TEXAS FUTURE FARMERS END CONVENTION; ELECT LEADERS

DALLAS—Joe Dan Boyd of Winnboro was elected 1952-53 state President of the Texas Association of Future Farmers of America at the 24th Annual State Future Farmer Convention in Dallas, Friday, July 18. The new President succeeds Franklin Brandt of La Grange.

The three-day meeting, attended by 3600 Future Farmers, highlighted the election of officers, a public speaking contest and the presentation of awards and scholarships. Fort Worth was chosen as the 1953 convention site.

New state Vice Presidents of the Texas Future Farmers are Donnie Stroup, Canyon; Joe N. Stephens, Lamesa; Oran Little, Schulenburg; Norman Evans, Graham; Donald Stodghill, Rockwall; Ralph Bachmayer, Taylor; Garland Carroll, Cleburne; Bentley Hamilton, Nacogdoches; and Clyde Fisher, Victoria.

In a business session, the Future Farmers voted to send 200 pigs to Korea in order to help improve the breed of swine raised in that country. The project is being carried out in cooperation with CROP, Christian Rural Overseas Program, and the details are being worked out by the Vocational Agriculture state staff of Texas.

The young farmers also voted to add the following projects to their 1952-53 program of work: Encourage each chapter to offer a special award for Chapter Star Farmer; encourage more cooperative projects on a chapter level; and to provide bulletins and plans for improving homes and farms.

Jack Earl Harrison of Huntington, winner of the state public speaking contest, will compete in a Tri-State contest August 1 at Oklahoma A & M College in Stillwater. Tonic of his talk is "Protect Our Soils and Save America." Second, third, and fourth place winners in the State Event were Bill Hunter, Dimmitt; Joe N. Stephens, Lamesa; and Larry Umberger of Potts, a member of the West Lamar Future Farmers.

The Future Farmers chose Garah Reynolds of Pittsburg as their 1952-53 State Sweetheart. Runners-up were Margaret Epperhart, Luling; Sue Glass, McLean; and Barbara Seale, Honey Grove.

The Texas Future Farmers selected Jerry Johnson of Nacogdoches to be nominee for a national Future Farmer office. He will be considered by a national committee which makes the nominations.

Lone Star Farmer degrees were conferred on 579 boys, and A. J. Kilton of the Cooper Future Farmer Chapter in Lubbock county was presented as Star Lone Star Farmer. Star Farmers of the 10 Future Farm Areas of Texas who were recognized at the Convention are Bryon Wise, Brownfield; Leslie Oppermann, La Grange; Lamont Campbell, Hamilton; Jerrill Justice, Mansfield; Joff White, Cooper; Oscar Richarz, Jr., Sabinal; Billy Vostal, Fairfield; Bob By Boathard, Kirbyville; John C. Muckleroy, Taft; and A. J. Kilton.

In a Future Farmer talent contest, the East Wranglers, a string band from Cartage, was chosen

Eight Crewmen Ride B-29 To Flaming Grave

TOPEKA, Kans., July 23 (UP)—A Kansas corn field was littered Wednesday with blackened pieces of airplane the size of saucers after a flaming B-29 bomber crashed with shattering force, killing eight crewmen.

The airmen never had a chance to bail out of the big four-engined bomber as it fell from 1,500 feet, one engine spurting fire, into the corn field 11 miles southeast of Topeka Tuesday.

It was only minutes out of Forbes Air Force Base here and its pilot was making a second attempt at an emergency landing after the No. 4 right engine caught fire.

Charred bodies of the eight men were removed from the still-smouldering wreckage last night. Burned pieces of metal were scattered over an area 400 yards long and 300 yards wide and only a section of the fuselage and the tail of the bomber was intact.

A Kansas farmer, R. J. Edmondson, 67, was raking prairie hay nearby when the plane crashed.

"I looked around just about the time it hit," he said. "It was strategic reconnaissance wing, at a fire when I saw it, and kept burning after it hit."

"There was a big splash of smoke and fire shot up into the air."

Capt. Mahar said the B-29 was on a routine training flight out of Forbes and had just taken off. The bomber normally carries a crew of 12, but four men departed before the plane took off again. It was assigned to the 321st squadron, part of the 90th strategic reconnaissance wing, at Forbes.

Family Of Mrs. Cornelius Taylor Gather Here For 85th Birthday Celebration And Family Reunion

The children, grandchildren and great grandchildren of Mrs. Eunice Cornelius Taylor gathered here Sunday July 20th for their annual family reunion dinner, honoring her on her 85th birthday.

The dinner was held in the office of the Victor Cornelius Theatrical Advertising plant. Her children, Garfield Cornelius, Temmie; A. B. Cornelius of Graham; Mrs. Florene Miller, C. C. Cornelius and Victor Cornelius all of Eastland.

for more than 25 years, received many gifts, which she opened and displayed, following the beautiful meal.

Others attending from Eastland were Larry, Sammy, and Victor Miller; Mr. and Mrs. Baxter Miller; Mr. and Mrs. C. J. Germany; Mr. and Mrs. Jack Germany and Jeffery; and Mrs. C. W. Pettit.

Out of Town relatives attending were Mr. and Mrs. A. E. Cornelius, Kathleen and Albert of Graham; Mr. and Mrs. S. G. Cornelius of Temple; Mrs. Flora Brandenburg of Grand Prairie; Mr. and Mrs. M. T. Cornelius, Mr. and Mrs. Sam Cornelius, Karen and Eunice, Mr. and Mrs. Thomas Denny; Mr. and Mrs. O. L. Pickett of Abilene.

Mr. and Mrs. R. E. Bradshaw of McCombs; Mr. and Mrs. Bill Helm, Austin; Marshall, Gretchen, Daniel and David of Colorado City; Mr. and Mrs. Bill Cornelius of Crane; Mr. and Mrs. Homer Clark, Paula and Coke of Kermit; Mr. and Mrs. E. J. Jaska, Jean and Al and Mrs. John McNair and Blanchard of Houston.

LOOK WHO'S NEW

Rev. and Mrs. Clifford Nelson of Eldorado are the parents of a daughter, who arrived at 3:07 p. m., July 15th. She has been named Sylvia Ann.

Mr. Nelson is a former pastor of the Olden Baptist Church and was a teacher in the Eastland schools.

PERSONALS

Mr. and Mrs. Elvis Paschal and little son Seldon of San Angelo spent the week end here with Mrs. Paschal's mother, Mrs. Glen Hudson and other relatives.

Mrs. Victor Cornelius and her daughter, Mrs. Jack Germany and little son Jeffrey accompanied by Mrs. John McNair and little son, Blanchard of Houston are spending the day in Graham, with Mr. and Mrs. A. B. Cornelius and family.

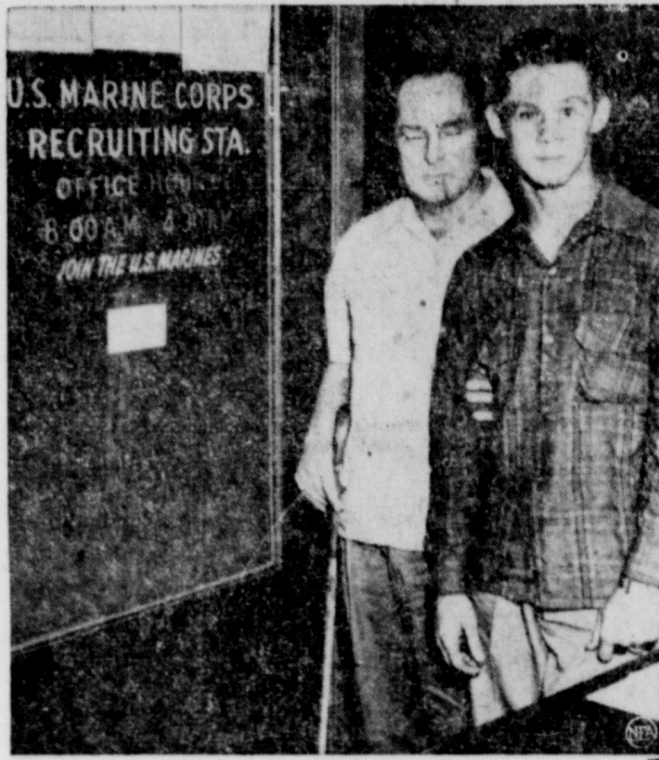

Mr. and Mrs. Eugene Green, and daughter, Karen, and Mrs. A. Green, returned recently from a trip to Atlanta, Ga.

Miss Gay Armstrong, daughter of Mr. and Mrs. Willis Armstrong of Mission, is the guest here in the home of her grandmother, Mrs. J. S. Armstrong East Highway 80, and other relatives.

Miss Lucille Horton of Dallas spent last week visiting here in the home of her aunt, Mrs. Frank Castleberry and while here she accompanied the Castleberrys to the Flat Top Ranch and to Midland, where they visited with Frank P. Castleberry and family and with O. B. Horton, Jr.

Mr. and Mrs. Howard M. Brock of Birmingham, Ala., have been the guests here of Mr. Brock's parents, Mr. and Mrs. S. H. Brock, 301 South Ammerman. They were enroute to their home from Mexico. They had also visited in Lubbock with Lt. and Mrs. Frances Brock.

Mrs. Howard Brock visited over the week end in the home of her son, C. G. Brock and family in Deaton. Glenda Brock returned home with her grandmother and is the guest here in her grandparent's home.

GIVES "SIGHT" TWICE FOR HIS COUNTRY—Willard Cole, Sr., of Cincinnati, blinded when serving with the Marines on Iwo Jima, escorts his son, Willard, Jr., 17, to a Marine recruiting station. Until his enlistment, the son had been serving as "eyes" for his father.

Rebuilding Of Quake Stricken Town Is Begun

TEHACHAPI, Calif., July 23 (UP)—Tired, sad-eyed residents of this quake-stricken little hill town shrugged off new rumblings from the earth Wednesday and began planning to rebuild their devastated homes and businesses.

Although after-shocks from the powerful quake that struck California Monday jarred the earth at intervals, sweat-streaked men scarcely looked up from their task of clearing the rubble from Tehachapi's streets.

An after-shock rattled most of Southern California Wednesday, but the state highway patrol said no damage was reported.

New Shake More Gentle The tremor was felt sharply here, but was vastly gentler than the main quake Monday, when 11 persons were killed and at least 35 injured.

A sharper after-shock jolted the town Tuesday night, jarring loose bricks from some of the already ruined buildings. Tremors of varying intensity were felt throughout Southern California all day Tuesday.

The Bakersfield sheriff's office said this morning's shake was of about the same intensity as three others felt there Tuesday night, and the jolt was described

When you check car value the DODGE "SHOW DOWN" WAY

McGraw Motor Co.

416 S. Seaman St. Phone 80

"damn good" in Pasadena, where chandeliers swayed. It lasted about 15 seconds.

Quake Registers 6.0

Tuesday night's settling shock was recorded on seismographs at the University of California in Berkeley, 350 miles north of here, as having an intensity of 6.0 on a scale of 10. Seismologist Charles Herrick said it was "moderately large" although not "anywhere near as strong as Monday's quake.

The main quake had an intensity of 7.5.

Damage estimates soared. Rough estimates here placed it at \$2.8 million, and in nearby Arvin, the toll was placed unoffi-

cially at \$500,000. In all of Kern county, damage may run as high as \$50 million and to this must be added the vast amount of less spectacular damage in Los Angeles, Ventura and Santa Barbara counties.

DEAR VOTERS:

This is my last appeal for your vote and influence. I have done my best to keep the race clean and on a high, dignified level in line with the office of County Judge.

I shall briefly state here some of the things so badly needed and I'll do my best to accomplish them: Maximum farm to market roads, soil conservation by cooperating with the Department of Agriculture, 4-H club work, better care and more aid for our aged and needy, both old and young.

I promise to meet out a strict justice granting pardons and paroles which serve best the individual and the public putting principle before politics. I shall cooperate at all times with our peace officers throughout the County in eliminating law violations as much as possible, thus making Eastland County a safer and better place in which to live.

I am well qualified to handle ALL CASES coming under the jurisdiction of the County Judge. I shall cooperate with the Commissioners Court remembering at all times my duties and limitations.

Friends, if you will elect me your County Judge I will do my best to make you one of the best you ever had. I shall not forget that the job is yours and I'm your hired hand striving to give you the kind of service you pay for and expect to get.

Sincerely,

C. S. (Clabe) Eldridge

ATTEND CHURCH SUNDAY

Farm Labor Situation Serious

"The farm labor situation throughout the country is becoming more acute and serious," according to C. R. Schoby, President of the American Dairy Association. Mr. Schoby, an Iowa dairy farmer, says growing shortages of dairy farm workers and the heavy investment a dairy farm demands today leads him to wonder if the question "how much does a quart of milk cost" may turn into "where can we get a quart of milk?"

"Census figures show," Mr. Schoby declared, "that there were about 1,320,000 fewer people working on U. S. farms in 1950 than in 1940.

"The decline of farm workers was caused largely by the decrease in the number of farm operators and family workers who are members of the operator's family, resulting from the decrease in the number of farms. There were approximately 500,000 fewer hired workers on farms in 1950 than in 1940. Expenditures for hired labor were 271 per cent greater than in 1939.

"The number of farms in the United States in 1950 was 495,000 less than in 1945 and 713,000 less than in 1940. The average size of farms increased from 174.0 acres in 1940 to 194.8 acres in 1945 and 210.5 acres in 1950. The percentage of farms operated by tenants declined from 38.7 in 1940 to 31.7 in 1945 and to 26.7 in 1950.

"Displacement of about 3,500,000 American farm workers by 1970 as a result of labor-saving devices 'revolutionary in impact' is forecast in a recent study made public by a Senate committee."

Mr. Schoby said that dairy farmers are using all possible mechanical devices to help them carry on their 365 day a year job of milk production.

"Mass production of milk on the dairy farm is not sufficient to take up the loss of labor," he added, "and overcome gradual disappearance of the family type farm. During the five years from 1945 to 1950 there was a decline of 124,000 in farms of from 100 to 219 acres."

the country in support of the Eisenhower candidacy, and said he was prepared to do a lot more traveling if called upon.

Eisenhower will take time out from his vacation again Sunday to confer with Sen. Richard M. Nixon of California, the GOP vice presidential candidate. Nixon is scheduled to address the Ohio state Republican convention July 31, and apparently he desired to have a talk with Eisenhower before making his speech.

His Denver Staff Busy

While Eisenhower attempted to catch up on his rest and his fishing by keeping political appointments to a minimum for a few days, his staff in Denver was busily engaged in formulating campaign plans.

It was announced there that Gov. Sherman Adams of New Hampshire had been added to the group of key Eisenhower advisors. Adams will serve as a sort of chief of staff for Eisenhower, and will be liaison man between the general's personal staff and the Republican national committee.

Adams will take a three-month

leave of absence from his gubernatorial duties, effective August 1, to become a member of the Eisenhower "brain trust."

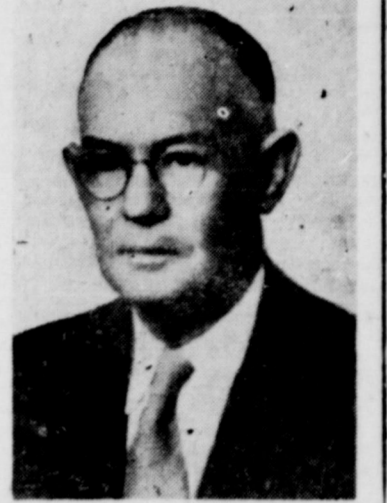

The question of whether Eisenhower will have a full-fledged campaign director or campaign manager, as is customary for a presidential nominee, is still under discussion. A decision is expected to be reached in the next few days.

GOP Candidate Confers With 3 Top Advisers

By Rex Chaney
FRASER, Colo., July 23 (UP)—Dwight D. Eisenhower interrupted his brief vacation Wednesday to talk with three Republicans who are expected to play important roles in his presidential campaign.

The three — Sen. James H. Duff of Pennsylvania, Gov. Dan Thornton of Colorado and Ralph H. Cake, Republican national committeeman for Oregon—came by automobile from Denver to confer with the GOP presidential

nominee at his Rocky mountain retreat near here.

Eisenhower has been fishing, painting and relaxing since Thursday on a 1900-acre ranch owned by an old Denver friend, Aksel Neilsen. His callers today were the first political visitors he has had since he began his vacation.

Campaign Talk Likely

While there was no advance indication of precisely what the general and his supporters would discuss, it seemed safe to assume that the talks would center around Eisenhower's campaign plans.

Duff, Cake and Thornton were among Eisenhower's national backers at the Republican national convention two week ago. Duff told reporters he already had traveled some 60,000 miles around

MR. AND MRS. VOTER of Eastland County

As the July Primary election draws near I wish to take this method of making my last appeal to you for your support in my efforts to secure nomination for the office of County Treasurer.

I have conducted my campaign as actively as time would permit, and I have kept in mind my purpose from the beginning to promote my candidacy in a clean and honorable manner.

When you mark your ballot on July 26, if you leave my name unscratched I will appreciate it very much, and will manifest my gratitude by making you a courteous and efficient official.

You will find my name second on the ballot for County Treasurer.

Thanking you again for your kindness and any support you can possibly give me I remain,

Respectively yours,
HOOVER PITTMAN

WHITE HOUSE PRESSES STEEL AND UNION FOR SETTLEMENT

By Alan Adams
 WASHINGTON, July 23 (UP)—The 52-day steel strike hit at the heart of the defense program Wednesday as worried White House officials exerted new pressure on industry and union leaders to negotiate an agreement.

Acting Defense Mobilizer John R. Steelman was in almost constant communication by telephone with both sides in further attempts to find some break in the

completely deadlocked dispute.

As Steelman struggled for resumption of collective bargaining, the prolonged nationwide walkout of 600,000 CIO steelworkers had its first drastic effects on defense production.

The Army announced the shutdown of the nation's largest artillery shell plant—the Chevrolet shell plant at St. Louis. Defense officials predicted the list of defense facilities forced to close down for lack of steel would grow rapidly.

Until now they said, the strike has primarily hurt the civilian economy, forcing a halt in production of automobiles and other consumer goods and causing layoffs of workers not directly in the steel industry. The strike's effect on defense production was

delayed due to the large stockpile of steel when the walkout started June 2.

The magazine Iron Age said in this week's issue that there was not "a ray of hope" for quick settlement of the strike, although differences between the industry and union were "paper-thin."

The deadlock centered on a demand by the industry that the new agreement provide a 15-day period at the start of the contract for workers to "escape" from the union. Officials believe the parties are close enough on wages and even the crucial union shop issue so that a settlement would come quickly if the "escape" clause plan could be worked out.

The steel companies have offered a 16-cent hourly increase, 5.4 cents in fringe benefits and a union security clause that would require new workers to sign a union card but allow them to leave the union within the first 30 days.

Short, Secret Truce Meetings To No Avail

By Wendell Merick
 PANMUNJOM, Korea, July 23 (UP)—Truce delegates held a seven-minute "do nothing" meeting Wednesday, the 16th of a series of secret sessions which apparently have done nothing to increase the chances of peace in Korea.

Since every remark at the meeting had to be interpreted in three languages, it was obvious the two sides had only time to agree to another meeting.

Observers here believed both teams were marking time, waiting for the other to break the deadlock on prisoner exchange, the last obstacle to an armistice.

In the last four sessions, the Allied and Communist negotiators have met for a total of 44 minutes.

Lt. Col. Joseph J. Porehert, official UN spokesman, had no comment to make on Wednesday's session except to report the delegates agreed to meet again Thursday.

The brevity of the recent meetings indicated the negotiations were putting forth no new proposals to unshackle the prisoner exchange deadlock.

With neither side submitting anything new, it was likely the news blackout imposed July 3 would be ended soon.

The prisoner deadlock arose when the UN refused to return 100,000 prisoners of war who have renounced communism. The Reds want back all 170,000 prisoners held by the Allies.

Allied Bombers Smash Red Troop and Supply Depot

By Robert Udick
 SEOUL, Korea, July 23 (UP)—Waves of Allied fighter-bombers, braving intense anti-aircraft fire, smashed a Communist troop and supply center south of Wonsan Wednesday in another devastating aerial blow at "ripe" enemy targets.

The UN warplanes fired bombs, rockets and machine gun bullets on the sprawling troop billeting and supply storage complex at the village of Osan, 10 miles south of Wonsan.

The Fifth Air Force said it had waited for several weeks to let the target ripen for the assault, the latest in the Allied campaign of putting pressure on the Communists from the air.

The first 100-plane wave of Mustangs, Shooting Stars and Thunderjets hit the target about 9 a.m. (6 p.m. CST Tuesday). A second wave of fighter bombers flew over the target at 6 p.m. (3 a.m. CST) but results of the second attack were not immediately available.

Claims already reported on the main target included 59 storage and barrack buildings, eight vehicle rearmenets, four supply bunkers, one automatic weapon and seven box cars destroyed or damaged.

Three large secondary explosions blossomed in the clear North Korean sky from hits on fuel or ammunition stores.

The Allied planes dropped 75 tons of bombs, 300 rockets and 37,000 rounds of ammunition on the target.

Meanwhile, other fighter-bombers and light bombers continued to hammer at Red positions around "Old Baldy," the bitterly-contested hill west of Chorwon on the west-central front.

F-86 Sabrejets over MIG Alley reported meeting no enemy MIG-15's.

On the ground, sweltering Allied troops burrowed deeper into the eastern crest of Old Baldy during a lull in the six-day battle for the bloody height.

C. H. Dawson

Candidate For STATE REPRESENTATIVE 76th District

COMPRISING EASTLAND, SHACKELFORD AND CALLAHAN COUNTIES.

- Stands for adequate assistance for the old folks.
- Free lunches for all public children.
- Rural fire protection.
- Dawson is friendly to school teachers and working man.
- Dawson believes in the Golden Rule.
- Favors repeal of the auto inspection law.
- Dawson is an ex-combat infantry soldier.

Truman Will Be Convention To Speak Friday

CHICAGO, July 23 (UP)—President Truman will speak to the Democratic convention Friday night, party officials said Wednesday.

Because the convention is now running behind schedule, the chief executive, who had planned to fly from Washington Thursday, will postpone his trip for 24 hours.

According to the latest timetable worked out by Chairman Frank E. McKinney, the President was expected here sometime Friday. He will dine at the Saddle and Sirolo Club, adjoining the convention hall, with McKinney, the new presidential nominee and a small group of high party figures.

He will wait at the Stockyards Inn until the vice presidential nominee is chosen, then go to the hall to hear the acceptance speeches before making his own address sometime Friday night.

Saturday morning the President planned tentatively to fly to Independence, Mo., where he will remain until the Missouri Democratic primary, August 5.

HAUL WITH A DODGE AND CUT YOUR COSTS!

"Our Dodge trucks give us exceptional over-all economy"

"Economy is one of the many things we like about our Dodges. They're real low on all costs—especially on oil and upkeep."
 "These trucks are on the go for 5 1/2 days every week, carrying extra-heavy payloads. They always keep running and have never had any major mechanical trouble."
 "The drivers tell us the new Dodge has real comfort and drives like an automobile."

LEO MEUDT, Meudt & Beck Distributing Co., Madison, Wis.

- ▶ Cut costs with a Dodge truck "Job-Rated" to fit your job—from 1/2-ton to 4-ton.
- ▶ Power-with-economy is the first principle of a Dodge engine—thanks to L-head-design, high-efficiency carburetion.
- ▶ Low upkeep is engineered into every Dodge truck with features such as floating oil intake and others.
- ▶ gyrol Fluid Drive—available on 1/2-, 3/4-, 1-ton, and Route-Van models—saves wear.
- ▶ Come in today for a demonstration—and a good deal!

Save on gas and oil. Dodge truck operating costs stay low, thanks to such values as lightweight aluminum-alloy pistons with chrome-plated top piston rings, 4 rings per piston, and others.

Save on long life. Husky frames, sturdy axles and high-capacity springs provide extra strength, lengthen truck life. Because a Dodge "Job-Rated" truck lasts longer, it has a high trade-in value!

See us today for the best buy in low-cost transportation...
