Mr. Singleton To Celebrate 103rd Saturday

The family of Mr. Emit Singleton and the staff of View Manor would like to invite all of Mr. Singleton's family and friends to come to a birthday party honoring him on his 103rd birthday.

The occasion will be held Saturday, September 15, at View Manor Nursing Home, from 2 to 4 p.m.

Man Wrap-Up Mullin Slips

The Mullin Bulldogs were out to Gustine last Thursday night, September 6th. Gustine defeated Mullin by a score of 14 to 12.

Scoring for Gustine were Tony Johnson on a 25-yard pass, and Jamey Littlejohn on a 25-yard pass from Q. Hodges.

For Mullin Jeff Shelton had 2 runs on 50 and 45 yards. He also led the team with eleven tackles during the game. Steve Gier had 8 tackles and Tony Sims had 6.

The players for Mullin were Troy Shelton, Steve Gier, Curtis Holland, Tony Couch, Marty Sims, Tony Sims, Mitch Howell, Clendenen, Rickey Gier, Steve Watkins and Dan Gober.

Coach Luker reported that Mullin played with numerous penalties which hurt, as did some miscues on offense.

This Thursday, the 13th, the game will be at Mullin with the game beginning at 7 p.m.

Mullin Jr. High will travel to Gustine on Thursday afternoon for two games.

Game Stopped

The Buckholts team defeated the Star Tigers last Friday night by a score of 14 to 14.

The Star Tigers scoring came on runs by Philip Hartley and Jamie Tidwell.

Coach Luke Whitlock kicking an extra point.

Those scoring for Buckholts were Clayton Allison and Ronald Mendoza, with two touchdowns each.

Performing the best jobs defensively for Star were Philip Hartley and Glenn Hodges.

There was a good football game and going into the 4th quarter the score was 24-14. Star had the ball inside opponents' 10-yard line but failed to score. Buckholts scored twice in the 4th quarter.

Coach Tidwell stated that the offense was weak and said "I was disappointed in the way the team played, but Buckholts had a much better team than we expected."

Okays Cable TV Hike — City Council Stalls Gas Rate Increase

Officials from Lone Star Gas Company met with the Goldthwaite City Council for the second time in two months trying to get an increase started for users in Goldthwaite, and they will have to come back again.

The gas company is asking for an increase in overall income by 14%, citing last year as a test year to determine the rate increase. Lone Star is seeking a return to investor of 9.2%. The accountants for the firm say that currently only a 2.4% return is being realized from the system in Goldthwaite.

THE PRIMARY means for the increase in operating revenue is a proposed customer service charge. The charge, if levied, would mean that every residential customer in the city would be assessed a \$3.00 per month charge for gas service. Commercial units would pay \$6.00 per month. This charge would be assessed, regardless of any gas used and would be paid every month. At the present time, when no gas is used, a "no bill" is issued.

Council members voiced concern for the single person living on social security or pension, saying that the already high cost of living would be even costlier because of this method of charging for gas.

The actual charge for a thousand cubic feet of gas would be reduced under the new structure. Large commercial users, and larger homes would pay greatly reduced bills, especially in winter months.

THE COUNCIL voted to suspend the rate increase question for another 30 days, pending the gathering of more information on the subject. It was the consensus of the council that those using the gas should pay for it, and also that the current guidelines for anti-inflation warfare are set for 7% increases, not the 14% raise as seen by the gas company. Under the proposed rates, Lone Star would receive \$23,147 in additional money.

Before a rate increase is granted, three readings of a new city ordinance will have to be passed.

Lone Star has 695 residential customers in Goldthwaite, and 117 commercial accounts.

DEAN BAGLEY and Fred Hardy of San Saba were at the meeting, seeking a rate increase for the Cablevision company. Bagley is the owner of the system and serves the city, and is franchised to do business here. The company has not had a rate increase in many years, and the council unanimously voted to pass on first reading an ordinance granting the company a rate hike from \$5.50 per month to \$7.00 per month for cable television use. The firm has recently undertaken major improvements to the transmission lines covering the city, and worked on the overall system to improve service.

The council discussed an emergency override system with the owner of the cable business. The override would be used in weather or other emergencies to the city, which would require communication between law enforcement officials and citizens. No matter what channel persons would be

watching, the sound would be cut and emergency messages given directly to cable users. Of course, no other persons could hear the broadcast.

The system would be recommended by civil defense authorities, and the cost of the equipment will be the next concern for the council. The cable television personnel would be glad to install the necessary electronic gear to get the thing operational, according to owner Bagley.

THE RATE HIKE for the Cable Television Company could go into effect in December if the Council passes the next two readings of the proposed ordinance. The motion for the increase was made by councilman Charles Childress and seconded by Allen Moreland.

In other council matters, the group voted to approve as presented the ad valorem tax roll for 1980. The total rendered taxes for the city was \$21,620,244. This compares to only \$19,860,348 for last year. The city collects on the basis of a 20 cents per \$100 valuation, and will collect about \$39,720 in taxes from the roll. The city also collects the taxes for the Mills County Water Supply District. The water district will collect only about \$6,453 for the year.

City Manager Dale Allen recommended that the city set the fee for collecting the water district taxes at \$2400. This recommendation was voted on unanimously by the council.

THREE MEN were present representing the Santa Fe Railroad. The city has had several matters that needed communication with the transportation company.

Among the items discussed were the upkeep and maintenance to the railroad right of way through the city, that sometimes can be a fire hazard with growth of weeds and grass. The railroad representative asked the city to submit a request for the work, and that the authority to do the work will probably be given for city crews to mow the right of way, or the Santa Fe crews would come to see to the problems themselves.

Street crossings on the railroad were discussed, and all seems to have been repaired satisfactorily, but some adjustment needs to be made to the crossarm signals on Fourth Street. The officials told the city manager what steps to take if the arms are not functioning properly, and to get work crews on the repairs as soon as possible. The system is a very valuable one, and according to both the council and the Santa Fe, needs to be kept in good operating condition. Persons were cautioned not to try to proceed through the intersection when the arms are down, as visibility in the area is extremely limited, because of the wool warehouses.

THE COUNCIL voted to go with a seven-man board for the central tax appraisal group in the county. If this does not meet with the consensus of other taxing bodies of the county, the three-fourths majority rule will be used. Whatever number that this percentage would decide on would be

GISD Board of Trustees Settles Classroom Issue

The regular meeting of the Goldthwaite School Board was held Monday night. All members were present.

The board discussed the large classes in the third, fifth and sixth grades, and the small first grade class. The third, fifth and sixth grades are all together in one room, while the smaller first is split, with two teachers. The importance of a good first grade start was emphasized by the board.

Later, member Wendell Tucker moved that the classes remain as they are now, with no changes in personnel or classrooms. This motion, seconded by James Reese, passed by a

five to one margin. Holcomb voted against the proposition.

Superintendent Gilbert Davis reported to the board that the district is only allowed 24 staffing units, which will be paid by state funds. The district currently has hired five and a half more units than that figure.

He also reported that the district already has a budget deficit for the year.

In other board matters, the group decided to go with the three-fourths rule in determining the size of the tax appraisal board for Mills County. Each taxing body will send a representative to the meetings, and the three-fourths majority of this voting will determine the size of the board. This group will then select the tax appraisal board to set the valuation on property in the whole county. The county, city, and school districts will use the same figures in determining the valuations of property. Each will then, in turn, set its own tax rate, according to the amount of money needed to meet budget demands for that particular year.

LRA Meets Thursday In Show Barn

The Mills County Livestock Raisers' Association will meet at 8:00 p.m. in the Show Barn, September 13, 1979. The meeting is being called to consider several important matters. We encourage all members to attend.

Scoreboard Doesn't Lie; Eagles Lose To Tigers

By MIKE LEE
Eagle Sports Writer

It was all very simple. The Hico Tigers made the most of their opportunities and the Goldthwaite Eagles didn't. The result was a 13-8 victory for the Tigers in last Friday's season opener for both teams.

The Eagles penetrated the Hico 25-yard line five times, but could score only once. The Tigers, on the other hand, cashed in on their only two scoring opportunities of the night.

The Eagles clearly dominated the game, both offensively and defensively, except for a 3-minute span in second half.

But that was all the time Hico all-state tailback Daniel Parks needed. Parks, who was stopped cold during the first three quarters by the Eagles, finally broke loose on a 38-yard jaunt on the third quarter's final play.

That gave the visitors from Hico a first down on the Eagle 15-yard line. Parks covered that distance in 3 plays, getting the touchdown on a 3-yard run. The extra point kick was good and Hico led 7-0 with 10:44 remaining in the game.

On the first play after the kickoff, the Eagles handed the Tigers their second scoring opportunity when halfback Tony Corona lost the handle on the football and the Tigers recovered on the Eagle 36-yard line. Parks again burned the Eagles as he swept his right end for 23 yards. Three plays later Hico quarterback Lucas scored on a 10-yard run with 8:56 to play. The PAT kick failed.

Suddenly the Eagles, who had dominated the game, found themselves behind 13-0.

However, the Eagles refused to quit. They took the ensuing kickoff and promptly marched 66 yards in 9 plays for their first touchdown of the year. Halfback Tony Corona, who was the game's leading rusher, gained 49 of the yards. Quarterback Ted Tucker got the touchdown on a 7-yard run around his left end. Corona ran for the bonus points and the Eagles cut the Tiger lead to 13-8 with 5:11 left in the game.

The Eagles put together one last drive after linebacker Carson Padgett recovered a Hico fumble at the Eagle 20-yard line, with 2:34 remaining. The drive was highlighted by two pass completions by Tucker to split end Kenny Saathoff which covered 43 yards. The drive stalled at the Tiger 23-yard line

when a fourth down pass by Tucker fell incomplete with 2 seconds remaining in the game.

During the first three quarters, the Eagles mounted three scoring threats, but came up empty each time.

In the Eagles first offensive possession, they drove from their own 47-yard line to the Hico 25, before they lost one of the two costly fumbles.

Later in the second quarter, the Eagles drove to the Tiger 5-yard line before another turnover - a pass interception - ended the threat. The drive included a 25-yard pass from Tucker to Saathoff, who caught the ball among four Hico defenders.

Coy Hammond returned the second half kickoff to the 50-yard line to ignite another Eagle threat. The Eagles marched to the Hico 21 before another pass interception killed the drive on a fourth down attempt.

The Eagles clearly dominated the statistics, outgaining the visitors in total yards by 340-164. Unfortunately, the Eagles also led in fumbles, interceptions, and penalties.

"We played with great enthusiasm," Eagle head coach Joe Winchell said after the game. "I was real proud of the way our kids played." Winchell stated that turnovers and penalties killed the Eagles, but he added that these kind of mistakes can be corrected.

Winchell pointed out the fine play of several players including linebackers Padgett, Jeff Stephens and David Livingston. Winchell also cited the play of split end Kenny Saathoff, defensive back Coy Hammond and running back Tony Corona, who gained 150 yards on 32 carries.

This Friday, the Eagles travel to Hamilton for an 8:00 p.m. battle with the District 11-A Bulldogs.

Fine Reception

Goldthwaite Eagles Junior running back, Stephen Schwartz, finds the handle of a Ted Tucker aerial in the Hico Game last Friday at Eagle Field. The pass was good for a gain of about 14 yards in the contest. The

Eagles lost the opening game of the 1979 season, and travel to Hamilton this Friday for an 8:00 p.m. encounter with the Bulldogs. Hamilton plays in District 11-A.

Fashion Show Held At Heritage Nursing Home

The Heritage Nursing Home was the setting for a very special Style Show, August 23, at 7:30 p.m. Several models, some specially chosen for this occasion, were presented. Mrs. Mary Banks designed and made all of the clothing used in the show, which was enjoyed by everyone. Heritage Home gives a big thank you to Mary, and all of you who helped with the show and who served the delicious refreshments.

Cross-Country Guests Enjoy Ice Cream & Cake Supper

Thursday evening, August 30, eighty-four cross-country natives, as well as a number from San Saba County, met at the lovely country home of Curt and Lottie Zant for a fine time of fellowship and food. Many new acquaintances were made, as well as old ones renewed. A large variety and flavor in the way of ice cream and cake were enjoyed by all present, much of which was left even after all had eaten their fill. Lottie, in her own gracious and talented way, made an opening speech welcoming all present, after which the blessing was given by Bro. Doug Holtzclaw. After the delicious repast, some chose to play dominoes, while others spent the time chatting, meeting new friends, or being shown the Zant's beautiful, newly remodeled home. Everyone retired wishing we could have more get-togethers such as this. Thank you, Lottie & Curt, for a most enjoyable and unforgettable time shared together.

An Invitation To Girl Scouting

Does your daughter like to have fun? Does she like to be with other girls and "do" things? Whatever her interests may be, she will find them in scouting and have fun while learning. The Girl Scout Program for girls between the ages of 6 and 17 is a program designed to aid our girls in becoming responsible, useful and happy adults. The four programs, geared to different age levels, are the answers to many needs of our young ladies. If your daughter is interested in becoming a Girl Scout, we need your help in order to have a troop for her. Fathers are very helpful, too. They can be troop committee members and give excellent help with specialized projects. Scouting is not expensive! There is a yearly registration fee of \$3 (three dollars) for every registered Girl and Adult Scout. The girls usually have weekly dues from ten to twenty-five cents. Uniforms are optional. There will be a short meeting for all interested girls and their parents on Thursday, September 13, at the Methodist Church, beginning at 7:00 p.m. We want the troop leaders to meet the parents of girls with whom they will be working. Also, we'll outline to parents what they can expect from the Girl Scout program; and outline what parents can do to help their daughters get the most out of their Scouting program. The following is your Service Team - Association Chairman: Carol Graves Troop Consultant: Pam Ledbetter Troop Organizer: Sue Cockrum Brownie Troop Leaders: Joy Barnett, Mary Blackwell Junior Troop Leaders: Gayle Smith, Shirley Reed. All Junior and Senior High School girls interested in joining Cadets or Senior Scout programs should call the Association Chairman at 648-3119, or Troop Organizer at 938-5222.

Chamber Comments

I have some friends who are thinking of moving to Mills County, but they don't know what jobs might be available in this area. Can the Chamber help?

Yes. The Chamber Office has started a Work Force Registry which lists jobs available right now. Some jobs already listed are: Manager and Assistant Manager positions, Accountant, Purchasing Clerk, Foreman, Draftsman, Welders, Big Machinery Operators, Mechanics. Call the Chamber if you're interested (648-3619, Mon. - Fri. 9 to 12 noon and 1 to 4 p.m.).

What if I have jobs available? Will you find people to fill them?

No. But if your job openings are listed on our registry, then when someone is looking for work calls our office, we will refer them to you.

I'm trying to find a good date to schedule a regular meeting for our club. How can I be sure I'm not conflicting with other organizations?

The Chamber Office is compiling a County Activities Schedule so that in the future you can call in and find out what dates are available. It will probably take a few more weeks for all information to be on our schedule. Please have your calendar call in and give your information to the Chamber Secretary. We need all schools, churches, civic organizations, senior citizens centers, etc., recorded in our office.

To Galveston — Retired Teachers Enjoy Bus Trip

A group of people enjoyed a bus tour from Goldthwaite to Galveston to attend a pageant of Texas history, sponsored by the local Retired Teachers Association. Credit must be given to Reba and Orville Hale and their co-workers who made all arrangements through the First Travel Service in Brownwood.

Departure was at 8:00 a.m. in a new Arrow Coach. The miles and hours passed swiftly as downtown Austin and Houston were bypassed. Arrival in Galveston was by mid-afternoon. They were lodged in the Flagship Hotel on Seawall Boulevard, built out over the shoreline waters of Galveston Bay. At 6 p.m. all were back on the bus headed south on Seawall Blvd. for a 13 mile ride enroute to the Mary Moody Northern Amphitheater in Galveston Island State Park.

The amphitheater was a dream come true for Mrs. Northern. For many years she had nurtured the idea of an amphitheater for historic Galveston as a place for producing historical dramas. Now in its third year of operation "The Lone Star" was the first of a series of historical dramas to be produced in the amphitheater. It was written by Pulitzer Prize winner Paul Green. He is the author of "The Stephen Foster Story", "Texas", "The Lost Colony" and others.

Prior to the performance,

a Chuck Wagon supper was served on the grounds. The fast moving drama, "The Lone Star", presented events in the annals of history, from the colonizing of Texas through its struggle for independence. The play began with the founding of Stephen F. Austin's first colony and events leading up to the war with Mexico. The Fall of the Alamo and the Massacre of Goliad were the battle cry of Col. Sam Houston's army in their surprise attack on Santa Anna's army at San Jacinto. Amid gun and cannon fire and charging cavalry the Mexican army was defeated and Santa Anna captured. Texas was then granted its independence to emerge as a new republic. All was not hardships and war. There was comedy, dancing, singing, love affairs as well as heartaches all entwined throughout the drama. As a grand finale to celebrate Texas' Independence there was singing, dancing and a fireworks display. The audience joined in singing "Texas, Our Texas" as they applauded the cast.

There were 100 people working in the production of this drama. They were actors, dancers, singers, musicians and technicians. Their ages ranged from 55 years to a 6 year old girl. This child had been with the show since the premiere season, was interested in

gymnastics and did cartwheels across the stage for the spectators enjoyment. There were six company members who had no speaking, singing or dancing roles but were in the play each night. They were a mare and five geldings, three Apaloosa, a Morgan and two Quarter horses. They were ridden by officers of both the Texas and Mexican army. They had to rehearse like the rest of the cast to be familiar with the surroundings and become accustomed to the flash and booming of gun fire and cannons.

The morning after the performance, the group took the Treasure Isle Train for a 17-mile tour over the old parts and new Galveston. The lecturer/guide gave interesting facts about the growth of the city, the Oleander legend, naming Moody, Sealey, Rosenberg and Gresham families as early businessmen and builders, and the work that had gone on through the years to protect the city from hurricanes.

Historical homes were everywhere, most with Texas Historical Markers. To name a few pretentious homes: The Moody Home (now the residence of Mrs. Northern), the Bishop's Palace, Ashton Villa and Sweeny-Royston House. St. Mary's Cathedral was the oldest church in the city, built in 1847. The First National Bank building, now being restored was the home of the first National Bank in Texas, chartered in 1865. The ride continued by the yacht basin, cotton warehouses, the UT Medical complex, and dozens of other interesting places.

Back on the bus the homeward trek was by a different route. This evening, a stop was made at the historical Stage Coach Inn at Salado. This was the stopping place for the Butterfield Stage Lines and most of the north-south travel across Texas from 1860-1890. The place was restored in 1940 and today serves as a haven for the weary and hungry traveler as well as catering to conventions and vacationers. Dinner this evening was compliments of the First Travel Service of Brownwood, who planned the tour for RTA.

Those who were not members of the local chapter of the Retired Teachers Association are grateful to the members for providing two wonderful days of sight-seeing, visiting with friends, renewing acquaintances and making new friends.

Members and non-members who enjoyed the trip were: Alma Williams, Valeria Gray, Vera & Jimmie Huffman, Reba and Orville Hale, Dean Kirk, Venita Jo Beard, Margaret Standley, Opal & Fred Reynolds, Ozelie Cornelius, Maudine Swindle, Love Gatlin, Ruth Kirkland, Ruth & Oran Carothers, Elizabeth & Homer Doggett, Norma Lee Robertson, Lorraine Lettetter, Melba Hylcomb, Geraldine Laughlin, Annie Keeler, Greta Sue Hines, Leta & Bally Radd, Ruth & Carlos Pribble, Aelene and son Brad Vines, Effie Kirby, Gladys & Clyde Cockrum.

Effie M. Wigley, Fero Neely, Adele Stein, Zora Rowlett, the driver Harmon Dodson, and the scribes, Gladys B. & Hardin Tobin.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

PROPOSITION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would:

- Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and
- Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

PROPOSITION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
- To prescribe conditions for rules to take effect;
- To provide for suspension, repeal, or expiration of rules;
- To prescribe procedures; and
- To delegate powers to either or both houses or to committees of either or both houses.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for legislative review of

PROPOSITION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

To Galveston — Retired Teachers Enjoy Bus Trip

A group of people enjoyed a bus tour from Goldthwaite to Galveston to attend a pageant of Texas history, sponsored by the local Retired Teachers Association. Credit must be given to Reba and Orville Hale and their co-workers who made all arrangements through the First Travel Service in Brownwood.

Departure was at 8:00 a.m. in a new Arrow Coach. The miles and hours passed swiftly as downtown Austin and Houston were bypassed. Arrival in Galveston was by mid-afternoon. They were lodged in the Flagship Hotel on Seawall Boulevard, built out over the shoreline waters of Galveston Bay. At 6 p.m. all were back on the bus headed south on Seawall Blvd. for a 13 mile ride enroute to the Mary Moody Northern Amphitheater in Galveston Island State Park.

The amphitheater was a dream come true for Mrs. Northern. For many years she had nurtured the idea of an amphitheater for historic Galveston as a place for producing historical dramas. Now in its third year of operation "The Lone Star" was the first of a series of historical dramas to be produced in the amphitheater. It was written by Pulitzer Prize winner Paul Green. He is the author of "The Stephen Foster Story", "Texas", "The Lost Colony" and others.

Prior to the performance,

a Chuck Wagon supper was served on the grounds. The fast moving drama, "The Lone Star", presented events in the annals of history, from the colonizing of Texas through its struggle for independence. The play began with the founding of Stephen F. Austin's first colony and events leading up to the war with Mexico. The Fall of the Alamo and the Massacre of Goliad were the battle cry of Col. Sam Houston's army in their surprise attack on Santa Anna's army at San Jacinto. Amid gun and cannon fire and charging cavalry the Mexican army was defeated and Santa Anna captured. Texas was then granted its independence to emerge as a new republic. All was not hardships and war. There was comedy, dancing, singing, love affairs as well as heartaches all entwined throughout the drama. As a grand finale to celebrate Texas' Independence there was singing, dancing and a fireworks display. The audience joined in singing "Texas, Our Texas" as they applauded the cast.

There were 100 people working in the production of this drama. They were actors, dancers, singers, musicians and technicians. Their ages ranged from 55 years to a 6 year old girl. This child had been with the show since the premiere season, was interested in

gymnastics and did cartwheels across the stage for the spectators enjoyment. There were six company members who had no speaking, singing or dancing roles but were in the play each night. They were a mare and five geldings, three Apaloosa, a Morgan and two Quarter horses. They were ridden by officers of both the Texas and Mexican army. They had to rehearse like the rest of the cast to be familiar with the surroundings and become accustomed to the flash and booming of gun fire and cannons.

The morning after the performance, the group took the Treasure Isle Train for a 17-mile tour over the old parts and new Galveston. The lecturer/guide gave interesting facts about the growth of the city, the Oleander legend, naming Moody, Sealey, Rosenberg and Gresham families as early businessmen and builders, and the work that had gone on through the years to protect the city from hurricanes.

Historical homes were everywhere, most with Texas Historical Markers. To name a few pretentious homes: The Moody Home (now the residence of Mrs. Northern), the Bishop's Palace, Ashton Villa and Sweeny-Royston House. St. Mary's Cathedral was the oldest church in the city, built in 1847. The First National Bank building, now being restored was the home of the first National Bank in Texas, chartered in 1865. The ride continued by the yacht basin, cotton warehouses, the UT Medical complex, and dozens of other interesting places.

Back on the bus the homeward trek was by a different route. This evening, a stop was made at the historical Stage Coach Inn at Salado. This was the stopping place for the Butterfield Stage Lines and most of the north-south travel across Texas from 1860-1890. The place was restored in 1940 and today serves as a haven for the weary and hungry traveler as well as catering to conventions and vacationers. Dinner this evening was compliments of the First Travel Service of Brownwood, who planned the tour for RTA.

Those who were not members of the local chapter of the Retired Teachers Association are grateful to the members for providing two wonderful days of sight-seeing, visiting with friends, renewing acquaintances and making new friends.

Members and non-members who enjoyed the trip were: Alma Williams, Valeria Gray, Vera & Jimmie Huffman, Reba and Orville Hale, Dean Kirk, Venita Jo Beard, Margaret Standley, Opal & Fred Reynolds, Ozelle Cornelius, Maudine Swindle, Love Gattin, Ruth Kirkland, Ruth & Oran Carothers, Elizabeth & Homer Doggett, Norma Lee Robertson, Lyraine Letbetter, Melba Hplcomb, Geraldine Laughlin, Annie Keeler, Greta Sue Hines, Leta & Bally Radd, Ruth & Carlos Patterson, Azalie & Maston Pribble, Aeline and son Brad Vines, Effie Kirby, Gladys & Clyde Cockrum.

Effie M. Wigley, Ferol Neely, Adele Stein, Zora Rowlett, the driver Harmon Dodson, and the scribes, Gladys B. & Hardin Tobin.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

PROPOSITION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would:

- Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and
- Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

PROPOSITION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
- To prescribe conditions for rules to take effect;
- To provide for suspension, repeal, or expiration of rules;
- To prescribe procedures; and
- To delegate powers to either or both houses or to committees of either or both houses.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for legislative review of

PROPOSITION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

Extension Highlights

JUDY C. BEAVERS
County Extension Agent

How can anyone influence the development of people to make them responsible, self-respecting, members of our democratic society? The 4-H program can

provide valuable learning experiences through family, church and community involvement.

Most of the things we want young people to become a part of the 4-H program. The whole idea of 4-H is development

of young people. Since 4-H is family oriented and educational, it is truly people.

4-H starts in one of our first "groups" - the family group - which influences us so much. The 4-H program goes down to the "grass roots" because the people in it - from Extension people to local leaders and even the young people themselves - actually help decide programs and activities. So, besides involving the family group, 4-H also closely involves the community group.

Anyone who works with young people can tell you that most of them want and need to belong, to be recognized, to be respected for what they are, to develop a sense of responsibility and a sense of freedom which disciplines, and to have the good feeling of doing something meaningful by themselves.

The 4-H program, a people development program, can provide these things.

Mary Fletcher Retires From Tarleton State

Mary R. Fletcher, assistant professor of Education and Psychology at Tarleton, retired at the end of the summer session at TSU.

Miss Fletcher is a native of Mullin in Mills County and holds a BS degree in elementary education from Howard Payne University and a M. Ed. degree from Sul Ross State University. She has done post-graduate work at the University of Texas at Austin.

Prior to coming to Tarleton in 1968, Miss Fletcher was a teacher in the Carlsbad, NM and Brownwood Independent School Districts.

She was president of the Brownwood Classroom Teachers and served two terms as district President of the Texas State Teachers Association. She also served on the state TSTA executive board and on the district TSTA committee.

At Tarleton, the former Tarleton professor was sponsor of the TSU chapter of Texas Student Education Association.

She was awarded a Ford Foundation Fellowship in 1953. Miss Fletcher is a life member of TSTA and the National Education Association, and is a member of American Association of University Women.

Prentice Sanders Passes August 13 In Austin

Mr. Prentice C. Sanders passed away on August 13, 1979, at his home in Austin, Texas. He was born in Mullin, July 13, 1912, and was married to Miss Mary Eunice Fears in Uvalde, Texas on August 30, 1939.

He is survived by his beloved wife, Mary; three daughters, Mrs. Bob (Linda) Barragay of Slidell, La.; Mrs. Ron (Barbara) Porch and Mrs. Bill (Jean) Russell, of Austin; eight grandchildren, Jimmy, Cindy, and Stacy Sherrin; Ronnie and Timothy Porch; Brittini, Heather, and Courtney Russell.

He is also survived by his father, Mr. William J. Sanders of Mullin; three sisters, Mrs. Albert (Lucille) Jenke of Austin; Mrs. Daisy Boyles of Midland; Mrs. G.I. (Ruby) Alldredge of Mullin; three brothers, Mr. Glynn Sanders of Mullin, Mr. Jack Sanders of Odessa and Mr. Bill Sanders of Star; an aunt, Mrs. Lois Canady Pickens and an uncle, Mr. O.J. Canady of Stephenville; a great number of nieces, nephews, cousins and a host of friends who will sadly miss him.

Ironically, Prentice had attended the annual Sanders Family Reunion in Mullin on the previous day of his death. He loved his family and was a devoted husband, father, son and brother. He was getting ready to go to help with the building of his church when he was stricken with a heart attack and died suddenly.

Services were held in the Harris Memorial Baptist Church in Austin, Wednesday, August 15. In the beautiful service conducted by his beloved pastor, Rev. Kenneth W. Branam, the pastor made mention of the faithful service Prentice had rendered, not only to his family, but to his fellowman, his church, his country, his neighbor, his pastor and his Creator.

Prentice served his country during WWII, having seen foreign service in the Pacific Area with the Seabees. (Naval Constr. Bn.)

He was loved by all who

knew him. This was evident by the many lovely floral tributes and by the many, many persons who attended his funeral. The following cousins attended: Mr. & Mrs. Willis Sanders, Mr. & Mrs. Marion J. Sanders and Mrs. Mary Herndon all of Dallas; Mr. & Mrs. Earl Summy of Lufkin; Mrs. Lillian Thorn of Waco; Mr. & Mrs. Walter Summy and Mr. and Mrs. Raymond Summy of Goldthwaite; Mr. Roy Sanders of Mullin; Mr. and Mrs. J.P. Sanders, Mrs. Mollie Lou Garren, Mrs. Belle Davis of San Antonio; Mrs. Sarah Pearl Grier and sister Marsolete of Stephenville. His two aunts, Mrs. Lois Pickens and Mrs. O.J. Canady also attended.

He was preceded in death by his mother, Mrs. W.J. Sanders, Nov. 1978 and an infant brother, Cecil James, in April 1918.

The Pallbearers were Mr. Burl Davis, Mr. Coney Dorough, Mr. Ray Harlan, Mr. Tom Fountain, Mr. Clay Garrison, and Mrs. John Smith. He was laid to rest in the Forest Oaks Memorial Park in Austin, under the direction of the Wilke-Clay Funeral Home.

Baptist Men Seminar At B'wood Sat.

A leadership Seminar for local and area leaders of Texas Baptist Men will be held September 15, 1979, at the Coggin Avenue Baptist Church in Brownwood.

Mr. Hilton Gilliam, Region 15 Director for Texas Baptist Men, announced that the all day meeting will feature conferences on administration, involvement of men and boys in mission activities and techniques of successful programming of Baptist Men and Royal Ambassador organizations.

Mr. Bob Banks, Program Director of the Southern Baptist Convention's Brotherhood Commission, will be the principal speaker. He also will speak to Howard Payne University's chapel assembly on Friday, September 14th.

The program is set to include men and boys from churches in Coleman, Mills, Brown, Kunnels, and San Saba counties.

Lone Star has the lowest distribution costs of the 4 major gas utilities in Texas.*

We've done a better job of controlling our operating costs than any other major gas utility in Texas three years in a row: 1976-1977-1978. * And we plan to do it again in 1979, because it's one way we can save you money.

Lone Star's operating-distribution costs include wages and salaries, the leases on our offices and facilities, taxes, supplies, maintenance, repairs, depreciation on our equipment, and scores of other things.

Gas is naturally efficient, naturally economical. Our low distribution costs make it an even better value for you.

Lions Broom-Mop Sale October 2

The annual benefit broom and mop sale, sponsored by the Goldthwaite Lions Club, will be held Thursday, October 2, according to announcement by the general chairman of the event, Julian Blackwell, and president of the Lions Club, Del Barnett.

The Lions Club is sponsoring the Texas Blind Shops Caravan for its one-day stand here. The truck will be parked in front of the Mills County State Bank between the hours of 10:00 a.m. to 7:00 p.m.

The business district will be canvassed during the above hours, while the residential areas will be worked from 5 to 7 p.m.

Rural area people are invited to come by the truck and get their supplies any time during the designated hours.

Workers for the entire city have been named and they are asked to be present

in time in order to get the job done in the two hours allotted. Extra helpers will be needed in addition to

those appointed and assigned to certain areas. All members of the club who are not listed on the regular committee assignments are requested to be on hand to fill in where needed.

The proceeds from the sale will be used by the Lions Club for their projects during the year.

The following committees and street assignments have been announced by Blackwell (the first person listed for each street is chairman and responsible for that group and will contact the members of his committee to make sure they can help):

Business District (Including school, hospital and nursing homes) - Charles Conradt, Dan Connally, Cleto Martinez, Homer Doggett, Ben Welch, Ervin Wilson.

Fisher St. & East of Railroad - Ray Duren, T. C. Graves, Hubert Berry, Bob Steen.

6th St. south & west of Hutchings - Ricky Stacy, Ronnie Auldridge, M. A. Childress, and T. A. Head.

East of Railroad & north of Hwy. 84 - Horace Brooks, Mike McMahan, Gene Auldridge, Lee Roy Stacy, and Lewis Hudson.

Audit & Merchandise - Vic Williams, Raymond Casbeer, and Julian Blackwell.

Corona Gains Yardage

Goldthwaite Eagle halfback Tony Corona (30) rounds left end for a nice gain in the game against Santa Anna last Friday night at

Eagle Field. The fine runner gained over 80 yards total in the contest, and scored one touchdown. The locals are open this week, and resume

action against arch-rival San Saba next week. It will be the district opener for the Eagles. —EaglePhoto

Eagles Tripped Up In Final Minutes By Santa Anna

Forty-seven minutes and thirty-nine seconds of last Friday night's game between the Goldthwaite Eagles and the Santa Anna Mountaineers had elapsed and the Mountaineers had never been ahead in the contest.

But, unfortunately for the Eagles, a high school football game lasts 48 minutes and it doesn't matter who's ahead during the majority of the game as much as it does at the end.

An excited crowd watched as the Eagles saw victory elude their grasp with only 20 ticks of the clock remaining in the game, as the Mountaineers "stole" a 14-13 victory from the Eagles.

A 45-yard punt return by Santa Anna standout, Dwayne Warnock, gave the visitors the ball at the Eagle 36-yard line late in the game. With the Eagles clinging to a 13-8 lead, the Mounties began to grind out the yardage.

Nine plays later, the Mountaineers had a first and goal at the Eagle 2-yard line. Two plays later, with the aid of a penalty, Santa Anna faced a third and goal at the Eagle five. A pass

attempt was batted away by Coy Hammond at the goal line to set up a fourth down situation for the Mounties. It all came down to one play. Santa Anna quarterback Rusty Buzzard made a good fake inside, called to his left, and found Wayne Koykendall all alone in the end zone for six points. The pass for the extra points failed but it made little difference as the Mounties took a 14-13 lead with just 20 seconds to play.

The last (second) touchdown climaxed a big fourth quarter rally by Santa, which saw them battle back from a 13-0 deficit late in the third quarter.

The visitors began their comeback when they drove 58 yards in 9 plays to score their first touchdown with 7:32 left in the game. Warnock scored the TD on a 1-yard run and he also ran for the bonus points as the Eagle lead was trimmed to 13-8.

The Eagles controlled the game for the first three quarters. The Eagle defense, led by tackle Chris Boykin, linebackers Carson Padgett and David Livingston and back Coy Hammond, held the Mounties to four firstdowns and 90 yards total offense during the first three quarters.

The offense scored on a long drive in the second quarter and capitalized on a Santa Anna fumble to score a second TD.

In the second quarter, the Eagles began a drive on their own 26-yard line. The drive was highlighted by a 35-yard pass from quarterback Ted Tucker to split end Kenny Saathoff. The Eagles received 15 additional yards on the play as Santa Anna was flagged for a personal foul. That gave the hosts a firstdown on the Santa Anna 16-yard line. Stephen Schwartz, who alternated with Tucker at quarterback

on the drive, kept the ball for 8 big yards on a 3rd and 9 situation. On fourth down, Tony Corona got the firstdown at the 5-yard line. Two plays later, Tucker scored from one-yard out. Bart McFarland booted the PAT and the Eagles led 7-0 with 4:09 remaining in the first half.

Late in the third quarter, Padgett fell on a Mountaineer fumble at the Santa Anna 28-yard line.

After two sweeps by Tony Corona, the Eagles had upped their lead to 13-0. The touchdown was a fine 24-yard gallop by Corona, who rushed for 81 yards on 24 carries. The Mountaineers blocked the extra point kick which later proved to be the difference in the game.

Hist. Comm. Begins New Year

The Historical Commission met September 13 in the Commissioner's Court Room. Mrs. Woodrow Boykin, Chairman, presided.

This being our first meeting since vacationing from last May, we had numerous things on the agenda.

Reports from each chairman were accepted. Several old projects were discussed and some new ones considered, but nothing finalized.

Enthusiasm was running high with those present. We hope to see several of our plans materialize this year.

We invite you to meet with us. Our next meeting will be the second Thursday in November.

We still have books entitled "No Man's Land" available. They may be purchased at the Museum.

Baptist Choir Stages 'Jonah' Sunday Night

Everyone is invited to attend a program at the First United Methodist Church Sunday evening.

The Junior Choir of the Baptist Church will present "Jonah" at the evening worship hour, Sunday, September 30, at 6:00 p.m. The United Methodist Worship Committee is sponsoring this program.

"Jonah" is directed by Marj Head, JuleAnn Holzclaw is the narrator and Gene Talbot is Jonah. Over 20 Baptist children and youth will participate in the program.

Central Texas Telephone Annual Meeting October 1

The 26th annual meeting of the Central Texas Telephone Cooperative, Inc., will be held Monday, October 1, 1979 at the American Legion Hall in Goldthwaite, according to announcement by Raymond Summy, manager of the cooperative.

Registration will begin at 1:00 p.m., with the business meeting at 2:00 p.m.

The purpose of the meeting is to elect five (5) directors for two-year terms and to transact other business which may be brought before the meeting.

Four directors of the present board will be retained until the next

annual meeting. Following the general business meeting, the election of directors and officers for the new year will be conducted.

Immediately following the business meeting, a drawing for attendance prizes will take place. The Co-op Board of Directors will award \$100 in twenty \$5 cash prizes. Twenty-eight prizes will be awarded by Goldthwaite merchants and business firms through the sponsorship of the American Legion Post, in addition to the attendance prizes.

Summy urges all members to attend this 26th annual meeting of the cooperative.

GHS Band Wins 2nd In Marching Contest

The Goldthwaite High School Band and the Goldthwaite Eagle Band participated in drill team and band marching contests held in Texas Stadium in Dallas, Saturday, Sept. 22nd.

The bands were divided up into two groups. Group A consisted of A, AA and A Bands. Group AA consisted of bands from 4A to 12A.

Westlake High - Austin, awarded the first place prize of \$500 to the band from Allen, second place and \$300 to the Goldthwaite Eagle Band, and third place and \$200 to Brewer - White Settlement.

During the halftime of the SMU - NTSU game, all bands participated in a mass band show. Under the direction of SMU band director, Dr. Irvin

Dreibrodt, the bands played "Say It With Music", "Alexander's Ragtime Band", and "God Bless America."

The Eagle Drill Team performed a four-minute show in the competition, doing a pom-pom routine to "Gonna Fly Now", and a precision dance routine to "Shout It Out." Other teams entered in the same

division were from AA and AAA schools. Although the Goldthwaite team did not win one of the first three places, they gave an outstanding performance.

Drill Team officers for this year are Martha Flores, Captain; Charlene Johnson, 1st Lt.; and Sandy Davis, 2nd Lt. Sponsor of the Drill Team is Patricia Roberson.

Hay Show Entries Due

Danny Long
County Agent

The Crops and Livestock Committee in Mills County has scheduled the first Mills County Hay Show for September 19, 1979 and October 10, 1979. All entries are due in the

County Agents' office September 19. Protein samples will be taken then. Judging of entries will be conducted October 10.

Producers entering samples are invited to attend the judging, as well as others who are interested. Dr. George Alston, Area

Agronomist, will serve as judge for the Show.

Divisions will include annual varieties and perennial varieties. The only cost to those entering the Show is a \$3.00 fee for the protein analysis. Judging will be done on the first floor of the Courthouse, beginning at 7:30 p.m. Anyone is invited to observe the judging and hear the judges comments.

Hay sample entries will consist of a full bale if the entry is in a conventional bale form, or a large paper bag full of hay from a round bale, etc. Be sure to identify your sample with your name, address and telephone number.

This will be an educational event. We hope to have a large number of entries.

Mrs. Mark Weatherby

Marsha Weathers Weds Mark Weatherby

Plymouth Park United Methodist Church of Irving, Texas, was the setting for a candlelight ceremony on August 25, 1979, at 2:00 p.m., uniting Marsha Sue Weathers, daughter of Mr. and Mrs. Franklin Weathers and Mark Wayne Weatherby, son of Mr. and Mrs. Bill Weatherby, all of Irving, Rev. Dr. Ward Walker of MacArthur Blvd. Baptist Church officiated.

The bride, given in marriage by her father, wore a white formal organza gown with chapel train. The lace empire bodice featured a Queen Anne neckline and was embroidered with seed pearls. The matching lace headpiece held a veil of illusion.

Maid of honor, sister of the bride, was Cheryl Heyman of Shreveport, La. Bridesmaids were Rita Foss of Houston and Ellen Weathers, also sisters of the bride. They wore matching peach floral dresses and carried peach rosebuds.

The best man was Kevin Black of Irving. Groomsmen were Steve Fellows of Lubbock and Tony Porter of Irving.

Acting as ushers and candlelighters were Alan Ainsworth and Joel Henry

The usher was escorting wedding guests to their seats in church. A woman appeared and the usher took her arm and asked, "Are you a friend of the bride's family?" "Oh, no," she murmured. "I'm the groom's mother."

of Irving. Terry Price sang "Hand, One Heart", and Senior High Singers PPUMC sang the benediction.

After the bride and groom lit the unity candle, the bride presented her mother and the groom's mother rosebuds from her bouquet. A reception was held at the church fellowship hall immediately following the ceremony.

The four-tiered wedding cake, topped by a gazebo, featured cascades of flowers and fruit and a German chocolate groom cake was also decorated with fruit and flowers. The cakes were baked by the bride.

The tables, with precolor covers and lace rosebud rice bags, carried out the bride's scheme.

The bride and groom, graduates of Irving High School. The groom attended Texas Tech and North Texas College.

After a wedding trip to Acapulco, the couple are home in Grand Prairie where the groom is employed by Allied Van Lines.

A rehearsal dinner was hosted by the groom's parents at Dunston's Sub House in Euless.

Relatives attending the area were Mr. and Mrs. F. D. Reynolds and Mrs. Bertha Weathers, grandparents of the bride; Mr. Alline Vines, Brad Vines and T. A. Woodley.

Butane Tank Explodes

There will be a stated meeting of Goldthwaite Lodge No. 694, A.F. & A.M. Thurs., Sept. 13, 7:00 p.m. All Masons Cordially Invited Bob Carey, W.M. Owen B. Yarborough, Sec.

Several members of the Goldthwaite Volunteer Fire Department answered a call last Friday to a fire in the alley off the South side of the courthouse square. A truck, owned by Lydick Roofing Co. of Brownwood was on fire and quickly extinguished by the quick-acting firemen. A large butane bottle exploded just seconds before the fire-fighting crew arrived, sending a "sonic boom" noise all over the downtown area of Goldthwaite. The blaze and resulting explosion was evidently caused from the fire in the asphalt "pot" used by the company. The pot was hooked to the truck on the rear. Firemen David Schwartz and Pat Donnelly can be seen on top of the

truck manning the hose from the pumper truck.

CM Allen reported that several young men of the community had been apprehended following several incidents of vandalism to street lights and light poles in the city limits. These will be filed on for possible criminal mischief by the city. The city manager was given unanimous authority to take the proper legal action against the persons involved. All were from Goldthwaite.

The city council voted to approve a report on the cooperative efforts by the city and L.B. Burnham and Glenn Miller for the dispersal of sewer treatment plant water after it has been treated. The water will be used for irrigation.

The city fathers amended the standard paving policy used by the city when they omitted the clause concerning the private paving of driveways and other smaller areas. This will no longer be done by city crews. Any larger units of paving, other than streets will have to be brought before the council on an individual basis.

The Moline Menace

by Bob Altenloh

THE CITY OF THE MAD... Those whom the gods shall destroy they first make mad. I can see Jupiter strolling with his friends on Mt. Olympus. They gaze down upon earth and Jupiter claps his hands. Lightning bolts fly from them. Then he speaks.

"I know. Let's give them freeways!" And so it was. Poor mortals struggled day after day going to work on these beneficial engineering structures. Jupiter forgot to account for out-of-towners. These souls really get it.

Approaching a turn-off, the huge green sign reads, "Orkney Avenue," but the sign is at the diversion point of the triangle. (These are never back far enough for the out-of-towner to think it all over.) The visitor has 1.5 seconds to make up his mind. If he starts to go to the right then has a change of mind, his slot in the oncoming madhouse of cars has been replaced by another motorist. He cannot get back. So there he goes merrily along down to Orkney Avenue. But there is no Orkney Avenue. They meant Bunky Boulevard. He may be lost for days.

One sign on the Post Oak Freeway gives the out-of-towner a real thrill. The nerve-shattering sign reads: San Antonio - Next Exit. Can you imagine what goes on in the mind of the

driver? No more exits until San Antonio? Of course he doesn't believe it! Then why does he immediately look at his gauge?

Asking directions after being lured off the freeway by a sign that looked familiar is just more madness. Once I asked a man in a grocery store who had been in this business for years where Golf Street was. He had never heard of it. It was a block from his store.

At a gas station I asked an attendant where Lake Houston was. He didn't know, though he lost some hair scratching his head. Later I found out that if he backed up into the bushes about 150 feet behind his gas station he would have fallen into it.

One night in the rain after getting off the freeway at a wrong exit, I asked an aproned youth who worked at gathering carts in the lot of a huge grocery store, "What is the name of this street?" I asked pointing to it. There had been no signs. He didn't know the name of the street where he worked.

Once I got off on another wrong one into the land of the unknown and wound up in an alley in somebody's back yard. And once I thought I was on Bunky Boulevard. I was indeed surprised later to look around and find that I was

in Galveston.

Then there's that insane belief about driving in and out of freeways that I have been arguing about for years. To get on a freeway, one is supposed to merge into the traffic. Most of the time I have to step on the feeder because all the cars coming along at breakneck speed have only 1/4 of a car length between them.

"You can't stop!" the wife screams.

"Who can't?" I reply. If I tried to merge with this outfit, I would be taken down the freeway diagonally. Merging sounds great in the driving manual. What they mean is being welded like a fitting and being carried off sideways.

A visit to Houston is not a trip but an expedition. Take along maps, binoculars, a volume of the city's history, a radio transmitter, lots of lunch and a guide. If one is available, you might bring a county botanist. Oh me!

Chamber Comments

compiled by the
Mills County Chamber
of Commerce and Agriculture

I heard somebody talking about the dues they are paying to be a member of the Mills County Chamber of Commerce and Agriculture. They said it is \$36 for an individual

membership. Is that thirty-six dollars a month?

A. No. The dues are yearly dues, not monthly. [See rate schedule below]

Q. Why haven't I received

any notices or mailings from the Chamber about joining?

A. We may have just missed you when the chamber organizers began work, and if you did not fill out one of the original cards, or if you have not joined on your own, you are not on our current mailing list. Since we are a fledgling group, we have not begun a door-to-door campaign, simply because we have not had time. We hope that since we have a readily accessible phone [648-3619] and post office address [Box 308, Goldthwaite, 76844] that people who are interested will simply call up and join. All you have to do is to send us a check along with a list of the services or products you have to offer and your ideas on what the Chamber could do to improve and promote Mills County. Rate schedule for yearly dues is as follows:

Individual membership	36.00
Business	
[no employees]	36.00
[1 employee]	48.00
[2 employees]	60.00
[3 employees]	72.00
[4 employees]	84.00
[5 or more emp.]	100.00

Q. What is the latest project of the Chamber?

A. We want to help senior citizens who might be interested in signing up for new housing units. If enough senior citizens do sign up, we may qualify for some new housing, hopefully near the senior citizens center. There are simple one page questionnaires that you can fill out if you are interested. For more information, call the Chamber office.

Q. Is there any deadline on signing up?

A. Yes. Now. The actual deadline is October 1. The Chamber has just learned of this program, or we would have been active sooner.

Q. Is this going to be a nursing home?

A. No. These are individual home units you would pay nominal rent for. Your rent would probably include utilities, and possibly based on your ability to pay. But it

would be YOUR unit, and neighbors would also have independent units.

TELEPHONE POLL

New item: At least once a month, Chamber Comment will ask our readers to phone in responses to a question in terms of Chamber activities. We ask you to participate. Call 648-3619, five days a week, 9-12 and 1-4. Results will be printed the following week in this column.

Telephone poll question: Do you think the Chamber should look into possibilities for a county airport, especially if federal funds are available?

BRAVOS & BOOS

Bravos: To the Goldthwaite High School Band who came back from a contest at Texas Stadium on Saturday the winner of second place and a \$300 prize. Now maybe they will believe us when we brag on them.

Boos: To whoever stole the two lead goats from the Mills County Commission Company last week. They were evidently killed on the spot and hauled away. If someone was hungry, they should check with our churches or at the county courthouse for help rather than killing someone's carefully trained pets.

Bravos: To the newest Chamber members -

Band Boosters Meet Oct. 2

Attention to all band parents and band supporters. There will be a Band Booster meeting Tuesday, October 2, at 6:00 p.m., at the Band Hall. Please plan now to be at this meeting. Congratulations Band on your 2nd place win at Texas Stadium.

Sr. Citizen Bands In Dublin Fair

A senior citizens band contest and "Old Time" dress revue will be one of the features of the Dublin Community Fall Fair this year. The band contest will begin at 3 p.m., Saturday, September 29, at the Dublin City Park recreation building. The dress contest will immediately follow, at approximately 5 p.m.

The Klitter Klatter Kombo of Mills County Senior Citizens will participate in this contest.

Each band entered will play two selections of their choosing and the dress revue will be conducted in three categories: Women, Men and Couples. Trophies and ribbons will be awarded. All surrounding towns are being invited to these contests. The first Senior Citizens Band Contest and Dress Contests were held as part of the 1978 St. Patrick's Day celebration in Dublin.

The Dublin Fall Fair is a division of the Dublin Chamber of Commerce.

Mullin Methodists Annual Festival

Saturday night, October 6, is the date for the annual Fall Festival and Auction, sponsored by the Mullin United Methodist Church.

This event will be in the Mullin Community Center, with activities beginning at 5:30 p.m., when the ladies will serve a big meal, consisting of Ham, Turkey & Dressing with all the trimmings.

There will be handmade items such as quilts, afghans, aprons, and various other things, auctioned off along with other items to be sold. The auction will be conducted following the 5:30 supper.

This is the 11th Festival and Auction, sponsored by the Methodist Church. It is always a time of the year when everyone meets friends and has a great time. People from far and near come to eat with them.

The members of the Mullin Methodist Church invite everyone to come out for fellowship, fun and good food. It is enjoyable to meet people who once lived in Mullin and come back for the Festival. It is a night to remember, Saturday, October 6th.

Two Gravestones Received By Historical Commission

The Historical Preservation Committee of Mills County Historical Commission, Hartal Blackwell, chairman, recently received two gravestones for graves of veterans buried in the county.

The headstones were flat, white, marble for the graves of Civil War Veterans. One for Mr. J. W. Scott (1830-1911), a private in Co. C 51 Tenn. Inf., who is buried in Bethel Cemetery. With this tombstone, every grave in that small cemetery now has a permanent marker. The other marker was for Mr. Thomas Garrett Vines (1846-1932), a private in Co. H 18 Tex. Inf., buried in Oakview Cemetery

at Mullin.

Last year, headstones were received for Joel Moreland and the Rev. Joseph Benningfield, both buried at South Bennett, and for Mr. J. C. Bayley, a Union soldier, in Pleasant Grove Cemetery.

Upon a request from a

"Wish I'd Said That"

member of the family, and proof of service, the federal government will furnish a tombstone for the grave of any veteran of any war. The only obligation for the family is to promise they will see that the stone is picked up at the delivery point, transported and set at the grave.

Margie Manuel is chairman of the Veteran Grave Marking sub-committee. If any of you know of a veterans grave that needs a tombstone, contact her and she will help you secure it.

We are indebted to Ricky Stacy for transporting the above mentioned stones to the cemeteries and placing them at the graves.

G'waite Garden Club Sees Busy Year Ahead

The first meeting of the Goldthwaite Garden Club for the current year was held September 19 in the home of Mrs. V.Z. Cornelius, 2010 Fisher St., at 2:00 p.m., with Mrs. R. C. McCoy, president, presiding. An executive board meeting preceded the general meeting in which committee reports were made and recommendations for the club were formulated.

Mrs. McCoy brought greetings, enthusiastically, to the club and welcomed the visitors, Mrs. Glenn DeWitt, Mrs. C.H. Black, Mrs. C.E. Shirley, and Mrs. Dale Reid.

A busy, rewarding and pleasant year for the club is anticipated. New yearbooks were distributed. The theme for the Club this year is "This Land - Ours to

Cherish, to Protect, and to Beautify".

Mrs. Euna V. Barnett was granted the status of associate membership for the time

being. Mrs. M. A. Campbell, chairman of the Courthouse Grounds Committee, introduced the guest speaker,

Garden Club Presents Plaque

Mrs. M. A. Campbell, Chairman of the Courthouse Grounds Committee, is shown presenting Judge James Ledbetter with a certificate of appreciation from the Goldthwaite Garden Club.

Judge Ledbetter was commended for his continuing interest and activity in the beautification of the Courthouse grounds.

Judge James Ledbetter, and presented to him a plaque of appreciation in recognition of his abundant contributions of time and work in the improvement of the Courthouse grounds. The Club gave him a rising vote of thanks.

Judge Ledbetter summarized what had been done recently at the grounds. Much work has been done pruning shrubs and trees, removing dead wood, applying sand where needed to increase growth of grass. The need for re-

moving some undesirable plants and replanting areas was outlined. Regardless of the lack of frost with which to operate, Judge Ledbetter exhibited a great interest in, and desire for improvement in the appearance of the courthouse grounds and promised to work cooperatively with the club to attain this goal.

Co-hostesses with Mrs. Cornelius were Mrs. M. F. Horton and Mrs. Geraldine Laughlin. Delicious refreshments were served.

God has
listened to you enough times.

Now how about listening to Him?

More than a few things are troubling our cities, our world, our souls.

Sometimes, we raise our hands heavenward and say, "When oh when are you going to change it all, Lord?" And "changing it all" is just what He expects us to do!

Listen: "Love your neighbor as yourself." If that were put to practice—really to practice—ghettos would not exist, wars would cease, hunger would end, inhumanity would be stricken from the dictionary.

A perfect world.

Will we ever see it?

One thing is certain, we won't even begin to see it, if we don't start doing what God has asked of us for heaven only knows how long.

The Mills Minister

Ernest Roper, Minister
Mullin Methodist Church

Many centuries ago a poet of Israel wrote a poem which has become, perhaps, the most loved chapter in all of the Holy scriptures. Many people know the 23rd Psalm by memory.

Among the lofty and inspiring statements in this Psalm, there is, this one in the fifth verse which reads: "Thou preparest a table before me in the presence of mine enemies." Here is the picture before us. The shepherd of the sheep provides the food for his flock while enemies linger close by. It might be a jaguar, a lion, or some other enemy of the sheep, but the sheep could eat safely and securely because the shepherd was their protector.

So, amid life, the Great Shepherd has prepared a table of good things before us. Good things for our welfare, for the enrichment of our lives, and to remind us of His love, care, and concern. These blessings come daily in the presence of the evil round-about us. Forces that would mar and destroy our peace and security.

Whatever may be our lot, we can say, "It is well with my soul." The Great Shepherd has prepared the table of good things and He is always near. Therefore we may rest in the assurance of the promise that He will not leave us nor forsake us. And with the Psalmist we can truly say: The Lord is my Shepherd, I shall not want.

Benson President NATIONAL EDUCATION PROGRAM Searcy, Arkansas</p> <p>MUTUAL ASSURED DESTRUCTION From the end of World War II through the Eisenhower administration, the defense strategy of the United States was based on and defined as "massive retaliation." This strategy was made possible by the tremendous military, technological and strategic superiority of American forces over those of our enemies, the Soviet Union and Red China. This policy was quite effective and maintained a relatively peaceful world.</p> <p>When the decisions were made to disarm our nation unilaterally, the doctrine was changed from one of "massive retaliation" from a position of overwhelming superiority, to one of "mutual assured destruction." This doctrine has had a powerful influence on the composition of both SALT I and SALT II, although the theory of Mutual Assured Destruction was originated many years before SALT negotiations began. For purposes of brevity the theory is generally referred to by its acronym, MAD, or the "mad theory."</p> <p>The basic idea behind the MAD theory was that if the major cities with most of the civilian population of both the United States and the Soviet Union was undefended the strategic deterrence of both countries would be enhanced. The Coalition for Peace Through Strength defines this further: "The central point in the rationale was that if the population centers of both nations were undefended, neither side would risk an attack on the other because the retaliation would have maximum effect and would destroy an intolerable percentage of the population." Under this doctrine the civilian population of America had been made a hostage to the Soviet Union.</p> <p>"At the time the MAD first appeared, neither Soviet ballistic missiles sufficiently accurate to threaten the strategic of the other side. All missiles were targeted cities and 'soft' industrial military facilities."</p> <p>Under the delusion MAD doctrine our defense officials distributed strategic air defense for delayed the development anti-ballistic missile then destroyed it after been built at a cost of billions to the American payers.</p> <p>"The Coalition infers accuracy of both intercontinental ballistic and submarine ballistic missiles, the of Mutual Assured Destruction still governs the U.S. to strategic defense."</p> <p>"In contrast, the made clear their dismay with the doctrine of MAD. U.S. officials first described it as "barbaric" the basis of traditional for the factor of defense the basis of extensive nuclear war. Soviet decided more than fifty ago to build a massive defense system, along best anti-ballistic system that their could provide. These were backed by a comprehensive civil defense designed to provide for Soviet civilians homes and at their employment."</p> <p>The Soviets agreed Anti-Ballistic Missile under SALT I, not because endorsed MAD, but to the United States into place a better system, which would be us the strategic advantage "Because of the Soviet phasis on defensive assured destruction to mutual. When Mutual Destruction is not becomes Assured Defense for the nation which defend itself." I agree conclusion of the Coalition Peace Through Strength</p>

family of Abernathy. Everyone enjoyed good eats and good fellowship. Mrs. Georgia Jacobs of Coahoma, and her sister Mrs. Jewell Casbeer of Goldthwaite, were meeting friends here Sunday. Mrs. Ora Wilson is still in the Childress Hospital at this writing. "Not what we gain, but what we give, measures the worth of the life we live."

Elliotts Enjoy Trip To East Coast

Mr. and Mrs. John Elliott recently returned from a trip to the east coast where they visited with their son, Lt. Col. James R. "Bob" Elliott, who is stationed at Ft. Eustis, Newport News, VA. They were accompanied on their flight by their daughter Johnnie Beth Vanpelt and grandson Paul Vanpelt. While on their trip, they visited historic spots at Jamestown, Williamsburg, Yorktown and Appomattox, VA. They also spent two days in Washington D.C. visiting the capitol, white house, Lincoln Memorial, Washington monument, Kennedy Center for the Performing Arts and the gravesites of John F. Kennedy and the Unknown Soldier at Arlington National Cemetery. Other points of interest included Mt. Vernon, Carter's Grove Plantation and the MacArthur Memorial in Norfolk, VA.

Bridal Shower At Center City

Robinson Final Rites Held Here

Funeral services for Mr. Ernest Thomas Robinson, of Goldthwaite, were held Monday, September 24, at 2:00 p.m., in Wilkins Chapel, with Minister Roland Fry officiating. Interment was in the Locker Cemetery.

Mr. Robinson, 73, was born June 16, 1906, in Coleman County. He was married to Bessie Brown in 1934, in San Saba, Texas.

Survivors include his wife, Bessie; three daughters, Jo Beth Robinson, Nelda June Shirley of Ft. Worth, and Mrs. James Ray Hambrick, of Merkel; one son, Billy Royce Herring of Ft. Worth; 11 grandchildren, and 4 great grandchildren; one brother, Elmer Robinson of Locker, Texas.

Serving as pallbearers were the grandsons of Mr. Robinson. Mr. and Mrs. Doug Spinks gave a birthday dinner Sunday in honor of Kelly's 13th birthday. Those attending from out of town were Anita and Mike Welch of Austin; Dwayne and Marquita Ferguson from Belton. Mr. and Mrs. Retta Hinde is now at home after staying in Odessa for several weeks, taking medical treatments. Mrs. Ethel Wilkins and Mrs. Gladys Chesser and I visited with Mr. and Mrs. Albert Cox and Mrs. Retta Hinde Friday afternoon.

Mr. and Mrs. John Elliott recently returned from a trip to the east coast where they visited with their son, Lt. Col. James R. "Bob" Elliott, who is stationed at Ft. Eustis, Newport News, VA. They were accompanied on their flight by their daughter Johnnie Beth Vanpelt and grandson Paul Vanpelt.

While on their trip, they visited historic spots at Jamestown, Williamsburg, Yorktown and Appomattox, VA. They also spent two days in Washington D.C. visiting the capitol, white house, Lincoln Memorial, Washington monument, Kennedy Center for the Performing Arts and the gravesites of John F. Kennedy and the Unknown Soldier at Arlington National Cemetery.

A bridal shower for Stephanie Hartley, bride-elect of Wendell Franklin, will be Saturday, September 29, at Center City Methodist Church Fellowship Hall, from 2:00 to 3:00 p.m. Everyone is cordially invited.

**Linann Sullivan
Receives MEd**

On August 25, Mr. and Mrs. John Dellis of Goldthwaite, attended the graduation exercises of Stephen F. Austin State University in Nacogdoches, Texas, where their granddaughter, Linann Mitchell Sullivan, received her Master of Education degree.

Mrs. Sullivan received her Bachelor's degree from the University of Texas in Austin. She is the daughter of Mr. and Mrs. Raymond E. Mitchell of Austin.

**THE OWENS HAVE
NEW GRANDDAUGHTER**

Last week, Brian Drury was visiting his grandparents, Mr. and Mrs. Davis Owens, but nothing was seen of his parents, Vickie and Mike - the reason being that Vickie had given birth to a baby girl on September 6th. Paternal grandparents are Mr. and Mrs. Arron Drury of Point Comfort, TX and the maternal great grandparents are Mr. and

Mrs. J. S. Owens. The little girl's name is Crista Lynn.

**JR. HIGH LOSES
TO MAY, 28 - 7**

On Thursday night, the Star Jr. High football team started its season. They played May at Star. The final score for the game was May 28, Star 7. Star had a bad night for fumbles. Keith Harper and David Clary were responsible for the score that was made. Keith carried the ball over

for the touchdown and David carried it over for the extra point. Other boys who played were Sam Duncan, Bill and Jack Hamilton and Curtis Hurst. These boys played hard but somehow they could not seem to get it all together. James Ethridge won the cake the Junior class gave away.

**STAR VS. ROCHELLE
HOMECOMING, FRIDAY**

Plan now for homecoming which is just around the corner on September 28. The Tigers will play Rochelle that evening. There will be a chili supper served both before and after the game, so do plan to attend this special event at Star.

**STAR TIGERS
WIN OVER SIDNEY**

The Star High School football team traveled to Sidney on Friday for their first district game, which they won 61 - 26. They started off pretty well by receiving the kickoff. The first attempt was penalized so there was a rekick. Phillip Hartley got the ball and carried it back for Star's first TD. The extra point attempt was not good. After the kickoff, Star held Sidney for 4 downs and kicked on the 4th down. Phillip ran the ball back about 20 yards, fumbled and recovered the ball. When the air cleared, Star had a first down. Glenn Rhoades carried the ball over for the next TD but the extra point attempt was no good. After the kickoff, Sidney took possession on the 23rd yd. line, and Star held them for 4 downs. Star did a lot of good plays but they also did a lot of fumbling. The defense held Sidney pretty well. The boys were connecting on the passes very well that evening. Phillip and Glen were responsible for part of the score but so were Darryl Newton, Jamie Tidwell and Alfred Maldonado. The boys did a fine job and if you stayed home and missed this game you should make every effort to be at the rest of them. These boys are going to make us proud this year.

**COMMUNITY ENJOYS
PUPPET TEAM**

The Star Baptist Church Puppet Team presented two plays - "Noah" and "Everyone Else Does It" on Sunday evening and were very entertaining. They introduced a new character to the puppets - a mouse. Those who took part were Kristy Boyd, Gina Britten, Mathildah and Loraine Stark and Randy Ethridge. Their sponsors are Bonnie and Charles Grossman.

**Senior Citizens

Junior High Eagles Action

Junior High running back Dale Miles (44), slants through the Santa Anna

defensive unit in the third quarter of action last Thursday afternoon at Santa Anna. The Goldthwaite Junior Eagles won the game easily, not allowing the Mountaineer offense any yardage to speak of. The score in the contest was 13-0. The game was played by both seventh and eighth grade footballers for the Eagles. The previous week, the sixth and seventh grade cooperated in a last second 14-6 win over the Hamilton Bullpup seventh grade team. The Eagle eighth graders lost a close one,

also by a score of 14-6, to Hamilton. The two Eagle junior high teams will do

battle against the San Saba teams next week, October 4th, at San Saba. The

games will begin at 5:30 p.m.

The Moline Menace

by Bob Altenloh

THE WORD . . . AND THE WORD WAS Y'ALL... You can tell where in the U.S. a person is from by his speech. It is not as easily done as it was many years ago, for today people move more and are transferred from North to South and back again.

In the north when you buy groceries they put it in a bag, in the south it's a sack. Pepsi is "pop", up nawth, south it becomes "soda" or "sody water."

We went to the movies. Here they went to a picture show. Greasy, gone South, becomes greazy. Up nawth, a man drives his wife to Centerville. Here, he carries her. Biology also becomes biology.

An auto tire in the south can be a tore, then tired becomes tor'd. Tor'd also mean toward.

New Jersey in the south remains New Jersey, but in New Jersey it is New Joisey. Boston in that city is Bah-ston.

In the north-east, the letter "R" is often lost in one word only to be added to another where it doesn't belong. New Yawk goes without the "R", but President Kennedy borrowed it for Cuba which was uttered Cuber.

Things in the north can be nauseating, but South they are nauseous. Southern folks are, however, more correct with proper names.

Italian, for instance, becomes Eye-talian in the north. Even a herb is a herb or an erb, but in Chicago we hear hob. Louisiana is pronounced like the girl's name, but in its home state it is Loo-siana. Kentucky, home grown, is Kain-tucky. Bayou is never used in the north, instead, it is creek.

Piano on a commercial for a Waco music store was pee-ano. We all know it should have been pie-anna. Bedroom suite north and north-east is sweet. South it is suit.

There are differences between north-central and north-eastern states. Golf is gawlf in Illinois. In the north-east it is gah-lph. In real life drama I asked a young girl who had taken music before I signed her on, "Do you know chords?" She replied, "Sure I do. Rummy, black jack, poker. . . ." After her lesson I bade her good afternoon and said, "Y'all come back, y' hear?"

he rode for the red heights, and from there he held his own against a hundred warriors.

The plaque near the summit says he fought from there, and the old frontiersmen believed he did so by lying prone in one of several shallow craters that are found there.

There are a hundred better places on that square mile of granite to fight from. In countless cracks and seams among the massive boulders scattered across the slopes, or in the maze of water scoured caves on the steep north wall, a man could stand off or hide from a hundred or a thousand men. No one will ever know whether Hays found saving concealment . . . or whether it was the spirit of the rock that held those Comanches off.

Now in transition from private ownership to state park, Enchanted Rock remains as it was for countless centuries, huge, barren and mysterious, unnoticed of man's petty stirrings. And in the cool of night, when the sun's heat begins at last to rise from the glittering incline, Enchanted Rock still speaks, from somewhere deep within itself, with a voice almost as old as the wind.

Look for a tire's "grade" before buying it for your car. Passenger car tires will soon have "grades" to tell the consumers about tread wear, traction and temperature resistance. By April 1, 1980, all car tires will have grades.

TREAD WEAR GRADES - To let consumers compare a tire's tread-wear future, grades will be in numerals - with the highest number indicating the longest wear expected. Since different drivers and roads affect a tire's life expectancy, the grades simply compare one tire to another assuming all are driven under the same conditions.

So, to read the tread-wear grade, just compare the numbers. For example, a tire with a grade of 160 will have twice the life as a tire with a grade of 80.

TRACTION GRADES - Traction grades use the letters A, B, and C. They represent the tire's ability

to stop on wet pavement - as measured under controlled conditions on a specified government test surface. A tire graded "A" offers the best traction, while one graded "C" may have poor resistance on wet roads.

TEMPERATURE - RESISTANCE GRADES help consumers know how well a tire will hold up under excessively high temperatures. Grades "A" and "B" represent the higher levels of performance - the tires that withstand the highest temperatures. However, all passenger car tires must at least meet the grade "C" standard.

Mullin Bulldogs Defeat Star, 54-24 In Battle of 6-Man Teams

Mullin hosted the Star Tigers Thursday night and took a win by a final score of 54-24.

Scoring for the Bulldogs were: Todd Thompson, one touchdown on a 10-yard pass from John Mangham; Terry Clendenen took a pass from Jeff Shelton for 30 yards and a TD; Mitch Howe took a pitch and swept around the right end for a 40-yard TD; Steve Mosier ran in 10 yards for his TD; Jeff Shelton scored twice - once on a 1-yard run and once on a 15-yard run.

Randy Sims recovered a fumble in the end zone for a touchdown; and Marty Sims took a pass from Shelton for 20 yards and hit pay dirt. Leading the offensive play Jeff Shelton had 16 carries for 206 yards; Steve Mosier carried the ball 8 times for 69 yards; and Mitch Howe tallied up 90 yards in 6 carries.

Clendenen led the team in pass receiving with four receptions.

In defensive play, Troy Shelton made 8 tackles, Thompson 7, and Mosier 7. Coach Luker stated, "All the boys got to play and they all played well."

Mullin will travel to Zephyr to play this Friday night.

Star scores were by Jamie Tidwell, who scored twice on Glenn Rhoades passes. Alfred Maldonado scored once on a pass from Rhoades. Carl Norwood got a safety. Luke Whitlock kicked 2 extra points.

Coach Grant Tidwell's Tigers will battle the boys from Rochelle this Friday night, at Star. Game time is 8 p.m.

The junior high Tigers will play next Tuesday, Oct. 2 at Gustine, at 6:30 p.m.

Tidwell, daughter of Mr. and Mrs. Grant Tidwell; Dixie Clary, daughter of Darla Clary; and Paula Lee, daughter of Alvis Lee.

The Pep Squad Beau nominees are: Philip Hartley, son of Mr. and Mrs. Fred Hartley; Glenn Rhoades, son of Mr. and Mrs. Vernon Hurst; and Jamie Tidwell, son of Mr. and Mrs. Grant Tidwell.

Aggie scientists pinpoint position of Battle of Palo Alto

COLLEGE STATION — Four cannonballs and dozens of smaller pieces of ammunition unearthed near Brownsville have convinced Texas A&M University scientists they have pinpointed artillery positions from the Battle of Palo Alto, first skirmish of the Mexican-American war.

If their calculations prove correct, Texas A&M researchers could save taxpayers thousands of dollars by enabling the National Parks Service to buy only the land it needs to establish the boundaries of the national historical site.

Star School Homecoming

Star Homecoming activities are planned for Friday Sept. 28, when Rochelle comes to play. The game begins at 8 p.m.

The Jr. Class will sponsor a chili supper before and after the game, starting at 5:00 p.m.

At halftime, Star will honor the ex-band members of Star. The Homecoming Queen ceremonies will also be during the half time.

ENCHANTED ROCK
A Place of Legends
The great red stone rears suddenly skyward; where it swelled liquid from the depths eons ago in earth's last fiery spasm. A square mile in size, it domes smooth and naked 500 feet above still clear Sandy Creek, where Comanches camped at already ancient hearths.

From the beginning, all who saw the mountain-rock were drawn to it by its size and beauty and strangeness. Finding sweet water, they would linger. And in the darkness, the rock would speak.

Sometimes it whispered so softly that one had to listen intently to hear it. At other times it wailed in agony or roared in anger. It was a place of the spirits, perhaps was itself a living god. The Indians called it Enchanted Rock, and its ominous presence wanders through legend.

The old Comanches, those who were dead before the time of the white men, told

their sons that in the long ago a chief, seeking the rock's favor, sacrificed his daughter on its wind swept summit. The rock was angered by such cruelty, and seized the spirit of the chief. He was never seen again, but at night he was heard moaning as he wandered forever across the sterile face of the rock.

In the early days of white settlement, a Comanche raiding party returned to their camp at the rock's base with a captive white woman. She was out of her mind with fear, and at the first opportunity she ran away and went up on the rock. She was never found, but from that time forward she screamed down at the village in the dark hours. No warrior would venture out to silence her, for she clearly was in the hands of the spirit that dwelt in that place.

It was in the fall of 1841 that Jack Hays, Texas' first great Ranger, was cut off from his men by Comanches near the rock. Hard pushed,

One of the greatest pests on today's producer is weed infestation. Perhaps a weed should be defined as any plant growing anywhere it is not desired.

The majority of weeds can be categorized into two main headings, annuals and perennials. Annuals are those plants germinating and living one year, while perennials are weeds which live more than two years and may live almost indefinitely. A third category includes the biennials, which is a plant living more than one year but not over two years.

Weed control is and has

always been a very important production practice. Weed competition reduces production through area, sunlight and moisture competition. Some weeds even reduce the quality of some cash crops.

Herbicides are chemical materials used to control herbaceous plants. Herbicides can be classified as selective or non-selective. Selective materials act on certain plants while non-selective acts on all plants. One of the newer non-selective herbicides is "Round-Up." This material is proving to be an excellent

control for Johnson grass; it will control both seedling and rhizome Johnson grass. There is no soil activity, thus planting can follow control practices without danger to subsequent crops. The material is expensive, but its results may warrant the expense in some production practices, such as Johnson grass control to eliminate habitat for first generation sorghum midge.

All pesticides are potentially dangerous. Producers and homeowners should keep all chemical out of reach of children. All label instructions should be followed completely when using any pesticide.

Food of the future featured in feast for the governor

Governor Clements recently came to Texas A&M University to learn about its research and ended up eating some of it.

The Aggies thought it only fitting that the governor be among the first to dine on their food of the future — products of research that can mean millions of dollars to Texas farmers and ranchers, better buys for consumers and even help with

world hunger.

Elegantly served, the entrees included cotton-stuffed tomatoes, fish sausage and electrified beef. That was all after Governor Clements and his staff had snacked on such delicacies as glandless cottonseed, TAMUnuts and sorghum cookies.

The main meat was Baron of Beef which was tenderized by being jolted several times by 565 volts of electricity. That process developed by the Texas Agricultural Experiment Station can significantly increase the value of beef carcasses.

Texas A&M's Sea Grant Program and Texas Agricultural Extension Service provided the fish sausage and the pickled royal red shrimp, the latter grown in man-made ponds and representing the potential for a new industry.

Texas Engineering Experiment Station personnel developed techniques for processing glandless cottonseeds and building the edible portion into appealing food forms. That, of course, was all after the Texas Agricultural Experiment Station produced a variety of non-toxic cotton.

THE FORGOTTEN PREACHER OF MIER

The government stone that marks the end of Whitfield Chalk's long journey through life stands apart from those around it. It shows that he lived for 91 years and it says that Sam Houston made him a major in 1844. It does not tell you that here beneath Kempner's shady live oaks is all that remains of a Texian who would not surrender.

A twenty-two-year-old minister of the Methodist Episcopal Church in 1833, North Carolina born Whitfield Chalk forsook the safety of his pulpit to answer the call of adventure in Texas. Coming down the Mississippi from Tennessee by steamboat, cholera broke out among the passengers and crew. Only Chalk and the vessel's captain survived.

In Texas, Chalk seems not to have taken part in the revolution that made his new home a republic. But when French mercenary Adrian Woll invaded San Antonio in 1842 at the head of a thousand Mexican soldiers, he joined the expedition under Alexander Somervell that would avowedly invade Mexico in retaliation.

Laredo capitulated without resistance, but a portion of the troops sacked the town, infuriating the remainder, many of whom quit the expedition and went home. Doubts arose as to Somervell's ability and intentions. When he ordered his army back to San Antonio following the peaceful surrender of Guerrero, most of the men refused to obey, since nothing had been done to punish the Mexicans. They elected William S. Fisher to command and rode into history as the Mier Expedition.

Opposite the Mexican town of Mier, Fisher called off a camp guard of 42, and with the remaining 261 men,

crossed the Rio Grande and attacked Mier, which was defended by General Pedro Ampudia with almost 3000 troops. The fighting began late on the afternoon of Christmas Day, 1842, and continued into the afternoon of December 26. By that time, 12 Texans were dead and 23 others severely wounded, but Mexican losses were appalling; fully 600 were dead and 200 to 300 more were wounded.

Ampudia was whipped, and had all in readiness for a retreat, but determined on one last effort to secure victory; he demanded surrender.

The Texans were low on ammunition, and did not then know how terribly they had punished the enemy. Fisher was in agony from having had the ball of one of his thumbs shot away, and this served to dampen his fighting spirit. He surrendered.

Tom Green cried out in despair and dashed his rifle to pieces rather than let the Mexicans have it. There were others, such as Big Foot Wallace and Ewen Cameron, who were equally against the surrender, but they knew of nothing they could do about it.

Darkness was coming on rapidly, hastened by the lowering clouds of a rainstorm. In the deepening shadows, the preacher, Whitfield Chalk, quietly pressed himself against an adobe wall. With him was Caleb St. Clair.

Soldiers came and disarmed the others and marched them away to buildings where they were placed under heavy guard.

When they had gone, Chalk and St. Clair crept into a stack of drying corn stalks that had been piled against a house. There they remained until total darkness.

When all was dark and quite except for the falling rain, they emerged and started toward the river, some four miles away. Their shoes soon became heavy and cumbersome with mud, and they determined to pull them off and leave them behind. They lost their way, and soon bitterly regretted their barefoot condition.

All night they stumbled blindly through the chaparral, and must at times have passed back near the Mexican army.

Gray dawn found them still short of their destination, but with the light they were able to find their way. They limped into the Texan camp just ahead of the Mexicans, who would have found the 42 men there easy prey except for the warning. All but two escaped. St. Clair dropped from the pages of history, but Whitfield Chalk joined Sul Ross' Rangers and received his commission from Sam Houston. He afterwards became the first sheriff of Williamson County, and later opened, with his brother, the first mill in Bell County.

The Texans who surrendered at Mier were marched into the interior of Mexico. Eighteen were executed by firing squad following an abortive escape. The remainder were thrown into prison at Perote Castle, where many of them died. The last of them were released late in 1844.

Blood Drive Gets Good Response

Girl Scouts Organize Goldthwaite Chapters

The Mills County Blood Replacement Program is pleased to report the success of the Mullin blood drive, which was held September 20th at the Mullin Community Center.

Along with a couple from Goldthwaite, approximately ten percent of the Mullin population turned out for the drive, a figure Mullin can be proud of.

Special thanks go out to Mrs. Glynn Sanders for her efforts, as well as to the following who gave so generously:

The Heart of Texas Girl Scout Council president, George M. Crews of Brownwood, announced the appointment of chairmen for Girl Scout associations formed recently in Goldthwaite and Brady. Appointments were made by the council's board of directors at their meeting in Stephenville, September 18.

Mrs. Tom Cody Graves was appointed chairman of the Goldthwaite association. Mrs. Sue Cockrum will serve as troop organizer and Mrs. James Ledbetter will be troop consultant.

One Brownie and one Junior troop were originally contemplated for Goldthwaite, but response from girls has caused a revision of estimated membership. Three troops are being organized at this time, and

Check Antifreeze

AUSTIN—Don't be caught out in the cold this winter with an antifreeze product unsuited to your needs, advises Agriculture Commissioner Reagan V. Brown.

"If the price of a particular brand of antifreeze seems too good to be true, it would be wise to find out if it meets certain minimum standards of freeze and corrosion protection," Brown said. "This is especially important if you are not familiar with the brand in question."

By law, all antifreeze offered for sale in Texas must meet rigid performance standards and be registered by the Texas Department of Agriculture (TDA). Brown noted that consumers may check to see if a particular brand of antifreeze is registered by calling the nearest TDA district office or the Weights and Measures Section in Austin at (512) 475-6577. He pointed out, however, that the Department will not give specific details about a product and will not endorse any brand.

Before certifying any antifreeze for sale in the state, the TDA tests the product to make certain it offers the exact level of freeze protection as is stated on the label. Specifications also require that the antifreeze not foam excessively (which can cause the radiator to boil over and damage the engine) and that it contains ingredients to inhibit cooling system corrosion.

Also, because methyl alcohol evaporates easily at high temperatures, any product that uses this substance as its base must state on the label that it is not suitable as a summer engine coolant.

Water Under The Bridge

by g.f.b.

Why live in Mills County? Aside from the beautiful people that you can associate with, one of the main reasons is simple philosophy that most of the people hereabouts live by: "Be Conservative."

Now that may seem a little strange to some people, and maybe it is a little strange. But, on the other hand, only strange things make sense anymore. The liberal-minded "norm" is where all our problems lie.

We are speaking mainly of political handles. The liberals are now in the drivers seat in Washington, and have been since the election of FDR. All of the programs he established to cure the depression were not necessary, because the depression was a contrived method to establish Federal control over people's lives.

W. Earl Douglas, a black, solidly conservative statesman from South Carolina said in 1978:

"When you think about it, all of us have much for which to thank the liberals. They gave us high unemployment, high taxes, runaway inflation, a declining morality, a high crime rate, a dollar that is no longer worth very much, a super government, and to put the icing on the cake, they want to (and later did) give away our canal in Panama. They murder our unborn, turn killers out of jail, take our children on a journey from innocence to ignorance on a yellow school bus, and tell us that human rights fall only within the province of the State Department. And they have the audacity to call conservatives the extremists."

He also said, in a speech at the Republican State Convention in South Carolina: "Now it's not that I'm necessarily prejudiced against liberals, but it's their attitude about things that bugs me. Now if we get up in the morning and see the sun rise — we know that the Lord did it. But when liberals see the sun rise — they think that another liberal turned a switch."

Where is that soap box?

Youth Emphasis Week At Local Baptist Church

The First Baptist Church of Goldthwaite would like to invite everyone to attend our Youth Emphasis Week-end, from Sept. 28th thru the 30th.

The weekend will feature the "New Group" from Palestine, Texas, composed of seven young men and women. They will be presenting gospel music, beginning at 7:30 Friday evening.

One of the members, Dan Stevens, will be preaching each night following the song service.

There will be a fellowship on Friday night for all youth in Mills County. Refreshments will be served and the "New Group" will present a short concert. The fellowship will follow the evening service.

The Saturday service will be held at 7:30 p.m., also led by the "New Group".

Sunday services will be at 11:00 a.m. and 7:00 p.m.

We encourage all parents to bring your youth and worship with us during all the weekend services.

Halloween Carnival October 31 In Goldthwaite

The Annual Halloween Carnival, sponsored by the Mills County Ministerial Association, will be held on the Tennis Courts at First United Methodist Church of Goldthwaite on Wednesday, October 31 from 7:00 (dusk) till 9:30 p.m.

Organizations in Mills County are urged to participate in the carnival by operating a "booth." Each "booth" will donate \$5 to the Ministerial Association to help defray the expense of giving a hot dog and a drink to every student in each school in the county.

The operating procedure adopted by the Ministerial Association is that no fee will be accepted for participating purposes (bingo, pitching, raffles, etc.). A general rule is to give one of some kind for the amount charged - fun, a prize value, etc.

Organizations are to contact Ben Welch, 648-2626, 648-3275, to sign up for a booth.

Since Halloween falls Wednesday this year, one is urged to participate in any of their other activities and come to carnival afterwards.
