Vol. 86, No. 25 ★ Goldthwaite, Mills County, Texas 76844 ★ Thurs., Oct. 4, 1979

## On Eagle Field — Eagles Open District Against Rival San Saba

District 10-A warfare begins in Goldthwaite this Friday night as the Goldthwaite Eagles host the San Saba Armadillos. The game, which begins at 7:30 p.m., will feature two teams that have not met since the 1979 football season. The local Eagles have a record of 0-3 for the year, having lost to Hico, Hamilton and Santa Anna. The Armadillos have been on the losing end of the stick in games against Mason.

Llano and state-ranked Mason. "Our boys are healthy, except for David Livingston," Coach Joe Winchell told the Eagle Tuesday. "We don't plan any changes for San Saba. The only move was putting Joe Balencia as linebacker," Winchell said. The 'Dillos are bigger than the Eagles, averaging more than 200 pounds per man on the line. Running back Moses Cisneros, number 25, is the San Saba workhorse, carrying the ball nearly 30 times a game. He is a real threat any time he touches the ball.

### Junior Eagles At San Saba Thursday, 5:30

The Goldthwaite Junior High Eagles will travel to San Saba Thursday afternoon for two games against the Armadillos. The 7th grade game (including 6th and 7th grade boys) will begin at 5:30 p.m. at the San Saba Field. The 8th grade game will be played immediately following. The 7th grade team is still undefeated in two outings, while the eighth grade team is 1-1 on the year.

## County 4-H Clubs Celebrate

### Pickin' 'n Grinin' Saturday Night At Sr. Center

Time does fly! Here it is another 1st Saturday night, the time for the regular Pickin' 'n Grinin' at the Mills County Senior Citizens Center, in Goldthwaite. The music will begin at 7:00 p.m., Saturday, Oct. 6. Plan to be there 'when the band starts playing'.

The 238 4-H members in Mills County will be among 5.5 million across the U.S. celebrating National 4-H Week, October 7-13. A number of special activities are planned in relation to this national observance. Mills County will have a County-wide Basketball Skills Tournament at Star School gym, Saturday, October 6, 1:30 - 6:00 p.m. All interested youth may enter. This year's National 4-H Week is designed to reflect on the fact that 4-H offers youth of all backgrounds an opportunity for personal growth and development, and, at the same time, broaden their interests and concern for others. In Texas, the 4-H program is conducted by the Texas Agricultural Extension Service of the Texas A&M University System.

4-H continues to be a highly flexible program and continues to expand and adapt to the changing needs and interests of young people. Project areas continue to expand, providing youth with many 'learning-by-doing' experiences that will help them grow into productive, contributing members of society. 4-H helps youth learn skills to cope with real-life situations today as well as to prepare for the years ahead. "Hats Off!" to all 4-H members, their parents, volunteer leaders and businesses for making the 4-H program what it is today -- a dynamic, action-oriented program for action-oriented youth.

### Chamber Comments

compiled by the  
**Mills County Chamber  
of Commerce and Agriculture**

I'm interested in how the telephone poll came out. What were the results?

You must be the one called. Only one person is called to voice an opinion, so we're continuing the same question this week.

Maybe people aren't interested, ever thought of it?

More's the pity. The Chamber will be only as effective as people in the county help us to be. If the people will call each week and give us an indication on the telephone poll, we will be able to tell quickly which way you think we should set our energies toward.

What if nobody calls?

I believe they will when they realize what an easy job this is to let the Chamber know how they feel.

I have a question I'd like to see you run in the paper. Will you do it?

If it concerns promoting the development of Mills County, and falls within the jurisdiction of the Chamber, we will [Send your name to P.O. Box 308, Goldthwaite, or telephone 648-3619].

I'd like to know more about the Work Force Center you mentioned in an earlier column. If I have any questions, what do I do?

Call the Chamber office to tell our Chamber secretary you are interested. She will see that you get pertinent information. See related article in this week's issue of The Eagle.

Telephone Poll

Should the Mills County Chamber of Commerce and Agriculture look into the

possibility of a county airport especially if federal funds are available?

(To register your opinion, please call 648-3619 from 9-12 and 1-4, Monday through Friday.)

## Mozelle Friday Night - Star Tigers Blast Rochelle 63-16 In Homecoming Win

The Star Tigers scored 26 points the first quarter in the game against Rochelle last Friday night, to gain a lead that lasted the entire game.

The final score was Star 63 to Rochelle's 16.

Jamie Tidwell scored first on a 27 yard pass run play from Glen Rhoades. Tidwell scored again on the next possession on a 22 yard run.

Philip Hartley scored the third TD for Star on a 79 yard punt return. Philip only saw limited action due to an injury in last week's game.

Star's fourth TD during the first quarter came on a 11 yard run by Jamie Tidwell.

In the second quarter, Star's second unit entered the game and Rochelle was quick to respond with a 70 yard touchdown on a kick-off return by Travis King. Star scored when Glen Rhoades hit Carl Norwood who pitched off to Alfred Maldonado who in turn raced 40 yards for a TD. Luke Whitlock scored next on a 3 yard pass from Rhoades. Tilton Norwood scored the last TD of the first half on a 10 yard pass from Chris Miles.

The third quarter saw Rochelle score first on a 20 yard run by Mack Longseth. He also kicked two extra points for the night. On the kickoff that followed, Jamie Tidwell scored on a 70 yard return. Star's first unit only played three plays during the second half.

Tilton Norwood scored again in the 3rd quarter on a 5 yard pass from Charles Hartley.

The fourth quarter saw the game end when freshman Randy Ethridge ran 10 yards for the final TD. Star's only extra points came on one kick by Tidwell

and a pass from Charles Hartley to David Stark.

Star was led defensively by Gene Norwood, Carl Norwood, Glen Rhoades, and Darryl Newton.

This was Star's Homecoming and we had one of the largest crowds we have had in recent years. Half time activities were highlighted by honoring former band members and the selection of the 1979 Homecoming Queen and her Squad Beau. Miss Ramona Tidwell was crowned Queen by Philip Hartley. Phillip was selected Pep Squad Beau for this year. Other members of the senior class.

Star plays a much tougher Mozelle team at home Friday night, Oct. 5. Game time is 7:30 p.m.

We have to win this game in order to stay in district contention.

### The Mills Minister

Ben T. Welch  
Methodist Church  
Goldthwaite

The Junior Choir of First Church presented a musical called "The Book of Jonah" last Sunday night. As I watched I wondered just how the book of Jonah can be so "readable" and "re-readable."

That's what the book is supposed to be — "readable and re-readable." I re-read Jonah. It's all, Jonah disobeyed God's "call" to a "foreigner."

Jonah disobeyed because he has his own agenda. How about you? Lastly, God taught Jonah the lesson that all people are God's people. We still forget that, don't we? We are quite satisfied with "our crowd" and seldom reach out to "strangers and foreigners."

The message of Jonah is that God is in charge of His world. We need to learn this over and over again. God loves us all, too. What a change that would make in our world! The Bible is our book, isn't it!

either. He had it all figured out that Nineveh ought to be destroyed. He hadn't learned that we never can manipulate God. Wow! Does that fit me! I sure do try again and again to manipulate the truth to fit my agenda. How about you? Lastly, God taught Jonah the lesson that all people are God's people. We still forget that, don't we? We are quite satisfied with "our crowd" and seldom reach out to "strangers and foreigners."

The message of Jonah is that God is in charge of His world. We need to learn this over and over again. God loves us all, too. What a change that would make in our world! The Bible is our book, isn't it!

MRS. KENNETH KOERITZ, JR.

### Reynolds' Granddaughter Weds

Kenneth Koeritz, Jr. and Alicé Boggess were married in an evening wedding August 4, 1979 at Tate Springs Baptist Church, Arlington, Texas, by Rev. Charles Clary.

Parents of the couple are Mr. & Mrs. C.B. Boggess, 6612 Rickey Lane, Mansfield, Texas, and Mr. & Mrs. Kenneth Koeritz, Sr., 3010 Woodford Drive, Arlington.

The bride, given in marriage by her father, wore a gown covered in Chantilly lace with pearl bodice and long chapel train. For her total look she wore a long veil of illusion outlined in Chantilly lace.

The bridesmaids wore off the shoulders floor length dresses out of yellow eyelet and wore yellow bridal hats. A reception was held in the Fellowship Hall of the church following the ceremony.

Lori Blevins of Arlington was the matron of honor and Brent Williams of Arlington was best man. Nicole Ryan of Arlington and Jennifer Hartnett of Jacksonville, N.C., were the flower girls. Jennifer is the great granddaughter of Mr. and Mrs. Lloyd Reynolds. Mark Rollins of Arlington was the ring bearer.

Bridesmaids were Cara Koeritz of Arlington, Susan Capper of Ft. Worth, and Pam Farrington (granddaughter of the Reynolds'), of Abilene.

Groomsmen were Joel Koeritz of Arlington, Bruce Heidorn of Chicago, and Mickey Houser of College Station. Ushers were Jimmy Boggess and Chuck Reynolds of Arlington, Kelly Hyde also of Arlington, and Chris Jordan of Grand Prairie.

Candlelighters were Brad Reynolds of Goldthwaite and Penny Farrington of Abilene (grandchildren of the Reynolds).

Jana Bartlett played the organ and Scott Parker played the guitar. Holly Martin and Phil Blevins sang.

A graduate of Bowie High School, the bride attended the University of Texas at Arlington for two years.

The groom is a graduate of Arlington High School. He is a junior pre-med student at Texas A&M University.

After a honeymoon to Ruidoso, N.M., the couple is at home in College Station, Texas.

Alicé is the granddaughter of Mr. and Mrs. Lloyd Reynolds of Goldthwaite.

### Self Culture Club Kicks Off 74th Year

The Self Culture Club began this year's study with a coffee in the home of Mrs. Norman Duren, president of the club, on Tuesday, September 27, 1979.

As the eighteen ladies arrived, they were served coffee, juice, apple turnovers and fresh fruit.

Mrs. Monte Kirkland was program director and Mrs. J. H. Hudson gave the invocation.

Miss Love Gatlin, year-book chairman, gave a review of the upcoming programs, as she distributed the books to the members. She reminded the ladies that this was the 74th year for the Self Culture Club in Goldthwaite, and expressed hopes that next year could be celebrated with an open meeting for everyone. We were reminded of the many good things that the club has done in improving our minds, as well as the civic things the club has sponsored. All this having been done by busy, busy people like us.

During the business meeting, Mrs. Duren welcomed each one present, especially three new members, Mrs. Lloyd Laughlin, Mrs. Wilson Head and Mrs. Ted Darby. Mrs. Clyde Cockrum read the constitution and by-laws. Following the reading of them, Miss Marie Wallace gave a quick quiz to test our memory and it proved some of us need to study more to make a passing grade.

Mrs. Ferol Needly read three of her favorite poems, closing with the Psalm of life.

Mrs. Duren presided over the business meeting. The roll call was made and the minutes of the previous meeting were read. The treasurer gave her report and there was some discussion on a booth at the Halloween Carnival. This will be decided on at the next meeting.

Mrs. Monte Kirkland and Marie Wallace are co-hostesses for the next meeting, when we will view some pictures of Red Cross presented by Norma Robertson.

Mrs. Walter Summy was co-hostess for this first meeting.

### San Saba Peak

By Mrs. Dutch Smith

Hello everyone. I hope all are feeling better than I am. But thank goodness I am home and it was great to be back home. Whoever wrote 'There's no Place like Home' really knew what they were talking about. I returned to the doctor last

Thursday and got a good report.

Everyone has been so nice to me. I spent time in the hospital and three weeks with my children in Goldthwaite, and then I came home. No one had a mansion that looked as good as this little rock house.

I was able to go to church and how wonderful to be in church and see all my wonderful friends again. I still can't walk without a walker, but I am thankful I can get around.

We had lunch with our niece and nephew, the Owen Smiths, after church.

We have been saddened by losing so many of our friends. Delton Barnett was one of our dearest friends. We had known him a long time, and to know Puny was to love him. We extend sympathy to Euna V. and the boys. We love you.

Since I don't know any news, I will say bye for now.

### Chappell Hill News

By Pearl Crawford

We sure are having some warm, dry weather.

We visited the folks at Hillview Manor and Heritage Home. Enjoyed seeing Mr. and Mrs. Bill Woody and our old neighbor Mr. C. D. Gerald.

Ralph Crawford, who is on the sick list, is improving nicely. We wish all the sick folks a speedy recovery.

We visited with Mr. and Mrs. W. A. Bufe and Glenda, found them doing nicely.

Mr. and Mrs. Hugh Nowell are busy getting their farm work finished.

We were sorry Mr. and Mrs. Waddill moved from Heritage home to Hamilton. They have a son who will care for them. We wish them happiness in their new home.

TEXAS SKETCHES ... OR.. Little tender and touching vignettes gathered from around the state by your observer. You'll have fun picturing these situations.

SCENE AT THE TENNY WENNIE POST OFFICE IN TINKERTOY TOWN...

"You have a package here for Reykjavik, Iceland? You're going to Evant for feed aren't you? Why don't you take it to the post office there, then I won't have to look it up."

shovel and two beach chairs.

The clerk whips out a pencil and totals the bill. "That'll be \$41.26," he says. Pays bill and leaves. Somehow there's a story here ... Hmmm.

Outside the hardware store a rancher returns to his car and finds a little nerd playing on top of it. "Hey! Whatcha doin' up 'ere? Get off'n 'at 'ere car!" The nerd ran away. Then the rancher who sounded so tough was

grinning. He almost laughed for he remembered that he had a house full of little nerds of his own at home. In a jolly mood, not wanting the youngster to think adults are really meanies, he shouted to the nerd, now a safe distance away. "Hey! How much do you charge to haunt a house?" The little nerd shouted back. "Forty one dollars and twenty six cents!"

You can't win.

I thought I was being witty at the dentist's office and assumed I would get a shocked response from the receptionist when I said, "I had really planned on getting a set of store teeth from a friend in Houston who works at the morgue. He's waiting for one my size to come in. I could Clorox them and pop them in...etc."

The receptionist instantly replied calmly, "Oh, we give that service, however upon request only." Mildred Taylor then got up and looked down over the counter to see where I went. She completely floored me.

At Jack Earl Long's Gloomy Gulf Station a woman pulled in. Prof. Long inspected her engine. After a while he told her, "You need a tune-up, mam."

"Well, the engine sounds all right to me."

"Yes mam, but we don't tune it for sound. We take out your spark plugs and put new ones in. Then we put a new gizmo in your distributor."

"I see. Then what's a tune-up?"

Prof. Long takes a deep breath and explains it again. "Let's see mam." Takes out 1912 pencil and a pad with Atwater Kent radio advertised on the heading. Totals work needed. "All total, \$41.26, but you'll have to bring it in tomorrow. I have a carburetor transplant today."

The little grandma in tennis shoes got in her car and drove off. It looked like a successful missile launching.

Man in Goldthwaite picks up phone. "Hello? Phone repair service? I just had a phone installed - could you tell me the cost on my bill?"

"One moment Mr. Orkney. Could you hold on please? (long pause) "Mr. Orkney? Your bill is \$41.26 for installation."

"But the telephone and 'waar' were already here. How come so much?"

"Irrespective of whether the instrument (the phone people call it an 'instrument'). If they called it a phone, it'd kill 'em) was in the residence or not, the charge is \$41.26."

Hangs up. Pulls wire out of wall.

A well dressed man in middle age goes into a music store. I sized him up as a person of great thoroughness, maybe a stickler for details. He asked, "Do you have any mortuary music?" The saleslady was not astonished, for she was quite used to wild musicians. "We don't have Chopin's funeral march as a single, but here it is in his B Flat minor Sonata."

"Here's Traumeri by Schumann, it is often requested." "That's Sonata bad," he answers with joviality. He holds the music about an inch from his eyes trying desperately to read it. He sighs. Then he takes out his glasses and puts them on. He holds the music at arm's length trying to read it. He buys the two pieces then goes across the street to the hardware store. Here he orders two bags of cement, a bag of lye, a rope, a

TEENS - HOW PARENTS CAN HELP - Parents hold five keys to their teenager's ever-changing future. By doing five things, parents can help their adolescent child mature into a contributing, relatively self-sufficient member of our changing society.

DECISION - MAKING SKILLS: With so many changing choices facing them, youth must learn how to make efficient, effective decisions. Parents who serve as examples, by practicing effective decision-making skills, give their children this important tool for life.

OPEN COMMUNICATION is a key to successful relationships in all spheres of life. Teens learn this skill when parents and other adults provide home and school environments that encourage the development of open, free, communication.

INDEPENDENCE - To become independent emotionally, socially and financially, a teen must master a number of developmental tasks. To help teens make this vital step, parents must first understand the teen's need for it. For example, by understanding that a teen needs to achieve emotional independence of parents and other adults, parents find it easier to support the youth's struggle for independence.

COPING WITH STRESS. Parents who show teens how they cope with stress will give their children another important tool for life. Successful coping includes flexibility, patience and creativity. Parents teach their teens how to cope by doing three things: admitting stresses, talking about them, and seeking ways to handle them. Parents harm their children when they provide negative examples of coping with stress - such as using alcohol, drugs, or other means of "escape".

HIGH SELF - ESTEEM. Teens have a better-than-average chance of growing into healthy, happy adults when their parents have a

positive self-image, and when they encourage this in their children.

The view adolescents have of themselves is learned in part from important people in their lives. The experiences which youth have - and their perception or interpretation of these experiences, also influence self-esteem.

Parents give their teens a valuable life skill - a positive self-image - when they exhibit and encourage high self-esteem.

WHAT TEENS FACE - 20th century teens are pioneers - since "adolescence" did not exist in the US before this century, and each generation of teens has its own different world to face.

Coping with a society that constantly changes is the job of this century's teens, and the rate of change becomes faster with each generation. For that reason, their mastery of skills geared to change is crucial.

## ★ Star News

### HOME COMING WEEK OBSERVED

Prior to the Star Homecoming football game, the week was filled with activities. There was something different each day. Awards were given to participants on some things.

#### SWITCH DAY:

High School winners were Kelly Whitlock, Joy Hamilton and Loraine Stark. Elementary - Sonya Harper, Kyla Mills and Jamie Hartley. Teachers - Mrs. Mills.

Bebe Gault, and Mrs. Slemmons.

#### TACKY DAY:

High School - Luke Whitlock and Dixie Clary. Elementary - Sonya Harper, David and Jeff Clary. Most unusual costume for the week went to Carl Norwood. Friday was dress-up day and they all looked very nice indeed. And it was a good thing as they had their pictures made that day.

#### STAR VS. SIDNEY

Tuesday, Sept. 25, the Star Junior High team traveled to Sidney for a game and did themselves proud. They won by a score of 40 - 7. Those scoring for Star were David Clary with two TDs. Keith Harper scored twice and Donald Head and Curtis Hurst contributed one touchdown each. David and Curtis teamed up for a touchback. They were very proud of themselves. One young man said that every good play that was made he was in on it some way.

#### LARGE CROWD AT HOME COMING GAME

The night of the Homecoming game there was a good attendance. The former Star Band members were honored and there was a reception at the school before the game where they tried on their old uniforms - some fit and some "well, almost" fit.

The game was a good one for homecoming. It started out real good with Star receiving. Jamie Tidwell took it from the 10 to about the 32nd yard line in Rochelle territory, but the kick was called back due to offsetting penalties. On the second try, Phillip Hartley took the ball and returned it to Rochelle's 32-yard line again. Then on a pass from Glen Rhoades to Jamie Tidwell, the first TD was made. The extra points were no good. After the kickoff play, Star held Rochelle for four downs, and then took possession on Rochelle's 20. Jamie then ran for another touchdown, with the extra points no good. Jamie made two more TDs before Rochelle finally got an opportunity to score. The next Star score was made when Jamie made a short pass to Luke Whitlock who carried it over. Coach Tidwell then sent in the second team as the score was getting pretty widespread. Before long, there was another Star score as Charles Hartley passed to Tildon Norwood for a good one.

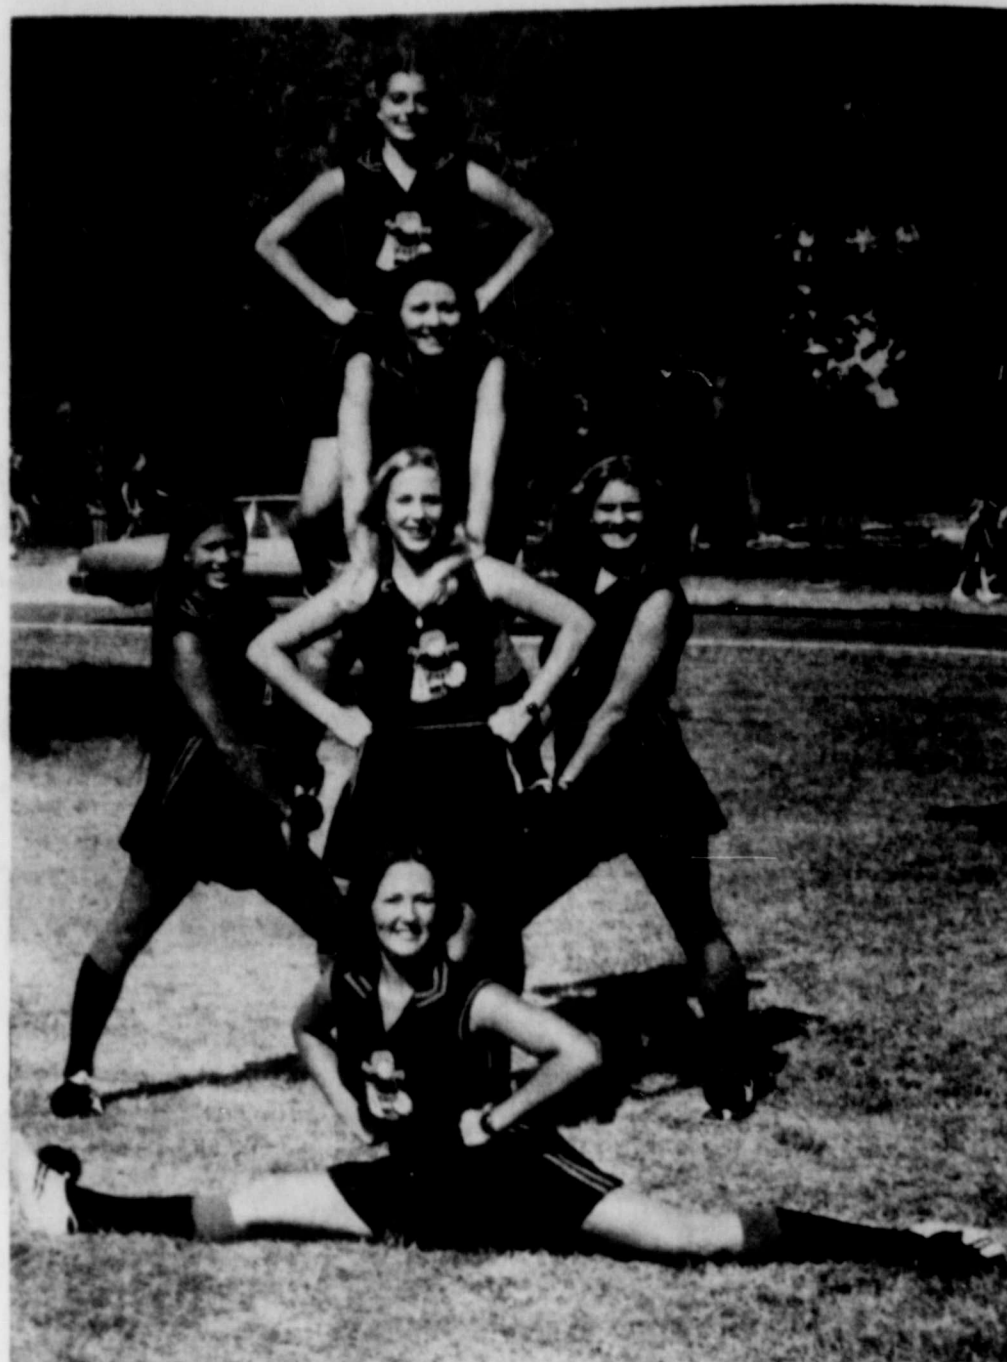

Rochelle fumbled the ball on the kickoff of the second half, with Star recovering on Rochelle's 25-yard line. Rochelle held them for four plays and then scored again. On the next play, Jamie ran the ball back from the 10-yard line for a touchdown. Rochelle had another fumble and Star recovered. Charles passed to Tildon for a touchdown. Charles then passed to David Stark for the extra points.

The last touchdown of the game for Star was made on a pass from Charles Hartley to Randy Ethridge who carried it over for the final touchdown of the game. The final score was Star 63, Rochelle 16.

The halftime activities included a routine by the girls from Rochelle, a routine to "Rocky" by the Star girls and the revealing of the 1979 Football Sweetheart and Pep Squad Beau for Star.

The nominees for Sweetheart were Ramona Tidwell, senior, daughter of Coach and Dolly Tidwell; Dixie Clary, junior, daughter of Darla and Harold Clary of Evant; and Paula Lee, daughter of Alvis Lee of Star, a sophomore. Ramona was chosen for the honor this year.

The nominees for Beau were Glen Rhoades, senior; Jamie Tidwell, sophomore; and Phillip Hartley, senior. Phillip was honored by the girls as their choice this year.

## Rodeo Assn Aided By United Fun

The Mills County Rodeo Association sponsors the rodeos each year. The climax of the season is the Gold-Tex Rodeo. A total more than 500 youth participate in these rodeos each season. All contestants 19 years old or younger must be attending schools.

The Rodeo association also sponsors a call night each Monday night during the summer months. Youth of the area are invited to attend and pay a small fee per loop. Adults may also take part, but must pay a larger membership fee plus a fee for a loop. These sessions are strictly for fun and practice.

The girls are to be seen each Monday also - they are busy practicing running barrels.

The Rodeo arena is available for the County Horse Show, the district horse show and other special events.

Early each fall, a barbecue is held by the Association for all the people who have helped in producing the rodeos during summer. This fall it will be held Saturday, October 6 at the T. A. Head Arena.

The allocation from United Fund to the Mills Co. FFA Rodeo Association is \$450.00.
