## Fiddlin' Around

One of the many contestants in the annual Fiddlers Festival in Goldthwaite displays first place form in the event here Saturday. Although his playing did not win him the championship trophy, it was mighty pleasing to the crowd gathered at the pavilion in

Mills County Park. Over \$750 in prize money was awarded by the Goldthwaite Lions Club to winners in the three age groups of the fiddlers competition. Fiddlers like this young man, and others ages 4 to 84, participated here, and most follow the

contests all over the United States, meeting new people and new experiences at every stop. A lot of the participants in this year's festival have been here before, and would not miss the Goldthwaite contest, except for a broken arm . . .

## Three Races Featured In Saturday's Run-Off

### Regular Boxes Open

Mills County voters will vote in the same boxes as they did in the first primary in the run-off election Saturday.

Polls will open at 7 a.m. and will close at 7 p.m.

The race for the Democratic nomination to the U. S.

Congress, District 11, has caused the most interest on the local level, primarily because of the heavy campaigning.

Candidates in this spot on the ballot will be Lane Denton and Marvin Leath.

The campaign has been a heated affair, as the candidate Mills County Treasurer is the only local race on the ballot. These two ladies have campaigned hard in the last

month for the nomination. The Treasurer's post was open, due to the retirement of Mrs. Jewel Jeager, at the end of her regular term in January.

The contest between Evelyn Smith and Dee Harris for

month for the nomination. The Treasurer's post was open, due to the retirement of Mrs. Jewel Jeager, at the end of her regular term in January.

Texas voters will be testing only one race all over the Lone Star State, that of the unexpired term on the Railroad Commission.

John Poerner and Jerry Sadler are in this runoff contest.

Absentee voting in the county has been brisk, indicating that voters may turn out in good numbers for what has traditionally been a low vote affair in Texas election history.

The rains that fell Sunday were more welcome than the Fiddlers on Saturday. And the fiddlers were very, very good, but weren't in the same class as the rain.

Reports as high as 3 1/2 inches of precipitation fell in the county, and every drop was sorely needed. But as always, MORE is the key word when you talk about rain. We need MORE!

## Fiddler's Festival Draws Exceptional Attendance

The day of the Fiddlers Contest went off with a bang again, for the fourth time.

All indications are that the contest for the \$750 prize money was a rousing success and the spectators were treated to fine entertainment at every turn of the program.

Contestants from all over a several state area participated in the event, sponsored by the Goldthwaite Lions Club, and sanctioned and approved by the Texas Oldtime Fiddlers Association.

Of course, the fiddling wasn't the only activity at the Park Saturday . . . not by a long shot. The meals were great. The Fire Department was in charge of the barbecue dinner, and it was much heralded. Over 550 pounds of brisket barbecue was served to the hungry crowd.

The Lions Club fish fry in the afternoon served over 800 people catfish, and all the trimmings. Everyone who ate at either of these meals came away happy.

Activity was heavy all day in the area of the flea mar-

kets and arts and crafts booths. Almost 40 booths were taken for the event, some being old hands here, and some very refreshing newcomers made the festival this year.

Kathryn Shelton was the winner of the television set given away by the Goldthwaite Band Boosters. The boosters conducted several

booths at the North end of the park, and reports are that the endeavor was very successful from all angles, both the participant and the money made to benefit the band program at the Goldthwaite schools.

One of the sidelights of the festival, although not official, a part of it, was the opening of the pool in the

Mills County Park. For most of the day, the pool was nearly full of youngsters, eagerly trying out the water for the first time in 1978.

The Goldthwaite Lions Club expresses its thanks to the workers, and the spectators of the 1978 Festival, and would like to go on record here and now as issuing a cordial invitation to attend the 1979 Festival.

## United Fund Directors Review Balance

The directors of the Mills County United Fund met last Tuesday night to decide how the remainder of the money from the 1977 drive would be spent.

Approximately \$2300 was held over.

The board voted to ask eligible agencies and organizations file a written request within the next two weeks for a share of the money.

Agencies or organizations who may apply must be

non-profit and tax exempt and must function on a county, state or national level. The funds received may be used for capital investments.

The admissions committee of the Mills County United Fund will meet with agents of the organizations and their requests on June 15 at 7:30 in the Community Room of the Mills County State Bank.

Requests should be mailed prior to the meeting to the Mills County United Fund,

Rt. 2, Box 41A, Goldthwaite, Texas 76844.

The Board elected officers for the coming year. They are, President, Tom Cody Graves; Vice President, Mrs. Truitt Aldridge; Secretary, Mrs. Robert McCoy, and Treasurer, Del Barnett.

Othe action taken by the board included distribution of emergency funds of \$100 to the local Salvation Army fund. The fund had depleted all the funds allocated for the county.

## The Old Way May Be Better

The buggy ride, a part of the Goldthwaite Band Boosters Carnival at the Park Saturday, proved to be a real pleasant experience for many

a weary pair of legs. The horse and buggy were donated for use Saturday by Mr. and Mrs. Thomas Earl Winters of Goldthwaite. It isn't

known how many trips up and down the park road the horse made, but he surely must have sensed the plea-

sure of the riders and the crowd as he lazily walked by time after time.

## Memorial Presented

Mrs. Lloyd Laughlin (Rusty) holds the plaque presented to her by the Texas Old Time Fiddlers Association in loving memory of her husband, Lloyd was an avid follower of the Fiddlers Association, traveling far and wide to participate in the contests. He was also one of the main

coordinators of the Mills County Fiddlers Festival, just completing its fourth year of tremendous success. His efforts in support of this organization and the festival in Goldthwaite will long be remembered.

— Laughlin Studio Photo

Wasn't that Fiddlers Festival great. The fellowship of the reunions and the old settlers was fantastic.

The organization of the Ex-Students and Ex-Teachers Reunion late Saturday evening will certainly grow to major proportions in future years, as more experience the fun of getting together again.

Thurman Head did a fine job of emceeing the event.

Estimates of as high as 1500 people in attendance were made Saturday. And even old timers were startled by the number of fine visitors that turned out. Goldthwaite and Mills County has a lot of charm and quality to offer others, and they don't mind participating here, because they know they'll go home with ten times more than they brought with them.

Saturday's election —

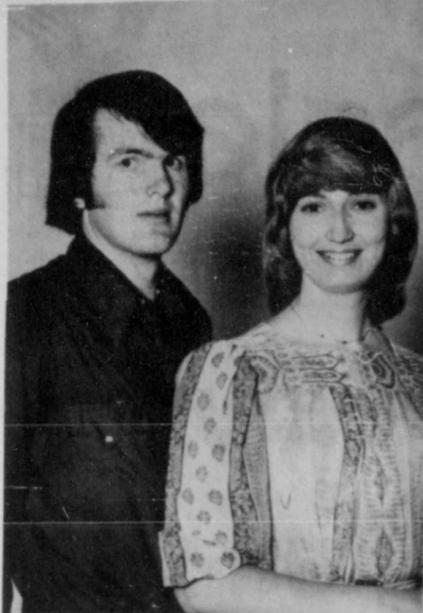

A runoff election sometimes is treated with so little fanfare that it passes like a cloud in July.

But this one, will go down as a thunderhead in May.

The congressional race, in particular, has drawn much clamor from Mills Countians. The voters here are used to low-key, elderly men, who do a good conservative job in Washington, and return home feeling satisfied at doing their best. And the people here know that they did their best.

With the retirement of Bob Poage, the apple cart is not running on steel wheels anymore, but on steel-belted radials. It has turned into the limelight with the force of a cannon, mostly because of the simple fight between "us and them."

Marvin Leath is the candidate who has the commonsense background in life and business that makes sense to most people. He hasn't been in office for the majority of his adult life, and knows what it's like to pay taxes out of his hard work. In the opinion of this writer, he is the logical choice for the Democratic nomination to Congress. It cannot be oversimplified. He is a candidate, that will represent his district because this is where he has gathered his forces. He has not received the support of out-of-state unions. He will be a good congressman for the people of Mills County.

### Bullock Plans Sub-Office In Brownwood

State Comptroller Bob Bullock announced Friday that he is opening a new sub-office in Brownwood June 1 to serve taxpayers in Brown, Mills and Comanche counties.

The Comptroller invited businessmen and women and other taxpayers to drop by the new office and get acquainted with the tax experts who will be serving them.

"It's a heck of a lot easier -- and more pleasant -- to deal face-to-face with someone you know and trust than trying to communicate with a computer in Austin," Bullock said.

"It saves everyone involved time and money to have our people nearby to provide help when it's needed, and that is exactly what sub-offices such as this in Brownwood allow us to do."

## YOU DECIDE

On June 3, Texas voters will elect one of two men as the Democratic candidate for Railroad Commissioner:

**Jerry Sadler, 70**, is a twice-defeated former Land Commissioner. Here's what three of the state's leading newspapers have to say about him:

**The Austin American-Statesman:** "Voters deserve to know whom they will be choosing between in the runoff June 3. Poerner is not a household name; Sadler is. But Sadler has a sorry record in state government. He is the only person ever censured by the Texas House of Representatives (for failure to cooperate with an investigation). He became notorious for attempting to choke then-State Rep. Jake Johnson. He was defeated at the polls in 1970 and lost to Jon Newton in a race for Railroad Commissioner in 1976. And now he's back again."

**The Dallas Times Herald:** "Sadler has made Texas government a universal target of ridicule and derision."

**The San Angelo Standard Times:** "Under Sadler, the Railroad Commission just might become the laughing stock he once made of the General Land Office."

### IS THERE REALLY ANY CHOICE?

The Railroad Commission regulates the oil, gas and transportation industries in Texas. Our energy and utility rate problems demand vigorous and responsible leadership. We need John Poerner to fight for Texas and protect what is rightfully ours.

**John Poerner, 45**, is a respected businessman and rancher. John Poerner was elected to three successive terms in the Texas House before being named Executive Director of the Governor's Committee on Aging and Director, Education Resources of Texas.

His honors include being named "Citizen of the Year" in his hometown of Hondo, receiving a "Distinguished Legislator" award from the Vocational Agriculture Teachers Association, and being named to the "Agriculture Hall of Fame" at Southwest Texas State University.

He was recently appointed to the Railroad Commission by the Governor.

"Poerner is a solid, competent individual with a record of 10 years of dedicated public service," says the *Houston Chronicle*. "(We urge) his election."

## Mills County Farm Bureau Newsletter

The Federal government has been at it again. The House Agricultural Committee has voted 20-19 to send the Farm Bureau opposed Nutrition Educational Bill back to sub-committee. The legislation would have created an 18 member committee at USDA with staff and consultants to plan and coordinate nutrition research

and education programs, at a cost of 10 million dollars. If there is anything we do not need, it is the government telling the people such things as 'beef is not good for our daily diets'. National Livestock and Meat Board have been fighting actions like this for many years. This is why the Farm Bureau is joining forces with the board to help improve the beef cattle industry.

## Record Crowd Attends Old Settlers Reunion Saturday

More old settlers than ever before gathered on Saturday, May 27, 1978 to get an early start on greeting old friends before the Fiddlers Contest began at the Mills County Park.

Mills County Historical Commission members registered those arriving and the Klitter Klatter Band of the RSVP played old favorite tunes as the Old Settlers visited.

Master of Ceremonies, Julian Evans, interviewed many of the visitors between musical numbers, and it was discovered that two ladies had come 1400 miles for the reunion - Daphne Evans, Monrovia, California, and Juanita Howell Raasch, from Marion, Wisconsin. Awards will be given to these ladies for having traveled the furthest.

Mrs. Ora Black, of Goldthwaite, won the award for being the oldest in attendance - a lovely little 96 year old.

Two gentlemen tied for the award of having lived in Mills County the longest - Mr. V. G. Dunlap and Mr. W. A. Daniel. Both have lived in Mills County for over 86 years.

Mr. and Mrs. C. W. Holden received the award for having been married the longest - 66 years of mar-

riage have been enjoyed by Mr. and Mrs. Holden.

Mrs. M. D. (Elva) McNeil was awarded the certificate for having the most children - Elva has eight children.

Make plans to attend the Old Settlers' Reunion in 1979. Perhaps you can beat the records for the above awards.

Speaking after a unity luncheon in Waco, Olson said "I believe that moderate and conservative democrats will unite behind Marvin Leath. People have been asking me how I felt about the run-off and I just wanted to come here today to tell people that I am voting for Marvin Leath."

Olson, who was eliminated in the May 6 Primary and his wife Nancy sat at the head table with Marvin and Alta Leath, as more than 500 people attended the luncheon designed to demonstrate the unity of all parts of the 11th Congressional District and supporters of other candidates all behind Marvin Leath.

LANE AND HIS DAD are both avid sportsmen. Lane is a member of the National Rifle Association and the Texas Muzzle Loaders Association. Lane is strongly opposed to a federal gun control and registration law.

LANE TAKES TIME FROM HIS CHORES to say hello to a friend. Lane was born on a farm and he attended a rural high school. He now owns and operates a 100-acre farm, raising dairy cattle.

BETTY, DEEANN AND LANE DENTON. Lane is a proud husband and father. Betty and DeeAnn have both been active in Lane's campaign.

LANE HELPS OUT A LITTLE LEAGUE TEAM. Lane is very active in civic and community affairs, including the Little League and the Boy Scouts of America. He is a Deacon in the Baptist Church.

LANE AT THE TEXAS LEGISLATURE. Lane Denton is a three-term veteran of the Legislature. He has served as a committee chairman and he received the Outstanding Legislator Award. He has been commended nationally and in Texas for his legislative programs on agriculture, senior citizens, public records and children.

## THIS IS LANE DENTON'S RECORD

### PUBLIC OFFICE

Lane Denton is a three-term veteran of the Texas Legislature. He has been commended for the many legislative programs he authored, particularly those on agriculture, children, senior citizens and public government. He served as a committee chairman in the Legislature and received the Outstanding Legislator Award. He was a leader in the fight against corruption in state government and instrumental in bringing about a new era of fiscal responsibility in Austin. **His opponent has not served one day in public office.**

### UTILITY RATES

Lane has been one of the leaders in the fight against skyrocketing utility rates in this District. Last year, he led the fight that resulted in the successful reduction of a proposed rate hike by \$77 million. This year, he organized the opposition to another proposed rate hike that was recently reduced by \$78 million, and he filed the only appeal of the reduced rate hike on the ground that a utility company that makes \$102 million profit after taxes is entitled to no rate increase at all. **Lane Denton's opponent has never taken a position in favor of bill-paying citizens against the utility companies, and his campaign has been financed by the utility companies.**

### AGRICULTURE

Lane Denton understands the problems of farmers and other rural residents of this District. He is a farmer himself and he comes from a farm family. Lane called for full parity prices last fall and he personally testified last June against beef imports before the International Trade Commission. He has been endorsed by farmers and ranchers throughout the District. **Lane's opponent has never taken a clear position in favor of farmers and ranchers on anything.**

FINALLY, THERE IS THE QUESTION OF FINANCIAL DISCLOSURE. LANE HAS BEEN FORTHRIGHT AND HONEST WITH THE VOTERS. HIS OPPONENT REFUSES TO REVEAL DETAILS OF HIS CURRENT FINANCES.

## THIS IS YOUR CHOICE A MAN WHO IGNORES THE TRUTH, OR LANE DENTON, THE MAN WHO FIGHTS FOR IT.

Paid for by Friends of Lane Denton for Congress Committee. Charles Kennedy, Campaign Chairman.

### TAXES

During his three terms in the Legislature, Lane consistently fought to keep taxes on working people down. He opposed the sales tax. He never once voted for or supported a personal income tax. He led the fight against wasteful state spending and helped save the taxpayers millions of dollars. **The statement by Lane's opponent that Lane voted for a personal income tax is absolutely false.**

### GUN CONTROL

Lane is on the record as opposing any federal gun control and registration. He is a member of the National Rifle Association and an avid gun enthusiast and sportsman. Upon the personal recommendation of Col. Wilson Speir and other law enforcement officials, Lane voted for a manufacturing bill that pertained to "Saturday nite specials" and was designed to aid law enforcement officials and protect children. **The Texas Legislature has never considered a gun control or gun registration bill, and any statements of Lane's opponent to the contrary are false.**

### RIGHT TO WORK

Lane is on the record as opposing any repeal of the right to work law. Lane has never voted to repeal that law. **Any statements of Lane's opponent to the contrary are false.**

### INTEREST RATES

While in the Texas Legislature, Lane voted against every bill to raise interest rates. Lane believes that the economy must be stimulated, but he is convinced that high interest rates retard economic growth and serve only the interests of the bankers. **Lane's opponent, whose campaign is heavily financed by bankers, has never taken a position in favor of average citizens on the question of rising interest rates.**

## Visitors Enjoy Historical Museum During Festivities Over The Weekend

The festivities held in Mills County Park last weekend brought many visitors to the Historical Museum also.

Saturday afternoon the GHS graduating class of 1924 gathered at the museum to formally present an oil painting of the old high school building, which has been replaced. The painting was

done by Mrs. Walter (Aidele Welch) Tubbs. This realistic painting will be hung over the county school case and will bring back memories to many for years to come. The building was erected in 1913; on April 23, 1963, H. D. Hollis of Rising Star was hired for \$950.00 to raze the building.

## Tatum-Shahan Vows Recited In San Angelo

Carla Tatum and Reed Shahan exchanged marriage vows May 20, 1978, at 7:30 P.M. in the First Presbyterian Church of San Angelo.

Parents of the couple are Mr. and Mrs. Earl Wenzel of Goldthwaite, and Mr. and Mrs. David Shahan of San Angelo.

The Rev. Harold Odum officiated for the ceremony. Miss Elaine Harper of Brownwood played the wedding music on piano and sang "Evergreen" as part of the ceremony.

The altar setting was a fifteen-branch brass pedestal candelabra, flanked on either side by six-branch, with white tapers.

The bride was attired in a formal length gown of sheer white georgette over pale blue woven polyester. The gown featured a high neckline, sheer yoke, and long bishop sleeves, all trimmed in Venetian lace. The full skirt was edged with a deep ruffle which extended into a chapel-length train. Her fingertip veil of lace-edged bridal illusion was attached to a lace covered headband. The bride designed and made her bridal costume. She carried colonial arrangement of two yellow-throated white orchids, white feathered carnations and white satin streamers. She carried a lace handkerchief which belonged to the groom's great grandmother; gold earrings which belonged to her great grandmother, and a sixpence in her shoe.

Matron of honor was Mrs. Cindi Flaherty of Hobbs, N.M. Bridesmaid was Miss Gail Wenzel of Hamilton, cousin of the bride. Their sky blue polyester knit dresses featured high necklines, dolman sleeves, and long skirts. They carried blue and white silk carnation nosegays. Their costumes and flowers were made by the bride.

The groom wore a navy blue suit and tie with white shirt, and a white silk carnation boutonniere made by his bride.

Serving the groom as best man was Mike Poulter of San Angelo. Groomsman was Trey Schulze of San Angelo. Ushers and candle lighters were David Strain of San Antonio, and Marcus Henderson of San Angelo.

The brides mother was attired in a formal dress of ice aqua polyester knit, featuring long sleeves and a V-neckline edged in a deep ruffle. The groom's mother wore a pink floor length dress which featured butterfly sleeves and a floral border on the skirt in deeper shades of pink and rose. Their corsages were of white phalaenopsis orchids.

Special guests were the bride's grandparents, Mrs. C. J. Tune and Mr. and Mrs. Henry Wenzel of Hamilton, and the groom's grandmother, Mrs. Bike Simmons of San Angelo.

A reception was held following the ceremony in the church fellowship center. The serving tables were covered with floor length white linen cloths. The

bride's table was centered with an arrangement of blue silk flowers on a mirrored base. The three-tiered white wedding cake was trimmed with blue icing and topped with pearlized bells. The groom's table was centered with an arrangement of white mums and blue baby's breath, and featured a double-bell shaped chocolate cake trimmed with blue icing. Both cakes were made and decorated by the bride. The couple began the reception with a pink champagne toast; white pineapple punch was then served with the bride's cake, and coffee was served from the groom's table.

Serving in the house party were Mrs. Teri Shahan of Austin, sister-in-law of the groom; Debra McFalls of Grand Prairie, cousin of the bride; and Karen Duderstat of Austin.

Out of town guests for the occasion attended from Goldthwaite, Hamilton, Grand Prairie, Austin and Houston.
