Eagles Find Early Quickness 'Too Much'

By MIKE LEE Eagle Staff Writer

The quickness and speed of the Early Longhorns was the main concern of Goldthwaite head coach Joe Winchell, and for good

The Longhorns' speedy running backs ran wide with great success and their quick, stunting defense kept the Eagles bottled up all night as the Longhorns romped to a 37 - 0 victory over the Eagles last Friday.

The Goldthwaite defense plugged up the inside running game of Early but when the Longhorns ran wide, they did so with ease.

'Our defense played pretty well", commented Winchell. His main defensive concerns are giving up the big play and the failure of the Eagles to make one-on-one tackles.

Linebacker Jeff Stephens led the defensive effort as he made numerous tackles, especially in the second half. He had help from Carson Padgett, David Livingston, Chris Boykin, Stephen Schwartz and Tony and Ricky Corona.

The Eagles' offense never got untracked during the game. The offense was held to minus 17 yards rushing and 37 yards passing.

"Our young, inexperienced (offensive) line couldn't pick up their stunting." Winchell stated. "They have a good, quick de-

Early broke the game open in the second quarter, after leading by only 2-0 at the end of the opening period.

The Longhorns made it 10-0 on James Adams' 24-yard run with 10 minutes

left in the half. On the Eagles' next possession, Ted Tucker's screen pass was intercepted and returned 20 yards for the touchdown. That increased Early's lead to 16-0 October 11 -

with 8:44 left. The hosts added a third Hancock of Mullin. TD before halftime for a

22-0 advantage. Early took the second half kickoff and drove to the Eagle 4-vard line before the Eagle defense slammed the door and stopped the

'Horns. However, the Longhorn defense stopped the Eagles, October 13 who had to punt from their

own 14-yard line. The punt gave Early the ball on the Eagle 43 and the Longhorns scored 8 plays later to make it 30-0 with 1:22 to play in the third quarter

Early's final score came after a snap went over punter Kenny Saathoff's both of Mullin. head. He fell on the ball at the Eagle 5-yard line. Adams' one - yard run

capped the short drive. The only points of the first quarter came when Saathoff, punting from deep in his end zone, stepped out of it for an automatic safety. Injuries hampered the Eagles' effort as Stephens, Livingston, Coy Hammond,

Boykin and Padgett all played with injuries. The Eagles, 0-5 for the season and 0-2 in District 10-A play, host the Bangs Dragons Friday night at Eagle Field. The home-

will begin at 7:30 p.m. The Dragons will operate offensively out of the wing-T. Leading the Dragons will be quarterback Barry McCorkle, fullback Tom Koen and wingback Rob McKinney, who is possessed of 9.9 speed for

100 yards. "They (Bangs) have good people at skill positions," Winchell reported of this week's opponent.

Bangs will enter the game with a 3-1-1 season record and 1-0-1 district mark. They defeated Ranger 43-6 last Friday.

Chamber Comments

compiled by the Mills County Chamber of Commerce and Agriculture

Q. If the Chamber is really a county organization, why are all your meetings held in Goldthwaite?

A. They're not. At least not

since Monday night's meeting. The directors decided to set up meetings in the future in Mullin, Star and Priddy, as well as in Goldthwalte. Our next meeting date is Nov. 5. Time and place will be announced.

Q. I know you have services to help people apply for jobs and services to businesses trying to find employees. What's the latest service the Chamber has started?

A. The Rent and Lease List. This is a free service for all people who have properties for rent or lease in the county.

Q. How does that work?

A. If you have any property for rent or lease, call the Chamber office and ask to list that property. Then when anyone calls us and asks about available property, we will refer them

Q. What kinds of properties are you talking about?

A. All kinds. Houses, apartments, business locations, warehouses, ranch land, hunting leases, you name it.

Q. You mean if I have a lot of grass on my ranch and would like to pasture some extra livestock on it for, say, six months, I could call you and list that with the Chamber?

A. Sure. Our hunting leases

have worked so well, that we wanted to expand this aspect of our service. We will simply be a referral agent to help you rent out your property.

Q. What if I want to sell some property? Can I list

A. No. This is exclusively for renting and leasing.

Q. Do I have to be a Chamber member to take advantage of your Rent and Lease List?

Route 2, Box 109 San Saba, Texas October 5, 1979 Dear Mr. Davis:

I would like to take this opportunity to congratulate our Junior High football teams for the fine games they played in San Saba on Thursday night. They were a fine group of young men and need to be recognized for their fine attitude.

I would especially like to commend the Eighth grade coach and players. At the end of their game, San Saba had a player hurt and lying on the sidelines with his leg in ice. On the way to the dressing room, each Goldthwaite player came by and shook the injured San Saba player's hand. This was a very commendable act, and showed great character. The coaches and the parents of these young men need to be congratulated for teaching such traits as were demonstrated by their actions. This is what sports is supposed to be all about. These boys played and acted like champions.

Keep up the good work, and please let these boys and coaches know that their deed was noticed and appreciated

Sincerely. /s/ Mrs. Gordon Oliver
