**HIDDEN DANGERS.**  
**Nature Gives Timely Warnings That No Goldthwaite Citizen Can Afford to Ignore.**  
 Danger Signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.  
 Danger Signal No. 2 comes from the back. Back pains, dull and heavy or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright disease. Doan's Kidney Pills cure them permanently. Here's Goldthwaite proof:  
 Joseph Taff, prop. of Rock Hotel, Goldthwaite, Texas, says: "For years I was subject to attacks of backache that came on suddenly, especially when I stooped. Learning of Doan's Kidney Pills, I procured a supply at Clements' Drug Store and after taking them a short time I was relieved. I have had no return of the pain for several months. In view of my experience, I can say that Doan's Kidney Pills live up to representations. I feel that they should be kept in every home."  
 For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for United States.  
 Remember the name—Doan's—and take no other.

**Election Called Off.**  
 The commissioners court held a special session Monday and rescinded the order for road bond election, which was to have been held today. The advocates of the measure decided that it was sure to be defeated by the voters of the county, and petitioned the court to rescind the order and save the expense of holding the election.  
 There has been some talk of getting up another petition to the court to order another election for a special tax to build roads, but no movement of the kind has yet been made, as far as the Eagle is advised.  
**City Election.**  
 An election was held in this city Tuesday for the selection of a mayor and three aldermen. The names of several gentlemen were placed on the ticket by their friends and those who were elected were: Mayor, J. A. Rahl; aldermen, J. H. Burnett, T. F. Toland and C. P. Jones. There were 62 votes cast, which shows that there was no contest and the voters realized that any of the citizens named as candidates would discharge the duties faithful and well and many failed to vote at all.

Read what J. A. Enloe, of Enloe, Lamar County, Texas, says of Murray's Vegetable Blood Purifier:  
 Enloe, Tex., Nov. 27, 1908.  
 F. I. Murray, Dear Sir: I want to let you know what I think of your Vegetable Blood Purifier. I think it is the best on earth. My wife was under treatment of one of the best doctors we have in this country, for two years, and she grew worse all the time, until I got a bottle of your Blood Purifier for her. The first bottle she used improved her so much that I ordered more. She is now using her third bottle. She can now do her own housework and eat anything she wants to, and for a long time before she could eat nothing but rice and cream of wheat. She has gained 18 pounds in the last eight weeks. Now, so many people here are wanting it, I have got my druggist at Enloe, Mr. M. W. Smith, to order it from you. I would not take one thousand dollars for what it has done for my wife.  
 Yours truly, J. A. ENLOE.

**THE "Insurance" Gasoline Stove**  
 Is exactly what its name implies—absolutely SAFE and there is no possible chance for an explosion or other damage. It is the only Gasoline burning stove in which provision is made for the prevention of the escape of oil or gas if the flame is blown out. It is much Cheaper to operate than a wood stove and enables the cook to keep the kitchen cool while preparing meals. A large number of ladies in Goldthwaite are now using these stoves and ranges and we refer to them to substantiate the statement that the "Insurance" is easy to operate, does not waste oil, does not flare up because of overflow of oil and is absolutely safe at all times. We have these stoves and ranges in different sizes and invite the ladies to call and let us demonstrate the many pleasing features of the "Insurance" gasoline burning stove.

Work, work; Nothing but work; Tiresome drudgery! Work used to be a pleasure, now a few minutes effort leaves you weary, discouraged and irritable with you. Everything has gone wrong, a feeling that the liver and bowels are the cause of this.

The symptoms are, heart palpitation, faintness, suppressed, excessive perspiration, irregular periods, indigestion, belching, down pains in the side and back, nervousness, weakness, poor appetite, costiveness.

Prickly Ash Bitters sweeps away these troubles like magic, because it strikes at the root of the disease—the stomach, liver and bowels.

Women who take medicine for female troubles that does not benefit these organs are wasting money and their health. The liver is diseased because the stomach is unhealthy, and both have produced a constipated habit. This impurities which have brought on irregularity in the female organs; it follows therefore, that a medicine which will correct the liver, strengthen the stomach and promote healthy bowel operations is the remedy for these troubles.

Prickly Ash Bitters. I suffered much from indigestion, nervousness, and constipation. I was a drowsy tired feeling all the time. I began using Prickly Ash Bitters and it has helped me wear now like a good appetite, sleep well, and do a greater amount of work than ever before.

Fine Prospects.

Never in the history of the county has the outlook for crops been better and conditions been more favorable. Wheat and oats have gone through the winter well and spring oats and wheat look well. Cotton is growing nicely and cotton is coming up well. The rains of the winter put good seasoning in the ground and the rains last week were as fine as could have been desired and almost insure the small grain crop. A great deal of new ground has been put in this year in different parts of the county and the prospects are that the total yield for crops in this year will break all records.
