

The Way It Was

The Storekeepers

Mildred Jeske Schneider, daughter of Hartal Langford Blackwell, History Appreciation Chairman

How people really leave their homes in search of a star, but Dick Jeske did, and found it in Texas . . . and it brightened his life.

Mr. Jeske left his home near Hamam, Texas, on July 4, when he was twenty-one years old, to find a place for himself in the world. Travel was slow in those days and it took the young man many days to arrive in Goldthwaite, Texas, where he found a hotel.

The journey had not been too comfortable because each night on his way to Mills County he spent the evening in the homes of residents along the way. In those days it was not common for residents to offer a traveler lodging for the night.

It was considered common hospitality to welcome a stranger for dinner and offer him a place to sleep, while also feeding and watering his horse.

This was all done in the name of courtesy and payment was never accepted. The only thing asked of the traveler was that he return soon for another visit.

And with his great affection for people, Dick Jeske always promised to try and return another visit some day. But his journey was a long one, not ended even when he reached Goldthwaite.

After a night's lodging at a hotel, he continued on to Priddy, Texas, where he settled for the next few years. He was employed at the C. F. Jeske Store and the Pfluger Gin until the General Mercantile Store was purchased from Henry Morris in Star, Texas.

That meant a move for Jeske, but it was a move in the right direction - a move in which he found his place in the world.

On August 13, 1915, Jeske started the Star Cash Store, formerly the General Mercantile Store in Star.

In those days, the merchandise for the store was hauled by team and wagon in bulk quantities from Goldthwaite to Star, and for many years Jeske purchased cotton, wool, mohair, pecans, grain, poultry and eggs

in quantities to accommodate the residents of Star.

Although the store changed, and Jeske's life changed - he married Emma Louise Schwartz in 1921 and they had two children, Gilbert and Mildred - his love for the community he had made his home never faltered.

Dick Jeske operated the Star Cash Store for 44 years, closing it finally in May, 1959. But life for the man who had been a twenty-year member of the Star School Board and a fifty-year member of The Woodmen of the World Society, did not end in that year. He continued his drive for progress in the community, as well as the world.

After having seen the landing of the United States astronauts on the face of the moon, which he considered a major sign of progress, Jeske died on September 19, 1972.

To the day of his death, he was proud of having chosen Star as his home; proud of the friendships and acquaintances he had cultivated there and happy with his life.

Attention Landowners!

Every year dozens of letters addressed to the Chamber of Commerce are received requesting information about available leases for hunting and (or) fishing purposes. If you would desire to be contacted by parties interested in leasing land for hunting or fishing, please fill out the form below and return it to the C.T.C.O.G. Office, P. O. Regency Suspension Bridge Marker To Be Received Soon

By Mrs. M. F. Horton, Chairman

The Mills County Historical Commission met August 12th at 2:00 p.m. in the County Courtroom.

An invitation was accepted from Mr. W. P. Duren, president of the History Committee to distribute and sell the new history, "Mills County - The

Way It Was" by Hartal Langford Blackwell, in the lobby of the bank. The books will be sold from 9 a.m. to 11 a.m. each morning, after they come off the press in September. The exact date of distribution will be given in a later issue of the Eagle.

Mrs. W. P. Duren, Historical Marker Chairman for the county, and her committee have received an announcement from

state officials of the Historical Commission that the marker for the Regency Suspension Bridge will be here soon. The marker will be placed in Goldthwaite, on the highway, at the intersection of the road to the Regency Bridge.

The marker will have nothing to do with repairing the bridge from either San Saba or Mills County's side.

An application to put the bridge on the National Register had been sent to the National Register Committee before the San Saba News of August 12 came off the press. Since the bridge belongs to Mills County and San Saba jointly, we at this time will withdraw our request to have it placed on the National Register in cooperation with San Saba County.

G'waite Senior Citizens Meet

Goldthwaite Senior Citizens met August 25 at the Youth Center with forty-two members present and spent a most enjoyable afternoon playing various games.

Mrs. Lillian Stokes took blood pressure readings for about thirty-five of this group. We appreciate Mrs. Stokes donating her time to do this for us. Some were advised to see their doctor or to keep a check on their blood pressure.

The application for the grant for a new Senior Center has been completed and delivered to the Governor's Committee on Aging in Austin by Judge

Faulkner and a representative from Hill Country Community Action and COG. Hopefully, we should know something by the end of September.

The Senior Citizens' next dinner day will be September 8, and perhaps it will be cool and rainy and you will want to come and enjoy a good lunch and lots of fellowship together.

On a farm in Madison, Indiana, there is a "No Trespassing" sign that means business. It reads this way: "No Trespassing; Survivors will be Prosecuted."

"HAPPENINGS"

With summer almost gone, a hint of fall in the air, and Labor Day upon us, we can't help but reflect upon a momentous year thus far. It's been a busy year, one of great opportunities and experiences. But now we are looking toward the autumn months to come with many activities - some old, some new.

And thanks in large part to Ruth Dumas and Audrey Stark, we have already begun one new activity - mending. What better time for women to talk!

C.H. Black Honored On Birthday

A birthday party honoring C. H. Black was given in the home of his mother, Mrs. Ora Black, August 18. Some 165 friends and relatives helped celebrate the occasion.

A barbecue supper was served, along with cakes, pies and salads.

Entertainment followed, with the Klitter Klatter Kombo of Mills County giving their rendition of old-time songs and music. C. H.'s singing of barber shop melodies brought back memories, also. Later, dance steps of years gone by were demonstrated by a number of young people, led by Pat Davis, grandson of Mrs. Black.

Thanks to each one who helped make this a memorable occasion. Best wishes to you, C. H., until another birthday!

Even Fannie Hopson brought out her sign language book, so we are now learning to talk with our hands as well while we work.

Our Saturday nights are made livelier when we have a real country and western band to play. Every third Saturday night we have just such an opportunity. And the last one was truly enjoyable. In recognition of those who came to play, Colquitt Miller, Glenn Miller, Monroe Spinks, C. B. Sidwell, Wilburn Keating, D. E. Rhoades, Raymond Patton, Jessie Fitzgerald, Jewell Dufner, Raymond Spinks, Albert Spinks and Nancy Stewart, we say thank you.

It has to be a good day when Beth Miles and Ruth Dumas arrive for the same activity. And it was. The occasion was our Wednesday exercise session. Somehow, they sort of live things up around here! NUTSHELL "HAPPENINGS" Minnie Stark and Maxine Nischel are frequently seen out for a stroll - F. M. Roberson, who is 105 years now, enjoys a daily sunning on the lawn - Etha Daniel had an exhilarating day when she attended the All-Day Bible Class Singing. The best ever, she reports - Bryan Oglesby took us on another tour via slides Saturday. This time we took a trip to the Rockies. His films always mean a lot to us.

Welcome to our newest additions - Ike and Allie Welch, Garland Perry, Oleta Morrow, Laura Nelson, Gertrude Kauls and Florence Reese.

Dennis Tate Rites Conducted Wednesday

Funeral services for Dennis Denton Tate, 78, of Brownwood, Texas, were held Wednesday, August 25, 1976, at 2:00 p.m. in Wilkins Funeral Chapel with Rev. Dan Connolly officiating.

Graduate From Tarleton

Degrees were awarded to 96 seniors and 120 graduate students at Tarleton State University graduation exercises held in Wisdom Gymnasium on the TSU campus Aug. 15.

Dr. James H. Stewart, Jr., president of Texas Eastern University at Tyler, was commencement speaker. Dr. Stewart attended Tarleton when the institution was a junior college, and was appointed president of the Tyler college in August, 1972.

August graduates at Tarleton included: James Daniel Cox of Mullin, B. S. degree in Agricultural Education; Mary Jane Thomison of Goldthwaite, M. E. degree in Physical Education; and Willie Fay Hill of Goldthwaite, M. S. degree in Mathematics.

Some families use credit cards for everything. The only one who still pays cash is the Tooth Fairy.

EQUAL HOUSING OPPORTUNITY

CAN SUMMER BE OVER ALREADY?

It seems like just yesterday that folks were stopping by the pharmacy and telling us about their plans for coming vacation trips. They were getting favorite products, being sure they had enough of regularly taken medicines to last until they returned home and restocking first-aid kits.

How the days get away from us during those pleasant summer months. But, now its time to prepare for getting kids back to school and getting into the regular routine. And, it's a good time to schedule a physical exam to be sure your body's in shape for the coming months.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Mills County State Bank

In the past 20 years, there has been a complete turn around in the banks' deposit structure. In the 1950's, less than 10% of the banks' total deposits were interest bearing accounts and the average size of the deposit was \$1,000.00. In 1975, the interest bearing accounts, savings, C.D.'s, etc. represent over 60% of the total bank deposits and the average checking account is less than \$500.

L. B. Porter's 1976 Book Now On Sale

To the readers of The Eagle:

My 1976 book is now on the market. It is a sequel of the 1975 book, which I had in two publications. After selling it in 16 or 17 states, besides Texas, I am still receiving orders for it which I am unable to fill. However, the new book is a follow-up of the first, so a person will not miss much if he reads this book.

The story of Big Valley, by Lorraine (Daisy) Roberts, is well worth the price, and more, that I am selling the book for. There are other good historical writings, as well, by several other people.

Price of the book at my home is \$5.00 - if by mail \$5.50; six books for \$25 at home or by mail; and twelve books for \$50 at home or by mail.
