War Flying No Picnic

DETROIT UP—Capt. Robert Rust, Air Force recruiter here, says he's fed up with the common conception of airmen as "sterling young pilots who step into their silver chariots, fly their missions and drop back for lunch." "Some of these boys get dirty and get shot, too," Rust said, adding that infantry duty also is "generally under-rated."

FLASHBACK

Sometimes it's a fleeting moment, sometimes it's weeks, months, and years in the headlines. Then they drop from sight.

Fox example, whatever became of Dummy Taylor?

Luther Taylor was a workhorse pfecher for John McGraw's New York Giants from 1900 to 1908. In his best year he won 16 games. Nobody has heard from him for a long time.

Where is Dummy Taylor now? He's just been added to the Giants' scouting staff, bossed by Carl Hubbell. He'll beat the bushes in Illinois and Indiana near his home at Jacksonville, Illinois.

Miss Vaughn Becomes Bride Of W. E. Colburn, Jr., In Double Ring Candlelighted Ceremony

Miss Betty Lynn Vaughn became the bride of Walter Edward Colburn, Jr., in a candlelighted double ring ceremony, Friday, May 16th at 7:45 p.m. at the Church of Christ.

The bride is the daughter of Capt. and Mrs. C. L. Vaughn, 209 1/2 East Valley Street, Eastland and Mr. and Mrs. Walter E. Colburn of Olden are the parents of the bridegroom.

Preceding the ceremony Mrs. Jim Carrington of Vernon sang, "Because," "Always" and "I Love You Truly."

W. L. Wharton, Jr., minister of Northhill Church of Christ of Houston, uncle of the bride, officiated, before a background arch which was covered with greenery and studded with tiny pink roses, and flanked by tall candelabra, palms, and baskets of Gladioli.

W. L. Wharton gave his granddaughter in marriage. She wore a ballerina length dress of rose beige lace and nylon net over taffeta. Her small pink hat had rosebud and feather trimmings, and were matched in color by her opera pumps. She carried a shower prayerbook bouquet of pink briarcliff roses, completely surrounded by tiny pink sweetheart roses, which were repeated in the shower.

Miss Elouise Wharton, cousin of the bride was the bride's only attendant. She wore a ballerina length dress of pink nylon marquisette, trimmed with satin, over taffeta. Her accessories were white and her corsage was of white carnations.

Jimmy Colburn served his brother as best man. Ushers were Preston Bowman of Brownwood and Bob Burdick. Miss Linda Ann Stephens of Dallas and Lee Wharton of Houston were the candlelighters.

A reception was given, following the ceremony by the bride's mother, in the home of her parents, Mr. and Mrs. W. L. Wharton, 417 South Connellee. Miss Charlene Black presided at the register.

The bride's table was laid with a lace cloth over pink and was decorated with fern and roses surrounding the large crystal punch bowl, which was placed upon a reflector.

Texans Spend Little Money Toward Health

AUSTIN—How much is a year of health protection worth to you?

How much is it worth to you to have maintained a staff of experts to control flies, mosquitoes, rats, and disease-bearing vermin. How much is it worth to conduct those well child conferences and supervise immunizations in your town?

How much is it worth to you to know that your food supply is protected and that it is fit for human consumption?

How much are the tuberculosis chest x-ray services, and the state's venereal disease control organization worth?

How much is it worth to insure that your city water supply isn't full of contamination? Those public health nurses who teach expectant mothers how to handle themselves and their new babies—what are their services worth to you as an individual?

Would you say all this is worth more per year than the cost of a single pack of cigarettes?

That's exactly what Texans are paying for health services today—20 cents a year per capita. And there are many other services besides those mentioned.

It isn't enough to pay for the sort of health protection State Health Officer Geo. W. Cox would like to see Texans have. Out of every tax dollar collected in this state, about one cent is spent on the protection of public health.

"Too much economy in health work is dangerous," the health officer cautioned.

With the expenditure of fifty cents per capita, Texas could approach the national average in this country, Dr. Cox said. As things stand today, Texas is near the bottom among the states in the amount spent for health work.

"When you cripple a health department by fund cutting, you end up with more—rather than less—expense. Money put into public health is repaid many times over in reduced sickness and lives saved," Dr. Cox said.

CHRYSLER SARATOGA 6-PASSENGER SEDAN

ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!

With its 180 HP V-8 engine, on 125 1/2 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that make driving a new experience.

Inside the engine are reasons for this. Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. Its construction is both more sturdy and more efficient.

One result is performance, even on non-premium fuel, such as you have never felt. Another result is new long-term economy. It's an engine that scarcely forms carbon deposit at all. It creates less heat and develops less wear than other engines. It will last much longer, and stay younger on the way!

With Chrysler full-time Power Steering*, you execute every steering move with one-fifth the usual effort... drive every mile, at every speed, with five times the usual control! With Chrysler Power Brakes you need up to two-thirds less foot pressure... and still stop in many feet less than other cars can do.

Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean?

*NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler.

Book Review, Luncheon Marks End Of Club Season For The Thursday Afternoon Club

A Smorgasbord luncheon held at one o'clock Thursday at the Woman's club was the final meeting of the Club season for members of the Thursday Afternoon Club.

Mrs. Arthur Murrell, president, presided and was also leader of the program. She presented Mrs. Hubert Jones who reviewed, "My Home on The Range" by Margaret Wallace Kennedy.

Each of the members contributed a covered dish to the planned menu that filled the table, which was laid with a linen cloth, printed with cowboy motif. The centerpiece was Nardella berries, and flowers arranged with yellow Jasmine and honeysuckle, in a yellow and brown pottery bowl. Decorations were roses, and carnations.

The individual tables, laid with colorful cloths were centered with brown glass mugs holding yellow flowers. Favors were miniature cowboy hats with cowboy names inscribed on the bands.

The menu consisted of creamed chicken in tomatoes, green beans, Waldorf salad, hot rolls, lemon chiffon pie and a condiment dish containing pickled sweet peaches, pickles, olives and crab apples. Western style dishes were used, further carrying out the Cowboy theme.

Hostesses were Meses Ben Hamner, Jack Muirhead, Robert Perkins, I. C. Heck and M. A. Treadwell.

Mmes. Treadwell and Perkins presided over the Smorgasbord table.

Mrs. Murrell presided over the business meeting and heard final reports of the club year from each of the officers and committees.

Present were Meses J. Morris Bailey, Frank Castleberry, Earl Conner, Frank Crowell, Cecil Collins, Fred Davenport, Pearson Grimes, Ben Hamner, I. C. Heck,

Frances Ruth Hagaman Feted At Luncheon Saturday Noon

Mrs. V. V. Cooper, Jr., of Ranger and daughter, Mrs. James Horton of Tulsa, Oklahoma, honored Miss Frances Ruth Hagaman, a much feted prospective bride, at a luncheon Saturday, May 7, in the Community Club house at 2 o'clock.

The color scheme of pink and white was used. The entire club house was decorated in gorgeous arrangements of pink roses and lace fern. Lovely white baskets filled with the fragrant flowers were attractively placed about the dining room.

The tables were covered in white cutwork linen cloths with the center table covered in light pink. The centerpieces were artistic arrangements of pink roses and buds in crystal bowls. The places were marked with white linen cards tied at the right hand corner with white satin ribbon holding a delicate sprig of orange blossoms and a miniature silver wedding bell. The table appointments were silver and china.

The guests were Frances Ruth Hagaman, bride-elect, Bill McGrath, bridegroom to be, Mrs. M. H. Hagaman, Mrs. Leslie Hagaman, mother of the bride-elect; Mrs. R. A. Jameson, Mrs. O. F. Chastain, Mrs. C. Sanda And Linda Swearingen Of San Antonio Celebrate Birthdays

Sandra and Linda Swearingen of San Antonio, six and four years old, respectively, celebrated their May birthdays jointly, May 4th at the City Park.

After playing games, the little hostesses and their guests went to the Tip Top Cafe for refreshments. The table was laid with a white cloth, and napkins. The centerpiece was of pink and blue daisies. Favors were pink and blue miniature baskets filled with candy. A birthday cake was placed at each end of the table, one blue and one pink, each beautifully decorated and served with ice cream.

The children were then photographed and the gifts opened and displayed. Linda and Sandra with their grandmother are visiting here with Mrs. Richard Middleton and family.

Guests present were Gary Shultz, Joe Cooper, Kenny Coghburn, Sharon Day, Shelia Sneed, Elizabeth Williams, Jim Wright, Charles Foster, Lila Lane Middleton, Collin Cagle, Annie Louise Monk, Weidon Ray Broussard and Betty Sue Bourland.

Sandra and Linda wore pink and blue dresses that were gifts from their maternal grandmother in Puerto Rico.

Such a loan may cover up to 85 percent of the cost of such a structure, and the repayment period may extend up to five years.

Four Plans For 1952 Crop Peanut Price Support

1. Farm Storage Loan: You may obtain a loan through your county PMA Committee, and hold your

peanuts in any committee-approved farm storage structure. You may sell them at any time after repaying your loan to the county committee. Loans bear interest at 3 1/2 percent per year and mature May 31, 1953, with CCC accepting delivery of peanuts if the loan is not repaid by that date. There will be no recourse on you except for loss in weight and grade that may take place during the time your peanuts are under loan.

2. Purchase Agreement: This agreement, signed by you and a representative of your county PMA committee, guarantees you a market at price support. It may cover any quantity of eligible peanuts produced on your farm. The peanuts remain in your possession, may be stored either on or off the farm, and may be sold or disposed of in any manner you desire. No funds are advanced to you but you have the right to deliver these peanuts to CCC, although you are not obligated to do so. You may deliver your peanuts at the support price after notifying the county committee within 30 days before May 31, 1953, of your intention to deliver to CCC.

3. Loans Through Peanut Cooperatives: CCC will advance funds to the peanut cooperatives to be used in making loans to you.

U. S. Chamber Commerce Outlines Five Ways For Better Government

WASHINGTON — Five things that people may do to promote better and more economical government are spelled out by the Chamber of Commerce of the United States in a leaflet which it is distributing in large numbers to its membership throughout the United States.

The Chamber breaks down the

the producer. The cooperative will sell these loan peanuts for edible use at the best price obtainable above the loan rate. You may not redeem or individually sell the peanuts you have placed under loan with the cooperative. But you will share in any profits realized by the cooperative on the sale of peanuts.

4. Warehouse Loan: You may obtain a loan through your county committee on the basis of a negotiable warehouse receipt issued by an approved warehouseman. This receipt will enable you to market your peanuts readily at any time you find it advantageous. If you do not repay your loan the warehouse receipt becomes the property of CCC on the maturity date, which is May 31, 1953.

5. Service Charges, Inspection Fees and Storage Costs: A small charge for preparing and handling loan and purchase agreement papers will be made by the county PMA committee or the cooperative. Inspection fees to cover the cost of grading will be paid by the producer. The producer who obtains a warehouse or cooperative loan, will be required to pay the cost of storage and to absorb the normal loss in weight and grade while his peanuts are in storage.

steps which it urges businessmen to take under five headings. They are: Taxes, National Debt, Inflation, Big Government, Corruption in Government. A summary of the Chamber's call to action follows:

"Taxes: You have seen taxes going up. Maybe you don't realize how much. But in a little more than six years the present Administration has collected more tax than all the other Administrations in the history of the country collected in 156 years!"

"You can help keep taxes down by thinking twice before you support any new government project or service. There's no such thing as a free government service."

"National Debt: Our government owes 260 billion dollars—more than twice as much as all the money in the United States. If government spends next year as much as it now plans to spend the debt may jump up another 10 billion dollars or so. Every child born today inherits a debt of about \$1,500."

"You can help lower the national debt by seeing to it that all organizations to which you belong don't pressure Congress for projects."

"Inflation: Look up 'inflation' in your dictionary and you will find that it does not mean just higher prices. Inflation means a rapid rise in money supply. That causes prices to rise."

"You can help fight inflation by becoming a budget vigilante. When you know a government agency is wasting money, tell your Congressman about it. Write to the U. S. Bureau of the Budget at Washington about it. Tell your local newspaper about it."

"Big Government: America is the traditional home of freedom and liberty. But have you noticed that more and more the government tells the people—farmers, businessmen, workers, consumers—what to do and how to do it? Americans always have voted 'down socialism. But actually socialism is just another name for big government. And government is getting higher fast. Big government and big spending go hand in hand."

"You can help reduce big government by making it crystal clear to your Congressman that you want rigid economy in government."

"Corruption in Government: Don't overlook the close connection between the huge sums of money flowing into and out of

Washington and the corruption that has shocked the nation. Thousands in and out of government find it hard to resist the temptation to dip into the spending stream for personal gain.

"You are a member of an organization, perhaps several. Get them interested in better and more economical government. If you don't have a suitable organization, you can help form one. Set up a budget committee, an economy committee or a study group, whatever seems best suited to the need. Then get all the material you can. The Chamber of Commerce of the United States will help supply you."

Record Number Entries Filed In U. S. Open

NEW YORK, May 20 (UP)—An all time record of approximately 1700 entries have been filed for this year's U. S. Open Golf Championship Tournament, the United States Golf Association announced today.

Previous high was 1511 entries for last year. Entries for this year's tournament closed at midnight, Sunday, but the final total still is subject to a final, nationwide re-check.

Out of the huge field, only

162 players actually will tee off in the first round of the open at the Northwood Club, Dallas, June 12th. Twenty-nine of these berths are reserved for former champions, the reigning amateur and PGA champions, and the low scorers in last year's tournament, so that leaves only 133 places to be competed for by the other 1671 entrants.

We like to see people happy!

It's a busy world, and we know that it's hard for people in general—and you men in particular—to get around to having a new portrait made. New portraits give pleasure and we like to see people happy—that's why we made plans to make it easy to get fine portraits, especially portraits of men.

Chances are, you look as healthy and happy right now as at any time of the year—that, too, is why having your portrait made now is so logical. Call our studio for your appointment today!
