#### Auf Wiedersehen.

We parted last in the hot midsummer;  
It's winter now that we meet again.  
Then you railed at the heat, but now  
I find you.  
Cooled in body and heart and brain.  
I go in a little. When next I find you,  
You will complain of neither the  
heat or cold;  
I shall pass by your grave without  
longing and pity;  
But then I shall be both hopeless  
and old.

#### Ashes Of Love.

"Tell me now, where is the woman.  
All these songs were written of,  
Poet, you who sang so sweetly  
Love-songs of enchanted love."  
Cold is all that love, fair asker,  
That did once so sweetly burn;  
And these songs are but its ashes,  
And this little book their urn.

# COMING TO GOLDTHWAITE!

**Dr. J. Harvey Moore,**  
The Eye, Ear, Nose and  
Throat Specialist, of . .

**San Antonio.**  
Will be at the **ROCK HOTEL**  
**MONDAY & TUESDAY, DEC. 20 & 21.**

He Will Straighten The First Case Of  
Cross Eyes Free And Treat  
All Cases For

**HALF-PRICE.**

Dr. Moore is an expert of more than twenty years' experience. He has been in Texas only a year but can furnish scores of references of cures here. He was eye surgeon in charge of the State Institution for the Blind at St. Louis and Professor on the Eye, Ear, Nose and Throat in the American Medical College of St. Louis. He came south on account of ill health and is permanently located in San Antonio. He makes a free examination of your case and if you are incurable he will tell you so and will not take your money. He cures all diseases and deformities of the eye, ear, nose and throat that are curable. He straightens cross eyes without pain and without chloroform. He cures granulated sores without caustics or the knife, removes cataracts and growths from the eye, ingrown lashes, overflow of tears, etc. He treats catarrh and removes growths from the nose and the throat. He fits glasses for all kinds of failing sight and for the relief of headaches. Dr. Moore refers to dozens of the leading physicians of this part of the State.

#### Texas Physician.

Dr. L. P. Lanier, who has practiced in Weatherford, Texas, seventeen years, says:  
"This is to certify that I have known Dr. J. Harvey Moore for the last twelve years, and am familiar with his work. My brother-in-law, Judge F. B. Duke, was totally blind from granulated sore eyes and had been treated by the best oculists of the State; they failed to cure his eyes. Within three weeks after Dr. Moore began treating his eyes he could read, and returned to the practice of law and has never had any more trouble with his eyes. L. P. LANIER, M. D."

#### A Texas Clergyman Tells Wonderful Story.

Rev. A. B. Vaughan, of Nacogdoches, says: "My eyes have been defective all my life. A number of years ago I under-

went an operation at the hands of a most skillful oculist and suffered most intense pain without obtaining the hoped-for relief. March 26, 1894, I went to Dr. J. Harvey Moore, and can say from actual experience that Dr. Moore's method is absolutely painless. The result of Dr. Moore's treatment is most gratifying. It has not only made great improvement in the appearance of my eyes, but the improvement in my vision is wonderful. I can now see to read Greek at night; I could never do so before. It is wonderful, and I have Dr. J. Harvey Moore to thank for it. I know from experience, that he possesses a wonderful skill. I regard him as a Christian gentleman, unsurpassed in his line."

#### Waco Physician.

"It is with great pleasure that I state that my daughter Hattie's eyes are straight, and she will invoke the blessings of Heaven on you the remainder of her life for straightening an eye that had been crossed since childhood, and best of all it was done without pain. Wishing you great success, I am, very truly,  
I. L. DEAN, M. D."

#### A St. Louis Minister.

Rev. F. N. Calvin, pastor of the Compton Heights Christian Church, St. Louis, was almost blind with trachoma, or granulated sore eyes, for fifteen years. Several of the leading oculists of the United States pronounced his case incurable. Dr. Moore cured his eyes and restored his sight ten years ago. Rev. Dr. Calvin was formerly pastor of the Christian Church at Waco, Texas, and is well known in this State.

#### Blind Ten Years, Sight Restored.

R. W. Knight, city salesman for the Gast Bank Note and Lithographing Co., of St. Louis, was blind ten years with trachoma, or granulated sore eyes. Several of the most prominent oculists of St. Louis failed to even benefit him. Dr. Moore cured his eyes and restored his sight in a short time.

#### Grand Jury Report.

To the Hon. Jno. W. Goodwin, judge of the 35th Judicial District:

We, your grand jury, selected for the November Term, 1909, of your court, beg to submit the following as our report:

We have been in session six days and carefully examined into every violation of the law that we deemed worthy of our attention. A great many matters have been called to our attention that we hardly considered necessary to investigate. We recommend that when matter of violation of a misdemeanor nature occur throughout the county that the different justices of the peace and constables investigate such, thereby relieving the grand jury of a great deal of unnecessary labor and a saving to the county of a great cost.

We have returned into your court ten bills of indictment, three of which are for felonies and seven for Misdemeanors.

We are glad to say that we find our laws well enforced and crime of every nature on the decrease.

We have especially inquired into the violations of the local option law, and find that the same is being well observed. We believed that our county is almost rid of such characters as "boot-leggers." We find that minors throughout the county have in one way or another been obtaining whiskey and have given such matters our special attention, and trust that our work along that line may prove beneficial.

We also find some complaint throughout the county as to violation of the gaming law, but after thorough investigation have been unable to procure sufficient evidence to justify finding of bills for this offense. We recommend that the local officers be especially vigilant along this line.

We have made a careful examination of the court house and grounds, and are sorry to say that we do not find the same in first class condition. We recommend that more attention be given to our grounds, in the way of beautifying them—such as planting shade trees, etc. We find that our court house is absolutely without accommodation for the convenience of the jury. We recommend that a room be set apart especially for the jury and be furnished with proper beds and bedding and other necessary conveniences. We find that our court house is absolutely without closet conveniences and feel that owing to the financial condition of our county some steps should be taken by the honorable commissioners court to supply this great need.

We thank your honor, and all others officers, for the courtesies shown us during our very pleasant stay.

This the 4th day of December, 1909.  
W. B. JACKSON,  
Foreman of the Grand Jury.

#### County Court.

County court has been in session this week, but no juries have been used and only a few cases have been disposed of, and they were of unimportant character.

The jurors summoned for the term are expected to appear next week.

Those interested in the Frank Long case, as witness or otherwise, need not appear at this time, as the case has been continued until next term.

Gov. Hadley of Missouri has grown tired of the "show me" gag worked off on Missouri and asks for something new. He is right. The same old joke sprung by everybody one meets gets extremely tiresome.

The determination of Attorney General Davidson to make the campaign for governor at his own expense has already born fruit. Judge Brooks of the court of criminal appeals, who is also a candidate for governor, sent his resignation to Governor Campbell and Judge Felix McCord of the attorney general's department was appointed to the position on the bench.

Albert Patrick, who is serving a life sentence in Sing Sing prison for the murder of Wm. M. Rice, an aged millionaire, formerly of Texas but then making his home in New York, has again lost his fight for liberty. His application for a writ of habeas corpus was denied by appellate division of the supreme court in New York a few days ago. His contention was that he has been sentenced to death and that the governor commuted his sentence to life imprisonment without his consent after he had suffered a part of the sentence, in that he had been confined in the death chamber of the tombs.

Major T. E. Durham, assistant superintendent of the penitentiaries, was indicted in Hill county last week for the murder of a convict who was whipped to death in that county some years ago, the evidence of which was brought out by the recent investigation of the penitentiary management. Major Durham was arrested and released on bond.

Adjutant General Newton issued an open letter which was published in the daily papers last Sunday in which he defends the state rangers and even condones their action at Amarillo, when they entered the bed room of two ladies and forced them to get out of bed and dress in the presence of several of the men. If the adjutant general will send a squad of his rangers into each county in the state for thirty days there will be no trouble to induce the people to demand the abolition of the gang.

This is important and you would do well to read it. We carry Murray's Vegetable Blood Purifier, Murray's Balsam for the lungs and kidneys. This Blood Purifier is the best remedy known to the medical world for liver and stomach troubles, constipation, indigestion, catarrh of the stomach or bowels, sick headache and for that form of piles caused by constipation, nerve and heart trouble and smothering, and 4 or 5 bottles of this remedy will cure old chronic cases of rheumatism; one bottle of it will make the blood absolutely pure, and every one should use a bottle of it now, and put the system in perfect health so as to ward off the fevers that are sure to prevail in the late summer and fall. You will feel better from taking the first dose; and remember, you don't have to take a great, big dose three or four times a day, as is the case with most remedies, but only a small dose once a day. Try a bottle and you will always be glad that you did. Ask for a circular describing the remedies.

Uncle Josh Jenkins which comes to the opera house Tuesday Dec 14th, is truly an American comedy set to catchy music Unlike the usual so-called "Musical Comedy" (?) this play contains a real plot, with an interesting story, set in a jolly, jingling romp of rollicking music. Not a jumble of old "Ooon Songs" but a merry swing of melody that charms and delights the ear; real "Yankee Doodle" music sang with vim and a dash that causes the blood to tingle and the feet to patter. A style of performance that will please all people who appreciate common sense comedy.
