## Priddy Quail Fest Entries Come From Far And Near

In the pre-dawn hours of Saturday morning, quail hunters from all over the state plus hunters from as far away as Chicago and Rockport, Indiana, gathered at the cafeteria of the Priddy School. By the time everyone had gathered, renewed acquaintances and made new ones, it was time for the hunters and landowners to start the day with a hearty breakfast consisting of bacon, eggs, pancakes, homemade biscuits, coffee, and milk. The hunters and their dogs were then taken to the places where they were going to hunt and thus began the first day of the 2nd Annual Priddy Quail Fest.

Beautiful warm weather, a fair abundance of birds, plus warm and friendly companionship made everyone's hunt a hunt to remember.  
As the tired hunters and their even "tired" dogs came "limping" in, the third portion of the day's festivities were about to begin. This included a barbecue with all the trimmings, including homemade pies and cakes. The barbecue was shared by the hunters, members of the community and friends. By the way the food disappeared, it was evident that the hunt had not dampened any one's appetite.  
Following the barbecue most everyone finished the day's activities at the Priddy American Legion Hunter's Dance by dancing, reliving the day's events, and making new friends.  
The second day dawned

## E. H. Thorne Announces For JP Re-Election

Justice of the Peace Ernest H. Thorne this week announced his candidacy for re-election to the Precinct 1 JP office.  
Thorne asks for the influence and vote of the voters of Precinct One in the May Democratic Primary election.

## SINGING THURSDAY AT HERITAGE HOME

The Downtown Bible Class will hold a singing at the Heritage Home this Thursday night, beginning at 6:30. Everyone is cordially invited to participate.

**Presented Watch** County Judge James Ledbetter presented a pocket watch to Mr. E. J. Cox of Mullin, in appreciation of 25 years of service to Mills County in Precinct 3.

## Boykin Safe Taken; Dairy Cup Entered

Burglars struck twice in one week at two different locations in Goldthwaite.  
Last Tuesday night, Jan. 3, a large safe, containing about \$450 cash, a number of checks, and bookkeeping records was stolen from Boykin Feed Co.  
The thieves entered the building by prying open a door. As of press time Wednesday morning, no leads have been discovered.  
The second burglary occurred Monday night, Jan-

uary 9, at the Dairy Cup at the South Y.  
Taken in the break-in was a small amount of cash from a cigarette machine and some damage was done to other vending machines and games as the burglars tried to break in to them.  
Mills County Sheriff's officers are investigating the burglaries.  
So far, none of the checks taken during the Boykin burglary have surfaced.

Here's hoping that there won't be anything but good luck this Friday the 13th for all the exhibitors at the Mills County Livestock Show.  
Of course, all of them can't be grand champions, but in our opinion, all the entrants are champions, just because they live in this county... and they deserve our whole-hearted support.  
And herein find a special plea to all of the businesses and individuals in the county to participate in the auction on Saturday night at the local sale barn.  
There is no better time to "actively" participate in this fine livestock development program. And even more important, to participate in this YOUTH development program.

## Mills County Museum Receives MaNY Unusual Items And Displays

The following items of interest have been added to the Mills County Historical Museum recently: A Wells Fargo Receipt which reads as follows - Received of A. D. Karnes, 1 trunk, (signed) G.W. Virling, Agent - donated by James (Potty) Carter; a brush ax, courtesy Bill Fox; a Melba Theatre advertisement which featured Jane Withers in "Youth Will Be Saved", courtesy of Earnest Thorne. Also an old well bucket donated to the museum in honor of Mr. and Mrs. Carol Wilson; a Model T. hubcap and a wooden plane thought

to be about 100 years old, courtesy Mr. and Mrs. Bob Steen.  
Also, an old religious song book and a bullet mold, compliments of Avery Lee; a cotton picking account book, distributed by the Trent State Bank many years ago, courtesy Stanley Bessent; and early-day electric toaster and a sugar scoop, courtesy Juanita Rudd Davis; and a celluloid dresser set, courtesy Valeta Kay Cooke Beardsley.  
Mr. and Mrs. Nat McGirk of Stephenville, natives of Mills County, brought the museum the first battery

charger used in Goldthwaite at the L. R. Conro Garage. Mr. McGirk's father owned the McGirk Wagon Yard in Goldthwaite years ago. They also brought other interesting items.  
If you have not been to the museum to see the beautiful array of antiques displayed by Love Gatlin, please do so soon. Among the many heirlooms is an old spoon holder, complete with silver spoons, engraved with the name "Lula", Love's mother. There is also an old manicure box and a black beaded blouse that was very much in style around the turn of the century. Mrs. A. J. Gatlin wore this beautiful dress.

## G'waite Receives HEW Grant For EMS Equipment

Goldthwaite is included in a grant from the Department of Health, Education and Welfare which provides financial assistance to local communities for improving Emergency Medical Services (EMS).  
A total grant of \$9,324 is designated for this area to purchase ambulance radio equipment with \$6,993 provided in federal funds and \$2,331 in local matching money.  
As a result of the grant and matching local funds the Goldthwaite EMS system will be upgraded. Although the equipment will make an immediate improvement in medical care communications, it will become more important as the system becomes more sophisticated.

As you can tell by reading the front page of this week's Eagle, the political "pot" is beginning to bubble a little in the county. It sure makes it a lot more interesting when those who are candidates are people you know, doesn't it? County, school, and city elections will always be the most important to the people of the county.  
For the most part, many of the state and federal offices are blown out of proportion by an out of proportion government situation. 99% of the programs aren't really in line with good common sense, but common sense seemed to go out with Ben Franklin.  
Small town newspapers are pretty strange birds. (No pun intended.) An honest effort is made to publish every article brought in to the newsroom. Sometimes one gets lost, and sometimes one gets edited for brevity or accuracy, but it is most always printed. We can't be everywhere at once, and the Eagle earnestly solicits your reports of interest to the people of the county.

## The Mills Minister

George Matthews, Pastor  
Star-Center City United  
Methodist Churches

"The kingdom of heaven is like unto treasure hid in a field; the which when a man hath found, he hideth, and for joy thereof goeth and selleth all that he hath, and buyeth that field."

Matthew 13:44

Life is an adventuring for treasure. The treasures of life are the most powerful

determinants of life. We set our hearts on something, and then that treasure becomes our life and the substance of our heart. "A good man out of the good treasure of the heart bringeth forth good things." (Matthew 12:35)

What treasure have you set your heart upon for 1978? It is a good inclination to covenant with God at the beginning of a new year regarding the treasure of life. As we plan and set our hearts on a great good, let us be attentive of what our Lord Jesus teaches us about the treasure of life.

There is evil treasure. May we hear this warning from the wisdom of the Bible. The chief example of this is the rich fool who came to the paralyzing desperation of losing his soul. The treasure we have set our heart upon possesses us, so that "a good man out of the good treasure of the heart bringeth forth good things; and an evil man out of the evil treasure bringeth forth evil things." There is no true profit from treasure gotten by covetousness. One of the favorite woodcuts of the most widely read extra-Biblical book of the 15th Century, "The Ship of Fools", has:

"Anchor (Achan) did keep unlawful gain and caused the people grievous pain. Until his sin he had stoned, when mercilessly he

was stoned." (Scene 20, "Of Finding Treasures")

In Jesus' great sermon he taught that treasures stored on earth are not safe because of moth, rust, corruption, and thieves which break through and steal; but for those who store up treasures in heaven, the Father which seeth in secret offers compensating treasures - so that presently and eternally the multiplying good treasure of the heart brings forth multiplying good. The joy and the life and the treasure of this adventure no man can take from you.

## New Arrival

Craig Auldridge would like to announce the arrival of a baby sister, Jenny Suzanne, born January 3rd at the Brownwood Community Hospital. She tipped the scales at 7 lbs. 1 1/2 ozs. Her parents are Ronnie and Neva Auldridge.

Maternal grandparents are Mr. and Mrs. J. D. Berry and great grandparents are Mr. and Mrs. O. B. Bell, all of Goldthwaite.

Paternal grandparents are Mr. and Mrs. Truett Auldridge of Goldthwaite; great grandmothers are Mrs. E. E. Byrd of Goldthwaite and Mrs. L. N. Auldridge of Gatesville.

## Heritage Happenings

As I reflect back over 1977, it brings to mind Mrs. Etha Daniel elected 'Mother of the Year'; Mr. Grover Dalton 'Father of the Year'; Mr. Emitt Singleton celebrated his 101st birthday; Mr. Scott Thompson celebrated his 95th birthday along with Mrs. Florence Geeslin and others.

Other highlights of 1977 - Our open house when the new wing was completed; our cookouts in the summer time; the Resident Christmas Party; and all our activities which could not have been possible without all of you, our friends and neighbors, who have been so faithful to come and share your time and energies with us. For all this we are so grateful and thank you so much. We are looking forward to the New Year and working with you again.

The month of December was quite exciting for us. We

especially want to thank Santa Claus for taking time out of his busy schedule to come to our Christmas Party. Mrs. Santa, we want you to know we appreciate you also.

We thank the Self Culture Club for a great December birthday party. We are extra proud of our own Myra Johnson, who helped in the entertaining. She sang a solo. Also, she and Mrs. Rose Littlepage sang a duet. The new year is well under way and we are anticipating a wonderful year, and it will be if we see you, the people of Mills County, visiting us often. We encourage you to come. Think about it - We have a storehouse of wisdom in the elderly, if only we take time to seek it out.

We want to welcome Mr. Russell Doran, from San Saba; Mrs. Mary Kirby from Lomena; Mrs. Nada Reid of Goldthwaite; and we welcome back Margurite Sherrard.

## Letter To The Editor

December 7, 1977  
Dear Editor of the Eagle,

This letter is in regard to  
good sportsmanship. Good  
sportsmanship is compli-  
menting the opposing team  
after the game, respecting  
the other team at all times  
(before, during and after the  
game), and being concerned  
about an injured player from  
either team. These points  
will make a team well-liked  
and respected in every com-  
munity.

Bad sportsmanship is  
laughing about injured play-  
ers on either team, ripping  
numbers off an opposing  
team's jersey, writing on the  
bleachers and downgrading  
someone's gym and dressing  
room. These things make a  
team look bad and as if they  
have no manners.

Since Goldthwaite is the  
county seat and has the only  
newspaper, the other towns  
in the county should have  
equal opportunity to have  
things printed. Priddy may  
as well be in another county  
because every time some-  
thing is sent in to be printed  
in the Goldthwaite Eagle it  
never shows up in print.

Also, every time Gold-  
thwaite wins over Priddy, the  
full story is plastered all over  
the front page. However,  
when Priddy beats Goldthwaite,  
it is completely ignored,  
like this letter ignored, will  
be fair - give us equal  
opportunity.

Sincerely,  
Concerned Students  
Priddy High School

NOTE: Due to the fact that  
we do not have the older

# "Swell Head" Risks From Kleingrass Analyzed

Charles Studer District Conservationist

In the past few years a number of suspected cases of photosensitization or "swell

head" as it is commonly called has occurred in sheep and goats grazing kleingrass. Several Mills County ranchers have stated that they suspected that their lambs

had 'swell head' as a result of grazing kleingrass, although no tests have been run on these animals to say for sure.

In parts of the state,

especially around San Angelo, there have been a few occurrences. Although the probability of 'swell head' occurrence is small, based on past experiences, the pos-

sibility does exist. Agriculture Research Agencies are cooperating on this problem and trying to determine under what conditions this disease occurs.

They are also trying to minimize the risk of 'swell head'. The agriculture agencies have developed a survey to help determine the cause and what prevents this disease.

The Soil Conservation Service is in charge of completing these surveys. We ask anyone who has grazed sheep or goats on kleingrass to contact us so that a survey

may be filled out, even though you may not have had a problem with 'swell head'. The survey will take about 10 minutes to complete and can be done over the phone.

The majority of the cases reported were the result of weaned lambs grazing pure stands of kleingrass. However, 'swell head' has occurred in all ages of sheep and goats grazing pastures where kleingrass is only a part of the mixture.

Most of the reported cases have been small, resulting in little or no death losses, there have been cases, however where as high as 40 percent of the herd was affected, with death loss near 15 percent. These cases were weaned lambs grazing on pure stands of kleingrass.

If you have sheep or goats grazing on kleingrass, contact the SCS Office in Goldthwaite to complete a survey so that this problem might be solved.

## Regency Happenings

Mrs. Alton Jones

Another year has gone by. Hope 1978 will be a better year in every way.

Our Christmas company was Mr. and Mrs. Clayton Phillips; Mr. and Mrs. Robert Phillips and Junior; Mr. and Mrs. J. D. Phillips; and Mr. and Mrs. Junior Good and children. Having good neighbors and friends made our Christmas better.

Hollis Blackwell and his daughter Peggy came out and brought us a big nice ham, and Mr. and Mrs. Jerry Cooper and Mr. and Mrs. Marshall Hosges gave us a 5 pound fruit cake. They were both delicious. Thanks for such wonderful neighbors.

Mr. and Mrs. Jerry Cooper spent Christmas with her parents, Mr. and Mrs. Marshall Hodges. They spent New Years in Austin with their aunt and uncle.

Mr. and Mrs. Andy Rowlett had a lot of relatives for Christmas dinner. I gailed to get all their names. The Rowletts had New Year's dinner with their son and family, Mr. and Mrs. Ross Rowlett and children, at Brownwood.

Jess Whitley visited us a while Christmas day. He had spent the day at Spring Creek with his Dad and Bonnie. They were doing fine.

Nora and R. D. Egger had their children, Mr. and Mrs. Sam Egger and Mr. and Mrs. Robert Abbassi, of Austin, with them through the holidays.

We have lost three of our old people within the last few weeks. Willie Edmondson of Spring Creek; Velma Lindsey of Dallas; and Lester Martin of Brownwood. Their families have our sympathy.

## New Arrival

Joshua Scott Pruett, age 2, is proud to announce the arrival of his brother, Samuel Jay, born January 3, 1978 at Brownwood Community Hospital. Samuel tipped the scale at 5 pounds, 4 1/2 ounces.

Parents are Mr. and Mrs. Scott Pruett of El Indio. Maternal grandparents are Mr. and Mrs. Hubert Berry of Goldthwaite.

Paternal grandparents are Mr. and Mrs. Vernon Pruett of Lake Brownwood.

Maternal great grandparents are Mr. Ray Berry, and Mr. and Mrs. M. Sauls, all of Goldthwaite.

—Mrs. Roger Dean Hetrick

**Diane McKenzie Weds Roger Hetrick In Sunday Ceremony**

Diane McKenzie, daughter of Mr. and Mrs. J. D. McKenzie of Goldthwaite, and Roger Dean Hetrick, son of Mr. and Mrs. Clarence Hetrick of Westphalia, Kansas, exchanged marriage vows January 7, 1978, at 7:00 o'clock P.M.

The First Baptist Church in Goldthwaite was the scene of the wedding, with the Reverend Dan Connolly officiating.

Mrs. Sybil Head provided the wedding music. Mary Hetrick of Westphalia, sister of the groom, was soloist. She sang "Wedding Song" and "We've Only Just Begun."

Altar decorations included twin 15 candle arches entwined with greenery and a bouquet of rust, gold and bronze mums in the center of each arch. A large white column on either side held bouquets of mums in the same colors.

The bride was given in marriage by her father. For her wedding she chose a chapel length gown of candlelight peau-de-soie. The high fitted bodice, with contour shaped waistline, was overlaid with Alencon lace. Seed pearls and iridescent beads trimmed the lace bodice and the long, fitted lace sleeves. Her chapel length veil of Bridal Illusion was appliqued with matching Alencon lace. Her bouquet was a cascade of white roses and mums with baby's breath.

Attendants were Melissa Duren of Goldthwaite, Matron of honor, and Susan Knee of Lancaster. They wore rust colored formal gowns, and carried bouquets of gold and yellow mums.

The groom wore a brown tuxedo with a beige ruffled shirt and brown tie. His boutonniere was a white rosebud.

John Przywara of Dallas served as best man. Groomsman was Steve Hetrick of Westphalia, Kansas. They wore brown tuxedos, beige ruffled shirts and brown ties. Their boutonnieres were yellow pompom mums.

Ushers were Joe Langford of Austin and Kennon McLean of Dallas.

The bride's mother chose a mauve floor length gown,

and wore a gold mum corsage. The groom's mother wore a blue floor-length gown with a gold mum corsage.

Following the ceremony, a reception was held in the Banquet Room of the church. The bride's three-tiered, white cake was decorated with fresh flowers in the bride's chosen colors. Olivia Youngblood of Dallas served the cake, and Kay Moore of Talpa served the pineapple float punch.

The groom's chocolate cake was served by Brenda Jernigan of Rising Star. It was decorated with double silver rings and frosted fruit. Mary Hetrick served coffee. Melissa Carey of Goldthwaite distributed the rice bags.

Serving in the houseparty were Peggy Long, Patty Sutherland, Sue Long, Melissa Carey, Bell McKenzie, Ann Carey, Annie Bell Padgett, Dera Sykes, Coleta Faye Duren and Louise Long.

The bride received her B.S. degree in Education from Texas Tech, and her Masters degree in Library Science from Texas Woman's University. The groom received his B.S. degree in Administration of Justice, and his Masters in Education of Administration of Justice from Wichita State University, Wichita, Kansas.

After a short wedding trip, the couple will reside in Dallas.

The rehearsal luncheon was hosted by the groom's parents in the Riche Room, Holiday Inn, Brownwood.

Out of town guests included Mr. and Mrs. Fred Hetrick, Janice and Lloyd, and Mrs. Pearl Hetrick of Topeka, Kansas; Mr. and Mrs. Floyd McKenzie and Byron of Kenedy; and the groom's grandparents Mr. and Mrs. Earl Hetrick of Westphalia, Kansas; and Mrs. Mary Metheny of Ottawa, Kansas.

A gift tea was given for the bride in the home of Mrs. Glenna Langford. Hostesses were Mmes. Melissa Duren, Syble Head, Oleta Collier, Eloise McLean, Lee Ruth Campbell, and Susan Knee.

The bride was honored with a gift tea in the home of Mrs. Cindy Holiday of Dallas on December 13th.
