# The Moline Menace

by Bob Altenloh

MESSAGE FROM DOLPHIN... There are only a few of us in various places on your earth. I am called Dolphin and it is a code name in case I have to use it while maintaining my appearance as one of you, in your language.

We have not come to harm you. Our only assignment is to observe. This has become a problem. First you have those sounds constantly. You rush to your places you call homes to watch a scratchy electronic picture on a machine that was antiquated centuries ago, while re-enactments of various facets of your lives progress, there is this noise in a continuous fashion.

I observed one of your kind in a park. He had a little black receiver box and a thin tube in his ear. I struck a conversation with him and learned that he has this noise entering his ear. We are puzzled and cannot seem to prove or disprove that your nervous system derives some sort of energy from it.

In your vehicles for a while I thought they would not start operating unless a switch was pressed to generate this noise. There are

other unanswerable things. You are in a constant frenzy to reproduce. I wonder that you don't have hundreds of billions of your kind on your planet. What is really perplexing is that you are constantly in conversation about it, as if somehow you are re-discovering a simple biological phenomena. The female of your species spends much time pressing odd chemicals and stains on her face. Over the years (earth years) the tops of your heads contained short hair. Later it had hair that was long and like strings. You wear metal bands on your digits, some holding carbon stones, quartzite and other blended ore deposits. We cannot solve what they do. You have continual wars but Lion is observing these. I have not contacted Lion. You are constantly building but your buildings don't

last very long. You have a society as you call it, but it seems geared for the benefit of a very few of your kind. You are an interesting and great species, endowed with reasoning, yet you allow your numbers to be governed by those without any.

We often become quite exhausted observing you. You move about constantly. True, we came a distance of staggering proportions compared to your "miles", but we made only one trip. We didn't go back and forth endlessly like you do.

I must go now. You might like to put this in your column. Perhaps Lion will read it. He will no doubt contact me then. I am sure he is having an easier time with those rather simple wars than I with observing your home life. Signing off.....Dolphin...

## Holtzclaw Re-Elected To Executive Board

Douglas Holtzclaw, pastor of First Baptist Church, Goldthwaite, was re-elected to the 192-member Executive Board during the annual meeting of the 2.1 million-member Baptist General Convention of Texas (BGCT) in Lubbock October 30 - November 1.

The Executive Board, composed of laymen and ordained church leaders, conducts the business of the BGCT between annual sessions.

The BGCT owns and operates eight colleges and universities, an academy, eight hospitals and four children's homes.

This work is supported by the Convention's 4,400 churches and missions, which will give more than \$13 million this year through the Cooperative Program to help share Christ's love throughout the world.

Besides the institutions, the Convention helps support the work of more than 5,000 missionaries in the United States and 94 foreign countries.

Mr. Citizen I ask you consider why this front organization ("CFR") never mentioned and discussed on the TV or in the news media? At least, order this latest work sells for \$1.75 per copy or 10 for \$10, postpaid. Quotations of U.S. Congressmen are included. The names of the CFR membership is included.

Sincerely,  
B. B. Geeslin

## KKK Visits Gatesville Center

On October 31 the KKK Band played for the Senior Citizens at the Mills County Center after their Costume Brunch.

At 12:30 the Band went to Gatesville and played at the Senior Center there. Also, a Halloween costume contest was held to determine who had the best and worst costumes. A lady from Gatesville won the best and Sam McKown won the worst. He was dressed as a ghost.

The Gatesville senior citizens seemed to enjoy the band and the band certainly had a ball playing for them.

On November 15th the KKK Band will play at the Coliseum in Brownwood for the Christmas Fest.

## Letter To The Editor

In 1962, Phoebe Courtney publisher of THE INDEPENDENT AMERICAN, P.O. Box 636, Littleton, Colorado 80161, wrote her first book on the influence of the COUNCIL ON FOREIGN RELATIONS (CFR). It was entitled "America's Unelected Rulers." She followed this with 6 other books on the subject.

On July 15, 1979, she published another book entitled "America's Unelected Rulers...The CFR Conspiracy and Jimmy Carter."

This latest work of hers is a condensation of documents of the CFR influence on the leaders and politicians of our country - including President Carter. She is also the author of a series of pamphlets entitled "Tax Fax", which deal with national politics and critical issues of the day. Many millions of copies of her works have been sold - some of the basic and logic ideas presented are:

If you wish to understand the significance of the amazing and unreasonable trends that are being fostered and followed in the current times it is necessary to know about the aims of the CFR, what people control it, its parallel fronts in other countries and the subsidiary fronts. Also, we need to become acquainted with the basis of their vast power of worldwide dimensions. They are for a one world government that they expect to control the masses with the justice that they mete out. These organizations are secret in nature, a person cannot join by application but is invited to join. They do not adhere to any ideology. They already control the highest centers of political and economic power by which they are forcing the entire human race toward a global, socialistic, dictatorial-oriented society. The element that is baffling, and which prevents the average person from catching on, is the fact that this drift is being plotted and implemented by the super-rich control -- the leaders and politicians and judiciary. The positions of affluence of these people does FALSELY seem to make them the foremost beneficiaries of the free enterprise, property-oriented, open society. Certainly, they, above other men, know that in order for our system to survive, freedom of action and the integrity of property rights must be preserved. Then WHY are these super-capitalist trying to destroy these freedoms and rights?

The answer to this question is so startling that it first seems virtually inconceivable. The trash can catches the material and the informer is labeled with a high sounding verbage. The answer begins to become rational only as the evidence of facts are collected and digested point by point.

Mr. Charles W. Holden, 87, passed away Wednesday, November 7, 1979 at 7:05 p.m. in Childress Hospital in Goldthwaite.

Fantastic is the only word to describe the singing of the Downtown Bible Class singing last Thursday night. We had about forty singers, plus a dozen other people who came to listen. The residents enjoyed it very much, and expressed their appreciation for all who came out. Thank you so much for all the effort put forth by each and every one.

The singing on Friday afternoon was good also. We had eleven volunteers out to help sing. Lorena Letbetter and Ruth Simpson conducted an exciting game of Bingo after the singing. A bus ride in the country was the big event of the day Monday for ten of our residents. Thanks to the Mills County Senior Center for making this possible.

**WE ARE LOOKING FORWARD TO:** Sybil and Julian Thursday, Nov. 15th at 3:45 p.m. Gospel Singing Nov. 15 at 7:00 p.m.; String Band Nov. 17th at 7:00 p.m.; and our monthly Birthday Party Nov. 20th at 2:30 p.m. If you have a relative here who is having a birthday in November, please come and help them celebrate.

We want to thank all of you who helped with our bake sale, whether you baked or bought. We appreciate your interest in those who are senior citizens. Thank you for bringing a smile to someone.
