our missionary dues. Reports of our missionary work were very encouraging. ### FOOT CUT OFF.

Jas. Gooch suffered an accident last Friday afternoon whereby he lost the greater portion of his left foot. He was employed as fireman on the railroad work train and at the time of the accident was near Brenham. The train had stopped at a water tank for the purpose of filling some tanks on the train. He had turned the water into the tank and was climbing onto the tender when the train started suddenly, throwing him between the tender and the tank car. He fell across the railroad track in a manner that the car would cut both his legs off at the thigh. Realizing his perilous position he had a mighty effort and succeeded in getting out all but his left foot before the wheel struck him and mashed that member off. He was carried to Temple and the surgeons removed the bruised portion of the foot, but were able to save the heel and rear portion of the foot, cutting it just across the instep.  
Mr. and Mrs. A. A. Gooch, his parents, came in from Shives Sunday and left for Temple on Sunday night's train. They found him in the hospital resting as well as could be hoped and being given every care and attention. Mr. Gooch came home Wednesday night, but Mrs. Gooch remained to assist in caring for the young man.  
Everybody here thinks highly of Jim Gooch and the accident caused many expressions of sympathy and regret, but we are all rejoiced that the results were not more serious.

### CHILDREN'S DAY AT PLEASANT GROVE.

We celebrated Children's day last Sunday, which resulted in the most successful children's service we have ever had. Great credit is due our zealous and Christian superintendent and that Christian spirited young lady Miss Mae Hill of South Bennett, who consecrated their time for two weeks to the Lord and his glory for this occasion. Miss Mae is an early model and beacon light for the Lord and for all young people to follow. Great credit is also due the young people and children of our community for the work and service that they rendered under the leadership of our superintendent. The program was one of the best. The recitations, speeches and select readings were of the highest type, all relative to a religious life and to the progress of Christ's work.  
The "Way of the Cross" rendered by five little girls and three boys was most sublime. To see these little ones kneel around the cross representing the cross of Christ and clasping their hands and lifting their eyes towards heaven and singing that song "The way of the cross," was enough to melt any heart.  
The singing by the choir and the children was a complete success.  
Brother Dunn of Temple was with us and preached an eloquent sermon at 11 o'clock from the text "Watch ye and pray." He again addressed the congregation in the evening on the Sunday school song and work. Sister Dunn accompanied him. They were a great benediction to us.  
And now the dinner, we can't begin to describe it. Suffice us to say, Pleasant Grove community knows how to prepare a dinner for such an occasion. The largest crowd we have ever had, and boxes full taken home. We want to say that Brother W. M. knows how to provide good coffee for such an occasion.  
Pleasant Grove Sunday school thanks the community for the assistance they rendered on children's day.  
ONE THAT WAS THERE.

### IT IS NOT A QUESTION.

Whether every young person should have a good business training, shorthand, typewriting, etc., no odd what professions is to be followed. The only question is where is the best place to get this.  
One school may be the largest, another have the highest percentage of successful graduates, another the smallest expense, another the best equipment, another teachers of national reputation, and still another the best moral surroundings, and be located where there is no saloons, "blind tigers" or gaming houses of any kind. Each of these schools possess a strong point that appeals to a person of sense.  
But when one school happens to combine all the foregoing strong points, there can be no question what school to attend. Can you guess it? Almost every well informed person in the south will at once think of Tyler College at Tyler Texas.  
Then add the fact that the famous Hyman shorthand is taught there by its author and five assistants in 2 1-2 to 3 months with a speed of 150 words to the minute or no charge for the course, and you have a combination that challenges comparison and fears no competition.  
Catalogue and full particulars free for the asking. Mention course wanted.

### ZEPHYR.

Little Miss Myrtle McBurney left Saturday night for a visit to relatives in Fort Worth.  
Miss Cordie Lindsey returned last week from Brownwood and will spend part of her vacation here.  
Mrs. M. E. Thompson returned to her home in Brownwood Wednesday night, after spending ten days with her daughter, Mrs. Montie Hicks.  
Mrs. W. H. Thompson and sons, Trent and Lindsey, and Prof. Grove's son, Hugh, spent part of this week here visiting F. H. Lindsey's family. The lads spent most of their time at the Thompson gin tank fishing and caught some nice little fish.  
Mrs. Sam Shelton, formerly of this place but now of Mullin, visited her sons here this week.  
Infant of Mr. Moore was brought here from Goldthwaite and buried in Zephyr cemetery Friday. Mrs. Moore was Miss Fannie NeSmith, and lived here with her father until her marriage. She has many friends here who sympathize with the parents in the loss of their little one.

The singing by the choir and the children was a complete success.  
Brother Dunn of Temple was with us and preached an eloquent sermon at 11 o'clock from the text "Watch ye and pray." He again addressed the congregation in the evening on the Sunday school song and work. Sister Dunn accompanied him. They were a great benediction to us.  
And now the dinner, we can't begin to describe it. Suffice us to say, Pleasant Grove community knows how to prepare a dinner for such an occasion. The largest crowd we have ever had, and boxes full taken home. We want to say that Brother W. M. knows how to provide good coffee for such an occasion.  
Pleasant Grove Sunday school thanks the community for the assistance they rendered on children's day.  
ONE THAT WAS THERE.

### TRIGGER MOUNTAIN.

Editor Eagle:  
Let me say that we have just had a good rain and it makes me feel like writing or doing something or saying something.  
The hail stricken portion of our vicinity is growing out of the blight rapidly.  
The small grain crop is extra good. The harvest time on us now is revealing the heaviest oat crop for years.  
A large number of our young people enjoyed the all-day singing at Miller Grove Sunday.  
The out-worm and a late leaf worm are giving the cotton growers much trouble in these parts. No doubt it will all turn out well when the weather gets warm. Remember we can't have beef without some bone.  
The Baptist people will have services at Trigger the first Sunday and I learn that baptizing will be attended to at J. Couner's large tank the same day.  
Our trustees have secured the services of S. E. Stark of Big Valley for principal in our next public school. Have not yet learned who will assist.  
The last time I wrote I remember I felt the privilege of saying something about the class of news or the class that is not news found in some of the news items and Observer criticized me for it, I acknowledged to myself that I had gotten justice and still say when we are ruminating over the faults of others that it is good to have a kind reminder of one's own misdoing.  
SAM SAY.

### SMELKER-FRANKES.

Last night at the residence of the bride, on the corner of West Oak and South Adams street, Mrs. Sabra Frankes and Mr. W. A. Smelker were united in marriage by Rev. Geo. M. Oakley, pastor of the Cumberland Presbyterian church. Mr. Smelker came to this city about a year ago and embarked in the retail grocery business with his brother. He is a good business man and a clever gentleman and has many friends here. His bride came to this city last year from El Paso and the friends which she has made here speak in the highest of terms of her as being a woman of exceptionally beautiful traits.—Weatherford Herald, June 1.  
The bride was formerly Miss Sabra Trent and is a niece of Major D. H. Trent of this city. She has many friends here who wishes her and her husband unlimited happiness.
